Honorable City Council:

Re: Petition No. 2717 — Lewis College of Business, for outright vacation of pedestrian walkway, located at Meyers Road and Manor Street.

Petition No. 2717 of "Lewis College of Business", 17370 Meyers Rd., Detroit, Michigan 48235, request to vacate (outright) the pedestrian walkway, 30 feet wide, (dedicated by Recorders Court; adopted by Detroit City Council September 16, 1952; J.C.C. Pg. 2142) located approximately 609 feet north of Santa Maria, Avenue, 50 feet wide, running east/west between Meyers Road, 76 feet wide and Manor Avenue, 60 feet wide, in order to create a contiguous parcel of land.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report:

All city departments and privately owned utility companies have reported no involvement to the requested outright vacation. Provisions protecting utility installations (if necessary) are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
WILLIAM TALLEY  
Head Engineer

City Engineering Division — DPW  
By Council Member Watson:

Whereas, The pedestrian walkway, 30 feet wide, was dedicated by Recorders Court; and adopted by Detroit City Council September 16, 1952; J.C.C. Pg. 2142, and

Honorable City Council:

Re: Petition No. 2003 — KWAI, L.L.C., requesting encroachments at 1241-49, 1275 Woodward Ave. in order to accommodate the Merchants Row development.

Petition No. 2003 — KWAI, L.L.C., in care of William Hall, Project Manager, Development Division, Schostak Brothers & Company, Inc., 25800 Northwestern Highway, Suite 750, Southfield, Michigan 48075-6106, request to install and maintain encroachments within the westerly right-of-way line of Woodward Avenue, 120 feet wide, and the north-south public alley(s), 20 feet wide, first west of Woodward Avenue, between Clifford Avenue and State Street. The encroachments are adjacent to property more commonly known as 1241-1247 Woodward Avenue, 1249 Woodward Avenue, 1261 Woodward Avenue, 1275 Woodward Avenue and 1281 Woodward Avenue; and 1425-1433 Woodward Avenue and 1437-1447 Woodward Avenue. These properties that are owned by KWAI, L.L.C., are currently going through extensive historical rehabilitation, in preparation for the Merchants Row Project.

The existing encroachments that the petitioner request to maintain are briefly described as follows:

**1241 Woodward Avenue**

1. Existing below-grade vault-areaway.
2. Existing above-grade enclosed stairway at the rear of the building.
3. Existing below-grade vault-areaway.

**1247 Woodward Avenue**

Existing below-grade vault-areaway.

**1249 Woodward Avenue**

1. Existing below grade vault-areaway.
2. Existing footing at the rear of the building.
3. Existing above-grade enclosed stairway at the rear of the building.

**1261 Woodward Avenue**

1. Existing below grade vault areaway.
2. Existing foundation wall and building footings.

**1425-1433 Woodward Avenue**

Existing below-grade vault/areaways.

**1437-1447 Woodward Avenue**

Existing below-grade vault/areaway.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The Traffic Engineering Division — DPW reports no objections with the requested underground encroachments provided that a minimum of 10 feet clear margin is accommodated between the curb and the proposed encroachment (at grade), and provided that any alteration to sidewalk is constructed in accordance with City of Detroit standards and approved by the City Engineering Division — DPW.

The Public Lighting Department requires a minimum horizontal clearance of 3-feet 6-inches and a vertical clearance of 1'-0" must be maintained from their facilities.

The Detroit Water and Sewerage Department (DWSD) has no objection to the proposed encroachments. However, whenever DWSD facilities are involved minimum clearances must be maintained and DWSD provisions for encroachments must be followed.

SBC/Ameritech reports that the petitioner must maintain access to its man-holes and conduit, in order to perform maintenance.

The Petitioner or its assigns must obtain permits from the City Engineering Division — DPW for any street openings, backfill, surface restoration, barricade, or occupancy of city rights-of-way to install and/or maintain the encroachments. The Petitioner will be required to make use of "MISS DIG" facilities before the placement of any encroachment(s).

The installation of areaways or vaults must be approved by the City Engineering Division — DPW and built to City of Detroit specifications, prior to any work commencing.

City Engineering Division — DPW also requires the Petitioner to submit certified "as built" drawings, a map and survey, showing the exact location of the completed encroachments.

All other involved city departments and privately owned utility companies have reported no objections to the proposed encroachments. Where appropriate, provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

WILLIAM TALLEY

Head Engineer

City Engineering Division — DPW  
By Council Member Watson:

Resolved, The City Engineering Division — DPW is hereby authorized and directed to issue permits to "KWAI, L.L.C.", in care of William Hall, Project Manager, Development Division, Schostak Brothers & Company, Inc., 25800 Northwestern Highway, Suite 750, Southfield, Michigan 48075-6106 to maintain the existing encroachments within the westerly right-of-way line of Woodward Avenue, 120 feet wide, and the north-south public alley(s), 20 feet wide, first west of Woodward Avenue, all between Clifford Avenue and State Street, in order to facilitate the Merchants Row Project.

The existing encroachments that the petitioner request to maintain are more specifically described as follows:

Adjacent to: The North 20 feet of Lot 36, Plan of Section 8, in the territory of Michigan confirmed unanimately by the "GOVERNOR AND JUDGES" in the 27th day of April 1807 and ordered to be recorded and to be signed by the Governor and attested by the Secretary of the Board, as recorded in Liber 34, Page 543 of Deeds, Wayne County Records, **1249 Woodward Avenue**

1. Existing below grade vault-areaway extending approximately 15.0-15.5 feet into the right-of-way sidewalk area along the entire front of the building (to the north lot line of the adjacent building at 1261 Woodward) (permitted by Common Council May 1-15, 1923.)

2. Existing footing at the rear of the building extending over the building lot line approximately 5 feet 10 inches at the south end and 6 feet 4 inches at the north end. (Permitted by Common Council May 1-15, 1923.)

3. Existing above-grade enclosed stairway at the rear of the building, extending approximately 3 feet into the rear alley with a length of approximately 10.6 feet extending from the north lot line; located approximately 12 feet-15 feet above grade.

Adjacent to: Lot 35, Plan of Section 8, in the territory of Michigan confirmed unanimately by the "GOVERNOR AND JUDGES" in the 27th day of April 1807 and ordered to be recorded and to be signed by the Governor and attested by the Secretary of the Board, as recorded in

Liber 34, Page 543 of Deeds, Wayne County Records,

**1261 Woodward Avenue**

1. Existing below grade vault areaway extending approximately 15.0-15.5 feet into the right-of-way sidewalk area along the entire front of the building (to the south lot line of the adjacent building at 1241 Woodward. Permitted by Common Council May 1-15, 1923.)

2. Existing foundation wall and building footings encroachment extending up to approximately four feet into the rear alley right-of-way (below alley grade) extending along the entire rear of the building. (Permitted by Common Council March 25, 1941.)

Adjacent to: Lot 34, Plan of Section 8, in the territory of Michigan confirmed unanimately by the "GOVERNOR AND JUDGES" in the 27th day of April 1807 and ordered to be recorded and to be signed by the Governor and attested by the Secretary of the Board, as recorded in Liber 34, Page 543 of Deeds, Wayne County Records,

**1425-1433 Woodward Avenue**

Existing below-grade vault/areaways extending approximately 16.2 feet and 16.3 feet into the right-of-way sidewalk area along the entire front of the building.

Adjacent to: Lot 30, Plan of Section 8, in the territory of Michigan confirmed unanimately by the "GOVERNOR AND JUDGES" in the 27th day of April 1807 and ordered to be recorded and to be signed by the Governor and attested by the Secretary of the Board, as recorded in Liber 34, Page 543 of Deeds, Wayne County Records,

**1437-1447 Woodward Avenue**

Existing below-grade vault/areaway extending approximately 15.5 feet into the Woodward Avenue sidewalk right-of-way area along the entire front of the building.

Adjacent to: Lot 29, Plan of Section 8, in the territory of Michigan confirmed unanimately by the "GOVERNOR AND JUDGES" in the 27th day of April 1807 and ordered to be recorded and to be signed by the Governor and attested by the Secretary of the Board, as recorded in Liber 34, Page 543 of Deeds, Wayne County Records,

Provided, That any structure(s) built shall have a minimum horizontal clearance of 3-feet 6-inches and a vertical clearance of 1'-0" maintained from the Public Lighting Department (PLD) facilities. Also, the PLD will require 24-hr access for heavy vehicles for maintenance of its installations; and further

Provided, That the Detroit Water and Sewerage Department (DWSD) forces shall have free and easy access to the water main and/or sewer facilities at all times to permit proper operation, maintenance and if required, alteration or repair of the water main and/or sewer facilities;

and further

Provided, Should the water main and/or sewer facilities be broken or damaged as a result of any action on the part of the petitioner or assigns, then in such event the petitioner or assigns shall be liable for all costs incident to the repair of such broken or damaged water main and appurtenances, and waives all claims for damages; and further

Provided, The "KWAI, L.L.C.", in care of William Hall, Project Manager, Development Division, Schostak Brothers & Company, Inc., 25800 Northwestern Highway, Suite 750, Southfield, Michigan 48075-6106" or its assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detailed permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; also in accord with plans submitted to and approved by these departments; including the Public Lighting Department (if necessary), the Water and Sewerage Department (if necessary), and the Traffic Engineering Division — DPW (if necessary); and further

Provided, That all costs for the construction, maintenance, permits and use of the encroachments shall be borne by The "KWAI, L.L.C.", in care of William Hall, Project Manager, Development Division, Schostak Brothers & Company, Inc., 25800 Northwestern Highway, Suite 750, Southfield, Michigan 48075-6106 or its assigns; and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located

in close proximity to the encroachments, shall be borne by The "KWAI, L.L.C.", in care of William Hall, Project Manager, Development Division, Schostak Brothers & Company, Inc., 25800 Northwestern Highway, Suite 750, Southfield, Michigan 48075-6106 or its assigns. Should damages to utilities occur The "KWAI, L.L.C.", in care of William Hall, Project Manager, Development Division, Schostak Brothers & Company, Inc., 25800 Northwestern Highway, Suite 750, Southfield, Michigan 48075-6106 or its assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, If it becomes necessary to replace the utilities located or to be located within the public rights-of-way, by acceptance of this permission, "The KWAI, L.L.C.", (owners) for themselves, or their assigns, (by acceptance of permits for construction near underground utility lines, conduits, or mains) waives all claims for damages to the encroaching installations and agree to pay all costs incurred in their removal (or alteration), if removal (or alteration) becomes necessary; and further

Provided, That the "KWAI, L.L.C.", in care of William Hall, Project Manager, Development Division, Schostak Brothers & Company, Inc., shall file with the Finance Department an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance by The "KWAI, L.L.C.", in care of William Hall, Project Manager, Development Division, Schostak Brothers & Company, Inc., of the terms thereof. Further, The "KWAI, L.L.C.", in care of William Hall, Project Manager, Development Division, Schostak Brothers & Company, Inc., shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the proposed encroachments; and further

Provided, The property owned by The "KWAI, L.L.C.", or its assigns and the

encroachment shall be subject to proper zoning or regulated use (Board of Zoning Appeals Grant); and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and The "KWAI, L.L.C.", acquires no implied or other privileges hereunder not expressly stated herein, however, there shall be no revocation or termination of the permit to allow the encroachment(s) without a resolution from the

Detroit City Council directing such revocation or termination before revoking such permit, the City Council may consider engineering reports and studies from City departments and owners of the YMCA; and further

Provided, That the encroachment permit shall not be assigned or transferred without the written approval of the City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**RESOLUTION APPROVING  
BROWNFIELD PLAN OF THE CITY OF  
DETROIT BROWNFIELD  
REDEVELOPMENT AUTHORITY FOR  
THE RIVER PARK VILLAGE PROJECT**

City of Detroit

County of Wayne, Michigan

By Council Member Tinsley-Talabi:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, An eligible taxpayer may qualify for the Michigan Single Business Tax credit pursuant to Act 228, Public Acts of Michigan, 1975, as amended, for any eligible investments on eligible property identified under a brownfield plan; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for the River Park Village Redevelopment Project (the "Plan") that would enable the owner to apply for a Michigan Single Business Tax credit for eligible investments on eligible property as defined by Act 381, as amended, after the adoption of this Plan; and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on July 14, 2004, and a joint public hearing was conducted by the Committee and the Authority on July 21, 2004 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on July 21, 2004; and

WHEREAS, The Authority approved the Plan on July 21, 2004 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, City Council has published the required notice of the public hearing on the Plan; and

WHEREAS, The City Council held a public hearing on the proposed Plan on

September 15

2998

2004

September 13, 2004.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. **Definitions.** Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. **Public Purpose.** The City Council hereby determines that the Plan constitutes a public purpose.

3. **Best Interest of the Public.** The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. **Review Considerations.** As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) The Plan meets the requirements set forth in section 13 of Act 381.

(b) The proposed method of financing the costs of Eligible Activities is feasible.

(c) The costs of Eligible Activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(d) No captured taxable value is estimated to result from adoption of the Plan since all Eligible Activities will be financed by the owner of the Eligible Property and the Plan does not provide for the use of tax increment revenues for eligible activities.

5. **Approval and Adoption of Plan.** The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. **Disclaimer.** By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this resolution and Plan. The City makes no guarantees or representations as to the determinations of the appropriate state officials regarding the ability of the owner, developer or lessor to qualify for a Single Business Tax credit pursuant to Act 228, Public Acts of Michigan, 1975, as amended.

7. **Repealer.** All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

8. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Adopted as follows:

Yeas — Council Members S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Pro Tem. K. Cockrel, Jr. — 7.

-----  
**RESOLUTION**

By ALL COUNCIL MEMBERS:

WHEREAS, According to the Charter of the City of Detroit, effective January 1, 1997 as cited under the Declaration of Rights, at 1. "Detroit city government is a service institution that recognizes its subordination to the people of Detroit"; and

WHEREAS, Said people under the same provision of the Declaration of Rights "have a right to expect city government to provide for its residents... job opportunities"; and

WHEREAS, The Residency of Public Employees Act, P.A. 212 of 1999, MCL 15.601 *et seq.* states that a "...a public employer shall not require, by collective bargaining agreement or otherwise, that a person reside within a specified geo-

graphic area or within a specified distance or travel time from his or her place of employment as a condition of employment or promotion by the public employer"; and

WHEREAS, A residency credit would not operate as a required condition before any applicant would be hired, but instead would be a factor to be considered among other factors, not unlike the U.S. Supreme Court analysis provided in *Grutter vs. Bollinger*, 539 U.S. 306 (2003), in which the Court recognized the university's credit system did not amount to a requirement determining acceptance or rejection of a particular application, but rather operated as a factor considered among other factors; and

WHEREAS, Similar to *Bollinger*, a narrowly tailored use of credits or factors can legitimately achieve a compelling interest to provide for the health, safety and welfare of its citizens that flow from job opportunities; and

WHEREAS, The citizens of Detroit are entitled to Equal Protection under the law, by not being discriminated against when being considered for employment and promotions, NOW THEREFORE;

BE IT RESOLVED THAT WE, THE MEMBERS OF THE CITY COUNCIL OF THE CITY OF DETROIT, Do hereby call on the executive branch of the City of Detroit to establish an employment system that includes residency credit for City of Detroit residents which would further the legitimate interests of the City in furthering its mandates under the law to provide for the health, safety and welfare of the people; and

BE IT FURTHER RESOLVED, That said factor be legally implemented by October 15, 2004; and

BE IT FURTHER RESOLVED, That the results of such City action be communicated in writing to the Honorable City Council by March 31, 2005.

Adopted as follows:

Yeas — Council Members S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Pro Tem. K. Cockrel, Jr. — 7.

-----  
STATEMENT BY COUNCIL MEMBER SHEILA M. COCKREL IN OPPOSITION TO RESOLUTION CALLING UPON THE EXECUTIVE BRANCH OF THE CITY OF DETROIT TO ESTABLISH AN EMPLOYMENT SYSTEM THAT INCLUDES A RESIDENCY CREDIT FOR CITY OF DETROIT RESIDENTS

On Wednesday, September 15, 2004, I voted no on the resolution referenced above. This resolution called upon the executive branch to fashion an employment evaluation system that would give credit for being a resident of the City of Detroit. I am emphatically in favor of the

principle of hiring City of Detroit residents whenever and wherever possible. I am also in favor of the concept of giving credit for being a City resident in an employment evaluation.

That being said, I believe that prior to passing a resolution such as this, this body needed to do more due diligence. The first draft of the resolution provides that the residency factor should be implemented by December 31, 2004 with a report to Council by March 31, 2004. Due to the fact that this process was rushed, Council ended up passing a resolution with a date that has already passed. I can think of no reason why this process needs to be rushed in this manner and I am not in favor of passing a resolution when I am unsure of its legality. In that regard, I would have liked to have received a report from the Labor Relations Division analyzing the various legal as well as practical issues involved in instituting such a system.

The City Council received a report from its Research and Analysis Division (RAD) dated February 23, 2004 indicating that a residency requirement would not likely be preempted by state law. At the same time, RAD indicated that a residency credit could have an affect on existing collective bargaining agreements. I would have liked to review a report from Labor Relations on issues such as this prior to voting on this resolution. Not being given an opportunity to do so, I had no choice but to vote no.

**RESOLUTION SUPPORTING HOUSE  
BILL 5521 AND SENATE BILLS  
1331-1336**

By COUNCIL MEMBERS TINSLEY-TALABI and S. COCKREL:

WHEREAS, The Detroit City Council has been a vocal participant in support of opportunities for low-income residents of Detroit to receive assistance to pay their energy bills; and

WHEREAS, Council Members were invited by DTE to participate in a two-day seminar in order to improve assistance opportunities to Detroiters and streamline the process that allocate money to the service providers; and

WHEREAS, Service providers throughout the Metropolitan Detroit area including THAW, WARM, FIA, Michigan Welfare Rights, Wayne County Veterans Affairs and the Salvation Army were also in attendance to share their perspectives on this important issue; and

WHEREAS, By the end of the two-day seminar the working group had identified the most pressing issues to be addressed by DTE, the service providers and the stakeholders in order to streamline the processes utilized to receive funding and increase educational opportunities about energy conservation; and

WHEREAS, It came to the attention of those who attended this seminar that the funds being provided by Detroit Edison customers for utility shutoff protection are being allocated to customers that are not in the DTE Energy service area; and

WHEREAS, House Bill 5521 would ensure that this money, collected through a DTE surcharge, would be distributed to low-income persons and organizations solely within the Detroit Edison service area; and

WHEREAS, Senate Bills 1331-1336 address the issues DTE has encountered through the restructuring of the electric utility industry in Michigan. Senate Bill 1333 would also require that all energy companies in the state dedicate funds to the Michigan Public Service Commission to benefit low-income customers in their own service areas; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council supports DTE and the service providers within the Metropolitan Detroit area in their ongoing work to provide energy assistance to the regions low-income persons; AND BE IT FURTHER

RESOLVED, That the Detroit City Council supports House Bill 5521 and Senate Bills 1331-1336 that would provide equity in the distribution of low-income energy assistance throughout Michigan; AND BE IT FINALLY

RESOLVED, That copies of this resolution be forwarded to Michigan Governor Jennifer Granholm, the Detroit delegation of the House and Senate, our Lansing Lobbyists, the Michigan Public Service Commission, Mayor Kwame Kilpatrick, DTE President Anthony Earley and DTE Representatives Joseph Cazeno, Jr. and Carolyn MacKool.

**RESOLUTION**

By COUNCIL MEMBER WATSON:

WHEREAS, The Million Worker March has been organized as a means of uniting organized labor with unorganized workers, anti-war activists, community organizations, interfaith alliances and all who believe that the rights of workers have been repressed and their cries have gone unanswered; and

WHEREAS, This march is a means of demonstrating that working people are no longer willing to suffer poor working conditions and exploitative wages in silence so that corporations and the wealthy can maintain their high profit margins; and

WHEREAS, We believe it is necessary to effect a mass mobilization of the working people across this country in order to

create a climate for economic, social and political change in our society; and

WHEREAS, We agree that privatization, deregulation and "free" trade agreements have all worked to undermine the position of the American worker and decrease the numbers in our workforce; and

WHEREAS, Everyday, the ordinary worker is being denied rights and benefits that have been promised and earned through years of labor; and

WHEREAS, We agree that a national health-care plan that promises adequate medical care for all in this country is a necessity; and

WHEREAS, We agree that a national living wage that lifts people out of poverty is also a necessity; and

WHEREAS, We believe that the funding of public education and a national employment and training program should be high priorities on the list of our leaders; and

WHEREAS, We believe that no one should be homeless; that everyone in the richest nation on earth is entitled to those basic human needs of food and shelter; and

WHEREAS, We believe that less money should be spent on war and defense budgets, which only ratchets up the misery index for the poor and working classes, and more should be spent on ensuring that people are able to lead decent and productive lives; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council recognizes the aims of the Million Worker March as just and laudable; and be it further

RESOLVED, That we support this event and the changes it seeks in order to make life better for all.

**TESTIMONIAL RESOLUTION  
FOR  
SETH TEMPLE  
90TH ANNIVERSARY**

By COUNCIL MEMBER TINSLEY-TALABI:

WHEREAS, Seth Temple, also known as the St. Antoine Street Mission, the Old Mother Church, Pentecostal Mission Church of God in Christ, Church of God in Christ, and Livingstone St. Church, has a unique, rich history of saints, both past and present, who have played a role in the building of the Church of God in Christ in Michigan, Northern Ohio, and Canada. The Detroit City Council congratulates the members of Seth Temple as they celebrate their 90th anniversary on September 11, 2004, and

WHEREAS, In 1910, the late Elder Willie G. Johnson and his wife, Mother Johnson were called by God to minister and spread the Gospel of the Good News of Jesus Christ. After several years of mission work in Memphis, Tennessee, and Crawfordville, Arkansas, the Holy Ghost anointed Elder Johnson and bade him to move to Michigan and start a work of the Lord. Shortly afterwards, Mother Johnson received the same command through the power of the Holy Ghost, and

WHEREAS, The late Elder Willie G. Johnson and his wife, Mother Johnson, arrived in Detroit, Michigan on March 26, 1914. Though they had no funding for an edifice, they were compelled to go from street to street, preaching the Gospel. Times were hard, but the Lord provided for them, and Elder Johnson rented a storefront at 643 Beaubien Street. As a

result of their dedication, faith, and diligence, The Church of God in Christ was officially organized as a church body on June 15, 1915, chartered and registered with the State of Michigan on April 11, 1916, and

WHEREAS, In the decades to follow, the faithful members and leadership of Seth Temple continued to do the Lord's will. Their rich history in the City of Detroit included several relocations. The congregation settled in its present location on 9841 Dundee in 1961. On March 17, 1962, the church officially changed its name to Seth Temple, in honor Bishop John Seth Bailey. Today, the congregation continues its proud tradition of faith. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby salutes the congregation of Seth Temple on the occasion of its 90th anniversary. May the church leadership continue to receive and share the Lord's many blessings with the congregation and the entire community.

**TESTIMONIAL RESOLUTION  
FOR  
NATIONAL COUNCIL ON  
ALCOHOLISM & DRUG DEPENDENCE  
— GREATER DETROIT AREA**

By COUNCIL MEMBER TINSLEY-TALABI:

WHEREAS, The City of Detroit recognizes that barriers to accessing treatment facilities are a significant problem for people with alcohol or drug disorders, and

WHEREAS, Such barriers include failure to identify affected people and direct them to treatment, inadequate public and private insurance coverage for treatment services, and shrinking state budgets that limit funding for treatment programs, and

WHEREAS, Saluting people who are in recovery from alcohol and drug use disorders, as well as those who have helped them obtain treatment, helps to overcome such barriers. Through education, the community will better understand the benefits of treatment and recognize that all people with alcohol and drug use disorders should have access to treatment services, and

WHEREAS, To help achieve this goal, the City of Detroit joins the National Council on Alcoholism and Drug Dependence — Greater Detroit Area, along with the U.S. Department of Health and Human Services, the Substance Abuse and Mental Health Services Administration and the Office of National Drug Control Policy, and invites all metropolitan Detroit residents to participate in

**RESOLUTION  
IN MEMORIAM  
FOR  
ROQUEL "BILLY" DAVIS**

By COUNCIL MEMBER WATSON:

WHEREAS, Roquel "Billy" Davis, Musician, Composer, Performer, Record Producer, Advertising Executive, and Impresario, died on Thursday, September 2, 2004 at his home in new Rochelle, New York, and

WHEREAS, Billy Davis, a born and bred Detroiter, grew up in the "North End" and was an alumnus of Northern High School, and

WHEREAS, Billy's career began in the late 1950's when Billy formed one of the most popular singing groups of Rock 'n' Roll's golden era, The Four Tops.

WHEREAS, Billy Davis became the co-founder with Berry Gordy, Jr. of the Motown concept. They collaborated in

discovering talented new artists and developing them into hit performers, known for the famous "Motown Sound", and

WHEREAS, Mr. Davis was responsible for producing numerous hit singles that sold in excess of twenty million records. The artists Billy has written for and/or produced include Jackie Wilson, James Brown, Aretha Franklin, Nancy Sinatra, Four Tops, Jerry Butler, Joe Tex, Quincy Jones, Diana Ross, Tammi Terrell, Otis Redding, the Spinners, Etta James, Loretta Lynn, Glen Campbell, Little Milton, Chuck Berry, Minnie Riperton, Marvin Gaye, Gladys Knight & The Pips just to name a few, and

WHEREAS, Billy's impeccable reputation as a dynamic performer, songwriter, composer, and record producer prompted the McCann-Erickson Advertising Agency to seek his skills and ultimately hire him for what resulted in a nineteen-year successful association with the agency, and

WHEREAS, Billy's wealth of experience from the record industry to the advertising industry enabled him to diverse from the jingle (catchy words and melody) and create the new and innovative song form (a strong melody with lyrics about a real life situation with the product playing a meaningful part.), and

WHEREAS, Billy's unique talents opened up the creative process to further encompass and highlight the clients message by making sure that the music captured the emotional mood of the visual, and

WHEREAS, A wonderful example of that honesty is the successful, world-renowned campaign for the Coca-Cola Company, "I'd Like To Teach The World To Sing." There was such an enormous response to the warmth and goodwill the campaign generated, that a pop recording by the group, The Seekers was produced by Billy and became a worldwide hit, and

WHEREAS, The advertising campaigns in which Billy Davis was involved in developing as a creative concept writer, composer and/or producer have won every award the industry offers and includes some of the most noteworthy success stories of Madison Avenue, and

WHEREAS, Some of the many advertising campaigns were: Coca-Cola Company "Things Go Better With Coke", "A Coke and A Smile", "it's The Real Thing"; Sony Corporation: "The One And Only", just to name a few. Many of these commercials Billy produced in Spanish, French, Dutch, Italian, and Japanese as well as the English language, and

WHEREAS, In May, 1987 Billy left McCann-Erickson and established Billy Davis Enterprises, Inc. where clients were assured of a creative team composed of the most talented artists, TV producers, copywriters, lyricists, composers, and arrangers currently in the industry, NOW,

(All action of the City Council appearing herein is subject to reconsideration and/or approval of the Mayor.)

Detroit, Thursday, September 16, 2004

Pursuant to adjournment, the City Council met at 11:30 A.M., and was called to order by the President Pro Tem. K. Cockrel, Jr.

Present — Council Members S. Cockrel, Collins, Everett, McPhail, Watson, and President Pro Tem. K. Cockrel, Jr. — 6.

There being a quorum present, the City Council was declared to be in session.

### Finance Department Purchasing Division

September 16, 2004

Honorable City Council:

Re: 2652601 — 100% Federal Funding — To provide services to homeless people of family with HIV or AIDS. Wellness House of Michigan, 1419 W. Warren, Detroit, MI 48208. April 1, 2004 thru September 30, 2004. Not to exceed: \$240,611.91. Human Services.

The Purchasing Division of the Finance Department recommends contract as outlined above.

The approval of your Honorable Body and a waiver of reconsideration is requested.

Respectfully submitted,  
AUDREY P. JACKSON  
Director  
Purchasing Division

By Council Member Watson:

Resolved, That Contract Number 2652601, referred to in the foregoing communication, dated September 16, 2004, be hereby and is approved.

### City Planning Commission

September 10, 2004

Honorable City Council:

Re: Request of Gardner Signs, Inc. to erect 4 business signs at 500 Griswold (the Guardian Building) in a PCA (Restricted Central Business District) zoning district (Recommend Approval).

Gardner Signs, Inc. is requesting a per-

mit to erect 4 business signs at 500 Griswold (the Guardian Building). This property is located in a PCA (Restricted Central Business District) zoning district. PCA zoning districts are located in close proximity to the Public Center District and the controls of the PCA district are designed to prevent uses and structures from having a deleterious effect on the public center of the city. Section 113.0200 of the Zoning Ordinance requires City Council approval of the location and design of any sign proposed in a PCA district after receiving a report and recommendation from the City Planning Commission.

The proposed signs would be installed at the southwest (Griswold/Larned) and northwest (Griswold/Congress) corners of the building with two signs wrapping around each corner and the bottom of each sign being approximately 9 feet above grade (see attached graphics). Each sign would be approximately 10 feet tall by 2 feet 6 inches wide, and would display "Standard Federal" in white letters and a light green and gold logo on a dark green background (see attached illustration). The sign faces would be aluminum and illuminated.

City Planning Commission staff has reviewed the proposal and illustrations related to the proposed signs and finds that they are appropriate for the PCA district. The total signage at the site including the proposed signage conforms to the City's business sign ordinance. We further find that the location and design of the proposed sign would be consistent with the spirit, purpose and intent of the PCA district. We, therefore, recommend approval of the location and design of the sign and submit the attached resolution for your consideration.

Respectfully submitted,  
MARCUS D. LOPER  
Deputy Director

By Council Member S. Cockrel:

Whereas, Gardner Signs, Inc. has requested to erect 4 business sign at 500 Griswold (the Guardian Building), two each on the southwest corner and the northwest corner of the building; and

Whereas, The property at 500 Griswold is located in a PCA (Restricted Central Business District) zoning district classification, and, therefore, requires City Council approval of the location and design of any proposed sign in accordance with the provisions of Section 113.0200 of the Zoning Ordinance; and

Whereas, The City Planning Commission staff has reviewed the location and design of the proposed signs and finds that they are consistent with the spirit, purpose and intent of the district as indicated in the foregoing communication;

Now, Therefore Be It Resolved, That the Detroit City Council hereby approves

the location and design of the proposed signs as described in the foregoing communication from the City Planning Commission staff and as presented in the graphics and illustrations drawn by Gardner Signs, Inc. with the revision date of August 5, 2004.

#### Planning & Development Department

August 30, 2004

Honorable City Council:

Re: Public Hearing on the Establishment of the East Village Expansion Neighborhood Enterprise Zone in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development goals of the City, and find that establishment of the East Village Expansion Neighborhood Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones". Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to rehabilitate 140 units into condominiums and townhouses at a cost of \$100 million.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration, please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

Planning & Development Department  
By Council Member Everett:

Whereas, Pursuant to Public Act No. 147 of the Public Acts of 1992 ("the Act") this City Council has the authority to establish "Neighborhood Enterprise Zones (NEZs)" within the boundaries of the City of Detroit; and

Whereas, The Phoenix Group Consultants has requested establishment of the "East Village Expansion" NEZ whose boundaries are particularly described in Exhibit A (legal description) and illustrated in the map attached hereto; and

Whereas, The Act requires that, prior to establishing an NEZ, the City Council shall provide an opportunity for a Public Hearing on such establishment, at which Public Hearing representatives of any taxing authority levying *ad valorem* taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

Now Therefore Be It

Resolved, That on the NOVEMBER 4, 2004 AT 10:00 A.M. in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application for establishment of an NEZ within the boundaries described in Exhibit A (legal description) as illustrated in the map attached hereto; and be it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an *ad valorem* tax within the City of Detroit, such notices to be provided no earlier than sixty (60) days prior to the public hearing.

**STATEMENT OF COUNCIL MEMBER SHEILA M. COCKREL IN OPPOSITION TO RESOLUTION AUTHORIZING SEPTEMBER 24, 2004 CLOSED SESSION AT 11:30 A.M. REGARDING THE SUBPOENA OF DOCUMENTS FROM THE MAYOR'S OFFICE**

On Thursday, September 16, 2004, I voted no on the resolution referenced above. The purpose of this resolution was to set a closed session regarding the subpoena of documents from the Mayor's Office in connection with an investigation of the Mayor's Office Imprest Cash Account (Account).

The Office of the Auditor General (OAG) was conducting an audit of the Account. During this audit, the Chief Financial Officer (CFO) indicated that information could not be provided to the OAG because of an ongoing investigation into suspected fraudulent activities centering on the Account. The OAG deferred work on this audit to not interfere with this investigation pursuant to Government Accounting Standard 4.20.

Even though Council was made aware of this fact, a subpoena duces tecum dated July 28, 2004 was signed on July 29, 2004 for the same documents requested by the OAG. Also on July 29, 2004, the OAG issued its audit of the Account. In its report, the OAG recognized that it resumed its investigation and was provided access to requested information after the Finance Department's investigation was complete and after the Wayne County Prosecutor's Office had indicted the three alleged perpetrators. In

a letter from the Research and Analysis Division (RAD) addressed to the City Council and sent via email, RAD stated that it had received over one thousand pages of documents that the OAG had compiled as part of its investigation and that these documents available for review by Council Members.

The audit analyzed the Account and concluded that there was lack of enforcement of internal controls over the Account as well as other shortfalls in the application of the City's Imprest Cash procedures. Significantly, the OAG found that there was nothing "that would indicate that any City official, other than those already indicted, was involved in the defalcation."

In this regard, it is my position that the Finance Department, OAG and the Wayne County Prosecutor's Office have conducted full and adequate investigations into this matter. At this point, further inquiry, production and review of this issue is unnecessarily duplicative and would constitute a profound waste of precious taxpayer's resources. Additionally, since it is my belief that the resolution of this issue is complete and that this resolution represents an instance of political grandstanding, I do not support holding this discussion. For the reasons stated above, I voted no.

Honorable City Council:

Re: Warren Plaza Apartments —  
Payment in Lieu of Taxes.

Warren Plaza is an existing housing and commercial complex, which is currently paying a PILOT Service Charge. The 198 unit apartment building is being purchased by The Wishcamper Group. They have formed Wonderland Limited Dividend Housing Association Limited Partnership. The purchase is being financed by Bank of America, N.A. in the amount of \$7,600,000 at approximately 7% for 18 years and Low Income Tax Credit.

The developers plan to spend approximately \$4,000,000 to retrofit the apartments providing new cabinets and countertops, appliances, windows, flooring, lighting and updated bathrooms. They also plan significant upgrades to the building's heating systems, roof, common areas and management facilities.

In order to make this development eco-

nomically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1996, (P.A. 346, as amended, MCLA 125.1415A).

The project consists of 197 one-bedroom units plus one staff unit. At least forty percent (40%) of the units will be both rent restricted and occupied by tenants whose gross income does not exceed sixty percent (60%) of the area median income adjusted for family size. The developer will be renting all of the units to tenants whose income does not exceed sixty percent (60%) of the area median income adjusted for family size. These income restrictions will be in effect for the time required under the Low Income Housing Tax Credit Program.

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a service charge of 4% on the net shelter rent.

Respectfully submitted,  
FREDERICK W. MORGAN  
Assessor

By Council Member Collins:

Whereas, Pursuant to the provisions of Act 346 of the Public Acts of 1996, as amended, a request for exemption from taxes by Angus King 111 of The Wishcamper Group on behalf of Warren Plaza Apartments has been filed, and it has been determined that said sponsor have formed a Limited Dividend Housing Association Limited Partnership; and

Whereas, Said sponsor is rehabilitating a 198 unit apartment building, which is being financed by Bank of America N.A. and Low Income Housing Tax Credit Program; and

Whereas, The purpose of the project is to serve moderate income persons, the description of the property is as Exhibit "A".

Now, Therefore, Be It

Resolved, That said described premises are henceforth entitled to be exempt from taxation but subject to the provisions of a service charge for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1996, as amended, being MCLA 125, 1401, et. Seq., MSA 16114(1) et., seq., and be further

Resolved, That said described premises shall be allowed a payment in lieu of taxes (PILOT) or service charge of 4% of the annual net shelter rent obtained from the project per City Ordinance 9-90 as amended, having taken effect, and be it further

Resolved, That arrangements to have collections of a payment in lieu of taxes from the Wonderland Limited Dividend Housing Association Limited Partnership be established upon occupancy for future years with respect to the described prop-

erty and that all necessary journal entries with respect to the same be prepared by the Chief Financial Officer, and be it further

Resolved, That the City Clerk furnish the Finance Department — Assessments Division two certified copies of this resolution.

Re: Nortown Homes — Payment in Lieu of Taxes (PILOT).

Nortown Community Development Corporation is developing a housing project consisting of 50 newly constructed three and four bedroom single-family units of 1200 and 1400 square feet respectively. The area to be developed is bounded by Fischer to the west, Belvidere to the east, Grinnell to the north and Harper to the south.

Financing for the development will be through: Charter One Bank with a loan of \$880,000 for 30 years at 8.00%; City of Detroit — Home Investor Loan Program in the amount of \$1,659,000 at 6.00% for 20 years and Low Income Tax Housing Tax Credits for a total development cost of nine million four hundred sixty-five thousand ninety-nine dollars (\$9,465,099).

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1996, (P.A. 346, as amended, MCLA 125.1415A).

At least twenty percent (20%) or 10 of the units must be occupied by households with incomes no greater than 50% of the area median income adjusted for family size. The remaining eighty (80%) or 40 of the units must be occupied by households with incomes that do not exceed 60% of the area median income adjusted for family size. These income restrictions will be in effect for the longer of the period the Affordable Housing Restrictions apply or the time required under the Tax Credit Program.

Re: Ruby Bailey v City of Detroit Civic Center. File No.: 13315 (TSW).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a attorney-client privileged memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Ninety Thousand Dollars (\$90,000.00) is in the best interests of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Ninety Thousand Dollars (\$90,000.00) and that your Honorable Body authorize and direct

the Finance Director to issue a draft in that amount payable to Ruby Bailey and her attorney Zamler, Mellen, Shiffman & Kay, P.C., to be delivered upon receipt of properly executed Releases and Order of Dismissal in Workers Compensation Claim #13315, approved by the Law Department.

Honorable City Council:

Re: Cherrish Willis, by her Next Friend, Samara Willis v. City of Detroit. Case No.: 03-332325 NI, File No.: A19000.02718 (SH).

On September 8, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded Fifteen Thousand Dollars (\$15,000.00) in favor of Plaintiff. The parties have until October 6, 2004, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a

rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Fifteen Thousand Dollars (\$15,000.00) payable to Christopher S. Varjabedian, P.C., attorneys, and Cherrish Willis, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-332325 NI, approved by the Law Department.

Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of James Randall v City of Detroit, Wayne County Circuit Court Case No. 04-408731 NO, on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. Plaintiff shall recover a minimum amount of Five Thousand Dollars (\$5,000.00).

The maximum amount of any award to the Plaintiff shall not exceed the amount of Twenty-Five Thousand Dollars (\$25,000.00).

3. Any award under \$5,000.00 shall be interpreted to be in the amount of \$5,000.00.

Any award in excess of \$25,000.00 shall be interpreted to be in the amount of \$25,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about July 3, 2003 at or near West Grand Boulevard near Second Avenue; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City of pay part or all \$25,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of James Randall and his attorneys, Ravid and Associates, P.C., in the amount of the arbitrators' award, but said draft may not be less than Five Thousand Dollars (\$5,000.00) and shall not exceed Twenty-Five Thousand Dollars (\$25,000.00).

Whereas, Petitioner acquired the property after the demolition of the structures contained thereon occurred.

Whereas, Pursuant to the City of Detroit Building Code, Section 12-11-28.4, this Council is authorized to waive a special assessment for building demolition where it is found to be unjust or erroneous, or where the owner of the property would suffer undue hardship through no fault of his/her own; and,

Whereas, This Council has determined that enforcement of the special assessment in this circumstance would be unjust or erroneous, or the owner of the property would suffer undue hardship through no fault of his/her own.

Now Therefore Be It:

Resolved, That the demolition costs on 8675 E. Seven Mile, Detroit, Michigan is hereby reduced by 1/3; and,

Further Resolved, That the officer charged with keeping the special assessment roll shall correct or cause the special assessment roll to be corrected in accordance with the above waiver, and,

Finally Resolved, That this resolution is adopted with waiver of reconsideration.

Adopted as follows:

Yeas — Council Members K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 7.

Nays — None.

Honorable City Council:

Re: Address: 3027 Beals. Name: Kenneth Jones. Date ordered removed: February 3, 2003 (J.C.C. p. ).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on August 2, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of July 29, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

- 1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Respectfully submitted,

Pursuant to your request we submit the  
following:

An inspection of the above referenced  
property on August 17, 2004, revealed the  
property to be in the same condition as  
the inspection in July, 2004. This structure  
is vacant and open on the south side of

Re: Address: 12067 Appoline. Name: Wanda Moore. Date ordered removed: March 6, 2002 (J.C.C. pp. 628-630).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on July 28, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of July 27, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the

owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. 1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

Honorable City Council:  
Re: Applications for Neighborhood Enterprise Zone Certificates for the Woodbridge Estates area.

On October 21, 1992, your Honorable Body established neighborhood enterprise zones. I am in receipt of seven (7) applications for Neighborhood Enterprise Zone Certificates. THESE APPLICATIONS HAVE BEEN REVIEWED AND RECOMMENDED FOR APPROVAL BY THE CITY PLANNING COMMISSION, A COPY OF WHICH IS ATTACHED. Therefore, the attached Resolution, if adopted by your Honorable Body, will approve these applications. A waiver of reconsideration is requested.

Respectfully submitted,

Honorable City Council:  
Re: Neighborhood Enterprise Zone (NEZ) Certificate Applications for seven units of new housing in the Woodbridge Estates NEZ (Recommend Approval).

The City Clerk's forwarded to this office seven applications from Scripps Park Associates, LLC for Neighborhood Enterprise Zone (NEZ) certificates within the Woodbridge Estates NEZ. Your Honorable Body approved the Woodbridge Estates NEZ designation on September 19, 2001. City Planning Commission staff has reviewed the applications and recommends approval.

Certificates are being requested for the following properties: 4240, 4316, and 4328 Aretha Avenue, and 4315, 4311, 4307, and 4303 Miracles Blvd. The properties involved are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. Scripps Park Associates, LLC. has applied for the certificates, prior to the issuance of building permits, on behalf of future owners who will occupy the property. It is appropriate for them to apply for certificates at this time, even if buyers have not yet been identified. The State Tax Commission, however, will not issue a certificate until an owner is identified. When an owner is identified, he or she can then apply for the certificate. At that time, it would not be necessary for City Council to pass another resolution.

The petitioner proposes to build seven single-family homes. The site has been cleared and construction is anticipated to begin soon. The developer will need to submit to the State Tax Commission a list of the parcels that are to receive the cer-

tificates with a map showing the parcels. Please let us know if you have any questions.

Re: Request approval to apply for the "Solving Cold Cases with DNA Grant."

The National Institute of Justice, a component of the Office of Justice Programs, United States Department of Justice (DOJ), is offering an opportunity for the Detroit Police Department to submit an application for the "Solving Cold Cases with DNA Grant." There is **no cash match** required of the City of Detroit. The deadline for submission of the grant application is September 7, 2004.

The grant is based on conducting DNA analysis on violent unsolved crimes that have the potential to be solved through DNA testing. Recent advances have improved the ability of analysts to successfully use DNA from biological evidence that is old, of poor quality, or limited in quantity. Scientific advances and the availability of the searchable convicted offender databases have increased the likelihood of solving cases previously thought to be unsolvable. Applicants are encouraged to be creative in the mechanism they use to identify and prioritize cases. Funds can be used for staff overtime, consultants and contractors' salaries, retired homicide detectives, crime lab personnel, coroners, medical examiners, administrative staff, and victim/witness advocates.

The Board of Police Commissioners has approved the request; therefore, it is requested that your Honorable Body adopt the attached resolution authorizing the City of Detroit to apply for "Solving Cold Case with DNA Grant."

Honorable City Council:  
Re: Petition No. 2491 — Spectrum Strategies/St. John Health System, requesting conversion to easement of Sheridan Street in the area of Congress Street and East Lafayette Avenue.

Petition No. 2491 of "Spectrum Strategies/St. John Health System" request conversion of Sheridan Street, 70 feet wide, between East Lafayette Avenue, 50 feet wide, and Congress Street, 60 feet wide, into a private easement for utilities. In order to accommodate the parking requirements for the construction of a New Medical Office Building on the campus of St. John Riverview Hospital.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All other city departments and privately owned utility companies have reported no objection to the conversion of the public rights-of-way into private easement for utilities. Provisions protecting utility installations are part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
WILLIAM TALLEY  
Head Engineer

City Engineering Division — DPW  
By Council Member S. Cockrel:

Resolved, All that part of Sheridan Street, 70 feet wide, between East Lafayette Avenue, 50 feet wide, and Congress Street, 60 feet wide, lying Easterly of and abutting the East line of Lots 62 through 82, both inclusive, and lying Westerly of and abutting the West line of Lots 102 through 122, both inclusive all in the "Plat of Moses W. Field Subdivision of Private Claim 16" Hamtramck (Now Detroit), Wayne County, Michigan, T. 2 S. R. 12 E, as recorded in Liber 4 Page 10, Plats, Wayne County Records;

Be and the same is hereby vacated as a public street and is hereby converted into a private easement for public utilities of the full width of the street, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said street and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or

mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

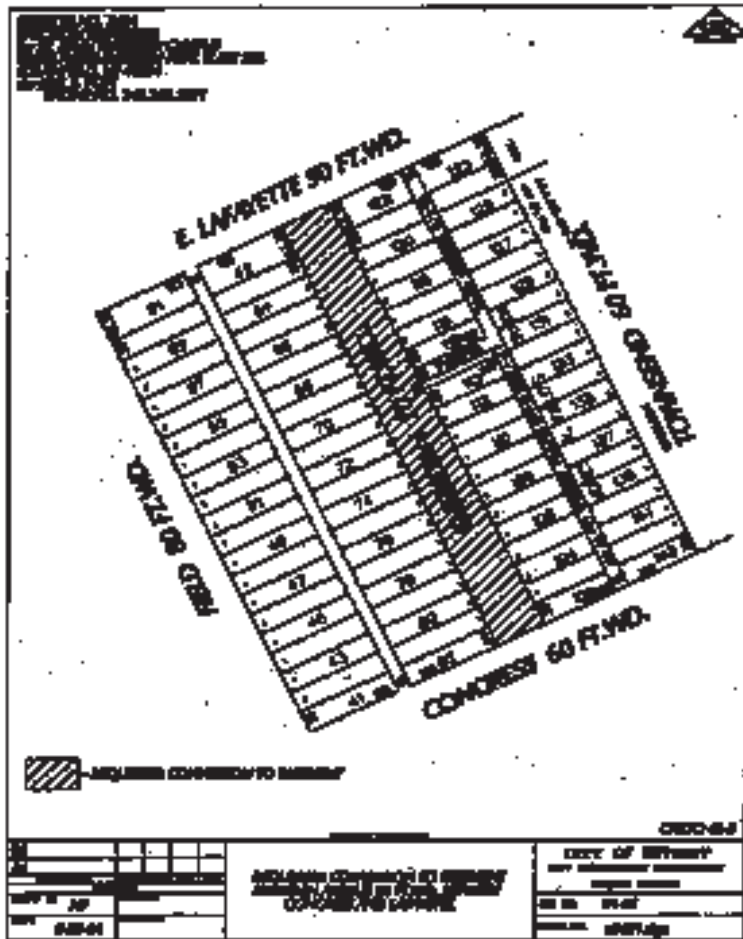

Second, Said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with

the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said

property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds;

Adopted as follows:

Yeas — Council Members K. Cockrel, Jr., S. Cockrel, Collins, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 7.

**Department of Public Works**

August 6, 2004

Honorable City Council:

Re: Requesting authorization for the Department of Public Works to accept a grant in the amount of \$81,907.56 from the Michigan Department of Agriculture, for the removal of ash trees infested by the Emerald Ash Borer bug.

The Department of Public Works is requesting authorization to accept a grant for assisting in the removal of 1200 ash trees, that have been infested by the emerald ash borer insect. Upon City Council approval, DPW will set up the necessary Appropriation and Organization account numbers to facilitate the expenditure of funds for this project.

Monies received from this grant will be utilized to defray some of the costs associated with removal of ash trees throughout the city. All trees removed with these grant funds will be "street trees", located within the city's right of ways.

Our estimates are that we have approximately 30,000 ash trees in the city. All will eventually have to be removed. Acceptance of this grant will be an initial step towards the future and complete eradication of the Emerald Ash Borer bug, within the City of Detroit.

Therefore, the Department of Public Works is requesting that your Honorable Body authorize the acceptance of grant funds in the amount of \$81,907.56 to be used solely for the removal of infested ash trees throughout the City of Detroit.

**A RESOLUTION OF COMMITMENT TO RESURRECTING THE AMERICAN DREAM**

By COUNCIL PRESIDENT MAHAFFEY, Joined by ALL COUNCIL MEMBERS:

WHEREAS, The American dream is rooted in principles of fairness, opportunity, and a chance to succeed; and

WHEREAS, Growing divisions between rich and poor, haves and have-nots, and people of color and whites stand in the way of success of all Americans communities today; and

WHEREAS, Too many people in America's cities and towns no longer have access to what most of us take for granted — a safe and affordable place to live, the opportunity to support themselves adequately through work, and the ability to help their children take the next step up the ladder; and

WHEREAS, Recent studies and polls show that the economic gaps are getting wider, more and more young people are being left behind because of unequal education opportunities and limited job oppor-

tunities, and countless workers do not have the needed skills to take advantage of new jobs; and

WHEREAS, The Leaders of Americas cities and towns face the challenges and costs of these divides and disparities everyday by trying to meet growing needs for an affordable home, a good education access to basic medical care, and much more; and

WHEREAS, The National League of Cities believes that government at all levels has a fundamental responsibility to address the growing disparities by developing policies and programs that will give every American an equal chance to achieve the American dream.

NOW, THEREFORE, BE IT RESOLVED, That the City Council of Detroit join the National League of Cities in calling for a national commitment to ensure access to the American dream; and

BE IT FURTHER RESOLVED, That the City Council of Detroit are committed to do our part at the local and regional level to maximize access to affordable housing, strengthen public education, create opportunities to develop marketable job skills, and build an inclusive community; and

BE IT FURTHER RESOLVED, That the City Council of Detroit call on all 2004 candidates for public office to speak directly to the issues of divides and disparities in America and specify what they are willing to do to put the American dream within for all families; and

BE IT FURTHER RESOLVED, That the City Council of Detroit join the National League of Cities in calling for a national domestic agenda in 2005 that (1) supports families and children care especially through schools that work for every child and affordable health care, (2) puts affordable housing and homeownership within reach for every American, (3) grows our local economies to increase jobs and opportunities to learn new skills to match job openings, and (4) supports all governments working together to better serve Americans.

**RESOLUTION  
FOR CREATION OF DETROIT CITY  
COUNCIL PUBLIC EDUCATION TASK  
FORCE**

By COUNCIL MEMBER S. COCKREL:

WHEREAS, A viable and effective public school system is needed in the City of Detroit to promote the growth of employment and economic opportunity for our citizens, and

WHEREAS, The Detroit Public School System is a critical element in the future development of the City of Detroit, and

WHEREAS, Public education in the City of Detroit has suffered and continues to suffer from declining enrollment, lack of educational materials, poor academic achievement, unequal state funding, budget deficits, shortage of teachers and deteriorated schools, and

WHEREAS, Free public education is guaranteed in the Michigan State Constitution as follows:

Sec. 2. Free public elementary and secondary schools; discrimination.

The legislature shall maintain and support a system of free public elementary and secondary schools as defined by law. Every school district shall provide for the education of its pupils without discrimination as to religion, creed, race, color or national origin.

No public monies or property shall be appropriated or paid or any public credit utilized, by the legislature or any other political subdivision or agency of the state directly or indirectly to aid or maintain any private, denominational or other nonpublic, pre-elementary, elementary, or secondary school. No payment, credit, tax benefit, exemption or deductions, tuition voucher, subsidy, grant or loan of public monies or property shall be provided, directly or indirectly, to support the attendance of any student or the employment of any person at any such nonpublic school or at any location or institution where instruction is offered in whole or in part to such nonpublic school students. The legislature may provide for the transportation of students to and from any school, and

WHEREAS, The public education system in the City of Detroit has been the subject of failed experimentation by the State Legislature as to its governance and has been financially assaulted through the creation of charter schools, and

WHEREAS, The Detroit Public Schools is a pivotal resource in the preservation of the City of Detroit, and NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council creates a Public Education Task Force to examine the current and future state of the public education system in the City of Detroit, and BE IT FURTHER

**TESTIMONIAL RESOLUTION  
FOR  
LEE ELDER**

By COUNCIL MEMBER TINSLEY-TALABI:

WHEREAS, Lee Elder taught himself to play golf mostly by sneaking onto all-white courses at night. He never actually played a round until he was sixteen. By his late teens, he was golfing, often posing as a caddie. In 1959 he was drafted into the U.S. Army. Elder spent a lot of his military stint playing golf with his commanding officer at Fort Lewis in Washington State. After being discharged in 1961, he joined the all-black United Golf Association tour. He dominated the tour, winning five UGA national championships. In one stretch, Elder won 21 of 23 tournaments; and

WHEREAS, Elder was invited by Gary Player to take part in the 1971 South African PGA Tournament, the first integrated tournament in that country's history. He accepted after insisting on some conditions: That the gallery be integrated and that he and his wife would be allowed to stay at whatever hotel they chose and free to go wherever they wanted to go; and

WHEREAS, Lee Elder was the first black player to be invited to the Masters

Tournament. In November of 1967, Elder became one of the first black golfers on the PGA tour. The following year, he won some notice by tying Frank Beard and Jack Nicklaus for the lead in the American Golf Classic. In 1979, Elder became the first black golfer to play for the Ryder Cup team; THEREFORE BE IT

RESOLVED, That the Detroit City Council passes this resolution to be reserved in the annals of Detroit's history, applauding the life and accomplishments of Lee Elder. Were it not for his courage and dedication entrée into the golf world will be made easier for so many more.

### Planning & Development Department

September 22, 2004

Honorable City Council:

Re: Property For Sale By Development Agreement. Development: Parcel 323; generally bounded by W. Forest, Selden, 15th St. & Humboldt.

We are in receipt of an offer from MLK Homes Limited Dividend Housing Association Limited Partnership, a Michigan Limited Partnership, to purchase the above-captioned property for the amount of \$95,000 and to develop such property. This property contains approximately 319,318 square feet or 7.33 acres and is zoned R2 (Two-Family Residential District).

The Offeror proposes to construct approximately forty-five (45) single-family homes with attached garages. The single-family homes will be developed into two-story structures with three (3) to four (4) bedrooms. This use is permitted as a matter of right in a R-2 zone.

We, therefore request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to execute an agreement to purchase and develop this property with MLK Homes Limited Dividend Housing Association Limited Partnership, a Michigan Limited Partnership, together with a deed to the property and such other documents as may be necessary to effect the sale.

Waiver of Reconsideration is requested.

Honorable City Council:

Re: Public Hearing on the Establishment of the Park Shelton Enterprise Zone as Requested by the Park Shelton Associates Limited Partnership in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development goals of the City, and find that establishment of the Park Shelton Neighborhood Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states "the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones." Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed NEZ, said notice to be made not less than 60 days prior to your Honorable Body's passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to convert rental units to 242 for sale condominiums with configurations consisting of 450 to 1650 square feet at a cost of \$11.5 million.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

Respectfully submitted,  
HENRY B. HAGOOD

Director of Development Activities  
By Council Member K. Cockrel, Jr.:

Whereas, Michigan's Public Act No. 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act") provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs:

and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas. The Detroit City Council finds that designation of certain NEZs is

2004

consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Park Shelton NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, the Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Park Shelton NEZ was conducted before the Detroit City Council on Monday, November 1, 2004 at 9:55 A.M., 2004, with notice of the public hear-

ing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Park Shelton NEZ are known;

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Park Shelton NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Re: Amendment to Sales Resolution.  
Development: 1357-59 & 1365-67 Spruce.

On September 8, 2004, your Honorable Body authorized the sale of the above-captioned property via a Development Agreement to Brinks, Inc., a Michigan Corporation, for the purpose of constructing a paved surface parking lot.

It has come to our attention that the sales resolution was issued in error.

We, therefore request that your Honorable Body adopt the attached resolution and authorize an amendment to the sales resolution to reflect that the Planning and Development Department Director of Development Activities be authorized to issue a quit claim deed to the property and such other documents as may be necessary to effect the sale, for the amount of \$2,100.

Respectfully submitted,  
HENRY B. HAGOOD

Director of Development Activities  
By Council Member K. Cockrel, Jr.:

Honorable City Council:  
Re: Agreement and Grant of Easement for Water Mains and Sewers. Kern Crowley Land Venture, L.L.C. — DWSD #03-17.

Kern Crowley Land Venture, L.L.C. has executed an Agreement and Grant of Easement for Water Mains and Sewers with the Detroit Water and Sewerage Department (DWSD). This agreement will allow DWSD to construct, operate, maintain, inspect, replace, remove, and/or repair a sewer and related improvements and appurtenances as needed.

This action is the result of the construction of a parking structure located near Monroe and Randolph Streets in the City of Detroit. Kern Crowley Land Venture, L.L.C. will grant to the City of Detroit through its Board of Water Commissioners a twenty-foot sewer easement as illustrated in Exhibits "A" and "B" of the Easement Agreement.

At its meeting of July 28, 2004, the Board of Water Commissioners approved

entering into this Agreement. It is respectfully requested that your Honorable Body adopt the attached resolution accepting the Easement Agreement as agreed to by the Board of Water Commissioners and Kern Crowley Land Venture, L.L.C.

Respectfully submitted,

Re: Surplus Property Sale By Development Agreement. Development: Parcel 319; generally bounded by Gratiot, Marcus, Van Dyke & Knodell.

We are in receipt of an offer from Nortown Homes II Limited Dividend Housing Association Limited Partnership, a Michigan Limited Dividend Housing Association Limited Partnership, to purchase the above-captioned property for the amount of \$127,500 and to develop such property. This property contains approximately 231,810 square feet or 5.32 acres and is zoned R-1 (Single-Family Residential District).

The Offeror proposes to construct approximately forty-five (45) two-story three (3) and four (4) bedroom single-family homes with garages on scattered site, concentrated on the streets in the Nortown Homes Neighborhood of the City of Detroit. The size of the home will range from approximately 1,200 square feet to 1,400 square feet. Nortown Homes will enhance the neighborhood by offering numerous two-story exterior elevations with at least three (3) different floor plans. All of the single-family homes will be designed to be harmonious with the existing architectural style of the neighborhood. This use is permitted as a matter of right in a R-1 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning & Development Department Director of Development Activities to execute an agreement to purchase and develop this property with Nortown Homes II Limited Dividend Housing Association Limited Partnership, a Michigan Limited Dividend Housing Association Limited Partnership, together with a deed to the property and such other documents as may be necessary to effect the sale.

Re: Resolution Approving an Obsolete Property Rehabilitation District, on Behalf of Exchange Support Service, Inc., in the Area of 465-485 W. Milwaukee, The Argonaut Building, in accordance with Public Act 146 of 2000.

Attached please find a resolution and legal description that will establish an Obsolete Property Rehabilitation District at 465-485 W. Milwaukee, The Argonaut Building in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of Exchange Support Services, Inc.

Earlier today your Honorable Body conducted a public hearing on the establishment of this District, in accordance with the Act. In as much as, no impediments to the establishment of the District were presented at the public hearing, we request that you approve the resolution at your

next regular or adjourned formal session.

Respectfully submitted,  
HENRY B. HAGOOD

Director of Development Activities  
By Council Member K. Cockrel, Jr.:

Whereas, Pursuant to Act No. 146 of the Public Acts of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, Exchange Support Services, Inc. has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 465-485 W. Milwaukee, The Argonaut Building, Detroit, Michigan, the area being more particularly described in Exhibit A attached hereto; and

Whereas, The aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

Whereas, Act 146 requires that, prior to the establishment of an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying *ad valorem* taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on September 24, 2004, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in Exhibit A attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing;

Now Therefore Be It

Resolved, That Obsolete Property Rehabilitation District No. 28, more particularly described in Exhibit A attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

**TESTIMONIAL RESOLUTION  
 FOR  
 TONI BOOKER**

By COUNCIL MEMBER COLLINS:

WHEREAS, Ms. Toni Booker organized and founded Booker Productions in 1980 in the home of Elder Melvin and Pamela Coleman on Tracy in Detroit, Michigan. It grew from eleven to forty-three members, and was established upon a strong foundation of God's love, strength, faith, endurance, a great testimony, victory and respect for one another, as well as a leader that was committed to God with a willing spirit to serve mankind; and

WHEREAS, Throughout the early years of the Production, the trials and tribulations came, but that did not stop the Production from taking first place in every competition, including the 1989 McDonald's Gospelfest, the 1987 Kentucky Fried Chicken Gospel Competition, and the 1986 State Fair City Wide competition, and, even though Production was an unusual choir which often brought about a lot of controversy regarding choreography with its singing, it did not discourage Toni Booker for she was a God-fearing woman who knew that Jesus was on her side; and

WHEREAS, God is continuing to bless Booker Productions with their own Radio Ministry on WMKM 11440 AM, the gospel music station, and their own building at 7324 Puritan for rehearsals. The Production has a Teen Rap Session Group under the direction of Bonnie Bizzel and Bernard Bridges. Their goal is to build upon a land to create opportunity for those who have lost hope, win souls for Christ and enrich the lives of God's people; and

WHEREAS, Booker Productions purchased a new 1996 15-passenger Dodge Ram in April, 1996 to travel and minister throughout the county, and in October they recorded their first live recording at Rewarding Faith Church of God in Christ on Buena Vista, under the leadership of pastors Elder and Mrs. Harris in Detroit, Michigan. The night before the recording, the Production encountered a great

storm, but God stepped in, touched the heart of Elder Harris, and turned it into a light rain. NOW THEREFORE BE IT

RESOLVED, Ms. Toni Booker and Booker Production, be awarded this resolution from the Detroit City Council, the office of Council Woman Barbara-Rose Collins, on September 24, 2004 for their matchless music ministry.

**JIMMIE LEE "OKERA" HIGHTOWER**  
 By COUNCIL MEMBER COLLINS

WHEREAS, Jimmie Lee Hightower a/k/a Okera was born February 20, 1944 to the late Henry Allen & Arlena Hightower in Lee County, Salem, Alabama. He was the 10th of 14 children, and attended River Rouge Public Schools and Southwestern High School in Detroit; and

WHEREAS, At an early age Okera's genius began to appear. He loved to sing. At the age of five, he made his first appearance on a television show named Auntie Dee. He also began writing music, and as he matured he formed a group in the 60s known as the Combinations that he wrote music for and performed with, and their first record was released called **Voodoo** on Carrie Records; and

WHEREAS, Bro. Okera joined the Shrine in the 60s and has been a loyal, faithful member for over thirty years. He wrote many of the Nationnaires' songs, including the powerful **The Pow'r and the Glory** and the spiritual **God Gave Me A Song**. He is the proud father of three sons, Wendall, Jimmie Allen and Okera Hightower, and also has one grandchild; and

WHEREAS, Last March he became ill and suffered an aneurysm (actually, five actively bleeding blood clots) on the brain. After emergency brain surgery, it was touch and go for a while, but Jehovah Rapha (our healer) in his great mercy healed him. He was soon transferred to Westwood Nursing Home and finally discharged on September 2nd to the home of his sister Bernice Roper, where in the arms of his loving family he continues to heal. Of the 13 siblings he had, there remains three brothers Henry Allen (New York), Willie Monroe (Detroit), Franklin Delanor (Detroit). In 2003, he was honored by Motown Records and received a Lifetime Achievement Award. NOW THEREFORE BE IF

RESOLVED, That Brother Jimmie "Okera" Hightower, a spiritual man with a vision, be awarded this resolution from the Detroit City Council, the office of Council Woman Barbara-Rose Collins, on September 24, 2004 for his creativity, love

**IDA LEE HALL JOHNSON**  
**ABENI MAWUSI AYO**

By COUNCIL MEMBER COLLINS:

WHEREAS, Ida Lee Hall a/k/a Abeni Mawusi Ayo, the oldest of three children, was born to Lee Arthur and Rebecca Belle Hall. At the early age of five, Lee Arthur Hall brought home a baby grand piano for his children and little Ida began tinkering with it until her mother, noticing her interest, enrolled her into the Detroit Conservatory of Music; and

WHEREAS, Ida studied for eleven or twelve years at the Conservatory, began playing for her Sunday school and other churches around the city, and still remembers her first recital where she played *The Big Bass Drummer* and since God had blessed her with a talent to hear a song and to go to the piano or organ and play it, her sister, Harriett, a member of the Shrines of the Black Madonna at that time, told her that the Church was looking for a temporary pianist. She recommended her to the Choir Director, the late Deacon Ola Mwanza in 1971, and the temporary position became permanent; and

WHEREAS, Twenty-eight years later, Sis. Ida Johnson after a diagnosis of breast cancer underwent major surgery. The Cardinals and Bishops of the Church who faithfully picked her up for two weeks and took her to Beaumont Hospital for the necessary therapy made her twice-daily radiation treatments possible. Needless to say, this dedication and consistent support attributed to her speedy recovery and, after discussing the matter with her sister Harriett who was her refuge, Sis. Ida decided it was time to join the Church and change her name to Abeni Mawusi Ayo; and

WHEREAS, Sis. Abeni, whose immediately family consist of a son, an engineering graduate from Western Michigan University, and her sister who is an Education Literacy Specialist for Head Start, is now a part of the extended family of the Shrines of the Black Madonna. NOW THEREFORE BE IT

RESOLVED, That Sis. Abeni Mawusi Ayo, a loyal and faithful servant throughout her history at the Church, be awarded this testimonial resolution at the 11th Commandment's Annual Gospel Concert, at the Shrine of the Black Madonna of the Pan-African Orthodox Christian Church, from the Detroit City Council, office of Council Woman Barbara-Rose Collins, on

September 24, 2004, for her commitment and outstanding music ministry.

**TESTIMONIAL RESOLUTION  
FOR  
RODRIQUEZ LINSON**

By COUNCIL MEMBER COLLINS:

WHEREAS, Rodriguez "The Bishop" Linson, is the son of Evangelist Ernestine Davis. Ernestine knew the importance of Proverbs 22:6 and raised her children in the church (Neopolitan Spiritual Church) under the direction of Bishop John T. Kerr. There, Rod, who has a love for music learned to love and fear God and grew to become a sought after proficient percussionist, and later a pianist. He sat at the feet of some of the greatest musicians in the City of Detroit (i.e., Rev. Al Green, Bro. Sylvester Walton and Rev. Willie Smith). Putting God first in his life led him to work for and with some of the gospel greats throughout the United States, including the late Thomas Whitfield, Bishop Sonny Woods, Rudolph Stanfield, Dr. E. LaQuint Weaver, and Charles "the Professor" Wilson, just to name a few; and

WHEREAS, Although his Music Ministry took him across the country, he is still "Rod" and has never forgotten his roots. He continues to hold his position as Minister of Music for his home church, Neapolitan Church of Deliverance, under the Pastorship of Rev. Kevin Linson, and New Jerusalem Temple, Missionary Baptist Church, under the Pastorship of Rev. L.J. London. He also continues to play for many local choirs and out of state groups and soloists, evangelists, and ministers; and

WHEREAS, To his credit, God is continuing to bless him abundantly. He has written, played and recorded many projects. The Voices of Neapolitan "NU Praizes", the Inspiration Stars "Vurejuest Women," Renee Reed-Williams and United in Christ, Dr. E. LaQuint Weaver and The Hallelujah Singers *Live in Birmingham, Alabama, A Southern Experience*, David Whitfield and WMG, and Chris Jones and Word of Praise. Rod is currently working on six more projects that will be released soon. NOW THEREFORE BE IT

RESOLVED, That Rodriguez Linson, who knows that all praises belong to God, all gifts are given for the glorification of Our Lord and Savior, Jesus Christ, and who has never let any of his successes go to his head, be awarded this resolution at the 11th Commandment's Annual Gospel Concert, from the Detroit City Council, the

Honorable City Council:

Re: Carl Harlow v City of Detroit Water & Sewage Department. Case No.: 03-000204 CK.

On March 10, 2004, your Honorable Body authorized the Law Department to accept a case evaluation with Plaintiff whereby the City was to pay \$5,000.00 to Plaintiff. The parties have now agreed upon a proposed settlement based on a facilitation for a higher amount. We therefore, request that you rescind the original resolution of March 10, 2004 permitting acceptance of the case evaluation.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Eight Thousand Dollars (\$8,000.00) is in the best interest of the City of Detroit.

We, therefore, request you to rescind the original resolution and grant the recommendation of the facilitator, to adopt the amended resolution submitted herewith, and to direct the Finance Director to issue a draft in the amount of Eight Thousand Dollars (\$8,000.00) payable to Gregory J. Mlynarek, attorney, and Carl Harlow, to be delivered upon receipt of properly executed Releases and Order of Dismissal entered in Lawsuit No. 03-000204 CK, approved by the Law Department. Honorable City Council:

Re: Petition Number 2053 — Request for City Council Approval for the Issuance of a New Topless Activity Permit by the Michigan Liquor Control Commission to River Entertainment, LLC, for a Group 'D' Adult Cabaret at 403 S. Dix.

As stated above, this matter concerns a request by River Entertainment, LLC, for the approval of the issuance of a topless activity permit by the Michigan Liquor Control Commission ("MLCC") for an

establishment at 403 S. Dix. As this Body is aware, Section 916(6) of the Michigan Liquor Control Code of 1998, being MCLA 436.1916(6), requires that prior to the issuance of an MLCC topless activity permit, a location licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of the legislative body of the municipality within which the premises are located.

By letter, dated May 24, 2004, the Law Department transmitted a proposed resolution to City Council recommending that this matter be placed on this Body's agenda for consideration and approval or disapproval of the issuance of a new topless activity permit in conjunction with the transfer of the liquor license at 403 S. Dix to River Entertainment, LLC. A copy of the transmittal letter and the proposed resolution are attached.

Pursuant to this Body's July 7, 2004 resolution concerning the approval of the issuance of special MLCC activity permits, the following additional information is submitted concerning the premises and the prospective owner for the preceding twelve (12) months. The Detroit Police Department (DPD), Liquor License Unit, reports that their records indicate that: 1) there have not been any MLCC violations filed against the premises by DPD and/or the Wayne County Sheriff, 2) there are no City Code violations issued at the premises by DPD, 3) no serious crimes within the premises have been reported, 4) DPD has not been dispatched to the premises, and 5) that the owner is not currently operating any other MLCC licensed premises in the City, and has not operated such an establishment during the relevant time period.

Since this request for approval or disapproval of the issuance of the topless activity permit was submitted to this Body on May 24, 2004, it is recommended that this matter be placed on the City Council's formal agenda for consideration at the next formal session.

If there are any questions or concerns, please do not hesitate to contact us.

Respectfully submitted,  
BRENDA E. BRACEFUL  
Deputy Corporation Counsel

By Council Member S. Cockrel:

Whereas, Section 916(6)(b) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6)(b), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") a topless activity permit, an establishment licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of the local legislative body of the municipality within which the premises are located;

Whereas, The MLCC has forwarded a Local Approval Notice (Req. ID 229582) to City Council, which has been designated

by the City Clerk as Petition No. 2053, in conjunction with the transfer of ownership of a Class C liquor licensed establishment with a dance-entertainment permit at 403 S. Dix from Betty Ann Shelata to River Entertainment, LLC, and a request for the approval of the issuance of a new topless activity permit for the location;

Whereas, By letter dated May 20, 2004 to the MLCC, River Entertainment, LLC, has canceled its request to the MLCC for the issuance of a dance-entertainment permit in conjunction with the transfer of the Class C liquor licensed establishment at 403 S. Dix, thereby revising this petition to request this Body's approval of the issuance of a topless activity permit, only, for the location;

Whereas, The Buildings and Safety Engineering Department ("B&SE") reports that 403 S. Dix is located in an M-5 (Special Industrial) zoning district and that an adult cabaret is a permitted with approval use in such a zoning district;

Whereas, In B&SE Case No. 23-03, dated June 25, 2003, River Entertainment, LLC, was granted approval, with specified conditions, to convert the existing bar at 403 S. Dix to a Group 'D' adult cabaret;

Whereas, The Consumer Affairs Business License Center has reported that River Entertainment, LLC, has applied for a Cabaret 'D' adult cabaret business license for the location and that the applicant and location will be required to be in compliance with all of the applicable provisions of the 1984 Detroit City Code prior to the issuance of the adult cabaret license to River Entertainment, LLC;

Whereas, Upon the approval by this Body of the issuance of a topless activity permit and River Entertainment, LLC, obtaining a City Group 'D' adult cabaret business license from the Consumer Affairs Business License Center, topless activity entertainment will be permitted at 403 S. Dix; and

Whereas, The City Council has considered the Local Approval Notice for the approval of the issuance of a new topless activity permit by the MLCC to River Entertainment, LLC, 403 S. Dix, and in accordance with its procedures and this Body's August 1, 2003 resolutions on the procedures and criteria for the approval or disapproval of the issuance of such MLCC permits;

Now Therefore It Is Resolved, Pursuant to Section 916(6)(b) of the Michigan Liquor Control Code, being MCL 436.1916(6)(b), that the Detroit City Council, approves the issuance by the MLCC of a new topless activity permit to River Entertainment, LLC, for 403 S. Dix; and

It Is Further Resolved, That copies of this Resolution, and the City Clerk's certi-

Honorable City Council:

Re: Address: 15820 Greenlawn. Name: Thomas Staton. Date ordered removed: July 26, 2004 (J.C.C. pg.

).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on August 24, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of August 11, 2004.

The proposed use of the property is rehabilitation and rental.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

Honorable City Council:

Re: Address: 13011 Glenfield. Name: Sharonda Williams. Date ordered removed: March 5, 2003 (J.C.C. p. 668).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on August 11, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of August 9, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the

rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 15, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of September 9, 2004.

The proposed use of the property is rehabilitation and rental.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to

building permits

- Certificate of Approval as a result of a Housing Inspection.
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. Re: Neighborhood Enterprise Zone Certificate Applications for 37 housing units within the E & B Brewery Lofts Neighborhood Enterprise Zone (Recommend Approval).

The City Clerk's Office forwarded to our office applications from E & B Brewery Lofts Inc. for Neighborhood Enterprise Zone (NEZ) certificates for 37 housing units within the E & B Brewery Lofts Neighborhood Enterprise Zone.

The addresses for these units are as follows: 1551 Winder Street, 1A; 1551 Winder Street, 1B; 1551 Winder Street, 2A; 1551 Winder Street, 2B; 1551 Winder Street, 2C; 1551 Winder Street, 2D; 1551 Winder Street, 2E; 1551 Winder Street, 2F; 1551 Winder Street, 2G; 1551 Winder Street, 2H; 1551 Winder Street, 3A; 1551 Winder Street, 3B; 1551 Winder Street, 3C; 1551 Winder Street, 3D; 1551 Winder Street, 3E; 1551 Winder Street, 3F; 1551 Winder Street, 3G; 1551 Winder Street, 3H; 1551 Winder Street, 4A; 1551 Winder Street, 4B; 1551 Winder Street, 4C; 1551 Winder Street, 4D; 1551 Winder Street, 4E; 1551 Winder Street, 4F; 1551 Winder Street, 4G; 1551 Winder Street, 4H; 1551 Winder Street, 5C; 1551 Winder Street, 5E; 1551 Winder Street, 5F; 1551 Winder Street, 5H; 1551 Winder Street, 6E; 1551 Winder Street, 6F; 1551 Winder Street, 6H; 1551 Winder Street, 7E; 1551 Winder Street, 7F; 1551 Winder Street, 7G; 1551 Winder Street, 7H.

The properties involved are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates

under State legislation as currently written.

All 37 units will be developed at 1551 Winder, which was originally developed as a brewery and was later developed with some residential rental units. The developer would spend about \$72,645 to redevelop each unit. It appears the true cash value of each unit is less than the \$80,000 per unit maximum allowed under the NEZ Act.

Based on the above analysis, CPC staff recommends approval of the subject NEZ certificates.

Honorable City Council:

Re: Greektown Casino, LLC's request to rezone land to SD5 (Special Development District for Casinos) for the construction of a casino complex (Submitting Resolution to Extend the Period for Council Consideration of the Petition).

On Wednesday, March 3, 2004, your Honorable Body passed a resolution extending the period of consideration for the above captioned rezoning request of Greektown Casino LLC. This was neces-

sitated by the pending expiration of the 120-day time period for the Council to take action on the rezoning request, as set forth in Section 64.0700 of the Official Zoning Ordinance.

The extension granted by the March 3rd resolution was followed by a 120-day extension that will expire on September 29, 2004 unless another extension is granted. Previously, you directed the City Planning Commission staff to monitor and inform your Honorable Body of the status of this petition in order to maintain it as viable for your consideration. Please find attached a resolution extending the period for consideration of Greektown Casino's SD5 rezoning request for an additional 120 days.

Respectfully submitted,

Whereas, Section 64.0700 of the official Zoning Ordinance of the City of Detroit establishes that upon the expiration of a 120 day period following the date that the City Council formally receives the City Planning Commission's report and recommendation on any petition to amend the Zoning Ordinance, such petitions will be deemed denied unless the time period is extended by resolution of the City Council; and

Whereas, Greektown Casino LLC has petitioned the City Council for a rezoning of certain property in the City of Detroit from B4 and PD zoning district classifications to SD5; and

Whereas, The City Planning Commission report and recommendation on this rezoning request was received by the City Council at the public hearing on this matter held November 17, 2003; and

Whereas, The 120 day period pertaining to this request was to expire on March 15, 2004, and on March 3rd, 2004 this City Council granted a 90 day extension, which was to expire on June 1, 2004; and

Whereas, On May 26, 2004 a subsequent 120 day extension was granted, which will expire on September 29, 2004; and

Whereas, This City Council has expressed the desire to extend the period of consideration for this petition;

Now, Therefore, Be It Resolved, That pursuant to Section 64.0700 of the City of Detroit Zoning Ordinance, the Detroit City Council hereby extends the time period for consideration of the petition of Greektown Casino LLC to rezone property generally bounded by Gratiot, the I-375 Service Drive, Clinton and St. Antoine from B4 (General Commercial District) and PD (Planned Development District) to SD5 (Special Development District for Casinos) for an additional 120 days from September 29, 2004 to January 27, 2005.

### City Planning Commission

September 24, 2004

Honorable City Council:

Re: Request of the Planning and Development Department to rezone various properties in the area generally bounded by Gratiot Avenue, St. Aubin, Mt. Elliott Avenue and E. Vernor Highway, also known as the McDougall-Hunt Rehabilitation Project area (Recommend Approval).

#### BACKGROUND

In November of 2003, your Honorable Body approved the 2nd Modified McDougall-Hunt Development Plan. Consequently, the Planning and Development Department is requesting rezoning of various properties within the McDougall-Hunt Rehabilitation Project Area in order to make the zoning consistent with the proposed zoning recommended in the 2nd Modified McDougall-Hunt Development Plan. The proposed rezonings would also enable the development of the area to proceed because projects proposed for the area are not permitted by the existing zoning classifications.

#### PROPOSED ZONING

The boundaries of the project area include Gratiot Avenue to the north, the alley east of Mt. Elliott to the east, E. Vernor to the south and St. Aubin to the west. The major streets within the area that would be affected by the rezoning include, but are not limited to: Gratiot, Mack, Mt. Elliott and Chene. The following list summarizes the proposed rezoning. Attachment A is a map portraying the rezoning. The McDougall-Hunt area has been divided on the map into sub-areas.

**Sub-area A:** The St. Aubin and Gratiot frontages are proposed to be rezoned from M3 (General Industrial District) and B4 (General Business District) to B2 (Local Business and Residential District).

The E. Vernor, Chene, Dubois, Hendricks and Hunt frontages are proposed to be rezoned from R-2 (Two-Family Residential District) B4, and M3 to SD1 (Special Development District).

**Sub-area B:** The Gratiot frontage is proposed to be rezoned from B4 to B2.

The parcels of land on the south side of Benson between Gratiot and Joseph Campau are proposed to be rezoned from R2 to B2.

The Chene frontage is proposed to be rezoned from B4 and M3 to SD1.

The McDougall frontage between Charlevoix and the alley south of Arndt, and the McDougall frontage between Arndt and Benson are proposed to be

rezoned from R2 and P1 (Open Parking District) to R3 (Low-Density Residential District).

The remainder of the land located between E. Vernor, the alley south of Gratiot, the alley east of Chene and the alley west of McDougall is proposed to be rezoned from R2 to R3.

**Sub-area C:** The land generally bounded by Gratiot, Elmwood, Preston and McDougall is proposed to be rezoned from R2 and B4 to B2.

The land bounded by Preston, Elmwood, the alley south of Preston and the alley east of McDougall is proposed to be rezoned from R2 to B2.

**Sub-area D:** The Mack frontage is proposed to be rezoned from R2 and R3 to B2.

**Sub-area E:** The Mack frontage is proposed to be rezoned from R2 and B4 to B2.

The Mt. Elliott frontage is proposed to be rezoned from B4 to R4 (Thoroughfare Residential District).

**Sub-area F:** The Gratiot and Mack frontages are proposed to be rezoned from R2, R3, B4 and M3 to B2.

The Mt. Elliott frontage is proposed to be rezoned from R3 and B4 to R4.

#### PUBLIC HEARING RESULTS

During the City Planning Commission public hearing held on January 8, 2004, nine community stakeholders and residents voiced their comments regarding the rezoning proposal. Of the nine, three (3) people spoke against the rezoning. Their concerns included the need for inclusion of senior housing developments, the affect of the proposal on existing businesses and the timeline for constructing new homes in the project area.

Other residents inquired as to whether eminent domain would be used on existing residential properties and if the City planned to purchase homes. Lastly, a community stakeholder asked what the negative affects of the rezoning would be for the area church of which he is a member. CPC staff addressed all of the concerns during the hearing.

#### ANALYSIS

##### *Summary of Land Use and Zoning Analysis*

Each use within the proposed rezoning areas was analyzed to determine whether its permissibility would change in terms of being permitted as a matter of right (MOR), permitted with approval (PWA), or non-conforming. A matter of right (MOR) use is allowed without any specific review by the Buildings and Safety Engineering Department (B&SE) or other City agencies. The use is legal and by right allowed as long as it follows the guidelines in the Zoning Ordinance.

Uses that are permitted with approval (PWA) may be approved after a public hearing by the B&SE. The applicant must follow the regulations set forth in the

Zoning Ordinance for approval. A non-conforming use is a use that existed prior to the adoption of the current zoning classification and is not allowed in that district. In the case of a rezoning, the use would be allowed to remain, however, the owner could not expand the uses without following the requirements in the Zoning Ordinance for expansion, enlargement or the alteration of the use.

The Summary of Zoning Analysis table is included in attachment B. The table provides the location, existing and proposed zoning and permissibility category.

Only 15 of the total uses would change from matter of right to permitted with approval uses. Mack Avenue contains 12 houses that would change from matter of right to permitted with approval. Along Mt. Elliott and on Hunt, a medical office and a business office respectively, would change from matter of right to permitted with approval.

Column 5 of the table shows that 36 of the uses in the area would change from permitted with approval to matter of right uses. Along Mt. Elliott, 33 single and two-family housing structures would change from permitted with approval to matter of right.

As shown in Column 6, only 6 uses that are currently not permitted and non-conforming would become permitted with approval or matter of right uses. These include 3 wholesaling and warehouse facilities that were not permitted due to

the restrictions of the Gateway Radial Thoroughfare Ordinance along Gratiot Avenue. A loft building on Charlevoix is not permitted in the existing R2 District but would be permitted in the proposed R3.

Column 7 shows that 14 uses in the area would become legal non-conforming uses in the proposed zoning classifications. Along Gratiot, 5 motor vehicle related uses (2 filling stations, and 3 service shops) would become legal non-conforming uses in the proposed B2 District. A filling station along Mack would be non-conforming as well. A total of six commercial uses on Mt. Elliott would become non-conforming under the proposed R4 zoning.

#### **CONCLUSION**

Overall, the CPC does not believe that the rezoning would negatively impact the existing uses. Those uses which would become nonconforming, have little opportunity to expand given the lack of available adjacent property. Most importantly, the proposal is consistent with the Development Plan for the Project area. The proposed rezonings are also consistent with the proposed amendment to the Master Plan of Policies for the McDougall-Hunt area, which are currently under review by the Planning Commission.

#### **RECOMMENDATION**

The City Planning Commission recommends approval of the proposed rezoning of various properties within the

Honorable City Council:

Re: Proposed Ordinance to amend Section 40-1-12 of the 1984 Detroit City Code permitting the sale of non-food items at designated locations within City of Detroit Parks or public places.

As directed by your Honorable Body, the Research & Analysis Division (RAD) has reviewed Section 40-1-12 of the Detroit City Code. Your Honorable Body has requested that RAD amend the code in order to allow vendors the opportunity to sell items during special events held at City of Detroit owned parks.

In its current form, Section 40-1-12 reads:

Sec. 40-1-12. Peddling and other sales; distribution of handbills.

No hawking, peddling, soliciting or distribution of handbills for commercial purposes shall be allowed, nor any article exposed or offered for sale or barter within any park, public place or boulevard, except by recreation department employees or to concessions for which permits have been issued.

The Research & Analysis Division's suggestion is that City Council amend Section 40-1-12 to read as the following.

Sec. 40-1-12. Peddling and other sales; distribution of handbills.

No hawking, peddling, soliciting or distribution of handbills for commercial purposes shall be allowed, nor any article exposed or offered for sale or barter within any park, public place or boulevard, except by recreation department employees, **concessions for which permits have been issued.**

By Council Member K. Cockrel, Jr.:

**AN ORDINANCE to amend Section 40-1-12 of the 1984 Detroit City Code, *Peddling and Other Sales; Distribution of Handbills*, to rename the section *Prohibition of Sale of Any Article, Goods, Merchandise, or Food, Exceptions; Distribution of Commercial Handbills Prohibited Within Any Park, Public Place or Boulevard*; and to allow for the sale of articles, goods, merchandise, or food in City parks, public places or boulevards by licensed stationary food preparation vendors pursuant to Section 40-1-24 of the 1984 Detroit City Code, and sales by approved vendors made in conjunction with an authorized activity, event, or use within the boundaries of a City park or public place in accordance with Recreation Department rules.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Section 40-1-12 of the 1984 Detroit City Code, *Peddling and Other Sales; Distribution of Handbills*, be amended, to read as follows:

**Sec. 40-1-12. ~~Peddling and other sales~~ Sale of any article, goods, merchandise, or food prohibited; exceptions ; distribution of commercial handbills prohibited within any park, public place or boulevard.**

~~(a) The sale, or offer of sale, or barter of any article, goods, merchandise, or food of any kind within any park, public place or boulevard is prohibited, except:~~

~~(1) Sales of articles by Recreation Department employees as authorized by the Director of the Recreation Department, or his or her designee;~~

~~(2) Concessions sold by persons pursuant to a contract with the City;~~

~~(3) Sales by licensed stationary food preparation vendors pursuant to Section 40-1-24 of this Code; and~~

~~(4) Sales by approved vendors made in conjunction with an authorized activity, event, or use within the boundaries of a City park in accordance with Recreation Department rules governing vendors in parks and public spaces.~~

~~Provided, articles, goods, merchandise, or food of any kind shall not be sold, or offered for sale, on any boulevard, drive, roadway, or street within or adjacent to any park, public place or boulevard.~~

~~(b) No hawking, peddling, soliciting or distribution on handbills for commercial purposes shall be allowed, nor any article exposed or offered for sale or barter within any park, public place or boulevard, except by Recreation Department employees or concessions for which permits have been issued.~~

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** In the event that this ordinance is passed by a two-thirds majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective no later than thirty (30) days after enactment, or on the first business day thereafter in accordance with Section 4-115 of the 1997 Detroit City Charter.

Honorable City Council:  
Re: Acceptance of Donated Item.  
The Federal Emergency Management Agency wishes to bestow upon the Detroit Fire Department \$409,500.00 for Fire Operations and Firefighter Safety under their Assistance to Firefighters Grant Program. These funds will be used for Fire/EMS Operations Training and Firefighter Safety Training.

A condition of the total grant of \$409,500.00 is a 30% hard match in the amount of \$175,500.00 from the City of Detroit. The funds for this match are in the Fire Department's budget.

The purpose of the Assistance to Firefighters Grant Program is to protect the health and safety of the public and Fire Department personnel against Fire and EMS related work hazards. Therefore, in compliance with the grant guidelines, the Detroit Fire Department will provide training and acquire equipment in support of this initiative.

I respectfully ask your approval to accept the equipment in accordance with the attached resolution.

Re: Application from Hall Steel for an Industrial Facilities Exemption Certificate under Public Act 198 of 1974 (Petition #2413).

Representatives of the Planning & Development and Finance Departments have reviewed the application of the following company which requests City Council approval of an Industrial Facilities Exemption Certificate.

Based on discussions with representatives of the company and examination of the submitted application, we are con-

vinced this company meets the criteria for tax relief.

The public hearing before your Honorable Body, required by the Act, was conducted July 16, 2004. No impediments to the establishment of the District were presented at the public hearing, and we therefore recommend that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities  
By Council Member S. Cockrel:

Whereas, Pursuant to Act No. 198 of the Public Acts of 1974, as amended, ("the Act"), this City Council has the authority to establish "Industrial Development Districts" within the boundaries of the City of Detroit; and

Whereas, Laco Real Estate/Hall Steel has petitioned (Petition No. 2413) this City Council for the establishment of an Industrial Development District in the area of 20200 Mt. Elliott, Detroit, MI 48234, the area being more particularly described in Exhibit A attached hereto; and

Whereas, The Act requires that prior to the establishment of an Industrial Development District, City Council shall provide an opportunity for a hearing on the establishment of the District, at which hearing representatives of any taxing authority levying *ad valorem* taxes within the City of Detroit, or any owner of real property within the proposed expanded District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before this City Council on July 16, 2004, for the purpose of considering the establishment of an Industrial Development District, at which hearing representatives of any taxing authority, or owners of property within the proposed District, or any residents or taxpayers of the City of Detroit had an opportunity to address the establishment of said District; and

Whereas, No impediments to the establishment of the Industrial Development District were presented at the aforesaid public hearing; Now Therefore Be It

Resolved, That the establishment of Industrial Development District No. 170, more particularly described in Exhibits A attached hereto, is hereby approved by this City Council in accordance with the Act.

Honorable City Council:

Re: Traffic Control Devices Installed and Discontinued.

We are submitting a list of traffic control devices dated May/June 2004, to your Honorable Body for approval.

The attached list shows traffic control devices installed, and those discontinued during the period of 5/16/04-6/15/04.

Respectfully submitted,

JAMES A. JACKSON

Director

By Council Member Watson:

Resolved, That the traffic regulations, listed in communication from the Department of Public Works dated June, 2004, and the discontinuance of restrictions as listed therein, be and the same are hereby approved and confirmed and further,

Resolved, That any regulation or restriction in conflict with the foregoing be and the same is hereby rescinded.

Provided, That the traffic regulations adopted pursuant to the ordinance provisions of Section 55-2-1, 55-2-2 and 55-2-3 of Chapter 55, Article 2, of the Code of Detroit and properly indicated by signs, signals, markings or other devices as authorized by the ordinance provisions, and further,

Provided, The traffic regulations listed in the communication above referred to shall be kept on file by the City Clerk in his office for reference and for inspection.

Honorable City Council:

Re: Petition No. 1607 — Ted Williams,  
 requesting for conversion of alley to  
 easement at 12525 Gratiot and  
 11979 Racine.

Petition No. 1607 of "Ted Williams",  
 request conversion of a portion of the  
 North-South public alley, 18 feet wide, in  
 the block bounded by Racine Avenue, 50  
 feet wide, Hamburg Avenue, 50 feet wide,  
 Minden Avenue, 50 feet wide, and Gratiot  
 Avenue, 129 feet wide into a private ease-  
 ment for utilities.

The request was approved by the Solid  
 Waste Division — DPW, and the Traffic  
 Engineering Division — DPW. The peti-  
 tion was referred to the City Engineering  
 Division — DPW for investigation (utility  
 review) and report. This is our report:

If the petitioner at any time plans to dis-  
 continue use of the paved alley entrance  
 (into Racine Avenue), the petitioner shall  
 pay all incidental removal cost.

All other city departments and private  
 utility companies have reported no objec-  
 tions to the conversion of public rights-of-  
 way into a private easement for utilities.  
 Provisions protecting utility installations  
 are part of this resolution.

I am recommending adoption of the  
 attached resolution.

Respectfully submitted,  
 WILLIAM TALLEY  
 Head Engineer

City Engineering Division — DPW  
 By Council Member S. Cockrel:

394 and 613, Gratiot Township (Now Detroit), Wayne County, Michigan as recorded in Liber 29 Page 64, Plats, Wayne County Records;

Be and the same is hereby vacated as a public alley and is hereby converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing,

maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easements, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said

Avenue, 66 feet wide and East of Stair Avenue, 60 feet wide into a private easement for utilities.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

If the petitioner at any time plans to discontinue use of the paved alley entrance (into Stair Avenue), the petitioner shall pay all incidental removal costs.

All other city departments and privately owned utility companies have reported no objection to the conversion of the public rights-of-way into private easement for utilities. Provisions protecting utility installations are part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

City Engineering Division — DPW  
By Council Member Watson:

Resolved, All that part of the East-West public alley, variable width, (with a triangle portion dedicated to the City of Detroit on November 29, 1955 — J.C.C. Pgs. 2486 and 2487) lying Northerly of and abutting the North line of Lots 177 through 180, both inclusive, and lying Southerly of and abutting the South line of Lot 181 and the public alley, 10 feet wide, (vacated on November 29, 1955 — J.C.C. Pgs. 2486 and 2487) all in the "Burn's Subdivision" of all that part of Lot 7 of the Subdivision of P.C. 60 lying between Dix Avenue and Michigan Central R.R. property, Township of Springwells, Wayne County Michigan as recorded in Liber 17 Page 3, Plats, Wayne County Records;

Be and the same is hereby vacated as a public alley and is hereby converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and

egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easements, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That if it becomes necessary to remove the paved return at the entrance (into Stair Avenues), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and be it further

Provided, That the City Clerk shall with-

in 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Resolved, The Planning and Development Department Director is hereby authorized to issue a quit-claim deed to transfer the following vacated public right-of-way for the fair market value and/or other valuable consideration:

Land in the City of Detroit, County of Wayne, State of Michigan; a triangular parcel of land lying in the South-East corner of Lot 181 of Burn's Subdivision of all that part of Lot 7 of the Subdivision of Private Claim 60, lying between Dix Avenue and Michigan Central Railroad Property, Springwells Township, Wayne County, Michigan, as recorded in Liber 17, Page 3 of Plats, Wayne County

Records, described as: Beginning at the South-East corner of said lot; thence North forty feet along the Easterly line of said lot, thence West on a course parallel to the Northerly line of said lot to a point on the Southerly line of said lot; thence East along Southerly line of said lot to the point of beginning.

Honorable City Council:

Re: Petition No. 2114 — Porfirio Lopez, requesting conversion to easement the public alley in the area of Dix and Stair.

Petition No. 2114 of "Porfirio Lopez", request conversion of the East-West public alley, variable width, (with a triangle portion Dedicated to the City of Detroit on November 29, 1955 J.C.C. Pgs. 2486 and 2487) North of Dix Avenue, 66 feet wide and East of Stair Avenue, 60 feet wide into a private easement for utilities.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

If the petitioner at any time plans to discontinue use of the paved alley entrance (into Stair Avenue), the petitioner shall pay all incidental removal costs.

All other city departments and private utility companies have reported no objection to the conversion of the public rights-of-way into private easement for utilities. Provisions protecting utility installations are part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

WILLIAM TALLEY

Head Engineer

Honorable City Council:

Re: Proposed Ordinance to Amend Chapter 56, Article III, Division 3, of the 1984 Detroit City Code, Titled "Wastewater Discharge Control."

Pursuant to the applicable provisions of the 1997 Detroit City Charter, the above-referenced proposed ordinance is being submitted to your Honorable Body for consideration and approval. The proposed ordinance was considered and approved by the Detroit Board of Water Commissioners in late February, 2004.

This proposed ordinance amends Chapter 56, Article III, Division 3, by adding, revising, and removing certain specific pollutant prohibitions to bring the Detroit Water and Sewerage Department (DWSD) into compliance with its National Pollutant Discharge Elimination System (NPDES) Permit No. MI0022802 and the new National Categorical Pretreatment Standards adopted by the U.S. Environmental Protection Agency (EPA) since the last revision of the ordinance in 1996. Under the NPDES permit, DWSD was required to conduct a technical evaluation study of its existing limitations in accordance with federal and state regulatory requirements. The proposed changes to the ordinance are a result of this study. The intent of the study is also to protect the operations and workers of the Detroit Wastewater Treatment Plant, the collection system, and ultimately the Detroit River.

The technical evaluation study was conducted using data collected from the Wastewater Treatment Plant, data from the DWSD service area which covers most of Southeastern Michigan, and from Commercial and Industrial users in the service area. The study utilized good engineering practices and applicable Michigan Department of Environmental Quality (MDEQ) criteria. The study calculated the Maximum Allowable Headworks Loadings based upon NPDES permit pass-through, aquatic toxicity pass-through, secondary treatment inhibition, sludge quality for incineration and limitations were then calculated using several accepted methods. The proposed changes in local limitations have been reviewed and approved by the MDEQ.

The proposed ordinance amends Chapter 56, Article III, Division 3, by changing the pollutant limitations for compatible pollutants, specifically BOD and Phosphorous, by changing the pollutant limitations for non-compatible pollutants, specifically Cadmium, Copper, Cyanide, Silver, Zinc, and Total Phenolic Compounds. The proposed ordinance also removes the conditional language for "Total Phenolic Compounds," changes the pollutant limitation for mercury and adds a pollutant limitation for Total PCB as opposed to only a limit on Arochlor 1260.

The proposed ordinance also adds a section which provides the conditions and time frame for the "Compliance Period" for Industrial Users following the effective date of the new ordinance. In addition, the proposed ordinance amends the Sections titled, "Pollution Prevention" and "Enforcement" to clarify conditions and requirements for Industrial Users who must implement pollution prevention initiatives. Finally, Appendix A of Chapter 56, Article III, Division 3, is amended to incorporate by reference the new National Categorical Pretreatment Standards adopted by the U.S. EPA since the last revision to the ordinance in 1996.

The Detroit Water and Sewerage Department respectfully requests that this proposed ordinance be introduced at your next Formal Session and that a Public Hearing be held. We are available to answer any questions that you may have concerning the proposed ordinance.

Thank you for your consideration.

Respectfully submitted,  
VICTOR M. MERCADO

Director

By Council Member Watson:

**AN ORDINANCE to amend Chapter 56, Article III, Division 3, of the 1984 Detroit City Code, 'Wastewater Discharge Control', by amending Section 56-3-58.1 to add definitions for 'Available Cyanide', 'Best Management Practices (BMP)', 'Non-Detect', 'Total PCB', and 'Total Phenolic Compounds'; by amending Section 56-3-59.1(b), titled 'Specific Prohibitions', to change the limits for BOD and Phosphorous; to eliminate the word 'Total' from each of the listed non-compatible pollutants except Total Phenolic Compounds and to place the list in alphabetical order; to change the discharge limits for Cadmium, Copper, Cyanide, Silver, Zinc, and Total Phenolic Compounds; to eliminate the conditional language in Total Phenolic Compounds; to change the limit on Mercury, and relocate the limits on Mercury within the section; to eliminate Arochlor 1260 Polychlorinated Biphenyl (PCB) from the list; to add a discharge limit for Total PCB; and by adding Subsection (3) to the section, titled 'Compliance Period'; by amending Section 56-3-59.1(o), titled 'Pollution Prevention', to clarify the requirements for pollution prevention; by amending Section 56-3-66.1, titled 'Enforcement', by adding Subsection (d) to clarify the conditions under which an industrial user must implement pollution prevention initiatives; by amending Appendix A, to add certain industries and the relevant Code of Federal Regulations (CFR) reference**

to the list, including Centralized Waste Treatment, Landfills, Metal Products and Machinery, Transportation Equipment Cleaning, and Waste Combusters.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 56, Article III, Division 3, of the 1984 Detroit City Code, titled 'Wastewater Discharge Control', be amended by amending Sections 56-3-58.1, 56-3-59.1(b), 56-3-59.1(o), and 56-3-66.1, and Appendix A, to read as follows:

**CHAPTER 56  
UTILITIES**

**ARTICLE III. SEWERS AND DRAINS  
DIVISION 3. WASTEWATER  
DISCHARGE CONTROL**

**Sec. 56-3-58.1. Definitions.**

(a) For the purposes of this division and unless the context specifically indicates otherwise, the following terms and phrases shall have the meanings ascribed to them by this section:

(+) *Act or the act* means the Federal Water Pollution Control Act, also known as the Clean Water Act, as amended, being 33 U.S.C. § 1251 *et seq.*

(+) *Authorized representative of industrial user* means:

(i) Responsible corporate officer, where the industrial user submitting the reports required by this division is a corporation, who is either (a) the president, vice-president, secretary, or treasurer of a corporation in charge of a principal business function, or any other person who performs similar policy or decision-making functions for the corporation; or (b) the manager of one or more manufacturing, production, or operation facilities employing more than two hundred fifty (250) persons or having gross annual sales or expenditures exceeding twenty-five million dollars (\$25,000,000.00) in second-quarter 1980 dollars, when authority to execute documents has been assigned or delegated to said manager in accordance with corporate procedures; or

(ii) A general partner or proprietor where the industrial user submitting the reports required by this division is a partnership or sole proprietorship respectively. (See 56-3-59-1(n).)

Available cyanide means the quantity of cyanide determined by EPA method OIA-1677 that consists of cyanide ion (CN<sup>-</sup>), hydrogen cyanide in water (HCNaq), and the cyano-complexes of zinc, copper, cadmium, mercury and silver.

Best Management Practices (BMP) means programs, practices, procedures or other directed efforts which can or do lead to the reduction, conservation or minimization of pollutants being introduced into the ecosystem including, but are not limited to, equipment or technolo-

gy modifications, process or procedure modifications, reformulation or redesign of products, substitution of raw materials, and improvements in housekeeping, maintenance, training, or inventory control.

(+) *Biochemical oxygen demand (BOD)* means the quality of dissolved oxygen utilized in the biochemical oxidation of organic matter under standard laboratory procedure five (5) days at twenty (20) degrees centigrade expressed in terms of mass and concentration (milligrams per liter (mg/l) as measured by standard methods.

(+) *Board* means the Board of Water Commissioners of the City of Detroit.

(+) *Bypass* means the intentional diversion of a wastestream from any portion of an industrial user's treatment facility. [See 40 C.F.R. § 403.17.]

(+) *Centralized waste treatment (CWT) facility* means any facility that treats any hazardous or nonhazardous industrial waste received from off-site by tanker truck, trailer/roll-off bins, drums, barges, or any other forms of shipment including:

(i) A facility that treats industrial waste received exclusively from off-site; and

(ii) A facility that treats industrial waste generated on-site as well as industrial waste received from off-site.

(+) *City* means the City of Detroit or the Detroit City Council.

(+) *Compatible industrial wastewater* means wastewater that is produced by an industrial user which has a pollutant strength or characteristics similar to those found in domestic wastewater, and which can be efficiently and effectively transported and treated with domestic wastewater.

(+) *Compatible pollutant* means pollutants which can be effectively removed by the POTW to within the acceptable levels for the POTW residuals and the receiving stream.

(+) *Composite sample* means a collection of individual samples which are obtained at regular intervals and collected on a time-proportional or flow-proportional basis over a specified period and which provides a representative sample of the average stream during the sampling period. A minimum of four (4) aliquot per twenty-four (24) hours shall be used where the sample is manually collected. [See 40 C.F.R. § 403, Appendix E.]

(+) *Confidential information* means the information which would divulge information, processes or methods of production entitled to protection as trade secrets of the industrial user. (See Section ~~56-364.1~~ 56-3-64.1.)

(+) *Control authority* means the Detroit Water and Sewerage Department which has been officially designated as such by the State of Michigan under the provisions of 40 C.F.R. § 403.12 [See 40

C.F.R. § 403.12(a).]

~~(13)~~ *Cooling water* means the noncontact water discharged from any use such as air conditioning, cooling or refrigeration, and whose only function is the exchange of heat.

~~(14)~~ *Days* means consecutive calendar days for the purpose of computing a period of time prescribed or allowed by this division.

~~(15)~~ *Department* means the City of Detroit Water and Sewerage Department, and authorized employees of the Department.

~~(16)~~ *Direct discharge* means the discharge of treated or untreated wastewater directly into the waters of the State of Michigan.

~~(17)~~ *Director* means the Director of the Detroit Water and Sewerage Department, or the Director's designee.

~~(18)~~ *Discharger* means a person who, directly or indirectly, contributes, causes, or permits wastewater to be discharged into the POTW.

~~(19)~~ *Domestic sewage* means waste and wastewater from humans or household operations which is discharged to, or otherwise enters, a treatment works.

~~(20)~~ *Environmental Protection Agency or administrator or EPA administrator* means the United States Environmental Protection Agency or, where applicable, the authorized representatives or employees of the EPA.

~~(21)~~ *Facility* means a location which contributes, causes or permits wastewater to be discharged into the POTW including, but not limited to, a place of business, endeavor, arts, trade or commerce, whether public or private, commercial or charitable.

~~(22)~~ *Fats, oils or grease (FOG)* means any hydrocarbons, fatty acids, soaps, fats, waxes, oils, and any other non-volatile material of animal, vegetable or mineral origin that is extractable by solvent in accordance with standard methods.

~~(23)~~ *Flow proportional sample* means a composite sample taken with regard to the flow rate of the wastestream.

~~(24)~~ *Grab sample* means an individual sample collected over a period of time not exceeding fifteen (15) minutes, which reasonably reflects the characteristics of the stream at the time of sample.

~~(25)~~ *Indirect discharge or discharge* means the discharge or the introduction of pollutants into the POTW from any non-domestic source regulated under 33 U.S.C. § 1317(b), (c) or (d).

~~(26)~~ *Industrial user* means a person who contributes, causes or permits wastewater to be discharged into the POTW including, but not limited to, a place of business, endeavors, arts, trade or commerce, whether public or private, commercial or charitable but excludes

single family and multi-family residential dwellings with discharges that are consistent with domestic waste characteristics.

~~(27)~~ *Industrial waste* means any liquid, solid or gaseous waste or form of energy, or combination thereof, resulting from any processes of industry, manufacturing, business, trade or research, including the development, recovery or processing of natural resources.

~~(28)~~ *Interference* means a discharge which, alone or in conjunction with a discharge or discharges from other sources, both:

(i) Inhibits or disrupts the POTW, its treatment processes or operations, or its sludge processes, use or disposal; and

(ii) Therefore is a cause of a violation of any requirement of the POTW's NPDES permit ~~including an increase in the magnitude or duration of a violation~~, or of the prevention of sewage sludge use or disposal in compliance with the following statutory provisions and regulations or permits issued thereunder ~~or more stringent State state or local regulation~~: Section 405 of the Clean Water Act, as amended, being 33 U.S.C. § 1345, the Solid Waste Disposal Act (SWDA), as amended, ~~including the Resource Conservation and Recovery Act (RCRA), and state regulations contained in any State state sludge management plan prepared pursuant to Sludge D of the SWDA~~, the Clean Air Act, the Toxic Substances Control Act, and the Marine Protection, Research and Sanctuaries Act.

~~(29)~~ *May* means permissive.

~~(30)~~ *National categorical pretreatment standard* means any regulation containing pollutant discharge limits promulgated by the EPA in accordance with 33 U.S.C. § 1317 (b) and (c) which applies to a specific class or category of industrial users.

~~(31)~~ *National Pollutant Discharge Elimination System (NPDES) permit* means a permit issued pursuant to 33 U.S.C. § 1342.

~~(32)~~ *New source* means:

(i) Any building, structure, facility or installation from which there is or may be a discharge of pollutants, the construction of which commenced after the publication of proposed pretreatment standards under 33 U.S.C. § 1317(c) which will be applicable to such source if such standards are thereafter promulgated in accordance with that section, provided, that: (a) the building, structure, facility or installation is constructed at a site where no other source is located; or (b) the building, structure, facility or installation totally replaces the process or production equipment that causes the discharge of pollutants at an existing source; or (c) the production or wastewater generating processes of the building, structure, facility or installation are substantially inde-

pendent of an existing source at the same site. In determining whether these are substantially independent, factors such as the extent to which the new facility is integrated with the existing plant, and the extent to which the new facility is engaged in the same general type of activity as the existing source should be considered; or

(ii) Construction on a site where an existing source is located resulting in a modification rather than a new source if the construction does not create a new building, structure, facility or installation meeting the criteria of (i)(b) or (i)(c) of this definition but otherwise alters, replaces, or adds to existing process or production equipment; or

(iii) Construction of a new source has commenced where the owner or operator has: (a) begun, or caused to begin as part of a continuous on site construction program (1) any placement, assembly, or installation of facilities or equipment; or (2) significant site preparation work including clearing, excavation or removal of existing buildings, structures, or facilities that are necessary for the placement, assembly, or installation of new source facilities or equipment; or (b) entered into a binding contractual obligation for the purchase of facilities or equipment which are intended to be used in its operation within a reasonable time. Options to purchase or contracts which can be terminated or modified without substantial loss, and contracts for feasibility, engineering, and design studies do not constitute a contractual obligation under this section.

Non-Detect means the achievable laboratory testing quantification level for ascertaining the amount of a pollutant in a wastestream using analytical methods specified in or approved under 40 CFR § 136, or pursuant to rules adopted by the MDEQ or the EPA.

(33) Pass through means discharge which exists the POTW into waters of the United States in quantities or concentrations, which alone or in conjunction with a discharge or discharges from other sources, is a cause of a violation of any requirement of the POTW's NPDES permit including an increase in the magnitude or duration of a violation.

(34) Person means any individual, partnership, copartnership, firm, company, corporation, association, joint stock company, trust, estate, unit of government, school district, or any other legal entity, or their legal representative, agent or assigns.

(35) pH means the intensity of the acid or base condition of a solution, calculated by taking the negative base-ten logarithm of the hydrogen ion activity. Activity is deemed to be equal to concentration in moles per liter.

(36) Pollutant means any dredged spoil, solid waste, incinerator residue,

sewage garbage, sewage sludge, munitions, chemical wastes, biological materials, radioactive materials, heat, wrecked or discarded equipment, rock, sand, cellar dirt, or industrial, municipal and agricultural waste which is discharged into water.

(37) Pollution means the introduction of any pollutant that, alone or in combination with any other substance, can or does result in the degradation or impairment of the chemical, physical, biological or radiological integrity of water.

(38) Pretreatment means the reduction of the amount of pollutants, the removal of pollutants, or the alteration of the nature of pollutant properties in wastewater to a less harmful state prior to or in lieu of discharge or otherwise introducing such pollutants into the POTW. The reduction, removal or alteration may be attained by physical, chemical or biological processes, or process changes by other means, except as prohibited by federal, state or local law, rules and regulations.

(39) Pretreatment requirements means any substantive or procedural requirements related to pretreatment, other than a national pretreatment standard imposed on an industrial user. (See 40 C.F.R. § 403.3(r).)

(40) Pretreatment standards means all National Categorical Pretreatment Standards, the general prohibitions specified in 40 C.F.R. § 403.5(a), the specific prohibitions delineated in 40 C.F.R. § 403.5(b), and the local or specific limits developed pursuant to 40 C.F.R. § 403.5(c), including the discharge prohibitions specified in Section 56-3-59.1 of this Code.

(41) Public sewer means a sewer of any type controlled by a governmental entity.

(42) Publicly owned treatment works (POTW) means a treatment works as defined by 33 U.S.C. § 1292(2)(A) which is owned by a state or municipality, as defined in 33 U.S.C. § 1362, including:

(i) Any devices and systems used in the storage, treatment, recycling, or reclamation of municipal sewage or industrial wastes of a liquid nature; or

(ii) Sewers, pipes and other conveyances only if they convey wastewater to a POTW treatment plant; or

(iii) The municipality, as defined in 33 U.S.C. § 1362, which has jurisdiction over the indirect discharges to and the discharges from such a treatment works.

(43) POTW treatment plant means that portion of the POTW designed to provide treatment to wastewater, including recycling and reclamation of wastewater.

(44) Representative sample means any sample of wastewater, which accurately and precisely represents the actual quality, character, and condition of one (1) or more pollutants in the wastestream being sampled. Representative samples

shall be collected and analyzed in accordance with 40 C.F.R. Part 136.

~~(45)~~ *Sanitary wastewater* means the portion of wastewater that is not attributable to industrial activities and is similar to discharges from domestic sources including, but not limited to, discharges from sanitary facilities and discharges incident to the preparation of food for on-site non-commercial consumption.

~~(46)~~ *Shall* means mandatory.

~~(47)~~ *Significant noncompliance* means any violation which meets one (1) or more of the following criteria:

(i) Chronic violations of wastewater discharge limits, defined as those in which sixty-six (66) percent or more of all of the measurements taken during a six-month period exceed by any magnitude the daily maximum limit or the average limit for the same parameter;

(ii) Technical review criteria (TRC) violations, defined as those in which thirty-three (33) percent or more of all of the measurements for each pollutant parameter taken during a six-month period equal to or exceed the product of the daily maximum limit or the average limit multiplied by the applicable TRC (TRC = 1.4 for BOD, TSS, fats, oil, and grease, and 1.2 for all other pollutants except PH);

(iii) Any other violation of a pretreatment effluent limit (daily maximum or longer term average) that the Department determines has caused, alone or in combination with other discharges, interference or pass through including endangering the health of POTW personnel or the general public;

(iv) Any discharge of a pollutant that has caused imminent endangerment to human health or welfare, or to the environment, or has resulted in the POTW's exercise of its emergency authority;

(v) Failure to meet a compliance schedule milestone contained in a local control mechanism, or enforcement order for starting construction, completing construction, or attaining final compliance within ninety (90) days after the scheduled date;

(vi) Failure to provide required reports such as baseline monitoring reports, ninety-day compliance reports, periodic self-monitoring reports, and reports on compliance with compliance schedules within thirty (30) days after the due date;

(vii) Failure to accurately report non-compliance; or

(viii) Any other violation or group of violations which the Department determines will adversely affect the operation or implementation of the local pretreatment program.

~~(48)~~ *Significant industrial users* means any user of the POTW ~~who~~ which:

(i) Has an average discharge flow of 25,000 gallons per day or more of process wastewater excluding sanitary,

boiler blowdown, and noncontact cooling water; or

(ii) Has discharges subject to the national categorical pretreatment standards; or

(iii) Requires pretreatment to comply with the specific pollutant limitations of this division; or

(iv) Has in its discharge toxic pollutants as defined pursuant to 33 U.S.C. § 1317, or other applicable federal and state laws or regulations, that are in concentrations and volumes which are subject to regulation under this division as determined by the Department; or

(v) Is required to obtain a permit for the treatment, storage or disposal of hazardous waste pursuant to regulations adopted by this state or adopted under the Federal Solid Waste Disposal Act, as amended by the Federal Resource Conservation and Recovery Act, as amended, and may or does contribute or allow waste or wastewater into the POTW including, but not limited to, leachate or runoff; or

(vi) Is found by the City of Detroit to have a reasonable potential for adverse effect, either singly or in combination with other contributing industries, on the POTW operation, the quality of sludge, the POTW's effluent quality, or air emission generated by the POTW.

~~(49)~~ *Slug* means any discharge of a non-routine episodic nature including, but not limited to, an accidental spill or a non-customary batch discharge.

~~(50)~~ *Standard industrial classification (SIC)* means a classification pursuant to the Standard Industrial Classification Manual issued by the Executive Office of the President, Office of Management and Budget, 1987, as amended.

~~(51)~~ *Standard methods* mean methods set forth in 40 C.F.R. Part 136, "Guidelines for Establishing Test Procedures for Analysis of Pollutants" or the laboratory procedures set forth in the latest edition, at the time of analysis, of "Standard Methods for the Examination of Water and Wastewater" prepared and published jointly by the American Public Health Association, the American Water Works Association, and the Water Pollution Control Federation, or methods set forth in 40 C.F.R. 136, "Guidelines for Establishing Test Procedures for Analysis of Pollutants." Where these two (2) references are in disagreement regarding procedures for the analysis of a specific pollutant, the methods given in 40 C.F.R. Part 136 shall be followed.

~~(52)~~ *State* means the State of Michigan.

~~(53)~~ *Storm water* means any flow occurring during or following any form of natural precipitation and resulting therefrom.

~~(54)~~ *Suspended solids (total)* mean

the total suspended matter which floats on the surface of, or is suspended in, water, wastewater or other liquids, and is removable by laboratory filtration or as measured by standard methods.

Total PCB means the sum of the individual analytical results for each of the PCB aroclors 1016, 1221, 1232, 1242, 1248, 1254, and 1260 during any single sampling event with any aroclor result less than the quantification level being treated as zero.

Total Phenolic Compounds means the sum of the individual analytical results for each of the phenolic compounds of 2-chlorophenol, 4-chlorophenol, 4-chloro-3-methylphenol, 2,4-dichlorophenol, 2,4-dinitrophenol, 4-methylphenol, 4-nitrophenol, and phenol during any single sampling event expressed in MG/L.

~~(65)~~ Toxic Pollutant means any pollutant or combination of pollutants designated as toxic in regulations promulgated by the Administrator of the U.S. Environmental Protection Agency under the provisions of the Clean Water Act, being 33 U.S.C. § 1317, or included in the Critical Materials Register promulgated by the Michigan Department of Environmental Quality (MDEQ), or by other federal or state laws, rules or regulations.

~~(66)~~ Trade secret means the whole, or any portion of phase, of any proprietary manufacturing process or method, not patented, which is secret, is useful in compounding an article of trade having a commercial value, and whose secrecy the owner has taken reasonable measures to prevent from becoming available to persons other than those selected by the owner to have access for limited purposes but excludes any information regarding the quantum or character of waste products or their constituents discharged or sought to be discharged into the Detroit Wastewater Treatment Plant, or into the wastewater system tributary thereto.

~~(67)~~ Upset means an exceptional incident in which there is unintentional and temporary noncompliance with limits imposed under this division or with national categorical pretreatment standards due to factors beyond the reasonable control of the industrial user but excludes non-compliance to the extent caused by operational error, improperly designed treatment facilities, inadequate treatment facilities, lack of preventative maintenance, or careless or improper operations.

~~(68)~~ User means any person who, directly or indirectly, contributes, causes or permits the discharge of wastewater into the POTW as defined herein.

~~(69)~~ Wastewater or wastestream means the liquid and water-carried industrial or domestic wastes of dwellings, commercial buildings, industrial facilities, and institutions, whether treated or untreated, which are contributed to or per-

mitted to enter the POTW including infiltration and inflow water, storm water and cooling water.

~~(60)~~ Wastewater discharge permits mean permits issued by the Department in accordance with Section 56-3-61.1 of this Code.

~~(64)~~ Waters of the state mean ground-water, lakes, rivers, streams, all other watercourses and waters within the confines of this state as well as bordering this state in the form of the Great Lakes.

(b) For purposes of this division, the following acronyms shall have the meanings designated by this section:

~~(4)~~ BMR — Baseline monitoring report  
~~(2)~~ BOD — Biochemical Oxygen Demand

~~(3)~~ C.F.R. — Code of Federal Regulations

~~(4)~~ EPA — Environmental Protection Agency

~~(5)~~ FOG — Fats, Oil or Grease

~~(6)~~ l — liter

MDEQ — Michigan Department of Environmental Quality

~~(7)~~ mg — milligrams

~~(8)~~ mg/l — milligrams per liter

~~(9)~~ NPDES — National Pollutant Discharge Elimination System

~~(10)~~ POTW — Publicly Owned Treatment Works

~~(11)~~ RCRA — Resource Conservation and Recovery Act, being 42 U.S.C. § 6901 *et seq.*

~~(12)~~ SIC — Standard Industrial Classification

~~(13)~~ SWDA — Solid Waste Disposal Act, being 42 U.S.C. § 6901 *et seq.*

~~(14)~~ TSS — Total suspended solids

~~(15)~~ U.S.C. — United States Code

#### **Sec. 56-3-59.1. Discharge prohibitions.**

(a) General pollutant prohibitions. No user shall discharge or cause to be discharged into the POTW, directly or indirectly, any pollutant or wastewater which will cause interference or pass through. These general discharge prohibitions shall apply to all users of the POTW whether or not the user is subject to national categorical pretreatment standards or to any other federal, state, or local pretreatment standards or requirements. In addition, it shall be unlawful for a user to discharge into the POTW:

(1) Any liquid, solid or gas, which by reason of its nature or quantity, is sufficient either alone or by interaction with other substances to create a fire or explosion hazard or to be injurious in any other way to persons, to the POTW, or to the operations of the POTW. Pollutants, which create a fire or explosion hazard in a POTW, include, but are not limited to, wastestreams with a closed cup flash point of less than 140°F or 60°C using the test methods specified in 40 C.F.R. § 261.21; or

(2) Any solid or viscous substance in concentrations or quantities, which are sufficient to cause obstruction to the flow in a sewer or other encumbrances to the operation of the POTW, including, but not limited to, grease, animal guts or tissues, bones, hair, hides or fleshing, entrails, whole blood, feathers, ashes, cinders, sand, cement, spent lime, stone or marble dust, metal, glass, straw, shavings, grass clippings, rags, strings, fibers, spent grains, spent hops, wastepaper, wood, plastics, tar, asphalt residues, residues from refining or processing of fuel or lubricating oil, mud or glass grinding or polishing wastes, or tumbling and deburring stones; or

(3) Any wastewater having a pH of less than 5.0 units or greater than 11.5 units; or

(4) Any wastewater containing petroleum oil, non-biodegradable cutting oil, products of mineral oil origin, or toxic pollutants in sufficient concentration or quantity either singly or by interaction with other pollutants to cause interference, or pass through, or constitute a hazard to humans or animals; or

(5) Any liquid, gas, solid or form of energy, which either singly or by interaction with other waste is sufficient to create toxic gas, vapor, or fume within the POTW in quantities that may cause acute worker health and safety problems, or may cause a public nuisance or hazard to life, or are sufficient to prevent entry into the sewers for their maintenance and repair; or

(6) Any substance which is sufficient to cause the POTW's effluent or any other product of the POTW, such as residue, sludge, or scum to be unsuitable for reclamation processing where the POTW is pursuing a reuse and reclamation program. In no case shall a substance discharged into the POTW cause the POTW to be in noncompliance with sludge use or disposal criteria guidelines or regulations developed under 33 U.S.C. § 1345, with any criteria, guidelines, or developed and promulgated regulations affecting sludge use or disposal developed pursuant to the Solid Waste Disposal Act, the Federal Clean Air Act, the Federal Toxic Substances Control Act, or with ~~State~~ state criteria applicable to the sludge management method being used; or

(7) Any substance which will cause the POTW to violate either the Consent Judgment in *U.S. EPA v. City of Detroit, et al.*, Federal District Court for the Eastern District of Michigan Case No. 77-1100, or the City's National Pollutant Discharge Elimination System permit; or

(8) Any discharge having a color uncharacteristic of the wastewater being discharged; or

(9) Any wastewater having a temperature which will inhibit biological activity in

the POTW treatment plant resulting in interference, but in no case wastewater with a temperature at the introduction into a public sewer which exceeds 150°F or which will cause the influent at the wastewater treatment plant to rise above 104°F (40°C); or

(10) Any pollutant discharge which constitutes a slug; or

(11) Any wastewater containing any radioactive wastes or isotopes of such half-life or concentration as may exceed limits established in compliance with applicable federal or ~~State~~ state regulations; or

(12) Any floating fats, oil or grease which are sufficient to cause interference with or pass through the POTW; or

(13) Any solid materials having a specific gravity greater than 1.2 or a cross section dimension of one-half (1/2) inch or greater which are sufficient to cause interference with the POTW.

(b) *Specific pollutant prohibitions.* No user shall discharge wastewater containing any of the following pollutants in excess of the following limitations:

(1) Compatible pollutants:

a. Any fats, oil or grease (FOG) in concentrations greater than ~~2000~~ 750 mg/l based on the average of all samples collected within a twenty-four (24) hours period.

b. Any total suspended solids (TSS) in concentrations greater than ~~10,000~~ 2,290 mg/l.

c. Any biochemical oxygen demand (BOD) in concentrations greater than ~~10,000~~ 1,200 mg/l.

d. Any phosphorus in concentrations greater than ~~500~~ 16 mg/l.

Unless otherwise stated, all limitations are based upon samples collected over an operating period representative of a ~~User's~~ user's discharge, and in accordance with 40 C.F.R. Part 136.

(2) Non-compatible pollutants. No user shall discharge wastewater containing in excess of:

	mg/l

All limitations are based on samples collected over an operating period representative of an industrial user's discharge, and in accordance with 40 C.F.R. Part 136.

a. ~~The limitation for Total PCB is Non-detect. Total PCB shall not be discharged at detectable levels, based upon U.S. EPA Method 608, and the quantification level shall not exceed 0.2 MG/L, unless a higher level is appropriate because of demonstrated sample matrix interference. Where one (1) or more samples indicate detectable levels of Total PCB, the user shall be required levels of Total PCB, the user shall be required to comply with 56-3-66.1(d).~~

b. ~~The limitation for Mercury (Hg) is Non-detect. Mercury (Hg) shall not be discharged at detectable levels, based upon U.S. EPA Method 245.1, and the quantification level shall not exceed 0.2 UG/L, unless a higher level is appropriate because of demonstrated sample matrix interference. Where one (1) or more samples indicate detectable levels of Mercury, the user shall be required to comply with 56-3-66.1(F)(1)(d).~~

~~All limitations are based on samples collected over an operating period representative of an industrial user's discharge, and in accordance with 40 C.F.R. Part 136.~~

~~(3) Compliance Period. Within thirty (30) days of the effective date of this ordinance, the Department shall notify all industrial user's operating under an effective wastewater discharge permit of the requirement to submit a compliance report within one hundred eighty (180) days of the effective date of this ordinance. The Compliance Report shall demonstrate the user's compliance or non-compliance with these limitations, and, in the event of non-compliance, include the submission of a plan and schedule for achieving compliance with the stated limitation. In no event shall a compliance schedule exceed one hundred eighty (180) days.~~

~~All Administrative Orders issued by the Department, or subsequent orders issued to achieve industrial user compliance with this provision, shall not be subject to review and appeal under Section 56-3-67.1 of this Code where the order relates to a second extension. The authority granted under this subsection shall expire within one (1) year of the effective date of this ordinance.~~

~~(c) National Categorical Pretreatment Standards. All users shall comply with the applicable National Categorical Pretreatment Standards and requirements promulgated pursuant to the act as set forth in 40 C.F.R. Subchapter N, Effluent~~

Guidelines and Standards, which are hereby incorporated by reference and with all other applicable standards and requirements, provided, ~~however~~, that where a more stringent standard or requirement is applicable pursuant to state law or regulation, or to this division, then the more stringent standard or requirement shall be controlling. Affected dischargers shall comply with applicable reporting requirements under 40 C.F.R. Part 403 and as established by the Department. The National Categorical Pretreatment Standards which have been promulgated as of the effective date of this section are delineated in Appendix A.

(1) *Intake water adjustment.* Industrial users seeking adjustment of National Categorical Pretreatment Standards to reflect the presence of pollutants in their intake water must comply with the requirements of 40 C.F.R. § 403.15. Upon notification of approval by the Department, the adjustment shall be applied by modifying the permit accordingly. Intake water adjustments are not effective until incorporated into an industrial user's permit.

(2) *Modification of national categorical pretreatment standards.* The Department may apply to the U.S. Environmental Protection Agency, or to the Michigan Department of Environmental Quality, whichever is appropriate, for authorization to grant removal credits in accordance with the requirements and procedures in 40 C.F.R. § 403.7. Such authorization may be granted only when the POTW treatment plant can achieve consistent removal for each pollutant for which a removal credit is being sought, provided, that any limitation of such pollutant(s) in the NPDES permit neither are being exceeded nor pose the prospect of being exceeded as a result of the removal credit being granted. Where such authorization is given to the Department, any industrial user desiring to obtain such credit shall make an application to the Department, consistent with the provisions of 40 C.F.R. § 403.7 and of this division. Any credits which may be granted under this section may be subject to modification or revocation as specified in 40 C.F.R. § 403.7, or as determined by the Department. A requisite to the granting of any removal credit may be that the industrial user pay a surcharge based upon the amounts of such pollutants removed by the POTW, such surcharge being based upon fees or rates which the Board may establish and, when appropriate, revise from time to time. Permits shall reflect, or be modified to reflect, any credit granted pursuant to this section.

(3) *New sources.* Industrial users who meet the new sources criteria shall install, maintain in operating condition, and 'start-up' all pollution control equipment

required to meet applicable pretreatment standards before beginning to discharge. Within the shortest feasible time and not to exceed ninety (90) days, new sources must meet all applicable pretreatment standards.

(4) *Concentration and mass limits.* When limits in a categorical pretreatment standard are expressed only in terms of mass of pollutants per unit of production, the department may convert the limits to equivalent limitations expressed either as mass of pollutant discharged per day or effluent concentration for purposes of calculating effluent limitations applicable to individual industrial users. Equivalent limitations shall be calculated in accordance with Sections 40 C.F.R. § 403.6(c)(3) and/or 40 C.F.R. § 6(c)(4) and shall be deemed pretreatment standards for the purposes of 33 U.S.C. § 1317(d) and of this division. Industrial users will be required to comply with the equivalent limitations in lieu of the promulgated categorical standards from which the equivalent limitations were derived.

(5) *Reporting requirements for industrial users upon effective date of categorical pretreatment standards-baseline report.* Within one hundred eighty (180) days after the effective date of a categorical pretreatment standard, or one hundred eighty (180) days after the final administrative decision made upon a category determination submission under Section 40 C.F.R. § 403.6(a)(4), whichever is later, existing industrial users subject to such categorical pretreatment standards and currently discharging into or scheduled to discharge into the Detroit POTW shall submit to the Department a report containing the information listed in 40 C.F.R. § 403.12(b)(1-7). Where reports containing this information have already been submitted to the director or regional administrator in compliance with the requirement of 40 C.F.R. § 128.140(b), the industrial user will not be required to resubmit this information. At least ninety (90) days before commencement of any discharge, each new source and any existing sources that become industrial users after the promulgation of an applicable categorical pretreatment standard shall submit to the Department a report which contains the information listed in 40 C.F.R. § 403.12(b)(1-5). In such report, new sources shall include information concerning the method of pretreatment that the source intends to use to meet applicable pretreatment standards. New sources shall provide estimates of the information requested in 40 C.F.R. § 403.12(b)(4) and (5).

(d) *Dilution prohibited.* Except where expressly authorized to do so by an applicable pretreatment standard or requirement, no user shall increase the use of process water, or in any way dilute

or attempt to dilute a discharge as a partial or complete substitute for adequate treatment to achieve compliance with the limitations contained in the national categorical pretreatment standards, or in any other pollutant specific limitation or requirement imposed by the City of Detroit or by the State of Michigan.

(e) *Hauled in wastewater.* Any waste material or wastewater which is hauled into or within the service region for discharge to the POTW, is subject to the requirements of this division including, but not limited to, permits, inspection, monitoring and enforcement. Unloading liquid or solid waste from hauling vehicles, directly or indirectly, into the POTW, with or without the benefit of pretreatment, is prohibited unless the person proposing to unload such waste has applied for and received a permit from the Department for unloading such waste in accordance with the Board's rules pertaining thereto. The discharger shall be subject to applicable terms and conditions, surcharges, fees or rates as established by the Board. Hauled in wastewater shall only be discharged at points designated by the POTW after authorization or approval issued pursuant to the general permit requirements specified in Section 53-3-61.1 of the Code. The Department may establish specific limitations for sludge from municipally owned or operated POTW treatment plants which are different than the specific limitations in this division.

(f) *Centralized waste treatment.* It is unlawful for a centralized waste treatment (CWT) facility to discharge any industrial waste or wastewater into the POTW without wastewater discharge permit from the department. Any authorization granted, or permit issued, by the department to a centralized waste treatment (CWT) facility shall specify the type of wastewater for which treatment is provided, and discharge approval is sought, from the POTW. Unless such industrial waste or wastewater is determined by the Department to require further authorization, a Centralized Waste Treatment (CWT) facility that has submitted an application to, and received previous approval from, the Department to discharge wastewater is not required to obtain further authorization from the department before discharging such wastewater.

An industrial user, that provides centralized waste treatment services and files an application for the treatment and discharge of such types of wastewater to the POTW, shall provide the following minimum information in support thereof:

(1) The general nature, source and processes generating the type of wastewater. Any wastewater, which is generated from those processes and is subject to National Categorical Pretreatment Standards as delineated in Appendix A,

shall be so designated;

(2) The identity of the toxic pollutants known or suspected to be present in the wastewater;

(3) At least one (1) sample report showing the results of an analysis for the EPA priority pollutants for each type of wastewater for which application is made in Subsection (f)(1) of this section;

(4) A statement, that is certified by a professional engineer, which addresses the treatability and compatibility of the wastewater, received or collected by the facility's treatment processes;

(5) The identity of the materials and/or pollutants whose transport or treatment are regulated by the EPA, by the state, or by any other governmental agency. Upon request, the centralized waste treatment (CWT) facility shall provide a copy of its permit and/or license to the Department; and

(6) Other information requested by the Department including, but not limited to, information required by Section 56-3-61.1(c)(1) through (18) of this Code, or the rules adopted by the Board.

The discharge from a Centralized Waste Treatment (CWT) facility will be deemed approved for those specific types of wastewater delineated in a permit and, upon issuance of such permit in accordance with the procedures contained in Section 56-3-61.1 of this Code, will be deemed approved for discharge into the POTW. The Centralized Waste Treatment (CWT) facility shall comply with all applicable provisions contained in Section 56-3-61.1 of this Code regarding permits. In furtherance of its obligations as control authority, the Department may include in the permit a requirement to report at selected intervals the information mandated in Subsections (1) through (6) of this section.

All users granted a permit under this section shall maintain records which, at a minimum, identify the source, volume, character, and constituents of the wastewater accepted for treatment and disposal. These records may be reviewed at any time by the Department.

(g) *Ground water discharges.* Unless authorization has been granted by the Department, the discharge of any groundwater into the POTW is prohibited. The Department may authorize the discharge of groundwater resulting from maintenance and related activities of gas, steam, or electrical utilities through the use of general permits. Subject to appropriate reporting requirements, the general permit shall authorize discharge in accordance with the terms of the permit. Utilities shall comply with this provision within one hundred eighty (180) days after its enactment.

If a person, who proposes to discharge groundwater resulting from purge,

response activity, or UST projects, has applied for and received a permit from the Department, the Department may authorize the discharge of such wastewater. Permits shall be issued in accordance with the procedures contained in Section 56-3-61.1 of this Code, or in accordance with any rules adopted by the Board.

(h) *City's right of revision.* The City of Detroit reserves the right to establish rules or regulations adopted by the Board, additional or more stringent limitations or requirements on discharges to the POTW. These rules and regulations shall be adopted in accordance with the rule-making procedures in Section 2-111 of the 1997 Detroit City Charter. Ninety (90) days after adoption by the Board, industrial users shall comply with such rules and regulations.

(i) *Accidental discharges.*

(1) Each industrial user, which does not currently have an approved spill prevention plan or slug control plan, shall provide protection from accidental discharge of prohibited materials or other substances regulated by this division, and all significant industrial users shall submit to the Department detailed plans materials or other substances regulated by this division, and all significant industrial users shall submit to the Department detailed plans which show facilities and operating procedures to be implemented to provide protection against such accidental discharges. Facilities and measures to prevent and abate accidental discharges shall be implemented, provided, and maintained at the owner's or industrial user's cost or expense. Unless the significant industrial user has an approved spill prevention or slug control plan, all existing significant industrial users shall complete and submit such a plan within sixty (60) days of the effective date of this division [November 19, 1986]. New significant industrial users shall submit such a plan prior to the time they commence discharging.

For purposes of this section, the information provided shall include the approximate average and maximum quantities of such prohibited materials or substances kept on the premises in the form of raw materials, chemicals and/or waste therefrom and the containment capacity for each. Only substances that are in a form which could readily be carried into the POTW and constitute a concentration of five (5) percent or greater in the raw material, chemical solution or waste material, are required to be reported. Volumes of less than fifty-five (55) gallons, or the equivalent thereof, need not be reported unless lesser quantities could cause pass through or cause interference with the POTW.

The industrial user shall promptly notify the Department of any significant

changes or modifications to the plan including, but not limited to, a change in the contact person, or substance inventory.

(2) At least once every two (2) years, the Department shall evaluate whether a significant industrial user needs a plan to control slug discharges, as defined by 40 C.F.R. § 403.8(f)(2)(v). Unless otherwise provided, all significant users shall complete, implement, and submit such a plan within thirty (30) days of notification by the Department.

(j) *Notification requirements.* Unless a different notice is provided by this division or applicable law, within one (1) hour of becoming aware of a discharge into the POTW which exceeds or does not conform with federal, state, or City of Detroit laws, rules, regulations or permit requirements, or which could cause problems to the POTW, or which has the potential to cause the industrial user to implement its plan prepared in accordance with Subsection (i) of this section, the industrial user shall telephone the Department at its control center and notify the Department of the discharge. The notification shall include the name of the caller, the location and time of discharge, the type of wastewater, the estimated concentration of excessive or prohibited pollutants and estimated volume, and the measures taken, or being taken, to abate the discharge into the POTW. Within five (5) calendar days after the discharge, the industrial user shall submit a detailed written report describing the cause of the discharge and the measures to be taken by the user to prevent similar future occurrences and, when required by the Department, the industrial user's wastewater discharge permit may be modified to include additional measures to prevent such future occurrences. Such notification shall not relieve the industrial user of any expense, cost of treatment, loss damages or other liability which may be incurred as a result of damage to the POTW, fish kills, or any other environmental impairment or any other damage to persons or property.

(k) *Notice to employees.* A notice shall be permanently posted on the industrial user's bulletin board, or other prominent place, advising employees whom to contact in the Department in the event of an actual or excessive or prohibited discharge.

(l) *Recovery of costs.* Any user discharging in violation of any of the provisions of this division, which produces a deposit or obstruction or causes damages to or impairs the Department's POTW, or causes the department to violate its NPDES permit, shall be liable to the Department for any expense, loss, damage, penalty or fine incurred by the Department because of said violation or discharge. Prior to assessing such costs,

the Department shall notify the user of its determination that the user's discharge was the proximate cause of such damage, obstruction, impairment, or violation of the City's NPDES permit and the Department's intent to assess such costs to the user. Any such notice shall include written documentation which substantiates the determination of proximate cause and a breakdown of cost estimates. Failure to pay the assessed costs shall constitute a violation of this division. Such charge shall be in addition to, and not in lieu of, any penalties or remedies provided under this division, or this Code, or other statutes and regulations, or at law or in equity.

(m) *Hazardous waste notification.* All industrial users, who discharge into the Detroit Collection System, shall notify the Department in writing of any discharge of a substance which, if otherwise disposed of, would be a hazardous waste as set forth in 40 C.F.R. Part 261. Such notification must comply with the requirements of 40 C.F.R. § 403.12(p).

(n) *Authorized representative.* The authorized representative, as defined in Section 56-3-58.1(a)(2) of this Code, may designate a duly authorized representative of the industrial user designated in Section 56-3-58.1(a)(2)(i) or (ii) where:

(1) The authorization is made in writing by the individual defined in Section 56-3-58.1(a)(2)(i) or (ii);

(2) The authorization specifies either an individual or a position having responsibility for the overall operation of the facility where the industrial discharge originates, such as the position of plant manager, operator of a well or well field superintendent, or a position of equivalent responsibility, or having overall responsibility for environmental matters of the company; and

(1) The written authorization is submitted to the Department.

(o) *Pollution prevention.* The Department shall encourage and support industrial users to develop and implement pollution prevention programs ~~which that are designed to~~ eliminate or reduce pollutant contributions beyond the levels required by this division. The Department may require an industrial user to implement pollution prevention initiatives, or BMP, as part of an enforcement response, or as necessary to comply with its NPDES permit.

#### **Sec. 56-3-66.1. Enforcement.**

(a) *Violations.* It shall be a violation of this division for any user to:

(1) Fail to completely and/or accurately report the wastewater constituents and/or characteristics of the industrial user's discharge;

(2) Fail to report significant changes in the industrial user's operations or wastewater constituents and/or characteristics

within the time frames provided in Section 56-3-61.1(g)(1) of this Code;

(3) Refuse reasonable access to the industrial user's ~~premises~~ premises, waste discharge, or sample location for the purpose of inspection or monitoring;

(4) Restrict, lockout or prevent, directly or indirectly, access to any monitoring facilities constructed on public or private property. The locking or securing of the monitoring facility shall not constitute a violation pursuant to this subsection, provided, that upon request reasonable access to the facility is promptly provided to the Department;

(5) Restrict, interfere, tamper with, or render inaccurate any of the Department's monitoring devices including, but not limited to, samplers;

(6) Fail to comply with any condition or requirement of the industrial user's wastewater discharge permit;

(7) Fail to comply with any limitation, prohibition, or requirement of this division including any rule, regulation, or order issued hereunder. Industrial users acting in full compliance with wastewater discharge permits issued prior to the effective date of this division shall be deemed to be in compliance with the requirements of this division, and such permits shall remain in effect and be enforceable under this division until a superseding permit is effective. Industrial users shall comply with applicable National Categorical Pretreatment Standards and requirements on the date specified in the Federal Regulations regardless of compliance schedules.

(b) *Upsets*. An upset shall constitute an affirmative defense to an action brought for noncompliance with National Categorical Pretreatment Standards where the requirements of Subsection (1) of this section are met.

(1) An industrial user who wishes to establish the affirmative defense shall demonstrate, through properly signed, contemporaneous operating logs, or other relevant evidence, that:

a. An upset occurred and the industrial user can identify the cause(s) of the upset;

b. At the time, the facility was being operated in a prudent and workmanlike manner and in compliance with applicable operation and maintenance procedures;

c. The industrial user has submitted the following information to the Department, orally or in writing, within twenty-four (24) hours of becoming aware of the upset and, where this information is provided orally, a written submission must be provided within five (5) days:

(i) A description of the discharge and cause of noncompliance;

(ii) The period of noncompliance including exact dates and times or, if not corrected, the anticipated time the non-

compliance is expected to continue; and

(iii) Steps being taken and/or planned to reduce, eliminate and prevent recurrence of the noncompliance.

(2) In any enforcement proceeding, the industrial user seeking to establish the occurrence of an upset shall have the burden of proof;

(3) The industrial user shall control production of all discharges to the extent necessary to maintain compliance with this division upon reduction, loss, or failure of its treatment facility until the facility is restored or an alternative method of treatment is provided. This requirement applies in the situation where, among other things, the primary source of power of the treatment facility is reduced, lost or fails.

(c) *Bypass*. Bypasses are prohibited unless the bypass does not cause a violation of pretreatment standards or requirements, but only if it is for essential maintenance to ensure efficient operation of the treatment system. These bypasses are not subject to the provisions of Subsections (1) and (2) of this section.

(1) Notice of anticipated bypass. Industrial users anticipating a bypass shall submit notice to the Department at least ten (10) days in advance.

(2) Notice of unanticipated bypass. An industrial user shall submit oral notice of an unanticipated bypass that exceeds applicable pretreatment standards within twenty-four (24) hours from the time the industrial user becomes, or should have become, aware of the bypass. A written submission shall be provided within five (5) days of the time the industrial user becomes, or should have become, aware of the bypass. The written submission shall contain a description of the bypass including exact dates and times, and, if the bypass has not been corrected, the anticipated time it is expected to continue, and the steps taken or planned to reduce, eliminate and prevent reoccurrence of the bypass.

(3) Prohibition of bypass and enforcement. Bypass is prohibited, and the Department may take enforcement action against a user for a bypass, unless:

a. The bypass was unavoidable to prevent loss of life, personal injury, or severe property damage.

b. There were no feasible alternatives to the bypass, such as the use of auxiliary treatment facilities, retention of untreated waste, or maintenance during normal periods of equipment downtime. This condition is not satisfied if adequate backup equipment should have been installed in the exercise of reasonable engineering judgment to prevent a bypass which occurred during normal periods of equipment downtime or preventative maintenance; and

c. The industrial user properly notified

the Department as described in Subsection (c)(2) of this section.

(4) Bypass approval. Where it meets all conditions in Subsection (c)(3) of this section, the Department may approve an anticipated bypass.

(d) Where one (1) or more of all of the measurements taken for any pollutant defined in Section 56-3-59.1(b) of this Code during a six (6) month period exceed by any magnitude the daily maximum non-detect limit for the same parameter, the industrial use is required to implement pollution prevention initiatives, or BMP, as part of an enforcement response. Upon approval of the Department, these pollution prevention initiatives, or BMP, shall be made an enforceable part of the wastewater discharge permit. The pollution prevention initiatives, or BMP, shall be subject to the administrative requirements defined by the Board rules. Industrial users shall provide analytical results and a certification or implementation of the approved pollution prevention initiatives, or BMP, at six (6) month intervals. Upon demonstration of compliance, the industrial user may request to be relieved of this implementation requirement.

(d)(e) Emergency suspensions and orders. The Department may order suspension of the sewer or wastewater treatment service and/or a wastewater discharge permit where, in the opinion of the Department, such suspension is necessary to stop any actual or threatened discharge which presents or may present an imminent or significant hazard to the health or welfare of persons or to the environment, interferes or may interfere with the POTW, or causes or may cause the City of Detroit to violate any condition of its NPDES permit. Any person notified of a suspension of the sewer or wastewater treatment service and/or the wastewater discharge permit shall immediately stop or eliminate the contribution. In the event the Department provides informal notification under this section, written confirmation and an order shall be provided within twenty-four (24) hours. In the event of a failure of the person to comply voluntarily with any suspension or revocation order, the Department shall take such steps as deemed necessary, including immediate severance of the sewer connection or services, to prevent or minimize damage to the POTW system or danger to any individual or the environment. In the event such steps are taken, the Director shall notify the industrial user within twenty-four (24) hours in writing of such action and order, and the specific recourse available. In any event, the Department shall provide the industrial user with an opportunity for a hearing before the Director, or his or her designated representative, within ten (10) days of such action. The

industrial user shall submit a detailed written statement to the Department within fifteen (15) days of the occurrence describing the causes of the harmful contribution and the measures taken to prevent any future occurrence. Upon proof of elimination of the noncomplying discharge the Department shall reinstate the wastewater discharge permit and/or the sewer or wastewater treatment service.

(e)(f) Notice of violation. Except in the case of an actual or threatened discharge as specified in Subsection (d) of this section, whenever the Department has reason to believe that any industrial user has violated or is violating this division, the Department shall serve a written notice stating the nature of the violation upon such industrial user. Where applicable, the Department shall pursue appropriate escalating enforcement action as defined within its approved enforcement response plan. The failure of the Department to issue a notice of violation shall not preclude the Department from escalating its enforcement response.

(f)(g) Administrative actions. Whenever the Department has reasonable grounds to believe that a user is violating, or has violated, a provision of its wastewater discharge permit, or a pretreatment standard or requirement or any prohibition of this division, the Department, ~~except in the case of emergency or flagrant violation,~~ may initiate appropriate administrative enforcement action, except in the case of emergency or flagrant violation, in order to compel the industrial user to eliminate or to remedy such violation as soon as possible.

(1) a. Conferences. The Department may order any person, who violates this division, to attend a conference wherein the Department may endeavor to cause the user to eliminate or remedy the violation by establishing an enforceable compliance schedule. The notice of violation shall be served at least ten (10) days before the scheduled conference and shall set forth the date, time, and place thereof. The conference shall be conducted by a representative of the Department. The industrial user shall present a plan and schedule for achieving compliance with this division. Nothing contained herein shall require the Department to accept or agree to any proposed plan or schedule, or to prevent the Department from proceeding with a show cause hearing as set forth in Subsection (2) of this section. If the attendees agree upon a compliance schedule, the user and the Department's duly authorized representative may enter, by consent, into a compliance agreement or an administrative order setting forth the terms of such agreement. An industrial user must exhibit good faith and expeditious efforts to comply with this division and any procedures, requirements, and

agreements hereunder.

b. Compliance schedules. The user and the Department may agree upon a schedule which sets forth the terms and conditions, and time periods or schedules for completion of actions to remedy or to eliminate the cause of violation. These schedules may be developed as part of a compliance agreement, or an administrative consent order. Schedules developed under this subsection shall adhere to the following conditions:

(i) The schedule shall contain increments of progress in the form of dates for the commencement and completion of major events leading to the construction and operation of upgraded or additional pretreatment facilities, or to the implementation of additional operation and maintenance procedures required for the industrial user to meet the applicable pretreatment requirements and standards including, but not limited to, hiring an engineer, completing preliminary plans, completing final plans, executing contracts for major components, commencing construction, and completing construction;

(ii) No single increment referred to in Subsection (b)(i) of this section shall exceed nine (9) months;

(iii) Not later than fourteen (14) days following each date in the schedule and the final date for compliance, the industrial user shall submit a progress report to the Department including, at a minimum, whether it complied with the increment of progress to be met on such date and, if not, the date which it expects to comply with this increment of progress, the reason(s) for delay, and the steps being taken by the industrial user to return to the established schedule; and

(iv) Any deviations from the compliance schedule may result in the industrial user being found in violation of this division.

c. Administrative orders. The Department may order any industrial user, who violates or continues to violate this division or a duly issued permit, to install and to properly operate devices, treatment facilities, or other related appurtenances. In addition, orders may contain such other requirements as might reasonably be necessary and appropriate to address the violation including the installation of pretreatment technology, additional self-monitoring and management practices, implementation of a waste minimization assessment to identify and implement feasible source reduction, and recycling practices to reduce the generation or release of pollutants at the facility. An order may be either an administrative consent order, which is the result of an agreement, or a unilateral administrative order.

(2) *Show cause hearing.* The Depart-

ment may order any industrial user, who violates this division or allows such violation to occur, to show cause before the Department why a proposed enforcement action should not be taken. A notice shall be served upon the industrial user specifying the time and place of a hearing before the Department regarding the violation, the reason(s) why the action is to be taken, the proposed enforcement action, and directing the industrial user to show cause before the Department why any proposed enforcement action should not be taken. The notice of the hearing shall be served personally, or by registered or certified mail with return receipt requested, at least ten (10) days before the hearing. Service may be made upon any agent or officer of a corporation, or its authorized representative.

a. Hearing Proceeding. The hearing shall be conducted in accordance with the procedures adopted by the Board. A hearings officer shall conduct the show cause hearing and take the evidence, and may:

(i) In the name of the Board, issue notices of hearing requesting the attendance and testimony of witnesses and the production of evidence relevant to any matter involved in such hearing;

(ii) Transmit a report of the evidence and hearing, including transcripts and other evidence, together with recommendations to the Director for action thereon.

b. Transcript. At any show cause hearing held pursuant to this division, testimony shall be recorded by a court reporter.

(3) *Actions.* After a show cause hearing has been conducted, the hearings officer shall issue an order to the industrial user directing any of the following actions:

a. Immediate compliance with the industrial user's wastewater discharge permit or with any applicable limitation, condition, restriction or requirement of this division, or applicable local, state or federal law or regulation;

b. Pretreatment of waste by installation of adequate treatment equipment or proper operation and maintenance of existing treatment equipment be accomplished within a specified time period;

c. Submission of compliance reports on effluent quality and quantity as determined by self-monitoring and analysis during a specified time period;

d. Submission of periodic reports on effluent quality and quantity determined by self-monitoring analysis throughout the final period set by a compliance date;

e. Control of discharge quantities;

f. Payment of costs for reasonable and necessary inspection, monitoring, and administration of the industrial user's activities by the Department during compliance efforts; and/or

g. Any such other orders as are appropriate including, but not limited to, immediate termination of sewer or wastewater

treatment services, or revocation of a wastewater discharge permit, or orders directing that following a specified time period sewer or wastewater treatment service will be discontinued unless adequate treatment facilities, devices, or operation and maintenance practices have been employed.

h. A finding the user has demonstrated by a preponderance of the evidence that a violation either of this division, or of a duly issued permit, did not occur.

(4) *Public notification of significant noncompliance.* The Department shall publish in the largest daily newspaper published in the City of Detroit a list of all industrial users which were in significant noncompliance with applicable pretreatment requirements at any time during the previous twelve (12) months. All industrial users identified in a proposed publication shall be provided with a copy of the proposed notice at least thirty (30) days before publication and allowed an opportunity to comment as to its accuracy.

~~(g)(h)~~ *Legal actions.*

(1) Criminal action: Any user, who violates any provision of this division including the failure to pay any fee, fine, charge or surcharge imposed hereby, or any condition or limitation of a permit issued pursuant thereto, or who knowingly make any false statement, representation of certification in any application, record, report, plan or other document filed or required to be maintained pursuant to this division or wastewater discharge permit, or who tampers with or knowingly renders inaccurate any monitoring device required under this division, is guilty of a misdemeanor and, upon conviction, shall be punished by a fine not to exceed five hundred dollars (\$500.00) for each violation per day, or by imprisonment for not more than ninety (90) days, or by both. The Department is hereby authorized, through its counsel, to seek prosecution of criminal charges against any person violating any provision of this division.

(2) Civil action: whenever the Department has reasonable grounds to believe that a user is violating, or has violated, a provision of its wastewater discharge permit, a pretreatment standard or requirement or any requirement of this division, the Director may commence a civil action to compel compliance in a court of competent jurisdiction to enjoin the user from discharging, and/or to obtain appropriate relief to remedy the violations. The Department or Board may also seek additional legal and/or equitable relief. The commencement of suit ~~does not~~ neither constitutes an exclusive election of remedies and ~~does not~~ nor prohibits the Department, Director, Board, or City of Detroit from commencing action in federal court for discharges believed to be in

violation of this division, state and federal requirements contained in the Clean Water Act, the City's NPDES permit, or other applicable laws or requirements. In addition, the City of Detroit may recover the reasonable attorney fees, court costs, court reporters' fees, and other unusual expenses related to enforcement activities or litigation against the person found to have violated this division, or the orders, rules, regulations and permits issued hereunder.

(3) All fines, costs, and penalties which are imposed by any court of competent jurisdiction shall be payable to the City of Detroit Water and Sewerage Department.

**RESOLUTION SETTING HEARING**  
 By Council Member Watson:  
 Resolved, That a public hearing will held by this body in the Committee Room, 13th Floor of the Coleman A. Young Municipal Center Building, on FRIDAY, OCTOBER 15, 2004, AT 10:00 A.M., for the purpose of considering the advisability of adopting the foregoing proposed ordinance to amend Chapter 56, Article III, Division 3, of the 1984 Detroit City Code, Titled "Wastewater Discharge Control," at which time all interested persons are invited to be present to be heard as to their views.

Adopted as follows:  
 Yeas — Council Members K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.  
 Nays — None.

**Human Resources Department**

September 1, 2004

Honorable City Council:  
 Re: Request to amend the 2004-2005 Official Compensation Schedules to establish a salary range for the classification of Civic Center Event Coordinator — Special Service (82-20-36).

The Human Resources Department recently adopted the subject classification. Hart Plaza operations, which were previously in the Recreation Department, are now in the Civic Center Department. However, positions there are still assigned Recreation specific titles. Civic Center management has requested the positions be assigned to classifications applicable to the Civic Center Department.

Creation of this special service class addresses positions that are used on a seasonal or part-time basis and also increases the Civic Center Department's flexibility in using the positions in other areas of Civic Center operations.

Pursuant to a review of rates of pay for work of similar scope and complexity, a wage range of \$10.75-\$14.00 per hour is recommended.

The Civic Center Department concurs with this recommendation and requests approval of the compensation rates.

Respectfully submitted,  
 WENDY BRODEN

Human Resources Director  
 By Council Member S. Cockrel:

Resolved, That the 2004-2005 Official Compensation Schedule is hereby amended to reflect the following rate, effective upon Council's approval:

Class Code	Classification	Pay Range
82-20-36	Civic Center Event Coordinator	\$10.75/hour-\$14.00/hour

**THE BURY FAMILY  
 ROBERT, MARY MEREDITH**

By COUNCIL PRESIDENT MAHAFFEY:

WHEREAS, The Bury family is a model of dedication, and generous giving of time, effort and energy. Robert, Mary Ann and their daughter, Meredith are a family who observes the possibility of life's potentials and seizes the opportunities to direct them to fulfillment, and

WHEREAS, Robert and Mary Ann Bury were born in the Detroit-Metro area, attended its elementary and high schools and continued their college education in Michigan's institutions of learning. Robert earned a Business Degree from Oakland University, a Master's Degree from Michigan State University and Mary Ann earned an Economics Degree from Albion College, and

WHEREAS, While helping to create a vibrant Ameritech Company, the Burys reserved time to volunteer and reach out to other City organizations. In October 1995, the family, which now included 7-month-old Meredith, attended the Dominican Literacy Center's Tutor Training Workshop. Robert and Mary Ann became avid and dedicated tutors, helping to respond to the needs of adult learners and were instrumental in the establishment of the Center's website and the advancement of its Computer Technology Program, and

WHEREAS, In 2000, the Burys moved on from Ameritech and became workers and supporters of the Detroit Science Center in assisting in its renovation and in providing attractive programs for Detroiters of all ages. With their experience and appreciation of the City of Detroit, the Burys later went on to offer their expertise at the Detroit Historical Museum, Robert as a Director and Mary Ann as a volunteer. Here they have been instrumental in enhancing the museum's

environment, its programs and funding efforts, and

WHEREAS, Meredith Bury has grown in wisdom and grace during the past nine years, attending all of the Dominican Literacy Center events with her parents, and

WHEREAS, The Burys have welcomed an exchange student into their home each year since 1998. Robert is actively serving on the Board of the American Foundation for the Blind and participates in the Grosse Pointe Rotary Club, Leadership Detroit, and Mentor Partners. Mary Ann has been an active Girl Scout leader for many years, serves on the Community Outreach Committee at St. Paul's Church and has been highly involved in school volunteerism throughout Meredith's years of education. THEREFORE, BE IT

RESOLVED, That the Detroit City Council hereby honors Robert, Mary Ann and Meredith Bury for their serious commitment by reaching out into the community. We encourage you to continue on the mission of providing educational opportunities to countless individuals.

**Law Department**

September 24, 2004

Honorable City Council:

Re: Karen Rice vs. City of Detroit, Department of Public Works. File #: 13837 (PSB).

On February 25, 2004, your Honorable Body approved a settlement in the amount of Seventy-Five Thousand Dollars (\$75,000.00), payable to Karen B. Rice and her attorney Gerald D. Keller. However because of a change in circumstances, which arose after such approval, the exposure to the City increased, and the value of the claimed increased to One Hundred Thousand Dollars (\$100,000.00). The changes in circumstances are set forth in a confidential, attorney-client privileged memorandum that is being separately hand delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of One Hundred Thousand Dollars (\$100,000.00) is in the best interest of the City of Detroit.

Therefore, we request that you rescind the original resolution, and approve authorization to settle this matter in the amount of One Hundred Thousand Dollars (\$100,000.00), and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to Karen A. Rice and her attorney Gerald D. Keller, to be delivered upon receipt of properly executed releases and stipulation and order of dismissal

in Workers Compensation Claim #13837, approved by the Law Department.

**RESOLUTION OPPOSING AMENDED  
 HB 4206 — THE LEGISLATION TO  
 TAKEOVER THE DEPARTMENT OF  
 WATER AND SEWERAGE**

By COUNCIL MEMBER K. COCKREL, JR.:

WHEREAS, On September 23, 2004, the House passed an amended HB 4206, legislation to put suburban communities in control of the Detroit Water and Sewerage Department (DWSD), by a vote of 55-44, and

WHEREAS, Amended HB 4206 would reconfigure the seven (7) member Detroit Board of Water Commissioners by taking away one (1) of the City of Detroit appointments and giving it to Genesee County. This would result in three (3) from Detroit; and one (1) each from out-county Wayne, Macomb, Oakland and Genesee Counties, and

WHEREAS, Amended HB 4206 would put the Michigan Public Service Commission in charge of setting rates imposed by DWSD, and

WHEREAS, The system is now under a federal court consent decree; the United States District Court for the Eastern District of Michigan has issued orders giving specific

direction regarding management of the DWSD and guidelines for the review of many of contracting arrangements; the court has also recently formed a consortium of forty (40) city and suburban leaders to build regional consensus on efficient operation and management of the system, future improvements, policies to guide infrastructure needs, and rates needed to ensure adequate and equitable funding, and

WHEREAS, The Rate Policy Team of the Southeast Michigan Consortium for Water Quality and the DWSD has been exploring modifications to the rate setting process and will meet monthly until the wholesale water and sewer rates are finalized in February, 2005, NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council opposes the amended HB 4206, and BE IT FURTHER

RESOLVED, That copies of this Resolution be distributed to, The Governor, the State Legislature, the Mayor's Office, the Michigan Municipal League, and the Lobbyists for the City of Detroit.

**RESOLUTION TO AUTHORIZE  
 PROFESSIONAL SERVICES  
 CONTRACT TO SUGAR LAW CENTER  
 FOR MONITORING LIVING WAGE  
 ORDINANCE**

By COUNCIL MEMBER MAHAFFEY:

WHEREAS, The City's Living Wage Ordinance was enacted into law following overwhelming support of the voters for its passage. Since then, however, concerns have been raised about whether the law is being implemented and enforced effectively, and

WHEREAS, For three fiscal years, City Council funded 2 Purchasing Agent positions to monitor the Living Wage ordinance that were never filled. This fiscal year, no city positions are funded, and

WHEREAS, City Council appropriated funds for fiscal year 2004-2005 for the purpose of monitoring the Living Wage Ordinance. The Sugar Law Center has significant expertise on the Living Wage Ordinance and has proposed contractual language that meets ethical and legal standards, according to the Detroit Ethics Board and City Council Research & Analysis Division. THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby authorizes a professional services contract with the Sugar Law Center for one year to review and analyze the provisions of the Living Wage ordinance to determine the effectiveness of implementation and enforcement practices. As recommended by RAD, the contract shall contain specific language delin-

eating restrictions and obligations to safeguard any potential conflicts of interest.

-----  
 STATEMENT BY COUNCIL MEMBER  
 SHEILA M. COCKREL IN OPPOSITION  
 TO RESOLUTION AUTHORIZING  
 PROFESSIONAL SERVICE CONTRACT  
 TO SUGAR LAW CENTER FOR  
 MONITORING LIVING WAGE  
 ORDINANCE

On Friday, October 1, 2004, I voted in opposition to the contract referenced above. I fully support the Charter-derived concept of the City monitoring the enforcement of the City of Detroit's Living Wage Ordinance. However, this contract needs to be approved following the correct procedures laid out by the 1997 Detroit City Charter and the 1984 Detroit City Code. This contract was provided to my office for review the night before it was placed on the formal agenda by a straw vote of the majority. I had several concerns about the contract that needed to be addressed. However, the contract was pushed through without proper reviews and approvals. For the following reasons, I do not believe that contract is legally valid and I voted no.

First, there was no actual resolution approving this contract presented for the Council to vote on. The legislative body can only act via ordinance or resolution. Considering that there was no resolution presented, I do not believe that any valid action took place. Secondly, it is my understanding that in order for a contract to be valid, it needs to be approved by the Finance and Budget Departments. That has not occurred.

Thirdly, Section 6-406 of the 1997 Detroit City Charter provides that the Corporation Counsel "shall prepare or approve all contracts ... in which the city is concerned..." (Emphasis added). Clearly, the Council was presented with a contract that had not been approved by the Corporation Counsel. When queried about this requirement, the Research and Analysis Division (RAD) of the City Council lamely replied that the Council could vote on this contract prior to receiving the required approvals. I think that it is unfathomable that the RAD Director would advise the City Council to vote on an item that is not properly before the Body. In my opinion, the RAD Director is exhibiting a growing pattern of acting as a litigator who is straining the law to comply with his clients' wishes rather than acting as a fully engaged public policy lawyer advising his clients as to the appropriateness of their actions.

As far as I am concerned, this document was still in draft form. It did not contain all of the required approvals and sign-offs and it was therefore not properly before the City Council for vote. There were various concerns about the contract raised by other members of Council in addition to myself and it was necessary to have these concerns addressed. This contract represented yet another attempt by certain members of this Council to ram their agendas through without doing the proper due diligence. As is always the case in these types of situations, I voted no.

-----  
 STATEMENT BY COUNCIL PRESIDENT  
 MARYANN MAHAFFEY ON VOTE TO  
 APPROVE CITY COUNCIL CONTRACT  
 WITH SUGAR LAW CENTER FOR  
 MONITORING OF LIVING WAGE  
 ORDINANCE

I am proud to vote "yes" to approve a contract with the National Lawyers Guild Maurice and Jane Sugar Law Center for Economic and Social Justice, so that we may finally ensure the lawful implementation of the Living Wage ordinance.

The Sugar Law Center will utilize its expertise to proactively monitor contracts affected by the Living Wage Ordinance and recommend to City Council ways to make sure the law is followed. The City Council is empowered by the City Charter to make investigations into the affairs of the city and it has a legal prerogative to enter into this professional services contract.

Most importantly, the five members who voted for this contract — Council President Pro Tem. Kenneth Cockrel, Jr., Council Members Sharon McPhail, Barbara-Rose Collins, Joann Watson and myself — have affirmed the wishes of Detroit voters who believe in a living wage. Detroit City Council Members Sheila Cockrel, Kay Everett and Alberta Tinsley-Talabi voted against the contract.

A society is best judged by how it cares for the least among us. Our tax dollars should - at the very least - be used to elevate working people struggling to make ends meet and support their families. To *not* support the full implementation of the living wage ordinance is to condemn working poor people to living below the poverty level. By guaranteeing working people a sustainable living wage, it increases the number of jobs that support their families and decreases the need for public assistance programs and food banks. Living wages increase the tax base and make for stronger communities.

The fact that the City of Detroit Administration has to this date refused to fully staff and implement the Living Wage Ordinance is inexcusable and inexplicable. For more than three years, City Council has attempted to use its budget

October 1

3214

2004

authority to fund employees to monitor the Living Wage ordinance, but the Administration has refused to fill those positions.

This contract is a victory for the citizens of Detroit and working families who labor hard to put food on the table for their families and pay taxes that keep the city working for all of us. We are hopeful that this contract will result in the successful - and long needed - implementation of the Living Wage ordinance.

**\*ON WAIVERS OF RECONSIDERATION**  
Council Member Tinsley-Talabi moved to waive the right to reconsider the vote by which each resolution designated for "Waiver of Reconsideration" and numbered 1 to incl., was adopted.

Council Member Watson moved to suspend Rule 23 for the purpose of indefinitely postponing the motion to waive reconsideration, which motion prevailed.

Council Member K. Cockrel, Jr. then moved that the motion to waive reconsideration be indefinitely postponed, which motion prevailed.

The regular order was resumed.

And the Council then adjourned.

Honorable City Council:

Re: Creekside Homes — Payment in Lieu of Taxes (PILOT).

Creekside Homes Limited Dividend Housing Association Partnership is developing a housing project consisting of 45 newly constructed three and four bedroom single-family units. The project area is bounded by Algonquin to the east; Clairpointe to the west; Avondale to the south and East Jefferson to the north.

Financing for the development will be through Charter One Bank with a loan of \$1,525,000 for 15 years at 7% interest and Low Income Tax Housing Tax Credits of six million two hundred and eighty thousand dollars (\$6,280,000) for a total development cost of \$7,805,000.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1996, (P.A. 346, as amended, MCLA 125.1415A).

Thirty-one percent (31%) or fourteen (14) of the units will be occupied by households with incomes no greater than 30% of the area median income adjusted for family size. Twenty-six percent (26%) or twelve (12) of the units will be occupied by households with incomes no greater than thirty-five (35%) of the area median income adjusted for family size. Twenty-six percent (26%) or 12 of the units will be occupied by households with incomes no greater than forty percent of the area median income adjusted for family size. The remaining fifteen percent (15%) or seven (7) of the units will be occupied by households with incomes no greater than sixty percent (60%) of the area median income adjusted for family size.

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a 4% service charge for this housing project.

Respectfully submitted,  
FREDERICK W. MORGAN  
Assessor

By Council Member Everett:

Whereas, Pursuant to the provisions of Act 346 of the Public Acts of 1996, as amended, a request for exemption from taxes by Timothy M. Morgan, General Partner, NRP Creekside Homes, LLC, on behalf of Creekside Homes has been filed, and it has been determined that said sponsors have formed a Limited Dividend Housing Association Limited Partnership; and

Whereas, Said sponsors are constructing a development consisting of 45 single-family units, which is financed by Charter One Bank and Low Income Housing Tax Credit Program; and

Whereas, The purpose of the project is to serve low to moderate income persons, the description of the property is as Exhibit "A".  
Now, Therefore, Be it

Resolved, That said described premises are henceforth entitled to be exempt from taxation but subject to the provisions of a service charge for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1996, as amended, being MCLA 125, 1401, et. Seq., MSA 16.114(1) et., seq., and be it further

Resolved, That said described premises shall be allowed a payment in lieu of taxes (PILOT) or service charge of 4% of the annual net shelter rent obtained from the project per City Ordinances 9-90 as amended, having taken effect, and be it further Resolved, That arrangements to have collections of a payment in lieu of taxes from Creekside Homes Limited Dividend Housing Association Limited Partnership be established upon occupancy for future years with respect to the described property and that all necessary journal entries with respect to the same be prepared by the Chief Financial Officer, and be it further Resolved, That the City Clerk furnish the Finance Department — Assessments Division two certified copies of this resolution.

Honorable City Council:

Re: Conner Creek Elderly Apartments —  
Payment in Lieu of Taxes (PILOT).

Conner Creek Elderly Limited Dividend Housing Association Limited Partnership is developing a housing project consisting of 48 newly constructed one and two-bedroom apartment units. The project will be located on the St. John Hospital campus at the northeast corner of Van Dyke and Outer Drive.

Financing for the development will be through Charter One Bank with a loan of one million three hundred ten thousand (\$1,310,000) for 15 years at 7% interest and Low Income Tax Housing Tax Credits of four million nine hundred and ninety five thousand dollars (\$4,995,000) for a total development cost of \$6,305,000.

In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1996, (P.A. 346, as amended, MCLA 125.1415A).

Thirty-one percent (31%) or fifteen (15) of the units will be occupied by households with incomes no greater than 30% of the area median income adjusted for family size. Thirty-one percent (31%) or fifteen (15) of the units will be occupied by households with incomes no greater than thirty-five (35%) of the area median income adjusted for family size. Twenty-five percent (25%) or 12 of the units will be occupied by households with incomes no greater than forty percent (40%) of the area median income adjusted for family size. The remaining twelve percent (12%) or six (6) of the units will be occupied by households with incomes no greater than sixty percent (60%) of the area median income adjusted for family size.

Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a 4% service charge for this housing project.

Respectfully submitted,  
FREDERICK W. MORGAN  
Assessor

By Council Member Everett:

Whereas, Pursuant to the provisions of Act 346 of the Public Acts of 1996, as amended, a request for exemption from taxes by Timothy M. Morgan, General Partner, NRP Creekside Homes, LLC. on behalf of Conner Creek Elderly Apartments has been filed, and it has been determined that said sponsors have formed a Limited Dividend Housing Association Limited Partnership; and

Whereas, Said sponsors are constructing a development consisting of 48 apartment units, which is being financed by

Charter One Bank and Low Income Housing Tax Credit Program; and

Whereas, The purpose of the project is to serve low to moderate income persons, the description of the property is as Exhibit "A".

Now, Therefore, Be It

Resolved, That the said described premises are henceforth entitled to be exempt from taxation but subject to the provisions of a service charge for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1996, as amended, being MCLA 125, 1401, et. Seq., MSA 16114(1) et., seq., and be it further

Resolved, That said described premises shall be allowed a payment in lieu of taxes (PILOT) or service charge of 4% of the annual net shelter rent obtained from the project per City Ordinances 9-90 as amended, having taken effect, and be it further

Resolved, That arrangements to have collections of a payment in lieu of taxes from Conner Creek Elderly Limited Dividend Housing Association Limited Partnership be established upon occupancy for future years with respect to the described property and that all necessary journal entries with respect to the same be prepared by the Chief Financial Officer, and be it further

Resolved, That the City Clerk furnish the Finance Department — Assessments Division two certified copies of this resolution.

Re: John Carre v City of Detroit, Fire Department. File No.: 13874 (CM).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential attorney-client privileged memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of One Hundred Thirty Thousand Dollars (\$130,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of One Hundred Thirty Thousand Dollars (\$130,000.00) and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to John Carre and his attorney Steven H. Stilman, to be delivered upon receipt of properly executed Releases and Order of Dismissal in Workers Compensation Claim #13874, approved by the Law Department.

Honorable City Council:

Re: Maria S. Yglesias v City of Detroit and Melissa Taylor. Case No.: 03-340388 NI, File No.: A37000.004584 (JLA).

On September 14, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded Forty Seven Thousand Five Hundred Dollars (\$47,500.00) in favor of Plaintiff. The parties have until October 12, 2004 to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Forty Seven Thousand Five Hundred Dollars (\$47,500.00) payable to Douglas A. Dempsey, attorney, and Maria Yglesias, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-340388 NI, approved by the Law Department.

Honorable City Council:  
Re: Joseph Thompson v City of Detroit  
Police Officers Daniel Linares, Mark

Bostic, Curtis McGhee and City of Detroit. Case No.: 04-71591-DT. File No.: A37000.004773 (KAC).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Seventeen Thousand Five Hundred Dollars and No Cents (\$17,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Seventeen Thousand Five Hundred Dollars and No Cents (\$17,500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to The Razor Law Firm, attorneys, and Joseph Thompson, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 04-71591-DT, approved by the Law Department.

Honorable City Council:  
Re: 18467 Alcoy. Emergency Demolition.

The building at the above location was recently found to be extensively fire damaged and structurally unsafe to the point

of near collapse.

Our records indicate that this building was ordered removed by Council on June 21, 2004.

It is our opinion that there is an actual and immediate danger affecting the health, safety and welfare of the public. Therefore, under the authority of Ordinance 290-H, we are taking emergency measures to have this building or portions thereof removed with the cost assessed against the property.

By copy of this letter, we will notify all utility companies to immediately start utility disconnects.

Respectfully submitted,  
AMRU MEAH  
Director

By Council Member Everett:

Resolved, That in accordance with the foregoing communication, the Buildings and Safety Engineering Department is hereby authorized and directed to implement emergency measures to have the dangerous building demolished which is located at 18467 Alcoy and have the costs assessed as a lien against the property.

Adopted as follows:

Honorable City Council:

Re: Address: 1906 Clements. Name: Karlton Willis. Date ordered removed: April 26, 2000 (J.C.C. p. 884).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 16, 2004 revealed the building is secured and appears to be sound and repairable.

The owner will pay the current taxes due at the closing.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a

Housing Inspection.

• Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

Honorable City Council:

Re: Request of Eye on Detroit to rezone property generally located on the west side of Telegraph Road between West Seven Mile Road and Frisbee Avenue from R1 (Single-Family Residential District) to PD (Planned Development District) to allow for the construction a retail shopping center (Recommend Approval with Conditions).

Eye on Detroit (represented by developers Steve Schafer and Herb Strather) is requesting to rezone the subject property from R1 to PD to allow for the construction of two "big box" and three smaller freestanding retail stores. A PD zoning district classification is being requested because the proposed commercial use is not allowed in the R1 zoning district.

**Background**

The property consists of 24.6 acres and is bounded by Frisbee Avenue on the north, Telegraph Road on the east, an east/west line approximately 780 feet north of West Seven Mile Road on the south, and Lenore Avenue on the west, with the exception of the south side of Frisbee Avenue from Woodbine to Lenore Avenues (please see Attachment A for a map of the site).

Currently, the proposed site is developed with 81 single-family homes located on the east and west sides of Woodbine Avenue and the east side of Lenore Avenue. There are 31 houses on the east side of Woodbine on lots measuring about 40 x 140 feet with the rear yards facing Telegraph Road; the remaining 50 homes between Woodbine and Lenore are on deeper lots each measuring about 45 x 300 feet.

During the past year, the petitioner has negotiated purchase agreements with all 81 homeowners and is proposing to remove all of the houses and to vacate that portion of Woodbine Avenue within the site. The petitioner is working with two area non-profits to relocate as many of the houses as possible, hopefully to the Brightmoor area, with the assistance of Brownfield funds.

#### Proposed Development

The big box stores would each contain about 125,000 square feet and be set back on the western portion of the site with front entrances facing Telegraph Road. The developer indicates it is currently negotiating letters of intent with two well known national retailers: the store to the north is proposed to be developed with The Home Depot and the store to the south has not yet been disclosed. The three smaller retail stores located along Telegraph would include two banks (Flagstar and Fifth Third Bank) and a restaurant with drive-through (possibly Starbucks coffee). Please see Attachment B for a copy of the site plan.

Other details of the proposed project include the following:

- Vehicular access into the site would be via three driveways on Telegraph Road, and north/south Woodbine Street at the south end of the site would flow into the parking lot.
- The parking lot would have 1,159 parking spaces.
- Along the entire western edge of the property and on portions of the north and south boundaries, a 10 feet tall masonry wall would be constructed (on the outer side of the wall, the developer is proposing to berm-up the ground level, making the wall 6 feet tall).
- Two detention ponds would be placed at the southwest corner of the site.
- Two monument signs and one pylon sign would be placed along Telegraph — dimensions for the signs are not known at this time.
- The perimeter setbacks would be as follows: on the north end of the site varying from 14, 28, or 32 feet; along Telegraph 32 feet; on the south end of the site would either be 53 or 105 feet; and along Lenore either 13, 31, or 41 feet.
- Lighting via 18-20 foot poles with shoebox shields to prevent glare would be provided.

- A preliminary landscaping plan showing perimeter buffering and planting in the parking lot has been submitted.

The developer is requesting final plan approval for the site plan and elevations for The Home Depot and the two banks. Approval of the final elevations for the second big box store and the proposed restaurant would need to be requested at a later date.

#### Community Feedback and Public Hearing Results

In general, those households proposed to be purchased for the project have been in support and those immediately adjacent have been opposed. The 3 blocks adjacent to the project have organized in opposition (Concerned Residents of Lenore-West, Frisbee Street Residents, and Residents of Telegraph Road). To date, the City Planning Commission (CPC) office has received 14 letters in support (from residents within the project, area business, and persons in and outside the City) and 8 letters in opposition. Also, the 3 block clubs have submitted letters with concerns and comments with 60 signatures.

On July 15, 2004, the City Planning Commission held a public hearing on this matter. Twenty-eight (28) persons spoke at the hearing, with 21 in favor and 7 in opposition. Three (3) of those who spoke in opposition represented the 3 aforementioned adjacent groups.

Some of the main comments in support of the project included the following:

- The developer is offering to buy homes for up to three times the market value.
- The house-moving program sets a good example for other developers.
- The project would increase the City's tax base and provide needed shopping within the City.
- The area had some preexisting problems (increase in crime, prostitution, decline in home maintenance, and traffic cutting through the neighborhood), which this project should not be blamed for or making necessarily worse.
- Some relocated residents said they would continue to live within the City, while others said they were undecided or would move out.

Some of the main concerns about the project included the following:

- The project would disrupt the quality of life for residents who moved to the area thinking they would be surrounded by residential houses and residents don't want to look at a wall.
- Property values of surrounding residential properties would decrease.
- The project would worsen commercial and non-commercial traffic using side streets, in part causing accelerated wear on the roads.
- There were concerns about crime

(more unfamiliar people will enter the area), prostitution, noise, trash, and hours of operation.

- The project would negatively impact the nearby elementary school, including the safety of the children walking to and from school.

- The moving of the houses and long construction period would disrupt quality of life and aggravate health problems, and those relocated by the project would move to the suburbs.

- There are several nearby shopping centers that are vacant (such as one near the intersection of Beech Daly Road and West 8 Mile Road).

#### **Neighborhood Request**

The Concerned Citizens of Lenore West and the Residents of Telegraph Road, although opposed to the project, have requested that, if the project is approved, the following items be provided to make the proposal more tolerable. Those items, which have not been agreed to completely or where there is partial agreement with the developer, are underlined — additional explanations are given in parenthesis.

- Hire local contractors and residents for construction and to work at the stores.

- Present concerned residents with a study as to how asbestos will be handled (developer proposes to have an environmental report on every house to be removed and to hire only licensed and insured contractors to move the houses).

- Remove dust and debris from adjacent homes resulting from the demolition (for adjacent homes on Lenore that are interested, petitioner is willing to clean and power wash homes).

- Provide hotel accommodations for homeowners with health issues that may be aggravated during demolition and/or periods of heavy construction (developer agrees to accommodate those with documented health problems during adjacent demolition).

- Keep all existing trees that are presently near the east sidewalk of Lenore (developer agrees to save mature desirable trees).

- Plant evergreens no less than 8 ft. high in front of the wall along Lenore.

- Have security monitor surrounding area including along Telegraph.

- Implement loading and unloading restrictions during and after construction — i.e., no loading/unloading before 7 A.M. or after 7 P.M.

- Repair the adjacent sidewalks on Lenore-West and totally remove sidewalks on Lenore-East.

- On Lenore, provide posted signs stating Lenore is not a mall entrance (petitioner agrees to install a sign on Lenore stating "no cutting through traffic").

- Build a cul-de-sac at Frisbee and Telegraph (petitioner agrees if City so

desires).

- Provide financial compensation for homeowners for property value and home improvement determined by the percentage of property value lost (petitioner expressed the possibility of helping the residents on the west side of Lenore form a block club with board members, etc. and to make a contribution into an account for the purpose of benefiting the block itself — discussions are continuing).

- Along Lenore, build a decorative 10 foot wall and landscaped irrigated berm before and during construction (developer wants to build berm and wall during construction).

- Along Lenore, provide year-round weekly lawn care and snow removal for up to 5 years (developer pledges to properly maintain its own area).

- Lowering the City taxes for all residents facing the proposal.

- Install central air per house and sound proof windows and doors.

- Repair the sidewalk on the east side of Telegraph and provide snow service for sidewalk.

- Construct 2 islands in the center of Lenore to beautify Lenore and reduce traffic (the CPC thinks the road is too narrow).

Residents living on the south side of Frisbee between Woodbine and Lenore submitted a request that they be purchased with the same compensation as the other 81 houses. At the July 15th public hearing, the developer offered to purchase the 8 homes on the south side of Frisbee, as long as all of the homeowners agreed to sell and be purchased at fair market value. To date, all of the homeowners have agreed to sell, but they have not reached an agreement with the developer on fair market value.

#### **Analysis**

##### ***Surrounding Zoning and Land Use***

The zoning classification and land uses surrounding the subject area are as follows:

North: R1; single-family housing

East: R1 and R3 (Low Density Residential District); single-family housing and apartment

South: PD and R1; single-family housing, apartment, and retail complex

West: R1; single-family housing

##### ***Master Plan***

The proposed rezoning, which is located within the Redford Subsector of the West Sector of the Detroit Master Plan of Policies, shows Low Density Residential for existing and proposed land use maps. The PD zoning classification requires that the major land use of the planned development be consistent with the most general land use category proposed in the Master Plan for the area. The Planning and Development Department (P&DD) indicates that the proposed development

does not conform to the intent of the Master Plan and recommends a Master Plan amendment to specify a future land use of General Commercial. The proposed Master Plan amendment has been forwarded to City Council and has been received by the CPC. A recommendation from the Commission is forthcoming pending completion of the State-mandated review process.

#### **Property Values and Project Design**

One of the biggest concerns raised in opposition to the project is that it will decrease adjacent to homeowner property values, and many adjacent homeowners are requesting some compensation.

When the Kmart was being proposed for 7 Mile Road and Meyers, the City of Detroit Assessments Division studied the impact of commercial property on the sale prices of adjacent houses in 4 areas around the City. The study concluded that surrounding residential properties did not experience a decrease in value, but realized higher sales prices as a result of their greater exposure to the public and convenient access to quality shopping.

If the proposed project is built, the CPC thinks it is difficult to determine if adjacent property values would go up, down, or remain constant; values could fluctuate based on a variety of factors, including the area housing market, perceptions, schools, location, etc. The Commissioners think the best way to deal with this issue is to require that the project have attractive architecture, quality landscaping, and excellent management. Traveling around the Detroit region, one can see a range of big box stores from high quality attractive design and building materials to plain simple designs. For the proposed site, the developer says they hope to provide neither the highest nor the lowest quality design, but something in the middle. The developers indicate the highest quality design is not possible, because of the rents one is able to charge at the subject location.

#### **Traffic**

The CPC thinks that Telegraph and West Seven Mile Roads should have enough capacity to handle the traffic volumes projected for this development. Because Telegraph is a state road, the developer is working with the Michigan Department of Transportation regarding any needed approvals or improvements. The City's Zoning Ordinance often prefers that local streets not provide access to commercial uses. As a result, the CPC is concerned about the proposal to allow entrance/exit to the site from Woodbine Avenue and thinks this access should be eliminated.

The CPC thinks closing Frisbee at Lenore would help reduce cut-through traffic into the neighborhood. However,

this could also make it more inconvenient for residents entering and exiting the neighborhood. If Frisbee were closed at Lenore, a cul-de-sac would need to be constructed on part of the subject site. Instead of closing the street, some have recommended that Lenore be made a one-way road. The CPC would like the Council to receive additional feedback from impacted residents at Council's public hearing before a decision is made.

#### **Parking**

The PD zoning district allows flexibility in the number of parking spaces provided. If the land were not zoned PD, the current Detroit Zoning Ordinance would require that 2,182 spaces be provided. However, the requirements for large stores in the proposed amending Zoning Ordinance have been modified downward and would require 779 spaces for the proposed project. Therefore, if the land were not zoned PD, the proposed 1,159 parking spaces would be much lower than what the existing Zoning Ordinance would have required, but higher than that would be required under the proposed amendment to the Zoning Ordinance.

The current Zoning Ordinance does not have any requirements for interior parking lot landscaping. However, the proposed amended Zoning Ordinance recommends 30 square feet of landscaped area per parking space, and, for the subject project 34,770 square feet of interior landscaping space would need to be required. The current site plan shows 40 landscaped islands with an estimated 31,500 square feet. The Commissioners think more landscaped islands should be added in the middle of the parking lot to reduce the current large expanse of uninterrupted parking spaces.

#### **Detention Basin**

The Commissioners want to ensure that the detention basins are well maintained, do not encourage mosquito infestations, and agree with comments from the Planning & Development Department that the detention basins should be placed inside the perimeter wall.

#### **Drive-Through Requirements**

The current Detroit Zoning Ordinance does not have any requirements for stacking spaces for drive-through restaurants or banks. However, the proposed amended Zoning Ordinance recommends a minimum of 4 stacking spaces per bank teller lane, 3 spaces for ATM's, 6 spaces for drive-through restaurant order boxes, and 4 spaces for drive-through restaurants from the order box to the pick-up window. The proposed Flagstar Banks meets these requirements, but the proposed Fifty Third Bank would need to add 1 space for each of its 3 tellers and for its ATM. The proposed Starbucks would need to add 4 more spaces for the order box.

#### **Nearby Detroit Open School**

Detroit Open School is located on the south side of Frisbee Avenue between Grandview Avenue and Winston Avenue, one block west of Lenore Avenue. This is a pre-K through 8th grade school with about 365 students. The school does not have bus service. About 40% of the school's students (about 145) are from the surrounding neighborhood. Before and after school, the school has worked with the Detroit Police to encourage those dropping off/picking up their children to travel north on Grandview, east on Frisbee, and south on Winston. The number of students walking or being driven along Frisbee near the proposed project is unclear, but the CPC thinks the project would not negatively impact the school, because it is not immediately adjacent.

#### **Setbacks**

It is very important to the Commissioners that proper buffering be provided around the entire site, particularly along Lenore and south of Frisbee. The CPC estimates that the front of the houses on the west side of Lenore would be set back from 80 to 108 feet from the proposed screening wall on the east side of Lenore. Also, the CPC estimates that the rear wall of the houses on the south side of Frisbee would be set back from 79 to 93 feet from the proposed screening wall on the north side of the project. Adjacent neighbors had requested that the walls and landscaping along Lenore be constructed after the site is cleared, but before the start of construction. To prevent excessive delays, the petitioner requested that the setbacks and walls be built during construction.

#### **Conclusion and Recommendation**

The CPC thinks the proposed project and rezoning request are challenging, because those residents to be displaced have voiced support, while many adjacent homeowners have voiced concerns. The Commissioners think the proposed benefits of the project are important, particularly expanding the options for retail shopping within the City and the related job development. Unfortunately, the project extends into a relatively stable single-family neighborhood adjacent to Telegraph Road. Fortunately, because of the long streets and deep residential lots, the number of houses needed for the project is less than what would have normally been sought.

The Commissioners think that the "overall" quality of life of the surrounding adjacent neighborhoods would not be harmed; unfortunately, residents immediately adjacent would be impacted. To best deal with the impacts, the Commission favors in part high standards of building design, screening, and landscaping to create a top quality retail project. In response to some of the concerns raised by residents adjacent to the project, the

developer has made verbal commitments to address many of the concerns. The Commission would like to see these commitments reduced to writing (addressed and dated to City Council) prior to City Council's review of this rezoning. The commitments are as follows:

- To work with local non-profit community redevelopment group(s) to move a substantial number of the 81 houses on the subject property to vacant lots within the City of Detroit; funds used toward demolition would be applied toward moving the structures;
- To work with the proposed retail tenants and other interested parties (such as local churches) to establish a long-term program to hire residents from the City of Detroit;
- For clearing the site and project development, priority be given to hiring Detroit-based minority owned businesses;
- To document procedures to control any environmental hazards related to the moving or demolition of housing on the site; and
- To working with the homeowners on the west side of Lenore adjacent to the project to address public property improvements.

After consideration of the above factors, the City Planning Commission recommends **APPROVAL** of the requested rezoning in conjunction with the site plan as described in this report with the following conditions, provided that the appropriate Master Plan amendment and necessary closing of Woodbine are approved:

1. The Site Plan be revised to show the following:
  - a. The perimeter screen wall be designed to be 10 feet tall on the interior side of the parking lot and 6 feet tall on exterior side;
  - b. The two detention ponds be placed inside the perimeter screen wall;
  - c. Access to the parking lot limited to be from Telegraph only and not Woodbine;
  - d. No sidewalk remaining on the east side of Lenore;
  - e. A wall, hedge, or berm be installed along the east parking lot edge to shield automobile lights from residential property across Telegraph; and
  - f. Four stacking spaces per bank teller lane, 3 spaces for automated teller machines, 6 spaces for drive-through restaurant order boxes, and 4 spaces for drive-through restaurants from the order box to the pick-up window be provided;
2. The petitioner submit to CPC staff a variety of detailed plans/design schemes for the proposed The Home Depot with enhanced architectural elements including brick work and windows from which to choose from prior to review by the City Council;

3. The garden center storage material be screened from residential areas on Frisbee and Lenore and not stacked above screen wall/fencing.

4. The proposed big box store located at the south end and the outlot building located at the northeast corner of the site (the proposed Starbucks) be given "conceptual" approval of the site plan building footprint and proposed uses. Final site plan building footprints and building elevations for these two buildings will be subject to review and approval by City Council;

5. The rear and side elevations of both big box stores include a decorative treatment of the walls and roofline and roof screening subject to review and approval of the CPC staff;

6. Any compactors, storage areas, truck wells, or loading areas at the rear or sides of the big box stores be adequately screened with walls similar to the store type;

7. The materials and color used on both sides of the perimeter screen wall be subject to review and approval by CPC staff;

8. Park benches and other public amenities be provided in open space areas subject to review and approval by CPC staff;

9. The developer submit to CPC staff prior to Council review a variety of design schemes for the portion of the setback facing Lenore, including landscaping treatments, berming, and evergreens (no less than 8 feet in height);

10. Along the east side of Lenore, the wall and landscaping be installed after the houses are removed and started when construction work is begun on the commercial complex;

11. A separate landscaping plan indicating species, location, and caliper of landscaping materials, be submitted and subject to review and approval by CPC staff; the plan should include in part a mix of deciduous and evergreen shrubbery and trees; the existing trees, particularly on the east of Lenore, should be retained where possible; and additional landscaping and tree plantings should be provided within the parking area;

12. A separate signage plan indicating including size, type, and location of any signs not attached to buildings be submitted for review and approval by CPC staff;

13. Lighting installed in the parking lot and building walls be compatible with the surrounding residential community, designed to reflect downward, and reduced in intensity when stores are not open to the public; the proposed Home Depot garden shop should install light shields to prevent lights from shining into residential areas;

14. Truck deliveries be restricted to between 7:00 A.M. and 9:00 P.M. for

semi-trucks and between 6 A.M. and 10:00 P.M. for other truck deliveries; additionally, there be no standing or parking of trucks with engines running along the north, west, or south parking lot areas between the hours of 9:00 P.M. and 6:00 A.M.;

15. Hours of operation for any compactor waste bin be restricted to between 7 A.M. and 9 P.M.;

16. Private security patrol cars be provided to canvas and monitor the parking lot and outer perimeter of the site, including Lenore;

17. Daily year round snow removal, lawn care, and maintenance of the parking lot, detention ponds, and surrounding landscaped areas be provided, particularly the east side of Lenore outside the perimeter wall;

18. That proposals for the developer to install a cul-de-sac at the intersection of Frisbee and Telegraph Road (part of which will extend onto the developer's property), or making Lenore one-way north from West Seven Mile to Frisbee, or enhancing the intersection of Telegraph and Frisbee, be further studied by City staff with a decision made prior to Council acting on the rezoning.

19. Homeowners on the west side of Lenore immediately adjacent to the project, if desired, will have the exterior siding cleaned/power washed at the petitioner's expense after demolition is completed;

20. Prior to any houses being moved or demolished, the petitioner will host a community meeting with CPC staff and households on the west side of Lenore and on the north and south sides of Frisbee from Telegraph to Winston, to explain and discuss environmental issues related to moving or demolishing the houses;

21. Homeowners on the west side of Lenore immediately adjacent to the project with health issues (who have a documented medical history confirmed by a medical doctor), if desired, will be temporarily relocated during project demolition within 200 feet of the center of the right to way adjacent to the homeowner's house at the petitioner's expense;

22. If the petitioner in the future transfers management and/or ownership of the site, the CPC staff shall be notified in writing and the petitioner shall provide evidence that the new management and/or ownership is aware of the PD conditions;

23. On-street parking on the east side of Lenore adjacent to the project be prohibited; and

24. Before the houses are moved or demolished, the developer provided regular security and maintenance to ensure that any vacant homes on Woodbine or the east side of Lenore in the project area are not vandalized, fall into disrepair (i.e., broken windows, open doors, etc.), or

**AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, The Official Zoning Ordinance of the City of Detroit, being Ordinance 390-G, as amended, by amending Article XV, District Map No. 71 to show a PD (Planned Development District) zoning classification where an R1 (Single-Family Residential District) zoning classification currently exists on property generally bounded by Frisbee Avenue, Telegraph Road, an east/west line about 780 feet north of West Seven Mile Road, and Lenore Avenue, with the exception of the south side of Frisbee Avenue from Woodbine to Lenore Avenues.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Article XV, Chapter 61 of the 1984 Detroit City Code, which is the Official Zoning Ordinance of the City of Detroit, being Ordinance 390-G, as amended, is amended as follows:

District Map No. 71 is amended to show a PD (Planned Development District) zoning classification where an R1 (Single-Family Residential District) zoning classification currently exists on property generally bounded by Frisbee Avenue, Telegraph Road, an east/west line about 780 feet north of West Seven Mile Road, and Lenore Avenue, with the exception of the south side of Frisbee Avenue from Woodbine to Lenore Avenues, more specifically described as:

Part of Lots 19, 20, 21, and 22, Lots 29 through 48 inclusive of the "Thomas Hitchman's Subdivision" located on the East 1/2 of the Southeast 1/4 of Section 5 and North 386 feet of the West 1/2 of the Southwest 1/4 of Section 4, T. 1 S., R. 10 E., Redford Township (now City of Detroit), Wayne County, Michigan, as recorded in Liber 30, Page 50, and also Lots 1 through 10 inclusive of the "Woodbine Avenue Subdivision No. 1" of part of the S.E. 1/4 of Section 5, T. 1 S., R. 10 E., City of Detroit, Wayne County, Michigan, as recorded in Liber 77 Page 68, also Lots 11 through 20 inclusive "Woodbine Avenue Subdivision No. 2" of part of the S.E. 1/4 of Sec. 5, T. 1 S., R. 10 E., City of Detroit, Wayne County, Michigan as recorded in Liber 77, Page 69.

The City Council approves the development proposal for a retail complex with two "big box" stores and three "outlot" stores along Telegraph Road that includes

a site plan by Rogvov Architects, P.C. issued on May 16, 2003, and with the latest revision dated June 9, 2004. The Home Depot elevations by Greenberg Farrow Architecture Engineering Development dated June 10, 2004, Fifth Third Bank elevations by K4 Architecture, LLC dated June 23, 2004 with a most recent revisions/submissions dated of June 25, 2004, and Flagstar Bank elevations by George Covalle Architect & Associates, Inc. issued June 23, 2004. Subject to the following conditions:

1. The Site Plan be revised to show the following:

a. The perimeter screen wall be designed to be 10 feet tall on the interior side of the parking lot and 6 feet tall on exterior side.

b. The two detention ponds be placed inside the perimeter screen wall.

c. Access to the parking lot limited to be from Telegraph only and not Woodbine.

d. No sidewalk remaining on the east side of Lenore.

e. A wall, hedge, or berm be installed along the east parking lot edge to shield automobile lights from residential property across Telegraph, and

f. Four stacking spaces per bank teller lane, 3 spaces for automated teller machines, 6 spaces for drive-through restaurant order boxes, and 4 spaces for drive-through restaurants from the order box to the pick-up window be provided;

2. The petitioner submit to the City Planning Commission ("CPC") staff a variety of detailed plans/design schemes for the proposed The Home Depot with enhanced architectural elements including brick work and windows from which to choose prior to review by the City Council;

3. The garden center storage material be screened from residential areas on Frisbee and Lenore and not stacked above screen wall/fencing;

4. The proposed big box store located at the south end and the outlot building located at the northeast corner of the site (the proposed Starbucks) be given "conceptual" approval of the site plan building footprint and proposed uses. Final site plan building footprints and building elevations for these two buildings will be subject to review and approval by City Council;

5. The rear and side elevation of both big box stores include a decorative treatment of the walls and roofline and roof screening subject to review and approval of the CPC staff;

6. Any compactors, storage areas, truck wells, or loading areas at the rear or sides of the big box stores be adequately screened with walls similar to the store type;

7. The materials and color used on both sides of the perimeter screen wall be subject to review and approval by CPC staff;

8. Park benches and other public amenities be provided in open space areas subject review and approval by CPC staff;

9. The petitioner submit to CPC staff prior to Council review a variety of design schemes for the portion of the setback facing Lenore, including landscaping treatments, berming, and evergreens (no less than 8 feet in height);

10. Along the east side of Lenore, the wall and landscaping be installed after the houses are removed and started when construction work is begun on the commercial complex;

11. A separate landscaping plan indicating species, location, and caliper of landscaping materials, be submitted and subject to review and approval by CPC staff; the plan should include in part a mix of deciduous and evergreen shrubbery and trees; the existing trees, particularly on the east of Lenore, should be retained where possible; and additional landscaping and tree plantings should be provided within the parking area;

12. A separate signage plan indicating size, type, and location of any signs not attached to buildings be submitted for review and approval by CPC staff;

13. Lighting installed in the parking lot and building walls be compatible with the surrounding residential community, designed to reflect downward, and reduced in intensity when stores are not open to the public; the proposed Home Depot garden shop should install light shields to prevent lights from shining into residential areas;

14. Truck deliveries be restricted to between 7:00 A.M. and 9:00 P.M. for semi-trucks and between 6 A.M. and 10:00 P.M. for other truck deliveries; additionally, there be no standing or parking of trucks with engines running along the north, west, or south parking lot areas between the hours of 9:00 P.M. and 6:00 A.M.;

15. Hours of operation for any compactor waste bin be restricted to between 7 A.M. and 9 P.M.;

16. Private security patrol cars be provided to canvas and monitor the parking lot and outer perimeter of the site, including Lenore;

17. Daily year round snow removal, lawn care, and maintenance of the parking lot, detention ponds, and surrounding landscaped areas be provided, particularly the east side of Lenore outside the perimeter wall;

18. That proposals for the petitioner to install a cul-de-sac at the intersection of Frisbee and Telegraph Road (part of which will extend onto the project proper-

ty), or making Lenore one-way north from West Seven Mile to Frisbee, or enhancing the intersection of Telegraph and Frisbee, be further studied by CPC staff with a decision made prior to City Council acting on the rezoning;

19. Homeowners on the west side of Lenore immediately adjacent to the project, if desired, will have the exterior siding cleaned/power washed at the petitioner's expense after demolition is completed;

20. Prior to any houses being moved or demolished, the petitioner will host a community meeting with CPC staff and households on the west side of Lenore and on the north and south sides of Frisbee from Telegraph to Winston, to explain and discuss environmental issues related to moving or demolishing the houses;

21. Homeowners on the west side of Lenore immediately adjacent to the project, with health issues (who have a documented medical history confirmed by a medical doctor), if desired, will be temporarily relocated during project demolition within 200 feet of the center of the right to way adjacent to the homeowner's house at the petitioner's expense;

22. If the petitioner in the future transfers management and/or ownership of the project site, the CPC staff shall be notified in writing and the petitioner shall provide evidence that the new management and/or ownership is aware of the PD conditions;

23. On-street parking on the east side of Lenore adjacent to the project be prohibited; and

24. Before the houses are moved or demolished, the developer provide regular security and maintenance to ensure that any vacant homes on Woodbine or the east side of Lenore in the project area are not vandalized, fall into disrepair (i.e., broken windows, open doors, etc.), or inhabited by squatters.

The development proposal, site plan, and elevations approved in this ordinance are incorporated herein by reference and shall be filed with the City Planning Commission and the Buildings and Safety Engineering Department in accordance with Section 110.0101 of the Official Zoning Ordinance of the City of Detroit.

**Section 2.** All ordinances or parts of ordinances in conflict with this ordinance are repealed.

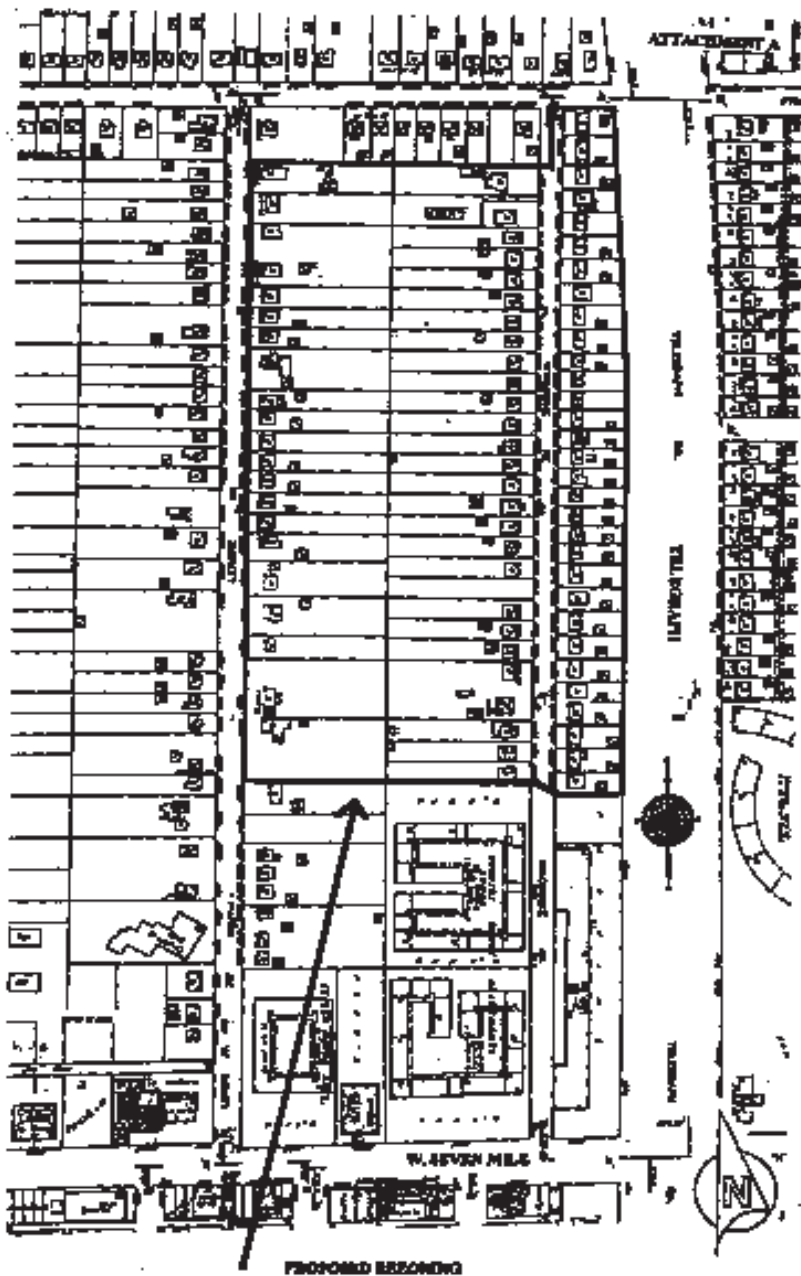

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

RESOLUTION SETTING HEARING

By Council Member Everett:

Resolved, That a public hearing will be held by this body in the Committee Room, 13th Floor of the Coleman A. Young Municipal Center, on MONDAY, NOVEMBER 1, 2004 AT 10:30 A.M., for the purpose of considering the advisability of adopting the foregoing proposed ordinance to amend Chapter 61 of the

1984 Detroit City Code Ordinance 390-G, as amended, the Detroit Zoning Ordinance, by amending Article XV, District Map No. 71 to show a PD (Planned Development District) zoning classification where an R1 (Single-Family Residential District) zoning classification is shown on property generally bounded by Frisbee Avenue, Telegraph Road, an east/west line about 780 feet north of West Seven Mile Road, and Lenore Avenue, with the exception of the south side of Frisbee Avenue from Woodbine to Lenore Avenues, at which time all interested persons are invited to be present to be heard as to their views.

Adopted as follows:

September 28, 2004

Honorable City Council:

Re: Petitioner of Perfecting Church to rezone property generally bounded by Woodward Avenue, Bryson, Bauman and Larchwood Avenue from B4 (General Business District) and R2 (Two-Family Residential District) zoning classifications to a PD (Planned Development District) zoning classification for the construction of a church, administration building and a parking structure (Recommend Approval).

Perfecting Church is requesting the rezoning of property bounded by Woodward, Bryson, Bauman and Larchwood from B4 and R2 to PD in order to construct a church, administration building, and parking structure on the approximately 12 acre site. This would comprise the first phase of the church's proposed comprehensive redevelopment of the general area.

**PROPOSED DEVELOPMENT**

Perfecting Church is proposing to construct a three-phase development that would include a church, an office building, and parking structure in the first phase. The second phase would entail the development of approximately 60 townhouses, which would be located north of phase one, bounded by Bauman, Bryson, and Carmel. The third and final phase includes the development of housing east of Bauman. The area that is the subject of the rezoning request includes the entire site for the first phase.

*Church Edifice*

The centerpiece of the development, the church edifice, would front on Woodward Avenue and contain a brick paved walkway spanning 80 feet from Woodward up to the building. A fountain would be located within the walkway midway between Woodward and the ceremonial entrance door.

The major vehicular access points would be provided from Bryson on the north end of the campus and Larchwood on the south end. Two access driveways would be provided off Larchwood linking to a 22 space surface parking lot. A circular drive including pick-up and drop-off lanes would also be located off Bryson, complimented with three (3) flagpoles.

The church edifice would contain 158,550 gross square feet and would be 3 stories in height. The amenities would include a fellowship hall, coffee shop, bookstore, and nursery. The sanctuary would contain approximately 4,236 seats, a choir stand, orchestra area, and gallery. Additional facilities include administrative offices, conference rooms and a 470-seat chapel with a retractable movie screen.

Building materials would include reddish colored face brick with rectangular glass windows that would be accented by pre-cast concrete panels, aluminum doors and windows.

The signature steeple, located in the center of the ceremonial entrance, would consist of large rectangular shaped glass windows and metal stud steel framing with a crème colored stucco finish. Three crosses, sized over three stories in height, would complete the steeple. A variety of trees, shrubs, flowers, and green spaces would be dispersed throughout the campus area.

The church monument sign would be located along Woodward Avenue to the northwest of the church edifice. The sign would be comprised of a 4-foot high by 12-foot wide brick base holding a 13.5-foot high sign. The sign would include an 8-foot wide by 3-foot high electronic marquee and one-foot high letters made of backlit Plexiglas. The top of the sign would have the signature cross, similar to the steeple. The entire campus development would be illuminated with 16-foot high light poles, small floodlights, and 42-inch high bollard lighting fixtures.

*Administration Building*

The administration building is the second piece of the campus development. The building would contain three floors with 35,790 gross square feet. The main entrance would be oriented toward Bryson Street and would be accessible from the circular drive drop-off area. A system of brick paved sidewalks would also link the building to the church and the adjacent surface parking lots. The surface parking lots in the rear of the building would provide 50 spaces.

A reconfigured Bryson Street would provide access to the building and the proposed parking structure. In addition, two vehicular access driveways located off Bryson would lead to the surface parking lots. A variety of shrubs, trees, and flowers would be planted around the perimeter of the building. Reddish colored brick with pre-cast concrete panels and rectangular glass windows would be used for the exterior of the administration building.

Amenities would include a television studio headquarter offices for church departments, conference rooms, a dining room, and a kitchen. Other facilities would include an exercise room, executive offices, and a mailroom. The first floor would provide an interior two-car garage and grounds maintenance garage on the east side of the building.

In addition, a skywalk would be provided from the second floor of the administration building to the second floor of the church edifice, located just above the proposed bookstore. The exterior of the skywalk would consist of the same reddish colored brick material that would comple-

ment the church and the administration building. Pedestrian walkways outside of the building would also be constructed to provide access to the church edifice and the parking garage.

#### *Parking Structure*

The four story parking structure, which would abut the church building, would provide 1,079 spaces. Auxiliary surface parking lots, located in the southeast corner of the campus behind the parking structure, would provide 80 spaces. The structure would consist of brick wall panels with long rectangular open spaces.

Pedestrian access would be provided outside of the structure with a series of sidewalks. There would be internal pedestrian access to the structure from the main church building lobby from the first floor of the structure. Three vehicular access driveways would be provided to the structure. Two vehicular driveways would be located off Larchwood and one would be located from Bryson Street. A cul-de-sac would be constructed off Penrose to accommodate the existing residential structure located on the north side of Penrose in the Phase II development area.

#### **EXISTING CONDITIONS**

The site of the proposed rezoning is comprised of scattered vacant structures and vacant land. Commercial structures are located along the Woodward Avenue frontage, which is zoned B4. The property located at 19200 Woodward Avenue is the only property that has not been acquired by the petitioner. Negotiations are still taking place with the owner. The remaining portion of the subject property contains vacant land and two (2) housing structures that are zoned R2. The residential structure will not be acquired and will remain a part of the Phase II development area.

#### **SURROUNDING ZONING AND LAND USE**

The zoning classifications and land uses surrounding the proposed development are as follows:

North: R2 (Two-Family Residential District) — single-family residential structures, the site of the Original New Grace Missionary Baptist Church and its proposed new housing development.

South: B4 (General Business District) — commercial structures along Seven Mile Road, including a McDonald's restaurant and a newly constructed motor vehicle filling station.

East: R2 (Two-Family Residential District) — single-family residential structures and vacant land.

West: R1 (Single Family Residential District) — single-family residential (Palmer Woods).

#### **PUBLIC HEARING RESULTS**

Six (6) persons spoke at the Planning Commission's public hearing on this matter. Three (3) persons who own business

property in the area expressed support. A representative of the owner of a property in the phase two area of Perfecting Church's plans expressed opposition to the proposed rezoning, stating that the proposed development would arbitrarily and unreasonably change the residential nature of the area and diminish the value of his client's property. A representative of the 12th Precinct Neighborhood Coalition asked several questions, which were responded to by the developer.

#### **ANALYSIS**

The scope of the proposed development is large; however, it is sited and is scaled in such a way that it will not appear overwhelming compared to the existing and proposed uses in the area. The plans include ample landscaping and sufficient pedestrian features that should provide a safe and pleasant campus atmosphere.

The proposed development appears to include adequate parking and loading areas that are more than generally required by the Zoning Ordinance. The site also appears to provide sufficient vehicular and pedestrian access to the church, administration building, and parking garage. Therefore, the amount of persons and vehicles that would be attracted to the site by facilities of the size proposed should not have a negative impact on the surrounding neighborhoods and businesses. The site's primary access point is off Woodward, which is a wide major thoroughfare, so there should be more than enough capacity to accommodate the traffic.

The proposed development is located in the North Sector and the State Fair Subsector of the Master Plan of Policies. According to the Master Plan, the proposed land use designations are MUR (Mixed Use Residential) along Woodward and RLM (Low-Medium Density Residential) within the core of the area. The Planning and Development Department (P&DD) has determined that the proposed development is not consistent with the Master Plan and has submitted a request to amend the Master Plan accordingly. However, the Coordinated Planning Act requires that adjacent cities and the County have an opportunity to review proposed Master Plan amendments prior to approval by local governing bodies. Upon the completion of the review process, the amendment can be considered for approval.

#### **CONCLUSION**

As proposed, the first phase of the Perfecting Church development complies with the requirements of parking and loading in the current Zoning Ordinance. Furthermore, the petitioner has fulfilled the requirements of the Traffic Engineering Division and other pertinent officials regarding access to and around the proposed development.

Moreover, the surrounding area is on

October 6

3259

2004

the brink of changing dramatically with plans for upscale retail and new residential homes to the north, as well as proposed developments at the State Fair Grounds. The proposed development would complement the future development of the area as well as provide a catalyst for development to occur south of Seven Mile Road.

#### RECOMMENDATION

The City Planning Commission voted on July 15, 2004 to recommend approval of the proposed rezoning with the understanding that the Detroit Master Plan of Policies will be amended so that the future land use designation for the subject area in the Plan is consistent with the proposed development, and with the condition that final site, landscape, signage plans, and elevations will be submitted to City Planning Commission staff for review and approval prior to the issuance of applicable permits.

The appropriate amendatory ordinance is attached for your consideration.

**AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, The Official Zoning Ordinance of the City of Detroit, being Ordinance 390-G, as amended, by amending Article XV, District Map No. 62 to show a PD (Planned Development District) zoning classification where B4 (General Business) and R2 (Two-Family Residential District) zoning classifications currently exist on property generally bounded by Woodward Avenue, Bryson, Bauman and Larchwood to allow for the construction of a 4,200-seat church, a 35,000 square foot administration building, and a 1,000-space parking structure.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Article XV, Chapter 61 of the 1984 Detroit City Code, which is the Official Zoning Ordinance of the City of Detroit, being Ordinance 390-G, as amended, be amended as follows:

(A) District Map No. 62 is amended to show a PD (Planned Development District) zoning classification where B4 (General Business District) and R2 (Two-Family Residential District) zoning classifications currently exist on property generally bounded by Woodward Avenue, Bryson, Bauman and Larchwood and more specifically described as:

Lots 1-26, both inclusive, and that part of lot 27 lying west of Bauman Avenue (50 feet wide) of "Ivanhoe Addition Sub. of Lot 2 of Peter Dixon's Sub." of E. 1/2 of S.W. 1/4 of Sec. 2, T. 1 S., R. 11 E., Greenfield,

Wayne Co., Michigan, as recorded in Liber 18, Page 70 of Plats, Wayne County Records.

Lots 1-28, both inclusive, lots 33-58, both inclusive, and that part of lots 29 & 32 lying west of Bauman Avenue (50 feet wide) of "Ivanhoe Smith and Matthew's Sub. of Lot 3" of the Subdivision of the E. 1/2 of the S.W. 1/4 of Sec. 2, T. 1 S., R. 11 E., Greenfield, Wayne Co., Michigan, as recorded in Liber 18, Page 16 of Plats, Wayne County Records.

Lots 1-32, both inclusive, lots 44-67, both inclusive, part of lot 33 lying west of Bauman Avenue (50 feet wide); that part of lots 42, 68, 69 and Wildwood Avenue lying southerly and westerly of the following line: beginning at the intersection of the easterly right-of-way line of Bryson Avenue (50 feet wide) and the southerly right-of-way line of Wildwood Avenue (50 feet wide); thence northeasterly along said Bryson Avenue to a point located 20 feet north of and perpendicular to the southerly right-of-way line of said Wildwood Avenue; thence easterly on a line parallel to said right-of-way line of Wildwood Avenue 100.00 feet; thence southeasterly 77.53 feet to a point located 30 feet southerly and 10 feet easterly of the northwest corner of lot 69; thence southeasterly 192.67 feet to the southwest corner of said lot 42 and the point of ending; being a part of "Forest Park Sub. of Lot 4" of the Subdivision of E. 1/2 of the S.W. 1/4 of Sec. 2, T. 1 S., R. 11 E., Greenfield, Wayne Co., Michigan, as recorded in Liber 18, Page 16 of Plats, Wayne County Record.

(B) The City Council approves the site plan and other development proposals for Perfecting Church's development of a 4,200-seat church, a 35,000 square foot administration building, and a 1,000-space parking structure as described in the drawings prepared by Commercial Builders and Architects, dated May 26, 2004, with the condition that final site plans, landscape plans, signage plans, and elevations must be submitted to the City Planning Commission staff for review and approval prior to the issuance of applicable permits.

(C) The site plan and other development proposals approved in this ordinance are incorporated herein by reference and shall be filed with the City Planning Commission and the Buildings and Safety Engineering Department in accordance with Section 110.0101 of the Official Zoning Ordinance of the City of Detroit.

**Section 2.** All ordinances or parts of ordinances in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

**Section 4.** If this ordinance is passed

 Honorable City Council:  
 Re: Neighborhood Enterprise Zone (NEZ) Certificate Application for 2216 Marlborough in the Far East Side Area (Recommend Approval).

The City Clerk's Office forwarded to this office an application from Mr. Herbert Anderson for a Neighborhood Enterprise Zone (NEZ) certificate for 2216 Marlborough, within the Far East Side NEZ.

The Far East Side NEZ was approved by City Council on September 18, 2002. The petitioner is proposing to rehabilitate an owner-occupied duplex.

The subject property is confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. It appears that the request for certificates has been filed prior to construction, as the State Act requires. The 2003 True Cash Value of the property was \$4,590, well below the maximum of \$80,000 per unit allowed by the State Act.

The City Planning Commission staff, therefore, recommends approval of the requested certificate in the Far East Side NEZ. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

Honorable City Council:  
 Re: Application for a Neighborhood Enterprise Zone Certificate for the Far East Side area.

On October 21, 1992, your Honorable Body established neighborhood enterprise zones. I am in receipt of one (1) application for a Neighborhood Enterprise Zone Certificate. This application has been reviewed and recommended for approval by the City Planning Commission, a copy of which is attached. Therefore, the attached Resolution, if adopted by your Honorable Body, will approve this application. A waiver of reconsideration is requested.

Respectfully submitted,

 Whereas, Michigan Public Act 147 of 1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise

Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992, on September 18, 2002.

Now, Therefore, Be It Resolved, That the City Council approve the following address for receipt of a Neighborhood Enterprise Zone Certificate for a twelve year period:

Honorable City Council:  
 Re: Forty (40) Neighborhood Enterprise Zone (NEZ) Certificate Applications for the Puritan/Lodge/Parkside/ Petoskey NEZ (Recommend Approval).

The City Clerk's Office has forwarded to our office forty (40) applications for NEZ certificates for the Puritan/Lodge/Parkside/Petoskey NEZ. The NEZ designation for the area generally bounded by Puritan, the Lodge Freeway, Parkside and Petoskey was approved by City Council on March 17, 2004. The City Planning Commission (CPC) staff has reviewed the applications and confirms that the forty (40) properties are in the NEZ-designated area and, therefore, recommends approval.

The certificates are being requested for 4010-01 Puritan, 4010-02 Puritan, 4010-03 Puritan, 4010-04 Puritan, 4010-05 Puritan, 4010-06 Puritan, 4010-07 Puritan, 4010-08 Puritan, 4010-09 Puritan, 4010-10 Puritan, 4010-11 Puritan, 4010-12 Puritan, 4010-13 Puritan, 4010-14 Puritan, 4010-15 Puritan, 4010-16 Puritan, 4010-17 Puritan, 4010-18 Puritan, 4010-19 Puritan, 4010-20 Puritan, 3900-01 Puritan, 3900-02 Puritan, 3900-03 Puritan, 3900-04 Puritan, 3900-05 Puritan, 3900-06 Puritan, 3900-07 Puritan, 3900-08 Puritan, 3900-09 Puritan, 3900-10 Puritan, 3900-11 Puritan, 3900-12 Puritan, 3900-13 Puritan, 3900-14 Puritan, 3900-15 Puritan, 3900-16 Puritan, 3900-17 Puritan, 3900-18 Puritan, 3900-19 Puritan, 3900-20 Puritan. The housing units should be eligible for NEZ certificates under Michigan Public Act 147 of 1992 as currently written.

NorthStar Community Development Corporation plans to construct forty (40) two and three bedroom condominiums in the area described above. The units would be 1,600-1,812 square feet with attached garages and appliances.

October 6

3263

2004

According to the corporation, the cost of the condominiums would range from \$91,133 to \$110,532.

NorthStar Community Development Corporation has applied for the forty (40) certificates prior to the issuance of building permits on behalf of the future owners own would eventually purchase the condominiums. The State Tax Commission, however, will not issue a certificate until an owner is identified. Once an owner is identified, he or she can apply for the certificate. At that time, it would not be necessary for the City Council to pass another resolution.

The CPC staff, therefore, recommends that the forty (40) NE certificate applications for the properties identified above be approved as submitted.

Honorable City Council:

Re: Establishment of the Parkside/Puritan/Princeton/Midland Neighborhood Enterprise Zone.

Attached for your consideration please find a resolution and legal description which will establish the Parkside/Puritan/Princeton/Midland Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on September 17, 2004 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The Act requires that at least 60 days must pass from the date of the notice of the public hearing to the date of your formal approval of a resolution establishing the NEZ. The date of the notice of the public hearing is July 14, 2004 and we therefore recommend that you approve the resolution at your regular formal session of Wednesday, September 22, 2004.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member Everett:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zones Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and

housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Parkside/Puritan/Princeton/Midland NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Parkside/Puritan/Princeton/Midland NEZ was conducted before the Detroit City Council on September 17, 2004, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Parkside/Puritan/Princeton/Midland NEZ are known:

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Parkside/Puritan/Princeton/Midland NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

#### Neighborhood Enterprise Zone (NEZ) Northstar Community Development Parkside, Princeton, Lodge/Midland, Puritan

Honorable City Council:

Re: Property For Sale By Development Agreement Development: Parcel 186; located on the east and west side of Marlborough between Mack and Charlevoix.

On June 11, 2002 (Legal News, Pg. 12), your Honorable Body authorized the sale of the above-captioned property to Marlborough Estates "LC", a Michigan Limited Liability Company, to complete the construction of their project for thirty-eight (38) single-family homes.

Marlborough Estates "LC", a Michigan Limited Liability Company, has informed the Planning & Development Department (P&DD) that due to unavoidable circumstances they were not able to complete

the project within the time allotted in the present Development Agreement. The Developer requests the extension to complete their project which is one-third complete. Consequently, Marlborough Estates "LC", a Michigan Limited Liability Company, is now requesting a twenty-four (24) month extension.

The Planning & Development Department has reviewed the request of Marlborough Estates "LC", a Michigan Limited Liability Company, and has determined it to be reasonable and consistent with the terms and conditions set forth in the Development Agreement.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing an amendment to the Development Agreement to extend the completion period of the development.

Respectfully submitted,

The City of Detroit acquired as tax reverted parcels through City Foreclosure, Lots 405 and 406, located on the South

side of Gratiot, between Seymour and Troester, a/k/a 13600 Gratiot.

The subject properties in question are vacant lots measuring 48.28' x 100' and zoned B-4. The purchaser proposes to use the properties as a "Parking Lot". This use is permitted as a matter of right per Section 94.0170 of the official Zoning Ordinance 390-G, subject to compliance with all relevant codes and ordinances.

We request your Honorable Body's approval to accept the Offer to Purchase from Magee Realty Company, for the sales price of \$7,500.00 on a cash basis plus an \$18.00 deed recording fee.

Resolved, That the Planning and Development Department is hereby authorized to accept this Offer to Purchase for properties described on the tax roll as:

Lots 405 and 406; "Seymour & Troester's Montclair Heights Subdivision No. 1" of part of Section 12, T. 1 S., R. 12 E., Gratiot Township, Wayne County, Michigan. Rec'd L. 38, P. 12 Plats, W.C.R.

Resolved, That the Planning and Development Department Director or his authorized designee is hereby authorized to issue a Quit Claim Deed to the purchaser, Magee Realty Company, upon purchaser obtaining zoning approval for the proposed development and upon receipt of the sales price of \$7,500.00 and the deed recording fee and in accordance with the conditions set forth in the Offer to Purchase.

Honorable City Council:

Re: Petition No. 2478 — Michigan/Livernois L.C.C., requesting for conversion of alley to easement in the area of Livernois and Michigan.

Petition No. 2478 of "Michigan/Livernois L.C.C.", requesting the conversion of a portion of the East-West public alley, 17.50 feet wide, (Dedicated to the City of Detroit on October 3, 1898 — J.C.C. Pg. 151) in the block bounded by Livernois Avenue, 120 feet wide, Military Avenue, 66 feet wide, Buchanan Avenue, 60 feet wide, and Michigan Avenue, 120 feet wide, into a private easement for utilities.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

If the petitioner at any time plans to discontinue use of the paved alley entrance (into Livernois Avenue), the petitioner shall pay all incidental removal cost.

All other city departments and private owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for utilities. Provisions protecting utility installations are part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
WILLIAM TALLEY

Head Engineer

City Engineering Division — DPW  
By Council Member Everett:

Resolved, All that part of Lots 82 and 83 of the "Plat of the Subdivision of the Estate of Stephen Livernois" being part of P.C. 574 recorded September 28, 1874 as recorded in Liber 180, Page 343, 344 and 345, Deeds, Wayne County Records, described as follows: commencing at the Southeast corner of Lot 1 in the "Plat of Stark's Subdivision" of Lots 56 and 86 of the Estate of Stephen Livernois on P.C. 574, Springwells (Now Detroit) Wayne County Michigan, T. 2. S. R. 11. E. as recorded in Liber 6 Page 57, Plats, Wayne County Records; thence S28°E, 74.38 feet to the point of beginning; thence S89°31'W, 96.97 feet; thence S28°E, 19.73 feet; thence N89°31'E, 96.97 feet; thence N28°W, 19.73 feet to the point of beginning, (being Dedicated to the City of Detroit on October 3, 1898 — J.C.C. Pg. 151);

Be and the same is hereby vacated as a public alley and is hereby converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing,

maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easements, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

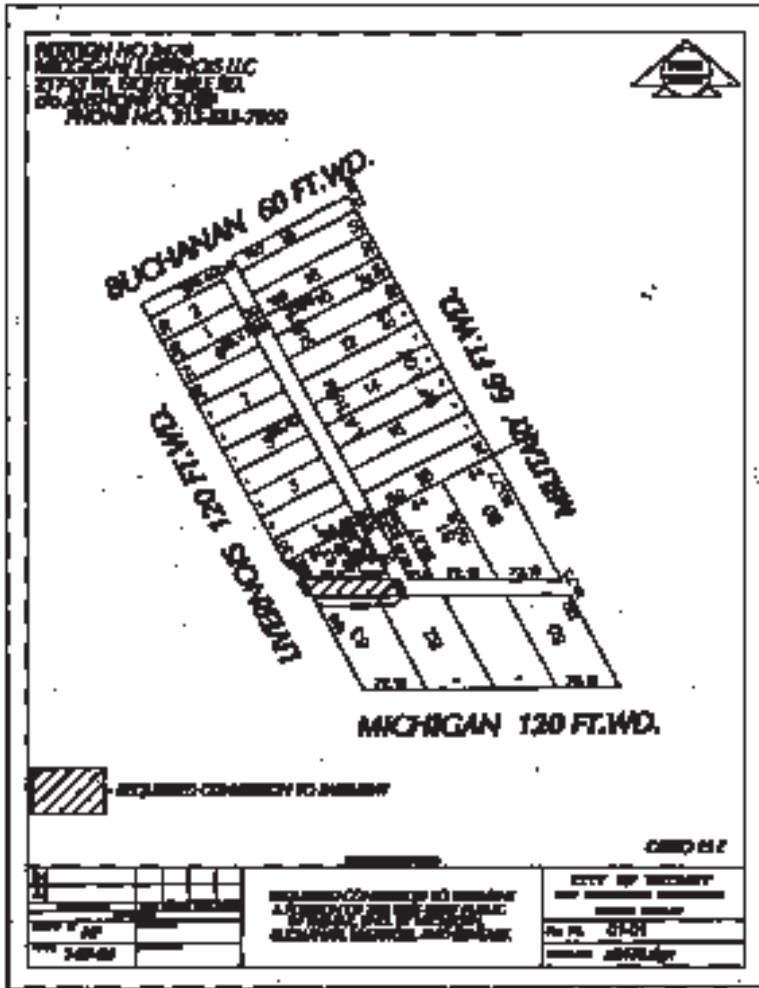

Provided, That if it becomes necessary to remove the paved return at the entrance (into Livernois Avenue), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Resolved, The Planning and Development Department Director is hereby authorized to issue a quit-claim deed to transfer the following vacated public right-of-way for the fair market value and/or other valuable consideration:

Land in the City of Detroit, County of Wayne, State of Michigan; All that part of Lots 82 and 83 in the "Plat of the

Subdivision of the Estate of Stephen Livernois" being part of P.C. 574 recorded September 28, 1874 as recorded in Liber 180, Page 343, 344 and 345, Deeds, Wayne County Records, described as follows: commencing at the Southeast corner of Lot 1 in the "Plat of Stark's Subdivision" of Lots 56 and 86 of the Estate of Stephen Livernois on P.C. 574, Springwells (Now Detroit) Wayne County Michigan, T. 2. Honorable City Council:  
Re: Petition No. 382 — Northwest Con-  
gregation of Jehovah's Witnesses et  
al., requesting vacation of a 10 feet  
portion of Puritan Avenue between  
Ardmore and Cruse.

Petition No. 382 of "Northwest  
Congregation of Jehovah's Witnesses et.  
al", at 14100 Puritan", Avenue, Detroit,  
Michigan 48227, request a outright vaca-  
tion and conversion to easement of a 10  
foot portion of Puritan Avenue 86 feet  
wide between Ardmore Avenue, 50 feet  
wide, and Cruse Avenue, 50 feet wide for  
utilities.

The request was approved by the Solid  
Waste Division — DPW, and the Traffic  
Engineering Division — DPW. The peti-  
tion was referred to the City Engineering  
Division — DPW for investigation (utility  
review) and report. This is our report.

Michigan Consolidated Gas Company  
(MichCon) reports no objections to the  
proposed right-of-way changes, provided  
that a 10.00 feet by 10.00 feet portion of  
Puritan Avenue, 86 feet wide remains an  
easement.

All other city departments and privately  
owned utility companies have reported no

objections to the conversion of the public right-of-way. Provisions protecting utility installations are part of this resolution (if necessary).

I am recommending adoption of the attached resolution.

Respectfully submitted,

WILLIAM TALLEY

Head Engineer

City Engineering Division — DPW

By Council Member Watson:

Resolved, All that part of the North 10.00 feet of Puritan Avenue, 86 feet wide, lying southerly of and abutting the South line of the West 46.08 feet of Lot 146, 147 and 148 all in the "Monnier-College Park Subdivision of the South 1/2 of the South-East 1/4 of the North-East 1/4 of section 18, T.1 S., R. 11 E., City of Detroit, Wayne County, Michigan" as recorded in Liber 49 Page 18, Plats, Wayne County Records;

Be and the same is hereby vacated as a public right-of-way to become part and parcel of the abutting property, subject to the following provisions;

Resolved, That part of the North 10.00 feet of Puritan Avenue, 86 feet wide, lying Southerly of and abutting the South line of the East 10.00 feet of Lot 146 in the "Monnier-College Park Subdivision of the South 1/2 of the South-East 1/4 of the North-East 1/4 of section 18, T. 1 S., R. 11 E., City of Detroit, Wayne County, Michigan" as recorded in Liber 49 Page 18, Plats, Wayne County Records;

Be and same are hereby vacated as a public street and are hereby converted into a public easement of the full width of the street, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of said street and by their heirs, executors, administrators and assigns,

forever to wit;

First, Said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

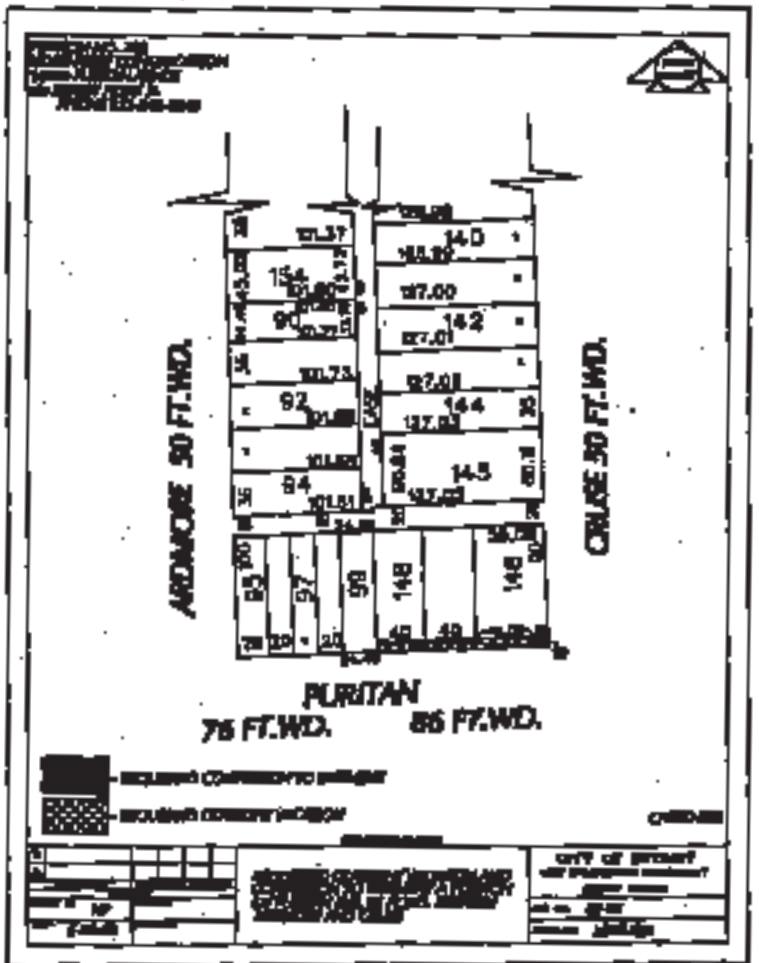

Second, Said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easements, nor change of sur-

face grade made, without prior approval of the City Engineering Division — DPW.

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this

resolution with the Wayne County Register of Deeds.

**JOHN A. MCCLENDON, SR.**

By COUNCIL MEMBER EVERETT:

WHEREAS, In 1974, John McClendon began his employment with the City of Detroit Department of Streets and Railways (D.S.R.) as a Transportation Equipment Operator; and

WHEREAS, After completing several weeks of intensive training, on August 8, 1974, John received his official badge making him an official T.E.O. (Bus Driver). As a newcomer, his first assigned route was the East Jefferson line. Since that time, he has driven every line assigned out of the Shoemaker Terminal, where he started and completed his career; and

WHEREAS, He enjoyed driving the streets of Detroit. His most favorite bus lines were, Cadillac, Caniff, Conant, Vernor, Oakland and his most loved, the Crosstown line. In 1970, the department changed its name to the Detroit Department of Transportation. Even with the changes, John continued to learn how to be a better operator for the City of Detroit; and

WHEREAS, Outside of driving for the department, John extended himself outside of his career. He was a team player for the basketball and softball teams for the department, enjoyed playing ping pong and shooting pool with his co-workers; and

WHEREAS, In the 1980's, John was selected to be a Line Instructor to help train new drivers. In 1994, he acquired training as a Gray Line Sightseeing Tour Operator, but chose not to pursue it. On many occasions, he was offered several management positions, but declined, due to his love for being on the road. He enjoyed transporting the citizens to and from their many destinations. This was his job satisfaction, and told many that his job was a blessing from God. After 30 years of dedicated service to the City of Detroit, John A. McClendon retired from a job that he loved. NOW, THEREFORE BE IT

RESOLVED, That the City of Detroit recognizes and congratulates John A. McClendon, Sr. on his many years of service to the Department of Transportation

and to the City of Detroit. His display of exemplary service will truly be missed.

## COMMUNICATIONS

FROM:  
Mayor's Office

October 4, 2004

Honorable City Council:

Re: Proposed Emergency Curfew Ordinance for the 2004 Halloween Season.

Pursuant to the 1997 Detroit City Charter, the above-referenced emergency ordinance is being submitted to your Honorable Body for consideration and approval. Due to the rapidly approaching 2004 Halloween Season, we request that the proposed emergency ordinance be introduced and passed at the earliest possible Formal Session. In addition we are requesting a waiver of reconsideration.

This proposed emergency ordinance for a superseding curfew for minors in the City of Detroit on Saturday, October 30, 2004, from 6:00 p.m. to 11:59 p.m., and on Sunday, October 31, 2004, from 12:00 a.m. to 6:00 a.m., only, for limited exceptions during this period.

We are available to answer any questions that your Honorable Body may have concerning this proposed emergency ordinance. Thank you for your consideration.

Respectfully submitted,  
KWAME M. KILPATRICK

Mayor

By Council Member K. Cockrel, Jr.:  
**AN EMERGENCY ORDINANCE to amend Chapter 33, Article III, of the 1984 Detroit City Code by adding Sections 33-3-11 and 33-3-12 to pro-**

vide for a superseding curfew for minors in the City of Detroit on Saturday, October 30, 2004, from 6:00 p.m. through 11:59 p.m. and on Sunday, October 31, 2004, from 12:00 a.m. through 6:00 a.m., only, and for limited exceptions during this period.

### DECLARATION OF EMERGENCY

WHEREAS, The nights preceding Halloween have been an occasion in previous years for dramatic increases in arson, nuisance, and vandalism within commercial, recreational, and residential areas throughout the City of Detroit; and

WHEREAS, Numerous acts of arson, nuisance, and vandalism have been committed in previous years on October 30th and 31st, which endangered the peace, health, safety, and welfare of the People of the City of Detroit; and

WHEREAS, These acts of arson, nuisance, and vandalism have been caused, in part, by minors; and

WHEREAS, There is a need for effectively governing the conduct of such minors within the City of Detroit for the purpose of alleviating and eliminating these problems; and

WHEREAS, The 2003 Halloween Season witnessed an effective emergency curfew ordinance for minors; and

WHEREAS, The peace, health, safety, and welfare of the community at large will benefit from curfew controls for minors during certain hours on these two (2) days;

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 33, Article III, of the 1984 Detroit City Code be amended by adding Sections 33-3-11 and 33-3-12, to read as follows:

#### **Sec. 33-3-11. Pre-Halloween and Halloween curfew hours.**

It shall be unlawful for a minor under eighteen (18) years of age to be on any public street, sidewalk, alley, park, playground, vacant lot, or at any other unsupervised outdoor public place during the following periods:

(1) Saturday, October 30, 2004, from 6:00 p.m. through 11:59 p.m.; and

(2) Sunday, October 31, 2004, from 12:00 a.m. through 6:00 a.m.

#### **Sec. 33-3-12. Same; exceptions.**

The curfew restrictions of Section 33-3-11 of this Code shall not apply to a minor under eighteen (18) years of age:

(1) Who is accompanied by his or her parent, legal guardian, or other responsible adult having the care, control, or custody of the minor; or

(2) Who is going to or returning from work; provided, i) that the minor's hours of employment do not violate state law, ii) that the minor possesses a signed statement issued by his or her employer within

October 13

3298

2004

the previous thirty (30) days setting forth the minor's hours of employment, and iii) that such minor shall be exempt from the curfew hours set forth in Section 33-3-11 of this Code for not more than one (1) hour before the minor's work day begins and for not more than one (1) hour after the minor's work day ends; or

(3) Who is going to or returning from night school, provided, that i) the minor possesses proof of enrollment in a public or private school, college, or other educational institution licensed or recognized as an educational institution by the Michigan Department of Education, and ii) such minor shall be exempt from the curfew hours set forth in Section 33-3-11 of this Code for not more than one (1) hour before the minor's class begins at such recognized educational institution, and for not more than one (1) hour after the minor's class ends at such educational institution.

**Section 2.** All ordinances, or parts of ordinances, in conflict with this ordinance are suspended on Saturday, October 30, 2004, from 6:00 p.m. to 11:59 p.m. and on Sunday, October 31, 2004, from 12:00 a.m. to 6:00 a.m., only.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** This ordinance shall be given immediate effect and become effective upon publication in accordance with the applicable provisions of the 1997 Detroit City Charter.

**Section 5.** This ordinance shall expire on the sixty-first (61st) day after enactment unless reenacted as an emergency ordinance.

Approved as to form only:

Honorable City Council:

Re: Proposed Emergency Ordinance

Prohibiting Dispensing of Fuel Into Portable Containers During the 2004 Halloween Season.

Pursuant to the 1997 Detroit City Charter, the above-referenced emergency ordinance is being submitted to your Honorable Body for consideration and approval. Due to the rapidly approaching 2004 Halloween Season, we request that the proposed emergency ordinance be introduced and passed at the earliest possible Formal Session. In addition we are requesting a waiver of reconsideration.

This proposed emergency ordinance prohibits of fuel into portable containers in the City of Detroit from 12:00 a.m. Thursday, October 28, 2004 through 11:59 p.m. Sunday, October 31, 2004, except for certain specified emergency situations. Further, the proposed ordinance provides that any person who violates any of the provisions of this division shall be guilty of a misdemeanor and, upon conviction shall be punished, for each such offense, by a fine not exceeding five hundred dollars (\$500.00), or by imprisonment for a period not exceeding ninety (90) days, or by both such fine and imprisonment in the discretion of the court.

We are available to answer any questions that your Honorable Body may have concerning this proposed emergency ordinance. Thank you for your consideration.

Respectfully submitted,  
KWAME M. KILPATRICK

Mayor

By Council Member K. Cockrel, Jr.:

**AN EMERGENCY ORDINANCE to amend Chapter 19, Article III, of the 1984 Detroit City Code by adding Division 12, entitled "Emergency Regulation of Fuel Dispensed Into Portable Containers," which shall contain Sections 19-3-191 through 19-3-194, to prohibit the dispensing of fuel into portable containers within the City of Detroit from Thursday, October 28, 2004, at 12:00 a.m. through Sunday, October 31, 2004, at 11:59 p.m., only, except for certain emergency situations, and to provide that any person who violates any of the provisions of this division shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished, for each such offense, by a fine not exceeding five hundred dollars (\$500.00), or by imprisonment for a period not exceeding ninety (90) days, or by both such fine and imprisonment in the discretion of the court.**

**DECLARATION OF EMERGENCY**

WHEREAS, The days preceding Halloween, and on Halloween, have been an occasion for a dramatic increase in

arson and the wilful and malicious setting of fires within commercial, residential, and recreational areas throughout the City of Detroit; and

WHEREAS, Numerous acts of arson and of the wilful and malicious setting of fires, which endangered the peace, health, safety and welfare of the People of the City of Detroit, have been committed in previous years on October 28, 29th, 30th, and 31st by various individuals; and

WHEREAS, During this period, such individuals have used fuel carried in portable containers to ignite many fires that have damaged or destroyed public and private property within the City of Detroit; and

WHEREAS, There is a need to prevent or reduce the ability of such individuals to obtain and transport fuel for the purpose of committing arson or the wilful and malicious setting of fires; and

WHEREAS, The peace, health, safety, and welfare of the community at large will benefit from a prohibition on the dispensing of fuel into portable containers during this time period.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 19, Article III, of the 1984 Detroit City Code be amended by adding Division 12, entitled 'Emergency Regulation of Fuel Dispensed Into Portable Containers', which shall contain Sections 19-3-191 through 19-3-194, to read as follows:

**DIVISION 12. EMERGENCY  
REGULATION OF FUEL DISPENSED  
INTO PORTABLE CONTAINERS**

**Sec. 19-3-191. Definitions.**

For purposes of this division, the following words and phrases shall have the meanings respectively ascribed to them by this section:

*Approved container* means a container that is constructed of metal, plastic or other materials, has been approved by the Detroit Fire Marshal, has a tight closure, is fitted with a spout or designed so that its contents can be poured without spilling, and is clearly marked with the name of the product contained therein including, but not limited to:

(1) American National Standards Institute/American Society of Testing Materials D 3435-80, 'plastic containers (jerry cans) for petroleum products', which do not exceed one (1) gallon liquid capacity;

(2) American Society of Testing Materials F 852-86, 'standard for portable gasoline containers for consumer use', which do not exceed one (1) gallon liquid capacity;

(3) American Society of Testing Materials F 976-86, 'standard for portable kerosene containers for consumer use', which do not exceed one (1) gallon liquid capacity; and

(4) American National Standards Institute/Underwriters Laboratory 1313-83, 'nonmetallic safety cans for petroleum products', which do not exceed one (1) gallon liquid capacity.

*Fuel* means a combustible or flammable liquid including, but not limited to, diesel fuels, ethylene gasohol, gasoline, and kerosene.

*Portable container* means an approved container or an unapproved container.

*Service station* means a business that is licensed by the State of Michigan to dispense fuel.

*Unapproved container* means a container that is not an approved container.

**Sec. 19-3-192. Prohibitions.**

(a) It shall be unlawful for any owner, supervisor, manager, attendant, or employee of a service station to dispense, or to permit the dispensing of, fuel into any portable container during the following days:

(1) Thursday, October 28, 2004, from 12:00 a.m. through 11:59 p.m.;

(2) Friday, October 29, 2004, from 12:00 a.m. through 11:59 p.m.;

(3) Saturday, October 30, 2004, from 12:00 a.m. through 11:59 p.m.; and

(4) Sunday, October 31, 2004, from 12:00 a.m. through 11:59 p.m.

(b) During the days delineated in subsection (a) of this section, it shall be unlawful for any person to have in his, or in her, possession any portable container that contains fuel.

**Sec. 19-3-193. Exceptions.**

(a) The prohibitions contained in Section 19-3-192 of this Code shall not apply where fuel is needed for a stalled vehicle, or for the purpose of heating a residence, or for an emergency generator, provided, that the owner, supervisor, manager, attendant, or employee of a service station obtains the following information in writing:

(1) The complete name, address, and driver's license, or state identification, number of the person obtaining the fuel;

(2) The amount of fuel obtained;

(3) The date, time, and reason for dispensing of the fuel; and

(4) Where the fuel is being obtained for a stalled vehicle, the license plate number and the state of registration for said vehicle, and the specific location of the stalled vehicle.

(b) Upon request, the information required in subsection (a) of this section shall be provided to the City of Detroit Fire Marshal's Office. This information shall be maintained by the owner(s), or a designee of the owner(s), of the service station until December 26, 2004, whereupon it shall be destroyed.

**Sec. 19-3-194. Penalty for violations.**

Any person who violates any provision of this division shall be guilty of a misdemeanor and, upon conviction thereof,

October 13

3300

2004

shall be punished, for each such offense, by a fine not exceeding five hundred dollars (\$500.00), or by imprisonment for a period not exceeding ninety (90) days, or by both such fine and imprisonment in the discretion of the court.

**Section 2.** All ordinances, or parts of ordinances, in conflict with this ordinance are suspended from Thursday, October 28, 2004 at 12:00 a.m. through Sunday, October 31, 2004, at 11:59 p.m., only.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** This ordinance shall be given immediate effect and become effective upon publication in accordance with the applicable provisions of the 1997 Detroit City Charter.

**Section 5.** This ordinance shall expire on the sixty-first (61st) day after enactment unless reenacted as an emergency ordinance.

Approved as to form only:

BRENDA E. BRACEFUL

Deputy Corporation Counsel

Read twice by title.

Council Member K. Cockrel, Jr., then moved that inasmuch as this ordinance was an emergency measure, it be placed on the order of third reading.

THIRD READING OF ORDINANCE.

The title to the ordinance was read a third time.

The ordinance was then read.

The question being "Shall this ordinance now pass?"

The ordinance was passed, a majority of the Council Members present voting therefor as follows:

Honorable City Council:

Re: Four Proposed Ordinances:

- 1) To Amend Chapter 9, Article I, of the 1984 Detroit City Code, the *Detroit Property Maintenance Code*,
- 2) To Amend Chapter 24, Article VI, of the City Code, *Rodent and Pest Control*,
- 3) To Amend to Chapter 50, Article VIII, of the City Code, *Snow Removal*; and
- 4) To Amend Chapter 57, Article V, of the City Code, *Weed Control*.

Pursuant to the applicable provisions of the 1997 Detroit City Charter, the above-referenced four (4) proposed ordinances are being submitted to your Honorable Body for consideration and approval. These ordinances include a proposed revision of Chapter 9, Article I, of the 1984 Detroit City Code, the *Detroit Property Maintenance Code*, as well as proposed amendment or repeal of certain other provisions in Chapter 24, 50, and 57 of the City Code commensurate with the proposed revisions of the *Detroit Property Maintenance Code*.

The first proposed ordinance amends Chapter 9, Article I, of the City Code by: 1) authorizing the issuance of blight violation notices for violations of this article presently designated as municipal civil infractions and for the adjudication of blight violations pursuant to state law and Chapter 8.5 of the City Code, *Blight*

*Violations*; 2) revising the civil fines for certain violations of this article, and providing for the imposition of a justice system assessment fee, pursuant to state law, and an administrative fee, pursuant to Chapter 8.5 of the City Code, for blight violation notices issued under this article; 3) revising this article to require the removal of snow and ice, or abatement of the condition, within twenty-four (24) hours after the snow or ice has fallen or formed; 4) revising the provisions in this article concerning excessive weed and plant growth; 5) revising the provisions in this article concerning rodent control and harborage; and 6) clarifying certain definitions and other property maintenance requirements contained in this article.

The second proposed ordinance amends Chapter 24, Article VI, of the City Code, *Rodent and Pest Control*, by repealing Division 3, *Rat Control*, as these provisions concerning rodent harborage are decriminalized, designated as blight violations, and incorporated into Chapter 9, Article I, the *Detroit Property Maintenance Code*.

The third proposed ordinance amends Chapter 50, Article VIII, of the 1984 Detroit City Code, *Snow Removal*, by repealing Division 1, *Generally*, which contains the requirements for the removal of snow and ice from sidewalks within twenty-four (24) hours after accumulation, as these provisions are also decriminalized, designated as blight violations, and incorporated into Chapter 9, Article 1, of the City Code, the *Detroit Property Maintenance Code*.

The fourth proposed ordinance amends Chapter 57, Article V, of the 1984 Detroit City Code, *Weed Control*, by revising the definition of noxious weeds commensurate with state law, by declaring that the growth of certain weeds, brush, and other plant growth shall be deemed a public nuisance, by clarifying the provisions authorizing the Department of Public Works to abate weeds, brush, and other plant growth, and by repealing the provision in this article which made a violation of the article a misdemeanor, as these provisions are also decriminalized, designated as blight violations, and incorporated into Chapter 9, Article 1, of the City Code, the *Detroit Property Maintenance Code*.

We request that these proposed ordinances be introduced at the earliest possible formal session, and that a public hearing be scheduled on the earliest possible date. In addition, we request a waiver of reconsideration.

We are available to answer any questions that your Honorable Body may have concerning these proposed ordinances. Thank you for your consideration.

(9) The owners of the Ambassador Bridge, the Detroit River Railroad Tunnel, and the Detroit-Windsor Tunnel shall have these structures thoroughly inspected and examined by competent personnel at their own expense and at intervals not to exceed five (5) years and shall furnish the Director of the Buildings and Safety Engineering Department with a written report setting forth the true conditions thereof;

(10) The exposed length of any metal or masonry stack eighteen (18) inches or more in diameter and twenty-five (25) feet or more in length above ground or roof shall be inspected at least every five (5) years by competent personnel, including steeplejacks, employed by the owner or user of such stack who shall furnish the Buildings and Safety Engineering Department with a written report on the condition of the stack and its support;

(11) To ensure compliance with the provisions of the Michigan Construction Codes, enacted pursuant to Section 4 of the Derosssett-Hale Single State Construction Code Act, being MCL 125.1504, the Housing Law of Michigan, being MCL 125.401 *et seq.*, and any other applicable law or provision in the 1984 Detroit City Code regulating the maintenance, occupancy, and use of buildings, premises, or structures; or

(12) To protect the health, safety, and welfare of the public.

(e) The Public Health Director shall conduct inspections to obtain compliance with this article based upon, at least, one (1) of the following:

(1) The receipt of a complaint or other notice of a possible violation of this article;

(2) An observation by the Public Health Director, or his or her authorized ~~City~~ local official or designee, of a possible violation of this article;

(3) Pursuant to the designation of an area within the City where all buildings, premises, and structures are to be uniformly inspected;

(4) Pursuant to a request for inspection by the owner, or authorized agent of the owner, of the building, premises, or structure;

(5) To ensure compliance with the provisions of the Housing Law of Michigan, being MCL 125.401 *et seq.*; or

(6) To protect the health, safety, and welfare of the public.

**Sec. 9-1-36. Certificate of compliance required; violation for failure to obtain; temporary certificate and modifications.**

(a) The following buildings and structures shall be required to have a certificate of compliance issued by the Buildings and Safety Engineering Department:

(1) All buildings and structures required to be inspected pursuant to Section 9-1-35(d) of the 1984 Detroit City Code; and

(2) One- and two-family dwellings, or any part of a residential structure, which are occupied by persons pursuant to an oral or written rental contract or lease agreement for monetary compensation. This requirement shall not include one-family dwellings which are occupied by the owner of the structure and the owner's immediate family and those portions of a two-family dwelling which are occupied by the owner and the owner's immediate family.

(b) As required by this article, certificates of compliance for buildings and structures shall be issued, upon inspection, by the Buildings and Safety Engineering Department, correction of any violations, and a determination by the Buildings and Safety Engineering Department that the building or structure is in compliance with this article.

(c) The certificate of compliance, that is issued by the Buildings and Safety Engineering Department pursuant to this article, shall be posted in a conspicuous place within the building or structure and readily available for inspection with the exception of certificates of compliance issued for one- and two-family rental dwellings. Certificates of compliance for one- and two-family rental dwellings shall be maintained by the owner and made available upon request by the Director of the Buildings and Safety Engineering Department or the Public Health Director, or their authorized City local officials or designees, or by any current or prospective tenant.

(d) It shall be unlawful to occupy or use a building, premises, or structure required to have a certificate of compliance under this article, or cause same to be occupied, without the required certificate of compliance for the building, premises, or structure. Upon the issuance of a ~~municipal civil infraction blight violation notice or a municipal civil infraction citation~~ and a finding that the building, premises, or structure is unsatisfactory for human habitation, the Director of the Buildings and Safety Engineering Department or Public Health Director may order such building, premises, or structure vacated.

(e) Whenever there are practical diffi-

culties involved in carrying out the provisions of this article, the Director of the Buildings and Safety Engineering Department shall have the authority to ~~issue a temporary certificate of compliance or grant modifications for individual cases, provided the Director of the Buildings and Safety Engineering Department shall first find a specific reason that:~~

(1) Would make the strict letter of this article impractical;

(2) The modification from the requirement is in compliance with the intent and purpose of article; or

(3) Such modification does not lessen any health and safety requirements of any provision of Michigan law, of this article, or of the 1984 Detroit City Code as determined by the appropriate City official.

(f) The details of any action granting a modification from this article shall be recorded, entered, and maintained in the records of the Buildings and Safety Engineering Department.

**Sec. 9-1-37. Suspension of certificate of compliance.**

(a) The Director of the Buildings and Safety Engineering Department may suspend a certificate of compliance ~~or a temporary certificate of compliance~~ where the owner fails to comply with one (1) or more ~~municipal civil infraction blight violation notices or municipal civil infraction citation~~. The suspension of a certificate of compliance shall be by written notice to the owner of the building, premises or structure, or his or her legal representative, and contain the specific reason for the suspension.

(b) It shall be unlawful for any rental dwelling to be occupied for more than sixty (60) days after the written notice of suspension of the certificate by the Buildings and Safety Engineering Department, provided, that where the notice of suspension states there is an immediate danger due to a violation or violations of this article, the dwelling may be ordered immediately vacated ~~by the Director of the Buildings and Safety Engineering Department, or his or her designee~~, and any occupancy shall therefore be unlawful.

**Sec. 9-1-45. Posting notice on buildings, premises, and structures; prohibited occupancy; removal of notice; failure to comply with notice or order.**

(a) Upon failure of the owner of the building, premises or structure, or the person responsible, to comply with a notice or order issued by the Director of the Buildings and Safety Engineering Department or the Public Health Director concerning an unsafe or unlawful building, premises, or structure unfit for human occupancy within the time given by the notice or order, the Director of the

Buildings and Safety Engineering Department or the Public Health Director, or their authorized ~~City local~~ officials or designees, shall post on the building, premises, or structure, or on defective equipment, a notice visible to the public bearing the words "Closed by Authority of the City of Detroit Director of the Buildings and Safety Engineering Department" or "Closed By Authority of the City of Detroit Public Health Director" and a statement of the penalties for occupying the building, premises, or structure subject to the notice, or removing the notice posted pursuant to this section.

(b) It shall be unlawful for any person to occupy a building, premises, or structure subject to a posted notice of closure or to operate equipment, devices, or fixtures therein, or for any owner or any person responsible for the building, premises, or structure, to allow any person to occupy such a building, premises, or structure or operate equipment, devices or fixtures, therein, subject to the posted notice.

(c) The Director of the Buildings and Safety Engineering Department or the Public Health Director, or their authorized ~~City local~~ officials or designees, are authorized to remove the notice closing the building, premises, or structure whenever the defect or defects upon which the action of posting the closing notice were based upon has or have been eliminated. It shall be unlawful for any person to deface or remove any closing or condemnation notice from any building, premises or structure without the authorization of the Director of the Buildings and Safety Engineering Department or the Public Health Director, or to fail to comply with any notice or order of the Director of the Buildings and Safety Engineering Department or the Public Health Director under this section.

***Subdivision A. Requirements for Exteriors of Buildings, Premises, and Structures***

***Part I. General Requirements***

**Sec. 9-1-101. Accumulation of solid waste prohibited; owner; occupants.**

(a) All exterior of buildings, premises, and structures shall be maintained free from any accumulation of solid waste and be maintained in a clean, safe and sanitary condition.

(b) The occupant of the building, premises, or structure shall keep that portion of the exterior area that is under the occupant's control in a clean, safe, and sanitary condition.

(c) Solid waste shall be separated and stored in approved containers in accordance with the requirements of Chapter 22, Article II, of the 1984 Detroit City Code, which is enforced by the ~~Environmental Enforcement Branch of the City of Detroit Municipal Ordinance~~

~~Violations — Bureau~~ Department of Environmental Affairs.

**Sec. 9-1-103. Driveways, parking spaces and lots, sidewalks, stairs, walkways, and similar areas of traverse; removal of snow and ice from sidewalks.**

(a) All driveways, parking spaces and lots, sidewalks, stairs, walkways, and similar areas of traverse shall be kept in a good repair, be maintained free from hazardous conditions, and be maintained to prevent the accumulation of stagnant water thereon.

(b) All parking lots and parking areas shall be free of cracks and holes. Any cracks and holes shall be patched with approved like materials. All parking surfaces should be properly sealed. All commercial parking spaces should be striped and of sufficient width for the intended vehicles in accordance with the Detroit Zoning Ordinance, being Chapter 61 of the 1984 Detroit City Code. All parking areas adjacent to public right of ways shall be separated by a minimum of bumper blocks pinned in place. All exterior lighting fixtures for parking areas shall be in good condition. All parking areas shall be maintained free of weeds and plant growth in excess of eight (8) inches (204 mm) and of litter.

(c) Snow or ice that has fallen or formed on any sidewalk in the front, rear, or on the sides of any house, premises, building or lot owned, occupied or controlled shall be removed within twenty-four (24) hours after the snow or ice has fallen or formed, or a quantity of salt, sand, ashes or other approved materials applied to the snow or ice sufficient to render the sidewalk safe for persons to walk upon. However, snow or ice shall not be plowed, shoveled, brushed or piled from private properties, other than residential, onto the paved roadway of any City street or highway. Snow or ice plowed, shoveled or brushed from any residential property or public sidewalk shall not be placed in any manner so as to interfere with public travel.

**Sec. 9-1-104. Weeds and plant growth.**

All premises and exterior property shall be maintained free from weeds or plant growth in excess of ~~ten (10)~~ eight (8) inches (204 mm) and from all noxious weeds. For purposes of this section, weeds and plant growth shall include all grasses, annual plants and vegetation, other than trees or shrubs, but does not include plant growth in exterior areas where flowers and gardens are maintained and cultivated.

**Sec. 9-1-105. Rodent control and harborage; storage and handling of items, certification of buildings where food or foodstuffs are stored or processed; alteration of buildings and ratproofing.**

(a) All buildings, premises, and structures and exterior property, including all vacant or unimproved property, shall be ratproofed and maintained in a ratproof condition and be kept free from rodent harborage and infestation. Where rodents are found, they shall be promptly exterminated by approved processes which will not be injurious to human health. After extermination, proper precautions shall be taken to eliminate rodent harborage and prevent reinfestation. The owner of such building of vacant or unimproved property shall be responsible for complying with the provisions of this section.

(b) No building, premises, or structure shall be used for the storage or handling of solid waste, including debris, garbage, litter and rubbish, which provide a place for rodents to harbor.

(c) All barrels, bottles, building materials, boxes, cans, cartons, containers, fabricated goods, food, foodstuff, junk, lumber, machinery, raw materials and similar things which may afford harborage or food for rats shall be kept, stored or handled in a manner or method approved by the Public Health Director.

(d) Whenever there is a rat infestation in any building, open area or other premises, the occupants thereof and, in the case of a multiple dwelling, the owner thereof, shall immediately institute rat control and shall continuously maintain such measures until any such building, open area or other premises are declared by the Public Health Director to be free of rat infestation.

(e) No building or part thereof shall be used as a place where food or foodstuff is stored, processed, prepared, manufactured, sold or offered for sale unless such building or part thereof is free from vermin and rodents. No license shall be issued for the storing, processing, preparing, manufacturing, selling or offering for sale of any food, foodstuff or food products until the applicant therefor secures approval or a certification from the Public Health Director that the place where such operation is to be conducted is of ratproof construction or has been rendered ratproof.

(f) Owners, occupants, contractors, employees or agents of public utilities or any other persons, who makes alterations, additions, extensions, enlargements or repairs or in the installation of wires, conduits, pipes or other installations or for any other purpose, shall not remove or fail to restore in like condition the ratproofing from any building or to make new openings therein that are not ratproofed.

(g) A person shall not feed wild birds other than from approved food containers, which shall be elevated at least forty-eight (48) inches above the ground level.

#### **Sec. 9-1-109. Swimming pools.**

(a) Swimming pools shall be maintained in a clean and sanitary condition. Pools shall be entirely enclosed by at least a four (4) foot wire mesh fence or other type fence which prevents direct access to the pool. Pools shall have a self-latching gate maintained in good repair.

(b) Swimming pools shall be equipped with a properly maintained water filtration device and shall be installed in a manner consistent with the Michigan Construction Codes, enacted pursuant to Section 4 of the Derossett-Hale Single State Construction Code Act, being MCL 125.1504. In grade swimming pools shall be equipped and maintained with adequate underwater lighting to render visible all areas of the pool floor and walls. Swimming pools that are not in use shall be completely drained of all standing water, and either barricaded against trespass or completely filled in with Grade A fill soil or sand.

#### **Sec. 9-1-221. Storage of certain items.**

(a) It shall be unlawful to store, outside a building, premises, or structure, items such as firewood that is not stacked and useable, construction material, excluding such material that is stored in a manner to protect its utility and prevent deterioration and that is reasonably expected to be used at the site, or any other items which are of a type or quantity inconsistent with the normal and usual use of the building, structure, or premises.

(b) Storage of firewood for domestic use on the premises shall be permitted where such wood is stored on a rack at least eighteen (18) inches above ground or in an alternate approved method to prevent the harborage of rats or other vermin.

#### **Sec. 9-1-312. Protection of basements and cellars.**

Every multiple dwelling having twenty (20) or more sleeping rooms or sleeping accommodations for forty (40) or more persons and exceeding two (2) stories in height and having a basement or cellar, the floor above which is not of fireproof construction, shall have its basement or cellar ceiling protected with metal lath and three-quarters (3/4) of an inch of Portland cement or gypsum plaster, or fire-rated material of equal rating, or the basement or cellar shall be protected with approved automatic sprinkler system or an approved self-supervised and ~~property~~ properly maintained automatic sprinkler system or an approved self-supervised and properly maintained automatic fire alarm system. The floor of the cellar or lowest floor in every dwelling shall be free from dampness, and when determined to be necessary by an authorized ~~City~~ local official, shall be concreted with not less than three (3) inches of concrete of good quality and with a finished surface.

**Sec. 9-1-332. Disposal of domestic solid waste from buildings or structures.**

(a) All occupants of buildings and structures shall dispose of all domestic solid waste in a clean and sanitary manner.

(b) Domestic solid waste shall be separated and stored in accordance with the requirements of Chapter 22, Article II, of the 1984 Detroit City Code, which is enforced by the ~~Environmental Enforcement Branch of the City of Detroit Municipal Ordinance Violations Bureau~~ Department of Environmental Affairs.

**Sec. 9-1-333. Disposal of commercial solid waste by commercial establishments.**

The owner or operator of every commercial establishment that produces commercial solid waste shall separate and store such solid waste in accordance with the requirements of Chapter 22, Article II, of the 1984 Detroit City Code, which is enforced by the ~~Environmental Enforcement Branch of the City of Detroit Municipal Ordinance Violations Bureau~~ Department of Environmental Affairs.

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** All proceedings pending and all rights, liabilities, and penalties existing, acquired, or incurred at the time this amendatory ordinance takes effect are saved and may be continued and consummated in accordance with state law and the City ordinance in force when they were commenced. This amendatory ordinance shall not be construed to affect any municipal civil infraction proceeding, penalty, forfeiture, or liability incurred pending before the effective date of this amendatory ordinance.

**Section 5.** This ordinance shall be effective on December 1, 2004 in accordance with Section 4-115(3) of the 1997 Detroit City Charter.

Honorable City Council:

Re: Lease With The United States of America Through its Federal Aviation Administration For Land Required to Support Navigational Aids at the C. A. Young Municipal Airport DOT-FA72CE-6629 Supplemental 9.

The Federal Aviation Administration installs, operates and maintains certain aircraft navigational aid facilities at the airport with no cost to the airport. Supplemental 9 is to amend Lease # DOT-FA72CE-6629 to install and operate a 30 foot fold down stand along weather sensor (SAWS) tower on a parcel of land approximately 8 feet by 32 feet, located 617± feet northwest and parallel to Runway 15-33 centerline.

The Airport Department respectfully request from your Honorable Body a Waiver of Reconsideration to allow the Department to enter into the attached lease amendment with the FAA and proceed with the project in a timely manner.

Respectfully submitted,

DELBERT BROWN

Director

**AN ORDINANCE to amend Chapter 57, Article V, of the 1984 Detroit City Code, Weed Control, by retitling the article Abatement of Weeds, Brush, and Other Plant Growth, by repealing Section 57-5-2.1, by repealing Section 57-5-2, and by amending Sections 57-5-1, 57-5-3, 57-5-4, 57-5-5, and 57-5-6 to revise the definition of noxious weeds commensurate with state law, to declare that the growth of certain weeds, brush, and other plant growth shall be deemed a public nuisance, to clarify the provisions authorizing the Department of Public Works to abate weeds, brush, and other plant growth, and to make this article commensurate with amendments to the 1984 Detroit City Code designating certain violations contained within this article as blight violations and incorporating them as requirements of Chapter 9, Article I, of the 1984 Detroit City Code, the Detroit Property Maintenance Code.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 57, Article V, of the 1984 Detroit City Code, *Weed Control*, be amended by retitling the article *Abatement of Weeds, Brush, and Other Plant Growth*, by repealing Section 57-5-2.1, by repealing Section 57-5-2 and adding substitute Section 57-5-2, and by amending Sections 57-5-1, 57-5-3, 57-5-4, 57-5-5 and 57-5-6, to read as follows:

**ARTICLE V. WEED CONTROL  
ABATEMENT OF WEEDS, BRUSH,  
AND OTHER PLANT GROWTH**

**Section 57-5-1. "Poisonous or injurious weeds" defined; same declared common nuisance.**

For the purpose of this article, "poisonous or injurious weeds" shall include those species and varieties designated as noxious by Michigan Compiled Laws 1948, sections Chapter 247, Highways, Control and Eradication of Noxious Weeds, being MCL 247.61 to 247.72 (MSA 9.631(1) — 9.631(12)). In addition, the following species and vari-

eties of plants are hereby designated as injurious weeds ~~and declared to be a common nuisance~~: Ragweed (any species of *Ambrosia*), poison ivy (*Rhus radicans*), poison sumac (*Toxicodendron vernix*), poison oak (*Toxicodendron quercifolium*), marijuana (*Cannabis sativa*) and Belladonna (*Amaryllis belladonna*). ~~The Director of the Department of Health and Wellness Promotion, or his or her designee, is hereby empowered to designate and declare, by a written rule or regulation, additional species and varieties of plants as injurious within the meaning of this article, on the basis of implication of such species or varieties as actually or potentially injurious to the public health. All such weeds are also declared to be a common nuisance.~~

**Sec. 57-5-2. Growth of certain weeds and brush prohibited.**

~~It shall be unlawful for any owner, occupied, agent or other person having control or management of any land, either public or private, either occupied or vacant, within the city, to allow the presence thereon or on any portion thereof of:~~

- ~~(1) Poisonous or injurious weeds;~~
- ~~(2) Other weeds of any species or variety exceeding eight (8) inches in height;~~
- ~~(3) Wild growing brush or underbrush exceeding one foot in height.~~ Repealed.

**Sec. 57-5-2. Poisonous, injurious or noxious weeds, certain other brush, or plant growth declared a public nuisance.**

Any poisonous, injuries or noxious weeds, any species or variety of plants designated and declared by the Director of the Department of Health and Wellness Promotion, or his or her designee, to be potentially injurious to the public health pursuant to Section 57-2-1 of this Code, any other weeds of any species or variety exceeding eight (8) inches in height, any wild growing brush or underbrush exceeding one (1) foot in height on any land, either public or private, either occupied or vacant, within the City are declared to be a public nuisance.

**Secs. 57-5-2.1. Responsibility of owner.**

~~It will be prima facie evidence of ownership that a corporation, partnership or individual is listed as owner of the property in the tract index. In the absence of a written agreement to the contrary between the owner and any other person, the owner is responsible for keeping his property free of weeds.~~ Repealed.

**Sec. 57-5-3. Abatement of weeds and brush in violation of article Responsibility for abatement of poisonous, injurious or noxious weeds, certain other plant growth declared a public nuisance; abatement by the City.**

(a) The owner of any property is responsible for the abatement of any

weeds or plant growth declared to be a public nuisance. It shall be *prima facie* evidence of ownership where a corporation, partnership or individual is listed as owner of the property in the tract index. In the absence of a written agreement to the contrary between the owner and any other person, the owner shall be responsible for abatement under this section.

(a)(b) In any case in which the owner, occupant, agent or other person having control or management of any land allows the presence thereon or on any portion thereof of any weeds, ~~or brush or other plant growth in violation of which constitute~~ a public nuisance under the provisions of Section 57-5-2 of this Code, the Department of Public Works ~~Department~~ shall notify by certified or registered mail, with return receipt requested, the owner, occupant, agent or person having control of the land on which ~~noxious~~ such weeds, brush, or other plant growth are growing to abate the violation within ten (10) ~~working~~ business days.

(b)(c) Upon the failure, neglect of any such owner, occupant, agent or other person to abate ~~the stated violations~~ a public nuisance under this article within the stated time, the Department of Public Works ~~Department~~ may assign such employees to enter upon the land and to destroy such weeds, brush or other plant growth by spraying, cutting or by other acceptable methods or enter into a contract for the destruction of the weeds, brush, or other plant growth; and provided further, that the City shall have a lien upon such lands for such costs and expense, such lien to be enforced in the manner prescribed in state law and in the City Charter for the enforcement of tax liens. Any costs or expense in such abatement, if not paid to the City within sixty (60) days from the date a statement thereof was forwarded to the party, shall be reported to the Board of Assessors, who shall assess the amount against the land in question; provided, that if the cost or expense or any one parcel ~~or lot~~ of land is not more than ~~five dollars (\$5.00)~~ fifty dollars (\$50.00), it shall be charged to appropriate funds of the City; ~~and provided further, that any~~ A failure to give ~~such~~ written notice under this section shall not constitute a defense to any action to enforce the provisions of Section 57-5-2 of this Code.

**Sec. 57-5-4. Publication of notice in lieu of notice required by Section 57-5-3; contents of published notice.**

In lieu of the notice required by Section 57-5-3 of this Code, ~~the city through the~~ Department of Public Works ~~Department~~ may publish a notice in a newspaper of general circulation in the county during the month of March that weeds, brush or other plant growth not cut by ~~June first~~ May 1st of that year will be cut by the City and the owner of the property charged with the costs under the provisions of

Section 57-5-3 of this Code. The publication shall also contain all other information required of the notice provided for in Section 57-5-3 of this Code. The City may cut weeds, brush, or other plant growth as many times as is necessary and charge the cost or expense to the property owner.

**Sec. 57-5-5. Enforcing officers granted access to premises; obstruction of officers prohibited; liability of officers in action of trespass.**

~~The Public Works Department's authorized representatives of the Department of Public Works shall be granted free access to and from any land for the purpose of investigation to determine whether violations of this article exist, and for the work necessary to accomplish the abatement of any violation of this article found to exist. No person shall obstruct or prevent such work. Such authorized representatives, after performing their duties in a prudent manner, shall not be liable for suit in any action of trespass therefor, and shall be defended in any action arising therefrom by the corporation counsel until the final disposition of the proceeding.~~

**Sec. 57-5-6. City reserves right to reject claims for damages.**

In the event of destruction or damage of ~~vegetation~~ any plant growth not declared ~~unlawful~~ by this article to be a public nuisance during the course of normal operations directed at destruction of ~~vegetation~~ any plant growth declared ~~unlawful~~ to be a public nuisance by this article growing on the same tract, part or parcel of land, the City reserves the right to reject all claims resulting from such damage.

**Section 57-5-7 — 57-5-10. Reserved.**

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** All proceedings pending and all rights, liabilities, and penalties existing, acquired, or incurred at the time this amendatory ordinance takes effect are saved and may be continued and consummated in accordance with state law and the City ordinance in force when they were commenced. This amendatory ordinance shall not be construed to affect any municipal civil infraction proceeding, penalty, forfeiture, or liability incurred pending before the effective date of this amendatory ordinance.

**Section 5.** This ordinance shall be effective on December 1, 2004 in accordance with Section 4-115(3) of the 1997 Detroit City Charter.

Approved as to form only:

BRENDA E. BRACEFUL

Deputy Corporation Counsel

Read twice by title ordered printed and

Honorable City Council:

Re: Address: 1523 E. Jefferson. Name: Hanna Karcho. Date ordered removed: June 16, 2004 (J.C.C. pp. 2084-86).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 7, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of August 31, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of six (6) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

Re: Neighborhood Enterprise Zone Certificate applications for new construction of single-family homes at 3344 Hendricks and 3362 Hendricks located in the Gratiot McDougall Homes NEZ area (Recommend Approval).

The City Planning Commission (CPC) office has received two (2) applications for Neighborhood Enterprise Zone (NEZ) certificates, forwarded from the City Clerk's Office on September 9, 2004. The

applications correspond to the properties located at 3344 and 3362 Hendricks. CPC staff has reviewed the applications and recommends approval.

Gratiot McDougall Homes, L.L.C. intends to construct two (2) 3-bedroom single-family homes on approximately 18 acres on the south side of Hendricks between Elmwood and Ellery in the Gratiot McDougall Homes NEZ. The NEZ certificate applications appear to have been submitted prior to the issuance of any applicable building permits.

The boundaries of the Gratiot McDougall NEZ include Hunt to the north, the alley east of Chene to the west, E. Vernor to the south and the alley west of Mt. Elliott on the east. The properties in question have been confirmed as being within the boundaries of the Gratiot McDougall Homes NEZ and should be eligible for a NEZ Certificate in accordance with State Act 147 of 1992. The estimated cost to construct each home is \$173,066.

 Re: Historic Designation Advisory Board submitting its final report on the proposed Fort Shelby Hotel Historic District.

At the direction of the Historic Designation Advisory Board at its meeting of June 11, 2004, I am pleased to submit to your Honorable Body the board's final report on the proposed Fort Shelby Hotel Historic District. The recommendation of the Advisory Board is for designation and, therefore, a draft ordinance of designation is attached. The ordinance has been approved as to form by the Law Department.

This designation was requested by the developers. *Ad hoc* members of the Advisory Board for this study were Marsha Ross, representing the ownership interest (Ms. Ross appointed Leo Philips to represent her); and Emmett Moten, representing the development partnership. Both *ad hoc* members voted to recommend designation.

Also attached is a copy of the minutes of the public hearing held by the Advisory Board on this matter. The Historic District Commission report and comment and its Master Plan Review as it relates to the proposed historic district is also attached, as is correspondence received relative to the designation.

If you should have any questions, I may be reached at 4-3487.

**Historic Designation Advisory Board**  
**Preliminary Report Concerning**  
**Proposed Fort Shelby Hotel Historic District**  
**Final Report**

By a resolution dated February 18, 2004, the Detroit City Council charged the

Historic Designation Advisory Board, a study committee, with the official study of the proposed Fort Shelby Hotel Historic District in accordance with Chapter 25 of the 1984 Detroit City Code and the Michigan Local Historic Districts Act.

The proposed Fort Shelby Hotel Historic District contains a single resource built in two stages, located at 525 West Lafayette (at the southwest corner of West Lafayette and Shelby) in the Central Business District.

**BOUNDARIES:** The boundaries of the proposed Fort Shelby Hotel Historic District, which encompass the real property containing the contributing resource, are outlined in heavy black on the attached map, and are as follows:

- On the north, the centerline of West Lafayette Street;
- On the east, the centerline of First Street.
- On the south, the centerline of the east-west alley lying between West Lafayette Street and West Fort.
- On the west, the western boundary of Lot 4 of Block 21 of the Cass Farm between Michigan and Fort.

(City records L. 12 P 324).

**HISTORY:**

The Fort Shelby Hotel is significant as a fine example of early 20th Century hotel architecture in Detroit displaying the Georgian and classical Revival styles and as an example of the work of two prominent architectural firms, Schmidt, Garden & Martin of Chicago and Albert Kahn & Associates of Detroit. The hotel is named for Fort Shelby, originally named Fort Lernout, which stood on the site of the hotel; the fort was renamed Fort Shelby in honor of the governor of Kentucky upon the withdrawal of British forces from Detroit in the War of 1812. Built in 1916, the ten-story, 394 room hotel quickly became one of Detroit's busiest, so much so that a twenty-story, 430 room tower addition was built in 1927 which included club rooms, extensive public space and catering facilities. For over sixty years the hotel was a popular institution in Detroit and famous for its catering and banquet services. The hotel is representative of a general building type constructed during a relatively short but active period (1905-1929) in Detroit's construction history. This boom period gave rise to numerous brick-and-stone-clad high-rise office buildings and hotels that to this day give Detroit its distinctive masonry-towers skyline.

Two prominent architectural firms were responsible for the design of the Fort Shelby Hotel and its later addition. The architects for the original building, Schmidt, Garden & Martin of Chicago, were instrumental in the formation of the Chicago School of Architecture and responsible for numerous landmark build-

ings in the Chicago area, e.g. the Madlener House in 1902, the Schoenhofen Brewery in 1902, the Chapin and Gore Building in 1904 and the Montgomery Ward Warehouse in 1908. (All listed in the National Register or located in a National Register District; the Montgomery Ward complex is a National Historic Landmark.)

The 1927 tower addition is the only known surviving high-rise hotel structure designed by Albert Kahn, the internationally renowned 20th Century Detroit architect. (Another hotel design by Kahn is the three-story Dearborn Inn in Dearborn, Michigan, listed on the National Register.) The massing of the "Shelby Tower," as it has come to be known, recalls on a modest scale Kahn's design for the General Motors World Headquarters, also built in the 1920s and a main component in Kahn's New Center complex in Detroit.

Reflecting the changing times of the middle part of the century, the Fort Shelby changed from serving the commercial traveler to catering to the businessman and the convention-goer. Purchased in the early 1950s by the Albert Pick Hotel chain, it then became known as the Pick-Fort Shelby Hotel. With the decline of Detroit's downtown and the migration of business to the suburbs in the early 1960s, the hotel fell on hard times and was sold to owners who attempted to update it by installing boutiques and restaurants on the ground floor. However, by the mid-1970s it was clear that it would not survive economically as a hotel and closed its doors. Presently, there is a possibility of re-use as a combined hotel and residential development.

**DESCRIPTION:**

The Fort Selby Hotel consists of a ten-story, 394-room, brick and limestone building built in 1916 and a twenty-one-story brick and limestone tower addition of 430 rooms built in 1927. The original building is Georgian eclectic in style, while the addition is more classical revival in style. It is located at the southwest corner of West Lafayette and First streets, on the western periphery of Detroit's central business district. The Shelby was a popular commercial hotel in the 1920s with close proximity to the Fort Street Union Depot, the steamship lines on the nearby Detroit River, and Detroit's then burgeoning theater district. Except for storefront alterations the building has not been changed on the exterior.

The buildings occupies nearly its entire site of approximately two-thirds of an acre; there is a thirty-foot-wide strip of land along the western side of the structure which is used for parking. The basement has "vaults" extending under the sidewalk about fourteen feet on the north and east, typical of buildings of that era. Presently there are two parking lots adja-

cent to the Fort Shelby, and a three-story brick waterhouse building now used as an office building to the south. The Detroit News complex, also by Kahn, is in the next block to the west. The Fort Shelby is the tallest structure in the immediate vicinity and dominates the streetscape. The two main entrances to the building are on the east and north facades.

The Fort Shelby Hotel has been unoccupied since 1975 except for the "Anchor Bar," which has since moved elsewhere. The original layout remains with small, undistinguished guest rooms on the upper floors and larger public spaces and dining rooms on the main and second floors and some meeting and banquet rooms in the upper floors of the later tower. The interior is not particularly noteworthy except the main lobby where a monumental marble staircase predominates.

The building is approximately 131' x 172' at the ground floor and is basically rectangular in plan with two interior light wells from the second through tenth floors. Both the original building and the 1927 tower addition have flat roofs, and the structural system for both buildings is a combination of steel frame and concrete.

The original building as well as the addition are divided into three parts: a base, a shaft and a cap. The shaft is largely of a reddish-brown colored brick with both the base and cap of grey limestone trim. The two-story base is rusticated limestone with limestone cornices at both the second and third floor lines. Limestone quoining runs the entire height of the original building to the dentilled cornice at the roof. The upper three stories are accentuated with extensive limestone detailing including three projecting balustrades and a limestone drapery swag motif over small, square windows at the topmost level, reminiscent of Renaissance palazzos. Atop the projected roof cornice are limestone finials about six feet high that punctuate the roofline. There is also a swag motif above the entrance at the third level on both the north and east facades.

The 1927 tower portion is of matching brick and limestone and Kahn has closely matched the original design on the first two floors. Above the second floor, however, the detailing is neo-classical, with

three-story high limestone Corinthian pilasters on floors three through five capped with a limestone cornice containing carved, circular medallions. The upper three floors of the tower are given a similar limestone treatment excluding the Corinthian capitals, but with an ornate limestone balustrade detail at the roof and bas-relief drapery and medallions immediately below it. Both the original structure and tower have paired, wood double-hung windows with stone sills. Except for canopies added in the 1950s (now removed) and first floor storefront glazing of about the same period, both sections of the building remain in their original states.

**Criteria:** The proposed historic district meets the first, third, and fourth criteria contained in Section 25-2-2: (1) Sites, buildings, structures, or archeological sites where cultural, social, spiritual, economic, political or architectural history of the community, city, state or nation is particularly reflected or exemplified; (3) Buildings or structures which embody the distinguishing characteristics of an architectural specimen, inherently valuable as a representation of a period, style or method of construction; and (4) Notable works of a master designer or architect whose individual genius influenced his or her age.

**Composition of the Historic Designation Advisory Board:** The Historic Designation Advisory Board has nine appointed members and three ex-officio members, all residents of Detroit. The appointed members are: Russell L. Baltimore, Melanie A. Bazil, Robert Cosgrove, De Witt Dykes, Edward Francis, Lucile Cruz Gajec, Marie M. Gardner, Calvin Jackson, Harriet Johnson. The ex-officio members, who may be represented by members of their staff are: the Director of the Historical Department, the Director of the City Planning Commission, and the Director of the Planning and Development Department.

**RECOMMENDATION:** The Historic Designation Advisory Board recommends that City Council adopt an ordinance of designation for the proposed historic district. A draft ordinance is attached for City Council's consideration.

By Council Member McPhail:

**AN ORDINANCE to amend Chapter 25, Article II of the 1984 Detroit City Code by adding Section 25-2-151 to establish the Fort Shelby Hotel Historic District and to define the elements of design for the district.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** That Chapter 25, Article II of the 1984 Detroit City Code be amended by adding Section 25-2-151 to read as follows:

**Sec. 25-2-151. Fort Shelby Hotel Historic District.**

(A) A historic district to be known as the Fort Shelby Hotel Historic District is hereby established in accordance with

the provisions of this article.

(B) This historic district designation is hereby certified as being consistent with the Detroit Master Plan.

(C) The boundaries of the Fort Shelby Hotel Historic District are as shown on the map on file in the office of the City Clerk, and shall be as follows: On the north, the centerline of West Lafayette Street; on the east, the centerline of First Street; on the south, the centerline of the east-west alley between West Lafayette Street and West Fort Street; and on the west, the western boundary of Lot 4 of Block 21 of the Cass Farm between Chicago Road (now Michigan Avenue) and Fort (L 12, P 324 City Records WCR). (Legal Description: Lots 1-4, Block 21 of the Cass Farm between Chicago Road (now Michigan Avenue) and Fort (L 12, P 324, City Records

WCR).

(D) The defined elements of design, as provided for in section 25-2-2 of this code, shall be as follows:

(1) *Height.* The Fort Shelby Hotel is composed of the ten-story original building and a twenty-one story tower addition.

(2) *Proportion of Building's Front Facade.* The original building appears as tall as wide on its West Lafayette (north) facade and wider than tall on its First Street (east) facade. The taller addition is substantially taller than wide on all sides.

(3) *Proportion of Openings Within the Facade.* The front facade of the original building and the tower addition are fenestrated with paired eight-over-one doublehung sash windows that are two times as tall as wide. First floor storefront windows, currently boarded, are composed of wide transoms with large squarish openings below. On First Avenue, from the Lafayette corner, there are the corner storefront; the secondary building entrance flanked by storefronts; single elongated window openings filled with four horizontal panes. Small, horizontal rectangular window openings with subdivided panes are positioned in the attic level beneath the cornice on both the West Lafayette (north) and First (east) elevations. Openings amount to approximately twenty (20) per cent of the front (north) facade of the Fort Shelby Hotel.

(4) *Rhythm of Solids to Voids in The Front Facade.* The facade is generally composed of individual windows arranged in pairs per bay, resulting in a regular rhythm. The entrance is centered on the front facade of the original building. The small, horizontally rectangular window openings are spaced regularly in the attic level beneath the cornice. In general, the rhythms of solids to voids are regular in the front facade.

(5) *Rhythm of Spacing of Buildings on Streets.* Inapplicable due to single resource district.

(6) *Rhythm of Entrance and/or Porch Projections.* No rhythm of entrances exists due to single resource district. Storefronts were likely entered from the inside. There are no porch projections; there was formerly a metal marquee over the central entrance and extending over the flanking storefronts. A modern awning exists over the westernmost single door into the tower addition.

(7) *Relationship of Materials.* The major relationship of materials is that of the limestone base and cornices on first and second floors and upper three stories, and other limestone elements including balustrades, quoins, keystones and sills, with the brick of the shaft in between the base and cap. Decorative detail is in terra cotta. Beneath the storefront windows are granite panels, and between the

third and fourth stories of the tower addition are panels of marble.

(8) *Relationship of Textures.* The major textural relationship is that of brick juxtaposed with rusticated, carved, and/or molded limestone. Textural effects are in stone and terra cotta, and are concentrated at the base, corners, and cap stages of the facade.

(9) *Relationship of Colors.* The brownish-red colored brick wall surfaces contrast with the lighter gray limestone trim. Window frames and surrounds are painted off-white. The brick of the tower addition is slightly redder than the original building. The granite beneath the storefront windows is gray, and marble panels between the third and fourth stories are white.

(10) *Relationship of Architectural Details.* The original building and tower addition are vertically divided into three parts: a base, a shaft, and a cap. Architectural elements and details are primarily located at the base level, particularly the second floor or mezzanine level, and within the three stories comprising the cap. The two-story base is rusticated limestone with limestone cornices above the first and second stories. There is a swag motif above the entrance at the third story level on both the north and east facades. Neo-Georgian in style, the original building features limestone quoins running the height of the building to the dentilled cornice at the roof line. The upper three stories are accentuated with extensive limestone detailing including balconets and a limestone drapery swag motif over small, square windows at the topmost level. The tower addition matches the original building in materials and the design within the first two floors. Above the second floor, detailing is neoclassical, with three-story high limestone Corinthian pilasters on floors three through five capped with a limestone cornice containing carved circular medallions. The upper three stories of the tower have a similar limestone treatment without the Corinthian capital, but with an ornate limestone balustrade detailed at the roof and bas-relief drapery and medallions immediately below it. In general, the Fort Shelby Hotel is rich in architectural detail reflecting its classical antecedents.

(11) *Relationship of Roof Shapes.* The roofs of the original building and tower addition are flat, and therefore not visible from the street. From a distance, a rooftop penthouse can be seen on the tower addition, and a flagpole projects upward from the roof of the original building.

(12) *Walls of Continuity.* Not applicable due to single resource district.

(13) *Relationship of Significant Landscape Features and Surface Treatments.* No significant landscape features exist

due to the placement of the building at the property boundaries.

(14) *Relationship of Open Space to Structures.* The open space in the vicinity of the Fort Shelby Hotel is the result of building demolition. A vacant lot exists to its west, occupying the remainder of the Lafayette block face. To the rear across the alley are other vacant lots.

(15) *Scale of Facade and Facade Elements.* The Fort Shelby Hotel is a large-scale building. Its base and cap elements are large in scale, as are the quoins. Detail on the middle, or shaft, section, is generally smaller and more delicate in scale.

(16) *Directional Expression of Front Elevation.* Because of the tower addition, the Fort Shelby Hotel appears vertical in directional expression, although the front facade of the original building is of nearly equal proportions.

(17) *Rhythm of Building Setbacks.* The Fort Shelby Hotel is placed at the sidewalk; there is no setback.

(18) *Relationship of Lot Coverages.* The Fort Shelby Hotel occupies approximately ninety-five (95) per cent of its parcel.

(19) *Degree of Complexity Within the Facade.* The front facade of the Fort Shelby Hotel is straightforward in its arrangement of openings, elements and details.

(20) *Orientation, Vistas, Overviews.* Located on the western periphery of downtown Detroit at the southwest corner of West Lafayette and First streets, the Fort Shelby Hotel is oriented toward West Lafayette Street, with a secondary orientation on First Street. Along the western side of the building is surface parking. The Fort Shelby Hotel is the tallest structure in the immediate vicinity and dominates the street scape. It contributes to the assemblage of substantial buildings in the adjacent blocks along West Lafayette.

(21) *Symmetric or Asymmetric Appearance.* The original building of the Fort Shelby Hotel is symmetrical in appearance and straightforward in the design of its facades. The tower addition is also symmetrical. Taken as a whole, the continuous facade wall created by both structures results in an asymmetrical composition.

(22) *General Environmental Character.* The Fort Shelby Hotel is situated amongst some of Detroit's most venerable commercial institutions along West Lafayette — the Detroit News, WDIV television studios, Greater Detroit Chamber of Commerce, and the Manufacturers Bank Building now occupied by Comerica Bank. Although building vacancies and demolition have taken a toll on the western side of downtown, many architectural and historically significant buildings still exist, retaining the potential for revitaliza-

tion of the area.

**Section 2.** All ordinances or parts of ordinances, or resolutions, in conflict herewith be and the same are herewith repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

**Section 4.** If this ordinance is passed by a two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-115 of the 1997 Detroit City Charter.

September 1, 2004

Honorable City Council:

Re: Request to amend the 2004-2005 Official Compensation Schedules to establish a salary range for the classification of Civic Center Event Coordinator — Special Service (82-20-36).

The Human Resources Department recently adopted the subject classification. Hart Plaza operations, which were previously in the Recreation Department, are now in the Civic Center Department. However, positions there are still assigned Recreation specific titles. Civic Center management has requested the positions be assigned to classifications applicable to the Civic Center Department.

Creation of this special service class

addresses positions that are used on a seasonal or part-time basis and also increases the Civic Center Department's flexibility in using the positions in other areas of Civic Center operations.

Pursuant to a review of rates of pay for work of similar scope and complexity, a wage range of \$10.75-\$14.00 per hour is recommended.

The Civic Center Department concurs with this recommendation and requests approval of the compensation rates.

 Honorable City Council:

Re: Authorization to enter into 2004-2005 Head Start and Early Head Start Program contracts with ten (10) delegate agencies.

The Department of Human Services (DHS) is the Grantee for the Head Start and Early Head Start Program currently serving 7,497 eligible children and their families in the City of Detroit. The program is funded on an annual basis by the U.S. Department of Health and Human Services — Administration for Children and Families. Our grant year runs from November 1, 2004 through October 31, 2005 and official notification of the grant totaling \$53,363,076 will be received shortly. Because we have not received the grant award from the U.S. Department of Health and Human Services in a timely manner, we are not able to process a continuation contract with our delegate agencies before the New Program Year begins on November 1, 2004. These contracts are being processed and all the proper clearances have been obtained. However, the time required to process these contracts might adversely affect the delivery of Head Start and Early Head Start services. To avoid any disruption of service and circumvent cash flow problems that our delegates may experience, DHS is requesting that City Council pass a resolution authorizing DHS to enter into contracts with ten (10) delegate agencies. The Department intends to prepare and process the formal contracts as soon as possible. At this juncture, it is necessary to request pre-approval of these contracts. However, as always, the approved detailed budgets are attached to the contracts. All expenditures will be in accordance with the budget approved by the U.S. Department of Health and Human Services and DHS. The Head Start and

Honorable City Council:

Re: Acceptance of Grant Award.

The City of Detroit has received grant awards of \$5,212,740.00 and \$7,259,709.00 respectively from the U.S. Department of Homeland Security, Office for Domestic Preparedness through the FY 2003 and FY 2004 Urban Area Security Initiative grants. The specific purpose of the funding is to provide federal pass-through funds to Sub grantees for assisting urban areas to create a sustainable national model program to enhance security and overall preparedness to prevent, respond to, and recover from acts of terrorism. The Grant Agreement also provides funding to identified mass transit systems to enhance security at these critical infrastructure facilities.

The FY 2003 grant performance period is July 1, 2003 to June 30, 2005. The performance period for FY 2004 grant funding is February 1, 2004 to January 31, 2006. Eligible costs must be related to planning, equipment acquisition, training, exercising, management and administration. The funds must supplement, not supplant local funds.

I respectfully request your approval to accept this grant award in accordance with the attached resolution.

Honorable City Council:

Re: Surplus Property Land Sale. Dehoco Parcels 2 & 3, Plymouth Township.

We are in receipt of an offer from DEMCO 54, L.L.C., a Michigan limited liability company ("Purchaser"), to purchase the above referenced parcels of land, which are part of the former site of the Detroit House of Corrections. Dehoco Parcels 2 and 3, which are separated by railroad right-of-way, are located on the south side of Phoenix (Five Mile) Road between Ridge and Napier Roads in Plymouth Township. Parcel 2 contains approximately 318.94 gross acres. Parcel 3 contains approximately 4.75 gross acres. Approximately 7.24 acres of the total acreage for both parcels combined is reserved for roadway rights-of-way. In addition, Johnson Creek flows across the property and a significant proportion of the property, estimated in excess of 38% of the total acreage, is wetlands.

Purchaser is affiliated with the DeMattia Group, the developer of the Metro West Technology Park adjacent to east and southeast of these parcels. The land is zoned industrial and Purchaser proposes an expansion of its existing industrial park onto the property. Purchaser proposes to redivide the property using Johnson Creek as the dividing line between "Zone A" to the east and "Zone B" to the west. Purchaser offers to purchase Zone A outright for a purchase price of \$55,000.00 per developable acre. Zone A is estimated to contain approximately 62 developable acres, resulting in a total Zone A purchase price of \$3,410,000.00. Purchaser seeks a five year option to purchase land in Zone B, in increments of not less than 25 acres each, for a purchase price of \$45,000.00 per developable acre. Zone B is estimated to contain approximately 133 developable acres, resulting in a total Zone B purchase price of \$5,985,000.00 if Purchaser exercises the option to purchase Zone B

acreage in its entirety. Purchaser proposes to pay a nonrefundable annual option fee of \$150,000.00, which option fee payments shall be in addition to the purchase price for the property itself. If total developable acreage turns out to be more than currently estimated, the total purchase price will increase accordingly. If total developable acreage turns out to be less than currently estimated, Purchaser understands that any reduction in the total purchase price below the total amounts calculated herein will require City Council approval. Absent such approval, the total purchase price for both Parcels combined shall not be less than \$9,395,000.00.

We seek Council's approval of the essential terms of the proposed transaction, subject to Purchaser conducting and completing its due diligence investigation and obtaining necessary site plan and zoning approvals of its proposed development of the site. We request that your Honorable Body adopt the land sale terms, approve the grant of an option to purchase portions of the property in increments over time and authorize the Planning and Development Department Director of Development Activities to enter into and execute a Purchase and Option Agreement/Sale Contract, together with quit claim deeds and such other documents as may be necessary to effect the sale.

Waiver of reconsideration is requested.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities  
By Council Member K. Cockrel, Jr.:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Planning and Development Department Director of Development Activities be and is hereby authorized to enter into and execute a Purchase and Option Agreement/Sale Contract for sale of the following described property located in Plymouth Township, together with quit claim deeds and such other documents as may be necessary to effect sale of the property to DEMCO 54, L.L.C., a Michigan limited liability company, for a total amount of not less than \$9,395,000.00, subject to Purchaser obtaining all necessary site plan and zoning approvals required to develop the property.

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation Exemption Certificate, on Behalf of 1322 Broadway, Inc., in the Area of 1322 Broadway, in Accordance with Public Act 146 of 2000 (Petition No. 1960)

(dy).

Attached please find a resolution and legal description, which will approve an Obsolete Property Rehabilitation Exemption Certificate for 1322 Broadway, Inc., at 1322 Broadway, in accordance with Public Act 146 of 2000 ("the Act"). Such approval will materially assist in the development of the site in accordance with the plans of 1322 Broadway, Inc.

Earlier today your Honorable Body conducted a public hearing on the approval of this Exemption Certificate, in accordance with the Act. Inasmuch as no impediments to the approval of an Obsolete Property Rehabilitation Exemption were presented at the public hearing, we request that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted,  
ANGELA BRADBY  
Executive Manager

By Council Member K. Cockrel, Jr.:

Whereas, 1322 Broadway, Inc. has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District No. 24 in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on April 2, 2004 established by Resolution Obsolete Property Rehabilitation District No. 24 in the vicinity of 1322 Broadway, Detroit, Michigan, after a Public Hearing held April 2, 2004, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 198 of 1974 exceeds 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, The Application has been provided to this City Council (including a completed line 9 of the Application); and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is sit-

uated within the aforesaid City of Detroit Obsolete Property Rehabilitation District No. 24; and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2(l) of the Act; and

Whereas, This City Council has granted until the end of 2006 for the completion of the rehabilitation; and

Whereas, On October 7, 2004, in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, Detroit, Michigan, a public hearing was held on aforesaid Application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now, Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; And Be It Further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; And Be It Further

Resolved, That the Application of 1322 Broadway, Inc. for an Obsolete Property Rehabilitation Exemption Certificate in City of Detroit Obsolete Property Rehabilitation District No. 24 is hereby approved for a period of twelve years from completion of the facility in accordance with the provisions of the Act; And

Be It Finally

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax commission as provided by the Act.

Re: Property For Sale By Development Agreement Development: 615, 621, 629, 633, 639-41, 645, 651, 657 & 705 Sheridan.

We are in receipt of an offer from St. John Health System, a Michigan Non-Profit Corporation, to purchase the above-captioned property for the amount of \$16,800 and to develop such property. This property contains approximately 33,750 square feet and is zoned R-5 (Medium Density Residential District).

The Offeror, in conjunction with property they already own, proposes to construct a paved surface parking lot for the storage of licensed operable vehicles. The parking lot will provide approximately three hundred thirty (330) additional parking spaces to accommodate the construction of their adjacent medical office building. This use is permitted as a matter of right in a R-5 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning & Development Department Director of Development Activities to execute an agreement to purchase and develop this property with St. John Health System, a Michigan Non-Profit Corporation, together with a deed to the property and such other documents as may be necessary to effect the sale.

Honorable City Council:

Re: Extension of Development Agreement Development: 3646 W. Warren.

On November 26, 2003 (Detroit Legal News, December 11, 2003, Pg. 20), your Honorable Body authorized the Assignment, Assumption and Consent Agreement between Willie Mae Krouse, Duraid D. Bally and the City of Detroit, for the purpose of constructing a paved surface parking lot to accompany the renovation of the existing dry cleaners at 3630 W. Warren.

Duraid D. Bally has informed the Planning & Development Department that due to unavoidable circumstances he was not able to complete the project within the time allotted in the present Development Agreement. Mr. Bally is still in the process of securing the remaining funding necessary for the completion of this project. Consequently, Mr. Bally is now requesting a six (6) month extension.

The Planning & Development Department has reviewed the request of Duraid D. Bally and has determined it to be reasonable and consistent with the terms and condition set forth in the Development Agreement.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing an amendment to the Development Agreement to extend the completion period of the development.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

By Council Member McPhail:

Resolved, That the agreement to purchase and develop property described on the tax rolls as:

**Exhibit A**

Land in the City of Detroit, County of Wayne and State of Michigan being Lot 35; "Hubbard and Dingwall's Subn." of Lots 219 to 264, 267 to 281, 284 to 333 and 337 to 356, all inclusive, of J. W. Re: Bid Sale of Property — (S) Stratton, between Waterman and Beard.

The City of Detroit acquired as tax reverted parcels through City Foreclosure, Lots 4 and East 76.49 feet of Lot 3, located on the South side of Stratton, between Waterman and Beard, a/k/a 2001 Waterman.

The property in question consists of a large one-story warehouse facility, in which the roof has caved-in and the entire site is full of debris and is an eyesore to the surrounding community. This facility is located on an area of land measured approximately 50,312 square feet and zoned M-4 (Intensive Industrial District).

The purchaser has agreed to clean up the site at his own expense (a cost estimated to be in excess of \$80,000), which includes demolition of the standing warehouse walls and removal of the excessive debris from the site. In addition, a small building on the site will be renovated and used as an office along with the cleared land for storage of equipment for his demolition and construction business and not be used for storage of demolition debris.

Therefore, we request your Honorable Body's approval to accept the Offer to Purchase from ABC Demolition Company, Inc., for the sales price of \$500.00 on a cash basis plus an \$18.00 deed recording fee.

Respectfully submitted,  
O'NEAL EDWARDS  
Interim Executive Manager  
Real Estate

By Council Member McPhail:

Resolved, That the Planning and Development Department is hereby authorized to accept this Offer to Purchase for properties described on the tax roll as:

Honorable City Council:

Re: Central Industrial Park Project Development: 2550 E. Grand Blvd.

The Planning and Development Department is in receipt of an offer to purchase the above-captioned property from Dan Williams & Associates, Inc., a Michigan Corporation, for the amount of \$151,000, and to develop such property. This property is located within the Central Industrial Park Project area, between St. Aubin and the Grand Trunk Railroad and contains approximately 155,300 square feet or 3.55 acres.

The Developer proposes to construct a one-story office building with a paved surface parking lot for the storage of approximately four hundred sixteen (416) licensed operable vehicles, to accommodate their existing limousine bus shuttle service.

The Developer possesses the qualifications and has indicated potential financial resources necessary to acquire and develop the land in accordance with the Development Plan. The disposal of this land by negotiation is an appropriate method for making the land available for redevelopment and the proposed agreement is in satisfactory form.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing the advertising of and the holding of a public hearing concerning this offer on the 1st day of November, 2004, at 10:00 a.m.

Respectfully submitted,  
HENRY B. HAGOOD  
Director of Development Activities

By Council Member McPhail:

Resolved, That in accordance with the foregoing communication that this offer by Dan Williams & Associates, Inc., a Michigan Corporation, to purchase and develop 2550 E. Grand Blvd. in the Central Industrial Park Project, is in satisfactory form; and

That the disposal of this land by negotiation is an appropriate method for making the land available for redevelopment; and

That the developer possesses the qualifications and financial resources necessary to acquire and develop the land in accordance with the Development Plan; and

That the aggregate price of \$151,000 is equal to the fair market value of the land for use in connection with the Develop-

Honorable City Council:

Re: Correction of Legal Description.  
Development: Parcel 299; located on the west side of Lenox St. between Avondale & Scripps.

On July 21, 2004 (The Detroit Legal News, Pg. 13), your Honorable Body authorized the sale of the above-captioned property to Grand Sakwa of Grayhaven, LLC, a Michigan Limited Liability Company, for the purpose of instituting infrastructure and utility improvements for the construction of single-family residential homes.

It has come to our attention that the legal description was issued in error.

We, therefore request that your Honorable Body adopt the attached resolution, authorizing an amendment to the sales resolution to reflect a correction in the legal description.

Honorable City Council:

Re: Subject: Request City Council Resolution regarding acquisition of Speed Monitoring Awareness Radar Trailer by the Ninth Precinct.

The Allstate Insurance Company has established a neighborhood-based safety program entitled, "Building Safe Blocks." The purpose of this program is: "To foster safer neighborhoods by encouraging community involvement that will create visible signs for resident security and community vitality and extend safety awareness and confidence to residents and visitors of the City of Detroit."

The Ninth Precinct and the Ninth Precinct Community Relations Association applied for and received a grant, under the Building Safe Blocks program, for the purchase of a speed monitoring radar with trailer and accessories, known as SMART (Speed Monitoring Awareness Radar Trailer). The deployment of the speed monitoring radar, which displays to passing drivers the speed of their vehicles, will lead to voluntary compliance and significantly reduce the number of injuries and fatalities resulting from excessive speeds in Ninth Precinct business, residential, and school districts. The radar with trailer and accessories were purchased for \$10,638.00, and delivered to the Ninth Precinct.

The Board of Police Commissioners has approved this request. Therefore, it is respectfully requested that your Honorable Body adopt the attached resolution authorizing the City of Detroit to accept the award.

Should you have any questions or concerns, please do not hesitate to contact me at 596-1800, at your convenience.

October 4, 2004

Honorable City Council:  
Re: Petition No. 2514 — "The State Fair  
Congregation of Jehovah's Witness-  
es", requesting for abandonment of  
alley easements located in the area  
of East Outer Drive, Bloom, Moe-

nant, and Lantz.

Petition No. 2514 of "The State Fair  
Congregation of Jehovah's Witnesses", at  
20201 John R Street, Detroit, Michigan  
48203, request the outright vacation of  
the North-South and East-West public  
alleys, 18 feet wide, (previously vacated  
and converted to easement on December  
21, 1954 — J.C.C. Pgs. 2980-2981) in the  
block bounded by East Outer Drive, 150  
feet wide, Lantz Avenue, 50 feet wide,  
Moenart Avenue, 60 feet wide, and Bloom  
Avenue, 50 feet wide in order to construct  
a New Educational Center.

The request was approved by the  
Planning and Development Department,  
the Solid Waste Division-DPW, and the  
Traffic Engineering Division-DPW, the  
petition was referred to the City Engineer-  
ing Division for investigation (utility clear-  
ance) and report. This is our report.

The Public Lighting Department (PLD)  
reports no objection to the proposed  
vacation of easements, however, PLD  
has duplex wires running east-west from  
the north to feed a streetlight on Moenart  
Avenue. PLD will coordinate with Edison  
to relocate the duplex wires. PLD also will  
remove an overhead arc circuit running  
north-south in the easement from Lantz  
Avenue to south of East Outer Drive.  
There will be no charge for the above  
work to the petitioner.

The Detroit Water and Sewerage  
Department (DWSD) reports there is an  
existing sewer located in the East-West  
public utility easement south of East  
Outer Drive that must remain in service.  
DWSD have no objection to the vacation  
of the public utility easement provided  
that an easement is reserved for DWSD  
sewer. Also, there is a sewer located in  
the North-South public utility easement  
that must remain in service, however,  
DWSD have no objection to the vacation  
of the public utility easement provided  
that the sewer is relocated in accordance  
with Plans approved by DWSD. In addition,  
a sewer easement located in the  
South six- (6) feet of Lot 18, not included  
in the request, is to be vacated and re-  
located. The sewers are to be relocated at  
the petitioner's expense and no cost to  
DWSD.

Comcast Cablevision and Detroit  
Edison Company (DTE) reports that the  
petitioner has made satisfactory arrange-  
ments for the estimated cost of removing  
and/or rerouting such services.

All other city departments and privately  
owned utility companies have reported no  
objections to the changes of the public  
rights-of-way. Provisions protecting utility  
installations are part of this resolution (if  
necessary).

I am recommending adoption of the  
attached resolution.

Respectfully submitted,  
WILLIAM TALLEY

October 11, 2004

Honorable City Council:

Re: Resolution Subpoenaing Victor Mercado, Director of DWSD.

On Monday, October 4, 2004, the Research & Analysis Division spoke with Victor Mercado, Director of the Detroit Water and Sewerage Department (DWSD) regarding RAD obtaining copies of the contract between DWSD and Infrastructure Management Group, Inc. (IMG).

Mr. Mercado indicated that he was out of town and promised to provide copies of the contracts upon his return. RAD expressed to Mr. Mercado that we had been directed by City Council to prepare a resolution and subpoena to obtain the scope of service and contracts between his department and IMG. Mr. Mercado stated his desire to avoid the necessity of City Council adopting such a resolution.

However, instead of providing the

requested documents, today Mr. Mercado sent a memorandum highlighting what he deems to be the salient points of the contracts. This was not the request of City Council; thus, the resolution to subpoena the contracts and the subpoena itself are attached for your review.

Should you need anything further, please advise.

Respectfully submitted,  
DAVID D. WHITAKER  
Interim Director

By Council Member McPhail:

Whereas, On September 24, 2002, Kwame M. Kilpatrick, Mayor of the City of Detroit, authorized a contract with Infrastructure Management Group, Inc. (IMG), a consulting firm based in Bethesda, Maryland; and

Whereas, In a Notification of Procurement dated November 6, 2002, Mayor Kilpatrick informed the Detroit City Council that he authorized the contract purportedly in his capacity as the Special Administrator of the Detroit Water and Sewerage Department (DWSD); and

Whereas, In a letter to City Council dated March 29, 2004, AFSCME 25, Local 207 accuses Detroit Water and Sewerage Department and IMG, of on-going attempts to privatize certain aspects of DWSD operations; and

Whereas, On May 6, 2004, City Council directed that its Research and Analysis Division (RAD) investigate the allegations of Local 207; and

Whereas, In order to conduct an investigation, RAD requested several documents (including copies of any and all contracts between DWSD and IMG) from DWSD via the City's Administration in memoranda dated July 12, 2004, August 24, 2004 and September 9, 2004; and

Whereas, Despite repeated assurances from the Administration that the documents would be forthcoming, as of this date, they have not been produced; and

Whereas, City Council has been empowered by Section 4-109 of the 1997 Home Rule Charter of the City of Detroit, as amended, to make any investigation into the affairs of the City; and

Whereas, Section 4-110 of the Charter and Chapter 2, Article II, Section 2-2-16 of the 1984 Detroit City Code provide that the City Council may also subpoena witnesses, administer oaths, take testimony, and require the production of documentary evidence on matters before it. Now, Therefore Be It

Resolved, That the attorneys of the Research and Analysis Division are hereby directed to prepare and serve the appropriate subpoena for the production of the following documents from the Detroit Water and Sewerage Department:

1. The Professional Services Contract between the City of Detroit, Michigan and

Infrastructure Management Group, Inc., Purchase Order #2619579, along with any and all scope of services, amendments, codicils, and addenda.

2. The Professional Services Contract between the City of Detroit, Michigan and Infrastructure Management Group, Inc., Purchase Order #2605863, along with any and all scope of services, amendments, codicils, and addenda.

3. The Professional Services Contract between the City of Detroit, Michigan and Infrastructure Management Group, Inc., Purchase Order #2615807, along with any and all scope of services, amendments, codicils, and addenda.

4. The Professional Services Contract between the City of Detroit, Michigan and Infrastructure Management Group, Inc., Purchase Order #2593093, along with any and all scope of services, amendments, codicils, and addenda; and be it finally

Resolved, That the Detroit City Council hereby authorizes the attorneys of the Research and Analysis Division to seek judicial enforcement of the above-referenced subpoena issued, where and whenever required, in relationship to the allegations of Local 207 against the Detroit Water and Sewerage Department and Infrastructure Management Group.

Honorable City Council:

Re: Laco/Hall Steel, Petition #2413, Request for Industrial Facilities Exemption Certificate.

Submitted herewith is a Resolution approving the Industrial Facilities Exemption Certificate in Industrial Development District No. 170 in the vicinity of 20200 Mt. Elliott, Detroit, Michigan and also approving the Industrial Facilities Exemption Certificate Letter of Agreement entered into pursuant to Act 198 of the Public Acts of 1974, as amended.

A Waiver of Reconsideration is requested.

Respectfully submitted,  
HENRY B. HAGOOD

Director of Development Activities  
Planning & Development Department  
By Council Member McPhail:

Whereas, This City Council has established by Resolution an Industrial Development District in the area of 20200 Mt. Elliott, Detroit, Michigan 48234 pursuant to the provisions of Act No. 198 of the Public Acts of 1974, as amended ("the Act"); and

Whereas, Hall Steel, Inc., ("the Applicant") has filed with the Detroit City

October 13

3362

2004

Clerk (Petition No. 2413) an Application for an Industrial Facilities Exemption Certificate (IFEC) for an investment in real and personal property in said Industrial Development District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, On October 13, 2004 in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, Detroit, Michigan, a discussion was held on said Application, as required by the Act, at which time the Applicant, the Assessor and a representative of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given, by mail, to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, and the Applicant, informing them of the receipt of the Application, the date and location of said discussion, and the opportunity to be heard; and

Whereas, The City and the Applicant have entered into an Industrial Facilities Exemption Certificate Agreement as required by the Act; and

Whereas, The written agreement required under the Act includes an acknowledgment of receipt of a copy of the Detroit Living Wage Ordinance and prevailing wage requirements, and affirmations that the applicant will comply with the aforesaid in all respects as required by law;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting approval of the Industrial Facilities Exemption Certificate, considered together with the aggregate amount of Industrial Facilities Exemption Certificates previously granted and currently in force, will not have the effect of substantially impeding the operation of the local government unit or impairing the financial soundness of any taxing unit which levies an ad valorem property tax within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That it is hereby found and determined that the Applicant has entered into a written Agreement with the City of Detroit, memorializing the commitments made upon which this approval is based, as required by the Act, which Agreement is hereby approved; and be it further

Resolved, That the Applicant of Hall Steel/Laco Real Estate, Inc., (Petition #2413), for an Industrial Facilities Exemption Certificate is hereby approved by this City Council for a period of twelve

(12) years from the completion of the Facility; and be it finally

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act.

**RESOLUTION FOR RESPONSES TO THE QUESTIONS RAISED BY THE STUDY OF CITIZENS FOR BETTER CARE REGARDING NURSING HOME CLOSURES IN THE CITY OF DETROIT**  
 By COUNCIL MEMBER S. COCKREL,  
 and Joined by ALL COUNCIL MEMBERS:

WHEREAS, Three nursing homes have closed in eleven months between December, 2002 and November, 2003, and, in the past six years, seven nursing homes have closed in the City of Detroit; and

WHEREAS, The City of Detroit is lacking adequate care for the growing number of senior citizens in the area; and

WHEREAS, Citizens for Better Care has recently completed a study regarding the problems and causes of nursing home closures throughout the City of Detroit; and

WHEREAS, This study reveals that financial difficulties, staffing shortages, and environmental and physical plant problems are the main causes of nursing home closures and these closures cause the residents who are forced to move to suffer depression, serious illness, and an elevated mortality risk; and

WHEREAS, The study raises the following questions:

1. What structural changes are needed in the Bureau of State Health Systems to address the need for an early warning system to address potential nursing home closures?

2. What structural changes are needed in the Bureau of Health Services to address the inability of the current complaint process in meeting the immediate needs of nursing home residents?

3. What structural changes are needed in the Wayne County Nursing Home Team to provide a coordinated response to emergency closures?

4. What structural changes are needed in the Wayne County Nursing Home Team to guarantee the residents right to choose their placements?

5. What additional services should be available to nursing home residents and their families prior to and after nursing home closure?

6. How can plans be developed and implemented in Detroit to provide licensed, affordable alternatives to nursing home closure?

NOW THEREFORE, BE IT RESOLVED, That the Detroit City Council supports the rights of nursing home residents to choose their placement when there is a forced closure of a nursing home;

AND BE IT FURTHER RESOLVED, That the Detroit City Council urges the creation of an early warning system to address potential closures of nursing homes;

AND BE IT FURTHER RESOLVED, That the Detroit City Council supports improvements to the current complaint process to meet the immediate needs of nursing home residents;

AND BE IT FURTHER RESOLVED, That the State Bureau of Health Services is respectfully requested to respond to the questions raised by the study done by Citizens for Better Care;

AND BE IT FINALLY RESOLVED, That copies of this resolution be forwarded to Governor Jennifer Granholm, Mayor Kwame Kilpatrick, the State Bureau of Health Services, Ms. Janet Olszewski — Director of the Michigan Department of Community Health, The City of Detroit Department of Health and Wellness Promotion, and the City of Detroit Senior Citizens Department.

**TESTIMONIAL RESOLUTION FOR WESTERN INTERNATIONAL OPTIMIST CLUB OF DETROIT**

By COUNCIL MEMBER K. COCKREL, JR.:

WHEREAS, Compassion, commitment, determination, and success are words that can only begin to define the Western International Optimist Club of Detroit. On October 10, 2004, the organization will be honored for providing 10 years of service to the citizens of Detroit, and

WHEREAS, Herb Strather and a group of dedicated individuals founded the Western International Optimist Club of

Detroit on September 29, 1994. Together, with the support of their sponsor club, Detroit Northwest, the group embarked on its first project of delivering Thanksgiving baskets to the needy, on November 18, 1994, and

WHEREAS, Through the years, the Western International Optimist Club has been a beacon of guidance and support to Detroit area youth. The organization has sponsored many projects, including the Fish Pond fundraiser, the Annual Youth Appreciation Program, a Bike Safety program, and a Surrogate Parenting Program. In addition, the organization also officially adopted Western International High School, and

WHEREAS, For 10 years, young men and women have benefited from the Western International Optimist Club of Detroit's care and concern. True to their mission statement, the committed members of this organization "foster an optimistic way of life for the improvement of individuals and society, through local Optimist clubs dedicated to expanding service to youth and the community." The Western International Optimist Club of Detroit truly continues to demonstrate a firm commitment to improving the quality of life for all Detroiters. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby congratulates the Western International Optimist Club of Detroit upon its 10th anniversary. For many years, the group has worked to fulfill the dreams of Detroit youth. We wish the organization continued success as it continues to transform dreams into reality.

**TESTIMONIAL RESOLUTION  
FOR**

**ELIZA BEARDEN  
NEW MT. VERNON BAPTIST CHURCH  
CHARTER MEMBER**

By COUNCIL MEMBER K. COCKREL, JR.:

WHEREAS, A host of friends, family members, colleagues and well-wishers will join Eliza Bearden to celebrate her significance as a charter member of the New Mt. Vernon Baptist Church, and

WHEREAS, Mrs. Bearden was born and raised in a rural area near Lester, Arkansas. She was the oldest of six siblings. Life on an Arkansas farm in the 1920s and 1930s involved a lot of hard work, and Mrs. Bearden spent long hours in the fields, and

WHEREAS, In 1942, she married Erwin Bearden, and the couple left Arkansas for the booming city of Detroit two years later. Upon arrival, she was a member of Morning Star Baptist Church,

but joined other Morning Star members in founding New Mt. Vernon Baptist Church in 1946. Today, she is one of three surviving charter members of the church, and

WHEREAS, Mrs. Bearden is thankful for her God-centered upbringing and has had many notable religious experiences over the years. She has served New Mt. Vernon Baptist Church faithfully as a Sunday school teacher and choir member. Her favorite hymn is "Guide Me, O Thou Great Jehovah." NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby joins the congregation and leadership of New Mt. Vernon Baptist Church as they honor Eliza Bearden for her contributions and dedicated service. With God's grace, she will continue to be a comforting, inspiring presence for her fellow church members for many years to come.

October 4, 2004

Honorable City Council:

Re: Shaun Varnado, by his Next Friend, Gloria Varnado vs. Detroit Police Officer Thomas Griffin and Sergeant Martin Gaynor. Case No. 04-418066 NO. File No. A370000-04498 (KAC).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your

Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiff, that your Honorable Body direct the Finance Director to issue a draft payable to Shaun Varnado, by his Next Friend, Gloria Varnado and his attorneys, The Thurswell Law Firm, in the amount the City is to pay the Plaintiff pursuant to the arbitrators' decision, but said draft may not exceed Seventy-Five Thousand Dollars (\$75,000.00).

By Council Member K. Cockrel, Jr.:  
Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Shaun Varnado, by his Next Friend, Gloria Varnado vs. Detroit Police Officer Thomas Griffin and Sergeant Martin Gaynor, Wayne County Circuit Court Case No. 04-418066 NO, on the following terms and conditions:

- A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.
- 2. The maximum amount of any award to the Plaintiff shall not exceed the amount of Seventy-Five Thousand Dollars (\$75,000.00).
- 3. Any award in excess of \$75,000.00 shall be interpreted to be in the amount of \$75,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about June 26, 2002 at or near 15031 Brammell; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the grounds

that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$75,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Shaun Varnado, by his Next Friend, Gloria Varnado and his attorneys, The Thurswell Law Firm, in the amount of the arbitrators' award, but said draft shall not exceed Seventy-Five Thousand Dollars (\$75,000.00).

Honorable City Council:  
Re: Marcus Pride vs. City of Detroit, a municipal corporation. Case No. 03-308000 NO. File No. A19000-002611.

On May 5, 2004, your Honorable Body approved authority to settle the above captioned matter in the amount of Forty-Two Thousand Dollars and No Cents (\$42,000.00) and made payment to Law Offices of Chui Karega, Attorneys and Marcus Pride in that amount. The approved settlement amount is incorrect.

We, therefore, request that your Honorable Body rescind the original resolution, adopt the amended resolution submitted herewith and direct the Finance Director to issue a draft in the amount of Forty-Two Thousand Five Hundred Dollars and No Cents (\$42,500.00) payable to Law Offices of Chui Karega, Attorneys and Marcus Pride, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-308000 NO, approved by the Law Department. Honorable City Council:

Re: Samuel Williams vs. James Kisselburg and Khris Wells. Case No.: 03 332228 NO. File No.: A37000.004464 (PGR).

On September 27, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded Three Thousand Dollars (\$3,000.00) in favor of Plaintiff. The parties have until October 25, 2004, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Three Thousand Dollars (\$3,000.00) payable to Ben Gonek, attorney, and Samuel Williams, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03 332228 NO, approved by the Law Department.

**RESOLUTION REQUESTING THE DETROIT POLICE DEPARTMENT AND BOARD OF POLICE COMMISSIONERS TO REVISIT ISSUE OF AND DEVELOP POLICY ON SURVEILLANCE AND USE OF CAMERAS FOR MONITORING DEMONSTRATIONS**

By COUNCIL PRESIDENT MAHAFFEY, and COUNCIL MEMBER S. COCKREL:

WHEREAS, The City Council of the City of Detroit is firmly committed to preserving the fundamental rights guaranteed under the First Amendment of the United States Constitution; and

WHEREAS, The Detroit City Council held discussions and public hearings with representatives of the Detroit Police Department, Board of Police Commissioners, the Michigan Emergency Committee Against War & Injustice (MECAWI), the American Civil Liberties Union (ACLU), the Coalition Against Police Brutality and the National Lawyers Guild (NLG) pertaining to alleged videotaping by the Detroit Police Department of demonstrators; and

WHEREAS, As a result of these discussions and public hearings, the Detroit Police Department, with the approval of the Board of Police Commissioners, promulgated General Order 203.6: Surveillance (General Order) on Thursday, September 16, 2004; and

WHEREAS, It was requested that representatives of MECAWI, the ACLU, the Coalition Against Police Brutality and the NLG (Citizen Groups) be involved in the process of promulgating said General Order; and

WHEREAS, It is recognized that the Detroit Police Department met with representatives of the Citizen Groups on at least one occasion, but nevertheless, did not provide copies of the draft General Order to the Citizen Groups for review prior to its approval by the Board of Police Commissioners; and

WHEREAS, The Board of Police Commissioners approved the General Order with the understanding that the Citizen Groups approved it, when in fact, they had only agreed in theory, but had not been given the opportunity to review the actual General Order; and

WHEREAS, The Citizen Groups reviewed the General Order after it was approved by the Board of Police Commissioners, and

WHEREAS, The Citizen Groups have continuing concerns pertaining to the absence of certain provisions in the General Order.

NOW THEREFORE, BE IT RESOLVED, That the City Council of the City of Detroit requests that the Detroit

Police Department and the Board of Police Commissioners revisit this issue and reexamine the General Order.

AND BE IT FURTHER RESOLVED, That the Detroit Police Department and the Board of Police Commissioners are requested to work cooperatively with the Citizen Groups in order to fashion a new General Order that would address the following specific concerns:

1. Provisions pertaining to how the surveillance activities of the Detroit Police Department apply under federal law, including, but not limited to, the Patriot Act, and other Homeland Security measures.

2. Provisions related to who can authorize surveillance.

3. Provisions dealing with the retention and sharing of surveillance records with other law enforcement agencies.

**RESOLUTION CLARIFYING CITY COUNCIL'S POSITION REGARDING THE POWERNOMICS ECONOMIC DEVELOPMENT PLAN**

By COUNCIL MEMBERS K. COCKREL, JR., and TINSLEY-TALABI:

WHEREAS, The Detroit City Council entered into a contract with Dr. Claud Anderson and the Powernomics Corporation of America, Inc., to assist in developing a local economic plan for the City of Detroit; and

WHEREAS, Dr. Anderson submitted a June 30, 2004 report to the Detroit City Council entitled "The Powernomics Economic Development Plan for Detroit's Under-Served Majority Population" containing recommendations to increase the number of black-owned businesses in the City of Detroit. The report included recommendations to create an inner city business district for African American businesses, referred to as African Town, and a capital fund to provide financial assistance for the African American businesses; and

WHEREAS, On July 14, 2004, the Detroit City Council approved two resolutions supporting the creation of a capital fund and inner city business district as referenced in the Powernomics proposal; and

WHEREAS, The Detroit City Council acknowledges that some of the rhetoric contained in Dr. Anderson's report has offended a great number of Detroit resi-

dents and regrets that the City Council's actions may have been interpreted by some as racist; and

WHEREAS, The Detroit City Council fully recognizes and is proud of the many great accomplishments and contributions to Detroit's social and economic fabric that have been made by our European, Latino, Arab, Chaldean and Asian residents and businessowners; and

WHEREAS, The Detroit City Council also recognizes the historic role of African Americans in the development of this country and believes that the synergy created by a business district showcasing the rich culture and significant achievements of African Americans can only improve the economic and social environment within the City of Detroit; and

STATEMENT BY COUNCIL MEMBER ALONZO W. BATES IN SUPPORT OF A RESOLUTION BY PRESIDENT PRO TEM. KENNETH V. COCKREL, JR., AND ALBERTA TINSLEY-TALABI CLARIFYING CITY COUNCIL'S POSITION REGARDING THE POWERNOMICS ECONOMIC DEVELOPMENT PLAN

On October 18, 2004, I voted yes for the resolution referenced above. This resolution is explicit regarding the City Council's intent relative to economic development for African Americans and their communities.

By adopting this resolution, the City Council acknowledges that although unintended, some of the information that was contained in the resolutions of July 14, 2004, was regrettably viewed by some to be racist. This resolution eliminates language that could be considered negative and it takes precedent over the July 14, 2004 resolutions effectively rescinding them.

This resolution positively acknowledges all of the ethnic groups in our City as well as the historic contributions of African Americans relative to entertainment, retail, commercial and cultural. These activities once flourished in an area of the City known as Paradise Valley. We are committed to the encouragement of the development of such a district once again, in a manner that conforms to the existing local, state and federal laws. A request is made of the Detroit Economic Growth Corporation to meet with African American developers and extend their assistance, as is done with other ethnic groups, to bring such a development to fruition.

STATEMENT BY COUNCIL MEMBER SHEILA M. COCKREL REGARDING RESOLUTIONS PERTAINING TO POWERNOMICS PLAN FOR DETROIT AND DEVELOPMENT OF AN AFRICANTOWN

On Monday, October 18, 2004, the City Council voted on a pair of resolutions pertaining to the Powernomics Plan for Detroit and the development of an Africantown. On July 14, 2004, over my no votes, the City Council approved one resolution recognizing African Americans as the underserved majority minority pop-

ulation within the City of Detroit and another resolution establishing the Detroit Capital Development Corporation.

The resolutions sprang forth from the Poweromics Plan for Detroit (Plan) authored by Dr. Claud Anderson, pursuant to a contract entered into with the Detroit City Council. Having reviewed the document in its entirety, it is my considered opinion that the Plan is peppered with anti-immigrant and racially divisive rhetoric that has understandably incensed many members of our community. For example, the Plan contains language such as:

First, immigrants have received economic assistance and opportunities from all levels of government, including the City of Detroit, the native Black Americans have been systematically denied. [Page 6]

Integration required Black Americans to give up their communities, businesses, schools, nearly everything they had of value to become guests in the communities and businesses that Whites owned. In the pursuit of integration, Blacks volunteered to divest themselves of their culture, speech patterns, resources, traditional religion, schools, businesses, community, music, sports teams, group identity and group self-interest. Like going through metal detectors at the airport, when Blacks integrated they had to empty their pockets and place every item of value on the belt. Once they passed through the metal detector, or integration, however, they were not allowed to reclaim those valuables. [Page 10]

Euro-Whites and ethnic immigrants maintain their own communities and resources and do not integrate with Blacks. Hispanics, American Indians, Arabs, and Asian also are highly segregated from Blacks in the Detroit Metro area as well as across the country. Since these ethnic groups are already classified as "White," they have no need to integrate into a group to which they already belong. Instead, they aggregate with their own people within their own communities and promote their own group self-interest. [Page 11]

They (the Jewish population) used their culture and religious unit to dominate some developing industries and market opportunities in America. Like all immigrants, they used these industries to produce wealth, jobs, income and other business opportunities for their own people. In the entertainment industry, for example, they formed a vertical system that effectively controlled writers, producers, filmmakers, financiers, talent, promoters, agents, studio and their owners. [Page 15]

For Blacks, immigration has always had negative consequences. It has harmed native Blacks in Detroit and

across the nation. [Page 17]

As stated earlier, Arab immigrants own and control nearly all of the City's gas stations, grocery stores, discount stores, liquor stores, and check cashing outlets. Koreans and East Indian immigrants own and control nearly all of the City's nail shops, wig shops, beauty supply stores, barbeque restaurants, Seven-Eleven stores, and other convenience stores, low price motels, and Dunkin' Doughnut franchises. Ethnic immigrants are acculturated to seek out market niches and ethnic enclaves from which they can consolidate their economic gains from Detroit's inner-city. [Page 25]

Hispanic immigrants get at least five benefits that advantage them over native Black Americans. They get benefits: from being classified as White. [Page 28]

Dearborn, Michigan is popularly referred to as Arabtown. [Page 28]

Arabs...they are perceived to be and classified as White. [Page 29]

White society does not create jobs for Black people. They create jobs for their own people. [Page 32]

Black Americans are the only group that pursues and places a premium value on integrating and they have the lowest number of businesses. [Page 34]

New development fads like "Cool Cities" envision rebuilding inner cities around commodities of "gay and creative people." [Page 36]

Black consumers had only two choices: purchase the low quality, over-priced services and goods from ethnic immigrants, or drive thirty or forty miles round-trip to suburban stores where they are not welcomed with open arms. [Pages 39-40]

Two good examples of industries Black consumers dominate would be seafood and leather. Black Americans are major consumers of both. In seafood for example, the average Black American eat three to four times more seafood than the average White American, and Blacks spend \$9 dollars for every \$1 dollar that Whites spend. [Page 46]

The pattern of White and ethnic immigrants is to build culturally-based root businesses within their own communities. Once their businesses are established they close their markets to outside groups, while simultaneously expanding into Black neighborhoods, exporting those consumer dollars into White and immigrant businesses, families, and communities. Once they have acquired wealth, Whites and immigrants reinvest into businesses or other forms of unearned income sources such as stocks, bonds and real estate. Their ultimate goals are to be competitive within their own respective communities, dominate markets within Black neighborhoods, and use their wealth to influence politics and education. [Page 79]

Passages such as these unfairly and incorrectly generalize immigrant populations as being considered white, and the report as a whole seems to outline a plan that very much resembles a call for segregated economic isolation. The resolutions that were passed represented a step backward in race-relations and equal opportunity by attempting to set up an illegal fund that was to be used solely for the benefit of one race.

I firmly believe that African Americans have suffered profoundly from the impact of institutional structural racism. This racism is embedded in the American capitalist system. We must continue to develop strategies that increase the opportunities for African Americans to participate fully in the global economy.

I wholly support the principle that African Americans have full and equal opportunities to take advantage of development incentives in order to develop a cultural and business district. However, the resolutions that were passed in July were passed without adequate research and involvement by the entire community. Resultantly, we were left with what I believe were unlawful resolutions that made certain segments of our population feel alienated.

Ultimately, after much public debate, the Council was presented with two alternative resolutions for consideration. One was presented by Councilwoman Kay Everett which would have rescinded the resolutions altogether. Another was presented jointly by President Pro Tem. Kenneth V. Cockrel, Jr. and Councilwoman Alberta Tinsley-Talabi. This resolution clarifies the Council's desires to encourage the development of a business district focused on celebrating the rich heritage of African American in the City of Detroit. It also requests the Detroit Economic Growth Corporation to work with the City Planning Commission in this endeavor in a manner that is legally permissible.

I voted in full support of the Cockrel-Tinsley-Talabi resolution (CTT Resolution) because I felt that it most closely reflected my personal and professional judgment as a member of this Council. It recognizes that some of the language contained in the report was offensive and expressed its regret to those who were offended. It also recognized that the attempt to establish a capital fund through a Detroit Capital Development Corporation would likely be unlawful. More importantly, the CTT Resolution recognized the fantastic array of contributions to the City of Detroit by people of all ethnic heritages and further expressed the Council's commitment to the development of a business district incorporating the heritage of African Americans. By working with the Detroit Economic Growth

Corporation, the City Planning Commission and Black Business Trade Associations, we will be able to legally and effectively expand development opportunities to everyone in order to establish an African American business district within the City of Detroit.

**RESOLUTION TO RESCIND  
DISCRIMINATORY RESOLUTIONS TO  
DEVELOP "AFRICAN TOWN"**

By COUNCIL MEMBER EVERETT:

WHEREAS, On July 14, 2004 the Detroit City Council approved resolutions Recognizing African-Americans as the Majority-Minority Under-Served Population within Detroit and Council by resolution created the Detroit Capital Development Corporation (DCDC) to develop "African Town" and;

WHEREAS, The DCDC would operate a revolving fund for loans and grants with \$31 million that was initially set aside from the Casino Development agreement to help Detroit based Minority and Women owned businesses and;

WHEREAS, The DCDC would only approve loans and grants exclusively for African Americans to the exclusion of other minority owned businesses and;

WHEREAS, The resolutions referenced herein for the proposed African Town development have created a tremendous and divisive opposition from all sectors of our community including business leadership in the Hispanic, Arab, Asian and Black Chambers of Commerce and;

WHEREAS, The Detroit Metropolitan Area has already been designated as one of the most segregated regions in America and to ascribe to a racial divisive plan as envisioned by referenced resolutions herein would exacerbate the racial tensions that already exist and;

WHEREAS, Using public funds (originally allocated to all minority and women owned businesses) to exclude ethnic groups other than African Americans from participating in the development of African Town is unconstitutional and illegal on its face and;

WHEREAS, In order for Detroit to continue its renaissance as a city of opportunity for all, the Detroit City Council deems it will continue to promote economic opportunities for all ethnic groups in the City of Detroit, NOW BE IT THEREFORE

RESOLVED, The Detroit City Council does hereby rescind the approval of the two resolutions 1) Recognizing African-Americans as the Majority-Minority Population and also as the Under-Served Population within Detroit and 2) The Establishment of the Detroit Capital Development Corporation (DCDC) that will only fund African American businesses in an African Town Business District.

**STATEMENT BY COUNCIL MEMBER ALONZO W. BATES IN OPPOSITION TO RESOLUTIONS TO RESCIND DISCRIMINATORY RESOLUTIONS TO DEVELOP "AFRICAN TOWN"**

On Monday, October 18, 2004, I voted no on the resolution that is referenced above. This resolution alluded that the City Council Members who voted yes on the two July 14, 2004 resolutions, did so with the motive of being racist and divisive as well as condoning funding actions that are illegal. By no means was this the intent. I strongly believe that African American businesses are needed to assist in building the community in which African Americans live. Resources and assistance that are available and readily given to other ethnic groups should also be extended to African Americans. This resolution gave no viable options to accomplish this goal.

**RESOLUTION CLARIFYING THE CITY COUNCIL'S POSITION ON AFRICANTOWN PROPOSALS**

**STATEMENT BY COUNCIL MEMBER ALONZO W. BATES IN OPPOSITION TO THE RESOLUTION CLARIFYING THE CITY COUNCIL'S POSITION ON AFRICANTOWN PROPOSALS**

On Monday, October 18, 2004, I voted no on the above referenced resolution. The resolution requests the City Council to pass ordinances that would remedy the effects of past discrimination for the African American or Black population. I understand the effects of discrimination, however, as an elected official, duly sworn to protect the rights of the citizens of Detroit, any effort in this regard would also have to be directed toward all ethnic groups who are citizens of this City and the "remedy" would have to comply with federal and state law.

The request in the resolution for a set aside ordinance is illegal at this time. At one time the City did have such an ordinance that was ruled to be illegal by Judge Anna Diggs Taylor. This ordinance was based upon anecdotal information that could not substantiate the claim of disparity. Empirical data is required to support the assertion of disparity.

A directive is given to locate a national firm that is experienced in conducting disparity studies. Although needed, the request is premature. Any firm that is selected will not be able to conduct a disparity study without the required information from the City. The City must be able to provide information that will document the minorities that we do business with as well as the nature of the business. The City was not keeping track of this information. The Human Rights Department is keeping some record in terms of the certification process relative to minority and women owned businesses. This needs to be explored to determine exactly what statistics they may have. The Office of Targeted Business was set up and encouraged to gather and maintain the needed information that would allow for a disparity study.

The spirit of this resolution is well intended but impractical.

-----  
STATEMENT BY COUNCIL MEMBER  
SHEILA M. COCKREL REGARDING  
CITY COUNCIL RESOLUTION  
PURPORTEDLY CLARIFYING THE  
AFRICANTOWN RESOLUTION AND  
CALLING FOR A CITY OF DETROIT  
DISPARITY STUDY

On Monday, October 18, 2004, I voted no on a resolution that purported to clarify the majority's position on the Africantown proposal as discussed in Dr. Claud Anderson's Powernomics report. The resolution barely even alluded to the content of the Council's prior vote in support of those illegal recommendations. The resolution is an attempt by members of the Council to initiate the process of obtaining a racial disparity study of the City of Detroit's contracting practices to avoid dealing with the flawed intellectual framework of the Powernomics Plan for Detroit.

I voted against this resolution today for several reasons. First, as a thoughtful and diligent legislator, I cannot support the call for a disparity study when there has not even been the most basic research conducted on the cost of such a study. Second, in my preliminary research into the issue, the only City that appears to have successfully adopted a set aside program predicated upon a disparity study is Denver, Colorado. It is notable that the United States Supreme Court denied certiorari in that case to the great dismay of Justice Scalia.

Contrary to the benefits of some of the other members of the Council, this disparity study is not a necessary precursor to establishing an Africantown business district. Based on the resolution passed on Monday, October 18, 2004, the City Council has requested the Detroit Economic Growth Corporation to work with the City Planning Commission in order

to undertake the required steps to establish an Africantown business district. This method of establishing the Africantown business district would not constitute a racebased set aside program requiring the City to conduct a disparity study. For that reason, conducting a disparity study at this time would not aid in the development of an Africantown business district.

Regarding the cost of disparity studies, Professor George R. LaNoue, a leading expert on disparity studies from the University of Maryland Graduate School in Baltimore, noted that as far back as 1996 the average cost of a study ran \$500,000. Of the 100 studies conducted prior to 1996, with a total cost in excess of \$45 million, none of the resulting set-aside programs were upheld by the courts. I also understand that the City of Grand Rapids conducted a more recent disparity study at a cost of approximately \$1 million, with similarly unsuccessful results.

Detroit already has a history that includes a failed attempt to create a minority set-aside program. Judge Anna Diggs-Taylor held the City's sheltered market ordinance unconstitutional in *Arrow Office Supply vs. City of Detroit*. Nevertheless, through careful research and well-reasoned drafting, the City has now implemented a local preference ordinance that provides significant incentives to businesses that are physically located within the City of Detroit and those businesses that employ City residents.

During the current economic crisis, the City of Detroit does not have the liberty of throwing away millions of dollars on a disparity study at the risk of increased layoffs of City employees. For all of these reasons, I voted no.

STATEMENT BY COUNCIL MEMBER  
SHEILA M. COCKREL ON A CITY  
COUNCIL RESOLUTION IN  
OPPOSITION TO THE ADOPTION OF  
PROPOSAL E CREATING A NEW  
GOVERNANCE SYSTEM FOR THE  
DETROIT PUBLIC SCHOOL SYSTEM

On Monday, October 18, 2004, I voted in opposition to the resolution referenced above. This resolution states that the Council officially opposes Proposal E and urges all Detroit voters to vote no.

The Detroit Public School system has been the source of community wide debate and concern for many, many years. I am very troubled by the aspects of the current debate over Proposal E. I do not believe that much of the disingenuous rhetoric around the Council table has helped clarify the fundamental issue which we face — the balance between the right of each and every child in Detroit to a quality education and the right to vote for school board members.

I have heard Proposal E misrepresented at the Council table as giving all the power to the mayor, that the enrollment declined only in the last 5 years, that the \$1.5 billion bond program was "stolen", etc.

I believe it is important to clarify the facts:

1. In the 1992/93 academic year, the school system had 182,578 children enrolled. The following year the enrollment plunged to 167,551 children. Each and every academic year since, the school's population has declined, an overall loss of approximately 30,000 children.

2. The drop of enrollment over the time period of 1992/93 to 2003/04 has resulted in the loss of \$145,046,693 in per pupil state aid.

3. The \$1.5 billion dollar bond program has NOT been squandered. This program averaged \$25 million per month into the local economy and averaged \$400 thousand per month into the City tax coffers. Additional facts include:

a. 48% of costs committed to certified Minority Business Enterprises

b. 72% of costs committed to certified Detroit Based Business Enterprises

c. 25% of labor hours worked by Detroit residents

d. 30% of labor hours worked by minorities

e. 16 new buildings completed and opened to date

f. Facility improvement projects completed at more than 200 schools

g. 5 high school projects nearing completion

h. Expenditures have been audited each year

Keeping this factual framework in mind, we must bear the responsibility of carefully choosing how the school system needs to be governed. As I understand it, Proposal E offers two choices as they related to the governance of the Detroit Public School system. A yes vote would create a nine-member elected school board and give the Mayor of Detroit the authority to nominate a Chief Executive Officer who must be approved by the elected board. Without doubt, the CEO would be given a great deal of power in administering the daily operations of the board. A no vote would constitute a return to the system prior to the 1999 takeover whereby the school system would be administered by an eleven-member elected school board.

The pre-1999 school board was an institution that had no real checks and balances. At the same time, the system that we currently have is sorely lacking in that we do not have the right to vote for those who run the schools.

An affirmative vote on Proposal E offers the best strategy for the long-term future of our children. We are not alone. Many of the urban centers are facing similar challenges in their educational system, i.e. Chicago and Cleveland, to name two.

I do not believe that we serve our children by using opposition to this proposal as an attempt to vindicate former school superintendents, board members or Bond Oversight Committee members.

I believe that our school system must be shaped for the future. After weighing all of the relevant features of Proposal E, it is my position that a yes vote constitutes a step forward in building a system that is based on elected representation and a provision of checks and balances. We will be able to elect nine members to a board to represent our collective interests. At the same time, the Mayor will be able to appoint a CEO, subject to the approval of our elected board, in order to handle the day to day operations of the school system. To that end, I support an elected school board with approval power for the selection of the CEO upon the Mayor's recommendation. I support a board that will audit expenditures on an annual basis and review all contracts over \$250,000.

My experience on this Council informs me that no Mayor should assume that he or she would be able to control an independently elected board. Eleven years on this Council makes it crystal clear that Mayors must work very hard for support

of their initiatives or appointees.

The choice we will face on November 2 will be a difficult one. Whenever I am faced with a difficult choice, I rely on the principle that has guided me in the public sector. I seek the option that in my judgment serves the best interests of the citizens of Detroit after doing due diligence and reflecting on all dimensions of a public policy option.

Having examined the question, I will follow my principles to work for responsible and accountable governance and vote Yes on Proposal E.

**RESOLUTION**

By COUNCIL MEMBER WATSON:

WHEREAS, Five years have passed since casinos first began operating in Detroit; and

WHEREAS, Casinos opened with the hopes and expectations by many in Detroit that the new enterprises would stimulate economic development that would benefit all of the City's residents; and

WHEREAS, It has been reported that, collectively, the casinos have taken in more than \$4.8 billion in income since they opened; and

WHEREAS, It has been reported that the City of Detroit has received approximately 9.9% of the casinos' income; and that such represents approximately 12% of the City's revenue; and

WHEREAS, Detroit's unemployment and poverty rates continue to rise notwithstanding the presence of casinos; and

WHEREAS, The casinos, by design are self-contained, and have their own restaurants, bars, shops and other enterprises, thereby eliminating the need and opportunity for other such businesses in the vicinity of the casinos; and

WHEREAS, There are no known, identifiable, tangible benefits from the casinos to low and moderate income neighborhoods; and

WHEREAS, The casinos are heavily patronized by the citizens of Detroit, and the casinos have both an ethical and legal obligation, pursuant to MCL 432.206(1)(c) to invest in, or otherwise involve themselves in the community in which they are located;

NOW THEREFORE BE IT RESOLVED,

1. The City Council of the City of Detroit hereby establishes the Casino Community Involvement Monitoring Commission that shall be charged with the following responsibilities:

(a) the identification of neighborhoods in the City of Detroit that qualify as "low and moderate income" for purposes of this Resolution;

(b) the establishment of an evaluation process and related criteria to assess the extent to which casinos contribute to the

economic development of low and moderate income neighborhoods;

(c) the ongoing monitoring of the casino's grants, investments and other contributions to low and moderate income neighborhoods in the City of Detroit;

(d) the preparation of an annual report on the casino's contributions to low and moderate income neighborhoods for the review of the Detroit City Council.

2. Members of the Commission shall be appointed annually by the Detroit City Council, and shall serve at the pleasure of the Detroit City Council for a stipend.

BE IT FURTHER RESOLVED,

The City Council of the City of Detroit shall annually review the report prepared by the Casino Community Involvement Monitoring Commission, and shall provide to Michigan casino licensing officials an evaluation of the casino's community involvement. A casino's failure to cooperate or communicate with the Casino Community Involvement Monitoring Commission shall be included in the City Council's report to licensing officials.

-----  
**STATEMENT BY COUNCIL MEMBER SHEILA M. COCKREL IN OPPOSITION TO RESOLUTION TO ESTABLISH THE CASINO COMMUNITY INVOLVEMENT MONITORING COMMISSION**

On Monday, October 18, 2004, I voted in opposition to the resolution referenced above for two basic reasons. First, I think the creation of this commission is unnecessary. The City Council already has a Standing Committee on Casino Gaming that could easily conduct hearings and examine the issue of the casinos' involvement in the community. Additionally, Section 3.5(k) of the Development Agreements with the casinos provide for the creation of the Joint Employment and Procurement Advisory Board (JEPAB). The purpose of this Board is to monitor the employment and procurement activities of the casinos to ensure compliance with Article 3.5 of the Development Agreements. The City Council has the full power and ability to work through its Standing Committee on Casino Gaming to have discussion with the JEPAB and the casinos to explore community involvement. There is no need to create a separate commission for this goal.

Secondly, I am not clear whether the City Council has the authority to create this type of commission at this time. Specifically, the resolution provides that the members of the Commission shall serve at the pleasure of the City Council for a stipend. The 1997 Detroit City

Charter clearly provides that after a budget has been adopted, any changes in appropriations must come from the Mayor. This ill-conceived resolution does nothing to set forth the most basic elements for creating a commission. It provides for a stipend without identifying a means of funding it. It does not identify how much the stipend will be nor does it even define the number of individuals who should be appointed to this commission.

The Council has a practice of establishing various committees and task forces as it sees fit in order to deal with important issues. However, I do not ever recall providing stipends to members of these bodies in all my years of experience on this Council. Even if funding were available, considering that we already have adequate governmental agencies in place in order to accomplish the stated purposes of this proposed commission, it would be duplicative and a waste of funds in a time when we are all facing a severe budget shortfall. For all of these reasons, I voted no.

**\*ON WAIVERS OF RECONSIDERATION**

Council Member Bates moved to waive the right to reconsider the vote by which each resolution designated for "Waiver of Reconsideration" and numbered 1 to incl., was adopted.

Council Member K. Cockrel, Jr. moved to suspend Rule 23 for the purpose of indefinitely postponing the motion to waive reconsideration, which motion prevailed.

Council Member S. Cockrel then moved that the motion to waive reconsideration be indefinitely postponed, which motion prevailed.

The regular order was resumed.

And the Council then adjourned.

Council Member K. Cockrel, Jr., moved to take from the table an ordinance to amend Section 40-1-12 of the 1984 Detroit City Code, Peddling and Other Sales; Distribution of Handbills, to rename the section Sale of Any Article, Goods, Merchandise, or Food, Prohibited; Exceptions; Distribution of Commercial Handbills Prohibited Within Any Park, Public Place or Boulevard; and to allow for the sale of articles, goods, merchandise, or food in City parks, public places or boulevards, etc., laid on the table September 29, 2004, which motion prevailed.

The Ordinance was then placed on the order of third reading.

**THIRD READING OF ORDINANCE.**

The title to the Ordinance was read a third time.

The Ordinance was then read.

The question being "Shall this Ordinance Now Pass?"

The Ordinance was passed, a majority of the Council Members present voting therefore as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

Title to the Ordinance was confirmed.

Honorable City Council:  
Re: Melvin Nelson vs. City of Detroit and Mithyim Fard Lewis. Case No. 03-313982. File No. A24000-000502 (MRJ).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your

Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiff, that your Honorable Body direct the Finance Director to issue a draft payable to Melvin Nelson and his attorney, Bernstein and Bernstein, in the amount the City is to pay the Plaintiff pursuant to the arbitrators' decision, but said draft may not be less than Fifteen Thousand Dollars (\$15,000.00) and shall not exceed One Hundred Twenty Five Thousand Dollars (\$125,000.00).

By Council Member Bates:

Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Melvin Nelson vs. City of Detroit and Mithyim Fard Lewis, Wayne County Circuit Court Case No. 03-313982, on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. Plaintiff shall recover a minimum amount of Fifteen Thousand Dollars (\$15,000.00).

The maximum amount of any award to the Plaintiff shall not exceed the amount of One Hundred Twenty Five Thousand Dollars (\$125,000.00).

3. Any award under \$15,000.00 shall be interpreted to be in the amount of \$15,000.00.

Any award in excess of \$125,000.00 shall be interpreted to be in the amount of \$125,000.00.

There shall be no costs, fees, attorneys fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about January 14, 2001 at or near Springwells and West Lafayette; however, limited judicial review may be obtained in a Michigan Federal

District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$100,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Melvin Nelson and his attorney, Bernstein and Bernstein, in the amount of the arbitrators' award, but said draft may not be less than Fifteen Thousand Dollars (\$15,000.00) and shall not exceed One Hundred Twenty Five Thousand Dollars (\$125,000.00).

Honorable City Council:

Re: Joni Gullas v. City of Detroit and Anthony Johnson. Case No.: 03-CV-70386 DT, File No.: A37000.004120.

On August 23, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded \$750,000.00 (\$500,000.00) against Anthony Johnson, and \$250,000.00 against the City of Detroit) in favor of Joni Gullas. The parties have until Wednesday, October 20, 2004, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case award is in the best interest of the City of Detroit.

We, therefore, request your Honorable body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Seven Hundred Fifty Thousand Dollars and No Cents (\$750,000.00) payable to Fieger, Fieger, Kenney & Johnson, P.C., Attorneys and Joni Gullas, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-CV-70386 DT, approved by the Law Department.

Honorable City Council:

Re: Address: 19403 Archdale. Name: Antonio Pinkston. Date ordered removed: June 25, 2003 (J.C.C. p. 2012).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 23, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of September 22, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition ordered be deferred for a period of three (3) months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

• Certificate of Acceptance related to building permits

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

Honorable City Council:

Re: Address: 5576 Cadillac. Name: Zafar Shah. Date ordered removed: July 2, 2003 (J.C.C. p. 2090).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on September 17, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of September 15, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition ordered be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained, Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If

Honorable City Council:

Re: Detroit Entertainment LLC's (d/b/a MotorCity Casino) request to rezone land to SD5 (Special Development District for Casinos) for the construction of a casino complex (Submitting Resolution to extend the period for Council consideration of the petition).

On Wednesday, July 21, 2004, your Honorable Body passed a resolution granting the third extension of the period of consideration for the above captioned rezoning request of MotorCity Casino. This was necessitated by the pending expiration of the previous extensions and the original 120-day time period for the Council to take action on the rezoning request, as set forth in Section 64.0700 of the Official Zoning Ordinance.

The current extension will expire after October 24, 2004 unless another extension is granted. Previously, you directed the CPC staff to monitor and inform your Honorable Body of the status of this petition in order to maintain it as viable for your consideration. Please find attached a resolution extending the period for consideration of MotorCity Casino's SD5 rezoning request for an additional 120 days.

Whereas, Section 64.0700 of the Official Zoning Ordinance of the City of Detroit establishes that upon the expiration of a 120 day period following the date that the City Council formerly receives the City Planning Commission's report and recommendation on any petition to

amend the Zoning Ordinance, such petitions will be deemed denied unless the time period is extended by resolution of the City Council; and

Whereas, Detroit Entertainment LLC (d/b/a MotorCity Casino) has petitioned the City Council for a rezoning of certain property in the City of Detroit from R2 and PD zoning district classifications to SD5; and

Whereas, The City Planning Commission report and recommendation on this rezoning request was received by the City Council on October 15, 2003; and

Whereas, The original 120 day period pertaining to this request was to expire on February 11, 2004, and since then this City Council has granted three 90 day extensions, the most recent of which will expire after October 24, 2004; and

Whereas, This City Council has expressed the desire to extend the period of consideration for this petition;

Now, Therefore, Be It Resolved, That pursuant to Section 64.0700 of the City of Detroit Zoning Ordinance, the Detroit City Council hereby extends the time period for consideration of the petition of Detroit Entertainment LLC to rezone property generally bounded by Grand River, Elm, Trumbull, Spruce, Brooklyn and the John C. Lodge Freeway from R2 (Two-Family Residential District) and PD (Planned Development District) to SD5 (Special Development District for Casinos) for an additional 120 days from October 25, 2004 through February 21, 2005.

**Cultural Affairs Department**

September 3, 2004

Honorable City Council:

The Department of Culture, Arts & Tourism is in the planning stage of initiating new revenue from special events held at the Eastern Market and/or other entities. The first revenue will be \$500 per tailgating game from the Municipal Parking Department. We would like to take this revenue as well as revenue from other special events and reinvest it into marketing, promotional activities, and other cost associated with event planning held at the market. It is our goal to revamp the market so that it will be appealing to all, thus bringing in new attractions, revenue, and visitors.

In these lean economic times, it is the interest of this Department to be fiscally responsible and creative. This will allow growth without unnecessarily consuming funds. The approval of your Honorable Body is respectfully requested to estab-

lish an appropriation, allowing the Department of Culture, Arts & Tourism to appropriate funds that we expect to receive from special events/contributions, and to utilize these funds for those cost described above. The attached resolution has been submitted for the review and approval of your Honorable Body.

**Brownfield Redevelopment Authority**  
 October 12, 2004

Honorable City Council:

Re: Term Expirations — Detroit Brownfield Redevelopment Authority's Community Advisory Committee.

As you know, the Detroit City Council appoints four (4) members to the Community Advisory Committee (the "CAC") of the Detroit Brownfield Redevelopment Authority (the "DBRA"). As we have already communicated to the City Council, two (2) of the four (4) members appointed by the City Council resigned a long time ago (Mr. Charles Simmons and Mr. Thomas Stephens), and the term of office of Mr. Jim Stone and Ms. Elizabeth Toomer expired on June 30, 2004.

As a result of the above, it has become extremely difficult for the CAC to attain a quorum, resulting in unnecessary delays

towards the approval of a number of DBRA Brownfield Plans.

We would, therefore appreciate City Council's action with regard to the reappointments and/or new appointments of CAC members with a term to expire June 30, 2005.

If you have any questions, please call me.

**Planning & Development Department**

September 30, 2004

Honorable City Council:

Re: Reprogramming Community Development Block Grant (CDBG) — Revised Request.

In an August 12, 2004 letter to your Honorable Body, the Planning and Development Department requested amendment of the HUD Consolidated Plan and reprogramming of funds from a large number of projects to the Brightmoor III New Housing project, the Detroit Entrepreneurship Institute Economic Development Business Assistance project, and the Mack Alive Public Facility Rehab project.

In a September 28, 2004 report to you, the City Planning Commission recommended approval of the request if the following changes were made:

- Remove \$44,788.85 decrease from appropriation 10132, Detroit Primary Care Network.
- Remove \$67,679.25 decrease from appropriation 05306, St. Clair Block Club.
- Redistribute the remaining reprogrammed funds, (\$1,662,531.90), among the three projects identified as targets for funding.

In order to expedite the requested reprogramming, Planning and Development has accepted the recommended changes, and

respectfully requests that your Honorable Body approve the attached resolution reprogramming CDBG funds in the amount of \$1,662,531.90 from the project activities shown in the attached resolution to the following project activities:

- \$1,387,531.90 for Brightmoor III New Housing. CDBG funds will be used along with HOME funds to construct scattered site new housing for low income households in the Brightmoor area.
- \$75,000 for Detroit Entrepreneurship Institute Economic Development Business Assistance. These funds will be used to provide business training and other assistance for startup and other small businesses.
- \$200,000 for a Mack Alive Public Facility Rehab in the area bounded by Mack, East Grand Boulevard, East Warren and McClellan. These funds will supplement other CDBG funds to rehabilitate the building for use as a training and technical skills center.

The attached resolution amends the HUD Consolidated Plan for the reprogramming and changes the affected appropriations.

Your approval of the resolution is requested.

Honorable City Council:

Re: Proposed Ordinance to adopt the Third Modified Development Plan for the Hubbard Richard Rehabilitation Project.

Pursuant to State statute and applicable provisions of the 1984 Detroit City Charter, the above referenced ordinance is submitted to your Honorable Body for consideration together with the attached draft resolution scheduling a public hearing on the Third Modified Development Plan for the Hubbard-Richard Rehabilitation Project. The Modified Development Plan currently in place was adopted by Ordinance Amendment approved June of 1998. Further modification of the Development Plan is necessary to represent current and future zoning and land use conditions. Mixed-use as well as bridge related uses for certain areas within the redevelopment area will be established as permitted uses.

The modifications to the Third Modified Development Plan are intended to reflect

current land use conditions; recommend future land use conditions; reflect those objectives of the plan which have been completed; recommend objectives yet to be completed; and reflect the completion of development of parcels acquired through urban renewal.

The boundaries of the Hubbard-Richard Project Area are to remain the same. Two new land uses have been added to the Hubbard-Richard Development Plan to allow for Bridge and Bridge Related land uses as well as to allow for mixed-use. A new map entitled "Secondary Permitted Uses" allows for a second use other than the use as stated in the "Land Use and Development Plan". This allows for flexibility where two or more uses are possible and those future land uses have remained undetermined. No further acquisition or relocation is being recommended in this plan amendment.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing the advertising of and the holding of a public hearing concerning this proposed ordinance, as required by statute, no less than 30 days hence.

Respectfully submitted,  
 BURNEY JOHNSON

Director of Planning Activities

By Council Member Bates:

**AN ORDINANCE to amend Chapter 2, Article XLVIII, of the 1964 Detroit City Code, entitled Hubbard-Richard Development Project, which was saved from repeal by Ordinance No. 593-H and Section 1-1-7(13) of the 1984 Detroit City Code, by amending Section 2-48-2 and adding Section 2-48-9 to adopt the Third Modified Development Plan for the Hubbard-Richard Rehabilitation Project.**

Whereas, The City has made detailed studies of the location, physical condition of structures, land use, environmental influences and social, cultural and economic conditions of the development area known as the Hubbard-Richard Rehabilitation Project, which is located within the City of Detroit and described as follows:

Beginning at a point at the southwest corner of Lafayette Boulevard, seventy (70) feet wide, and 16th Street, sixty (60) feet wide, at the intersection of the southerly right-of-way line of Lafayette

Boulevard and the extension of the west right-of-way line of 16th Street, thence northerly along the west right-of-way line of 16th Street to a point at the northwest corner of Bagley Avenue, sixty (60) feet wide, on the northerly right-of-way line, thence easterly two hundred eighty (280) feet more or less along the north right-of-way line of Bagley Avenue to the westerly property line of the Penn Central Railroad, thence following the Penn Central Railroad property line in a north-westerly directly to the center line of West Grand Boulevard, one hundred fifty (150) feet wide, thence southerly along the center line of West Grand Boulevard to the intersection of the center line of West Fort Street, one hundred (100) feet wide, thence easterly along the center line of West Fort Street to a point at the intersection of the extension of the east right-of-way line of 17th Street, sixty (60) feet wide, thence northerly along the east right-of-way line of 17th Street to the south right-of-way line of Lafayette Boulevard, thence easterly along the south right-of-way line of Lafayette Boulevard to the southwest corner of Lafayette Boulevard and 16th Street, the point of beginning.

The area is bounded generally by Fort Street, 16th Street, Penn Central Railroad and West Grand Boulevard.

Whereas, These studies have determined that portions of the development area 1) are blighted, and 2) are detrimental and a threat to the safety, health and welfare of the people both within this development area and throughout the City of Detroit due to obsolescence, physical deterioration of structures, improper division of lots, mixed character and uses of the structures, and other similar characteristics; and

Whereas, The City Council has been fully apprised, and is aware of these facts and conditions; and

Whereas, A Third Modified Development Plan for the project area, dated June 15, 2004 which consists of seventeen (17) pages and seven (7) maps, was prepared and referred to the City Council for its review and approval; and

Whereas, The Third Modified Development Plan for the project area prescribes certain land uses for the project area and will require, among other things, changes in zoning, the vacating and removal of streets, alleys and other public ways, the establishment of new street patterns, the location and relocation of sewer and water mains and other public facilities, and other public action; and

Whereas, A Master Plan of the City of Detroit has heretofore been prepared and adopted; and

Whereas, Said Master Plan designates the general features of development of the district where the development area lies

and of other districts adjacent to this development area, with such necessary extent, content, and particularly to ensure that this Third Modified Development Plan is in conformity with said Master Plan regarding future development of the territory surrounding this development area; and

Whereas, The Planning and Development Department has submitted to the City Council its report and recommendations regarding said Third Modified Development Plan for the rehabilitation of the blighted area that is embraced in the project, and has certified that Third Modified Development Plan conforms to the said Master Plan for the locality as a whole, and

Whereas, The City Council has fully considered the report, recommendations, and certification of the Planning and Development Department; and

Whereas, A public hearing was held on \_\_\_\_\_, 2004, at which time all interested persons and organizations were given an opportunity to be heard on the proposed Third Modified Development Plan.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**DEVELOPMENT PLAN  
HUBBARD-RICHARD  
REHABILITATION PROJECT  
EXECUTIVE SUMMARY**

The purpose of the third modification to the Development Plan of the Hubbard-Richard Rehabilitation Project herein after referred to as the Hubbard-Richard Development Plan, is to: reflect current land use conditions; recommend future land use conditions; reflect those objectives of the plan which have been completed; recommend objectives yet to be completed; and to reflect the completion of development of parcels acquired through urban renewal.

The boundaries of the Hubbard-Richard Project Area are to remain the same.

Two new land uses have been added to the Hubbard-Richard Development Plan:

- Bridge and Bridge Related. This proposed land use will be used by the Ambassador Bridge and all related uses. This new land use can be found generally bound by I-75 on the west, between Bagley and Porter on the north, the alley west of St. Anne's and St. Anne's Street on the east, and Fort Street on the south.

• Mixed-Use. This proposed land use will allow a mix of residential and commercial uses. This designation will mostly be found along W. Vernor Hwy., along Bagley Avenue, and scattered throughout the area.

A new map entitled "Secondary Permitted Uses" allows for a second use other than the use as stated in the "Land Use and Development Plan". This will allow for those areas with two or more uses which are possible.

**DEVELOPMENT PLAN  
HUBBARD-RICHARD  
REHABILITATION PROJECT**

**A. DESCRIPTION OF PROJECT**  
**Pursuant to Public Act 344 — Section 4, Subsection 4 requires that the Development Plan contain "District areas shall be designated for all development areas that have been approved by a local legislative body and subject to the terms of this act as of January 1, 1968, and all subsequent development areas that are so approved. A district area shall not be designated unless the local legislative body first holds a**

public hearing on the designation. The legislative body shall give notice of the public hearing not less than 20 nor more than 30 days before the date for the public hearing.”

1. Boundaries

a. Legal Description

The boundaries of the project area are described as follows:

Beginning at a point at the southwest corner of Lafayette Boulevard, 70 feet wide, and Sixteenth Street, 60 feet wide, at the intersection of the southerly right-of-way line of Lafayette Boulevard and the extension of the west right-of-way line of Sixteenth Street, thence northerly along the west right-of-way line of Sixteenth Street to a point at the northwest corner of Bagley Avenue, 60 feet wide, on the northerly right-of-way line, thence easterly 280 feet more or less along the north right-of-way line of Bagley Avenue to the westerly property line of Bagley Avenue to the westerly property line of the Penn Central Railroad, thence following the Penn Central Railroad property line in a north westerly direction to the center line of West Grand Boulevard, 150 feet wide, thence southerly along the center line of West Grand Boulevard to the intersection of the center line of West Fort Street, 100 feet wide, thence easterly along the center line of West Fort Street to a point at the intersection of the extension of the east right-of-way line of Seventeenth Street, 60 feet wide, thence northerly along the east right-of-way of Seventeenth Street to the south right-of-way line of Lafayette to the southwest corner of Lafayette Boulevard and Sixteenth Street, the point of beginning.

b. The perimeter boundaries of the Hubbard-Richard Project area are shown on the map entitled “Project Boundary Map” dated June, 2004.

c. The Hubbard-Richard Development Plan Area is approximately 336± acres.

2. Formation of Citizens’ District Council

**Pursuant to Public Act 344 — Section 4, Subsection (5) (a-d) requires that the Development Plan contain “Citizens’ District Councils are governed by the following:**

a. Except as otherwise provided in this subdivision, for each district area, a citizens district council of not less than 12 nor more than 25 members shall be selected in a manner that ensures that the citizens district council is to the maximum extent possible representative of the residents of the area and of other persons with a demonstrable and substantial interest in the area. The majority of the citizens’ district council shall be composed of citizens living in the development area.

b. The term of office on the councils shall be 3 years. If terms of council

members are not staggered, then, upon the expiration of the terms of the members of the citizens’ district council, 1/3 shall be selected or appointed for 3 years, 1/3 for 2 years and 1/3 for 1 year.

c. Members of the council may be selected by direct election by the residents of the area and other persons with a demonstrable and substantial interest in the area, or may be appointed by the chief executive officer of the municipality after consultation with local community groups and residents of the area, or by a combination of appointment and election. The method of selection of the citizens’ district council, and any appointments to the council by the chief executive officer, shall be determined with the approval of the local legislative body after a public hearing has been held, with public notice of such hearing distributed throughout the district area at least 20 days before the date of the hearing. Citizens’ district councils shall be established within 45 days of any initial designation of a development area by any local planning agency or local legislative body.

d. In a city of over 1,000,000, the local legislative body shall adopt an ordinance governing the composition and method of selecting the members of the citizens’ district councils, with the limitation that such an ordinance shall provide for a majority of the citizens’ district council to be composed of citizens’ living in a development area or areas”.

**Local official to periodically consult with Citizens’ District Council regarding all aspects of the plan, including new housing for relocation, through final implementation of the plan.**

Pursuant to Public Act 344 — Section 4, Subsection (6) requires that the Development Plan contain:

The City of Detroit Planning and Development Department in conjunction with the City Planning Commission will oversee all development plans within the district area and periodically consult with and advise the citizens’ district council regarding all aspects of the plan, including the development on new housing for relocation purposes located either inside or outside of the development area.

**Mayoral notice CDC of proposed zoning change, hearing or condemnation proceedings in district area at least 20 days in advance.**

Pursuant to Public Act 344 — Section 4, Subsection (7) requires that the Development Plan contain:

“The Chief Executive Officer of the municipality shall give the citizens’ district council written notice of any contemplated zoning change, hearing,

or condemnation proceedings within the district area. The notice shall be given at least 20 days before the effective date of the change or the date of the hearing or proceedings. Upon receiving a request from the citizens' district council, the local legislative body shall hold a public hearing on the proposed zoning change or condemnation proceedings. Each citizens' district council may call upon any city department for information.

### 3. Development Plan Objectives

The primary objectives of this project are to preserve, protect, and improve the existing residential neighborhood; to create an environment that encourages the residents of the area to maintain and improve the existing homes in the area; to construct new housing where feasible; to rehabilitate existing homes where feasible; and to encourage the healthy co-existence between residential, commercial, institutional, industrial and bridge related uses. The objectives are to:

- a. Improve the total living environment for the residents within the district area of Hubbard-Richard.
- b. Protect the health, safety and welfare of the surrounding community.
- c. Restore proper balance of taxable value of real property and the cost of municipal services.
- d. Redevelop residential areas with new housing that is functionally, economically, and architecturally compatible with the residents of the area.
- e. Preserve and enhance those properties that have historical or architectural viability.
- f. Ensure that new housing in the area provides for a substantial number of housing units of low or moderate cost.
- g. Encourage buffering between non-compatible uses that will reduce the impact to the residential neighborhood.
- h. Achieve the Land Use and objectives as stated in the current City of Detroit Master Plan of Policies.
  - i. Objectives for specific areas:
    - 1.) Support a traffic circulation system that will:
      - a.) Provide direct connections between the Ambassador Bridge and the highway system.
      - b.) Post and enforce a local truck traffic route with minimal impact on the local residential streets.
    - 2.) Encourage and assist the redevelopment of the Bagley Avenue and Vernor Street as main street commercial areas.
    - 3.) Industrial areas located between the Penn Central Railway on the north and Toledo, Twenty Fourth, and Ruskin on the south. The boundaries between the industrial and residential uses were established in the Master Plan of the City of Detroit by the Detroit City Council in May of 1974. The Land Use and Development Plan for

this area conforms with those boundaries and with the Land Use designations for the area. The residential area between Vernor and Toledo/ Ruskin should be protected from further industrial intrusions and truck traffic. Attractive buffers between the residential and industrial uses will be encouraged to minimize the negative impact of industrial activity.

4.) Encourage the existing commercial uses on Bagley between Sixteenth Street and 24th Street to remain and improve, and to promote the vacant land on Bagley for main street commercial uses.

5.) Encourage existing commercial and institutional uses to remain and improve and to promote main street commercial and compatible uses on Vernor between Newark and West Grand Boulevard. This plan encourages attractive landscaping of Vernor.

6.) Establish a district referred to as the "Rail District" for work/live mixed-uses between Newark and Bagley, from 15th to 18th Street.

7.) New construction and additions to existing structures of industrial and commercial uses should be designed to be architecturally compatible and to minimize the negative impact of industrial and commercial activity on residential areas.

### 1. Types of Proposed Actions

#### a. Rehabilitation

The rehabilitation of existing structures is integral to the objective of improving the Hubbard-Richard area. The rehabilitation program is directed toward the goal of preservation protection, improvement of the existing residential structures, the creation of mixed uses, and creating buffers with adjacent industrial and bridge related uses. Almost all of the residential buildings in the area are currently occupied and through the application of a practical rehabilitation program should continue to be occupiable for the foreseeable future.

#### b. Acquisition

No further acquisition or relocation has been planned for this area.

#### c. Clearance

No further clearance has been planned for this area.

#### d. Project Improvements

The following project improvements are recommended for the Hubbard-Richard Development Plan area:

1.) Sidewalk and curb repair. Sidewalks and curbs in the area will be repaired. These repairs will be scheduled according to need and will be prioritized in accordance with budgetary and planning requirements.

2.) Street tree planting, tree trimming, stump removal and tree guards. New street trees will be planted to meet city standards.

3.) A comprehensive landscape treatment design and implementation plan is encouraged on Vernor between West

Grand Boulevard and Newark Street. The goal of this improvement is to increase the desirability of Vernor as a location for business and institutions and to create a visual impact that will indicate to the many persons using Vernor the improvements within the Hubbard-Richard area.

4.) A comprehensive landscape treatment design and implementation plan is encouraged on Bagley between West Grand Boulevard and Sixteenth Street. The goal of this improvement is to increase the stability of that portion of Bagley west of the Fisher Freeway; and to stimulate commercial investment on that portion of Bagley located between the Fisher Freeway and Sixteenth Street.

5.) Improve the parks and recreational facilities located in the district.

6.) Street Improvements

a.) Landscaped buffering along the wall enclosing the bridge related uses.

b.) Landscaped buffering where industrial and commercial land uses are adjacent to residential land uses.

c.) Street resurfacing where needed.

d.) Additional street and alley lighting where needed.

e.) Connect Bagley over I-75 through a pedestrian bridge to reconnect the two sides of the Mexicantown commercial district.

e. The following project improvements implemented since May of 1974 shall be maintained:

1.) Maintain the park improvements in Stanton Park, located on Porter between Seventeenth and Eighteenth Streets.

2.) Maintain the landscaped Plaza on the North side of Howard between Ste. Annes and Eighteenth Street. This plaza is intended to provide:

a.) a place for persons to congregate outside Ste. Anne's Church which is a religious and social focus for many persons in the neighborhood;

b.) a setting to accentuate the historical architectural form of Ste. Anne's Church which is on the National Register of Historic Places;

c.) a site for passive recreation adjacent to the planned and new residential development.

#### B. LAND USE PLAN

1. City of Detroit Master Plan of Policies Pursuant to Public Act 344 — Section 4, Subsection (3)(a) requires that the Development Plan contain "a master plan of the municipality or a master plan which is sufficiently advanced to designate areas in need of rehabilitation or in need of measures to prevent blight."

The Hubbard-Richard Development Plan Area is included in the *Southwest Sector* and *Hubbard-Richard/Corktown Subsector* of the City of Detroit Master Plan of Policies. The policies for the *Hubbard-Richard/Corktown Subsector*

(POLICY 309-12) include:

- Encourage population growth

- Continue to build a good living environment through the gradual removal of abrasive uses and continued protection against nonconforming uses; buffering and proper siting of new light industrial or transportation-related facilities (such as the Bridge plaza), and continued upgrading of housing.

- Provide increased support and strengthening of the Mexicantown commercial district on Bagley and Vernor, and support the expansion of this commercial area along Bagley east of the Fisher Freeway. Provide adequate parking for this area.

- Resolve traffic conflicts: provide better access from Fort Street to the Ambassador Bridge plaza; downgrade Lafayette Avenue where it carries heavy volumes of traffic through Hubbard-Richard; eliminate truck traffic from residential streets; consider using traffic signals (blinking lights) to reduce noise levels from truck traffic during low traffic hours.

- Promote the tourist potential of the Hubbard-Richard/Corktown Subsector, focusing on such attractions as ... historic neighborhoods, Mexicantown and ethnic restaurants, St. Anne's Church, the new Ambassador Bridge and related facilities. Insure that the proposed new Tourist Information Center gives adequate priority to promoting these attractions in the immediate area.

- Encourage increased coordination of the different community groups and agencies working in this area. "Market" the area as a good place to live, work, and play.

#### 2. Land Use Map

The map titled "Land Use and Development Plan" dated June, 2004 is included as part of this plan. This map shows:

a. Primary Land Uses permitted within the plan district.

b. Proposed land uses.

#### 3. Secondary Permitted Uses

The map titled "Secondary Permitted Uses" allows for a secondary permitted in addition to the primary land use as stated in the "Land Use and Development Plan". These secondary permitted uses allow for areas where there are two or more potential redevelopment uses. The land uses as shown in the "Land Use and Development Plan" map and the "Secondary Permitted Use" map are both permitted as a matter of right.

#### 4. Land Use Provisions

**Section 4,(3)(b) requires that the Development Plan contain "a plan of the general features of development of the district within which the development area lies and of other districts adjacent to the development area, of**

such extent, content, and particularity as is necessary to the coordination of the development area plan with the future development of the territory surrounding the development area, or, if no future development is planned, then in coordination with the present development.”

a. Shall be permitted on the land to be acquired and made available for redevelopment by this project:

**Residential:** The housing category permits only the construction of new housing units and related development.

Single-family detached housing will be permitted in Hubbard-Richard on scattered parcels where surrounding residential densities are medium to low. Wherever single units are constructed adjacent and to proximity to existing housing units, the new construction must be compatible with the existing housing design. The maximum density permitted for single-family detached housing developed on a larger parcel (10 acres or more) is up to eight (8) dwelling units per acre.

Two-family dwellings, townhouses, row houses and garden apartment will be permitted. Where such housing parcels are large enough to allow development of clusters of two-family dwellings, townhouses row houses and garden apartments, the maximum density permitted will be sixteen (16) dwelling units per acre, and retail center parcels where maximum density may be twenty four (24) dwelling units per acre.

Mid-rise residential structures may be located primarily along West Grand Boulevard and West Vernor Hwy.

Non-residential uses such as play lots, public walkways and residentially related commercial facilities may be permitted in those larger parcels to be developed for new housing.

**Commercial:** The intended use for commercial parcels in Hubbard-Richard are for neighborhood scale retail businesses, and regional commercial attractions. The type of uses permitted for these parcels will include low intensity retail, wholesale, general office, restaurants, hotel/inn and other local community and regional commercial uses.

**Mixed-Use:** Permitted land uses include a commercial, entertainment and/or institutional anchor with a mix of support uses including or in close proximity to residential land uses. An emphasis on pedestrian orientations with wide sidewalks, building facades built up to the lot line, street-front access to buildings and landscaping and street furniture.

**Industrial:** Permitted uses include of low intensity that have minimum undesirable effects on adjacent residential or commercial land uses. Uses may include

machine shops, small-scale assembly or packaging, warehousing or technology parks. This land use may also permit areas for uses concerned with the handling, storage, and movement of goods and materials such as wholesale and warehouse facilities, maintenance and service uses, goods packing and processing uses, and supporting office and service uses.

**Institutional:** Permitted uses include educational, religious, health or public uses such as churches, libraries, museums, public or private schools, hospitals or public buildings.

**Bridge and Bridge Related:** Permitted uses include the Ambassador Bridge and the following related uses including, but not limited to: Primary customs; Secondary customs; Inspections; Toll Collections; U.S. Department of Homeland Security Operations including the Department of Agriculture, the Department of Immigration, U.S. Customs, Canadian Immigration, and Federal Protection Services; Duty-Free Stores; Parking; supporting office and service uses; and Maintenance Operations.

**Recreational:** Uses that serve both passive and active recreational uses such as parks, playgrounds, open space, recreational centers, sports facilities, and greenways.

b. Additional controls

1.) Density: the low density row houses and town houses shall have a minimum density of 10 dwelling units per acre and a maximum density of 20 dwelling units per acre.

The medium density garden apartments shall have a minimum density of 21 dwelling units per acre and a maximum density of 35 dwelling units per acre.

2.) Land Coverage: land coverage shall be consistent with the requirements set forth in the Detroit Zoning Ordinance.

3.) Setbacks: there shall be a minimum 20' setback from public streets for all permanent structures. No parking shall be permitted in the 20' setback area.

4.) Property owners adjacent to City owned lots will normally have first option to purchase these lots.

5.) Parking: parking shall be contained on site and shall be adequate for the intended uses.

There shall be 1.25 parking spaces per residential unit for all new low and medium density housing. This requirement may be reduced for senior citizen units to one space for every three units, upon approval of Planning and Development Department (P&DD) and the Board of Zoning Appeals (BZA).

A parking space shall have a minimum of 180 square feet, exclusive of drives and aisle ways.

Location of and access to all parking

shall be subject to approval by the City of Detroit.

All parking, loading, and services shall be off the street right-of-way. These areas are to be surfaced with a concrete pavement having a bituminous or Portland Cement binder on an aggregate base of adequate thickness to withstand the intended usage. These areas should be even, adequately drained, and shall be designed and constructed to prevent the intrusion of vehicles on surrounding landscaped areas. They will be screened from the street by proper orientation and through the use of low walls, earth mounds and/or plan materials. Loading and rubbish storage areas shall be screened from view.

Adequate lighting shall be provided in parking areas to help insure safety and to discourage vandalism. This lighting shall not produce glare on adjacent resident units.

6.) Building Height: new residential units shall not exceed two and one half stories in height.

7.) Signs: no signs shall be erected which do not pertain to activities conducted on the parcel upon which they are located. The size, location, and general design of all permitted signs shall be subject to approval of the City of Detroit.

8.) Outdoor Utility Equipment: outdoor meters, air conditioning equipment, and antennas shall be incorporated in the design and be as unobtrusive as possible. Meters and transformer boxes on residential parcels may be located above ground provided that they are screened from public view. The location of these meters and transformers and the screening to approval by the City of Detroit.

9.) General Appearance and Arrangement of Sites: prior to start to site work on any parcel, a landscape plan shall be submitted to the City of Detroit's Planning and Development Department for review and approval. This landscape plan shall show proposed grading (between 1% and 10%) and design and landscape elements that are to be either retained or installed.

All land not utilized for buildings and paving shall be landscaped. All storage of materials will take place within the buildings.

Whenever possible, existing mature trees shall be retained.

On all parcels, a plan for management services, including waste disposal, maintenance of common open spaces, maintenance buildings, etc., shall be submitted for review by the City.

10.) Review of Plans

All development plans shall be submitted to the Hubbard-Richard Citizens' District Council for their review. Prior to applying for a building permit for any alteration, plans shall be submitted to the

Planning and Development Department (P&DD) to determine that the proposed development is in compliance with the Development Plan. If, after examination, the Planning and Development Department (P&DD) finds that the plans conform to the Development Plan, it shall formally approve the plan. Such plans shall in any event be deemed approved unless rejection in whole or in part setting forth in detail the reasons thereof shall be made within thirty days after submission of the plans to the Planning and Development Department (P&DD).

11.) Initiation and Duration of the Land Use Provisions and Additional Requirements.

The land use provisions and building and other requirements shall become effective on the date of the adoption of the Development Plan by the City Council of the City of Detroit and shall remain in effect for a period of at least 25 years from their effective date.

12.) Applicability of the Land Use Provisions and Additional Requirements to Real Property Not to be Acquired.

The objectives and regulations of this plan apply to all property to be acquired and sold for the purposes established in this plan. If project land is acquired by an existing adjacent property owner these restrictions and objectives will apply to both the land to be acquired and to the existing use of the proposed purchaser to the extent that the land to be acquired will permit conformity with project restrictions.

13.) Variances

Where, owing to special conditions, a literal enforcement of these restrictions would result in unnecessary hardship involving practical difficulties, or would constitute an unreasonable limitation beyond the spirit and purpose of these restrictions, the Board of Zoning Appeals (BZA), shall have the power to authorize a reasonable and minor deviation or modification of terms of these requirements that will not be contrary to the public interest and provided that the modifications be connected to by the lessee and/or purchaser so that the spirit and purpose of these requirements is observed.

#### C. REDEVELOPER'S OBLIGATIONS

The land acquired by the City of Detroit will be disposed of subject to an agreement between the City and the redeveloper. Land disposition and review of redeveloper's plans will consider that:

1. Land disposition documents will incorporate provisions for achieving all elements of the Development Plan.

Fixed price offering with Development Objectives as a criteria for selecting the redeveloper; or through negotiation where the objectives are determining factors or by other means which will assure the attainment of the objectives in order to allow for experimentation and freedom of

architectural expression, no preconceived method of construction or architectural treatment is established. The developers' proposal will be judged by the performance standards to be set forth in the disposition documents and will be evaluated in terms of urban design relationship to the total project and architectural treatment of the proposed development.

2. Disposition documents shall spell out in detail the criteria to be met in order to achieve the development and design objectives.

3. Land disposition documents shall also include provisions for insuring initiation and completion of construction within a reasonable period of time after the effective date of contract as determined by the type of redevelopment to be undertaken.

4. Land disposition documents shall also include a Specific Declaration of Restrictions to be recorded and binding upon a sale or lease for the purpose, requirements, and Development Objectives which apply throughout the project.

5. The developers, their successors, or assigns, agree that there will be no discrimination against any person or group of persons on the account of race, creed, color, sex, or national origin in the lease, transfer, use occupancy, tenure or enjoyment of the premises therein conveyed. Nor will the developer himself or any person claiming under or through him, established or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sub-lessees, or vendees in the premises therein conveyed. The above provisions will be perpetual and will run with the land disposed or within the urban renewal areas by the City of Detroit.

6. Developers shall insure to the extent possible that a substantial number (at least 20%) of the total housing units built in the project shall be for sale or rent at prices that low and moderate income families can afford.

7. All development plans shall be subject to approval by the Detroit Housing Commission and the Detroit City Council.

8. All developers shall consult with the Planning and Development Department (P&DD) staff on preliminary site plans and building facility layouts prior to the submission of plans for approval. Such consultation is intended to provide for mutual exchange of ideas and as an initial check on the suitability of plans before extensive and costly design and drawing work is undertaken.

#### D. UNDERGROUND UTILITY LINES

Easements for sub-surface utilities shall be maintained at locations shown on the Land Use and Development Plan. Additional easements for sub-surface utilities shall be provided by the developer as

required for development of the property, subject to the approval of the utility companies and/or municipal departments affected. No structures may be erected or trees planted within these easements without permission of the City Council of the City of Detroit. Garden walls or landscaping may be erected on these easements with the approval of the municipal departments affected.

In areas of the project to be cleared for redevelopment, all utility equipment, including facilities for transmission, or distribution or gas, electricity, steam, water, or communications, except fire hydrants, lighting standards and electric transformers will be located underground or enclosed entirely within a building. In the residential parcels only, where low-rise dwelling units are developed, certain utility equipment such as transformer boxes may be located above ground provided that it be screened from public view — subject to approval of the City.

In all other areas of the project, new utility equipment and major alterations to existing equipment shall conform with requirements for similar equipment in similar locations within areas cleared for redevelopment.

#### E. OTHER PROVISIONS NECESSARY TO MEET STATE AND LOCAL REQUIREMENTS

##### 1. Relocation Plan.

No further relocation is planned for the Hubbard-Richard Project Area.

##### 2. Right-Of-Way Adjustment Plan.

The map entitled Right-Of-Way Adjustment Plan shows:

- Streets and alleys to be retained,
- Streets and alleys to be dedicated,
- Streets and alleys to be vacated,
- Easements for subsurface utilities.

This is hereby made a part of the Development Plan as required by Section 4(c) of Rehabilitation of Blighted Areas Act, Act 344 of the Public Acts of 1945, as amended.

##### 3. Zoning and District Plans.

The Zoning Plan and the District Plan are hereby made a part of the Development Plan as required by Section 4(c) of Rehabilitation of Blighted Areas Act, Act 344 of the Public Act of 1945, as amended.

4. Estimates of the number of persons residing in the Hubbard Richard Development Plan Area.

The Hubbard Richard Development Plan Area falls entirely in U.S. Census Tract 5211. According to the 2000 Census, the total population was 2,001.

5. Estimates of the number of families and individuals to be displaced.

No further acquisition, relocation, or displacement of families or individuals is planned for the Hubbard Richard Development Plan Area.

6. Survey of income and racial composition.

- The median household income in 1999 for residents in the Hubbard Richard Development Plan Area was \$28,333.<sup>1</sup>

- Of the 2001 residents the racial composition based on the 2000 U.S. Census:
  - o White Alone: 304
  - o Black or African American Alone: 294
  - o American Indian and Alaska Native Alone: 96
  - o Asian Alone: 25
  - o Native Hawaiian and Other Pacific Islander Alone: 9
  - o Hispanic or Latino: 1,273

7. Statistical Description of the housing supply in the community,<sup>2</sup>

- Total Housing Units: 770
- Occupied Housing Units: 652
  - o Owner Occupied: 309
  - o Renter Occupied: 343
- Median Housing Value for Owner Occupied Units: \$48,800.00

**F. PROCEDURE FOR CHANGES IN THE APPROVED PLAN**

If previous to the lease, sale or exchange of any real property in the development area, the City Council of the City of Detroit desires to modify the Development Plan, it shall hold a public hearing thereon, notice of such hearing to be given as provided in State law. If the modification be approved by the City Council, it shall become part of the approved Development Plan.

The part of a Development Plan which directly applies to a parcel of real property in the area, may be modified by the City Council at any time after the transfer or lease or sale of the parcel of real property in the area provided that the modification be consented to by the lessee or purchaser.

**G. REHABILITATION STANDARDS**

The goal of the rehabilitation program in Hubbard-Richardson is to strengthen a long established residential neighborhood. Specifically, for as many of the existing houses as is possible, repairs and improvements will be sought to bring them into compliance with the building and housing codes of the City of Detroit, and to improve exterior appearance. The guiding principle should be that to the extent possible, houses should be attractive and pleasing, as well as safe and sound.

Operations directed towards this goal will entail contact with all owners of residential property in the area and inspection of buildings to be retained. Rehabilitation work will be instituted using public and private means to bring each property to a condition free of serious code violations, and with an improved appearance.

**FINDING OF FEASIBILITY OF REHABILITATION**

An exterior examination of the struc-

tures in the Hubbard-Richard area has been made to enable an evaluation of feasibility for rehabilitation. Structures were measured against the following criteria which ranges from sound to abandoned as follows:

1. SOUND — All in good condition — no visible substantial deficiencies.
2. FAIR — Evidence of deferred maintenance — visible minor deficiencies.
