RE: Dequindre Cut Phase 2 Bridge CADD files

The following data file(s) is enclosed. Attached are the design CADD files for Alfred St over Dequindre Cut; Struct # 12447.

This file(s) is compatible only with that stated software and release/version. We make no representation as to the compatibility of this file(s) beyond the specified release of the stated software. Receiver agrees to save and hold sender harmless for uses of the file data outside of or beyond the scope of our Agreement.

If a printed copy is supplied, immediate verification should be confirmed from the printed copy of the original to the data file(s). If there is a conflict between the printed document and the data file(s), the printed document governs.

### Compatibility

Software: MicroStation (Example: AutoCAD, MicroStation)  
Release-Version: Version 8 (Example: Version 7.0)  
File Type(s): .DGN (Example: DGN, DWG, Other)  
Format: Electronic Files (Example: USB, CD, DVD, Other)  
O/S-Version: MS Windows (Example: MS Windows, Other)

*The delivery of this drawing in electronic format is for the benefit of the Owner for whom the design services have been performed. The delivery of this drawing should not be construed to provide an express warranty or guarantee or any assurance whatsoever to anyone that dimensions and details are exact or to indicate that the use of this drawing implies review or approval by the Design Professional of any future use. It is also incumbent upon recipient to determine, and it is the sole responsibility of recipient to determine, if the information in this drawing has been changed or updated. Any use of this drawing or the information contained therein is at the sole risk and liability of the user and recipient expressly agrees that it will indemnify, defend and hold harmless design professional from any claims arising from or in any way related to the use of this drawing.*

Remarks: These CADD files are being provided per your request of March 1, 2019.
