owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

**City Planning Commission**

April 28, 2004

Honorable City Council:

Re: Request of Marygrove The Awning Store & More to erect four (4) awnings for Sweet Lorraine's Café at 333 E. Jefferson in a PCA (Restricted Central Business District) zoning district (Recommend Approval).

Marygrove The Awning Store & More is requesting approval to erect four (4) awnings for Sweet Lorraine's Café at 333

E. Jefferson (The Millender Center). These awnings have already been erected by way of a temporary permit. This property is located in a PCA (Restricted Central Business District) zoning district. PCA zoning districts are located in close proximity to the Public Center District and the controls of the PCA district are designed to prevent uses and structures from having a deleterious effect on the public center of the city. Section 113.0200 of the Zoning Ordinance requires City Council approval of the design, appearance and location of any exterior alteration in a PCA district after receiving a report and recommendation from the City Planning Commission.

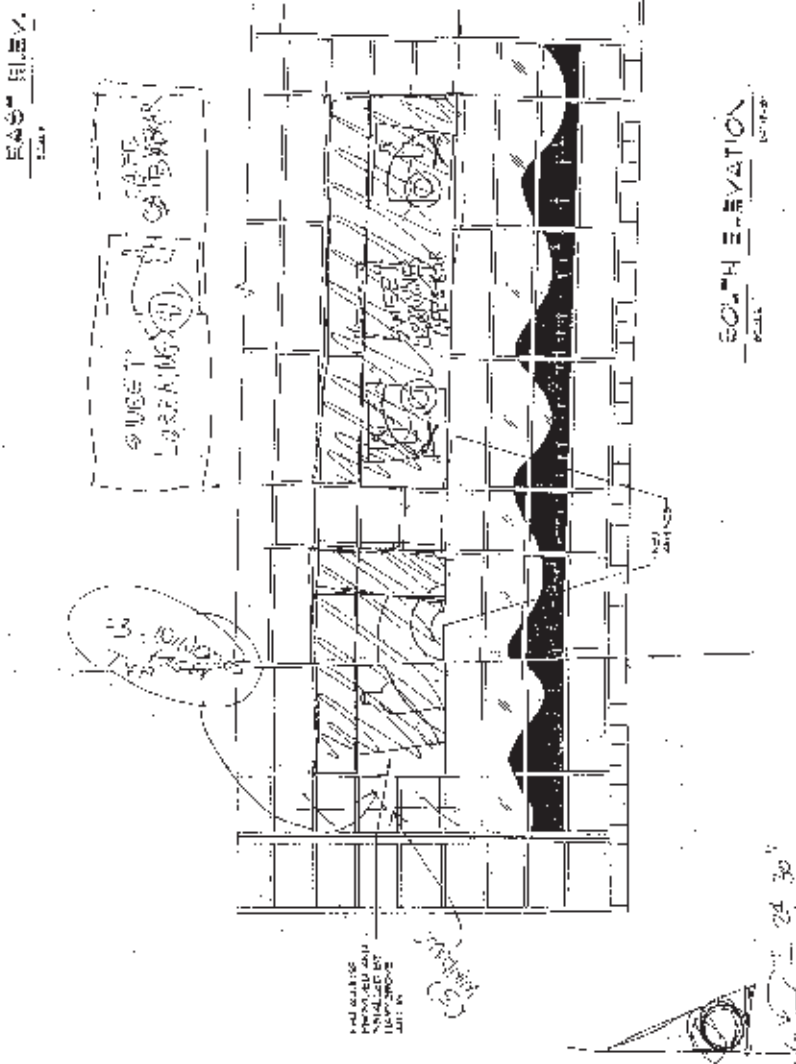

Three (3) of the awnings are located above first floor windows on the E. Jefferson side of the building. The fourth awning is above a doorway on the east (Brush) of the building. The awnings vary in length from 7 feet, 6 inches to 20 feet and vary in projection from the building from 2 feet 2 inches to 4 feet. The bottom of the framework of each awning is 10 feet above the sidewalk. The awnings contain the wording "Sweet Lorraine's Café & Bar" and the larger awnings also contain a graphic of a place setting. The background color of the awnings is black with white lettering and purple, orange, green, and white graphics.

City Planning Commission staff has reviewed the proposal and illustrations related to the awnings and find them appropriate for the PCA district. We further find the location and design of the awnings to be consistent with the spirit, purpose and intent of the PCA district. We therefore recommend approval of the location and design of the awnings and submit the attached resolution for your consideration.

Respectfully submitted,  
MARCUS D. LOPER

Deputy Director

By Council Member Tinsley-Talabi:

Whereas, Marygrove The Awning Store & More has requested to erect four (4) awnings for Sweet Lorraine's Café at 333 E. Jefferson, three (3) above the first floor windows facing E. Jefferson and one (1) above a doorway on the Brush side of the building; and

Whereas, The property at 333 E. Jefferson is located in a PCA (Restricted Central Business District) zoning district classification, and, therefore, requires City Council approval of the location and design of any exterior alterations in accordance with the provisions of Section 113.0200 of the Zoning Ordinance; and

Whereas, The City Planning Com-

mission staff has reviewed the location and design of the awnings and finds that they are consistent with the spirit, purpose and intent of the district as indicated in the foregoing communication;

Now, Therefore, Be It Resolved, That the Detroit City Council hereby approves the location and design of the four (4) awnings as described in the foregoing communication from the City Planning Commission staff and as presented in the plans drawn by Marygrove The Awning Store & More received by the City Planning Commission office on April 15, 2004.

**Human Resources Department  
Labor Relations Division**

April 26, 2004

Honorable City Council:

Re: Implementation of Wage Adjustments and Certain Fringe Benefit Changes for Employees Represented by the DOT Foremen's Association.

The Labor Relations Division has recently reached agreement with the bargaining unit which represents employees in the Department of Transportation, DOT Foremen's Association. Given the extensive time it will take to type and process the entire contract, it would cause an unreasonably long delay to withhold implementation until the formal contract has been prepared and presented to your Honorable Body for approval.

Therefore, in accordance with standard City procedure, this Office is recommending that your Honorable Body pass a resolution amending the 2003-2004 Official Compensation Schedule by granting a 2% general wage increase for the subject represented employees effective July 1, 2003. We are further requesting authorization to implement the following new contract provisions:

1) Special Adjustments for certain classifications based on recruitment and retention difficulties and special skills upgrading as outlined in the attached Schedule A.

2) Fringe benefit changes as set forth in the attached Schedule B.

We further respectfully request that your Honorable Body adopt the following resolution with a Waiver of Reconsideration.

Respectfully submitted,  
ROGER N. CHEEK  
Labor Relations Director

By Council Member Everett:

Resolved, That the 2003-2004 Official Compensation Schedules and employee wages be amended according to the foregoing letter and be it further

Resolved, That employees in the DOT Foremen's Association bargaining unit shall receive special wage adjustments and fringe benefit improvements as recommended in accordance with the Schedules on file with the City Clerk, and be it further

Resolved, That the Finance Director is hereby authorized to honor payrolls and vouchers in accordance with this resolution and letter.

**SCHEDULE A  
RE: SPECIAL WAGE ADJUSTMENTS**

In order to maintain the traditional wage relationship between various classes of

employees which share a close working relationship and also facilitate the harmonious interaction of such employees, the minimum and maximum rates for the classifications listed below shall receive a fifty (\$.50) per hour special adjustment effective April 2, 2004. This special adjustment shall be applied to all bargaining unit members in this classifications on the payroll and is in addition to the general wage increases provided for in the Wage Article.

- 01-20-51 Head Clerk
- 63-10-16 Senior Coach Service Attendant
- 72-31-41 Auto Repair Sub-Foreman
- 72-31-51 Auto Repair Foreman
- 72-31-56 Senior Auto Repair Foreman
- 72-55-41 Body Shop Sub-Foreman — Transit
- 72-55-51 Body Shop Foreman — Transit
- 72-90-42 Automotive Research Assistant

**SCHEDULE B**

**Fringe Benefit Changes**

• **Other Compensation —**

1) **Cash Bonus:** Members of the bargaining unit who are on the payroll on the date of the Union's ratification of this Agreement (April 2, 2004) shall receive a \$400 cash bonus. This payment will be made as soon as possible following the date of Union ratification and the City Council's resolution approving the economic terms. This payment shall not increase the employee's base rate of pay, nor shall it be included in average final compensation for pension purposes.

Persons who are on approved leave of absence, workers compensation, long-term disability or other absence from the payroll on the date of ratification shall be eligible for the \$400 bonus upon their return to active employment.

• **Funeral Leave —** Effective April 12, 2004 add step-son and step-daughter to those relationships defined as being treated as Immediate Family which allow an employee three (3) days funeral leave.

• **Work Week, Work Day, Shift Premium —** Effective November 14, 2003 afternoon shift premium increased to \$.70 an hour (from the prior \$.45) and the night shift premium increased to \$.75 an hour (from the prior \$.50).

• **Overtime —** Effective April 2, 2004, employees shall receive double time (200%) for all time worked in excess of sixteen (16) hours.

• **Holidays and Excused Time —** Good Friday changed from a half-day (4 hours) excused time to a full day (8 hours) excused day. [This change to become effective on Good Friday in 2004 and thereafter.]

- **Unused Sick Leave on Retirement** — Effective April 2, 2004, payment upon retirement, or death with 20 or more years of service, the value of unused sick days in an employee's sick banks is increased from 50% to 60%.

- **Clothing and Uniform Allowance** — Clothing Allowance to be increased to \$170 per year (from prior \$85) effective with payments made subsequent to July 1, 2003. Uniform Allowance to be increased to \$350 per year (from prior \$170) effective with payments made subsequent to July 1, 2003.

- **Tuition Refund** — The amount of tuition refund available to employees has been increased based on the following: For those employees seeking a graduate degree the amount is \$2000 (from current \$850), for those seeking an undergraduate degree the amount is \$1500 (from current \$700), and \$1200 for other approved employee development programs (from current \$600). The total amount of tuition refund may not be pyramided to exceed \$2000 in any fiscal year. [These increased amounts shall be effective upon approval of City Council.]

Honorable City Council:

Re: Property For Sale By Development Development: 11, 21, 53, 57, 61, 67 E. Parkhurst & 68 E. Longwood.

We are in receipt of an offer from John Gruchala, to purchase the above-captioned property for the amount of \$1,514 and to develop such property. This property consists of seven (7) vacant lots measuring 30' x 103' and is zoned R-2 (Two-Family Residential District).

The Offeror proposes to landscape and create greenspace to enhance the area. This use is permitted as a matter of right in a R-2 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to issue a quit claim deed for this property to John Gruchala.

Respectfully submitted,

Honorable City Council:

Re: Correction of Legal Description Elmwood Park Rehabilitation Project Development: Theta Park, bounded by East Vernor, Prince Hall Drive, Mt. Elliott & Ellery.

On October 30, 2001, your Honorable Body authorized the City of Detroit's Law Department to initiate a lawsuit in Wayne County Circuit Court (Case No. 01-142937 CH), for the vacation and replatting of Theta Park, a public park. Pursuant to a successful resolution of the lawsuit, your Honorable Body also authorized the preparation of a revised plat in conformity with the vacation of the park and the sale of the property to Butler II Limited Dividend Housing Association Limited Partnership, a Michigan Limited Partnership. The Developer proposes to build the second phase of the Helen O'Dean Butler Apartments, consisting of thirty-two (32) garden style apartments with landscaping and off-street parking.

It has come to our attention that the lawsuit concluded with the Wayne County Circuit Court awarding to the City of Detroit a Consent Judgment to Vacate and Replat Theta Park on June 28, 2002. The vacation and replatting have now been facilitated in accordance with State law and a correction of the legal description is required.

We, therefore, request that your Honorable Body adopt the attached resolution, authorizing an amendment to the sales resolution to reflect a correction in the legal description to include the plat revision.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities  
By Council Member Everett:

Resolved, That the Wayne County Circuit Court Consent Judgment to Vacate and Replat Theta Park dated June 28, 2002, Case No. 01-14937 CH, rendered in favor of the City of Detroit, is accepted;

Re: Public Hearing on the Establishment of the E & B Brewery Enterprise Zone as Requested by the E & B Brewery Lofts, Inc. in Accordance with Public Act 147 of 1992.

The Planning & Development Department and the Finance Department have reviewed the Master Plan and the neighborhood preservation and development goals of the City, and find that establishment of the E & B Brewery Neighborhood

Enterprise Zone would be consistent with the neighborhood preservation and development goals and with the Master Plan.

Public Act 147 of 1992, commonly referred to as the Neighborhood Enterprise Zone (NEZ) Act, in Section 3(1) states “the governing body of a local governmental unit by resolution may designate one (1) or more neighborhood enterprise zones.” Prior to acting upon the resolution establishing an NEZ, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the proposed NEZ, said notice to be made not less than 60 days prior to your Honorable Body’s passage of a resolution designating an NEZ.

The boundaries of the proposed NEZ are described in Exhibit A (legal description) and illustrated in the map also attached. The developer proposes to construct an existing historic building into 36 loft condominiums within the proposed NEZ at a cost of \$6 million.

We request that a Public Hearing be scheduled on the issue of establishing this NEZ, as required by the NEZ Act. Attached for your consideration, please find a resolution establishing a date and time for the public hearing, together with the aforesaid map and legal description of the proposed NEZ.

Re: Petition from New Calvary Baptist Church for Establishment of an Obsolete Property Rehabilitation District at 3939 Bellevue and 6578 Gratiot under Public Act 146 of 2000 (Petition #2221) (R.J).

New Calvary Baptist Church, proposes to rehabilitate the above-referenced property in order to attract new businesses of the start up or low profit margin variety. It is estimated that this project will generate fifteen (15) to twenty (20) short-term positions and up to one hundred (100) full time positions depending upon the potential tenants. The developer has petitioned for tax abatement on this project to make it financially feasible.

The proposed rehabilitation will change an "attractive nuisance" into an asset that enhances the area's overall appearance.

The Planning & Development and Finance Departments have reviewed the petition and find it meets the criteria for tax abatement as set forth in the Act. We recommend that the Obsolete Property Rehabilitation District be established.

The Act requires that, prior to your Honorable Body's passage of a resolution establishing the District, a Public Hearing must first be conducted. We request that a date and time for such a Public Hearing be established, in accordance with the attached resolution and legal description, for the purpose of considering the establishment of the requested District.

### Planning & Development Department

April 19, 2004

Honorable City Council:

Re: Departmental Report. Recommendation of Denial Residential. Alley Vacation Petition #2980 of Jane Floyd.

The Planning and Development Department (P&DD) is hereby submitting this report to your Honorable Body regarding the above referenced petition for residential alley vacation.

At the Public Hearing of March 5, 2005, the Detroit City Council requested that P&DD revisit this petition through further investigation and the input of the abutting property owners. Petition #2980 requests the vacation of one of the legs of a "T" shaped alley, which would enable Ms. Jane Floyd, the petitioner, to have adequate space to park the vehicles owned by tenants of her two-family flat, and a safe space for children to play. The attached Drawing #1 shows the subject alley vacation proposed. Currently cars are parked in the alley adjacent to Ms. Floyd's house, which is located at 2308 Blaine. There are two other property owners who abut this short alley leg. Mr. and Mrs. Stallworth, who live at 8720 LaSalle, have difficulty with egress from their garage, which is built at the cross of the "T" in the alley. Typically, their means of egress is the short alley to Blaine, which Ms. Floyd wishes to vacate. Ms. Washington, who lives at 8700 LaSalle, has no objections to the vacation of this alley.

On Thursday, March 18, 2004, P&DD staff visited the site to review the physical nature of the alleys and determine if there are any possible solutions to accommodate the property owner needs. The Stallworths cannot safely back into Gladstone, nor negotiate a turn to head out front-first into Gladstone (see Drawing #2). Furthermore, use of the long stretch of alley that goes north to 14th Street is unsafe. The alley is overgrown and there is a considerable amount of debris which suggests that this portion of alley is rarely used. The Stallworths contend that when cars park in the alley between their garage and Gladstone, the only viable ingress/egress for them is the short alley

to Blaine, which is the same alley Ms. Floyd wishes to vacate. The Stallworths feel that if the short alley to Blaine is vacated, that it will make ingress/egress to their garage much more difficult.

If the short alley to Blaine is vacated, then the property gain to Ms. Floyd would extend to the centerline of the alley. Theoretically, the other half of the alley could remain as a private drive to allow one-way egress into Blaine. In concept, this proposal appeared to be a workable solution. Unfortunately, the 18 foot alley is narrow to begin with. Furthermore, about 30 inches of curbing encroaches into the alley right of way. A one-way drive of less than 9 feet in width could pose liabilities for property owners and the City alike. Also, negotiating the turn movement required to enter the proposed 9 foot alley would require at least 12 feet, further limiting property usage. We consequently concluded, due to the physical and legal aspects of vacating and using one half of the alley as a drive, that this alternative was not a good idea.

P&DD engineering staff took a look at the alley configuration, specific vehicular needs of the residents abutting the alley and the impact of vacating this alley on the abutting properties. We prepared a compromise solution which we feel is the best for all property owners concerned. This solution (see Drawing #3) was sent to each of the property owners and a follow-up on site meeting was to be conducted with all appropriate parties invited. The plan presented featured a turn-around area which would allow the Stallworths to turn their vehicles around and head out front-first into Gladstone. This solution allows for a parking area for Ms. Floyd and her tenants which could be expanded to accommodate up to three vehicles. There are other options for additional parking that could be explored, if needed. Also, a new fence could provide an enclosed yard area for children, as cars and kids do not mix.

P&DD met with all of the property owners at the site on Monday, April 12, 2004 to review this proposal and discuss any other possible options. We made it clear that all the City could do was cause the vacation of the public alley and that it was up to the abutting property owners to agree on how the vacated alley would be used, provided such use was within all governing laws and ordinances. became evident that the property owners were not interested in a compromise solution.

Therefore, based upon the inability of the abutting property owners to reach a mutually acceptable solution, as well as the resulting inconvenience that would be caused by an unconditional vacation, the P&DD recommends that the subject Petition #2980 be denied. If the petitioner and abutting property owners agree on the vacation of this alley leg in the future,

they may submit a new petition for the consideration of your Honorable Body.

Respectfully submitted,  
HENRY B. HAGOOD

Director of Development Activities  
By Council Member Tinsley-Talabi:

Resolved, That Petition #2980 has been submitted to the City requesting that a portion of the alley be vacated and converted to easement.

Upon review of the above referenced

petition, the Planning and Development Department has found that the subject residential alley provides access to an abutting property owner and that vacation of said alley would be a detriment to the property owner.

Resolved, That Petition #2980 be denied, thereby leaving this alley open.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

Re: Jefferson-Conners Rehabilitation Project. Development: 3800 Conner.

We are in receipt of an offer from Mack & Connor Associates, LLC, a Michigan Limited Liability Company, to purchase

the above-captioned property for the amount of \$32,400 and to develop such property. This property contains approximately 16,208 square feet and is zoned B-4 (General Business District).

The Offeror proposes to construct a paved surface parking lot for the storage of licensed operable vehicles. This development will take place in conjunction with the construction of a retail shopping center having a total investment of 1.2 Million Dollars. This property will accommodate the parking needs of its customers. This use is permitted as a matter of right in a B-4 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to execute an agreement to purchase and develop this property with Mack & Connor Associates, LLC, a Michigan Limited Liability Company.

Honorable City Council:

Re: Petition No. 1866 — Detroit International Bridge Company, requested outright alley vacation, conversion to easement a portion of Lafayette Avenue, and encroachments in the area of W. Lafayette, Ste. Anne, Twentieth and Howard, as part of the Ambassador Bridge Border Station Services Project Security Mission.

Petition No. 1866 of the "Detroit International Bridge Company (DIBC), P.O. Box 32666, Detroit, Michigan, 48232, requests outright vacation of a portion of the North-South alley, 20 feet wide, (vacated and converted to easement on June 26, 2002 J.C.C. Pgs. 1881-85), conversion to easement the south 35.00 feet by 138.70 feet wide portion of West Lafayette Avenue, 70 feet wide, and to install and maintain the encroachment of a masonry wall 11.50 feet high, along the center line of West Lafayette Avenue, then across to a certain point, all in the

area of West Lafayette Avenue, 70 feet wide, West Fort Street, 100 Feet wide, Ste. Anne Street, 60 feet wide, and Twentieth Street, 50 feet wide as part of the Ambassador Bridge Border Station Services Project Security Mission.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility clearances and review) and report. This is our report:

The Public Lighting Department (PLD) reports a Memorandum of Understanding (MOU), attached, entered into March 20, 2004 with the Detroit International Bridge Company (DIBC) for the purpose of the assuring and guaranteeing rights and obligations of the Parties as to the cost, design, construction, maintenance of PLD utility relocation and improvements that are bounded by Ste. Anne Street, Vernor Avenue, Twenty-Fourth Street, and Fort Street in the City of Detroit in the State of Michigan referred to as the "PLD Project". The PLD Project is more described in the attached MOU.

The Detroit Water and Sewerage Department (DWSD) reports there is an existing sewer in the alley requested for outright vacation, however, DWSD has no objection to the request provided the petitioner owns all the abutting property.

DWSD has no objection to the conversion to easement of the South 35.00 feet by 138.70 feet wide portion of Lafayette Avenue, 70 feet wide, and the encroachment of a wall into Lafayette Avenue, 70 feet wide, provided that the minimum clearances are maintained and DWSD provisions for encroachments are followed and the wall is constructed in accordance with plans approved by DWSD.

SBC Telecommunication and Detroit Edison Company have reported facilities in the area of the requested right-of-way changes. All the work necessary to relocate or to abandon any of these facilities is to be done by the Petitioner at no cost to the utilities. Please use caution and call MISS DIG.

All other City departments and privately owned utility companies reported no objections. Provisions protecting utility installations are part of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

Whereas, The Public Lighting Department (PLD) reports a Memorandum of Understanding (MOU) and/or agreement is made and entered into on March 20, 2004 with the Detroit International Bridge Company (DBIC) for the purpose of the assuring and guaranteeing rights and obligations of the Parties as to the cost, design, construction, maintenance of PLD utility relocation and improvements within the "PLD Project". The PLD Project is more described in the attached MOU, Therefore Be It

Resolved, The City Engineering Division — DPW is hereby authorized and directed to issue permits to "Detroit International Bridge Company" (DIBC), to install and maintain the encroachment of a masonry wall 5.15 feet high with a 3.00 feet high Metal Fencing, and a foundation 3.60 feet depth (below grade), in order to insure the continuity of the proposed wall construction on private property, adjacent to the following described property:

Described as the center line of a 11.50 feet wall within the public rights-of-way being more particular described as: Point of Beginning the South-East corner of the North 24.00 feet of Lot 28 as platted in Block 1 of the "Plat of Whitewood and Cargill's Subdivision of the West Half of the Loranger Farm in the Township of Springwells, Wayne County, Michigan, North of Fort Street, and South of the Michigan Central Railroad, being part of Private Claim 474" City of Detroit, Wayne County, Michigan as recorded in Liber 56 page 269, Deeds, Wayne County Records, Thence Southerly along the Easterly line of said Lot 28 extended, 35.00 feet to the center point of West Lafayette Avenue, 70 feet wide; thence Easterly along the center line of said W. Lafayette Avenue 77.00 feet; thence Southerly along a line perpendicular to the center line of said W. Lafayette Avenue 35.00 feet to a Point of Ending said point on Lot 12 as platted in Block 1, of the "Plat of Whitewood and Cargill's Subdivision of the West Half of the Loranger Farm in the Township of Springwells, Wayne County, Michigan, North of Fort Street, and South of the

Michigan Central Railroad, being part of Private Claim 474" City of Detroit, Wayne County, Michigan as recorded in Liber 56 page 269, Deeds, Wayne County Records being 61.70 feet West of the South-West corner of Ste. Anne Avenue, 60 feet wide and Lafayette Avenue, 70 feet wide;

Provided, "Detroit International Bridge Company" (DIBC) or its assigns shall apply to the Building and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detailed permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; also in accord with plans submitted to and approved by these departments; including the Public Lighting Department (if necessary), the Water and Sewerage Department (if necessary), and the Traffic Engineering Department (if necessary); and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by "Detroit International Bridge Company" (DIBC) or its assigns; and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments, shall be borne by "Detroit International Bridge Company" (DIBC) or its assigns. Should damages to utilities occur "Detroit International Bridge Company" (DIBC) or its assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, If it becomes necessary to repair or replace the utility located or to be located within the public rights-of-way, by acceptance of this permission, "Detroit International Bridge Company" (DIBC) (owners) for themselves, or their assigns, (by acceptance of permits for construction near underground utility lines, conduits, or mains) waives all claims for damages to the encroaching installations and agree to pay all costs incurred in their removal (or alteration), if removal (or alteration) becomes necessary; and further

Provided, That "Detroit International Bridge Company" (DIBC) shall file with the Finance Department an indemnity

agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance by "Detroit International Bridge Company" (DIBC) of the terms thereof. Further, "Detroit International Bridge Company" (DIBC) shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the proposed encroachments; and further

Provided, The property owned by "Detroit International Bridge Company" (DIBC) and the encroachment shall be subject to proper zoning or regulated use (Board of Zoning Appeals Grant); and further

Provided, That no other rights in the public street or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and "Detroit International Bridge Company" (DIBC) acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permit shall not be assigned or transferred without the written approval of the City Council; and be it further

Resolved, All that part of the Southerly 35.00 feet of Lafayette Avenue, 70 feet wide, between the East right-of-way line of Ste. Anne Street, 60 feet wide and the West right-of-way line of the North-South public alley, 20 feet wide, (vacated and converted to easement on June 26, 2002 J.C.C. Pages 1881-85) said alley being West of Ste. Anne Street, 60 feet wide, and East of Twentieth Avenue, 50 feet wide, (vacated and converted to easement on April 15, 1992 J.C.C. Pgs. 818-21).

Be and the same is hereby vacated as a public street and is hereby converted into a private easement for public utilities of the full width of the street, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said street and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such

as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in the public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned tasks, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easement, nor change of sur-

face grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

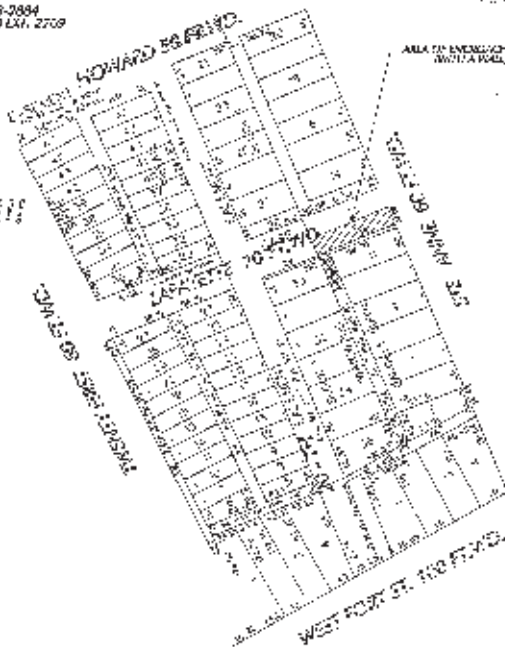

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Resolved, All that part of the North-South public alley, 20 feet wide, in the block bounded by Twentieth Street, 50 feet wide, (vacated and converted to easement 7/20/94; J.C.C. Pgs. 1446-48 and 4/15/02; J.C.C. Pgs. 818-21) Ste. Anne Street, 60 feet wide, West Fort Street, 100 feet wide and West Lafayette Avenue, 70 feet wide, described as being the Northerly portion of the North-South public alley, 20.00 feet wide, (vacated and converted to easement on June 26, 2002 J.C.C. Pgs. 1881-85) lying Westerly of and abutting the South 6.00 feet of Lot 29, Lot 30, and the Northerly 27.70 feet of Lot 31 and lying Easterly of abutting the east

Honorable City Council:  
 Re: Traffic Control Devices Installed and Discontinued.

We are submitting a list of traffic control devices dated December, 2003, to your Honorable Body for approval.

The attached list shows both traffic control devices, which have been installed, and those which have been discontinued in recent weeks.

Respectfully submitted,  
 JAMES A. JACKSON

Director

Department of Public Works

By Council Member McPhail:

Resolved, That the traffic regulations, as listed in Communications from the Department of Public Works dated December, 2003 and the discontinuance of restrictions as listed therein, be and the same are hereby approved and confirmed

and further

Resolved, That any regulation or restriction in conflict with the foregoing be and the same is hereby rescinded.

Provided, That the traffic regulations adopted pursuant to the Ordinance provisions of Section 38-1-4 and 38-1-5 of Chapter 38, Article 1, of the Code of Detroit and properly indicated by signs, signals, markings or other devices as authorized by the ordinance provisions of Section 2-7-33 of Chapter 2, Article 7, of the Code of Detroit, and further,

Provided, The traffic regulations listed in the communication above referred to shall be kept on file by the City Clerk's office for reference and for inspection.

Honorable City Council: Re: Traffic Control Devices Installed and Discontinued.	
We are submitting a list of traffic control devices dated January, 2004, to your Honorable Body for approval.	
The attached list shows both traffic control devices, which have been installed, and those which have been discontinued in recent weeks.	
Respectfully submitted, JAMES A. JACKSON Director	
Department of Public Works By Council Member McPhail:	
Resolved, That the traffic regulations, as listed in Communications with the Department of Public Works dated January, 2004 and the discontinuance of restrictions as listed therein, be and the same are hereby approved and confirmed and further	
Resolved, That any regulation or restriction in conflict with the foregoing be and the same is hereby rescinded.	
Provided, That the traffic regulations adopted pursuant to the Ordinance provisions of Section 38-1-4 and 38-1-5 of Chapter 38, Article 1, of the Code of Detroit and properly indicated by signs, signals, markings or other devices as authorized by the ordinance provisions of Section 2-7-33 of Chapter 2, Article 7, of the Code of Detroit, and further,	
Provided, The traffic regulations listed in the communication above referred to shall be kept on file by the City Clerk's office for reference and for inspection.

**Detroit Department of Transportation**  
August 19, 2004

Honorable City Council:  
Re: Acceptance of Michigan Department  
of Transportation (MDOT) Amendatory  
Grant Contract 2002-0292/FTA  
Grant MI-03-0152.

Your Honorable Body is respectfully  
requested to accept the above-referenced  
amendatory grant contract for the Detroit  
Department of Transportation (DDOT).

Extending this grant contract will provide  
additional time to work towards completion  
of DDOT's transfer center project.

This is a time-extension contract only  
(extended up to October 24, 2005), and  
no local share is required from the City of  
Detroit's general fund.

Your Honorable Body's approval of this  
amendatory grant contract is greatly  
appreciated.

Respectfully submitted,  
NORMAN WHITE  
Director

By Council Member S. Cockrel:

Resolved, That the Detroit Department  
of Transportation (DDOT) be and is hereby  
authorized to enter into an amendatory  
grant contract. MDOT 2002-0292 (MI-  
03-0152), for 18 months (up to October  
24, 2005). Extending this grant contract  
will provide additional time to work  
towards completing DDOT's transfer center,  
and be it further

Resolved, That Appropriation Account  
No. 10330 remains as is because there  
are no fund adjustments required in the  
amendatory agreement; and be it further

Resolved, That the Director of the  
Detroit Department of Transportation,  
Norman White, be and is hereby authorized  
to execute the agreement on behalf

of the City of Detroit; and be it further  
Resolved, That the Finance Director be  
and is hereby authorized to establish the  
necessary accounts, transfer funds and  
honor payrolls and vouchers in accordance  
with the foregoing communication and  
standard City accounting practices, and  
the regulations of the Michigan  
Department of Transportation.

Adopted as follows:  
Yeas — Council Members Bates, K.  
Cockrel, Jr., S. Cockrel, Collins, Everett,  
McPhail, Tinsley-Talabi, Watson and  
President Mahaffey — 9.  
Nays — None.

**ORDINANCE**

By Council Member Collins:  
**AN ORDINANCE to amend Chapter 18,  
Article V, of the 1984 Detroit City  
Code, titled "Purchases and  
Supplies," by adding Division 7,  
titled "Slavery Era Records and  
Insurance Disclosure," which shall  
consist of Sections 18-5-91 through  
18-5-93, to require, as part of the  
contracting process, that each contractor  
with which the City enters into a contract  
search its records and those of any predecessor  
entity, and submit an affidavit disclosing  
any records within its possession or  
knowledge relating to investments or  
profits from the slave industry, including  
insurance policies issued to slave holders  
that provided coverage for injury, death,  
or other loss related to slaves who were  
held during the slavery era in the United  
States.**

IT IS HEREBY ORDAINED BY THE  
PEOPLE OF THE CITY OF DETROIT  
THAT:

**Section 1.** Chapter 18, Article V, of the  
1984 Detroit City Code, titled "Purchases  
and Supplies," be amended by adding  
Division 7, titled "Slavery Era Records and  
Insurance Disclosure," which shall consist  
of Sections 18-5-91 through 18-5-93, to  
read as follows:

**DIVISION 7. SLAVERY ERA RECORDS  
AND INSURANCE DISCLOSURE.**

**Sec. 18-5-91. Scope.**

(a) This division shall apply to each  
contractor for goods or services with  
which the City enters into a contract,  
whether or not the contract is subject to  
competitive bid.

(b) Each contractor shall be responsible  
for searching and disclosing records  
of the entity which proposes to enter into  
a contract with the City as well as all  
records of any predecessor entity that are  
within the possession or knowledge of the  
contractor regarding records of invest-  
ments or profits from the slave industry,  
including records of any insurance poli-  
cies issued to slave holders which provid-

ed coverage for injury, death, or other loss related to slaves who were held during the slavery era in the United States.

**Sec. 18-5-92. Affidavit of disclosure required.**

(a) As part of its contract package, each contractor with which the City enters into a contract shall submit to the Finance Department Purchasing Division prior to the submission to City Council for approval of such contract, an affidavit that discloses the information indicated in Subsections (b) and (c) of this section. The affidavit shall be on a form provided by the Finance Department Purchasing Division.

(b) The affidavit shall verify that the contractor has searched all records of the entity which proposes to enter into a contract with the City, as well as all records of any predecessor entity, that are within the possession or knowledge of the contractor regarding records of investments or profits from the slave industry, including records of any insurance policies issued to slave holders which provided coverage for injury, death, or other loss related to slaves who were held during the slavery era in the United States.

(c) The affidavit shall disclose any information discovered during the search regarding investments or profits from slavery or slave holder insurance policies which accrued to the current entity or to any predecessor entity, including the names of any slaves or slave holders that are described in such records or are otherwise within the knowledge of the contractor.

**Sec. 18-5-93. Voidability of contract.**

(a) Failure to comply with this division shall render the contract voidable by the City.

(b) A determination to void the contract for failure to comply with this division shall be made by the Director of the Finance Department at any time after reviewing, or becoming aware of, information which indicates that a contractor has failed to comply with this division.

**Secs. 18-5-94 — 18-5-100. Reserved.**

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** In the event that this ordinance is passed by a two-thirds majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective no later than thirty (30) days after enactment, or on the first busi-

ness day thereafter in accordance with Section 4-115 of the 1997 Detroit City Charter..

Approved as to form only:

BRENDA E. BRACEFUL  
Deputy Corporation Counsel

Read twice by title, ordered printed and laid on table.

**RESOLUTION SETTING HEARING**

By Council Member Collins:

Resolved, That a public hearing will be held by this body in the City Council Committee Room, on the 13th Floor of the Coleman A. Young Municipal Center, on THURSDAY, JUNE 10, 2004 AT 11:30 A.M., for the purpose of considering the advisability of adopting the foregoing proposed ordinance to amend Chapter 18, Article V, of the 1984 Detroit City Code, titled "Purchases and Supplies," by adding Division 7, titled "Slavery Era Records and Insurance Disclosure," which shall consist of Sections 18-5-91 through 18-5-93, to require, as part of the contracting process, that each contractor with which the City enters into a contract search its records within its possession or knowledge relating to investments or profits from the slave industry, including insurance policies issued to slave holders that provided coverage for injury, death, or other loss related to slaves who were held during the slavery era in the United States.

All interested persons are invited to be present to be heard as to their views.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

Nays — None.

**Historic Designation Advisory Board**

May 3, 2004

Honorable City Council:

Re: Petition #460 (2002), Rocky DFD LLC, requesting designation of Hook & Ladder No. 5/DFD Repair Shop as a historic district.

We received the Clerk's referral of this request, indicating the owner's desire to take advantage of State Historic Tax Credits to assist in the renovation funding.

Reasonable grounds for the study have been provided in that the property is listed on the National Register of Historic Places and the staff of the Advisory Board is now prepared to proceed with a study; a resolution for study is attached for your consideration.

Pursuant to that resolution City Council must appoint two persons to serve as ad hoc members of the Advisory Board in connection with the matter.

The Advisory Board staff is happy to provide two names for your consideration: Robert Heide, owner of the building, who

would represent the ownership interest in property, and Kevin Hanson, who would represent the community interest. A resolution of appointment is attached for your consideration.

Staff is available to answer any questions you may have.

Respectfully submitted,  
WILLIAM M. WORDEN  
Director

By Council Member Watson:

Whereas, The City Council has received a request to designate the Hook and Ladder House No. 5/DFD Repair Shop as a historic district, and

Whereas, The City Council finds that there are reasonable grounds for such a request,

Now, Therefore, Be It Resolved, That the City Council hereby directs the Historic Designation Advisory Board, a study committee, to conduct studies to determine whether the above-mentioned property meets the criteria for historic designation and to issue appropriate reports in accordance with the Michigan Local Historic Districts Act and Chapter 25-2 of the Detroit City Code.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 1) per motions before adjournment.

By Council Member Watson:

Whereas, The City Council has adopted a resolution for study of the Hook and Ladder House No. 5/DFD Repair Shop as a proposed Historic District, and

Whereas, The Historic District Ordinance (Chapter 25-2) requires the appointment of ad hoc members to the Historic Designation Advisory Board to represent the interests of property owners and those interested in the preservation of this historic resource,

Now, Therefore, Be It Resolved, That the City Council appoints Robert Heide, Rocky Peanut Co., 1545 Clay Street, Detroit 48221, and Kevin Hanson, 1345 Division, Apartment 301, Detroit 48207, as ad hoc members of the Historic Designation Advisory Board in connection with the study of the Hook and Ladder House No. 5/DFD Repair Shop as a proposed Historic District.

Adopted as follows:

April 30, 2004

Honorable City Council:

Re: Resolution for study of the Moross House at 1460 East Jefferson as a historic district.

Pursuant to Council's discussion and request of March 4, 2004, a resolution for study of the Moross House as a possible local historic district was passed by Council on March 24th. Pursuant to its resolution for study, City Council should appoint two persons to serve as ad hoc members of the Advisory Board in connection with its study of the proposed Moross House Historic District.

Unfortunately, staff was unable to identify two individuals able to serve in that capacity within the statute required 21 days of passage, and therefore, another resolution for study requires Council approval; a new resolution is attached for your consideration.

The Advisory Board staff is happy to provide two names for appointment as ad hoc members for your consideration: Patience Nauta, Museum Registrar, to represent the ownership interest in the property, and, Joanne Givens, who would represent the community interest. A resolution of appointment is attached for your consideration.

Staff is available to answer any questions you may have.

After consultation with the concerned departments and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,  
ALBERTA TINSLEY-TALABI

Chairperson

By Council Member Tinsley-Talabi:

Resolved, That permission be and it is hereby granted to Banner Sign Company/Chapel Hill MBC to hang banners on light poles in the vicinity of Grand River, Joy Rd. and Yellowstone.

Resolved, That approval is for one year only and petitioner must re-petition for banners each year to insure that they are properly maintained.

Provided, That the banners are erected no earlier than two (2) weeks prior to the event and they are to be removed the day after the event, and further

Provided, That the design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free move-

ment of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which is intended to be an imitation of or resembles, or which may be mistaken for a traffic control device or which attempts to direct the movement of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which may be construed to advertise, promote the sale of, or publicize any merchandise or commodity or to be political in nature, and shall not include flashing lights that may be distracting to motorists, and further

Provided, That banners are placed on Public Lighting Department poles as not to cover traffic control devices, and further

Provided, That banners are installed under the rules and regulations of the concerned departments and further

Provided, That petitioner assumes full responsibility for installation and removal of the banners, and further

Provided, That such permission is granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petition, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

STATEMENT BY COUNCIL MEMBER S. COCKREL IN OPPOSITION TO A RESOLUTION SETTING INTERVIEWS FOR RESEARCH AND ANALYSIS DIVISION DIRECTOR

On Wednesday, May 5, 2004, I voted no on the resolution referenced above. This resolution is the culmination of events that were set in motion on September 15, 2003. On that day, Kathie Dones-Carson was ignominiously discharged from her position as Director of the Detroit City Council Research and Analysis Division. On Friday, November 14, 2004, the City Council passed a resolution approving the Research and Analysis Division Director job description. I voted no on this resolution because it was illegal in substance as well as in the manner it was created. I hereby attach and reissue my statement in opposition to that resolution to reiterate my reasons for voting no. Additionally, I attach and would like to have made part of the record, two memoranda on this issue from the Law Department and the Research Analysis Division, respectively dated November 14, 2003 and November 13, 2003.

Turning now to the resolution at hand, I

voted no for two fundamental reasons. First, the Personnel Committee of the City Council (Committee) did not have the legal authority to narrow the list of candidates on its own initiative. Section 2-2-34 of the 1984 Detroit City Code provides in pertinent part that, "the director of the council division of research and analysis shall be appointed by the city council..." (Emphasis added). The ordinance is unequivocally clear in its provision that it is the province of the council to select the director, and not the Committee. The act of the Committee withholding applications and thereby circumventing the will of the council as a whole directly contravenes the ordinance provision and is therefore unlawful.

Second, the process used to select the five (5) candidates for the position of director was unlawful in that it violates the Open Meetings Act (OMA), being MCL 15.261 et seq. The third whereas clause of the resolution adopted states that, "The Detroit City Council Personnel Committee members individually reviewed the submitted applicant [sic] materials and selected the five (5) candidates for interviews." There is a clear indication that there was never any public meeting during which the consideration and selection of the final candidates was made.

The OMA provides that a session to review an application for employment or appointment may be closed, "If the candidate requests that the application remain confidential." MCL 15.268(f). In conjunction, the OMA also provides that 2/3 roll call vote is required to call a closed session. MCL 15.267(1). To my knowledge, no such requests were ever made in this case, and there was no open meeting. The Committee is clearly subject to the requirements of the Open Meetings Act and these requirements were completely disregarded by the majority. It is inexplicable why legal requirements were not followed in this instance, given that following such requirements probably would not have affected the outcome anyway. I will not support a blatant violation of laws designed to keep the public informed about what its government is doing and for all these reasons, I voted no.

STATEMENT BY COUNCIL MEMBER S. COCKREL IN OPPOSITION TO A RESOLUTION APPROVING THE RESEARCH AND ANALYSIS DIVISION DIRECTOR JOB DESCRIPTION

On Friday, November 14, 2003, I voted no on the resolution referenced above for the simple reason that the job description it approves is illegal. In my opinion, the job description is illegal in the manner it was developed and illegal in its substance.

The Personnel Committee of the City Council is clearly and unequivocally sub-

ject to the Open Meetings Act. A job description that is supposedly developed by the Committee should have been done during an open meeting and it was not. The job description materialized with a statement that it was prepared by the Personnel Committee. To my knowledge, there has been no open meeting **as required by law** of the personnel committee in which any discussion on the finalization of a job description ever took place. The process that developed this document was not carried out in a legal manner, and I refuse to support actions taken in the dark.

Not only was the job description flawed at its inception, it is fatally flawed in substance. The 1984 Detroit City Code is clear that the Council as a whole, and not some committee, is responsible for appointing the Director of the Research and Analysis Division. The job description would provide that the Director is appointed upon recommendation of the Personnel Committee. Such a provision clearly usurps the responsibility of the Council as a whole and places it squarely within the grasp of a small faction of the whole.

It is unacceptable that five votes and one law degree may be all it requires to pass a document that blatantly ignores the requirements of the law. When it comes to questions of law, I choose to heed the advice of the Corporation Counsel, who by charter, is the attorney for the City, and the advice of the Research and Analysis Division, the body responsible for independently advising Council on the law. I cannot and will not support what I believe to be illegal conduct and substance.

For all of the reasons stated above, I voted no.

#### Law Department

November 14, 2003

Honorable City Council:

Re: Inquiries and Issues Relating to Resolution Approving the Research And Analysis Division Director Job Description.

On November 13, 2003, this Honorable Body, through Councilwoman Sheila M. Cockrel, requested a response to several questions raised with respect to the above-referenced matter. The Law Department's response is as follows:

**1. May the Personnel Committee of the Detroit City Council develop a job description outside of an open meeting?**

**Response:** Meetings of the Personnel Committee are subject to the requirements of the Open Meetings Act, as provided by Section 4-102 of the 1997 Detroit City Charter ("Charter"). If the Personnel Committee conducted a meeting, or participated in deliberations, wherein the RAD Director job description was devel-

oped, such actions would trigger the Open Meetings Act. We do not have sufficient information to assess what actions the committee members took and whether or not their actions were inconsistent with the Open Meeting Act. I have enclosed a copy of an opinion submitted to this Honorable Body on July 31, 2003, which addresses this issue in detail.

**2. Given that Section II of the proposed job description would provide that the Director is to be appointed upon recommendation of the Personnel Committee, is this provision valid in light of the fact that the Council is to appoint the director. To clarify, this provision could conceivably create situations in which the Personnel Committee could prevent the Council from selecting a Director by selectively recommending candidates.**

**Response:** Pursuant to Section 2-2-34 of the Detroit Code, "**the director of the council division of research and analysis shall be appointed by the city council...**" In light of this provision, it is logical to conclude that City Council must be involved in all the steps necessary to attain the appointment of a Director. These steps would include review of all applications, screening of applicants, interviews, etc.

Section II, paragraph 2 of the proposed job description states, "The Director is appointed by the majority vote of sitting Council Members **upon the recommendation of the City Council's Personnel Committee...**" This language suggests that City Council will only vote as to those individuals submitted to the body by the Personnel Committee. In essence, Council Members who are not on the Personnel Committee would be precluded from participating in the review of all applications and the screening of applicants. This language contradicts section 2-2-34 of the Detroit Code.

If it was not intended to exclude Council Members from the review of applications, screening of applicants, interviews, or any steps necessary to arrive at the appointment of the Director, the language should be modified as follows: **The Director is appointed by the majority vote of the sitting Council Members and serves at the pleasure of the majority of City Council Members.**

**3. Section III of the proposed job description would provide that the RAD Director is responsible for performing budgetary analysis. Is this provision proper given that the Fiscal Analysis Division is the City Council organ charged with that particular responsibility?**

**Response:** Section 2-2-35 of the Detroit Code provides, "The director of the council division of research and analysis shall investigate, research and **ana-**

**lyze any matter** referred to him by the city council." Although the language in the proposed job description appears to be contrary to the current duties of the Fiscal Analysis Division, there is nothing in the Charter or the Code that prohibits Council from assigning this analytical task to the RAD Director. This type of assignment would be permissible under the "any matter" language found in Section 2-2-35 of the Code.

**4. Is the 11th bullet under Section III of the proposed job description sufficiently defined to be considered a proper duty under the Charter?**

**Response:** There is no language in the Charter that prohibits the RAD Director from acting as a liaison for the City Council as assigned.

Should this Honorable Body desire additional information, please contact the Law Department.

Respectfully submitted,  
SHANNON A. HOLMES  
Assistant Corporation Counsel

**City Council  
Division of Research & Analysis**

November 13, 2003

Honorable City Council:

Re: Inquiries and Issues Relating to Resolution Approving the Research and Analysis Division Director Job Description.

This memorandum is in response to Councilwoman Sheila M. Cockref's request for information from the Research and Analysis Division (RAD) regarding the following issues.

**1. The Open Meetings Act.**

RAD has been asked to determine whether the Personnel Committee may develop a job description for the position of Research and Analysis Division Director outside of an open meeting.

The purpose of the Open Meetings Act (MCL 15.261 et. seq.) is to promote openness and accountability in government. Booth Newspapers, Inc. v Wyoming City Council, 168 Mich App 459 (1988); The Detroit News, Inc. v City of Detroit, 185 Mich App 296 (1990). It should, therefore, be interpreted broadly to accomplish this goal.

The Act provides that a public body, when deliberating or making a decision effectuating public policy, must do so in a place available to the public, unless there is an applicable exception. In accordance with MCL 15.268, a public body may meet in a closed session under the following circumstances:

(a) To consider the dismissal, suspension, or disciplining of, or to hear complaints or charges brought against, or to consider a periodic personnel evaluation of, a public officer, employee, staff member, or individual agent, if the named person requests a closed hearing. A person

requesting a closed hearing may rescind the request at any time, in which case the matter at issue shall be considered after the rescission only in open sessions.

(b) To consider the dismissal, suspension, or disciplining of a student if the public body is part of the school district, intermediate school district, or institution of higher education that the student is attending, and if the student or the student's parent guardian requests a closed hearing.

(c) For strategy and negotiation sessions connected with the negotiation of a collective bargaining agreement if either negotiating party requests a closed hearing.

(d) To consider the purchase or lease of real property up to the real an option to purchase or lease that real property is obtained.

(e) To consult with its attorney regarding trial or settlement strategy in connection with specific pending litigation, but only if an open meeting would have a detrimental financial effect on the litigating or settlement position of the public body.

(f) To review and consider the contents of an application for employment or appointment to a public office if the candidate requests that the application remain confidential. However, except as otherwise provided in this subdivision, all interviews by a public body for employment or appointment to a public office shall be held in an open meeting pursuant to this act. This subdivision does not apply to a public office described in subdivision (j).

(g) Partisan caucuses of members of the state legislature.

(h) To consider material exempt from discussion or disclosure by state or federal statute.

(i) For a compliance conference conducted by the department of commerce under section 16231 of the public health code, Act No. 368 of the Public Acts of 1978, being section 333.16231 of the Michigan Compiled Laws, before a complaint is issued.

(j) In the process of searching for and selecting a president of an institution of higher education established under section 4, 5, or 6 of article VIII of the state constitution of 1963, to review the specific contents of an application, to conduct an interview with a candidate, or to discuss the specific qualifications of a candidate if the particular process of searching for and selecting a president of an institution of higher education meets all of the following requirements:

(i) The search committee in the process, appointed by the governing board, consists of at least 1 student of the institution, 1 faculty member of the institution, 1 administrator of the institution, 1 alumnus of the institution, and 1 representative of the general public. The

search committee also may include 1 or more members of the governing board of the institution, but the number shall not constitute a quorum of the governing board. However, the search committee shall not be constituted in such a way that any 1 of the groups described in this subparagraph constitutes a majority of the search committee.

(ii) After the search committee recommends the 5 final candidates, the governing board does not take a vote on a final selection for the president until at least 30 days after the 5 final candidates have been publicly identified by the search committee.

(iii) The deliberations and vote of the governing board of the institution on selecting the president take place in an open session of the governing board.

Generally speaking, a public body may recess to hold a committee meeting for which no notice need be posted under the following circumstances:

(1) A quorum of the public body will not be present.

(2) The committees are of an advisory nature, and

(3) The committees will not deliberate on a common topic that leads to a decision of the public body.

When, however, either a committee comprising a quorum of a public body or subcommittees of a public body that constructively constitute a quorum deliberate or render decisions, the meeting must be held in public in accordance with the Open Meetings Act. (See Attorney General Opinion No. 5788, p. 1015, September 23, 1980, "the Open Meetings Act is violated when...subcommittees of a public body, which constructively constitute a quorum of the public body, collectively deliberate on or render decisions on public policy in a closed session on matters which do not fall within the provisions of the Open Meetings Act, supra, § 8, allowing a closed meeting").

It is unclear whether any meetings were held regarding the proposed job description. If meetings were held, they would be subject to the Open Meetings Act.

## **II. Appointment upon the recommendation of the Personnel Committee.**

The Detroit City Charter provides for a standing committee structure within City Council. The City Charter, Article 4, Section 4-106 states as follows:

Sec. 4-106. Standing Committee Structure.

The city council shall provide for a standing committee structure by its rules which committees *may include, but not be limited to*, the following areas:

1. Budget and Finance
2. Neighborhood and Community Services
3. Human Resources

4. Law and Public Safety

5. Planning and Economic Development; and

6. *Such committees as it deems necessary.*

The president of the council shall appoint the chairpersons of such standing committees, with the approval of a majority of the city council. However, the number of committees and the number of members per committee may be set by the city council. Only members of committees may vote on matters before the committee. The president shall be an ex-officio member of all committees, but shall be a voting member only as provided for any other council person.

Although the City Charter provides for a certain number of specified standing committees and grants Council the power to create additional committees as necessary, it does not expressly establish a Personnel Committee. While the Charter addresses the committee structure and anticipates that certain votes will be taken when committees meet, it is void of any language regarding the specific powers of committees to act on behalf of the Council as a whole. Thus, there is some ambiguity regarding whether the entire Council can delegate certain powers and, if so, what powers can be transferred from the entire Council to a committee.

As a general principle, a municipal governing body cannot delegate its essential powers to one of its own committees. These powers must remain with the governing body chosen by the people to represent the City. Courts will look to the law of the City Charter, ordinances and, to some extent, traditional practices to determine what powers may be delegated to a committee.

It has been found that a legislative body can refer matters to its committees for investigation, fact-finding and other action. Any act of a committee that is subsequently ratified by the entire body will be considered binding and valid. Consistent with these principles, City ordinances provide that Council Committees have certain investigatory and fact-finding powers that are also possessed by the Council as a Whole.

Article 4, Section 4-110 of the City Charter establishes that City Council has the power to conduct investigations, issue subpoenas, take testimony, etc. By ordinance, City Council has extended the powers to conduct investigations, issue subpoenas and take testimony to City Council's committees. See City Code, Ch. 2, Art. II, Div. 2, Sec. 2-2-16 et. seq.

To date, RAD has not been able to find a resolution creating the Personnel Committee. We have, however, been able to locate and review a resolution from 1994 that recognizes the existence of the Personnel Committee and, at that time,

charged the committee with the development of performance measurements for division directors, which would then be considered by the entire Council.

Since no resolution has been found establishing the Personnel Committee or assigning the Committee continuing powers regarding specific matters, the Personnel Committee must be assumed to be either a standing committee or special committee without power to act on behalf of the entire council. As result, the Committee's work is advisory in nature and should serve as recommendations to be presented to the Committee of the Whole. Final action would require a vote of the entire Council.

The proposed job description, as drafted, provides in pertinent part as follows:

**The Director is appointed by the vote of sitting Council Members upon the recommendation of the City Council's Personnel Committee and serves at the pleasure of the City Council Members.** The Director is an at will employee of the Detroit City Council, is not subject to state personnel system law, and receives the same benefits as other city employees. The Director is administratively accountable to the City Council President as the Detroit City Charter mandates under Section 4-104. (Emphasis added).

While not expressly stated, it appears as though the Personnel Committee will review the resumes of all prospective candidates, determine which candidates meet the minimum requirements, and submit a recommendation to the entire Council for approval.<sup>1</sup> If the Committee uses this method, it would be engaging in a deliberative or decision-making process in order to narrow the field to a single candidate. Absent a Charter provision, ordinance or resolution delegating that authority, the Personnel Committee does not have the power to act in that capacity on behalf of the entire Council.

Other issues of note that may need to be resolved include:

- The date by which all resumes must be received in order for a candidate to be considered for the position
- The manner in which the resumes will be collected and whether copies will be provided to the entire Council
- The dates on which the candidates will be interviewed and whether they will be interviewed by the Personnel Committee or the entire Council.

## II. Budgetary analysis

The job description states that the Director will perform legislative and budgetary analysis, as assigned by this Honorable Body. Currently, the Research and Analysis Division provides limited budgetary analysis during Council's annual budget deliberations and on other occasions as directed by Council.

In our opinion, the proposed job description is consistent with the current practice and does not go beyond duties presently assigned to RAD.

## III. Liaison for City Council

Similarly, with regard to whether the Director should serve as liaison to Council, this element of the job description does not appear to be an extension of the present duties. At the direction of Council, any staff member may serve as a liaison on behalf of Council. By way of example, a member of RAD currently serves as this Honorable Body's representative on the Board of the Empowerment Zone Development Corporation.

We hope that the foregoing information will be of assistance to you. Please advise if you have any additional questions or concerns.

<sup>1</sup>Previously, the Personnel Committee received all applications and resumes, which were then forwarded to each member of the Council. Council members reviewed the resumes and interviewed those candidates which met the minimum qualifications. Interviews were conducted by the Committee of the Whole. The entire body narrowed the field and selected a final candidate.

## STATEMENT OF COUNCIL MEMBER SHARON McPHAIL IN SUPPORT OF RESOLUTION TO SCHEDULE INTERVIEWS OF CANDIDATES OF CITY COUNCIL RESEARCH AND ANALYSIS DIVISION (RAD)

On this date, five members of the Detroit City Council voted to schedule interviews of five (5) candidates selected by the Personnel Committee for the RAD Director's position vacated by the termination of the former Director.

This resolution is a purely clerical act to schedule the public interviews of candidates.

As usual, two members attempted to delay the process and accused everyone, who disagreed, of violating the Charter of the City of Detroit.

The members of Detroit City Council are not here to serve any individual's interests but to serve the people of the City of Detroit.

The Council is advised by the Law Department, but the primary client of the Law Department is the Executive Branch. Often, Council disagrees with the Executive and a need arises for counsel from our RAD lawyers. It is crucial that a permanent Director be chosen so that important policy matters may be resolved.

The effort by two members to derail this process is based upon a personal relationship with the former Director and is irresponsible.

The failure of previous City Councils to adopt ordinances that will protect citizens is evident in the numerous growing prob-

lems in the City of Detroit: For one, after years of blocking an ordinance to control the abuse of Detroiters by huge numbers of x-rated clubs, this Council finally adopted an ordinance this year. After meeting with topless club owners, two members fought hard to keep the topless industry minimally regulated. One member even threatened to assault another member, in an effort to stop the vote on this important ordinance. Fortunately, this time, the delaying tactics did not work. The ordinance was adopted.

Although much has been accomplished in the past two years (usually with a great deal of acrimony), the progress that could have been made was not made. In large part, the impediment to progress was due to the behaviour of some members who refuse to accept the democratic process where the majority rules.

Moreover, the record will reflect that certain members have voted against virtually every initiative offered by Council President Maryann Mahaffey, President Pro-Tem Ken Cockrel, as well as members Collins, McPhail and Watson. There is no possible interpretation of this conduct other than a very personal agenda. I, for one, will no longer allow the pretense that these are viable objections. These objections are virtually always lacking in substance and based upon either a personal animus or a misinterpretation of the law.

The citizens of the City of Detroit deserve better.

**RESOLUTION

**STATEMENT BY COUNCIL MEMBER  
S. COCKREL IN SUPPORT OF  
RESOLUTION TO UTILIZE DRUG  
FORFEITURE FUNDS FOR YOUTH  
LEADERSHIP PROGRAMS**

On Wednesday, May 5, 2004, I voted in support of the resolution referenced above. The resolution sets forth the policy that the City will seek to apply drug forfeiture funds for youth leadership programs. This will be done only with the concurrence of the United States Department of Justice (USDOJ) in using allowable federal drug forfeiture funds by identifying agencies to implement leadership development activities supporting drug prevention initiatives.

The law is strict as it relates to the expenditure of drug forfeiture proceeds and there are distinct rule and regulations that need to be examined and complied with during the development of any program in this area. Of special concern are those guidelines in the USDOJ publication, "A Guide to Equitable Sharing of Federally Forfeited Property for State and Local Law Enforcement Agencies." The guide describes permissible pass-throughs to other agencies and provides for deadlines for submission of requests to share proceeds. In this regard, a specific issue that will need to be addressed is the question of whether drug forfeiture funds may be used in the form of stipends for program participants, as opposed to trainers.

I supported this resolution because it is an innovative way to explore using funding to improve drug law enforcement efforts. At the same time, I stress that in order for any program to be successful, it is crucial that the City develop the program while carefully taking into consideration the myriad laws and rules that regulate the use of drug forfeiture funds.

**TESTIMONIAL RESOLUTION  
FOR  
SOUTHWEST DETROIT  
ENVIRONMENTAL VISION**

By COUNCIL MEMBER K. COCKREL, JR.:

WHEREAS, The Southwest Detroit Environmental Vision (SDEV), which has proven to be an asset to the community, is an organization committed to improving the environment and the economy of southwest Detroit, and

WHEREAS, The SDEV was created in

1991 in response to contamination, illegal dumping and increased vandalism that occurred after many automotive companies relocated and abandoned the neighborhood, and

WHEREAS, Southwest Detroit, surrounded by the Detroit River, Michigan Avenue, Miller Road and the Lodge Freeway, is comprised of a growing population of African-American, Hispanic and white families who have been integral in SDEV's efforts. The partnership between SDEV and community volunteers has resulted in a number of successful projects, including the cleaning of 17 dumpsites and the revival of nine gardens at elementary schools, vacant lots, a neighborhood center and post office, and

WHEREAS, Additionally, SDEV has secured funding for the redevelopment of the former Wayne Chemical Company site and provided workshops for other community organizations on how to implement their own cleanup events, and

WHEREAS, Among SDEV's plans for 2004 are: using video to identify and convict illegal dumpers; uniting with other organizations to clean and beautify 50 City-owned vacant lots in hopes of transforming a small number into neighborhood parks; and replacing more than 50 ash trees that were removed from Clark Park. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby salutes Southwest Detroit Environmental Vision for its dedication to revitalization and economic improvement throughout southwest Detroit. SDEV is an exemplary example of community involvement and dedication.

### Invocation

Let us pray + in the name of God our creator, and of God our redeemer and of God our sustainer.

Response: *Amen!*

Blessed are You, Lord, God of all creation, whose goodness fills our hearts with joy. Blessed are You, who have brought us together today to work in harmony and peace.

May everything we do begin with Your inspiration and continue with Your help, so that all our prayers and works may begin in You and by You be happily ended. Glory and praise to You, for ever and ever.

Response: *Amen!*

May God strengthen you and bring your work to completion. May hope accompany your journey throughout this day. May God's abiding presence be with you all the days of your life.

Response: *Amen!*

Re: Rodney Jones vs. City of Detroit, Department of Transportation. File No.: 13928 (TSW).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential attorney-client privileged memorandum that is being separately hand delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Forty Thousand Dollars (\$40,000.00) is in the best interests of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Forty Thousand Dollars (\$40,000.00) and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to Rodney Jones and his attorney Edward I. Honorable City Council:

Re: Alberta Hansbrough v. City of Detroit.  
Case No.: 03-3322703 NO, File No.:  
A19000.002674 (SH).

On April 26, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded Five Thousand Dollars (\$5,000.00) in favor of Plaintiff. The parties have until May 24, 2004, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set

forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Five Thousand Dollars (\$5,000.00) payable to Carl L. Collins, attorney, and Alberta Hansbrough, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-3322703 NO, approved by the Law Department.

Honorable City Council:

Re: August 14, 2003 Blackout.

On September 23, 2003, the Federal Government declared several Michigan Counties, including Wayne County, disaster areas due to the power outage that occurred on August 14, 2003. This declaration allowed the City to request Public Assistance funds from FEMA (Federal Emergency Management Agency) for expenses allowable under Category "B".

Category "B" allows for the reimbursement of expenses incurred as a result of Emergency Protective Measures taken during the power outage. These emergency protective measures include services that eliminated immediate threats to lives, public health and safety. FEMA has approved the City's request for reimbursement for overtime labor hours, including benefits for full time employees and equipment usage at rates pre-determined by FEMA.

FEMA will reimburse the City 75 percent of eligible costs. The requested reimbursement amount was \$1,866,628.31. There was a limit of \$5,000,000 for the State of Michigan. The requests for reimbursement exceeded that amount so the total eligible costs were reduced by 23.17% for each applicant. The City of Detroit will receive \$1,101,008.35.

The attached resolution will authorize the City to accept and appropriate the funds.

Respectfully submitted,

ROGER SHORT

Honorable City Council:

Re: 4214-16 Buchanan #101 Emergency Demolition.

The building at the above location was recently found to be dilapidated with extensive structural damage to the point of near collapse.

Our records indicate that this building was ordered removed by Council on January 13, 2003.

It is our opinion that there is an actual and immediate danger affecting the health, safety and welfare of the public. Therefore, under the authority of Ordinance 290-H, we are taking emergency measures to have this building or portions thereof removed with the cost assessed against the property.

By copy of this letter, we will notify all utility companies to immediately start utility disconnects.

Respectfully submitted,

AMRU MEAH

Honorable City Council:

Re: Address: 1431-3 Calvert. Name: Joy Lopresti. Date ordered removed: February 6, 2002 (J.C.C. p. 374).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 7, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has entered into an approved Tax Payment Plan to pay the current taxes due as of September 5, 2001.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this

department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined in #1 above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation has been made. If the building becomes open to trespass or if conditions of the deferral are not complied with, we will proceed with demolition without further hearings. We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

 Re: 3637-9 Medbury. January 16, 2002 (J.C.C. pp. 194-6).

Pursuant to this deferral request we provide the following information:

The above referenced building first came into our Dangerous Building inventory via a complaint filed August 24, 1999. It first came before your Honorable Body on July 23, 2001 and was withdrawn. It came before your Honorable Body for a second time on January 14, 2002 and was ordered demolished. Your Honorable Body granted a deferral of this demolition order on April 30, 2003. A permit for general repairs was secured May 30, 2003 and subsequently cancelled for "Lack of Progress". On November 19, 2003 we notified your Honorable Body that we were proceeding with the demolition as originally ordered, for failure to maintain the conditions of the deferral. We have also incurred the expense of barricading this building to maintain it in a safe condition until we can proceed with the ordered demolition. There has been absolutely no improvement of the condition of this building or progress toward renovation since the original complaint in August of 1999.

We, therefore, recommend that your Honorable Body deny this request, for a second deferral, and we shall continue to proceed with demolition as originally ordered.

 Re: Neighborhood Enterprise Zone (NEZ) Certificate Applications for fifteen (15) properties in the Brush Park NEZ (Recommend Approval).

The City Clerk's Office forwarded to this office 15 applications from Crosswinds Communities, Inc. for Neighborhood Enterprise Zone (NEZ) certificates within the Crosswinds Communities Brush Park NEZ. The Crosswinds Communities Brush Park NEZ designation was approved by your Honorable Body on July 17, 1996.

Certificates are being requested for the following properties: 127 Winder, 129 Winder, 131 Winder, 133 Winder, 135 Winder, 137 Winder, 2507 John R, 2509 John R, 2511 John R, 2513 John R, 2515 John R, 2517 John R, 2519 John R, 2521 John R, and 2523 John R.

The properties involved are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. Crosswinds Communities, Inc. has applied for the certificates, prior to the issuance of building permits, on behalf of future owners who will occupy the property. It is appropriate for Crosswinds Communities, Inc. to apply for certificates at this time even if buyers have not yet been identified. The State Tax Commission, however, will not issue a certificate until an owner is identified. When an owner is identified, he or she can then apply for the certificate. At that time, it would not be necessary for City Council to pass another resolution.

Crosswinds Communities, Inc. proposes to construct 15 owner-occupied attached single-family condominium units. The developer will need to submit to the State Tax Commission a list of the parcels that are to receive the certificates with a map showing the parcels.

Re: Neighborhood Enterprise Zone (NEZ) Certificate Application for 2197 Marlborough in the Far East Side Area (Recommend Approval).

The City Clerk's Office forwarded to this office an application from Ms. Ernestine White for a Neighborhood Enterprise Zone (NEZ) certificate for 2197 Marlborough within the Far East Side NEZ.

The Far East Side NEZ was approved by City Council on September 18, 2002. The petitioner is proposing to rehabilitate an owner-occupied duplex.

The subject property is confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. It appears that the request for certificates has been filed prior to construction, as the State Act requires. The 2003 True Cash Value of the property was \$9,690, well below the maximum of \$80,000 per unit allowed by the State Act.

The City Planning Commission staff, therefore, recommends approval of the requested certificate in the Far East Side NEZ. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

Honorable City Council:  
Re: Neighborhood Enterprise Zone (NEZ) Certificate Applications for 2221 and 2531 Marlborough in the Far East Side Area (Recommend Approval).

The City Clerk's Office forwarded to this office applications from Hosie Jones and Delois Jones for Neighborhood Enterprise Zone (NEZ) certificates for 2221 and 2531 Marlborough within the Far East Side NEZ.

The Far East Side NEZ was approved by City Council on September 18, 2002. The petitioners are proposing to rehabilitate owner-occupied duplexes.

The subject properties are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. It appears that the request for certificates has been filed prior to construction, as the State Act requires. The 2003 True Cash Value of 2221 Marlborough was \$9,282 and 2531 Marlborough was \$6,434, both well below the \$80,000 per unit maximum allowed by the State Act.

The City Planning Commission staff, therefore, recommends approval of the requested certificates in the Far East Side NEZ. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

Honorable City Council:  
Re: Neighborhood Enterprise Zone (NEZ) Certificate Application for 2145 Marlborough in the Far East Side Area (Recommend Approval).

The City Clerk's Office forwarded to this office an application from Vernon Headen for a Neighborhood Enterprise Zone (NEZ) certificate for 2145 Marlborough, within the Far East Side NEZ.

The Far East Side NEZ was approved by City Council on September 18, 2002. The petitioners are proposing to rehabilitate owner-occupied duplex.

The subject property is confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. It appears that the request for a certificate has been filed prior to construction, as the State Act requires. The 2003 True Cash Value of the property was \$40,800, well below the \$80,000 per unit allowed by the State Act.

The City Planning Commission staff, therefore, recommends approval of the

requested certificates in the Far East Side NEZ. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

The Riverfront Towers NEZ was approved by City Council on November 19, 2003. The developer is proposing to rehabilitate the 295 apartments in towers 200 and 300 of the Riverfront Towers complex, as well as the common areas and systems of the towers. The units are being converted into condominiums, and the developer states that the tax benefits from the NEZ certification make the cost of the condominium units roughly equal to the rent paid for the apartments.

The subject properties is confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. It appears that the request for certificates has been filed prior to construction, as the State Act requires.

The City Planning Commission staff, therefore, recommends approval of the requested 295 NEZ certificates in the Riverfront Towers NEZ district. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Application for 2657 Austin. (Recommend Approval).

The City Clerk's Office forwarded to this office an application from the Bagley Housing Association for a Neighborhood Enterprise Zone (NEZ) certificate for a new single-family house to be constructed at 2657 Austin.

City Planning Commission staff's research indicates that the above property is within the boundaries of the Bagley NEZ, which was approved by City Council in September 1998.

It is expected the unit will cost about

\$130,000 to construct, and it is anticipated the construction will be completed around October 2004. The Bagley Housing Association is applying for the certificate, prior to the issuance of a building permit, on behalf of the future owner of the property.

Based on the above analysis, CPC staff recommends approval of the subject NEZ certificate within the boundaries of the Bagley NEZ area. Please contact us should you have any questions.

Re: Neighborhood Enterprise Zone Certificate Applications for 1485 18th Street, 1730 St. Anne, 1734 St. Anne, 1736 St. Anne and 1740 St. Anne (Recommend Approval).

The City Clerk's Office forwarded to this office applications from the Bagley Housing Association for Neighborhood Enterprise Zone (NEZ) certificates for 5 properties, which include 1 existing vacant single family house and 4 existing vacant townhomes at the above-mentioned addresses.

City Planning Commission staff's research indicates that all of the above properties are within the boundaries of the Bagley NEZ, which was approved by City Council in September, 1998.

It is expected that about \$130,000 will be spent to rehab each of the properties. It is anticipated the rehab work will be completed around August, 2004. Currently, it appears that all of the units have a true cash value of less than \$80,000. The Bagley Housing Association is applying for the certificates, prior to the issuance of building permits, on behalf of the future owners of the property.

Based on the above analysis, CPC staff recommends approval of the subject NEZ certificates within the boundaries of the Bagley NEZ area. Please contact us should you have any questions.

Honorable City Council:

Re: Applications for Neighborhood Enterprise Zone Certificates for the Bagley Housing Association area.

On October 21, 1992, your Honorable Body established neighborhood enterprise zones. I am in receipt of six (6) applications for Neighborhood Enterprise Zone Certificates. These applications

have been reviewed and recommended for approval by the City Planning Commission, a copy of which is attached. Therefore, the attached Resolution, if adopted by your Honorable Body, will approve these applications. A waiver of reconsideration is requested.

Respectfully submitted,  
JACKIE L. CURRIE  
City Clerk

By Council Member Collins:

Whereas, Michigan Public Act 147 of 1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992, on September 9, 1998, JCC pgs. 2190-2191.

Now, Therefore, Be It Resolved, That the City Council approve the following addresses for receipt of Neighborhood Enterprise Zone Certificates for a twelve year period:

<b>Zone</b>	<b>Address</b>	<b>Application Number</b>
Bagley Housing Association	2657 Austin	98-15-152
Bagley Housing Association	1485 18th Street	98-15-153
Bagley Housing Association	1730 St. Anne	98-15-154
Bagley Housing Association	1734 St. Anne	98-15-155
Bagley Housing Association	1736 St. Anne	98-15-156
Bagley Housing Association	1740 St. Anne	98-15-157

And Be It Further Resolved, That the City Clerk shall forward each tax exemption certificate application to the State Tax Commission.

Adopted as follows:

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for 444 West Grand Blvd. and 1960 Palms (Recommend Approval).

The City Clerk's Office forwarded to this office applications from the Bagley

Housing Association for Neighborhood Enterprise Zone (NEZ) certificates for 2 properties, which are vacant single-family houses, at the above-mentioned addresses.

City Planning Commission staff's research indicates that the above properties are within the boundaries of the Hubbard Farms NEZ, which was approved by City Council in October 2002.

It is expected that about \$130,000 will be spent to rehab each of the properties. It is anticipated the rehab work will be completed around August 2004. Currently, it appears that both of the units have a true cash value of less than \$80,000. The Bagley Housing Association is applying for the certificates, prior to the issuance of a building permits, on behalf of the future owner of the properties.

Based on the above analysis, CPC staff recommends approval of the subject NEZ certificates within the boundaries of the Hubbard Farms NEZ area. Please contact us should you have any questions.

Honorable City Council:

Re: Applications for Neighborhood Enterprise Zone Certificates for the Hubbard Farms area.

On October 21, 1992, your Honorable Body established neighborhood enterprise zones. I am in receipt of two (2) applications for Neighborhood Enterprise Zone Certificates. These applications have been reviewed and recommended for approval by the City Planning Commission, a copy of which is attached. Therefore, the attached Resolution, if adopted by your Honorable Body, will approve these applications. A waiver of reconsideration is requested.

Respectfully submitted,  
JACKIE L. CURRIE  
City Clerk

By Council Member Collins:

Whereas, Michigan Public Act 147 of 1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992, on October 23, 2002.

Now, Therefore, Be It Resolved, That the City Council approve the following addresses for receipt of Neighborhood

Enterprise Zone Certificates for a twelve year period:

Zone	Address	Application Number
Hubbard Farms	444 West Grand Blvd.	02-45-01
Hubbard Farms	1960 Palms	02-45-02

And Be It Further Resolved, That the City Clerk shall forward each tax exemption certificate application to the State Tax Commission.

**Human Resources Department  
Labor Relations Division**

May 10, 2004

Honorable City Council:

Re: Implementation of Wage Adjustments and Certain Fringe Benefit Changes for Employees Represented by the Senior Accountants, Analysts, and Appraisers Association.

The Labor Relations Division has recently reached agreement with the above-referenced bargaining unit. The City and the Association agreed upon and accepted the terms and conditions of the 2001-05 Master Agreement on April 8, 2004. Given the extensive time it will take to type and process the entire contract, it would cause an unreasonably long delay to withhold implementation until the formal contract has been prepared and presented to your Honorable Body for approval.

Therefore, in accordance with standard City procedure, this Office is recommending that your Honorable Body pass a resolution amending the 2003-04 Official Compensation Schedule by granting a 2% general wage increase for the subject represented employees effective July 1, 2003. We are further requesting authorization to implement the following new contract provisions:

1) Special Adjustments for certain classifications as outlined in the attached Schedule A.

2) Fringe benefit changes as set forth in the attached Schedule B.

We further respectfully request that your Honorable Body adopt the following resolution with a Waiver of Reconsideration.

Respectfully submitted,

ROGER N. CHEEK

Labor Relations Director

By Council Member Everett:

Resolved, That the 2003-2004 Official Compensation Schedules and employee wages be amended according to the foregoing letter and be it further

Resolved, That employees in the Senior Accountants, Analysts, and Appraisers Association bargaining unit shall receive special wage adjustments and fringe benefit improvements as recommended in accordance with the Schedules on file with the City Clerk, and be it further

Resolved, That the Finance Director is hereby authorized to honor payrolls and vouchers in accordance with this resolution and letter.

**SCHEDULE A  
SPECIAL ADJUSTMENTS**

In order to maintain traditional wage relationships between various classes of employees which share a close working relationship and also facilitate the harmonious interaction of such employees, the following classifications shall be granted a special adjustment as outlined below.

This special wage adjustment shall be applied to bargaining unit members in the following classifications on the payroll, effective April 5, 2004, and is in addition to the general wage increases provided for in the Wage article.

Drafting Tech I	\$0.67 per hour
Drafting Tech II	\$0.48 per hour
Drafting Tech III	\$0.14 per hour

**Fringe Benefit Changes**

• **Other Compensation —**

**Cash Bonus:** Members of the bargaining unit who are on the payroll on April 5, 2004, shall receive a \$400 cash bonus. This payment will be made as soon as possible following the date of Union ratification and the City Council's resolution approving the economic terms. This payment shall not increase the employee's base rate of pay, nor shall it be included in average final compensation for pension purposes.

Persons who are on approved leave of absence, workers compensation, long-term disability or other absence from the payroll on the date of ratification shall be eligible for the \$400 bonus upon their return to active employment.

• **Funeral Leave —** Effective April 15, 2004 add step-son and step-daughter to those relationships defined as being treated as Immediate Family which allow an employee three (3) days funeral leave.

• **Work Week, Work Day, Shift Premium —** Effective November 10, 2003, afternoon shift premium increased to \$.70 an hour (from the prior \$.45) and the night shift premium increased to \$.75 an hour (from the prior \$.50).

• **Holidays and Excused Time —** Good Friday changed from a half-day (4 hours) excused time to a full day (8 hours) excused day. [This change to become effective on Good Friday in 2004 and thereafter.]

• **Unused Sick Leave on Retirement**

— Effective April 5, 2004, payment upon retirement, or death with 20 or more years of service, the value of unused sick days in an employee's sick banks is increased from 50% to 60%.

• **Clothing and Uniform Allowance**

— Clothing Allowance to be increased to \$170 per year (from prior \$85) effective with payments made subsequent to July 1, 2003. Uniform Allowance to be increased to \$350 per year (from prior \$170) effective with payments made subsequent to July 1, 2003.

• **Tuition Refund** — The amount of tuition refund available to employees has been increased based on the following: For those employees seeking a graduate degree the amount is \$2000 (from current \$850), for those seeking an undergraduate degree the amount is \$1500 (from current \$700), and \$1200 for other approved employee development programs (from current \$600). The total amount of tuition refund may not be pyramided to exceed \$2000 in any fiscal year. [These increased amounts shall be effective upon approval of City Council.]

• **Private Car Mileage Reimbursement** — Effective April 5, 2004 employees shall be paid mileage at the current IRS per mile rate and is subject to change when the IRS rate changes. [Previous rate was 31¢ per mile. Current IRS rate is 37.5¢ per mile.]

• **Overtime** — Effective April 5, 2004 employees shall receive double time (200%) for all time worked in excess of sixteen (16) hours.

Re: Establishment of a Neighborhood Enterprise Zone (NEZ) (rh).

Attached please find a resolution and legal description which will establish the West Town I Neighborhood Enterprise Zone in accordance with Public Act 147 of 1992 ("the NEZ Act").

Recall that the establishment of the NEZ was requested by the Community Planning Association and the Urban Development Group. These entities propose to invest \$5,425,000 to construct 31 single family 3 and 4-bedroom homes on scattered sites throughout the NEZ.

The public hearing required by the NEZ was held by your Honorable Body on March 18th. No impediments to the establishment of the NEZ were presented at the public hearing.

The date of the public notice of the public hearing was March 4th. The NEZ Act

requires the passage of at least sixty days between the date of the notice of the public hearing and the date of the passage of the resolution establishing the NEZ. Therefore your Honorable Body may pass the attached resolution at your formal session of May 5th, and we recommend that you do so.

Respectfully submitted,

HENRY B. HAGOOD

Direct of Development Activities

By Council Member K. Cockrel, Jr.:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act") provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the West Town I NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the West Town I NEZ was conducted before the Detroit City Council on March 18, 2004, with notice of the pub-

lic hearing having been given by publication to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No Impediments to the establishment of the West Town I NEZ

were presented at the public hearing;  
Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the West Town I NEZ pur-

suant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Re: Property For Sale By Development.  
Development: 3472 Mack

We are in receipt of an offer from Cheryl D. Lofton, to purchase the above-captioned property for the amount of \$1,200 and to develop such property.

This property contains approximately 5,688 square feet and is zoned R-2 (Two-Family Residential District).

The Offeror proposes to landscape and create greenspace to enhance her adjacent property that is now being renovated for tax preparation service and additional office space. This use is permitted as a matter of right in R-2 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to issue a quit claim deed for this property to Cheryl D. Lofton, with the deed to contain an attachment clause.

Respectfully submitted,

Re: Property For Sale By Development Agreement. Development: Parcel 250A, located on the south side of Mack between Alter & Philip.

We are in receipt of an offer from Land Assembly for Neighborhood Development, a Michigan Non-Profit Corporation, to purchase the above-captioned property for the amount of \$41,300 and to develop such property. This property contains approximately 92,538 square feet and is zoned PD (Planned Development District). Once Land Assembly for Neighborhood Development has acquired the City-owned property, it will be combined with property they already own and transferred to Mack-Alter LLC, a Michigan Limited Liability Company, for the development of Mack Alter Square shopping center. The entire site contains approximately 217,881 square feet or 5 acres.

Mack-Alter, LLC, will construct a new retail shopping center. The shopping center will contain three (3) new structures with retail space to accommodate up to sixteen (16) shops. Stores will include a national grocery chain, national pharmacy and a larger Family Dollar store and other in-line tenants. The site will provide paved surface parking for the storage of licensed operable vehicles and any area not paved will be adequately landscaped to establish a buffer between the commercial and residential uses. The proposed use is permitted with approval in a PD zone. The appropriate approvals have been obtained to develop this site.

We, therefore request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to execute an agreement to purchase and develop this property with Land Assembly for Neighborhood Development, a Michigan Non-Profit Corporation.

### **Planning & Development Department**

April 30, 2004

Honorable City Council:

Re: Amendment to Resolution. Development: 253, 325 Harper and the south 50 feet of 311 Harper.

On January 25, 2000, your Honorable Body authorized the transfer of jurisdiction of 253 and 325 Harper from the Recreation Department to the Planning and Development Department (P&DD) under the terms of an exchange agreement with Oakland Avenue Baptist Church.

It has come to our attention that the name of the legal entity was issued in error. Accordingly, the exchange agreement with Oakland Avenue Baptist Church has been amended to show Oakland Avenue Missionary Baptist Church, a Michigan Ecclesiastical Corporation, as the transferee. This developer possesses the qualifications and has indicated potential financial resources necessary to acquire and develop the land in accordance with the Development Plan.

It has also been brought to our attention that in order for the proposed devel-

opment to go forward, the south 50 feet of 311 Harper must be added to this land assemblage. Consequently, the Recreation Department has declared the south 50 feet of 311 Harper surplus to its needs and requests the Planning and Development Department to assume jurisdictional control of the property and that it be included in the land transaction with Oakland Avenue Missionary Baptist Church. As part of this transaction, the church will convey its property at 247 and 301 Harper to the Planning and Development Department, who in turn will transfer jurisdiction to the Recreation Department. At this juncture, the Planning and Development Department will convey to Oakland Avenue Missionary Baptist Church, 253, 325 Harper and the south 50 feet of 311 Harper.

The Recreation Department agrees to allow the church to build to the west property line of 301 Harper. The development will consist of the construction of a 10,000 square foot building with a connecting breezeway. Oakland Avenue Missionary Baptist Church will in turn vacate their rights to the alley adjacent to this property with these rights being conveyed to the Recreation Department, thereby allowing the Recreation Department a much needed access to their property. Along with this conveyance, an overall landscape design will be developed to complement the adjacent properties. The Planning & Development Department has reviewed this proposed land exchange and development and determined this to be a fair and equitable exchange.

We, therefore, request that your Honorable Body adopt the transfer of land and authorize the Planning and Development Department Director of Development Activities to execute an exchange agreement between the Planning and Development Department, Recreation Department and Oakland Avenue Missionary Baptist Church, a Michigan Ecclesiastical Corporation.

We, also, request that your Honorable Body authorize the Planning and Development Department Director of Development Activities to issue a quit claim deed for 253, 325 Harper and the south 50 feet of 311 Harper to Oakland Avenue Missionary Baptist Church, a Michigan Ecclesiastical Corporation, for the amount of \$1.00.

Respectfully submitted,  
HENRY B. HAGOOD

Director of Development Activities  
By Council Member K. Cockrel, Jr.:

Resolved, That in accordance with the foregoing communication, the Recreation Department is hereby authorized to declare 253, 325 Harper and the south 50 feet of 311 Harper surplus to their needs and that the Planning and Development Department assume jurisdictional control

of this property, more particularly described as:

**Exhibit A**

Land in the City of Detroit, County of Wayne and State of Michigan being Lots 19 and 20 inclusive and the South 50 feet of Lot 16; "Peppers and Harmon's Subdivision" of Out Lot 16, Fractional Section 31, T.1S., R.12E., Detroit, Wayne County, Michigan. Honorable City Council:

Re: Traffic Signal Removal at Various Locations.

The following traffic signals are currently operating on full time flashing mode in compliance with the Michigan Manual of Uniform Traffic Control Devices for removal due to the changes in traffic conditions as described below:

**1. Jeffries North Service Dr.-Underwood, on flash since 9-24-1973**

The signal was installed in October, 1972 as part of Jeffries Freeway construction project. Due to the opening of Jeffries Freeway in 1973, the traffic volume dropped significantly and cannot justify the continuation of a traffic signal operation at this location. The signal was placed on flashing operation and Four way stop signs were installed in 1973.

**2. Jeffries East Service Dr.-Grand River Cut Off, on flash since 3-31-1973**

The signal was installed in October, 1972 as part of Jeffries Freeway construction project. Due to the opening of Jeffries Freeway in 1973, the traffic volume dropped significantly and cannot justify the continuation of a traffic signal operation at this location. The signal was placed on flashing operation in 1973. The intersection will operate on "stop" sign control for the Grand River cut off upon removal of the signal.

**3. W. Jefferson-Lodge Exit Ramp — Garage Exit, on flash since 11-10-1981**

The signal was installed prior to the Cobo Hall Expansion Project. Changes in traffic conditions after the completion of Cobo Hall Expansion Project cannot justify continued flashing operation of the traffic signal at this location and the signal was placed on flashing operation in 1981. The intersection will operate on "stop" sign control for the Garage Exit upon removal of the signal.

**4. W. Jefferson-Twelfth, on flash since 3-12-1985**

The changes in traffic conditions in conjunction with the opening of W. Jefferson at the Arena Garage cannot justify the continued operation of the traffic signal and the signal was placed on flashing operation in 1985. The intersection will operate on "stop" sign control for Twelfth upon removal of the signal.

**5. E. Grand Blvd. And Trombly Drive, on flash since 3-20-1985**

As part of the Pole Town Development for General Motors Cadillac Plant, the Trombly Street was discontinued. The changes in traffic condition due to the discontinuity of Trombly Street cannot justify continued flashing operation of the traffic signal and the signal was placed on flashing operation in 1985. The intersection will operate on "stop" sign control for Trombly Drive upon removal of the signal.

**6. W. Jefferson-U turn/E/O Cabacier, on flash since 10-31-1986**

The changes in traffic conditions in conjunction with the opening of W. Jefferson at the Arena Garage cannot justify the continued flashing operation of the traffic signal at this location and the signal was placed on flashing operations in 1986.

**7. French-McNichols, on flash since 2-9-1988**

As part of Detroit City Airport Expansion Project, McNichols was permanently closed between French and Conner in 1988 and the signal was placed on flashing operation at that time. The low traffic volume at this location cannot justify the continued flashing operation of the traffic signal and therefore it is recommended for removal. The intersection will operate on "stop" sign control for NB French upon removal of the signal.

**8. Canfield and Russell, on flash since 5-8-1991**

As part of the Pepsi Plant Development, Russell Street was closed permanently between Canfield and Mack in 1991 and the signal was placed on flashing operation at that time. Since then the intersection operates on "stop" sign. The low traffic volume at this location cannot justify the continued flashing operation of the traffic signal and therefore it is recommended for removal.

**9. Lynch-Mt. Elliott NB Service Dr., on flash since 12-05-1991**

Due to the changes in traffic conditions with the construction of the new Lynch bridge overpass near Mt. Elliott, the signal was placed on flashing operation in 1991. The low traffic volume at this location does not justify the continued flashing operation of the traffic signal and therefore it is recommended for removal. The intersection will operate on "stop" sign control for the Mt. Elliott Service Drive upon removal of signal.

**10. Lafayette-Fourteenth, on flash since 12-11-1991**

Due to the discontinuation of Fourteenth Street north of Lafayette and very low traffic volume, the signal was placed on flash on December 11, 1991. The continued flashing operation of the signal is not justified and therefore it is recommended for removal. The intersection will operate on "stop" sign control for Fourteenth upon removal of the signal.

**11. Garland-Kercheval, on flash since 9-27-1995**

A new traffic signal was installed at Kercheval and Hurlbut for **Scripps Elementary School** in 1995 and due to the proximity of the existing signal to the new signal, the signal at Garland-Kercheval was placed on flash in 1995. The low traffic volume on Garland Street does not justify the continued operation of the traffic signal and therefore it is recommended for removal. The intersection will

operate on "stop" sign control for Garland upon removal of the signal.

**12. Mt. Elliott-Palmer, on flash since 2-29-1996**

Due to the plant closures in the area and the proximity of the signal to the Grand Blvd.-Mt. Elliott location the signal was placed on flash in 1996. The low traffic volume on Garland Street does not justify the continued operation of the traffic signal and therefore it is recommended for removal. The intersection will operate on "stop" sign control for Palmer upon removal of the signal.

**13. Howard and First, on flash since 7-13-1996**

The Howard Street and First Street are closed off and permanent concrete barricades are installed due to the security reasons around the McNamara Federal Building in 1996. Access to the intersection is not permitted and therefore signal is recommended for removal. No traffic control is needed upon removal of the signal.

As such, the Department of Public Works respectfully request the adoption of the attached resolution for the removal of the traffic signals at the above mentioned thirteen (13) locations.

Respectfully submitted,  
JAMES A. JACKSON  
Director

By Council Member S. Cockrel:

Resolved, That in accordance with the foregoing communication, removal of traffic signals at the following thirteen (13) locations are hereby approved.

City Engineering Division**

April 19, 2004

Honorable City Council:  
Re: Petition No. 4231 — Detroit Public Schools c/o Floyd E. Allen & Associates for certain changes to public rights-of-way in the area of Ledyard, W. Grand River, Second and Henry, in order to construct the

new Cass Technical High School within the Phase Two area.

City Council adopted a resolution on October 30, 2002; J.C.C. Pages 3380-82 approving the outright vacation of the public alleys in the block bounded by Third, Second, Henry and Ledyard. This part of Petition No. 4231 of the Detroit Public Schools (DPS), c/o Floyd E. Allen & Associates requests to 1) vacate (outright) Third Avenue, 70 feet wide, between Ledyard Street, 100 feet wide and Henry Street, 100 feet wide 2) convert to utility easement said Henry Street between Second Boulevard, 100 feet wide and West Grand River Avenue, 100 feet wide, to an easement, 3) vacate (outright) a portion of the alley between Third and Fourth Avenues and Ledyard and Henry Streets. The attached resolution contains the public right-of-way adjustments required to construct within the Phase Two area.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

Michigan Consolidated Gas Company (MichCon) reports no objections to the proposed right-of-way changes, provided that petitioner enter into a contract with MichCon for the relocation of its utilities within Third Avenue and the subject alley, and grant MichCon such easement(s) as are required for same. The estimated cost of the work is \$14,410.00, payable to Michigan Consolidated Gas Company. MichCon will schedule the work after the agreement letter, payment, and easement agreement(s) have been received.

DTE Energy reports no objections to the proposed right-of-way changes, provided that the petitioner makes satisfactory arrangements for the \$554,000.00 estimated costs of removing and/or rerouting its utilities in the project area.

The Detroit Water and Sewerage Department (DWSD) reports no objections to the proposed right-of-way changes, provided that 1) petitioner owns all properties within the subject area and the abandonment of the existing 8" water main and 15" x 20" sewer within Third Avenue are done under DWSD permit, and 2) petitioner relocate the existing 15" x 20" sewer in the subject alley at its sole cost and expense pursuant to plans approved by DWSD and provide necessary easement(s), 3) DWSD has no objections to the conversion to easement of Henry St. between W. Grand River and Second Ave., provided that a full width easement is retained for water main and sewer system. Also, provided that before any construction takes place within Henry St., plans are submitted to DWSD for review and approval. All sewer alteration work is to be at petitioners expense and at no cost to DWSD.

Comcast Cablevision (Comcast) reports no objection to the proposed right-of-way changes provided that petitioner grant Comcast such easement as is necessary to accommodate its utilities in the subject area of Third Avenue.

The City of Detroit Department of Public Lighting (PLD) reports (7) seven underground fed streetlights in Third and Henry Street(s). The cost of removing seven underground fed lighting units is estimated at \$8,000.00; billing will be for actual expenses incurred. An alternative would be for the petitioner to keep the lights in operation by executing a "service agreement" for monthly energy charges with PLD. Also, PLD requires 24hr. access to the area by PLD crews and heavy vehicles for the maintenance of the installations.

The Traffic Engineering Division — DPW, reports no objections to the proposed right-of-way changes, provided that 1) petitioner obtains a variance for the sidewalk clearance requirement for the encroachments, 2) petitioner obtain Michigan Department of Transportation approval for all encroachments along the subject area of Grand River Avenue, 3) petitioner enter into an indemnification agreement with the City regarding the subject encroachments, and 4) petitioner grant to any owner of land abutting the alley in the block bounded by Fourth, Third, W. Grand River and Ledyard full width access.

All other City departments and privately owned utility companies reported no objections to the proposed right-of-way changes or that satisfactory arrangements have been made. Provisions protecting certain utility installations (if necessary) are part of the resolution.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,

City Engineer

City Engineering Division — DPW  
By Council Member Bates:

Whereas, Previously Detroit City Council adopted a resolution on October 30, 2002; J.C.C. Pages 3380-82 approving the outright vacation of the public alleys in the block bounded by Third, Second, Henry and Ledyard as a part of Phase One, and

Whereas, This part of Petition No. 4231 of the Detroit Public Schools (DPS), c/o Floyd E. Allen & Associates requests to 1) vacate (outright) Third Avenue, 70 feet wide, between Ledyard Street, 100 feet wide and Henry Street, 100 feet wide 2) convert to utility easement said Henry Street between Second Boulevard, 100 feet wide and West Grand River Avenue, 100 feet wide, to an easement, 3) vacate (outright) a portion of the alley between Third and Fourth Avenues and

Ledyard and Henry Streets, within the Phase Two area, therefore be it

Resolved, All that part of Third Avenue, 70 feet wide, between Ledyard Street, 100 feet wide and Henry Street, 100 feet wide, described as lying Westerly of and abutting the West line of Lots 1 through 9, both inclusive, Block 80 "Plat of the Subdivision Block 79 & 80 of the Cass Farm" City of Detroit, Wayne County, Michigan as recorded in Liber 1, Page 92 and 93, Plats, Wayne County Records; and lying Easterly of and abutting the East line of Lots 1, 2, 3, 14, 15, 16, 17, 20, 21, 24, 25 and 28, Block 70 "Plat of the Subdivision of part of the Jones Farm, north of Grand River Ave.", City of Detroit, Wayne County, Michigan as recorded in Liber 6, Page 7, Plats, Wayne County Records; ALSO, that part of the public alley, 20 feet wide, in the block bounded by Fourth Avenue, Third Avenue, Ledyard Street and W. Grand River Avenue, described as lying Southwesterly of the Southwesterly line of Lots 14, 15, and the Southerly 33.25 feet of Lot 16 and lying Northeasterly of the Northeasterly line of the North 14.99 feet of Lot 3, Lots 4-11, both inclusive, and the South 6.81 feet of Lot 12 of said Block 70 "Plat of the Subdivision of part of the Jones Farm, north of Grand River Ave.", City of Detroit, Wayne County, Michigan as recorded in Liber 6, Page 7, Plats, Wayne County Records;

Be and the same hereby vacated as public rights-of-way to become part and parcel of the abutting property;

Provided, That the petitioner enter into a contract with MichCon for the relocation of its utilities within said Third Avenue and the subject alley, and grant MichCon such easement(s) as are required for same. The estimated cost of the work is \$14,410.00, payable to Michigan Consolidated Gas Company. MichCon will schedule the work after the agreement letter, payment, and easement agreement(s) have been received; and further

Provided, That the petitioner makes satisfactory arrangements with DTE Energy for the \$554,000.00 estimated costs of removing and/or rerouting its utilities in the project area; and further

Provided, That the petitioner owns all properties within the subject area; and further

Provided, That the petitioner shall design and construct proposed lateral sewer and make the connections to the public sewers as required by the Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed buildings; and further

Provided, That the plans for the lateral sewers shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed lateral sewers and to issue per-

mits for the construction of the lateral sewers; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the lateral sewer construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the lateral sewers; and further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

Provided, That upon satisfactory completion of the lateral sewer construction it shall be City property and become part of the City system; and further

Provided, That the petitioner grants Comcast Cablevision an easement necessary to accommodate its utilities within Third Avenue; and further

Provided, That the petitioner makes satisfactory arrangements with the Public Lighting Department (PLD) for the relocation of (7) seven underground fed street-lights in Third and Henry Street(s). The cost of removing seven underground fed lighting units is estimated at \$8,000.00; billing will be for actual expenses incurred. An alternative would be for the petitioner to keep the lights in operation by executing a "service agreement" for monthly energy charges with PLD. Also, PLD requires 24 hr. access to the area by PLD crews and heavy vehicles for the maintenance of the installations; also

Resolved, All that part of Henry Street, 100 feet wide, between W. Grand River Avenue, 100 feet wide and Second Street, 100 feet wide and Second Street, 100 feet wide, lying Southerly of and abutting the South line of Lot 1 Block 70 "Plat of the Subdivision of part of the Jones Farm, north of Grand River Ave.", City of Detroit, Wayne County, Michigan as recorded in Liber 6, Page 7, Plats, Wayne County Records; and Lot 1, Lots 18-25, both inclusive, Block 80 "Plat of the Subdivision Block 79 & 80 of the Cass Farm" City of Detroit, Wayne County, Michigan as recorded in Liber 1, Page 92 and 93, Plats, Wayne County Records; also, lying Northerly of and abutting the Northeasterly line of Lots 1-4, both inclusive, the North line of Lot 5 and the Southwesterly line of said Lot 1 "Plat of the Subdivision of Lot No. 10 Block 78 Cass Farm, north of Grand River" City of

Detroit, Wayne County, Michigan as recorded in Liber 1, Page 298, Deeds, Wayne County Records; also, lying Northerly of and abutting the North line of Lots 11-18, both inclusive, Block 78, "Plat of the Subdivision of part of the Cass Farm, north of Grand River", City of Detroit, Wayne County, Michigan as recorded in Liber 1, Page 74, Plats, Wayne County Records;

Be and the same is hereby vacated as a public street and is hereby converted into a private easement for public utilities of the full width of the street, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said street and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easements, without prior approval from all public and private utility companies (call MISS DIG) nor change of surface grade made, without prior approval of the City

Engineering Division — DPW.

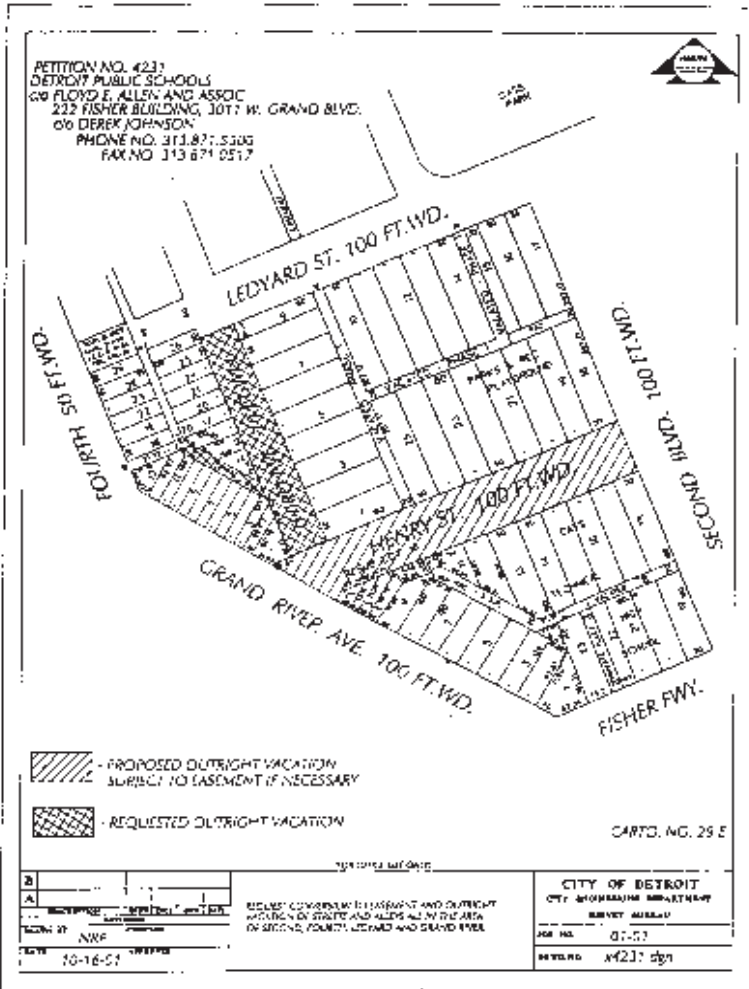

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners.

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event

said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That if it becomes necessary to remove the paved return at the entrances (into W. Grand River and Second Street), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW and/or Michigan Department of Transportation along W. Grand River Avenue, to their specifications with all costs borne by the abutting owner(s), their heir or assigns; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this

resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 682 — Shirley Zimberg et. al., requesting conversion of alley to easement in the area of James Couzens, Hartwell and Curtis.

Petition No. 682 of "Shirley Zimberg et. al.", request conversion of the North-South public alley, 18 feet wide, in the block bounded by James Couzens Service Drive, Curtis Avenue, 66 feet wide, Pickford Avenue, 50 feet wide, Snowden Avenue, 60 feet wide, and Hartwell Avenue, 60 feet wide into a private easement for public utilities.

The request was approved by the Solid Waste Division-DPW, and the Traffic Engineering Division-DPW. The petition was referred to the City Engineering Division-DPW for investigation (utility review) and report. This is our report.

If the petitioner at any time plans to discontinue use of the paved alley entrance (into Hartwell Avenue), the petitioner shall pay all incidental removal cost.

All other city departments and private utility companies have reported no objection to the conversion of public right-of-way into private easement for utilities.

Provisions protecting utility installations are part of this resolution.

Honorable City Council:  
Re: Petition No. 1933 — Delta Environmental Consultants Inc., requesting to install and maintain encroachment of (4) monitoring wells in the open public alley behind 1830 East Eight Mile Road, a Amoco Service Station.  
Petition No. 1933 of "Delta Environ-

mental Consultants Inc.", requests permission to install and maintain four (4) monitoring wells within the Easterly portion of East-West open public alley, 20 feet wide, behind 1830 East Eight Mile Road, a Amoco Service Station. The purchase of the bored wells is to monitor the existence or extent of soil contamination.

The encroachment petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

Soil borings and monitoring wells installations are equivalent to an "open cut" in a public street or alley. Necessary permits will have to be obtained for any street or alley opening, backfill, or occupancy of the City rights-of-way to install monitoring wells.

The Water and Sewage Department (DWSD) will require a minimum vertical

clearance of one foot, and a minimum horizontal clearance of three and one half feet between DWSD sewers, drains, water mains, fire hydrants, catch basins, sewer and water manholes (and any other DWSD facility) and the proposed monitoring wells.

All other city departments and privately-owned utility companies have requested that the petitioner make use of the "MISS DIG" facilities before any soil borings or permanent monitoring wells are installed in the public (street or alley) rights-of-way. Should damages to the utilities occur the petitioner shall be liable for all claims and damages to the encroaching installations.

Finally, the City Engineering Division — DPW will require "Delta Environmental Consultants Inc." to submit certified "as-built" drawings, a map and survey showing exact location of the petitioner's completed permanent monitoring well installations within the public rights-of-way.

An appropriate resolution, granting the encroachments, is attached for consideration by your Honorable Body.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineer

City Engineering Division — DPW  
By Council Member K. Cockrel, Jr.:

Whereas, City Council has adopted a resolution (June 6, 1990 — J.C.C. Pgs. 1325-26) urging the Michigan Department of Natural Resources and Environmental Protection Agency ("MDNR") to investigate, inspect, and remedy all environmental problems in the City of Detroit to ensure public safety; also

Whereas, The State of Michigan requires that all-underground storage tanks shall be registered and inspected for leaks. Also, the "State" has mandated the replacement of leaking tanks including removal (and proper disposal) of contaminated soil; therefore be it

Resolved, The City Engineering Division — DPW is hereby authorized and directed to issue permits to "Delta Environmental Consultants, Inc." and/or "BP Products North America, Inc.", to install and maintain four (4) permanent monitoring wells encroaching within public rights-of-way for the purpose of detecting the presence of hazardous materials and/or soil contamination from leaking underground storage tanks; said public rights-of-way being nearby or adjoining property described as follows:

Lying within the East-West open public alley, 20 feet wide, South of East Eight Mile, 204 feet wide, and west of Dequindre Avenue, 66 feet. Wide, adjacent to Lots 97 through 104, both inclusive, of the "Assessors Base Line Superhighway Subdivision No. 2, a resubdivision of Lots 1 to 19 inclusive and part of Lot 20, 188 to 207 inclusive, 322 to

341 inclusive, 458 to 477 inclusive, 594 to 597 inclusive, and vacated alleys of Thomson Woods Subdivision of the East 1/2 of the N.E. 1/4 Section 1 T.1S., R.11E., City of Detroit, Wayne County, Michigan" as recorded in Liber 63 Page 68, Plats, Wayne County Records;

Encroachment(s) to consist of "permanently" (meaning more than thirty days, or other long-term duration) installed monitoring wells within public rights-of-way, nearby or adjacent to the above described property;

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the street, and at all time, DWSD, its agents or employees, shall have the right to enter upon the street to maintain, repair, alter service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing alteration, servicing or inspection by DWSD shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities which could normally be expected had the petitioner not encroached into the alley shall be borne by DWSD.

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system.

Provided, Construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner.

Provided, If DWSD facilities located within the street shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities.

Provided, The petitioner shall hold DWSD harmless for any damage to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities.

Provided, That if at any time in the future the petitioner shall request removal and/or relocation of DWSD's facilities in the alley being encroached upon the petitioner agrees to pay all costs for such removal and/or relocation.

Provided, That nothing in this resolution shall be construed as giving any authority, permission or grant to the permittee for any part of the encroaching monitoring wells to be placed upon the

surface or underground rights of privately-owned property. Enforcement of violations of fire safety regulations and buildings code is the responsibility of the Fire Marshal and Buildings and Safety Engineering Department. The petitioner shall apply to the Buildings and Safety Engineering Department for approval and permits to place any monitoring wells on privately owned property (if necessary); and further

Provided, It is the intention of this resolution to authorize the City Engineering Division — DPW (prior to the issuance of "encroachment" permits) to act in behalf of the city require the permit applicant to perform any reasonable task to protect public property interests including, but not limited to, the submission of engineering plans (containing construction details and distances from property lines) of each proposed encroaching monitoring wells. Also, the City Engineering Division — DPW may require the permit applicant to secure approval(s) of said plans from Wayne County, the State of Michigan, any city departments (including city commissions, authorities, corporations, councils, boards, contractors, and agencies whenever applicable) and/or utility companies are specifically enumerated in this resolution or not; and further

Provided, Said monitoring well encroachment(s) shall be installed and maintained under the rules and regulations of the City Engineering Division — DPW, the Fire Marshal and Buildings and Safety Engineering Department in accord with Detroit Code Section 50-1-9 and 10; and further

Provided, Whenever it becomes necessary to open-cut, drill, bore, jack, occupy or barricade public rights-of-way for construction of monitoring well installations, such work shall be according to detailed permit application drawings (to be submitted by the petitioner or their assigns, subject to city department review and stamp approvals) prior to any public right-of-way construction; and further

Provided, Said encroaching monitoring well installations shall be according to the specifications of the Detroit Water and Sewerage Department (DWSD), including the minimum vertical clearance of one foot, a minimum horizontal clearance of three and one half feet between DWSD sewers, drains, water mains, fire hydrants, catch basins, sewer and water manholes or shut-off (and any other DWSD facilities) and the proposed permanent monitoring well encroaching installations; and further

Provided, All costs for the construction, maintenance, permits and use of the encroaching monitoring wells shall be borne by the petitioner. Should damages to utilities occur, the petitioner shall be liable for all incidental repair costs and waives all claims for damages to the

encroaching installations; and further

Provided, If it becomes necessary to repair or replace the utilities located or to be located in the public rights-of-way, by the acceptance of this permission, the owners for themselves, their heirs or assigns, waive claims for any damages to the encroaching installations and agree to pay the cost incurred if their removal becomes necessary, and to restore the property affected to a condition satisfactory to the City Engineering Division — DPW at the owner's expense; and further

Provided, That any encroaching monitoring wells shall be installed and maintained with a secure frame and cover, so as to fit flush within the public sidewalk, berm, or pavement grade. All public rights-of-way shall be maintained safe and convenient for public travel. The petitioner shall be liable for all claims, damages, costs, demands, expenses, and cause of action of every kind and character arising in favor of any person, or other legal entity on account of personal injuries or death or damage to property caused by or claimed or alleged to have arisen out of failure to properly install and maintain any encroaching monitoring wells. The installation and maintenance of said encroachments shall comply with the rules and regulations of the City Engineering and Traffic Engineering Division(s) — DPW; and further

Provided, That the petitioner shall file with the Finance Department an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and faithful or unfaithful performance by the petitioner of the terms thereof. Further, the petitioner shall agree to pay all claims, damages, or expenses that may arise out of the maintenance of the proposed encroachments; and further

Provided, That said permittee shall be subject to any tax under the provision of the General Property Tax act, which may be levied against it pursuant to law; and further

Provided, That no other rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at the expense of the permittee at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to City Engineering Division — DPW at the permittee sole cost and expense; and further

Provided, That the petitioner shall apply to become a participating member of the "MISS DIG" organization (if necessary); and further

Provided, That said permits issued by

the City Engineering Division — DPW and/or the Buildings and Safety Engineering Department(s) are granted with the distinct understanding that in the event the City Charter, or Detroit Code(s), or ordinance(s), or resolution(s), or city policies (governing the placement of encroachments in the public rights-of-way) are amended to provide for levying thereafter, of fee, charge or rental, to be hereafter determined upon, for the occupancy of public streets, alleys or other public places, that the permittee will pay said fee, charge or rental provided for in said Charter, or Code(s), or ordinance(s), or resolution(s), or policies; also said permittee does hereby bind itself thereunto, and accept said permits on the conditions hereby imposed, and in the event said permittee shall contest the validity of said Charter, or Code(s), or ordinance(s), or

resolution, or policies of said fee, charge or rental, or upon refusal to pay same, these permits shall immediately become void; and further

#### RESOLUTION

By COUNCIL MEMBER WATSON:

WHEREAS, Exactly 50 years ago, on May 17, 1954, at 12:52 p.m., the U.S. Supreme Court issued its decision in the case of *Brown v. Board of Education* that outlawed segregated public education; and

WHEREAS, Educational opportunities for many children of color remain inferior, and woefully inadequate to prepare them for careers, or in many cases even menial, gainful employment; and

WHEREAS, Some education specialists have observed that one of the major impediments to quality education for Black students is the "tracking" of many of these children (even talented ones) into groups and "special education" programs intended for students who fail to perform at standard levels; and

WHEREAS, The failure to provide quality education to many young people of African descent results in their over-representation in the prisons, juvenile courtrooms, and unemployment lines; and

WHEREAS, The ongoing deprivation of quality education opportunities for children of African descent in effect perpetuates practices such as the proscription of basic education for the enslaved ancestors of these children; and

WHEREAS, Organizations that include: the Southern Christian Leadership Conference, National Coalition of Blacks for Reparations in America, National Conference of Black Lawyers, 21st Century Youth Leadership Movement, National Voting Rights Movement, and others have resolved to conduct a year-long series of public hearings across the country to determine whether conditions of academic inequality on the basis of

race that had their origins in the slave era, have been remedied to any significant degree; and

WHEREAS, Testimony collected at the hearings will be analyzed and used to prepare litigation to remedy or repair current policies and practices that maintain the extreme inequities in the treatment of African-descended students; and

WHEREAS, The hearings are also intended to educate and mobilize communities for a united demand for an end to unequal education;

NOW THEREFORE BE IT RESOLVED, That the City Council for the City of Detroit affirms the ongoing objective of providing the highest quality education for all children regardless of race, ethnicity or other factors; and

BE IT FURTHER RESOLVED, That to ensure the objectives of the *Brown v. Board of Education* decision are met, the City Council for the City of Detroit will facilitate where possible, hearings on race and education to be conducted in Detroit by concerned organizations.

Adopted as follows:

Yeas — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

**HERBERT C. SMITHERMAN, JR.  
M.D., M.P.H., F.A.C.P.**

By COUNCIL MEMBER K. COCKREL, JR.:

WHEREAS, Dr. Herbert C. Smitherman is the Associate Chairman of the Department of Community Medicine at the Detroit Medical Center and the Wayne State University School of Medicine. He is also Medical Director for the DMC/WSU Community Health Institute. He is a medical doctor and trailblazer who has positively affected countless low-income and

under-served citizens in Detroit through his exemplary clinic work, and

WHEREAS, Dr. Smitherman earned a doctor of medicine degree from the University of Cincinnati and a master's degree in health services administration from the University of Michigan. He has done research in health and economic issues related to under-represented people of color; his work has taken him to the Caribbean and Africa in consultation with political and medical leaders, and

WHEREAS, Dr. Smitherman is a giant of community medical outreach. He nurtured the Detroit Medical Center clinics that served the uninsured and under-insured for many years. He oversaw much-needed renovations to the buildings and recruited mostly African-American doctors who were committed to urban health care, and

WHEREAS, Detroit's health status is 40 percent worse than the rest of Michigan, and Dr. Smitherman is determined to improve the situation. However, due to budget constraints, the Detroit Medical Center's clinics are being sold to private physicians. Eleven doctors and many other members of Dr. Smitherman's staff were let go, and

WHEREAS, Dr. Smitherman is concerned about the future of health care for the indigent and under-served in Detroit. He even worked without a salary when his contract with the DMC was not renewed 16 months ago. Now, he is working to build a new network of mini-clinics in the city. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council hereby honors Dr. Herbert C. Smitherman Jr. for his Herculean efforts to improve health care in Detroit. We urge him to continue to be a freedom fighter for the health of our citizens.

Re: Frances Rucker vs. City of Detroit.  
 36th District Court Case No.: 00-132301 GC. Law Department File  
 No.: 41000-8331.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Twenty Thousand Dollars and Fifty Cents (\$20,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Twenty Thousand Dollars (\$20,000.00) and that your Honorable Body direct the Finance Director to issue a draft made payable to Marc L. Shreeman & Associates, P.C., attorneys and Frances Rucker, in the amount of Twenty Thousand Dollars (\$20,000.00) to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 00-132302 GC, approved by the Law Department.

This settlement was approved by the Board of Water Commissioners on April 28, 2004.

Case No. 03-5605-CE.  
A41000.001069.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Thirty-Six Thousand Seven Hundred Fifty Dollars and No Cents (\$36,750.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Thirty-Six Thousand Seven Hundred Fifty Dollars and No Cents (\$36,750.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Ball & Ball, LLP, attor-

neys, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit Nos. 03-2793 CE and 03-5605-CE approved by the Law Department.

Honorable City Council:

Re: 2546 Electric. Emergency Demolition.

The building at the above location was recently found to be extensively fire damaged and structurally unsafe.

Our records indicate that this is the initial complaint for this location.

It is our opinion that there is an actual and immediate danger affecting the

health, safety and welfare of the public. Therefore, under the authority of Ordinance 290-H, we are taking emergency measures to have this building or portions thereof removed with the cost assessed against the property.

By copy of this letter, we will notify all utility companies to immediately start utility disconnects.

Respectfully submitted,

Honorable City Council:  
Re: Address: 4533 Allendale. Name: LaTonya N. Turner. Date ordered removed: February 4, 2004 (J.C.C. p. ).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 22, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 20, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

Honorable City Council:

Re: 3637-9 Medbury. January 16, 2002 (J.C.C. pp. 194-6).

Pursuant to this deferral request we provide the following information:

The above referenced building first came into our Dangerous Building inventory via a complaint filed August 24, 1999. It first came before your Honorable Body on July 23, 2001 and was withdrawn. It came before your Honorable Body for a second time on January 14, 2002 and

was ordered demolished. Your Honorable Body granted a deferral of this demolition order on April 30, 2003. A permit for general repairs was secured May 30, 2003 and subsequently cancelled for "Lack of Progress". On November 19, 2003 we notified your Honorable Body that we were proceeding with the demolition as originally ordered, for failure to maintain the conditions of the deferral. We have also incurred the expense of barricading this building to maintain it in a safe condition until we can proceed with the ordered demolition. There has been absolutely no improvement of the conditions of this building or progress toward renovation since the original complaint in August of 1999.

We, therefore, recommend that your Honorable Body deny this request, for a second deferral, and we shall continue to proceed with demolition as originally ordered.

Honorable City Council:

Re: Subpoena to Brenda Braceful and Request for Sheryl Robinson to appear and produce documents related to the Department of Justice and City of Detroit Consent Judgments.

Pursuant to this Honorable Body's request to the Research and Analysis Division (RAD) to arrange for the appearance and testimony of Sheryl Robinson, the Independent Monitor for the Consent Judgments and to prepare a subpoena for Brenda Braceful, the Deputy Assistant Corporation Counsel commanding her to appear before the City Council on this same matter, are attached subpoena and letter.

See attached proposed resolution authorizing the issuance of a subpoena for your approval. RAD can finalize the

subpoena and related documents upon receiving a date and time that the Honorable Body wants to schedule her appearance for testimony.

Per telephone conversation with Ms. Robinson on May 12, 2004, see the attached letter to Judge Julian Cook, Jr., which she said was needed. She indicated that she would respond to the court's direction.

Respectfully submitted,  
DAVID WHITAKER  
Interim Director  
PAMELA OSBORNE

By Council Member Bates:

Whereas, On July 18, 2003, the United States District Court, Eastern District of Michigan, Southern Division the (Case number 03-72258) entered two Consent Judgments (The Use of Force and Arrest and Witness Detention Consent Judgment and the Conditions of Confinement Consent Judgment) between the City of Detroit and the United States Department of Justice; and

Whereas, On July 23, 2003, the Court appointed Sheryl Robinson, with the assistance of Kroll, Inc., as Independent Monitor in this matter; and

Whereas, The Independent Monitor has issued two quarterly reports dated January 20, 2004 and April 15, 2004; and

Whereas, The April 15, 2004 report indicated that while some progress has been made by the City of Detroit, there are other major concerns remaining by the Monitor as listed below:

A. Failure to develop and issue effective policies that adhere to the Consent Judgments

B. Outstanding unresolved interpretation and/or implementation issues

C. Ability to meet court-mandated deadlines which require substantial financial resources, to which the City will need to comply with as stated in a large number of Conditions of Confinement Consent Judgment paragraphs that deal with physical remediation efforts

D. Unacceptable physical conditions of the holding cells in the Third and Fourth Precincts which require that the Detroit Police Department make an immediate decision as to whether to shut down the facilities immediately or upgrade these short term facilities; and

Whereas, The City of Detroit Corporation Counsel, through the Deputy Corporation Counsel had requested a closed session with the City Council to discuss this matter; and

Whereas, After several weeks of effort to find a date and time acceptable to the availability of the Deputy Corporation Counsel to appear at the closed session; and

Whereas, The Deputy Corporation Counsel agreed to meet at 9:00 A.M., on May 12, 2004; and

Whereas, Deputy Corporation Counsel, without advanced notice, communication or explanation, simply did not attend the scheduled closed session, but instead, sent a subordinate who was unresponsive to the City Council's relevant inquiry on the central issues for which the closed session had been called; and

Whereas, The City Council under the City Code Section 4-101. City Council. "The city council is the legislative body. It has the powers and duties by law or this Charter"; and

Whereas, The City Council must have adequate facts and information concerning how the City plans to fund the Consent Judgments within the timeframes set forth in Consent Judgments; and

Whereas, The Deputy Corporation Council has an obligation to appear and provide information concerning the City's plans to meet the requirements of the Consent Judgments pursuant to Detroit City Code, Section 4-110. Investigative Powers. "The city council may subpoena witnesses, administer oaths, take testimony and require the production of evidence in any manner pending before it or its committees."

Now Therefore Be It Resolved That we, the Detroit City Council, authorize the attached subpoena to be issued to Brenda Braceful, Deputy Corporation Council, and that she complies with the said subpoena to appear before the City Council with said requested documents.

Re: Request Approval to Accept a Grant Award for the Detroit Police Training Bureau from the Michigan Commission on Law Enforcement Standards (MCOLES).

This correspondence provides a brief synopsis of a grant from the Michigan Commission on Law Enforcement Standards (MCOLES) which requires your approval for acceptance.

MCOLES has awarded the Training Bureau of the Detroit Police Department a grant for **\$16,642.00 (with no cash match)**. The grant is entitled **"Policing in the 21st Century."** Director Elsie L. Scott, of the Training Bureau, will serve as the Project Director.

The grant is designed to enhance the skills of police officers and assist them with the law enforcement challenges of the 21st Century. New criminal statutes, budget constraints, and escalating crime has forced law enforcement agencies to develop new crime fighting techniques and approaches. This grant will join police and city officials from the metropolitan Detroit area to engage in problem solving dialogue and to develop proactive crime fighting action plans.

The Board of Police Commissioners has approved this request. Therefore, it is respectfully requested that your Honorable Body adopt the attached resolution authorizing the City of Detroit to accept the MCOLES award.

As always, I am available at your convenience, should you have additional questions or concerns.

Respectfully submitted,

Honorable City Council:

Re: Proposed Ordinances to Amend the 1984 Detroit City Code by Amending Chapter 1, titled "General Provisions" and by adding Chapter 8.5, titled "Blight Violations."

On April 16, 2004, the Honorable Mayor Kwame Kilpatrick submitted two proposed ordinances to amend the 1984 Detroit City Code to this Honorable Body.

The first proposed ordinance amends Chapter 1 of the 1984 Detroit City Code, titled "General Provisions," by amending Section 1-1-9 to provide, in accordance with state law, that a violation of the City Code may be designated a blight violation subject to a civil monetary fine, and to authorize a City department or agency to designate public servants to issue and serve blight violation notices. The second proposed ordinance amends the 1984 Detroit City Code by adding Chapter 8.5, titled "Blight Violations," which shall consist of Article I, titled "In General," Article II, titled "Blight Violations," and Article III, titled "Administrative Hearings". These provisions will 1) provide for an administrative hearings bureau within the Department of Administrative Hearings to adjudicate City ordinance violations designated as blight violations, and 2) impose, in accordance with state law, civil fines, fees, costs and other sanctions for blight violations.

Pursuant to Section 4-115 of the City Charter, the above-referenced ordinances should be introduced by this Honorable Body and scheduled for a public hearing. I have attached a copy of the proposed ordinances for your consideration and introduction.

Should you desire additional information, please contact the Law Department.

Respectfully submitted,

 Corporation Counsel

By Council Member S. Cockrel:

**AN ORDINANCE to amend Chapter 1 of the 1984 Detroit City Code, titled "General Provisions," by amending Section 1-1-9 to provide, in accordance with state law, that a violation of the City Code may be designated a blight violation and be subject to a civil monetary fine, and to authorize a City department or agency to designate public servants to issue and serve blight violation notices.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 1 of the 1984 Detroit City Code be amended by amending Section 1-1-9, to read as follows:

**Sec. 1-1-9. General penalty, and municipal civil infractions, blight violations; continuing violations; denial, suspension, and revocation of licenses and permits; abatement of violations; issuance tickets, citations, complaints, and notices by public servants.**

(a) Whenever in this Code, or in any rule or regulation promulgated pursuant thereto, any act is prohibited or is made or declared to be unlawful or an offense, or whenever the doing of any act is required

or the failure to do any act is declared to be unlawful, where no specific penalty is provided therefor, any person upon conviction for the violation of any such provision of this Code, or any rule or regulation promulgated pursuant thereto, shall be punished by a fine not exceeding five hundred dollars (\$500.00) or by imprisonment not to exceed ninety (90) days, or by both such fine and imprisonment in the discretion of the court, for each such offense.

(b) Notwithstanding Subsection (a) of this section and in accordance with state law Chapter 87 of the Michigan Revised Judicature Act, being MCL 600.8701 et seq. and as specifically authorized by this Code, the City may determine that a violation of this Code, or any rule or regulation promulgated pursuant thereto, be decriminalized, cease to be a misdemeanor, and be deemed a municipal civil infraction that is subject to the assessment of a civil monetary fine.

(c) Notwithstanding Subsection (a) of this section and in accordance with Section 4I(4) of the Michigan Home Rule Cities Act, being MCL 117.4I(4), and as specifically authorized by this Code, the City may determine that a violation of this Code be decriminalized, cease to be a misdemeanor, and be designated a blight violation that is subject to the assessment of a civil monetary fine.

~~(d)~~ (d) Each day that any violation of any provision of this Code, or any rule or regulation promulgated pursuant thereto, continues shall constitute a separate offense.

~~(e)~~ (e) The ~~revocation or denial, suspension, or revocation~~ of a City license or City permit pursuant to this Code shall not bar the imposition of any penalty provided for in this section.

~~(f)~~ (f) In addition to penalties provided for in this section, the condition which constitutes a violation of this Code, or any rule or regulation promulgated pursuant thereto, may be abated by the City.

~~(g)~~ (g)(1) Where any City department or agency, that is specifically authorized by the Charter or by this Code to administer and enforce any provision of this Code, or any rule or regulation promulgated pursuant thereto, such City department or agency shall designate public servants employed by the City, who shall have concurrent authority with police officers, to enforce any provision of this Code, or any rule or regulation promulgated thereto, with respect to the particular class of offenses that the subject City department or agency is authorized to enforce.

(2) Any public servant employed by the City who is designated by a City department or agency to enforce any provision of this Code, or any rule or regulation promulgated thereto, is hereby specifically authorized to issue and serve

upon a person an appearance ticket, a citation, a complaint, or other written notice with respect to a particular class of offenses of less than felony grade # where the public servant has reasonable cause to believe that the person has committed an offense.

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** If any section, sentence, clause, phrase, or word of this ordinance is declared invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect any of the remaining sections, sentences, clauses, phrases, or words of this ordinance.

**Section 5.** In the event that this ordinance is passed by a two-thirds majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective no later than thirty (30) days after enactment, or on the first business day thereafter in accordance with Section 4-115 of the 1997 Detroit City Charter.

Approved as to form only:

BRENDA E. TRACEFUL

Deputy Corporation Counsel

Yeas — Council Members Bates, S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

By Council Member S. Cockrel:

**AN ORDINANCE to amend the 1984 Detroit City Code by adding Chapter 8.5, titled 'Blight Violations', which shall consist of Article I, titled 'In General', Section 8.5-1-1, Article II, titled 'Blight Violation Actions', consisting of Division 1, titled 'In General', Sections 8.5-2-1 to 8.5-2-3, and Division 2, titled 'Blight Violation Notices', Sections 8.5-2-11 to 8.5-2-19, and Article III, titled 'Administrative Hearings', consisting of Division 1, titled 'Hearings Department', Sections 8.5-3-1 to 8.5-3-6, and Division 2, titled 'Hearings Officers', Section 8.5-3-21 to Section 8.5-3-22, to provide, in accordance with state law, a bureau for administrative hearings to adjudicate City ordinance violations designated under the City Code as blight violations, to make determinations of responsibility for blight violations, and to impose civil fines, fees, costs, and other sanctions for blight violations.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** The 1984 Detroit City Code, be amended to add Chapter 8.5, titled 'Blight Violations', consisting of Article I, titled 'In General', Section 8.5-1-1, Article II, titled 'Blight Violation Actions', consisting of Division 1, titled 'In General', Sections 8.5-2-1 to 8.5-2-3, and Division 2, titled 'Blight Violation Notices', Sections 8.5-2-11 to 8.5-2-19, and Article III, titled 'Administrative Hearings', consisting of Division 1, titled 'Hearings Department', Sections 8.5-3-1 to 8.5-3-6, and Division 2, titled 'Hearings Officers', Section 8.5-3-21 to Section 8.5-3-22, to read as follows:

**CHAPTER 8.5 BLIGHT VIOLATIONS**

**ARTICLE I. IN GENERAL**

**Sec. 8.5-1-1. Definitions.**

For the purpose of this Chapter, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Authorized local official means a Detroit police officer, or other City of Detroit employee or agent, who is authorized to issue blight violations in accordance with this Chapter and the provisions of this Code that are designated as blight violations.

Blight violation means any unlawful act, or any omission or failure to act, which is designated by this Code as a blight violation pursuant to Section 4(2) of the Michigan Home Rule Cities Act, being MCL 117.4(2).

Blight violation determination means a determination that i) an alleged violator is responsible for one (i) or more blight violations as a result of the admission of responsibility for the allegation(s) in a

blight violation notice, or ii) after an administrative hearing that a person is or is not responsible for one (1) or more blight violations, or iii) as a result of a decision and order of default for failing to appear as directed by the blight violation notice, or other notice regarding one (1) or more blight violations, at a scheduled appearance at the Department in accordance with Section 4q(8)(c) of the Michigan Home Rule Cities Act, being MCL 117.4q(8)(c).

*Blight violation notice* means a written violation notice prepared by an authorized local official which directs an alleged violator i) to pay the civil fine(s) specified in the notice, including any required fees or costs, for one (1) or more blight violations in accordance with the fines, fees, or costs specified in this Code and ii) to appear at the Department regarding the occurrence or existence of one (1) or more blight violations pursuant to Section 4q(8) of the Michigan Home Rule Cities Act, being MCL 117.4q(8).

*Blight violation proceeding* means an administrative process that results in a blight violation determination.

*Bureau* means the City of Detroit Department of Administrative Hearings.

*City* means the City of Detroit.

*Code* means the 1984 Detroit City Code.

*Department* means the City of Detroit Department of Administrative Hearings.

*Emergency* means any situation that reasonably constitutes a threat to the public interest, safety, or welfare.

*Final decision and order* means a final decision by an administrative hearings officer that a blight violation does or does not exist and constitutes a judgment for purposes of judicial review which may be enforced in the same manner as a judgment entered by a court of competent jurisdiction.

*Repeat offense* means a second, or any subsequent, blight violation determination regarding a blight violation notice that is made within a one (1) calendar year for the same blight violation, except for a determination by an administrative hearings officer that a person is not responsible for a blight violation.

*Violator* means a person who is responsible for a blight violation.

**Secs. 8.5-1-2 — 8.5-1-10. Reserved.**

**ARTICLE II. BLIGHT VIOLATION ACTIONS**

**DIVISION 1. IN GENERAL**

**Sec. 8.5-2-1. Violation of certain provisions of the City Code designated as a blight violation.**

(a) In accordance with Section 4l(4) of the Michigan Home Rule Cities Act, being MCL 117.4l(4), the City has determined that certain violations of this Code, as are specifically delineated, shall be designated as blight violations.

(b) Notwithstanding any other provision in this Code, a person who violates a provision of this Code that is designated as a blight violation is responsible for a blight violation.

(c) Each day that a violation of this Code which has been designated as a blight violation continues shall constitute a separate blight violation.

**Sec. 8.5-2-2. Civil fines for blight violations.**

(a) Civil fines for blight violations shall be established in the substantive City ordinance that contains the blight violation by the enforcing City department and be subject to the approval of City Council.

(b) A civil fine paid within a certain time period may be decreased by an amount, or by a percentage, as specified in the substantive City ordinance that contains the blight violation.

(c) A civil fine not paid within a required time period, or a civil fine for a repeat offense, may be increased by an amount, or by a percentage, as specified in the substantive City ordinance that contains the blight violation.

(d) In accordance with Section 4q(3) of the Michigan Home Rule Cities Act, being MCL 117.4q(3), the civil fine for any blight violation which is delineated in this Code may not exceed ten thousand dollars (\$10,000).

(e) Each day that a blight violation continues shall constitute a separate violation and, upon a blight violation determination, the violator shall be subject to a civil fine for each violation.

**Sec. 8.5-2-3. Schedule of civil fines for blight violation notices: payment.**

(a) The director of the enforcing City department shall forward a copy of any ordinance that establishes fines for one (1) or more blight violations to the Department prior to the date of publication of the ordinance.

(b) In accordance with the fines specified in this Code, the Director of the Department shall compile a schedule of civil fines for blight violations, which shall be made available by the Department.

(c) The schedule of civil fines shall be posted at the Department.

(d) The payment of a civil fine for one (1) or more blight violations, and any required fees and costs, may be made in cash, or through the use of a check or a money order that shall be made payable to "Treasurer, City of Detroit."

**Secs. 8.5-2-4 — 8.5-2-10. Reserved.**

**DIVISION 2. BLIGHT VIOLATION NOTICES**

**Sec. 8.5-2-11. Authorization to issue blight violation notices.**

A City employee who is designated pursuant to this Code is hereby deemed to be an authorized local official to issue a blight violation notice that directs an

alleged violator to appear at the Department.

**Sec. 8.5-2-12. Contents of a blight violation notice.**

A blight violation notice shall contain:

(1) The name and address of the alleged violator;

(2) The address of the Department where the alleged violator shall appear at as a result of the blight violation notice;

(3) The telephone number of the Department;

(4) The hours that the Department is open;

(5) The date and time by which the appearance shall be made;

(6) The blight violation(s) alleged and the action(s) to be taken to abate the violation(s);

(7) The maximum amount of the civil fine(s) that are scheduled for the alleged violation(s);

(8) The consequences for failure to appear, or to admit responsibility, or to pay the scheduled civil fine within the required time;

(9) A notice to inform the alleged violator that he or she may do one (1) of the following regarding the blight violation notice:

a. Before or by the date and the time specified for appearance, admit responsibility for the blight violation(s) by mail, or in person, or by representation; or

b. Admit responsibility with explanation or deny responsibility for the blight violation(s) by appearance at the Department on the hearing date that is contained on the blight violation notice;

(10) A warning in boldfaced type that the failure of the alleged violator to appear within the time specified on the blight violation notice may result in entry of decision and order of default; and

(11) Any applicable fees imposed by law or rule.

**Sec. 8.5-2-13. Commencement of blight violation proceeding.**

A blight violation proceeding may be commenced by an authorized local official for violation of one (1) or more provisions of this Code designated as a blight violation upon the issuance of a blight violation notice that directs the alleged violator to appear at the Department.

**Sec. 8.5-2-14. Issuance of a blight violation notice.**

(a) Each blight violation shall be issued only by an authorized local official as follows:

(1) An authorized local official may issue a violation notice to a person where:

a. The violation has occurred in the presence of the authorized local official and the violation notice contains the following statement immediately above the date and signature of the official: "I declare under the penalties of perjury that the statements above are true to the best

of my information, knowledge, and belief."; or

b. Based upon investigation of a complaint by someone who allegedly witnessed the person commit a blight violation, the authorized local official has reasonable cause to believe that the person is responsible for a blight violation and the Corporation Counsel, or a designated assistant corporation counsel, provides written approval for issuance of the blight violation notice;

(2) A blight violation notice that is signed by an authorized local official shall be deemed to be made under oath where the violation(s) alleged in the blight violation notice occurred in the presence of such official and the blight violation notice contains the following statement immediately above the date and signature of the official: "I declare under the penalties of perjury that the statements above are true to the best of my information, knowledge, and belief";

(3) An authorized local official who witnesses a person commit a blight violation shall prepare and subscribe, as soon and as completely as possible, the requisite blight violation notice;

(4) The date and time for appearance contained within a blight violation notice shall be within the requisite period after issuance as specified by the rules and regulations adopted by the Department in accordance with Section 2-111 of the 1997 Detroit City Charter, provided, that the hearings shall not be scheduled earlier than fourteen (14) days after the service of the blight violation notice on the violator, unless one (1) or more blight violation(s) constitutes an emergency as defined in Section 8.5-1-1 of this Code; and

(5) The date of appearance shall be the date of the hearing and shall be noted on the blight violation notice.

(b) Where a landlord has registered a rental property in accordance with the City's rental inspection program in order to rent premises for residential purposes, the City shall not issue a blight violation notice during, or as a result of, an inspection of the registered rental premises unless either of the following occurs:

(1) The landlord is given a written correction notice for the blight violation(s) and a reasonable opportunity to correct the circumstances before a reinspection of the premises or a date specified in the notice; or

(2) The violation is a direct result of the landlord's action or inaction and creates an emergency, as defined in Section 8.5-1-1 of this Code, that presents an immediate risk of harm to people or damage to property including, but not limited to, a flooded basement or premises without heat.

**Sec. 8.5-2-15. Service of blight violation notice.**

Each blight violation notice shall be served by an authorized local official as follows:

(1) Except as provided for in Subsection 2 of this section.

a. By personally serving a blight violation notice upon the alleged violator; or

b. By sending a blight violation notice by certified mail, return receipt requested, and delivery restricted to the addressee. Service is made when the violator acknowledges receipt of the mail. A copy of the return receipt signed by the violator must be filed with the Department by the enforcing department in accordance with the rules and procedures adopted under Section 2-111 of the 1997 Detroit City Charter.

(2) Where the blight violation notice involves the use or occupancy of land or of a building or other structure, the blight violation notice may be served upon the owner or occupant of the land, building, or structure:

a. By posting a blight violation notice on the land or by attaching a blight violation notice to the building or structure; and

b. By sending a blight violation notice by first class mail to the owner of the land, building, or structure at his or her last known address.

**Sec. 8.5-2-16. Admission of responsibility with explanation, or denial of responsibility, for blight violation notice.**

In the event that an alleged violator desires to admit responsibility "with explanation," or denies responsibility, the violator must appear at the Department on the date indicated on the blight violation notice. On such date, the Department shall conduct an administrative hearing pursuant to this Chapter and in accordance with its rules of procedure.

**Sec. 8.5-2-17. Failure to appear for blight violation notice.**

In the event that an alleged violator fails to appear or admit responsibility by mail at the Department by the date cited on the blight violation notice issued by an authorized local official, the Department shall issue a decision and order of default in accordance with its rules and procedures.

**Sec. 8.5-2-18. Enforcement of final decisions and orders; collection of defaults in payment for blight violation notices; attachment, garnishment, and writs of execution.**

In accordance with Section 4r(7) of the Michigan Home Rule Cities Act, being MCL 117.4r(7), where a violator defaults in the payment of a civil fine, fee, costs, or sanctions ordered by the Department regarding a blight violation notice brought by the City for a violation of this Code, the City may collect the fine, fee, costs, or sanctions by the means authorized for the enforcement of a final decision and order or judgment under Chapter 40 of the

Michigan Revised Judicature Act, being MCL 600.4001 *et seq.*, including attachment or garnishment, or Chapter 60 of the Michigan Revised Judicature Act, being MCL 600.6001 *et seq.*, including the issuance of writs of execution.

**Sec. 8.5-2-19. Blight violation notice involving land, buildings, or structures; failure to pay civil fines; liens; notice of liens; enforcement and discharge; priority; action for collection of civil fines; period of lien.**

(a) In accordance with Section 4r(1) of the Michigan Home Rule Cities Act, being MCL 117.4r(1), where a violator fails to pay a civil fine, fee, costs, or sanctions ordered by a hearings officer regarding a blight violation notice brought by the City for one (1) or more violations concerning the use or occupation of land or a building or other structure, the City may obtain a lien against the land, building, or structure by recording a copy of the final decision and order with the County of Wayne Register of Deeds.

(b) In accordance with Section 4r(2) through (6) of the Michigan Home Rule Cities Act, being MCL 117.4r(2) through (6):

(1) The final decision and order shall not be recorded unless a legal description of the property is incorporated into, or attached to, the final decision and order;

(2) The lien is immediately effective upon the recording of the final decision and order with the County of Wayne Register of Deeds;

(3) The final decision and order that is recorded with the County of Wayne Register of Deeds shall constitute notice of the pendency of the lien;

(4) The City shall send written notice of the lien by first class mail to the owner of record of the land, of the building, or of the structure at his or her last known address;

(5) The lien may be enforced and discharged by the City in a manner prescribed by the 1997 Detroit City Charter, by this Code, and by the Michigan General Property Tax Act, being MCL 211.1 through MCL 211.157, with the exception that such property is not subject to forfeiture, foreclosure, or sale under Sections 78 to 79a of the Act, being MCL 211.78 to 211.79a, for nonpayment of a civil fine ordered by a hearings officer under this Chapter unless the property is also subject to forfeiture, foreclosure, and sale under Sections 78 to 79a of the Act, being MCL 211.78 to 211.79a, for delinquent property taxes;

(6) The lien has priority over any other lien unless one (1) or more of the following apply:

a. The other lien is a lien for taxes or for special assessments;

b. The other lien is created before May 1, 1994;

c. Federal law provides that the other lien has priority;

d. The other lien is recorded before the lien created under Chapter 87 of the Michigan Revised Judicature Act, being MCL 600.8731, is recorded.

(7) The lien shall not continue for more than ten (10) years after a copy of the court order imposing the civil fine is recorded unless an action to enforce the lien is commenced during the ten (10) year period; and

(8) An attempt by the City through commencement of an action in a court of competent jurisdiction to collect the civil fines, fees, costs, and sanctions imposed by a decision and order does not invalidate or waive the lien upon the land, the building, or the structure.

**ARTICLE III. ADMINISTRATIVE HEARINGS**

**DIVISION 1. HEARINGS DEPARTMENT**

**Sec. 8.5-3-1. Bureau established; name.**

(a) As authorized by Section 4q(1) of the Michigan Home Rule Cities Act, being MCL 117.4q(1), the City hereby establishes a bureau for administrative hearings.

(b) The name of the bureau for administrative hearings shall be the "City of Detroit Department of Administrative Hearings."

**Sec. 8.5-3-2. Jurisdiction of the Department.**

(a) Pursuant to Sections 4q(1) and 4q(11) of the Michigan Home Rule Cities Act, being MCL 117.4q(1) and MCL 117.4q(11), and Section 8313(2) of the Michigan Revised Judicature Act, being MCL 600.8313(2), the Department shall have jurisdiction:

(1) To hold adjudicatory hearings by hearings officers, who shall make blight violation determinations pursuant to blight violation notices issued under this Chapter;

(2) To accept admissions of responsibility for blight violation notices;

(3) To impose fines, costs, and other sanctions for violations of this Code designated as blight violations and impose reasonable and proportionate sanctions consistent with this Code and in accordance with Section 4q(11) of the Michigan Home Rule Cities Act, being MCL 117.4q(11) concerning blight violations;

(4) To collect fines, fees, and costs for blight violations as prescribed by this Code;

(5) To impose a justice assessment in the amount of ten dollars (\$10.00) for each blight violation determination pursuant to Section 4q(13) of the Michigan Home Rule Cities Act, being MCL 117.4q(13);

(6) To issue a final decision and order concerning whether one (1) or more blight violation exists, including any fines, fees,

costs, or other sanctions for the violation, in accordance with this Code, which shall constitute a final decision and order for purposes of judicial review and enforceable in the same manner as a judgment entered by a court of competent jurisdiction pursuant to Section 4q(16) of the Michigan Home Rule Cities Act, being MCL 117.4q(16); and

(7) To issue a final decision and order which may contain any action that, as a result of the blight violation, the violator must comply with under this Code.

(b) Pursuant to Section 4q(3) of the Michigan Home Rule Cities Act, being MCL 117.4q(3), the Department shall not have jurisdiction over criminal offenses, traffic civil infractions, municipal civil infractions or state civil infractions.

(c) Pursuant to Section 4q(3) of the Michigan Home Rule Cities Act, being MCL 117.4q(3), the Department and its hearings officers shall not have authority to impose a penalty of incarceration or a civil fine in excess of ten thousand dollars (\$10,000).

**Sec. 8.5-3-3. Employees.**

The Department may employ persons necessary to administer the Department.

**Sec. 8.5-3-4. Rules and procedures.**

In accordance with Section 2-111 of the 1997 Detroit City Charter, the Director of the Department shall adopt rules and procedures for the adjudication of blight violation notices, including rules and procedures to set aside the entry of a decision and order of default.

**Sec. 8.5-3-5. Fees.**

(a) The Department hearings officers shall be authorized to impose a justice system assessment in the amount of ten dollars (\$10.00) for each blight violation determination.

(b) The Director of the Department shall establish an administrative fee, subject to the approval of City Council, for the processing and adjudication of blight violation notices.

**Sec. 8.5-3-6. Equitable action not precluded by blight violation proceeding.**

The City shall not be precluded from bringing an equitable action against an alleged violator to restrain, to prevent, or to abate any violation of this Code.

**Secs. 8.5-3-7 — 8.5-3-20. Reserved.**

**DIVISION 2. HEARINGS OFFICERS**

**Sec. 8.5-3-21. Appointment; training, removal.**

(a) In accordance with the City Charter, the Mayor shall appoint hearings officers for the Department to conduct adjudicatory hearings and make determinations of responsibility under this Chapter.

(b) In accordance with Section 4q(11) of the Michigan Home Rule Cities Act, being MCL 117.4q(11), all hearings officers appointed under this section shall be

attorneys licensed to practice law in the State of Michigan for at least five (5) years and shall successfully complete a formal training program before conducting administrative adjudication proceedings.

(c) In accordance with Section 4q(11) of the Michigan Home Rule Cities Act, being MCL 117.4q(11), hearings officers shall only be removed for reasonable cause.

**Sec. 8.5-3-22. Authority and duty of hearings officers.**

(a) In accordance with Section 4q of the Michigan Home Rule Cities Act, being MCL 117.4q hearings officers shall be authorized to conduct administrative hearings and make determinations, pursuant to the issuance of a blight violation notice, and shall have the authority:

(1) To hear testimony and accept evidence that is relevant to the existence of a blight violation;

(2) To issue subpoenas directing witnesses to appear and give relevant testimony at the hearing, upon request of a party or a party's attorney;

(3) To preserve and authenticate the record of the hearing and all exhibits and evidence introduced at the hearing; and

(4) To take any other action related to the adjudication of a blight violation notice in accordance with this Chapter and as authorized by Section 4q of the Michigan Home Rule Cities Act, being MCL 117.4q.

(b) In accordance with Section 4q(11) of the Michigan Home Rule Cities Act, being MCL 117.4q(11), hearings officers shall be authorized, consistent with this Code, to impose reasonable and proportionate sanctions concerning blight violations.

(c) In accordance with Section 4q(16) of the Michigan Home Rule Cities Act, being MCL 117.4q(16), hearings officers shall be authorized to issue final decisions concerning whether a blight violation exists which shall constitute final decisions and orders for purposes of judicial review, and shall be enforceable in the same manner as a judgment entered by a court of competent jurisdiction.

(d) Hearings officers shall be authorized to issue orders consistent with the Department's rules and procedures that are adopted pursuant to Section 2-111 of the 1997 Detroit City Charter.

**Secs. 8.5-3-23 — 8.5-3-30. Reserved.**

**Section 2.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** If any section, sentence, clause, phrase, or word of this ordinance is declared invalid or unconstitutional by a court of competent jurisdiction, such invalidity or unconstitutionality shall not affect

any of the remaining sections, sentences, clauses, phrases, or words of this ordinance.

**Section 5.** In the event that this ordinance is passed by a two-thirds majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective no later than thirty (30) days after enactment, or on the first business day thereafter in accordance with Section 4-115 of the 1997 Detroit City Charter.

Honorable City Council:

Re: Estate of Delvitise Julious Hawkins, by his Personal Representative, Deborah Hawkins, and Deborah Hawkins, Individually v Detroit Police Officer Kevin Treasvant and the City of Detroit. Case No. 00-02722 CZ. File No. A37000-002701 (JWM).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiffs, that your Honorable Body direct the Finance Director to issue a draft payable to Estate of Delvitise Julious Hawkins, by his Personal Representative, Deborah Hawkins, and their attorneys, Thruswell Law Firm, P.L.L.C., in the amount the City is to pay the Plaintiffs pursuant to the arbitrators' decision, but said draft shall not exceed Two Hundred Fifty Thousand Dollars (\$250,000.00).

By Council Member Collins:

Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Estate of Delvitise Julious Hawkins, by his Personal

Representative, Deborah Hawkins, and Deborah Hawkins, Individually v Detroit Police Officer Kevin Treasvant and the City of Detroit, Wayne County Circuit Court Case No. 00-027226 CZ, on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matter in controversy raised in the above-named lawsuit.

2. The maximum amount of any award to the Plaintiffs shall not exceed the amount of Two Hundred Fifty Thousand Dollars (\$250,000.00).

3. Any award in excess of \$250,000.00 shall be interpreted to be in the amount of \$250,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiffs for any and all claims arising out of the incident which occurred on or about September 17, 1998 at or near 14000 Block of Troester, Detroit, Michigan; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City of pay part or all \$250,000.00 to the Plaintiffs, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Estate of Delvitise Julious Hawkins, by his Personal Representative, Deborah Hawkins, and Deborah Hawkins, Individually and their attorneys, Thruswell Law Firm, P.L.L.C., in the amount of the arbitrators' award, but said draft shall not exceed Two Hundred Fifty Thousand Dollars (\$250,000.00).

Honorable City Council:

Re: The Estate of Michael Lee Davis II, by his Co-Personal Representatives, Michael Lee Davis, Sr., and Lou Donna Mack vs. P.O. Rydell Smith. Case No. 02 202 621. File No.: A37000.003523 (PLC).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Three Hundred Thirty Seven Thousand Five Hundred Dollars and No Cents (\$337,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Three

Hundred Thirty Seven Thousand Five Hundred Dollars and No Cents (\$337,500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to The Thurswell Law Firm, attorneys, and The Estate of Michael Lee Davis II, by His Co-Personal Representatives, Michael L. Davis, Sr., and Lou Donna Mack, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 02 202 621, approved by the Law Department.

Honorable City Council:  
 Re: Petition Number 1949 — Request for City Council Approval for the Issuance of a New Michigan Liquor Control Commission Dance-Entertainment Permit to Liquids, Inc. at 1995 Woodbridge.

Section 916(6) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance or entertainment permit, or a combination dance-entertainment permit, a location licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of (1) the chief law enforcement officer, and (2) the legislative body of the municipality within which the premises are located.

Pursuant to this requirement, the MLCC has forwarded a Local Approval Notice (Request ID Number 223724) to the Detroit City Council, which has been designated by the City Clerk as Petition Number 1949. The petition requests City Council approval or disapproval of the issuance of new MLCC dance-entertainment permit in conjunction with the transfer of ownership of a Class C liquor license, located in escrow at 18098 Mt. Elliott in Detroit, from SL Management, Inc., to Liquids, Inc, for an establishment at 1995 Woodbridge.

The Consumer Affairs Business License Center reports that Liquids, Inc. and the business location are in compliance with all of the applicable provisions of the 1984 Detroit City Code for the issuance of a Group 'A' cabaret City business license. Pursuant to Section 5-7-1 of the 1984 Detroit City Code, a Group 'A' cabaret means an establishment open to the public which sells or serves alcoholic beverages with or without food, and either allows dancing with or without live entertainment, or provides three (3) or more live entertainers at one time with or without dancing. Section 5-7-13 of the City Code prohibits a Group 'A' cabaret from permitting topless adult entertainers at the location. Therefore, upon this Body's approval of the request for the issuance of

an MLCC dance-entertainment permit and the City's issuance of a Group 'A' cabaret business license to Liquids, Inc., the subject location will be approved for dancing by patrons, with or without live entertainment, and entertainment in accordance with a Group 'A' cabaret license, only.

The Buildings and Safety Engineering Department ("B&SE") reports that the business is in a Special Development District — Riverfront Mixed Use (SD4) zoning district and that the current legal, permitted use of the property is 'Class "C" Bar, Restaurant and Nightclub by virtue of B&SE grant number 36-03. Further, B&SE reports that the continued use of location for this use is permitted under the Detroit Zoning Ordinance subject to compliance with all grant conditions, codes, and ordinances.

In accordance with City Council's established procedures, the Law Department recommends that this matter be placed on the agenda for consideration of the approval or disapproval of the issuance of a dance-entertainment permit by the MLCC to Liquids, Inc. for the premises at 1995 Woodbridge. Attached is a proposed resolution approving the issuance of an MLCC dance-entertainment permit to Liquids, Inc. for the subject location.

If there are any questions or concerns, please do not hesitate to contact us.

Respectfully submitted,

BRENDA E. BRACEFUL

Deputy Corporation Counsel

By Council Member Collins:

Whereas, Section 916(6)(b) of the Michigan Liquor Control Code of 1998, being MCL 436.1916(6)(b), requires that prior to the issuance of a Michigan Liquor Control Commission ("MLCC") dance-entertainment permit, an establishment licensed by the MLCC for the sale of alcoholic beverages on the premises shall obtain the approval of the local legislative body of the municipality within which the premises are located;

Whereas, The MLCC has forwarded a Local Approval Notice (Request ID Number 223724) to Detroit City Council, which has been designated by the City Clerk as Petition No. 1949, requesting consideration and approval or disapproval of a request from Liquids, Inc., for the issuance of a new dance-entertainment permit for the establishment at 1995 Woodbridge;

Whereas, The Consumer Affairs Business License Center has reported that Liquids, Inc., and the location are in compliance with all of the applicable provisions of the 1984 Detroit City Code for the issuance of a Group 'A' cabaret City business license for 1995 Woodbridge; and

Whereas, Pursuant to Section 5-2-1 of

the 1984 Detroit City Code, a Group 'A' cabaret means an establishment open to the public which sells or serves alcoholic beverages with or without food, and either allows dancing with or without live entertainment, or provides three (3) or more live entertainers at one time with or without dancing;

Whereas, Section 5-7-13 of the 1984 Detroit City Code prohibits a Group 'A' cabaret from permitting topless adult entertainers at the location;

Whereas, Upon this Body's approval of the request for the issuance of a dance-entertainment permit by the MLCC and the City's issuance of a Group 'A' cabaret business license to Liquids, Inc., the subject location will be approved for dancing by patrons, with or without live entertainment, and entertainment in accordance with the Group 'A' cabaret business license, only;

Whereas, The Buildings and Safety Engineering Department (B&SE) reports that the location is in a Special Development District — Riverfront Mixed Use (SD4) zoning district and that the current legal, permitted use of the property is 'Class "C" Bar, Restaurant and Nightclub' by virtue of B&SE grant number 36-03 and that the continued use of location for this use is permitted under the Detroit Zoning Ordinance subject to compliance with all grant conditions, codes, and ordinances; and

Whereas, The City Council has considered the Local Approval Notice requesting approval of the issuance of a dance-entertainment permit to Liquids, Inc., for 1995 Woodbridge in accordance with its procedures and this Body's August 1, 2003 resolutions on the procedures and criteria for the approval or disapproval of the issuance of such permits;

Now Therefore It Is Resolved, Pursuant to Section 916(6)(b) of the Michigan Liquor Control Code, being MCL 436.1916(6)(b), that the Detroit City Council, approves the issuance of dance-entertainment permit to Liquids, Inc., for 1995 Woodbridge; and

It Is Further Resolved, That copies of this Resolution, and the City Clerk's certification of this approval of MLCC Request ID Number 223724, be forwarded to the Michigan Department of Consumer and Industry Services, Liquor Control Commission, 7150 Harris Drive, P.O. Box 30005, Lansing, MI 48909-7575, the Detroit Police Department, Liquor License Unit, 2100 Park Street, Room 114-2, and the Consumer Affairs Business License Center, 105 Coleman A. Re: Address: 13564 Newbern. Name: Eva Crowley. Date ordered removed: May 3, 2000 (J.C.C. p. 1012).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 14, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 12, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

The Labor Relations Division has recently reached agreement with the Detroit Building and Construction Trades Council. The City and the Union agreed upon and accepted the terms and conditions of the 2001-05 Master Agreement on January 14, 2004. Given the extensive time it will take to type and process the entire contract, it would cause an unreasonably long delay to withhold implementation until the formal contract has been prepared and presented to your Honorable Body for approval.

Therefore, in accordance with standard City procedure, this Office is recommending that your Honorable Body pass a resolution amending the 2003-04 Official Compensation Schedule by granting a 2% general wage increase for the subject represented employees effective July 1, 2003. We are further requesting authorization to implement the following new contract provisions:

1) Special Adjustments for certain classifications based on recruitment and retention difficulties as outlined in the attached Schedule A.

2) Fringe benefit changes as set forth in the attached Schedule B.

We further respectfully request that your Honorable Body adopt the following resolution with a Waiver of Reconsideration.

Respectfully submitted,  
ROGER N. CHEEK

Labor Relations Director

By Council Member Collins:

Honorable City Council:

Re: Petition from the Laco Real Estate, L.L.C. Establishment of an Industrial Development District in the Area of 20200 Mt. Elliott (Petition #2413).

Representatives of the Planning & Development and Finance Departments have reviewed the petition of the following entity which requests the establishment of an Industrial Development District under Public Act 198 of 1974 ('the Act').

Based on discussions with company representatives and examination of the submitted petition, we are convinced this company meets the criteria for tax relief as set forth in the Act.

Petitioner: Laco Real Estate, L.L.C.

Address: 20200 Mt. Elliott

Type of Business and Investment: Laco Real Estate has acquired the 20200 Mt. Elliott property and will lease it to Hall Steel, a firm located in Holly, Michigan, which is engaged in cutting and forming steel. Hall Steel will move its operation and employment to Detroit, and invest \$662,200 in real and personal property improvements. These two closely related entities chose to relocate to Detroit rather than Melvindale based on the prospect of more favorable tax abatement benefits.

Previous Petitions

For Tax Abatement: None.

We respectfully request that a Public Hearing be scheduled on Petition #2413, in accordance with the attached resolution and legal description, for the purpose of considering the establishment of Industrial Development District.

By Council Member Collins:

Whereas, Pursuant to Act No. 198 of the Public Acts of 1974, as amended ("Act

198"), this City Council has the authority to establish "Industrial Development Districts" within the boundaries of the City of Detroit,

Whereas, Laco Real Estate, L.L.C. has petitioned this City Council for the establishment of an Industrial Development District in the area of 20200 Mt. Elliott in the City of Detroit, the proposed District being more particularly described in the attached Exhibit A attached hereto; and

Whereas, Act 198 requires that prior to the establishment of an Industrial Development District, City Council shall provide an opportunity for a hearing on the establishment of the District at which any owner of real property within the proposed District, or any representative of a taxing authority levying *ad valorem* taxes, or any resident or taxpayer of the City of Detroit may appear and be heard on the matter,

Now Therefore Be It

Resolved, That on the 16th day of July, 2004 @ 10:00 a.m. in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the establishment of an Industrial Development District on the property referred to above and more fully described in Exhibit A attached hereto; and be it finally

Resolved, That the City Clerk will provide notice of the Public Hearing to the general public by publication, and shall give written notice by certified mail to the taxing authorities and to the owners of all real property within the proposed District.

Honorable City Council:

Re: Public Hearing on SRM Associates, L.L.C.'s Application for Tax Abatement, under Public Act 146 of 2000 ("the Act"), for Improvements at 1555 E. Jefferson (Petition No. 1960).

SRM Associates, L.L.C., has applied for tax relief on the rehabilitation of 1555 E. Jefferson (the former Riverside Ford site). The firm's investment will total approximately \$2,000,000 and will restore the property to Ford Motor Company's standards for a sales and service facility. SRM Associates applied for property tax relief under the Obsolete Property Rehabilitation Act in order to make the project financially feasible.

The Planning and Development and Finance Departments have reviewed the application and find this project meets the criteria for tax relief.

The Act requires that, prior to your Honorable Body's passage of a resolution approving the application for property tax relief, a public hearing must first be conducted. We respectfully request that such a public hearing be scheduled in accordance with the attached resolution and legal description.

Respectfully submitted,  
HENRY B. HAGOOD

Director of Development Activities  
By Council Member Collins:

Resolved, Pursuant to Public Acts No. 146 of the Public Acts of 2000 ("the Act") this City Council has the authority to approve "Obsolete Property Rehabilitation Exemption Certificates" within the boundaries of the City of Detroit; and

Whereas, SRM Associates, L.L.C., has applied to this City Council for approval of an Obsolete Property Rehabilitation Exemption Certificate in City of Detroit Obsolete Property Rehabilitation District No. 22 ("the District") in the area of 1555 E. Jefferson (the former Riverside Ford site) in Detroit, the District being more

particularly described in Exhibit A attached hereto; and

Whereas, This Application relates to an investment which will restore the site to Ford Motor Company's standards for a sales and service facility; and

Whereas, The Act requires that, prior to approving an Application for an Obsolete Property Rehabilitation Exemption Certificate, the City Council shall provide an opportunity for a Public Hearing on the Application, at which Public Hearing representatives of any taxing authority levying ad valorem taxes within the City, or any owner of real property within the District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter;

Now Therefore Be It

Resolved, That on the 22ND DAY OF JULY, 2004 AT 10:00 A.M. in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the Application for an Obsolete Property Rehabilitation Exemption Certificate within the District referred to above, the District being more fully described in Exhibit A attached hereto; and be it finally

Resolved, That, prior to the Public Hearing, the City Clerk shall give notice of the Public Hearing to the general public by publication and shall give written notice by certified mail to the taxing authorities and to the owners of all real property within Obsolete Property Rehabilitation District No. 22.

REHABILITATION EXEMPTION  
CERTIFICATE AGREEMENT**

THIS AGREEMENT, made this day of , 200 by and between the City of Detroit, acting by and through its Planning and Development Department ("the City") and SRM Associates, L.L.C. ("Applicant").

WITNESSETH:

WHEREAS, The Applicant has submitted an Application ("Application"), a copy of which is attached hereto as Exhibit "A," to the City for adoption of a resolution giving the City's approval of an Obsolete Property Rehabilitation Exemption Certificate ("OPREC") pursuant to Public Act 146 of 2000, as amended, being Section 125.2781 et seq. of the Michigan Compiled Laws (the "Act") for real property located or to be located at 1555 E. Jefferson, Detroit, Mi 48207 ("Facility"); and

WHEREAS, It is the policy of the Detroit City Council to use tax abatements allowed by the Act to encourage rehabilitation of obsolete property that will facilitate redevelopment, remove blighting conditions and expand the tax base for the City of Detroit; and

WHEREAS, This policy supports the City of Detroit's Economic Development strategy to identify and facilitate opportunities for clean up and redevelopment of residential, commercial and industrial sites; and

WHEREAS, The Applicant is making real property improvements for the purpose of reopening an automobile sales and service operation at the site; and

WHEREAS, As part of its application for an OPREC, the Applicant has submitted an employment plan to the City of Detroit Human Rights Department (a copy of the employment plan is attached hereto as Exhibit "B") wherein it has represented that during the term of the OPREC it shall not discriminate in its employment practices because of an individual's age, sex, race, color, creed, religion, marital status, national origin, political orientation, sexual orientation, or non-disabling handicap, and that it will take affirmative action to recruit and hire minority persons and women in accordance with specified targets; and

WHEREAS, To encourage approval of an OPREC and in recognition of the investments the City will make toward the economic growth of the Applicant, which in turn will benefit the City, the Applicant agrees as follows:

1. General.
    - a. The Applicant will make real property improvements, as forth in the Application.
    - b. The Applicant will be required to hire forty (40) new full time employees within two years of the date that the Application receives approval by the Michigan State Tax Commission.
    - c. The Applicant will retain:
      - Three (3) full time employees for two (2) years from the Approval date.
      - Forty three (43) full time employees within two years from the approval date and throughout the term of this Agreement.
- For purposes of this Agreement, a "full-time employee" shall include a person 1) who is employed by the Applicant on a salary, wage, commission, or other basis, for a minimum period of forty (40) hours a week; and 2) from whose compensation the Applicant is required by law to withhold for City income taxes.

2. Annual Affirmative Action Report by Applicant

On or before October 2, 2004 and each year thereafter, throughout the term of the OPREC, the Applicant shall submit to the Human Rights Department of the City of

Detroit a current Contract Compliance Report (Form EEO-1) and a current Employer Information Report (Form EEO-2). If requested in writing by the Human Rights Department of the City, the Applicant shall also submit to the Human Rights Department of the City an Affirmative Action Plan which sets forth the future affirmative action goals of the Applicant at the Facility, and the means by which the Applicant intends to effectuate those goals. The provisions of the Affirmative Action Plan must be approved by the Director of the City Human Rights Department.

### 3. Annual Status Report by the Applicant.

On or before February 1, 2004, and each year thereafter, throughout the term of the OPREC, the Applicant shall submit to the Planning and Development Department of the City a certified status report ("Status Report") signed by an authorized officer of the Applicant. The Status Report shall set forth the affirmative action accomplishments, the average number of full-time employees at the Facility during the calendar year preceding the date of the Status Report, and the Facility costs as of December 31st preceding the Status Report. For purposes of this agreement, the average full-time employees shall be computed as the average of the number of full-time employees at the Facility on March 31st, June 30th, September 30th, and December 31st of the calendar year preceding the date of the Status Report. The information contained in the Status Report shall be in substantially the same form as is attached hereto as Exhibit "C".

### 4. Review and Audit of Applicant Employment Information.

The Applicant agrees to provide the City with sufficient information, and the City may review and audit the information provided by the applicant, in order to determine compliance with this agreement. If the Applicant fails to provide employment information satisfying the needs of the City, the Applicant will provide the City and the Michigan Employment Security Commission (MESC) written authorization, in a form acceptable to the City and MESC, to use and develop appropriate MESC documents, such as, but not limited to, the MESC Multiple Worksite Report, to verify the number of full-time employees stated in the annual Status Report. In the event the Applicant fails to provide the City with any information required to be provided to the City under this Section, the Applicant agrees to reimburse the City for all costs, including attorney's fees, incurred by the City to verify the information that was withheld.

### 5. Revocation or Reduction of Term of OPREC for Affirmative Action or Facility

Cost Shortfalls, or Non-Compliance with Prevailing Wage Requirements.

The City may, in its sole discretion, request that the Michigan State Tax Commission reduce the remaining term of the OPREC or revoke the OPREC if: 1) the Applicant fails to provide the City with the information or Affirmative Action Plan required to be provided to the City under Section 2 above; 2) the affirmative action accomplishments at the Facility are less than those to which the Applicant committed itself in the most recent affirmative action plan approved by the City Human Rights Department, due to the failure of the Applicant to use its best efforts to effectuate the Affirmative Action Plan; or 3) if the Facility cost is less than that to which the Applicant committed itself in the Application; or 4) the Applicant failed to pay the prevailing wages for construction work on the project for which it is seeking an OPREC. Prior to taking any action to request reduction of the term of the OPREC or revocation of the OPREC, the City must afford the Applicant an opportunity to present at a public hearing reasons for any shortfall by the applicant in its compliance with this Agreement.

### 6. Payment of Abated Taxes for Shortfall of Employment.

If the average number of new and retained full-time employees at the facility during the calendar year preceding the date of the Status Report is less than the number of new and retained employees set forth in section 1 above, the Applicant agrees to pay the City, in addition to the Obsolete Properties Tax due under the OPREC on the Facility, an amount equal to the difference between the amount of ad valorem tax otherwise due on the Facility without the OPREC, and the amount of Obsolete Properties Tax due on the Facility under the OPREC, for the calendar year preceding the Status Report, multiplied by a fraction, the numerator of which is the shortfall in the number of new and retained full-time employees indicated in the Status Report, and the denominator of which is the total number of new and retained full-time employees set forth in Section 1 above. Prior to taking any action to require the Applicant to pay any amount to the City pursuant to this Section, the City must afford the Applicant an opportunity to present at a public hearing reasons for any shortfall by the Applicant in its compliance with this agreement.

### 7. Reimbursement of City Costs upon Discontinuance of Operations.

a. To enable the Applicant to make the improvements as set forth in the Application, the City may incur costs for site acquisition, infrastructure improvements, or for other related purposes, as may be agreed to in writing between the City and the Applicant. If during the term

of the OPREC the Applicant shall discontinue operations at the Facility, the applicant agrees to reimburse the City for any such agreed upon costs incurred by the City.

b. The Applicant agrees that if during the term of the OPREC it shall decide to discontinue operations at the Facility, the Applicant shall send written notification to the Director of the City Planning and Development Department within thirty (30) days of the actual discontinuance of operations, the Applicant shall send written notification of the actual termination to the Director of the City Planning and Development Department.

#### 8. Applicant Representations

In compliance with the Operating Procedure for Obsolete Property Tax Abatements Under Public Act 146 of 2000 adopted by the City Council on November 6, 2002 and intending to induce the City to grant an OPREC to the applicant, the applicant represents that:

a) The applicant is the owner of the obsolete property at the time of the application.

b) The obsolete facility to be rehabilitated will not include property to be used as a professional sports stadium.

c) The obsolete facility to be rehabilitated will not include property to be used, owned or operated by a casino or affiliated company as defined in the Obsolete Property Rehabilitation Act.

d) The project would not have been considered without an exemption certificate.

e) The rehabilitation project was not started prior to establishment of the district by the City of Detroit.

f) There are no delinquent taxes on the facility or the structure being renovated.

g) The project is in compliance with the zoning ordinance and Master Plan.

h) If the investment to be made by the Applicant in the rehabilitation of the obsolete facility will be \$250,000 or greater, the applicant will demonstrate a commitment to meet all requirements of Executive Order 22, Executive Order No. 4 and Executive Order No. 14 during the rehabilitation of the obsolete facility by presenting an annual plan approved by the Human Rights Department.

i) The Applicant will submit to the Human Rights Department a Contract Compliance Report (Form EEO-1) and a current Employer Information Report (Form EEO-2). And if requested will also submit an Affirmative Action Plan, to set forth future affirmative action goals of the applicant at the proposed obsolete property site and the means by which the applicant intends to effectuate those goals to demonstrate the applicant's commitment to diversity in their employment.

j) The applicant will make a concerted effort to partner or form a joint venture with small business enterprises, minority business enterprises, woman-owned business enterprises that are located in Detroit, or with community-based groups and that if the applicant is unsuccessful in partnering or forming a joint venture the applicant, upon request, will explain in writing to the City Council efforts undertaken or why partnering or forming a joint venture has not been feasible for the project.

If the rehabilitation of the obsolete facility will result in the provision of commercial housing, the Applicant must agree to Fair Housing Practices that meet guidelines set forth by the U.S. Fair Housing Act (42 U.S.C. 3601 through 3619).

#### 9. Living Wage Ordinance

The Applicant acknowledges receipt of a copy of the Detroit Living Wage Ordinance ("Ordinance") which copy is attached as Exhibit "D" and made a part hereof, and the applicant affirms that it will comply with this Ordinance in all respects unless specifically exempted by the language of the Ordinance. In the event the Applicant violates the Ordinance, the Applicant shall pay to each employee affected the amount of the deficiency for each day the violation continues. Willful or repeated violation of the Ordinance shall constitute a material breach of this agreement and will entitle the City to revoke, or seek revocation, of the Certificate. Willful violation of the Ordinance will result in a penalty paid to the City in the amount of \$50.00 per violation for each day the violation continues. In the event the Applicant is assessed the \$50.00 penalty based on more than three (3) incidents within a two (2) year period, the Applicant shall be barred from entering into any contracts with the City for a period of ten (10) years from the last violation.

#### 10. Prevailing Wage Requirements

The Applicant agrees that Detroit Ordinance ch 18, art 5 div 4 is made applicable to this Agreement by section 18-5-65 thereof and agrees that wage and fringe benefit rates paid to each class of building trades workers performing construction work for which an OPREC is requested shall not be less than the rate prevailing in the City. See Exhibit E for a copy of the applicable Ordinance and the rates.

#### 11. Reservation of Remedies.

The City and the Applicant agree that each of the rights and remedies provided by this Agreement may be exercised separately or cumulatively, and shall not be exclusive of any other rights and remedies provided by law. Invalidation of any of the provisions contained in this Agreement by operation of law, judge-

ment, court order, or otherwise shall not invalidate any of the other provisions of this Agreement.

12. Effective Date.

This Agreement shall become effective upon issuance by the Michigan State Tax Commission of an OPREC covering the facility, and shall be null and void and of no force or effect whatsoever unless the Michigan State Tax Commission issues an OPREC to the Applicant covering the Facility. This Agreement shall terminate thirty (30) days after the due date of the Status Report required by Section 3 above pertaining to the final year the OPREC is in force, or thirty (30) days after the actual filing of said Status Report, whichever is later.

13. Transfer

The Applicant agrees that this agreement will be made a part of any transfer of the property which is the subject of the Application (the "Property"), in such a manner that the obligations of this agreement are made binding on the transferee. The applicant agrees that any tax abatement applicable to the property which is the subject of the application may only be transferred with the approval of the City and the Michigan State Tax Commission and that transfer of the obligations of this agreement shall be a precondition to City approval of any transfer of the tax abatement. For purposes of this section a transfer of the property shall include any sale of the property or any lease of more than fifty per cent of the total usable space for a period longer than five years.

14. Headings

The headings contained in this Agreement are for descriptive purposes only, and do not alter or govern the substantive content of the provisions of this agreement.

IN WITNESS WHEREOF, the City and the Applicant, by and through their authorized officers and representatives, have executed this agreement as of the date first above written.

Honorable City Council:  
Re: Property For Sale By Development.  
Development: 3450 W. Chicago.

We are in receipt of an offer from Painia Development Corporation, a Michigan Corporation, to purchase the above-captioned property for the amount of \$46,000 and to develop such property. This property contains approximately 25,680 square feet and is zoned R-6 (High Density Residential District).

The Offeror proposes to construct a paved surface parking lot for the storage of licensed operable vehicles. The development will take place in conjunction with the rehabilitation of their adjacent apartment building, which consists of a \$1.8 million dollar rehabilitation. This use is permitted as a matter of right in a R-6 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to issue a quit claim deed for this property to Painia Development Corporation, a Michigan Corporation.

Respectfully submitted,  
HENRY B. HAGOOD

Director of Development Activities

By Council Member Collins:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Planning and Development Department Director of Development Activities be and is hereby authorized to issue a quit claim deed for the following described property to Painia Development Corporation, a Michigan Corporation, for the amount of \$46,000.

Honorable City Council:  
Re: Property For Sale By Development.  
Development: 2014 Brainard; 3521, 3529, 3533 & 3539 Rosa Parks Blvd.

On July 16, 1997, your Honorable Body authorized the sale of property known as Parcels II and III, bounded by Martin Luther King Jr. Blvd., Rosa Parks Blvd., Magnolia and 14th Street to Martin Luther King Jr. Boulevard Limited Dividend Housing Association, Limited Partnership, a Michigan Limited Partnership, for the purpose of constructing one hundred twenty (120) housing units and a welcome unit. This development was completed and is currently known as the Albert W. King Apartment Complex.

It has come to our attention that the above-captioned lots within the project boundaries should have been included in the sale of Parcels II and III. We are now in receipt of an offer from Martin Luther King Jr. Boulevard Limited Dividend Housing Association, Limited Partnership,

a Michigan Limited Partnership, to purchase this property for the amount of \$4,800. This property contains approximately 15,200 square feet and is zoned PD (Planned Development District).

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to issue a quit claim deed for this property to Martin Luther King Jr. Boulevard Limited Dividend Housing Association, Limited Partnership, a Michigan Limited Partnership.

Honorable City Council:

Re: Surplus Property Sale By Development Agreement. Development: Parcel 166-A; generally bounded by Tireman, Warren, Van Court & Epworth.

We are in receipt of an offer from Prevailing Community Development Corporation, a Michigan Non-Profit Corporation, to purchase the above-captioned property for the amount of \$12,000 and to develop such property. This property contains approximately 48,052 square feet and is zoned R-2 (Two-Family Residential District), B-4 (General Business District) and M-2 (Restricted Industrial District).

The Offeror proposes to use this property in conjunction with their adjacent property to construct approximately twen-

ty-five (25) single-family houses with attached garages. The houses will have three (3) bedrooms, one and one-half (1-1/2) bathrooms and a two-car attached garage. The area not covered with concrete will be appropriately landscaped to enhance the overall site. A Special Land Use hearing was held on April 28, 2004, and the recommendation for approval with conditions was completed on May 13, 2004. This use was also granted by the Board of Zoning Appeals (BZA), on April 20, 2004.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to execute an agreement to purchase and develop this property with Prevailing Community Development Corporation, a Michigan Non-Profit Corporation.

**Recreation Department**

April 23, 2004

Honorable City Council:

Re: Authorization to submit a grant to the Michigan Department of Environmental Quality to construct a nature trail, with amenities, at Livingstone Outlook in Belle Isle Park.

The Detroit Recreation Department is hereby requesting the authorization of your Honorable Body to submit a grant application to the Michigan Department of Environmental Quality, for funding under the Coastal Management Program. The amount being sought is \$50,000. To that amount, the Recreation Department would be adding \$50,000 in matching funds from its capital dollars, for a total project cost of \$100,000.

The grant would enable the Department to construct an asphalt nature trail in the southeast portion of Belle Isle Park, on the 45 acre site that is known as

“Livingstone Overlook.” The trail would be created on the land between the park’s Blue Heron Lagoon and the Detroit River. In addition, the project would provide amenities to enhance the public’s experience on the trail. These would include landscaping, benches, picnic tables, signage and trash receptacles.

The project is needed because, there is currently no way for the public to comfortably explore this area, given the deteriorated state of the existing pathway. It is impossible for anyone in a wheelchair or walker to negotiate their way over its cracked and crumbling surface. As a result, park users and visitors cannot take advantage of the wonderful scenic views of the River and Lagoon. Nor can they explore the exquisite green marble Livingstone Lighthouse, designed by famous Detroit architect Albert Kahn, or the soon-to-be completed Blue Heron Lagoon Natural Area, now being developed under a Great Lakes Coastal Restoration Grant. All are hidden treasures. The project would remedy that situation.

With your authorization, the Department will submit a request to the Michigan Department of Environmental Quality in the amount of \$50,000. The City match of \$50,000 will come from the Department’s Capital Budget. It will be available in Appropriation #00905.

We respectfully request your approval to apply for this grant by adopting the following resolution, with a Waiver of Reconsideration.

Respectfully submitted,  
**CHARLES BECKHAM**  
 Director

Approved:  
**PAMELA SCALES**  
 Deputy Budget Director  
**SEAN WERDLOW**  
 Finance Director

By Council Member S. Cockrel:  
 Whereas, The Recreation Department has requested authorization from the City Council to submit an application for financial assistance, in the amount of \$50,000, to the State of Michigan Department of Environmental Quality to construct an asphalt nature trail in the southeast portion of Belle Isle Park, and

Whereas, The Recreation Department will have \$50,000 available in its capital budget for the required City match (Appropriation #00905), Now Therefore Be It

Resolved, That the Director of the Recreation Department be and is hereby authorized to apply for the above project.

Adopted as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

**Water and Sewerage Department**  
 May 7, 2004

Honorable City Council:  
 Re: Petition No. 2480. Nortown Homes: NRP Contractors, LLC. Proposed Sewer Relocation.

The Petitioner has requested abandonment of the existing 12-inch sewer located in the alley west of Holcomb Street between Marcus and Bessemore (Lot 210) and construction of a new 12-inch sewer and connecting it to the public sewer in Holcomb Avenue.

DWSD has reviewed the Petition and has no objection to the relocation of approximately 121 linear feet of 12-inch sewer, provided that the new sewer is located in a 20 ft. wide easement, and the work is done in accordance with plans as approved by the Department. All of the work is to be done at the Petitioner’s expense and at no cost to DWSD.

We recommend that the Petition be granted in accordance to the attached resolution.

Respectfully submitted,  
**VICTOR M. MERCADO**  
 Director

By Council Member Bates:  
 Provided that the Petitioner (Petition No. 2480) as part of the request shall design and construct proposed sewer and to make the connections to the existing public sewer as required by the Detroit Water and Sewerage Department (DWSD); and further

Provided, That the plans for the sewer shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed sewer and to issue permits for the construction of the sewer; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed sewer construction, including

Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

**Finance Department**

May 4, 2004

Honorable City Council:

Re: Resolution Authorizing the Application to the State Administrative Board for Issuance of not to exceed \$69,000,000 General Obligation Fiscal Stabilization Bonds.

The attached Resolution authorizes the Finance Director to make application to the State Administrative Board for issuance of the subject bonds. As required under the provisions of Act No. 80, Public Acts of Michigan, 1981, as amended, the resolution makes the following statements and certifications:

1. The estimate of the City's General Fund accumulative operating deficit for the fiscal year ended June 30, 2003 is \$69.0

million.

2. Such deficits exceed the amount that may be borrowed from the Emergency Municipal Loan Fund and is in excess of the amount that can be funded by issuing Tax Anticipation Notes.

3. The amount of bonds necessary to be issued cannot exceed \$69.0 million.

4. The Mayor must furnish the State Administrative Board with a statement indicating how the City intends to avoid future deficits.

Bond Counsel has prepared this Resolution and I recommend its adoption by your Honorable Body, with waiver of reconsideration, at your next formal session.

Respectfully submitted,  
SEAN K. WERDLOW  
Chief Financial Officer

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DETROIT, COUNTY OF WAYNE, STATE OF MICHIGAN, AUTHORIZING APPLICATION TO STATE ADMINISTRATIVE BOARD FOR APPROVAL TO ISSUE NOT TO EXCEED \$69,000,000 IN FISCAL STABILIZATION BONDS**

By Council Member Collins:

WHEREAS, The City of Detroit, County of Wayne, Michigan (the "City"), is projected to have an accumulated operating deficit of not less than \$69,000,000 (unaudited) as of the end of its current fiscal year (the fiscal year ending June 30, 2004), determined in accordance with generally accepted accounting principles; and

WHEREAS, The amount of such accumulated operating deficit exceeds the amount which the City may borrow from the Emergency Municipal Loan Fund pursuant to the Emergency Municipal Loan Act, Act No. 243, Public Acts of Michigan, 1980, as amended ("Act No. 243"), and also exceeds the amount that the City can fund by issuing tax anticipation notes pursuant to the Revised Municipal Finance Act, Act No. 34, Public Acts of Michigan, 2001, as amended ("Act No. 34"); and

WHEREAS, The Fiscal Stabilization Act, Act No. 80, Public Acts of Michigan, 1981, as amended ("Act No. 80"), authorizes the City, upon satisfaction of applicable conditions, to borrow money and issue its general obligation bonds for the purpose of funding an operating deficit for a past fiscal year or years or for funding a projected operating deficit in the current fiscal year, or for funding both; and

WHEREAS, Before the City may issue bonds under Act No. 80, the City Council of the City (the "City Council") is required by Act No. 80 to make a determination by resolution that certain conditions exist, including a determination of the maximum amount of bonds the City is necessary to issue in order to fund the deficit and other related matters, and to apply to the State

Administrative Board for an order approving issuance of the bonds.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL THAT:

Section 1. Determination of Accumulated Operating Deficit. The City Council determines that the City is projected to have an accumulated operating deficit of not less than \$69,000,000 (unaudited) at the end of its current fiscal year ending June 30, 2004. This determination of the projected accumulated operating deficit has been made in accordance with generally accepted accounting principles.

Section 2. Determination of Exhaustion of Sources to Fund the Deficit. The City Council determines that the amount of its projected accumulated operating deficit exceeds the amount which the City may borrow from the Emergency Municipal Loan Fund pursuant to Act No. 243, and also exceeds the amount that the City can fund by issuing tax anticipation notes pursuant to Act No. 34.

Section 3. Determination of Maximum Amount and Use of Proceeds of the Bonds. Subject to the limitations of Section 4(8) of Act No. 80, the City Council hereby determines that it is necessary to issue its general obligation limited tax bonds (the "Bonds") pursuant to Act No. 80 in the principal amount not to exceed \$69,000,000, for the purpose of providing funds to fund a portion of the projected accumulated operating deficit for the fiscal year ending June 30, 2004, a reserve to secure payment of principal of or interest on the Bonds in an amount not exceeding the maximum amount of principal and interest coming due on the Bonds in any fiscal year, if necessary, a discount of not to exceed 10% of the principal amount of the Bonds and an amount sufficient to pay all legal, financial, accounting, printing and other expenses related to the issuance of the Bonds.

Section 4. Application to State Administrative Board. The Finance Director of the City (the "Finance Director") is hereby authorized to make application to the Secretary of the State Administrative Board for an order approving issuance of the Bonds and shall attach to the application a certified copy of this Resolution.

Section 5. Deficit Funding Plan. The Mayor shall furnish the State Administrative board with a statement signed by the Mayor indicating how the City intends to avoid future deficits.

Section 6. Security for the Bonds. The Bonds shall be general obligations of the City, and the limited tax, full faith, credit and resources of the City shall be irrevocably pledged for the prompt payment of the principal of and interest on the Bonds. The City shall pledge to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in

the case of insufficiency thereof, from the proceeds of an annual levy of *ad valorem* taxes on all taxable property in the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 7. Authorization of City Officials. The Mayor, Finance Director and the City Clerk of the City are hereby authorized and directed on behalf of the City to take any and all other actions, perform any and all acts and execute any and all documents that shall be required, necessary or desirable to implement this Resolution.

Section 8. Severability and Conflict. If any one or more sections, clauses or provisions of this Resolution shall be determined by a court of competent jurisdiction to be invalid or ineffective for any reason, such determination shall in no way affect the validity and effectiveness of the remaining sections, clauses and provisions hereof.

Section 9. Repeal, Savings Clause. All resolutions or parts of resolutions or other proceedings of the City in conflict herewith shall be and the same hereby are repealed insofar as such conflict exists.

Section 10. Publication and Recordation. This Resolution shall be published in full in the Detroit Legal News, a newspaper of general circulation in the City qualified under State law to publish legal notices, promptly after its adoption.

Section 11. Effectiveness. This Resolution shall take effect immediately upon its adoption by the City Council.

Adopted as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, Everett, Tinsley-Talabi, Watson and President Mahaffey — 7.

Nays — Council Members McPhail — 1.

#### **Department of Public Works Administration Division**

April 27, 2004

Honorable City Council:

Re: Plan for Bridge Replacement. State and Federal Critical Bridge Program.

The State of Michigan Department of Transportation is currently soliciting new applications to the State and Federal Critical Bridge Program. This program awards funds to local government agencies for bridge structures the local agencies consider in critical need of replacement or rehabilitation.

The Department of Public Works is assembling the information needed to fulfill the program application requirements for the following bridge structures:

1. Alfred Over Grand Trunk RR
2. Antietam Over Grand Trunk RR
3. Adelaide Over Grand Trunk RR
4. Chestnut Over Grand Trunk RR
5. Division Over Grand Trunk RR
6. E. Grand Blvd. Over Grand Trunk

RR

- 7. Jefferson Ave. Over Conrail
- 8. Central Ave. Over Canoe Canal
- 9. Woodside Dr. Over Canoe Canal
- 10. Ridge Rd. Over Rouge River

The Department of Public Works has committed the necessary local funds for the design and construction engineering in addition to the five percent funding match for the construction phase of the projects.

The Department needs the help of your Honorable Body to complete the funding program applications. It is requested that the Honorable City Council issue a resolution stating that it has reviewed the applications and is actively seeking participation in the replacement or rehabilitation of the structures. This action by your Honorable Body will complete the critical Bridge Program application requirements for the bridge structures. The deadline for application is June 15, 2004.

An appropriate resolution is attached for the consideration of our Honorable Body. Please accept this as your own for the purpose of expediency.

Respectfully submitted,  
JAMES A. JACKSON  
Director

By Council Member Bates:

Whereas, The State of Michigan Department of Transportation is soliciting new applications to the State and Federal Critical Bridge Program fund for the replacement or rehabilitation of bridge structures by local government agencies.

**TESTIMONIAL RESOLUTION FOR**

**"THE LITTLE ROCK NINE"**

By COUNCIL PRESIDENT MAHAFFEY:

WHEREAS, Three years after the Supreme Court's Brown vs. Board of Education of Topeka decision, which officially ended public school segregation, a federal court ordered Little Rock, Arkansas to comply, and

WHEREAS, On September 4, 1957, Governor Orval Faubus defied the court and called in the Arkansas National Guard to prevent nine African American students — "The Little Rock Nine" — from entering Little Rock Central High School,

and

WHEREAS, Ten days later in a meeting with President Eisenhower, Governor Faubus agreed to use the National Guard to protect the African American teenagers but in returning to Little Rock, he dismissed the troops, leaving the African American students exposed to an angry white mob. By noon, local police were forced to evacuate the nine students, and

WHEREAS, Governor Faubus did not restore order causing President Eisenhower to dispatch the 101st Airborne Division paratroopers to Little Rock and placed the Arkansas National Guard under Federal command, and

WHEREAS, Under Federal protection, "The Little Rock Nine" finished out the school year, and

WHEREAS, The following year, Governor Faubus closed all high schools, forcing African American students to take correspondence courses or go to out-of-state schools. The school board reopened the schools in the fall of 1959, and

WHEREAS, In November of 1998, President William Jefferson Clinton signed into law S.2232, legislation designating Little Rock Central High School a National Historical site and recognized the courageous role of "The Little Rock Nine": Elizabeth Eckford, Ernest Green, Jefferson Thomas, Terrance Roberts, Carlotta Walls Lanier, Minnijean Brown Trickery, Gloria Ray Karlmark, Thelma Mothershed Wair and Melba Pattilo Beals, and by rewarding each of the nine the Congressional Gold Medal. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby honors "The Little Rock Nine" as the most prominent national example of the implementation of the Brown decision, serving as a catalyst for the integration of other previously segregated public schools in the United States.

Adopted as follows:

Yeas — Council Members Bates, S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 8.

Nays — None.

**TESTIMONIAL RESOLUTION FOR**

**STATE SENATOR MARTHA G. SCOTT**

By COUNCIL PRESIDENT MAHAFFEY: WHEREAS, State Senator Martha G. Scott will receive the 2004 Eleanor Roosevelt Award that is given on behalf of the Michigan Democratic Women's Caucus at the 2004 Jefferson-Jackson Luncheon, and

WHEREAS, Senator Scott began her public service career in 1972 as a Precinct Delegate. In 1977, she was appointed to the Wayne County Board of Commissioners, and in 1979, served as Vice-Chair of the Wayne County Civil

Service Commission. From 1984, to 1987, she was President of the Highland Park City Council. In 1988, she was elected the first Woman Mayor of Highland Park, and first African American Woman elected Mayor to a Michigan city; and

WHEREAS, In 1994, she was elected State Representative of the 6th District, which includes Highland Park, Hamtramck and a portion of Detroit. She was re-elected to her second and third House terms in November, 1996 and 1998. During her tenure as State Representative, Senator Scott served on the House Education and Insurance Committees, and the Task Force for Corrections, Higher Education and transportation. She sponsored a bill that required the Friend of the Court to initiate enforcement of the requirement that a parent provide dependent health care coverage. She also sponsored a bill that provides for foreign state reciprocity of insurance adjusters doing business in Michigan. This bill was signed into law by the Governor on March 17, 2000, and

WHEREAS, Senator Scott currently serves on the Senate Appropriations Committee. She lead the charge and fought for many issues that were beneficial to her district, such as the restoration of the Davison Freeway and funding to restore Highland Park Community College. Her commitment to improving the quality of life for her constituents has brought her top honors, such as a Fellowship from the prestigious Bowbey Institute for Legislative Leadership Development. She also received an award for her continued work on Bilingual Education at Eastern Michigan University. NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council hereby salute the work of Senator Martha G. Scott and expresses our gratitude that she continues to represent all of us with integrity and honesty.

**Mayor's Office**

April 12, 2004

Honorable City Council:

As we gather today for the presentation of my 2004-2005 budget our voices join a chorus rising in city halls and council chambers across America.

Our nation is at war. The economy is sluggish. State funding cuts are deep. The cost of health care and pensions is staggering.

These facts are universal. Every city is feeling the pain.

Here in the great City of Detroit this is our reality. But today I present a balanced budget for 2004-2005 that — while making cuts and calling for sacrifice — demands new accountability and reengineering that can start us back toward solid financial ground.

At the very beginning of this process, as we began to crunch the numbers for 2004-2005, the total budget gap was \$333 million — a combination of a \$69 million deficit from last year, and a \$264 million shortfall for next year. Today, I will explain how that happened, and I will also address the forces and culture that caused it.

I will explain how we continue to better serve citizens by changing the way we do busi-

ness — and how we save millions of dollars in the process. I will detail some tough cuts in the City of Detroit for next year — cuts that are necessary as we Grow Detroit in these tough economic times.

I want to begin by giving you some perspective, some examples of what is happening in other cities today. In Cleveland, the financial situation is so dire the city cut nearly 500 employees including 252 police officers and 47 firefighters. City services have been slashed. There were even calls to eliminate public trashcans to save money.

In Baltimore, cuts in the ranks of police and firefighters are also likely as the mayor has proposed eliminating 500 jobs and cutting city services. The mayor's proposal is being called the most drastic in over 20 years. The mayor says he has no choice.

It's a similar story in Pittsburgh, a city that's been teetering on the brink of bankruptcy. Uniformed personnel are being cut as centers for senior citizens and recreation are being shut down.

Even San Francisco is suffering. With the internet-crazed 1990s long gone, the city has been hit with a high-tech hangover and a budget shortfall that could top \$300 million.

Back at home, the State of Michigan is wrestling with a budget gap of \$1 billion — and our own school system in the City of Detroit recently announced it is being forced to cut 3,200 jobs.

As I said, everyone is feeling the pain. Still, here in the City of Detroit, we face some challenges that are unique to us.

The fact is Detroit's revenue base makes us even more vulnerable to economic fluctuations than other cities.

Most cities get the majority of their revenues from property taxes, historically a very stable source of funds.

Just take a look at our neighbors. Property taxes provide 77 percent of Dearborn's budget, 66 percent of Ann Arbor's budget, 62 percent of Farmington Hills' budget, 60 percent of Troy's budget, and 58 percent of Warren's budget.

In Detroit, 12 percent of our revenue comes from property taxes — far and away the lowest of any city in Michigan. Our biggest sources of revenues are income taxes and state revenue sharing funds, both extremely vulnerable to fluctuations in the economy. Property tax revenues rank third, followed by our newest source of income, casinos.

The relatively small percentage of revenue we receive from property taxes is the result of several factors. We all know that property values in Detroit have lagged far behind property in the suburbs. Beyond that, we simply do not have as much property to tax as we once did. From 1974 through 2001, we demolished over 140,000 abandoned buildings — buildings that once housed families or businesses, buildings that once generated property taxes.

The City has also been hobbled by Proposal A that Michigan voters approved in 1994 and put a cap on property taxes.

Since 1994, the value of property in Detroit has more than doubled to more than \$12 billion, an average growth rate of 9.3 percent. But because of Proposal A, the state says the taxable value is less than \$8 billion. Bottom line: If Proposal A was not in effect and we could tax property at its true value, we would have an additional \$100 million for our General Fund.

We are not alone in this either. The Michigan Municipal League recently issued a study that said the squeeze of Proposal A has created a situation where — quote — "local communities in Michigan are on a conveyor belt to crisis and service cuts."

Compounding our problem is the fact that the State of Michigan has repeatedly violated a 1998 agreement with the City — and slashed the amount of money we receive in revenue sharing. If the State had kept its word and kept us whole, we would have an additional \$43 million in the budget right now. Instead we must make up for that money somewhere else.

Broken promises from the state, and budget shortfalls and deficits are nothing new. This has been the reality in Detroit since the 1960s.

But another reality we cannot ignore is that in the 1990s — the decade when we had the money to invest in infrastructure and reengineering and stem the financial tide — the City instead threw open the floodgates of surplus spending.

During the 1990s, as our population continued to drop, the size of our government and the number of employees only grew.

The amount of money spent on employee overtime in the 1990s doubled by tens of millions. Law firms racked up untold millions with new city contracts. And tens of millions more were poured into cost overruns on projects like the DRMS computer system.

But then the economic bubble burst, and reality set in. When the Kilpatrick Administration took office, it was our job to pick up the pieces and — with an ever-increasing shortfall — put the budget back together.

Our first year, we inherited a \$75 million deficit in 2001-2002 budget. We rolled up our sleeves, and closed it. The next year the potential shortfall totaled \$94 million. We eliminated that as well. In 2003-2004 — the current fiscal year — we faced a potential \$191 million shortfall. We've taken care of that too.

You do not need a chart to see the trend. The gap that exists between the City's revenues and expenses is growing wider each year. If we do not change the way we do business in the City of Detroit we will pay the price.

As I said at the beginning of this address, the projected shortfall for 2004-2005 was \$264 million when we started the budget process.

Beyond the forces I have already described, the single biggest cause of this current budget shortfall is the exploding cost of funding healthcare benefits and pensions for City employees.

In fiscal year 2004-2005, the cost of paying for our employee healthcare and pensions is increasing by \$114 million. That is an increase of 22 percent. Despite these challenges we have once again eliminated the shortfall.

The budget I present to you today is balanced. It also calls for changes — so our financial future no longer hangs in the balance.

To eliminate the shortfall of \$264 million, we have not hit every department with an arbitrary cut. Rather we have continued a management process of examining each department, identifying inefficiencies or duplication of services, and eliminating them.

We have had to make some hard choices in the process. But we have done so with a goal of making government more efficient and more effective. We have strived to make cuts in those areas where we know — that with smart management — we can do more with less.

The legendary Jack Welch, the former Chief Executive Officer of General Electric once said, "It's in the worst of times that things get fixed." Cutting budgets does not have to mean cutting services. It can mean finding smarter ways to get the job done. That's what this administration has been working to do since we took office.

Examples of our success include the restructuring of solid waste and bulk trash pickup. For decades the system had been haphazard and, increasingly, costs were going through the roof. In the past year we have reorganized the system to serve citizens more efficiently, and with fewer employees. The number of stops on each route has increased, and we are realizing major savings by not having trucks crisscross the City.

We also deployed 1,100 litter containers throughout Detroit and cleanup crews to work two shifts, 7 days per week in the Central Business District. As a result, the City is cleaner, trash collection is more efficient, and we are saving money.

Even as we managed with reduced resources, we have been able to bring about innovative change in the way we do business.

Last year I told you we would cut the grass in our city parks on a 10-day rotation, something that had never been done. We did it.

This winter, for the second year in a row, we had a successful snow removal program. That too had never been done before.

Last year we resurfaced 160 miles of streets, the most miles every completed in one year.

Last year we also moved responsibility for maintenance of trees and grass on boulevard, greenways, and beltways from the Recreation Department to a new team at DPW. This has significantly improved our ability to take care of some 200,000 trees. The team is taking down dozens of dangerous or diseased trees every week — with an eventual goal of planting new trees in their place.

One of the cornerstones in our process of reengineering is the Program Management Office that was created last year.

Under the direction of Chief Financial Officer Sean Werdlow, the Office is making dramatic progress in modernizing departmental practices that in some cases go back almost to the beginning of the last century.

As you may remember, many of the problems with the DRMS system were rooted in the fact that the City was trying to adapt computer software to fit woefully outdated business practices. With Sean's guidance we have flipped the script. Instead of trying to adapt state-of-the-art software to a department's ancient billing system, we are changing the billing system and bringing it into the 21st century.

Just by updating our own systems instead customizing the DRMS software, we will save \$3 million in the coming fiscal year.

The PMO is also upgrading our property assessment system to better serve citizens. The Office is replacing a computer system that's been around since I was in the second grade — with a system that will allow property owners to get tax bills at their local neighborhood city hall.

Additionally, the City is developing a centralized accounting system for departments to better track cash flow, do monthly budget-goal reports, and closely track overtime, to name just a few examples.

At DPW, we are working to create a centralized, computerized fueling and inventory system that will enable us to keep much closer track of parts and the amount of fuel we use.

The Public Lighting Department is changing a billing system that may go all the way back to when the department first opened for business.

For years, meter readers have gone out with a little black book, scribbled down all those important numbers, and then handed the book the finance people. Soon, meter readers will punch data into a handheld device and download it directly into the billing system. This will save time, and money.

Clearly, we know how to do more with less — and do it better. We know how to control costs — and be more efficient. Constraints on our resources do not have to mean constraints on innovative thinking or finding more efficient, effective ways to deliver needed services.

In this balanced budget I present today, we have identified a number of other inefficiencies that have been built into the City budget over the years. And we are moving to fix them.

For instance, an exhaustive department-by-department review has found many employees who worked through the free-spending 1990s are still using the City's budget as a cash machine to pile up excessive overtime.

Many employees have been literally doubling their salaries. This has become a way of life. In the current fiscal year we will spend more than \$90 million on overtime. That is unacceptable.

Excessive overtime is the result of bad planning and bad management. We have found many situations where employees assigned overtime to themselves, with no oversight by a supervisor. That is unacceptable. Good management practice dictates that we get it under control. We are going to do that.

The budget I am presenting to you anticipates reduced overtime in our city departments. Our projected combined overtime budget for all departments for 2004-2005 is \$59 million, a reduction of 35 percent from this year.

But we are doing more than anticipating a reduction. We are creating a management structure to ensure that it happens.

Each director will be given a goal for the reduction of overtime in his or her department. Their progress will be reviewed regularly and necessary adjustments will be made. But ultimately if a director does not meet their goal, I will personally cut their paycheck. They will see a reduction in their own compensation. Certainly I recognize that some overtime is unavoidable — especially in our public safety agencies, and in times of emergency.

We can never eliminate overtime completely, but we can use those dollars wisely and hold people accountable.

Some of our directors have already made tremendous progress in reducing overtime.

For instance, Corporation Counsel Ruth Carter has reduced overtime in the Law Department by 93 percent in just two years. Victor Mercado has reduced overtime in the Water and Sewerage Department by 50 percent while reducing outside contractors at the same time. I believe others can do the same.

We also are greatly reducing the number of 'take-home' vehicles assigned to employees. As with overtime, this is a practice that can take on a life of its own — and with the City paying an average of \$5,800 per year per car, the money quickly adds up. In the budget for 2004-2005, the number of vehicles assigned to City employees is cut by 57 percent — from 243 vehicles to 138. An employee must have a work-related reason to have a car. No longer will it be considered a perk of the job.

We have taken a hard look at the hundreds of leases the City has for office space by having a professional facility manager review every single lease. We discover that in many cases the City is paying double the market rate. As these leases expire, or there is a window to revisit a deal, we will aggressively renegotiate terms or consolidate space. This will result in a savings of 15 percent — or \$2 million — in the current fiscal year alone.

Contract services are under intense review as well.

Citywide we have reduced professional and contractual services by over \$20 million, or 9 percent. General Fund contracts were reduced by more than \$8.5 million, or 13 percent.

Savings are also being realized by reducing the subsidies the General Fund provides other City operations. For example we have cut the subsidy to the People Mover by \$2.5 million without a reduction in service — and we have eliminated the \$1.9 million subsidy for Buildings and Safety Engineering. BS&E has made up for the shortfall by more aggressive inspections and billings, increase in fees charged for services, and the increase in the number of building permits.

We are serious about reducing costs.

We also had to make tough decisions in staffing to close the \$264 million shortfall — and this budget includes job cuts. In 2004-2005 we are eliminating 263 vacant positions in various City departments and we are forced to lay off 377 employees.

Also, there are 357 employees of the Housing Commission who are not in this budget. They are not affected by these job cuts. They are simply not in the budget because the Housing Commission is officially separating from the City and becoming an independent entity prior to the start of this budget.

Two departments that will not see layoffs of sworn personnel will be the Police and Fire Departments. No police officers, firefighters or EMS technicians will be laid off in fiscal year 2004-2005.

In fact, we will continue recruiting new classes to ensure our services are at full strength. At this time in our city's history, I will not do anything that might reduce the level of protection we offer our citizens.

I will, however, demand the same financial discipline from police, fire, and EMS that will govern other departments. The management of overtime will be focused and relentless.

One area of city services that demands an overhaul and a change in culture is our bus system. We owe it to the 120,000 people who use our buses each day. We must improve bus service. Most people who use DDOT do not have other options for getting to work or school or to the doctor's office. They need us to get them there.

For at least a generation, the City of Detroit has allowed the Department of Transportation to virtually drive itself — and over the years the department has gone woefully off course. DDOT is an enterprise department meaning it should be self-sufficient. Instead, the City is propping it up with subsidies of \$70 million and rider ship is at an all-time low. By any measure, the Detroit Department of Transportation lags miles behind other urban bus systems in the efficiency of its operations.

For example, the industry average for operating a bus is 65 cents per mile. We spend well over 1 dollar per mile. In most bus systems, mechanics spend about 880 hours per year working on each bus. DDOT is not even remotely close to that. Our mechanics spend nearly 2,200 hours on each bus, each year.

Even more incomprehensible is the fact that we have far more mechanics. The industry average is one mechanic for every 6 or 7 buses. At DDOT we have one mechanic for every two buses.

Some have tried to blame the trouble at DDOT on the buses themselves. For the record, the age of our fleet is no excuse. The industry average age of a bus fleet is 7.9 years. DDOT is actually less than that. The buses in our fleet average 7.7 years.

Clearly, at a time when the City of Detroit must be more efficient, we must make changes in DDOT. The budget I present today includes the beginnings of a plan to reengineer the department and provide better service to citizens.

In the jobs cuts I just announced, the largest single group affected are employees in the maintenance division of DDOT where 112 employees will be laid off. This will bring us closer to the national average in staffing and allow us to better benchmark against national averages as we overhaul DDOT operations.

The positions being eliminated include 67 coach service attendants who clean and fuel the buses; 28 auto mechanics who provide only certain types of bus maintenance; and 10 general auto mechanics who are trained to do all types of bus repair.

Cleaning and fueling of buses will become the responsibility of the remaining 211 general auto mechanics who — through an reorganization to increase efficiency — will have plenty of time to get the job done.

With the reduction in the ranks of mechanics our ratio will be one mechanic for every 5 buses — a number that is still not completely acceptable, but better than where we are today. In the Motor City, DDOT should be setting the national standards for quality, excellence, and efficiency. This administration and new Director of DDOT Norman White are committed to ensuring that happens.

In addition to making carefully selected cuts in departments, we have also found a number of areas that can be fixed to provide badly needed additional revenue.

In the current fiscal year the Finance Department contracted with a firm to review the fees many of our departments charge for documents and services to the public. Some had not reviewed their fee structure in years — and the fees do not come close to covering the cost of the service involved. The departments being reviewed include DPW, Recreation, Planning and Development, Health, Police and Fire. Services involved include fees we charge developers for land assembly, refuse collection, and costs for providing documents. We expect the implementation of an updated fee structure will mean an additional \$4 million in revenue in fiscal year 2004-2005.

Also, the Assessor Division of Finance, with a grant from the state, is auditing personal property tax payment of a number of businesses to ensure their tax returns accurately reflect the machinery, equipment and other items that are subject to Detroit's personal property tax. We estimate this effort will capture an additional \$3.5 million in personal property taxes.

The recently concluded parking ticket amnesty program conducted by the Municipal Parking Department also was a tremendous success. They are still processing the final payments, but I can report to you that it yielded almost \$3 million in delinquent parking tickets receipts.

This budget also establishes one new DDOT fare. In accordance with federally prescribed guidelines, DDOT will establish a half-price, 75-cents bus fare for disabled riders. This is nothing new in the bus industry as the SMART bus system — and every major city except Detroit — charges disabled riders. For DDOT, this will produce \$2 million in revenue.

This administration is committed to our senior citizens — and our seniors will continue to ride DDOT for free.

Beyond the cuts in expenses and increases in revenue from greater efficiencies, there are some budget realities that happened before we took office or were beyond our control — and must be tackled in other ways.

As you know the City faces a court judgment regarding the amount of pension payments due to the Detroit Police and Firemen's Retirement System for the fiscal ending June 30, 2003. The amount in dispute is approximately \$35 million plus interest, and is being appealed to the Michigan Court of Appeals. However, the City's independent auditors required the City to record this judgment in fiscal year 2003.

Also, terrible mismanagement in the Housing Department during the 1990s left it millions of dollars in the hole — unable to pay a bill of \$18 million to the City for services we had provided.

While this administration is continuing to address the problems at Housing, it simply does not have the money to pay the City. As a result the City was compelled to write off those outstanding balances.

These two events make up the vast majority of the \$69 million deficit the City experienced in fiscal year 2003.

To address that deficit I am proposing selling \$61 million in Fiscal Stabilization Bonds, the difference will be made up from an \$8 million withdrawal from the Budget Stabilization Fund. After this withdrawal, the Fund will be effectively at zero.

This action combined with the proactive management measures we have already taken — including a hiring freeze, overtime cuts, and aggressive revenue collection — will allow us to end this fiscal year, balanced.

This budget also proposes the issuance of \$80 million in pension bonds to satisfy all the unfunded liabilities associated with our pension funds. This is a one-time contribution for this year that will produce savings for the city over the next 10 to 12 years by paying these obligations up front for the General City and Police and Fire pension funds. The Kilpatrick Administration is committed to fulfilling its obligations to retirees — and ensuring City employees have a secure financial future.

That said, it will be the responsibility of the pension trustees to manage that money wisely.

Finally, I am proposing the sale of \$61 million bonds to fund a Risk Management Fund payment. This will provide additional revenues and prevent even deeper and more painful cuts in basic services.

It will give us the time to take an even more intense look at our fiscal situation and determine whether we need to find additional revenue streams to keep our heads above water.

Every department is sustaining a cut in this budget — and this budget also includes cuts in funding for both my office and for your Honorable Body. As you know, the budget for the Mayor's Office over the last two years has remained relatively flat, with a combined increase of 1.5 percent over the two years since we took office.

The cuts I am proposing for the Mayor's Office eliminate that increase and put it back at the level allocated in 2001-2002, before my administration took office. On the other hand, as you know, the budget for your Honorable Body has grown in the past two years by more than 28 percent — a total of \$3.6 million.

This budget proposes a reduction of a little more than half of that. Even with the reduction you will still be more than \$1.2 million over what your budget was in 2001-2002. At a time when we are asking our employees and our citizens to sacrifice, we must lead by example in adopting prudent, responsible budgets for ourselves.

This budget provides for the establishment of the Office of Homeland Security as a separate department, rather than as a part of the Fire Department.

There are no costs associated with this change, but the separation of this function as a separate department is vital. Beyond focusing our City's preparedness, this change will streamline the process of obtaining vital grants and homeland security funding from state and federal sources.

This budget also creates a Department of Administrative Hearings to streamline code enforcement within the city related to quality of life issues such as zoning violations, property maintenance, and illegal dumping. Governor Granholm signed amendments to the Home Rule Act and the Revised Judicature Act in January that allow us to set up administrative hearings procedures to strengthen the enforcement of code violations.

This new department will implement council's intent when you adopted a municipal civil infraction ordinance back in 1997. We project that we will process roughly 70,000 blight violations in the first year. This department will allow us to focus our efforts on those who disrespect the condition of their land and property, and our City. It will provide a coordinated effort to go after those who refuse to do their part to keep this City clean.

Creating this department will mean we have the ability to prosecute unlimited numbers of code violations, efficiently hear and adjudicate cases, and collect fines through garnishments and liens if necessary.

I believe this department will make a significant improvement in the quality of life for all Detroiters. Chicago has had a great success with a similar approach and we hope to emulate their success. We mean business.

I mentioned earlier that the Housing Department is not included in this budget since it will become autonomous. However, you will find a \$1.2 million appropriation to pay for supplemental security services to protect our seniors who live in Housing Department units.

Now begins the process of reviewing this budget. Each of you has received individual copies in your offices this morning. Others who are interested in learning more can do so by logging onto the City of Detroit website.

In my State of the City message I said we must Dare Mighty Things together, to Grow Detroit. Dealing with the crushing economic forces that are squeezing Detroit and cities across this nation is a Mighty Thing.

Making tough management decisions, reengineering government, changing a work culture, and paving the way to a solid financial future. These are Mighty Things.

They do not happen overnight, and they require hard work to get them done. Management guru Jack Welch always held to the belief that you "face reality, then act decisively." That's what this budget does. That's what my administration is about.

But Jack Welch also said "by reaching for what appears to be impossible, we often actually do the impossible." The challenges before us are daunting — and some may seem impossible — but we can overcome by reaching together.

This budget is the next step in the process to turn the tide, effect real change in government, and start us back toward solid financial ground.

Respectfully submitted,  
KWAME M. KILPATRICK  
Mayor

#### CLOSING RESOLUTION

By Council Member McPhail:

WHEREAS, The 2004-2005 Budget provides appropriations to support operations of the City for the period July 1, 2004, through June 30, 2005, including salaries, wages, pension requirements, other employee benefits and other expenses, now therefore be it

1. RESOLVED, That the 2002-2003 Official Compensation Schedule be amended and changes in wages, fringe benefits, and other conditions of employment be applied according to the White Book, 2002-2003 Salary and Wage Adjustments, this Resolution, State Law, labor contracts approved by the City Council, and for non-union employees according to recommendations made by the Labor Relations Division of the Human Resources Department and approved by the City Council, or by Executive Order of the Mayor in accordance with Ordinance No. 35-92 and the Circuit Court decision in Case No. 92-22029-AW and otherwise according to the following stipulations and exceptions.

a. Changes be applied to June 30, 2004 Official Compensation Schedule rates as listed in the published 2003-2004 Official Compensation Schedule and that pay rate computations resulting in total cents within a dollar shall be extended to the next higher dollar for salaried employees, and the next higher cent for hourly personnel, provided further that non-union salaried employees whose Official Compensation Schedule minimum and maximum rates are over \$20,000 per year, may, if these rates fall between even hundred dollar levels, upon recommendation of the Labor Relations Director, have these compensation schedule rates adjusted to the next higher hundred-dollar level.

b. Unless otherwise specifically provided by action of City Council, the changes shall not apply to elected officials, temporary employees appointed outside of the classified service in special grant operations, those whose rates of pay are otherwise set by law, contract, or on a per meeting, per call, consultant, or per clinic basis.

c. Where application of the rate changes cause inequities, the Labor Relations Director may authorize compensating adjustments in pay to employees within the pay range for their classification if requested by the department head, and furthermore shall be authorized to make corrections in the 2004-2005 Official Compensation Schedule as required.

d. Where percentage adjustments are provided, individuals in classes affected shall generally have their June 30 payroll rates changed by that percentage, provided that by agreement of the department and the Labor Relations Director, adjustments within the range may be stipulated and portions of changes may, for training or other purposes, be provided only by the step increment approach or formula shown in the Official Compensation Schedule.

e. Adjustments for non-union classifications paid at rates equal to the rates for the same or equivalent union classifications shall remain equivalent during the 2004-2005 fiscal year.

f. Where a wage settlement in a labor agreement disrupts a traditional wage relationship with non-union classifications, the Labor Relations Director shall have the authority to recommend to City Council special wage adjustments for the non-union classifications affected.

g. Where provisions have been made in the budget for an overall pay adjustment, the Budget Director is authorized to allocate such amounts among appropriations as necessary; and be it further

2. RESOLVED, That employee benefits and retirement provisions for non-union employees shall be in accordance with the City Council Resolution of October 2, 1974, J.C.C., p. 2142; November 16, 1977, J.C.C., p. 2538; August 6, 1980, J.C.C., p. 2057; August 5, 1981, J.C.C., p. 1957; January 6, 1984, J.C.C., p. 45; April 15, 1987, J.C.C., p. 813; November 15, 1989, J.C.C., p. 2627; August 4, 1999, J.C.C., p. 2375; November 30, 2001, J.C.C. p. 3810; and July 30, 2003, J.C.C., p. 2470; and otherwise as authorized by City Council through the 2004-2005 fiscal year; and be it further

3. RESOLVED, That the Finance Director and the Labor Relations Director continue the administration of salary and prevailing rates according to the rules as listed in the Official Compensation Schedule, and otherwise according to the City Council Resolution of July 13, 1954, J.C.C., p. 1713; and be it further

4. RESOLVED, That employee benefits contained in this Closing Resolution are permissive rather than mandatory for unionized employees; and be it further

5. RESOLVED, That all contracts covering unionized employees may, upon approval of the Director of Labor Relations, be extended beyond their expiration dates; and be it further

6. RESOLVED, That where no effective date is given in a resolution involving personnel procedures approved by the City Council of the City of Detroit, the effective date shall be the second Wednesday subsequent to passage of the resolution at the regular session, in accordance with the resolution of December 12, 1944, J.C.C., p. 2983; and be it further

7. RESOLVED, That the Finance Director is hereby authorized to honor payrolls for restoration of lost time by City employees as a result of a reduced or reversed suspension or discharge, provided such action is recommended by the Labor Relations Director, and further provided that such payment shall not exceed regular pay for thirty (30) work-days and otherwise in accordance with the resolution of March 11, 1969, J.C.C., p. 565; and be it further

8. RESOLVED, That employees be paid for out-of-class work according to negotiated agreements and in the absence of agreements upon recommendation of the department with approval of the Budget Director and the Civil Service Commission and otherwise in accordance with the resolution of September 17, 1968, J.C.C., p. 2269; and be it further

Honorable City Council:

Re: Correction of Errors and Amendments to the 2004-2005 Mayor's Budget.

After further review of the 2004-05 Budget, presented to City Council on April 12, 2004; errors and amendments have been discovered which should be corrected. There are two categories of corrections. First, there are "substantive" errors, which must be corrected as an amendment to the Recommended Budget. Second, there may have been typographic and/or data entry errors, which do not affect appropriation totals or budget balancing. The "substantive" corrections will be identified with (\*), and will be addressed in the attached resolution. Also, attached are revised copies of Schedule D and Chart 5 of the Executive Budget.

**Communication and Creative Services (15)\***

Honorable City Council:

Re: Voting Schedules and Overview of City Council's Changes to the Mayor's 2004-2005 Proposed Budget.

Attached are the voting schedules for Council action on the 2004-2005 Mayor's recommended budget.

Schedule A reflects the Council changes to the 2004-2005 HUD Consolidated Plan for Block Grant and NOF Programs. This schedule maybe provided by the City Planning Commission at the Council table.

Schedule B reports the sources by appropriation and department for which General Fund dollars were made available and the uses of those revenues for Council priorities in the 2004-2005 Budget.

### THE DETROIT CITY COUNCIL 2004-2005 FINANCIAL AND BUDGETARY PRIORITIES PUBLIC POLICY, PLANNING AND ACTION RESOLUTION

By Council Member McPhail:

WHEREAS, The Detroit City Council has held extensive hearings and deliberations on the 2004-2005 budget as proposed by His Honor, the Mayor; and

WHEREAS, On Monday, May 24, 2004, the Detroit City Council adopted a budget that is based on sound budgetary principles for municipalities, well reasoned financial assumptions, based on past performances, stated goals and projections for city departments, divisions and agencies, and in consideration of the profound fiscal uncertainties of the current economy and the anticipated revenue reductions from federal and state funding sources, and

WHEREAS, The Detroit City Council, has adopted a budget that incorporates the City Council's fiscal and public policy priorities to provide for improved and expanded government operations and service delivery to all communities, residents, citizens, institutions and businesses in this great city; and

WHEREAS, The Detroit City Council, in adopting its 2004-2005 Budget, has reinforced on a core set of policies, objectives and programs that are intended to result in more equitable, effective and accountable governmental operations, and to significantly reduce the City's reliance on out-side contractors performing city services while seeking to maintain full employment of City workers; and

WHEREAS, The Detroit City Council adopted its 2004-2005 Budget including reallocation, reprogramming and restructuring of \$\_\_\_\_\_ in governmental appropriations to be consistent with the budget and priorities of the City Council, including providing for increased funding for the Women's and HIV/AIDS Commission and the long needed Video/Media equipment upgrades necessary for Cable transmission all of which are under the jurisdiction of City Council; as well as funding for the Mayor's Strategic Management Center which has as one of its central missions the implementation of the Targeted Business Development Ordinance to greatly improve the creation and expansion of locally-owned, minority-owned, disadvantaged-owned and women-owned business and enterprises; and

WHEREAS, The Detroit City Council recognizes that a major funding source within the Mayor's proposed budget is the sale of \$1.2 billion dollars worth of Pension Obligation Bonds which is contemplated to reduce pressure on the general fund by funding the unfunded accrued liabilities of both the General Retirement Pension as well as the Police & Fire Pension. City Council expresses grave concerns relative to the magnitude of this increased indebtedness, and by submitting this budget, Council does not adopt the Mayor's plan to sell pension obligation bonds or certificates and does not by this resolution approve the sale of such bonds or certificates; and

WHEREAS, There are one million and five hundred thousand dollars (\$1,500,000) available within the Drug Forfeiture Fund, City Council requests that a total of six hundred and fifty thousand dollars (\$650,000) shall be placed in the police department's Explorer's Program with an allocation of fifty thousand dollars (\$50,000) from that amount to each of the City's precincts; and

WHEREAS, The Detroit City Council, through its action in amending the Mayor's proposed budget has acted to restore or add funding in areas that include:

- Full restoration of funding to the Department of Transportation to continue free bus service for the handicapped and disabled,
- Full restoration of funding for Department of Transportation to all (112) of the FTE's slated for layoffs,
- Funding of Department of Planning and Development staff derived from the General Fund and not from HUD Block Grant funds,
- Funding of ten (10) FTEs demolition staff in the Department of Buildings and Safety Engineering out of funds from the General Fund and not from HUD Block Grant Funds,
- Restoration of partial funding to the Auditor General for three (3) Auditor positions,
- Restoration of funding for the Department of Public Works to retain seventy-three (73) FTE's slated for layoffs,
- Partial restoration of funds to Health Department to retain the two (2) animal control officers and three (3) food inspectors slated for layoff,
- Funding for a Drug Free Partnership program within the Health Department,
- Funding for two (2) living wage ordinance analysts in Human Rights Department,
- Funding for two (2) City Clerk positions assigned to archival storage; and

WHEREAS, The Detroit City Council has completed its review process for the 2004-05 Community Development Block Grant (CDBG) program, including review of recommendations by the Mayor, the City Planning Commission and the Citizen Review Committee; and

WHEREAS, The City Council was presented last year with the U.S. Department of Housing and Urban Development's (HUD) "City of Detroit Management Report", which raised issues related to how the City expends HUD funding, and, more specifically, whether the funds are allocated in a manner that increases the quality of life for City residents, and to that end, stressed the need to fund fewer groups at larger amounts so that groups have adequate funding to achieve greater impact; and

WHEREAS, The HUD report also stressed the need for the Five-Year Consolidated Plan to be used as the basis for setting priorities for funding, with the highest emphasis placed on housing stabilization, new housing construction for low-income families, homeless services and prevention, services to special and/or underserved populations (especially the homeless, elderly, disabled, domestic abuse survivors, persons with AIDS, and persons with alcohol/other drug addictions), lead-based paint hazard reduction, anti-poverty measures, and economic development; and

NOW THEREFORE BE IT RESOLVED, THAT THE 2004-2005 BUDGET OF THE DETROIT CITY COUNCIL INCLUDES THE FOLLOWING BUDGETARY ACTIONS IN KEEPING WITH THE CITY COUNCIL MISSION TO PROMOTE PROCESS IMPROVEMENT IN GOVERNMENT OPERATIONS, ACCOUNTABILITY AND PROGRAMMING THROUGH THE USE OF BEST PRACTICES FOR THE BETTERMENT OF ALL RESIDENTS AND ENTITIES LOCATED IN THE CITY OF DETROIT:

**36th District Court** — Council calls for restoration of funding for the 36th District Drug Court to the previous year's level. The drug court has achieved a multitude of accomplishments and its efforts should continue to be a high priority. Families, citizens and businesses value a community that is both safe and sober. Drug prevention and rehabilitation programs play a critical role in the resurgence of our City. The drug court is a vital and important part of this work. Council is committed to working with the 36th District Court and the Police Department to ensure the continued success and viability of the drug court.

**Administrative Hearings** — Considerable time and energy has been expended in the development of the mechanics and infrastructure of this newly created department. The promised efficiencies in the enforcement and collection of fines from violators of city ordinances relative to the dumping of environment waste and other matters with the city will be welcomed. The six-month start up for the department will delay substantive action for six (6) of the new fiscal year.

Council requests that it be provided monthly analysis and reports on the number of hearings held, the demographics of those who have appeared before the Department of Administrative Hearings (e.g. resident or commercial), the average amount of fines levied, the disposition of the collection of fines (fines paid or assets seized), and the number of cases waived, dismissed, appealed.

**Auditor General** — The Auditor General has advised Council of the need to better control the cost of City government due to falling revenue projections and increased expenditures. To that end, Council reemphasizes the Auditor General's call for the development of risk management strategies to substantially reduce the City's liabilities in controllable areas such as liability claims. A central focus of the Auditor General's office is to perform independent audits of City departments and agencies. In order to professionally perform those tasks, funding was restored for three (3) auditor positions to the Auditor General's Office. Two (2) additional positions that are presently vacant were not funded.

**Buildings and Safety Engineering** — The BS&E Department will provide a monthly list of the housing inspections requested and completed; a monthly status report on housing demolition projects with the associated costs for each parcel, and a bi-annual report on the development activities or non-development activities for parcels owned by large developers who own multiple properties where there has been a track record of blight, vacancies, fires, report on citizens who have applied for nuisance abatement ... status of applications, how long in the city system, and what procedures stalled the process of the citizen receiving title/deed relative to nuisance abatement.

Given that collections from ticket violations have been projected as a component of revenue collections, Council requests that money be placed in the budget for department ticketing agents.

**City Airport** — The City Airport is an enterprise agency that receives a 2.57 million dollar subsidy plus 1.5 million dollars in fire support. Council is aware of the importance of the Airport as an economic catalyst to the business and corporate community in Detroit and surrounding areas. However, it is essential in the present austere times that the agency seek emancipation from the General Fund by expanding services and fees for such services so that the airport can become self-sufficient.

The Detroit City Airport is a great asset to the City of Detroit. The airport is currently seeking a regional carrier to provide more service to our community and as a step in securing sound financial footing. Other similarly sized airports have proven that they can thrive with a regional carrier. It is important that the airport remain operational as it seeks to secure a regional carrier and takes other steps to become economically self-sufficient.

City Council urges the airport to identify a major carrier to resume commercial passenger airport travel at the Detroit City Airport during the 2004-2005 budget year, and requests that a status report of such efforts be provided to Council on or about February, 2005.

**City Clerk** — Council has requested that funding be restored for the archival system.

**City Council** — The City Council has provided funds for the purchase of eight (8) media/video equipment upgrades. The equipment currently being used is antiquated, as it dates back to the early 1980's, and is often in need of extensive repairs, and produces inferior video/audio transmission quality. The purchase of new equipment will cost \$500,000. Funds have been provided for this purchase in Council's budget.

Council will work to facilitate special outreach efforts to connect Senior Home Repair resources with grassroots trades people who have the capacity to address senior's home repair needs, but who have been denied access to the traditional trades organizations as the result of long-term systemic inequities.

Council recognizes the need to ensure monitoring and compliance with the City's Living Wage Ordinance. Council will explore methods such as contracting with organizations such as the Living Wage Project at the Maurice and Jane Sugar Law Center to ensure monitoring and compliance with the Ordinance.

**Consumer Affairs** — Council requests that the department prioritize the protection of citizens relative to enforcement of existing ordinances such as the ordinances governing parking lots adjacent to the downtown stadiums.

**Cultural Arts & Tourism** — Rejecting the Mayor's budgetary proposal to fund three positions within the department of Cultural Affairs and Tourism, the City Council has voted to fund of the Cultural Affairs Department as it presently operates under its 2003-2004 budget. Council expects that the administration will follow the dictates of the 1997 Charter, through the appointment of the required Council of the Arts for that department. Accordingly the City Council funded the move of Eastern Market to Cultural Affairs; the restoration of Hart Plaza back to Civic Center, and Chene Park back to Recreation Department.

City Council recognizes that the per capita tax on spending for the Arts in Detroit is a small fraction of what other major U.S. cities are spending. Some efforts should be undertaken to increase grant funding to the arts and the development of a comprehensive marketing plan for local artists of all kinds and performance venues within the city particularly those venues that are owned and operated by the city.

A quarterly analysis of the tourist population and its impact on the city's hospitality industry should be provided to the legislative body. Quarterly updates on the efforts to maximize the city's natural resources in the arts and how to positively impact the city's budget by maximizing Detroit's art treasures and the arts community. Bi-annual reports on the Cultural growth and development of the city building on the City's demographic majority.

**DDA** — City Council directs its divisions, the Research and Analysis Division and the Fiscal Analyst to work with Budget, Finance, Downtown Development Authority and the Detroit Transportation Authority to explore options available for funding operations of the People Mover in subsequent fiscal years. Council divisions are to report back all findings and recommendations to City Council and the Mayor by November 30, 2004.

**DDOT** — The City is concerned that focus on the rehabilitation of this department is misplaced. The need for fundamental resolution of the problems facing this department

cannot rest on the shoulders of our disabled. We do not support punishing riders for administrative mismanagement. For future years, it will be crucial for this body in conjunction with the Administration to look carefully at this department with the goal of developing true structural reform. Structural reform geared towards streamlining the system to provide services at a real value should be the ultimate goal. Such reform is necessary as a permanent cure to an ailing system that, thus far, has been subject to a variety of temporary fixes.

The City Council is concerned about the numbers of management in various departments, and especially in this department. This is a concern that the City Council will monitor throughout the coming budget year. To address that concern, the department has stated that it will implement a new supervisory to employee ratio creating smaller teams in areas such as bus maintenance. Combative labor-management relations have persisted far too long and warrant immediate and comprehensive redress.

Council has expressed serious concerns over the proposed layoffs within the department and has restored all (110) of the FTE positions to the department's budget.

The City Council has restored funding for the continuation of free bus service for handicapped and disabled riders. The City's effort to comply with the Americans with Disabilities Act (ADA) by providing wheelchair lifts, written bus schedules in braille, etc. will be monitored by City Council through the coming fiscal year.

Council will continue to monitor actions at the department and requests that monthly reports be submitted to the legislative body on bus repairs needed, parts on order, parts received, available vehicle for transport, overtime, etc.

**Debt Service** — Council requests that it provided with a bi-annual analysis and report reflecting the long-term impact of the debt service on the projected fiscal status of the city. The analysis and report should include comparative reports of debt service strategies in place in the nation's 10 largest cities.

**Detroit Building Authority** — City Council will closely monitor contracts let by the authority to ensure that it operates within the appropriate boundaries, e.g. capital contracts set forth in Sec. 8 of Public Act 31 of 1948, the enabling legislation which provides some ability to contract for services.

**Detroit Cable Communications Commission** — The Cable Commission should endeavor to provide equal time for its government programming among the executive and legislative branches; and should utilize all available on-air hours with program material rather than postings.

**Detroit Housing Commission** — As a completely separate entity, this is no longer a city department and should be completely eliminated from any and all budgeted items, subsidy or in-kind service. The DHC should also receive an accounts payable invoice from the City of Detroit for sums owed.

**Detroit Public Library** — Council requests that proceeds from the sale of library facilities and goods through the Friends of the Detroit Public Library be provided to the library. Council further requests that the library pursue an increased emphasis on African-American Culture utilizing the natural resources and the rich demographics and culture of Detroit and a report be provided to Council on progress in this area twice annually.

**Election Commission** — Council urges the city's lobbyists to advocate with the Governor and State Legislature for a change of Michigan law to permit expanded absentee voting.

**Environmental Affairs** — The City Council will expect to receive the administration's city-wide strategy to address city-owned properties as it relates to the civil infractions bureau. This strategy is a critical element missing in the strategy, planning and presentations for a proposed Administrative Hearings Department.

**Finance** — The City Council has reinstated two (2) positions to monitor the implementation and enforcement of the living wage ordinance. This will reveal any improvements that need to be made in the ordinance, and provide the documentation for it.

**Grants Acquisition Office** — The City Council hereby requests and will expect to receive quarterly reports on the status of all grant sought, applications submitted, awards received requests denied, reports filed, renewals sought and obtained or lost.

**Health Department** — The department is requested to develop language for a city ordinance that would restrict the number of fast food franchises in the city and demand that health, nutritional fare be fully represented in all food outlets in the city in order to maintain or access approval. Council recommends that premiums be added to employees who commit to exercise, no smoking, no alcohol (compensatory time, perks, e.g.). Partial restoration of funds to Health Department retain the two (2) animal control officers and three (3) food inspectors slated for layoff.

**Historical Department** — Council requests that the historical and cultural representation of Detroit be broadened to reflect the City's ethnic population and makeup and that a report to the Council be provided on or before February, 2005.

**Human Rights Department** — The City Council has funded and will initiate and pass amendatory language to effectuate the transfer of the function of Living Wage Ordinance

Compliance from the Finance Department to Human Rights who it is believed to have the experience to assess and monitor ordinance compliance by city contractors. Council has provided funding for two (2) living wage compliance monitors in the Human Rights Department.

The City has funded and will take over the reestablishment of the Women's Commission. This should improve the ability of the commission and its staff to fully monitor and investigate contract compliance for EO 4 and EO 22, relevant purchasing ordinance requirements, the new Office of Targeted Business Development ordinance; certification of Detroit-based, Minority and Women owned companies, and to assess and monitor Human Rights compliance for entities seeking various tax abatements through the year.

The City Council is dedicated to addressing the continuing need to actively pursue a course of discussion and program implementation to improve opportunities to increase Detroit resident participation in journey persons programs. The Buildings Trades Unions must be approached by the Administration and this Council with a stronger commitment to work for immediate and lasting change within the skilled trades unions that will result in more women ... more people of color and more Detroit residents.

Council requests that it be provided with quarterly reports regarding on site visits so as to monitor and assure compliance with existing laws and ordinances.

**ITS** — The department is requested to provide a budget and implementation strategy for re-engineering the legislative process to eliminate the paper and move officials into the greater use of technology during council deliberations, at the table and within the legislative divisions.

**Law Department** — The City Council has been asked to acquiesce in the Mayor's call to reduce staff in the department that have conducted claims investigation and resolution. Claims brought against the city typically can be resolved with the expenditure of large sums that will be incurred through protracted litigation. This reduction in force should be monitored by the department to determine if any appreciable savings are being achieved.

Development of risk management expertise should be strengthened within the department and a risk management program should be developed and implemented with the program breaking out dollars and FTE's from the general departmental budget appropriation. Two attorneys should be identified as risk management experts, based on track record of success, documented legal expertise in order to minimize liability and exposure of the city in the ever-mounting settlements and pay-outs which have hamstrung the city's budget.

Council requests that it be provided with reports indicating the average payout of lawsuits city-wide and by department so as to compare such payments with the rates of lawsuit payouts in other cities.

**Mayor's Office** — City Council agrees that there is a need to analyze and reconsider management, operational and procedural activities within city agencies for improvements, and implementation of best practices and thus has funded the Mayor's proposed Strategic Manager Centers.

**Municipal Parking** — The City Council has resolved that there should be a mechanism to provide a remedy to citizens who are charged with exorbitant parking fees while conducting business in the Coleman A. Young Municipal Center. Proposed remedies could include any or all of the following: 2 hours free validated parking, installation of meters that allow 2 hour parking — rather than one hour, and a very low cost municipal parking location with free shuttle to the CAYMC.

The City Council Parking Task Force has resolved that city workers should be offered the opportunity for free parking at a location that might include Chene Park and/or Eastern Market with free shuttle to the municipal locations via shuttle busses running at peak morning drive and afternoon drive time.

**Non-Dept Capital Improvements** — Council requests that the demolition of Ford Auditorium; Riverfront Park Conservancy as possible source of the funds be explored in addition to bond appropriations for PDD low and moderate income housing and that revenue projections from the date of bonds be provided for both programs.

**Non-Departmental/Lifeline Retiree Prescription Program** — The City Council was presented with a number of pension improvement proposals from both the City Retirees Associations. Due to the condition of the budget, the immediate funding of these proposals was deferred in order to examine their actual cost and to better determine the retirees that would be served.

**Northwest Activity Center** — City Council requested that all agreements, articles of incorporation and/or bylaws be amended to provide for one person to be elected by the membership to the Board of the Northwest Activities Center. The Director of the facility agreed to this proposal and Council will monitor for progress to see that it is implemented.

**Ombudsman** — City Council requests that the contract for the student internship program should be restored.

**Overall Debt Structure** — In the Comprehensive Annual Financial Report for FY ended June 30, 2003 (CAFR), it was shown that the Interfund Receivables and Payables, Due Tos and Due Froms, that the General Fund was owed \$62,447,169. For this reason, Council requests quarterly monitoring of the Due Tos and Due Froms in the CAFR by the Auditor General along with corresponding reports to the City Council.

The City Council calls for the establishment of a Blue Ribbon Commission to analyze the overall fiscal structure of the City. In this regard, it is anticipated that this commission would provide advice and counsel to the executive and legislative branches of government in order to deal with fundamental structural financial weaknesses that have plagued this City for many years.

**Police** — City Council expresses concern regarding the ability of the department to achieve compliance with the requirements of the consent judgments entered into between the City and the U.S. Department of Justice. The consent judgments set forth explicit timelines for compliance yet many issues do not appear to have been addressed and the funding necessary to meet the federal monitor's requirements have not been established.

Concurrently, the source of funds to achieve compliance has not been detailed. Council has also been unable to have its questions answered regarding the amount of funds expended to date to achieve compliance. Council will monitor these circumstances throughout the coming year and will seek answers to its question regarding plans to achieve compliance, funding necessary to achieve compliance and the sums expended to date.

Compliance with the requirements of the consent judgments is a component of more comprehensive risk management strategies ensuring that measures are being implemented which will result in reduced exposure to litigation and subsequent settlements which drain the City's resources.

It has been proposed that the department will expend \$2.45 million in bond proceeds to bring precinct holding cells into temporary compliance with the federal monitor's recommendations regarding holding facilities. This money is proposed to be expended for items such as a fire suppression system, upgraded HVAC systems, fire doors, a smoke exhaust system and In-Cell video cameras. Issues remain as to whether this funding will address renovations bringing facilities into compliance with the National Life Safety Code. Council believes that the proposed measures are a temporary fix to a long-term problem. A permanent solution to the holding cell deficiencies must be found and short-term fixes, while necessary, should not act to delay the development and implementation of a viable long-term solution to this ongoing problem.

It has been proposed that the existing facilities at 36th District Court can be renovated as a permanent solution to the central processing and holding cell facility needs within the department. The proposed renovations would allow the City to provide the constitutionally mandated conditions of confinement for prisoners and suspects with the least financial impact on the City of Detroit. Council therefore has expressed that it require before the issuance of bonds for precinct renovations, that the department provide detailed information regarding its long term plans for compliance, responses to previously submitted questions from Council and a formal response to the Detroit Madison Center Limited Partnership Courthouse Renovation Proposal.

There has always been great emphasis on the KIDS and COPs components of the City's promotion and the need to develop positive leadership training skills in our most precious resource: the City's youth. Council requests that youth outreach programs be expanded and adequately funded and has therefore, taken money from the \$750,000 recovered through the Drug Forfeiture Fund and allocated it to the Explorers Program in every precinct. Council also urges that money obtained through the Drug Forfeiture Fund should be budgeted as special revenue.

Council requests that sensitivity training should also be implemented and monitored at all levels of the department.

City Council continues to call for meaningful civilian oversight and input of the police department and the transition of the staffing of the department to civilian positions, through an increase in civilian positions and transition from officer positions to civilian staff where practicable.

Given the prominence and importance of the City of Detroit as a major border crossing and entry gateway to the nation, the Council believes that greater resources must be allocated from the federal government in order to accomplish the objectives of Homeland Security initiatives of the nation.

Council also requests that the department take steps to ensure that vehicles and mobile units be equipped with functioning video and communications equipment.

The Detroit City Charter requires that the Police Commission review and approve the department's budget, prior to its submission and issues remain as to why the budget did not go before the Police Commission prior to its submission to Council.

**Public Lighting** — Information has come before Council regarding present inefficiencies in the department. Concerns have been raised regarding inefficiencies in the allo-

cation of personnel, the appropriation of supplies and equipment, and the delivery of services. Council expresses its concern and intention to monitor departmental actions that appear to expand outsourcing and privatization within the department.

**Public Works** — The City Council undertook to restore 73 FTE positions that the Mayor recommended for layoffs. These positions were restored to provide assurance that trash and refuse pick-up services would be maintained.

Large payouts have been made to settle lawsuits in the past five years. In an effort to reduce these payouts, Council requests that money be placed in the budget to add two mobile staff and a centralized hotline to report and address sidewalk defects.

**Retirement Systems** — City Council expresses its concern and will monitor developments regarding the issuance of pension obligation bonds/certificates to finance the unfunded accrued liabilities to the retirement systems. While recognizing the need to meet the City's obligations to these systems, questions have been raised regarding whether such debt instruments can be properly issued under existing law, how the transactions will ultimately be structured, whether the certificates constitute new debt for the City and regarding the amount of the proposed borrowing. Council does not approve the issuance of such bonds/certificates at this time but rather reserves its decision in this regard until such time as the specific plan and resolution for issuance of such bonds/certificates is brought before Council.

**Recreation** — Council urges the Administration to maintain Camp Brighton and takes steps to protect the facility from closure. Camp Brighton provides a unique environment and experience for both youth and seniors from urban Detroit that cannot be duplicated at any other location. Council also believes that it is not desirable to expand fees charged for services provided at the City's various parks and recreation facilities.

Continued resources should continue to be devoted to maintaining and upgrading the City's existing recreation facilities.

**Risk Management** — Chapter 7 of Article 9 of the 1997 Detroit City Charter provides for the creation of the Risk Management Council and charges the body with the responsibility of investigating and reporting on risk management in the City. As the Auditor General stated in his report dated May 4, 2004, "the amount of lawsuit settlement payments has increased substantially in fiscal year 2003-2004, following a three-year decline from the 1999-2000 level." Given the critical nature of the FY 2004-2005 budget and the dismal outlook for the next several years, it will be essential that the Risk Management Council expand its role to monitoring risk management activities in the City. This role should include avoiding more costly lawsuits by the establishment of risk management protocols and benchmarks at the departmental level along with integration of CitiTrak data on a city-wide basis. Simply stated, the old axiom that "prevention is the best medicine" is more than applicable to the City in this case. In this regard, the City Council will be examining the role of the Risk Management Council and will work collaboratively in order to come up with meaningful solutions through quarterly discussion with the Risk Management Council and the staff of the Auditor General.

Council calls for the City to make develop and implement meaningful risk management programs. The Risk Management Council must be empowered to meet, develop, establish and implement a meaningful risk management program across all departments of the City. Through such efforts, the City's risk exposure can be brought under control and the exposed reduced thereby contributing to the safety and health of City employees and citizens and thereby contributing to responsible financial management of the City's resources.

**Water & Sewerage** — Labor Management issues persists many of which are raised by the perception of increased prioritization of city services by outside contractors at the expense of City workers is of concern to City Council, particularly where work contracted for could be performed by existing city workers. The recently passed Privatization Ordinance and the City Charter of 1997 mandates use of city workers before contracting work out to contractors. The City Council will monitor the contracts to assure compliance with the Privatization Ordinance.

Council requests that the department reinforce customer services by responding to customer concerns, whether generated internally or externally, in a timely and professional, courteous manner. A policy of periodic follow-up with written reports should be implemented and followed to ensure that the customer concerns have been addressed and do not recur.

Contractors must be monitored to ensure that contract terms are met and that contractor's representatives and employees are delivering services to customers in a professional and courteous manner as City employees; and

BE IT FURTHER RESOLVED, That the Detroit City Council's CDBG budget funds 235 activities (of which 210 are for community groups) and clearly reflects priorities in the areas of home repair to community groups (\$3.7 million), citywide senior emergency home repair (\$3.57 million), homeless and emergency services (\$3.3 million), economic development for business assistance (\$1.97 million), and new housing construction (\$1.9 million), all of which are consistent with priorities emphasized in the Five-Year Consolidated Plan; and

BE IT FURTHER RESOLVED, That the City Council made a policy decision to reduce the amount of CDBG funds allocated for City staff (\$2.7 million reduction from Mayor's budget) and demolition (\$1 million reduction from Mayor's budget) so that more CDBG funds are available to support community-based organizations meeting critical needs for low to moderate income residents, and the City Council intends to continue to reduce the allocations in CDBG for City staff and demolition in each future year; and

BE IT FURTHER RESOLVED, That in the following months, the City Council intends to work with the Administration on a comprehensive, coordinated planning process that includes equal participation by both branches of government, that reflects the priorities of both the City Council and the Mayor and that will be the basis for writing the new 2005-2010 Five-Year Consolidated Plan, as well as the basis for allocating CDBG funds beginning in the 2005-2006 fiscal year; and

BE IT FINALLY RESOLVED, That the City Council continues to be alarmed that the City does not have a comprehensive housing strategy given current trends in demolition and the growing need for quality, affordable housing, and urges the Administration to work collaboratively to prepare and adopt such a strategy, and, at the same time, makes a commitment to prepare its own housing policy framework reflecting its housing priorities.

STATEMENT BY S. COCKREL IN OPPOSITION TO THE RESOLUTION  
AUTHORIZING THE FINANCIAL AND BUDGETARY PRIORITIES, PUBLIC POLICY,  
PLANNING AND ACTION

On Monday, May 24, 2004, I voted in opposition to this resolution on the Fiscal Year 2004-2005 budget. I am appalled at the sloppy and inaccurate information contained in the resolution and I disagree with major portions of it on public policy issues. By way of example, I offer the following factual problems:

- The City Council has not taken a position on the Pension Obligation Certificates. This language suggests that the City Council has agreed that there are **grave** concerns. This is not a correct statement. Council has not acted on this issue.
- The City of Detroit has allocated \$6,150,000 for capital improvements related to the Department of Justice consent decree compliance, not \$2.45 million as stated in the resolution. The \$6,150,000 figure is shown in the capital budget for FY 2004-2005 as well as in a report from the Budget Department dated May 7, 2004.
- The language regarding the Housing Commission appears to suggest that the Detroit Housing Commission is still in the budget when it is not.
- The Council established a Women's Commission in the Fiscal Year 2003-2004 budget. I fail to see how this commission will help the Human Rights Department monitor EO 4 and EO 22 compliance.
- The Council did not restore \$167,000 necessary for the Ombudsman's Office to continue the student internship program.
- It is my understanding that based on a report from the Budget Department dated May 20, 2004, the amount of money available for use is \$1.5 million, not \$750,000 as stated in the resolution.

Secondly, I disagree with the following public policy issues:

- I am not convinced that the Council can legally request that the Buildings and Safety Engineering Department earmark revenues for "department ticketing agents."
- I do not agree that the central issue in the Department of Transportation is "the numbers of management."
- I am unclear as to what is meant by "debt service" in the context of this resolution. Debt service is generally defined as the payment that is made pursuant to a bond sale. It is equally unclear why we would be comparing debt service strategies in the nation's ten largest cities. It would make more sense to compare bond strategies in cities that are the most similar to the City of Detroit.
- The City Council has not agreed on a parking rate strategy for visitors to the CAYMC. To my knowledge, we have been advised by the Municipal Parking Department that we cannot lower rates without a funding source because it would affect our bond rating.
- I have no recollection of the Council agreeing to develop an ordinance to limit the number of fast food franchises in the City of Detroit. Nor do I recall the Council ever agreeing to recommend that "perks" be provided to City employees for committing to exercise, not smoking and not drinking alcohol. I question the authority of this Body to request this of the Health Department.

I voted in opposition to the resolution because I have differences of opinion on the public policy issues presented therein and because of the various factual errors.

Council Member McPhail moved adoption of the resolution, which motion prevailed as follows:

#### STATEMENT BY COUNCIL MEMBER S. COCKREL IN OPPOSITION TO THE COMMUNITY DEVELOPMENT BLOCK GRANT BUDGET

On Monday, May 24, 2004, I voted in opposition to the Community Development Block Grant (CDBG) budget. For the FY 2004-05 budget, the hallmark of the CDBG process has been an overall lack of procedure, structure, strategy or direction. Instead, the CDBG budget is permeated with favoritism amounting to a loose collection of personal agendas that can ultimately, only be characterized as a political pork barrel.

Over time, the City Council had agreed to *de facto* guidelines to bring some semblance of order to the CDBG process. Given the dire financial situation of the City this year, efforts were made to develop strategies to even-handedly allocate CDBG funding. The United States Department of Housing and Urban Development (HUD) had issued a monitoring review of HUD programs in the City of Detroit. In its review, HUD had indicated that it is necessary for the City to eliminate unwieldy bureaucracy and to focus funding on fewer projects with an eye towards creating a complete and visible turnaround.

The guidelines were not followed. Strategies were cast aside. The message of HUD went unheeded. As a result, we are left with a CDBG budget that shamefully ignores all the principles of fairness and order. We are left with a CDBG budget that is not integrated with a comprehensive plan designed to focus funding in order to create visible and self-sustaining change.

During the hearings on the CDBG funding, there were many groups that were qualified under our guidelines in order to receive funding. For inexplicable reasons, certain other groups that had received funding for years, yet offered no visible results, are receiving continued funding. In order to build up the vitality of this City, this Body needs to follow its own rules, adhere to sound principles of public policy and commit itself to making the hard decisions. These things did not happen for the FY 2004-05 CDBG budget and for all these reasons, I voted no.

#### STATEMENT BY COUNCIL MEMBER S. COCKREL REGARDING NO VOTE ON THE FISCAL YEAR 2004-2005 CITY COUNCIL BUDGET

After careful consideration and thought, I am voting no on the Fiscal Year 2004-2005 Budget as voted on by the City Council. I believe in many of the priorities that have been set by the Mayor and the City Council. However, I do not believe that the City Council engaged in the level of deliberation and debate on the public policy assumptions at the foundation of this budget. Furthermore, I am not convinced that to arrive at the conclusion that cuts to the General Fund of 5.5% to Operating Supplies, 1.5% Operating Services and 5% to Contractual Services was a reasonable action.

I do not believe that across the board cuts are a good policy approach. I believe that it is imperative that Council members be at the table during Executive Sessions. This year's Executive Session can only be characterized as unnecessarily confusing. I believe that many of the decisions that were made were done without the level of scrutiny that thoughtful budget decisions require.

I must acknowledge how difficult it is for those City employees who face layoffs. There are families who will suffer. There may be individuals who will find it extremely difficult to find comparable employment. It is a serious blow to one's self-esteem to be "let go." Our City has the highest unemployment rate in the state and we must never forget those among us who have given up looking for work and continue to live in despair. Yet even with this acknowledgement, we cannot avoid the reality that layoffs are a part of the budget just as they were in last year's budget.

Secondly, I believe that it is long overdue for this Council to face the fundamental structural fiscal problems that our City government must grapple with. We cannot ignore the fact that residents continue to vote with their feet. 34,000 Detroiters have left the City in the last four years according to SEMCOG data. There is a 16% delinquency rate in tax collections. We must look at all aspects of City services and set priorities for the provisions of services for a City with a population that is slightly over 900,000.

As a City Government, both Executive and Legislative branches must come together to fashion a vision and a plan for our City's fiscal health. To continue with a "Business as usual" adversarial approach of Mayor vs. Council will only serve to exacerbate the structural problems that we face.

**2004-2005 CITY COUNCIL  
BUDGET ADDRESS  
Maryann Mahaffey, President  
May 24, 2004**

**INTRODUCTION**

By any measure, this budget year was challenging. While City Council deliberations over our continuing fiscal woes have seemed like a broken record in the past several years, in reality it signals a broken fiscal structure.

Detroit's 2004-2005 fiscal year budget has a fundamental problem: expenditures are increasing faster than revenues. Like many, if not most cities, Detroit faces a \$333 million shortfall. The reasons for this deficit are complex.

In his budget message, Mayor Kilpatrick examined the soaring increases in health care benefits and pensions costs. He also clearly pointed out that declines in our property and income tax revenues and state revenue sharing funds have a devastating impact on our ability to generate funds for services.

A study commissioned by the Michigan Municipal League shows that in Michigan, since 1994, the difference between taxable and state equalized value has become substantial. In Detroit, we've lost more than one-third of our state equalized value to our taxable base. The report goes on to state that two constitutional amendments, the Headlee Amendment and Proposal A, have had adverse effects on property tax revenue collections for local governments. It states:

"Property taxes and state shared revenue are the major revenue sources for the General Fund of local governments. While local governments supplement those resources with fees and charges for services, there are limitations and restrictions on the amount of fees and charges that local governments can enact...the municipal finance model is broken. Absent changes, local governments are on a financial collision course."

Our deficit is caused by other budget decisions made at the state and federal levels as well.

In addition to cuts in revenue sharing funds, we are also hurt financially by other fiscal policies enacted at the state level. The Center on Budget and Policy Priorities predicted in 2000 that if the State implemented multi-year tax reductions, Michigan's budget stabilization fund would be quickly exhausted and a budget deficit approaching \$1 billion would occur. Unfortunately, their prediction proved somewhat optimistic.

According to the Michigan League of Human Services, virtually the entire \$1.46 billion deficit projected for FY 2005 is attributable to revenue losses directly related to three multi year tax reductions. We need to stop the rate reductions if we want to preserve the long term fiscal health of the state and consequently, our city.

On top of our national loss of more than 700 soldiers killed and more than 4,000 wounded in action, and the thousands of Iraqi civilians who have been killed and maimed, the Bush Administration has spent more than \$150 billion for war in Iraq. For his newest \$25 billion request, Michigan taxpayers' share will total \$775.4 million, according to the National Priorities Project.

To compensate for this increased military spending and tax cuts totaling almost half a trillion dollars to the richest one percent of Americans, President Bush is making deep social spending cuts in his budget. Under Bush's proposal, state and local budgets will suffer a \$6 billion shortfall, according to Cities For Peace and other watchdog organizations.

The amount of aid that Detroit receives from the federal government has declined substantially, both in total dollar amount and as a percent of the total city budget. In 1980, federal source revenues of \$392.9 million accounted for more than 26% of the total city budget. By 2003, federal source revenues accounts for only 6% of our total city budget.

These unsound national domestic budgetary priorities have resulted in record-breaking budget deficits now faced by most states and major cities across the country.

It is clear why we face the dire financial situation that we do now. What is important is how we will achieve fiscal stability.

#### **“THE BIG PICTURE” BUDGET ISSUES**

City Council thus began its work under difficult circumstances with a challenging mandate. Ultimately the budget that we approved reflects the priorities and preferences that resulted from a democratic process of review, debate and compromise.

#### ***Calling for a vision and strategic plan:***

We recognize the city must balance its budget annually, but agree with the Auditor General that the continuing reliance on short term fixes, “gap closing” by any means possible, is fundamentally flawed. Borrowing money through deficit bond funding does not increase revenue and overall financial capacity. When resources are limited, it’s even more imperative that our most important, highest priority needs are identified and met through careful, strategic planning. We must grow our way out of budget crises that will recur again and again unless we approach them with policies that are fair, forward looking and consider long term strategies as well as short term remedies.

City Council joins with the Auditor General and others in calling upon the Mayor to present a strategic plan for allocating our resources. Setting goals and priorities should drive the budget process, not follow it. City Council, labor and community participation in shaping this plan is critical.

One essential part of any strategic plan is a viable risk management policy. Risk management fund liabilities are continuing to grow. As our Auditor General points out, the city has not yet adequately identified and addressed the causes of damage, liability and workers compensation claims against the city. We must analyze and address these problems if we are serious about gaining financial balance.

#### ***Our Living Wage Ordinance:***

In 1998 more than 80% of Detroiters voted to pass a Living Wage Ordinance. The ordinance was enacted into law by the City Council. Since the passage of this ordinance, the City Council has funded positions for Living Wage monitors within the Finance Department. For the past two years, City Council has taken actions to restore these positions after the Mayor proposed to eliminate them. We have questioned the Administration repeatedly about why the positions have never been filled.

It has become obvious that the Administration is not serious about implementing the Living Wage Ordinance which is expressly intended to “improve the lives of working people and their families by requiring employers that contract with the City...to pay their employees a wage sufficient to meet basic subsistence needs.”

Refusing to fund these positions and enforce the ordinance puts the city at risk.

The responsible action would be to minimize our exposure to lawsuits, commit to fair wages for workers and families in Detroit, and enforce the ordinance. Toward these ends, the City Council has once again provided funding for two Living Wage monitor positions. We must comply with this ordinance. We will be watching.

#### ***Consumer Affairs Department:***

For many years the Consumer Affairs Department has been the first line of defense for Detroit residents. According to the City Charter, this department is charged with developing programs for consumer protection, enforcing laws and ordinances, prohibiting fraudulent or dishonest business practices.

In 2002, the Mayor proposed to eliminate the Consumer Affairs Department. His proposal was unanimously rejected by City Council. In 2003, the Mayor once again proposed the department’s elimination and Council once again rejected his proposal.

Despite Council’s actions, the Mayor has in effect decimated the Consumer Affairs Department by separating the licensing and permits, weights and measures and consumer advocacy functions and spreading them into three other departments. Other important programs within the Department have been completely eliminated.

Consumer Affairs plays a pivotal role in the protection of our citizens. This department must remain whole in order to carry out its duties effectively. We have taken the matter to court and are awaiting final judicial action. In the meantime, we are fully restoring funding for an intact Consumer Affairs Department. We urge the Mayor to abide by the City Charter.

#### ***The Detroit Housing Commission Is Separate:***

On June 17, 2003, the Michigan Supreme Court issued a final decision, in essence stating that the Detroit Housing Commission (DHC) is a completely independent and separate authority. Reluctantly, the City Council has accepted this final ruling of the Michigan Supreme Court.

Following this ruling, the Detroit City Council was told by the Administration and Housing Commission that rather than immediately terminate all employment and other service connections, a plan for how the Commission would be provided with Public Lighting, Human Resources, Police, Public Works, Water and Sewerage, and ten other

departmental services would be present to City Council. The Administration also stated that the plan would include provisions for continuing to supply Housing Commission employees with health and pension benefits. This plan, or Memorandum of Agreement, has yet to be presented.

In the meantime, City Council moved to save many housing employees from pending layoffs during the 2003 holiday season, by subsidizing the DHC in the city budget. It has passed a total of three resolutions, extending the time to allow documents to be drafted, in order not to disrupt the functioning of the DHC. In spite of Council's efforts to cooperate with the Administration and Housing Commission, the Director of the Detroit Housing Commission refused to appear at a scheduled budget hearing before the City Council.

The Detroit Housing Commission has acknowledged indebtedness in the amount of \$18 million relative to services and benefits previously provided by the City of Detroit.

We are concerned that without a Memorandum of Agreement, the DHC will continue to perpetuate the situation where the city is forced to subsidize this allegedly independent entity.

Accordingly, albeit painfully, the Detroit City Council has announced its intention to pass no more resolutions to continue benefits and services and maintain the status quo. We are also directing the Law Department to implement a plan for re-payment of the \$18 million debt by July 1, 2004.

#### **READY, SET...ACTION!**

During its budget deliberations, City Council never lost sight of the day to day quality of life issues that are so important to every Detroit.

We adopted a budget that starts with these guiding principles:

- The budget would not be balanced on the backs of people with disabilities who depend on buses for transportation to get to and from their jobs and doctors' offices and other necessary appointments;

- Restore layoffs of city employees who work for relatively low wages, live in our city and pay taxes. Retaining our work force prevents privatization of work that can be done more effectively and efficiently in-house. Indianapolis was the flagship of privatization of municipal services. In the last few years, they have taken the work back in-house to allow for greater accountability, more control over the hiring process and cost savings.

- Restore critical services and programs without setting unrealistic revenues, and by finding sources of funding through cost cutting actions.

#### **"NO!" To Bus Fare Increase For People With Disabilities:**

For starters, we resoundingly said "NO!" to a DDOT bus fare increase for people with disabilities. We listened to citizens who told us that if the fares were increased, then people with disabilities who ride the buses would be forced to reduce their very limited budgets by over \$60.00 per month to survive. Many of them receive only SSDI or other Social Security Benefits. They would have to decide between food, recreation, medication and being trapped in their homes because they would have no other access to inexpensive, safe transportation.

To add insult to injury, to require people to pay for services they don't even receive, is grossly unjust. Half of our city buses do not have operable wheelchair lifts.

Therefore, City Council is rejecting this DDOT fare increase until the mismanagement in that department identified by the Mayor is corrected. We say "no!" until DDOT service is reliable, safe and meets Americans with Disabilities Act requirements. Our most vulnerable citizens will not be utilized as revenue generating consumables.

Last year, City Council raised regular bus fares. Maintaining those fares at the new rates hinged upon whether DDOT would comply with specific conditions laid out in our 2003-2004 closing budget resolution. The department has not fully met these conditions. They have made some headway by complying with eight out of thirteen of those required. Given the poor fiscal shape of the city and the department's efforts to comply, City Council left these fare increases in effect.

#### **Saving Jobs:**

Another high priority for City Council was to restore as many of the 377 positions eliminated from the Mayor's budget as possible.

We are recommending shifting less than five percent of the allocations proposed for professional contractual services, operating supplies and services appropriations to restore 204 jobs.

Employees in the Department of Transportation came under fire in the Mayor's budget. Accusations of a lack of productivity and efficiency were aimed at the department's mechanics. Citizens who ride city buses know all too well they are in regular need of repair and maintenance. Reducing the number of employees who fix these buses would sacrifice safety, reliability and cleanliness for the sake of ... what?

We will not allow blame for the city's budget problems to be laid at the feet of the workers who serve our city every day. For this reason, we have restored funding for all 112 positions that were threatened in the Department of Transportation.

The Mayor proposed to eliminate 73 jobs in the Department of Public Works. City Council restored all of them. DPW plays a key role in affecting the quality of life for every resident, every business and every neighborhood in Detroit. Employees in DPW work hard to provide a safe and clean environment for our citizens.

As we prepare to tear down abandoned commercial structures and make street scape improvements downtown for the 2006 Super Bowl, we must not forget about those who live and work here, now, and will continue to be here after the Super Bowl leaves town.

In recent years, there has been a steady increase in the number of complaints City Council receives about stray dogs. The Postmaster General has ongoing complaints about the dangerous conditions and even attacks on mail carriers by an unprecedented number of stray dogs. Many people are also disturbed by unsanitary conditions in food service establishments. To address these concerns, and hopefully curtail future complaints, City Council restored two animal control officers' and three environmental control inspectors' positions in the Department of Health.

City Council restored all ten positions in the Buildings Safety and Engineering Department that were slated for elimination. Because these inspector positions are revenue generating, we were able to do so at no additional cost. Housing inspectors help to stabilize our neighborhoods through code enforcement.

#### **ADDITIONAL BUDGET ITEMS:**

We looked for ways to use money that once contributed to the destruction of communities and lives for positive uses. City Council earmarked \$1.5 million of drug forfeiture funds to support drug prevention programs for youth. Fifty thousand dollars in every police precinct will now be available to set up Explorer programs to train youth in the field of law enforcement.

To further support drug treatment and prevention programs, City Council added \$250,000 to the Health Department for the Partnership for a Drug Free Detroit. The Partnership for a Drug Free Detroit serves as the primary organizer for groups dedicated to the rehabilitation for our community and has successfully married efforts in recovery, law enforcement and prevention. Over the years, many citizens have turned to the Partnership when they had nowhere else to turn and began the lifelong journey to recovery.

City Council is delighted to approve the Mayor's request for \$2.32 million to create the Department of Administrative Hearings. Its mission is to improve the physical condition of the city by expediting the adjudication of municipal civil infractions. We are pleased that the municipal civil infractions *ordinance enacted by this honorable body is finally on its way toward implementation.*

In fact, City Council accepted all of the new hires proposed in the Mayor's budget, except for one second deputy director position. We also agreed to fund in entirety the Strategic Management Center and Program Management Office. The Grants Acquisition office and the Office of Targeted Business have been moved into the Strategic Management Center. We anticipate seeing progress in obtaining greater financial health as a result of these divisions' activities.

#### **CDBG — A Program with Direct Benefits For Our Neighborhoods:**

Last fall, the City Council began review of a proposal by the Planning and Development Department (PDD) to restructure the entire Community Development Block Grant (CDBG) funding process. The City Council brought community activists and leaders to the table to review the plan.

After many hours of debate, and after also reviewing the HUD monitoring report, City Council determined that PDD's proposal fell short in two significant ways. It would have greatly minimized the community's involvement and City Council oversight, particularly in the review of grant applications. And, it did not sufficiently address the administrative issues raised by HUD.

We did agree with PDD that establishing needs and priorities to guide the allocations process was important. We also took care to adopt criteria to ensure that issues raised by HUD would be adequately addressed.

We look forward to working with the Administration on a long term planning process to continue to make improvements to the CDBG program. We recognize the need to reform the way we utilize these federal funds to make a greater positive impact on the quality of life in our city.

The City of Detroit has chosen to fund many staff positions in a variety of departments/divisions with CDBG dollars for many years. The Mayor proposed using more than 40% of the next fiscal year's block grant dollars to fund staff. The City Council disagreed, determining instead that CDBG is a program specifically designed to provide funding for direct services and benefits to city residents. We funded some staff positions using block grant money, and successfully found funds in the General Fund budget to pay for all of the remaining staff positions.

Incredibly, since 1986, the City of Detroit has spent more than \$212 million for demoli-

tion activities! Our demolition policies continue to trigger many questions and issues for debate. There is no question that the need to remove blighted structures in neighborhoods is great, and must be met. There is also a need to lay out a concrete plan for *preserving* houses and *preventing* demolition as well. City Council funded the demolition program for \$7.5 million, a slightly lesser amount than the Mayor proposed.

Consistent with our stated priorities of housing and home repair, City Council allocated CDBG funds to nearly forty groups for home repair and new construction. An area of great need is emergency home repair for senior citizens; we provided more than three million dollars for this effective program. We provided money for many excellent homeless services providers, lead prevention and remediation, transportation, and youth education programs.

To meet a major HUD concern about the impact of CDBG funding decisions, City Council provided groups who requested funds for public facility rehabilitation with enough money to enable them to complete their projects.

We created a line item for domestic violence shelters to ensure adequate and stable future funding. Two hundred twenty five thousand dollars was appropriated for Interim House and \$200,000 was allocated for Women's Justice Center.

We are indebted to the thousands of people who relentlessly endeavor to make our neighborhoods beautiful, our streets safe, our youth educated and protected, and our lives richer. That's what the Neighborhood Opportunity Fund and Block Grant programs are designed to do, and we are pleased to further these efforts with \$52 million of federal CDBG funds.

**WE COULD NOT HAVE DONE THIS WITHOUT THE HELP OF SO MANY:**

Every year during this demanding period, dedicated city staff and community leaders devote long hours and contribute valuable insights.

All of us on City Council are indebted to the hundreds of concerned Detroiters who spoke to us about their budget priorities at our public hearings, in letters and phone calls.

We are grateful to our city employees and the unions that represent them, and for their expertise in how to deliver city services efficiently and effectively.

We are thankful for our City Clerk, Jackie Currie, and all of the skilled and patient committee clerks.

We greatly appreciate the cooperation, input and efforts of Mr. Roger Short, Mr. Sean Werdlow, Mr. Eddie McDonald, Ms. Shannon Holmes, Ms. Ashante LaDille and all of their respective staffs.

The Ombudsman, Mr. John Eddings, and Auditor General, Joe Harris, never fail to illuminate and enlighten all of us about important budget policies and implications. Thank you for your work and or the work of your staffs, as well.

Our division staff have, as usual, knocked themselves out. We simply could not have completed our budget deliberations without the incredibly hard working and talented staffs in the City Planning Commission, Fiscal Analysis, and Research and Analysis, divisions. Thank you for your commitment and perservance.

And last but not least, we would like to recognize and give thanks to the staffs of individual Council Members.

### COMMUNICATIONS Finance Department

May 10, 2004

Honorable City Council:

Re: Request to adopt the Resolution authorizing an Installment Purchase under the existing GE Capital Master Lease Agreement dated February 27, 1998 between the City of Detroit and GE Capital.

We are prepared to proceed with financing quarterly the acquisition and installation of copiers to be utilized by Finance, Water and Sewerage, Human Rights, Human Resources, Historical, Health and Fire Departments. The financing will allow the City to raise approximately \$540,000 for the equipment. While various financing alternatives were considered (including the issuance of bonds), we have determined that the most cost effective option for financing the equipment is through GE Capital Corporation.

The attached Resolution will authorize the City to execute Equipment Schedule No. 014 (also attached) under the existing Master Lease Agreement dated February 27, 1998 between the City and GE Capital.

Adoption is respectfully requested with waiver of reconsideration at your scheduled formal session.

Respectfully submitted,

SEAN K. WERDLOW

Finance Director

By Council Member Collins:

Whereas, The City of Detroit (the "City") proposes to enter into agreements with Xerox Corporation, Commercial Business

Services, Ricoh Business Systems and Millennium Business Systems (the "Agreements"), providing for the acquisition and installation of 30 leased copiers to be located in the offices of the Finance, Water and Sewerage, Human Rights, Human Resources, Historical, Health and Fire Departments at various locations within the city (the "Property"); and

Whereas, It is determined to be necessary and desirable and in the best interest of the City that the acquisition and installation of the Property be financed by an installment contract authorized under the provisions of Act No. 99, Public Acts of Michigan, 1933 as amended, and more specifically by the acquisition and installation of the Property pursuant to an installment contract identified as a Master Lease Agreement (the "Lease"), dated as of February 27, 1998, between the City and GE Capital Public Finance, Inc. (the "Lessor"), and Equipment Schedule No. 014 to be attached thereto relating to the Property, in the aggregate principal amount not to exceed \$540,000 (the "Schedule" and together with the Lease, collectively the "Contract"); and

Whereas, The aggregate outstanding balance, exclusive of interest, of all purchases made by the City pursuant to Act 99, including the Contract, does not exceed 1-1/4% of the taxable value of the real and personal property of the City.

Now, Therefore, Be It Resolved, That

1. It is hereby found to be necessary and desirable for the City to finance the cost of the acquisition and installation of the Property in the aggregate principal amount not to exceed \$540,000 pursuant to the terms and conditions of the Contract.

2. (a) The Lease is hereby ratified and confirmed. The Schedule shall be dated the date of delivery thereof. The interest rate on the interest portion of the rental payments to be made by the City under the Contract shall not exceed 4.50% per annum as shall be determined by the Finance Director at the time of the execution and delivery thereof. The Contract shall be payable in rental payments, consisting of both a principal portion and an interest portion, on such dates and in such years and amounts as shall be determined by the Finance Director and set forth in the Schedule at the time of the execution and delivery thereof; shall be in the aggregate principal amount not to exceed \$540,000 as shall be determined by the Finance Director and set forth in the Schedule at the time of the execution and delivery thereof; and may be prepaid on such dates and in such years and upon the payment of a prepayment fee, if any, as shall be determined by the Finance Director and set forth in the Schedule at the time of the execution and delivery thereof. Notice of any such pre-

payment shall be given as provided in the Contract.

(b) In making the determinations set forth in (a) above, the Finance Director shall be limited as follows:

(1) The first rental payment under the Schedule that contains a principal portion shall be due not later than July 1, 2004, and the final rental payment under the Schedule shall be due not later than June 30, 2009.

(2) The amount of the principal portion of the rental payments due under the Schedule in any one year shall not exceed \$120,000.

2. The Mayor and the Finance Director are hereby authorized to enter into the Schedule in substantially the form presented to the City Council (upon which form the City Clerk shall indicate the date of adoption of this resolution), with such changes thereto as are approved by the Finance Director, consistent with the terms of this resolution and not materially adverse to the City. The Schedule shall be executed with the facsimile signature of the Mayor and the manual signature of the Finance Director and shall have the seal of the City impressed or imprinted thereon. The approval of such changes by the Finance Director shall be conclusively evidenced by his signature on the Schedule. The Schedule may be executed in counterparts, each of which shall be

an original and all of which shall constitute but one and the same instrument.

3. Except as provided in Section 4.2 of the Lease, the obligation of the City to make rental payments to the Lessor as provided in the Contract shall be absolute and unconditional in all events; provided, however, nothing contained herein or in the Contract shall limit the rights or remedies of the City under the Agreement.

4. The City covenants to comply with all provisions of the Internal Revenue Code of 1986, as amended (the "Code"), necessary to maintain the exclusion of the interest portion of the rental payments due on the Contract from gross income for federal income tax purpose.

5. The Mayor, the City Clerk, the Finance Director and other officers of the City as may be necessary are each hereby authorized to execute and deliver such documents, instruments and certificates as are necessary or desirable to consummate the described transaction and to maintain the exclusion of the interest portion of the rental payments due on the Contract from gross income for federal income tax purposes.

6. The useful life of the property is determined to be five (5) years and upwards.

7. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution are rescinded.

Honorable City Council:

Re: Resolution Authorizing the Issuance and Sale of City of Detroit, Self-Insurance Bonds (Limited Tax General Obligation).

The attached Resolution authorizes the issuance and sale of approximately \$65 million of Self-Insurance Limited Tax General Obligation Bonds to fund a deposit to the Risk Management Fund.

It is anticipated that the sale will occur in late June. Bond Counsel has prepared the attached Resolution and I recommend its adoption by your Honorable Body, with waiver of reconsideration, at your next formal session.

Respectfully submitted,  
SEAN K. WERDLOW  
Chief Financial Officer

By Council Member Collins:

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DETROIT, COUNTY OF WAYNE, STATE OF MICHIGAN, AUTHORIZING THE ISSUANCE BY THE CITY OF DETROIT OF NOT TO EXCEED \$65,000,000 SELF-**

**INSURANCE BONDS (LIMITED TAX GENERAL OBLIGATION), SERIES 2004 FOR THE PURPOSE OF FUNDING THE RISK MANAGEMENT FUND OF THE CITY ESTABLISHED FOR THE PURPOSE OF DEFRAYING LOSSES FOR WHICH INSURANCE COVERAGE COULD BE PROVIDED BUT FOR WHICH THE CITY HAS DETERMINED TO SELF INSURE; AUTHORIZING INTEREST RATE EXCHANGE, SWAP, HEDGE OR SIMILAR AGREEMENTS RELATED TO THE BONDS HEREIN AUTHORIZED; AND AUTHORIZING AND DELEGATING TO THE FINANCE DIRECTOR THE AUTHORITY TO MAKE CERTAIN DETERMINATIONS AND TO TAKE CERTAIN ACTIONS IN CONNECTION WITH THE SALE AND DELIVERY OF SAID BONDS AND TO NEGOTIATE ONE OR MORE INTEREST RATE EXCHANGE, SWAP, HEDGE OR SIMILAR AGREEMENTS.**

WHEREAS, Act 279, Public Acts of Michigan, 1909, as amended ("Act 279") and the City Charter of the City of Detroit, County of Wayne, State of Michigan (the "City") authorizes the City to issue bonds for any purpose permitted by law; and

WHEREAS, Section 513 of Act 34, Public Acts of Michigan, 2001, as amended ("Act 34") authorizes the City to borrow money and issues its general obligation bonds for the purpose of establishing funds, reserves, or accounts in amounts determined by the City to defray losses for which insurance coverage could be provided by an insurer but for which the City has determined to self-insure; and

WHEREAS, Act 34 authorizes the City to issue its general obligation bonds to establish self-insurance bonds, without a vote of the City's electors, and to irrevocably pledge the limited tax, full faith, credit and resources of the City for the prompt payment of the principal of and interest on the bonds; and

WHEREAS, Act 279 authorizes the City to issue its general obligation bonds to the establish self-insurance funds without requiring notice to the City's electors or providing a right of referendum on the issuance of such bonds; and

WHEREAS, The City Council deems it advisable and necessary at this time to

authorize the issuance of one or more series of general obligation self-insurance limited tax bonds of the City (the "Bonds"), in an amount not to exceed \$65,000,000 and bearing interest at fixed and/or variable rates of interest as determined by the Finance Director of the City (the "Finance Director") within the parameters of this Resolution and confirmed by the Finance Director at the time of sale of such bonds in an Order of the Finance Director (a "Sale Order"); and

WHEREAS, Based on the recommendation of the Finance Director, the Council has determined to sell the Bonds by negotiated sale to the underwriters (the "Underwriters") to be named in a Bond Purchase Agreement (the "Bond Purchase Agreement") between the City and the Underwriters, who shall be represented by such underwriter or underwriters determined by the Finance Director in the Sale Order (the "Representative"); and

WHEREAS, The Underwriters intend to solicit offers to purchase the Bonds by distributing a preliminary official statements (together with any supplements thereto, a "Preliminary Official Statement") and a final official statement (together with any supplements thereto, an "Official Statement"); and

WHEREAS, The Representative on behalf of the Underwriters will submit to the City, through the Finance Director, a proposed offer to purchase the Bonds as shall be detailed in the Bond Purchase Agreement; and

WHEREAS, The Representative will require, as a condition precedent to purchasing the Bonds, that the City agree to provide continuing disclosure as required by Section (b)(5) of Rule 15c2-12 promulgated by the Securities and Exchange Commission under the Securities and Exchange Act of 1934, as amended; and

WHEREAS, The Council desires to authorize the public distribution of the Preliminary Official Statement and the Official Statement in connection with the offering for sale of the Bonds; and

WHEREAS, Pursuant to the authority of Section 317 of Act 34, and in order to more effectively manage debt service on all or a portion of the Bonds and/or any other outstanding general obligation bonds of the City, the Council deems it advisable to authorize the Finance Director to negotiate one or more interest rate exchange or swap, hedge or similar agreements (each an "Interest Rate Exchange Agreement") with such qualified providers as determined by the Finance Director, if economically advantageous to the City, the form of which Interest Rate Exchange Agreement shall be presented to the Council for approval; and

WHEREAS, Pursuant to the authority of Section 315(1)(d) of Act 34, the Council desires to delegate to the Finance Director

the authority to make certain determinations with respect to the Bonds and the Other Outstanding Bonds, within the parameters of this Resolution and to authorize the Finance Director, among other things, (i) to determine the principal amounts of the Bonds to be issued on a fixed or variable interest rate basis and tax exempt or taxable basis, (ii) to determine the interest rate provisions, tender and other requirements for Bonds issued on a variable rate basis; (iii) to negotiate the terms for the sale of the Bonds with the Representative; (iv) to cause the Preliminary Official Statement and the final Official Statement for the Bonds to be prepared and circulated; (v) to file an application for approval by the Department of Treasury to issue the Bonds, and to make such other filings and to pay any post issuance fees to the Department of Treasury as required by Act 34 with the Michigan Department of Treasury under Act 34 for authorization or approval, all as the Finance Director deems advisable; (vi) to negotiate the terms for a letter of credit or other credit enhancement to secure payment of all or a portion of the Bonds; (viii) to negotiate the terms of a remarketing agreement, auction agent agreement, broker-dealer agreement or such other agreements as may be necessary to accomplish the sale and delivery of the Bonds as determined by the Finance Director within the parameters of this Resolution, (viii) to negotiate Interest Rate Exchange Agreements with the provider or providers thereof, if economically desirable, in connection with any Bonds issued on a variable or fixed rate basis; and (ix) to take such other actions and make such other determinations as may be necessary to accomplish the sale and delivery of the Bonds and transactions contemplated by this Resolution as shall be confirmed by the Finance Director in the Sale Orders.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF DETROIT, WAYNE COUNTY, MICHIGAN, PURSUANT TO THE CITY CHARTER, ACT 34 AND ACT 279 AS FOLLOWS:

#### ARTICLE I

#### **ARTICLE II DETERMINATIONS**

Section 201. Finding, and Declaration of Need to Borrow. The Council hereby finds and declares that it is necessary for the City to borrow hereunder such sum as shall be determined by the Finance Director not in excess of \$65,000,000 and to evidence such borrowing by the issuance of the Bonds not in excess, in aggregate principal amount, of such amount (the "Maximum Aggregate Principal Amount"), in minimum denominations of \$5,000 or such greater minimum denominations as determined by the Finance Director, pursuant to and in accordance with the provisions of Act 34 and Act 279, for the purpose of funding the Risk Management Fund previously established by the City for the purpose of defraying losses for which insurance coverage could be provided by an insurer, but for which the City has determined to self-insure, to establish a reserve fund to secure payment of principal of and interest on the Bonds in an amount not exceeding the maximum amount of principal and interest coming due on the bonds in any fiscal year, if necessary, to provide for a discount of not to exceed 10% of the principal amount of the Bonds and to pay legal, financial, accounting, printing and other expenses related to the issuance of the Bonds, all as finally confirmed by the Finance Director in the Sale Order.

Section 202. Declaration of Borrowing. The City shall borrow, under this Resolution on the authority of and in accordance with the provisions of the Charter, Act 34 and Act 279, a sum not to exceed the Maximum Aggregate Principal Amount and each series of the Bonds to bear interest on a fixed and/or variable rate and tax-exempt or taxable basis as provided herein and in the Sale Order, and the City shall issue the Bonds as hereinafter provided and as finally confirmed by the Finance Director in the Sale Order.

#### **ARTICLE III AUTHORIZATION, REDEMPTION AND ASSIGNMENT OF THE BONDS**

Section 301. Authorization of Bonds and Pledge. (a) The City hereby authorizes the issuance of the Bonds in such series in such principal amounts as shall be confirmed in the Sale Order, not in excess of the Maximum Aggregate Principal Amount in accordance with Section 302. The Bonds shall be general obligations of the City, and the limited tax, full faith, credit and resources of the City are hereby irrevocably pledged for the prompt payment of the principal of and interest on the Bonds. The City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in the case of insufficiency thereof, from the proceeds of an annual levy of *ad valorem* taxes on all taxable property in the City, subject to applicable constitutional, statutory and charter tax rate limitations.

(b) Bonds of the City aggregating the principal amount of not to exceed Sixty-Five Million Dollars (\$65,000,000), shall be issued for the purposes of (a) funding a deposit to the Risk Management Fund previously established by the City for the purpose of defraying losses for which insurance coverage could be provided by an insurer, but for which the City has determined to self-insure, (b) to pay capitalized interest on the Bonds, as determined by the Finance Director at the time of sale, and (c) to pay costs of issuance for the Bonds. Unless issued in more than one series as determined by the Finance Director in the Sale Order for such series and designated as provided in Section 302(a) hereof, the Bonds shall be designated "SELF-INSURANCE BONDS (LIMITED TAX GENERAL OBLIGATION), SERIES 2004" (the "Bonds").

Section 302. Designations, Dates, Interest Rates, Maturities, Redemption and Other Terms of the Bonds.

(a) The Bonds of each series shall be designated as provided in Section 301 and may bear such later dates and additional or alternative designations as the Finance Director may determine in the Sale Order, shall be issued in fully registered form and shall be consecutively numbered from "R-1" upwards, respectively, unless otherwise provided by the Finance Director in the Sale Order. The Bonds shall be dated and issued in such denominations, all as determined by the Finance Director and confirmed by the Finance Director in the Sale Order.

(b) The Bonds of each series shall mature on such dates and shall bear interest at such rates on a fixed and/or variable and tax-exempt or taxable basis not exceeding the Maximum Interest Rate, payable on such dates as shall be determined by the Finance Director and

confirmed by the Finance Director in the Sale Order. Unless otherwise provided by the Finance Director in the Sale Order, interest on the Bonds shall be calculated on the basis of a 360 day year consisting of twelve, 30 day months.

(c) Unless otherwise provided by the Finance Director in the Sale Order, interest on the Bonds of each series shall be payable on the first day of each April and October (such first day of April or October or such other day or days of any month or months as the Finance Director shall determine in the Sale Order on which interest shall be scheduled to be paid on Bonds, an "Interest Payment Date"), commencing on October 1, 2004 or such other Interest Payment Date or dates as shall be determined by the Finance Director in the Sale Order.

(d) The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America. Except as may be otherwise determined by the Finance Director in the Sale Order, interest on Bonds shall be payable to the Registered Owner as of the 15th day of the month, whether or not a Business Day (a "Regular Record Date"), prior to each Interest Payment Date. Interest on Bonds shall be payable to such Registered Owners by check or draft drawn on the Paying Agent on each Interest Payment Date and mailed by first class mail or, upon the written request of the Owner of \$1,000,000 or more in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Owner. Such a request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent.

(e) Interest on Bonds not punctually paid or duly provided for on an Interest Payment Date shall forthwith cease to be payable to the Registered Owners on the Regular Record Date established for such Interest Payment Date, and may be paid to the Registered Owners as of the close of business on a date fixed by the Paying Agent (a "Special Record Date") with respect to the payment of such defaulted interest to be fixed by the Paying Agent, or may be paid at any time in any other lawful manner. The Paying Agent shall give notice to the Registered Owners at least seven days before any such Special Record Date.

(f) The principal of the Bonds shall be payable to the Owners of the Bonds upon the presentation of the Bonds to the Paying Agent at the principal corporate trust office of the Paying Agent.

(g) The Bonds shall be subject to

redemption and/or tender for purchase prior to maturity or shall not be subject thereto, upon such terms and conditions as shall be determined by the Finance Director and confirmed in the Sale Order, provided that any premium payable in connection with the optional redemption of the Bonds shall not exceed 3%.

Unless waived by any registered owner of Bonds to be redeemed, official notice of redemption shall be given by the Bond Registrar and Paying Agent on behalf of the City. Such notice shall be dated and shall contain at a minimum the following information: original issue date; maturity dates; interest rates, CUSIP numbers, if any; certificate numbers, and in the case of partial redemption, the called amounts of each certificate; the redemption date; the redemption price or premium; the place where Bonds called for redemption are to be surrendered for payment; and that interest on Bonds or portions thereof called for redemption shall cease to accrue from and after the redemption date.

In addition, further notice shall be given by the Bond Registrar and Paying Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

(h) In making the determinations set forth in this Resolution with respect to the Sale Order for the issuance and sale of the Bonds, the Finance Director shall be limited to the parameters as follows:

(1) The first maturity date or mandatory sinking fund redemption date for the Bonds shall not be later than five (5) years from the date of issuance (except for Bonds issued in more than one series, which shall have first maturity dates not later than five (5) years from the date of issuance of each series as determined by the Finance Director at the time of sale thereof), and the final maturity dates for the Bonds shall not be later than 30 years from their dated date.

(2) The compensation to be paid to the Underwriters of each series of the Bonds shall not exceed 2% of the original principal amount of the related series of Bonds.

(3) The amount of any original issue discount with respect to the Bonds shall not exceed 3% of the original principal amount of the related series of Bonds.

(4) To the extent permitted by applicable law, each series of the Bonds may be sold with an original issue premium in an amount as determined by the Finance Director; provided that the aggregate principal amount of the Bonds plus the net original issue premium shall not exceed the Maximum Aggregate Principal

Amount of Bonds authorized under this Resolution.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Mayor and the Finance Director and authenticated by the manual signature of the Finance Director or an authorized representative of the Bond Registrar and Paying Agent, as the case may be, and the seal of the City (or a facsimile thereof) shall be impressed or imprinted on the Bonds. After the Bonds have been executed and authenticated for delivery to the original purchaser thereof, they shall be delivered by the Finance Director to the purchasers thereof upon receipt of the purchase price. Additional Bonds bearing the manual or facsimile signatures of the Mayor and the Finance Director and upon which the seal of the City (or a facsimile thereof) is impressed or imprinted may be delivered to the Bond Registrar and Paying Agent for authentication and delivery in connection with the exchange or transfer of Bonds. The Bond Registrar and Paying Agent shall indicate on each Bond the date of its authentication.

Section 304. Authentication of the Bonds. (a) No Bond shall be entitled to any benefit under this Resolution or be valid or obligatory for any purpose unless there appears on such Bond a Certificate of Authentication substantially in the form provided for in Section 307 of this Resolution, executed by the manual or facsimile signature of the Finance Director or by an authorized signatory of the Paying Agent by manual signature, and such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder.

(b) The Paying Agent shall manually execute the Certificate of Authentication on each Bond upon receipt of a written direction of the Finance Director of the City to authenticate such Bond.

Section 305. Transfer of Registration and Exchanges. (a) The registration of each Bond is transferable only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange thereof.

(b) Each Bond may be exchanged for one or more Bonds in equal aggregate

principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Resolution. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

(b) For every exchange or transfer of Bonds, the City or the Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and, except as otherwise provided in this Resolution, may charge a sum sufficient to pay the costs of preparing each new Bond issued upon such exchange or transfer, which shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) Neither the City nor the Paying Agent shall be required to exchange or transfer any Bond during the period commencing on a Regular Record Date and ending on the related Interest Payment Date.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Resolution or required or permitted by the Sale Order or as approved by the Finance Director:

The City of Detroit, County of Wayne, State of Michigan (the "City"), hereby acknowledges itself to owe and for value received promises to pay to the Registered Owner specified above, or

registered assigns, on the Maturity Date specified above, unless redeemed prior thereto as hereinafter provided, the Principal Amount specified above together with interest thereon at the Interest Rate per annum specified above from the Date of Original Issue specified above, or from the most recent Interest Payment Date to which interest has been paid, until the Principal Amount specified above is paid in full. Interest is payable semi-annually on April 1 and October 1 in each year commencing on October 1, 2004 (each an "Interest Payment Date"). The interest so payable, and punctually paid or duly provided for, will be paid, as provided in the hereinafter defined Resolution, to the person in whose name this Bond is registered on the books maintained for such purpose by the hereinafter defined Paying Agent (the "Bond Registry"), on the close of business on the Regular Record Date for such interest payment, which shall be the fifteenth day (whether or not a business day) of the calendar month immediately preceding such Interest Payment Date. Any such interest not so punctually paid or duly provided for shall herewith cease to be payable to the Registered Owner on such Regular Record Date, and may be paid to the person in whose name this Bond is registered at the close of business on a Special Record Date for the payment of such defaulted interest to be fixed by the Paying Agent, notice of which shall be given to Registered Owners at least seven days before such Special Record Date, or may be paid at any time in any other lawful manner.

The principal of this Bond is payable in lawful money of the United States of America upon presentation and surrender of this Bond at the designated corporate trust office of U.S. Bank Trust National Association, Detroit, Michigan, as registrar, transfer agent and paying agent under the Resolution (such bank and any successor as paying agent, the "Paying Agent"). Interest on this Bond is payable in like money by check or draft drawn on the Paying Agent and mailed to the Registered Owner entitled thereto, as provided above, by first class mail or, upon the written request of a Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Registered Owner, and such request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent. Interest shall be computed on the basis of a 360-day year consisting of twelve 30

day months. For prompt payment of this Bond, both principal and interest, the full faith, credit and resources of the City are hereby irrevocably pledged.

[Variable Interest Rate Provisions]

This Bond is one of a series of bonds of even Date of Original Issue aggregating the principal amount of \$\_\_\_\_\_ (the "Bonds"), issued pursuant to and in accordance with Act 34, Public Acts of Michigan, 2001, as amended, and Act 279, Public Acts of Michigan, 1909, as amended, and pursuant to and in accordance with a Resolution duly adopted by the City Council of the City on \_\_\_\_\_, 2004 and a Sale Order of the Finance Director of the City issued on \_\_\_\_\_, 2004 (collectively, the "Resolution"). The Bonds are issued for the purpose of defraying the cost of capitalizing the previously established Risk Management Fund of the City and paying costs of issuance of the Bonds.

The Bonds of this series shall be subject to redemption prior to maturity as follows:

[Redemption Provisions]

This bond is payable as a first budget obligation from the general funds of the City and in case of insufficiency thereof, the City is obligated to levy annually sufficient taxes to provide for the payment of the principal of and interest on the bonds of this issue as they mature on all taxable property in the City, subject to applicable constitutional, statutory and charter limitations.

Reference is hereby made to the Resolution for the provisions with respect to the nature and extent of the security for the Bonds, the manner and enforcement of such security, the rights, duties and obligations of the City, and the rights of the Paying Agent and the Registered Owners of the Bonds. As therein provided, the Resolution may be amended in certain respects without the consent of the Registered Owners of the Bonds. Copies of the Resolution are on file and available for inspection at the office of the Finance Director and at the principal corporate trust office of the Paying Agent.

The City and the Paying Agent may treat and consider the person in whose name this Bond is registered on the Bond Registry as the absolute owner hereof, whether this Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal hereof and interest hereon and for all other purposes whatsoever, and all such payments so made to such person or upon his order shall be valid and effectual to satisfy and discharge the liability hereon to the extent of the sum or sums so paid.

The registration of this Bond is transferable only upon the Bond Registry by the Registered Owner hereof or by his attorney duly authorized in writing upon

the presentation and surrender hereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Resolution upon the payment of the charges, if any, therein prescribed.

It is hereby certified, recited and declared that all acts, conditions and things required to exist, happen and to be performed, precedent to and in the issuance of the Series of Bonds of which this is one do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of Michigan, and that the total indebtedness of the City, including the Series of Bonds of which this is one does not exceed any constitutional, statutory or charter limitation.

This Bond is not valid or obligatory for any purpose until the Paying Agent's Certificate of Authentication on this Bond has been executed by the Paying Agent.

IN WITNESS WHEREOF, the City of Detroit, by authority of its City Council, has caused this Bond to be signed for and on its behalf and in its name by manual or facsimile signature of the Mayor of the City and the manual or facsimile signature of its Finance Director, and the official seal of the City to be impressed, imprinted or otherwise reproduced hereon, all as of the Date of Original Issue.

Section 308. Registration. The City and the Paying Agent may treat and consider the Bondowner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City received evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for

or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(c) Any new Bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds issued under this Resolution.

Section 310. Book-Entry Only System Permitted. (a) If determined by the Finance Director in the Sale Order, the Bonds shall be issued to a securities depository selected by the Finance Director (the "Security Depository") to be held pursuant to the book-entry-only system maintained by the Security Depository and registered in the name of the Security Depository or its nominee. Ownership interests in Bonds held under such book-entry-only system shall be determined pursuant to the procedures of the Security Depository and Article 8 of the applicable Uniform Commercial Code (such persons having such interests, "Beneficial Owners").

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Finance Director determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent, and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying to do so, the Finance Director on behalf of the City and Paying Agent will cooperate with the Security Depository in taking appropriate action after reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of this Resolution or the Sale Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository.

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

#### ARTICLE IV SPECIAL COVENANTS

Section 401. Tax Exemption Covenant. The City covenants that it will not take any action, or fail to take any action required to be taken, if taking such action or failing to take such action would adversely affect the general exclusion from gross income of interest on the Bonds (determined by the Finance Director to be issued on a tax-exempt basis), from federal income taxation under the Code.

Section 402. Arbitrage Covenant. (a) The City will not directly or indirectly (1) use or permit the use of any proceeds of the Bonds (determined by the Finance Director to be issued on a tax-exempt basis) or other funds of the City or (2) take or omit to take any action required by Section 148(a) of the Code in order to maintain the exclusion from gross income of the interest on the Bonds (determined by the Finance Director to be issued on a tax-exempt basis) for federal income tax purposes. To that end, the City will comply with all requirements of Section 148 of the Code to the extent applicable to the Bonds and the requirements set forth in the Non-Arbitrage and Tax Compliance Certificate of the City.

(b) Without limiting the generality of subsection (a), above, the City agrees that there shall be paid by the City from time to time all amounts, if any, required to be rebated to the United States pursuant to Section 148(f) of the Code. This covenant shall survive payment in full or defeasance of the Bonds.

(c) Notwithstanding any provision of this Section, if the City obtains an opinion of Bond Counsel to the effect that any action required under this Section is no longer required, or that some further action is required, to maintain the exclusion from gross income of the interest of the Bonds (determined by the Finance Director to be issued on a tax-exempt basis) for federal income tax purposes pursuant to Section 103 of the Code, the City may conclusively rely on such opinion in complying with the provisions hereof.

#### ARTICLE V FUNDS AND ACCOUNTS; DISPOSITION OF BOND PROCEEDS

Section 501. Establishment of Ac-

counts and Funds. The City hereby establishes and creates the following special, separate and segregated accounts and funds which shall be held for and on behalf of the City by a bank or banks or other financial institution which the Finance Director or Treasurer of the City designates as depository of the City:

- A. Debt Retirement Fund; and
- B. Bond Issuance Fund.

The Finance Director is hereby authorized to establish such accounts, sub-accounts or funds as shall be required for the Bonds, to accommodate the requirements the Bonds, including, but not limited to, such accounts, subaccounts or funds necessary to facilitate the allocation and use of bond proceeds for the purchase and payment of variable rate bonds.

Section 502. Debt Retirement Fund. From the proceeds of the sale of the Bonds there shall be set aside in the Debt Retirement Fund the accrued and capitalized interest and premium, if any, received from the purchasers of the Bonds at the time of delivery of the Bonds. General funds of the City, proceeds of all taxes levied pursuant to Section 301 hereof shall be used to pay the principal of and interest on the Bonds when due. The foregoing amounts shall be placed in the Debt Retirement Fund and held in trust by the Paying Agent, and so long as the principal of or interest on the Bonds shall remain unpaid, no moneys shall be withdrawn from the Debt Retirement Fund except to pay such principal and interest. Any amounts remaining in the Debt Retirement Fund after payment in full of the Bonds and the fees and expenses of the Paying Agent shall be transferred by the City to the Risk Management Fund.

Section 503. Bond Issuance Fund. From the proceeds of the Bonds there shall be set aside in the Bond Issuance Fund a sum sufficient to pay the costs of issuance of the Bonds. Moneys in the Bond Issuance Fund shall be used solely to pay expenses of issuance of the Bonds, including the cost of obtaining municipal bond insurance or other credit enhancement, remarketing agreement, or interest rate exchange agreements or a combination thereof to secure the payment of all or part of the Bonds as provided in Section 901 hereof. Any amounts remaining in the Bond Issuance Fund after payment of issuance expenses shall be transferred to the Debt Retirement Fund.

Section 504. Risk Management Fund. After making the deposits required by Sections 502 and 503 the remainder of the proceeds of the sale of the Bonds shall be deposited in the Risk Management Fund previously created by the City pursuant to Ordinance No. 16-95 (the "Ordinance") and used solely for the

purpose of funding and maintaining (together with the current Risk Management Fund balance) a reserve not less than the Minimum Required Balance (as defined in the Ordinance) to pay for any losses for which insurance coverage could be provided by an insurer, but for which the City has determined to self-insure.

Section 505. Investment of Monies in the Funds and Accounts. (a) The Finance Director shall direct the investment of monies on deposit in the Funds and Accounts established hereunder, and the Paying Agent, upon written direction or upon oral direction promptly confirmed in writing by the Finance Director, shall use its best efforts to invest monies on deposits in the Funds and Accounts in accordance with such direction.

(b) Monies on deposit in the Funds and Accounts may be invested in such investments and to the extent permitted by applicable law. Monies on deposit in the Risk Management Fund may be invested in accordance with the provisions set forth in the Ordinance.

**ARTICLE VI**

**THE PAYING AGENT**

Section 601. Paying Agent. The Paying Agent for the Bonds shall act as bond registrar, transfer agent and paying agent for the Bonds and shall be initially U.S. Bank National Association, Detroit, Michigan, or such other bank or trust company located in the State of Michigan which is qualified to act in such capacity under the laws of the United States of America or the State of Michigan. The Paying Agent means and includes any company into which the Paying Agent may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it shall be party or any company to which the Paying Agent may sell or transfer all or substantially all of its corporate trust business, provided, that such company shall be a trust company or bank which is qualified to be a successor to the Paying Agent as determined by the Finance Director, shall be authorized by law to perform all the duties imposed upon it by this Resolution, and shall be the successor to the Paying Agent without the execution or filing of any paper or the performance of any further act, anything herein to the contrary notwithstanding. The Finance Director is authorized to enter into an agreement with such a bank or trust company, and from time to time as required, may designate a similarly qualified successor Paying Agent and enter into an agreement therewith for such services.

**ARTICLE VII**

**SUPPLEMENTAL RESOLUTIONS**

Section 701. Supplemental Resolutions Not Requiring Consent of Holders of

the Bonds. The City may without the consent of any Bondowner adopt resolutions supplemental to this Resolution for any one or more of the following purposes:

(i) to confirm or further assure the security hereof or to grant or pledge to the holders of the Bonds any additional security;

(ii) to add additional covenants and agreements of the City for the purposes of further securing the payment of the Bonds;

(iii) to cure any ambiguity or formal defect or omission in this Resolution;

(iv) to amend provisions in the Resolution relating to rebate to the United States Government or otherwise, which in the opinion of Bond Counsel are required in order to maintain the exclusion of interest on the Bonds from gross income for federal income tax purposes; and

(v) such other action not materially, adversely and directly affecting the security of the Bonds;

provided that (A) no supplemental resolution amending or modifying the rights or obligations of the Paying Agent shall become effective without the consent of the Paying Agent and (B) the effectiveness of any supplemental resolution is subject to Section 702 to the extent applicable.

Section 702. Opinion and Filing Under Act 34. Before any supplemental resolution under this Article shall become effective, a copy thereof shall be filed with the Paying Agent and as provided in Act 34, if applicable, together with an opinion of Bond Counsel that such supplemental resolution is authorized or permitted by this Article; provided that, Bond Counsel in rendering any such opinion shall be entitled to rely upon certificates of the Finance Director or other City official, and opinions or reports of consultants, experts and other professionals retained by the City to advise it, with respect to the presence or absence of facts relative to such opinion and the consequences of such facts.

#### **ARTICLE VIII DEFEASANCE**

Section 801. Defeasance. Bonds shall be deemed to be paid in full upon the deposit in trust of cash or direct obligations of, or obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, or any combination thereof, not redeemable at the option of the issuer thereof, the principal and interest payments upon which, without reinvestment thereof, will come due at such times and in such amounts, as to be fully sufficient to pay when due, the principal of such Bonds and interest to accrue thereon, as confirmed by a verification report prepared by an independent certified public accountant; provided, that if any of such

Bonds are to be called for redemption prior to maturity, irrevocable instructions to call such Bonds for redemption shall be given to the Paying Agent. Such cash and securities representing such obligations shall be deposited with a bank or trust company and held for the exclusive benefit of the Owners of such Bonds. After such deposit, such Bonds shall no longer be entitled to the benefits of this Resolution (except for any rights of transfer or exchange of Bonds as therein or herein provided for) and shall be payable solely from the funds deposited for such purpose and investment earnings, if any, thereon, and the lien of this Resolution for the benefit of such Bonds shall be discharged.

#### **ARTICLE IX OTHER PROVISIONS OF GENERAL APPLICATION**

Section 901. Credit Enhancement; Remarketing Agreement; and Interest Rate Exchange Agreements. (a) There is hereby authorized to be obtained municipal bond insurance or other credit enhancement or a combination thereof to secure the payment of all or part of the Bonds, if, and provided that, it shall be determined by the Finance Director that such cost of such Municipal Bond Insurance Policy or other credit enhancement or a combination thereof is less than the interest rate savings therefrom or otherwise that it is in the best interest of the City. Such municipal bond insurance or other credit enhancement providers may be afforded certain rights and remedies to direct the proceeding with respect to the enforcement of payment of the Bonds as shall be provided in the documents relating thereto. In the event a commitment for a Municipal Bond Insurance Policy is obtained or a commitment for other credit enhancement is obtained, the Finance Director is hereby authorized, to approve the terms, perform such acts and execute such instruments that shall be required, necessary or desirable to effectuate the terms of such commitment and the transactions described therein and in this Resolution and the Sale Order provided that such terms are not materially adverse to the City.

(b) In the event that any of the Bonds are issued bearing interest on a variable rate basis and are subject to tender for purchase from time to time by the holders thereof as determined in the Sale Order, the Finance Director is authorized in his discretion to enter into a Remarketing Agreement for tendered bonds with a qualified firm, chosen by the Finance Director, as remarketing agent. The Finance Director is also authorized to negotiate and enter into an auction agent agreement, broker-dealer agreement or such other agreements with such qualified firms chosen by the Finance Director

as may be necessary to accomplish the sale and delivery of the Bonds as determined by the Finance Director within the parameters of this Resolution and confirmed in the Sale Order.

(c) For the purpose of more effectively managing the debt service with respect to all or any portion of the Bonds, the Finance Director is authorized in his discretion and in accordance with the requirements of Act 34, to negotiate the terms of an Interest Rate Exchange Agreement with respect to such Bonds with Interest Rate Exchange Agreement providers, all as determined by the Finance Director and confirmed by the Council by resolution.

(d) In connection with the execution of any of the agreements authorized by this Section, the Finance Director is authorized to include therein such covenants as shall be appropriate.

Section 902. Approval of Other Documents and Actions: Treasury Approval. The Mayor, the Finance Director, the Treasurer and the City Clerk are hereby authorized and directed on behalf of the City to take any and all other actions, perform any and all acts and execute any and all documents that shall be required, necessary or desirable to implement this Resolution.

The Finance Director is authorized to file applications with and to pay the related fees, if any, to the Michigan Department of Treasury at his discretion under Act 34 for an Order or Orders of Approval to issue all or a portion of the Bonds, and to enter into one or more Interest Rate Exchange Agreements, remarketing agreements, letters of credit and reimbursement agreements, and such waivers or other Treasury approvals as necessary to implement the sale, delivery and security for the Bonds, and as required by the Michigan Department of Treasury and Act 34. The Finance Director is authorized and directed to pay any post closing filing fees required by Act 34 to the Michigan Department of Treasury or other specified agency, as a cost of issuance or from other legally available funds.

Section 903. Continuing Disclosure Undertaking. The City shall enter into a continuing disclosure undertaking pursuant to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the "Rule") for the benefit of the holders and beneficial owners of the Bonds as to which the Rule is applicable, as more specifically set forth in Exhibit A hereto (the "Undertaking"); provided, however, that the terms of the Undertaking are subject to completion and modification prior to delivery of the Bonds by the Finance Director to such extent as the Finance Director shall deem necessary to comply with law or market requirements of the

Underwriters. The Finance Director is authorized to execute and deliver the Undertaking after completion and modification as provided in this Resolution and the Sale Order.

Section 904. Delegation of City to, and Authorization of Actions of the Mayor and the Finance Director. (a) Prior to the sale date for the Bonds, the Mayor and/or the Finance Director may cause the preparation and approve the form and distribution of a Preliminary Official Statement and an Official Statement and other offering materials to be used in conjunction with the sale or offering of the Bonds, and the Mayor or Finance Director shall deem the Preliminary Official Statement "final" for purposes of Rule 15c2-12 of the Securities and Exchange Commission.

(b) The Finance Director is hereby authorized and directed to do and perform any and all acts and things with respect to the Bonds which are necessary and appropriate to carry into effect, consistent with this Resolution, the authorizations therein and herein contained, including without limitation, the securing of ratings by bond rating agencies, if cost effective, the negotiation for and acquisition of bond insurance and/or other credit enhancement, if any, to further secure the Bonds or any portions thereof, the acquisition of an irrevocable surety bond to fulfill the City's obligation to fund any reserve account, the printing of the Bonds and the incurring and paying of reasonable fees, costs and expenses incidental to the foregoing and other costs of issuance of the Bonds including, but not limited to fees and expenses of bond counsel, financial advisors, accounts and others, from Bond proceeds or other available funds, for and on behalf of the City.

(c) Except as otherwise provided herein, all determinations and decisions of the Finance Director with respect to the issuance and sale of the Bonds or the negotiation, execution or delivery of Interest Rate Exchange Agreements as permitted or required by this Resolution shall be confirmed by this Finance Director in a Sale Order or Sale Orders, and such confirmations shall constitute determinations that any conditions precedent to such determinations and decisions of the Finance Director have been fulfilled.

Section 905. Act 34 Approval of the Bonds. The Bonds shall neither be sold nor issued unless and only so long as the issuance of the Bonds as provided herein shall have been authorized and approved in accordance with the applicable provisions of Act 34.

Section 906. Approving Legal Opinions with Respect to the Bonds. Sale of the Bonds shall be conditioned upon receiving, at the time of delivery, the approving opinion of Bond Counsel, approving legal-

ity of the Bonds and, with respect to Bonds determined by the Finance Director to be issued on a tax-exempt basis, the exclusion from gross income of the interest paid thereon from federal and State income taxation only.

Section 907. Sale of Bonds/Good Faith Check. (a) Pursuant to Section 309(j) of Act 34 the Council determines to sell the Bonds at a negotiated sale. The Bonds shall be sold by negotiated sale to the Underwriters as represented by the Representative, all as determined by the Finance Director in the Bond Purchase Agreement, at prices and on terms and conditions provided in the Bond Purchase Agreement approved by the Finance Director within the parameters established hereby, and confirmed by this Finance Director in the Sale Order. The reasons for choosing a negotiated sale instead of a competitive sale include the belief of Council based on recommendation of the Finance Director and the City's Financial Advisor that a negotiated sale will allow the Bonds to be offered to investors in the most efficient manner possible while also allowing sufficient flexibility to adjust to market structuring and timing demands in order to result in the lowest possible borrowing costs for the City.

(b) Subject to the foregoing, the Bond Purchase Agreement shall be dated the date of the sale of the Bonds. The Finance Director is hereby authorized and directed to execute the Bond Purchase Agreement for and on behalf of the City.

(c) The Finance Director is authorized to determine whether to require a good faith check from the Underwriters or in lieu thereof to require the Underwriters to pay liquidated damages to the City for the failure (other than as permitted by the Bond Purchase Agreement) to accept delivery of and pay for the Bonds.

Section 908. Delivery of Bonds. Subject to the approval of the Sale Order, the Finance Director is hereby authorized to deliver the Bonds to the Underwriters upon receiving the purchase price therefor in lawful money of the United States.

Section 909. Official Statement. The Finance Director is hereby authorized to execute the final Official Statement or other offering materials with respect to the Bonds in the form approved by him with such changes as the Finance Director may authorize. Such Official Statement or other offering materials to be used in conjunction with the sale or offering of the Bonds are hereby authorized to be printed and used by the Underwriters in connection with the sale of the Bonds to the public. Circulation of the Preliminary Official Statement, if any, or other preliminary offering materials by the Underwriters is hereby approved.

Section 910. Appointment of Bond

Counsel; Engagement of Other Parties.

The appointment by the Finance Director of the law firm of Miller, Canfield, Paddock and Stone, P.L.C. of Detroit, Michigan, as Bond Counsel for the Bonds is hereby ratified and confirmed, notwithstanding the periodic representation by Miller, Canfield, Paddock and Stone, P.L.C., in unrelated matters of other parties and potential parties to the issuance of the Bonds. The fees and expenses of Miller, Canfield, Paddock and Stone, P.L.C. as Bond Counsel and other accumulated bond related fees and expenses shall be payable as a cost of issuance from proceeds of the Bonds or other available funds in accordance with the letter of such firm on file with the Finance Director.

The Finance Director is authorized to engage other consultants, financial advisors, or other parties as he deems necessary and appropriate in connection with the sale, issuance and delivery of the Bonds and to pay the fees and expenses thereof from the proceeds of the Bonds or other available funds.

Section 911. Preservation of Records. So long as any Bond remains Outstanding, all documents received by the Paying Agent under the provisions of this Resolution shall be retained in its possession and shall be subject at all reasonable times to the inspection of the City, and the Bondowners, and their agents and representatives, any of whom may make copies thereof.

Section 912. Parties in Interest. Nothing in this Resolution, expressed or implied, is intended or shall be construed to confer upon, or to give to, any person or entity, other than the City, the Paying Agent and the Owners of the Bonds, any right, remedy or claim under or by reason of this Resolution or any covenant, condition or stipulation hereof, and all covenants, stipulations, promises and agreements in this Resolution contained by and on behalf of the City or Paying Agent shall be for the sole and exclusive benefit of the City, the Paying Agent and the Bondowners.

Section 913. No Recourse Under Resolution. All covenants, agreements and obligations of the City contained in this Resolution shall be deemed to be the covenants, agreements and obligations of the City and not of any councilperson, member, officer or employee of the City in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Bonds or for any claim based thereon or on this Resolution against any councilperson, member, officer or employee of the City or any person executing the Bonds in his or her official individual capacity.

Section 914. Severability. If any one or more sections, clauses or provisions of

this Resolution shall be determined by a court of competent jurisdiction to be invalid or ineffective for any reason, such determination shall in no way affect the validity and effectiveness of the remaining sections, clauses and provisions hereof.

Section 915. Cover Page, Table of Contents and Article and Section Headings. The cover page, table of contents and Article and Section headings hereof are solely for convenience of reference and do not constitute a part of this Resolution, and none of them shall affect its meaning, construction or effect.

Section 916. Conflict. All resolutions or parts of resolutions or other proceedings of the City in conflict herewith shall be and the same hereby are repealed insofar as such conflict exists.

Section 917. Governing Law and Jurisdiction. This Resolution shall be governed by and construed in accordance with the laws of the State.

Section 918. Resolution and Sale Order are a Contract. The provisions of this Resolution and the Sale Order shall constitute a contract between the City, the Paying Agent, the Bond Insurer, if any, and the Bondowners.

Section 919. Effective Date. This Resolution shall take effect immediately upon its adoption by the Council.

Section 920. Notice of Limited Tax Full Faith and Credit Pledge. The City Council hereby expressly acknowledges and confirms that the Notice of the meeting at which this Resolution was considered for adoption contained the statement that the proposed Bonds will contain a limited tax full faith and credit pledge of the City as required by Section 308 of Act 34. The form of such notice is attached hereto as Exhibit B.

Section 921. Notices. All notices and other communications hereunder shall be in writing and given by United States certified or registered mail, expedited courier overnight delivery service or by other means (including facsimile transmission) that provides a written record of such notice and its receipt. Notices hereunder shall be effective when received and shall be addressed to the address set forth below or to such other address as any of the below persons shall specify to the other persons:

## EXHIBIT A CONTINUING DISCLOSURE UNDERTAKING

This Continuing Disclosure Undertaking (the "Undertaking") is executed and delivered by the City of Detroit, County of Wayne, State of Michigan (the "City"), in connection with the issuance of its Self-Insurance Bonds (Limited Tax General Obligation), Series 2004 (the "Bonds"). The City covenants and agrees for the benefit of the Bondholders, as hereinafter defined, as follows:

(a) *Definitions.* The following terms used herein shall have the following meanings:

"Audited Financial Statements" means the City's audited financial statements prepared by an individual or firm of independent certified public accountants as required by Act 2, Public Acts of Michigan, 1968, as amended, which presently requires preparation in accordance with generally accepted accounting principles.

"Bondholders" shall mean the registered owner of any Bond or any person (a) with the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bond (including any person holding a Bond through a nominee, depository or other intermediary) or (b) treated as the owner of any Bond for federal income tax purposes.

"City" means the City of Detroit, County of Wayne, Michigan.

"Disclosure Representative" means the Finance Director of the City or his designee, or such other officer, employee, or agent as the City shall designate from time to time in writing.

"MSRB" means the Municipal Securities Rulemaking Board.

"NRMSIR" means each nationally recognized municipal securities information repository as designated by the U.S. Securities and Exchange Commission (the "SEC") in accordance with the Rule.

"Rule" means Rule 15c2-12 promulgated by the SEC pursuant to the Securities Exchange Act of 1934, as amended.

"SEC" means the United States Securities and Exchange Commission.

"SID" means the Michigan Municipal Advisory Council or such other appropriate state information depository for the State of Michigan as designated by the SEC in accordance with the Rule.

(b) *Continuing Disclosure.* The City hereby agrees, in accordance with the provisions of the Rule, to provide or cause to be provided to each NRMSIR and to the SID for the State of Michigan, on or before the 210th day after the end of the fiscal year of the City, the Audited Financial Statements, commencing with the fiscal year ended June 30, 2004 and updates of certain financial and operating data of the City appearing under the

headings and tables in the Official Statement for the Bonds, as follows:

[TO COME]

Such annual financial information described above is expected to be provided directly by the City and in subsequent official statements of the City filed with the MSRB.

In the event that the Audited Financial Statements are not available by the date specified above, they will be provided when available and Unaudited Financial Statements in a format similar to the financial statements contained in the Official Statement will be filed by such date and the Audited Financial Statements will be filed as soon as available.

If the fiscal year of the City is changed, the City shall send notices of such change to each NRMSIR or the MSRB, and to the SID, prior to the earlier of the ending date of the fiscal year prior to such change or the ending date of the fiscal year as changed.

(c) *Notice of Failure to Disclose.* The City agrees to provide or cause to be provided, in a timely manner, to (i) each NRMSIR or the MSRB and (ii) the SID, notice of a failure by the City to provide the annual financial information with respect to the City described in subsection (b) above on or prior to the dates set forth in subsection (b) above.

(d) *Occurrence of Events.* The City agrees to provide or cause to be provided in a timely manner to (i) each NRMSIR or to the MSRB and (ii) the SID, if any, notice of the occurrence of any of the following events listed in (b)(5)(i)(C) of the Rule with respect to the Bonds, if applicable, if material:

- (1) principal and interest payment delinquencies;
- (2) non-payment related defaults;
- (3) unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) substitution of credit or liquidity providers, or their failure to perform;
- (6) adverse tax opinions or events affecting the tax-exempt status of the Bonds;
- (7) modifications to rights of holders of the Bonds;
- (8) bond calls;
- (9) defeasances;
- (10) release, substitution, or sale of property securing repayment of the Bonds; and
- (11) rating changes.

(e) *Materiality Determined Under Federal Securities Laws.* The City agrees that its determination of whether any event listed in subsection (d) is material shall be made in accordance with federal securities laws.

(f) *Termination of Reporting Obligation.* The obligation of the City to provide annual financial information and notices of material events, as set forth above, shall be terminated if and when the City no longer remains an "obligated person" with respect to the Bonds within the meaning of the Rule, including upon legal defeasance of all Bonds.

(g) *Benefit of Bondholders.* The City agrees that its undertaking pursuant to the Rule set forth in this Section is intended to be for the benefit of the Bondholders and shall be enforceable by any Bondholder; provided that, the right to enforce the provisions of this Undertaking shall be limited to a right to obtain specific enforcement of the City's obligations hereunder and any failure by the City to comply with the provisions of this Undertaking shall not constitute a default or an event of default with respect to the Bonds or under the Resolution.

(h) *Amendments to the Undertaking.* Amendments may be made in the specific types of information provided or the format of the presentation of such information to the extent deemed necessary or appropriate in the judgment of the Disclosure Representative on behalf of the City, provided that the City agrees that any such amendment will be adopted procedurally and substantively in a manner consistent with the Rule, including, any interpretations thereof by the SEC, which, to the extent applicable, are incorporated herein by reference. Such interpretations currently include the requirements that (a) the amendment may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the City or the type of activities conducted thereby, (b) the undertaking, as amended, would have complied with the requirements of the Rule at the time of the primary offering of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, and (c) the amendment does not materially impair the interests of Bondholders, as determined by parties unaffiliated with the City (such as independent legal counsel), but such interpretations may be changed in the future. If the accounting principles to be followed by the City in preparing the Audited Financial Statements are modified, the annual financial information for the year in which the change is made shall present a comparison between the financial statements as prepared on the prior basis and the statements as prepared on the new basis, and otherwise shall comply with the requirements of the Rule, in order to provide information to investors to enable them to evaluate the ability of the City to

meet its obligations. A notice of the change in accounting principles shall be sent to each NRMSIR or the MSRB and the SID.

IN WITNESS WHEREOF, the City of Detroit has caused this Undertaking to be executed by its authorized officer.

Honorable City Council:

Re: Address: 14253 Mapleridge. Name: Michelle Clark. Date ordered removed: September 10, 2003 (J.C.C. p. 2776).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 29, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 27, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Honorable City Council:

Re: Address: 7410 Wykes. Name: Jorge Fernandez. Date ordered removed: February 4, 2004 (J.C.C. p. ).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 26, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 26, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that

conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. The City Clerk's Office forwarded to this office four (4) applications for Neighborhood Enterprise Zone (NEZ) certificates for 5737, 5743, 5786, and 5706 Cooper, within the Gratiot Woods NEZ.

The Gratiot Woods NEZ was approved by City Council on February 18, 2004. The petitioners are proposing to construct new single-family homes.

The subject properties are confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. It appears that the requests for certificates have been filed prior to construction, as the State Act requires.

The City Planning Commission staff, therefore, recommends approval of the requested certificates in the Gratiot Woods NEZ. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

Re: Neighborhood Enterprise Zone (NEZ) Certificate Application for 1463 Fischer in the East Village NEZ (Recommend Approval).

The City Clerk's Office forwarded to this office an application from the Qual-Prop LLC for a Neighborhood Enterprise Zone (NEZ) certificate to rehabilitate an existing house at the above address.

City Planning Commission staff's research indicates that the above property is within the boundaries of the East Village NEZ, which was approved by City Council in February, 2001.

It is expected that about \$39,000 will be spent to rehab the house. The petitioner indicates the current taxable value of the home is \$13,872, which is below the maximum \$80,000 allowed.

Based on the above analysis, CPC staff recommends approval of the subject NEZ certificate within the boundaries of the East Village area. Please contact us should you have any questions.

Michigan, Lot 211, located on the West side of Trinity, between Eaton and Lyndon, a/k/a 14555 Trinity.

The subject property in question is a vacant lot measuring 34' x 112.85' and zoned R-1. The purchaser proposes to use this property as a "Single-Family residential Dwelling". This use is permitted as a matter of right per Section 81.0101, subject to compatibility requirements as set forth in Section 81.0200 of the official Zoning Ordinance 390-G, subject to compliance with all relevant codes and ordinances.

We request your Honorable Body's approval to accept the Offer to Purchase from Northwest Detroit Neighborhood Development, for the sales price of \$300.00 on a cash basis plus an \$18.00 deed recording fee.

Resolved, That the Planning and Development Department is hereby authorized to accept this Offer to Purchase for property described on the tax rolls as:

Lot 211; "B. E. Taylor's Brightmoor-Hendry Sub'n." lying South of Grand River Ave., being a part of the East 1/2 of the NW 1/4 of Sec. 22, T.1S., R.10E., Redford Twp., Wayne County, Michigan. Rec'd L. 44, P. 44 Plats, W.C.R.

Resolved, That the Planning and Development Department Director or his authorized designee is hereby authorized to issue a Quit Claim Deed to the purchaser, Northwest Detroit Neighborhood Development, upon purchaser obtaining zoning approval for the proposed development and upon receipt of the sales price of \$300.00 and the deed recording fee and in accordance with the conditions set forth in the Offer to Purchase.

Adopted as follows:

Honorable City Council:

Re: Request for Cancellation of Special Assessment for Weed Cutting and/or Debris Removal for attached list totaling \$4,521.31:

Upon our investigation, the Department of Public Works concurs that the above properties were billed in error.

We, therefore, respectfully request that your Honorable Body authorize and direct the Board of Assessors to cancel the stated amount against the property in question.

Respectfully submitted,

JAMES A. JACKSON

Director

Department of Public Works

By Council Member Everett:

Resolved, That in accordance with the above communication, the Finance Director is authorized to cancel the listed special assessments for weed cutting charges on vacant lots and/or debris removal.

May 24, 2004

Honorable City Council:

Re: Petition No. 2288 — Rite On Inc., requesting for conversion of alley to easement south of Michigan between Larkins and Apple Streets.

Petition No. 2288 of "Rite On Inc.", request conversion of the Westerly portion of the East-West public alley, 20 feet wide, in the block bounded by Michigan Avenue, 100 feet wide, St. John Avenue, 50 feet wide, Larkins Street, 50 feet wide, and Apple Street, 50 feet wide into a private easement for utilities.

With the support of most of the adjacent property owners the petitioner originally requested the closure of all of the East-West public alley and the North-South public alley 18 feet wide. However, due to the objection of a property owner at 4312 Apple Street, the City Engineering Division — DPW is presenting this resolution for your Honorable Body to consider closing only that part of the public alley lying between the petitioners property and the property of the Knights of Columbus parking lot.

You should be aware that the property owner at 4312 Apple Street also objected to the closing of that part of the public alley recommended in the attached resolution. However, from our investigation that property owner will have continued access to the rear of his property from the north and the south. Also the property owners adjacent to that part of public alley requested to be closed in this resolution has the legal right to be allowed this closing.

The request was approved by the Planning and Development Department, Solid Waste Division — DPW, and Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report:

If the petitioner at any time plans to discontinue use of the paved alley entrance (into Larkins Street), the petitioner shall pay all incidental removal cost.

All other city departments and private utility companies have reported no objection to the conversion of the public right-

of-way into a private easement for utilities. Provisions protecting utility installations are part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

**WILLIAM TALLEY**

Head Engineer

City Engineering Division — DPW

By Council Member Tinsley-Talabi:

Resolved, All that part of the East-West public alley, 20 feet wide, lying Northerly of and abutting the North line of Lot 37 in the "Resubdivision of Lots 29 to 65, inclusive and Lots 78 to 99, inclusive, of Larkin's Subdivision of part of P.C. 719" City of Detroit, Wayne County, Michigan as recorded in Liber 59 Page 58, Plats, Wayne County Records, and lying Southerly of and abutting the South line of the West 9.69 feet of Lot 22 and Lots 23 through 28, both inclusive, in the "T. Larkin's Subdivision West of Apple Street of P.C. 719 in Springwells T.2 S. R.11 E." Wayne County, Michigan, (now Detroit) as recorded in Liber 17 Page 74, Plats, Wayne County Records;

Be and the same is hereby vacated as a public alley and is hereby converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies,

or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of

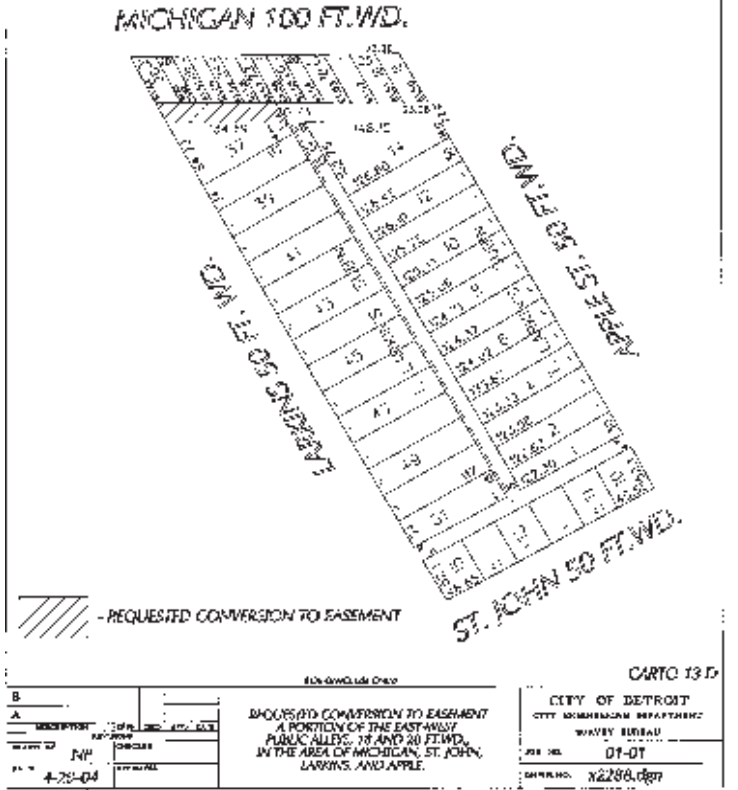

any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That if it becomes necessary to remove the paved return at the entrance (into Larkins Street), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:  
 Re: Revised Resolution for the Fiscal Stabilization Application.

Attached please find a revised resolution for the Fiscal Stabilization application submitted to the State Administrative Board last week.

The resolution revises the determination of the fiscal 2003 deficit to include those incurred in the Transportation Fund and the Automobile Parking Fund. This revision is necessary in order to satisfy a provision of Act 80 of 1981 (141.1004 Section 4.(1)(c)) which requires that the

deficit exceed one half of the City's operating levy. Additionally it incorporates the recognition of all General Fund related deficits.

While this revision recognizes a larger deficit to satisfy a technicality in State law it does not reflect any change in the City's borrowing plan, specifically, the City still intends on issuing only \$60 million of Fiscal Stabilization bonds.

**RESOLUTION OF THE CITY COUNCIL OF THE CITY OF DETROIT, COUNTY OF WAYNE, STATE OF MICHIGAN AUTHORIZING APPLICATION TO STATE ADMINISTRATIVE BOARD FOR APPROVAL TO ISSUE NOT TO EXCEED \$82,098,376 IN FISCAL STABILIZATION BONDS**

By Council Member Tinsley-Talabi:  
 WHEREAS, The City of Detroit,

County of Wayne, Michigan (the "City"), had an accumulated operation deficit of \$82,098,376 (audited) as of the end of its last fiscal year (the fiscal year ending June 30, 2003), determined in accordance with generally accepted accounting principles; and

WHEREAS, The amount of such accumulated operating deficit exceeds the amount which the City may borrow from the Emergency Municipal Loan Fund pursuant to the Emergency Municipal Loan Act, Act No. 243, Public Acts of Michigan, 1980, as amended ("Act No. 243"), and also exceeds the amount that the City can fund by issuing tax anticipation notes pursuant to the Revised Municipal Finance Act, Act No. 34, Public Acts of Michigan, 2001, as amended ("Act No. 34"); and

WHEREAS, The Fiscal Stabilization Act, Act No. 80, Public Acts of Michigan, 1981, as amended ("Act No. 80"), authorizes the City, upon satisfaction of applicable conditions, to borrow money and issue its general obligation bonds for the purpose of funding an operating deficit for a past fiscal year or years or for funding a projected operating deficit in the current fiscal year, or for funding both; and

WHEREAS, Before the City may issue bonds under Act No. 80, the City Council of the City (the "City Council") is required by Act No. 80 to make a determination by resolution that certain conditions exist, including a determination of the maximum amount of bonds the City is necessary to issue in order to fund the deficit and other related matters, and to apply to the State Administrative Board for an order approving issuance of the bonds.

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL THAT:

Section 1. Determination of Accumulated Operating Deficit. The City Council determines that the City had an accumulated operating deficit of \$82,098,376 (audited) at the end of its last fiscal year ending June 30, 2003. This determination of the accumulated operating deficit has been made in accordance with generally accepted accounting principles.

Section 2. Determination of Exhaustion of Sources to Fund the Deficit. The City Council determines that the amount of its accumulated operating deficit exceeds the amount which the City may borrow from the Emergency Municipal Loan Fund pursuant to Act No. 243, and also exceeds the amount that the City can fund by issuing tax anticipation notes pursuant to Act No. 34.

Section 3. Determination of Maximum Amount and Use of Proceeds of the Bonds. Subject to the limitations of Section 4(8) of Act No. 80, the City Council hereby determines that it is necessary to issue its general obligation limited tax bonds (the "Bonds") pursuant to Act No. 80 in the principal amount not to exceed

\$82,098,376, for the purpose of providing funds to fund all or a portion of the accumulated operating deficit for the fiscal year ending June 30, 2003, a reserve to secure payment of principal of or interest on the Bonds in an amount not exceeding the maximum amount of principal and interest coming due on the Bonds in any fiscal year, if necessary, a discount of not to exceed 10% of the principal amount of the Bonds and an amount sufficient to pay all legal, financial, accounting, printing and other expenses related to the issuance of the Bonds.

Section 4. Application to State Administrative Board. The Finance Director of the City (the "Finance Director") is hereby authorized to make application to the Secretary of the State Administrative Board for an order approving issuance of the Bonds and shall attach to the application a certified copy of this Resolution.

Section 5. Deficit Funding Plan. The Mayor shall furnish the State Administrative board with a statement signed by the Mayor indicating how the City intends to avoid future deficits.

Section 6. Security for the Bonds. The Bonds shall be general obligations of the City, and the limited tax, full faith, credit and resources of the City shall be irrevocably pledged for the prompt payment of the principal of and interest on the Bonds. The City shall pledge to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in the case of insufficiency thereof, from the proceeds of an annual levy of *ad valorem* taxes on all taxable property in the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 7. Authorization of City Officials. The Mayor, Finance Director and the City Clerk of the City are hereby authorized and directed on behalf of the City to take any and all other actions, perform any and all acts and execute any and all documents that shall be required, necessary or desirable to implement this Resolution.

Section 8. Severability and Conflict. If any one or more sections, clauses or provisions of this Resolution shall be determined by a court of competent jurisdiction to be invalid or ineffective for any reason, such determination shall in no way affect the validity and effectiveness of the remaining sections, clauses and provisions hereof.

Section 9. Repeal, Savings Clause. All resolutions or parts of resolutions or other proceedings of the City in conflict herewith shall be and the same hereby are repealed insofar as such conflict exists.

Section 10. Publication and Recordation. This Resolution shall be published in full in the Detroit Legal News, a newspaper of general circulation in the City qualified under State law to publish legal notices, promptly after its adoption.

Section 11. Effectiveness. This Resolution shall take effect immediately upon its adoption by the City Council.

May 21, 2004

Honorable City Council:

Re: Greektown Casino, LLC's request to rezone land to SD5 (Special Development District for Casinos) for the construction of a casino complex (Submitting Resolution to Extend the Period for Council Consideration of the Petition).

On Wednesday, March 3, 2004, your Honorable Body passed a resolution extending the period of consideration for the above captioned rezoning request of Greektown Casino LLC. This was necessitated by the pending expiration of the 120-day time period for the Council to

take action on the rezoning request, as set forth in Section 64.0700 of the Official Zoning Ordinance.

The extension granted by the March 3rd resolution will expire on June 1, 2004 unless another extension is granted. Previously, you directed the CPC staff to monitor and inform your Honorable Body of the status of this petition in order to maintain it as viable for your consideration. Please find attached a resolution extending the period for consideration of Greektown Casino's SDS rezoning request for an additional 120 days.

Respectfully submitted,

MARCUS D. LOPER

Deputy Director

By Council Member Tinsley-Talabi:

Whereas, Section 64.0700 of the Official Zoning Ordinance of the City of Detroit establishes that upon the expiration of a 120 day period following the date that the City Council formally receives the City Planning Commission's report and recommendation on any petition to amend the Zoning Ordinance, such petitions will be deemed denied unless the time period is extended by resolution of the City Council; and

Whereas, Greektown Casino LLC has petitioned the City Council for a rezoning of certain property in the City of Detroit from B4 and PD zoning district classifications to SD5; and

Whereas, The City Planning Commission report and recommendation on this rezoning request was received by the City Council at the public hearing on this matter held November 17, 2003; and

Whereas, The 120 day period pertaining to this request was to expire on March 15, 2004, and on March 4th, 2004 this City Council granted a 90 day extension, which will expire on June 1, 2004; and

Whereas, This City Council has expressed the desire to extend the period of consideration for this petition;

Now, Therefore, Be It Resolved, That pursuant to Section 64.0700 of the City of Detroit Zoning Ordinance, the Detroit City Council hereby extends the time period for consideration of the petition of Greektown Casino LLC to rezone property generally bounded by Gratiot, the I-375 Service Drive, Clinton and St. Antoine from B4 (General Commercial District) and PD (Planned Development District) to SD5 (Special Development District for Casinos) for an additional 120 days from June 1, 2004 to September 29, 2004.

Adopted as follows:

Honorable City Council:

Re: Acceptance of Grant Award.

The City of Detroit has received a grant award from the U.S. Department of Homeland Security, Office for Domestic Preparedness, administered under state program. As part of the fiscal year 2003 State Homeland Security Assessment and Strategy, Detroit received an award of \$43,000 to hire a staff position for a Solution Area Planner. Sustainment of this position may be available through the 2004 State Homeland Security Grant Program funding if the city chooses to do so.

Funds may be used to pay for staff activities associated with planning, evaluation and analysis of program elements in the State Homeland Security Assessment and Strategy solution areas of equipment acquisition, training exercising, planning and organization of the city's Homeland Security Strategy. This includes hiring full or part-time staff or a contractor to conduct the necessary activities for successful completion of the strategy.

Attached is recommended language for the duties and abilities that should be incorporated into the Solution Area Planner's position description.

I respectfully request your approval to accept this grant award in accordance with the attached resolution.

Re: Aziz A. Masai vs. City of Detroit, City Council. File No.: 13854 (TSW).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential attorney-client privileged memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Seventy-Five Thousand Dollars (\$75,000.00) is in the best interests of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Seventy-Five Thousand Dollars (\$75,000.00) and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount

payable to Aziz A. Masai and his attorney, Robert J. Lipnik, to be delivered upon receipt of properly executed releases and order of dismissal in Workers Compensation Claim #13854 approved by the Law Department.

Re: Eida Gardula and Gary Gardula vs. City of Detroit and Charnell Tamara Hall. Case No.: 03-318667 NI. File No.: A37000-4338 (LRM) (LRM).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Twenty-Five Thousand Dollars and No Cents (\$25,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Twenty-

Five Thousand Dollars and No Cents (\$25,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Cathy Rice Lewis, attorney, and Eida Gardula and Gary Gardula, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-318667 NI, approved by the Law Department.

Re: Gabrielle Dalton, a minor, by her next friend, Latonya Peterson, and Latonya Peterson, Individually vs. City of Detroit. Case No.: 03-314619-NO. File No.: A190000-002609 (KDP).

On May 18, 2004, a case evaluation panel evaluated the above-captioned lawsuit and awarded Fifteen Thousand Dollars (\$15,000.00) in favor of Plaintiffs. The parties have until June 15, 2004, to

either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of Fifteen Thousand Dollars (\$15,000.00) payable to Drazin, Hosten & Hakim, P.L.L.C., attorneys, and Gabrielle Dalton, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 03-314619-NO, approved by the Law Department.

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Dorothy Miller vs. City of Detroit, Department of Transportation and Margaret Ellen Brown, Wayne County Circuit Court Case No. 03-341770 NI, on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. Plaintiff shall recover a minimum amount of Five Thousand Dollars (\$5,000.00).

The maximum amount of any award to the Plaintiff shall not exceed the amount of One Hundred Twenty-Five Thousand Dollars (\$125,000.00).

3. Any award under \$5,000.00 shall be interpreted to be in the amount of \$5,000.00.

Any award in excess of \$125,000.00 shall be interpreted to be in the amount of \$125,000.00.

There shall be no costs, fees, attorney fees, or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about January 2, 2003 at or near Schaefer and Grand River; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$125,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Dorothy Miller and her attorney, Dennis A. **City of Detroit  
Airport Department**

April 29, 2004

Honorable City Council:

Attached is an ordinance to amend Chapter 4 of the Detroit City code by modifying rates pertaining to Landing Fees and Field Parking Fees at Detroit City Airport. The changes are needed in order for Detroit City Airport to improve our cost recapture rate and reduce our reliance on City of Detroit subsidies.

The amended ordinance allows the Department to maintain competitive Landing and Parking fees with surrounding airports operating on a scale similar as City Airport.

I would be happy to answer any questions that you may have.

Respectfully submitted,

DELBERT BROWN

Director

By Council Member Watson:

**AN ORDINANCE to amend Chapter 4 of the 1984 Detroit City Code by amending Section 4-1-1, Definitions, to consolidate definitions formerly contained in Section 4-1-6, Landing and field parking fees, and by amending Section 4-1-6, to increase Detroit City Airport landing fees and field parking fees.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 4 of the 1984 Detroit City Code be amended by amending Sections 4-1-1 and 4-1-6, to read as follows:

Honorable City Council:

Re: Address: 16501 Greenfield. Name: Andrew McLemore. Date ordered removed: October 27, 2003 (J.C.C. p. 3220).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 3, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of May 4, 2004.

The proposed use of the property is rehabilitation and rental.

Therefore, it is recommended that the demolition order be deferred for a period of six (6) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

Respectfully submitted,

Honorable City Council:

Re: 171 E. Grixdale. Emergency Demolition.

The building at the above location was recently found to be extensively fire damaged and structurally unsafe to the point of near collapse.

Our records indicate that this is the initial complaint for this location.

It is our opinion that there is an actual and immediate danger affecting the health, safety and welfare of the public. Therefore, under the authority of Ordinance 290-H, we are taking emergency measures to have this building or portions thereof removed with the cost assessed against the property.

By copy of this letter, we will notify all utility companies to immediately start utility disconnects.

Respectfully submitted,

Honorable City Council:

Re: Address: 18603 Fairport. Name: Emanuel Chambers. Date ordered removed: October 8, 1997 (J.C.C. p. 2628).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 3, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 29, 2004.

The proposed use of the property is owner occupancy.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

Re: Address: 19162 Eureka. Name: Milton Robins. Date ordered removed: December 6, 2000 (J.C.C. p. 3037).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 29, 2004 revealed the building is secured and appears to be sound and repairable.

The owner has paid the current taxes due as of April 26, 2004.

The proposed use of the property is rehabilitation and sale.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

1. The building shall be maintained

securely barricaded until rehabilitation is complete. All relevant permits for rehabilitation work shall be obtained. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

2. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

3. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we will proceed with demolition without further hearings. Pursuant to the Property Maintenance Code our Municipal Civil Infractions (MCI) Unit will issue the appropriate violations/tickets.

Honorable City Council:

Re: Historic Designation Advisory Board submitting its final report on the proposed Distel Building Historic District.

At the direction of the Historic Designation Advisory Board at its meeting of April 15, 2004, I am pleased to submit to your Honorable Body the board's final report on the proposed Distel Building Historic District. The recommendation of the Advisory Board is for designation and, therefore, a draft ordinance of designation is attached. The ordinance has been approved as to form by the Law Department.

This designation was requested by the owner, Richard Bekolay, who was appointed to an ad hoc membership with the Advisory Board representing the ownership interest. Steve Archer acted as an ad hoc representative to the Advisory Board representing the community inter-

est.

Also attached is a copy of the minutes of the public hearing held by the Advisory Board on this matter. The Historic District Commission report and comment and its Master Plan Review as it relates to the proposed historic district is also attached, along with copies of all correspondence received regarding this matter.

If you should have any question, I may be reached at 4-3487.

**AN ORDINANCE to amend Chapter 25, Article II of the 1984 Detroit City Code by adding Section 25-2-150 to establish the Distel Building Historic and to define the elements of design for the district.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 25, Article II, of the 1984 Detroit City Code be amended by adding Section 25-2-150 to read as follows:

**Sec. 25-2-150. Distel Building Historic District.**

(A) A historic district to be known as the Distel Building Historic District is hereby established in accordance with the provisions of this article.

(B) This historic district designation is hereby certified as being consistent with the Detroit Master Plan.

(C) The boundaries of the Distel Building Historic District are as shown on the map on file in the office of the City Clerk, and shall be as follows: On the north, the centerline of the east-west alley north of and adjoining Lots 1-5 of Distel's Subdivision of Lots 1, 2, and west 1/2 of Lot 3 of Wesson's Sub of Lot 6 of the Shipyard Tract (L 11, P. 96); on the east, a line drawn parallel to and four (4) feet east of the east lot line of Lot 3 of Distel's Subdivision of Lots 1, 2, and west 1/2 of Lot 3 of Wesson's Sub of Lot 6 of the Shipyard Tract (L 11, P. 96); on the south, the centerline of West Fort Street; and on the west, the east line of Lot 2 of Distel's Subdivision (L11, P 96). (Legal description: Lot 3, and West 4 feet of Lot 4, Distel's Subdivision L11, P96).

(D) The defined elements of design, as provided for in section 25-2-4 of this code, shall be as follows:

(1) Height. The Distel Building is two and one-half stories tall, having two full stories and an attic within the roof. A single-story addition is attached at the rear of the building.

(2) Proportion of Building's Front Facade. The Distel Building is wider than tall to the eaves, but the tall roof and dormer cause the building to appear square.

(3) *Proportion of Openings Within the Facade.* The front facade is composed of six almost equally spaced, shallow arched openings twice as tall as wide on the second story and six shallow arched openings, four of which are window openings identical to those on the second story and two are entrances, on the first story. All presently boarded, the window openings originally contained double-hung, four-over-four light sash windows, the upper ash slightly arched to correspond with the opening. The westernmost single entrance opening is the same width as the window openings; the easternmost single entrance opening is wider to contain sidelights flanking a single door. Both entrance openings had transom windows above the doors. Openings amount to approximately thirty-five (35) percent of wall surface of the front facade. The side elevations have similar type openings, four per floor, including a single entrance at their north ends. Basement windows in the side elevations are squat, wider than tall, and arched. The one-story rear addition has side elevations with two arched window openings and a rear elevation with a single entrance, a window to its side, and a loft opening in its gable.

(4) *Rhythm of Solids to Voids in The Front Facade.* The facade is composed of six bays, each containing one opening per story, creating a regular rhythm of solids to voids.

(5) *Rhythm of Spacing of Buildings on Streets.* Not applicable due to single building district.

(6) *Rhythm of Entrance and/or Porch Projections.* Entrances occupy the bays adjacent to the outer bay at each end of the front facade, or the second and fifth bays. A porch spanning the front of the building, with simple Tuscan columns on brick porch walls, was the last porch on the building; now only evidence of it remains. Evidence has shown that originally there was a bracketed Italianate porch. Deteriorated masonry steps project beyond the entrance bays and concrete walks lead to the public sidewalk.

(7) *Relationship of Materials.* The major relationship of materials is brick with stone keystones and sills. The foundations are fieldstone. The dormer is sheathed in wood. The roof is clad in asphalt shingles.

(8) *Relationship of Textures.* The major textural relationship is that of flush common bond brick juxtaposed with raised brick surrounding window openings and dentils beneath the cornice. The foundations, seen from the side elevations, is fieldstone. In general, the building exhibits subtle textural relationships.

(9) *Relationship of Colors.* The orange brick wall surfaces were painted red. Window frames and surrounds are not visible beyond the wooden boards.

Masonry trim, detail, and fieldstone foundations are natural light gray. The wooden dormer is painted pink.

(10) *Relationship of Architectural Details.* Architectural detail is applied sparingly, and is either in raised brick, as framing the openings, or in stone, as in the decorative inscribed keystones. A frieze of several courses of very slightly raised brick extends to the dentilled cornice. The gabled dormer, likely an early-twentieth century addition, is Colonial Revival in style, with two windows now boarded and a pedimental roof with a fan light in its gable. Its triangular pediment is framed by a cornice with dentils.

(11) *Relationship of Roof Shapes.* The present roof is a steep hip bearing a large gabled dormer. Chimneys project from the sides and rear elevations. Evidence exists that the original roof was a low-sloped hip roof typical for an Italianate building of about 1870. The one-story rear addition had a gabled roof, now collapsed.

(12) *Walls of Continuity.* Not applicable due to single building district.

(13) *Relationship of Significant Landscape Features and Surface Treatments.* A lawn of grass turf extends along the length of the building to the sidewalk on the north side of West Fort Street.

(14) *Relationship of Open Space to Structures.* The open space in the vicinity of the Distel Building is the result of building demolition. A vacant lot exists to its east and the multi-laned expanse of West Fort Street exists to its south.

(15) *Scale of Facades and Facade Elements.* Details are generally small in scale and are repetitive, sometimes forming rows of columns of a larger scale. The roof dormer is large in scale when compared to other elements of the building.

(16) *Directional Expression of Front Elevation.* Although wider than tall, the height of the roof balances the composition.

(17) *Rhythm of Building Setbacks.* The building is set back from the front lot line, creating a shallow grassy open space in front.

(18) *Relationship of Lot Coverages.* The one building occupies approximately thirty per cent (30%) of its parcel.

(19) *Degree of Complexity Within the Facade.* The front facade of the Distel Building is straightforward in its arrangements of openings, elements and details.

(20) *Orientation, Vistas, Overviews.* The Distel Building is oriented toward West Fort Street, a heavily trafficked state roadway. A few blocks to its east are two overpasses carrying railroad and freeway traffic, adding to the industrial nature of the area. The entrance to historic Woodmere Cemetery is across Woodmere Street to the west; Trinity-St.

Marks United Church of Christ and the Smoke Brothers Florists, two other potentially historic resources, are located on the south side of West Fort Street.

(21) *Symmetric or Asymmetric Appearance.* The Distel Building is asymmetrical in appearance due to the different widths of the two entrance openings in the front facade.

(22) *General Environmental Character.* The Distel Building Historic District is located in Southwest Detroit on a well-traveled state trunk road, Fort Street. It is one of only a few remnants from a time before the advent of the automobile, and the ensuing industrial development and physical expansion of the City of Detroit. Small scale light industrial and commercial facilities generally characterize the area today.

**Section 2.** All ordinances or parts of ordinances in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

**Section 4.** If this ordinance is passed by a two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-116 of the 1997 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-115 of the 1997 Detroit City Charter.

### City Planning Commission

April 20, 2004

Honorable City Council:

Re: Lutheran Social Services of Michigan (#1781) to show a PD (Planned Development District) zoning classification where an R1 (Single-Family Residential District) zoning classification is shown for the property located on the north side of Gateshead between the alley first west of Mack and Frankfort (Recommend Approval).

Lutheran Social Services of Michigan (LSSM) is requesting to rezone the subject properties from R1 (Single Family Residential District) to PD (Planned Development District). The subject properties are more commonly known as 4950 through 5060 Gateshead Avenue and are indicated on the accompanying map.

#### PROPOSED DEVELOPMENT

The petitioner is requesting the rezoning to allow for the development of a 45-unit senior citizen residential facility to be financed by the Department of Housing and Urban Development and to include some community spaces for residents of the facility. The community space will also be open for special neighborhood events. The total area to be rezoned is approximately 2.6 acres. The proposed development would require the demolition of two structures, a former church/senior center and a single-family residence.

#### Size

The proposed building would be two stores in height. At its highest point, the building is 32 feet tall. (Conceptual site plans and elevations are enclosed for your review). Each floor is 20,000 square feet, with a combined total square footage for both floors of 40,000 square feet. Each of the one-bedroom apartments is 540 square feet. The remaining square footage is comprised of community space for sitting areas, a community room, a recreation room, beauty shop, exercise room, office, laundry, and sitting areas.

#### Exterior Design and Materials

The exterior of the building would consist of a combination of various color schemes of brick, colored block and vinyl siding. The architect indicates that some Fypon Product amenities will be used to bring detail and character to the various window, louver and bracket elements of the building. These varying details, combined with varying setbacks of the foundation, help break up the facade and create a visual "town house" effect that is compatible with the surrounding residential structures. The living unit sections are separated in the center by a canopied

area with columns and smaller dormers that cover the community space. These varying elements are tied together by the use of the same single dimensional asphalt shingle and color.

#### Parking

The parking area would provide approximately 34 surface parking spaces (.75 spaces per residential unit). This is fewer than required under the current Zoning Ordinance (1.25 spaces per residential unit), but is consistent with the standards for senior housing proposed in the comprehensive revision of the Ordinance currently under City Council consideration.

The site would have two vehicular access points from Gateshead: one to the parking lot at the east end of the building, and one to the one-way circular drop-off located in the center of the building's front. Entrances will be located at both points.

#### Fencing

In response to some issues raised by residents abutting the rear of the property, a six-foot high wood fence will be installed on LSSM's rear property line. Other, decorative fencing to be used around the parking lot and structure is not depicted in the site plans. However, fence details will be determined and reviewed at a later date.

#### Green Space Features

Two features of the proposed development are a small neighborhood park at the west end of the building, and a walking path along the rear of the building connecting the park to the parking lot. The site plans show a fence/gate to prevent walking path access from the park at night. Characteristics of the neighborhood park include: benches, patio areas, berms, some decorative gates, and landscaping. Not shown on the site plan is a paved path leading from Frankfort into the park, which the developer has suggested.

#### Future Details

A more detailed landscaping plan is still being developed and would have to be approved by CPC staff before building permits could be issued. Signage, lighting, and fencing details will be determined and reviewed by staff at a later date as well.

#### EXISTING LAND USE

The three lots closest to Mack are developed as a former church/senior center. Moving from Mack, the next three lots are developed as parking for the former church/senior center structure. The next eight lots are not developed but used as a soccer field. The two lots closest to Frankfort are developed as a single-family residential structure. The single-family structure located at 5060 Gateshead is leased by LSSM to a tenant. The soccer league will be moving its activity to a new soccer field being devel-

oped at the corner of Mack and Moross in Grosse Pointe. The petitioner owns all the subject property.

Calvary English Evangelical Lutheran Church formerly occupied the structure at 4950 Gateshead. When the congregation dissolved in 1976, an agreement was reached with LSSM to utilize the site as a senior center with considerations given to other uses such as a nursing home or other type of senior housing. Calvary Senior Center operated at this location until it was forced to close last year due to severe reductions in government funding and the inability of St. John's Hospital to continue as a partner. LSSM intends to restore some level of service to the surrounding community at the new development provided they are able to secure funding.

#### **SURROUNDING LAND USE AND ZONING**

Land to the north, south, and west is zoned R1 (Single-Family Residential), and land to the east along Mack is zoned B4 (General Commercial District). The subject property abuts single-family residential structures to the north, west, and south. The property to the east is developed as a gas station and a car wash is located on Mack just south of Gateshead.

#### **MASTER PLAN INTERPRETATION**

The subject area is located within the Finney Subsector of the Northeast Sector of the Detroit Master Plan of Policies. Both the existing and recommended land use Master Plan maps designate this area as low density residential as does the Cluster 3 Community Reinvestment Strategy document. The generalized rezoning concept also shows this area as R1 (Single-Family Residential District). In a report dated February 10, 2004, the Planning and Development Department interpretation of the Master Plan concludes that no amendment is necessary to proceed with the proposed development or rezoning.

#### **COMMUNITY OUTREACH**

Prior to the first public hearing, LSSM hosted three meetings in the community in an effort to explain the proposed development and solicit comments from community residents. The first was held at the Calvary Senior Center on September 11, 2003, the second was held at the Calvary Senior Center on November 18, 2003, and the third was held at Salem Memorial Lutheran Church on January 12, 2004.

At those meetings, members of the community raised general concerns about the potential negative impacts of integrating an apartment building into a neighborhood that is exclusively comprised of single-family dwellings. This concern was very intense when the development was initially proposed to be 60 units. The developer subsequently decreased the

number of units to 45. While this satisfies some community residents' concerns, other residents, particularly those residing in properties adjacent to the site, remained concerned about how the development will affect their properties.

#### **First Public Hearing**

On January 22, 2004, the City Planning Commission held a public hearing on the petitioner's initial request to rezone the subject property from R1 to R3 (Low Density Residential District). At that hearing, seven residents of the surrounding community expressed a position on the project: four expressed opposition, two expressed concerns about the project, and one expressed support. Issues raised at the hearing included:

- Whether a new fence would be constructed along the rear property line with one resident expressing a preference for a wall;
- Other possible uses allowed in R3 if this project didn't move forward;
- The age diversity in the neighborhood created by the project;
- Excessive traffic on Gateshead and cars ignoring the stop sign at Frankfort and Gateshead;
- How the facility's residents and guests would be monitored;
- The height of the building in relationship to the height of two-story homes across the street;
- A desire for fewer units;
- Alleged construction complications due to a sewer line;
- The flow of people into and out of the building;
- How traffic generated by this facility would affect car wash traffic;
- A desire for Gateshead to be closed at Mack.

In addition, the City Manager of the City of Grosse Pointe Farms indicated support for consideration of rezoning the property as a Planned Development.

In order to address some of the community members' concerns, the City Planning Commission suggested and the developer agreed to modify the request to, instead, rezone the subject properties to PD.

#### **Second Public Hearing**

On February 19, 2004, the City Planning Commission held a public hearing on the petitioner's modified request to rezone the subject property from R1 to PD. At that hearing, two residents expressed support for the project and asked some clarifying questions about park maintenance, specifics about the PD zoning classification, and parking arrangements during construction. In addition, one resident expressed opposition to the project and raised concerns about increased traffic on an already busy street, increased on-street parking, fear

that a commercial use could result if the senior housing facility does not receive proper financing, fear that property values would decrease, and a preference for developing the site for new single-family residential.

The CPC office also received a written correspondence from one resident expressing opposition to the project because of concerns about integrating a rental property into a single-family neighborhood and fears that current residents will leave if the project moves forward.

#### **ANALYSIS**

The subject property has many strengths as a site for a senior citizens housing development. The neighborhood is pedestrian friendly and safe, there is pedestrian access to high-quality retail and major bus lines, it is close to a major hospital, there are many churches within walking distance, the neighborhood is well-organized, and it is generally attractive.

The key to successfully integrating this development into the neighborhood rests in large part with how it is developed.

By modifying the rezoning request from R3 to PD, the City and the community are afforded an opportunity to oversee how this and future projects involving these properties will be developed. This change allows many of the community's concerns around future undesirable uses and design compatibility to be addressed.

The Commission is supportive of the

other changes made by LSSM to respond to community concerns and specific requests by CPC staff including the following:

- Reducing the number of units from 60 to 45, bringing the density down from 24.7 to 18.5 units per acre;
- Agreeing to construct a wood fence along the rear property line;
- Switching the location of the park and parking lot so that traffic does not intrude into the rest of the block/street and so that residents have easier access to retail along Mack;
- Varying the setbacks of the facade to make the structure more compatible with the single-family residential structures located cross the street;
- Using design elements to create the visual effect of individual "town houses".

#### **RECOMMENDATION**

The City Planning Commission voted to recommend that the request to rezone the properties located on the north side of Gateshead between the alley first west of Mack and Frankfort from an R1 (Single-family Residential District) to PD (Planned Development District) zoning classification be approved subject to the following conditions:

- That detailed landscaping, lighting, fencing, and signage plans be developed and submitted for CPC staff review and approval prior to the issuance of building permits;
- That when DPW Traffic Engineering

# Proposed Rezoning From R1 to R3

reviews the curb cut permits, it also reviews the on-street parking permitted on this block and considers mitigation measures, if any are found to be necessary.

**NEXT STEPS**

Please find attached an ordinance approved as to form by the Law Department for your consideration. City Planning Commission staff recommends that City Council schedule a discussion on this matter, after which time the ordinance could be introduced and the public hearing scheduled.

Nevada (Recommend Approval).

The City Clerk's Office forwarded to this office applications for Neighborhood Enterprise Zone (NEZ) certificates for 9 properties at the above-mentioned addresses.

City Planning Commission (CPC) staff's research indicates that all of the above properties are within the boundaries of the Emmanuel NEZ, which was approved by City Council in June, 1997.

The subject certificates are for newly constructed single-family homes valued at \$123,501. CPC staff understands that the subject applications were originally filed on October 27, 1999 before the building permits were issued. However, the City has been delayed in approving and forwarding the applications to the State Tax Commission, while the City has sought additional information for the applications.

Because the subject properties are verified as being in the Emmanuel NEZ, CPC staff recommends approval of the subject NEZ certificates. Please contact us should you have any questions.

Re: Neighborhood Enterprise Zone Certificate applications for ten (10) residential units to be rehabilitated in the University Lofts building located at 627 Alexandrine within the Midtown NEZ (Recommend Approval).

The City Planning Commission (CPC) staff has reviewed 10 applications for the Neighborhood Enterprise Zone (NEZ) certificates forwarded from the City Clerk's Office on April 15, 2004. These applications correspond to the properties located at 627 Alexandrine Unit 1, 627 Alexandrine Unit 2, 627 Alexandrine Unit 3, 627 Alexandrine Unit 4, 627 Alexandrine Unit 5, 627 Alexandrine Unit 6, 627 Alexandrine Unit 7, 627 Alexandrine Unit 8, 627 Alexandrine Unit 9, and 627 Alexandrine Unit 10. CPC staff

has reviewed the applications and recommends approval.

The subject property is located on W. Alexandrine between Second and Third. The University Lofts L.L.C. intends to renovate the existing building into 10 owner occupied residential units on approximately .23 acres of land in the Midtown NEZ area. The NEZ certificate applications appear to have been submitted prior to the issuance of any applicable permits.

CPC staff has reviewed the applications and recommends approval because the subject property is within the Midtown NEZ area, which is generally bounded by the Lodge Freeway, Cass Avenue, Tuscola, Selden, Calumet and Hancock. The property in question has been confirmed as being within the boundaries of the Midtown NEZ and should be eligible for NEZ Certificates in accordance with State Act 147 of 1992. The estimated investment is \$2,210,000.

Re: Departmental Recommendation  
Denial of Residential Alley (portion)  
Vacation Petition No. 2980 of Jayne  
Floyd.

The above-referenced petition requesting residential alley vacation has been reviewed and revisited by the Planning and Development Department (P&DD). Petition No. 2980 was initially presented to your Honorable Body at the Public Hearing of March 5, 2004.

The petitioner, Ms. Jane Floyd, desires to vacate the alley and use the additional land for parking vehicles. She lives in a two-family residential unit located at 2308 Blaine. At the public hearing, Mr. and Mrs. Steven Stallworth, residents also abutting the subject alley, objected to the proposed alley vacation because it creates an inconvenience in accessing their property. The City Council wanted us to work with the residents and report back. In an effort to reach acceptable compromise solution on this matter, the P&DD hosted a site meeting whereby we presented two possible layouts of the proposed alley vacation to all parties abutting the residential alley. This is detailed in our departmental report to your Honorable Body. The outcome was that these layouts were unacceptable to the abutting property owners.

Therefore, in accordance with the Detroit City Code, Article VI, Section 50-6-3 and based upon the attached report to your Honorable Body dated April 19, 2004, the Planning and Development Department recommends denial of Petition No. 2980, which will leave the South portion of this North/South alley open.

Re: Departmental Recommendation.  
Denial of Residential Alley Vacation.  
Petition No. 1095 of Bernice Shaw.

The above-referenced petition requesting residential alley vacation has been reviewed and re-visited by the Planning and Development (P&DD). This petition was initially presented to your Honorable Body at the Public Hearing of March 5, 2004. One objection was heard at the public hearing of March 5 (by Ada Long). Another objections was received via mail from 4030 W. Buena Vista concerning a two-car garage that has both rear access via the alley and access by front driveway. Vacating said alley would appear to cause a hardship to the residents who regularly utilize this alley for access.

The Detroit City Code, Article VI, Section 50-6-3 requires that the P&DD transmit a report of its findings to your Honorable Body. Our findings in this case are detailed in our Departmental Report dated April 21, 2004. The Planning and Development Department recommends denying this petition, thus leaving this alley open.

Honorable City Council:

Re: Property For Sale By Development Development: 2700-2706 Elmwood.

We are in receipt of an offer from Franklin Wright Settlements, Inc., a Michigan Non-Profit Corporation, to purchase the above-captioned property for the amount of \$750 and to develop such property. This vacant land measures approximately 48.16' x 155.56' and is zoned R-2 (Two-Family Residential District).

The Offeror proposes to landscape and create greenspace to enhance their adjacent property. This use is permitted as a matter of right in a R-2 zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Planning and Development Department Director of Development Activities to issue a quit claim deed for this property to Franklin Wright Settlements, Inc., a Michigan Non-Profit Corporation, with the deed to contain an attachment clause.

Respectfully submitted,

HENRY B. HAGOOD

Director of Development Activities

Honorable City Council:

Re: Public Sale of City-Owned Properties.

The properties listed below and described in the attached resolutions were advertised for sale by the Planning and Development Department, Real Estate Division through a pilot program designated as the "Dangerous Building Demonstration Program." The program involves the sale of city owned vacant residential dwellings and vacant commercial buildings that are slated for demolition. However, due to the extent of rehabilitation required, only those individuals and organizations that demonstrated sufficient financing and experience in new construction or substantial rehabilitation projects were permitted to purchase the properties. These properties are tax reverted properties.

The properties in question are all residential properties that are slated for demolition and in need of extensive rehabilitation.

The properties were advertised for sale in an "as is" condition to pre-qualified individuals, organizations and Community Development Housing Organizations (CDHO) with the minimum bid amount of \$500.00 by the sealed bid process. In addition, the properties were advertised for sale on a cash basis, with the purchase price to be paid via money order or cashier's check.

Further, the successful purchaser will be required to rehabilitate the property and correct all code violations stated on the "Presale Inspection Report" from the Buildings and Safety Engineering Department within six (6) months from receipt of a copy of the Quit Claim Deed by the City of Detroit. Accordingly, the successful purchaser is required to sign an "Affidavit of Compliance Responsibility" form with the Buildings and Safety Engineering Department prior to conveyance and to obtain a "Certificate of Approval" prior to occupying the property absent a temporary occupancy permit.

In each case, the successful purchaser has been informed that all rental properties in the City of Detroit must be registered with the Buildings and Safety

Engineering Department.

City Engineering Division**

May 21, 2004

Honorable City Council:

Re: Petition No. 1592 — Land Assembly for Neighborhood Development, requesting for conversion to easement and outright vacation of certain public rights-of-way, also dedication of land for a new street connector all in the area of Mack, Charlevoix, Philip, and Alter.

Petition No. 1592 of "Land Assembly for Neighborhood Development" at 1148 Harper Avenue, Detroit, Michigan 48213, request to 1. Outright vacate the West 10.50 feet and the East 19.50 feet portions of Manistique Avenue, 60 feet wide, between Mack Avenue, 120 feet wide, and Charlevoix Avenue, 60 feet wide, and the West 25.33 feet and East 4.67 feet of Ashland Avenue, 60 feet wide, between Mack Avenue, 120 feet wide, and Charlevoix Avenue, 60 feet wide, Also the dedicated alley/walkway and public street turnaround, (deeded to the City of Detroit on July 14, 1989 — J.C.C. Pgs. 1725-29) 2. Convert the remaining 30.00 feet wide portions of Manistique Avenue, 60 feet wide, and Ashland Avenue, 60 feet wide, public streets into private easements for utilities; 3. Dedicate land for a new street connector, 30 feet wide, all in the block bounded by Mack Avenue, 120 feet wide,

Charlevoix Avenue, 60 feet wide, Philip Avenue, 60 feet wide, and Alter Avenue, 66 feet wide, for the construction of a New Multi-Shopping Plaza.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report:

The petitioner (Land Assembly for Neighborhood Development" at 11148 Harper Avenue — Detroit, Michigan 48213), must build a new public street connector (30 feet wide) at no expense to the City of Detroit. The petitioner intends to acquire land and set-aside funding to build the new street connector. The street connector shall be built by private contract within property to be owned or controlled by the petitioner under City Engineering Division — DPW inspection and permits. When the street connector is completed to city specification, the petitioner shall deed the property to the city. City Council is requested to declare the city's "intent" to accept the executable warranty deed and street connector for public purposes; provided said property complies with the requirements of Detroit Codes and ordinances, also known as the "Environmental Review Guidelines" and provided the Law Department concludes that the grantor possess the appropriate rights, title, and interest in properties to convey said land to the city for a street connector and other public purposes. The dedication and construction of the 30.00 feet wide East-West strip of land for public street purposes must be completed before the vacations to avoid the creation of a dead-end street.

The Detroit Water and Sewerage Department (DWSD) reports no objections to the proposed right-of-way changes, provided that 1. A 30.00 feet wide portion of Manistique Avenue be converted into an easement to retain the maintenance and/or repair to the existing 14-foot sewer and six-inch water main. 2. A 30 feet wide portion of Ashland Avenue be converted into an easement to retain the maintenance and/or repair of the existing 13-feet — six-inch sewer and six-inch water main. 3. The petitioner owns all abutting properties to the requested outright vacation of streets and alleys within said project area. 4. DWSD have no objections to the outright vacation of the dedicated street, 55 feet wide, (Ashland Turnaround), (west of Ashland Avenue and between Mack Avenue and Charlevoix Avenue), and the dedicated alleys (walkway) 30 feet wide (south of Mack Avenue and between Ashland Avenue and Alter Avenue). 5. DWSD have no objections to the outright vacation of the Westerly 10.50 feet wide and Easterly 19.50 feet wide portions of Manistique Avenue. 6. DWSD have no objection to the outright vacation of the Westerly 24.33

feet wide and Easterly 4.67 feet wide portions of Ashland Avenue; Also all sewer alteration work is to be done at petitioners' expense and at no cost to DWSD.

Traffic Engineering Division — DPW, reports no objections to the proposed right-of-way changes, and dedication of land for a connector street; provided that 100% of abutting property owners are secured, however, the developer is responsible for the construction of the connector street to Ashland and Manistique Avenues per City standards prior to conversion to easement and outright vacation of Ashland and Manistique Avenues.

Public Lighting Department (PLD) reports a combination of underground primary conduit banks, manholes and overhead primaries in Manistique Avenue, alley parallel to Mack Avenue between Manistique and Ashland Avenues, and the north-south alley between Manistique and Ashland Avenues. The cost for removing and/or rerouting of said PLD facilities is estimated at \$225,000.00.

SBC Telecommunication reports petitioner needs to contact the design engineer to identify the facilities that are needed to be relocated and/or removed from project area to determine cost.

Michigan Consolidated Gas Company (MichCon) reports no objections to the proposed right-of-way changes, provided that the petitioner enter into a contract with MichCon for the cut, cap, and abandonment of MichCon's existing four-inch cast iron gas mains within Manistique and Ashland Avenue(s), and installing a new three-inch medium density plastic gas main in a 12-foot easement between Ashland and Manistique Avenue(s). The estimated cost of the work is \$17,954.00 payable to Michigan Consolidated Gas Company. MichCon will schedule the work to be completed after the agreement letter and payment is received.

DTE Energy reports no objection to the requested conversion to easement. DTE Energy requires that the underground and overhead facilities need to be removed and relocated from the portions requested for outright vacation. It is planned to install 300 feet — six to five-inch ducts, three (3) two-way manholes and associated cable in private property along the east property line of the new development, then west to the existing conduits in the alley west of Alter Avenue. This will relocate three 4.8kV underground circuits: Wayburn DC 1152, DC2136, DC2164. Wayburn DC 2159T an overhead circuit will be relocated overhead along the south side of the development. The Petitioner will be required to grant DTE Energy a 10-foot wide easement along the property line for the relocation of the underground and overhead facilities. The estimated cost of this work for the removing and/or rerout-

ing of utilities in the project area is \$224,00.00 payable to DTE Energy.

Comcast Cablevision reports no objections to the proposed right-of-way changes provided that a 72-hour notice be given to wreck-out existing cables in requested outright vacated areas.

If petitioner at any time plans to discontinue use of the paved alley and street entrances the petitioner shall pay all incidental removal cost.

All other City Departments and privately owned utility companies reported no objections to the proposed right-of-way changes or that satisfactory arrangements have been made. Provisions protecting utility installations (if necessary) are part of the resolution.

An appropriate resolution is attached for consideration by your Honorable Body.

Respectfully submitted,

SUNDAY JAIYESIMI

City Engineer

City Engineering Division — DPW  
By Council Member Bates:

Whereas, Petition No. 1592 of "Land Assembly for Neighborhood Development" at 11148 Harper Avenue, Detroit, Michigan 48213, request to 1. Be and same are hereby vacated as public streets and are hereby converted into public easements of the full width of the streets, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of said streets and by their heirs, executors, administrators and assigns, forever to wit;

Provided, That the petition (Petition No. 1592) shall design and construct proposed water mains and lateral sewer and make the connections to the existing water main and public sewers as require by the Detroit Water and Sewerage Department (DWSD) prior to construction of the proposed buildings; and be it further

Provided, That the plans for the water main and lateral sewers shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed water main and lateral sewers and to issue permits for the construction of the lateral sewers; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the water main and lateral sewer construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provide, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the cost of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the water main and lateral sewer; and further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

Provided, That upon satisfactory completion of the water main and lateral sewer construction shall be City property and become part of the City system; and further

Provided, That the petitioner reserved a 12-inch wide easement from the easterly line of the 30.00 feet wide easement in Manistique Avenue, 60 feet wide, and to the Westerly right-of-way line of Ashland Avenue, 60 feet wide; also being the Southerly 12 feet of Lot 278 and 309 for the purpose of installing and maintaining a three inch gas main, so Michigan

Consolidated Gas Company can abandon the existing four inch cast iron gas mains in the requested outright vacation of Ashland and Manistique Avenues from Mack Avenue to the proposed new gas main; and further

First, Said owners hereby grant to and for the use of the public easement or rights-of-way over said vacated public streets herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in public streets in the City of Detroit, with the right to ingress and egress at any time to and over said easements for the purpose above set forth,

Second, Said utility easement or rights-of-way in and over said vacated streets herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easements or rights-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easements with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated streets shall request the removal and/or relocation of any existing poles or other utilities in said easements, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such

broken or damaged utility; and further Resolved, City Council is requested to declare the city's 'intent' to accept the deed and new public street connector, being described as follows:

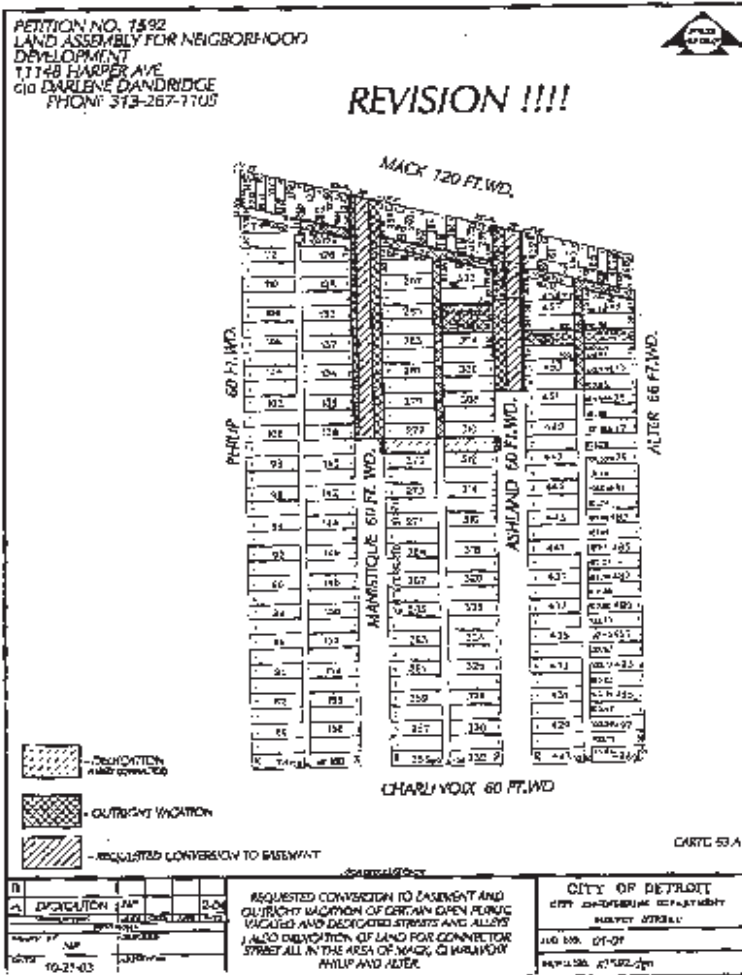

All of Lots 276 and 311 of the "C.B. Sherrard Subdivision of that part of P.C. 120 lying between the Northerly line of Kercheval Avenue and the center line of Mack Avenue," Township of Grosse Pointe and (now) City of Detroit, as recorded in Liber 32 Page 58, Plats, Wayne County Records; provided said property complies with the requirements of Detroit codes and ordinances, also known as the "Environmental Review Guidelines" [NOTE: The City Council anticipates a separate report and resolution-recommending acceptance of the deed-will be presented by the Detroit — Department of Public Works (its City Engineering Division; in conjunction with the Law Department, if necessary) for fur-

ther consideration]; and further

# CITY COUNCIL

(ADJOURNED SESSION)

(All Action of the City Council appearing herein is subject to reconsideration and/or approval of the Mayor.)

Detroit, Monday, June 7, 2004

Pursuant to adjournment, the City Council met at 11:30 A.M., and was called to order by the President Maryann Mahaffey.

Present — Council Members Bates, K. Cockrel, Jr., S. Cockrel, Collins, Everett, McPhail, Tinsley-Talabi, Watson, and President Mahaffey — 9.

There being a quorum present, the City Council was declared to be in session.

Mayor's Office

June 2, 2004

Honorable City Council:

On behalf of the citizens of the City of Detroit thank you for your diligence in completing the review and analysis of the proposed 2004-2005 budget. It was certainly a challenging process given the sluggish economy, cuts in state funding, and the soaring costs of healthcare and pensions hurting Detroit and cities across the country.

As you are well aware, the challenges we face are compounded by the fact that our property tax base has dramatically eroded over the past 40 years — and the bulk of our revenue comes from income taxes and state revenue sharing funds, both of which are extremely vulnerable to fluctuations in the economy. This reality, combined with the fact that in the 1990s the City of Detroit failed to invest in infrastructure and allowed costs to soar, has created a financial situation that is woefully precarious.

For 2001-2002 the Kilpatrick Administration inherited — and closed — a ballooning \$75 million deficit. And we balanced the budget as the potential shortfall swelled to \$94 million in 2002-2003 and \$191 in 2003-2004.

Our challenge with this budget was unprecedented as the total budget gap was \$333 million — a combination of a \$69 million deficit from last year and a \$264 million shortfall for next year. Beyond crippling economic forces, our potential shortfall was fueled by a staggering 22% (\$114 million) increase in the costs of employee healthcare and pensions.

Clearly, the gap that exists between our revenues and expenses is growing wider each year. And as we prepared the budget for 2004-2005 we knew we had to change the way we do business in the City of Detroit or we would pay the price.

The balanced budget I presented on April 12, 2004 combined strategic cuts and sacrifice with new accountability and reengineering to ensure our financial future no longer hangs in the balance — and we can Grow Detroit as we start back toward solid financial ground.

The proposed budget for 2004-2005 is rooted in the fact that tough financial times require tough budget and management decisions. It requires reorganizing, reengineering, and doing more with less.

Unfortunately, based on Council's proposed changes to the budget, this is a reality some members are unwilling to face.

At a time when we must make the hard choices to lay the foundation to Grow Detroit, Council has sought the easy way out with proposed changes that have no basis in sound management practices, will drastically reduce vital City services, and will only dig our financial hole deeper. Therefore, I must partially veto Council's proposed changes as outlined in the four attached schedules.

## **Schedule A: Technically Impossible Cuts**

As part of an arbitrary, across-the-board cut of 5.2% to Professional & Contractual Services and Operating Services & Supplies, Council mistakenly slashed approximately \$3.5 million in areas the City has legal obligations to make payments, is reimbursed by the state, or that require offsetting revenue to make an adjustment.

Examples of technically impossible cuts recommended by Council include: \$1.1 million of the refuse disposal tipping fee the City must pay to the Greater Detroit Resource Recovery Authority as part of the bond obligation; \$386,000 for street paving and cleaning that is reimbursed by the State of Michigan as part of the Street Fund program; \$255,000 the City is legally obligated to provide 36th District Court to pay jurors and provide public defenders for people who cannot afford lawyers; and a \$709,000 cut to the insurance premium we must pay to the Risk Management Fund as part of our bond obligation.

In total, 17 cuts proposed by Council are technically impossible and would leave the City of Detroit unable to meet its legal obligation or cause it to lose guaranteed reimbursements. A number of these cuts also leave the budget out of balance.

With the funds Council sought to reclaim through cuts to Services and Supplies — and by increasing the General Fund subsidy to DDOT by \$5.8 million — members wanted to restore FTE positions in many departments.

While I respect Council's recommendation on a few of these positions (see Conclusion), it is irresponsible to restore positions in the Department of Public Works given reengineering already underway. It is also irresponsible to increase the DDOT subsidy and restore positions given current overstaffing and inefficiencies (see Schedule B explanation below).

Therefore, I have no choice but to veto on Schedule A all of the technically impossible cuts, the restoration of 17 FTE positions in the Department of Public Works, and a portion of Council's action related to the DDOT subsidy increase and FTE positions.

#### **Schedule B: Cutting City Services**

Through streamlining operations, reengineering departments, and increasing accountability, my administration is committed to improving City services and doing more with less.

This was our driving philosophy as we did an intensive department-by-department review and made strategic cuts in preparing the budget for 2004-2005.

In my proposed budget, Contractual Services were cut to the bare minimum in tandem with reorganization or streamlining plans to ensure service to citizens would not be hindered and could actually be improved. This unprecedented process allowed us to cut Professional & Contractual Services by 13% from the 2003-2004 budget and Operating Supplies by 2.5%.

On top of these already deep cuts, with no regard to the impact on services and citizens, Council made the irresponsible decision to arbitrarily cut Services and Supplies by another 5.2% across the board. In addition to the 17 technically impossible cuts, Council slashed another \$6.8 million from 125 areas that directly impact services.

If Council's cuts were adopted, citizens could expect:

- Overgrown vacant lots
- EMS not having full medical and surgical supplies
- Fewer prescription drugs from the Department of Health & Wellness Promotion
- City vehicles in disrepair
- City Warming Centers open one less week
- A reduction in the Domestic Violence Program in 36th District Court
- A reduction in services provided by Department of Elections during an important presidential election year.

Additionally, proposed cuts would leave:

- Cobo Center, the Detroit Police Department, and the Detroit Zoo unable to pay their utility bills
- The Recreation Department unable to make repairs to recreation centers
- Public Lighting unable to purchase sufficient fuel oil to power generators at the Mistersky Power Plant.

At a time when the City of Detroit is making tremendous progress, just the few proposed cuts I have described would prevent departments from achieving their missions, and drag us back in time as services are severely hindered.

One addition recommended by Council is \$500,000 for the upgrade of its television equipment. I do agree that an upgrade is needed, but I disagree with the method of funding. Instead of using General Fund dollars, I have instructed the Detroit Cable & Communications Commission to ensure your equipment upgrade is covered in the new Comcast franchise agreement, the negotiations of which Council has extended until December 2004.

Again, with respect to the restoration of FTE positions, Council's recommendation to restore positions in the Department of Public Works is unacceptable. The elimination of these positions was based on a strategic financial plan and reengineering already underway.

Council's recommendation to increase the General Fund subsidy to DDOT by \$5.8 million to help fund the restoration of 108 FTE positions in the DDOT Vehicle Maintenance Division is also unacceptable. Council also seeks to restore 2 FTE positions in the Equipment Maintenance Division. By any measure, DDOT lags far behind other urban bus systems in the efficiency of its operations. We spend more per mile and vastly more time repairing buses despite the fact that we have a ratio of one mechanic for every two buses when the industry standard is one mechanic for every 6 or 7 buses.

DDOT is miles away from adequately serving citizens, but the answer to improving the system is not preserving the bloated staffing levels of the past and throwing good money after bad with a higher subsidy. DDOT will only improve with reengineering and true accountability.

In the interest of fiscal responsibility and sound management practices I have no choice but to veto all of the cuts to Services and Supplies, the restoration of 53 FTE positions in the Department of Public Works, and the balance (from Schedule A) of the increased DDOT subsidy and 108 FTE positions in DDOT Vehicle Maintenance.

#### **Schedule C: Realigning Consumer Affairs**

For the third straight year, in the interest of improving service to citizens and holding businesses accountable, I have called for a realignment of Consumer Affairs.

In the proposed budget for 2004-2005 the Consumer Advocacy function was shifted to the Senior Citizens Department, which already performs informational and outreach functions; Weights and Measures became the responsibility of the Police Department, and the Business Licensing function moved to Buildings & Safety Engineering. I maintain this will provide a substantially higher level of service of citizens.

In Council's attempt to dismantle this change it did not correctly adjust necessary appropriations and revenues in the budget and as such left the 'restored' Consumer Affairs under funded and the budget out of balance. While this error is reason enough, I firmly believe in this realignment and I have no choice but to restore it and veto the changes on Schedule C.

#### **Schedule D: Senior Security & Block Grant/NOF Funds**

Because my administration is absolutely committed to improving the quality of life for our senior citizens, providing security for public housing was a top priority in the proposed budget for 2004-2005. Our commitment is so strong we funded security despite the Detroit Housing Commission becoming an independent entity in 2004-2005. However, some members of Council did not share this commitment and recommended \$1.2 million we allocated for senior security, be cut from the budget. This is completely unacceptable.

Continuing its efforts to restore FTE positions despite financial constraints, strategic considerations and reengineering plans, Council recommended positions be restored in the Department of Health & Wellness Promotion and the Auditor General. It was also recommended that two new FTE positions be added in the Department of Human Rights. This too is unacceptable.

At the same time, Council sought to find additional funds by increasing turnover savings from both the Police and Fire Departments by \$1.5 million. This administration is actively filling the ranks of Detroit's finest and bravest with the brightest and best. And at a time when safety and security are a paramount concern, these proposed increases to turnover savings are irresponsible.

Also very troubling is the shell game Council is trying to play with federal Block Grant and NOF dollars, and money from the General Fund. In an attempt to channel additional funds to community organizations, Council recommended \$2.3 million in Planning & Development Block Grant staffing costs be covered instead by the General Fund. At the same time, \$1.4 million in Block Grant for demolition of vacant buildings was pulled from Buildings & Safety Engineering and directed to organizations. Council recommended General Fund dollars being substituted to pay for demolition.

This is unprecedented, audacious, and irresponsible — especially given the intense scrutiny of Block Grant dollars by the Department of Housing and Urban Development, and its demand that funds be focused on broader brick-and-mortar organizations and projects in the community that effectively Grow Detroit.

In the interest of providing security for our senior citizens, ensuring the strength of our Police and Fire Departments, strategically reducing positions in departments, and maintaining the integrity of our Block Grant and NOF programs, I have no choice but to veto all of these actions on Schedule D recommended by Council.

#### **'No action' Recommendations**

While I have no choice but to veto many of Council's recommendations, I am accepting some changes — many with reservation or objection.

One I find completely objectionable in these tough economic times is the restoration of \$2.8 million total to the City Council budget. I find it troubling that at a time when every department is taking operational cuts, Council has given itself yet another increase.

Another major Council recommendation I will not veto is the elimination of the half-price DDOT fare for disabled riders. While my administration was always committed to ensuring senior citizens (including disabled seniors) rode DDOT for free, charging a discounted fare to disabled riders is an industry standard and is done locally by the SMART bus system. To ensure fairness in the system and prevent abuse of the free disabled fare, DDOT will soon require all disabled riders to visit a DDOT office to obtain a new card.

Additionally, Council has sought to increase the number of food sanitation and drug education workers in the Department of Health & Wellness Promotion; and reallocate Police drug forfeiture funds to support the Explorer Program, Youth program, and Drug Court. I accept these recommendations.

#### **Conclusion**

Although Detroit is growing and the national economy is showing glimmers of hope, our financial situation has been deteriorating for decades and we have a long road ahead to solid financial ground. Our progress on this path depends largely on our ability to make the tough choices, reengineer government, demand accountability, and improve services by doing more with less.

I am hopeful we can work together and make the budget for 2004-2005 a cornerstone in the financial foundation to truly Grow Detroit.

Respectfully submitted,  
KWAME M. KILPATRICK  
Mayor

Honorable City Council:

Re: Four of Five Resolutions to override the Mayor's Vetoes of the City Council's Changes to the Mayor's Recommended 2004-2005 Budget.

Attached are four of the five schedules from the Administration outlining the Mayor's veto of City Council's action on the 2004-2005 Mayor's Recommended Budget. Schedules A, B, C and D address vetoes to the General Fund, Enterprise Fund and General Obligation Bond Fund program/appropriation portion of the budget. Schedule E addresses the Consolidated Plan Budget for the Block Grant. This resolution will come to you separately from the City Planning Commission.

Also for Council's information, attached is the list of items that Council changed in the budget process that the Mayor chose not to veto totaling \$6.46 million (see "Attachment I"). Council's appropriation changes to the Mayor's recommended budget, not including the block grant fund, were \$13.1 million. The Mayor's veto includes \$6.68 million of the proposed changes or 51% of what Council wanted changed.

**Schedule A** reflects the Mayor's veto of what he has termed "Technically Impossible Cuts". Nothing that Council proposed is technically impossible to execute.

Council agreed in theory that they wanted to restore as many proposed layoffs as possible and that cost totaled \$20.9 million. Council Members felt that not all programs had been cut so severely that there wasn't money available to be reallocated. As a point of reference, Council Members believed that between contractual services, operating supplies and operating services accounts which total \$380 million in the General Fund, that there was \$20.9 million with which to restore funding for layoffs.

At the Council Table during Executive Budget Deliberations, the Budget Director, Roger Short, provided Council with documents that outlined what was purchased out of those accounts, including the fixed costs for insurance premiums, debt service payments, utilities and contracts already in place. Based on these documents and discussions with the Budget Director and the Fiscal Analysis staff and among the Council Members, it was agreed that Council would propose restoring half of the proposed layoffs, or \$10.4 million would be shifted.

It was agreed by a straw vote of Council Members that the departments to be restored would be DDOT, DPW and Health, in that order. \$10.4 million could not include all of the layoffs at Health and so the 5 in Rodent Control and the Animal Control programs were chosen.

It was also agreed by a straw vote of Council Members that the funding mechanism to be used for this restoration of layoffs was to hit every General Fund appropriation, reducing Contractual Services by 5%, Operating Supplies by 5.5% and Operating Services by 1.5%. Based on these percentage cuts of certain line items, some appropriations were cut as little as a few dollars and some were reduced more than a million dollars.

While the methodology for shifting the funds had a "line-item" rationale, in effect, all City Council did was reduce each program, or appropriation. City Council cannot "make" the Administration reduce a specific line item in an appropriation. The reduction that City Council made in a specific appropriation may or may not result in a specific task in that program being improperly funded.

In appropriations where the Administration determines there are insufficient funds to fulfill a specific program, what needs to be initiated by the Administration is an appropriation transfer letter requesting Council authorization to transfer appropriations from an appropriation with available funds to the appropriation that is deficitting during the operating year.

**Schedule B** reflects the Mayor's veto of the majority of the proposed cuts by Council from each General Fund appropriation and also the veto of the majority of the proposed layoff restorations. It also includes the veto of \$500,000 for the camera equipment needed by the Legislative Media staff.

**Schedule C** reflects the Mayor's veto of City Council's action to restore funding and staffing for the Consumer Affairs Department. All of the actions that Council voted on were in balance and merged the three components back into a single department.

**Schedule D** reflects the Mayor's veto of City Council's action on a variety of issues — moving staff from block grant to the general fund; moving demolition costs to the gener-

al fund from the block grant fund; taking additional turnover savings in Police and Fire; restoring layoff positions in DPW, Health, Auditor General.

The four resolutions as provided by this office, would allow Council to confirm their original changes to the Mayor's 2004-2005 Proposed Budget and override the Mayor's partial vetoes.

Respectfully submitted,  
IRVIN CORLEY, JR.  
Director  
ANNE MARIE LANGAN  
Deputy Director

**STATEMENT OF COUNCIL MEMBER S. COCKREL  
 IN OPPOSITION TO RESOLUTIONS TO OVERRIDE VETOES OF THE MAYOR  
 AS LISTED IN SCHEDULES A, B AND D**

On Monday, June 7, 2004, I voted in opposition to the resolutions referenced above. In my May 24, 2004 statement regarding my no vote on the fiscal year 2004-05 budget, I outlined three main concerns. I expressed my heartfelt acknowledgement for those who will be laid off, I expressed my belief that long-term structural changes are necessary and I commented on my disdain for across the board cuts made without the level of scrutiny required for thoughtful budget decisions. These concerns remain just as true at this point of the budget process and it is for these reasons I voted no on these resolutions to override the Mayor's veto.

It is abundantly clear that a restructuring of City government on a massive scale is in order not only for general improvement, but perhaps, for survival. We are providing an enormous subsidy to the Detroit Department of Transportation in the amount of \$69,614,983 for operations for FY 2004-05. This is in addition to the fact that the Comprehensive Annual Financial Report for FY ending June 30, 2003 reflected that the Transportation Fund reported a \$12.8 million deficit for FY 2002-03. Given that the current subsidy amounts to 45.2% of the Percentage of General Fund Subsidy to Total Revenues, such a rate for an enterprise department is simply unacceptable. This is but one example of the structural fiscal crisis that we are facing and the Council must act deliberately and responsibly on the budget.

In this regard, I concur with the Mayor's veto to Schedule A inasmuch as across the board cuts are arbitrary and irresponsible. I do not agree that such cuts are "technically impossible" in that funds within the Professional and Contractual Services and Operating Services and Supplies appropriations may be shifted to meet legal obligations. However, I do believe in the principle that cuts to the budget should be discussed early in the budget process and any decision to cut should be made with all due consideration.

Again, I do acknowledge the difficult situation that those who will be laid off will have to face. I sympathize with those who may have to face economic suffering. At the same time, I must acknowledge the difficult situation that the City faces as a whole. We unfortunately live in a time when the harsh economic downturn forces us to make tough decisions.

At this Council, the mantra has been that five votes are what it takes. At the end of the day it has become clear that on crucial policy matters, sometimes, it takes six votes or more. The ultimate solution must be to categorically restructure City government in order to provide efficient services. We must all work together to that end.

Honorable City Council:

Please find attached technical adjustments to the Mayors 2004-2005 Veto Schedule E for Block Grant. These adjustments were necessary to adequately reflect the administrative, public services cap, as well as, complying with HUD's Monitoring Report recommendations for public facility rehabilitation and to balance the block grant budget. Also, there were some groups that **were not vetoed** and were omitted from Schedule E as submitted. Those individual groups are also listed on the attachment for your information.

Your favorable acceptance of this adjustment will be appreciated. I will be available to respond to any further questions.

Respectfully submitted,  
ROGER SHORT  
Budget Director

STATEMENT BY COUNCIL MEMBER SHEILA M. COCKREL  
REGARDING VOTE TO SUSTAIN MAYOR'S VETO OF PORTIONS  
OF THE FISCAL YEAR 2004-05 AS LISTED IN SCHEDULE E

On Monday, June 7, 2004, I voted with great reluctance to sustain the Mayor's veto of the Community Development Block Grant (CDBG) allocation. This is because the budget as passed by Council (my vote was no) would have amounted to a political pork barrel formed from a complete lack of structure, rules or guidance. My full view on the CDBG budget was contained in my May 24, 2004 statement in opposition to the CDBG budget.

It is essential that we effectuate to the best of our ability, the CDBG budget that we are left with, and to look now to the future. In this regard, both the Administration and the City Council should be cognizant of several goals geared towards bringing some sense of direction to the CDBG process.

As I previously stated, the City Council had over time, agreed to *de facto* guidelines to allocate CDBG funding. It is time for the Council to work with the Administration to develop *de jure* rules, by resolution or otherwise, in order to craft a method of even-handedly funding the various groups requesting CDBG funding.
