Petition No.1359 – Fort Street Real Estate request to vacate the east-west alley, 20 ft. wide, lying north of W Fort Street, 100 ft. wide, and west of Govin Street, 50 ft. wide, also that part of Govin Street north of Fort Street.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is being made as part of a new develop on the north side of W Fort Street at 8050 W Fort Street.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
