ARTICLE XIV. GENERAL DEVELOPMENT STANDARDS DIVISION 1. OFF-STREET PARKING, LOADING AND ACCESS Subdivision A. In General

Sec. 61-14-7. Off-street parking exemptions and allowances.

The following exemptions <u>and allowances</u> to the off-street parking requirements shall apply:

(1) Uses in the B5 and PC districts and in any other district in the Central Business District area shall be exempt from the off-street parking requirements of ARTICLE XIV, DIVISION 1, Subdivision B and Subdivision C of this Chapter;

- (2) For retail, service, and commercial uses on zoning lots abutting a Traditional Main Street or on land zoned SD1 or SD2, the maximum distance that off-street parking shall be provided from the principal use specified in Article XIV, Division 1, Subdivision B, may be increased to one thousand three hundred and twenty (1,320) feet where the applicant can show to the satisfaction of the Planning and Development Department that a "district approach" to parking is being used in the Traditional Main Street Overlay Area or other area nearby. To show a district approach to parking, the applicant shall provide the following:
- (a) A signage plan to show how the business will direct customers and employees to the off-site parking lot including parking signage and wayfinding:
- (b) A plan for who will manage and maintain the off-site parking facility, including safety and security measures;
- (c) Where the parking area or parking structure is owned by someone other than the applicant, a shared parking agreement shall be required according to Sec. 61-14-106 and Sec. 61-14-109 of this Code.
- (3) No additional off-street parking, beyond that already provided, shall be required for structures erected prior to April 9, 1998, other than religious institutions, erected prior to April 9, 1998 that have do not exceed three thousand (3,000) er fewer-square feet of gross floor area; and
- (4) When Where a use located in a structure erected prior to April 9, 1998 expands into an existing adjacent structure erected prior to April 9, 1998 and the total gross floor area of the combined structures is not more than does not exceed four thousand (4,000) square feet, no additional off-street parking shall be required.

Subdivision F. Waivers and Alternative Parking Plans Sec. 61-14-103. Waiver of off-street parking requirements for uses or buildings minimally deficient.

(a) In general

- (1) Where the Buildings, Safety Engineering and Environmental Department determines that 1) a building or use requires no variance or other action under the jurisdiction of the Board of Zoning Appeals and 2) the building or use can provide at least eighty percent (80%) of the required off-street parking spaces, then, upon request of the petitioner and in conjunction with the Municipal Parking Department and the Department of Public Works, Traffic Engineering Division, the department may grant a waiver of the off-street parking requirements, not exceeding ten (10) parking spaces. Such waiver shall not be granted unless, in the judgment of the Buildings, Safety Engineering and Environmental Department, with the sign-off of the Municipal Parking Department and the Department of Public Works, Traffic Engineering Division, the waiver of the parking requirement for the building or use involved is not injurious to the adjacent or surrounding areas by creating or increasing traffic congestion or by disrupting traffic circulation. However, in those instances where a building or use is subject to Site Plan Review, the Planning and Development Department has sole authority to consider such waiver.
- (b) Traditional Main Street Overlay Areas.
- (1) Applicability. In addition to the parking waiver granted for buildings under not exceeding three thousand (3.000) square feet per Sec. 61-14-7(2) Sec. 61-14-7(3) of this Code, in a Traditional Main Street overlay area, as provided in Sec. 61-11-312, the Planning and Development Department may grant a waiver of the off-street parking requirements for the first three thousand (3.000) square feet of pedestrian-oriented retail, service, or commercial uses. The Planning and Development Department shall have authority to consider such waiver ensuring that the waiver will not be injurious to the adjacent or surrounding areas by creating or increasing traffic congestion or by disrupting traffic circulation.
- (2) Eligiblity. In order to qualify for the waiver, the following criteria shall be met:
- (A) The pedestrian-oriented use shall fall into one of the following use categories:
- (i) Sec. 61-12-43, Food and beverage service;
- (ii) Sec. 61-12-50, Retail sales and service; sales-oriented; and

- (iii) Sec. 61-12-51, Retail sales and service; service-oriented except motor vehicle sales, motorcycle sales, and any use with drive-up or drive-through facilities.
- (B) New buildings must comply with all of the requirements in the Traditional Main Street Overlay standards.
- (C) New uses in existing buildings shall be eligible for this waiver only if, at a minimum, the building complies with the following standards from Division 3, Subdivision C of this article:
- (i) The front façade of the building is located on the lot line facing the Traditional Main Street, in accordance with the standards in Sec. 61-14-282 of this Code:
- (ii) The street level façade of the building has a minimum of sixty percent (60%) transparency according to Sec. 61-14-286 of this Code;
- (iii) The building has an active entryway located on the façade facing the Traditional Main Street, according to Sec. 61-14-289 of this Code.
- (D) In the case where one building or development contains multiple retail, service, or commercial uses, the total number of spaces that may be waived for a building or development using this waiver shall not exceed forty five (45) spaces.

(c) SD1/SD2 Areas

in addition to the parking waiver granted for buildings under three thousand (3,000) square feet per Sec. 61-14-7(3) of this Code, on properties zoned SD1 or SD2, the Planning and Development Department may grant a waiver of the offstreet parking requirements, for the first three thousand (3,000) square feet of pedestrian-oriented retail, service, or commercial uses. The Planning and Development Department shall have authority to consider such waiver, ensuring that the waiver will not be injurious to the adjacent or surrounding areas by creating or increasing traffic congestion or by disrupting traffic circulation. In the case where one building or development contains multiple retail, service, or commercial uses, the total number of spaces that may be waived for a building or development using this waiver shall not exceed forty five (45) spaces.

(Ord. No. 11-05, §1, 5-28-05; Ord. No. 20-05, §1, 5-29-05; Ord. No. 44-06, §1, 12-21-06; Ord. No. 23-13, §1, 8-28-13)

Sec. 61-14-113. Credit for public parking.

Where City of Detroit public parking lots directly abut or are within one hundred (100) feet of a site that is proposed for occupancy, such City of Detroit public parking areas may be credited to the amount of off-street parking required by this article, provided, that no other land use has claimed credit for the same City of Detroit public parking lot.

For properties zoned SD1 or SD2, City of Detroit public parking lots within one thousand three hundred and twenty (1,320) feet of the site proposed for occupancy may be used toward the required amount of offstreet parking. A shared parking agreement shall be duly recorded with the City of Detroit Municipal Parking Department.

(Ord. No. 11-05, §1, 5-28-05)

Subdivision I. Off-Street Parking Area Design

Sec. 61-14-149. Traditional Main Street

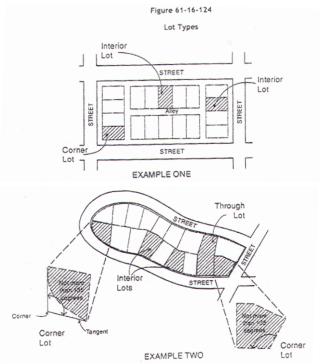

overlay areas, SD1, and SD2.
In designated Traditional Main Street overlay areas and on land zoned SD1 and SD2, no parking may be located between the front façade of a primary structure and the street.

ARTICLE XVI. DEFINITIONS AND RULES OF CONSTRUCTION **DIVISION 2. WORDS AND TERMS DEFINED**

Subdivision K. Letter "K" Through "L"				
Sec. 61-16-124. Words (Ord. No. 11-05, §1, 5-2	and terms (Ln-Lz).			
Lodging House, Public	A commercial establishment or place where five (5) or more members of the public, whether travelers or not, are charged for or pay for sleeping quarters in the form of cots or beds in the same room.			
Loft	A dwelling unit in a building originally constructed for other than primarily residential use containing one or more rooms or enclosed floor space arranged for living, eating, sleeping and/or home occupations; such units shall include bathroom and kitchen facilities as required by applicable codes.			
Lot	Same as "Zoning lot" (See "Lot, Zoning")			
Lot Area	The area contained within the boundary lines of a lot, excluding any street, easement for street purposes, or street right-of-way.			
Lot, Corner	A lot of which at least two sides abut (for their full length) upon a street, provided that the two (2) sides intersect at an angle of not more than one hundred thirty-five (135) degrees. Where a lot is on a curve, if tangents through the extreme points of the street line of such lot make an interior angle of not more than one hundred thirty-five (135) degrees, it is a corner-lot. In the case of a corner-lot with a curved street line, the corner shall be considered to be that point on the street line nearest to the point of intersection of the tangent herein described. (See Figure 61-16-124.)			
Lot, Interior	A lot other than a corner-lot, with only one frontage on a street. (See Figure 61-16-124.)			
Lot Line	A line bounding a lot that divides one lot from another lot or from a street or any other public or private space.			
Lot Line, Boundary	A lot line that separates a property in one zoning district from a property in a different zoning district.			
Lot Line, Front	The line dividing a lot from a street. On a corner-lot, the shorter street line shall be considered the front lot line; provided, that for a lot comprised of more than one lot of record, the front lot line shall be the same as indicated on the plat for the individual parcels comprising the lot. In unusual circumstances the Planning and Development Department shall designate which shall be the front lot line. Where a zoning lot is bounded on two opposite sides by public streets, the zoning lot line fronting on the street having the wider right-of-way shall be front zoning lot line.			
Lot Line, Rear	That lot line that is parallel to and most distant from the front lot line of the lot; in the case of a triangular, or an irregular lot, a line twenty (20) feet in length, entirely within the lot, parallel to and at the maximum possible distance from, the street lot line shall be considered to be the rear lot line. In the case of corner lots, the rear lot line shall be opposite the lot line along which the lot takes access to a street.			

Lot Line, Side	A lot line other than the front lot line or rear lot line.
Lot of Record	A lot that is part of a subdivision, the plat of which has been recorded in the office of the County of Wayne Register of Deeds; or a parcel of land, the deed of which is recorded in the office of the County of Wayne Register of Deeds.
Lot, Through	A lot other than a corner-lot with frontage on more than one street. (See Figure 61-16-124.)
Lot Width	Lot width refers to the horizontal distance between side lot lines. Lot width shall be measured at right angles to the lot depth at points twenty (20) feet from the front lot line and twenty (20) feet from the rear lot line
Lot, Zoning	A single tract of land located within a single block that at the time of filing for a building permit is designated by its owner or developer as a tract to be used, developed, or built upon as a unit under single or unified ownership or control. Such lot shall have frontage on a street, or permanent means of access to a street, other than an alley, and may consist of: [1] a single lot of record; [2] a portion of a lot of record; [3] a combination of complete lots of record, of complete lots of record and portions of lots of record, or of portions of lots of record; [4] a parcel of land described by metes and bounds.

RESOLUTION APPROVING **BROWNFIELD PLAN OF THE** CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY FOR THE COMPREHENSIVE LOGISTICS REDEVELOPMENT PROJECT

City of Detroit County of Wayne, Michigan By Council Member Leland:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for the Comprehensive Logistics Redevelopment Project (the "Plan"); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on April 9, 2014, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on April 16, 2014 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on April 9, 2014; and

WHEREAS, The Authority approved the Plan on April 23, 2014 and forwarded in to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381;

WHEREAS, The City Council held a public hearing on the proposed Plan on June 12, 2014

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

- 2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.
- 3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.
- 4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:
- (a) The property designated in the Plan meets the definition of Eligible Property, as described in Act 381;
- (b) The Plan meets the requirements set forth in Section 13 of Act 381.
- (c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.
- (d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.
- (e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.
- 5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.
- 6. Preparation of Base Year Assessment Roll for the Eligible Property.
- (a) Within 60 days of the adoption of this Resolution, the City Assessor shall

prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

- (b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.
- 7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.
- 8. Establishment of Project Fund; Approval of Depositary. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depositary bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.
- 9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Site Remediation Revolving Fund, as authorized by Act 381.
- 10. Return of Surplus Funds to Taxing <u>Jurisdictions</u>. The Authority shall return all surplus funds not deposited in the Local Site Remediation Revolving Fund proportionately to the Taxing Jurisdictions.
 - 11. Payment of Tax Increment

Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. <u>Disclaimer</u>. By adoption of this resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

- 13. <u>Repealer</u>. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.
- 14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Adopted as follows:

Yeas — Council Members Benson, Castaneda-Lopez, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 9.

Nays - None.

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on Thursday, May 15, 2014, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

JANICE WINFREY, City Clerk City of Detroit County of Wayne, Michigan

City of Detroit Legislative Policy Division May 9, 2014

Honorable City Council:

Re: Resolution to Revoke Obsolete Property Act (OPRA) (PA 146 of 2000) Certificate #3-03-0027 for 74 Garfield

The Detroit Economic Growth Corporation (DEGC) on behalf of the developer, is recommending that the Detroit City Council revoke the OPRA tax abatement issued at 74 Garfield to Garfield Development, LLC, for OPRA certificate #3-03-0027. The building was demolished as a result of a fire.

However, due to the property's OPRA status. The taxes on the building that existed on the building prior to the issuance of the abatement are frozen throughout the term of the abatement. Consequently, the owner of the property is currently being taxed for a building that no longer exists, therefore, if the Detroit City Council revokes the abatement by resolution, based on the OPRA statute, the property will no longer maintain its OPRA status and the Assessor may adjust the tax bill accordingly. The OPRA status for 74 Garfield is not due to sunset until December 30, 2015.

Attached, please find the Detroit City Council resolution for your review and approval, which revokes OPRA certificate #3-03-0027 for 74 Garfield. In addition, we've attached the letters requesting the revocation of the OPRA certificate from DEGC and the certificate holder. Garfield Development, LLC.

Please contact us if we can be of any further assistance.

Sincerely, DAVID WHITAKER

Director

Legislative Policy Division Staff By Council Member Leland:

Whereas, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions: and

Whereas, The Detroit City Council has a charter mandated responsibility to provide for the laying and collecting of rents, tolls, excises and taxes, and

Whereas, In order to promote economic redevelopment of properties which have generally experienced extreme neglect in the city, the City of Detroit authorizes the use of tax abatements, via the Obsolete Property Rehabilitation Act (OPRA), under Michigan Public Act 146 of 2000, as a development tool, and

Whereas, The Detroit City Council has determined, upon the recommendation of the Detroit Economic Growth Corporation (DEGC) on behalf of the developer, to revoke the OPRA tax abatement issued to Garfield Development, LLC, for OPRA certificate #3-03-0027. The basis for the recommendation for revocation is due to the fact that 74 Garfield, the building covered under this abatement, was demolished as a result of a fire, and

Whereas, Section 1252792 of the OPRA Act states, "The legislative body of the gualified local governmental unit may, by resolution, revoke the obsolete property rehabilitation exemption certificate of a facility if it finds that the completion of rehabilitation of the facility has not occurred within the time authorized by the legislative . . . or that the holder of the obsolete property exemption certificate has not presented in good faith with the operation of the rehabilitated facility in a manner consistent with the purposes of this act . . .", and

Whereas, Given the fact that the taxes are frozen on the building that no longer exists due to the OPRA rehabilitation exemption certificate, which imposes an undue burden on the taxpayer, the City Council will grant the request of the DEGC and the developer and revoke the OPRA certificate, and

Whereas, In addition, the Detroit City Council respectfully requests that the Assessor make the appropriate adjustment to the tax bill for the property at 74 Garfield, pending this action.

Now, Therefore, Be It

Resolved, That the Detroit City Council hereby revokes OPRA Certificate #3-03-0027, for the property located at 74 Garfield. In addition, the Clerk shall forward copies of this resolution to the Assessor of the City of Detroit and to the Michigan State Tax Commission.

Re: Resolution Approving an Obsolete Property Rehabilitation District, in the area of 2110 Trumbull, Detroit, Michigan, in accordance with Public Act 146 of 2000 on behalf of UFO Unlimited, LLC.

On Thursday, May 15, 2014, a public hearing in connection with establishing an Obsolete Property Rehabilitation District was held before your Honorable Body.

Attached please find a resolution and legal description, which will establish an Obsolete Property Rehabilitation District at 2110 Trumbull, Detroit, Michigan, in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the proprietor of this property.

Inasmuch as no impediments to the establishment of the district were presented at the public hearing, we request that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted, **BRIAN ELLISON** Deputy Director

By Council Member Leland:

Whereas, Pursuant to Public Act No. 146 of Public Acts of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit: and

Whereas, UFO Unlimited, LLC, has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 2110 Trumbull, Detroit, Michigan, the area being more particularly described in Exhibit A attached hereto; and

Whereas, The aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying ad valorem taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on May 15, 2014, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in Exhibit A attached hereto; and

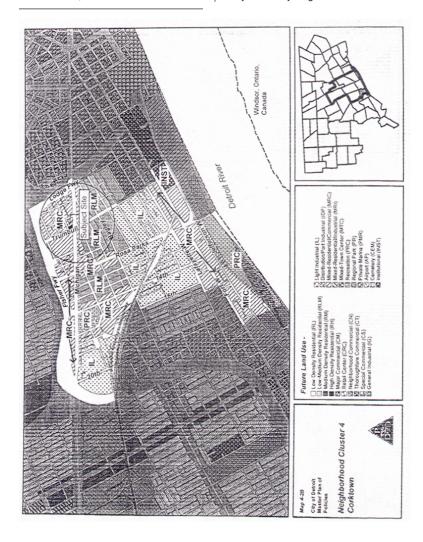

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing;

Now Therefore Be It

Resolved, That Obsolete Property Rehabilitation District, more particularly described in Exhibit A attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

Honorable City Council:

Re: Review and Approval of Spring 2014 HOME Awards.

The City of Detroit, through the Planning & Development Department ("P&DD"), has worked closely with the U.S. Department of Housing and Urban Development ("HUD"), in making required annual disbursements and commitments of City Detroit HOME funds for the 2013 fiscal year. The HOME program is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act and is designed exclusively to create affordable housing for low-income house-holds. Eligible activities under the HOME program include:

- Providing home purchase or rehabilitation financing assistance to eligible homebuyers;
- Building or rehabilitating housing for rent or homeownership; and
- Other reasonable and necessary expenses related to the development of non-luxury housing.

HOME funds are awarded on a formula basis and are included in the annual entitlement award from HUD and are part of the Consolidated Plan.

On January 10, 2014, P&DD received sixteen (16) responses to a HOME NOFA advertised during October 2013. On January 13, 2014, two independent teams consisting of City Housing Staff and the Cloudburst Consulting organization, reviewed and scored applications for completeness, experience, and readiness to proceed. A number of the proposals, unable to satisfy minimum funding requirements, were eliminated dropped-out during the review process leaving eight development proposals that received final scoring. The City had HOME funds available to fund up to six proposals based on requests received, with no one developer receiving funding for more that two proposals according to the published standard of the NOFA.

P&DD received additional oversight from HUD including review of the published HOME NOFA and monitoring the proposal review process to ensure final recommendations were strategic, processed timely, and that the City was positioned to meet its December 31, 2014 deadline for the commitment of HOME funds

Consistent with the new process for approving HOME awards and development partners (adopted by City Council in

2012), the Department is requesting that your Honorable Body review and approve of awards for developers according to the attached list, subject to Emergency Manager's review and approval. The list contains five projects that have been approved with conditions for funding including leverage of other non-city funds, construction performance standards and schedule, and compliance with Davis Bacon, Environmental, and other HUD requirements. P&DD is still working on a list of required HOME Loan Modifications that will be submitted later this spring.

The five HOME project's awards will utilize \$10,816,884 in HOME funds, leveraging \$60,194,607 in project financing to produce over 397 units of affordable and market rate housing in neighborhoods in Detroit. We request approval of the attached resolution with a waiver of reconsideration so housing investments under the HOME program can continue. Should you have questions or require additional information, please do not hesitate to contact me.

Sincerely, DARWIN L. HEARD Manager II Housing Services Division

By Council Member Leland:

Whereas, The City of Detroit receives an annual allocation of HOME funds from the U.S. Department of Housing and Urban Development ("HUD") through the Planning and Development Department for the purpose of creating affordable housing opportunities in Detroit neighborhoods; and

Whereas, The City Council authorized the Planning and Development Department to accept and utilize Housing and Urban Development (HUD) HOME funds according to HUD regulations during the City's annual Budgeting process, and

Whereas, The City Council also authorized the Budget Director to appropriate HUD HOME funds and establish appropriation numbers, and

Whereas, The Finance Director was also authorized to establish necessary accounts, honor vouchers and payrolls in accordance with Planning and Development Department requests and HUD regulations.

Now Therefore Be It

Resolved, That the City Council approves HOME Loans and/or grants for the attached list of Developers and/or borrowers, in the amounts indicated on the attached list, provided that loan amounts may vary by not more or less than 10%, subject to Emergency Manager's review and approval, and

Resolved, That the Group Executive for Jobs and Economic Growth, or his designee, is authorized to process, prepare and execute all loan and grant documents required to close, secure, and use HOME funds according to HUD regulations for the approved list of developers and borrowers; subject to Emergency Manager's review and approval, and be it finally

Resolved, That the Group Executive for Jobs and Economic Growth, or his

designee, is authorized to process, prepare, and execute all loan and grant documents required to modify, subordinate, and/or discharge HOME funds according to HUD regulation for the approved list of developers and borrowers subject to Emergency Manager's review and approval.

Honorable City Council:

Re: Surplus Property Sale. Development: 11559 Woodward.

We are in receipt of an offer from Woodward & Web Property, LLC, a Michigan Limited Liability Company, to purchase the above-captioned property for the amount of \$20,000. This vacant land contains approximately 5,009 square feet and is zoned B-4 (General Business District).

The Offeror proposes to develop a paved surface parking lot on the property as an expansion of their adjacent auto repair business. The parking lot will strictly be used for daytime parking only to accommodate their customers and employees. This use is permitted as a matter of right in a B-4 zone.

We, therefore, request that your Honorable Body approve the land sale resolution with a Waiver of Reconsideration and authorize the Group Executive for Jobs & Economy, or his authorized designee, to issue a quit-claim deed to the property and such other documents as may be necessary to effectuate the sale, with Woodward & Web Property, LLC, a Michigan Limited Liability Company, subject to final approval by the Detroit Emergency Financial Manager, or his authorized designee.

Respectfully submitted, JAMES MARUSICH MANAGER

The owner has paid all taxes and is

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three months subject to the following conditions:

- 1. A permit for rehabilitation work shall be obtained within 30 days.
- The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:
- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.
- 3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).
- The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

MEMBER REPORTS:

Council Member Raquel Castaneda-Lopez: Reminder of the Mayor's Meeting May 19, 2014 in District 6 at 7 p.m., Greater Apostolic Faith Temple. 4735 W. Fort Street. Reported on the Motor City Makeover, believed District 6 had the greatest number of volunteers to turn out in the city. On Wednesday. We Are D-6 Coalition, a coalition of non-profits working in District 6, will have their next meeting Wednesday, May 21, 2014 from 5-7 p.m. at Bridging Communities, 6900 McGraw. District 6 is competing against District 1 in the tire sweep which will take place at the end of June, June 24-26, give her office a call if anyone would like to sign up at 313-224-2450.

Council Member Scott Benson: During the Susan G. Komen Challenge the 13th floor will challenge the 11th floor for the most participants for this year's breast cancer walk/run. The 13th floor is called Team Soul Survivors; hopefully everyone will ask people to sign up. The event is on June 7, and he would like to invite Legislative Policy Division to join also.

Council Member Saunteel Jenkins: She had an opportunity to participate in a tree planting at Hantz Woodland; 15,000 trees were planted. She is proud of the fact that she supported the Hantz Woodland project. The Change is transformative. Houses have been torn down and the houses that remain are in good shape and they are helping the residents keep up their properties. The residents are happy with what Hantz in doing and kudos for hantz for not only keeping their word but going above and beyond.

Council President Pro-Tem George Cushingberry, Jr.: Thanked his staff and all the participants of his district's first successful health fair;, specifically the nurses from Henry Ford Health System who were there all day working. Dozens of people were able to see a nurse. The most important thing that everyone must do is make sure that people get signed up for the Medicaid program which is the other side of the affordable health care program. He thanked Huma and the other government agencies that were there, as well as Mayor Duggan for making sure that the departments were there. October 16 is the expanded date for the second health fair at the Northwest Activity Center, located on the corner of Curtis and Meyers. Mayor Duggan and President Pro Tem Cushingberry, Jr. will be sponsoring a scholarship fund for the best design for a solar light. They will be giving away a top award and there will be classes for further study. For further information call his office at 313-224-4535.

Council Member James Tate: Addressed the residents of District 1, also known as D-1, reminding them of their satellite hours over at the Motor City Java and Tea House every 1st and 3rd Wednesday of the month but due to budget deliberation this week the meetings were cancelled. As a member of the Grandmont/Rosedale Community, he indicated that they do a lot of commercial, economic and neighborhood development; a program that is taking place there is called Loyal to your Soil Creative Arts Program, the deadline to register is May 30, 2014 for youth ages 13-17 interested in participating in workshops. Anyone interested can contact his office or Jessica Bickmann at 313-387-4732, ext. 119. She is with the Grandmont/Rosedale Development Corporation.

Council Member Andre Spivey: Announced the first District 4 meeting, Wednesday, May 21, 2014 at 6 p.m., St. Mary Catholic Church on Kercheval and St. Jean.

Council Member Mary Sheffield: Her district office is open at Butzel Recreation Center, Mondays and Wednesdays from 11 a.m. - 5 p.m. She wanted to thank greater St. Peter; on Sunday, May 18, 2014 she was invited to minister for Men and Women's Day. Last week, she spoke at Plymouth educational for career day; she spoke to four classes; the children were very involved.

Council Member Gabe Leland: He indicated that he had a very successful Motor City Makeover event. There was donated equipment from JP Construction and others. Thanked Council President Pro Tem Cushingberry, Jr. for his staff's participation. There were approximately 600 yards of waste hauled away from Russell Woods. On June 5, he will hold a community Safety Forum at the Garden View Estates from 5:30 p.m. - 7 p.m.; great opportunity for members of the community to come out and address safety questions directly to their neighborhood MPO Officers. Also, in attendance there will be 100 Speak Up, as well as a safety presentation from DPD. For more information call his office at 313-224-2151. He will host an upcoming coffee hour at the Edison Library, June 25, 2014 from 5 p.m. - 7 p.m. The Mayor will come to District 7, May 22, 2014 at 7 p.m. - 8:30 p.m., Kadesh Missionary Baptist Church, 20361 Plymouth.

Council President Brenda Jones:

Reminded everyone of the City Council Community Evening Meeting in District 3 at Greater Concord Missionary Baptist Church, located at 4500 E. Davison from 7 p.m. - 8:30 p.m. She mentioned the public hearing on the budget at 5 p.m. and thanked the Law Department, LPD and Council Member Castaneda-Lopez for their work on the Community Benefits Agreement ordinance and announced the ribbon cutting ceremony on the 21st of May to celebrate the new Veteran's Park at Piquette Square.

PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE

City Planning Commission

May 13, 2014

Honorable City Council:

Re: Request of Norstar Development USA, L.P. and the Detroit Housing Commission to modify the plans for the existing PD (Planned Development District) zoning classification presently shown on land comprising the central portion of the former Herman Gardens Housing Complex now known as Gardenview Estates, which is generally bounded by Joy Road, Tireman Street, Asbury Park Avenue, and the Southfield Freeway. The request would modify the existing PD created by ordinance #15-10 of 2010 and amend Article XVII, District Map No. 40 of Chapter 61 of the 1984 Detroit City Code, Zoning to permit the development of multifamily housing as well as singlefamily detached housing which is the only housing presently allowed. (RECOMMENDING APPROVAL).

NATURE OF REQUEST

The City Planning Commission has received and processed the request of Norstar Development USA, L.P. (developer) and the Detroit Housing Commission to modify the provisions of an existing PD (Planned Development) zoning district to facilitate a change in the redevelopment scheme for Gardenview Estates, the former Herman Gardens Housing Complex. The current approved plans of the PD zoning district only allow for the development of single-family detached housing for the central southern two thirds of the site. The requested amendment would facilitate multi-family development on two of the parcels within that portion of the site.

The request is to modify the existing PD for the proposed Phase IV project on the two blocks (parcels S and T) bounded by Garden View Circle, Grandmont Avenue, Constance and Memorial. The modification would allow for the construction of 13 multi-unit buildings containing 47 one- two and three bedroom units (see accompanying plans). The Phase IV parcels totals 4.9 acres in size. The entire Gardenview Estates development site is bounded by Joy Road, Asbury Park Avenue, Tireman Avenue and the Southfield Freeway and totals 139 acres in size.

BACKGROUND

The Housing Commission is awaiting authorization from HUD to engage a consult to revisit and update the market analysis and redevelopment concepts for the former public housing site as well as determine if there are any environmental concerns. In the interim, the success of the rental portion of the project and consumer interest in the recently completed senior project, which in addition to two midrise apartment buildings includes the one story town homes or patio homes, has led to the decision to pursue an expansion of the latter in an area currently designated for single family detached housing.

The north east corner of the site was rezoned to PD to allow for the construction of market rate and subsidized retail unit in the form of townhomes. Subsequently, Ordinance #15-10 of 2010 rezoned the remaining 99 acres to a PD (Planned Development) zoning district which called for general commercial use for the corner of Southfield Freeway and the Joy Road as well as general residential use immediately south of Joy Road and an adjacent retention pond along the western edge of the site. The property central to the project site was designated specifically for construction of 231 singlefamily detached homes (from a selection of home styles) to be set on 45" and 60" lots in what was referred to as the home

ownership portion of the redevelopment. The economic recession and corresponding changes to the housing market now call for some reconsideration of this portion of the plan for this development project.

ZONING AND LAND USE

The zoning classification and land uses surrounding the proposed development are as follows:

North: PD multi-family senior housing, B4 vacant commercial, Post Office

South: R5 Jemison Elementary School of Choice and the newly constructed Boys & Girls Club, R1 residential south of Tireman

East PD designated parcels; vacant

land; and R1 residential

West: PD designated parcels; for new single-family residential development on site, retention pond, freeway and residential beyond

MASTER PLAN

The subject property is located within the Brooks Subsector of the Northwest Sector of the Detroit Master Plan of Policies. The "Generalized Existing and Proposed Land Use" map shows "Low-Medium Density residential" for the subject area in the Master Plan. The Planning and Development Department (P&DD) has found the project proposal to be consistent with the Master Plan.

PUBLIC HEARING RESULTS

On November 21st the CPC public hearing on this matter yielded no public testimony, but quite a bit of dialogue with the petitioner, and the Housing Commission representative. The majority of the concerns expressed by Commissioners were directed as the design of the patio homes which comprise the revised development proposal.

ANALYSIS

Overall, the site plan for Phases IV S and T fulfill the zoning ordinance requirements for parking, front, side and rear yard setbacks. Parking is provided for the proposed patio housing units in excess of requirements. In addition, the site plans provides for more than ample recreational space, landscaping and screening for the housing development. Given that this proposed phase is consistent with what has preceded it, the Commission had no major concerns with the site plan itself.

However, as it concerns the building elevations, CPC did express concern with the blank unbroken appearance of the gable roof line particularly as it relates to the longer-multi-unit buildings. These concerns were shared by the Housing Commission as well. In response the developer made revisions to the design of the townhomes to address the Commission's concerns. The revised design is now incorporated with the proposal.

The patios homes as they are termed offer living quarters with attached garage and patio on a single level in an attached unit configuration. These homes have proven quite popular with senior and empty nesters seeking independence, ease of access and a setting similar that of a single family or garden apartment or townhome community.

CONCLUSIONS AND RECOMMENDA-TIONS

The City Planning Commission finds this project proposal to be consistent with the current development of the site and not injurious to future development particularly with the improved design. The Commission also finds the proposal to be consistent with the requirements of the zoning ordinance. Being satisfied in this regard the Commission took action at its February 6, 2014 meeting to recommend approval of the request PD zoning district modification with the following conditions:

- 1. That the size of parking stalls and the layout of parking areas is consistent with Section 61-14-151 of the Zoning Ordinance.
- That the developer submit final site plans and elevations, landscaping, lighting and signage plans to the staff of the City Planning Commission for review and approval prior to applying for applicable required permits.

Honorable City Council:

Re: Request for a Public Hearing to Establish an Obsolete Property Rehabilitation District, in the area of 2135 Michigan, Detroit, MI in accordance with Public Act 146 of 2000. Submitted by the 2135 Michigan Ave., LLC.

The 2135 Michigan LLC proposes to rehabilitate the property at 2135 Michigan, thus creating completely renovated building to accommodate 1800 square feet of commercial retail space. The 2135 Michigan, LLC is requesting that an Obsolete Property Rehabilitation District be established. The Planning & Development Department and the Finance Department have reviewed the application and find that it satisfies the criteria set forth by P.A. 146 of 2000 and would be consistent with development and economic goals of the Master Plan.

The Act requires that, prior to your Honorable Body's passage of a resolution establishing the District; a Public Hearing must first be conducted. We respectfully request that a Public Hearing be scheduled on the issue of approving the estab-

lishing of an Obsolete Property Rrehabilitation District. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted, BRIAN ELLISON Deputy Director

By Council Member Leland:

Whereas, Pursuant to Act No. 146 of Public Acts of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, Comerica Inc., has requested that this City Council establish an Obsolete Property Rehabilitation District at the site of 2135 Michigan Ave., Detroit, Michigan, the area being more particularly described in Exhibit A attached hereto; and

Whereas, The aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

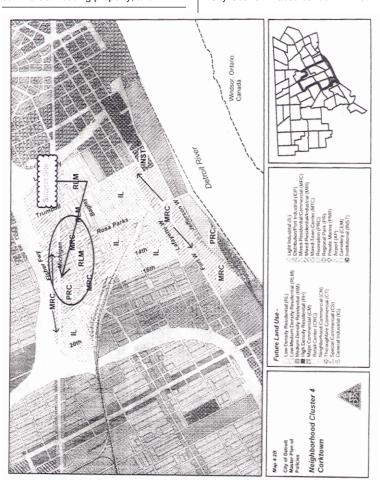

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying ad valorem taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on May 22, 2014, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in Exhibit A attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing.

Now Therefore Be It

Resolved, That Obsolete Property Rehabilitation District, more particularly described in Exhibit A attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

Adopted as follows:

City of Detroit Brownfield Redevelopment Authority March 19, 2014

Honorable City Council:

Re: Amended and Restated 3800 Woodward Brownfield Redevelopment Plan.

The enclosed Brownfield Plan for the Amended and Restated 3800 Woodward Redevelopment Project (the "Plan") (Exhibit A), was submitted by the Detroit Brownfield Redevelopment Authority Board (the "DBRA") to the Community Advisory Committee (the "CAC"). The Plan was considered and reviewed by the CAC at its December 12, 2013 meeting, where a resolution recommending approval of the Plan by the Authority and City Council in the form presented by the DBRA was approved. A public hearing was held by the DBRA on January 8, 2014 to solicit public comments. The Committee's communication to the City Council and the Authority, dated December 12, 2013 (Exhibit B), recommending approval of the Plan including the minutes of the public hearing held by the Authority on January 8, 2014 are enclosed for the City Council's consideration.

March 12, 2014, the Authority adopted a resolution (Exhibit C) approving the Plan and authorizing the submission of a copy of its resolution and the Plan to the City Clerk, together with a request that the Detroit City Council call a public hearing concerning the Plan and to take all other actions to approve the Plan in accordance with Act 381.

The Plan is now presented to the City Council for approval. The Detroit City Council will, after publication of the notices, hold a public hearing on the Plan. After the public hearing, the City Council shall determine whether the Plan constitutes a public purpose and, if so, may approve or reject the Plan or approve it with modifications.

Project Introduction

Midtown Properties, LLC is the project developer (the "Developer"). The Plan entails a newly constructed building and the redevelopment of a two-story building for a total of 195,000 square feet of mixed use space. The Plan also includes construction of a 648 car parking deck. This state-of-the-art facility will include office and medical facilities as well as retail and restaurant space. Total investment is estimated to be \$73,000,000.

The Michigan Economic Development Corporation has expressed a willingness

to amend a Michigan Business Tax credit that was approved for the original 3800 Woodward Brownfield Redevelopment in June, 2011. It is currently anticipated that the credit will be \$10,000,000.00 on an eligible investment of \$50,755,702.00. The Developer is requesting Tax Increment Financing ("TIF") reimbursement of \$8,175,302.00.

Property Subject to the Plan

The property comprising the Amendment (the "Property") consists of one parcel located at 3800 and 3750 Woodward Avenue, generally bounded by East Alexandrine Street to the north, John R Road to the east, Mack Avenue to the south, and Woodward Avenue to the west in Detroit's Midtown District.

Basis of Eligibility

The Property is considered "eligible property" as defined by Act 381, Section 2 because (a) the Property was previously utilized or is currently utilized for a commercial use; (b) it is located within the City of Detroit, a qualified local governmental unit under Act 381; and (c) the Property is determined to be a facility in accordance to Part 201 of PA 451.

Eligible Activities and Projected Costs The "eligible activities" that are intended to be carried out at the Property are considered "eligible activities" as defined by Sec 2 of Act 381, because they include environmental site assessments, site preparation and demolition, asbestos abatement, preparation of an Act 381 combined Brownfield Plan, infrastructure and interest costs. The eligible activities and budgeted costs are intended as part of the development of the Property and will be financed solely by the Developer. The Authority is not responsible for any costs of eligible activities and will incur no debt. It is currently anticipated that construction will begin in the spring of 2014 and eligible activities will be completed within two (2) years.

Tax Increment Financing (TIF) Capture
The Developer desires to be reimbursed for the costs of eligible activities.
Tax increment revenue generated by the
Property will be captured by the DBRA
and used to reimburse the cost of the eligible activities completed on the Property
after approval of this Amendment pursuant to the terms of a Reimbursement
Agreement with the DBRA.

ESTIMATED COST OF ELIGIBLE ACTIVITIES

 Environmental Investigation and BEA/Due Care

\$ 107,350.00

2. Act 381 Combined Brownfield Plan

Preparation \$ 20,000.00 3. Demolition \$ 1,174,500.00 4. Site Work \$ 636,600.00

5. Infrastructure \$ 4,000,000.00

6. Contingency 15% 887,768.00 (Excluding Task 2) \$ 6,826,218.00 Subtotal \$ 1,367,957.00 Interest Total Reimbursement to Developer \$ 8,196,175.00 8. Authority Administrative Costs \$ 1,245,524.00 9. State Brownfield Redevelopment 0.00 Fund 10. Local Site Remediation \$ 3,015,537.00

Revolving Fund Total Estimated

\$12,455,236,00

The costs listed are estimated costs and may increase or decrease depending on the nature and extent of environmental contamination and other unknown conditions encountered on the Property. While these are projections, the estimated costs of eligible activities may exceed the anticipated tax capture. The actual cost of those eligible activities encompassed by this Plan that will qualify for reimbursement from tax increment revenues of the DBRA from the Property shall be govered by the terms of the Reimbursement Agreement.

Authority's Request

The Authority is respectfully requesting the following actions from the City Council:

a.) March 25, 2014

Referral of the Amended and Restated 3800 Woodward Brownfield Redevelopment Plan to Detroit City Council Planning and Economic Development Standing Committee on March 27, 2014.

b.) March 27, 2014

City of Detroit County of Wayne, Michigan By Council Member Leland:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed amended and restated brownfield plan for the 3800 Woodward Redevelopment Project (the "Plan"); and

WHEREAS, An eligible taxpayer may qualify for a tax credit (or an assignment thereof) pursuant to Michigan Public Act 36 of 2007, as amended (the "Michigan Business Tax Act"), for eligible investments on eligible property identified under a brownfield plan; and

WHEREAS. The Plan may enable the owner to apply for an amended Michigan Business Tax Act credit (or an assignment thereof) for eligible investments on eligible property as defined by Act 381, as amended, after the adoption of this Plan;

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee consideration for December 11, 2013, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on January 8, 2014 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on December 12, 2013; and

WHEREAS, The Authority approved the Plan on March 12, 2014 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, The City Council held a public hearing on the proposed Plan on April 17, 2014.

NOW, THEREFORE, BE IT RE-SOLVED THAT:

 <u>Definitions</u>. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

- 2. <u>Public Purpose</u>. The City Council hereby determines that the Plan constitutes a public purpose.
- 3. <u>Best Interest of the Public</u>. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.
- 4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:
- (a) The property designated in the Plan meets the definition of Eligible Property, as described in Act 381;
- (b) The Plan meets the requirements set forth in section 13 of Act 381.
- (c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.
- (d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.
- (e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.
- 5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.
- 6. <u>Preparation of Base Year Assessment Roll for the Eligible Property.</u>
- (a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage

- specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.
- (b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.
- 7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.
- 8. Establishment of Project Fund: Approval of Depositary. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depositary bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.
- 9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Site Remediation Revolving Fund, as authorized by Act 381.
- 10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Site Remediation Revolving Fund proportionately to the Taxing Jurisdictions.
- 11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

- 12. Disclaimer. By adoption of this resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the determinations of the appropriate state officials regarding the ability of the owner, developer or lessor to qualify for a Michigan Business Tax credit (or assignment thereof) pursuant to Act 36, Public Acts of Michigan, 2007, as amended, or as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.
- 13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.
- 14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

RESOLUTION DECLARED ADOPTED. JANICE WINFREY,

> City Clerk City of Detroit

County of Wayne, Michigan WAIVER OF RECONSIDERATION IS REQUESTED.

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on May 22, 2014, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

May 5, 2014 Honorable City Council:

Re: Property Transfer — 20426 Hanna, Detroit, MI 48203. Millar Development

Corporation.

The City of Detroit acquired certain real property located at 20426 Hanna ("Property") in 1984 from the U.S. Department of Housing and Urban Development. The Property is a 40' x 100' parcel containing a single family home. The City of Detroit then apparently transferred the Property to Millar Development Corporation ("Developer") sometime in the late 1980's; however a deed to the Developer was never recorded with the Wayne County Register of Deeds evidencing the transfer.

In 1988, the City of Detroit granted two mortgages to the Developer in the amounts of \$47,550.00 and \$95,024.00 for the purpose of making improvements to six (6) properties in Detroit owned by the Developer, including 20426 Hanna. The Property was used by the Developer as partial collateral on the mortgage. Funding for the mortgages came through the U.S. Department of Housing and Urban Development Rental Rehabilitation Program, which was designed to increase supply of privately-owned market-rate rental housing available to lower income families. A condition of the mortgages required the Developer to sign a Rental Rehabilitation owner-Grantee Agreement wherein the Developer is acknowledged as the "Project Owner" of the Property. Both the mortgages have been satisfied and discharged.

Based on the foregoing it is presumed that the City of Detroit sold the Property to the Developer, however a deed to the Developer was never recorded with the Wayne County Register of Deeds. Planning & Development Department records shown that the property was transferred to Millar Development on January 26, 1988. Additionally, the Developer is listed as the owner of record with the City of Detroit's Assessor's office and is current on the payment of all real property taxes on the property. Since a deed was never recorded by the Developer, they are proposing that the City now submit a quit claim deed to them for the property for recording to officially effectuate the 1988 transfer.

Based on the foregoing information, we hereby request approval from your honorable Body to deed 20426 Hanna to Millar Development Corporation for \$1.00 subject to the final approval by the Detroit Emergency Financial Manager.

April 30, 2014

Honorable City Council:

Re: 11218 Kenmoor. Date ordered removed: September 6, 2011 (J.C.C. pages 1893-1898).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection conducted on April 11, 2014 revealed that the property did not meet the requirements of the application to defer. The property continues to be open to trespass and not maintained.

Therefore, we respectfully recommend that the request for a deferral be denied. We will proceed to have the building demolished as originally ordered with the cost of demolition assessed against the property.

Respectfully submitted, DAVID BELL **Building Official**

By Council Member Leland:

Resolved, That the request for rescission of the demolition order of September 6, 2011 (J.C.C. pages 1893-1898) on property at 11218 Kenmoor be and the same is hereby denied and the Buildings, Safety Engineering and Environmental Department be and is hereby authorized and directed to have the building removed as originally ordered in accordance with the one (1) foregoing communication.

Adopted as follows:

Yeas — Council Members Benson, Castaneda-Lopez, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

Buildings, Safety Engineering and **Environmental Department**

April 30, 2014 Honorable City Council:

Re: Address: 17607 Wildemere. Name: Gennatha Harris. Date ordered removed: February 11, 2014 (J.C.C. pgs.

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 14, 2014 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

- 1. A permit for rehabilitation work shall be obtained within 30 days.
- 2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:
- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties
- 3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).
- 4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

DAVID BELL Building Official

By Council Member Leland:

Detroit Police Department

February 20, 2014

Honorable City Council:

Re: Request to Accept a 1970 Bell Helicopter from the United States Army Defense Support to authorities (DSCA) 1033 Program.

The Detroit Police Department (DPD) is an active member of the US. Department of Defense's 1033 Program. The 1033 Program permits the Secretary of Defense to transfer excess U.S. Department of Defense (DOD) personal property (supplies and equipment) to state and local law enforcement agencies. The requesting agency must be a government agency that has a primary function of enforcing laws and the recipient must accept the property on an as-is, where-is basis. All property is transferred on a firstcome, first served basis. Property received may not be sold, leased, rented, exchanged, bartered, used to secure a loan, used to supplement an agency's budget or stockpile for possible future use.

The Detroit Police Department's Office of Homeland Security has located a 1970 Bell Helicopter, Aircraft Model OH58C, Serial Number 7015129 through this Program. The Delaware River and Bay Authority is willing to transfer the equipment to the DPD for its use.

The Board of Police Commissioners has already approved this request. Therefore, I now request approval from your Honorable Body to accept the donation and adopt the enclosed resolution.

If you have any questions or concerns regarding this matter, please feel free to contact me at 596-1803, Monday through Friday, 9:00 a.m. to 5:00 p.m.

Respectfully submitted, JAMES E. CRAIG Chief of Police Approved:

PAMELA SCALES
Budget Director
JOHN NAGLICK
Finance Director

By Council Member Benson:

RESOLVED, The Detroit Police Department be and is hereby authorized to accept a 1970 Bell Helicopter, Aircraft Model OH58C, Serial Number 7015129 through the U.S. Department of Defense's 1033 Program.

RESOLVED, That the Finance Director be and is hereby authorized to establish necessary cost centers and appropriations, transfer funds, honor payrolls and vouchers when presented, as necessary, for the operation of the program as outlined in the foregoing communication.

Department of Public Works City Engineering Division

April 25, 2014

Honorable City Council:

Re: Petition No. 3910 — Daniel P.
Overstreet for the conversion of alley to easement of abutting 20 foot wide alley between lots 13, plat of subdivision of parcel lots 61 and 62.

Petition No. 3910 (Initiated November 9, 2009) — Daniel P. Overstreet requests the conversion the west portion of the east-west public alley, 20 feet wide, and the south portion of the north-south public alley, 20 feet wide in the block bounded by Selden Avenue, 80 feet wide, Alexandrine Avenue, 100 feet wide, Cass Avenue, 80 feet wide and Woodward Avenue, 120 feet wide into an easement for utilities.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

All City Departments and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

The subject alley has been physically closed for several years. This petition was initiated November 9, 2009. The property line of the adjoining owners has been the subject of a court case. Now, the court

case has been settled; and a Stipulation Order has been issued and amended. The Amended Stipulation Order to dismiss the case, and establish the property lines, and to disclaim any interest in the alley by the defendant has been reviewed by the City of Detroit Law Department. The Law Department has found the Amended Stipulation Order sufficient for the consent of the owners of property abutting the alley for the closure. The Amended Stipulation Order is attached as Exhibit A of the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted, RICHARD DOHERTY City Engineer

City Engineering Division — DPW By Council Member Benson:

Resolved, All that part of the East-West public alley, 20 feet wide, in the block bounded by Selden Avenue, 80 feet wide. Alexandrine Avenue, 100 feet wide, Cass Avenue, 80 feet wide and Woodward Avenue, 120 feet wide, lying Northerly of and adjoining the North line of Lots 2 thru 5, both inclusive, also lying southerly of and adjoining the South line of Lot 1; together with all that part of the North-South alley, 20 feet wide, in that same block lying easterly of and adjoining the easterly line of said Lot 1 and lying westerly of and adjoining the westerly line of Lot 6, plus part of the E-W public alley, 15 feet wide, in that same block, lying northerly of and adjoining the North line of Lot 6, all in "Plat of Fale's Subdivision of Lots 18, 19, 20, 21, 22 and 23 of the North half of Park Lot 63, Detroit, Wayne County, Michigan T2S, R12E" as recorded in Liber 5 Page 28 of Plats, Wayne County Records; and being more particularly described as:

Beginning at the southwesterly corner of said Lot 1 "Fale's Sub." L5, P28 PWCR; thence southerly 20.16 feet to the northwesterly corner of said Lot 2; thence along the northerly line of said Lots 2 thru 5 to the northeasterly corner of said Lot 5: thence northerly along the westerly line of said Lot 6, 40.00 feet to the northwesterly corner of said Lot 6; thence easterly along the northerly line of said lot 6 a distance of 11.16 feet more or less; thence northerly 15 feet to the southeasterly corner of Lot 13 "Plat of Park Lots 61 and 62" as recorded in Liber 1 Page 128 of Plats. Wayne County Records; thence along the southerly line of said Lot 13 a distance of 30.00 feet to the northeasterly corner of said Lot 1 "Fale's Sub." L5, P28 PWCR; thence along the easterly line of said Lot 1 a distance of 35 feet to the southeasterly corner of said Lot 1; thence along the southerly line of said Lot 1 a distance of 149.4 feet to the southwesterly corner of said Lot 1 and the point of beginning.

Be and the same is hereby vacated as a public alley and is hereby converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following convenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or rightof-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alterations or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

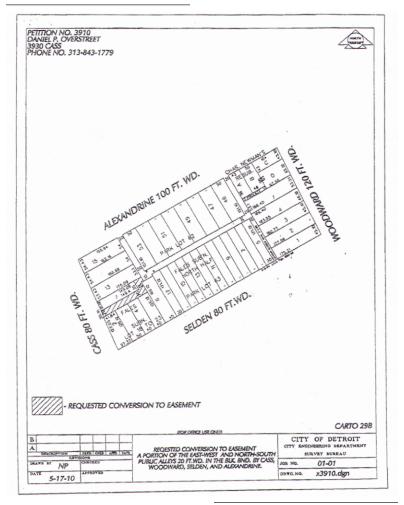

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Cass Avenue), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City

Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the subject alley has an Amended Stipulation Order to dismiss a case, and establish the property lines, and to disclaim any interest in the alley by

the defendant. The Amended Stipulation Order is attached as Exhibit A of this resolution.

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

NEW BUSINESS City Planning Commission

May 23, 2014

Honorable City Council:

Re: Request from Curtis P. Ingram Jr. on behalf of Acadia Healthcare America to approve a major modification to the Planned Development (PD) District shown on Map No. 37 of Chapter 61, Article XVII of the 1984 Detroit City Code, Zoning, for 14950 and 15000 Gratiot, the northeast corner of Gratiot and State Fair East Avenues for the removal of the existing parking garage and the construction of a replacement surface parking lot (Recommend Approval).

The City Planning Commission (CPC) has received the request of Curtis P. Ingram Jr. on behalf of Acadia Healthcare America to approve a major modification to the Planned Development (PD) zoning district shown on Map No. 37 of Chapter 61, Article XVII of the 1984 Detroit City Code, Zoning, for 14950 and 15000 Gratiot, the northeast corner of Gratiot and State Fair East Avenues for the removal of the existing parking garage and the construction of surface parking areas. This request would modify the approved plans for the PD district originally established via Ordinance No. 537-G. This site plan review for the major modification of the approved plans for the planned development is being conducted by the City Planning Commission in accordance with the provisions of Sec. 61-3-142 and the approval criteria specified in Division 5, Subdivision D of Article III of the Detroit Zoning Ordinance (Chapter 61 of the 1984 Detroit City Code).

Staff is still awaiting the approved asto-form ordinance to effectuate this rezoning. We will submit that to City Council as soon as it is received so that it may be introduced.

PROPOSED DEVELOPMENT

The demolition of the existing 5-story parking deck on the southwest portion of the site was previously approved by staff. It is significantly deteriorated and presenting operational challenges for the facility. The requested 177 space surface parking spaces would be in several locations: the majority would be in roughly the same location of the parking deck. The remain-

der, primarily for employees, would be located along the eastern edge of the property. Also, previously approved by staff is a small, 12-space parking lot immediately to the south of the hospital that would be linked to the proposed parking lot.

The proposed parking lot includes the off-street screening in the form of hedges and trees as required in Sec. 61-14-221. Access to the main lot would be achieved both from Gratiot and East State Fair Avenues via existing curb cuts. The lots to the east would be accessed via East State Fair Ave. and Fairmount Drive. Staff is still exploring the best screening of the parking along the east from the adjacent residential areas. Landscaped areas would be irrigated. The interior landscaping is more than adequate to meet the ordinance requirements of 22 square feet/parking space: 5,363 square feet is provided (11,806 square feet if the partially landscaped, partially sodded area in front of the entrance) and 2,574 is required.

Improved landscaping is shown on the northern portion of the property, adjacent to the site of the future hospital building to maintain and enhance traffic those who use the alleys. A pedestrian area is shown in front of the main entrance to the hospital, facing Gratiot Avenue. A detail of this is shown on sheet LC1.1.

Also requested is the re-routing of the alleys on the eastern portion of the site, connecting the two east-west alleys. This is shown on sheet C201. Previously reviewed and acted upon by the CPC is the proposed fence shown around the southern perimeter of the site, encompassing the proposed parking lot. The site plans show a possible future hospital wing to the north which would replace an existing hospital wing.

REVIEW

In accordance with the PD design criteria of the Zoning Ordinance (Sections 61-11-15), reviews of proposed changes should be conducted in light of the following relevant criteria, with staff's analysis following in italics:

- (a) Master Plan. The proposed development should reflect applicable policies stated in the Detroit Master Plan. The Master Plan shows "institutional" as the future general land use.
- (c) **Compatibility.** The proposed development should be compatible with surrounding development in terms of land use, general appearance and function, and should not adversely affect the value of properties in the immediate vicinity. The parking use replaces a parking use.
- (d) Circulation. Vehicular and pedestrian circulation facilities should be adequately designed to meet expected demands. The circulation for the site appears to function well.
 - (e) Parking and loading. Where

appropriate, adequate vehicular off-street parking and loading should be provided. It appears that the number of parking spaces on the site is adequate. The loading facilities are provided and in an appropriate location.

- (g) **Open space.** Adequate public and private open space should be provided for light and air, landscaping and, where appropriate, for passive and active recreation. Lot size, setbacks and yard requirements are flexible, but the City Planning Commission will be guided by standards that appear in comparable zoning ordinance district classifications. The amount of open space appears adequate. There is some at the south-west corner of the site and some at the northern edge of the main proposed parking lot.
- (h) Rights-of-way, easements, and dedications. Where appropriate, adequate rights-of-way, easements and dedications should be provided for trafficways, utilities and community facilities. The applicant seeks to modify the alleys on the eastern edge of the site.
- (j) Screening. Appropriate buffering and screening of service, loading, refuse collection, mechanical and electrical equipment and of parking areas should be provided. The screening of the parking lot appears adequate. Staff is working with the applicant to ensure that the screening along the eastern edge of the site is best for the adjacent residents. PUBLIC HEARING RESULTS

At the October 3, 2014 public hearing on this matter, one person spoke regarding the east-west alley adjacent to Rossini Street. Their concerns were addressed. Commissioners discussed the screening between the hospital and the adjacent residential uses.

RECOMMENDATION

At the October 3, 2013 meeting, the CPC took action to recommend the approval of the proposed PD modification, with the condition that the parking area along the eastern portion of the site be appropriately screened and buffered from the adjacent residential development.

Respectfully submitted, LESLEY C. CARR Chairperson DAVID WHITAKER Director LPD MARCELL R. TODD, JR. Senior Planner GREGORY F. MOOTS Zoning Specialist

By Council Member Leland:

AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, 'Zoning,' commonly known as the Detroit Zoning Ordinance, by amending Article XVII, District Map No. 37 and Ordinance Nos. 537-G and 344-H to modify the approved plans for an existing PD (Planned Development District) zoning classi-

fication established by Ordinance Nos. 537-G and 344 H on property located in the area generally located on the east side of Gratiot Avenue between State Fair Avenue and Fairmount Drive.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Article XVII, Chapter 61 of the 1984 Detroit City Code, Zoning, is amended by amending District Map No. 37 and Ordinance Nos. 537-G and 344-H as follows:

TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE:

Council President Pro Tem Cushingberry, Jr., on behalf of Council President Jones, moved for adoption of the following six (6) resolutions:

TESTIMONIAL RESOLUTION FOR

EMERGENCY MEDICAL SERVICES (EMS Week May 18 - 24, 2014)

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon the men and women of the Detroit Fire Department EMS Division in recognition of Emergency Medical Services "EMS Week" which runs from May 18 - 24, 2014. This year's theme is "EMS: Dedicated. For Life"; and

WHEREAS, The American College of Emergency Physicians (ACEP) was instrumental in establishing EMS Week when President Gerald Ford declared November 3-10, 1974 as the first "National Emergency Medical Services Week" This annual observance continued for four more years and was then reinstituted by ACEP in 1982. National Emergency Medical Services Week brings together local communities and medical personnel to publicize safety and honor the dedication of those who provide the day-to-day lifesaving services of medicine's "front line"; and

WHEREAS, With the aid of a grant from the U.S Department of Transportation National Highway Safety Administration, the City of Detroit initiated the Emergency Medical Services Division of the Fire Department during the summer of 1972. We are one of the busiest EMS systems per capita in the world and one of the busiest, if not the busiest, pre man hour; and

WHEREAS, Emergency Medical Service is a vital public service and access to quality emergency care dramatically improves the survival and recovery rate of those who experience sudden illness or injury. The EMS Division of the Detroit Fire Department provides the highest level of pre-hospital care to the citizens, visitors, and stakeholders of the City of Detroit. The service is committed to providing twenty-four (24) hour efficient, effective treatment and transport of the sick and injured, while providing basic and advanced life-support care and transportation to definitive and/or specialized facilities, with service based on equal availability to all persons. NOW THERE-FORE BÉ IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, recognizes the value and the accomplishments of the Detroit Fire Department EMS Division and encourages the community to observe this week with appropriate programs, ceremonies and activities.

Adopted as follows:

Yeas — Council Members Benson, Castaneda-Lopez, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 9.

TESTIMONIAL RESOLUTION FOR

WAYNE COUNTY COMMUNITY COLLEGE DISTRICT Beta Beta Beta National Biological Honor Society

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow honor upon Wayne County Community College District, one of the most culturally diverse comprehensive community colleges in Michigan under the direction of Chancellor Curtis Ivery, EdD; and

WHEREAS, Wayne County Community College District is the first and only Michigan 2-year postsecondary academic institution providing an opportunity for college students to be initiated into the Beta Beta Rational Biological Honor Society. The biology honor society was founded in 1922 at Oklahoma City University by Dr. Frank Brooks to reward his college students especially undergraduates for their scholarly superior performance in the biological sciences; and

WHEREAS, Membership in this biology honor society will be utilized to reward Wayne County Community College District students for their superior academic performances in the biological sciences, encourage students to engage in science and health career oriented endeavors including research opportunities, and encourage students to publish their findings in the TriBeta BIOS Journal as well as present their research findings at scientific gatherings such as the TriBeta regional and national conferences; and

WHEREAS, Wayne County Community College District believes that education has a direct relationship with the health status of a community and is steadfastly working to help accomplish the goal of the American Public Health Association in producing the healthiest nation in one generation through its' outstanding health related academic programs. Wayne County Community College District graduates have gone on to help create a well-developed and diverse workforce of professionals entering the biomedical, health care, and/or public health professions within the State of Michigan and throughout the nation. NOW, THEREFORE BE IT

RESOLVED, That Wayne County Community College District be awarded this Testimonial Resolution from the Detroit City Council and office of Council President Brenda Jones in recognition of this momentous occasion as its students are initiated into this prestigious biology honor society.

TESTIMONIAL RESOLUTION FOR SANDRA EPPS

She's Empowered — 5th Annual Butterfly Bash By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon Sandra Epps, an artist and author, business owner of Sandy's Land Publishing House and Children's Entertainment Service, and founder of She's Empowered (Sisters Helping Encourage Sisters); and

WHEREAS, Sandra Epps was inspired to establish She's Empowered after she faced two near death experiences due to Systematic Lupus Erythematosus (SLE) where it attacked her central nervous system, kidney, and heart and left her confined to a wheelchair for two years. She turned her negative experience from battling lupus into a platform of empowerment for others. The mission of She's Empowered is to provide lupus awareness forums, self-help and entrepreneurial workshops geared toward women. Sandra Epps promotes Lupus awareness through her many keynote addresses, lectures and health panel discussions throughout Michigan. Partnering with organizations as the Lupus Alliance of America and the Latreese Nicole Fagan Memorial Scholarship Fund, she encourages all to transform any form of fear into faith: and

WHEREAS, The **She's Empowered** 5th Annual Women's Empowerment Conference Butterfly Bash will focus on creating better health and building financial wealth. The goal of the conference is to provide women with inspiration and knowledge from survivors and professionals, in addition, to create lupus awareness. the conference administers helpful information from experts and physicians and recognizes local entrepreneurs. May is the month of rebirth and Lupus Awareness Month. The Butterfly symbolizes the rash that appears on the face of a lupus patient during a "flare up," and it also represents freedom, hope, prosperity and transformation; and

WHEREAS, Sandra Epps has been featured in Heart and Soul Magazine,

Uptown Magazine, The FrontPage, and the Detroit News and Free Press. She has received numerous accolades, including the "Phenomenal Women's Award" from the Toledo City Council. "Headline Award" from the Women of Wayne State University, also the "Spirit of Detroit Award" and "Distinguished Service Award" from the Detroit City Council. She was named one of the "25 Most Influential Women of Detroit" by Mix 92.3 & Heineken. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, acknowledges Sandra Epps in recognition of her strong commitment to help women live their dreams and increase lupus awareness.

TESTIMONIAL RESOLUTION FOR

REV. DR. LAWRENCE C. GLASS, JR. By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure that we, the members of the Detroit City Council, recognize and bestow due honor upon Rev. Dr. Lawrence C. Glass, Jr., a dynamic, energetic and internationally known Preacher and Teacher, and the Senior Pastor of El Bethel Baptist Church; and

WHEREAS, Rev. Dr. Lawrence C. Glass, Jr., accepted Christ as his personal Savior in 1976 and united with New Mt. Moriah Baptist Church under his father in the ministry, the late Rev. John J. Tillman. Having received and accepted the call to the ministry on December 4, 1979, he was ordained on June 29, 1980. During his tenure at New Mt. Moriah, he held several positions including Superintendent of the Sunday school, Deacon and Associate Minister, Driven by his quest for knowledge and spiritual enlightenment, he began his pursuit of higher education through the William Tyndale College. He continues to refresh and renew his spiritual walk with an ongoing collection of reading materials and attending seminars; and

WHEREAS, In January, 1987 he united with Christ Baptist Cathedral under the leadership of Pastor J. Douglas Wiley where he assumed the Assistant Pastor role and was overseer of the Learning Center. Rev. Dr. Lawrence C. Glass, Jr., was called to the pastorate of El Bethel Baptist Church in Redford Township on June 15, 1990. He preached his first pastoral message on Father's day, June 17, 1990. Under his leadership, El Bethel quickly became the church, "Where the Presence of God Makes Everybody, Somebody Special." The congregation

has grown and flourished from 50 members to well over 2500. His pastoral associates have labeled him as "a man of integrity, a man of compassion and a visionary." He has striven to put his passion to work in a manner in which the lives and minds of people far beyond his congregation will be reached, expanding and restructuring the church's' ministries to other arenas including recovery and mission outreach, and providing health education along with the delivery of health programs, resources and services to surrounding communities; and

WHEREAS. Rev. Dr. Lawrence C. Glass, Jr., is married to First Lady Natalie Glass and they have two children; Jennifer and Daniel. On January 26, 2014, he was installed as President of the Council of Baptist Pastors of Detroit and Vicinity, an influential umbrella group which consists of hundreds of congregations in metropolitan Detroit. "PG" as he is affectionately known, has a profound ability to relate to the young and old alike. Rev. Dr. Lawrence C. Glass, Jr., promotes Christian unity and family values and has assured that his voice will long be embedded in the practices and teachings of the region's spiritual institutions for years to come. NOW, THEREFORE BE IT

RESOLVÉD, That the Detroit City Council and office of Council Member Brenda Jones acknowledges Rev. Dr. Lawrence C. Glass, Jr., for his continuous devotion and efforts to build a better community in the greater metropolitan Detroit area and beyond.

RESOLUTION IN MEMORIAM FOR

MARY LOUISE BRINKLEY By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Mary Louise Brinkley, a loving and devoted wife, mother, foster parent, grandmother, and great-grandmother who departed this life on April 30, 2014; and

WHEREAS, Born on December 17, 1928 in Telmore, Georgia, Mary Louise Brinkley was the second of eleven children born to the late Jack and Vera Baldwin Houseal. The family moved to Valdosta, Georgia in 1934 where she received her primary and secondary education at the Magnolia Street School. She graduated from Dasher High School in May of 1946 at the age of seventeen. Shortly after graduation she married her husband of many years, Leroy Brinkley

and they moved to Chicago, Illinois. To this union four children were born, Leroy III, Cynthia, Lynda and Varanda. Though she married young and had a family she continued her pursuant of higher education and completed nursing school by taking classes at night and received her degree as a Licensed Practical Nurse; and

WHEREAS, In 1957 the couple became foster parents and opened their hearts and home to infants and toddlers in foster care. Mary Louise Brinkley provided loving care for at least fifty children who were placed in her home for temporary foster care giving more than 40 years of service as a foster parent; and

WHEREAS, In addition to her unwavering commitment to her family, Mary Louise Brinkley possessed a faithful dedication to her religion and church and exemplified the role of a dutiful Christian. Recognized and respected as a devoted matriarch she ensured that the values and traditions by which she lived would exist in the hearts of those she cherished for years to come. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby expresses its condolences and joins with family and friends in honoring the legacy of Mary Louise Brinkley. She will be greatly missed and her contributions and the lessons she taught will live on forever.

Department of Public Works City Engineering Division May 12, 2014

Honorable City Council:

Re: Petition No. 197 — Sequoia LB King LLC, requesting transfer of permit of building located at 1274 Library Avenue to encroach granted in a resolution of the Detroit City Council adopted June 5, 1991 and approved by the Mayor of the City of Detroit on June 11, 1991.

Petition No. 197 — by Jaffe, Raitt, Heuer & Weiss whose address is 27777 Franklin Road, Suite #2500, Southfield, Michigan, 48034 on behalf of Sequoia LB King LLC request to transfer and maintain the existing encroachments consisting of basement areaways (vaults) under the sidewalks at 1274 Library. The areaways or vaults extend underground 10.00 feet into both East Grand River Avenue, 60 feet wide, and Library Avenue, 71 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

This request is being made because the property is in the process of being purchased by the petitioner and in order to get a mortgage and clear title, the basement areaway encroachments need to be transferred by resolution of Detroit City Council.

Ón June 5, 1991 (J.C.C. pages 1234-1236), a resolution was passed unanimously by the Honorable City Council authorizing and directing the City Engineering Department to issue permits to "Annis Historic Properties Development" to maintain the existing basement areaway encroachments extending approximately 10 feet into both East Grand River Avenue, 60 feet wide, and Library Avenue. 71 feet wide.

The investigation and report from June 5, 1991 states: Since October 8, 1935 (J.C.C. page 1903) the City Council directed the Building and Safety Engineering Department to reject any new building plans for public property areaway encroachments. However, the encroaching basement areaways of the subject building (formerly the Annis Furs Building) have existed since 1911 (believed to be the year the building was originally built). Further, there are no retrievable records available that prove the original owners had City Council permission to construct and maintain the existing encroachment basement areaways.

The investigation and report from June

5, 1991 then states: Therefore, it is the recommendation of the City Engineering Department in conjunction with the Building and Safety Department that the pre-1935 existing encroaching basement areaways can be permitted and maintained by a "grandfather clause" (subject to the terms and conditions commonly applied to pre-1935 approved areaways within the Governor and Judges Plan).

Therefore, it is the recommendation of DPW-City Engineering Division to allow the transfer of the existing basement areaway encroachments on the same basis and under the same conditions as previously approved by the City Council resolution of June 5, 1991.

All other City departments have reported they have no objections to the existing encroachments. Provisions protecting utility installations and public safety are incorporated into the resolution

An appropriate resolution granting the petition is attached for consideration by Your Honorable Body.

Respectfully submitted, RICHARD DOHERTY City Engineer City Engineering Division—DPW By Council Member Benson:

Whereas, Since October 8, 1935 (J.C.C. page 1903) the City Council has directed the Building, Safety Engineering and Environmental Department to reject any new plans for public property areaway encroachments; and

Whereas, The encroaching basement areaways of the L. B. King Building (formerly the Annis Furs Building) located at 1274 Library Avenue have existed possibly since 1911 (believed to be the year the building was originally built); and

Whereas, There are no retrievable records available that prove the original (1911) owners had City Council permission to construct and maintain the existing encroaching basement areaways; and

Whereas, The Sequoia LB King LLC is seeking a mortgage and title insurance for the L. B. King Building; and

Whereas, It is the recommendation of the Department of Public Works, City Engineering Division that the pre-existing (prior to October 8, 1935) encroaching basement areaways can be permitted and maintained by a "grandfather clause" (subject to the terms and conditions commonly applied to pre-1935 approved areaways within the Governor and Judges Plan): Therefore Be It

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Sequoia LB King LLC to maintain the existing (pre-1935) encroaching basement areaways extending underground approximately 10.00 feet into both East Grand River Avenue, 60 feet wide,

and Library Avenue, 71 feet wide, abutting property described as follows:

Land in the City of Detroit, Wayne County, Michigan being Lot 62 of the "Plan of the Section Numbered Seven of the City of Detroit in the Territory of Michigan, confirmed by the Governor and Judges" as recorded in Liber 34, Page 544 of Deeds, Wayne County Records; commonly known as 1274 Library Avenue:

Provided, The maintenance of the existing basement areaway encroachments shall be subject to the rules, regulations, permits and annual inspection of the Building, Safety Engineering and Environmental Department is required by the Building Code. Also the maintenance of the public sidewalk above the existing basement areaway encroachments shall be according to the permits, specifications, and inspection of the Department of Public Works - City Engineering Division as required by Detroit Code Section 50-4-24; and further

Provided, The City and all utility companies retain their rights to service, inspect, maintain, repair, install, remove or replace utilities within the public rightsof-way; and further

Provided, By approval of this petition, Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all time, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-ofway, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be if further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or

be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD Facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That if at any time in the future the petitioner shall request removal and/or relocation of DWSD's facilities in the right-of-way being encroached upon the petitioner agrees to pay all costs for such removal and/or relocation; and be it further

Provided, That the contractor call MISS DIG 72 hours prior to starting any underground construction where they plan the underground encroachment; and be it further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Seguoia LB King LLC; and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Sequoia LB King LLC or its assigns. Should damages to utilities occur Sequoia LB King LLC or its assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and be it further

Provided, That Sequoia LB King LLC shall file with the Finance Department and/or City Engineering Division — DPW an indemnity in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance by Sequoia LB King LLC of the terms thereof. Further, Sequoia LB King LLC shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the proposed encroachments; and be it further

Provided, That no other rights in the public streets, alleys or other public place

shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and be it further

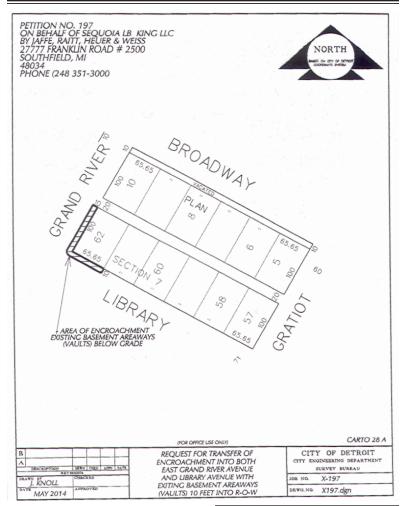

Provided, That said permits issued by the Department of Public Works —City Engineering Division and/or Building, Safety engineering and Environmental Department are granted with the distinct understanding that in the event that the City Charter, or Detroit Code(s), or ordinances, or resolution(s),, or City policies (governing the maintenance or areaway or vault encroachments within the public rights-of-way in the Governor and Judges Plan) are amended to provide for the levying thereafter, of a fee, charge, or rental, to be hereinafter determined upon, for the occupancy of the public streets, alleys or other public places, that the permittee will pay said fee, charge, or rental provided for in said City Charter, or Detroit Code(s), or ordinances, or resolution(s), or City policies; also said permittee does hereby bind itself thereunto, and to accept said permits on the conditions hereby imposed, and in the event said permittee shall contest the validity of said City Charter, or Detroit Code(s), or ordinances, or resolution(s), or City policies of said fee, charge or rental, or upon refusal to pay same, these permits shall immediately become void; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Sequoia LB King LLC acquires no implied or other privileges hereunder not expressly stated herein; and be it further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and further

Provided, The filing of the Indemnity Agreement and the securing of the necessary permit(s) referred to herein shall be construed as acceptance of this resolution by the permittee; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution and indemnity agreement with the Wayne County Register of Deeds.

Honorable City Council:

Re: Proposed Emergency Ordinance to Amend Chaper 33 of the 1984 Detroit City Code, Minors, Article III, Regulation of Minors in Public Places and Adult Responsibility for Violation, Division 2, Curfew.

The above-referenced proposed ordinance has been requested by the Police Department. The proposed ordinance has been approved as to form.

Pursuant to the applicable provisions of the 2012 Detroit City Charter, the above-referenced proposed emergency

ordinance is being submitted to your Honorable Body for consideration. This proposed ordinance amends Chaper 33 of the 1984 Detroit City Code, Minors, Article III, Regulation of Minors in Public Places and Adult Responsibility for Violation, Division 2, Curfew, by adding Sections 33-3-14 and 33-3-15 to provide for a superseding curfew for all minors on the night of the scheduled date for the 2014 Detroit Annual Fireworks Display, or on any rescheduled date for this event.

We and representatives of the Police Department are available to answer any questions that you may have concerning this proposed emergency ordinance.

Thank you for your consideration.
Respectfully submitted,
TIMOTHY A. BECKETT
Supervising Assistant
Corporation Counsel
Governmental Affairs Section

By Council Member Benson:

AN EMERGENCY ORDINANCE to amend Chapter 33, Minors, Article III, Regulation of Minors in Public Places and Adult Responsibility for Violations, Division 2, Curfew, of the 1984 Detroit City Code by adding Sections 33-3-14 and 33-3-15 to provide for a superseding curfew for all minors on June 23, 2014, the scheduled date for the Detroit Annual Fireworks Display, or on any rescheduled date for this event, from 6:00 p.m. through 11:59 p.m., and on June 24, 2014, or on any following day where the event is rescheduled, 12:00 midnight through 6:00 a.m., with limited exceptions for any minor: 1) accompanied by his or her parent or legal guardian; 2) traveling to and from his or her place of employment; or 3) traveling to and from an education or training program or an organized sponsored recreational activity during the specified period.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. DECLARATION OF EMER-GENCY

WHEREAS, On the evenings of the Detroit Annual Fireworks Display that takes place on the Detroit River there have been numerous incidents of harassment, nuisance, vandalism, and violence committed by persons at the viewing, parking, and public places of the City before, during, and after the fireworks display:

WHEREAS, These acts of harassment, nuisance, vandalism, and violence have been committed, in part, by unsupervised minors before and during the City's regular curfew hours for minors and have endangered the peace, health, safety, and welfare of the People of the City of Detroit and the thousands of persons traveling from outside the City limits to attend this annual event;

WHEREAS, There exists public peace, health, safety, and welfare needs for effectively governing the conduct of such minors as it pertains to harassment, nuisance, vandalism, and violence for the purpose of alleviating and eliminating these problems;

WHEREAS, Due to law enforcement considerations and logistics concerns, a City-wide curfew is necessary to enhance the public, peace, health, safety and welfare for the thousands of persons who attend this annual event:

WHEREAS, Due to the fact that spectators begin to gather in the viewing areas in advance of the commencement of the Detroit Annual Fireworks Display on the day of the event, the regular curfew hours for minors provided for in the City's

Curfew Ordinance are not sufficient to alleviate and curtail criminal activity by unsupervised minors in the fireworks display viewing areas;

WHEREAS, The peace, health, safety, and welfare of minors and the community-at-large will benefit from additional curfew controls for minors in the City during the Detroit Annual Fireworks Display; and

WHEREAS, The curfew for minors in the City provides for reasonable exceptions to allow for minors accompanied by his or her parent or legal guardian, for minors traveling to and from places of employment, education and training facilities, and for minors traveling to and from sponsored recreational activities during the specified curfew period.

Section 2. Chapter 33, *Minors*, Article III, *Regulation of Minors in Public Places and Adult Responsibility for Violations*, Division 2, *Curfew*, of the 1984 Detroit City Code be amended by adding Sections 33-3-14 and 33-3-15, to read as follows:

CHAPTER 33. MINORS ARTICLE III. REGULATION OF MINORS IN PUBLIC PLACES AND ADULT RESPONSIBILITY FOR VIOLATIONS

DIVISION 2. CURFEW

Sec. 33-3-14. Curfew hours for Detroit Annual Fireworks Display.

(a) The provisions of this section shall supercede the curfew hours for minors provided for in Section 33-3-11 of this Code.

MEMBER REPORTS

COUNCIL MEMBER TATE: The Detroit City Council Task Force on Black Male engagement, which is co-chaired by Council Member Spivey and I, will be hosting a forum/rally/call to action taking place Thursday, June 5th at 6:30 p.m. to 8:00 p.m. over at Bethel AME Church, 5050 St. Antoine. We will also have Dr. Michael Eric Dyson there to present. We are calling for all men, all women, everyone in our community who would be open to discussing and also working on this issue.

council Member Leland: Very excited about an upcoming safety forum taking place at the Gardenview Estates Senior Center, we are going to be having a presentation from Investigator Fountain to talk about community safety. We will also have presentations from 1-800-SPEAK-UP. We will also give residents the opportunity to know their NPO officers. That is from 5:30 p.m. to 7:00 p.m. this Thursday.

council member benson: Still receiving a number of phone calls regarding water shut-offs. I went down to the 6 Mile and Pelkey payment center station and I was told that the bill now indicates past due notice. If you have any part of your bill that is in past due status, you are subject to shut-off.

COUNCIL MEMBER JENKINS: Detroit Recreation is offering day camps June 23rd through August 15th for our young people to help keep them safe and off the streets. The early exposure camps are for ages 3-5 and they are at Adams/ Butzel as well as the Howman Recreation Center. For ages 6-12 it's Adams/Butzel, Prowell, Howman, Patton and the Young Recreation Center. They can call 224-1149. DPS and the Department of Education, this coming Saturday, are having an event called "Dads to Dads", and it's a forum for fathers and father figures. That's this Saturday, June 7th from 8 a.m. to 2 p.m. and it's being held at Detroit Collegiate

Preparatory High School (Also known as Northwestern High School). The Blight Boot camp is being held this weekend as well and this is by Detroit Future Cities. That is from 8 a.m. to 3 p.m. at Wayne County Community College on Fort Street. And then Judge Deborah Thomas is hosting a forum on how to apply for expungement. So, for anyone who has a record they can go this coming Saturday to Northwestern High School at 10:00 a.m. Finally, I would like to ask that we have an informational forum with regards to the Plan of Adjustment.

council president Jones: I would just like to announce that our last Budget Hearing will be on tomorrow at 5 p.m. in the auditorium. City Council's Veteran's Task Force meeting will be on next Tuesday, June 10th, from 3 p.m. to 4 p.m.

RESOLUTION IN MEMORIAM FOR

GENERAL GORDON BAKER, JR.By COUNCIL PRESIDENT JONES:

WHEREAS, General Baker was born on September 1, 1941 soon after his parents moved to Detroit from Georgia so that his father could work in the automobile industry. Baker graduated from Southwestern High School in 1958 during an economic recession and was unable to find steady work until 1961; and

WHEREAS, In 1965, he was drafted into the army but refused to be sworn-in as a protest to the Vietnam War. He expected to be tried and put in jail, but was declared a security risk and released. During the 1960s, workers at the Dodge Main plant faced a speed-up on the production line. Baker and other leaders increased their criticism of Dodge and the United Auto Workers Union and on May 2, 1968, led workers out on what would be the first of many wildcat strikes called without the sanction of union leadership. Baker was fired from his job and blacklisted from employment in the auto industry after being identified as one of the leaders of the strike. He did not work in the industry again until 1973 and then only by getting a job under a false name at the Ford Motor Company Rouge plant; and

WHEREAS, Baker and the other leaders of the protest movement at the Dodge Main plant created the Dodae Revolutionary Union Movement (DRUM). DRUM's goal was to end all discriminatory union and employer policies and to increase the power of African-American workers in American society. They demanded that African Americans be hired as shop foremen, union officials, and as UAW president. Baker served as managing editor of the movement's newspaper, the Inner City Voice. DRUM spurred African Americans in other plants and industries to form their own revolutionary union movement; and

WHEREAS, Baker and others then founded the League of Revolutionary Black Workers as an organization to amalgamate the actions of the various union movements. The League eventually split apart due to differing interpretations of its purpose and tactics, but Baker continued to fight for "economic justice". In 1976 he ran for Michigan House as a Communist Labor Party Candidate and in 1978, sought the same seat as a Democrat. He continued his involvement in politics as one of the founding members of the League of Revolutionaries for a New America and in numerous other leftist groups. He also served as Chairman of UAW Local 600 at the Ford Rouge Steel; and

WHEREAS, He has also been featured at Cleveland State University, University of Massachusetts, State University of New York at Binghamton, and the Carnegie Mellon Institute and the Howard University Conference on the Columbus Quincentennial. He was a chair of the Steering Committee of the League of Revolutionaries for a New America. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council, Office of Council President Brenda Jones, hereby joins with family and friend in honoring the meritorious General Gordon Baker, Jr. May we continue to always remember and honor him.

RESOLUTION SUPPORTING TERMS RELATED TO THE DETROIT INSTITUTE OF ARTS REFLECTED IN THE PROPOSED PLAN OF ADJUSTMENT

By COUNCIL MEMBER CUSHINGBERRY, JR:

RESOLVED, That in the interest of protecting the City of Detroit's pensioners and art, and for the sake of the quality of life for the residents of the City of Detroit, the Detroit City Council supports the Term Sheet reflected in the proposed Plan of Adjustment, conditioned upon resolution of ancillary terms to the City Council's satisfaction, and conditioned upon approval of the Emergency Manager.

Adopted as follows:

Yeas — Council Members Benson, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

Office of the Emergency Manager Memorandum

June 4, 2014

To: All City Council Members
Re: Approval of DIA Transaction.

Pursuant to Section 12(1)(r) of the Local Financial Stability and Choice Act, Act No. 436, Public Acts of Michigan, 2012 ("Act 436") the Emergency Manager has proposed to seek approval from the Detroit City Council (the "City Council") and the State Local Emergency Financial Assistance Loan Board (the "Loan Board"), if necessary, to undertake the transaction (the "Transaction") related to the museum commonly known as the Detroit Institute of Art (the "Museum") contemplated by the Term Sheet attached hereto (the "Term Sheet"). The Term Sheet contemplates that the City will transfer assets held by the City related to the Museum to The Detroit Institute of Art, a non-profit entity (the "DIA"), to hold them in the City of Detroit for the benefit of citizens of the City and the State of Michigan in exchange for the funding of over \$815 million over 20 years to be used to fund certain of the City's pensions and summarizes certain rights and obligations with respect to such transfer, which rights and obligations are memorialized in several written contracts to which the City will be a party.

As part of the Transaction, certain non-profit foundations, the State of Michigan, the DIA and certain funders solicited by the DIA (the "DIA Funders") will fund the \$815 million, which will be payable over 20 years provided that each of the funders will pay 5% on the initial closing, except for the DIA and the DIA Funders, who will collectively pay \$5 million on the initial closing. Each funder will agree upon a payment schedule such that their oblig-

ations will be completed and paid within 20 years. All payments made by funders will be paid to a separate account held by the Foundation for Detroit's Future, and, if the Foundation for Detroit's Future determines that the City has fulfilled its obligations with respect to the Transaction to that point, it will distribute such funds to an account to be used by the City for the exclusive benefit of the City's Police and Fire Retirement System and the General Retirement System for the City in accordance with an allocation agreed by the City and the funders. The funder's future obligations to fund their commitment amounts are subject to the City's continuing to abid by its obligations with respect to its pensions and providing an annual audited reconciliation report and a review board providing an annual certificate to that effect.

The DIA will ensure that the Museum and its assets remain situated in the City in perpetuity, though certain portions of the Museum's assets may travel consistent with ordinary Museum operations. The DIA agrees that it will operate the Museum as an encyclopedic art museum, and it will not deaccession, sell, lease or pledge any works of art held by it except in accordance with the ethical standards published by the American Alliance of Museums.

The DIA will establish an ad-hoc governance committee composed of three representatives from the DIA and one representative each from the City, the State and the non-profit foundation funders and one representative nominated by the counties of Macomb, Wayne and Oakland, which committee will provide guidance on the governance of the DIA.

Pursuant to Section 19 of Act 436, the Emergency Manager hereby submits the Term Sheet so that City Council can approve it and the Transaction contemplated thereby. Under Section 19(1) of Act 436, the City Council has 10 days from the date of submission of the Term Sheet to approve or disapprove the Term Sheet and the Transaction contemplated thereby. If the City Council does not act within this period, the Term Sheet and the Transaction contemplated thereby will be considered approved by the City Council, and the Emergency Manager may proceed to obtain approval or confirmation of the Term Sheet and the Transaction contempated thereby from the Loan Board. If the City Council disapproves the Term Sheet and the Transaction contemplated thereby within the period provided under Section 19(1) of Act 436 as described above, the City Council is required, pursuant to Section 19(2) of Act 436, to submit an alternative proposal to the Loan Board within 7 days of such disapproval, which such alternative proposal shall "yield substantially the same financial

result as the [Term Sheet and the Transaction contemplated thereby]." Pursuant to Section 19(2) of Act 436, the Loan Board would then choose between the City Council's alternative proposal and the Term Sheet and the Transaction contemplated thereby.

Please do not hesitate to contact my office with any questions or concerns regarding the matters addressed herein. We look forward to your prompt response to this matter.

Sincerely, KEVYN D. ORR Emergency Manager City of Detroit

Term Sheet

Definitions

For the purposes of this Term Sheet the following terms have the meanings provided below:

<u>CFSEM</u> means Community Foundation for Southeast Michigan.

City means the City of Detroit.

<u>Closing</u> means the closing of the transactions contemplated herein.

<u>Definitive Documentation</u> means the definitive agreements and other transaction documents to be executed and delivered at Closing.

<u>DIA Funders</u> means those persons, businesses, business-affiliated foundations and other foundations that are listed on Exhibit C to this Term Sheet and all additional persons, businesses, business-affiliated foundations and any other foundations from which The DIA secures commitments to contribute monies as "DIA Funders" in furtherance of the transactions contemplated by this Term Sheet.

Foundation Funders means the foundations that are listed on Exhibit B to this Term Sheet and any additional foundations (other than foundations that are DIA Funders) that, subsequent to the date of this Term Sheet, agree to contribute monies as "Foundation Funders" in furtherance of the transactions contemplated by this Term Sheet.

<u>Funder</u> means a Foundation Funder, a DIA Funder, or The DIA (collectively, the "Funders").

<u>Museum</u> means the museum that is commonly referred to as the Detroit Institute of Arts.

Museum Assets means the Museum art collection, operating assets, buildings, parking lots and structures, and any other assets having title vested in the City that are used primarily in servicing the Museum, including those covered by the 1997 Operating Agreement between the City and The DIA (the "Operating Agreement") all as more particularly described on Exhibit A to this Term Sheet.

Payment Amount means at least \$815

million without interest and, to the extent applicable, reduced by any Present Value Discount.

<u>Payment Period</u> means the twenty year period commencing on and immediately following the date of the Closing.

State means the State of Michigan.

Supporting Organization means the Foundation for Detroit's Future, a Michigan nonprofit corporation, which is a supporting organization of CFSEM, which was established to accommodate the contribution and payment of monies from the Funders, as contemplated under this Term Sheet, and will obtain 501(c)(3) status prior to the Closing.

The DIA means The Detroit Institute of Arts, a Michigan not-for-profit corporation.

Tri-Counties means the Counties of

<u>Tri-Counties</u> means the Counties of Macomb, Oakland and Wayne, all in the State.

Other capitalized items are defined elsewhere in this Term Sheet.

Scope of Settlement

The consummation of the transactions contemplated in this Term Sheet shall be in full and final settlement of all disputes relating to the rights of the City, the Police and Fire Retirement System and the General Retirement System for the City (collectively, the "Pensions"), The DIA, and the State with respect to the Museum, including the Museum Assets. Disputes held by other of the City's creditors pertaining to the foregoing subject matter shall be resolved by confirmation of the Plan of Adjustment (defined below). Reserveration of Rights

This Term Sheet proposes a settlement of disputed factual and legal issues. Nothing in this Term Sheet constitutes an admission as to any factual or legal issue or a waiver of any claim or defense, and all rights of the City, The DIA, the Funders and all other parties in the City's bankruptcy case regarding the Museum and the Museum Assets are fully preserved until the Closing.

Treatment of Museum Assets

As a result of this settlement, at Closing, all right, title and interest in and to the Museum Assets shall be conveyed to The DIA to be held in perpetual charitable trust for the benefit of the people of the City and the State, including the citizens of the Tri-Counties, permanently free and clear of all liens, encumbrances, claims and interests of the City and its creditors (the "Transfer").

Funding Commitments

All commitments of the Funders shall, subject to the terms and conditions of this Term Sheet and the Definitive Documentation, be the irrevocable, authorized, valid and binding commitments by the Funders, enforceable against such

Funders, except that the commitment of The DIA as to any DIA Deficiency will be subject to its right of substitution as discussed in "DIA Commitment Regarding Funding" below. Exhibit B and Exhibit C, as applicable, set forth the commitment amount and, to the extent known prior to the date of this Term Sheet, the payment schedule for each Funder. Prior to execution of the Definitive Documentation, each Funder with respect to which the payment schedule was not known as of the date of this Term Sheet (unless such party becomes a "Funder" only after the date of the Definitive Documentation) shall agree to a payment schedule. Each Funder shall have the right to prepay its commitment in whole or in part at any time without penalty and no interest will be owed on any Funder's payments.

All payments by the Funders shall be made as set forth in "Payment Mechanism" of this Term Sheet. (The mechanics, timing and terms of all payments by the State shall be determined between the State and the City.)

The parties acknowledge that Funder payments are conditioned on the City meeting certain conditions both initially and on a continuing basis. See "Conditions **Funding** Future to Obligations" of this Term Sheet. Failure of the City to meet those conditions in any material respect may result in the delay of a scheduled payment by the Funders to the Supporting Organization and a delay of a scheduled payment by the Supporting Organization to the City until (i) all material requisite conditions for that payment are met; or (ii) cancellation of that payment if the material requisite conditions are not met within any established cure period.

Funding commitments of the following amounts (before giving effect to any Present Value Discount, as applicable) are required as a condition to Closing:

Foundation Funders (net) \$366 million
DIA Funders and DIA \$100 million*
State \$350 million

*inclusive of the intended funding amounts for the identified Foudation Funders listed in Exhibit B

To the extent the City fails to meet its indemnity obligations further described in Exhibit D, the Funders', the Supporting Organization's and The DIA's (with respect to a DIA Deficiency or under the Guaranty) funding commitments will be reduced by any litigation or defense costs, damages or settlement costs incurred by the applicable Funder, the Supporting Organization or The DIA in connection therewith. Similarly, the Funders, the Supporting Organization and The DIA may reduce their funding commitments to the extent that any litigation or defense cost, damages or settlement costs

incurred by them and arising from the transactions contemplated by this Term Sheet and the Definitive Documentation are not otherwise covered by the City's indemnity obligations described in Exhibit D. Present Value Discount

To the extent that the DIA Funders and The DIA have agreed upon an aggregate payment schedule (determined as of the Closing and adjusted after the Closing for any New Donor Commitments), that provides for the payment of greater than an aggregate of \$5 million per year during the Payment Period (the "Agreed Required Minimum Schedule"), the amount and timing of such annual excess in commitments shall, applying a discount rate to be agreed upon hereafter but prior to Closing, which may or may not be the same earnings rate that the Pensions use as provided for in the confirmed Plan of Adjustment as the Pensions' assumed future investment return, result in a present value discount in an amount which reflects the payments required to be made being instead made more rapidly than required by the Agreed Required Minimum Payment Schedule, which present value discount shall reduce the aggregate amount of the commitments that The DIA is required to secure or, as to any DIA Deficiency, undertake itself (the "Present Value Discount").

Each Foundation Funder which funds its commitment more rapidly than ratably over twenty years shall likewise be entitled to a Present Value Discount determined in the same manner as set forth in the preceding paragraph.

Any disputes regarding the calculation or application of a Present Value Discount will be irrevocably determined, based upon the formula described in this Term Sheet, by an independent auditing firm to be agreed upon in the Definitive Documentation.

The DIA Commitment Regarding Funding.

The DIA undertakes to secure commitments for contributions of \$100 million (subject to the Present Value Discount) from the business community (and their related foundations), other foundations and individuals. As of the Closing, The DIA shall be responsible for any portion of the \$100 million (subject to the Present Value Discount) for which it has not secured commitments from DIA Funders as of the Closing (the "DIA Deficiency"). However, The DIA shall have the right after the Closing to substitute for its obligation to pay any or all of the DIA Deficiency commitments from new DIA Funders or an increased funding commitment from an existing DIA Funder (each a "New Donor Commitment") for such amount of the DIA Deficiency. Subject to the terms of this Term Sheet, all New Donor Commitments shall be payable according to payment schedules which shall not run later than the end of the Payment Period. In addition, The DIA agrees that it will have no claims against the Foundation Funders for failure to fund their commitments and that the Foundation Funders have made no commitments beyond those set forth in this Term Sheet (as will be reflected in the Definitive Documentation).

DIA Guaranty

Subject to the terms and conditions of this Term Sheet, The DIA shall guaranty (the "Guaranty") the payment by all DIA Funders of all amounts such DIA Funders pledge against the \$100 million (subject to the Present Value Discount) commitment of The DIA under the "Fundina" Commitment" section of this Term Sheet. The City may take action to collect Default Amounts under the Guaranty as permitted under the "Default and Remedies" section of this Term Sheet. The City shall not otherwise take action to collect any amounts under the Guaranty, and under no circumstances will anyone other than the City have any right to take any action to collect any amounts under the Guaranty. The DIA Guaranty shall be in form and substance acceptable to the City and the Funders.

Default and Remedies

All Funders (including The DIA, both as to any DIA Deficiency and with respect to the Guaranty) shall have the right to rely upon the determination of the Board of Directors of the Supporting Organization as to whether the conditions to a scheduled payment have been satisfied and, if not initially satisfied, whether they have been timely cured. In the event that the Supporting Organization has determined that the conditions have not been satisfied (or timely cured) and the City disputes that determination, the City's only recourse shall be to dispute the Supporting Organization's determination. The City shall have no claim against any Funder (or under the Guaranty) for such Funder's reliance upon the determination of the Board of Directors of the Supporting Organization. Any dispute between the City and the Supporting Organization regarding whether the conditions had been satisfied or timely cured shall be determined in accordance with the "Dispute Resolution" section of this Term Sheet.

In the event it is determined by the Supporting Organization or through arbitration that the conditions to a scheduled payment have been satisfied or timely cured, all Funders shall be required to make their scheduled payments to the Supporting Organization (or, as to DIA Funders that so elect in accordance with the "Payment Mechanism" section of this Term Sheet, to The DIA, which will be required to make its scheduled payments to the Supporting Organization). If a Foundation Funder, a DIA Funder or The

DIA (either with respect to a Deficiency Amount or on behalf of a DIA Funder who elects to make its payments to The DIA) has made its scheduled payment to the Supporting Organization, the City shall have recourse only to the Supporting Organization (and not any Funder that made its scheduled payment) for such payment. If a Foundation Funder, a DIA Funder or The DIA (either with respect to a Deficiency Amount or on behalf a DIA Funder who elects to make its payments to The DIA) has not made its scheduled payment after it is determined by the Supporting Organization or through arbitration that the conditions to such payment have been satisfied or timely cured, the Supporting Organization shall, after making reasonable efforts to collect the scheduled payment from the Funder (the "Non-funding Party"), assign its right to enforce payment of that scheduled payment (the "Default Amount") to the City in full satisfaction of the Supporting Organization's obligation to make such payment to the City.

If the Supporting Organization assigns to the City, in accordance with the preceding paragraph, the Supporting Organization's right to enforce payment of a Default Amount from a DIA Funder (a "Defaulted DIA Funder"), during the twelve-monthh period following assignment of the claim to the City (the "City Collection Period"), the City shall exercise commercially reasonable efforts to collect the Default Amount from that Defaulted DIA Funder, and any amounts collected from that Defaulted DIA Funder shall reduce the amount subject to the Guaranty. If the City is unable to collect the Default Amount from a Defaulted DIA Funder during the City Collection Period, upon the expiration of the City Collection Period, the City may collect the Default Amount from The DIA under the Guaranty and, in such event, assign to The DIA all right and title to (and exclusive authority to collect) the Default Amount.

In no event will any Funder other than the Non-funding Party have any responsibility for the payment or obligations of such Non-funding Party (except, as to The DIA, under the Guaranty), and the City will not have any right to collect any amounts from any Funder except as set forth above. Moreover, there will be no third-party beneficiaries to the rights of the City or the Supporting Organization, and no party other than the City or the Supporting Organization (or The DIA in respect of the Guaranty), as applicable, shall have the right to assert any claim against any Funder in respect of the obligations arising under the Definitive Documentation. Without limiting the foregoing, the failure of any Funder or the Supporting Organization to make a scheduled payment shall give rise to a claim by the City against such Non-funding party, as set forth above, and not against any other Funder, the Supporting Organization, The DIA or the Museum Assets; provided, however, (i) as contemplated in "The DIA Commitment Regarding Funding" above, The DIA will be obligated for any DIA Deficiency except to the extent the DIA Deficiency is replaced during the Payment Period with a New Donor Commitment, and (ii) The DIA will have its obligations under the Guaranty.

The City will be responsible for all costs of its enforcement against the Non-funding Party and will not seek reimbursement of costs of enforcement from any other party or the Supporting Organization. No other person or entity shall have the right to enforce payment.

Initial Payment

At and as a condition to the Closing (a) each of the Foundation Funders and the State shall pay at least 5% of its commitment under this Term Sheet and (b) The DIA and the DIA Funders in the aggregate shall pay at least \$5 million.

Transfer on Initial Payment

The Transfer shall be irrevocably consummated upon the Initial Payment to the City Account (defined in "Conditions to Future Funding Obligations" of this Term Sheet) (which shall be made at the Closing). In addition, at the Closing, the City and The DIA will enter into an agreement that (1) terminates the Operating Agreement, (2) includes a mutual release of pre-Closing claims, and (3) assigns (without recourse) from the City to The DIA all current and future commitments or gifts made or intended for the benefit of the Museum or The DIA, including without limitation money and works of art. The City will not, however, make any representations or warranties relating to the condition of, or title to, the Museum Assets or such commitments and will not have any liability with respect thereto.

Payment Mechanism

All payments by the Funders shall be directly to the Supporting Organization which shall hold such payments in a segregated account (the "Account") pending payments to the City. Notwithstanding the foregoing, any DIA Funder may make its payments to The DIA instead of to the Supporting Organization; payments by The DIA (either with respect to a Deficiency Amount or on behalf a DIA Funder who elects pursuant to the preceding sentence to make its payments to The DIA) to the Supporting Organization shall be pursuant to the terms of an agreement which will be entered into between The DIA and the Supporting Organization in connection with the execution of the Definitive Documentation. As set forth under "Default and Remedies" above, only the City will have recourse or claims against the Account, provided all conditions specified in "Conditions to Future Funding Obligations" of this Term Sheet have been satisfied and as otherwise provided in this Term Sheet, and the City shall be paid when due, directly from the Account for the exclusive payment of the Pensions. The City will not be entitled to any interest or earnings on the balances of the Account. The City shall then pay such amounts to and for the exclusive payment of the Pensions in accordance with the allocation determined by the City and agreed by the Funders.

DIA Commitment for State-wide Services for State Contribution

In addition to continuing to operate the Museum for the benefit of the people of the City and the State, including the citizens of the Tri-Counties, and continuing to provide the special services to the residents of the Tri-Counties during the millage term that are provided for in the millage agreements, during the Payment Period The DIA will provide an array of art programs at no or discounted costs to the residents of the State. In determining which programs to offer, both the cost to The DIA of developing and operating these programs and The DIA's other fundraising obligations, including its need to raise funds for general operations and its stated goal of building endowment funds, as well as any fundraising obligation under this settlement, will be taken into account. As appropriate, The DIA will collaborate with its Michigan museum colleagues in the development of these programs. Given the length of the Payment Period, it is expected that these programs would be developed and adjusted over time. Such programs could include at the outset:

- Two exhibitions in each twelve-month period, with the first such period beginning six months after the Closing, of objects from the Museum collection that would rotate through museums and art centers around the State on a schedule to be determined by The DIA and the recipient museums. Each exhibition will be developed and organized by The DIA and will include installation and de-installation of the objects, a marketing package (logo and advertising template) and, possibly, input on programming and education opportunities.
- An annual professional development program coordinated with the Michigan Museums Association designed to strengthen museum professionals and introduce museum job opportunities to student audiences.
- An expansion of the Museum's popular Inside/Out program (during the tenure of the program), which places high-quality art reproductions in Southeast Michigan communities, to include two additional outstate locations annually, supporting tourism, cultural awareness and life-long learning.

- Art object conservation services at a discounted rate to Michigan museums conducted in consultation with the Museum conservators and the curatorial staff of the requesting museum.
- The development of an educational program based on the Museum collection that supports National Common Core Standards, to be offered in two Michigan communities annually and to include follow-up support for educators.

DIA Operating and Maintenance Commitments

- (1) Subject to the terms set forth herein and the Definitive Documentation, The DIA shall have complete responsibility for and control over Museum operations, capital expenditures, collection management, purchase or sale of assets, etc. and will be responsible for all related liabilities, including existing liabilities of The DIA to its employees, contractors and vendors.
- (2) The permanent primary situs of The DIA and its art collection will remain in the City in perpetuity. This Term Sheet and the Definitive Documentation will not otherwise restrict the ability of The DIA to lend or to otherwise restrict the ability of The DIA to lend or to otherwise allow works to travel outside of the City or the State, consistent with ordinary Museum operations and the state-wide services proposed under this settlement. Notwithstanding anything to the contrary set forth in this Term Sheet, The DIA acknowledges and agrees that the Museum shall be operated primarily for the benefit of the people of the City and the State, including the citizens of the Tri-Counties.
- (3) The DIA will be required to operate the Museum as an encyclopedic art museum in the City, in accordance with changing future demands in the operation of such a Museum. The DIA wil not deaccession from its collection or sell, lease. pledge, mortgage, or otherwise encumber art that is accessioned to or otherwise held in its collection except in accordance with the code of ethics or applicable standards for museums published by the American Alliance of Museums (the "AAM") as amended or modified by the accreditation organization. If the AAM ceases to exist or to be generally regarded by leading American art museums as the preeminent American art museum accreditation organization, then the AAM's successor organization or such other organization that is at that time generally regarded by leading American art museums as the preeminent American art museum accreditation organization shall be substituted for the AAM.
- (4) In the event of a liquidation of The DIA, the Museum Assets will be transferred only to another not-for-profit entity (which entity shall be subject to the reasonable approval of the City and the Supporting Organization, if then in exis-

tence, and otherwise by majority vote of the City and the then-existing Foundation Funders). Such successor entity would subject itself to the same conditions as set forth in this Term Sheet and the Definitive Documentation, including but not limited to holding the Museum Assets in perpetual charitable trust for the people of the City and the State, including the citizens of the Tri-Counties. For the purposes of determining the majority vote described above, and for the avoidance of doubt, the parties agree that the City and each of the then-existing Foundation Funders shall each have one vote with respect to such approval.

City Commitments Relating to Pensions

- (1) The City will adopt and maintain pension governance mechanisms that meet or exceed commonly accepted best practices reasonably satisfactory to the Funders and the State to ensure acceptable fiscal practices and procedures for management and investment of pensions and selection of acceptable pension boards to ensure the foregoing.
- (2) The City will establish, by the Effective Date (as defined below), a Receivership Transition Review Board ("Review Board") or other independent fiduciary that is independent of the City and any association of City employees or retirees for future supervision of the Pensions' management, administration and investments for at least twenty years after the Effective Date.
- (3) Any commitments by the City to make payments hereunder, or cause payments to be made, to the Pensions shall be subject to receipt of the related payment amount from the Supporting Organization which, in turn, will be conditioned on the City's compliance with the above.
- (4) The Pension funds themselves shall agree as part of the settlements approved through the confirmed Plan of Adjustment that they waive and release any and all claims against, and shall have no recourse directly against, the Funders or the Supporting Organization with respect to enforcement of the City's commitment to make payments to the Pensions or any such party, nor for any matter arising from the contemplated transaction. The agreement of the Pension funds, as implemented through the Plan of Adjustment and any associated court orders shall be binding on the Pensions and all entities or persons claiming through the Pensions, including without limitation any successors or assigns and any plan participants, and any of their representatives, successors or assigns.

Other City Commitments

(1) The City shall pass no charter, ordinance or other provision that solely affects or primarily targets the Museum, The DIA or museums within the City gen-

- erally which such charter, ordinance or other provision has a material adverse impact on the Museum or The DIA (it being understood that a "material adverse impact" shall include any adverse financial impact or any contradiction, or adverse financial impact or any contradiction, or adverse impact on the enforceability, of the terms of this settlement), except pursuant to State-enabling legislation, and the City agrees that the Detroit Arts Commission will henceforth have no oversight of The DIA, the Museum or the Museum Assets.
- (2) The City shall not impose any fee, tax or other cost on the Museum or The DIA that solely affects or primarily targets the Museum, The DIA or museums within the City generally.
- (3) The City shall provide (or cause to be provided) utilities and other City services to The DIA at the same pricing and on the same terms upon which the City offers to provide utilities and such other City services to arm's-length third parties generally.
- (4) The City agrees that there are no further commitments from the Funders, the Supporting Organization, The DIA or the State relating to the Museum or the Museum Assets beyond those contained in the Term Sheet or the Definitive Documentation.
- (5) The City agrees to the indemnification, jurisdiction, venue and choice of law language contained in Exhibit D for the benefit of the Funders.

Bankruptcy Court Approval Process

The settlement between the City and The DIA over the Transfer in exchange for the Funders' and the State's commitments for the Payment Amount and The DIA's commitment to provide for the operation and maintenance of the Museum is subject to the Bankruptcy Court's approval in a manner acceptable to the parties hereto, which the City shall seek promptly after the signing of the Definitive Documentation for the settlement.

Conditions to The DIA's, the City's and the Funders' Commitments and Initial Payments under the Settlement

The City's and the Funders' obligations under the settlement will become binding only upon:

- (1) execution of Definitive Documentation acceptable in all respects to The DlA, the City, the State and the Funders, memorializing the terms of this Term Sheet, including irrevocable commitments (subject to The DlA's right of substitution as to the DlA Deficiency) of the Funders, in the aggregate, for the full Payment Amount,
- (2) Bankruptcyt Court entry of an order confirming the Plan of Adjustment of Debts of the City of Detroit, Michigan (the "Plan of Adjustment") that is binding on The DIA, the City and all of the City's

creditors and provides, among other things, for approval and inclusion of all of the terms of this settlement, including treatment of the Payment Amount in accordance with this Term Sheet and provided in "Treatment of Museum Assets" of this Term Sheet, and not stayed on appeal,

- erm Sheet, and not stayed on appeal,
 (3) occurrence of the Effective Date,
- (4) approval of the settlement by the Michigan Attorney General as consistent with Michigan law and with Attorney General Opinion No. 7272,
- (5) agreement by the millage authorities for each of the Tri-Counties to the settlement for protection of the three-county millage payable to the Museum for the balance of the millage period approved in 2012,
- (6) approval of the relevant City and State persons or entities specified in the Local Financial Stability and Choice Act (PA 436) to the extent applicable, including, but not limited to, the Emergency Manager, the Governor of the State and/or the Treasurer of the State and (if needed) the Detroit City Council and/or Detroit Arts Commission, in each case, for the Transfer,
- (7) The DIA, the Foundation Funders, the City and the State being satisfied with The DIA's governance structure, mechanisms and documents, programs for provision of statewide services, multi-year fundraising plan, insurance coverage, policies, practices and procedures and such other matters as the Funders determine are critical to their decision to fund and the City determines are critical to its decision to execute the Definitive Documentation.
- (8) Closing occurring no later than December 31, 2014,
- (9) All existing agreements and other arrangements between the City and The DIA are either affirmed, modified or terminated, as provided in this Term Sheet or as otherwise agreed between the City and The DIA.
- (10) The DIA agrees to indemnify and hold harmless the Foundation Funders, the City and the Supporting Organization from any and all claims against them (together with all reasonable associated costs and expenses) that result from The DIA's failure to perform any of its obligations under the Definitive Documentation. DIA acknowledges that Foundation Funders and the Supporting Organization have no financial obligations other than, in the case of the Foundation Funders, the amount specified in the "Funding Commitments" of this Term Sheet and are not guaranteeing payment to the City of any amount committed by the DIA Funders or The DIA.

Closing of Settlement

Upon satisfaction of all "Conditions to The DIA's, the City's, the State's and the Funders' Commitments and Initial

Payments under the Settlement" under this Term Sheet (any of which may be waived by agreement of all parties to this Term Sheet for whose benefit the condition exists) and the occurrence of the effective date of the Plan of Adjustment ("Effective Date").

Conditions to Future Funding Obligations

The Funders' obligations to continue to fund the settlement (and the Supporting Organization's obligation to continue to pay funds provided by the Funders to the City) are conditioned on the following:

- (1) all amounts paid by the Funders shall be used only to pay Pensions as provided in this Term Sheet and the confirmed Plan of Adjustment,
- (2) the Funders' receipt of an annual certification from the Review Board or other oversight authority reasonably acceptable to the Funders that the City is in compliance with its obligation to use the amounts paid by the Funders solely for the benefit of the pensioners and that the amounts received from the Funders are unencumbered by the City or any other entity,
- (3) the amounts paid by the Funders and transmitted by the Supporting Organization to the City are placed into a segregated account to be used for payments to the Pensions only and shown separately on the City's books ("City Account"),
- (4) the Funders' receipt of an annual reconciliation report of the City Account prepared by external auditors reasonably satisfactory to the Funders at the City's expense, certifying use of funds in a manner consistent with the settlement.
- (5) full compliance by the City with the terms of the funding agreements with the Funders or the Supporting Organization, and
- (6) the City's continued compliance with the first two commitments set forth above in the provision entitled "City Commitments Relating to Pensions" of this Term Sheet.

The City shall have the opportunity to cure any breach or failure of these conditions within 180 days of issuance of notice of the same by the Funders or the Supporting Organization Notwithstanding the foregoing, to the extent that the applicable event of default cannot reasonably be cured within the period specified above, and as along as the City has commenced to cure, and diligently pursues the cure of such default in good faith, such cure period shall be extended by a reasonable period of time to permit the City to cure such event of default; provided. however, such additional extended cure period shall not extend beyond the later of: (i) 180 days beyond the initial cure period; and (ii) the date that the next applicable payment is due the City by the Supporting Organization. The City's ability

to receive the benefit of the extended cure period, beyond the initial cure period, shall be subject to the approval of the Supporting Organization upon receipt of a written request from the City setting forth why the City is entitled to such extended cure period by meeting the requirements set forth above, which approval shall not be unreasonably withheld, conditioned or delayed. All obligations of the Funders and Supporting Organization to make payments shall be suspended for the duration of the cure period. If the City fails to cure a breach or failure during the cure period each Funder and the Supporting Organization shall have the right to cancel its remaining commitments.

Changes in DIA Governance

The DIA shall establish an ad-hoc committee (the "Governance Committee") to review best practices in museum governance, gather input from the parties to this Term Sheet and the State, and make recommendations regarding the future governance of The DIA. In addition to three members representing the perspective of The DIA, The DIA shall appoint to the Governance Committee one member representing each of the following perspectives: 1) the Foundation Funders; 2) the City; and 3) the State. In addition, The DIA shall appoint to the Governance Committee one person who is selected by agreement of the millage authorities of the Tri-Counties. The parties believe the proposed make-up of the Governance Committee will appropriately represent the perspectives of The DIA, the City, the State, the millage authorities and the Foundation Funders, but The DIA will consider adjustments to the proposed membership to the extent necessary to address any concerns raised by the State. Susan Nelson, principal of Technical Development Corporation, will facilitate and advise the process, with funding as required from the Foundation Funders. The process will be completed as quickly as possible but in any event prior to the Closing, with the Governance Committee's recommendations taking effect upon their approval by The DIA's Board of Directors and prior to Closing. The goal of the Governance Committee will be to ensure that The DIA has the best possible governance structure for maintaining its position as one of America's great art museum.

Future Obligations of The DIA

The DIA will provide to the other Funders and the City, or their representatives, on an annual basis, a narrative report covering overall operations, fundraising and state services, as well as audited financial statements.

Dispute Resolution

In connection with the negotiation of the Definitive Documentation, the parties shall use good faith efforts to work with the State to identify and agree upon alternative dispute resolution mechanisms that provide a process for resolution of disputes surrounding whether conditions to a scheduled payment have been satisfied or cured while considering the ability of the public, Pensions and other stakeholders to monitor such alternative dispute resolution process.

EXHIBIT D INDEMNIFICATION, JURISDICTION, VENUE AND CHOICE OF LAW

All capitalized terms used but not defined in this Exhibit D are defined in the Term Sheet.

(a) The maximum extent permitted by law, the City shall indemnify, defend, and hold the Foundation Funders, the DIA Funders, The DIA and the Supporting Organization and their affiliates and all their respective shareholders, officers, directors, members, managers, employees, successors, assigns, representatives, attorneys and agents (the "Indemnified Parties") harmless from, against, and with respect to any claim, liability, obligation, loss, damage, assessment, judgment, cost and expense (including, without limitation, actual outof-pocket attorney fees and actual expenses incurred in investigating, preparing, defending against, or prosecuting any litigation or claim, action, suit, hearing, proceeding or demand) of any kind or character, arising out of or in any

manner, incident, relating or attributable to the following (provided indemnification will not be available to an Indemnified Party to the extent resulting from such Indemnified Party's breach of contract, sole ordinary negligence, gross negligence or intentional wrongful acts):

- (i) Any claims by third parties or the City arising out of any action properly taken by the Indemnified Parties under the Definitive Documentation with respect to the contemplated transaction including, but not limited to, any payment, non-payment or other obligation of the Indemnified Parties permitted thereunder,
- (ii) Any breach or failure of any representation or warranty of the City contained in the Definitive Documentation between the City and the Indemnified Parties and/or other parties related to the contemplated transaction;
- (iii) Any failure by the City to perform, satisfy or comply with any covenant, agreement or condition to be performed, satisfied or complied with by the City under the Definitive Documentation with the Indemnified Parties or under agreements with any third parties contemplated by this transaction;
- (iv) Reliance by the Indemnified Parties upon any books or records of the City or reliance by them on any written information furnished by the City or any of the City's employees, officials or agents to them to the extent any such information should prove to be false or materially inaccurate or misleading (including, without limitation, by omission), but only to the extent that such books, records or written information was furnished by the City in connection with the City showing its compliance with the conditions to initial or future funding as set forth in the Term Sheet:
- (v) Any claim or objection made in the City's Chapter 9 Bankruptcy (Case No. 13-53846) or any other action brought against, or involving, the Indemnified Parties with respect to their participation in any transaction contemplated by the proposed or confirmed Plan of Adjustment;
- (vi) The transfer, assignment or sale by the City to The DIA of any assets or property (real or personal) and any rights, title and interests therein including, but not limited to, the Museum and all of the Museum Assets;
- (vii) Any action or claim against the Indemnified Parties made by the Pensions, including any successors or assigns and any plan participants, or their representatives, successors or assigns (collectively, the "Pension Fund"), as nothing under the Term Sheet or the Definitive Documentation is intended to, nor are they to be constructed or interpreted to, make the Indemnified Parties a party in privity with, or having an obligation in any

capacity to the Pension Funds. By way of illustration and not limitation, the following statements apply:

First, the Indemnified Parties have no responsibility for the operation or administration of the Pension Funds and have no fiduciary responsibility for the Pension Funds as plan sponsor, plan administrator, investment advisor or otherwise.

Second, the Indemnified Parties have no obligation to contribute towards the funding of the Pension Funds and are not a funding guarantor.

- (viii) Any action or claim brought by the City, The DIA, the Pension Funds or any other party concerning non-payment of the contributions pursuant to the contemplated transaction by the Indemnified Parties due to the breach of the Definitive Documentation by the City, the DIA, the Pension Funds or any other party, so long as the Indemnified Parties have made a good faith determination of the breach of the Definitive Documentation or payment condition.
- (b) An Indemnified Party shall notify the City in a timely manner of any matters as to which the Indemnified Party is entitled to receive indemnification and shall set forth in such notice reasonable detail regarding specified facts and circumstances then known by the Indemnified Party which pertain to such matters. Failure or delay in providing such notice shall not relieve the City of its defense or indemnity obligations except to the extent the City's defense of an applicable claim against an Indemnified Party is actually prejudiced by such Indemnified Party's failure or delay.
- (c) The City shall not contest on any grounds the enforceability of its indemnification obligations hereunder.
- (d) Notwithstanding the foregoing, the parties acknowledge that the City is not making any representations to The DIA regarding the City's title to the Museum Assets prior to the Closing and that The DIA will not be entitled to indemnification in connection with its defense of any post-Closing claims by third parties challenging The DIA's title to any Museum Asset to the extent that such claim is based on an allegation that the City did not have legal title to the particular Museum Asset prior "Quitclaim the Closing (a Challenge"). To be clear, however, The DIA will be entitled to indemnification by the City under this Exhibit D in connection with any post-Closing challenges to The DIA's title to Museum Assets that are in any way based upon a claim that the title

Defense of Indemnify Claims

Closing.

(a) To the extent the City is notified of claim for which it is required to indemnify

that the City had to the Museum Assets

prior to Closing was not effectively con-

veyed to The DIA at and as a result of the

an Indemnified Party, the City shall be solely responsible for responding to or otherwise defending such claim. In such event, the City shall assume exclusive control of the defense of such claim at its sole expense using counsel of its sole choosing and may settle such claim in its sole discretion; provided, however, that (i) with respect to any claim that involves allegations of criminal wrongdoing, the City shall not settle such claim without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion, and (ii) with respect to any other claim. the City shall not settle such claim in a manner that requires the admission of liability, fault, or wrongdoing on the part of an Indemnified Party, that fails to include a release of all covered claims pending against the Indemnified Party, or that imposes anv obligation on Indemnified Party without the prior written approval of the Indemnified Party, which approval may be withheld in such Indemnified Party's sole discretion. The City will keep the Indemnified Party reasonably informed of the status of any negotiations or legal proceedings related to any claim, and the Indemnified Party shall be entitled to engage counsel (at its own expense) to monitor the handling of any claim by the City. Notwithstanding the foregoing, other than as relates to a Quitclaim Challenge (for which The DIA will not be entitled to indemnification, as set forth above), The DIA shall be entitled to defend on its own behalf any claims regarding title to, interest in or control of the Museum Assets or operation of the Museum. To the extent The DIA intends to exercise such right, the City and The DIA shall use their commercially reasonable efforts in good faith to coordinate a joint defense of such claim (including as to selection of joint counsel). If the City and The DIA cannot agree on a joint defense of the claim, each party shall undertake its own defense, reserving all rights against the other for indemnification hereunder with respect to such claim, but, in such case, The DIA shall not be entitled to indemnification of its defense costs in connection therewith.

(b) Notwithstanding anything to the contrary set forth in this Exhibit D or the Term Sheet, to the extent that the City is required to indemnify an Indemnified Party hereunder, and the underlying claim being indemnified does not arise out the City's breach of contract, sole ordinary negligence, gross negligence or intentional wrongful acts and is not due to a claim brought by the City, the City may reimburse itself for the costs of such indemnity out of the payments from the Supporting Organization, in which case the amount payable by the City to the Pensions shall be reduced by the amount reimbursed to the City for such indemnity.

Jurisdiction/Venue/Choice of Law

The parties agree that, except as to disputes that are subject to arbitration in accordance with the "Dispute Resolution" section of the Term Sheet, jurisdiction shall be retained by the United States Bankruptcy Court for the Eastern District of Michigan for all matters related to the contemplated transaction and venue shall be in Detroit. The parties agree that this agreement is to be governed by Michigan law.

Honorable City Council: Re: FY 2014-15 Closing Resolution.

The Closing Resolution was inadvertently left out of the Triennial Budget document. Attached is the document.

> Sincerely PAMELA SCALES **Budget Director**

CLOSING RESOLUTION

By Council Member Cushingberry, Jr.: WHEREAS, The 2014-2015 Budget provides appropriations to support operations of the City for the period July 1, 2014, through June 30, 2015, including salaries, wages pension requirements, other employee benefits and other expenses, now therefore be it.

- 1. RESOLVED, That the 2013-2014 Official Compensation Schedule be amended and changes in wages, fringe benefits, and other conditions of employment be applied according to the White Book, 2014-2015 Wage Adjustments, this Resolution, State Law, labor contracts approved by the Emergency Manager or City Council, and for non-union employees according to recommendations made by the Labor Relations Division of the Human Resources Department and approved by the City Council, or by Executive Order of the Mayor in accordance with Ordinance No.35-92 and the Circuit Court decision in Case No. 92-22029-AW and otherwise according to the following stipulations and exceptions.
- a. Changes be applied to June 30 2014 Official Compensation Schedule rates as listed in the published 2013-2014 Official Compensation Schedule and that pay rate computations resulting in total cents within a dollar shall be extended to the next higher dollar for salaried employees, and the next higher cent for hourly personnel, provided further that nonunion salaried employees whose Official Compensation Schedule minimum and maximum rates are over \$20,000.00 per vear, may, if these rates fall between even hundred dollar levels, upon recommenda-

tion of the Labor Relations Director, have these compensation schedule rates adjusted to the next higher hundred-dollar level

- b. Unless otherwise specifically provided by action of the Emergency Manager or City Council, the changes shall not apply to elected officials, temporary employees appointed outside of the classified service in special grant operations, or those whose rates of pay are otherwise set by law, contract, or on a per meeting, per call, consultant, or per clinic basis.
- c. Where application of the rate changes cause inequities, the Labor Relations Director may authorize compensating adjustments in pay to employees within the pay range for their classification if requested by the department head, and furthermore shall be authorized to make corrections in the 2014-2015 Official Compensation Schedule as required.
- d. Where percentage adjustments are provided, individuals in classes affected shall generally have their June 30 payroll rates changed by that percentage, provided that by agreement of the department and the Labor Relations Director, adjustments within the range may be stipulated and portions of changes may, for training or other purposes, be provided only by the step increment approach or formula shown in the Official Compensation Schedule.
- e. Adjustment for non-union classifications paid at rates equal to the rates for the same or equivalent union classifications shall remain equivalent during the 2014-2015 fiscal year.
- f. Where a wage settlement in a labor agreement disrupts a traditional wage relationship with non-union classifications, the Labor Relations Director shall have the authority to recommend to City Council special wage adjustments for the non-union classifications affected.
- g. Where provisions have been made in the budget for an overall pay adjustment, the Budget Director is authorized to allocate such amounts among appropriations as necessary; and be it further
- 2. RESOLVED, that employee benefits and retirement provisions for non-union employees shall be in accordance with the City Council Resolution of October 2, 1974, J.C.C. page 2142; November 16, 1977, J.C.C. page 2538; August 6, 1980, J.C.C. page 2057; August 5, 1981, J.C.C. page 1957; January 6, 1984, J.C.C. page 45; April 15, 1987, J.C.C. page 813; November 15, 1989, J.C.C. page 2627; August 4, 1999, J.C.C. page 2375; November 30, 2001, J.C.C. page 3810; July 30, 2003, J.C.C. page 2470; September 13, 2006, J.C.C. page 2341; and February 11, 2010, J.C.C. page 000; otherwise as authorized by Emergency Manager or City Council through the 2014-2015 fiscal year; and be it further

- 3. RESOLVED, that the Finance Director and the Labor Relations Director continue the administration of salary and prevailing rates according to the rules as listed in the Official Compensation Schedule, and otherwise according to the City Council Resolution of July 13, 1954, J.C.C. page 1713; and be it further
- RESOLVED, That employee benefits contained in this Closing Resolution are permissive rather than mandatory for unionized employees; and be it further
- 5. RESOLVED, That all contracts covering unionized employees may, upon approval of the Director of Labor Relations, be extended beyond their expiration dates; subject to approval by the Emergency Manager, and be it further
- 6. RESOLVED, That where no effective date is given in a resolution involving personnel procedures approved by the City Council of the City of Detroit, the effective date shall be the second Wednesday subsequent to passage of the resolution at the regular session, in accordance with the resolution of December 12, 1944, J.C.C. page 2983; and be it further
- 7. REŠOLVED, That the Finance Director is hereby authorized to honor payrolls for restoration of lost time by City employees as a result of a reduced or reversed suspension of discharge, provided such action is recommended by the Labor Relations Director, and otherwise in accordance with the resolution of March 11, 1969, J.C.C. page 565; and be it further
- 8. RESOLVED, That employees be paid for out-of-class work according to negotiated agreements and in the absence of agreements upon recommendation of the department with approval of the Budget Director and the Civil Service Commission and otherwise in accordance with the resolution of September 17, 1968, J.C.C. page 2269; and be it further
- 9. RESOLVED, That for inactive titles under the old Police and Fire pension system, changes shall apply proportionately with changes in the active titles according to the City Charter and the J.C.C. resolution of September 9, 1953, page 2235; and be it further
- 10. RESOLVED, That rates of pay applied to positions in the 2014-2015 Budget be subject to maintenance charges as approved by the City Council for all employees furnished living accommodations: and be it further
- 11. That the Finance Director is hereby authorized to provide reimbursement to employees to the extent that they are subject to additional expense for insurance at commercial rates exclusively by virtue of driving vehicles on City business and otherwise according to the City Council Resolution of November 12, 1968, J.C.C. page 2728; and be it further
- 12. RESOLVED, That the Finance Director is hereby authorized to provide reimbursement of certain expenses to

persons seeking or accepting employment with the City in accordance with the Resolution adopted by the City Council on February 7, 1996; and be it further

- 13. RESOLVED, That the Finance Director is hereby authorized to continue honoring payrolls for payment of unused sick leave to retirees, and others who separate from service in the required manner; all according to the City Council resolution of November 8, 1961, J.C.C. page 2292; July 20, 1971, J.C.C. page 1686; August 5, 1981, J.C.C. page 1957; and July 30, 2003, J.C.C. page 2470; or as directed by the Emergency Manager, and be it further
- 14. RESOLVED, That the Finance Director is hereby authorized to honor payrolls for allied class titles substituted for existing titles according to City Council resolutions of April 28, 1942, and January 9, 1945; and be it further
- 15. RESOLVED, That overtime credit shall be granted to employees working under the Extra Service title of Election Service Worker for all hours worked under the Extra Service title beyond eight (8) hours in one day; and be it further
- 16. RESOLVED, That reimbursement of private car mileage for non-union employees is authorized in accordance with the City Council resolution of October 2, 1974, J.C.C. page 2142; January 6, 1984, J.C.C. page 45; August 4, 1999, J.C.C. page 2375; July 30, 2003, J.C.C. page 2740; September 13, 2006, J.C.C. page 2341; and September 18, 2012, J.C.C. page 0000; and be it further
- 17. RESOLVED, That the Labor Relations Director is hereby authorized and directed to amend the Official Compensation Schedule to incorporate changes covering title eliminations, specialties, and substitutions and code number changes through Human Resources Department action when cash changes do not necessitate additional appropriations or base rate changes: and be it further
- 18. RESOLVED, That uniformed Police personnel and uniformed Fire personnel continue to be provided with uniforms and/or allowances and such accessories as provided by the applicable collective bargaining agreements or City Employment Terms, approved by the departments and the Budget Director within appropriations provided therefore; and be it further
- 19. RESOLVED, That regular City employees with at least 90 days of service working in continuing assignments recommended for consideration by department heads may be reimbursed not to exceed the sum of either \$170 for a clothing allowance or \$350 for a uniform allowance in any fiscal year in accordance with the J.C.C. of June 21, 1966, page 1908; the J.C.C. of October 2, 1974, page 2142; the J.C.C. of July 30, 2003, page 2470; September 18, 2012, J.C.C. page

- 0000 for expenses arising out of the purchase of necessary protective clothing and accessories as provided by the applicable collective bargaining agreements of City Employment Terms, as recommended by the departments and approved by the Labor Relations Director, provided finally that the above provisions and limitations shall not be applied to duplicate allowances or change existing policy or authorized practices with respect to other assignments or employees; and be it further
- 20. RESOLVED, That the Finance Director is hereby authorized to provide supplemental pay for the fiscal year as requested by departments for authorized encampments for City employees in the armed forces in accordance with the City Council resolutions of February 13, 1963, J.C.C. page 344, November 1, 1966, J.C.C. page 3010; and February 13, 1980, J.C.C. page 407; with the provision that the City shall not offset military pay and allowances for days the employee is not regularly assigned to work; and be it further
- 21. RESOLVED, That in the event of a hardship occasioned by an unexpected or untimely separation from service, the Finance Director upon recommendation of the Budget Director and the Labor Relations Director, is hereby authorized to honor lump sum payments from available funds for vacation leave, compensatory time credit, and excused time credit, to which an employee is otherwise legally entitled; and be it further
- 22. RESOLVED, That the Finance Director is hereby authorized to honor payrolls for the induction of employees in classifications designated with Step Code "D", Step Code "K" and Step Code "R" at advanced step levels within the pay range according to a formula to be established by the Human Resources Director and approved by the Labor Relations Director; and be it further
- 23. RESOLVED, That upon request of the department and the recommendation of the Labor Relations Director and Budget Director, that the Finance Director be authorized to permit the payment of salaried employees on an hourly basis and hourly employees paid on a salaried basis and to withdraw such permission as requested by the department; and be it further
- 24. RESOLVED, That the Finance Director is hereby authorized to honor payrolls for employees affected by the change over from standard time to daylight savings time in accordance with the resolutions of April 24, 1973, J.C.C. page 1073, provided that no overtime shall be paid to any employee affected until they shall actually have worked forty (40) hours per week; and be it further
- 25. RESOLVED, That the Finance Director is hereby authorized to pay employees their regular paycheck on the

previous Thursday when a holiday is generally observed on Friday and on the proceeding Wednesday when both Thursday and Friday of the same work week are holidays and otherwise in accordance with standard payroll procedures; and be it further

- 26. RESOLVED, That the Finance Director, upon recommendation of the Labor Relations Director is hereby authorized to continue reimbursement of employees for articles damaged in the course of employment according to the City Council resolutions of December 19,1961, J.C.C. page 2657 and November 21, 1972, J.C.C. pages 2829 and 2855 as implemented by rules established by the Finance Director; and be it further
- 27. RESOLVED, That contractors hired under titles with pay ranges may receive pay increments within the range in accordance with their contracts with approval of the Finance Director, provided funds are available; and be it further
- 28. RESOLVED, That the various departments are hereby authorized to hire and pay Special Service employees at any rate within the range based upon formula established by the Human Resources Director, and otherwise according to the resolution of August 20, 1963, J.C.C. page 2190, with the provision that step increments for these employees may be granted by the department head with the approval of the Human Resources Director and Budget Director in accordance with rules established for general City employees; and be it further
- 29. RESOLVED, That Special Service employees upon approval of the Labor Relations Director and the Finance Director, be granted fringe benefits in accordance with the Charter, Ordinances, and the City Council resolution of August 23, 1966, J.C.C. page 2433, provided that City Council reserves the right to adjust wages and fringes for Special Service employee during 2014-2015, and provided further that employees temporarily transferred to Special Service positions from the Regular Service shall continue to receive their regular service fringes; and be it further
- 30. RESOLVED, That upon interdepartmental transfer of employees, departments may make lump sum payments with supporting documentation within appropriations for unliquidated vacation time in excess of twenty days (20), provided that the time cannot be properly liquidated, prior to the following month of August but not later than September 30th. Approval may be granted by the Budget Director and Labor Relations Director, and be it further
- 31. RESOLVED, that unless specifically covered by labor contract, when an employee is called to work an unsched-

- uled shift or overtime, he shall receive the overtime for the hours worked or a minimum of four (4) hours on a straight time basis, whichever is greater, and otherwise according to the resolution of the City Council of May 29, 1962, J.C.C. page 1186; and be it further
- 32. RESOLVED, That City departments are hereby authorized to provide for mailing of paychecks to employees not assigned to work on paydays; provided employees affected direct a written request to their department head or representative by noon two days prior to payday; and be it further
- 33. RESOLVED, That the Finance Director is hereby authorized to pay \$10,000 to the beneficiaries or estate of employees who are killed or who die as a result of injuries sustained in the actual performance of their duties or who are permanently disabled in the line of duty and otherwise in accordance with the City Council Resolutions of August 3, 1977, J.C.C. page 1638; and be it further
- 34. RESOLVED, That the Finance Director is hereby authorized and directed to continue funding for an Eye Care Program for non-union employees in accordance with the City Council Resolution of November 27, 1970, J.C.C. page 2981; and be it further
- 35. RESOLVED, That apprentice will receive their designated pay increments every six (6) months upon recommendation of the department and approval of the Human Resources Department Training Division provided that they have been satisfactorily participating in related instruction and on-the-job training, in accordance with the standards established for that trade, during the six (6) month period immediately preceding the date of the increment, said increments will be paid effective on the date of the completion of the training period; and be it further
- 36. RESOLVED, That vacation time no matter how earned, shall not be allowed to accumulate in amounts exceeding twenty (20) days on any October 1 date, exclusive of any vacation time earned between July 1 and the following September 30, and otherwise in accordance with the City Council Resolution of May 27, 1969, J.C.C. page 1258 as amended; and be it further

THE DETROIT CITY COUNCIL 2014-2015 FINANCIAL AND BUDGETARY PRIORITIES, PUBLIC POLICY, PLANNING AND ACTION RESOLUTION

By COUNCIL MEMBER CUSHINGBERRY, JR.:

WHEREAS, The Detroit City Council has held hearings and deliberations on the Triennial Executive Budget for FY 2015 through FY 2017 as prepared by Emergency Manager Kevyn Orr (EM) and submitted by the Honorable Mayor Mike Duggan; and

WHEREAS, As the City of Detroit (City) prepares to emerge from the largest municipal bankruptcy in our nation's history, the alignment of expenditures and revenues must be balanced with improvements in service delivery to residents; and

WHEREAS, In light of the current financial climate, with ever-shrinking major revenue sources at both the state and local levels, circumstances have created an urgent need for fiscal restraint even if the City were not in bankruptcy court; and

WHEREAS, On March 28, 2013, Kevyn Orr was appointed by the Local Financial Assistance Loan Board as the EM for the City under Public Act 436 of 2012 to restore the City's financial stability by implementing structural changes within the City's financial balance sheet and within its operations and programs so as to dramatically reduce the City's long-term structural deficit and the cost of government going forward; and

WHEREAS, Consistent with Sec. 8-213 of the 2012 City Charter and the Financial Stability Agreement, the City's Chief Financial Officer, Budget Director, Auditor General, City Council's Legislative Policy Division, and the Board Chair of the Financial Advisory Board, along with other top officials held a revenue estimating conference which determined reasonable agreed upon revenue projections for the major General Fund revenues for the upcoming fiscal year of \$958.5 million; and

WHEREAS, In formulating his spending plan for the next fiscal year, the EM has indicated his revenue expectations and budgetary priorities in the Executive Budget which reflect an aggregate \$85.6 million dollars in general fund budget reductions, when compared to the official City budget of 2013-2014. Although precise numbers are not currently available, the EM, per the Plan of Adjustment, estimates that the City's accumulated deficit is roughly \$214.8 million dollars as of June 30, 2013; and

WHEREAS, As part of the City's bankruptcy case, the EM has presented a Plan of Adjustment (POA) to the U.S. Bankruptcy Court which outlines a number of proposed restructuring initiatives within each City department to increase operational efficiency and improve service delivery to residents; and

WHEREAS, In order to fund these initiatives, the bankruptcy court has approved a Quality of Life loan in the amount of \$120 million. The improvements funded by the loan proceeds are not included in the budget that was presented to City Council. In order to understand the complete financial situation of the City, the budget must be analyzed in conjunction with the POA; and

WHEREAS, Given that the Quality of Life loan funds contemplated throughout the POA were received during the 2013-14 fiscal year, it is anticipated that a number of budget amendments shall be forthcoming. It will be necessary to monitor the implementation of these programmatic changes to ensure their compliance with both the POA and the City's budget; and

WHERĒAS, On this day, June 5, 2014, the Detroit City Council adopts a program budget that is based on sound and conservative budgetary principles for municipalities as well as stated goals and projections for City departments, divisions and agencies, and in consideration of the ongoing bankruptcy case; and

WHEREAS, In light of these factors the Detroit City Council, in adopting this budget, has incorporated the fiscal and public policy priorities outlined below in an effort to provide effective government operations and service delivery to the residents, citizens, institutions and businesses of this City; and

WHEREAS, Increasingly, the City of Detroit is becoming more diverse and continues to welcome immigrants. Yet, many of the methods that City has used to disseminate important governmental information are limited to the English language only. In order to better serve our citizenry, the City should prioritize the dissemination of information in multiple languages as well as the hiring of multi-lingual staff throughout city government. The City Council requires that funds be allocated to secure necessary translation services or technological advances for non-English speaking residents; and

WHEREAS, Over the last number of years, there has been ongoing discussion regarding the possibility of the civilianization of some jobs within the Detroit Police Department. This year, an incremental step has been taken by transferring the sworn officers from the chief investigator positions that serve the Police Commission in order to put more officers on active patrol duties. In order to obtain personnel that has the knowledge and experience with the proper protocol, the City Council suggests that retired police officers be considered to backfill the chief investigator positions; and

WHEREAS, Not unlike many other departments, the Law Department has suffered cuts in its staffing levels as well as outsourcing of work over the last several years. The

Duggan Administration has reversed this trend and is building staffing levels and returning the outsourced work to be handled in-house. Corporation Counsel has requested a total of 103 positions, 62 of which are attorneys, to be funded for the upcoming fiscal year. Currently the budget proposes a total of 86 positions, inclusive of 52 attorneys, which would impede the department's ability to meet its goals; and

WHEREAS, Blight Remediation is one of the City's highest reinvestment priorities in the POA with a total investment of \$440.3 million over 6 years to remediate residential blight within the City. The POA identified \$113.6 million from various sources including Hardest Hit Funds, fire insurance escrow funds, and Quality of Life Loan dollars to be spent during FY 2014-15 on blight removal. These efforts are an inter-departmental collaboration which will be coordinated by the Detroit Building Authority. This focus on the eradication of blight will improve the safety of residents and visitors as well as the visual appearance of neighborhoods and corresponding morale boost. It will also give communities a blight-free foundation to maintain and continue to improve the aesthetics of their neighborhoods: and

WHEREAS, Another major initiative in the POA is the commitment of resources for training of staff across almost every department. The training will be customized to the needs of the department such as technical, ethical or service oriented instruction. This will enable the City to increase operational effectiveness and improve service delivery City-wide; and

WHEREAS, Over the last two years, the Department of Detroit Health & Wellness Promotion has undergone dramatic restructuring. Currently, many of the services are being provided by the Institution of Population Health. Over the next several months, the contracts for the provision of these health services will be reopened for competitive bidding: and

WHEREAS, The City's Information Technology Services (ITS) is in need of major reinvestment and upgrades. The POA, under Finance Dept., calls for \$94.8 million for incremental IT costs primarily related to the implementation of a new enterprise resource planning system, hardware and software upgrades, data center backup services, document management systems, and other infrastructure improvements that will immediately have a positive impact on City operations; and

WHEREAS, The Mayor's Office has undergone organizational changes and now includes three new activities: Neighborhoods Initiative, Jobs & Economy Team, and Lean Processing. However, there has not been the necessary corresponding request for an amendment to the Executive Organization Plan to accommodate these modifications. While City Council looks forward to considering the new EOP that shall be forthcoming in the near future, it is imperative that the Administration comply with Section 7-102 of the 2012 Detroit City Charter that requires that such changes be requested and approved prior to implementation; and

WHEREAS, There have been discussions over the last several months regarding the movement of City Council's employees that provide support services to the City Planning Commission and the Historic Designation Advisory Board to the Planning & Development Department. City Council is vehemently opposed to moving CPC/HDAB staff to the Administration, as such, a move would have crippling consequences to City Council's ability to make knowing decisions on a host of issues ranging from zoning ordinance modifications, evaluation of city property sales to proper assessment of various approvals for economic development issues that arise almost daily. City Council has received assurances from the EM that the positions and funding for these will be maintained within City Council's budget; and

WHEREAS, The vehicle towing program utilized by the City has been transferred from Detroit Police Department to the Municipal Parking Department. The ordinance provisions that codify this process need to be reconciled to reflect the changes and should be amended forthwith. Additionally, these changes require amendment of the Executive Organization Plan; and

WHEREAS, Public safety and community policing are high priorities of City Council and the Duggan Administration. Our officers need the eyes and ears of the community to support police efforts throughout the City of Detroit. Historically, the Citizens Radio Patrols have formalized this role in the community but were not included in the proposed triennial budget. To accomplish this objective, City Council has elected to remove an aggregate sum of \$270,000 from the major appropriations within DPD and place those funds in a newly created appropriation within the City Council's Administrative Office to pay for these services. City Council further recommends that this activity be continued through the Police Department or other appropriate agency managed by the Mayor's

WHEREAS, Under the Duggan Administration, a new Group Executive of Human Rights and Ethics has been created. The title of this position has led to confusion regarding the interface between the Board of Ethics and the Human Rights Department. Pursuant to the City Charter, Section 2-106.8, the Board is an independent agency that

falls outside of both the Executive and Legislative branches of City government. As such, it would be inappropriate for the Board to be staffed or housed within either branch of government; and

WHEREAS, In accordance with Section 2-106.13 Funding, the Board of Ethics should be equipped with a budget that allows for them to fill the Executive Director and an Administrative Assistant position that have been vacant for the majority of the current fiscal year. The budget as proposed does allow for the hiring of an Executive Director as a full-time equivalent and includes enough funding in its appropriations to hire an Administrative Assistant on a contractual basis; and

WHEREAS, One of the major initiatives under the POA is to provide various training opportunities throughout city government. City Council urges that the members of the Board of Ethics and the staff supporting the board be provided training opportunities also: and

WHEREAS, The POA calls for a \$40.3 million investment in the Recreation Department over the next ten years to complete major renovations and improvements to all recreation centers and facilities including Chene Park, Hart Plaza and Fort Wayne. The funds will also provide opportunities for staff to attend training. The Department, which currently has partnerships with agencies including Healthy Kids, Detroit Area on Aging, Tigers Foundation, Kronk Gym Foundation and Clark Park, is also seeking to increase its partnerships to enable it to further expand recreational opportunities for residents, especially seniors and youth; and

WHEREAS, The Fire Department indicated during its budget hearing with Council that it intended to increase cost recovery efforts to maximize revenues. Fire Department leadership also expressed an interest in pursuing the operation of the fireboat with ice breaking capability year round. City Council also supports this effort as well as the department's pursuit of a FEMA grant to facilitate the customization of the fireboat to allow for year-round operation. City Council also encourages the Fire Department leadership to draft and adopt a formal recruiting plan designed to increase participation of women and minorities; and

WHEREAS, Increasing the number of employed Detroit residents continues to be one of the central goals of City Council. To complement the expansion of employment services and training opportunities offered by the City, the Administration is strongly urged to expand employment application opportunities on the City's website and for those without internet access, at a kiosk within CAYMC; and

WHEREAS, City Council is providing necessary fiscal checks and balances to maintain a balanced budget and addressing the City's accumulated and structural deficits through this deliberative process. City Council strongly believes that the implementation of its 2014-15 budget, coupled with the Plan of Adjustment, the City's current financial dilemma will be appropriately addressed providing a brighter course toward future financial stability; NOW THEREFORE BE IT

RESOLVED, On this day, June 5, 2014, the Detroit City Council adopts a program budget for FY 2014-15 as developed by the Emergency Manager and transmitted by the Mayor that is fiscally responsible and centered on sound and conservative budgetary principles for municipalities, well-reasoned financial outlooks and past performance, as well as stated goals and projections for departments, divisions and agencies, and in consideration of the City's profound fiscal challenges; BE IT FURTHER

RESOLVED, THAT THE 2014-15 BUDGET OF THE CITY OF DETROIT INCLUDE THE FOLLOWING LEGISLATIVE BUDGET PRIORITIES, POLICY AND PLANNING ACTIONS:

- 1. That the Detroit City Councili adopts Schedule A, the 2014-2015 Community Development Block Grant/Neighborhood Opportunity Funds allocations; and
- 2. That the Detroit City Council adopts Schedule B, City Council changes to the 2014-15 Budget. BE IT FURTHER

RESŎLVED, That the City Council urges the Mayor to submit budget amendments to Council as legally required by the Detroit City Charter and state law, that reflect any required budgetary changes including but not limited to: 1) expected revenues are lower than anticipated, 2) costs increase significantly beyond budgeted amounts 3) revenues are higher than expected or 4) costs decrease significantly below those reflected in the adopted 2014-15 Budget; BE IT FINALLY

RESOLVED, That the City Clerk is directed to provide a copy of this resolution to the Governor and Treasurer of the State of Michigan, Mr. Kevyn Orr, Emergency Manager for the City of Detroit, Mayor of the City of Detroit, the Finance Director, the Budget Director, Wayne County Executive Robert Ficano and all agencies, departments and divisions of the City of Detroit.

Adopted as follows:

Yeas — Council Members Benson, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

And the Council then adjourned.

RESOLUTION

By ALL COUNCIL MEMBERS:

THE FOLLOWING ITEM(S) ARE TO BE REFERRED TO THE BUDGET, FINANCE AND AUDIT STANDING COMMITTEF:

DETROIT PUBLIC LIBRARY

1. Submitting reso. autho. to amend the FY 2013-14 Budget for the Detroit Public Library. (The Detroit Public Library is requesting authorization to amend its Fiscal Year 2013-14 Adopted Budget to increase projected revenues and offsetting appropriations by \$1,110,195.00; Increase Revenue Appropriation No. 10454, DPL — Administrative Mgmt., \$1,110,195.00; Increase Expenditure Appropriation No. 10454, DPL — Administrative Mgmt., \$1,110,195.00.)

HEALTH AND WELLNESS PROMOTION DEPARTMENT

2. Submitting reso. autho. to amend the 2013/2014 budget by adding a new

appropriation #13476 in the amount of \$75,000.00 for the Hardest Hit Fun (HHF) Demolition Program. (This program will be used in support of assessing the health impact of communities in Detroit targeted for demolition and blight removal as a part of the HHF Demolition Program.)

Adopted as follows:

Yeas — Council Members Benson, Cushingberry, Jr., Leland, Sheffield, Tate, and President Jones — 6.

Nays — None.

RESOLUTION

By ALL COUNCIL MEMBERS:

THE FOLLOWING ITEM(S) ARE TO BE REFERRED TO THE NEIGHBOR-HOOD AND COMMUNITY SERVICES STANDING COMMITTEE:

POLICE DEPARTMENT

 Submitting report relative to petition of Detroit 300 Conservancy (#237), request to hold "Summer in the Park 2014" located at Campus Martius/Cadillac Sq., Paradise Valley, Grand Circus and Capitol Park from June through September 2014 with various times each day and with temporary street closures on Cadillac Square, Woodward Ave. and Bates on various days. (The Police Department RECOMMENDS APPROVAL of this petition. Awaiting reports from Mayor's Office, DPW — City Engineering Division, Business License Center, Fire, Transportation, Buildings Engineering & Environmental Municipal Parking Departments.)

RESOLUTION

By ALL COUNCIL MEMBERS:

THE FOLLOWING ITEM(S) ARE TO BE REFERRED TO THE PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE:

CITY PLANNING COMMISSION

1. Submitting reso. in Support of making corrections of scrivener's errors in ordinance 18-11 which rezoned certain property of the Michigan Humane Society in Map 8, in the area bounded by

Chrysler, Marston (extended), Cameron, and Melbourne (extended) (Recommend Approval) (In order to address the discrepancies in the ordinance and to facilitate construction of the new facility, the Law Department has proposed the adoption of a replacement ordinance correcting the scrivener's errors.)

- 2. Submitting reso. autho. Correction of Scrivener's Error on Zoning Map No. 61. (It has come to the attention of the City Planning Commission (CPC) staff that zoning Map #61, contained in Chapter 61 of the Detroit City Code, "Zoning," Article XVII, and published with Ordinance No. 15-97 contains a scrivener's error, incorrectly identifying the area bounded by West Seven Mile Road, Monte Vista Street, Meyers Road, and the east-west alley first north of West Seven Mile Road as being zoned PD (Planned Development District) where that property is properly zoned B2 (Local Commercial District). The text of the ordinance is correct, but the map was incorrectly drawn.) **DETROIT LAND BANK AUTHORITY**
- Submitting reso. autho. Detroit City Council to support the use of the City's right to purchase tax foreclosed property from the Wayne County Treasurer prior to the auction and have the properties so purchased transferred directly to the Detroit Land Bank so long as the Detroit Land Bank assumes financial responsibility for the property's acquisition cost as well as any liability for the property's demolition, maintenance, or resale. (This memorandum is prepared in response for your request for background information and context for the attached council resolution supporting the use of the City's right to purchase tax foreclosed property from Wayne County Treasurer.)

LAW DEPARTMENT

9. Submitting report and Proposed ordinance to Amend Chapter 41 of the 1984 Detroit City Code. Peddlers. Solicitors and Vendors, by adding Article VII, Ice Cream Trucks, Division 1. Generally, consisting of Sections 41-7-1 through 41-7-20, and Division 2. License, consisting of Sections 41-7-21 through 41-7-50, to regulate the operation and license of Ice Cream Truck Vendors in the City. This proposed ordinance replaces the recently repealed provisions regarding regulation of Ice Cream Truck Vendors found in Chapter 55, TRAFFIC AND MOTOR VEHICLES, Article XI, Ice Cream Trucks, and provides additional licensing provisions consistent with general licensing requirements found in the 1984 Detroit City Code. (For introduction and the setting of a public hearing?)

LEGISLATIVE POLICY DIVISION

10. Submitting reso. to Support National League of Cities Service Line Warranty Program. (In order to promote economic welfare of Detroit's citizens, the Detroit City Council has determined upon the recommendation of Detroit City Clerk Janice Winfrey, to support the National League of Cities (NLC) Service Line Warranty Program. The NLC Service Line Warranty Program could be offered as an affordable "insurance policy" option to Detroit's water and sewer customers against the unexpected costs of repair and maintenance of the water and sanitary sewer service from each service customer's building to the City's main. The program can save residents substantial costs if repairs are needed.)

OFFICE OF THE EMERGENCY MANAGER

11. Submitting report relative to the Operating License Agreement for the M-1 Rail Streetcar System by and among M-1 Rail and M-2 Rail and the City of Detroit. (The Operating License Agreement (OLA) provides the statutory authorization for the streetcar system to operate on the city's public right of way. In November, 2013, City Council previously approved an intergovernmental agreement between MDOT and the City; this agreement established each agency's responsibility relative to administering a previously approved \$25 million Tiger Grant.)

12. Submitting report relative to the Construction, Operations and Main-

tenance Agreement for the M-1 Rail Streetcar System by and among M-1 Rail, M-2 Rail and the City of Detroit. (The Construction, Operations, and Maintenance Agreement (COMA) details terms and conditions that have to be met during construction and operation of the streetcar system. PUBLIC COMMENT

TONYA PHILLIPS, spoke relative issues concerning line item no. 58, Sidewalk Festival of Performing Arts, LLC. Asking council and admin. to work with Sidewalk put on a positive event in the City of Detroit. Member Tate stated that Lahser Road is a County Road, not a city issue.

MARSHALL SYMONS, Owner of Motor City Petty Cab, requested information and clarification of what the law entails concerning petty cabs in the City of Detroit, and the safety issues related to this type of activity. (This matter was referred to the Public. Health and Safety Standing Committee).

MIKE CUNNINGHAM, spoke relative to DDOT bus service; hoping that something can be done to improve the bus system. President Jones stated that the Mayor has requested money from the Obama Administration to get more busses in the city.

SENAY DUPREE, spoke relative to poor bus service in the City of Detroit; wonders what Council is going to do about the time schedule because she has lost jobs as a result of late busses and she is tired of waiting for hours on busses.

WILLIAM M. DAVIS, Retiree, spoke in relation to concerns of the Water Department. (President Jones stated that the Plan of Adjustment has not been voted on by Council.)

RYAN MYERS-JOHNSON, President/ Founder, spoke relative to line item no. 58, Sidewalk Festival of Performing Arts — positive effects that the sidewalk festival will have.

MARK LANE, Director of Good Will Industries, expressed his support for line item no. 13, re: Operating License Agreement for the M-1 Rail Streetcar System, and urges Council to support

ALYCIA ROBERTS, spoke relative to issues with T&T Construction, who was assigned to her weatherization grant and other city contractors that were responsible for making repairs to her home. Ms. Roberts also alleges that she was left displaced from her home as a result of the city and its contractors. (This matter has been referred to the Public, Health & Safety Standing Committee).

TIJUANA MORRIS, spoke in relation to the Plan of Adjustment; having problems with getting her insurance straightened out.

CURTIS LEE, spoke relative to violations of the Peonage Law.

City Planning Commission

May 9, 2014

Honorable City Council:

Re: Special District Review — Addition of patio enclosure to the Fountain Bistro, located in Campus Martius and addressed as 800 Woodward Avenue (Recommend Approval).

The staff of the City Planning Commission (CPC) has received a request from Marygrove Awnings, on behalf of Fountain Bistro, to approve the addition of a patio enclosure with signage along the eastern portion of the restaurant. This enclosure was already erected, apparently on the verbal authorization of a former staff member of the Buildings Safety Engineering and Environmental Department.

The PCA (Public Center Adjacent/ Restricted Central Business District) zoning classification in which the building is located, calls for City Council approval of the location and design of proposed exterior alterations following the review and recommendation of the CPC and the Planning and Development Department (P&DD) (Sections 61-3-182 and 61-11-96 of the Zoning Ordinance).

PROPOSED MODIFICATIONS

Requested is a 49 foot by 13 foot patio enclosure. The awning portion mounted to the building is made of black vinyl and clear vinyl panels form windows. This encloses the existing patio. Also shown is

181 square feet of signage on that awning (which will require a separate sign permit). A steel frame supports the enclo-

REVIEW

In accordance with the Special District Review provision of Sec. 61-3-185 of the Detroit Zoning Ordinance and the PCA provisions of Section 61-11-97, reviews of proposed changes are to be addressed as follows:

- (3) The proposed development should be compatible with surrounding development in terms of land use, general appearance and function and should not adversely affect the value of adjacent properties. The patio enclosure appears to be compatible with the surrounding development.
- (11) Signage and graphics should be tastefully designed to be visually appealing and in character with surrounding development; they should provide needed information, direction and orientation in a clear and concise manner. The individual letters are preferable to the painted-on signage on the current awnings. The scale of the blade signs appears to appropriate. The sign band has the potential to either add liveliness to the corner or be overwhelming. Appropriate brightness, with of course dimming at night, is essential.

After review and discussion with P&DD staff, the proposed changes appear to meet the requirements of the Zoning Ordinance. However, it does appear that a separate sign permit should be applied for by the applicant.

RECOMMENDATION

CPC staff has completed its review of the proposed alterations, as has the Planning and Development Department staff. We find that the exterior changes would be in keeping with the spirit and intent of the PCA zoning district. Therefore, staff recommends approval of the location and design of the proposed changes. The review of the plans for structural, barrier-free-access, etc. will of course have to be completed by the Buildings Safety Engineering and Environmental Department. Please find attached the appropriate resolution to effectuate your approval.

Respectfully submitted, DAVID D. WHITAKER Interim Director Legislative Policy Division GREGORY F. MOOTS Staff

By Council Member Leland:

Whereas, Marygrove Awnings, on behalf of Fountain Bistro, (addressed as 800 Woodward Avenue), has requested to install a patio enclosure with signage along the eastern portion of the restaurant; and

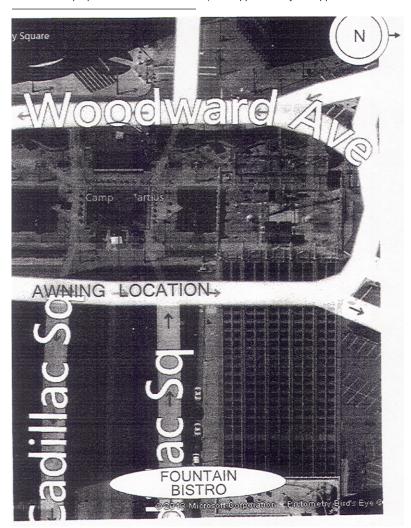

Whereas, The building is subject to the provisions of Sec. 61-3-185 (Special

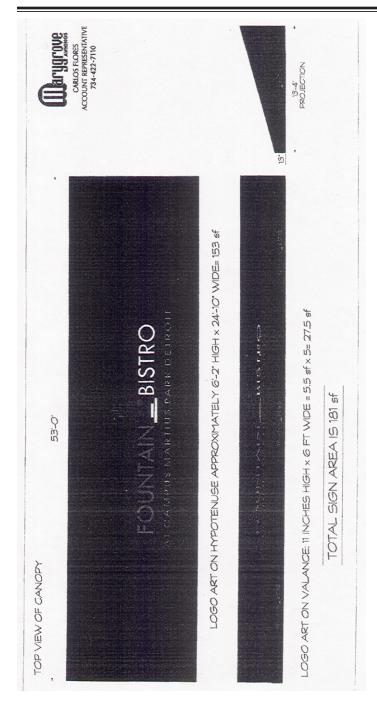

District Review) and Sec. 61-11-96, the PCA (Public Center Adjacent) zoning district classification of the Detroit Zoning Ordinance; and

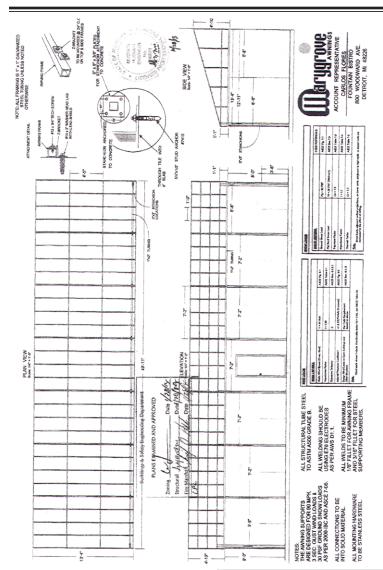

Whereas, The PCA zoning district classification requires that exterior changes within a PCA district be approved by resolution of the City Council following the receipt of a written report and recommendation from the City Planning Commission; and

Whereas, Both the Planning and Development Department and the staff of the City Planning Commission have reviewed the proposal in order to ensure that the proposed changes are in keeping with the spirit, purpose and intent of the PCA zoning district; and

Now, Therefore, Be It Resolved, That the Detroit City Council approves the location and design of the proposed patio enclosure for Fountain Bistro, located at 800 Woodward Avenue, described in the foregoing communication from the City Planning Commission staff, dated May 9, 2014, and depicted in the drawing prepared by Marygrove Awnings stamped by the engineer on October 28, 2013, with the condition that a separate sign permit be applied for by the applicant.

RESOLUTION APPROVING BROWNFIELD PLAN OF THE CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY FOR THE QUEEN LILLIAN II REDEVELOPMENT PROJECT

City of Detroit County of Wayne, Michigan By Council Member Leland: WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for the Queen Lillian II Redevelopment Project (the "Plan"); and

WHEREAS, The Authority submitted

the Plan to the Community Advisory Committee for consideration on March 26, 2014, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on April 7, 2014 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on March 31, 2014; and

WHEREAS, The Authority approved the Plan on April 9, 2014 and forwarded in to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, The City Council held a public hearing on the proposed Plan on June 5, 2014.

NOW, THEREFORE, BE IT RESOLVED,

1. <u>Definitions</u>. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

- 2. <u>Public Purpose</u>. The City Council hereby determines that the Plan constitutes a public purpose.
- 3. <u>Best Interest of the Public</u>. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.
- 4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:
- (a) The property designated in the Plan meets the definition of Eligible Property, as described in Act 381;
- (b) The Plan meets the requirements set forth in section 13 of Act 381.
- (c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.
- (d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.
- (e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.
 - 5. Approval and Adoption of Plan. The

Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

- 6. <u>Preparation of Base Year Assessment Roll for the Eligible Property.</u>
- (a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.
- (b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.
- 7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.
- 8. Establishment of Project Fund; Approval of Depositary. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depositary bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.
- 9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and

then to the Local Site Remediation Revolving Fund, as authorized by Act 381:

- 10. Return of Surplus Funds to Taxing <u>Jurisdictions</u>. The Authority shall return all surplus funds not deposited in the Local Site Remediation Revolving Fund proportionately to the Taxing Jurisdictions.
- 11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.
- 12. <u>Disclaimer</u>. By adoption of this resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.
- 13. <u>Repealer</u>. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.
- 14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on

, 2014, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

RESOLUTION APPROVING
BROWNFIELD PLAN OF THE CITY OF
DETROIT BROWNFIELD
REDEVELOPMENT AUTHORITY FOR
THE DU CHARME PLACE PROJECT

City of Detroit County of Wayne, Michigan By Council Member Leland:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been estab-

lished by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for the Du Charme Place Redevelopment Project (the "Plan"): and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on March 26, 2014, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on April 7, 2014, to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on March 31, 2014; and

WHEREAS, The Authority approved the Plan on April 9, 2014 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, City Council has published the required notice of the public hearing on the Plan; and

WHEREAS, The City Council held a public hearing on the proposed Plan on June 5, 2014.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. <u>Definitions</u>. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

- 2. <u>Public Purpose</u>. The City Council hereby determines that the Plan constitutes a public purpose.
- 3. <u>Best Interest of the Public</u>. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.
- 4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:
 - (a) The property designated in the

Plan meets the definition of Eligible Property, as described in Act 381, including consideration of the criteria of "blighted" as defined in Act 381;

- (b) Plan meets the requirements set forth in section 13 of Act 381.
- (c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.
- (d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.
- (e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.
- 5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

The City of Detroit Planning Commission has determined (see Attachment D of the Brownfield Plan), and with the approval of the Plan, the City Council concurs, that the Property qualifies as "blighted" under the definition in Act 381.

6. <u>Preparation of Base Year Assessment Roll for the Eligible Property.</u>

- (a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.
- (b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.
- 7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the

same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

- 8. Establishment of Project Fund; Approval of Depositary. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depositary bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.
- 9. <u>Use of Moneys in the Project Fund</u>. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Site Remediation Revolving Fund, as authorized by Act 381.
- 10. Return of Surplus Funds to Taxing <u>Jurisdictions</u>. The Authority shall return all surplus funds not deposited in the Local Site Remediation Revolving Fund proportionately to the Taxing Jurisdictions.
- 11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation District, at the site of 89 East Edsel Ford Street, Detroit, MI., in accordance with Public Act 146 of 2000 on behalf of Secure Realty, LLC.

On Thursday, June 5, 2014, a public hearing in connection with establishing an Obsolete Property Rehabilitation District was held before your Honorable Body.

Attached please find a resolution and legal description, which will establish an Obsolete Property Rehabilitation District at 89 East Edsel Ford Street, Detroit, MI., in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the proprietor of this property.

Inasmuch as no impediments to the establishment of the District were presented at the public hearing, we request that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted, BRIAN ELLISON Deputy Director

By Council Member Leland:

Whereas, Pursuant to Act No. 146 of the Public Acts of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit: and

Whereas, Secure Realty, LLC, has requested that this City Council establish an Obsolete Property Rehabilitation District at the site of 89 East Edsel Ford Street, Detroit, Michigan, the area being more particularly described in Exhibit A, attached hereto; and

Whereas, The aforesaid property is

obsolete property in an area characterized by obsolete commercial property; and

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying ad valorem taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on June 5, 2014, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in Exhibit A attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing;

Now Therefore Be It

Resolved, That Obsolete Property Rehabilitation District, more particularly described in Exhibit A attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

Honorable City Council:

Re: Request for Public Hearing to Establish a Commercial Rehabilitation District on behalf of 1201 Griswold, LLC, in accordance with Public Act 210 of 2005 (Petition No. 2993).

The Planning and Development Department has reviewed the request of 1201 Griswold, LLC, to establish a Commercial Rehabilitation District and find that it satisfies the criteria set forth by P.A. 210 of 2005 and that it would be consistent with development and economic goals of the Master Plan.

Public Act 210 of 2005 states, "The legislative body of a qualified local governmental unit may establish a commercial rehabilitation district on its own initiative or

upon a written request filed by an owner or owners of property...".

Prior to acting upon the resolution, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district, said notice to be made not less than 10 days prior to your Honorable Body's adoption of said resolution.

We request that a Public Hearing be scheduled on the issue of adopting a resolution to establish a new commercial rehabilitation district. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted, BRIAN ELLISON Deputy Director

By Council Member Leland:

Whereas, Pursuant to Public Act No. 210 of 2005 ("the Act"), this City Council may adopt a resolution which approves the request to establish a Commercial Rehabilitation District within the boundaries of the City of Detroit; and

Whereas, 1201 Griswold, LLC, has requested that a Commercial Rehabilitation District be established as particularly described in the legal description and illustrated in the map attached hereto; and

Whereas, Prior to such approval the City Council shall provide an opportunity for a Public Hearing, at which Public Hearing on such adoption of a resolution providing such tax exemption, at which Public Hearing representatives of any taxing authority levying ad valorem taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

Now, therefore be it

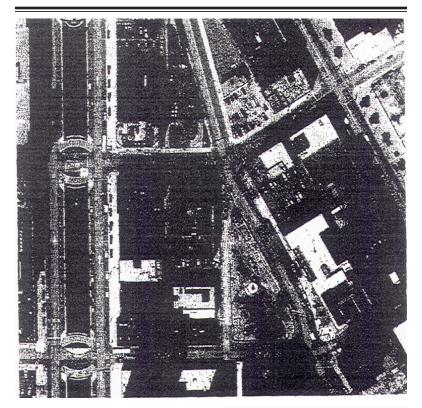

Resolved, That on THURSDAY, JUNE 26, 2014 at 10:10 A.M., in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application, and

Be it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an *ad valorem* tax within the City of Detroit, such notices to be provided no earlier than ten (10) days prior to the public hearing.

Honorable City Council:

Re: Address: 5893 Westwood. Name: The 5893 Westwood Land Trust. Date ordered removed: February 21, 2012 (J.C.C. pgs. 320-321).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on May 14, 2014 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

- 1. A permit for rehabilitation work shall be obtained within 30 days.
- 2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:
- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties
 - 3. The owner shall not occupy or allow

occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

- Certificate of Inspection, required for all residential rental properties
- The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).
- The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

June 3, 2014

Honorable City Council:

Re: Authorization to Amend the FY 2013-2014 Budget for the Detroit Public Library.

The Detroit Public Library (DPL) is requesting authorization to amend its Fiscal Year 2013-14 Adopted Budget to increase projected revenues and offsetting appropriations by \$1,110,195. On January 2, 2014, the Michigan Library association issued a publication stating Michigan's public libraries would receive renaissance zone tax reimbursements in fiscal year 2014. The Library will receive \$3,371,985.13. The current FY 2014 budget was submitted in December 2012 and the budget for renaissance zone is \$1,000,000. A budget amendment for \$2,371,985 is requested. In addition the Library will receive \$113,000 E-rate federal reimbursement for FY 2014.

The library will increase total expenses by \$1,110,195: Building maintenance \$152,194, temporary staff \$136,000, janitor services \$100,00, branch security services \$7,500, elevator repairs \$5,000, telecommunication expenses \$115,000, air conditioning repairs and maintenance \$110,651, legal fees \$100,000, miscellaneous expenses \$75,000, community programs \$71,000, snow removal expenses \$55,000, equipment repairs \$31,000, office supplies \$30,000 subscriptions \$25,000, equipment rental \$23,000, consultants \$15,150, janitorial supplies \$15,000, auto repairs and maintenance \$14,200, DTE \$10,000, computer services \$10,000, operating supplies \$7,500, and food \$2,000. The budgeted Prior Year Surplus of \$3,540,708 would be decreased by \$1,374,790. The DPL requests to increase its FY 2013-14 Department Appropriation 10454 from \$17,809,323 to \$18,919,518, an increase of \$1.110.195.

Increase Revenue Appropriation
No. 10454 DPL-Administrative

AN AMENDED RESOLUTION URGING THE STATE OF MICHIGAN TO INCREASE ITS MAINTENANCE EFFORTS ON PUBLIC ROADS UNDER ITS CONTROL

By ALL COUNCIL MEMBERS:

WHEREAS, During the Detroit City Council's FY 2014-15 budget hearings, the Office of the Ombudsman raised several quality of life issues about which the office consistently receives complaints. One of the primary complaints raised by residents throughout the City is the physical condition of the roads, more specifically, freeway service drives, medians and ramps; and

WHEREAS, As the City struggles to improve its service delivery systems and improve public safety, the State of Michigan must also meet its obligations to maintain public roadways under State control within the City of Detroit. These include, but are not limited to, maintenance of freeway service drives, medians and ramps as well as mowing, plowing and repairs of such roadways, overhead lighting repair and replacement as well as graffiti remediation on overpasses; and

WHEREAS, City Council recognizes the importance of this issue and that increased State maintenance of roadways under its control will improve public safety across the City for all motorists; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby strongly urges the State of Michigan to increase its maintenance efforts on public roads under its control within the City of Detroit. These increased maintenance efforts should include but

not be limited to, maintenance of freeway service drives, medians and ramps as well as mowing, plowing and repairs of such roadways, overhead lighting repair and replacement as well as graffiti remediation on overpasses; and BE IT FINAL-

RESOLVED, That a copy of this resolution be forwarded to Governor Snyder, the Director of the Michigan Department of Transportation, Mayor Duggan and the Office of the Ombudsman.

Adopted as follows:

Yeas — Council Members Benson, Cushingberry, Jr., Leland, Sheffield, Tate, and President Jones — 6.

Nays - None.

NEIGHBORHOOD AND COMMUNITY SERVICES STANDING COMMITTEE City Council Legislative Policy Division

May 23, 2014

Honorable City Council:

Re: Request for approval of resolution authorizing acceptance of federal grant for Belle Isle.

Attached hereto your Honorable Body will find a resolution authorizing the acceptance and assignment of a Certified Local Government (CLG) Historic Preservation Fund grant for the rehabilitation of a historic resource on Belle Isle. On November 26, 2013, City Council authorized Historic Designation Advisory Board (HDAB) staff to submit an application to the Michigan State Housing Development Authority (MSHDA), State Historic Preservation Office (SHPO) for a federal grant — Masonry and Window Rehabilitation of Belle Isle Aquarium.

HDAB has received notification from MSHDA/SHPO that the City of Detroit has been awarded a CLG Historic Preservation Fund grant for the funding year 2014. The total award amount for the Masonry and Window Rehabilitation of the Belle Isle Aquarium is \$64,665. The grant has been awarded as a continuation of the fiscal year 2013 CLG Historic Preservation Fund grant for the Belle Isle Aquarium, which is already in progress.

CLG Historic Preservation grants can be administered by a third-party to act as financial fiduciary. On May 7, 2013, City Council authorized HDAB, as the Certified Local Government agency for the City of Detroit, to designate the Belle Isle Conservancy as a third-party administrator to act as financial fiduciary for the 2013 federal grant for the Aquarium. As the 2014 federal grant is a continuation of the 2013 federal grant, the Belle Isle Conservancy's role as financial fiduciary will remain, and the grant project will continue to be jointly managed and administered by HDAB, Recreation Department, and Belle Isle Conservancy, as per the MOU attached.

If you require any additional information in this regard, please contact our office.

Respectfully submitted, DAVID D. WHITAKER Director, LPD By Council Member Sheffield:

Whereas, The staff of Historic Designation Advisory Board (HDAB) was authorized and directed by City Council on November 26, 2013, to submit an application for Certified Local Government (CLG) Historic Preservation Fund grant to Michigan State Housing Development Authority (MSHDA), the State Historic Preservation Office (SHPO) for consideration of funding; and

Whereas, The application for a Rehabilitation Project to repair the windows and masonry of the Belle Isle Aquarium has been prepared and submitted to MSHDA/SHPO; and

Whereas, HDAB has received notification from MSHDA/SHPO that it has been awarded a 2014 Historic Preservation Fund grant in the amount of \$64,665 for the Masonry and Window Rehabilitation of the Belle Isle Aquarium; and

Whereas, On May 7, 2013, City Council authorized HDAB, as the Certified Local Government agency for the City of Detroit, to designate the Belle Isle Conservancy as a third-party administrator to act as financial fiduciary for the 2013 federal grant for the Aquarium; and Whereas, The Belle Isle Conservancy has agreed to act as third-party administrative agent for the 2013 federal grant; and

Whereas, The 2014 award is a continuation of the 2013 federal grant for the Aquarium; and

Now, Therefore, Be It Resolved, That Belle Isle Conservancy continue in their role as third-party administrative agent to act as financial fiduciary and accept the Historic Preservation Fund grant on behalf of HDAB in the amount of \$64,665 for the Masonry and Window Rehabilitation of the Belle Isle Acquarium, the term of which shall be from the date of execution to September 30, 2014; and

Be It Further Resolved, That the rehabilitation project continue to be jointly managed and administered by staff from HDAB, Detroit Recreation Department, and Belle Isle Conservancy.

Adopted as follows:

Yeas — Council Members Benson, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 8.

Council Member Leland moved to take from the table an ordinance to amend the text of the SD1 (Special Development District — Residential/Commercial) and SD2 (Special Development District, Commercial/Residential) zoning districts culminating in the proposed amendments

to the Zoning Ordinance. Also proposed is an amendment to Chapter 3 of the City Code with the deletion of Section 3-4-1, which would remove the prohibition of projecting signs over Woodward Avenue, etc., laid on the table May 19, 2014.

The Ordinance was then placed on the order of third reading.

THIRD READING OF ORDINANCE.

The title to the Ordinance was read a third time.

The ordinance was then read.

The question being "Shall this Ordinance Now Pass?"

The Ordinance was passed, a majority of the Council Members present voting therefore as follows:

Honorable City Council:

Re: Correcting scrivener's errors in ordinance 18-11 (Recommend Ap-

proval).

On Thursday, June 5, 2014, the Law Department requested the addition of a new business item to the agenda of the City Planning Commission meeting of the same day. The request was made in order to present the Commission with and make provision for the correction of scrivener's errors found in ordinance 18-11. This ordinance rezoned property generally bounded by the southern line of Melbourne Avenue (extended) on the north, the I-75/ Walter P. Chrysler Service Drive on the east, the southern line of Marston Avenue (extended) on the south, and Cameron Avenue on the west from a R5 (Medium Density Residential District) to a B4 (General Business District) zoning classification for the construction of a new Michigan Humane Society (MHS) facility.

When the MHS attempted to move forward with construction of the new facility, discrepancies in the ordinance were revealed. In review of the matter Law discovered three errors: the inadvertent omission of lot number 79, an incorrect address along Cameron, and an incorrect tax parcel number (the latter two items were changed subsequent to Council adoption of the ordinance and were unanticipated occurrences).

In order to address the discrepancies in the ordinance and to facilitate construction of the new facility, Law has proposed the adoption of a replacement ordinance correcting the scrivener's errors.

rice adoption of a replacement ordinance correcting the scrivener's errors. Following Law's presentation to the Commission, the Commission adopted

the attached resolution supporting the correction and recommending your Honorable Body take the appropriate action. Also, attached for your consideration is a copy of the proposed ordinance as prepared by Law which would correct the errors.

By Council Member Leland:

AN ORDINANCE to amend Ordinance 18-11 (which amended Chapter 61 of the 1984 Detroit City Code, 'Zoning,' commonly known as the Detroit Zoning Ordinance, by amending Article XVII, District Map No. 8, to show a B4 (General Business District) zoning classification where an R5 (Medium Density Residential District) zoning classification is currently shown on the property generally bounded by the southern line of Melbourne Avenue (extended) on the north, the I-75/Walter P. Chrysler Service Drive on the east, the southern line of Marston Avenue (extended) on the south, and Cameron Avenue on the west) to correct three scrivener's errors: (1) to include Lot 79, which was included on the rezoning map but inadvertently omitted from the text; (2) to correct the address from 7886 Cameron to 7990 Cameron, and (3) to correct the tax parcel number from 05004227.001 to 05004227.002L.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Article XVII, Chapter 61, of the 1984 Detroit City Code, the Detroit Zoning Ordinance as amended, is amended by amending Section 1 of Ordinance 18-11 as follows:

District Map No. 8 is amended to show a B4 (General Business District) zoning classification where an R5 (Medium Density Residential District) zoning classification is currently shown on the property generally bounded by the southern line of Melbourne Avenue (extended) on the north, the I-75/Walter P. Chrysler Service Drive on the east, the southern line of Marston Avenue (extended) on the south, and Cameron Avenue on the west, and more specifically described as:

Land in the City of Detroit, Wayne County, Michigan, being Lots 7 through 28, Lots 59 through 7879, and the northerly 12 feet of Lot 58, and the vacated alley adjoining said lots, of "Curry's Subdivision of Lots 13 and 14 of the Subdivision of Quarter Section 58, 10,000 Acre Tract, Township of Hamtramck,

Wayne County, Michigan", as recorded in Liber 9, Page 57 of Plats, Wayne County Records. Tax parcel identification number 05004227.001, commonly known as 7886 7990. Cameron Avenue.

Section 2. All ordinances or parts of ordinances in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 4. This ordinance shall become effective on the eighth (8th) day after publication in accordance with MCL 125.3401(6) and Section 4-118, paragraph 3, of the 2012 Detroit City Charter.

Approved as to Form Only:

Honorable City Council:

Re: Correction of Scrivener's Error on Zoning Map No. 61 (Recommend Approval).

It has come to the attention of City Planning Commission (CPC) staff that zoning map number 61, contained in Chapter 61 of the Detroit City Code, "Zoning," Article XVII, and published with Ordinance No. 15-97 contains a scrivener's error, incorrectly identifying the area bounded by West Seven Mile Road, Monte Vista Street, Meyers Road, and the east-west alley first north of West Seven Mile Road as being zoned PD (Planned Development District) where that property is properly zoned B2 (Local Commercial District). The text of the ordinance is correct but the map was incorrectly drawn.

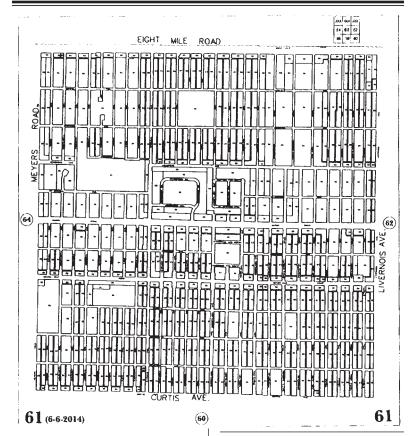

Attached is a resolution to correct that error, as well as a corrected map. Please contact Mr. Gregory Moots of my staff at 224-2110 with any questions.

Respectfully submitted, MARCELL R. TODD, JR. Senior City Planner, LPD

By Council Member Leland:

Whereas, Zoning map number 71, contained in Chapter 61, Article XVII, Chapter 61 of the 1984 Detroit City Code and published with Ordinance No. 15-97 contains a scrivener's error, incorrectly identifying the area bounded by West Seven Mile Road, Monte Vista Street, Meyers Road, and the east-west alley first north of West Seven Mile Road as being zoned PD (Planned Development District) where that property is properly zoned B2 (Local Commercial District);

Now Be It Resolved, That the City Planning Commission is hereby directed to correct the above scrivener's error, and Be it Further Resolved, That the City Clerk is hereby directed to publish the corrected map.

EXHIBIT E RESOLUTION APPROVING BROWNFIELD PLAN OF THE CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY FOR THE COMPREHENSIVE LOGISTICS REDEVELOPMENT PROJECT City of Detroit

County of Wayne, Michigan By Council Member Leland:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for the Comprehensive Logistics Redevelopment Project (the "Plan"); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on April 9, 2014, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on April 16, 2014 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on April 9, 2014; and WHEREAS, The Authority approved

WHEREAS, The Authority approved the Plan on April 23, 2014 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, The City Council held a public hearing on the proposed Plan on June 12, 2014.

NOW, THEREFORE, BE IT RE-SOLVED, THAT: 1. <u>Definitions</u>. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

- 2. <u>Public Purpose</u>. The City Council hereby determines that the Plan constitutes a public purpose.
- 3. <u>Best Interest of the Public</u>. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.
- 4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:
- (a) The property designated in the Plan meets the definition of Eligible Property, as described in Act 381;
- (b) The Plan meets the requirements set forth in section 13 of Act 381.
- (c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.
- (d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.
- (é) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.
- 5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.
- 6. <u>Preparation of Base Year Assessment Roll for the Eligible Property.</u>
- (a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

- (b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.
- 7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.
- 8. Establishment of Project Fund; Approval of Depositary. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depositary bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.
- 9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Site Remediation Revolving Fund, as authorized by Act 381:
- Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Site Remediation Revolving Fund proportionately to the Taxing Jurisdictions.
- 11. <u>Payment of Tax Increment Revenues to Authority</u>. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.
- 12. <u>Disclaimer</u>. By adoption of this resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the

Eligible Property for any loss or damage that may result to such persons from the adoption of this resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the

13. <u>Repealer</u>. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Planning & Development Department June 12, 2014

Honorable City Council:

Re: Approval of Industrial Facilities Exemption Certificate under Public Act 198 of 1974, on behalf of the Comprehensive Logistics Co., Petition #143).

Attached for your consideration please find a resolution, which will give local approval of the application for an Industrial Facilities Exemption Certificate (IFEC) from the Comprehensive Logistics Co., Inc., located at 9400 McGraw Street, Detroit, MI, in accordance with Public Act 198 of 1974.

The discussion required by the Act was conducted by your Honorable Body on

June 12, 2014. Inasmuch as no impediments to the approval of the IFEC were presented at the discussion, we request that you approve the resolution at your next regular or adjourned formal session.

Respectfully submitted,

BRIAN ELLISON Deputy Director

By Council Member Leland:

Whereas, This City Council has established by Resolution City of Detroit Industrial Development District in the vicinity of 9400 McGraw, Detroit, Michigan pursuant to Act 198 of the Public Acts of 1974, as amended ("Act 198"); and

Whereas, Comprehensive Logistics Co., Inc., has filed an application for an Industrial Facilities Exemption Certificate in said City of Detroit in the manner and form prescribed by the State Tax Commission; and

Whereas, The Applicant leases the herein sited facility within said District with the stated responsibility and obligation of payment of personal equipment tax and the apportioned real property tax; and

Whereas, On Thursday, the 12th day, of June, 2014, 10:40 a.m., in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, a discussion was held on said application for an Industrial Facilities Exemption Certificate, at which the Applicant, the Assessor, and a representative of the affected taxing units had an opportunity to be heard, and

Whereas, Notice was given, by mail, to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Community College, the Wayne County Intermediate School District, and the Applicant, informing them of the receipt of the Application for an Industrial Facilities Exemption Certificate, the date and location of said discusson, and the opportunity to be heard; and

Whereas, The City and the Applicant have entered into an Industrial Facilities Exemption Certificate Agreement as required by Act 198;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of the Industrial Facilities Exemption Certificate, considered together with the aggregate amount of Industrial Facilities Exemption Certificates previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax within the City of Detroit, and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of Act 198; and be it further

Resolved, That it is hereby found and determined that the Applicant has entered into a written agreement with the City of Detroit memorializing the commitments made upon which the granting of this Certificate is based, as required by Act 198, which Agreement is hereby approved; and be it further

Resolved, That the Application of Comprehensive Logistics Co., Inc., for an Industrial Facilities Exemption Certificate in City of Detroit is hereby approved for a period of twelve (12) years, expiring December 31, 2027; in accordance with the provisions of Act 198; and be it finally

Resolved, That the City Clerk shall forward said Application to the State Tax Commission as provided by Act 198.

Adopted as follows:

Yeas — Council Members Benson, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 8.

NEW BUSINESS Budget Department June 13, 2014

To: Kevyn Orr, Emergency Manager Re: Request for Amendment to the FY 2014 Budget for the KPMG Contract.

Pursuant to your authority under Emergency Order #12 and section 12(1)(b) of the Michigan Public Act 436 of 2012 the Budget Department requests that you amend the City's FY 2014 Budget by increasing the Auditor General's Budget (Appropriation 12680 Auditing — CAFR) and decreasing the Non Departmental (Appropriation 13224 Restructuring Consolidation) by \$1.97 million. The cost for the City's annual audit increased due to the complexity of bankruptcy.

Respectfully submitted, PAMELA SCALES Budget Director By the Emergency Manager:

Resolved, Pursuant to Emergency Order 12 and section 12(1)(b) of Michigan Public Act 436 of 2012, that the FY 2014 Budget of the City of Detroit be and is hereby amended as follows:

Increase Appropriation No. 12680 Auditing — CAFR by \$1,970,000

Decrease Appropriation No. 13224 Restructuring Consolidation by \$1,970,000

And Be It Further Resolved, That the Finance Director be and is hereby authorized to increase the necessary accounts and honor vouchers in accordance with the forgoing communication and regulations of the City of Detroit.

Approved:

KEVYN ORR

Emergency Manager By: STACY FOX

Deputy Emergency Manager

Water and Sewerage Department April 28, 2014

Honorable City Council:

Enclosed are suggested resolutions to facilitate approval of the FY 2014/15 Detroit Retail Water Rates and Charges, and FY 2014/15 Detroit Retail Sewage Rates and Charges. The overall system-wide revenue requirements of the water and sewage systems are increasing by 4%. These adjustments reflect the Detroit Water and Sewerage Department's efforts to substantially reduce operating expenses through attrition and innovation. The proposed City of Detroit retail rates are designed to generate approximately 0.4% more revenue for water and 0.5% less revenue for sewage.

Despite these cost control initiatives. there are two matters which cause the proposed retail customer rates to exceed the revenue requirement change noted. The first is due to a trend of lower sales volumes. The second is increased retail bad debt expense. The net effect of these conditions results in a higher per unit cost. In analyzing the rate design and the lower sales volumes, it became evident that the customer class water usage patterns no longer support the continued use of the declining block rate method. Therefore, we are also proposing the water rate become a uniform rate instead of a declining block rate. These items are addressed in the retail rate design. The table below demonstrates the impact of the proposed rates on two sample monthly residential customer bills (Ccf = 100 cubic feet).

RESOLUTION WELCOMING THE NATIONAL PARK SERVICE NETWORK TO FREEDOM CONFERENCE TO DETROIT

July 16 through 20, 2014 By ALL COUNCIL MEMBERS:

WHEREAS, The National Park Service was directed by Congress [Public Law 101-628 enacted in November, 1990] to

study alternatives for commemorating and interpreting the Underground Railroad which led to the adoption by the 105 U.S. Congress [Public Law 105-203] in July, 1998 to establish within the United States National Park Service the "National Underground Railroad Network to Freedom" program; and

WHEREAS, The Network to Freedom Act was based on findings that the Underground Railroad represents one of the most significant expressions of the American civil rights movement, that "bridged the divides of race, religion, secdifferences and nationality: spanned State lines and international borders; joined the American ideals of liberty and freedom expressed in the Declaration of Independence and the Constitution to the extraordinary actions of ordinary men and women working in common purpose

to free a people:" and

WHEREAS, The National Underground Railroad Network to Freedom has been established to commemorate, honor and interpret the history of the Underground Railroad through a national program that links historic structures, sites, routes, geographic areas and corridors; interpretive centers, museums and institutions; programs, community projects, exhibits and multi-media materials; for the purpose of honoring the sacrifices of individuals associated with the Underground Railroad, recognizing its significance in the evolution of civil rights and its importance to fostering the spirit of racial harmony and national reconciliation; and

WHEREAS, As part of its educational program, to ensure a coordination of Federal, State, local, academic and community programs, and promote programs and partnerships to commemorate and preserve Underground Railroad sites and documents, the National Park Service Network to Freedom has sponsored an annual Underground Railroad conference since 2007; and

WHEREAS, Detroit, Michigan has been selected to host the 8th Annual Conference from July 16 through July 20 at the Doubletree-Fort Shelby Hotel with the theme, "I Resolve Never to Be Conquered": Women and the Underground Railroad, will include a variety of educational sessions, workshops, tours, featured, speakers, panels, exhibits on women's participation in the movement as freedom seekers and as operatives; and

WHEREAS, This conference will be an opportunity to highlight the unique history and contributions of Michigan and Detroit to the Underground Railroad and the many historic sites, monuments and programs in Detroit and Southeast Michigan that commemorate the right to selfdetermination and freedom from oppres-

NOW THEREFORE BE IT

RESOLVED. The Detroit City Council welcomes the 8th Annual Network to Freedom Conference to the City of Detroit and we celebrate with conference participants the significant role of women in the Underground Railroad.

GOVERNOR'S PROCLAMATION July 12-20, 2014; UNDERGROUND RAILROAD COMMEMORATION WEEK

By ALL COUNCIL MEMBERS:

WHEREAS. The Underground Railroad is a significant part of our national history, that is a story of ordinary people taking extraordinary measure to end slavery, and embrace the right to self-determination and freedom from oppression; and

WHEREAS, The National Park Service was authorized by Public Act 105-203, adopted July, 1998, to establish the "National Underground Railroad Network to Freedom" program to honor, commemorate, and interpret the history of the Underground Railroad, its significance in the evolution of the national civil rights movement, and its relevance to fostering the spirit of racial harmony and national reconciliation; and

WHEREAS, Michigan also recognizes a rich and significant history in the antislavery movement and that many of her citizens participated in significant ways to promote the Underground Railroad, resulting in the enactment of Public Act 409 which became effective in December, 1998 to establish the Michigan Freedom Trail Commission to preserve, protect and promote the legacy of the Freedom Trail in Michigan: and

WHEREAS, The National Park Service Network to Freedom is sponsoring its Annual Underground Railroad Conference at the Doubletree-Fort Shelby Hotel in Detroit in collaboration with the Michigan Freedom Trail Commission, July 16 through 20, 2014 with the theme of, "I Resolved Never to Be Conquered": Women and the Underground Railroad: and

WHEREAS, This conference will highlight significant Michigan sites, museums, monuments and tours in addition to research and presentations on the unique contributions of women and specifically Michigan women to the Underground Railroad; and

WHEREAS, Preceding the conference will be a special program July 12, 2014 at the River Raisin National Battlefield Park, in Monroe, Michigan on: Remembering the Raisin: Slavery, Freedom and the War of 1812, sponsored by the River Raisin National Battlefield, River Raisin National Battlefield Foundation, and the National Underground Railroad Network Freedom.

NOW, THEREFORE, I, Rick Snyder, governor of Michigan, do hereby proclaim July 12 through July 20, 2014 as Underground Railroad Commemoration Week.

She attended a conference in Spain regarding Bilbow urban innovation leadership dialogue (Build). It related to how to improve/re-invent older urban areas in the U.S. and Europe. She thanked the Clerks Office for having such a great staff.

COUNCIL MEMBER SHEFFIELD: The District Community Open House is next Thursday, June 26, 2014 from 12-6 p.m. at Butzel Recreation Facility. There will be lots of activities for seniors also from 12 noon-3 p.m.

COUNCIL MEMBER BENSON: Announced that there will be a Job Fair tomorrow at Samaritan Center, 5555 Connor from 10 a.m.-7 p.m. on June 18, 2014. Matrix Headstart has 200 positions open. He reaffirmed his sup-

port for the Entertainment Commission. Regarding Lipke Recreation Center... The administration asked for alternative plans from the community, but they have not been forthcoming. It has been dark and loitered for quite some time. It's imperative that we not allow this asset to remain dark. If the community has an alternative plan, please share it.

COUNCIL MEMBER LELAND: None.

COUNCIL PRESIDENT JONES: Requested a moment of silence for Police Officer Anna Hampton who was killed. On last Thursday there was a press conference at Techtown. There were entrepreneurs there who received scholarships. Tonight is the evening community meeting located at 5901 Connor at 7 p.m. WCCCD Eastern Campus. There will also be a Skilled Trades Task Force meeting on Tuesday 4-6 p.m. She's working with the Michigan Municipal League to get training scheduled.

TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE TESTIMONIAL RESOLUTION FOR

FAY F. HINES CAFETERIA Dedicated June 13, 2014

By COUNCIL MEMBER CASTANEDA-LOPEZ:

WHEREAS, Fay F. Hines was a remarkable woman who left a legacy of accomplishments that will last for generations. She was a dedicated and faithful employee of the Detroit Public School System and Boynton Middle School in Southwest Detroit for over twenty-five years; and

WHEREAS, Faye Fleetwood Jacox was born on June 30, 1924 on a small North Carolina farm owned by her father. After his death, a very young Fay and her siblings began working to help their family. She attended a small two-room schoolhouse in Hertford, North Carolina where she excelled in her studies and graduated from Windfall High School in Windfall, North Carolina; and

WHEREAS, Fay left North Carolina while World War II was in full swing for a job with a U.S. defense contractor in New Brunswick. While there, she still helped support her family by sending money and clothes home to her younger sisters. Before she left the Carolinas, she met Walter Hines and they began a serious courtship that lasted throughout World War II. Fay and Walter were married one month after the end of his tour of duty. They were married for sixty-one years; and

WHEREAS, Fay and Walter Hines were the proud parents of two daughters: Nedra and Andrea, and twelve sons: Walter, Jr., Kenneth, Robert, Bernard, Frederick, Jeffrey, David, Douglas, Daniel, Derrick, Marcus, and Joseph. Eight of her children graduated from Boynton Middle School in Detroit. Fay never worked outside of the home while raising their children until the youngest child began attending school. This is when she started her legacy with Boynton Middle School; and

WHEREAS, In 1978, Fay began volunteering at Boynton Middle School as a lunchroom attendant. Her commitment and dedication resulted in becoming an employee of the Detroit Public School System. After several years as a lunchroom attendant, she began to serve as a teacher's assistant in the classrooms. Fay's involvement in Boynton included PTA President and PTA Secretary. She also volunteered in various community and civic efforts. Fay was honored by the Michigan PTA and the Detroit Board of Education for her school and community service; and

WHEREAS, Education was very near and dear to her heart. Fay not only raised

her family to take education seriously, but she also worked tirelessly for the education of other children. Over the twenty-five year span of working at Boynton, there were countless occasions when she mentored and counseled students. Fay was well respected by the Boynton students and always kept them in line and many of them out of trouble. She was a true friend to her co-workers and the Boynton faculty. She had a wonderful and refreshing perspective on life. Fay F. Hines passed away on January 25, 2006. NOW THEREFORE BE IT

RESOLVED, The Detroit City Council joins the Mark Twain Middle School (formerly Boynton Middle School) on June 13, 2014 as they name the Mark Twain Middle School Cafeteria in memory of Fay F. Hines as a tribute to her years of dedicated and faithful service.

Adopted as follows:

Yeas — Council Members Benson, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 8. Nays — None.

PUBLIC COMMENT:

• Mr. Russ Bellant: Protest the sale of Lipke Park.

Council Member Jenkins entered and took her seat — 8.

- Mr. Mike Cunningham: Prayer is what we make income/revenues off of Detroit Water and Sewerage Department by bottling water to sell and/or privatize the Water Department. Also Read Donnie McClurkin's lyrics "Stand" as a prayer.
- Mr. Jarret Williams: Complaint of bus services (i.e. late busses, people at bus stop and bus doesn't pick them up). He felt it was unfair to the people who are going through this. He is also one of the people going through the bad service with the transportation, and hoped things can be looked at properly without malice or any type of discrimination. His main issue was that people don't have the same opportunity to receive the same type of justice.
- Mr. Jim Casha: Against the design of the M1 Light Rail Agreement. Mr. Casha submitted handout at table.
- Mother Helen Moore: The community is not being recognized. The community is not being respected. We need to stand on principles. You need principles when you vote. We stand for children. Our children are in need and let's help them get to where they need to go.
- Mr. Derrick Sanders: In favor of design of the M1 Rail Agreement and hope that Detroiters will be hired to work on this project. He would like to be hired to work on the M1 project.
- Mr. Williams Davis: Against the proposed changes in the benefits of the Pension Plans, which he states is grand larceny. He would like to see a copy of the Actuarial Report (Is there an Actuarial Report?) that the City Council commissioned. And if there were talks of selling the Detroit Water and Sewerage Department... before the vote, citizens of Detroit have a right to vote on the issue.
- Ms. Elena Herrada: Complaint of developer, Dennis Capalino (sp), being able to purchase properties and then they become blighted - former Franklin School and Burden School located at 1333 Pine Street in North Corktown, which is bundled with two other buildings; one on Seneca (on Eastside) and the other in North Corktown. The property is worth more than it is being sold for. The developer is being allowed to purchase more schools and more buildings, and he should not be allowed to purchase until he cleans up what he has. City Council's Legislative Policy Division was directed to draft a resolution pertaining to developers/properties owners who have outstanding taxes, and/or are

slumlords shall not be allowed to purchase other properties, per Council Members Castaneda-Lopez and Jenkins.

- Ms. Yonne Johnson: Complaint of no assistances in her neighborhood/community. <u>Council President Jones will</u> assist Ms. Johnson.
- Ms. Ruby Riley: Complaint of City of Detroit's snowplow doing damages to her car. And due to her accident, she has been unable to cut the grass on the four or five lots in her neighborhood. Ms. Riley would like the City to come out and cut the grass. Law Department directed to assist Ms. Riley, per Council President Jones.
- Mr. Michael Aaron: In favor of the M1 Rail and M2 Rail.
- Ms. Tijuana Morris: She believes racketeering is afoot pertaining to the Pension Funds regarding the Retirees.
- Ms. Kim Chapman: Trying to understand the process of approval for petition request for banners. Her Petition Nos. are 135 and 137. Petition No. 137 is on the agenda today for approval.
- Mr. Ed Chapman: Parade permit and banner permit (Petition Nos. 135 and 137) has already been paid for . . . Mr. Chapman needs the permit from the City of Detroit to proceed with his plans on having a parade and putting up banners. Per administration, Petition No. 137 is on council's agenda today for vote and Mr. Chapman was directed to check back in approximately two (2) weeks for status of petition no. 135. (Detroit Police Department did approve).
- Ms. Cindy Darrah: Just wanted to emphasize vote "no" on the bankruptcy/ general retirement ballots — "Stand Up, Don't Bend Over". Against proposal of design for the M1 and M2 Rail.
- Ms. Cecily McClellan: Do not support the grand theft of Detroit. Complaint of assets of the City of Detroit being given away. Mrs. McClellan submitted handout at table.
- Mr. Jean Claude Kwom: Complaint of broken and rusty lighting poles.
- Ms. Vivan Teague: Alleged criminal activities (i.e. tax fraud, tax rebates, and tax things in arrangement of \$4 million dollars) by owners of City of Detroit Marinas (Erma L. Henderson Marina and Riverside Marina). Law and Department City Council's Legislative Policy Division directed to look into this matter, per Council Member Spivey; line item in Neighborhood & Community Services Standing Committee and Budget, Finance & Audit Standing Committee.
- Ms. Kia Cooley: Complaint of alleged criminal activities pertaining to Erma L. Henderson Marina and Riverside Marina. <u>Line item in Neighborhood & Community Services Standing Committee and Budget, Finance &</u> Audit Standing Committee.

Honorable City Council:

Re: Joyce McCalebb vs. City of Detroit. 36th District Court Case No. 14-200508. File No.: A37000.008013 (PMC).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Three Thousand Seven Hundred Dollars and No Cents (\$3,700.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Three Thousand Seven Hundred Dollars and No. (\$3,700.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Joyce McCalebb, and to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Case No. 14approved by 200508. the Law Department.

City Planning Commission

June 13, 2014

Honorable City Council:

Re: Request of John Everett Thomas for the rezoning of 15239 Fenkell Avenue between from B2 (Local Business and Residential District) to B4 (General Business District) — Recommend Denial.

Mr. John Everett Thomas petitioned the City Planning Commission to rezone the B2 (Local Business and Residential District) property at 15239 Fenkell Avenue in order to establish a motor vehicle services facility, such as new tire sales and service. Motor vehicle services facilities are prohibited on land zoned B2 but are permitted as a conditional use in the B4 (General Business) district.

NATURE OF THE REQUEST

The subject property is a 9,100 square foot, rectangular-shaped, single lot located at the southeast corner of Fenkell Avenue and Whitcomb Avenue between Hubbell and Greenfield Roads in northwest Detroit, just west of the Cooley High School site. A former gas station sits on the property at present. The last permit issued for this site was for a "restaurant."

Mr. Thomas's business at the address, used tire sales, is illegal and has been closed down by the Buildings, Safety Engineering and Environmental Department (BSEED). A violation written by Detroit Police is currently before 36th District Court. Although a rezoning to B4 would not help legalize the used tires sales and service business, it would allow for the business to change to minor or major motor vehicle services if approved as a conditional use by BSEED. A business selling and servicing new tires would be considered a minor motor vehicle services facility. Used tires could be sold and serviced at a new tire sales/service facility (minor motor vehicle services) provided the tire inventory did not exceed 10% used tires.

The owner of the property, Mr. Gregory Paige, properly authorized his tenant, Mr. Thomas to request the rezoning.

PUBLIC HEARING RESULTS

At the Planning Commission's regular meeting of March 20, 2014, a statutory public hearing was held to consider Mr. Thomas's request, pursuant to the Michigan Zoning Enabling Act (MCL 125.3401(6)) and the Detroit Zoning Ordinance (Sec. 61-3-75).

At the hearing, Mr. Thomas spoke on his own behalf commenting on his long experience in the tire business and the improvements to the property and building he has brought about at considerable personal expense. He said that he was unaware of the need to be licensed for the business. He indicated that if the rezoning were not approved, the site would become one more closed business.

Two members of the public spoke on Mr. Thomas's behalf — the property owners and neighbors in the single-family dwelling immediately abutting the subject property on the east side of Whitcomb Avenue.

ANALYSIS

Master Plan. The Master Plan for the Cerveny-Grandmont subsector of Neighborhood Cluster 9 recognizes Fenkell as currently "commercial" but specifies the "future land use" of the Fenkell corridor as "Low Density Residential. Similarly, the Detroit Future City strategic framework plan for 2030 designates the Fenkell corridor as "Green Residential." not as a commercial corridor.

The Planning and Development Department reported at the CPC public hearing that the proposed rezoning would not be consistent with the Master Plan.

If the proposed rezoning were approved, it would create the only spot of B4 — zoned property in almost four miles of Fenkell between the Fenkell/Livernois intersection and the Fenkell/Southfield intersection.

B4 District Use List. In considering any rezoning request, the Planning Commission and your Honorable Body compared the lists of permitted uses in the existing zoning district — in this case, B2 — against the lists of permitted uses in the proposed zoning district — B4. The B4 District use list is 70% longer (151 uses) than the list of permitted uses in the proposed B2 District (89 uses). Certain of the "B4 uses," including motor vehicle services, have the potential or likelihood to impact surrounding properties and/or lend themselves to becoming eyesores or to impede on the anticipated peace and quiet of single-family residential neighborhoods. Unlike many commercial strips, the south side of Fenkell between Hubbell and Greenfield is not separated by an alley from the adjoining residentially zoned lots on side streets. The subject property, like the other nearby south-side Fenkell B2 properties, does not enjoy the minimal demarcation between commercial and residential properties afforded by an 18- or 20-foot alley.

In recent years, neighborhoods have complained to the Planning Commission and City Council about some of these very "84 uses." Used car lots along Joy Road were noted as eyesores; "We Buy Gold" stores and resale shops have been called out as of dubious merit to the community and as an indicator of business strip decline. Some gas stations and repair shops have become cluttered with vehicles, reminiscent of small junk yards and taxing to stretched municipal enforcement resources.

Although Fenkell near the subject property has its share of closed storefronts, it has largely escaped the motor vehicle type of blight that prompted the downzoning of an entire stretch of Joy Road from B4 to B2. Staff observes that several of the nearby businesses along Fenkell are permissible under B2 and that the subject property itself once hosted a B2-

permitted restaurant.

At its regular meeting of May 1, 2014, the City Planning Commission (CPC) voted to deny the rezoning from B2 to B4, based on the following.

Sec. 61-3-80(2) of the Detroit Zoning Ordinance includes the following as a criterion for approval of a rezoning request: "Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance...." The Planning and Development Department has determined that the proposed rezoning would not be consistent with the Master Plan.

Sec. 61-3-80(7) requires consideration of the following rezoning approval criterion: "The suitability of the subject property for the existing zoning classification and proposed zoning classification..." The City Planning Commission finds that the existing B2 zoning classification is suitable for the subject property even though, regrettably, it is not suitable for the petitioner.

The CPC staff concludes that the proposed rezoning request fails to satisfy the rezoning criteria cited in Sec. 61-3-80 of the Detroit Zoning Ordinance and respectfully recommends denial of the petition.

Additionally, the Commission urges the petitioner and the owner to build on the support and good will of the community and to continue at the subject property in one of the numerous uses already permitted under the B2 zoning classification. Should Mr. Thomas seek to relocate his used tire business, City staff is ready to assist in identifying those areas where current zoning already allow BSEED to consider the use — B6, M1, M2, M3, M4, and M5 Districts. If he opts to seek out locations zoned B4 to operate a motor vehicle service, City staff can help identify properly zoned, available city-owned sites.

By Council Member Leland:

Whereas, John Everett Thomas has petitioned for the rezoning of 15239 Fenkell Avenue from the B2 (Local Business and Residential) zoning district classification to the B4 (General Business) zoning district classifications; and

Whereas, The City Planning Commission took up the rezoning request to amend Chapter 61, Article XVII, District Map No. 68 of the 1984 Detroit City Code

in a statutorily mandated public hearing on March 20, 2014; and

Whereas, Upon the advice of the Planning and Development Department, the City Planning Commission has found that the rezoning request was not consistent with the Master Plan "future land use" designation of the 2009 Master Plan of Policies of the City of Detroit; and

Whereas, The City Planning Commission has found that the current B2 zoning district classification already allows for eighty-nine (89) different land uses; and

Whereas, The City Planning Commission has found that the one hundred fiftyone (151) land uses permitted in the proposed B4 zoning district classification include land uses with potential or likely undesirable impacts on the immediate surroundings; and

Whereas, The petitioner's used tire business was closed down by the Buildings, Safety Engineering and Environmental Department and is currently before the 36th District Court for violations; and

Whereas, The City Planning Commission has found that the rezoning request fails to satisfy the approval criteria specified in Sec. 61-3-80 of the 1984 Detroit City Code; and

Whereas, The City Planning Commission voted at its regular meeting of May 1, 2014 to deny the rezoning request of John Everett Thomas; Now, Therefore, Be It

Resolved, The Detroit City Council accepts the findings and recommendation of the City Planning Commission and denies the requested amendment to Chapter 61, Article XVII, District Map No. 68.

Planning & Development Department June 9, 2014

Honorable City Council:

Re: Petition No. 210 — La Feria Spanish Tapas for Outdoor Café Permit at 4130 Cass Avenue.

The above named petitioner has requested permission for Outdoor Café Service. This service will convene every April 1st through November 30th, for a period of three (3) years, from the date of your Honorable Body's approval.

The Department of Public Works/City Engineering Division (DPW/CED) who has jurisdiction over temporary encroachment on City right-of-ways has approved this request contingent upon the petitioners compliance with applicable City ordinance related to outdoor café activities

and the remittance of the annual usepermit fee to the Permit Section of the DPW/CED.

The Institute for Population Health (IPH) has approved this petition, subject to the petitioner's strict adherence to the 1999 Food Code, Food Law of 2000 and City Ordinance, Chapter 21. No outdoor grilling is permitted without approval from the Institute of Population Health Food Safety Division.

Approval from the Detroit Police Liquor License Bureau is contingent upon the final action given by the City Council towards the above-referenced petition. Prior approval from the Central District Precinct does not cover serving liquor in outdoor café area until the Detroit Police Liquor License Bureau has given approval.

The petitioner will submit to the Historic District Commission (HDC) the construction drawings related to the Outdoor Café. It will then be on the HDC agenda to be reviewed at an upcoming meeting.

The Planning and Development Department (P&DD) is not aware of any objections from any other City Agencies involved. It is the recommendation of the P&DD that the petitioner's request be granted subject to the terms and conditions provided in the attached Resolution and that this service will convene every April 1st through November 30th for a period of three years (3) from the date of your Honorable Body's approval, subject to final approval by the Detroit Emergency Financial Manager.

Respectfully submitted, JOHN SAAD, P.E.

Engineering Services Coordinator By Council Member Leland:

Resolved, That the Department of Public Works — City Engineering Division (DPW/CED) is hereby authorized and directed to issue a Use-permit to La Feria Spanish Tapas, Detroit "permittee", whose address is at 4130 Cass Avenue, Detroit, Michigan 48202, to install and maintain an outdoor café, which will convene every April 1st through November 30th, for a period of three (3) years from the date of your Honorable Body's approval, subject to final approval by the Detroit Emergency Financial Manager, contingent upon licensee of such premises obtaining approval of the Michigan Liquor Control Commission, if necessary, and compliance with applicable City Ordinance in connection with outdoor café activities, prior to the issuance of said use permit;

Provided, That the café meets the regulations set by the "Outdoor Café Guidelines" as adapted by the City Council and guided by Chapter 58, Section 50-2-8.1 of the City Code; and

Provided, That the petitioner obtains all necessary licenses and permits every

year from Departments having jurisdiction over Outdoor Café process; and

Provided, That said activities are conducted under the rules and regulations of the Department of Transportation, Department of Public Works and the supervision of the Police Department; and

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Institute of Population Health; and

Provided, That the "permittee" remit the required annual fee(s) to DPW/CED for issuance of a use-permit and confirm license of the establishment in compliance with the City Code; and

Provided, That the "permittee", prior to obtaining said permit, file an indemnity agreement in a form approved by the Law Department, saving and protecting the City of Detroit harmless from any or all claims, damages or expenses that may arise by reason of the issuance of said permit and the faithful performance by the "permittee" of the terms thereof; and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments; and

Provided, That the filing of said indemnity agreement for this current year shall be construed as acceptance of this Resolution by the "permittee"; and

Provided, That the permit is revocable at the will, whim and caprice of the City Council; and hereby expressly waives any right to claim damages or compensation for removal of encroachment, and further, that "permittee" acquires no implied or other privileges hereunder not expressly stated herein; and

Provided, That no other rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at the expense of the "permittee" at any time when so directed by City Council, and that the public property so affected shall be restored to a condition satisfactory to the DPW/CED by said "permittee" at its expense; and

Provided, That the permit shall not be assigned or transferred without a written approval of the City Council; and

Provided, That the petitioner follow the mandated minimum six (6) foot wide pedestrian clearance on the sidewalk, free of all obstacles such as existing planters, parking meters, utility poles, transformer boxes, etc., to allow for pedestrian movement; and

Provided, That the designated outdoor seating area shall be properly identified through the use of railings in order to regulate and control the serving of liquor within the perimeter of the cafe; and

Provided, That the outline and location of the outdoor café is not to be different

from the site plan to be approved by the Historic District Commission; and

Provided, That if any tent or other enclosure is to be utilized on the subject site, the applicant shall secure prior approval from Buildings and Safety Engineering Department and the Department of Public Works/City Engineering Division; and

Provided, That all railing equipment and fixtures shall be removed from the public right-of-way during the months of non-operation and placed in storage; and

Provided, That a certified copy of this Resolution shall be recorded with the Office of the Register of Deeds for Wayne County at the "permittee's" expense;

Honorable City Council:

Re: Surplus Property Sale Development: 11338 E. Jefferson.

We are in receipt of an offer from Timothy Schacht, to purchase the above-captioned property for the amount of \$3,500 and to develop such property. This property contains approximately 1,941 square feet and is zoned B-4 (General Business District).

The Offeror proposes to clean up the property and create a greenspace buffer to enhance their adjacent veterinary clinic located at 11300 E. Jefferson. This use is permitted as a matter of right in a B-4 zone.

We, therefore, request that your Honorable Body approve the land sale resolution with a Waiver of Reconsideration and authorize the Group Executive for Jobs & Economy, or his authorized designee, to issue a quit-claim deed to the property and such other documents as may be necessary to effectuate the sale, with Timothy Schacht, subject to final approval by the Detroit Emergency Financial Manager, or his authorized designee.

Respectfully submitted, JAMES MARUSICH Manager — Real Estate Development Division

By Council Member Leland:

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Group Executive for Jobs & Economy, or his authorized designee, subject to final approval by the Detroit Emergency Manager, or his authorized designee, subject to final approval by the Detroit Emergency Manager, or his authorized designee, be and is hereby authorized to issue a quit claim deed to 11338 E. Jefferson, the property more particularly

described in the attached Exhibit A, and such other documents as may be necessary to effectuate the sale, with Timothy Schacht, for the amount of \$3,500, with a Waiver of Reconsideration.

Honorable City Council:

Re: Correction of Legal Description Development: 5425 W. Jefferson (Part of)

By resolution adopted May 5, 2007 (Detroit Legal News, May 25, 2007, Page 6), your Honorable Body authorized the sale of the above-captioned property to Waterfront Petroleum Terminal Holdings, LLC, a Michigan Limited Liability Company, for the purpose of upgrading and operating the tank storage site in a manner consistent with the capabilities for which it was built. The sale took place and closing occurred on May 11, 2007.

It has come to our attention that the legal description was issued in error. A corrected legal description has been prepared that accurately and completely describes the parcel conveyed.

We, therefore, request that your Honorable Body adopt the attached reso-

lution, which authorizes an amendment to the previously adopted approved resolution to reflect and reference the corrected legal description for the parcel.

Respectfully submitted,
JAMES MARUSICH

Manager — Real Estate Development By Council Member Leland:

Resolved, That in accordance with the foregoing communication, the May 5, 2007 approval authorization for the sale of 5425 W. Jefferson (Part of) to Waterfron Petroleum Terminal Holdings, LLC, a Michigan Limited Liability Company, be amended to replace the previously approved but erroneous legal description for the subject parcel, a copy of which is attached hereto as Exhibit A-0, with the corrected legal description, which is attached hereto as Exhibit A-1:

Detroit Land Bank Authority MEMORANDUM

June 6, 2014

Honorable City Council:
Re: Wayne County Tax Foreclosed
Properties by DLBA.

This memorandum is prepared in response for your request for background information and context for the attached council resolution supporting the use of the City's right to purchase tax foreclosed property from the Wayne County Treasurer prior to the auction and have

the properties so purchased transferred directly to the Detroit Land Bank so long as the Detroit Land Bank assumes financial responsibility for the property's acquisition cost as well as any liability for the property's demolition, maintenance, or resale.

As you know, the Detroit Land Bank has started nuisance abatement litigation process in four neighborhoods: Marygrove, East English Village, Old Redford, and Bagley. We have run into an unexpected problem — we have postered 452 houses to date in these neighborhoods, but have discovered that 77 or (17%) are currently owned by the Wayne County Treasurer. The Treasurer has taken title and intends to sell them in the tax auctions in late 2014. In other words, 1 out of every 6 vacant houses is now sit-

ting in a legal limbo.

We have worked out a solution with the Treasurer. The Treasurer is willing to turn over the properties in our litigation-targeted areas. We've agreed to demolish the houses that can't be saved, auction the ones we can sell, and turn the net proceeds over to the Treasurer as tax payments. This will allow the Land Bank to move immediately to remove the nuisance and will allow the Treasurer to collect everything practical in back taxes.

Virtually all of the properties included in Detroit City Council's previously passed resolution transferring to the Land Bank all City-owned residential properties with vacant buildings had come to the City after the Treasurer's tax auction was complete. What we need in order to move on these houses now is a supplemental resolution allowing the Land Bank to accept pre-auction houses from the Treasurer in settlement of our potential nuisance abatement claims. The Land Bank will be responsible for all maintenance and demolition costs and any payments to the Treasurer in tax payments.

Respectfully submitted, KEVIN SIMOWSKI General Counsel

By Council Member Leland:

Whereas, Unprecedented numbers of properties located within the City are subject to tax foreclosure, one of the largest source of blight and abandonment within the City: and

Whereas, The Wayne County Treasurer annually takes title to tens of thousands of properties within the City of Detroit for failure to pay property taxes, and many of these properties are blighted or abandoned; and

Whereas, Certain of these properties would be good candidates for either rehabilitation and occupancy or demolition, either of which would help to stabilize the neighborhoods in which they are located; and

Whereas, The City has determined that there is a need to quickly and efficiently combat the public nuisances, which further contributes to the public emergency affecting life, health, property or the public

peace; and

Whereas, Pursuant to the Land Bank Fast Track Act, 2003 PA 258, MCL 124.751 to 124.774 (Land Bank Act), the Detroit Land Bank Authority ("Detroit Land Bank") was created as a separate legal entity and public body corporate in accordance with an Intergovernmental Agreement dated September 15, 2008, as amended from time to time, by and between the City of Detroit and the Michigan Land Bank Fast Track Authority; and

Whereas, The Detroit Land Bank was created in order to assemble or dispose of vacant, tax foreclosed, and public property in a coordinated manner to foster the development of that property and to promote economic growth in the City of Detroit: and

Whereas, In areas of the City where the Detroit Land Bank is filing nuisance abatement lawsuits, the Wayne County Treasurer is prepared to transfer the attached 143 properties to the Detroit Land Bank if the Detroit Land is willing to be responsible for the existing liabilities on these properties; and

Whereas, Under MCL 211.78m, the City has the ability to purchase, for a public purpose, tax foreclosed property from the Wayne County Treasurer prior to the auction;

Now, Therefore, Be It Resolved That:

The Detroit City Council supports the use by the Detroit Land Bank Authority of the City's right to purchase tax foreclosed property from the Wayne County Treasurer prior to the auction and have the properties so purchased transferred directly to the Detroit Land Bank so long as the Detroit Land Bank assumes financial responsibility for the property's acquisition cost as well as any liability for the property's demolition, maintenance, or resale: and

Be It Further Resolved That:

A copy of this resolution be forwarded to the Office of the Wayne County Treasurer, Mayor Duggan, the City's Planning & Development Department, Assessor's Office and the Detroit Land Bank.

Re: Address: 15010 Puritan. Name: Ericka T. Williams. Date ordered removed: March 1, 2011 (J.C.C. pg. 438-445).

In response to the request for a deferral of the demolition order on the property

noted above, we submit the following information:

A special inspection on May 12, 2014 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current. The proposed use of the property is owner's use and occupancy. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of three (3) months subject to the following conditions:

- 1. A permit for rehabilitation work shall be obtained within 30 days.
- 2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six (6) months, at which time the owner will obtain one of the following from this department:
- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties
- 3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).
- 4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted, DAVID BELL Building Official

Honorable City Council:

Re: Petition No. 3024 — Temple Plaza Hotel Inc., request to renovate/ update façade located at East Lafayette Avenue. The new design of the old original columns encroach into the right-of way an additional 3 inches.

Petition No. 3024 — Temple Plaza Hotel Inc. whose address is 1600 Clay, Detroit, Michigan 48211 request to install and maintain encroachment with decorative columns a total of 7 inches into the East Lafayette, 50 feet wide, in the block bounded by East Fort Street. East Lafayette Avenue, Brush Street and Beaubien Street.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

Traffic Engineering Division - DPW (TED), reports there is no objection provided that a 5 feet minimum clear sidewalk width shall be maintained.

City Engineering Division (CED) has approved, provided City specifications are met and that pedestrian sidewalk access is available with no impediment.

The Public Lighting Department (PLD) reports an overhead line running in the area of the request and provisions protecting the line are included in the resolution. The contractor and/or the petitioner will be liable for any damages to any PLD facilities.

The Detroit Water and Sewerage Department (DWSD) has no objection to the encroachment provided that the resolution contain the DWSD specific

encroachment provisions. The DWSD encroachment provisions are included in the resolution.

DTE Energy Gas Division report involvement, and provisions protecting the Gas lines in the encroachment area are a part of the resolution.

All other involved City departments and privately owned utility companies reported no objections, or that satisfactory arrangements have been made.

I am recommending adoption of the attached resolution.

> Respectfully submitted, RICHARD DOHERTY City Engineer

City Engineering Division — DPW By Council Member Jenkins:

Provided, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Temple Plaza Hotel Inc. to encroach with six columns into Lafavette Avenue, 50 feet wide, said columns being 2 feet wide and encroaching 7 inches into the public right-of-way of said East Lafayette Avenue adjoining property described as: Land in the City of Detroit, Wayne County, Michigan being Lots 116 and 117 "Plat of a part of the L. Beaubien Farm in the City of Detroit as surveyed into Town Lots for the proprietors by John Mullet Surveyor" as recorded in Liber 6 pages 475-478 of City Records, Wayne County Records.

Provided, That if there is any additional cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner: and be it further:

Provided, By approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-ofway, and at all time, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That if at any time in the future the petitioner shall request removal and/or relocation of DWSD's facilities in the right-of-way being encroached upon the petitioner agrees to pay all costs for such removal and/or relocation; and be it further

Provided, That the contractor call MISS DIG 72 hours prior to starting any underground construction where they plan the underground encroachment; and be it further

Provided, That any structure proposed to be built shall maintain 10 feet of horizontal clearance from overhead PLD lines and installations also any structure proposed to be built shall maintain a minimum of 3-feet horizontal clearance and 12-inch vertical clearance from the PLD conduit bank and manholes. The contractor and/or the petitioner will be liable for any damages to any PLD underground facilities. PLD requires unrestricted 24-hour heavy vehicle access to the encroachment area to maintain their facilities: and be it further

Provided, That the encroachment into Lafavette St. 7 inches will remain as is (at 7 inches) and will not go more than that. Michcon Gas Co. has an existing Gas main line running along Lafayette from 19 feet EW Beaubien Street Due westward at 4, 5 and 6 feet NS Lafayette Street. contact Michcon Otherwise, Gas Company Public Improvement Department (Jay Williams at 313 389-7303 or Laura Forrester at 313 389-7261) for the estimated cost of service abandoment, removal, relocation or rerouting including the survey, design and drawing of the gas utility.

Provided, That the Temple Plaza Hotel Inc. or its assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-ofway for maintenance of encroachments

such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That all work in the public right-of-way be done to City specifications and that pedestrian access is available without impediment with a 5 foot minimum clear sidewalk width maintained.

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; also in accord with plans submitted to and approved by these departments; including the Public Lighting Department (if necessary), and the Traffic Engineering Division — DPW (if necessary); and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Temple Plaza Hotel Inc.; and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocated their existing utility facilities located in close proximity to the encroachments shall be borne by Temple Plaza Hotel Inc. or its assigns. Should damages to utilities occur, Temple Plaza Hotel Inc. or its assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, If it becomes necessary to repair or replace the utilities located or to be located within the public rights-of-way, by acceptance of this permission Temple Plaza Hotel Inc. for themselves, or their assigns, (by acceptance of permits for construction near underground utility lines, conduits, or mains) waives all claims for damages to the encroaching installations and agree to pay all costs incurred in their removal (or alteration), if removal (or alteration) becomes necessary, and further

Provided, That Temple Plaza Hotel Inc. shall file with the Finance Department and/or City Engineering Division — DPW an indemnity in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance by Temple Plaza Hotel Inc. of the terms thereof. Further, Temple Plaza Hotel Inc. shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the proposed encroachments; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this per-

mission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Temple Plaza Hotel Inc. acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council: and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution and indemnity agreement with the Wayne County Register of Deeds.

Fire Department

June 2, 2014

Honorable City Council:

Re: Request to accept and appropriate FY2013 Assistance to Firefighters Grant Program Grant from FEMA.

The Federal Emergency Management Agency (FEMA) has awarded the City of Detroit Fire Department FY 2013 Assistance to Firefighters Grant Program for a total of \$1,307,000.00. The Federal share is 90 percent or \$1,176,300.00 of the approved amount and a cash match of 20 percent or \$130,700.00. The grant period is April 28, 2014 to April 27, 2015.

The objective of the grant is to prevent death and illness to our firefighters by providing appropriate Self Contained Breathing Apparatus (SCBA) packs to protect them from exposure to acute and chronic health hazards. The funding allotted to the department will be utilized to purchase 200 SCBA packs with facemasks and voice amplifiers. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, Kellie Russell—Budget Manager, will be the fiduciary agent for the grant. The cost center is 240704 and appropriation number is 13833.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Respectfully submitted, EDSEL JENKINS Executive Fire Commissioner

Approved:
PAMELA SCALES
Budget Director
JOHN NAGLICK
Finance Director

By Council Member Jenkins:

Resolved, That the Detroit Fire Department be and is hereby authorized to accept and appropriate a "2013 Assistance to Firefighter Grant Program" to Cost Center 240704 and Appropriation number 13833 in the amount of \$1,176,300.00 and a cash match of \$130,700.00 totaling \$1,307,000.00 from the Federal Emergency Management Agency (FEMA); therefore be it;

Resolved, That the Finance Director be and is hereby authorized to establish the necessary cost centers and appropriations, transfer funds and vouchers when presented, as necessary, for the operation of the program as outlined in the foregoing communication, and; be it further

Resolved That the Detroit Fire Department through the Executive Fire Commissioner or its Deputy Commissioners is authorized to enter into contract with FEMA and DHS to perform the needed grant functions.

Re: Grant No. EMW-2013-FO-05188.

Dear Ms. Russell:

On behalf of the Federal Emergency Management Agency (FEMA) and the Department of Homeland Security (DHS), I am pleased to inform you that your grant application submitted under the FY 2013 Assistance to Firefighters Grant has been approved. FEMA's Grant Programs Directorate (GPD), in consultation with the U.S. Fire Administration (USFA), carries out the Federal responsibilities of administering your grant. The approved project costs total to \$1,307,000.00. The share is 90 percent or Federal \$1,176,300.00 of the approved amount and your share of the costs is 10 percent or \$130,700.00.

Before you request and receive any of the Federal Grant funds awarded to you, you must establish acceptance of the Grant and Grant Agreement Articles through the Assistance to Firefighters Grant Programs' (AFG) egrant system. Please make sure you read and understand the articles as they outline the terms and conditions of your grant award. By accepting the grant, you agree not to deviate from the approved scope of work without prior written approval, via amendment request, from FEMA. Maintain a copy of these documents for your official file.

If your SF 1199A has been reviewed and approved, you will be able to request payments online. Remember, you should request funds when you have an immediate cash need.

If you have any questions or concerns regarding the process to request your grant funds, please call 1-866-274-0960. Sincerelv.

Project Description

The purpose of the Assistance to Firefighters Program is to protect the health and safety of the public and firefighting personnel against fire and fire-

related hazards.

After careful consideration, FEMA has determined that the recipient's project submitted as part of the recipient's application, and detailed in the project narrative as well as the request details section of the application — including budget information - was consistent with the Assistance to Firefighters Grant program's purpose and worthy of award. The recipient shall perform the work described in the approved grant application as itemized in the request details section of the application and further described in the grant application narrative. These sections of the application are made a part of these grant agreement articles by reference. The recipient may not change or make any material deviations from the approved scope of work outlined in the above referenced sections of the application without prior written approval, via amendment request, from FEMA.

Grantee Concurrence

By providing the Primary Contact's electronic signature and indicating acceptance of the award, the recipient accept and agrees to abide by the terms and conditions of the grant as set forth in this document. Recipients agree that they will use the funds provided through the Fiscal Year 2013 Assistance to Firefighters grant in accordance with these Articles of Agreement and the program guidelines provided in the Fiscal Year 2013 Assistance to Firefighters program guidance. All documents submitted as part of the original grant application are made a part of this agreement by reference.

Article I — Administrative Requirements

The administrative requirements that apply to most DHS award recipients through a grant or cooperative agreement arise from two sources: - Office of Management and Budget (OMB) Circular A-102, Uniform Administrative Require-

ments for Grants and Cooperative Agreements to State and Local Governments (also known as the "A-102 Common Rule"), found under FEMA regulations at Title 44, Code of Federal Regulations (CFR) Part 13, "Uniform Administrative Requirements for Grants and Cooperative Agreements to State and Local Governments." - OMB Circular A-110, Uniform Administrative Requirements for Grants and Agreements with Institutions of Higher Education, Hospitals. and Other Non-Profit Organizations, relocated to 2 CFR Part 215. The requirements for allowable costs/cost principles are contained in the A-102 Common Rule, OMB Circular A-110 (2 CFR § 215.27), DHS program legislation, Federal awarding agency regulations, and the terms and conditions of the award. The four costs principles circulars are as follows: - OMB Circular A-21, Principles for Educational Institutions, relocated to CFR Part 220. -OMB Circular A-87, Cost Principles for State. Local. and Indian Governments, relocated to 2 CFR Part 225. — OMB Circular A-122, Cost Principles for Non-Profit Organizations, relocated to 2 CFR Part 230. - OMB Circular A-133, Audits of States, Local Governments and Non-Profit Organizations.

Article II — Lobbying Prohibitions

None of the funds provided under an award may be expended by the recipient to pay any person to influence, or attempt to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with any Federal action concerning the award or renewal of any Federal contract, grant, loan, cooperative agreement. These lobbying prohibitions can be found at 31 U.S.C. § 1352.

Article III — Financial Reporting

Recipients will be required to submit a semi-annual Federal Financial Report (FFR). Standard Form (SF-425) through the AFG online e-grant system. The FFR is intended to provide Federal agencies and grant recipients with a standard format and consistent reporting requirements throughout the government. The FFR is due semi-annually based on the calendar year beginning with the period after the award is made. Recipients are required to submit an FFR throughout the entire period of performance of the grant. The reporting periods for the FFR are January 1 through June 30 (report due by July 31), and July 1 through December 31 (report due by January 31). At the end of the grant's period of performance, all recipients are required to produce a final report on how the grant funding was used and the benefits realized from the award. Recipients must submit a final financial

report and a final performance report within 90 days after the end of the period of performance.

Article IV — GPD — Trafficking Victims Protection Act of 2000

All recipients of financial assistance will comply with the requirements of the government-wide award term which implements Section 106(g) of the Trafficking Victims Protection Act (TVPA) of 2000, as amended (22 U.S.C. § 7104), located at 2 CFR Part 175. This is implemented in accordance with OMB Interim Final Guidance, Federal Register, Volume 72. No. 218. November 13. 2007. In accordance with the statutory requirement, in each agency award under which funding is provided to a private entity, Section 106(g) of the TVPA, as amended. requires the agency to include a condition that authorizes the agency to terminate the award, without penalty, if the recipient or a sub-recipient — (a) Engages in severe forms of trafficking in persons during the period of time that the award is in effect; (b) Procures a commercial sex act during the period of time that the award is in effect; or (c) Uses forced labor in the performance of the award of subawards under the award. Full text of the award is provided at 2 CFR § 175.15.

Article V — GPD — Drug-Free Workplace Regulations

All recipients of financial assistance will comply with the requirements of the Drug-Free Workplace Act of 1988 (41 U.S.C. §701 et seq.), which requires that all organizations receiving grants from any Federal agency agree to maintain a drugfree workplace. The recipient must notify the awarding office if an employee of the recipient is convicted of violating a criminal drug statute. Failure to comply with these requirements may be cause for debarment. These regulations are codified at 2 CFR3001.

Article VI — Fly America Act of 1974

All recipients of financial assistance will comply with the requirements of the Preference for U.S. Flag Air Carriers: Travel supported by U.S. Government funds requirement, which states preference for the use of U.S. flag air carriers (air carriers holding certificates under 49 U.S.C. § 41102) for international air transportation of people and property to the extent that such service is available, in accordance with the International Air Transportation Fair Competitive Practices Act of 1974 (49 U.S.C. — 4 — § 40118) and the interpretative guidelines issued by the Comptroller General of the United States in the March 31, 1981, amendment, to Comptroller General Decision B138942.

Article VII — Activities Conducted Abroad

All recipients of financial assistance will comply with the requirements that project

activities carried on outside the United States are coordinated as necessary with appropriate government authorities and that appropriate licenses, permits, or approvals are obtained.

Article VIII — Acknowledgement of Federal Funding from DHS

All recipients of financial assistance will comply with requirements to acknowledge Federal funding while issuing statements, press releases, requests for proposals, bid invitations, and other documents describing projects or programs funded in whole or in part with Federal funds.

Article IX — Copyright

All recipients of financial assistance will comply with requirements that publications or other exercise of copyright for any work first produced under Federal financial assistance awards hereto related unless the work includes any information that is otherwise controlled by the Government (e.g., classified information or other information subject to national security or export control laws or regulations). For any scientific, technical, or other copyright work based on or containing data first produced under this award, including those works published in academic, technical or professional journals, symposia proceedings, or similar works, the recipient grants the Government a royalty-free, nonexclusive and irrevocable license to reproduce, display, distribute copies, perform, disseminate, or prepare derivative works, and to authorize others to do so, for Government purposes in all such copyrighted works. The recipient shall affix the applicable copyright notices of 17 U.S.C. § 401 or 402 and an acknowledgement of Government sponsorship (including award number) to any work first produced under an award.

Article X — Use of DHS Seal, Logo and Flags

All recipients of financial assistance must obtain DHS's approval prior to using the DHS seal(s), logos, crests or reproductions of flags or likenesses of DHS agency officials, including use of the United States Coast Guard seal, logo, crests or reproductions of flags or likenesses of Coast Guard officials.

Article XI — DHS Specific Acknowledgements and Assurances

All recipients of financial assistance must acknowledge and agree-and require any subrecipients, contractors, successors, transferees, and assignees acknowledge and agree-to comply with applicable provisions governing DHS access to records, accounts, documents, information, facilities, and staff. 1. Recipients must cooperate with any compliance review or complaint investigation conducted by DHS. 2. Recipients must give DHS access to and the right to examine and copy records, accounts, and other documents and sources of information related

to the grant and permit access to facilities, personnel, and other individuals and information as may be necessary, as required by DHS regulations and other applicable laws or program guidance. 3. Recipients must submit timely, complete, and accurate reports to the appropriate DHS officials and maintain appropriate backup documentation to support the reports. Recipients must comply with all other special reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance. 5. If, during the past three years, the recipient has been accused of discrimination on the grounds of race, color, national origin (including limited English proficiency), sex, age, disability, religion, or familial status, the recipient must provide a list of all such proceedings, pending or completed, including outcome and copies of settlement agreements to the DHS awarding office and the DHS Office of Civil Rights and Civil Liberties. 6. In the event any court or administrative agency makes a finding of discrimination on grounds of race, color, national origin (including limited English proficiency), sex, age, disability, religion, or familial status against the recipient, or the recipient settles a case or matter alleging such discrimination, recipients must forward a copy of the complaint and findings to the DHS Component and/or awarding office. The United States has the right to seek judicial enforcement of these obligations.

Article XII - Civil Rights Act of 1964

Recipients of financial assistance will comply with the requirements of Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d et seq.), which provides that no person in the United States will, on the grounds of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance.

Article XIII — Civil Rights Act of 1968

All recipients of financial assistance will comply with Title VIII of the Civil Rights Act of 1968, which prohibits recipients from discriminating in the sale, rental, financing, and advertising of dwellings, or in the provision of services in connection therewith, on the basis of race, color, national origin, religion, disability, familial status, and sex (42 U.S.C. § 3601 et seq.), as implemented by the Department of Housing and Urban Development at 24 CFR Part 100. The prohibition on disability discrimination includes the requirement that new multifamily housing with four or more dwelling units — i.e., the public and common use areas and individual apartment units (all units in buildings with elevators and ground-floor units in buildings without elevators) - be designed and constructed with certain accessible features (see 24 CFR § 100.201).

Article XIV — Americans with Disabilities Act of 1990

All recipients of financial assistance will comply with the requirements of Titles I, II, and III of the Americans with Disabilities Act, which prohibits recipients from discriminating on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12101-12213).

Article XV — Age Discrimination Act of 1975

All recipients of financial assistance will comply with the requirements of the Age Discrimination Act of 1975 (42 U.S.C. § 6101 et seq.), which prohibits discrimination on the basis of age in any program or activity receiving Federal financial assistance.

Article XVI — Title IX of the Education Amendments of 1972

All recipients of financial assistance will comply with the requirements of Title IX of the Education Amendments of 1972 (20 U.S.C. § 1681 et seq.), which provides that no person in the United States will, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any educational program or activity receiving Federal financial assistance. These regulations are codified at 44 CFR Part 19.

Article XVII — Rehabilitation Act of 1973

All recipients of financial assistance will comply with the requirements of Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794, as amended, which provides that no otherwise qualified handicapped individual in the United States will, solely by reason of the handicap, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving Federal financial assistance. These requirements pertain to the provision of benefits or services as well as to employment.

Article XVIII — Limited English Proficiency

All recipients of financial assistance will comply with the requirements of Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin and resulting agency guidance, national origin discrimination includes discrimination on the basis of limited English proficiency (LEP). To ensure compliance with Title VI, recipients must take reasonable steps to ensure that LEP persons have meaningful access to your programs. Meaningful access may entail providing language assistance services, including oral and written translation, where necessary. Recipients are encouraged to consider the need for language services for LEP persons served or encountered both in developing budgets and in conducting programs and activities. For assistance and information regarding LEP obligations, go to http://www.lep.gov.

Article XIX — Animal Welfare Act of 1966

All recipients of financial assistance will comply with the requirements of the Animal Welfare Act, as amended (7 U.S.C. §2131 et seq.), which requires that minimum standards of care and treatment be provided for vertebrate animals bred for commercial sale, used in research, transported commercially, or exhibited to the public. Recipients must establish appropriate policies and procedures for the humane care and use of animals based on the Guide for the Care and Use of Laboratory Animals and comply with the Public Health Service Policy and Government Principles Regarding the Care and Use of Animals.

Article XX — Clean Air Act of 1970 and Clean Water Act of 1977

All recipients of financial assistance will comply with the requirements of 42 U.S.C. § 7401 et seq. and Executive Order 11738, which provides for the protection and enhancement of the quality of the nation's air resources to promote public health and welfare and for restoring and maintaining the chemical, physical, and biological integrity of the nation's waters is considered research for other purposes.

Article XXI — Protection of Human Subjects

All recipients of financial assistance will comply with the requirements of the Federal regulations at 45 CFR Part 46, which requires that recipients comply with applicable provisions/law for the protection of human subjects for purposes of research. Recipients must also comply with the requirements in DHS Management Directive 026-04, Protection of Human Subjects, prior to implementing any work with human subjects. For purposes of 45 CFR Part 46, research means a systematic investigation, including research, development, testing, and evaluation, designed to develop or contribute to general knowledge. Activities that meet this definition constitute research for purposes of this policy, whether or not they are conducted or supported under a program that is considered research for other purposes. The regulations specify additional protections for research involving human fetuses, pregnant women, and neonates (Subpart B); prisoners (Subpart C); and children (Subpart D). The use of autopsy materials is governed by applicable State and local law and is not directly regulated by 45 CFR Part 46.

Article XXII — National Environmental Policy Act (NEPA) of 1969

All recipients of financial assistance will

comply with the requirements of the National Environmental Policy Act (NEPA), as amended, 42 U.S.C. § 4331 et seq., which establishes national policy goals and procedures to protect and enhance the environment, including protection against natural disasters. To comply with NEPA for its grant-supported activities, DHS requires the environmental aspects of construction grants (and certain non-construction projects as specified by the Component and awarding office) to be reviewed and evaluated before final action on the application.

Article XXIII — National Flood Insurance Act of 1968

All recipients of financial assistance will comply with the requirements of Section 1306(c) of the National Flood Insurance Act, as amended, which provides for benefit payments under the Standard Flood Insurance Policy for demolition or relocation of a structure insured under the Act that is located along the shore of a lake or other body of water and that is certified by an appropriate State or local land use authority to be subject to imminent collapse or subsidence as a result of erosion or undermining caused by waves or currents of water exceeding anticipated cyclical levels. These regulations are codified at 44CFR Part 63.

Article XXIV — Flood Disaster Protection Act of 1973

All recipients of financial assistance will comply with the requirements of the Flood Disaster Protection Act of 1973, as amended (42 U.S.C. § 4001 et seq.), which provides that no Federal financial assistance to acquire, modernize, or construct property may be provided in identified flood-prone communities in the United States, unless the community participates in the National Flood Insurance Program and flood insurance is purchased within one year of the identification. The flood insurance purchase requirement applies to both public and private applicants for DHS support. Lists of flood prone areas that are eligible for flood insurance are published in the Federal Register by FEMA.

Article XXV — Coastal Wetlands Planning, Protection, and Restoration Act of 1990

All recipients of financial assistance will comply with the requirements of Executive Order 11990, which provides that federally funded construction and improvements minimize the destruction, loss, or degradation of wetlands. The Executive Order provides that, in furtherance of Section 101(b)(3) of NEPA (42 U.S.C. § 4331(b)(3)), Federal agencies, to the extent permitted by law, must avoid undertaking or assisting with new construction located in wetlands unless the head of the agency finds that there is no practicable alternative to such construc-

tion, and that the proposed action includes all practicable measures to minimize harm to wetlands that may result from such use. In making this finding, the head of the agency may take into account economic, environmental, and other pertinent factors. The public disclosure requirement described above also pertains to early public review of any plans or proposals for new construction in wetlands. This is codified at 44 CFR Part 9.

Article XXVI — USA Patriot Act of 2001

All recipients of financial assistance will comply with the requirements of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism (USA PATRIOT Act), which amends 18 U.S.C. §§ 175-175c. Among other things, it prescribes criminal penalties for possession of any biological agent, toxin, or delivery system of a type or in a quantity that is not reasonably justified by a prophylactic, protective, bona fide research, or other peaceful purpose. The act also establishes restrictions on access to specified materials. "Restricted persons," as defined by the act, may not possess, ship, transport, or receive any biological agent or toxin that is listed as a select agent.

Article XXVII — Environmental Planning and Historic Preservation Screening

AFG funded activities (Modification to Facility or Equipment) that may require an EHP review, involving the installation or requiring renovations to facilities, including but not limited to air compressor/fill station/cascade system (Fixed) for filling SCBA, air improvement systems, alarm systems, antennas, gear dryer, generators (fixed), permanently mounted signs, renovations to facilities, sprinklers, vehicle exhaust systems (fixed) or washer/extractors are subject to FEMA's Environmental Planning and Historic Preservation (EHP) review process.

FEMA is required to consider the potential impacts to natural and cultural resources of all projects funded by FEMA grant funds, through its EHP Review process, as mandated by the National Environmental Policy Act; National Historic Preservation Act of 1966, as amended; National Flood Insurance Program regulations; and, any other applicable laws and Executive Orders.

To access the FEMA's Environmental and Historic Preservation (EHP) screening form and instructions go to our Department of Homeland Security/Federal Emergency Management Agency—website at: https://www.fema.gov/library/view/Record.do?id=6906

In order to initiate EHP review of your project(s), you must complete all relevant sections of this form and submit it to the Grant Programs Directorate (GPD) along

with all other pertinent project information. Failure to provide requisite information could result in delays in the release of grant funds.

Article XXVIII — Vehicle Awards

If awarded any AFG vehicle grant, you must obtain a vehicle purchase contract from the vendor or manufacturer and send it by e-mail to your AFG Regional Representative. A list of the AFG Regional Representatives and their contact information can be found on the AFG website at http://www.fema.gov/fire-grant-contact-information.

The grantee must include in their vehicle purchase contract specific performance requirements and penalties (penalty clause) for noncompliance with the requirements. The clause should specify a delivery date for the vehicle under contract and include a provision for a penalty for non-delivery on the specified date. Non-delivery by the contract's guaranteed date should require a penalty for non-performance of at least \$100 per day until the date that the vehicle is delivered.

It is recommended that any department/organization that will advance their own local funds to their vendor prior to receipt of the vehicle obtain a performance bond. The bond may be obtained through the vendor or a local bank.

It is required that any department/organization that will advance of Federal funds to their vendor prior to receipt of the vehicle obtain a prepayment bond. A prepayment bond may be obtained through your bank or the vendor. The cost for the bond may be included in the grant.

Grantees that fail to comply with these requirements — fail to provide the AFG with a copy of the vehicle purchase contract, or fail to obtain the necessary prepayment bond — will not be eligible for an extension of the grant's period of performance

If you have questions about these procedures, please contact the AFG Help Desk at 1-866-274-0960, or send an email to firegrants@dhs.gov.

Honorable City Council:

Re: Proposed Ordinance to Amend Chapter 41 of the 1984 Detroit City Code, Peddlers, Solicitors and Vendors.

Pursuant to the applicable provisions of the 2012 Charter, the above-referenced ordinance is being submitted to your Honorable Body for consideration. This proposed ordinance will replace the recently repealed provisions of Chapter 55, Traffic and Motor Vehicles, Article XI, Ice Cream Trucks, by amending Chapter 41, Peddlers, Solicitors and Vendors, to add Article VII, Ice Cream Trucks, which provides provisions regarding the regulation of Ice Cream Truck Vendors and provides additional licensing provisions consistent with general licensing requirements found in the 1984 Detroit City Code.

We request that this proposed ordinance be introduced and that a public hearing be scheduled at the earliest possible dates. We are available to answer any questions that you may have concerning this proposed ordinance.

Thank you for your consideration.

Respectfully submitted,

TONJA R. LONG

Assistant Corporation Counsel By Council Member Jenkins:

AN ORDINANCE to amend Chapter 41 of the 1984 Detroit City Code, Peddlers, Solicitors and Vendors, by adding Article VII, Ice Cream Trucks, Division 1, Generally, consisting of Sections 41-7-1 through 41-7-20, and Division 2, License, consisting of Sections 41-7-21 through 41-7-50, to regulate the operation and license of Ice Cream Truck Vendors in the City.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 41 of the 1984 Detroit City Code, *Peddlers, Solicitors* and *Vendors,* by adding Article VII, *Ice Cream Trucks,* Division 1. *Generally,* consisting of Sections 41-7-1 through 41-7-20, and Division 2, *License,* consisting of Sections 41-7-21 through 41-7-50, to read as follows:

CHAPTER 41. PEDDLERS, SOLICITORS AND VENDORS

ARTICLE VII. ICE CREAM TRUCKS

DIVISION 1. GENERALLY

Sec. 47-7-1. Definitions.

For the purposes of this article, the following words and phrases shall have the meanings respectively ascribed to them by this section:

lce cream truck means every motor vehicle in which ice cream, ice milk, frozen dairy products or ice flavored with syrup are carried for purposes of retail sale on the streets of the City.

Vend or vending means offering ice cream, ice milk, frozen dairy products or ice flavored with syrup for sale from a motor vehicle on the streets of the City.

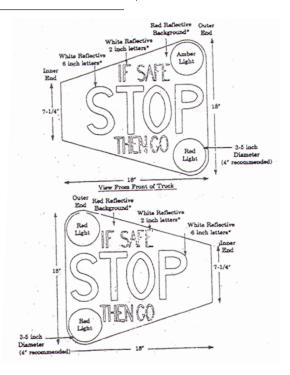

Sec. 41-7-2. Additional equipment

required.

(a) In addition to other equipment

required by law, every ice cream truck shall be equipped with:

- (1) Signal lamps mounted at the same level and as high and as widely spaced laterally as practicable. These lamps shall be five to seven inches in diameter and shall display two alternately flashing amber lights on the front of the vehicles and two alternately flashing red lights on the rear of the vehicle, both lights visible at 500 feet in normal sunlight upon a straight level street.
- (2) A stop signal arm that can be extended horizontally from the left side of the truck duplicating the design size and specifications shown in subsection (b) of this section. This arm shall be red and white in color and contain two alternately flashing lights three to five inches in diameter visible at 300 feet to the front and rear in normal sunlight upon a straight level highway. The color of the two lights facing to the front shall be amber and the two lights facing to the rear shall be red. The bottom of the signal arm shall be forty-two (42) inches above the highway.
- (3) A convex mirror mounted on the front so the driver in his normal seating position can see the area in front of the truck obscured by the hood.
- (b) The stop signal arm required by Subsection (a)(2) of this section shall meet the color specifications in the Federal Highway Administration Standard Color Charts and look as follows:

Sec. 41-7-3. Use of special lights and stop signal arm.

- (a) The driver of an ice cream truck stopped on the streets for the purpose of vending shall actuate the special flashing lights and extend the stop signal arm required by Section 41-7-2 of this Code.
- (b) These lights and the stop signal arm shall not be used when the truck is in motion or at any time when the truck is stopped for a purpose other than vending. Sec. 41-7-4. Vending restrictions.
- (a) A person shall not vend on main thoroughfares or in the Central Business District, on streets where the speed limit exceeds 25 miles per hour or in other areas of the city where sale is already prohibited by local ordinance.
- (b) A person shall not vend within 500 feet of any property used as a school from one hour before the regular school day to one hour after the regular school day, provided, that this subsection shall not apply on days when school is not attended by children nor on school property when vending has been approved in writing by the principal.
- (c) A person shall vend only when the ice cream truck is lawfully parked or stopped.
- (d) A person shall vend only from the side of the truck away from moving traffic and as near as possible to the curb or edge of the street.
- (e) A person shall not vend to a person standing in the roadway.
- (f) A person shall not stop on the left side of a one-way street to vend.

Sec. 41-7-5. Backing restriction.

The driver of an ice cream truck shall not back such truck in order to make or attempt a sale.

Sec. 41-7-6. Unauthorized riders prohibited.

- (a) The driver of an ice cream truck shall not permit any unauthorized person to ride in or on the vehicle.
- (b) A person shall not ride in or on an ice cream truck unless employed by its owner or unless authorized in writing to do so by the owner or by the Police Department.

Sec. 41-7-7 — 41-7-20. Reserved. DIVISION 2. LICENSE

Sec. 41-7-21. Required.

- It shall be unlawful to conduct or to maintain any ice cream truck in the City without first having obtained a license in the form of a decal for each truck from the Buildings, Safety Engineering and Environmental Department Business License Center to operate such business. Sec. 41-7-22. Application; information required.
- (a) An application for a license under this division shall be made on a form that is provided by the Buildings, Safety Engineering and Environmental Department Business License Center.

- The application shall be considered completed when the appropriate person has signed and dated the application in the presence of a notary public, has paid the required license fee, and has provided the information that is required on the form, including:
- (1) Where the applicant is an individual: a. The applicant's full legal name and any other name used by the applicant during the preceding five years;
- b. The applicant's current mailing address and e-mail address; and
- c. Written proof of age in the form of a driver's license, or a picture identification document containing the applicant's date of birth issued by a governmental agency, or a copy of a birth certificate accompanied by an picture identification document issued by a governmental agency;
- (2) Where the applicant is a partnership: a. The legal name and any other name used by the partners during the preceding five years; and
- b. The current mailing address and email address for the business;
- (3) Where the applicant conducts business under a trade or assumed name:
- a. The complete and full trade or assumed name;
- b. The county where and date that the trade or assumed name was filed;
- c. The name of the person doing business under such trade or assumed name, the manager, and other person in charge; and
- d. The current mailing address and e-mail address for the business;
- (4) Where the applicant is a corporation:
- a. The full and accurate corporate name;
- b. The state and date of incorporation;
 c. The full names and addresses of officers, directors, managers, and other persons with authority to bind the corporation;
 and
- d. The current mailing address and e-mail address for the business;
- (5) The name, business address, and telephone number of the business; and
- (6) The name and business address of the statutory agent, or other agent, who is authorized to receive service of process.
- (b) Any information provided in accordance with Subsection (a) of this section shall be supplemented in writing and sent by certified mail, return receipt requested, to the Buildings, Safety Engineering and Environmental Department Business License Center within ten business days of a change of circumstances that would render false or incomplete the information that was previously submitted.

Sec. 41-7-23. Establishment, approval posting and payment of annual fee.

(a) A nonrefundable fee shall be charged for the processing and issuance of a license under this division. In accor-

dance with Chapter 30 of this Code, Licenses, the Director of the Buildings, Safety Engineering and Environmental Department shall establish this fee based upon the cost of issuance and administration of the licensing regulations, and the City Council shall approve the fee through adoption of a resolution. The fee shall be posted on a schedule at the Buildings, Safety Engineering and Environmental Department Business License Center.

(b) A fee shall be charged each new licensee, any current licensee who applies to renew an existing license, or a current licensee applying for a license at

another location.

(c) Prior to the expiration of a current license, a licensee shall submit an application for renewal and pay an annual fee for the renewal of a license. Submission of an application for renewal and payment of the license fee before the expiration date of the license shall allow for the continued operation of the business for the location until such time that the license renewal application is denied, or the license is suspended or revoked.

Sec. 41-7-24. Investigation required to confirm no City tax or assessment arrearage.

- (a) Upon application and before any license that is required by this division shall be issued or renewed, it shall be the duty of the Buildings, Safety Engineering and Environmental Department Business License Center to refer such application to the Finance Director who shall cause an investigation to be completed in accordance with Section 2-113 of the Charter to determine whether any property tax, income tax, personal tax or special assessments are unpaid, outstanding or delinquent to the City.
- (b) A license shall not be issued or renewed by the Buildings, Safety Engineering and Environmental Department Business License Center until the Finance Director has given a written confirmation that the applicant is not in arrears to the City for taxes or assessments that are delineated in Subsection (a) of this section.

Sec. 41-7-25. inspection of vehicle.

Every ice cream truck shall be inspected by the Department of Health once each year prior to its use in this city for the purpose of retail sales of frozen dairy products. The Department shall inspect each ice cream truck to determine whether the vehicle complies with Section 41-7-2 of this Code and with this Code and state law.

Sec. 41-7-26. Buildings, Safety Engineering and Environmental Department Business License Center to take action upon application.

Upon compliance with Sections 41-7-21 through 41-7-25 of this Code, the Buildings, Safety Engineering and Environmental Department Business License Center shall issue an annual license for a business in accordance with Chapter 30 of this Code, *Licenses*.

Sec. 41-7-27. Non-transferable.

All licenses issued under this division are not transferable to another individual, partnership, corporation or other legal entity.

Sec. 41-7-28. Expiration date and renewal requirements.

(a) A license that is issued under this division shall expire on April 30th of each year.

(b) A business license that is issued under this division shall remain valid until the expiration date unless suspended or revoked in accordance with Chapter 30 of this Code, *Licenses*.

(c) A business license that is issued under this division may be renewed only by submitting a completed application and paying the required fee as provided for in this division.

(d) All applications for renewal of a license that is issued under this division shall be filed before May 1st of each year. Sec. 41-1-29. Suspension, revocation,

or denial of renewal.

A license that is issued under this division may be suspended, revoked, or denied renewal in accordance with Chapter 30 of this Code, Licenses.

Secs. 41-7-30 — 41-7-50. Reserved. Section 2. All ordinances or parts of ordinances which conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 4. This ordinance shall take affect on July 1, 2014. Approved as to form:

Melvin B. Hollowell Corporation Counsel

RESOLUTION SETTING HEARING By Council Member Jenkins:

Resolved, That a public hearing will be held on MONDAY JULY 14, 2014 at 10:06 A.M. by this body in the Committee Room, 13th Floor of the Coleman A. Young Municipal Center, for the purpose of considering the advisability of adopting the foregoing Proposed Ordinance to Amend Chapter 41 of the 1984 Detroit City Code, Peddlers, Solicitors and Vendors, by adding Article VII, Ice Cream Trucks, Division 1. Generally, consisting of Sections 41-7-1 through 41-7-20, and Division 2, License, consisting of Sections 41-7-21 through 41-7-50, to regulate the operation and license of Ice Cream Truck Vendors in the City. This proposed ordinance replaces the recently repealed provisions regarding regulation of Ice Cream Truck Vendors found in Chapter 55, *Traffic and Motor Vehicles*, Article XI, Ice Cream Trucks, and provides additional licensing provisions consistent with general licensing requirements found in the 1984 Detroit City Code.

Planning & Development Department June 17, 2014

Honorable City Council:

Re: Formal Request for Authorization for the City of Detroit's Planning & Development Department to Apply for the Department of Housing & Urban Development Department (HUD) Lead Hazard Reduction Demonstration Program Grant.

This correspondence serves as a formal request to City Council for the authorization for the City of Detroit, Planning and Development Department's (P&DD) to submit to the Department of Housing and Urban Development (HUD) an application for the "2014 Lead Hazard Reduction Demonstration Program Grant" under the "Notice of Funding Availability" (NOFA) announced May 13, 2014. This funding is administered through HUD's Office of Healthy Homes and Lead Hazard Control. The funding amount for this application will be \$3.9 Million. The application closing date is June 27, 2014. This is a three-year grant which, if awarded, will begin December, 2014.

The NOFA is a competitive grant. P&DD has had success in receiving this award grant for three consecutive cycles beginning in 2004. It has met performance requirements with performance ratings averaging 90% for all three grant awards, and is nationally recognized as a model program.

The purpose of the grant award is to assist P&DD in its continuing efforts to support "at risk" families and children in preventing lead-based paint poisioning through direct lead-based hazard reduction and control. The following essential services will be supported through the grant award: Program design and implementation, referral coordination, community education and awareness, leadbased paint inspections and risk assessments, performance of lead hazard control measures in single-family owneroccupied housing and rental properties (1) to 4 units), and "Healthy Homes" services to further reduce home health hazards. The funding is also essential in supporting the City's Consolidated Plan and strategic goals of eliminating blight and providing safe housing for its residents. It will serve as a match to the existing Housing Rehabilitation Program, and allow us to increase the number of homes serviced during the three year grant period.

P&DD hereby requests authorization to apply for this much needed grant. If we are successful in securing the award, we will formally request authorization to accept these funds.

Respectfully submitted, F. THOMAS LEWAND Group Executive Mayor's Office

Resolution to Authorize the Planning and Development Department to Apply for the HUD 2014 Lead Hazard Reduction Demonstration Program

Grant

By Council Member Leland:

Whereas, The U.S. Department of Housing and Urban Development will provide a maximum of \$3.9 Million to successful applicants to accomplish the following objectives; (1) Maximize the number of children less than six years of age protected from lead poisoning and the number of housing units where lead hazards are controlled; (2) Target lead hazard control efforts in housing in which children are at greatest risk of lead poisoning; (3) Develop a comprehensive communitybased approach to address lead hazards in housing by mobilizing public and private sector resources including grassroots community-based non-profit and faith-based organizations, and

Whereas, According to the Centers for Disease Control, Detroit was ranked seventh in the nation for childhood lead poisoning. In recent years, one out of every ten Detroit children were lead poisoned; in several areas of the city, this number was as high one in five. Thus, childhood lead poisoning in Detroit is at a crisis level, and

Whereas, Despite the risk of lead poisoning, in 2002 only 35% (32,540) of Detroit children under six were tested, and of those 2,830 were identified as being lead poisoned. Therefore, approximately 60,825 children have not been tested and potentially, 5,413 lead poisoned children in Detroit have not yet been identified, and

Whereas, Despite a recent increase in publicity around childhood lead poisoning, there remains a great need to continue providing comprehensive education to families and property owners about its dangers, how it can be prevented, and resources that are available to help, particularly for those children and properties identified to be at-risk for lead, and

Whereas, The Detroit City Council has made the control and prevention of lead poisoning a priority and for the past three

years, has allocated funds for home repair of households with lead poisoned children citywide during the period of 2001-2004. They have also allocated nearly \$5 million over that time to address other lead hazard control activities and services in Detroit. Now, Therefore, Be It

Resolved, That the Detroit City Council approves and supports the Planning and Development Department (P&DD) to apply for HUD's 2014 Lead Hazard Reduction Demonstration Program Grant to assist in addressing lead hazards in Detroit where children are at greatest risk of lead poisoning. Upon receipt of these funds, the Planning and Development Department (P&DD) will formally seek approval from the Detroit City Council to accept these funds.

Re: Contract No. 2894023 M-1 Rail and M-2 Rail.

2894023 — Construction Operations and Maintenance Agreement (COMA) between the City of Detroit and M1/M2 Rail. The COMA grants licenses to M1/M2 Rail to permit construction and operation of the streetcar system within the City's right of way. The COMA requires M1/M2 Rail to make a net "global payment" of \$5 million to cover all City departmental costs of review and permit fees, relocation of impacted City utilities and potential lost parking meter and parking garage revenues. The COMA imposes road maintenance, repair, restoration, and traffic control requirements. During the course of construction, businesses and residents along the impacted stretch of Woodward will receive notification from M-1 at least 30 days in advance of construction occurring directly in front of their buildings or on the block they reside.

The COMA recognizes and acknowledges federal labor obligations that have to be met Per the Federal Transit Act 49 USC Part 53, **Section 13C** and provides for protections to DDOT employees to ensure they are not negatively impacted by the construction or operation of the streetcar system.

RESOLUTION IN MEMORIAM FOR

DONALD "THE DON" DAVIS

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow homage upon the late great legendary Don Davis, a highly respected and revered entertainment pioneer and banking industry mogul who departed this life on June 5, 2014; and

WHEREAS, Don Davis was a legendary music producer, lifelong entrepreneur and the CEO and chairman of First Independence Bank, Michigan's only African-American owned and operated commercial bank. Having worked up through the ranks of Detroit music in the 1960s — first as a session guitarist as part of Motown Records famed rhythm section — he headed to Memphis soul label Stax Records in the late 1960s and moved behind the controls in the studio as the head of production, turning out his first bid production hit in 1968 "Who's Making Love," which topped Billboard's R&B chart. He did a tremendous job at Stax and had a keen ear for sound and a talent for knowing how to assemble and put hits together. He founded his independent label, Groovesville Music/BMI in 1963. Eventually he headed home and purchased the legendary United Sound Systems recording studio in 1971, turning the vintage Detroit studio into a hit hotspot and helped to define the pop landscape of the mid '70s. Many of his compositions became Billboard chart-topping, platinum-selling hits. As a three-time Grammy Award-winner he made so many historical contributions to the music industry; and

WHEREAS, In 1981 he became a banker, taking over the struggling First Independence Bank, rebuilding it to more than \$200 million in assets. It was ranked as the 12th-largest African-American owned bank in the United States in 2013 and several years past. He leaves the bank in strong financial condition as indicated by the bank's 5 Star (highest possible rating) Bauer rating. In 1999, he initiated the creation of another First Independence Corporation affiliate. Minority Alliance Capital, LLC, Michigan-based equipment leasing firm and joint-venture of First Independence Bank, City National Bank of Newark, N.J., and Liberty Bank of New Orleans, LA which are all nationally prominent African-American banking institutions. He found-Detroit-based Liberty Management Insurance, a full service insurance agency, in 1987 to provide comprehensive risk analysis and marketing services to public entitles and Fortune 500 corporations; and

WHEREAS, An active patron of the arts

and supporter of charitable organizations, Don Davis served on the boards of the Detroit Economic Club, Local Initiatives Support Corporations, and the Booker T. Washington Business Association. The Don Davis Scholarship Foundation will be underway to ensure the continuity of educational achievement and the preservation of his legacy for years to come. Far beyond all of his musical and banking industry contributions and achievements. he viewed his marriage to his wife Kiko and the fathering of his three wonderful children as his greatest accomplishment. Don Davis ensured that his impact would be forever embedded in the hearts of both kin and friends alike. NOW. THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby expresses its deepest condolences, and awards this Testimonial Resolution in Memoriam to the family of Don Davis, a phenomenal man and an example for us to adhere to.

Michigan University, School of Police Staff
and Command, and is currently pursuing
a bachelor's degree in Public Safety
Administrtion at Eastern Michigan
University; and

WHEREAS, Charles D. Wilson was appointed to the Detroit Department on November 20, 1995. Upon graduation from the Police Academy, he began his illustrious career as a police officer at the Twelfth Precinct. On March 17, 1997, he transferred to the Commercial Auto Theft Section where he developed and utilized keen observation skills and knowledge of criminal laws to apprehend some of the city's most violent criminals. On August 11, 2000, Officer Wilkson was promoted to the rank of Sergeant and was assigned to the Public Corruption Unit and later, Internal Affairs. While working these assignments, he was often times tasked with the responsibility of investigating high priority cases. These units required the utmost integrity, honesty, and thoroughness, in regards to effectively investigating the allegations of misconduct against members of the

Detroit Police Department, as well as, other city officials; and

WHEREAS, On June 15, 2006, Sergeant Wilson was promoted to the rank of Lieutenent and assigned to the Homicide Section, where he effectively supervised a team of homicide investigators. He was later assigned to the position of Executive Staff Lieutenent and served as the Commanding Officer of the Homicide Section on various occasions. On April 30, 2007, Commander Wilson was assigned to the Office of the Chief for Police Chief Ella M. Bully Cummings, where he served as a key player in many capacities. On September 18, 2008, Commander Wilson was transferred to the Tactical Operations Section and served as the Commanding Officer. Part of his responsibilities involved coordinating many major events such as the National Collegiate Athletic Association (NCAA) Final Four, Thanksgiving Day Parades, the North American International Auto Show and the Major League Baseball World Series; and

WHEREAS, On February 7, 2011, Commander Wilson embarked on an exciting role as the Chief of Staff for Police Chief Ralph Godbee. Shortly afterwards he was elevated to the rank of Inspector on March 3, 2011. In his newly assigned role as Inspector, he was directly responsible for the development and implementation of several department initiatives and policies, such as Secondry Employment, Narcotic Intensity Patrol Impact Teams (NIPIT) and the Westside/ Eastside Special Operations Detail. Commander Wilson was promoted to the rank of Commander on October 7, 2013, where he served as Chief of Staff for Police Chief James E. Craig and his final position as Commanding Officer of the Chief's Neighborhood Liaison Office, Media Relations, Secondary Employment, and Executive Protection; and

WHEREAS, During Commander Wilson's career, he was the recipient of a Chief's Citation and Merit Award, and numerous other department awards, commendations, and letters of appreciation. He was also named the 1998 Detroit Police Officer's Association Officer of the Year, for his work uncovering a carjacking and auto theft ring. Throughout his career, Commander Wilson has proven himself to be a remarkable leader and dynamic force within the community. He is widely respected throughout the law enforcement community and especially by the citizens he served. Without question, his pledge to the Detroit Police Department is firm and his enthusiasm is a valuable asset to this city. NOW, THEREFORE BE

RESOLVED, That the Detroit City Council and the office of Council President Brenda Jones, hereby pays homage to Commander Charles D. Wilson for his loyal service with the Detroit Police Department and for protecting our citizens! You were an outstanding role model for our Police Officers and our Community. May God continue to bless your future endeavors.

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon John Wesley Spraggins, a devoted husband, father, grandfather and great grandfather. World War II Veteran, and a successful entrepreneur, on the occasion of his 100th Birthday; and

WHÉREAS, John Wesley Spraggins was born July 12, 1914, in Morgan County, Alabama, the cherished son of the late Wash and Georgia Mae Spraggins. In 1941 he moved to Detroit, Michigan from Decatur, Alabama. He joined the United States Navy during World War II and proudly served his country. He received an honorable discharge at the rank of Steward Third Class (T) USNR on January 19, 1946. He was awarded the "Asiatic-Pacific Area Medal," "American Area Medal," and the "Victory Medal" honoring his military service; and

WHEREAS, After graduating in 1948 from the Michigan Barber School on Hastings Street he became a Master Barber. Thus began the legacy of the "Spraggins Barber & Beauty Shop, located at 2925 Brush Street, which was later demolished due to development in the area. John Wesley Spraggins' entrepreneurial spirit led him to establish multiple businesses and he has been a proud business owner in the City of Detroit for sixty-six years. He owned a confectionery business and was also a landlord of rental properties. In 1970 he re-opened the

"Spraggins Barber Shop" at 3440 Fenkell and has operated there for more than forty years; and

WHEREAS, John Wesley Spraggins married the love of his life, Lillie Mae Parker on September 3, 1952 in Florence, South Carolina and they were blessed with two children. Geraldine Young and Hasina Nettles who are proud members of the Detroit Police Department. He was a faithful member of New Bethel Baptist Church for forty-two years before joining Tabernacle Missionary Baptist Church. He holds membership status in several organizations including the Benjamin O. Davis Sr. American Legion, Post 132, ACLU of Michigan, and he is a life-time member of the NAACP. He was featured as "The Barber of Fenkell" in a Detroit Free Press article on June 20, 1982. John Wesley Spraggins is a man of courage and principle and truly amazing individual who has an incredible amount of life experience and wisdom.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby presents this Testimonial Resolution to John Wesley Spraggins, as a gesture of admiration, respect and appreciation on the occasion of his 100th Birthday.

City of Detroit Downtown Development Authority June 19, 2014

Honorable City Council:

Re: Downtown Development Authority FY 2014-2015 Budget.

Pursuant to Article 28, Act 197, as amended, we have prepared the attached FY 2014-2015 Downtown Development Authority's General Fund Budget for your approval prior to its adoption by DDA.

The amount of funds available from the one mill tax for FY 2014-2015 has been estimated at \$850,000.00, net of collection delinquencies and reserves for tax settlements, reflecting no change from the Fiscal Year 2013-2014. Transfer from the DDA's Tax Increment Fund will remain unchanged from the 2013-2014 budgeted allocation of \$750.000.00.

The FY 2014-2015 budget reflects revenues of \$960,000.00 to be generated from the parking operations, representing a \$210,000.00 increase to more closely reflect the actual parking revenues from FY 2013-2014. Transfer from Fund Balance has been estimated at \$130,000.00, which is needed to offset the anticipated shortfall in revenue for FY 2014-2015.

On the appropriations side, contractual services of \$1,635,000.00, reflects no change from last year's allocation. The budgeted amount of \$516,000.00 for professional services and fees, inclusive of a \$10,000.00 expense for Computer Support, reflects \$30,000.00 increase from the 2013-2014 Fiscal Year attributable to anticipated increase in insurance costs. There is a \$60,000.00 FY 2014-2015 budgeted expense related to parking operations. Finally, \$500,000.00 of allocated funds for Special Projects and Contingencies for FY 2014-2015 indicates no increase from last year.

We respectfully request City Council's approval of the attached budget at its July 1, 2014 formal meeting. A waiver of reconsideration is requested.

Should any member of the Council have any questions, please contact me at 237-4638.

PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE

Planning & Development Department

May 27, 2014

Honorable City Council:

Re: Transfer of Jurisdiction/Surplus of Real Property. Lipke Rec. Center/ Lipke Playfield (19314/19320 Van Dyke, Detroit, MI).

The Detroit Recreation Department has recently requested that the Finance Department transfer jurisdiction of Lipke Recreation Center and Lipke Playfield to the Planning & Development Department ("P&DD") for the purposes of P&DD's surplus and sale of the property.

Lipke Recreation Center and Lipke Playfield are located at 19314/19320 Van Dyke, Detroit, MI. Lipke Recreation Center is a 33,506 square foot building that includes a gym and a pool. Lipke Playfield a 14.36 acre site, surrounds the center and includes a playscape, ball fields and open green space. The center is currently closed to the public. Given declining budget resources, the City lacks the funding to adequately operate, maintain and improve the center. As such, we believe it to be in the best interests of the City to surplus and sell the property.

Pursuant to Sec. 14-8-3 of the Detroit City Code, it is hereby requested by the Finance Department that Detroit City Council approve the transfer of jurisdiction over 19314/19320 Van Dyke to P&DD. Additionally, pursuant to Sec. 14-8-4, it is hereby requested by P&DD that 19314/19320 Van Dyke be deemed sur-

plus and available for sale.

Sincerely,
F. FRANK LEWAND
Group Executive for Jobs & Security

Planning & Development Department

JOHN NAGLICK

Finance Director

Finance Department By Council Member Leland:

Whereas, The Detroit Recreation Department has jurisdiction over certain real property located at 19314 and 19320 Van Dyke, Detroit, MI ("Property") as further described in the attached Exhibit A; and Whereas, The Detroit Recreation Department has requested that the Finance Department transfer jurisdiction of the Property to the Planning & Development Department to surplus and offer for sale; and

Whereas, The Planning & Development Department deems the Property not essential to the City and therefore requests that the real property be deemed surplus and be offered for sale; now therefore be it

Resolved, That in accordance with the foregoing communication and §14-8-3 of the Detroit City Code, Detroit City Council hereby approves the transfer of jurisdiction of the Property from the Detroit Recreation Department to the Planning & Development Department; and be it further

Resolved, That in accordance with the foregoing communication and §14-8-3 of the Detroit City Code, Detroit City Council hereby deems the Property surplus real property that may be offered for sale by the Planning & Development Department.

Honorable City Council:

Re: Request for Public Hearing to Establish an Obsolete Property Rehabilitation District, in the area of 751 Griswold, Detroit, MI in accordance with Public Act 146 of 2000. Submitted by 751 Griswold, LLC.

The 751 Griswold, LLC proposes to rehabilitate the 751 Griswold site, thus creating a completely renovated facility for commercial space. The 751 Griswold, LLC is requesting that an Obsolete Property Rehabilitation District be established. The Planning & Development Department and the Finance Department have reviewed the application and find that it satisfies the criteria set forth by P.A. 146 of 2000 and would be consistent with development and economic goals of the Master Plan.

The Act requires that prior to your Honorable Body's passage of a resolution establishing the District; a Public Hearing must first be conducted. We respectfully request that a Public Hearing be scheduled on the issue of approving the establishing of an Obsolete Property Rehabilitation District. Attached for your consideration, please find a resolution establishing a date and time for the public hearing.

Respectfully submitted, BRIAN ELLISON Deputy Director

By Council Member Leland:

Whereas, Pursuant to Act No. 146 of 1992 ("the Act") this City Council may adopt resolution which approves the application of an Obsolete Property Rehabilitation Certificate within the boundaries of the City of Detroit; and

Whereas, The 751 Griswold, LLC, has requested that an Obsolete Property Rehabilitation District be established at the site of 751 Griswold, Detroit, MI and

Whereas, Prior to such approval, the City Council shall provide an opportunity for a Public Hearing, at which Public Hearing on such adoption of a resolution providing such tax exemption, at which Public Hearing representatives of any taxing authority levying ad valorem taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter.

Now Therefore Be It

Resolved, That on Tuesday, July 29, 2014 at 2:10 p.m. in the City Council Committee Room, 13th floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above described application and be it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an ad valorem tax within the City of Detroit, such notices to be provided no later than fourteen (14) days prior to the public hearing.

AN ORDINANCE to amend Chapter 5 of the 1984 Detroit City Code, Amusements, by adding Article III, Instructional Services Businesses, which consists of Division 1, In General, containing Sections 5-3-1 through 5-3-3, and Division 2, License, containing Sections 5-3-21 through 5-3-25, to define Instructional Services Business; to establish criteria for the licensing of Instructional Services Businesses: and to allow the possession and consumption of beer and/or wine by adults 21 years and older on the premises of properly licensed Instructional Services Businesses.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 5 of the 1984 Detroit City Code, *Amusements*, is amended by adding Article III, *Instructional Services Businesses*, which consists of Division 1, *In General*, containing Sections 5-3-1 through 5-3-3, and Division 2, *License*, containing Sections 5-3-21 through 5-3-25, to read as follows:

CHAPTER 5 AMUSEMENTS ARTICLE III. RESERVED INSTRUCTIONAL SERVICES BUSINESSES DIVISION 1. IN GENERAL

Secs. 5-3-1 — 5-3-30. Reserved.

Sec. 5-3-1. Definitions.

For purposes of this article, the follow-

ing terms shall have the meanings respectively ascribed to them by this section:

- (a) Alcoholic liquor means any spirituous, vinous, malt, or fermented liquor, liquids and compounds, whether or not medicated, proprietary, patented, and by whatever name called, which contain 1/2 of 1% or more of alcohol by volume, are fit for use as a beverage, and are defined and classified by the Michigan Liquor Control Commission according to alcoholic content as being alcohol, beer, brandy, mixed spirit drink, mixed wine drink, sacramental wine, spirits, or wine.
 - (b) City means the City of Detroit.
- (c) Instructional Services Business means any business not otherwise regulated by this Chapter:
- (1) that is engaged in bona fide instructional service activities, such as painting, cooking or sculpture,
- (2) where food and beverages are not served or sold,
- (3) that has a full-time instructional staff, and
- (4) where the interior of the premises is clearly visible from the outside.

Sec. 5-3-2. Instructional Services Business as place of public amusement.

An Instructional Services Business licensed and operated in compliance with this article shall be deemed a place of public amusement for the purposes of Section 915 of the Michigan Liquor Control Code, 1998 PA 58, MCL 436.1915.

Sec. 5-3-3. Consumption or possession of alcoholic beverages.

- (a) Subject to the conditions and limitations of Subsection (b) and of division 2 of this article, alcoholic liquor may be possessed or consumed in an Instructional Services Business (1) that is duly licensed under this City Code, (2) that is engaged in activities otherwise permitted on the premises under Chapter 61 of the City Code, the City's zoning ordinance, and (3) that otherwise complies with applicable building codes, state and local laws, rules and regulations.
- (b) The following conditions and limitations shall be observed at all times:
- (1) Only beer and/or wine may be consumed or possessed. All other forms of alcoholic liquor are prohibited. Beer and/or wine containers must be sealed upon entering the premises of the Instructional Services Business.
- (2) Persons under twenty-one years of age are allowed on the premises of an Instructional Services Business; however, an Instructional Services Business is responsible for ensuring that persons who consume or possess beer and/or wine on the premises of the Instructional Services Business are:
 - a. Twenty-one years of age or older;

- <u>b. Customers of the Instructional</u> Services Business; and
- c. In possession of a valid state governmental picture identification.
- (3) At least one employee of the Instructional Services Business, who is twenty-one years of age or older and who has been trained in procedures to prevent alcohol abuse including over-consumption and/or the prevention of service to minors, must be present on the premises when beer and/or wine is consumed or possessed.
- (4) An Instructional Services Business that allows the consumption or possession of beer and/or wine on its premises must possess, and upon request produce evidence of, liquor liability insurance in the minimum amount of one million dollars per occurrence and one million dollars aggregate liability coverage.
- (5) An Instructional Services Business shall not allow the public consumption of alcoholic liquor on its premises after 12 midnight.

Sec. 5-3-4 — 5-3-20. Reserved DIVISION 2. LICENSE

Sec. 5-3-21. Required.

- (a) No Instructional Services Business shall allow the consumption or possession of beer and/or wine on its premises within the City without first having obtained a license from the Buildings, Safety Engineering and Environmental Department to operate such a business.
- (b) A license is required for an Instructional Services Business only if the consumption or possession of beer and/or wine is desired on the premises in accordance with Sec. 5-3-3.
- Sec. 5-3-22. Application; information required; Buildings, Safety Engineering and Environmental Department to take action thereon.
- (a) An application for an Instructional Services Business license shall be made on a form that is provided by the Buildings, Safety Engineering and Environmental Department. In addition to other required information, the application shall contain:
- (1) The name, age, and address of the applicant:
- (2) Business information of the applicant:
- a. The full and accurate business name and tax identification number;
- b. The full names and addresses of officers, directors, managers, and other persons with authority to bind the corporation;
- c. Summary of the instructional services to be provided.
- (3) The location of the Instructional Services Business, including proof of premises ownership or a signed and notarized lease.
- (4) Certificate of liquor liability insurance.

(5) Verification that a specific land use permit has been obtained from the City under Sec. 61-12-51, School or studio of dance, gymnastics, music, art, or cooking.

(6) Verification that the premises of the Instructional Services Business is within a City zoning district that permits consumption or possession of beer and/or wine on a by-right basis.

(b) Upon receipt of an application for an Instructional Services Business license, the Buildings, Safety Engineering and Environmental Department shall take action in accordance with Chapter 30 of this Code.

Sec. 5-3-23. Fee.

- (a) A non-refundable fee shall be charged for the processing and issuance of a license under this article. In accordance with Chapter 30 of this Code, this fee shall be established by the Director of the Buildings, Safety Engineering and Environmental Department based upon the cost of issuance and administration of the licensing regulations, and shall be approved by the City Council. The fee shall be posted on a schedule at the Buildings, Safety Engineering and Environmental Department — Business License Center.
- (b) A fee shall be charged each new applicant and any current licensee who seeks to open any new Instructional Services Business.
- (c) Upon the expiration of a current license, each licensee shall pay the annual fee for an Instructional Services Business license renewal.

(d) Upon payment of the fee and approval of the license application by the Buildings, Safety Engineering and Environmental Department, an annual license shall be issued for an Instructional Services Business.

Sec. 5-3-24. License posting required; non-transferable.

(a) Upon issuance by the Buildings, Safety Engineering and Environmental Department and after receipt by the applicant, a license that is issued under this article shall be posted at all times by the licensee inside the licensee's premises in a conspicuous location near the entrance.

(b) All licenses issued under this article are not transferable.

Sec. 5-3-25. License suspension, revocation, or denial of renewal.

A license that is issued under this division may be suspended, revoked, or denied renewal in accordance with Chapter 30 of this Code.

Secs. 5-3-26 — 5-3-30. Reserved.
Section 2. This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 4. Where this ordinance is passed by a two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective thirty (30) days after publication in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

RESOLUTION

By Council Member Leland:

Whereas, The City is experiencing severe and widespread blight: nearly onethird of the City's 139 square miles is empty or unused and approximately onefifth of the City's housing stock is vacant. the City has determined that this blight is an ongoing health and safety risk to every resident, fosters and facilitates crime and unemployment, encourages resident flight from the City, depresses property values, and discourages investment in the City;

Whereas, The Detroit Land Bank Authority's property inventory is already large and is steadily increasing due to additional property transfers from the Michigan Land Bank as well as the City of Detroit Planning and Development Department; and

Whereas, The Detroit Land Bank was created in order to assemble or dispose of vacant, tax foreclosed, and public property in a coordinated manner to foster the development of that property and to promote economic growth in the City of Detroit: and

Whereas, Nonprofit faith based and community development organizations are strong and committed partners in the City's future, whether through blight removal, redevelopment, or engaging and serving residents: and

Whereas, The Detroit Land Bank Authority believes that in order to speed the reuse of abandoned property in the City of Detroit, partnerships with nonprofit faith based or community development organizations are essential: and

Now. Therefore Be It

Resolved, That the Detroit City Council supports and approve the Detroit Land bank Authority's Nonprofit Faith Based and Community Development organization Partnership Policy dated July 1, 2014. Any changes made to that policy will be brought back to the Detroit City Council for approval.

MICHIGAN DEPARTMENT OF TRANSPORTATION

CITY OF DETROIT

CONTRACT FOR A STATE/LOCAL AIRPORT PROJECT

This CONTRACT is made and entered into this date of ______ by and between the Michigan Department of Transportation, hereinafter referred to as the "DEPARTMENT," and City of Detroit, hereinafter referred to as the "SPONSOR," for the purpose of fixing the rights and obligations of the parties in agreeing to the following undertaking at Coleman A.

Young Airport, whose associated city is Detroit, Michigan, hereinafter referred to as the "PROJECT," described in detail in Exhibit 1, dated May 19, 2014, attached hereto and made a part hereof.

PROJECT DESCRIPTION: Acquire/ Install Emergency Generator for Airfield Lighting — Design.

WITNESSETH:

Now, therefore, the parties agree that:

1. The term "PROJECT COST," as used herein, is defined in Attachment(s) 7, attached hereto and made a part hereof. PROJECT COST will also include administrative costs incurred by the DEPARTMENT in connection with the PROJECT. Administrative costs incurred by the SPONSOR are not eligible PROJECT COSTS.

THE SPONSOR WILL:

2. Pledge sufficient funds to meet its obligations as outlined in this Contract.

3. With regard to audits and recordkeeping.

- a. The SPONSOR will establish and maintain accurate records, in accordance with generally accepted accounting principles, of all expenses incurred for which payment is sought or made under this Contract, said records to be hereinafter referred to as the 'RECORDS." Separate

 b. The SPONSOR will comply with the
- b. The SPONSOR will comply with the provisions of 1951 PA 51; MCL 247.660h; MSA 9.1097 (10i).
- c. The SPONSOR will maintain RECORDS for at least three (3) years from the date of final payment made by the DEPARTMENT under this Contract. In the event of a dispute with regard to the allowable expenses or any other issue under this Contract, the SPONSOR will thereafter continue to maintain the RECORDS at least until that dispute has been finally decided and the time for all available challenges or appeals of that decision has expired.
- d. The DEPARTMENT or its representative may inspect, copy, or audit the RECORDS at any reasonable time after giving reasonable notice.
- e. If any part of the work is subcontracted, the SPONSOR will assure compliance with subsections (a), (b), (c), and (d) above for all subcontracted work.
- 4. Provide and will require its subcontractors to provide access by the DEPARTMENT or its representatives to all technical data, reports, and documents pertaining to this Contract. Copies of technical data, reports, and other documents will be provided by the SPONSOR or its subcontractors to the DEPARTMENT upon request. The SPONSOR agrees to permit representatives of the DEPARTMENT to inspect the progress of all PROJECT work at any reasonable time. Such

inspections are for the exclusive use of the DEPARTMENT and are not intended to relieve or negate any of the SPONSOR's obligations and duties contained in this Contract. All technical data, reports, and documents will be maintained for a period of three (3) years from the date of final payment.

5. In the performance of the PRO-JECT, by itself, by a subcontractor, or by anyone acting on its behalf, the SPON-SOR agrees that it will comply with any and all state, federal, and applicable local statutes, ordinances, and regulations. The SPONSOR further agrees to obtain all permits that are applicable to the entry into and the performance of this Contract.

THE DEPARTMENT WILL:

- Make final accounting to the SPON-SOR upon completion of the PROJECT, pay all PROJECT COSTS, and complete all necessary audits. Any excesses or deficiencies will be returned to or billed to the SPONSOR.
 - IT IS FURTHER AGREED:
- 7. The PROJECT COST participation is estimated to be as shown below and as in the attached Exhibit 1. The PROJECT COST participation given in Exhibit 1 is to be considered an estimate. The actual DEPARTMENT and SPONSOR shares of the PROJECT COST will be determined at the time of financial closure of the PROJECT.

 Maximum DEPARTMENT
 \$24,840.00

 SPONSOR SHARE
 \$2,760.00

 Estimated PROJECT COST
 \$27,600.00

8. The PROJECT COST will be met in part by contributions from the DEPART-MENT. The DEPARTMENT funds will be applied to the PROJECT COST at a rate of 90% for those items eligible for state participation, in an amount not to exceed the maximum obligation shown in section 7 or the revised maximum obligations set forth in a budget letter, as set forth in section 10, as applicable. Any items of PROJECT COST not funded with DEPART-MENT funds will be the sole responsibility of the SPONSOR.

DEPARTMENT funds in this Contract made available through legislative appropriation are based on projected revenue estimates. The DEPARTMENT may reduce the amount of this contract if the revenue actually received is insufficient to support the appropriation under which this contract is made.

9. The SPONSOR agrees the costs reported to the DEPARTMENT for this Contract will represent only those items that are properly chargeable in accordance with this Contract. The SPONSOR also certifies that it has read the Contract terms and has made itself aware of the applicable laws, regulations, and term of

this Contract that apply to the reporting of costs incurred under their terms of this Contract.

10. The PROJECT COST shown in Section 7 includes the maximum obligation of DEPARTMENT funds under this Contract. The maximum obligation of DEPARTMENT funds may be adjusted to an amount less than the maximum amount shown in Section 7 through a budget letter issued by the DEPARTMENT. A budget letter will be used when updated cost estimates for the PROJECT reflect a change in the amount of funds needed to fund all PROJECT COSTS. The budget letter will be signed by the Administrator of the Airports Division of the Office of Aeronautics.

A budget letter may also be used to add or delete work items from the PRO-JECT description, provided that the costs do not exceed the maximum obligations set forth in Section 7. If the PRO-JECT COST exceeds the maximum obligations shown in Section 7, the PRO-JECT scope will have to be reduced or a written amendment to this Contract will have to be awarded by the parties to provide additional funds before the work is started.

11. In the event it is determined by the DEPARTMENT that there will be either insufficient funds or insufficient time to properly administer such funds for the entire PROJECT or portions thereof, the DEPARTMENT, prior to advertising or authorizing work performance, may cancel the PROJECT or any portion thereof by giving written notice to the SPONSOR. In the event this occurs, this Contract will be void and of no effect with respect to the canceled portion of the PROJECT. Any SPONSOR deposits on the canceled portion less PROJECT COST incurred on the canceled portions will be refunded following receipt of a letter from the SPONSOR requesting excess funds be returned or at the time of financial closure, whichever comes first.

The DEPARTMENT will not participate in the PROJECT COST incurred on the canceled portions of the PROJECT, and Section 8 will not be construed to require the DEPARTMENT's participation in the canceled portion.

12. Payment of or reimbursement to the SPONSOR of any cost by the DEPARTMENT will not constitute a final determination by the DEPARTMENT of the allowability of such cost and will not constitute a waiver by the DEPARTMENT of any violation of the terms of this Contract committed by the SPONSOR. The DEPARTMENT will make final determination as to allowability only after final audit of the PROJECT.

13. All agreements and/or contracts or supply requisitions involving DEPART-MENT funds will comply with Title 49,

CFR Part 18, incorporated herein by reference if the same were repeated in full herein.

14. In the event that an audit performed by or on behalf of the DEPARTMENT indicates an adjustment to the costs reported under this contract or questions the allowability of an item of expense, the DEPARTMENT will promptly submit to the SPONSOR a Notice of Audit Results and a copy of the audit report, which may supplement or modify any tentative findings verbally communicated to the SPONSOR at the completion of an audit.

Within sixty (60) days after the date of the notice of Audit Results, the SPON-SOR will (a) respond in writing to the responsible Bureau of the Department indicating whether or not it concurs with the audit report, (b) clearly explain the nature and basis for any disagreement as to a disallowed item of expense, and (c) submit to the DEPARTMENT a written explanation as to any questioned or no opinion expressed item of expense, hereinafter referred to as the "RESPONSE." The RESPONSE will be clearly stated and will provide any supporting documentation necessary to resolve any disagreement or questioned or no opinion expressed item of expense. Where the documentation is voluminous, the SPON-SOR may supply appropriate excerpts and make alternate arrangements to conveniently and reasonably make that documentation available for review by the DEPARTMENT. The RESPONSE will refer to and apply the language of the Contract. The SPONSOR agrees that failure to submit a RESPONSE within the sixty (60) day period constitutes agreement with any disallowance of an item of expense and authorizes the DEPART-MENT to finally disallow any items of questioned or no opinion expressed cost.

The DEPARTMENT will make its decision with regard to any Notice of Audit Results and RESPONSE within one hundred twenty (120) days after the date of the Notice of Audit Results. If the DEPARTMENT determines that an overpayment has been made to the SPON-SOR, the SPONSOR will repay that amount to the DEPARTMENT or reach agreement with the DEPARTMENT on a repayment schedule within thirty (30) days after the date of an invoice from the DEPARTMENT. If the SPONSOR fails to repay the overpayment or reach agreement with the DEPARTMENT on a repayment schedule within the thirty (30) day period, the SPONSOR agrees that the DEPARTMENT will deduct all or a portion of the overpayment from any funds then or thereafter payable by the DEPART-MENT to the SPONSOR under this Contract or any other agreement or payable to the SPONSOR under the terms of 1951 PA 51, as applicable. inter-

est will be assessed on any partial payments or repayment schedules based on the unpaid balance at the end of each month until the balance is paid in full. The assessment of interest will begin thirty (30) days from the date of the invoice. The rate of interest will be based on the Michigan Department of Treasury common cash funds interest earnings. The rate of interest will be reviewed annually by the DEPARTMENT and adjusted as necessary based on the Michigan Department of Treasury common cash funds interest earnings. The SPONSOR expressly consents to this withholding or offsetting of funds under those circumstances, reserving the right to file a lawsuit in the Court of Claims to contest the DEPARTMENT's decision only as to any item of expense the disallowance of which was disputed by the SPONSOR in a timely filed RESPONSE.

- 15. This Contract will be in effect from the date of award through Eighteen (18) Months. Any change to the term of this Contract will be by award of a prior written amendment to this Contract by the parties.
- 16. Any approvals, reviews, and inspections of any nature by the DEPART-MENT will not be construed as a warranty or assumption of liability on the part of the DEPARTMENT. It is expressly understood and agreed that any such approvals are for the sole and exclusive purposes of the DEPARTMENT, which is acting in a governmental capacity under this Contract, and that such approvals are a governmental function incidental to the grant that is the subject of this Contract.

Any approvals, reviews, and inspections by the DEPARTMENT will not relieve the SPONSOR of its obligations hereunder, nor are such approvals, reviews, and inspections provided by the DEPARTMENT to be construed as a warranty as to the propriety of the SPONSOR's performance, but are undertaken for the sole use and information of the DEPARTMENT.

17. In connection with the performance of PROJECT work under this Contract, the parties (hereinafter in Appendix A referred to as the 'contractor") agree to comply with the State of Michigan provisions for "Prohibition of Discrimination in State Contracts" as set forth in Appendix A, attached hereto and made a part hereof. The parties further covenant that they will comply with the Civil Rights Act of 1964, being P.L. 88-352, 78 Stat. 241, as amended, being Title 42 USC Section 1971, 1975a-1975d, and 2000a-2000h-6, and the Regulations of the United States Department of Transportation (49 CFR Part 21) issued pursuant to said Act, including Appendix B, attached hereto and made a part hereof, and will require similar covenants on the part of any contractor or subcontractor employed in the performance of this Contract.

18. In accordance with 1980 PA 278: MCL 423.321 et sea; MSA 17.458(22), et seq, the SPONSOR, in the performance of this Contract, will not enter into a contract with a subcontractor, manufacturer or supplier listed in the register maintained by the United States Department of Labor of employers who have been found in contempt of court by a federal court of appeals on not less than three (3) occasions involving different violations during the preceding seven (7) years for failure to correct an unfair labor practice, as prohibited by Section 8 of Chapter 372 of the National Labor Relations Act. 29 USC 158. The DEPARTMENT may void this Contract if the name of the SPONSOR or the name of a subcontractor, manufacturer. or supplier utilized by the SPONSOR in the performance of this Contract subsequently appears in the register during the performance period of this Contract.

19. In any instance of dispute and/or litigation concerning the Project, the resolution thereof will be the sole responsibility of the parties to the contract that is the subject of the controversy. It is understood and agreed that any legal representation of the SPONSOR in pursuing the resolution of any dispute and/or litigation will be the responsibility of the SPONSOR.

20. The DEPARTMENT and the FAA will not be subject to any obligations or liabilities by contractors of the SPONSOR or their subcontractors or any other person not a party to the contract without their specific consent and notwithstanding their concurrence in or approval of the award of any contract or subcontract or the solicitation thereof.

21. Each party to this Contract will remain responsible for any claims arising out of that party's performance of this Contract as provided by this Contract or by law.

This Contract is not intended to increase or decrease with either party's liability for or immunity from tort claims.

This Contract is not intended to nor will it be interpreted as giving either party a right of indemnification, either by contract or at law, for claims arising out of the performance of this Contract.

22. With regard to claims based on goods or services that were used to meet the SPONSOR's obligation to the DEPARTMENT under this Contract, the SPONSOR hereby irrevocably assigns it right to pursue any claims for relief or causes of action for damages sustained by the State of Michigan or the DEPARTMENT due to any violation of 15 USC, Sections 1-15, and/or 1984 PA 274, MCL 445.771-.788, excluding Section 4a, to the State of Michigan or the DEPARTMENT.

The SPONSOR shall require any subcontractors to irrevocably assign their rights to pursue any claims for relief or causes of action for damages sustained by the State of Michigan or the DEPART-MENT with regard to claims based on goods or services that were used to meet the SPONSOR's obligation to the DEPARTMENT under this Contract due to any violation of 15 USC, Sections 1-15, and/or 1984 PA 274, MCL 445.771-.788, excluding Section 4a, to the State of Michigan or the DEPARTMENT as a third-party beneficiary.

The SPONSOR shall notify the DEPARTMENT if it becomes aware that an antitrust violation with regard to claims based on goods or services that were used to meet the SPONSOR's obligation to the DEPARTMENT under this Contract may have occurred or is threatened to occur. The SPONSOR shall also notify the DEPARTMENT if it becomes aware of any person's intent to commence, or of commencement of, an antitrust action with regard to claims based on goods or services that were used to meet the SPONSOR's obligation to the DEPARTMENT under this Contract.

- 23. In case of any discrepancies between the body of this Contract and any exhibit(s) hereto, the body of the Contract will govern.
- 24. This Contract will become binding on the parties and of full force and effect upon signing by the duly authorized representatives of the SPONSOR and the DEPARTMENT and upon adoption of a resolution approving said Contract and authorizing the signature(s) thereto of the respective representative(s) of the SPONSOR, a certified copy of which resolution will be sent to the DEPARTMENT with this Contract, as applicable, and with the approval of the State Administrative Board.

IN WITNESS WHEREOF, the parties have caused this Contract to be awarded.

Honorable City Council: Re: 15381 Linwood. Date Ordered removed: September 17, 2013 (J.C.C. pgs. 1418-1424).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection conducted on June 3, 2014 revealed that the property did not meet the requirements of the application to defer. The property continues to be open to trespass and not maintained.

Therefore, we respectfully recommend that the request for a deferral be denied. We will proceed to have building demolished as originally ordered with the cost of demolition assessed against the property. Respectfully submitted,

DAVID BELL

Detroit Fire Department

June 2, 2014

Honorable City Council: Re: Request to Accept and Appropriate FY 2013 Assistance to Firefighters Grant Program Grant from FEMA.

The Federal Emergency Management Agency (FEMA) has awarded the City of Detroit Fire Department FY 2013 Assistance to Firefighters Grant Program for a total of \$1,307,000.00. The Federal share is 90 percent or \$1,176,300.00 of the approved amount and a cash match of 20 percent or \$130,700.00. The grant period is April 28, 2014 to April 27, 2015.

The objective of the grant is to prevent death and illness to our firefighters by providing appropriate Self Contained Breathing Apparatus (SCBA) packs to protect them from exposure to acute and chronic health hazards. The funding allotted to the department will be utilized to purchase 200 SCBA packs with facemasks and voice amplifiers. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, Kellie Russell — Budget Manager, will be the fiduciary agent for the grant. The cost center is 240704 and appropriation number is

13833.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely, EDSEL JENKINS

PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE

Planning & Development Department June 26, 2014

Honorable City Council:

Re: Establishment of the FD Lofts Neighborhood Enterprise Zone.

Attached for your consideration please find a resolution and legal description which will establish the FD Lofts Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on May 22, 2014 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The Act requires that at least 60 days must pass from the date of the notice of the public hearing to the date of your formal approval of a resolution establishing the NEZ. The date of the notice of the public hearing is May 8, 2014 and we therefore we request that your Honorable Body approve the resolution at your July 8, 2014 regular formal session.

Respectfully submitted, BRIAN ELLISON Deputy Director

By Council Member Leland:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone

Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from ad valorem taxes, and the imposition of a specific property tax in lieu of ad valorem real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the FD Lofts NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZ; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance

requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the FD Lofts NEZ was conducted before the Detroit City Council on May 22, 2014, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the FD Lofts NEZ are known:

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the FD Lofts NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Permit

Honorable City Council:

To your Committee of the Whole was referred petition of National Supreme Council AA&SR Masons (#137), request-

ing permission to hang at least 4 to 5 banners on Joy Rd. and Grand River; Joy Rd. and Yosemite; Joy Rd. and Yellowstone and 5040 Joy Rd., August 1, 2014 to February 1, 2015. After consultation with the Public Lighting Department and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted, SAUNTEEL JENKINS Chairperson

By Council Member Jenkins:

Resolved, That subject to the approval of the Public Lighting Department, Business License Center, and DPW/Traffic Engineering Division, permission be and is hereby granted to petition of National Supreme Council AA&SR Masons (#137), requesting permission to hang at least 4 to 5 banners on Joy Rd. and Grand River; Joy Rd. and Yosemite. Joy Rd. and Yellowstone and 5040 Joy Rd., August 1, 2014 to February 1, 2015.

Provided, That the banners are to be erected no earlier than two (2) weeks prior to the event and they are to be removed the day after the event, and further

Provided, That the design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free movement of traffic, and further

Provided, That a banner shall not have displayed thereon any legend or symbol which is intended to be an imitation of or resembles, or which may be mistaken for, a traffic control device, or which attempts to direct the movement or traffic, and further

Provided, That a banner shall not have displayed thereon any legend of symbol which may be construed to advertise, promote the sales of or publicize any merchandise or commodity or to be political in nature, and shall not include flashing lights that may be distracting to motorists, and further

Provided, That banners are placed on Public Lighting Department poles so as not to cover traffic control devices, and further

Provided, That the banners are not hung at traffic signal intersections, and further

Provided, That banners are installed under the rules and regulations of the concerned departments, and further

Provided, That petitioner assumes full responsibility for installation and removal of the banners, and further

Provided, That such permission is granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petition, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

Adopted as follows:

Yeas - Council Members Benson, Castaneda-Lopez, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

NEW BUSINESS City Planning Commission

June 27, 2014

Honorable City Council:

Re: Request of Stacy Mulloy for the rezoning of 1701 Trumbull Avenue and 1512 Bagley Avenue from R3 (Low-Density Residential District) to SD2 (Special Development District, Commercial/Residential) — Chapter 61, Zoning, Article XVII, Map No. 1 (Recommend Approval). Petition No. 254.

REQUEST.

Corktown resident, Ms. Stacy Mulloy, seeks the rezoning of two lots at 1701 Trumbull Avenue and 1512 Bagley Avenue from R3 (Low-Density Residential District) zoning classification to SD2 (Special Development District, Commercial/Residential) zoning classification in order to redevelop the existing building on Trumbull into a mixed-use development with up to four commercial spaces on the ground floor and residential units on upper floors. The vacant lot on Bagley would be the site of a new infill mixed-use space for retail on the first floor and for upper floor apartments.

The existing R3 zoning classification prohibits commercial uses. This proposed mixed-use development is also under

consideration by your Honorable Body under the Obsolete Property Rehabilitation Act for tax credits.

On Thursday, June 5, 2014, the City Planning Commission (CPC) took up the request of Stacy Mulloy at a 5:00 PM public hearing to amend District Map No. 1 of the Detroit Zoning Ordinance, Chapter 61, Article XVII to show an SD2 (Special Development District, Commercial/Residential) zoning classification where an R3 (Low-Density Residential District) zoning classification currently exists.

PROPERTY DESCRIPTION

The subject property consists of two lots and is located at the northwest corner of Trumbull Avenue and Bagley Avenue in the Corktown neighborhood — a local historic district. (The historic designation of the property would remain unchanged.) The corner lot, 1701 Trumbull has one hundred thirty (130) feet of frontage on Trumbull and fifty (50) feet of frontage along Bagley. A map of the vicinity is included in the attached notice of the CPC public hearing.

At the time of Corktown's local historic designation in 1984, the report from the Historic Designation Advisory Board reported th following concerning 1701 Trumbull Avenue which, at that time, and until recently, was occupied by the Bagley-Trumbull Market:

"The three-story Italianate brick structure on the corner of Trumbull and Bagley was built by 1877, because George F. Steadley and Company, grocers, were located in the building in that year. There have been a steady list of grocers in this building ever since. John Maul, grocer lived above his store in 1878, and Joseph A. Taylor, grocer, was there in 1882. Lena and Charles Reiss's grocery was there from 1883 until the mid-1890s. Two gentlemen from Malta purchased the building in 1943 and one of them (Joe Vella) is still the owner today.

"The commercial structure at 1701 Bagley is a Victorian Italianate commercial building with a storefront on the first floor and living quarters above. Much of the original storefront has been retained . . . The building at 1707 Trumbull is a very handsome, relatively unaltered "corner store" of the 1870s. Attached to its north is a later. early twentieth century addition." (Page 12.)

1512 Bagley is a vacant lot abutting the west lot line of 1701 Trumbull with twenty-live (25) feet of frontage on Bagley extending one hundred thirty (130) feet along the side lot lines to the east/west alley first north of Bagley. The two adjacent lots cover 9,750 square feet, or 0.22 acres.

The taxpayer of record for the two lots is the Alphonse de Tonty, LLC, Brian Mulloy, the husband of Stacy Mulloy, is the principal of that corporation.

PLANNING CONSIDERATIONS Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows: North: R3 (Low-Density Residential

District — houses on Leverette

Street

East: R3 (Low-Density Residential District — along Trumbull Avenue — St. CeCe's restaurant (nonconforming), off-street parking, and

one house.

South: PD on the south side of Bagley — Clement Kern Gardens housing

development.

West: R3 along Bagley — houses, vacant lots — possibly former parking lot catering to Tiger

Stadium traffic.

Zoning Considerations

Trumbull Avenue, for much of its length from Porter Street in the Corktown neighborhood to the Edsel Ford Freeway (I-94) in the Woodbridge neighborhood, is characterized by a mixture of residential, commercial, and light industrial development. Much of the Trumbull corridor is zoned as residential, resulting in many nonconforming uses, including the subject property. Some of the existing nonconforming uses pre-date Detroit's first zoning ordinance of 1940; other existing nonconforming uses were permitted by the Board of Zoning Appeals at a time when the BZA had authority to grant use variances for prohibited uses. The nonconforming use label is typically an obstacle for lending or insurance purposes.

Coincidental to this petition involving Corktown, your Honorable Body will soon be taking up the zoning status of Trumbull Avenue in the Woodbridge neighborhood to the north of Ms. Mulloy's property. An amendment to the Woodbridge urban renewal plan proposed by the Planning and Development Department at the request of the Woodbridge Citizens' District Council would pave the way for a rezoning of three blocks of Trumbull from its current residential zoning classification to the same SD2 classification as is sought by Ms. Mulloy.

Master Plan Consistency and Detroit Future City

The Master Plan of Policies places the subject site within the Corktown subsector of Neighborhood Cluster 4. The "existing land use" on the Master Plan map is identified as "Commercial" and the "future land use" is "Low-Medium Density Residential."

The Detroit Future City 50-Year Land Use Scenario Corktown as "Neighborhood Center."

"Neighborhood Centers are vibrant mixed-use environments that are hubs for commercial, community and recreational activities for adjacent residential areas. These neighborhood incorporate a limited mix of commercial employment and retail

uses, and support a diverse range of residential housing types from multi-family to townhouse to detached single-family. Neighborhood retail is integrated into the residential fabric in nodes or along commercial strips. Public spaces include neighborhood parks or squares, as well as integrated landscapes. Schools, recreation centers, libraries, cultural centers, or places of worship provide institutional anchors. (Page 114)

The Planning and Development Department has reported that the proposed rezoning would not require any revision to the Master Plan.

Land Use Considerations

The existing R3 District lists 43 permitted uses: 22 uses permitted on a by-right basis — none of them commercial or industrial — and 21 uses on a conditional basis — 4 of them commercial.

The proposed SD2 District lists 42 uses permitted on a by-right basis and 23 on a conditional basis — 65 total uses.

However, it was anticipated, and is now so, that by the time the subject property is rezoned, a new Zoning Ordinance text amendment for the SD1 and SD2 Districts will have gone into effect. The Chartermandated public hearing on the SD1/SD2 text amendment was held on Thursday, June 12, 2014. The updated SD2 District would specify 48 uses permitted on a byright basis and 39 on a conditional basis. SD2, as currently on the books and as envisioned for the future is clearly intended to favor mixed-use development. The proposed project for 1710 Trumbull and 1512 Bagley would be permitted under both the current and now approved SD2 District classifications.

RESULTS OF PUBLIC HEARING

On June 5, 2014, the City Planning Commission (CPC) held a statutory public hearing relative to the proposed map amendment. Several members of the public spoke in support of the proposed rezoning. Stacy Mulloy and Brian Mulloy spoke to the Planning Commission and answered numerous questions regarding their plans for the property.

Corktown Citizens' District Council

On May 5, 2014, Planning Commission staff had attended a Corktown CDC meeting to preview the Trumbull/Bagley rezoning and the proposed text amendment for SD1/SD2. CDC members observed at that meeting the poor fit between the existing R3 zoning along Trumbull Avenue in Corktown and any future non-residential development and acknowledged SD1 and SD2 as possible facilitators of future development.

The Corktown Citizens' District Council (CDC) scheduled a special meeting to take up the Trumbull/Bagley rezoning proposal. At the June 5th public hearing the CDC formally supported the proposed rezoning of the property.

REZONING CRITERIA

The approval criteria germane to the City Council's consideration of this rezoning request are specified in Sec. 61-3-80: Sec. 61-3-80. Approval criteria.

Recommendations and decisions on an amendment of a zoning map in ARTICLE XVII of this Chapter shall be based on consideration of all of the following criteria:

- (1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;
- (2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;
- (3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;
- (4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;
- (5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;
- (6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;
- (7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and
- (8) Whether the proposed rezoning will create an illegal "spot zone."

RECOMMENDATION

At its regular meeting of June 5, 2014, the City Planning Commission found the proposed rezoning to satisfy the approval criteria of Sec. 61-3-80 and voted to recommend **approval** of the proposed rezoning of 1701 Trumbull and 1512 Bagley from R3 to SD2 to your Honorable Body as proposed by the petitioner.

The next step toward approval of the proposed development is the formal introduction of the map amendment ordinance, a draft of which is attached, and scheduling of the Charter-mandated public hearing. The approved version of the

ordinance is expected to be forwarded by the Corporation Counsel shortly.

Respectfully submitted, LESLEY C. CARR Chairperson DAVID D. WHITAKER Interim Director, LPD M. RORY BOLGER Staff

By Council Member Leland:

AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, "Zoning," by amending Article XVII, District Map No. 1 to show an SD2 (Special Development District, Commercial/Residential) zoning classification where an R3 (Low-Density Residential District) zoning classification is shown at 1701 Trumbull Avenue and 1512 Bagley Avenue.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT: Section 1. Article XVII, Chapter 61 of the 1984 Detroit City Code, Zoning, is amended as follows:

District Map No. 1 is amended to show an SD2 (Special Development District, Commercial/Residential) zoning classification where an R3 (Low-Density Residential District) zoning classification is shown for 1701 Trumbull Avenue and 1512 Bagley Avenue, and more specifically described as:

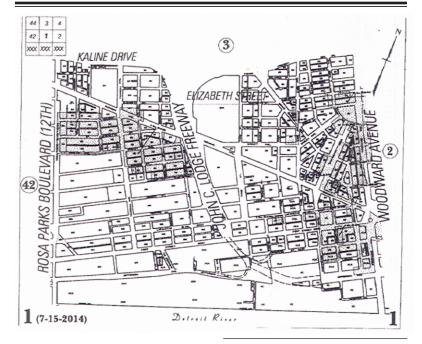

Land in the City of Detroit, Wayne County, Michigan being described as N Bagley E 25 Ft of Lot 13 (25 x 130) and Lot 14 (50 x 130) Blk 77 Woodbridge Farm, Liber 1, Pages 146-7 Plats, Wayne County Records.

Section 2. All ordinances or parts of ordinances in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety and welfare of the people of the City of Detroit.

Section 4. This ordinance shall become effective on the eighth (8th) day after publication in accordance with MCL 125.3401(6) and Section 4-118, paragraph 3, of the 2012 Detroit City Charter. Approved as to Form Only:

City Planning Commission

June 27, 2014

Honorable City Council:

Re: Request of Rafael Lozano for the rezoning of 5536, 5544, and 5556 Michigan Avenue and 3820 Junction Avenue from B3 (Shopping District) to B4 (General Business District), Chapter 61 of the 1984 Detroit City Code, Article XVII, Map No. 43 — Recommend Approval Petition No. 275). On Thursday, May 22, 2014, the City Planning Commission (CPC) took up the request of Rafael Lozano to amend District Map No. 43 of the Detroit Zoning Ordinance, Chapter 61, Article XVII to show a B4 (General Business District) zoning classification where a B3 (Shopping District) zoning classification currently exists at 5536, 5544, and 5556 Michigan Avenue and 3820 Junction Avenue.

PROPERTY DESCRIPTION

The subject property consists of four lots located at the northeast corner of Michigan Avenue and Junction Avenue in southwest Detroit. The property is located on the block bounded by Jackson Avenue on the north, 33rd Street on the east, Michigan Avenue on the south, and Junction Avenue on the west. The property is irregularly shaped and covers about 0.2 acres, having eighty-seven (87) feet of frontage on Michigan and one hundred thirteen (113) feet of frontage on Junction. One of the lots, 5536 Michigan, contains a commercial building in which Mr. Lozano operates a motor vehicle service facility. The other three lots (5544 and 5556 Michigan and 3820 Junction) are vacant. The property is owned by the petitioner and his family.

A map of the property is included in the attached notice of the CPC's public hearing.

The B3 Shopping District classification is not very widespread in Detroit. The Old Redford area at Grand River and Lahser, for example, is zoned B3. Elsewhere,

Zoning maps typically show it in areas where there had been a department store and adjacent storefronts such as where Montgomery Ward department stores anchored the corner at Grand River/ Greenfield or Gratiot/Seven Mile. At one time, Michigan/Junction hosted a number of viable retail stores. The subject property is located on one of seven block faces that are currently mapped as B3 zoning districts — the four blocks on the north side of Michigan and three blocks on the south side between 31st Street and 35th Street.

REQUEST

Mr. Lozano seeks rezoning of the B3 property in order to establish a minor auto repair shop (see attached application). Motor vehicle services facilities are prohibited on land zoned B3 but are permitted as a conditional use in the B4 district—the least intensive zoning district classification to permit such a use.

His current business, which includes used tire service, has been issued a zoning correction notice (PRV2013-00374) by the Buildings, Safety Engineering and Environmental Department (BSEED). BSEED records indicate the legal use of the property is "Retail/Office." Although a rezoning to B4 would not help legalize the used tire operation, it would allow for the business to operate as a minor or major motor vehicle services if approved as a conditional use by BSEED. (A business selling and servicing new tires would be considered a minor motor vehicle services facility. Used tires could be sold and serviced at a new tire sales/service facility (minor motor vehicle services) provided the tire inventory did not exceed 10% used tires.)

PLANNING CONSIDERATIONS Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

North: R2 (Two-family Residential District) along Junction and 33rd — vacant lot, and houses.

East: B3 (Shopping District) along Michigan Avenue — occupied, one-story commercial building and storefront church and its accessory off-street parking.

South: B3 on the south side of Michigan — occupied and vacant store-fronts.

West: B3 along Michigan — storefront church, vacant and occupied storefronts.

Zoning Considerations

West of the Clark Street industrial area, Michigan Avenue is generally zoned B4 all the way to the Dearborn city limits near Wyoming Avenue, with the exception of the blocks zoned B3 near Junction Avenue.

Master Plan Consistency and Detroit Future City

The Master Plan of Policies places the subject site within the Condon subsector of Neighborhood Cluster 5. The "existing land use" on the Master Plan map is identified as "Commercial" and the "future land use" is "Neighborhood Commercial."

The "Commercial Corridors" map in the Detroit Future City strategic framework plan for 2030 designates the Michigan Avenue commercial corridor west of the Clark Street Industrial area as "Multi-Use Strip: Green Residential."

The Planning and Development Department has indicated that, given the proposed use at the location, the proposed rezoning would not be inconsistent with the Master Plan.

Land Use Considerations

The existing B3 District lists 34 uses permitted on a by-right basis and 42 uses on a conditional basis — 76 total uses. The proposed B4 District lists 66 uses permitted on a by-right basis and 85 on a conditional basis — 151 total uses. B4 is clearly intended for more intensive and abrasive commercial uses than B3 — particularly motor vehicle-related uses. B3 typically prohibits residential uses that are allowed in the B2 (Local Business and Residential) and B4 Districts.

The following 41 uses are prohibited in B3, but permitted in B4:

- Assembly halls
- Brewpubs, microbreweries, and small distilleries
 - Amusement parks
 - · Go-cart tracks
 - · Miniature golf courses
 - Rebound tumbling centers
- Retail sales and personal service in multiple-residential structures
- Motorcycles, retail sales, rental or service
 - Pawnshop
- Secondhand stores and secondhand jewelry stores
- Trailer coaches or boat sale or rental, open air display
- Trailers, utility, or cement mixers, pneumatic-tired, sales, rental, or service; moving truck/trailer rental lots
 - Employee recruitment center
 - · Commercial Kennel
 - Printing or engraving shops
 - Tattoo and/or piercing parlor
 - Major motor vehicle services
 - · Minor motor vehicle services
- Motor vehicle washing and steam cleaning
- Storage lots for new motor vehicles accessory to salesroom or sales lots for new motor vehicles
- Storage lots for used motor vehicles accessory to salesroom or sales lots for used motor vehicles
- Taxicab dispatch and/or storage facility
 - · Blueprinting shop
 - · General trade services

- Confection manufacture
- Dental products, surgical, or optical goods manufacture
 - · Food catering establishment
 - Ice manufacture
 - Jewelry manufacture
 - Lithographing and sign shops
 - Research or testing laboratoryToiletries or cosmetic manufacturing
 - Tool, die, and guage manufacturing
 - · Wearing apparel manufacturing

RESULTS OF THE PUBLIC HEARING

No member of the public testified at the May 22, 2014 CPC public hearing. The petitioner and his son offered their comments as to their intentions for the property and answered questions from the commissioner.

ANALYSIS

The block on which the subject property is located is characterized by vacant, residential and commercial lots and a few remaining occupied dwellings and businesses.

The Master Plan's "future land use" map for the subject property within the Condon subsector of Neighborhood Cluster 5 is "Neighborhood Commercial." The "Commercial Corridors" map in the Detroit Future City strategic framework plan for 2030 designates the Michigan Avenue commercial corridor west of the Clark Street Industrial area as "Multi-Use Strip: Green Residential."

REZONING CRITERIA

The CPC finds that the petitioner's request meets the approval criteria specified in Sec. 61-3-80.

Notably, Criterion #1 considers whether the rezoning would correct an error. The CPC's research finds no ordinance that authorized the change in Map No. 43 to show the subject property, among seven block-faces east and west of Michigan at Junction, as zoned B3 rather than the pre-existing B4. The rezoning to B4 restores these four lots' consistency with the 1968 zoning map conversion included as part of Ord. No. 390-G (Sec. 40.1301).

Although the B4 District allows many more land uses than the B3 District, those that might prove objectionable are typically subject to a special land use hearing at the Buildings, Safety Engineering and Environmental Department.

Re-establishment of the B4 classification at Michigan and Junction reflects the B4 generally present along Michigan Avenue from the Clark Street industrial area westward to the Dearborn city limits near Wyoming Avenue.

Sec. 61-3-80. Approval criteria.

Recommendations and decisions on an amendment of a zoning map in ARTICLE XVII of this Chapter shall be based on consideration of all of the following criteria:

- (1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact:
- (2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;
- (3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;
- (4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;
- (5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;
- (6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;
- (7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and
- (8) Whether the proposed rezoning will create an illegal "spot zone."

RECOMMENDATION

At its regular meeting of June 5, 2014, the CPC voted to recommend approval of the proposed map amendment from the B3 District to a B4 District as proposed by the petitioner.

Respectfully submitted, LESLEY C. CARR Chairperson DAVID D. WHITAKER Interim Director, LPD M. RORY BOLGER

By Council Member Leland:

AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, Zoning, by amending Article XVII, District Map No. 43 to show a B4 (General Business District) zoning classification where a B3 (Shopping District) zoning classification is shown, for the four lots at the northeast corner of Michigan Avenue and Junction Avenue. City Planning Commission

June 27, 2014

Honorable City Council: Re: Request of Henry Ford Health Systems to rezone property south of Marquette Avenue, north of the Grand Trunk Railroad, west of Commonwealth Avenue, and east of Rosa Parks Boulevard and more specifically, identified as all properties located between 5943 Hecla and 6021 Hecla, and the odd numbered properties located between 5945 Avery and 6021 Avery, to allow for the expanded development of the Cardinal Medical Warehouse. (Recommending Approval).

Henry Ford Health System (HFHS) has submitted and the City Planning Commission (CPC) has processed a request to amend District Map No. 7 of the Detroit Zoning Ordinance to show an M2 (Restricted Industrial District) zoning classification where there is currently an M3 (General Industrial District) zoning classification on six lots along the west side of Avery and where an R2 (Two-Family Residential District) zoning classifications appears on 11 lots fronting the east and west sides of Hecla.

The rezoning has been requested to allow for the phase 2 development of a medical supply warehouse and distribution center (Cardinal Medical Warehouse), which was the subject of a rezoning request considered by this body in mid 2012. This rezoning will unify these additional properties under a common M2 designation with the property immediately to the east, south and west, while providing open space for screening and buffering and to accommodate vehicular circulation immediately north of the yet to be constructed facility.

EXISTING CONDITIONS

The proposed rezoning involves a total of 17 industrial and residential lots, which are primarily vacant due to blight and abandonment. Two single-family frame structures remain on Avery and four on Hecla within the subject area. Since coming into the area in 2012 with the proposed medical warehouse facility the petitioner has taken responsibility for maintaining property under its ownership, the City's and other private holdings. Abandoned and dilapidated structures have been removed along with illegal dumping. Vacant properties and vegetation are also being better maintained.

PROPOSED DEVELOPMENT

Henry Ford Health System (HFHS) is committed to being at catalyst for resurgent development in this community. The requested rezoning will append the northern portion of the previous rezoning to M2, expanding the industrial district and filling in a portion of the R2 and M3 zoned void left by the 'U' shaped configuration of the previous zoning map amendment. The property will expand the project development site and will provide open space to the north of the proposed 273,520 square foot medical and surgical supply warehouse and distribution center that is to service the Henry Ford Health System, the Detroit Medical Center, and other related facilities. As such it will be developed by Kirco and enhance the operation the Cardinal tenant. This additional land will create a greater buffer between the facility and the adjacent uses. It will also provide additional area to stage and circulate vehicular traffic serving the warehouse. SURROUNDING ZONING AND LAND USE

The zoning classifications and land uses surrounding the proposed development are as follows:

North: R2: Two-Family Residential — vacant and occupied two-family structures with many of the structures experiencing significant deterioration and open to trespass; one large vacant apartment building located at Hecla and Ferry Park; Kingdom Hall located west of Rosa Parks Blvd. several scattered vacant lots

South: M2: Restricted Industrial District — largely vacant site of the proposed warehouse facility.

East: M2: Restricted Industrial District — several large vacant parcels

M4: Intensive Industrial District; several large vacant or abandoned industrial sites along Commonwealth Ave., several vacant parcels.

West: M2: Restricted Industrial District — several large vacant parcels

R2: Two-Family Residential — large vacant parcels immediately west of Rosa Parks Blvd., several two-family dwellings, several scattered vacant lots.

M3: General Industrial District

several vacant lots, a possibly vacant or abandoned industrial building.

COMMUNITY RESPONSE

Community engagement on the larger project has been wide ranging and diverse, a far cry from the early days of the project proposal. HFSF and their partners have invested a great deal of time and energy to include the community in this undertaking and the reshaping of the larger area through similar activities. Despite these efforts and the support that exists for the project as well as the blight removal, job creation and potential spin-off economic benefit to the area, a number of community concerns remained.

The immediate host community continues to be represented by the West Grand Boulevard Collaborative Community Coalition (WGB3C). They are supportive of the project, but want to insure that job opportunities be afforded to local residents, that the impact of truck traffic generated by the project will have the least possible impact upon the community, and that greater neighborhood security can be achieved among other things. The WGB3C has worked to develop some sort of community benefits agreement to address the community's concerns and to formalize a relationship with HFHS and its partners. While some understandings had been reached through their meetings, they had not been able to establish a trusting and productive relationship or finalize some sort of accord. At that time WGB3C reported that HFHS was not dealing fairly or consistently with them, but they continued to work toward developing an agreement.

MASTER PLAN CONSISTENCY

The subject site is located within the Rosa Parks Neighborhood of Cluster 6 of the Detroit Master Plan of Policies. The "Future Land Use" shows "Light Industrial" usage for the subject area in the Master Plan. Based on an analysis of the Master Plan, it appears that the proposed rezoning from M3 and R2 to M2 would be consistent with the Detroit Master Plan of Policies.

When this matter was previously before the Commission, the Planning and Development Department (PDD) provided an analysis of consistency for the entire project with the Master Plan. PDD determined that the proposed rezoning conformed to the future land use designation of "IL" (Light Industrial), however, it was not in conformance with the future land use designation of "RLM" (Low-Medium Density Residential) on the northern portion of the site. Oftentimes, PDD may require a Master Plan amendment in cases of inconsistency, however, they determined that a Master Plan amendment would not be necessary because of the irregular configuration of light industrial land use in the area, the impacted area being less than 10 acres in size, and the lack of significant impact to the characteristics of the surrounding RLM area. PDD reaffirmed its previous conclusions.

PUBLIC HEARINGS RESULTS

The Commission held the statutory public hearing for this request on October 3, 2013 following an informational presentation given to the Commission by the petitioner on September 19, 2013. Multiple speakers spoke to the request and related issues. The vast majority of testimony was supportive of the project itself, but also spoke to the need/desire of community to address other community concerns before this project should be allowed to advance. WGB3C representative spoke to the items discussed above and their dissatisfaction with the sincerity and consistency of these negotiations with HFHS and its partners.

This matter appeared on three subsequent Commission agendas before the Commission would take action. The Commission hoped as did the community and the petitioner that these differences could have been resolved at the time; in fact, following several starts and stops the two sides did finally reach an agreement long after the commission took action. **ANALYSIS**

The subject property is located within an area in transition. As with a number of neighborhoods in the City that have historically had hard edges and conflicting adjacencies with the mix of land uses, the resultant change has been disinvestment, blight, abandonment and vacancy. These conditions create stagnation, but eventually opportunity for redevelopment wherein the land uses can be reconfigured providing a better pattern of land use with more thoughtful and sensitive relationships.

The M2 zoning is less intense than that of the former M3 and M4 districts which were dominant in this area. The subject property will provide a greater buffer between the proposed warehousing project and the remaining residential properties to the north and further to the west. Due to the transition of this area to that of a light industrial district, most of the approval criteria in Section 61-3-80 are fulfilled as the new pattern of use improves upon the land use conflicts of the past. The remaining concerns such as truck traffic are related to the operation of the warehouse and are subject of the ongoing dialogue with the community. To the extent that the operation of the warehouse and other industrial concerns limit their impact to the industrial area of the community, the residential areas can be stabilized.

CONCLUSIONS AND RECOMMENDA-TION

The requested rezoning is consistent with the changing character of the host community. Residential and industrial

blight and abandonment are being removed in favor of cleaner less intense industrial concern that is more conducive to abutting and adjacent residential use. Unifying these properties under M2 zoning and creating a buffer zone to address non industrial use will support industrial revitalization and afford the stabilization of other uses. Segregating related operational activities of area industry will further insure the success of the evolving land use pattern. The City should engage the transition in this community and begin to look at supportive changes to the Master Plan of Policies.

Therefore, the Commission having completed its review and finding this request to be consistent with the previous amendment to abutting property, recommends approval of the request.

City Planning Commission July 2, 2014

Honorable City Council:

Re: Request of Henry Ford Health System (HFHS) for the rezoning of 104 lots in the area immediately south of West Grand Boulevard and west of the John C. Lodge Freeway on Lincoln, Trumbull, Sterling, West Milwaukee, West Baltimore, and Holden Avenues, Ferry Park, and West Grand Boulevard to show a B5 (Major Business District) or PD (Planned Development District residential) zoning classification where the land is currently zoned R1 (Single-Family Residential District), R2 (Two-Family Residential District), R5 (Medium-Density Residential District), or B4 (General Business District) - Chapter 61, Zoning, Article XVII, Map No. 7 (Recommend Approval) - Petition Nos. 252 and 261.

REQUEST

Petition Nos. 252 and 261 request your Honorable Body to amend Zoning District Map No. 7 of the Detroit Zoning Ordinance by rezoning a 13.27-acre area directly south of the Henry Ford Hospital on West Grand Boulevard and the John C. Lodge Freeway. A map of the rezoning area is included in the attached notice of the City Planning Commission (CPC) public hearing.

In Petition No. 252, the Henry Ford Health System (HFHS) seeks rezoning of 79 lots under its control to the B5 (Major Business District) zoning classification in order to create a mixed-use district to include major medical facilities (cancer center and rehab hospital, up to four stories), structure parking (above ground-level retail/commercial), park land (Grand Park), and mixed-use institutional/commercial/residential developments.

In Petition No. 261, HFHS proposes to rezone 26 lots under its control to the PD (Planned Development District) for the "Grand Trunk Crossing" planned development, consisting of two phases of mixedincome, mixed-use commercial/residential development in close proximity to Henry Ford Health System's South Campus development area. In conjunction with the Community Builders (TCB), HFHS is working to develop approximately 154 units across 8 buildings - both rehab and new construction. HFHS identifies the proposed 103 rental residential units around the Holden/Sterling intersection as including 83 1-bedroom units, 16 2bedroom units, and 4 3-bedroom units; 40%-90% of the units would be rent-stabilized. The site plans and elevations for the proposed Grand Trunk Crossing PD are attached.

Because the two petitions relate to two, contiguous areas the proposed rezonings are combined in one Zoning Ordinance map amendment.

BACKGROUND

The present rezoning request is another component of HFHS's plans for the area south of West Grand Boulevard. In recent years, your Honorable Body has become familiar with HFHS's plans to expand and redevelop properties to the south of its main hospital facility and has already acted to support of rezonings for the Cardinal Medical Warehouse, south of Marquette Avenue and east of Rosa Parks Boulevard.

A second rezoning of land, just north of the Cardinal Medical Warehouse area, is concurrently ready for action by City Council. It was reviewed and supported by the City Planning Commission on November 21, 2013.

PLANNING CONSIDERATIONS Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the proposed B5 area are as follows:

North: R6 (High Density Residential District) — hospital.

East: M4 (Intensive Industrial District) and B4 — office building, parking lots, freeway.

South: R2, R5, M4, and B4 — vacant residential lots, single- and two-family dwellings, vacant commercial buildings.

West: R2 and R3 — single- and twofamily dwellings (occupied and vacant).

The zoning classification and land uses surrounding the proposed PD area are as follows:

North: R1 and R2 — vacant lots and houses

East: R2 — vacant lots and houses. South: B4 — vacant lots and vacant commercial structures.

West: R2 — vacant lots and houses (occupied and vacant).

Zoning Considerations

The B5 zoning classification is most heavily represented in the city's Central Business District; the only other significant concentration of land zoned B5 is immediately to the east of the subject area in the New Center. Both sides of the three-block area of West Grand Boulevard between Woodward and the Lodge Freeway are zoned B5. As such, the proposed B5 area opposite Henry Ford Hospital would represent an extension of the existing Major Business District that includes the St. Regis Hotel, New Center One, the Cadillac Center, New Center Park, the Fisher Building, City of Detroit Election Commission, parking lots, McDonald's, and other retail stores and restaurants.

The SD2 (Special Development District — Mixed Use) zoning classification had been discussed with HFHS as a possible alternative to the proposed B5; however, the SD2 District prohibits hospitals as a land use and part of the proposed B5 area would include Henry Ford Hospital's cancer center for in-patient and outpatient treatment. The B5 District exempts all land uses from providing off-street parking (Sec. 61-14-7(1)); however, a parking structure is envisioned as part of HFHS's B5-area development.

The PD zoning classification lends itself to mixed-use development and provides the City with great oversight when it comes to site plan and elevations. The Grand Trunk Crossing elevations, prepared by TCB, Inc., show multi-story residential structures with commercial space on the ground floor, similar to buildings erected in recent years in Midtown.

Due to the pervasive vacancy of land and structures, it appears that no existing use would be rendered nonconforming by the proposed rezonings to B5 and PD.

Master Plan Consistency; Detroit Future City framework

The **Master Plan** of Policies places the subject site within the Rosa Parks subsector of Neighborhood Cluster 6.

If the proposed **B5** area, the "existing land use" map shows "Office" along West Grand Boulevard at the Lodge Freeway and "Commercial" and "Vacant" farther

west. South of the Grand Boulevard frontage, the "existing land use" map shows "Residential" and "Vacant."

In the proposed 9.99-acre **B5** area, the "future land use" map indicates "Mixed Residential/Commercial" along the Boulevard and "Low-Medium Density Residential" south of the Grand Boulevard frontage.

In the proposed **PD**-residential area, the "existing land use" map shows "Residential" throughout with "Commercial" at the northeast corner of Holden and Sterling.

In the proposed 3.28-acre **PD**-residential area, the "future land use" map indicates "Low-Medium Density Residential" throughout.

While not yet officially endorsed by the City or codified in whole or in part by action of the City Council, the **Detroit Future City** (DFC) strategic framework plan for 2030 is a resource that the CPC is cognizant of as the Commission reviews various requests and proposals. In this instance DFC identifies the entire proposed development area as "District Center," similar to Midtown and the Medical Center areas.

The Planning and Development Department indicated that a Master Plan amendment would not be required for the rezoning to proceed but that a forthcoming amendment to the Master Plan for this area will reflect the proposed higher intensity character of development.

Land Use Considerations

The Planning Commission found that the property proposed to be rezoned to B5 (9.99 acres) was suitable for the menu of uses permitted in the proposed B5 District. The B5 District differs from the existing zoning districts in the following ways:

The B4 and B5 Districts contain similar, but not identical, use lists. Significantly, the B5 District is not limited by the 35-foot height restriction specified in B4. B5 uses are exempt from off-street parking requirements, altogether.

The existing B4 District classification (as it presently applies to West Grand Boulevard, West Milwaukee, and West Baltimore) lists 66 uses permitted on a byright basis and 85 on a conditional basis — 151 total uses. The proposed B5 District classification lists 84 by-right uses and 48 conditional uses — 132 total uses.

The following 23 uses would be newly prohibited in B5, but are currently permitted in B4 — to staff's knowledge, none of the non-residential uses is present in the subject area:

- · Fraternity or sorority house
- · Single-family detached dwelling
- Two-family dwelling
- · Bed and breakfast inns
- · Amusement parks
- Go-cart tracks

- · Miniature golf courses
- · Rebound tumbling centers
- Used motor vehicle salesrooms or sales lots
- Motorcycles, retail sales, rental or service
 - Pawnshop
- Trailer coaches or boat sale or rental, open air display
- Trailers, utility, or cement mixers, pneumatic-tired, sales, rental, or service; moving truck/trailer rental lots
- Banks with drive-up or drive-through facilities
- Customer service center with driveup or drive-through facilities
- Financial services center, with driveup or drive-through facilities
 - Commercial kennels
 - · Major motor vehicle services
- Storage lots for used motor vehicles accessory to salesroom or sales lots for used motor vehicles
 - · Ice manufacture
 - · Lithographing and sign shops
 - Tool, die, and gauge manufacturing
 - Marinas

The following 4 uses would be permitted in B5, but are currently prohibited in R4:

- · Family day care home
- Newspaper (daily) publishing or printing
 - Heliports
 - Passenger transportation terminals

Where the land is currently zoned R1, and/or R2 and/or R5, the following 10 uses would be prohibited in the proposed B5 area — to staff's knowledge, none of the non-residential uses is present in the subject area:

- Adult foster care facility (R5)
- Assisted living facility (R5)
- Fraternity or sorority house (R5)
- Mobile Home Park (R5)
- · Single-family detached dwelling
- Two-family dwelling
- Group day care home
- Cemeteries (R1, R2)
- Residential area public utility facilities (R1, R2)
 - Marinas

The following would be permitted in B5, but are currently prohibited in R1, R2, or R5:

- Power or heating plant with fuel storage on site
- Water works, reservoir, pumping station, or filtration plant
- All "Retail, Service, and Commercial" uses; only parking lots and school building adaptive re-uses are permitted in residential
- All "Manufacturing and Industrial" uses
- All "Other' uses; only railroad rightsof-way are permitted in residential

RESÚLTS OF THE PUBLIC HEARING

On May 22, 2014, the City Planning

Commission (CPC) held a statutory public hearing relative to the proposed map amendments. This hearing followed a May 1st informational presentation by HFHS to the City Planning Commission, and a community meeting convened by HFHS on May 5th, attended by CPC staff, at which 37 attendees were able to hear and view HFHS's plans for the area, pose their questions, and raise comments and concerns.

Five members of the public spoke at the May 22nd CPC hearing. One person was concerned about HFHS's plans for the area immediately to the south of the proposed rezoning. A second speaker urged the Commission to seek comment from the state representative for the area before taking action. A third speaker thanked the HFHS security team for its assistance to the neighborhood. A fourth speaker, whose property was not under the control of HFHS, objected to the CPC's proposed inclusion of the property (6480 Sterling Avenue) within the PD rezoning. The final speaker sought and received clarification as to the extent of rezoning on Ferry Park.

LETTER OF UNDERSTANDING

Stemming from earlier and ongoing concerns raised by surrounding neighbors and organizations at prior hearings involving HFHS expansion and re-development plans, a two-year letter of understanding (5 pages) was entered into between HFHS and the West Grand Boulevard Collaborative Community Coalition on May 16, 2014 (see attached). This letter outlines HFHS's commitment to the sustainable revitalization of the surrounding area, open communication within the project area, environmental justice. and socially responsible business practices. Additionally, it discusses truck routes and traffic safety issues, employment practices and job training opportunities, HFHS's support of local grant writing initiatives, and compliance with local, county, state and federal ordinances, codes, standards, and other regulatory criteria.

REZONING CRITERIA

The proposed B5 rezoning will be processed and evaluated consistent with Article III. Division 3 of the Detroit Zoning Ordinance. Key questions facing your Honorable Body will be whether the proposed B5 District classification is appropriate given the Master Plan and current conditions and whether the menu of land uses permitted under B5 are suitable for the area in comparison to the menu of land uses currently permitted under the existing R1, R2, R5, and B4 District classifications. Site plan approval is not a part of the Council's purview for B5 projects; Planning and Development Department will conduct site plan review as permit applications are filed at the

Buildings, Safety Engineering and Environmental Department.

The proposed PD rezoning will be processed and evaluated consistent with Article III, Division 4 of the Detroit Zoning Ordinance. Not only will the Master Plan and current conditions be relevant to Council's review, but also the site plan and elevations must be approved by City Council.

Proposed 9.99 acre B5 Area

Of the eight rezoning criteria specified in Sec. 61-3-80 for the area proposed to be rezoned to B5, the Planning Commission most closely examined Criteria #2, 6, and 7. The Commission finds the proposed B5 rezoning satisfies the approval criteria.

Sec. 61-3-80. Approval criteria.

Recommendations and decisions on an amendment of a zoning map in ARTICLE XVII of this Chapter shall be based on consideration of all of the following criteria:

- (1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;
- (2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;
- (3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;
- (4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;
- (5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;
- (6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract:
- (7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and
- (8) Whether the proposed rezoning will create an illegal "spot zone."

Proposed 3.28 acre PD Area

The proposed Grand Trunk Crossing PD was also evaluated by the CPC according to the approval criteria specified in Sec. 61-3-96. Criteria #3 and 7 closely related to the appropriateness of the site plan which City Council must review and approve. The CPC finds the proposed PD rezoning satisfies the approval criteria.

Sec. 61-3-96. Approval criteria.

In addition to the approval criteria for Zoning Ordinance map amendments that are set forth in Sec. 61-3-80 of this Code, approvals of Planned Developments shall be based on consideration of the following criteria:

- (1) Whether the subject site:
- (a) Covers a minimum of two (2) acres of contiguous land under the control of one (1) owner or group owners. However, upon determining that an adequate development can be accomplished on a parcel of lesser size, the City Planning Commission may waive this requirement; and
- (b) Is capable of being planned and developed as one integral unit, except in unusual circumstances;
- (2) That no other zoning district classification would be more appropriate.
- (3) That the development will result in a recognizable and substantial benefit to the ultimate users of the project and to the City, where such benefits would otherwise be unfeasible or unlikely to be achieved. The benefits can be accomplished through a higher quality unified design that would be required by the typical regulations of this Zoning Ordinance. These benefits shall be demonstrated in terms of preservation of natural features, unique architecture, extensive landscaping, special sensitivity to land uses in the immediate vicinity, particularly well-designed access and circulation systems, and/or integration of various site features into a unified development;
- (4) Whether the location of the proposed Planned Development district is appropriate;
 - (5) (Repealed);
- (6) Whether the proposed Planned Development substantially responds to the intent of Section 503 of the Michigan Zoning Enabling Act, being MCL 125.3503, to:
- (a) Permit flexibility in the regulation of land development;
- (b) Encourage innovation in land use and variety in design, layout, and type of structures constructed;
- (c) Achieve economy and efficiency in the use of land, natural resources, energy, and the providing of public services and utilities, encourage useful open space; and
- (d) Provide better housing, employment, and shopping opportunities that are particularly suited to the needs of the residents:
- (7) That the proposed type and density of use shall not result in an unreasonable increase in traffic or the use of public services, facilities and utilities, that the natural features of the subject site have the capacity to accommodate the intended development, and that the development shall not place an unreasonable burden upon surrounding land or land owners:
- (8) That the proposed Planned Development is consistent with the Master Plan, as determined by the Planning and Development Department;
 - (9) Whether uses and structures that

are planned for the Planned Development district comply with all applicable site design standards and use regulations which are specified in ARTICLE XI, DIVISION 2 of this Chapter.

(10) (Repealed)

Site Plan Review

Article III, Division 5, Subdivision D of the Detroit Zoning Ordinance lays out 16 criteria for site plan approval. Several of them relate to concerns raised recently and in the past by neighbors to HFHS:

Sec. 61-3-155, "traffic," and Sec. 61-3-156, "pedestrian circulation," emphasize the safe movement of vehicles and pedestrians within the project area. Truck traffic has been a persistent and continuing concern of the neighbors of Henry Ford Hospital, especially in relation to the recently considered Cardinal medical warehouse project.

Sec. 61-3-165, "hazards," includes the discussion of earthmoving — a considerable concern during the construction period.

Sec. 61-3-167, "operational performance standards," relates, among other things, to construction period issues of vibration and noise

The CPC finds the preliminary site plan for the proposed planned development to be appropriate for the site. The Letter of Understanding between HFHS and the community, although not a legally binding document, is a good-faith indication by HFHS to address sensitive site issues.

Design Review

The PD District requires design review in addition to site plan review and specifies that the design be evaluated against 13 criteria, as provided in Sec. 61-11-15. At the May 1st and May 5th meetings and the May 22nd CPC public hearing, concern was raised over the proposed emphasis on one-bedroom apartments in the proposed residential development. This concern was explored to the satisfaction of the CPC under criteria (b) and (c) below. Where authorized by the rezoning ordinance, final review of plans for consistency with the PD would be conducted by CPC staff.

Sec. 61-11-15. PD District design criteria.

- (a) Master Plan. The proposed development should reflect applicable policies stated in the Detroit Master Plan. The policies relating to the geographic area in question as well as general policies will be considered. This zoning ordinance requires that the proposed major land use be consistent with the adopted Master Plan in all PD developments.
- (b) Scale, form, massing, and density. Scale, form, massing and density should be appropriate to the nature of the project and relate well to surrounding development.
 - (c) Compatibility. The proposed devel-

opment should be compatible with surrounding development in terms of land use, general appearance and function, and should not adversely affect the value of properties in the immediate vicinity.

- (d) Circulation. Vehicular and pedestrian circulation facilities should be adequately designed to meet expected demands. Disruption of traffic flow in surrounding areas should be minimized, and truck traffic should be carefully planned and controlled, especially to avoid use of residential streets.
- (e) Parking and loading. Where appropriate, adequate vehicular off-street parking and loading should be provided. The City Planning Commission will be guided by standards delineated in this zoning ordinance with adjustments appropriate to each specific situation.
- (f) Environmental impacts. Environmental impacts that relate to such factors as noise, air, combustibles and explosives, gases, soil, and water pollution, toxic waste, vibration, odor, glare, and radiation, should be controlled to be within acceptable levels at all times.
- (g) Open space. Adequate public and private open space should be provided for light and air, landscaping and, where appropriate, for passive and active recreation. Lot size, setbacks and yard requirements are flexible, but the City Planning Commission will be guided by standards that appear in comparable zoning ordinance district classifications.
- (h) Rights-of-way, easements, and dedications. Where appropriate, adequate rights-of-way, easements and dedications should be provided for trafficways, utilities and community facilities.
- (i) River access. Where appropriate, public access should be provided, including provision of adequate right-of-way for the continuous pedestrian and bicycle pathway being developed along the Detroit River.
- (j) Screening. Appropriate buffering and screening of service, loading, refuse collection, mechanical and electrical equipment and of parking areas should be provided.
- (k) Orientation. Careful consideration should be given to orientation both for solar access to the proposed project and for shadow impact upon surrounding development.
- (I) Signage. Signage and graphics should be tastefully designed to be visually appealing and in character with surrounding development. They should provide needed information, direction, and orientation in a clear and concise manner.
- (m) Security considerations. Security considerations, especially avoidance of visually isolated public spaces, should be a major element of the design program. RECOMMENDATION
 - In light of the foregoing considerations,

- the City Planning Commission voted at its May 22, 2014 meeting to recommend approval of the proposed rezoning to your Honorable Body as follows:
- That Zoning District Map No. 7 be amended to show a B5 (Major Business District) zoning classification on the following streets:
 - Čurrently zoned R1:
 - o 6492-6554 Sterling,
 - Currently zoned R2:1404-1430 Ferry Park
 - 6342-6471 Trumbull
 - 6517 Sterling
 - Currently zoned R5:
 - o 6355-6441 Lincoln
 - Currently split-zoned as R5 and B4:
 - 6447-6459 Lincoln
 - Currently zoned B4:
 - 1129, 1165 West Milwaukee
 - 1164 West Baltimore
 - o 2764-2838 West Grand Boulevard
 - o 6503-6549 Lincoln
- That Zoning District Map No. 7 be amended to also show a PD (Planned Development District — residential) zoning classification on the following streets:
 - Currently zoned R1:
 - 6430-6472 Sterling, petitioned by HFHS
 - 6480 Sterling, petitioned by CPC
 - Currently zoned R2:
 - 1532-1550 Holden
 - o 6331-6355 Trumbull
 - 6429-6465 SterlingCurrently zoned **B4**:
 - 1494 Holden
 - 6420 Sterling
- The City Planning Commission also recommends approval of the development proposal, site plan, and elevations for the planned development, known as "Grand Trunk Crossing," prepared for The Community Builders, Inc. by Harley Ellis Devereaux of Chicago, Illinois, dated April 21, 2014 (4 pages), subject to the following conditions:
- That the site plans and elevations be modified to call out street names and street addresses of existing buildings to be rehabilitated and of new buildings to be constructed;
- 2. That all off-street parking spaces and aisleways be properly dimensioned as provided in Secs. 61-14-151 and 61-14-152; and
- 3. That the final site plans, elevations, landscaping/hardscaping, lighting, screening, and signage plans be submitted to the City Planning Commission staff for review and approval for consistency with approved plans with "Complete Streets" best practices, prior to making application for applicable permits.
- The CPC also recommended that 6480 Sterling Avenue, which had been proposed by CPC staff to be included in the rezoning to PD but was not under the control of HFHS, be omitted from the list of properties to be rezoned.

CONCLUSION

The next step toward approval of the proposed development is the formal introduction of the map amendment ordinance, a draft of which is attached, and scheduling of the Charter-mandated public hearing. The approved version of the ordinance is expected to be forwarded by the Corporation Counsel shortly. The applicant, HFHS, is hoping for prompt consideration of the ordinance so that it can reap available tax credits from the Michigan State Housing Development Authority in its upcoming round.

Planning & Development Department June 24, 2014

Honorable City Council:

Re: Surplus Property Sale Development: 5528 & 5536 E. McNichols.

We are in receipt of an offer from Simon's Auto Repair, Inc., a Michigan Corporation, to purchase the above-

captioned property for the amount of \$4,300 and to develop such property. This property contains approximately 8,494 square feet and is zoned B-4 (General Business District).

The Offeror proposes to demolish the existing City-owned building and develop a paved surface parking lot on the property, to be used in conjunction with their existing automotive repair business. The parking lot will strictly be used for daytime parking only to accommodate their customers and employees. This use is permitted as a matter of right in a B-4 zone.

We, therefore, request that your Honorable Body approve the land sale resolution with a Waiver of Reconsideration and authorize the Mayor of the City of Detroit, or his authorized designee, to issue a quit-claim deed to the property and such other documents as may be necessary to effectuate the sale, with Simon's Auto Repair, Inc., a Michigan Corporation, subject to final approval by the Detroit Emergency Financial Manager, or his authorized designee.

Respectfully submitted,
JAMES MARUSICH

*WAIVER OF RECONSIDERATION (No. 8), per motions before adjournment.

MEMORANDUM Detroit Land Bank Authority June 25, 2014

Honorable City Council: Re: Wayne County Tax Foreclosed

Properties by DLBA — Round 2. This memorandum is prepared for background information and context for the attached council resolution supporting the use by the Detroit Land Bank Authority of the City's right to purchase tax foreclosed property from the Wayne County Treasurer prior to the auction and have the properties so purchased transferred directly to the Detroit Land Bank so long as the Detroit Land Bank assumes financial responsibility for the property's acquisition cost as well as any liability for the property's demolition, maintenance, or resale.

As you know, this Honorable Council had approved a similar resolution on June 24, 2014 (Item number 30). That resolution related to 143 properties foreclosed by the Wayne County Treasurer in areas of the City where the Detroit Land Bank is filling nuisance abatement lawsuits.

The attached resolution relates to an

additional 160 properties foreclosed by the Wayne County Treasurer that are located in the City where the Detroit Land Bank will next be filing nuisance abatement lawsuits (Round 2). It should be noted that the option to acquire these properties under the Right of First Refusal expires on July 15, 2014.

The Treasurer is willing to turn over the properties in our litigation-targeted areas. We've agreed to demolish the houses that can't be saved, auction the ones we can sell, and turn the net proceeds over to the Treasurer as tax payments. This will allow the Land Bank to move immediately to remove the nuisance and will allow the Treasurer to collect everything practical in back taxes.

Virtually all of the properties included in Detroit City Council's previously passed resolution transferring to the Land Bank all City-owned residential properties with vacant buildings had come to the City after the Treasurer's tax auction was complete. What we need in order to move on these houses now is another supplemental resolution allowing the Land Bank to accept pre-auction houses from the Treasurer in settlement of our potential nuisance abatement claims. The Land Bank will be responsible for all maintenance and demolition costs and any payments to the Treasurer in tax payments.

Respectfully submitted, KEVIN SIMOWSKI General Counsel Detroit Land Banak Authority By Council Member Leland:

Whereas, Unprecedented numbers of properties located within the City are subject to tax foreclosure, one of the largest source of blight and abandonment within the City; and

Whereas, The Wayne County Treasurer annually takes title to tens of thousands of properties within the City of Detroit for failure to pay property taxes, and many of these properties are blighted or abandoned; and

Whereas, Certain of these properties would be good candidates for either rehabilitation and occupancy or demolition, either of which would help to stabilize the neighborhoods in which they are located; and

Whereas, The City has determined that there is a need to quickly and efficiently

combat the public nuisances, which further contributes to the public emergency affecting life, health, property or the public peace: and

Whereas, Pursuant to the Land Bank Fast Track Act, 2003 PA 258, MCL 124.751 to 124.774 (Land Bank Act), the Detroit Land Bank Authority ("Detroit Land Bank") was created as a separate legal entity and public body corporate in accordance with an Intergovernmental Agreement dated September 15, 2008, as amended from time to time, by and between the City of Detroit and the Michigan Land Bank Fast Track Authority; and

Whereas, The Detroit Land Bank was created in order to assemble or dispose of vacant, tax foreclosed, and public property in a coordinated manner to foster the development of that property and to promote economic growth in the City of Detroit: and

Whereas, In areas of the City where the Detroit Land Bank is filing nuisance abatement lawsuits, the Wayne County Treasurer is prepared to transfer the attached 160 properties to the Detroit Land Bank if the Detroit Land Bank is willing to be responsible for the existing liabilities on these properties; and

Whereas, Under MCL 211.78m, the City has the ability to purchase, for a public purpose, tax foreclosed property from the Wayne County Treasurer prior to the auction:

Now, Therefore, Be It

Resolved That the Detroit City Council supports the use by the Detroit Land Bank Authority of the City's right to purchase tax foreclosed property from the Wayne County Treasurer prior to the auction and have the properties so purchased transferred directly to the Detroit Land Bank so long as the Detroit Land Bank assumes financial responsibility for the property's acquisition cost as well as any liability for the property's demolition, maintenance, or resale; and

Be It Further

Resolved That a copy of this resolution be forwarded to the Office of the Wayne County Treasurer, Mayor Duggan, the City's Planning & Development Department, Assessor's Office and the Detroit Land Bank.

TESTIMONIAL RESOLUTION FOR

THE STUDENT NATIONAL DENTAL ASSOCIATION AND THE STUDENT NATIONAL DENTAL HYGIENISTS' ASSOCIATION

By COUNCIL MEMBER LELAND:

WHEREAS, The Student National Dental Association and The Student National Dental Hygienists' Association will celebrate the 8th Anniversary of the collaboration with the University of Detroit Mercy School of Dentistry in representing the Annual Oral, Head and Neck Cancer Walk; and

WHEREAS, The Student National Dental Association and The Student National Dental Hygienists' Association is a reflection of magnanimity and commitment to the common good that is most commendable. While the members of these distinguished organizations celebrate 8 years of service, we offer our thanks for the gifts they have shared within Metro Detroit and throughout Michigan; and

WHEREAS, The Annual Oral, Head and Neck Cancer Walk raises muchneeded money to cover medical expenses for the less fortunate in need of a biopsy. In the eight years since they first came together for the cause, the event has adapated to changes in society, membership, and expectations. This ability to grow and change has shown the belief that members have maintained in their mission of service and the unity of the membership; and

WHEREAS, The Annual Oral, Head and Neck Cancer Walk will commemorate its mission, the member-students will remember the vision of many people and the hours and years of commitment that have brought the group to this point. Exceeding the goals of the past, and looking to the future for more ways in which the Student National Dental Association and the Student National Dental Hygienists' Association will continue to reach out across the State of Michigan helping others. NOW, THEREFORE, BE IT

RESOLVED, That the Honorable Members of the Detroit City Council hereby commend The Student National Dental Association and The Student National Dental Hygienists' Association Annual Oral, Head and Neck Cancer Walk for its continued dedication with going beyond to service others.

TESTIMONIAL RESOLUTION FOR JADA CASH WILSON

By COUNCIL MEMBER LELAND:

WHEREAS, Jada Cash Wilson is a recent, graduate of Manhattanville College in New York and is dedicated to making a positive difference. She received a Bachelor's degree in Political Philosophy. She is the daughter of Ira Cash, granddaughter of Naomi Troupe Cash and the late Reverend Dr. Lonnie C. Cash, founder of The Revelator Newspaper; and

WHEREAS, Jada began her first year of college at Manhattanville by getting involved in the student government association. Jada was the President of the Freshman Class and began representing her peers gracefully. Shortly after being elected in September, 2010, Jada was offered an internship for the William J. Clinton Foundation in Harlem, NY. She graciously accepted and began her work as a Clinton Foundation Intern and diligently worked with this esteemed organization on various national issues, relief in Haiti, and outreach programs for minorities in America; and

WHEREAS, Jada's sophomore year, she was elected Vice President of Student Body Academics. She immediately focused on maintaining and improving the retention of minorities and freshmen within the college. She helped improve and implement peer-tutoring programs and develop numerous proposed scholarships for the school. In that role she also, conducted monthly meetings with the Provost of the college. In the same year, she was offered an elite intership with MasterCard Worldwide working within their Law, Franchise and Integrity Department; and

WHEREAS, Jada's junior year of col-

lege, she was re-elected Vice President of Student Body Academics with a continued focus on various initiatives as well as the development of an Honor Code and Student Bill of Rights. The Board of Trustees of her college approved the Student Bill of Rights unanimously. Jada continued her intership with MasterCard as a full-time Junior Associate now working in the Global and Domestic Public Policy Department; and

WHEREAS, Jada's senior year of college, she was elected by 82% of the student body as Student Body President, a goal she had been working towards her entire college journey. In this same year, Jada was able to accomplish a great deal including the final passing of the Honor Code, approval of Greek Life on Campus, Scholarship programs for minority students in order to help with their financial burden, and a new structure of student club organizations to better serve the community, tuition freeze, an effective and vital sober driving program, and education week programs; and

WHEREAS, Jada has been an avid and longstanding humanitarian. She has been involved in philanthropic work for many years. Having traveled across the globe and grown up for part of her life in Hong Kong, she is well cultured. Through that experience, she was able to climb the Great Wall of China with her mother and has found an appreciation for cultures around the globe. NOW, THEREFORE, BE IT

RESOLVED, That the Honorable Members of the Detroit City Council hereby proclaim the exceptional community service contributions of Jada Cash Wilson, who has modeled standards of professional, philanthropic, and personal excellence in her conduct, and serves as an authentic role and real model for all of Detroit's young men and women, who aspire to better themselves and their community.

Adopted as follows:

Yeas — Council Members Benson, Castaneda-Lopez, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 9.

CITY PLANNING COMMISSION

- 8. Submitting report relative Request of PDRM LLC. to amend Map No. 39 of Chapter 61, Article XVII of the 1984 Detroit City Code, Zoning to show a B2 (Local Business and Residential District) zoning classification where R1 (Single Family Residential District) and B1 (Restricted Business District) zoning classifications are presently shown on property located at 4290 Marseilles (the site of the Hanstein School and school administration building) as well as the request of the City Planning Commission to show a B4 (General Commercial District) zoning classification where a R1 classification is presently shown at 17801 Mack Avenue, both of which are north of Mack Avenue and east of Marseilles. (Recommend Approval).
- 9. Submitting report relative to Proposed 2014 Zoning Ordinance Text Amendment. (This amendment revises regulations and procedures relative to 17 issues, labeled A through Q. The proposed 2014 Zoning Ordinance Text Amendment is an assortment of provisions — some substantive and significant land use regulations; some substantive, procedural provisions; and some nonsubstantive or "housekeeping" provisions. Several are related to actions by the state legislature or votes of the people. Numerous are proposed by the Law and Buildings Safety Engineering and Environmental Departments or City Planning Commission staff.)
- 10. Submitting report relative to Proposal of the Midtown Project, LLC to modify the plans for the existing PD (Planned Development District) zoning classification on District Map No. 4, Article XVII of the 1984 Detroit City Code, for properties at 3750, 3780 and 3800 Woodward Avenue generally located on the east side of Woodward Avenue between East Alexandrine Avenue and Mack Avenue for the construction of a four-story medical office building and a 3-1/2 level parking structure. (The petitioner is proposing to clear the entire north 4.7 acre site. The approximately .92 acres surrounding the 12-story tower is part of a later phase and is not part of this PD modification. The remaining 3.79 acres is an L-shaped parcel and is the subject of the proposed PD modification.) (Recommending Approval.)

PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE

Planning & Development Department June 30, 2014

Honorable City Council:

Re: Request for a Public Hearing Regarding the Approval of an Obsolete Property Rehabilitation Exemption Certificate for Alphonse de Tonty, LLC in the Area of 1701 Trumbull Street, Detroit, MI, in Accordance with Public Act 146 of 2000 (Related to Petition #2960).

The Planning and Development Department and the Finance Department have reviewed the application of Alphonse de Tonty, LLC, and find that it satisfies the criteria set forth by Public Act 146 of 2000, and would be consistent with the development and economic goals of the Master Plan.

Public Act 146 of 2000 states that the legislative body of the qualified local governmental unit, shall by resolution either approve or disapprove the application for an Obsolete Property Rehabilitation Exemption Certificate in accordance with

Section 8 and other provisions of this act. Prior to acting upon the resolution, a public hearing must be held, and the City Clerk must provide written notice of the public hearing to the assessor and to the governing body of each taxing unit that levies an ad valorem tax within the eligible district.

We request that a Public Hearing be scheduled on the issue of approving the application for the Obsolete Property Rehabilitation Certificate. Attached for your consideration please find a resolution to establish a date and time for the public hearing.

Respectfully submitted, JOHN SAAD Manager of Real Estate/ Development Division

By Council Member Leland:

Whereas, Pursuant to Public Act 146 of 2000 ("the Act"), this City Council may adopt resolution which approves the application of an Obsolete Property Rehabilitation Exemption Certificate within the boundaries of the City of Detroit; and

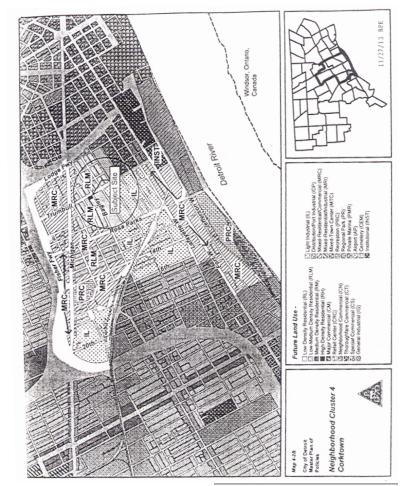

Whereas, Alphonse de Tonty LLC has made application for an Obsolete Property Rehabilitation Exemption Certificate whose boundaries are particularly described in Exhibit "A" (legal description) and illustrated in the map attached hereto; and

Whereas, Prior to such approval, the City Council shall provide an opportunity for a Public Hearing, at which Public Hearing on such adoption of a resolution providing such tax exemption, at which Public Hearing representatives of any taxing authority levying ad valorem taxes within the City, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter;

Now Therefore Be It

Resolved, That on the 24th day of July, 2014, at 10:20 a.m. in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, a Public Hearing be held on the above-described application; and be it finally

Resolved, That the City Clerk shall give notice of the Public Hearing to the general public and shall give written notice of the Public Hearing by certified mail to all taxing authorities levying an ad valorem tax within the City of Detroit.

Adopted as follows:

Yeas — Council Members Benson, Castaneda-Lopez, Cushingberry, Jr., Jenkins, Leland, Sheffield, Spivey, Tate, and President Jones — 9.

Department of Public Works City Engineering Division May 15, 2014

Honorable City Council:

Re: Petition No. 2549 SGD on behalf of Detroit Regional Convention Facility/ Cobo Center, requesting right-of-way vacation and dedication changes to realign Civic Center Drive to connect Jefferson Avenue without turning over and passing through Cobo Center's Atwater Parking.

Petition No. 2549 of SGD on behalf of Detroit Regional Convention Facility/Cobo Center whose address is 615 Griswold, Ford Bldg. Suite 103, Detroit, Michigan 48226 originally requested the outright vacation of a portion of Civic Center Drive, variable width; also three dedications of land to provide a realigned connection to Jefferson Avenue and to widen two sections of Civic Center Drive. The request was revised due to the elevation differences between Jefferson Avenue and Civic Center Drive. The new configuration will create a cul-de-sac on Civic Center Drive below the grade of Jefferson Avenue. This request is to facilitate traffic access around Cobo Center and to the new service area being constructed east of Cobo Arena there are also other enhancements being made to the COBO frontage on Washington Boulevard and on Jefferson Avenue. This will be phase 1 of petition 2549; phase 2 of the project for minor encroachments with traffic islands, directional signs and landscaping is under review and will be reported to your Honorable Body in the near future.

On July 19, 2011 your Honorable Body approved a special district review for major modifications to Cobo Center. These changes are consistent with that approval and are required to implement the Cobo Center Capitol Improvements Program.

The request was approved by the Planning and Development Department, the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW. The petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report.

The Detroit Water and Sewerage Department (DWSD) reports there is an existing DWSD water main in the area of the outright vacation. DWSD has no objection to the requested outright vacation provided the water main is relocated in accordance with plans approved by DWSD. Also, the work must be done at the petitioners expense and at no cost to DWSD and in accordance with the attached provisions, which are to become a part of the City Council's resolution.

The Public Lighting Department (PLD) reports an underground fed street lighting circuit and a high voltage duct run in the

area. PLD will reroute these facilities at project expense. The petitioner is responsible for all PLD utility relocation cost. A provision for relocation of PLD facilities is included in the resolution.

AT&T Telecommunication reports there is a cost for the removing and/or rerouting of such services, however, the petitioner must contact their Customer Growth Group at 1-888-901-2779 to initiate cost determination process.

Comcast Cable Television reports being involved. The petitioner will be responsible for any costs associated with relocating their services.

City Council is requested to accept the dedication of the land for Street and public purposes; provided said property complies with the requirements of Detroit codes and ordinances No. 29-94; Detroit Code Sections 2-1-11 through 2-1-15 also known as the "Environmental Review Guidelines". The new public rights-of-way must be constructed to City Engineering Division — DPW specifications.

All other city departments and privately owned utility companies have no objections to the requested vacation and dedication of the public rights-of-way.

I am recommending adoption of the attached resolution.

Respectfully submitted, RICHARD DOHERTY City Engineer

City Engineering Division — DPW By Council Member Benson:

Resolved, All that part of Civic Center Drive, variable width (established September 19, 1972 JCC pages 2320-2321 also June 14, 2011 JCC pages 1367-1375), lying between Washington Boulevard, variable width (established June 14, 2011 JCC pages 1367-1375), and the new Civic Center Drive dedication (cul-de-sac) found later in this resolution; all being more particularly described as follows:

Land in the City of Detroit, Wayne County, Michigan, being a part of Civic Center Drive (variable width) as established by the City Council, J.C.C. 1972, Page 2320 and also as established by the City Council at session of June 14, 2011; being described as:

Commencing at the intersection of the west line of First Street (60 feet wide) with the north line of Congress Street (60 feet wide), said point also being the southeast corner of Lot 12 of Block 13 of "Map of the Western Addition to the City of Detroit as Surveyed into Lots by John Mullett, Surveyor", as recorded in Liber 7, Page 164 of City Records, Wayne County Records:

Thence along said north line of Congress Street South 59°51'24" West 120.91 feet:

Be and the same is hereby vacated (outright) as public rights-of-way to become part and parcel of the abutting property, subject to the following provisions;

Provided, That the petitioner agrees to relocate water main; and further

Provided, That the plans for the water main shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed water main and to issue permits for the construction of the water main; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed water main construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection, and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the new water main; and further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

Provided, That the petitioner shall provide DWSD with as-built drawings of the proposed water main; and further

Provided, That the petitioner shall provide a one (1) year warranty for the proposed water main; and further

Provided, That upon satisfactory completion, the proposed water main shall become City property and become part of the City system and the existing water main that was abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That the petitioner is responsible for all PLD utility relocation costs. PLD has underground fed street lighting circuit and a high voltage duct run in the area. All necessary arrangements for facility relocation shall be made with PLD.

Provided, That all satisfactory arrangements are made with the necessary utility companies; and be it further

Subject to any easements or restrictions recorded or unrecorded, if any.

Provided, The maintenance of the encroachments shall be subject to the rules, regulations, permits and annual inspection of the Buildings, Safety Engineering and Environmental Department as required by the Building Code. Also the maintenance of the public street (Civic Center Drive) above and below the encroachments shall be according to the permits, specifications, and inspection of the Department of Public Works — City Engineering Division as required by Detroit Code Section 50-4-24; and further

Provided, The City and all utility companies retain their rights to service, inspect, maintain, repair, install, remove or replace utilities within the public rightsof-way; and further

Provided, By approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-ofway, and at all time, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which

could normally be expected had the petitioner not encroached into the right-ofway, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That if at any time in the future the petitioner shall request removal and/or relocation of DWSD's facilities in the right-of-way being encroached upon the petitioner agrees to pay all costs for such removal and/or relocation; and be it further

Provided, That the contractor call MISS DIG 72 hours prior to starting any underground construction where they plan the underground encroachment; and be it further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Detroit Regional Convention Facility/Cobo Center: and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Detroit Regional Convention Facility/Cobo Center or its assigns. Should damages to occur, Detroit Regional Convention Facility/Cobo Center or its assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That Detroit Regional Convention Facility/Cobo Center shall file with the Finance Department and/or City Engineering Division — DPW an indemnity in form approved by the Law Department. The agreement shall save

and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance by Detroit Regional Convention Facility/Cobo Center of the terms thereof. Further, Detroit Regional Convention Facility/Cobo Center shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the proposed encroachments; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

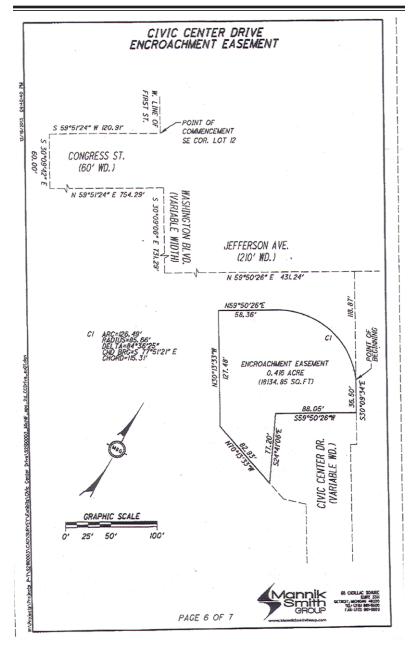

Provided, That said permits issued by the Department of Public Works — City Engineering Division and/or Buildings, Safety Engineering and Environmental Department are granted with the distinct understanding that in the event that the City Charter, or Detroit Code(s), or ordinances, or resolution(s), or City policies (governing the maintenance of encroachments within the public rights-of-way) are amended to provide for the levying thereafter, of a fee, charge, or rental, to be hereinafter determined upon, for the occupancy of the public streets, alleys or other public places, that the permittee will pay said fee, charge, or rental provided for in said City Charter, or Detroit Code(s), or ordinances, or resolution(s), or City policies; also said permittee does hereby bind itself thereunto, and to accept said permits on the conditions hereby imposed, and in the event said permittee shall contest the validity of said City Charter, or Detroit Code(s), or ordinances, or resolution(s), or City policies of said fee, charge or rental, or upon refusal to pay same, these permits shall immediately become void; and further

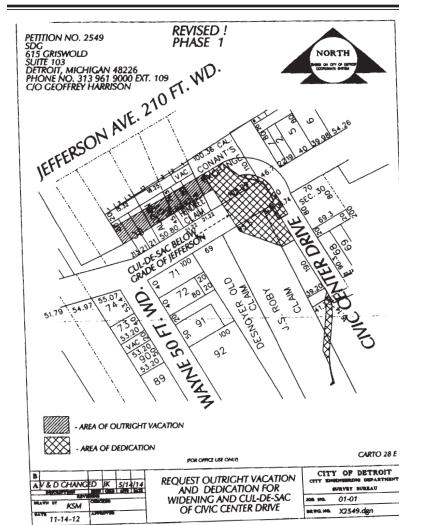

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Detroit Regional Convention Facility/Cobo Center acquires no implied or other privileges hereunder not expressly stated herein; and further

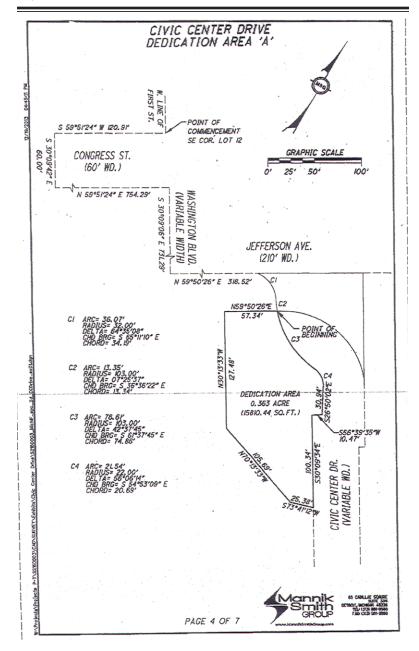

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and further

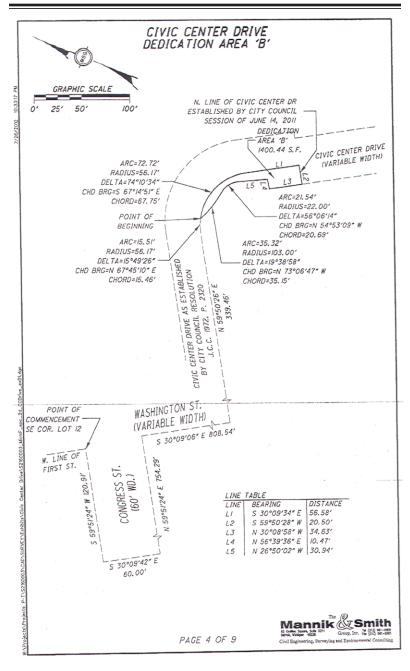

Provided, The filing of the Indemnity Agreement and the securing of the necessary permit(s) referred to herein shall be construed as acceptance of this resolution by the permittee; and further

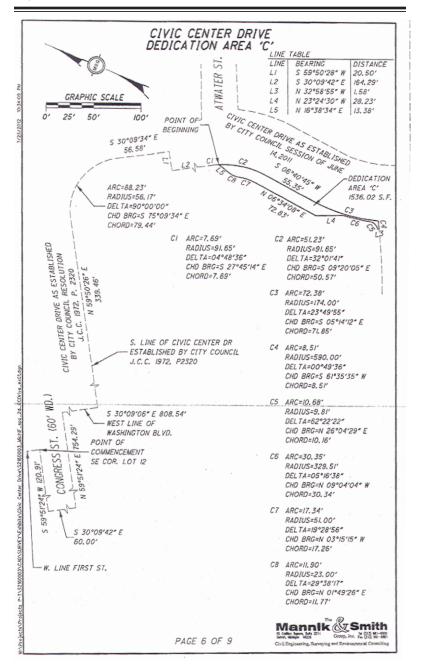

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Detroit Recreation Department

June 25, 2014

Honorable City Council:
Re: Grant of DTE Electrical Underground
Easements.

The Recreation Department and the Department of Public Works are requesting this Honorable Body approve the easement grants to DTE Electric Company for underground utility line facilities in a portion of the William G. Milliken State Park and in a portion of the Dequindre Cut southern extension.

These permanent, non-exclusive underground easements are to construct, reconstruct, modify, add to, repair, replace, inspect, operate and maintain underground utility line facilities in, and in accordance with the terms of, the two attached DTE Electric underground Easements.

A resolution consistent with the above is submitted for your consideration. We also respectfully request that your Honorable Body adopt the attached resolution with a waiver of reconsideration.

Respectfully submitted,

RON BRUNDAGE Director

ALICIA C. MINTER Director-Recreation

By Council Member Benson:

Resolved, That the grants to DTE Electric Company, a Michigan corporation, of electrical underground easements form and substance consistent with the attached Exhibits A and B are hereby authorized and approved; and be it further

Resolved, That the Director of the Recreation Department is authorized to execute and deliver an easement agreement in form and substance consistent with the "DTE Electric Underground Easement (Right of Way) No. 38112848" attached as Exhibit A; and be it further

Resolved, That the Director of the Department of Public Works is authorized to execute and deliver an easement agreement in form and substance consistent with the "DTE Electric Underground Easement (Right of Way) No. 38112845" attached as Exhibit B.

A Waiver of Reconsideration requested. **Exhibit A**

DTE Electric Underground Easement (Right of Way) No. 38112848

On ______, 2014, for the consideration of system betterment, Grantor grants to Grantee a permanent, non-exclusive underground easement ("Right of Way") in, on, and across a part of Grantor's Land called the "Right of Way Area"

"Grantor" is: The City of Detroit, a Michigan public body corporate, Two Woodward Avenue, Detroit, Michigan 48226.

"Grantee" is: DTE Electric Company, a Michigan corporation, One Energy Plaza, Detroit, Michigan 48226. "Grantor's Land" is in P.C. 8, 17 & 90, Town 2 South, Range 12 East, City of Detroit, County of Wayne, State of Michigan, described as:

A parcel of land in and being a part of P.C. 8, 17 & 90, Town 2 South, Range 12 East, City of Detroit, County of Wayne, State of Michigan, being more particularly described as follows: Part of Vacated Guoin Street (50 feet wide) lying between the Westerly line of St. Aubin Avenue (70 feet wide) and the Easterly line of Vacated Dequindre Avenue (60 feet wide); also Lots 9 through 12, inclusive, "SUBDIVI-SION OF LOT NO. 1, WITHERELL FARM", between Jefferson Avenue and Atwater Street, according to the Plat thereof as recorded in Liber 1 of Plats, Page 76, Wayne County Records; also Lots 9 through 12, inclusive, "SUBDIVI-SION OF LOT 2, WITHERELL FARM" according to the Plat thereof as recorded in Liber 1 of Plats, Page 37, Wayne County Records.

Part of Tax Identification Number(s):

More commonly known as:

The "Right of Way Area" is a Five foot (5') wide easement on part of Grantor's Land along the North property line and along the West property line of the above-described parcel. The centerline of the Right of Way Area shall be established in the as-built location of the centerline of Grantee's facilities, and shall be installed on Grantor's Land in the approximate location described on "Appendix 'A'", attached hereto and made a part hereof.

- 1. Purpose: The purpose of this Right of Way is to construct, reconstruct, modify, add to, repair, replace, inspect, operate and maintain underground utility line facilities consisting of no more than one manhole, conduits, pipes, cables and accessories.
- 2. Access: Grantee has the right of pedestrian and vehicular ingress and egress to and from the Right of Way Area over and across Grantor's Land.
- 3. Buildings or other Permanent Structures: Except for those improvements which exist as of the date of this Right of Way and like-kind replacements thereof identified on Appendix B (the "Existing Improvements"), no buildings or other permanent structures or improvements may be constructed or placed in the Right of Way Area without Grantee's prior, written consent; provided, however, that Grantor may install a sidewalk, paved walkway or paved parking over the Right of Way Area (the "Sidewalk Improvements"). In advance of any Sidewalk Improvements, Grantor will submit plans therefor to Grantee for review and comment, such reasonable comments to be returned to Grantor within twenty-one (21)

Grantor:

The City of Detroit,

days of submittal to Grantee, which shall be incorporated by Grantor into the final drawings. Except for the Existing Improvements and the Sidewalk Improvements, Grantor agrees to remove, at its own expense, any improvement that interferes with the safe and reliable operation, maintenance and repair of Grantee's facilities upon the written demand of Grantee. If Grantor fails to comply with such demand, Grantor agrees that Grantee may remove any such improvements and bill Grantor for the reasonable and actual cost thereof, which cost Grantor shall pay within thirty (30) days after demand therefor.

- 4. Excavation: Pursuant to 2013 Public Act 174, MISS DIG (1-800-482-7171 or 811 in some areas) must be called before any excavation in the Right of Way Area may proceed.
- 5. Trees, Bushes, Branches, Roots, Structures and Fences: Grantee may trim, cut down, remove or otherwise control any trees, bushes, branches and roots growing or that could grow in the Right of Way Area and, except for the Existing Improvements and the Sidewalk Improvements, remove any structures, improvements, fences, buildings or landscaping in the Right of Way Area that Grantee reasonably believes could interfere with the safe and reliable construction, operation, maintenance and repair of Grantee's facilities.
- 6. Restoration: If Grantee's agents, employees, contractors, subcontractors, vehicles or equipment damage Grantor's Land and/or Existing Improvements while entering, exiting or conducting work on Grantor's Land for the purposes stated in this Right of Way, then Grantee will restore Grantor's Land and/or Existing Improvements as nearly as is reasonably practicable to the condition in which it existed prior to such damage. Restoration with respect to paved surfaces shall consist of asphalt repairs of the damaged portion of any asphalted surfaces and the cement patching of the damaged portion of any cemented surfaces. Except for the repairs agreed to in two foregoing sentences, Grantee shall have no liability, however, for the restoration, or cost of any improvements whatsoever, including, but not limited to, paving, roadways, parking areas, parking islands, sidewalks, curbing, gutters, fences or landscaping such as trees, bushes, flowers or grass located within the Right of Way Area that are damaged by Grantee in the course of con-

structing, reconstructing, modifying, adding to, repairing, replacing, operating or maintaining its facilities as described in paragraph 1 above.

- **7. Successors:** The Right of Way runs with the land and binds and benefits Grantor's and Grantee's successors and assigns.
- **8. Exemptions:** The Right of Way is exempt under MCL 207.505(a) and MCL 207.526(a).
- **9. Governing Law:** The Right of Way shall be governed by the laws of the State of Michigan.
