Honorable City Council:

RE: Petition No. 368 — Marathon Petroleum Company LP, request to vacate a portion of Colonial between Norway and Oakwood.

Petition No. 368 — Marathon Petroleum Company LP, request to vacate and convert to easement part of Colonial Avenue, 66 feet wide, between Oakwood Boulevard, 100 feet wide and Norway Avenue, 60 feet wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made in order to consolidate property. This section of Colonial Avenue was physically closed when Oakwood Boulevard was rerouted; and there is an existing guardrail at Norway Avenue, and no connection to Oakwood Boulevard. The Colonial Avenue pavement has been removed and the right-of-way is now unimproved.

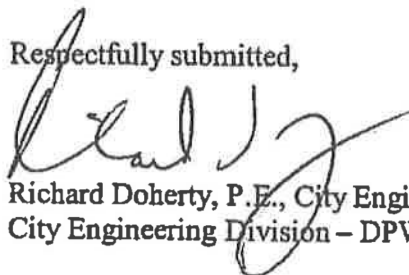

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

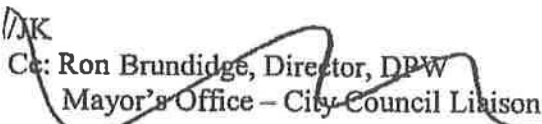

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
