March 10, 2022

On the current ACT 51 map there is an unknown street extending northward from Clayton Street just west of Parkinson.

The City of Detroit records show this unknown right-of-way to be an alley opening to prevent a dead end and that it was established 1/10/1967. Currently the alley opening and the alley itself are unimproved and closed to the public. This right-of-way is not a street and not open to automobile traffic as a result it is being decertified and deleted from the ACT 51 map.
