Honorable City Council:

RE: Petition No. x2024-350 –Great Lakes Water Authority request for the Decertification/Vacation, ‘Outright’ of Bayside Ave., between Ormond Ave., and Gale St. This Vacation would include changing Bayside Ave. from a one-way to a two-way street.

Petition No. x2024-350–Great Lakes Water Authority request for the Decertification/Vacation, ‘Outright’ of Bayside Ave., 60 ft. wide between Ormond Ave., 66 ft. wide and Gale St., 60 ft. wide. This Vacation will include changing Bayside Ave. from a one-way to a two-way street.

This outright vacation is for the installation of permanent structure over the existing Northwest Interceptor that will be used to divert flow through a new 10’ diameter tunnel from GLWA’s Northwest Interceptor to GLWA’s Oakwood CSO Facility.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering - DPW. Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution. All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Richard Doherty, P.E., City Engineer
City Engineering Division – DPW
