#### BUDGET, FINANCE AND AUDIT STANDING COMMITTEE

Please be advised that the following Finance Department/Purchasing Division Contract was approved through the Recess Procedure for the week of December 8, 2020:

**Office of the Chief Financial Officer  
Office of Development and Grants**  
November 23, 2020

Honorable City Council:

Re: Request to Accept and Appropriate the First Responder Hazard Pay Premiums Program.

The Michigan Department of Treasury has awarded the City of Detroit Office of

the Chief Financial Officer with the First Responder Hazard Pay Premiums Program for a total of \$3,657,683.42. There is no match requirement for this grant. The total project cost is \$3,657,683.42.

The objective of the grant is to reimburse qualifying first responder hazard pay premiums provided to first responders who have performed hazardous duty or work involving physical hardship related to COVID-19. The funding allotted to the department will be utilized to cover hazard pay premiums paid to eligible employees from March 1, 2020 through September 30, 2020.

If approval is granted to accept and appropriate this funding, the appropriation number is 20927. The fund number is 3922. This is a COVID-19 Federal relief grant and is subject to the reporting requirements for council in accordance with the resolution approved on July 21, 2020, creating a commitment to transparency for Federal Cares Act grant.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

KATERLI BOUNDS

Director

Office of Development and Grants

TINA TOLLIVER

Office of Budget

Whereas, The Office of the Chief Financial Officer is requesting authorization to accept a grant from the Michigan Department of Treasury, in the amount of \$3,657,683.42, to cover hazard pay premiums paid to first responders during the COVID-19 pandemic; and

Whereas, This request has been approved by the Office of Budget; and

Whereas, The fund number is 3922 and this is a COVID-19 Federal relief grant and is subject to the reporting requirements required for council in accordance with the council resolution approved on July 21, 2020; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit; and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20927, in the amount of \$3,657,683.42,

for the First Responder Hazard Pay Premiums Program.

Received and placed on file.

**Office of the Chief Financial Officer Office of Development and Grants**

November 18, 2020

Honorable City Council:

Re: Authorization to submit a grant application to the National Fish and Wildlife Foundation for the FY 2021 Great Lakes Resilience Fund Grant.

The General Services Department is hereby requesting authorization from Detroit City Council to submit a grant application to the National Fish and Wildlife Foundation for the FY 2021 Great Lakes Resilience Fund Grant. The amount being sought is \$300,000.00. The Foundation share is \$300,000.00 of the requested amount and there is a required cash match of \$302,000.00. The total project cost is \$602,000.00.

The FY 2021 Great Lakes Resilience Fund Grant will enable the department to:

- Install two (2) bio-retention cells by Patton Park's parking lot
- Provide education to park users on green infrastructure

If the application is approved, a cash match will be provided by future FY 2022 Community Development Block Grant (CDBG) Entitlement Funds, with an appropriation that is to be determined based on the adopted budget.

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,  
KATERLI BOUNDS  
Director

Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

Whereas, The General Services Department has requested authorization from City Council to submit a grant application to the National Fish and Wildlife Foundation, for the FY 2021 Great Lakes Resilience Fund Grant, in the amount of \$300,000.00, to install two (2) bio-retention cells by Patton Park's parking lot and provide education to park users on green infrastructure; and

Whereas, The General Services Department has \$302,000.00 available from future FY 2022 Community Development Block Grant (CDBG) Entitlement Funds,

for the City match requirement for the FY 2021 Great Lakes Resilience Fund Grant; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, The General Services Department is hereby authorized to submit a grant application to the National Fish and Wildlife Foundation for the FY 2021 Great Lakes Resilience Fund Grant.

Please be advised that the following Finance Department/Purchasing Division Contracts were approved through the Recess Procedure for the week of December 8, 2020:

**Office of the Chief Financial Officer  
Office of Development and Grants  
November 18, 2020**

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2021 Summer Jobs Connect Grant.

The Cities for Financial Empowerment Fund Inc. (CFE Fund) has awarded the City of Detroit Department of Neighborhoods with the FY 2021 Summer Jobs Connect Grant for a total of \$10,000.00. There is no match requirement. The grant project includes a partnership with the Detroit Employment Solutions Corporation, Connect Detroit, and the CFE Fund. The total project cost is \$160,000.00, with \$50,000.00, granted directly to Detroit Employment Solutions Corporation, \$50,000.00 to Connect Detroit, and \$50,000.00 retained by CFE Fund.

The objective of the grant is to expand financial empowerment and banking access integration into the Grow Detroit's Young Talent Program. The funding allotted to the department will be utilized to pay for a portion of the Financial Empowerment Coordinator's salary.

If approval is granted to accept and appropriate this funding, the appropriation number is 20925.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
KATERLI BOUNDS  
Director

Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

Whereas, The Department of Neighborhoods is requesting authorization to accept a grant from the Financial Empowerment Fund Inc. (CFE Fund), in the amount of \$10,000.00, to expand financial empowerment and banking access integration into the Grow Detroit's Young Talent Program; and

Whereas, The grant project includes a partnership with the Detroit Employment Solutions Corporation, Connect Detroit, and the CFE Fund; and

Whereas, The Detroit Employment Solutions will directly receive up to \$50,000.00 under this agreement; and

Whereas, Connect Detroit will directly receive up to \$50,000.00 under this agreement; and

Whereas, The Cities for Financial Empowerment Fund Inc. will retain up to \$50,000.00 under this agreement; and

Whereas, the Law Department has approved the attached agreement as to form; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20925, in the amount of \$10,000.00, for the FY 2021 Summer Jobs Connect Grant.

Received and placed on file.

**CITIES FOR FINANCIAL  
EMPOWERMENT FUND  
Grant Agreement**

This Grant Agreement (the "Agreement"), dated as of November 1, 2020 (the "Effective Date") is by and between the Cities for Financial Empowerment Fund, Inc. (the "CFE Fund"), a Delaware non-stock, non-profit corporation qualified as exempt from federal income tax under section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code"), Detroit Employment Solutions Corporation ("DESC"), a 501(c)3 non-profit qualified as exempt under the Code, Connect Detroit ("Connect Detroit"), a 501(c)3 non-profit qualified as exempt under the Code, and the City of Detroit, a Michigan municipal corporation, acting by and through its Department of Neighborhoods ("City of Detroit DoN") (DESC, Connect Detroit, and the City of Detroit DoN are hereinafter jointly referred to as the "Grantees").

Whereas, The CFE Fund works to support municipal engagement to improve the financial stability of low and moderate income households by embedding financial empowerment strategies into local government infrastructure (the "Purposes").

Whereas, The CFE Fund has determined that the support of the Grantees in the work contemplated by this Agreement furthers the exempt Purposes of the CFE Fund.

Whereas, The Grantees have agreed to use the funds provided by this Agreement (the "Grant") to support the Purposes by partnering to expand the integration of financial empowerment and banking access strategies into both year-round and summer youth employment

programs, supporting and building a broader financial empowerment infrastructure in the City of Detroit, as set forth in Exhibit A (the "Scope of Work").

Whereas, The City of Detroit DoN has informed the CFE Fund that it will receive the Grant through the auspices of DESC (the "Fiscal Conduit").

Whereas, The CFE Fund and the Grantees desire to enter into this Agreement to provide for the terms and conditions of the Grant and the Scope of Work.

Now, Therefore, The CFE Fund and the Grantees agree as follows:

#### 1. Grant.

The CFE Fund pledges and agrees to provide DESC a Grant in the form of cash or cash equivalents in an amount not to exceed \$50,000 [FIFTY THOUSAND DOLLARS], Connect Detroit a Grant in the form of cash or cash equivalents in an amount not to exceed \$50,000 [FIFTY THOUSAND DOLLARS], and the City of Detroit DoN (paid to DESC as Fiscal Conduit) a Grant in the form of cash or cash equivalents in an amount not to exceed \$10,000 [TEN THOUSAND DOLLARS]. Grant funds will be paid in U.S. Dollars no sooner than what is laid out in the Grant Payout Schedule in Section 4(c).

#### 2. Use of Grant.

The Grant is to be used only for the purposes outlined in the Scope of Work and in accordance with the specific allocations identified in the Grant Budget included in Exhibit B (the "Grant Budget"). The Grantees must obtain the prior written consent of the CFE Fund before engaging in any work that is beyond the Scope of Work and the failure to obtain such consent shall invalidate any obligation of the CFE Fund to pay any invoices for such work.

#### 3. Term.

(a) The Grant term will begin as of the Effective Date and end on October 31, 2021. Any funds not used by the end of the Grant term toward the purposes of this Grant will be returned to the CFE Fund within thirty (30) days after the end of the Grant term unless otherwise agreed upon by both parties in writing in advance.

(b) This Agreement may be terminated at any time prior to its scheduled termination as set forth above:

(i) By either the CFE Fund or the Grantees without cause by giving the other party sixty (60) days prior written notice;

(ii) Immediately by a non-breaching party following a material breach of this Agreement by the other party and the expiration of a ten (10) day "cure" period after the non-breaching party shall have given notice to the breaching party of such breach, or;

(iii) Immediately by the CFE Fund when its objectives can no longer be

advanced through the relationship set forth in this Agreement including, without limitation, by the Grantees' administration of any Vendor work as it relates to the Scope of Work.

(c) If the Agreement is terminated by any party for any reason, CFE Fund will have no further obligation to make any payments to the Grantees, except for work already completed but not yet paid for prior to the termination; provided, that (i) such work is within the Scope of Work or (ii) if such work is beyond the Scope of Work, the prior written consent of the CFE Fund has previously been obtained.

#### 4. Conditions of Disbursement of Grant.

(a) Grantees shall be eligible to receive funds upon the fulfillment of the following condition:

(i) Receipt by the CFE Fund of a countersigned copy of this Agreement, which includes Scope of Work and Grantees Budget. Budget should be a detailed, line-item projected accounting of all Program costs.

(b) Disbursements of the Grant shall be subject to the fulfillment of the following conditions:

(i) Timely receipt of all Grantees' reports and Financial Reporting in accordance with Exhibit C (the "Reporting and Outcomes").

(ii) Satisfactory performance of this Agreement in accordance with the Scope of Work.

(iii) The Grantees covenant that they shall take no action, omit to take any action, or engage in any activity that could impair or endanger, either directly or indirectly, the CFE Fund's exempt status under the Internal Revenue Code, or which could hinder the CFE Fund's ability to fulfill its charitable mission.

(iv) The Grantees shall review each invoice submitted by Vendor(s) for the performance of services in light of the purposes as expressed in the Request for Proposal and Scope of Work, and shall promptly furnish the CFE Fund with copies of vendor invoices or other such proof of services provided pursuant to this contract, when requested.

(c) Grant Payout Schedule: The total grant will be split into the following payments.

(i) Initial 90% of funds for payment to DESC (\$45,000), Connect Detroit (\$45,000), and the City of Detroit DoN (\$9,000, paid to DESC as Fiscal Conduit) will be available upon execution of contract and receipt of detailed line-item projected accounting.

(ii) Next 5% of funds to DESC (\$2,500), Connect Detroit (\$2,500), and the City of Detroit DoN (\$500, paid to DESC to DESC as Fiscal Conduit) will be available upon receipt of interim report (including attachments) and documentation of

detailed line-item accounting demonstrating that at least 85% of budget has been expended and projected timing and accounting for spending for balance.

(iii) Final 5% of funds to DESC (\$2,500), Connect Detroit (\$2,500), and the City of Detroit DoN (\$500, paid to DESC to DESC as Fiscal Conduit) will be available upon receipt of final report (including attachments) and documentation of detailed line-item accounting demonstrating at least 90% of budget has been expended and projected timing and accounting for spending for balance.

**5. Payment of Grant.**

Subject to the fulfillment of the conditions set forth in Section 4:

(a) The CFE Fund may increase the Scope of Work and corresponding outcome requirements and make concomitant payment adjustments as funds become available to expand services. Any increase in the Scope of Work and subsequent outcome goals would be made in consultation with and at the option of the Grantees.

(b) Services provided by the Grantees to clients beyond the Grant term shall not be within the Scope of Work under this Agreement and shall not be included in the Grant.

**(c) Payment to DESC, as Grantee and as Fiscal Conduit for City of Detroit DoN:**

The CFE Fund can make payment in one of two ways. Please initial in ONE of the boxes to select the requested payment option.

a. For electronic payment: The CFE Fund will make an electronic payment through the CFE Fund's payment system, bill.com. DESC authorizes the below employee to create an account and enter the DESC's appropriate bank routing and account number into bill.com. DESC will ensure that account information in bill.com is accurate throughout the life of the Grant.

Alessia Baker-Giles  
Director of Finance  
*abaker@detempsol.org*

b. For payment by check: The CFE Fund will issue a check to DESC at the address provided:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

(d) **Payment to Connect Detroit:** The CFE Fund can make payment in one of two ways. Please initial in ONE of the boxes to select the requested payment option.

a. For electronic payment: The CFE Fund will make an electronic payment through the CFE Fund's payment system, bill.com. Connect Detroit authorizes the

below employee to create an account and enter the Connect Detroit's appropriate bank routing and account number into bill.com. Connect Detroit will ensure that account information in bill.com is accurate throughout the life of the Grant.

Glenda Hyland  
Vice President of Finance  
and Administration  
*glenda@connectdetroit.org*

b. For payment by check: The CFE Fund will issue a check to the Grantee at the address provided:

\_\_\_\_\_  
\_\_\_\_\_  
\_\_\_\_\_

(e) The CFE Fund's ability to pay out this Grant is dependent on the timely receipt of Grant funding from institutional Grantors. In the event that the CFE Fund has not received sufficient or timely funding from these Grantors, the CFE Fund may elect to postpone, reduce, or eliminate this Grant prior to disbursement.

**6. Covenants.**

During the term of this Grant, the Grantees are expected to adhere to the terms and conditions below and outlined in Exhibit A (the "Scope of Work"). Failure to adhere to these conditions will constitute an act of default and result in the return of part or all of the Grant funds to the CFE Fund and the termination of any obligation of the CFE Fund to pay subsequent invoices submitted after such default. In such a case, the CFE Fund will determine in its sole and absolute discretion the percentage of the Grant to be returned. Cessation or reclamation of Grant funding by the CFE Fund may also result in the Grantees' elimination from consideration for investment from the CFE Fund in any other form. In the event that the CFE Fund terminates the Grant as provided herein, the Grantees shall return Grant funds to the CFE Fund within the time period specified by the CFE Fund upon termination.

During the Grant term and beyond as applicable, the Grantees under this Agreement agree to:

(a) Coordinate the overall implementation of the program with respect to the Scope of Work. The Grantees will oversee and direct the work of all partner organizations with respect to the Scope of Work.

(b) Adhere to the uses of the Grant detailed in the Program.

(i) This Grant is made only for the purposes of implementing the Scope of Work and this Agreement. Any Grant funds not expended or committed for these purposes within the Grant term will be returned to the CFE Fund. Any prospective changes in the use of this Grant total-

ing over ten percent (10%) percent of any individual budget line must be submitted in writing to and approved by the CFE Fund.

(ii) The Grantees will provide immediate written notification to the CFE Fund if significant changes or events occur during the term of the Grant which could potentially impact the progress or outcome of the Grant, including, without limitation, changes in the Grantees' management personnel, loss of funding or other extenuating circumstances which could affect the Grant budget. The CFE Fund, in its sole and absolute discretion, will determine if requests for budget modifications are warranted.

(c) Cooperate in the monitoring, evaluation and reporting of work, as detailed in Exhibit A (the "Scope of Work").

(d) Adhere to the CFE Fund financial compliance stipulations.

(i) The Grantees will maintain financial records to account clearly for the Grant funds from the CFE Fund and proper expenditures in furtherance of the Grant. The Grantees shall retain and maintain adequate records to substantiate such expenditures according to generally accepted accounting practices. The Grantees shall retain original substantiating documents related to the specific Grant expenditures and make these records available to the CFE Fund upon request.

(ii) The CFE Fund reserves the right to audit the financial and other records of the Grantees (and DESC, in its capacity as Fiscal Conduit) to ensure the proper utilization of its Grant funds. During and at least three years and one day following the end of the Grant term, the Grantees (and DESC, in its capacity as Fiscal Conduit) will be expected to maintain records showing, separately from other accounts kept in its books and records, the receipt and expenditure of the CFE Fund Grant funds.

(e) Adhere to the CFE Fund's marketing and communications guidance of the CFE Fund as below (as it may be amended, modified, supplemented or otherwise revised), and any Grant-relevant institutional investors.

(i) The Grantees agree to provide details about all Grant-related marketing and communication materials and events to the CFE Fund reasonably in advance to jointly determine appropriate branding opportunities for the CFE Fund and any relevant CFE Fund partners. The Grantee agrees to acknowledge the CFE Fund in all Grant-related materials and events, including but not limited to websites, newsletters, media releases, public announcements, event invitations and programs. The CFE Fund will provide specific communication protocols including language for recognizing the CFE Fund in text and logo format. Grantees also shall provide to the CFE Fund final

copies of all printed materials as part of the progress reports for the Program.

(ii) Any Grant-related media interviews or public announcements intended for media or public purposes must be coordinated with and approved by the CFE Fund in advance.

(iii) The Grantees may not publicly announce the receipt of this Grant or its details until the CFE Fund and its institutional investors have made their official announcement. Prior to the official announcement, the Grantees should consult with the CFE Fund to develop language that may be used for the purposes of recruitment and other administrative purposes.

(iv) Execution of this Grant agreement provides the CFE Fund and its institutional investors the right to disseminate any products, outcomes, or other information related to the Grantees' efforts in any media of its choosing. Whenever feasible, the CFE Fund will share these materials with the Grantees prior to publication and give appropriate credit to the Grantees as the provider of this information. The Grantee will be expected to cooperate in any public education or outreach effort undertaken in connection with this Grant, which may include other CFE Fund programs.

(f) Adhere to the following prohibitions on the use of the Grant.

Under no circumstances shall the Grantees or any Vendor or any other organization receiving the CFE Fund's Grant funds use these funds directly or indirectly for the following purposes or activities:

(i) Make a Grant to an individual for travel, study or other similar purpose, as described in section 4945(d)(3) of the Code.

(ii) Promote or engage in violence, terrorism, bigotry, or the destruction of any state, nor will it make sub-Grants to any entity that engages in these activities.

(iii) Influence legislation, especially for the benefit of the CFE Fund or any of its affiliates or funders, including by publishing or distributing any statements, or any campaign in support of or opposition to any pending legislation.

(iv) Any other purposes outside what is stated in the Scope of Work without express written permission from the CFE Fund.

#### **7. Compliance with Laws.**

Grantees shall comply with, and shall ensure that any Vendors or sub-Vendors engaged by the Grantees in connection with the Program comply with, all local, state and federal laws (including common laws), ordinances, codes, rules and regulations regarding the Program and Grantees' obligations and performance under this Agreement. Grantees shall obtain and maintain, and shall ensure that any Vendors or sub-Vendors engaged by

the Grantees in connection with the Program obtain and maintain, any and all permits, licenses, bonds, certificates and other similar approvals required in connection with this Agreement.

#### **8. Indemnification.**

(a) The CFE Fund shall indemnify, defend and hold harmless DESC and Connect Detroit, including their respective officers, employees and agents, from any and all claims, demands, costs, judgments or liabilities to which they may be subject because of any acts or omissions of the CFE Fund, its officers, directors or trustees, employees, agents, representatives, Vendors, or because of any negligence or fault of the CFE Fund, its officers, directors or trustees, employees, agents, representatives, or Vendors. This obligation shall survive and continue beyond any termination or expiration of this Agreement.

(b) DESC and Connect Detroit shall indemnify, defend and hold harmless the CFE Fund, including its staff, and its officers, directors or trustees, employees and agents, from any and all claims, demands, costs, judgments or liabilities to which they may be subject because of any acts or omissions of the respective Grantees, or any of their respective employees, agents, representatives, or because of any negligence or fault of the Grantees, or their respective employees, agents, and representatives. This obligation shall survive and continue beyond any termination or expiration of this Agreement.

(c) DESC and Connect Detroit shall take all steps necessary to ensure that their staffs, officers or trustees, employees, agents, representatives, and vendors are covered under all insurance policies necessary to effectuate the provisions of this Section.

#### **9. Confidentiality.**

All reports, information or data furnished to or to be prepared or assembled under this Agreement are to be held confidential, unless otherwise herein provided (including, without limitation, the terms and conditions set forth in Section 6(e) and the Scope of Work) or subject to disclosure by law, including but not limited to the Michigan Freedom of Information Act, PA 442 of 1976, as amended, being MCL 15.231 et seq.

#### **10. Non-Assignability.**

The Grantees shall not assign, transfer, subcontract, convey or otherwise dispose of this Agreement or of its rights, obligations, responsibilities or duties hereunder, either in whole or in part, without the prior written consent of the CFE Fund.

#### **11. Compliance with Anti-Discrimination Rules.**

In its use of Grant funds provided by the CFE Fund, and in the course of all development, marketing and operation activities, the Grantees shall fully comply

with all applicable federal, state, local (and any other governmental), anti-discrimination laws, executive orders, rules and regulations.

#### **12. Severability of Provisions.**

Each provision of this Agreement shall be considered severable and if for any reason any provision or provisions herein are determined to be invalid, unenforceable or illegal under any existing or future law, such invalidity, unenforceability or illegality shall not impair the operation of or affect those portions of this Agreement which are valid, enforceable and legal.

#### **13. Entire Agreement.**

This Agreement contains the entire understanding between the parties hereto with respect to the subject matter of this Agreement and replaces and supersedes all prior agreements and understandings of the parties. This Agreement may be amended or modified only by a writing executed by the parties hereto.

#### **14. Binding Agreement.**

Notwithstanding any other provision of this Agreement, the parties agree that this Agreement constitutes a legal, valid and binding agreement of each party, and is enforceable against each party in accordance with its terms.

#### **15. Governing Law.**

THIS AGREEMENT SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO THE CONFLICT OF LAWS PROVISIONS THEREOF.

#### **16. Arbitration and Service of Process.**

ANY CONTROVERSY OR CLAIM ARISING OUT OF, OR RELATING TO, THIS AGREEMENT, OR THE BREACH THEREOF, SHALL BE SETTLED BY ARBITRATION ADMINISTERED IN THE STATE OF NEW YORK, OR ANOTHER LOCATION MUTUALLY AGREEABLE TO THE PARTIES, BY THE AMERICAN ARBITRATION ASSOCIATION UNDER ITS COMMERCIAL ARBITRATION RULES, AND JUDGMENT ON THE AWARD RENDERED BY THE ARBITRATOR(S) MAY BE ENTERED IN ANY COURT HAVING JURISDICTION THEREOF. ANY AWARD RENDERED THEREUNDER SHALL BE FINAL AND BINDING ON ALL PARTIES THERETO. EACH PARTY TO THIS AGREEMENT IRREVOCABLY CONSENTS TO THE SERVICE OF THE SUMMONS AND COMPLAINT AND ANY OTHER PROCESS IN ANY OTHER ACTION OR PROCEEDING RELATING TO THE TRANSACTIONS CONTEMPLATED HEREBY, ON BEHALF OF ITSELF OR ITS PROPERTY, BY PERSONAL DELIVERY OF COPIES OF SUCH PROCESS TO SUCH PARTY. NOTHING CONTAINED IN THIS SECTION WILL AFFECT THE RIGHT OF ANY

PARTY TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR COMMENCE LEGAL PROCEEDINGS OR OTHERWISE PROCEED AGAINST ANY OTHER PARTY IN ANY OTHER JURISDICTION.

**17. Waiver of Jury Trial.**

EACH OF THE PARTIES HERETO HEREBY EXPRESSLY AND IRREVOCABLY RELEASES, WAIVES AND RELINQUISHES ANY AND ALL RIGHTS TO TRIAL BY JURY IN ANY CLAIM, DEMAND, ACTION, SUIT, PROCEEDING OR CAUSE OF ACTION IN WHICH ANY OF THEM ARE PARTIES, WHICH IN ANY WAY (DIRECTLY OR INDIRECTLY) ARISES OUT OF, RESULTS FROM OR RELATES TO ANY OF THE FOLLOWING, IN EACH CASE WHETHER NOW EXISTING OR HERE-AFTER ARISING AND WHETHER BASED ON CONTRACT OR TORT OR ANY OTHER LEGAL BASIS: (I) THIS AGREEMENT; (II) ANY PAST, PRESENT OR FUTURE ACT, OMISSION, CONDUCT OR ACTIVITY WITH RESPECT TO THIS AGREEMENT; (III) ANY TRANSACTION, EVENT OR OCCURRENCE CONTEMPLATED BY THIS AGREEMENT; (IV) THE PERFORMANCE OF ANY OBLIGATION OR THE EXERCISE OF ANY RIGHT UNDER THIS AGREEMENT; AND (V) THE ENFORCEMENT OF THIS AGREEMENT. EACH OF THE PARTIES HERETO HEREBY FURTHER AGREES THAT THIS AGREEMENT CONSTITUTES ITS WRITTEN CONSENT THAT TRIAL BY JURY WILL BE WAIVED IN ANY SUCH CLAIM, DEMAND, ACTION, SUIT, PROCEEDING OR OTHER CAUSE OF ACTION AND AGREES THAT EACH OF THEM WILL HAVE THE RIGHT AT ANY TIME TO FILE THIS AGREEMENT WITH THE CLERK OR JUDGE OF ANY COURT IN WHICH ANY SUCH CLAIM, DEMAND, ACTION, SUIT, PROCEEDING OR OTHER CAUSE OF ACTION MAY BE PENDING AS WRITTEN CONSENT TO WAIVER OF TRIAL BY JURY.

**18. Intellectual Property.**

All ownership, title, interest, and intellectual property rights of documents, templates, and other materials provided by the CFE Fund shall remain solely the CFE Fund's. Nothing in this section or agreement is intended to, and shall not be construed to, transfer any property rights to Grantees or any intellectual property rights to materials developed by the CFE Fund. The Grantees may use the CFE Fund's intellectual property for (i) internal planning processes; (ii) in furtherance of the Scope of Work; and (iii) otherwise expressly authorized by the CFE Fund. Any unauthorized disclosure of the CFE Fund's intellectual property without expressed authorization shall be considered a breach of this agreement.

The Grantees agree that CFE Fund may reproduce, publish or otherwise use the work product generated during the Grant term without any restriction whatsoever, including any requirement for approval from the Grantees.

**19. Amendment.**

The CFE Fund shall consider, but is not obligated to agree to, requests by the Grantees to amend the terms of this Agreement. Amendments to this Agreement shall be made only after (i) the CFE Fund has received written request from the Grantees stating the nature of the amendment request, and (ii) the CFE Fund has executed a written agreement describing the terms of the amendment.

**20. Counterparts.**

This Agreement may be executed in any number of counterparts, including by facsimile or other electronic means of communication, each of which shall be deemed an original of this Agreement and all of which together shall constitute one and the same instrument.

**21. Notices.**

Any notices required to be delivered hereunder shall be in writing and personally delivered, mailed or sent by electronic mail, telefacsimile or other similar form of rapid transmission, and shall be deemed to have been duly given upon receipt (a) at the respective party's address listed on Exhibit D ("Notices") or (b) at such other address as may be designated by written notice to the other party.

IN WITNESS WHEREOF, The parties hereto have caused this Agreement to be duly executed by their respective officers as of the day and year first above written.

**Exhibit A****SCOPE OF WORK****1. Core Elements of Summer Jobs Connect**

The Grantees will be responsible for:

- Providing youth in the Detroit Employment Solutions Corporation (DESC) and Connect Detroit Summer Youth Employment Programs, with:

- o Financial education on the benefits of banking, including information on how to identify and utilize safe banking products to minimize expenses and maximize financial stability

- o Opportunities to open safe and affordable youth accounts as part of the employment onboarding process

- o The ability to direct deposit summer paychecks into a bank or credit union account

- Delivering technical assistance to staff members from DESC and Connect Detroit so they are equipped to embed financial empowerment into the Summer Youth Employment Program.

- Examining opportunities to sustain their banking and financial empowerment efforts beyond the grant term. Grantees will:

- o Explore new funding sources

- o Train staff members on how to deliver banking and financial empowerment service

- o Discuss sustainability efforts with external partners, including financial institutions.

**2. Banking Access**

The Grantees will ensure that SYEP participants have access to safe and affordable bank accounts by:

- Teaching the benefits of banking

- o Grantees will leverage online experiences from summer 2020 to incorporate financial education on banking, budgeting, and saving into blended in-person and online program infrastructure for summer 2021.

- o Grantees will build financial education into GDYT technology systems to ensure youth are provided with relevant financial guidance during SYEP onboarding and orientation.

- o Grantees will encourage SYEP participants to save a portion of their summer paychecks and support youth in developing short- and long-term savings goals.

- Guiding youth to open safe bank or credit union accounts

- o Grantees will negotiate with financial institutions to offer safe and affordable accounts, as outlined in the Summer Jobs Connect youth account priorities ([Exhibit E. "CFE Fund Summer Jobs Connect Youth Account Priorities"](#)) and ensure the accounts are available to SYEP participants.

- o Grantees will coordinate with financial institution partners to help SYEP participants open safe and affordable bank

accounts remotely during program onboarding and/or orientation.

- o Connect Detroit will build account opening into their Junior Police Cadet (JPC) program enrollment process and encourage lead agency partners to integrate account opening into their programming.

- Building in direct deposit/split savings

- o Grantees will offer SYEP participants the ability to register for direct deposit using both newly opened and pre-existing bank/credit union accounts.

- o Grantees will work with partner financial institutions to ensure youth who open accounts are registered for direct deposit.

- o DESC will encourage participants to save a portion of summer earnings, by integrating "split" direct deposits into the program payroll system or providing participants with information on how to "auto-transfer" funds from a checking to savings account.

**3. Evaluation**

The Grantee and its vendors must identify, track, and report on youth occupying the job within the GDYT program. The Grantee and its vendors will also document progress towards the expected outcomes as mandated by the CFE Fund as structured in [Exhibit C](#) ("Reporting")

**4. Learning Community**

The CFE Fund expects full participation and attendance of both workforce and financial empowerment partners (or their designees as applicable) at learning community gatherings and phone calls for SJC grantees, including in-person and virtual meetings held throughout the grant period. Grantees will respond to requests from the CFE Fund to share best practices with other learning community members. The CFE Fund also will have a monthly, one-on-one check-in call with each grantee.

**5. Site Visits**

Grantees will host, at minimum, one full-day virtual site visit during which CFE Fund staff will meet with the City of Detroit's workforce and financial empowerment designees, and potentially other City of Detroit agencies involved in the program. The CFE Fund will also meet with key partners of this initiative, including financial empowerment service providers, banking partners, researchers, etc. During the virtual site visit, the CFE Fund reserves the right to meet and speak with youth and job supervisors in a group and/or one-on-one setting. As feasible, the site visit should also offer an opportunity for CFE Fund to observe implementation of the banking access and targeted financial education programs.

**6. Media and Public Relations**

Grantees will work with the CFE Fund to document the success of the program, focusing on financial empowerment achievements, throughout the year to

communicate the progress and impact of the initiative. Grantees should work with the CFE Fund and ensure that external communications efforts are discussed and approved in advance. In addition, Grantees and the CFE Fund will coordi-

nate with the Skillman Foundation to document programmatic success.

**7. Logic Model**

Grantees will employ the CFE Fund Logic Model to support the Scope of Work.

**SUMMER JOBS CONNECT: LOGIC MODEL**

**PLANNING PHASE**

Designing a program integration and building required infrastructure.

<u>Inputs</u>	<u>Planning Activities</u>	<u>Planning Outputs</u> <u># Implementation Inputs</u>
A paid Summer Youth Employment Program	Confirm the program population is substantially unbanked	A plan for integrating banking access
A program team commitment to financial empowerment and banking access	Identify the program touchpoints, brainstorm how they can be utilized for financial empowerment efforts	Training plans and materials for program staff and participants
The ability to pay participants via direct deposit	Examine the program payroll process and identify opportunities for direct deposit registration	Committed financial institution partner(s) offering accounts that meet the SJC Youth Account Priorities
Eight to twelve months for program design, building partnerships, and training staff	Build relationships with local financial institutions and negotiate accounts that meet the SJC Youth Account Priorities	Outreach materials produced and ready for distribution
	Identify implementation partnerships and determine partner roles	A clear process for direct deposit registration
	Develop a plan for communicating new financial empowerment opportunities to participants	A data collection plan in place (data sharing, measuring outcomes)
	Examine pay card terms, consider re-negotiating terms/fees	Improved pay card terms as an alternative to direct deposit

**IMPLEMENTATION PHASE**

Operating your banking integration at scale.

<b>Implementation Activities</b>	<b>Outputs</b>	<b>Outcomes</b>
Provide program staff with financial empowerment training	High % of program staff are trained on financial empowerment	Youth understand the benefits of banking and direct deposit
Educate participants on the benefits of banking: <ul style="list-style-type: none"> <li>• Build into application &amp; enrollment processes</li> <li>• Build into orientation curriculum</li> <li>• Train financial empowerment trainers</li> <li>• Offer online resources</li> </ul>	High % of participants have received training on the benefits of banking  High % of participants have opened youth-friendly transactional accounts	Youth intend to continue using their accounts  Financial empowerment and banking accounts are embedded in program structure
Helped unbanked participants open appropriate accounts: <ul style="list-style-type: none"> <li>• Invite financial institutions to program touchpoints</li> <li>• Program staff facilitate account opening process</li> </ul>	Low % of participants report difficulties with opening accounts and registering for direct deposit  High % of participants register for direct deposit	Program partners commit to building integrations in future program years
Enroll participants in direct deposit: <ul style="list-style-type: none"> <li>• Youth provide account information to program staff</li> <li>• Youth have access to a self-registration portal</li> <li>• Financial institutions provide account information to payroll</li> </ul>		
Distribute safe/cost-efficient pay cards		

**Exhibit B**

**Grant Budget**

Based on the \$160,000 grant from the Skillman Foundation and corresponding budget, the CFE Fund will provide \$50,000 to DESC, \$50,000 to Connect Detroit and \$10,000 to the City of Detroit DoN (paid to DESC as Fiscal Conduit) to support the Grantees' efforts to expand the integration of financial empowerment and banking access strategies into their respective Summer Youth Employment Programs.

**Skillman Foundation**

Financially Empowering Young Detroit Workers – Budget

**Budget Item**

Detroit Employment Solutions Corporation <i>Support Staff – financial empowerment, logistics and technology collaboration</i>	\$42,500.00
<i>Logistics- rentals, refreshments, transportation, etc.</i>	\$7,500.00
Connect Detroit <i>Support Staff – financial empowerment, logistics and technology collaboration</i>	\$42,500.00
<i>Logistics- rentals, refreshments, transportation, etc.</i>	\$7,500.00
Department of Neighborhoods <i>Staff support - financial empowerment and banking negotiation work</i>	\$10,000.00

<b>Total</b>	<b>\$160,000.00</b>

## Exhibit C

**Reporting & Outcomes**

The Grantees are responsible for submitting progress reports using the CFE Fund's online grant portal which can be accessed through the web link below:

<https://www.grantinterface.com/Home/Logon?urlkey=CitiesFE>

**Financial Reporting**

The CFE Fund requires financial documentation of expenses paid for Summer Jobs Connect corresponding to the Grant Budget in Exhibit B.

**Program Reports**

The CFE Fund will assign semi-annual program reports to track progress towards grant objectives and understand local Summer Jobs Connect accomplishments, challenges, and lessons learned. An overall Program budget will also be expected. A total of two Program Reports will be completed throughout the Grant term. The CFE Fund may request a brief interim report due February 15, 2021. The final report is due on September 8, 2021.

Outcomes to be tracked include the following:

**Summer Jobs Connect Outcomes**

Program model	How many youth participated in SYEP throughout the city? How many youth were served by the SYEP your agency oversees/manages?
Financial Education	How many youth were taught about the benefits of banking? How many youth received follow-up financial education on how to efficiently use a bank account, budgeting, and/or savings?
Account Opening	How many youth was the city able to determine banking status for? (Whether participants had an account prior to programming) How many youth <u>had the opportunity</u> to open a bank or credit union account through your program? How many youth actually opened accounts through your program?
Direct Deposit	How many youth <u>had the opportunity</u> to direct deposit their SYEP paychecks into a bank/credit union account? How many youth actually received their pay via direct deposit? How many youth chose to split their SYEP payments into a savings and transactional (checking) account?

## Exhibit E

## CFE Fund Summer Jobs Connect Youth Account Priorities

**SUMMER JOBS CONNECT YOUTH ACCOUNT PRIORITIES**

These following priorities are intended for use by programs seeking or negotiating financial institution transaction accounts for youth populations

**Critical Features**

<b>Terms</b>	<b>Standards</b>
Transaction Account at Banking Institution	Checking account (including checkless checking); bank- or credit union-offered prepaid Non-custodial account ownership for those under 18
Minimum Opening Deposit	\$25 or less, with ability for consumer to delay funding initial balance until first payroll
Monthly Maintenance Fee	None for youth accounts
Overdraft or Non-Sufficient Funds (NSF) Fees	None, structurally not possible (e.g. via checkless checking)
Dormancy or Inactivity Fees	None; after 6 months or more of inactivity, account can be suspended with an option to reactivate
Withdrawal Capability in-network	Free methods to access funds through ATMs
Insured Deposits	Insured by FDIC or NCUSIF
New Account Screening (e.g. ChexSystems, Early Warning Services)	<b>For consumers under 18:</b> Flexible usage, reflecting that any negative reports are unlikely to be fault of the minor <b>For consumers 18 and over:</b> Flexible usage: only deny new customers for past incidences of actual fraud
Alternative IDs	Accept alternative IDs (e.g. school IDs, program IDs)
Remote Account Opening	Accounts can be opened remotely (e.g. through onsite program enrollment, assisted account opening, or online), including issuing account numbers off-site
Linked Savings Accounts	Free savings accounts and account transfers

**Additional Important Features**

Point of Sale (POS) Capability	Debit card/prepaid card
Branch Access	Free and unrestricted
Telephone Banking	Free and unrestricted (including live customer support)
Use of Out-of-Network ATM	\$2.50 or less (not including local ATM fee)
Deposit Capability	Free in branch, at ATM, and direct deposit
Bill Pay by Customer	Free
Bill Pay by Financial Institution	Free if available, otherwise at least four free money orders and/or cashier checks per month
Check Cashing (or Checks Issued by that Bank)	Free
Online and Mobile Banking	Free
Banking Alerts	Free
Monthly Statements	Free paper (or electronic with consumer consent)
Mobile Deposits	Available, free
Funds Availability	Immediate availability for known customers cashing government, payroll, or same-bank checks
Money Orders	\$1.60 or less (based on U.S. Postal Service rate)
Remittances (International Wire)	Competitively priced (\$5.00 - \$20.00) depending on country)
Credit-Building Product Offerings	Secured credit card or secured personal loan, e.g.

**Office of the Chief Financial Officer  
Office of Development and Grants**

October 28, 2020

Honorable City Council:

Re: Request to accept and appropriate the FY 2021 Auto Theft Prevention Authority Grant.

The Michigan State Police has awarded the City of Detroit Fire Department with the FY 2021 Auto Theft Prevention Authority Grant for a total of \$170,021.00. The State share is \$170,021.00 of the approved amount, and there is a required cash match of \$113,348.00. The total project cost is \$283,369.00.

The objective of the grant is to implement innovative programs to address auto theft and fraud. The funding allotted to the department will be utilized to help the department stop car-jacking, embezzlement, and other auto-related crimes. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20920, with the match amount coming from appropriation number 00065.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
KATERLI BOUNDS  
Director  
Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

Whereas, The Fire Department is requesting authorization to accept a grant of reimbursement from the Michigan State Police, in the amount of \$170,021.00, to implement innovative programs to address auto theft and fraud; and

Whereas, The Law Department has approved the attached agreement as to form; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20920, in the amount of \$283,369.00, which includes a cash match coming from Appropriation 00065, for the FY 2021 Auto Theft Prevention Authority Grant.

Received and placed on file.

**Office of the Chief Financial Officer  
Office of Development and Grants**

November 10, 2020

Honorable City Council:

Re: Request to accept an increase in appropriation for the FY 2021 COVID-19 Epi Lab Capacity Enhanced Testing Grant.

The Michigan Department of Health and Human Services (MDHHS) has awarded an increase in appropriation to the City of Detroit Health Department for the FY 2021 COVID-19 Epi Lab Capacity Enhanced Testing Grant, in the amount of \$500,500.00. There is no match requirement. The total increase is \$500,500.00. This funding will increase appropriation 20840, previously approved in the amount of \$13,754,423.00, by council on September 22, 2020, to a total of \$14,254,923.00. This grant is part of the FY 2021 MDHHS Local Comprehensive Agreement.

The objective of the grant is to increase local capacity for COVID-19 case investigation, contract tracing and enforcement. The funding allotted to the department will be utilized to support staffing and supplies associated with COVID-19 response efforts. This is a reimbursement grant.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

Sincerely,  
KATERLI BOUNDS  
Director  
Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

Whereas, The Health Department is requesting authorization to accept an

increase in appropriation for the FY 2021 COVID-19 Epi Lab Capacity Enhanced Testing Grant, from the Michigan Department of Health and Human Services (MDHHS), in the amount of \$500,500.00, in order to increase local capacity for COVID-19 case investigation, contract tracing and enforcement; and

Whereas, This funding will increase appropriation 20840, previously approved in the amount of \$13,754,423.00, by council on September 22, 2020, to a total of \$14,254,923.00;

Whereas, This grant is part of the FY 2021 MDHHS Local Comprehensive Agreement; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the modified grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to increase the budget accordingly for appropriation number 20840, in the amount of \$500,500.00, for the FY 2021 COVID-19 Epi Lab Capacity Enhanced Testing Grant.

Received and placed on file.

**Agreement Between  
Michigan Department of Health  
and Human Services  
hereinafter referred to as  
the "Department"  
and  
City of Detroit  
hereinafter referred to as  
the "Local Governing Entity"  
on Behalf of Health Department  
Detroit Health Department  
City Treasurer, 1151 Taylor, Ste. 333-  
C  
Detroit MI 48202-1732  
Federal I.D.#: 38-6004606  
DUNS #: 006530661  
hereinafter referred to as the "Grantee"  
for  
The Delivery of Public Health  
Services under the Local Health  
Department Agreement**

**Part 1**

**1. Purpose**

This agreement is entered into for the purpose of setting forth a joint and cooperative Grantee/Department relationship and basis for facilitating the delivery of public health services to the citizens of Michigan under their jurisdiction, as described in the attached Annual Budget, established Minimum Program Requirements, and all other applicable Federal, State and Local laws and regulations pertaining to the Grantee and the Department. Public health services to be delivered under this agreement include

Essential Local Public Health Services (ELPHS) and Categorical Programs as specified in the attachments to this agreement.

**2. Period of Agreement:**

This agreement shall commence on the date of the Grantee's signature or October 1, 2020 whichever is later and continue through September 30, 2021. Throughout the Agreement, the date of the Grantee's signature or October 1, 2020, whichever is later, shall be referred to as the start date. This Agreement is in full force and effect for the period specified.

**3. Program Budget and Agreement Amount**

**A. Agreement Amount**

In accordance with Attachment IV – Funding/Reimbursement Matrix, the total State budget and amount committed for this period for the program elements covered by this agreement is \$17,939,069.00.

**B. Equipment Purchases and Title**

Any Grantee equipment purchases supported in whole or in part through this Agreement must be listed in the supporting Equipment Inventory Schedule which should be attached to the Final Financial Status Report. Equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Title to items having a unit acquisition cost of less than \$5,000 shall vest with the Grantee upon acquisition. The Department reserves the right to retain or transfer the title to all items of equipment having a unit acquisition cost of \$5,000 or more, to the extent that the Department's proportionate interest in such equipment supports such retention or transfer of title.

**C. Budget Transfers and Adjustments**

1. Transfers between categories within any program element budget supported in whole or in part by state/federal categorical sources of funding shall be limited to increases in an expenditure budget category by \$10,000 or 15% whichever is greater. This transfer authority does not authorize purchase of additional equipment items or new sub-contracts with state/federal categorical funds without prior written approval of the Department.

2. Except as otherwise provided, any transfers or adjustments involving state/federal categorical funds, other than those covered by C.1, including any related adjustment to the total state amount of the budget, must be made in writing through a formal amendment executed by all parties to this agreement in accordance with Section IX. A. of Part II.

3. The C.1 and C.2 provisions authorizing transfers or changes in local funds apply also to the Family Planning program, provided statewide local maintenance of effort is not diminished in total.

Any statewide diminishing of total local effort for family planning and/or any related funding penalty experienced by the Department shall be recovered proportionately from each local Grantee that, during the course of the agreement period, chose to reduce or transfer local funds from the Family Planning program.

**4. Agreement Attachments**

A. The following documents are attachments to this Agreement Part I and Part II – General Provisions, which are part of this agreement:

- Attachment I – Annual Budget
- Attachment III – Program Specific Assurances and Requirements
- Attachment IV – Funding/Reimbursement Matrix

**Office of the Chief Financial Officer  
Office of Development and Grants**

November 2, 2020

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2021 Culturally Specific Underserved Grant.

The Michigan Department of Health and Human Services has awarded the City of Detroit Police Department with the FY 2021 Culturally Specific Underserved Grant for a total of \$76,200.00. There is no match requirement. The total project cost is \$76,200.00. The grant period is October 1, 2020 through September 30, 2021.

The objective of the grant is to combat

violent crimes against women in the City of Detroit. The funding allotted to the department will be utilized to provide a full-time officer for the Department's Domestic Violence Unit.

If approval is granted to accept and appropriate this funding, the appropriation number is 20921.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

KATERLI BOUNDS

Director

Office of Development and Grants

TINA TOLLIVER

Office of Budget

Whereas, The Police Department is requesting authorization to accept a grant of reimbursement from the Michigan Department of Health and Human Services, in the amount of \$76,200.00, to provide a full-time officer for the Department's Domestic Violence Unit; and

Honorable City Council:

Re: Request to accept a non-cash donation of Vaccines.

The Michigan Department of Health and Human Services has awarded a non-cash donation of vaccines to the City of Detroit Health Department valued at \$886,364.80, for FY 2020. In addition, the Detroit Health Department projects that they will receive \$1,000,000.00 in non-cash vaccine donations to combat the flu for FY 2021. There is no match require-

ment for these donations. The total project cost is \$1,886,364.80. These donations are made possible by a federally funded pass-through award to the Michigan Department of Health and Human Services from the U.S. Department of Health and Human Services.

The objective of the donation to the department is to provide vaccines to uninsured and under-insured residents in the City of Detroit. The award allotted to the department will off-set the costs of providing vaccines this flu season and cover projected costs associated with next flu season.

If approval is granted to accept and appropriate this non-cash donation, the appropriation number is 20856.

I respectfully ask your approval to accept this donation in accordance with the attached resolution.

Sincerely,

**KATERLI BOUNDS**

Director

Office of Development and Grants

**TINA TOLLIVER**

Office of Budget

Whereas, The Health Department has been awarded a non-cash donation of vaccines for FY 2020, from the Michigan Department of Health and Human Services, valued at \$886,364.80, to provide vaccines to un-insured and under-insured residents in the City of Detroit; and

Whereas, The Health Department projects that they will receive \$1,000,000.00 in non-cash vaccine donations to combat the flu for FY 2021; and

Whereas, These donations are made possible by a federally funded pass-through award to the Michigan Department of Health and Human Services from the U.S. Department of Health and Human Services; and

Whereas, This request is to accept and appropriate a total of \$1,886,364.80 in non-cash vaccine donations; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It Resolved, That the Detroit Health Department is hereby authorized to accept a non-cash donation of vaccines; and

Be It Further Resolved, That the Budget Director is authorized to establish Appropriation number 20856, to accept non-cash donations, in an amount up to \$1,886,364.80, to provide vaccines to uninsured and under-insured residents in the City of Detroit.

Office of Development and Grants**

November 23, 2020

Honorable City Council:

Re: Request to Accept and Appropriate Reimbursement for Eligible Expenses from the Federal Emergency Management Agency (FEMA) Public Assistance Grant Program.

As noted in the prior approved resolution, under the federal declaration of emergency issued March 13, 2020, Detroit is eligible to request reimbursement from the FEMA Public Assistance Grant Program for the federal cost share amount (currently 75%) of any costs incurred by the City that were associated with activities to eliminate or reduce an immediate threat to life, public health, or safety, or to perform other eligible emergency protective measures, in response to COVID-19. There is a local cost share requirement (currently 25%). The project period is January 20, 2020, the declared start of the public health emergency, through 60 days after the date the emergency is declared to end.

The objective of this program is to reimburse qualifying entities like Detroit for costs incurred as a result of emergency response to save lives that were required as a direct result of the incident, and that are the legal responsibility of the organization. Reimbursement for costs deemed eligible by FEMA will only be appropriated by the Office of Budget on City receipt of the associated revenues, and the matching FEMA-approved expenses will be moved concurrently to match the revenues.

If approval is granted to accept and appropriate this funding, the appropriation number is 20786.

If approved, this appropriation will be established within the Coronavirus Federal Relief Fund, and revenues received will be reported as part of the OCFO monthly report on the Fund, pursuant to the Resolution currently under consideration by City Council Creating a Commitment to Transparency for Grants Received from the Federal CARES Act.

I respectfully ask your renewed approval to accept and appropriate funding in accordance with the attached resolution, at such time as eligible costs are approved and revenues are received.

Sincerely,  
**KATERLI BOUNDS**  
 Director  
 Office of Development and Grants  
**TINA TOLLIVER**  
 Office of Budget

Whereas, The Office of the Chief Financial Officer is requesting authorization to accept reimbursement from the Federal Emergency Management Agency to cover the federal share of the eligible approved expenses incurred by the City as a result of COVID-19; and

Whereas, The Office of Budget has approved this request and confirms that it will only appropriate revenues received by the City from FEMA for approved eligible expenses, and will concurrently transfer such expenses; now

Therefore, Be It Resolved This appropriation will be established within the

Coronavirus Federal Relief Fund, and revenues received will be reported as part of the OCFO monthly report on the Fund, pursuant to the Resolution currently under consideration by City Council Creating a Commitment to Transparency for Grants Received from the Federal CARES Act; Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20786, and accept and appropriate revenues as they are received for eligible expenses approved by the Federal Emergency Management Agency for the Public Assistance Grant Program; Be It Further

Resolved, That the Budget Director is authorized to transfer eligible expenses approved by the Federal Emergency Management Agency for the Public Assistance Grant Program, into this appropriation upon receipt of the matching revenues; and Be It Further

Resolved, That the City Council requires this resolution be authorized for renewal on a monthly basis.

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2021 Local Comprehensive Agreement Immunization Action Plan Pilot Grant.

The Michigan Department of Health and Human Services (MDHHS) has awarded the City of Detroit Health Department with the FY 2021 Local Comprehensive Agreement Immunization Action Plan Pilot Grant for a total of \$100,000.00. There is no match requirement. The total project cost is \$100,000.00. This grant is part of the FY 2021 MDHHS Local Comprehensive Agreement.

The objective of the grant is to collaborate with public and private sector organizations to promote childhood, adolescent and adult immunization activities and encourage more residents to get vaccinated. The funding allotted to the department will be utilized to cover contractual services and indirect costs associated with piloting new and innovative activities

under this program. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20855.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

KATERLI BOUNDS

Director

Office of Development and Grants

TINA TOLLIVER

Office of Budget

Whereas, The Health Department is requesting authorization to accept a grant of reimbursement from the Michigan Department of Health and Human Services (MDHHS), in the amount of \$100,000.00, to collaborate with public and private sector organizations to promote childhood, adolescent and adult immunization activities and encourage more residents to get vaccinated; and

Whereas, This grant is part of the FY 2021 MDHHS Local Comprehensive Agreement; and

Whereas, The Law Department has approved the attached agreement as to form; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20855, in the amount of \$100,000.00, for the FY 2021 Local Comprehensive Agreement Immunization Action Plan Pilot Grant.

Agreement #20210245-00

**Agreement Between  
Michigan Department of  
Health and Human Services  
hereinafter referred to  
as the "Department"  
and  
City of Detroit  
hereinafter referred to as the  
"Local Governing Entity"  
on Behalf of Health Department  
Detroit Health Department  
City Treasurer, 1151 Taylor, Ste. 333-  
C  
Detroit, MI 48202-1732  
Federal I.D.#: 38-6004606  
DUNS #: 006530661  
hereinafter referred to as the  
"Grantee"  
for  
The Delivery of Public Health  
Services under the Local Health  
Department Agreement  
Part 1**

**1. Purpose**

This agreement is entered into for the purpose of setting forth a joint and cooperative Grantee/Department relationship and basis for facilitating the delivery of public health services to the citizens of Michigan under their jurisdiction, as described in the attached Annual Budget, established Minimum Program Requirements, and all other applicable Federal, State and Local laws and regulations pertaining to the Grantee and the Department. Public health services to be delivered under this agreement include Essential Local Public Health Services (ELPHS) and Categorical Programs as specified in the attachments to this agreement.

**2. Period of Agreement:**

This agreement shall commence on the date of the Grantee's signature or October 1, 2020 whichever is later and continue through September 30, 2021. Throughout the Agreement, the date of the Grantee's signature or October 1, 2020, whichever is later, shall be referred to as the start date. This Agreement is in full force and effect for the period specified.

**3. Program Budget and Agreement Amount**

**A. Agreement Amount**

In accordance with Attachment IV – Funding/Reimbursement Matrix, the total State budget and amount committed for this period for the program elements covered by this agreement is \$17,939,069.00.

**B. Equipment Purchases and Title**

Any Grantee equipment purchases supported in whole or in part through this Agreement must be listed in the supporting Equipment Inventory Schedule which should be attached to the Final Financial Status Report. Equipment means tangible, non-expendable, personal property having a useful life of more than one year and an acquisition cost of \$5,000 or more per unit. Title to items having a unit acquisition cost of less than \$5,000 shall vest with the Grantee upon acquisition. The Department reserves the right to retain or transfer the title to all items of equipment having a unit acquisition cost of \$5,000 or more, to the extent that the Department's proportionate interest in such equipment supports such retention or transfer of title.

**C. Budget Transfers and Adjustments**

1. Transfers between categories within any program element budget supported in whole or in part by state/federal categorical sources of funding shall be limited to increases in an expenditure budget category by \$10,000 or 15% whichever is greater. This transfer authority does not authorize purchase of additional equipment items or new subcontracts with state/federal categorical funds without prior written approval of the Department.

2. Except as otherwise provided, any

transfers or adjustments involving state/federal categorical funds, other than those covered by C.1, including any related adjustment to the total state amount of the budget, must be made in writing through a formal amendment executed by all parties to this agreement in accordance with Section IX. A. of Part II.

3. The C.1 and C.2 provisions authorizing transfers or changes in local funds apply also to the Family Planning program, provided statewide local maintenance of effort is not diminished in total.

Any statewide diminishing of total local effort for family planning and/or any related funding penalty experienced by the Department shall be recovered proportionately from each local Grantee that, during the course of the agreement period, chose to reduce or transfer local funds from the Family Planning program.

#### **4. Agreement Attachments**

A. The following documents are attachments to this Agreement Part I and Part II – General Provisions, which are part of this agreement:

1. Attachment I – Annual Budget
2. Attachment III – Program Specific Assurances and Requirements
3. Attachment IV – Funding/Reimbursement Matrix

#### **5. Statement of Work**

The Grantee agrees to undertake, perform and complete the services described in Attachment III – Program Specific Assurances and Requirements and the other applicable attachments to this agreement which are part of this agreement.

#### **6. Financial Requirements**

The financial requirements shall be followed as described in Part II and Attachment I – Annual Budget and Attachment IV – Funding/Reimbursement Matrix, which are part of this agreement.

#### **7. Performance / Progress Report Requirements**

The progress reporting methods, as applicable, shall be followed as described in part II and Attachment III, Program Specific Assurances and Requirements, which are part of this agreement.

#### **8. General Provisions**

The Grantee agrees to comply with the General Provisions outlined in Part II, which are part of this agreement.

#### **9. Administration of the Agreement**

The person acting for the Department in administering this agreement (hereinafter referred to as the Contract Consultant) is:

Name: Carissa Reece  
 Title: Department Analyst  
 Telephone No.: 517-335-0940  
 E-Mail Address: ReeceC@michigan.gov

The person acting for the Grantee on the financial reporting for this agreement is:

Joseph Mutebi, Accountant  
 Mutebij@detroitmi.gov (313) 876-4347

#### **10. Special Conditions**

A. This agreement is valid upon approval and execution by the Department which may be contingent upon State Administrative Board and signature by the Grantee.

B. This agreement is conditionally approved subject to and contingent upon availability of funding and other applicable conditions.

C. Based on the availability of funding, the Department may specify the amount of funding the Grantee may expend during a specific time period within the Agreement Period.

D. The Department has the option to assume no responsibility or liability for costs incurred by the Grantee prior to the start date of this agreement.

E. The Grantee is required by PA 533 of 2004 to receive payments by electronic funds transfer.

#### **11. Contingencies**

The Department's obligation under this agreement are conditioned on all of the following:

A. Grantee's correction of current deficiencies and achievement of Department's final approval of Grantee's Plan of Organization as required by section 2431 of the Public Health Code, MCL 333.2431.

B. Grantee's compliance with all requirements of Part 24 of the Public Health Code, MCL 333.2401 et seq.

C. Continuation of the Local Governing Entity's option to operate a local health department in the City of Detroit pursuant to section 2421 through 2424 of the Public Health Code, MCL 333.2421-3424.

D. Grantee's compliance with all the terms and conditions of this agreement.

#### **12. Special Certification**

The individual or officer signing this agreement certifies by his or her signature that he or she is authorized to sign this agreement on behalf of the responsible governing board, official or Grantee.

#### **13. Signature Section**

##### **For Detroit Health Department**

Denise Fair, Director  
 For the Michigan Department of Health and Human Services

Christine H. Sanches, Director  
 Bureau of Grants and Purchasing  
 10/01/2020

#### **Part 2**

##### **General Provisions**

##### **I. Responsibilities – Grantee**

The Grantee, in accordance with the general purposes and objectives of this Agreement shall:

##### **A. Publication Rights**

1. Copyright materials only when the Grantee exclusively develops books, films or other such copyrightable materials through activities supported by this Agreement. The copyrighted materials cannot

include recipient information or personal identification data. Grantee provides the Department a royalty-free, non-exclusive and irrevocable license to reproduce, publish and use such materials copyrighted by the Grantee and authorizes others to reproduce and use such materials.

2. Obtain prior written authorization from the Department's Office of Communications for any materials copyrighted by the Grantee or modifications bearing acknowledgment of the Department's name prior to reproduction and use of such materials. The state of Michigan may modify the material copyrighted by the Grantee and may combine it with other copyrightable intellectual property to form a derivative work. The state of Michigan will own and hold all copyright and other intellectual property rights in any such derivative work, excluding any rights or interest granted in this Agreement to the Grantee. If the Grantee ceases to conduct business for any reason or ceases to support the copyrightable materials developed under this Agreement, the state of Michigan has the right to convert its licenses into transferable licenses to the extent consistent with any applicable obligations the Grantee has.

3. Obtain written authorization, at least 14 days in advance, from the Department's Office of Communications and give recognition to the Department in any and all publications, papers and presentations arising from the Agreement activities.

4. Notify the Department's Bureau of Grants and Purchasing 30 days before applying to register a copyright with the U.S. Copyright Office. The Grantee must submit an annual report for all copyrighted materials developed by the Grantee through activities supported by this Agreement and must submit a final invention statement and certification within 60 days of the end of the Agreement period.

5. Not make any media releases related to this Agreement, without prior written authorization from the Department's Office of Communications.

#### **B. Fees**

1. Guarantee that any claims made to the Department under this Agreement shall not be financed by any sources other than the Department under the terms of this Agreement. If funding is received through any other source, the Grantee agrees to budget the additional source of funds and reflect the source of funding on the Financial Status Report.

2. Make reasonable efforts to collect 1st and 3rd party fees, where applicable, and report those collections on the Financial Status Report. Any under recoveries of otherwise available fees resulting from failure to bill for eligible activities will be excluded from reimbursable expenditures.

#### **C. Grant Program Operation**

Provide the necessary administrative, professional and technical staff for opera-

tion of the grant program. The Grantee must obtain and maintain all necessary licenses, permits and insurances consistent with requirements under Part II.1.T. or other authorizations necessary for the performance of this Agreement.

Use an accounting system that can identify and account for the funds received from each separate grant, regardless of funding source, and assure that grant funds are not commingled.

#### **D. Reporting**

Utilize all report forms and reporting formats required by the Department at the start date of this Agreement and provide the Department with timely review and commentary on any new report forms and reporting formats proposed for issuance thereafter.

#### **E. Record Maintenance/Retention**

Maintain adequate program and fiscal records and files, including source documentation, to support program activities and all expenditures made under the terms of this Agreement, as required. The Grantee must assure that all terms of the Agreement will be appropriately adhered to and that records and detailed documentation for the grant project or grant program identified in this Agreement will be maintained for a period of not less than four years from the date of termination, the date of submission of the final expenditure report or until litigation and audit findings have been resolved. This section applies to the Grantee, any parent, affiliate, or subsidiary organization of the Grantee and any subcontractor that performs activities in connection with this Agreement.

#### **F. Authorized Access**

1. Permit within 10 calendar days of providing notification and at reasonable times, access by authorized representatives of the Department, Federal Grantor Agency, Inspector Generals, Comptroller General of the United States and State Auditor General, or any of their duly authorized representatives, to records, papers, files, documentation and personnel related to this Agreement, to the extent authorized by applicable state or federal law, rule or regulation.

2. Acknowledge the rights of access in this section are not limited to the required retention period. The rights of access will last as long as the records are retained. 3. Cooperate and provide reasonable assistance to authorized representatives of the Department and others when those individuals have access to the Grantee's grant records.

#### **G. Audits**

##### **1. Single Audit**

The Grantee must submit to the Department a Single Audit consistent with the regulations set forth in Title 2 Code of Federal Regulations (CFR) Part 200, Subpart F. The Single Audit reporting package must include all components described in

Title 2 Code of Federal Regulations, Section 200.512 (c) including a Corrective Action Plan, and management letter (if one is issued) with a response to the Department. The Grantee must assure that the Schedule of Expenditures of Federal Awards includes expenditures for all federally-funded grants.

#### 2. Other Audits

The Department or federal agencies may also conduct or arrange for agreed upon procedures or additional audits to meet their needs.

#### 3. Due Date and Where to Send

The Single Audit reporting package, management letter (if one is issued) with a response and Corrective Action Plan shall be submitted to the Department within nine months after the end of the Grantee's fiscal year by e-mail at [MDHHS-AuditReports@michigan.gov](mailto:MDHHS-AuditReports@michigan.gov). The required submission must be assembled as one document in a PDF file and compatible with Adobe Acrobat (read only). The subject line must state the agency name and fiscal year end. The Department reserves the right to request a hard copy of the audit materials if for any reason the electronic submission process is not successful.

#### 4. Penalty

##### a. Delinquent Single Audit or Financial Related Audit

If the Grantee does not submit the required Single Audit reporting package, management letter (if one is issued) with a response, and Corrective Action Plan within nine months after the end of the Grantee's fiscal year and an extension has not been approved by the cognizant or oversight agency for audit, the Department may withhold from the current funding an amount equal to five percent of the audit year's grant funding (not to exceed \$200,000) until the required filing is received by the Department. The Department may retain the amount withheld if the Grantee is more than 120 days delinquent in meeting the filing requirements and an extension has not been approved by the cognizant or oversight agency for audit. The Department may terminate the current grant if the Grantee is more than 180 days delinquent in meeting the filing requirements and an extension has not been approved by the cognizant or oversight agency for audit.

##### b. Delinquent Audit Exemption Notice

Failure to submit the Audit Exemption Notice, when required, may result in withholding payment from Department to Grantee an amount equal to one percent of the audit year's grant funding until the Audit Exemption Notice is received.

#### H. Subrecipient/Contractor Monitoring

1. When passing federal funds through to a subrecipient (if the Agreement does not prohibit the passing of federal funds through to a subrecipient), the Grantee must:

a. Ensure that every subaward is clearly identified to the subrecipient as a subaward and includes the information required by 2 CFR 200.331 (a).

b. Ensure the subrecipient complies with all the requirements of this Agreement.

c. Evaluate each subrecipient's risk for noncompliance as required by 2 CFR 200.331(b).

d. Monitor the activities of the subrecipient as necessary to ensure that the subaward is used for authorized purposes, in compliance with federal statutes, regulations and the terms and conditions of the subawards; that subaward performance goals are achieved; and that all monitoring requirements of 2 CFR 200.331(d) are met including reviewing financial and programmatic reports, following up on corrective actions and issuing management decisions for audit findings.

e. Verify that every subrecipient is audited as required by 2 CFR 200 Subpart F.

2. Develop a subrecipient monitoring plan that addresses the above requirements and provides reasonable assurance that the subrecipient administers federal awards in compliance with laws, regulations and the provisions of this Agreement, and that performance goals are achieved. The subrecipient monitoring plan should include a risk-based assessment to determine the level of oversight and monitoring activities, such as reviewing financial and performance reports, performing site visits and maintaining regular contact with subrecipients.

3. Establish requirements to ensure compliance for for-profit subrecipients as required by 2 CFR 200.501(h), as applicable.

4. Ensure that transactions with subrecipients/contractors comply with laws, regulations and provisions of contracts or grant agreements in compliance with 2 CFR 200.501(h), as applicable.

#### I. Notification of Modifications

Provide timely notification to the Department, in writing, of any action by its governing board or any other funding source that would require or result in significant modification in the provision of activities, funding or compliance with operational procedures.

#### J. Software Compliance

Ensure software compliance and compatibility with the Department's data systems for activities provided under this Agreement, including but not limited to stored data, databases and interfaces for the production of work products and reports. All required data under this Agreement shall be provided in an accurate and timely manner without interruption, failure or errors due to the inaccuracy of the Grantee's business operations for processing data. All information systems,

electronic or hard copy, that contain state or federal data must be protected from unauthorized access.

#### **K. Human Subjects**

Comply with Federal Policy for the Protection of Human Subjects, 45 CFR 46. The Grantee agrees that prior to the initiation of the research, the Grantee will submit Institutional Review Board (IRB) application material for all research involving human subjects, which is conducted in programs sponsored by the Department or in programs which receive funding from or through the state of Michigan, to the Department's IRB for review and approval, or the IRB application and approval materials for acceptance of the review of another IRB. All such research must be approved by a federally assured IRB, but the Department's IRB can only accept the review and approval of another institution's IRB under a formally approved interdepartmental agreement. The manner of the review will be agreed upon between the Department's IRB Chairperson and the Grantee's authorized official.

#### **L. Mandatory Disclosures**

1. Disclose to the Department in writing within 14 days of receiving notice of any litigation, investigation, arbitration or other proceeding (collectively, "Proceeding") involving Grantee, a subcontractor or an officer or director of Grantee or subcontractor that arises during the term of this Agreement including:

- a. All violations of federal and state criminal law involving fraud, bribery, or gratuity violations potentially affecting the agreement.
- b. A criminal Proceeding;
- c. A parole or probation Proceeding;
- d. A Proceeding under the Sarbanes-Oxley Act;
- e. A civil Proceeding involving:
  1. A claim that might reasonably be expected to adversely affect Grantee's viability or financial stability; or
  2. A governmental or public entity's claim or written allegation of fraud; or
- f. A Proceeding involving any license that the Grantee is required to possess in order to perform under this Agreement.

2. Notify the Department, at least 90 calendar days before the effective date, of a change in Grantee's ownership and/or executive management.

#### **M. Minimum Program Requirements**

Comply with Minimum Program Requirements established in accordance with Section 2472.3 of 1978 PA 368 as amended, MCL 333.2472 (3), MSA 14.15 (2472.3), for each applicable program element funded under this agreement.

#### **N. Annual Budget and Plan Submission**

Submit an Annual Budget and Plan request to the Department, in accordance with instructions established by the Department, to serve as the basis for completion

of specific details for Attachments I, III, and IV of this agreement via Grantee/Department negotiated amendment(s). Failure to submit a complete Annual Budget and Plan by the due date through MI E-Grants will result in the deferral of Department payments until these documents are submitted.

#### **O. Maintenance of Effort**

Comply with maintenance of effort requirements for Essential Local Public Health Services (ELPHS), as defined in the current Department appropriation act, and Family Planning in accordance with federal requirements, except as noted in Section 3.C.3 of Part I.

#### **P. Accreditation**

1. Comply with the local public health accreditation standards and follow the accreditation process and schedule established by the Department to achieve full accreditation status.

a. Failure to meet all accreditation requirements or implement corrective plans of action within the prescribed time period will result in the status of "Not Accredited." Grantees designated as "Not Accredited" may have their Department allocations reduced for costs incurred in the assurance of service delivery.

b. Submit a written request for inquiry to the Department should the Grantee disagree with on-site review findings or their accreditation status. The request must identify the disagreement and resolution sought. The inquiry participants will be comprised of Grantee staff, Department staff, the Accreditation Commission Chair, and the Accreditation Coordinator as needed. Participants will clarify facts, verify information and seek resolution.

2. Consent Agreements/Administrative Compliance Orders/Administrative Hearings for "Not Accredited" Grantees:

a. If designated as "Not Accredited", the Grantee will receive a Consent Agreement Package from the Department. Grantees and their local governing entities shall be given 75 days to review the package, meet with the Department, and sign and return the Consent Agreement.

b. Fulfillment of the terms and conditions of the Consent Agreement will not affect accreditation status, but impacts the Grantees' ability to fulfill its contractual obligations under the Local Health Department Grant Agreement. Grantees designated as "Not Accredited", will retain this designation until the subsequent accreditation cycle.

c. Failure to fulfill the terms and conditions of the Consent Agreement within the prescribed time period will result in the issuance of an Administrative Compliance Order by the Department.

d. Within 60 working days after receipt of an Administrative Compliance Order and proposed compliance period, a local governing entity may petition the Department for an administrative hearing. If the

local governing entity does not petition the Department for a hearing within 60 days after receipt of an Administrative Compliance Order, the order and proposed compliance date shall be final. After a hearing, the Department may reaffirm, modify, or revoke the order or modify the time permitted for compliance.

e. If the local governing entity fails to correct a deficiency for which a final order has been issued within the period permitted for compliance, the Department may petition the appropriate circuit court for a writ of mandamus to compel correction.

#### **Q. Medicaid Outreach Activities Reimbursement**

Report allowable costs and request reimbursement for the Medicaid Outreach activities it provides in accordance with 2 CFR, Part 200 and the requirements in Medicaid Bulletin number: MSA 05-29. Submit a Cost Allocation Plan Certification to the Department to bill for the Medicaid Outreach Activities. The Cost Allocation Plan Certification is valid until a change is made to the cost allocation plan or the Department determines it is invalid.

Submit quarterly FSRs for the Medicaid Outreach activities and an annual FSR for the Children with Special Health Care Services Medicaid Outreach activities in accordance with the instructions contained in Attachment I. In accordance with the Medicaid Bulletin, MSA 05-29, agree to target Medicaid outreach effort toward Department established priorities. For fiscal year 2021, the Department priorities are: lead testing, outreach and enrollment for the Family Planning waiver, and outreach for pregnant women, mothers and infants for the Maternal and Infant Health Program. The Grantee will submit a report using the MDHHS Local Health Department Medicaid Outreach form describing their outreach activities targeting the priorities 30 days after the end of a fiscal year quarter and at the same time as the final FSR is due to the Department. The Local Health Department Medicaid Outreach report are to be sent through MI E-Grants as an attachment report to the Financial Status Report.

#### **R. Conflict of Interest and Code of Conduct Standards**

1. Be subject to the provisions of 1968 PA 317, as amended, 1973 PA 196, as amended, and 2 CFR 200.318 (c)(1) and (2).

2. Uphold high ethical standards and be prohibited from the following:

a. Holding or acquiring an interest that would conflict with this Agreement;

b. Doing anything that creates an appearance of impropriety with respect to the award or performance of this Agreement;

c. Attempting to influence or appearing to influence any state employee by the direct or indirect offer of anything of value; or

d. Paying or agreeing to pay any person, other than employees and consultants working for Grantee, any consideration contingent upon the award of this Agreement.

3. Immediately notify the Department of any violation or potential violation of these standards. This section applies to Grantee, any parent, affiliate or subsidiary organization of Grantee, and any subcontractor that performs activities in connection with this Agreement.

#### **S. Travel Costs**

1. Be reimbursed for travel cost (including mileage, meals, and lodging) budgeted and incurred related to services provided under this agreement.

a. If the Grantee has a documented policy related to travel reimbursement for employees and if the Grantee follows that documented policy, the Department will reimburse the Grantee for travel costs at the Grantee's documented reimbursement rate for employees. Otherwise, the State of Michigan travel reimbursement rate applies.

b. State of Michigan travel rates may be found at the following website: [https://www.michigan.gov/dtmb/0,5552,7-358-82548\\_13132---,00.html](https://www.michigan.gov/dtmb/0,5552,7-358-82548_13132---,00.html).

c. International travel must be pre-approved by the Department and itemized in the budget.

#### **T. Insurance Requirements**

1. Maintain at least a minimum of the insurances or governmental self-insurances listed below and be responsible for all deductibles. All required insurance or self-insurance must:

a. Protect the state of Michigan from claims that may arise out of, are alleged to arise out of, or result from Grantee's or a subcontractor's performance;

b. Be primary and non-contributing to any comparable liability insurance (including self-insurance) carried by the state; and

c. Be provided by a company with an A.M. Best rating of "A-" or better and a financial size of VII or better.

#### **2. Insurance Types**

a. Commercial General Liability Insurance or Governmental Self-Insurance: Except for Governmental Self-Insurance, policies must be endorsed to add "the state of Michigan, its departments, divisions, agencies, offices, commissions, officers, employees, and agents" as additional insureds using endorsement CG 20 10 11 85, or both CG 2010 07 04 and CG 2037 07 04.

If the Grantee will interact with children, schools, or the cognitively impaired, the Grantee must maintain appropriate insurance coverage related to sexual abuse and molestation liability.

b. Workers' Compensation Insurance or Governmental Self-Insurance: Coverage according to applicable laws governing work activities. Policies must include

waiver of subrogation, except where waiver is prohibited by law.

c. Employers Liability Insurance or Governmental Self-Insurance

d. Privacy and Security Liability (Cyber Liability) Insurance: cover information security and privacy liability, privacy notification costs, regulatory defense and penalties, and website media content liability.

3. Require that subcontractors maintain the required insurances contained in this Section.

4. This Section is not intended to and is not to be construed in any manner as waiving, restricting or limiting the liability of the Grantee from any obligations under this Agreement.

5. Each Party must promptly notify the other Party of any knowledge regarding an occurrence which the notifying Party reasonably believes may result in a claim against either Party. The Parties must cooperate with each other regarding such claim.

#### **U. Fiscal Questionnaire**

1. Complete and upload the yearly fiscal questionnaire to the EGrAMS agency profile within three months of the start of the agreement.

2. The fiscal questionnaire template can be found in EGrAMS documents.

#### **V. Criminal Background Check**

1. Conduct or cause to be conducted a search that reveals information similar or substantially similar to information found on an Internet Criminal History Access Tool (ICHAT) check and a national and state sex offender registry check for each new employee, employee, subcontractor, subcontractor employee, or volunteer who under this Agreement works directly with clients or has access to client information.

a. ICHAT: <http://apps.michigan.gov/ichat>

b. Michigan Public Sex Offender Registry: <http://www.mipsor.state.mi.us>

c. National Sex Offender Registry: <http://www.nsopw.gov>

2. Conduct or cause to be conducted a Central Registry (CR) check for each employee, subcontractor, subcontractor employee, or volunteer who, under this Agreement works directly with children.

a. Central Registry: [https://www.michigan.gov/mdhhs/0,5885,7-339-73971-7119\\_50648\\_48330-180331--00.html](https://www.michigan.gov/mdhhs/0,5885,7-339-73971-7119_50648_48330-180331--00.html)

3. Require each new employee, employee, subcontractor, subcontractor employee or volunteer who, under this Agreement, works directly with clients or who has access to client information to notify the Grantee in writing of criminal convictions (felony or misdemeanor), pending felony charges, or placement on the Central Registry as a perpetrator, at hire or within 10 days of the event after hiring.

4. Determine whether to prohibit any employee, subcontractor, subcontractor employee, or volunteer from performing work directly with clients or accessing

client information related to clients under this Agreement, based on the results of a positive ICHAT response or reported criminal felony conviction or perpetrator identification.

5. Determine whether to prohibit any employee, subcontractor, subcontractor employee or volunteer from performing work directly with children under this Agreement, based on the results of a positive CR response or reported perpetrator identification.

6. Require any employee, subcontractor, subcontractor employee or volunteer who may have access to any databases of information maintained by the federal government that contain confidential or personal information, including but not limited to federal tax information, to have a fingerprint background check performed by the Michigan State Police.

#### **II. Responsibilities – Department**

The Department in accordance with the general purposes and objectives of this Agreement will:

##### **A. Reimbursement**

Provide reimbursement in accordance with the terms and conditions of this agreement based upon appropriate reports, records, and documentation maintained by the Grantee.

##### **B. Report Forms**

Provide any report forms and reporting formats required by the Department at the start date of this Agreement, and provide to the Grantee any new report forms and reporting formats proposed for issuance thereafter at least 90 days prior to their required usage in order to afford the Grantee an opportunity to review.

##### **C. Notification of Modifications**

Notify the Grantee in writing of modifications to federal or state laws, rules and regulations affecting this agreement.

##### **D. Identification of Laws**

Identify for the Grantee relevant laws, rules, regulations, policies, procedures, guidelines and state and federal manuals, and provide the Grantee with copies of these documents to the extent they are not otherwise available to the Grantee.

##### **E. Modification of Funding**

Notify the Grantee in writing within 30 calendar days of becoming aware of the need for any modifications in agreement funding commitments made necessary by action of the federal government, the governor, the legislature or the Department of Technology Management and Budget on behalf of the governor or the legislature. Implementation of the modifications will be determined jointly by the Grantee and the Department.

##### **F. Monitor Compliance**

Monitor compliance with all applicable provisions contained in federal grant awards and their attendant rules, regulations and requirements pertaining to program elements covered by this agreement.

### **G. Technical Assistance**

Make technical assistance available to the Grantee for the implementation of this agreement.

### **H. Accreditation**

Adhere to the accreditation requirements including the process for "Not Accredited" Grantees. The process includes developing and monitoring consent agreements, issuing and monitoring administrative compliance orders, participating in administrative hearings and petitioning appropriate circuit courts.

### **I. Medicaid Outreach Activities Reimbursement**

Agrees to reimburse the Grantee for all allowable Medicaid Outreach activities that meet the standards of the Medicaid Bulletin: MSA 05-29 including the cost allocation plan certification and that are billed in accordance with the requirements in Attachment I.

In accordance with the Medicaid Bulletin, MSA 05-29, the Department will identify each fiscal year the Medicaid Outreach priorities and establish a reporting requirement for the Grantee.

### **III. Assurances**

The following assurances are hereby given to the Department:

#### **A. Compliance with Applicable Laws**

The Grantee will comply with applicable federal and state laws, guidelines, rules and regulations in carrying out the terms of this Agreement. The Grantee will also comply with all applicable general administrative requirements, such as 2 CFR 200, covering cost principles, grant/agreement principles and audits, in carrying out the terms of this Agreement. The Grantee will comply with all applicable requirements in the original grant awarded to the Department if the Grantee is a subgrantee. The Department may determine that the Grantee has not complied with applicable federal or state laws, guidelines, rules and regulations in carrying out the terms of this Agreement and may then terminate this Agreement under Part 2, Section V.

#### **B. Anti-Lobbying Act**

The Grantee will comply with the Anti-Lobbying Act (31 USC 1352) as revised by the Lobbying Disclosure Act of 1995 (2 USC 1601 et seq.), Federal Acquisition Regulations 52.203.11 and 52.203.12, and Section 503 of the Departments of Labor, Health & Human Services and Education, and Related Agencies section of the current FY Omnibus Consolidated Appropriations Act. Further, the Grantee shall require that the language of this assurance be included in the award documents of all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

#### **C. Non-Discrimination**

1. The Grantee must comply with the

Department's non-discrimination statement: The Michigan Department of Health and Human Services will not discriminate against any individual or group because of race, sex, religion, age, national origin, color, height, weight, marital status, gender identification or expression, sexual orientation, partisan considerations, or a disability or genetic information that is unrelated to the person's ability to perform the duties of a particular job or position. The Grantee further agrees that every subcontract entered into for the performance of any contract or purchase order resulting therefrom, will contain a provision requiring non-discrimination in employment, activity delivery and access, as herein specified, binding upon each subcontractor. This covenant is required pursuant to the Elliot-Larsen Civil Rights Act (1976 PA 453, as amended; MCL 37.2101 et seq.) and the Persons with Disabilities Civil Rights Act (1976 PA 220, as amended; MCL 37.1101 et seq.), and any breach thereof may be regarded as a material breach of this Agreement.

2. The Grantee will comply with all federal statutes relating to nondiscrimination. These include but are not limited to:

a. Title VI of the Civil Rights Act of 1964 (PL 88-352) which prohibits discrimination based on race, color or national origin;

b. Title IX of the Education Amendments of 1972, as amended (20 USC 1681-1683, 1685-1686), which prohibits discrimination based on sex;

c. Section 504 of the Rehabilitation Act of 1973, as amended (29 USC 794), which prohibits discrimination based on disabilities;

d. The Age Discrimination Act of 1975, as amended (42 USC 6101-6107), which prohibits discrimination based on age;

e. The Drug Abuse Office and Treatment Act of 1972 (PL 92-255), as amended, relating to nondiscrimination based on drug abuse;

f. The Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (PL 91-616) as amended, relating to nondiscrimination based on alcohol abuse or alcoholism;

g. Sections 523 and 527 of the Public Health Service Act of 1944 (42 USC 290dd-2), as amended, relating to confidentiality of alcohol and drug abuse patient records;

h. Any other nondiscrimination provisions in the specific statute(s) under which application for federal assistance is being made; and,

i. The requirements of any other nondiscrimination statute(s) which may apply to the application.

3. Additionally, assurance is given to the Department that proactive efforts will be made to identify and encourage the participation of minority-owned and women-owned businesses, and businesses owned

by persons with disabilities in contract solicitations. The Grantee shall include language in all contracts awarded under this Agreement which (1) prohibits discrimination against minority-owned and women-owned businesses and businesses owned by persons with disabilities in subcontracting; and (2) makes discrimination a material breach of contract.

#### **D. Debarment and Suspension**

The Grantee will comply with federal regulation 2 CFR 180 and certifies that it, its employees and its subcontractors:

1. Are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any federal department or contractor;

2. Have not within a five-year period preceding this Agreement been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (federal, state, or local) or private transaction or contract under a public transaction; violation of federal or state antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, tax evasion, receiving stolen property, making false claims, or obstruction of justice;

3. Are not presently indicted or otherwise criminally or civilly charged by a government entity (federal, state or local) with commission of any of the offenses enumerated in section 2;

4. Have not within a five-year period preceding this Agreement had one or more public transactions (federal, state or local) terminated for cause or default; and

5. Have not committed an act of so serious or compelling a nature that it affects the Grantee's present responsibilities.

#### **E. Federal Requirement: Pro-Children Act**

1. The Grantee will comply with the Pro-Children Act of 1994 (PL 103-227; 20 USC 6081, et seq.), which requires that smoking not be permitted in any portion of any indoor facility owned or leased or contracted by and used routinely or regularly for the provision of health, day care, early childhood development activities, education or library activities to children under the age of 18, if the activities are funded by federal programs either directly or through state or local governments, by federal grant, contract, loan or loan guarantee. The law also applies to children's activities that are provided in indoor facilities that are constructed, operated, or maintained with such federal funds. The law does not apply to children's activities provided in private residences; portions of facilities used for inpatient drug or alcohol treatment; activity providers whose sole source of applicable federal funds is Medicare or Medicaid; or

facilities where Women, Infants, and Children (WIC) coupons are redeemed. Failure to comply with the provisions of the law may result in the imposition of a civil monetary penalty of up to \$1,000 for each violation and/or the imposition of an administrative compliance order on the responsible entity. The Grantee also assures that this language will be included in any subawards which contain provisions for children's activities.

2. The Grantee also assures, in addition to compliance with PL 103-227, any activity or activity funded in whole or in part through this Agreement will be delivered in a smoke-free facility or environment. Smoking shall not be permitted anywhere in the facility, or those parts of the facility under the control of the Grantee. If activities are delivered in facilities or areas that are not under the control of the Grantee (e.g., a mall, restaurant or private work site), the activities shall be smoke-free.

#### **F. Hatch Act and Intergovernmental Personnel Act**

The Grantee will comply with the Hatch Act (5 USC 1501-1508, 5 USC 7321-7326), and the Intergovernmental Personnel Act of 1970 (PL 91-648) as amended by Title VI of the Civil Service Reform Act of 1978 (PL 95-454). Federal funds cannot be used for partisan political purposes of any kind by any person or organization involved in the administration of federally assisted programs.

#### **G. Employee Whistleblower Protections**

The Grantee will comply with 41 USC 4712 and shall insert this clause in all sub-contracts.

#### **H. Clean Air Act and Federal Water Pollution Control Act**

The Grantee will comply with the Clean Air Act (42 USC 7401-7671 (q)) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended.

1. This Agreement and anyone working on this Agreement will be subject to the Clean Air Act and Federal Water Pollution Control Act and must comply with all applicable standards, orders or regulations issued pursuant to these Acts. Violations must be reported to the Department.

#### **I. Victims of Trafficking and Violence Protection Act**

The Grantee will comply with the Victims of Trafficking and Violence Protection Act of 2000 (PL 106-386), as amended.

1. This Agreement and anyone working on this Agreement will be subject to PL 106-386 and must comply with all applicable standards, orders or regulations issued pursuant to this Act. Violations must be reported to the Department.

#### **J. Procurement of Recovered Materials**

The Grantee will comply with section 6002 of the Solid Waste Disposal Act of 1965 (PL 89-272), as amended.

1. This Agreement and anyone working on this Agreement will be subject to section 6002 of PL 89-272, as amended, and must comply with all applicable standards, orders or regulations issued pursuant to this act. Violations must be reported to the Department.

#### **K. Subcontracts**

For any subcontracted service, activity or product, the Grantee will ensure:

1. That a written subcontract is executed by all affected parties prior to the initiation of any new subcontract activity. Exceptions to this policy may be granted by the Department if the Grantee asks the Department in writing within 30 days of execution of the Agreement.

2. That any executed subcontract to this Agreement shall require the subcontractor to comply with all applicable terms and conditions of this Agreement. In the event of a conflict between this Agreement and the provisions of the subcontract, the provisions of this Agreement shall prevail.

A conflict between this Agreement and a subcontract, however, shall not be deemed to exist where the subcontract:

a. Contains additional non-conflicting provisions not set forth in this Agreement;

b. Restates provisions of this Agreement to afford the Grantee the same or substantially the same rights and privileges as the Department; or

c. Requires the subcontractor to perform duties and services in less time than that afforded the Grantee in this agreement.

3. That the subcontract does not affect the Grantee's accountability to the Department for the subcontracted activity.

4. That any billing or request for reimbursement for subcontract costs is supported by a valid subcontract and adequate source documentation on costs and services.

5. That the Grantee will submit a copy of the executed subcontract if requested by the Department.

6. That subcontracts in support of programs or elements utilizing funds provided by the Department, the State of Michigan or the federal government in excess of \$10,000 shall contain provisions or conditions that will:

a. Allow the Grantee or Department to seek administrative, contractual or legal remedies in instances in which the subcontractor violates or breaches contract terms, and provide for such remedial action as may be appropriate,

b. Provide for termination by the Grantee, including the manner by which termination will be effected and the basis for settlement.

7. That all subcontracts in support of programs or elements utilizing funds provided by the Department, the State of Michigan or the federal government of amounts in excess of \$100,000 shall contain a provision that requires compliance

with all applicable standards, orders or regulations issued pursuant to the Clean Air Act of 1970 (42 USC 1857(h)), Section 508 of the Clean Water Act (33 USC 1368), Executive Order 11738 and Environmental Protection Agency regulations (40 CFR Part 15).

8. That all subcontracts and subgrants in support of programs or elements utilizing funds provided by the Department, the State of Michigan or the federal government in excess of \$2,000 for construction or repair, awarded by the Grantee shall include a provision:

a. For compliance with the Copeland "Anti-Kickback" Act (18 USC 874) as supplemented in Department of Labor regulations (29 CFR, Part 3).

b. For compliance with the Davis-Bacon Act (40 USC 276a to a-7) and as supplemented by Department of Labor regulations (29 CFR, Part 5) (if required by Federal Program Legislation).

c. For compliance with Section 103 and 107 of the Contract Work Hours and Safety Standards Act (40 USC 327-330) as supplemented by Department of Labor regulations (29 CFR, Part 5). This provision also applies to all other contracts in excess of \$2,500 that involve the employment of mechanics or laborers.

#### **L. Procurement**

Grantee will ensure that all purchase transactions, whether negotiated or advertised, shall be conducted openly and competitively in accordance with the principles and requirements of Title 2 Code of Federal Regulations, Part 200. Funding from this agreement shall not be used for the purchase of foreign goods or services or both. Records shall be sufficient to document the significant history of all purchases are maintained for a minimum of three years after the end of the agreement period.

#### **M. Health Insurance Portability and Accountability Act**

To the extent that the Health Insurance Portability and Accountability Act (HIPAA) is applicable to the Grantee under this Agreement, the Grantee assures that it is in compliance with requirements of HIPAA including the following:

1. The Grantee must not share any protected health information provided by the Department that is covered by HIPAA except as permitted or required by applicable law; or to a subcontractor as appropriate under this Agreement.

2. The Grantee will ensure that any subcontractor will have the same obligations as the Grantee not to share any protected health data and information from the Department that falls under HIPAA requirements in the terms and conditions of the subcontract.

3. The Grantee must only use the protected health data and information for the purposes of this Agreement.

4. The Grantee must have written policies and procedures addressing the use of protected health data and information that falls under the HIPAA requirements. The policies and procedures must meet all applicable federal and state requirements including the HIPAA regulations. These policies and procedures must include restricting access to the protected health data and information by the Grantee's employees.

5. The Grantee must have a policy and procedure to immediately report to the Department any suspected or confirmed unauthorized use or disclosure of protected health information that falls under the HIPAA requirements of which the Grantee becomes aware. The Grantee will work with the Department to mitigate the breach and will provide assurances to the Department of corrective actions to prevent further unauthorized uses or disclosures. The Department may demand specific corrective actions and assurances and the Grantee must provide the same to the Department.

6. Failure to comply with any of these contractual requirements may result in the termination of this Agreement in accordance with Part 2, Section V.

7. In accordance with HIPAA requirements, the Grantee is liable for any claim, loss or damage relating to unauthorized use or disclosure of protected health data and information, including without limitation the Department's costs in responding to a breach, received by the Grantee from the Department or any other source.

8. The Grantee will enter into a business associate agreement should the Department determine such an agreement is required under HIPAA.

#### **N. Home Health Services**

If the Grantee provides Home Health Services (as defined in Medicare Part B), the following requirements apply:

1. The Grantee shall not use State ELPHS or categorical grant funds provided under this agreement to unfairly compete for home health services available from private providers of the same type of services in the Grantee's service area.

2. For purposes of this agreement, the term "unfair competition" shall be defined as offering of home health services at fees substantially less than those generally charged by private providers of the same type of services in the Grantee's area, except as allowed under Medicare customary charge regulations involving sliding fee scale discounts for low-income clients based upon their ability to pay.

3. If the Department finds that the Grantee is not in compliance with its assurance not to use state ELPHS and categorical grant funds to unfairly compete, the Department shall follow the procedure required for failure by local health departments to adequately provide

required services set forth in Sections 2497 and 2498 of 1978 PA 368 as amended (Public Health Code), MCL 333.2497 and 2498, MSA 14.15 (2497) and (2498).

#### **O. Website Incorporation**

The Department is not bound by any content on Grantee's website unless expressly incorporated directly into this Agreement. The Department is not bound by any end user license agreement or terms of use unless specifically incorporated in this Agreement or any other agreement signed by the Department. The Grantee may not refer to the Department on the Grantee's website without the prior written approval of the Department.

#### **P. Survival**

The provisions of this Agreement that impose continuing obligations will survive the expiration or termination of this Agreement.

#### **Q. Non-Disclosure of Confidential Information**

1. The Grantee agrees that it will use confidential information solely for the purpose of this Agreement. The Grantee agrees to hold all confidential information in strict confidence and not to copy, reproduce, sell, transfer or otherwise dispose of, give or disclose such confidential information to third parties other than employees, agents, or subcontractors of a party who have a need to know in connection with this Agreement or to use such confidential information for any purpose whatsoever other than the performance of this Agreement. The Grantee must take all reasonable precautions to safeguard the confidential information. These precautions must be at least as great as the precautions the Grantee takes to protect its own confidential or proprietary information.

#### **2. Meaning of Confidential Information**

For the purpose of this Agreement the term "confidential information" means all information and documentation that:

a. Has been marked "confidential" or with words of similar meaning, at the time of disclosure by such party;

b. If disclosed orally or not marked "confidential" or with words of similar meaning, was subsequently summarized in writing by the disclosing party and marked "confidential" or with words of similar meaning;

c. Should reasonably be recognized as confidential information of the disclosing party;

d. Is unpublished or not available to the general public; or

e. Is designated by law as confidential.

3. The term "confidential information" does not include any information or documentation that was:

a. Subject to disclosure under the Michigan Freedom of Information Act (FOIA);

b. Already in the possession of the receiving party without an obligation of confidentiality;

c. Developed independently by the receiving party, as demonstrated by the receiving party, without violating the disclosing party's proprietary rights;

d. Obtained from a source other than the disclosing party without an obligation of confidentiality; or

e. Publicly available when received or thereafter became publicly available (other than through an unauthorized disclosure by, through or on behalf of, the receiving party).

4. The Grantee must notify the Department within one business day after discovering any unauthorized use or disclosure of Confidential Information. The Grantee will cooperate with the Department in every way possible to regain possession of the Confidential Information and prevent further unauthorized use or disclosure.

#### **R. Cap on Salaries**

None of the funds awarded to the Grantee through this Agreement shall be used to pay, either through a grant or other external mechanism, the salary of an individual at a rate in excess of Executive Level II. The current rates of pay for the Executive Schedule are located on the United States Office of Personnel Management web site, <http://www.opm.gov>, by navigating to Policy — Pay & Leave — Salaries & Wages. The salary rate limitation does not restrict the salary that a Grantee may pay an individual under its employment; rather, it merely limits the portion of that salary that may be paid with funds from this Agreement.

#### **IV. Financial Requirements**

##### **A. Operating Advance**

Under the pre-payment reimbursement method, no additional operating advances will be issued.

##### **B. Payment Method**

###### **1. Prepayments**

a. The Department will make monthly prepayments equal to 1/12th of the agreement amount for each non-fee-for-service program contained in Attachment IV of this agreement. One single payment covering all non-fee-for-service programs will be made within the first week of each month. The Grantee can view their monthly prepayment within the MI E-Grants system.

b. Prepayments for the months of October thru January will be based upon the initial agreement amounts in Attachment IV. Subsequent monthly prepayments may be adjusted based upon agreement amendments or Grantee adjustment requests.

c. If the sum of the prepayments does not equal at least 90% of the Grantee's expenditures for a quarter of the contract period, the Grantee may submit documentation for an adjustment to the monthly prepayment amount via the following process:

i. Submit a written request for the adjustment to the Department's Accounting Division, Expenditure Operations Section.

ii. The adjustment request must be itemized by program and must list the amount received from the Department, the expenditure amount reported per the quarterly Financial Status Report (FSR), and the difference. The amount received from the Department and the expenditures must be for the same reporting quarterly FSR period.

iii. The Department will review the requests and if an adjustment is approved, it will be included in the next scheduled monthly prepayment.

iv. Adjustment requests will not be accepted prior to submission of the FSR for the quarter ending December 31. No adjustments will be made prior to the February monthly prepayment.

v. The ability of the Department to approve adjustments may be limited by the quarterly allotments of spending authority in the Department's appropriation account mandated by the Office of the State Budget Director. The quarterly allotment limits the amount of each account (program) that the Department may expend during each fiscal quarter.

##### **2. Fixed Fee Reimbursement**

a. Quarterly reimbursement for fixed fee projects is based on Attachment IV and approved quarterly Financial Status Reports.

#### **C. Financial Status Report Submission**

1. A Financial Status Report (FSR) must be submitted on a quarterly basis no later than 30 days after the close of the calendar quarter for all programs listed on Attachment IV and fee for services project budgeted. Failure to meet financial reporting responsibilities as identified in this agreement may result in withholding future payments.

2. FSR's must report total actual program expenditures regardless of the source of funds. The Department will reimburse the Grantee for expenditures in accordance with the terms and conditions of this agreement. Failure to comply with the reporting due dates will result in the deferral of the Grantee's monthly prepayment.

3. By submitting the FSR the individual is certifying to the best of their knowledge and belief that the report is true, complete and accurate and the expenditures, disbursements, and cash receipts are for the purposes and objectives set forth in the terms and conditions of this agreement. The individual submitting the FSR should be aware that any false, fictitious, or fraudulent information, or the omission of any material facts, may subject them to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise.

4. The instructions for completing the FSR form are available on the website <http://egrans-mi.com/dch>. Send FSR questions to [FSRMDHHS@michigan.gov](mailto:FSRMDHHS@michigan.gov).

**D. Reimbursement Method**

The Grantee will be reimbursed in accordance with the reimbursement methods for applicable program elements described as follows:

1. Performance Reimbursement – A reimbursement method by which Grantees are reimbursed based upon the understanding that a certain level of performance (measured by outputs) must be met in order to receive full reimbursement of costs (net of program income and other earmarked sources) up to the contracted amount of state funds. Any local funds used to support program elements operated under such provisions of this agreement may be transferred by the Grantee within, among, to or from the affected elements without Department approval, subject to applicable provisions of Sections 3.B. and 3.C.3 of Part I and Section XIV of Part II. If Grantee's performance falls short of the expectation by a factor greater than the allowed minimum performance percentage, the state maximum allocation will be reduced equivalent to actual performance in relation to the minimum performance.

2. Actual Cost Reimbursement – A reimbursement method by which Grantees are reimbursed based upon the understanding that state dollars will be paid up to total costs in relation to the state's share of the total costs and up to the total state allocation as agreed to in the approved budget. This reimbursement approach is not directly dependent upon whether a specified level of performance is met by the local health department. Department funding under this reimbursement method is allocable as a source before any local funding requirement unless a specific local match condition exists.

3. Fixed Unit Rate Reimbursement - A reimbursement method by which Grantee are reimbursed a specific amount for each output actually delivered and reported.

4. Essential Local Public Health Services (ELPHS) – A reimbursement method by which Grantees are reimbursed a share of reasonable and allowable costs incurred for required services, as noted in the current Appropriations Act.

**E. Reimbursement Mechanism**

All Grantees must sign up through the on-line vendor registration process to receive all State of Michigan payments as Electronic Funds Transfers (EFT)/Direct Deposits. Vendor registration information is available through the Department of Technology, Management and Budget's web site: <http://www.michigan.gov/sigmavss>

**F. Unobligated Funds**

Any unobligated balance of funds held by the Grantee at the end of the agreement period will be returned to the Department

or treated in accordance with instructions provided by the Department.

**G. Final Obligation Reporting Requirements**

An Obligation Report, based on annual guidelines, must be submitted by the due date using the format provided by the Department through MI E-Grants. The Grantee must provide, by program, an estimate of total expenditures for the entire agreement period (October 1 through September 30). This report must represent the Grantee's best estimate of total program expenditures for the agreement period. The information on the report will be used to record the Department's year-end accounts payables and receivables by program for this Agreement. The report assists the Department in reserving sufficient funding to reimburse the final expenditures that will be reported on the Final FSR without materially overstating or understating the year-end obligations for this agreement. The Department compares the total estimated expenditures from this report to the total amount reimbursed to the Grantee in the monthly pre-payments and quarterly fee-for-service payments to establish accounts payable and accounts receivable entries at fiscal year-end. The Department recognizes that based upon payment adjustments and timing of agreement amendments, the Grantee may owe the Department funding for overpayment of a program and may be due funds from the Department for underpayment of a program at fiscal year-end.

Within 60 days after the agreement fiscal year-end, the Grantee must liquidate any unpaid year-end commitments and obligations. Any obligation remaining unliquidated after 60 days from the end of the agreement period shall revert to the Department for disposition in accordance with applicable state and/or federal requirements, except as specifically authorized in writing by the Department.

**H. Final Financial Status Reporting Requirements**

Final FSRs are due on the following dates following the agreement period end date:

<b>Project</b>	<b>Final FSR Due Date</b>
Public Health	11/15/2020
Emergency Preparedness	
All Remaining Projects	11/30/2020

Upon receipt of the final FSR electronically through MI E-Grants, the Department will determine by program, if funds are owed to the Grantee or if the Grantee owes funds to the Department. If funds are owed to the Grantee, payment will be processed. However, if the Grantee underestimated their year-end obligations in the Obligation Report as compared to the final FSR and the total reimbursement requested does

not exceed the agreement amount that is due to the Grantee, the Department will make every effort to process full reimbursement to the Grantee per the final FSR. Final payment may be delayed pending final disposition of the Department's year-end obligations.

If funds are owed to the Department, it will generally not be necessary for Grantee to send in a payment. Instead the Department will make the necessary entries to offset other payments and as a result the Grantee will receive a net monthly prepayment. When this does occur, clarifying documentation will be provided to the Grantee by the Department's Accounting Division.

#### **I. Penalties for Reporting Noncompliance**

For failure to submit the final total Grantee FSR report by November 30, through MI E-Grants after the agreement period end date, the Grantee may be penalized with a one-time reduction in their current ELPHS allocation for noncompliance with the fiscal year-end reporting deadlines. Any penalty funds will be reallocated to other Local Health Department Grantees. Reductions will be one-time only and will not carryforward to the next fiscal year as an ongoing reduction to a Grantee's ELPHS allocation. Penalties will be assessed based upon the submitted date in MI E-Grants:

ELPHS Penalties for Noncompliance with Reporting Requirements:

1% – 1 day to 30 days late;

2% – 31 days to 60 days late;

3% – over 60 days late with a maximum of 3% reduction in the Grantee's ELPHS allocation.

#### **J. Indirect Costs and Cost Allocations/Distribution Plans**

The Grantee is allowed to use approved federal indirect rate, 10% de minimis indirect rate or cost allocation/distribution plans in their budget calculations.

1. Costs must be consistently charged as indirect, direct or cost allocated, but may not be double charged or inconsistently charged.

2. If the Grantee does not have an existing approved federal indirect rate, they may use a 10% de minimis rate in accordance with Title 2 Code of Federal Regulations (CFR) Part 200 to recover their indirect costs.

3. Grantees using the cost allocation/distribution method must develop certified plan in accordance with the requirements described in Title 2 CFR, Part 200 which includes detailed budget narratives and is retained by the Grantee and subject to Department review.

4. There must be a documented, well-defined rationale and audit trail for any cost distribution or allocation based upon Title 2 CFR, Part 200 Cost Principles and subject to Department review.

#### **V. Agreement Termination**

This Agreement may be terminated without further liability or penalty to the Department for any of the following reasons:

A. By either party by giving 30 days written notice to the other party stating the reasons for termination and the effective date.

B. By either party with 30 days written notice upon the failure of either party to carry out the terms and conditions of this Agreement, provided the alleged defaulting party is given notice of the alleged breach and fails to cure the default within the 30-day period.

C. Immediately if the Grantee or an official of the Grantee or an owner is convicted of any activity referenced in Part 2 Section III. D. of this Agreement during the term of this Agreement or any extension thereof.

Further, this Agreement may be terminated or modified immediately upon a finding by the Department in accordance with MCL 333.2235 that the Grantee local health department for the delivery of public health services under this Agreement is unable or unwilling to provide any or all of the services as provided in this Agreement, and the Department may redirect funds as necessary to ensure that the public health services are provided within the Grantee's jurisdiction.

#### **VI. Stop Work Order**

The Department may suspend any or all activities under this Agreement at any time. The Department will provide the Grantee with a written stop work order detailing the suspension. Grantee must comply with the stop work order upon receipt. The Department will not pay for activities, Grantee's incurred expenses or financial losses, or any additional compensation during a stop work period.

#### **VII. Final Reporting upon Termination**

Should this Agreement be terminated by either party, within 30 days after the termination, the Grantee shall provide the Department with all financial, performance and other reports required as a condition of this Agreement. The Department will make payments to the Grantee for allowable reimbursable costs not covered by previous payments or other state or federal programs. The Grantee shall immediately refund to the Department any funds not authorized for use and any payments or funds advanced to the Grantee in excess of allowable reimbursable expenditures.

#### **VIII. Severability**

If any part of this Agreement is held invalid or unenforceable by any court of competent jurisdiction, that part will be deemed deleted from this Agreement and the severed part will be replaced by agreed upon language that achieves the same or similar objectives. The remaining parts of the Agreement will continue in full force and effect.

## **IX. Amendments**

A. Except as otherwise provided, any changes to this agreement will be valid only if made in writing and accepted by all parties to this agreement.

In the event that circumstances occur that are not reasonably foreseeable, or are beyond the Grantee's or Department's control, which reduce or otherwise interfere with the Grantee's or Department's ability to provide or maintain specified services or operational procedures, immediate written notification must be provided to the other party. Any change proposed by the Grantee which would affect the state funding of any project, in whole or in part as provided in Part I, Section 3.C. of the agreement, must be submitted in writing to the Department for approval immediately upon determining the need for such change. The proposed change may be implemented upon receipt of written notification from the Department.

B. Except as otherwise provided, amendments to this agreement shall be made within thirty days after receipt and approval of a change proposed by the Grantee.

Amendments of a routine nature including applicable changes in budget categories, modified indirect rates, and similar conditions which do not modify the agreement scope, amount of funding to be provided by the Department or, the total amount of the budget may be submitted by the Grantee at any time prior to May 15. The Department will provide a written response within 30 calendar days.

All amendments must be submitted to the Department within three weeks of receipt through MI E-Grants to assure the amendment can be executed prior to the end of the agreement period.

1. Any change proposed by the Grantee which would affect the state funding of any element funded in whole or in part by funds provided by the Department, subject to Part I, Section 3.C. of the agreement, must be submitted in writing to the Department immediately upon determining the need for such change. The proposed change may be implemented upon receipt of written notification from the Department.

Within thirty (30) days after receipt of the proposed change, the Department shall advise the Grantee in writing of its determination. Subsequently the Department will initiate any necessary formal amendment to the agreement for execution by all parties to the agreement.

Any changes proposed by the Department must be agreed to in writing by the Grantee and upon such written agreement, the Department shall initiate any necessary formal amendment as above.

2. Other amendments of a routine nature including applicable changes in budget categories, modified indirect rates, and similar conditions which do not modify

the agreement scope, amount of funding to be provided by the Department or, the total amount of the budget may be submitted by the Grantee at any time prior to June 2. The Department will provide a written response within 30 calendar days.

All amendments must be submitted to the Department by June 15 through MI E-Grants to assure the amendment can be executed prior to the end of the agreement period.

## **X. Liability**

The Grantee assumes all liability to third parties, loss, or damage as a result of claims, demands, costs, or judgments arising out of activities, such as direct activity delivery, to be carried out by the Grantee in the performance of this agreement, under the following conditions:

A. The liability, loss, or damage is caused by, or arises out of, the actions of or failure to act on the part of the Grantee, any of its subcontractors, or anyone directly or indirectly employed by the Grantee.

B. Nothing herein shall be construed as a waiver of any governmental immunity that has been provided to the Grantee or its employees by statute or court decisions.

The Department is not liable for consequential, incidental, indirect or special damages, regardless of the nature of the action.

## **XI. Waiver**

Failure to enforce any provision of this Agreement will not constitute a waiver. Any clause or condition of this agreement found to be an impediment to the intended and effective operation of this agreement may be waived in writing by the Department or the Grantee, upon presentation of written justification by the requesting party. Such waiver may be temporary or for the life of the agreement and may affect any or all program elements covered by this agreement.

## **XII. State of Michigan Agreement**

This is a state of Michigan Agreement and must be exclusively governed by the laws and construed by the laws of Michigan, excluding Michigan's choice-of-law principle. All claims related to or arising out of this Agreement, or its breach, whether sounding in contract, tort, or otherwise, must likewise be governed exclusively by the laws of Michigan, excluding Michigan's choice-of-law principles. Any dispute as a result of this Agreement shall be resolved in the state of Michigan.

## **XIII. Funding**

A. State funding for this agreement shall be provided from the applicable and available Department appropriations for the current fiscal year. The Department provided funds shall be as stated in the approved Annual Budget – Attachment I Instructions for the Annual Budget, Attachment III, Program Specific Assurances and Requirements, and as outlined in Attachment IV, Funding/Reimbursement Matrix.

**NEW BUSINESS**

**A RESOLUTION CONTINUING THE DETROIT CITY COUNCIL TASK FORCE ON MILITARY AND VETERANS AFFAIRS**

By COUNCIL PRESIDENT BRENDA JONES:

WHEREAS, In November 2011, the Detroit City Council approved a resolution to create the Task Force on Military and Veterans Affairs to better serve veterans, reservists, and active military personnel in the City of Detroit.

WHEREAS, The need for the task force had arisen based on statistics evidencing the large concentration of veterans and military personnel within Wayne County and particularly the City of Detroit who were in need of access to employment, and to the various economic, health, and educational benefits to which their service to our country entitles them; and

WHEREAS, The Task Force on Military and Veterans Affairs is continuing its diligent efforts to connect veterans and military personnel in our area to the benefits and resources they have earned; to educate area businesses on the benefits of hiring veterans and increase access for veterans and military personnel in our

area to quality employment; and to educate the public on the unique sacrifices that our veterans, military personnel, and their families have made for the rest of us; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby extends the Task Force on Military and Veterans Affairs until December 2021; and BE IT FURTHER

RESOLVED, That the Task Force on Military and Veterans Affairs will now be chaired by Council Member Brenda Jones and co-chaired by Council Member Scott Benson and Council Member Roy McCalister; and BE IT FURTHER

RESOLVED, That the Task Force on Military and Veterans Affairs Meetings are open to the public; with dates, times, and locations to be noticed by the Detroit City Clerk.

Adopted as follows:

Yeas — Council Members Ayers, Castaneda-Lopez, Leland, McCalister, Jr., Spivey, Tate, and President Jones — 7.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 1), per motions before adjournment.

**A RESOLUTION CONTINUING THE DETROIT CITY COUNCIL TASK FORCE ON**

**SKILLED TRADES TASK FORCE**

By COUNCIL PRESIDENT BRENDA JONES:

WHEREAS, Detroit residents continue to suffer under record unemployment which can lead to foreclosure of their homes and even bankruptcy; and

WHEREAS, Many individuals in our community possess certification in the skilled trades and are in need of job opportunities in high paying construction and related fields; and

WHEREAS, Other individuals, including our youth, are interested in the skilled trades as a future profession and are in need of mentoring and access to apprenticeship programs; and area to quality employment; and

WHEREAS, City Council has recognized the need for a Skilled Trades Taskforce in the past, as well as, the continuing need to provide a forum for the many facets of the skilled trades community to meet and share information and ideas; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby forms a Skilled Trades Taskforce effective immediately and continuing through December 31, 2021; and BE IT FURTHER

RESOLVED, That the Skilled Trades Taskforce be chaired by Council President Brenda Jones and Co-Chaired by \_\_\_\_\_; and BE IT

RESOLVED, That the Task Force include residents, representatives from the community and business sector, union representatives, Michigan Works

and Civil Rights Inclusion and Opportunity Department., as well as any other individuals interested in participating; and BE IT FINALLY

RESOLVED, That a copy of this resolution be forwarded to each of the named departments, agencies, and organizations indicated above and that all activities necessary to bring about the first meeting of the Taskforce and hold monthly meetings occur.

Adopted as follows:

Yeas — Council Members Ayers, Castaneda-Lopez, Leland, McCalister, Jr., Spivey, Tate and President Jones — 7.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 2), per motions before adjournment.

**INTERNAL OPERATIONS STANDING COMMITTEE**

**RESOLUTION ESTABLISHING PROCEDURES FOR CITY OF DETROIT PUBLIC BODIES TO MEET REMOTELY**

By Council Member Roy McCalister, Jr.:

WHEREAS, As a result of the ongoing Covid-19 pandemic, the City of Detroit's public bodies, including City Council, have been meeting remotely through electronic means, since March 2020, initially under the authority of a state of emergency and accompanying executive orders declared by the Governor; and

WHEREAS, On October 16, 2020, the Governor signed Public Act 228 of 2020, amending the Open Meetings Act (OMA) to allow public bodies to hold meetings electronically, under *any circumstances*, retroactive to March 18, 2020, through December 31, 2020. On December 22, the Governor signed Public Act 254 of 2020, extending the date for meeting electronically under *any circumstances*, to March 31, 2021. NOW, THEREFORE, BE IT

RESOLVED, All public bodies of the City of Detroit may meet remotely through March 31, 2021, and the following procedures as set forth in Public Act 228 of 2020, amended section 3 a, in pertinent part are adopted:

- A meeting of a public body held electronically under this section must be conducted in a manner that permits 2-way communication so that members of the public body can hear and be heard by other members of the public body, and so that public participants can hear members of the public body and can be heard by members of the public body and other participants during a public comment period. A public body may use technology to facilitate typed public comments during the meeting submitted by members of the public participating in the meeting that may be read to or shared with members of the public body and other participants

to satisfy the requirement under this subsection that members of the public be heard by others during the electronic meeting and the requirement under section 3(5) that members of the public be permitted to address the electronic meeting.

- Except as otherwise provided in subsection (8), a physical place is not required for an electronic meeting held under this section, and members of a public body and members of the public participating electronically in a meeting held under this section that occurs in a physical place are to be considered present and in attendance at the meeting for all purposes.

- If a public body directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, the public body shall, in addition to any other notices that may be required under this act, post advance notice of a meeting held electronically under this section on a portion of the public body's website that is fully accessible to the public. The public notice on the website must be included on either the homepage or on a separate webpage dedicated to public notices for non-regularly scheduled or electronic public meetings that is accessible through a prominent and conspicuous link on the website's homepage that clearly describes its purpose for public notification of non-regularly scheduled or electronic public meetings. Subject to the requirements of this section, any scheduled meeting of a public body may be held as an electronic meeting under this section if a notice consistent with this section is posted at least 18 hours before the meeting begins. Notice of a meeting of a public body held electronically must clearly explain all of the following:

(a) Why the public body is meeting electronically.

(b) How members of the public may participate in the meeting electronically. If a telephone number, internet address, or both are needed to participate, that information must be provided specifically.

(c) How members of the public may contact members of the public body to provide input or ask questions on any business that will come before the public body at the meeting.

(d) How persons with disabilities may participate in the meeting.

- Beginning on the effective date of the amendatory act that added this section, if an agenda exists for an electronic meeting held under this section by a public body that directly or indirectly maintains an official internet presence that includes monthly or more frequent updates of public meeting agendas or minutes, the public body shall, on a portion of the website that is fully accessible to the public, make the agenda available to the public at least

2 hours before the electronic meeting begins. This publication of the agenda does not prohibit subsequent amendment of the agenda at the meeting.

- A public body shall not, as a condition of participating in an electronic meeting of the public body held under this section, require a person to register or otherwise provide his or her name or other information or otherwise to fulfill a condition precedent to attendance, other than mechanisms established and required by the public body necessary to permit the person to participate in a public comment period of the meeting.

- Members of the general public otherwise participating in a meeting of a public body held electronically under this section are to be excluded from participation in a closed session of the public body held electronically during that meeting if the closed session is convened and held in compliance with the requirements of this act applicable to a closed session.

AND, BE IT FURTHER

RESOLVED, The Detroit City Clerk is directed to send this resolution to Mayor Mike Duggan and publicly and electronically post and distribute copies of this resolution widely.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

Honorable City Council:  
Re: Request to accept a donation of various park improvements from Project EverGreen Foundation Inc. for Antonio McDuffy Park via a Grant from the Quicken Loans Community Fund.

Project EverGreen Foundation Inc. has awarded a donation of various park improvements to the City of Detroit General Services Department for Antonio McDuffy Park, valued at up to \$300,000.00. There is no match requirement for this donation. The total project cost is valued at up to \$300,000.00. This donation is made possible in part by a grant awarded to Project EverGreen Foundation Inc. from the Quicken Loans Community Fund, in the amount of \$240,000.00.

The objective of the donation to the department is to make improvements to Antonio McDuffy Park. The funding allotted to the department will be utilized to install a walking path, site amenities, boulders, bollards, chain gates, a horse shoe pit, trees, picnic tables and grills, bike racks, benches, and tipping ring pads. This donation will also provide signage, flyers, and postcards to promote the park.

I respectfully ask your approval to accept this donation in accordance with the attached resolution.

Sincerely,  
TERRI DANIELS  
Director of Grants  
Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

Whereas, The General Services Department has been awarded a donation of various park improvements for Antonio McDuffy Park, from Project EverGreen Foundation Inc., valued at up to \$300,000.00; and

Whereas, This donation is made possible in part by a grant awarded to Project EverGreen Foundation Inc., from the Quicken Loans Community Fund, in the amount of \$240,000.00; and

Whereas, The Law Department has approved the attached agreement as to form; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the General Services Department is hereby authorized to accept a donation of various park improvements for Antonio McDuffy Park.

Office of Development and Grants**

November 23, 2020

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2021 Highway Research Planning and Construction Grant.

The Michigan Department of Transportation has awarded the City of Detroit Department of Public Works with the FY 2021 Highway Research Planning and Construction Grant for a total of \$750,000.00. The State share is 80 percent or \$750,000.00 of the approved amount, and a there is a required cash match of 20 percent or \$187,500.00. The total project cost is \$937,500.00.

The objective of the grant is to fund the Traffic Operations Center's work. The funding allotted to the department will be utilized to maintain general operation, and support communications, equipment management, and systems management work. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20926, with the match amount coming from appropriation number 06424.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
KATERLI BOUNDS  
Director  
Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

Whereas, The Department of Public Works is requesting authorization to accept a grant of reimbursement from the Michigan Department of Transportation, in the amount of \$750,000.00, to fund the Traffic Operations Center's work; and

Whereas, The Law Department has approved the attached agreement as to form; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20926, in the amount of \$937,500.00, which includes a cash match coming from Appropriation 06424, for the FY 2021 Highway Research Planning and Construction Grant.

**Office of the Chief Financial Officer Office of Development and Grants**

November 25, 2020

Honorable City Council:

Re: Correction to Request to Accept and Appropriate the Transportation Economic Development Fund – Category A Grant for Mt. Elliott Street.

The Michigan Department of Transportation has awarded the City of Detroit Department of Public Works (DPW) with the Transportation Economic Development Fund – Category A Grant for a total of \$2,424,208.00. The State share is \$2,424,208.00 of the approved amount, and there is a required cash match of \$1,536,442.00. The City of Detroit Economic Development Corporation will provide \$850,000.00 to

pay for a portion of the required match. The DPW will be responsible for paying the remaining \$686,442.00 portion of the required match. The DPW will also provide \$195,000.00 in non-participating project costs. The total project cost, including non-participating costs, is \$4,155,650.00. This request is to correct the original resolution to accept this grant, approved by council on February 4, 2020, to include an additional \$195,000.00 in non-participating costs, and thereby making the total appropriation amount of \$4,155,650.00.

The objective of the grant is to reconstruct Mt. Elliott Street from Georgia Street to Conant Street. The funding allotted to the department will be utilized to reconstruct the road in the specified area and to add a right-turn lane from northbound Mt. Elliott to eastbound Georgia Street and a left-turn lane from southbound Mt. Elliott to eastbound Miller Street. New sidewalk will also be installed in the impacted area. Non-participating costs include permit allowances and field offices necessary for construction. The DPW Head Engineer, Richard Doherty, will be the project lead for this grant. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20752, with the cash match, in the amount of \$881,442.00, coming from appropriation number 04189.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
**KATERLI BOUNDS**  
 Director  
 Office of Development and Grants  
**TINA TOLLIVER**  
 Office of Budget

Whereas, The Department of Public Works is requesting authorization to accept a grant of reimbursement from the Michigan Department of Transportation, in the amount of \$2,424,208.00, to reconstruct Mt. Elliott Street from Georgia Street to Conant Street; and

Whereas, The City of Detroit Economic Development Corporation will provide \$850,000.00 to pay for a portion of the required match and the Department of Public Works will be responsible for paying the remaining \$686,442.00 portion of the required match; and

Whereas, There is a non-participating cost requirement, in the amount of \$195,000.00, for this project, and the total project cost, including non-participating costs, is \$4,155,650.00; and

Whereas, This request is to correct the original resolution to accept this grant, approved by council on February 4, 2020, to include an additional \$195,000.00 in non-participating costs, and thereby mak-

ing the total appropriation amount of \$4,155,650.00; and

Whereas, Richard Doherty, the Department of Public Works Head Engineer, will be the project lead for this grant; and

Whereas, The Law Department has approved the attached agreement as to form; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20752, in the amount of \$4,155,650.00, which includes a cash match, in the amount of \$881,442.00, coming from Appropriation 04189, and a cash match, in the amount of \$850,000.00, coming from the City of Detroit Economic Development Authority, for the Transportation Economic Development Fund — Category A Grant.

Yeas — Council Members Ayers, Castaneda-Lopez, Leland, McCalister, Jr., Spivey, Tate, and President Jones — 7.  
Nays — None.

**PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE**

By ALL COUNCIL MEMBERS:

THE FOLLOWING ITEM(S) ARE TO BE REFERRED TO THE PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE:

**GENERAL SERVICES DEPARTMENT**

1. Submitting reso. autho. Former Cadillac Stamping Plant Redevelopment Project — Access Easement Agreement. **(The General Services Department, on behalf of Parks and Recreation, requests this Honorable Body approve granting an easement upon the terms of the "Access Easement Agreement" attached as Exhibit A to Northpoint Development, LLC ("Developer") to facilitate the redevelopment of the site of the former Cadillac Stamping Plant (the "Development Site").** The Development Site is bounded by Conner Street to the northeast, Gratiot Avenue to the northwest, and Devine Avenue to the south, abutting Conner Playfield. Developer intends to purchase the Development Site from the Detroit Brownfield Redevelopment Authority, demolish the existing structure, and construct a new approximately 682,000 square foot industrial facility.)

**HOUSING AND REVITALIZATION DEPARTMENT**

2. Submitting reso. autho. Request

for Public Hearing regarding Approval of an Industrial Facilities Exemption Certificate on behalf of NP Conner Avenue Industrial, LLC in the general area of 9501 Connor, Detroit, Michigan, in accordance with Public Act 198 of 1974. (Petition #1329) **(The Housing and Revitalization Department, Planning and Development Department, and Finance Departments have reviewed the above referenced petition of the following entity which requests City approval for an Industrial Facilities Exemption Certificate. Based on discussions with company representatives and examination of the submitted application, we are convinced this company meets the criteria for tax relief as set forth by Public Act 198 of 1974 as amended.)**

**PLANNING AND DEVELOPMENT DEPARTMENT**

3. Submitting reso. autho. — Correction of Legal Description — Property Sale — 4365 Newport. **(On September 10, 2019, your Honorable Body adopted a resolution authorizing the sale of 4365 Newport, Detroit, MI (the "Property") to 4365 Newport LLC (the "Purchaser") for the purchase price of Seventy Thousand and 00/100 Dollars (\$70,000.00). In preparing for a closing on the sale, it has come to the City's attention that the legal description of the Property included several errors. All errors have been identified and the legal description for the Property was revised.)**

Adopted as follows:

Yeas — Council Members Ayers, Castaneda-Lopez, Leland, McCalister, Jr., Spivey, Tate and President Jones — 7.  
Nays — None.

**PUBLIC HEALTH AND SAFETY STANDING COMMITTEE**

By ALL COUNCIL MEMBERS:

THE FOLLOWING ITEM(S) ARE TO BE REFERRED TO THE PUBLIC HEALTH AND SAFETY STANDING COMMITTEE:

**BUILDINGS, SAFETY ENGINEERING AND ENVIRONMENTAL DEPARTMENT**

1. Submitting report relative to **DEFERRAL OF DEMOLITION ORDER** on property located at 1775 W. Forest. **(A special inspection on August 18, 2020 revealed the building is secured and appears to be sound and repairable. Therefore, it is recommended that the demolition order be deferred for a period of six months subject to conditions of the order.)**

2. Submitting report relative to **DEFERRAL OF DEMOLITION ORDER** on property located at 5759 Haverhill. **(A special inspection on September 8, 2020 revealed the building is secured and appears to be sound and repairable.**

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to conditions of the order.

**DEPARTMENT OF PUBLIC WORKS/  
ADMINISTRATION DIVISION**

3. Submitting reso. autho. Petition of Corktown Community Development Fund (#1348), request for 135 banners to be displayed on Michigan Avenue between 6th St. and 20th St. **(The Department of public works, Traffic Engineering Division received the above referenced petition. The Department has no objections to the renewal of banners, provided that the banner installation is in compliance with the banner policy adopted by your Honorable Body on November 30, 2001.)**

**DEPARTMENT OF PUBLIC WORKS/  
CITY ENGINEERING DIVISION**

4. Submitting reso. autho. Petition of Solanus Casey Center (#1002) request to vacate utility easements bounded by Kercheval Avenue, Meldrum Avenue, St. Paul Avenue, and Mt. Elliott. Also vacate to easement a segment of the public alley located south of Kercheval Avenue and east of Meldrum Avenue. **(All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.)**

5. Submitting reso. autho. Petition of Pat Perry (#1006) request to vacate and convert to easement a segment of the public alley bounded by Elmwood Avenue, Ludden Street, Ellery Street, and Preston Street. **(All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. **COMMUNICATIONS FROM THE CLERK**

January 5, 2021

This is to report for the record that, in accordance with the City Charter, the portion of the proceedings of November 24, 2020, on which reconsideration was waived, was presented to his Honor, the Mayor, for approval on November 25, 2020, and same was approved on December 2, 2020.

Also, that the balance of the proceedings of November 24, 2020 was presented to his Honor, the Mayor, on November 30, 2020, and same was approved on December 7, 2020.

Also, that my office was served with the following papers issued out of Wayne Circuit Court and United States District Court, and same were referred to the Law Department.

Place on file.

**TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE**

**RESOLUTION IN MEMORIAM MR. EDWARD COOKE**

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Mr. Edward Cooke. Mr. Cooke made his heavenly transition on November 4, 2020, after a life well-lived; and

WHEREAS, Edward Cooke was born on September 15, 1929, in Birmingham, Alabama, to the late Annie Bell and Jimmie Lee Cooke. He was the middle child of nine children. Edward graduated from Ullman High School in Birmingham and matriculated to Daniel Payne College; and

WHEREAS, In his early twenties, Edward moved to California. He enlisted in U.S. army and served on active duty for one-year from 1951 to 1952. In 1958,

Edward relocated to Detroit, Michigan, where he resided until his death. To further his education, he graduated from Sales Training Inc. in Detroit, after completing programs in professional salesmanship, management development, effective communication, and human relations. Edward worked many years for the United States Postal Service and after retirement, he became a successful businessman. He was the co-owner of the popular Wheels Skating Rink and the owner of Cooke Sales Company. Edward also owned several properties in the Detroit area; and

WHEREAS, Edward lived life to the fullest. He was a jazz lover and sports enthusiast who loved watching football, baseball and basketball. Edward also enjoyed his leisure activities of playing golf and tennis and he was a member of the Jim Dandy Ski Club. He treasured his daily six-mile long walks, always pausing to greet neighbors, friends and people passing by. He was an excellent cook and preparing intricate gourmet meals for loved ones brought him great joy. Known for his wit and optimism. Edward participated in the local Optimist Club and was a life member of Optimist International; and

WHEREAS, Mr. Cooke was preceded in death by his parents, Annie and Jimmie; and son, Larry. He is survived by his children Michael, Jesse, Allison Sr. and Tiffany; grandchildren; great-grandchildren; his brother Frank; former spouse Gladys, and a host of other relatives and friends. Mr. Edward Cooke has ensured that his impact would be forever embedded in the hearts of those he cherished for years to come. He will be greatly missed, and his contributions and lessons taught will live on forever. NOW, THEREFORE BE IT

RESOLVED, That the Office of Council President Brenda Jones and the Detroit City Council, hereby extends our deepest sympathy and joins with family and friends in honoring the life and legacy of Mr. Edward Cooke.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

**RESOLUTION IN MEMORIAM  
THE HONORABLE JEWEL C. WARE**

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to recognize and bestow homage upon the late Honorable Jewel Celestine Ware, who made her heavenly transition on December 8, 2020. Commissioner Ware, affectionately called the "Dean of the Commission" by her colleagues, was

the Wayne County Commission's longest-serving member and Vice-Chair Pro Tempore; and

WHEREAS, A native of Detroit, Michigan, Jewel Celestine Ware was welcomed into the world on November 15, 1954, by her loving parents, the late Mattie and Clyde Ware. She was the only child born to this union. Jewel's inspiration to serve began with the vital lessons she learned as a teenager from her mother. Mrs. Ware taught her daughter the importance of giving back to the community and volunteering was a family trait. Jewel graduated from Murray-Wright High School and went on to earn her bachelor's and master's degrees from the University of Detroit Mercy. She was a certified social worker and was employed for many years at several correctional facilities in Michigan and at the New Center Community Mental Health Center; and

WHEREAS, Jewel Ware was first elected to the Wayne County Commission in 1994, representing a portion of Detroit that included downtown. In 2003, her Commission colleagues elected her as chairwoman. During her 2003-2008 tenure as chairwoman, Commissioner Ware made the commission a more effective and efficient legislative body, saving approximately \$1 million annually. She also established the office of Policy Research and Analysis to provide in-depth legislative and fiscal review of county contracts and operations. Throughout her remarkable tenure on the commission, Commissioner Ware was a dedicated, tireless advocate for her beloved seniors and children by working on education programs that supported young people and bringing more attention to longstanding inequities that impacted seniors. Two other major issues she focused on were improving access to healthcare for the underinsured and uninsured and guiding former prisoners' transitions into becoming productive members of society. Commissioner Ware also was a compassionate representative for her constituents and a champion for the mentally ill and developmentally disabled, always working to improve the quality of life for Wayne County residents. One of her most recent initiatives was sponsoring a resolution calling for a ban on chokeholds and restraint by police in using deadly force, following the death of George Floyd and other unarmed civilians. The resolution was unanimously adopted by the commission. Additionally, she was well known for her popular annual Old Fashioned Ice Cream Social and Legislative Briefing and the Mittens and Socks Winter Drive for Children. A highly sought-after political strategist and adviser, Commissioner Ware worked on numerous campaigns. On November 6, 2020, Commissioner Ware was elected to

her 14th two-year term on the Wayne County Commission; and

WHEREAS, In 1999, Jewel was united in marriage to the love of her life, Jesse Long-Bey, a longtime editor for the Michigan Citizen newspaper. The couple were deeply committed to making a difference in the lives of the less fortunate. They embarked on a mission to ensure that returning citizens were able to integrate back into society with the necessary resources to become productive members of society. Jewel and Jesse were actively engaged in the fight for social justice and black economic empowerment. They also formed J&J Associates LLC, a grassroots campaign strategy firm, and consulted on several high-profile city, county and state campaigns. Her beloved husband, Jesse, made his transition in 2013; and

WHEREAS, Commissioner Ware served on a wide array of civic and nonprofit boards, which included the National Black Caucus on Aging Coalition of Labor Union, Mack Alive, Helping Our Prisoners Elevate (HOPE), Warren-Conner Development Coalition, Michigan Universal Health Care Access Network, NAACP, and the Charles H. Wright Museum of African American History, to name a few. She was the recipient of numerous honors and awards – too many to mention. Additionally, she was a member of the National Congress of Black Women and also served as the Executive Vice-Chair Pro-Tem of the 13th Democratic Congressional District. Wayne County Commissioner Jewel Ware, a political guru and one of our greatest public servants,

will be remembered for her decades of public service to the people of Detroit and Wayne County. Her legacy and words of wisdom will live on to inspire generations to come. *“Many people don’t focus enough on execution. If you make a commitment to get something done, you need to follow through on that commitment.”* – Jewel Ware. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and the office of Council President Brenda Jones hereby extend our deepest sympathies and join with family and friends in honoring the life and legacy of The Honorable Jewel C. Ware, a phenomenal woman and an example for us to aspire to emulate. She will be greatly missed.

Adopted as follows:

Yeas – Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones – 9.

Nays – None.

And the Council then adjourned.

BRENDA JONES  
President

JANICE M. WINFREY  
City Clerk

(All resolutions and/or ordinances except Resolutions of Testimonial or In Memoriam, are generally in the name of the Council Member who was chairperson of the day of the City Council Meeting on which the resolution was introduced.)

# CITY COUNCIL

## (REGULAR SESSION)

(All action of the City Council appearing herein is subject to reconsideration and/or approval of the Mayor.)

**Detroit, Tuesday, January 12, 2021**

The City Council met at 10:00 A.M., and was called to order by Council President Brenda Jones.

Present — Council Members Ayers, Benson, Leland, McCalister, Sheffield, Spivey and President Jones — 7.

### PRESIDENT'S REPORT ON STANDING COMMITTEE REFERRALS AND OTHER MATTERS

#### INTERNAL OPERATIONS STANDING COMMITTEE

By ALL COUNCIL MEMBERS:

THE FOLLOWING ITEM(S) ARE TO BE REFERRED TO THE INTERNAL OPERATIONS STANDING COMMITTEE:

#### LAW DEPARTMENT

1. Submitting reso. autho. Approving Memorandum of Agreement between the City of Detroit and the Detroit Building Authority regarding Indemnification. (In May 2019, the City of Detroit (the "City") proposed, and the Detroit Building Authority (the "DBA") agreed, to enter into the above-captioned Memorandum of Agreement (the "MOA"). As of the effective date of this MOA, all contracts between the City and the DBA will no longer include separate indemnity provisions, and instead the terms of the MOA will govern indemnification between the City, the DBA, and related parties providing services to either entity.)

2. Submitting reso. autho. **Settlement** in lawsuit of D'Marco Craft and Michael Jackson vs. City of Detroit, *et al.*; Case

No. 2:17-cv-12752; File No.: L17-00608 (GBP) in the amount of \$155,000.00 in full payment for any and all claims which D'Marco Craft and Michael Jackson may have against the City of Detroit and any other City of Detroit employees by reason of Constitutional Violations alleged to have occurred on or about May 31, 2017.

3. Submitting reso. autho. **Settlement** in lawsuit of Ieshia Crossly, as Personal Representative of the Estate of Darwin Smith, Deceased vs. City of Detroit; Case No. 18-014471-NF; File No. L18-00713 TO in the amount of \$30,000.00 in full payment for any and all claims which Ieshia Crossly, as Personal Representative of the Estate of Darwin Smith, Deceased may have against the City of Detroit and any other City of Detroit employees by reason of alleged injuries sustained.

4. Submitting reso. autho. **Settlement** in lawsuit of LaClair vs. City of Detroit and DLBA; Case No. 20-001145-CB; File No. L20-00092 whereby the City of Detroit shall receive, upon satisfaction of the settlement conditions, payment from the Plaintiff in the amount of \$40,000.00. In the event the settlement conditions are not satisfied, the law department shall continue to pursue the pending appeal.

5. Submitting reso. autho. **Settlement** in lawsuit of Larry Haislip vs. City of Detroit and John Doe; Case No. 19-011245-NI; File No. L19-00591, Alfred Ashu (P82536) in the amount of \$30,000.00 in full payment for any and all claims which Larry Haislip may have against the City of Detroit and any other City of Detroit employees by reason of alleged injuries sustained on or about December 2, 2018.

6. Submitting reso. autho. **Settlement** in lawsuit of Lucia and Maribel DelCid vs. City of Detroit, *et al.*; Case No. 19-003531-NI (Wayne County); File No. L19-00280 in the amount of \$32,500.00 in full payment for any and all claims which Lucia and Maribel DelCid may have against the City of Detroit and any other City of Detroit employees by reason of Motor Vehicle Accident having occurred on July 16, 2016.

7. Submitting reso. autho. **Settlement** in lawsuit of MI Head & Spine Institute and VHS of MI (Darwin Smith) vs. City of Detroit; Case No. 19-005498-NF; File No. L19-00231(TO) in the amount of \$238,000.00 in full payment for any and all claims which MI Head & Spine Institute and VHS of MI (Darwin Smith) may have against the City of Detroit and any other City of Detroit employees by reason of alleged injuries sustained on or about November 8, 2017.

8. Submitting reso. autho. **Settlement** in lawsuit of Robert Griggs vs. City of Detroit, *et al.*; Case No. 19-009831-NI; File No. L19-0526 (GBP) in the amount of

\$46,500.00 in full payment for any and all claims which Robert Griggs may have against the City of Detroit and any other City of Detroit employees by reason of alleged injuries sustained.

9. Submitting reso. autho. **Settlement** in lawsuit of Water Staples, *et al.* vs. City of Detroit consolidated with Synergy Spine and Orthopedic Surgery Center, LLC (Walter Staples) vs. City of Detroit; Case No. 18-014049-NF consolidated with 18-007212-NI; File No. L18-00669 and L18-00421 in the amount of \$112,500.00 in full payment for any and all claims which Water Staples, *et al.* may have against the City of Detroit and any other City of Detroit employees by reason of alleged injuries sustained on or about, and otherwise set forth in Case No. 18-014049-NF, that said amount be paid upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in Lawsuit No. 18-014049-NF and 18-007212-NI and, where deemed necessary by the Law Department a properly executed Medicare/CMS Final Demand Letter.

10. Submitting reso. autho. **Settlement** in lawsuit of True Scan (Byron Haynes) vs. City of Detroit; Case No. 20-141943; File No. L20-0000046 (CLR) in the amount of \$7,500.00 in full payment for any and all claims which True Scan (Byron Haynes) may have against the City of Detroit and any other City of Detroit employees by reason of alleged injuries sustained on or about June 26, 2019.

11. Submitting reso. autho. **Settlement** in lawsuit of Wyoming Chiropractic Health Clinic, P.C. vs. City of Detroit; Case No. 20-001896-NF; File No. L20-001118; EG in the amount of \$15,000.00 in full payment for any and all claims which Wyoming Chiropractic Health Clinic, P.C. may have against the City of Detroit and any other City of Detroit employees by reason of alleged injuries sustained by Bonita Long on or about February 1, 2019.

**LEGISLATIVE POLICY DIVISION**

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for the new construction of 72 multi-family residential rental units and 20 for sale condominium units located at 5300 Beaubien, 511 Frederick, 525 Frederick, 541 Frederick, 555 Frederick, 561 Frederick and 5301 St. Antoine in the Art Center Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received seven (7) applications for Neighborhood Enterprise Zone (NEZ) certificates forwarded from the office of the City Clerk for new con-

struction of 72 multi-family residential rental units and 20 for sale condominium units located at 5300 Beaubien, 511 Frederick, 525 Frederick, 541 Frederick, 555 Frederick, 561 Frederick and 5301 St. Antoine. The overall project will consist of two apartment buildings with 36 one- and two-bedroom units, respectively. Additionally, five (5) townhomes consisting of two-bedroom units will be constructed as well for a total of 92 units. 20% of the rental units will be set aside for affordability at 80% AMI.

The subject properties have been confirmed as being within the boundaries of the Art Center NEZ which was established by a vote of Council on September 13, 2005, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated construction cost of the project is approximately \$200,000 per unit. The applicant is seeking a 15-year tax abatement. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Please contact our office should you have any questions.

Respectfully submitted,  
MARCELL R. TODD, JR.  
Director CPC  
GEORGE A. ETHERIDGE

Re: Neighborhood Enterprise Zone Certificate Application for the rehabilitation of a multi-family 148-unit residential apartment building located at 150 Bagley Avenue in the Bagley-Clifford Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received an application requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the rehabilitation of a multi-family residential 148-unit residential apartment building located at 150 Bagley Avenue. This application corresponds to a qualified site which will accommodate the development project. The development will allow for the rehabilitation of an existing 217,300 square foot 18-story building into 148 residential apartment units on floors 2 through 18 with commercial, retail, and restaurant facilities on the 1st floor. The subject property is commonly known as the United Artists Building. The project will result in one hundred forty-eight one- and two-bedroom apartment units, 20% of which will be affordable at 80% AMI. The project will include significant interior renovations including mechanicals, flooring, countertops, cabinetry, appliances, and painting.

The subject property has been confirmed as being within the boundaries of the Bagley-Clifford NEZ which was established by a vote of Council on September 26, 2019, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated construction cost of the project is approximately \$337,838.00 per unit. The applicant is seeking a 15-year tax abatement. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Please contact our office should you have any questions.

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for four (4) rehabilitated single-family homes located at 94 Mt. Vernon, 8034 John R., 8038 John R., and 8042 John R. in the Marwood Development Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received four (4) applications requesting Neighborhood Enterprise Zone (NEZ) certificates forwarded from the office of the City Clerk for the rehabilitation of four (4) single-family homes located at 94 Mt. Vernon, 8034 John R, 8038 John R, and 8042 John R. These applications correspond to a qualified sites that will facilitate the rehabilitation of four (4) single-family residential properties as a part of a larger development known as the Marwood Development. The project consists of the rehabilitation and new construction of 19 single-family homes on 19 parcels or in-fill properties. Of the single-family homes, seven (7) units, or 37%, will be acquisition rehabilitation homes, inclusive of these four applications. Twelve (12) of the properties will be new construction for-sale homes, and all will be for-sale owner occupied.

The subject properties have been confirmed as being within the boundaries of the Marwood Development NEZ which was established by a vote of Council on November 20, 2018, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The estimated rehabilitation cost per property is \$242,000.00 for a total estimated project cost of \$4,597,622.00 for all 19 properties. The applicant is seeking a 15-year tax abatement. The NEZ certificate application appears to have been submitted prior to the issuance of any applicable building permits.

Please contact our office should you have any questions.

**City Planning Commission**

November 17, 2020

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for the new construction of fourteen (14) condominium townhome units located at 2031 11th Street in the Corktown Neighborhood Enterprise Zone area. (RECOMMEND APPROVAL)

The office of the City Planning Commission (CPC) has received 14 applications requesting a Neighborhood Enterprise Zone (NEZ) certificate forwarded from the office of the City Clerk for the new construction of fourteen (14) condominium townhome units located at 2031 11th Street. These applications correspond to a qualified site which will accommodate the establishment of a residential condominium buildings. Units 4 and 11 will be one-bedroom townhomes with approximately 1, 200 square feet of enclosed space inclusive of a garage. Units 1-3, 5-10 and 12-14 will be two-bedroom townhomes with approximately 1,750 square feet of enclosed space inclusive of a garage.

The subject property has been confirmed as being within the boundaries of the Corktown NEZ which was established by a vote of Council on October 25, 1994, and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The anticipated cost for the total construction of each townhome is \$250,000.00 per unit. The applicant is seeking a 15-year tax abatement.

The NEZ certificate applications appear to have been submitted after the issuance of applicable building permits. The building permits on record show that permits were issued on May 20, 2020 and the applications were filed with the City of Detroit Clerk's office on July 7, 2020. MCL 207.774 states the application must be filed before a building permit is issued or as otherwise provided by the local gov-

ernmental unit by resolution if the application is filed not later than 6 months following the date the building permit is issued.

In order to proceed the City of Detroit would have to approve a resolution which contains language that approves the submission of the application after the issuance of the building permit, however, no later than 6 month following the date the building permit was issued.

The required resolution is attached for your consideration.

Please contact our office should you have any questions.

Upon the submission of a project description, cost breakdown, copies of the property deeds showing ownership, and legal descriptions of park properties; the County will review and prepare a draft intergovernmental agreement that will be forwarded to Detroit General Services Department - Parks & Recreation Division for consideration. Funding will not be provided up front, Detroit will be required to seek reimbursement from Wayne County for approved expenses arising from the proposed park improvement projects.

We respectfully request your authorization to accept funding and to set up appropriation 20861 for the 2018-19 fiscal year from Wayne County Parks Division in the amount of \$294,496.00 for various park improvement projects with a Waiver of Reconsideration.

Sincerely,  
**BRAD DICK**  
Group Executive

By Council Member Sheffield:

Whereas, Detroit General Services Department is requesting authorization to accept and allocate millage funding through appropriation 20861 for 2018-19 fiscal year in the amount of \$294,496.00 from Wayne County Parks Division to be utilized for various park improvement projects.

Whereas, General Services Department must submit project description, cost breakdown, copies of property deeds, and legal descriptions of park properties; Wayne County will review the same and prepare a draft intergovernmental agreement to be forwarded to Detroit General Services Department for consideration

Whereas, funding will not be provided

up front, Detroit will be required to seek reimbursement from Wayne County for approved expenses arising from the proposed park improvement projects

Whereas, Detroit General Services Department is authorized to accept and allocate millage funding for 2018-19 fiscal year through appropriation 20861 in the amount of \$294,496.00 to be utilized for park improvement projects.

**General Services Department**

January 4, 2021

**REVISED SUBMISSION**

Honorable City Council:

Re: Former Cadillac Stamping Plant Redevelopment Project — Access Easement Agreement — Revised Submission.

Please accept this revised submission to the item submitted to this Honorable Body on December 22, 2020.

The General Services Department, on behalf of Parks and Recreation, requests this Honorable Body approve granting an easement upon the terms of the "Access Easement Agreement" attached as Exhibit A to NP Conner Avenue Industrial, LLC, an affiliate of Northpoint Development, LLC ("Developer") to facilitate the redevelopment of the site of the former Cadillac Stamping Plant (the "Development Site").

The Development Site is bounded by Conner Street to the northeast, Gratiot Avenue to the northwest, and Devine Avenue to the south, abutting Conner Playfield. Developer intends to purchase the Development Site from the Detroit Brownfield Redevelopment Authority, demolish the existing structure, and construct a new approximately 682,000 square foot industrial facility.

In the course of its community engagement, Developer was asked to relocate its access drive so as to not cross the Conner Creek Greenway bike and pedestrian path along Conner Street. To accommodate this request, Developer needs a permanent, non-exclusive access easement on and across the portions of the City's property as shown and described in the Access Easement Agreement in order to construct and maintain a roadway from the Development Site to Devine Avenue.

Accordingly, attached for your consideration is a resolution consistent with the foregoing. I respectfully request your Honorable Body adopt the attached reso-

lution and, to expedite this project, with a waiver of reconsideration.

Sincerely,  
BRAD DICK  
Director

General Services Department

By Council Member Tate:

Resolved, That the grant of a permanent, non-exclusive access easement to construct, reconstruct, modify, repair, replace, inspect, operate and maintain a roadway in, on and across the portions of the City's property as shown and described in, and in accordance with the terms of, the "Access Easement Agreement" attached as Exhibit A, for the benefit of NP Conner Avenue Industrial, LLC, its successors and assigns, is hereby approved; and be it further

Resolved, That the Director of the General Services Department is authorized to execute and deliver an access easement agreement in form and substance consistent with the Access Easement Agreement attached as Exhibit A; and be it further

Resolved, That the General Services Department Director is authorized to execute any required instruments to make and incorporate technical amendments to the Access Easement Agreement (including but not limited to corrections to or confirmations of legal descriptions) in the event that changes are required to correct minor inaccuracies or are necessary or convenient due to unforeseen circumstances or technical matters that may arise prior or subsequent to the grant of the easement, provided that the changes do not materially alter the substance or terms of the easement; and be it further

Resolved, That the Access Easement Agreement will be considered confirmed when executed by the General Services Department Director, and approved by Corporation Counsel as to form.

**EXHIBIT A**

**ACCESS EASEMENT AGREEMENT**

This Access Easement Agreement (this "Agreement") is made as of this \_\_\_\_ day of \_\_\_\_\_, 2021 by and between the City of Detroit, a Michigan municipal corporation, by and through its General Services Department, Parks and Recreation Division, whose address is 115 Erskine St., Detroit, Michigan 48201 ("Grantor"), and NP Conner Avenue Industrial, LLC, a Missouri limited liability company, whose address is 4825 NW 41st Street, Suite 500, Riverside, MO 64150 ("Grantee").

**RECITALS**

A. Grantor is the owner of certain real property located in the City of Detroit, County of Wayne, State of Michigan, which is legally described on **Exhibit A** attached hereto ("Grantor's Property"), and which is located adjacent to Grantee's Property (as defined below).

B. Grantee is the owner of certain real property located in the City of Detroit, County of Wayne, State of Michigan, which is legally described on **Exhibit B** attached hereto ("Grantee's Property"), and which is located adjacent to Grantor's Property.

C. Grantor has agreed to grant to Grantee an easement for the purposes set forth under this Agreement over and across certain portions of Grantor's Property, in accordance with the terms of this Access Easement Agreement.

Now, Therefore, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties agree as follows:

1. Access Easement. Grantor hereby grants to Grantee, and its successors and assigns, for the benefit of Grantee, its successors and assigns, and their tenants, licensees, invitees, contractors, customers, employees, agents, and representatives, a nonexclusive, perpetual easement in, over, across and through the portion of Grantor's Property that is shown cross-hatched and legally described on **Exhibit C** attached hereto (the "Access Easement Area"), for the purposes of: (a) ingress, egress, and access, and the construction, operation, maintenance, repair, and replacement of a road and other infrastructure related to such purposes; (b) the construction, operation, maintenance, repair, and replacement of a wall, fence, barrier, buffer, or the like, to the extent deemed necessary or appropriate by Grantee and acceptable to Grantor; and (c) installation, operation, maintenance, repair, and replacement of landscaping. The infrastructure, paved roadway, and other improvements constructed by Grantee in the Access Easement Area are hereinafter collectively referred to as the "Improvements").

2. Construction of Improvements. Subject to the terms set forth herein, Grantee shall have the right to construct the Improvements in the Access Easement Area. At least thirty (30) days prior to commencing construction of the Improvements, Grantee shall deliver to Grantor for its review and approval, which approval shall not be unreasonably withheld, conditioned or delayed, the following (collectively, the "Construction Documents"): (a) complete plans and specifications for the entire scope of work necessary to complete construction of the proposed Improvements, and (b) the proposed project schedule (including the proposed date of commencement) for performance and completion of the Improvements. Grantor shall, within ten (10) business days after its receipt of the Construction Documents, deliver written notice to the Grantee either approving, rejecting, or commenting upon the Construction Documents.

3. Performance Obligations. During the performance of any work by Grantee contemplated by this Agreement, neither Grantee nor any tenant, licensee, invitee, contractor, subcontractor, customer, employee, agent, or representative of Grantee shall permit or suffer any act to be done or any condition to exist on Grantor Parcel which may constitute a nuisance, public or private, or which materially obstructs or interferes with the rights of any adjacent property owner. Grantee hereby agrees to indemnify, defend and save harmless Grantor from any and all loss, damage, liability, expense and claims whatsoever (including reasonable attorneys' fees and other reasonable costs of defending against the foregoing), by reason of any lien for work, services or materials performed for, or supplied to, Grantee which shall be filed against any portion of Grantor's Property during the term of this Agreement. In the event any such lien is filed, Grantee shall pay and discharge the same of record as promptly as possible but in no event later than sixty (60) days after the filing thereof; provided, Grantee shall have the right to contest the validity, amount or applicability of any such respective liens by appropriate legal proceedings so long as it shall prosecute such contest in good faith and, if foreclosure of such lien is threatened, furnish a satisfactory bond sufficient to remove the lien.

4. Maintenance and Repair. Grantee shall operate, maintain, repair, and replace the Improvements such that they are in good condition and repair, ordinary wear and tear excepted, and shall pay for all water, drainage fees, and other utility costs charged with respect to the Access Easement Area and Improvements (but not any other portions of Grantor's Property or any other improvements thereon).

5. Indemnity. Grantee shall defend, indemnify and save harmless Grantor against any and all liability, losses, damages or claims thereof (including but not limited to reasonable actual attorney's fees and costs) to the extent arising out of any act or omission by Grantee, its agents, invitees, tenants employees, customers, contractors or subcontractors or any of its tenant's agents, invitees, tenants employees, customers, contractors or subcontractors on or about Grantor's Property, including but not limited to: (i) any negligent or wrongful use of Grantor's Property, including the Access Easement Area; (ii) any negligent or wrongful activity, work, or thing done, or permitted or suffered on or about Grantor's Property (iii) any breach, violation, or negligent or wrongful nonperformance by Grantor, or its agents, invitees, tenants, employees, customers, contractors or subcontractors or any of its tenant's agents, invitees, tenants employees, customers, contractors or subcontractors of any term, covenant, or provision of

this Agreement or any law, ordinance, or governmental requirement of any kind.

6. **Insurance.** At all times during the term of this Agreement, Grantee shall, at its sole cost and expense, carry and keep in full force and effect insurance meeting the "Minimum Certificate of Insurance Requirements" as set forth in **Exhibit D** hereto and provide Grantor with a certificate (or certificates) of insurance evidencing that such insurance coverage currently is being maintained. Grantee shall deliver to Grantor evidence of such insurance within five (5) business days after receipt of a request from Grantor. Further Grantee shall cause each of its contractors (and subcontractors) performing the Improvements and/or any maintenance or repair work to provide certificates of insurance meeting the minimum requirements in Exhibit D hereto and deliver copies of such insurance certificates to the other Owner prior to the commencement of any work.

7. **Covenants Running with Land.** The easements granted herein and the agreements contained herein shall be easements and covenants running with the land and shall inure to the benefit of, and be binding upon, the parties hereto and their respective successors and assigns.

8. **Notices.** Any notice desired or required to be given to Grantor or Grantee under this Agreement, shall be sent via overnight delivery through a reputable courier such as FedEx or via U.S. mail, postage prepaid, registered or certified, return receipt requested, to the parties at the addresses first set forth above. Either Party may, by written notice, designate a different address to which notices may be sent and, by written notice, designate additional parties to whom copies of all notices must be sent.

9. **Complete Agreement: Amendments.** This Agreement contains the complete understanding and agreement of the parties hereto with respect to all matters referred to herein, and all prior representations, negotiations, and understandings are superseded hereby. This Agreement may only be amended only by the written agreement of the current owners of Grantor's Property and Grantee's Property.

10. **Severability.** If any term, provision or condition contained in the Agreement shall, to any extent, be invalid or unenforceable, the remainder of the Agreement (or the application of such term, provision or condition to persons or circumstances other than those in respect of which it is invalid or unenforceable) shall not be affected thereby, and each term, provision or condition of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

11. **Governing Law.** This Agreement shall be construed in accordance with the laws of the State of Michigan.

12. **Exhibits.** All exhibits referred to

herein and attached hereto shall be deemed part of the Agreement.

13. **Captions.** Caption headings in this Agreement are for convenience purposes only and are not to be used to interpret or define the provisions of this Agreement.

IN WITNESS WHEREOF, the parties have executed this Easement Agreement as of the day and year first above written.

**Commercial General Liability**

**Minimum Limit Requirements:**

- \$1,000,000 Per Occurrence and \$2,000,000 Aggregate
- \$1,000,000 Personal and Advertising Injury
- Damage to Rented Premises \$50,000
- Medical Expense \$5,000

**Endorsement requirements:**

- Occurrence Form (Not Claims Made)
- Additional Insured
- Primary and Non-Contributory
- Waiver of Subrogation
- Per Project Aggregate
- 30 Day Written Notice of Cancellation

**Commercial Auto Liability**

**Minimum Limit Requirements:**

- \$ 1,000,000 Combined Single Limit
- *Symbol 1 or 7 and/or 8 & 9 is acceptable*

**Endorsement requirements:**

- Additional Insured
- Waiver of Subrogation
- 30 Day Written Notice of Cancellation

**Umbrella Liability**

**Minimum Limit Requirements:**

- \$2,000,000 Limit of Liability
- \$5,000,000 — High Hazard Operations Minimum

**Endorsement requirements:**

- 30 Day Written Notice of Cancellation

**Workers Compensation/Employers Liability**

**Minimum Limit Requirements:**

- \$500,000/\$500,000/\$500,000

**Endorsement requirements:**

- Waiver of Subrogation
  - 30 Day Written Notice of Cancellation
- Additional Minimum Insurance Requirements may be required for certain types of work being performed. This type of work would include, but not be limited to, the following:**

- Design Work — Electrical/Structural/Mechanical/Civil/etc.
- Architects/Engineers
- High Hazard (industrial/cleaning/environmental/technical)

**Contractors Pollution Liability**

**Minimum Limit Requirements:**

- \$1,000,000 Aggregate and Per Occurrence

**Endorsement requirements:**

- Additional Insured
- Coverage Maintained for 3 Years Following Substantial Completion
- Primary and Non-Contributory
- Waiver of Subrogation
- 30 Day Written Notice of Cancellation

**Professional Liability**

**Minimum Limit Requirements:**

- \$1,000,000 Aggregate and Per Occurrence

**Endorsement requirements:**

- Primary and Non-Contributory
- Waiver of Subrogation
- 30 Day Written Notice of Cancellation
- Coverage maintained for a minimum of 3 years following substantial completion — also known as “Tail Coverage” or “Extended Reporting.” We reserve the right to require this coverage be maintained for up to, but not beyond, the current statute of the State in which the work is being performed (eg., Michigan — 7 years, Florida — 10 Years).

**Additional Insureds:** The Description of the certificate shall state that the other Owner and its affiliates, including all units, divisions, and subsidiaries, are included as additional insureds on a primary and non-contributory basis under all policies except workers’ compensation insurance. Additionally, the Endorsement for the CGL shall state the other Owner “is included as additional insureds on a primary and non-contributory basis.” **[Not applicable regarding “Professional Liability”]**

**Waiver of Subrogation:** The Description of the certificate shall state (in addition to the Additional Insured statement above): “All policies provide waiver of subrogation in favor of the other (Owner) and its affiliates, including all units, divisions and subsidiaries.”

- Copies of All Required Endorsements MUST Accompany the Insurance Certificate.
- Insurance Carriers must carry A.M. BEST rating of A-, VII, or better on all coverages.
- Excess liability must state what coverage it may be applied to if not shown in the umbrella form.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 11), per motions before adjournment.

**City Council**

**Historic Designation Advisory Board**

December 7, 2020

Honorable City Council:

Re: Resolution No. 246 — Historic Designation Advisory Board Final Report, recommendation and draft ordinance for the proposed Higginbotham School Historic District. **(For introduction of ordinance and the setting of a Public Hearing.)**

At the direction of the Historic Designation Advisory Board at its meeting of September 10, 2020, we are pleased to submit to Your Honorable Body the Board’s

final report on the proposed Higginbotham School Historic District. The unanimous recommendation of the Advisory Board is for the designation. The ordinance of designation is attached and has been approved as to form by the Law Department.

This designation was requested by Council Member Roy McCalister, Jr. Dwight Smith and Russell Baltimore have been appointed as *ad hocs* representing the community interest of the proposed district. A public hearing was held on July 16, 2020 which had sixteen people in attendance. All were in favor of the district and there was no registered opposition.

If you should have any questions, please contact our office at 224-3487.

Respectfully submitted,  
 JANESE CHAPMAN  
 Director

 Architectural Historian

By Council Member Tate:

**AN ORDINANCE to amend Chapter 21, Article II of the 2019 Detroit City Code by adding Section 21-2-246 to establish the William E. Higginbotham School Historic District and to define the elements of design for the district.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 21, Article II of the 2019 Detroit City Code be amended by adding Section 21-2-246 to read as follows: **Sec. 21-2-246. William E. Higginbotham School Historic District.**

(a) A historic district to be known as the William E. Higginbotham School Historic District is established in accordance with the provisions of this article.

(b) This historic district designation is certified as being consistent with the Detroit Master Plan.

(c) The boundaries of the William E. Higginbotham School Historic District are as shown on the map on file in the office of the City Clerk, and are as follows: Beginning at the southwest corner of lot 284 of "Detroyal Gardens Subdivision No. 1" as recorded in Liber 2, Page 27 of Plats, Wayne County Records, thence N 00D 00M 24S E 427.78 ft. along the east line of Indiana Street, 50 ft. wide, thence N 89D 58M 00S E 324.33 ft., thence S 00D 00M 24S W 427.78 ft. to the north line of Chippewa Avenue, 50 ft. wide, thence S 89D 58M 00S W 324.33 ft. to the point of beginning. Boundaries also include the east half of Indiana Street adjacent and the north half of Chippewa Street adjacent. (Legal description: E WISCONSIN ALL 205 THRU 214 275 THRU 284 PART OF 274 215 152 THRU 162 PART OF VAC WISCONSIN AVE VAC ALLEY ADJ DETROYAL GARDENS SUB L35 P77 PLATS, WCR 16/364). Commonly known as 8730 Chippewa.

(d) The defined elements of design, as provided for in Section 21-2-246 of this code, are as follows:

(1) *Height.* The William E. Higginbotham School Church is one and two-and-a-half stories (2 1/2) stories tall. A series of additions were constructed across the back of the building in 1928, 1944, and 1946.

(2) *Proportion of building's front façades.* The six (6) bay wide, east-facing front façade of the William E. Higginbotham School is wider than tall. The asymmetrical front façade of the building and its entrance occupies the second of six (6) bays from the south end. The west façade along Indiana Street is also wider than tall with ten (10) bays, the west façade is wider than that of the east-facing front façade.

(3) *Proportion of openings within the façades.* The William E. Higginbotham School is composed of approximately forty-five per cent (45%) openings in its front façade. Most of the openings in the front (east) and west façades are covered with wood boards, although historic photographs and photos from 2015 show the original window proportions. All of the windows of the front (east) façade were of the wood double-hung sash variety with four-over-four window panes, resulting in individual window units that are almost two and one-half (2 1/2) times taller than wide. They are arranged in groupings of five (5) window units per opening sharing a common sill. One window in each classroom has been replaced by a modern anodized aluminum window to facilitate emergency egress. Random windows have been replaced or removed to accommodate air conditioning units. Above the main entry door on the front (east) façade is an arched multi-pane window. The entry doors are double wood doors with three vertical windows with square lights above.

The wood windows of the west façade are similar four-over-four windows at the northern side of the west façade. At the north side, a group of double four-over-four grouped windows flank each side of the groupings of five (5) windows. At the south side of the west façade the windows are arranged in groupings of three (3) per opening and sharing a common sill. In the southern-most bay of the west façade are smaller, fixed four-over-four windows arranged in groupings of three (3). At the projecting shed-roofed side-aisle at the west façade are two (2) individual two-over-three window units. The off center, gabled entry bay on the (west) façade has an arched five-over-four narrow individual window unit centered over the entry door.

The eastern bays at the south façade contain the same groupings of five (5) window units composed of four-over-four double-hung wood windows at the first

and second floors. Proportions of openings on the south façade are similar to those of the front façade. Above the auditorium entrance is an arched multi-pane window. The north façade has a large multi-pane window above the gymnasium entry door. The east side of the north façade has a tall window at the second story over the entry door at the north façade. Wide windows are on the western-facing side of the original building, although they are boarded and not visible at this time.

(4) *Rhythm of solids to voids in front façades.* The strong rhythm of solids to voids is created by the repetitive arrangements of windows on the front (east) façade. On the front façade, window arrangements are identical on the first and second stories, with the exception of the entrance bay, and, being separated by brick piers, create a regular progression of openings. The bell tower at the south side of the front façade has two (2) louvered openings on each façade. The bell tower on the north side of the building has three (3) louvered openings on the north and south sides of the bell tower. There are no openings in the basement level of the front (east) façade.

(5) *Rhythm of spacing of buildings on streets.* Not applicable due to single building district.

(6) *Rhythm of entrance and/or porch projections.* The Wisconsin Street (east) entrance to the William E. Higginbotham School is located off-center, between the southernmost bay and the next bay to the north. It is approached from a concrete walkway that extends from the public sidewalk and extending to the concrete deck in front of the doorway. The Chippewa Street entrance is located at the western side of the façade. It is approached from a concrete walkway that extends from the public sidewalk and extending to the concrete deck in front of the doorway, and a concrete step that leads to the door. The Indiana Street entrance is located in the near-center of the west façade, between the auditorium and gymnasium. It is approached from a concrete walkway that extends from the public sidewalk and extending to the concrete step in front of the doorway. On the north façade, a slightly projecting one-story tall entryway is centered in the gymnasium wall. The entry way has a recessed double entry door. The gymnasium door is approached from a concrete walkway adjacent to the asphalt parking lot. There is an entry door at the east side of the north façade in the original school building. The entry way projects slightly from the façade and is approached from a concrete walkway at the north side of the building.

(7) *Relationship of materials.* The steel-framed building is faced in beige

brick with cast stone decorative details, limestone sills, and clay roof tiles. A wrought iron Juliette balcony railing is over the main entry door. Window surrounds and sashes are of wood. The rear addition at the west (Indiana Street) façade is brick and has cast stone surrounds, a string course and limestone window sills.

(8) *Relationship of textures.* The major textural relationship is that of brick laid in running bond juxtaposed with decorative brick work and limestone and cast stone banding, medallions and reliefs. Decorative dark red brickwork frames entry doors, entry way upper levels, and piers on every façade. Repetition of piers separating groupings of windows adds considerably to textural interest.

(9) *Relationship of colors.* The brick is beige-colored and contrasts with the gray color of the limestone and cast stone ornamentation. Dark red brick was used to create a contrasting color in the decorative brick work resembling quoins. Window frames and surrounds are painted dark red. The doors of the building have been painted bright red. The clay tile roofs on the western and southern half of the building are light orange colored. The Spanish clay tile roof on the eastern side of the building is dark brown. Bright colors were painted on the door surrounds on the eastern and western façades in the mid-2000s. The original colors as determined by professional analysis are always acceptable for the building and may provide guidance for similar buildings.

(10) *Relationship of architectural details.* The most significant architectural detail of the Mediterranean Style building are its flat-centered, Spanish clay tile hip roofs at various levels on each façade. Significant architectural details are on each off-center entrance bay on each façade. The pattern of stacked, quoin-like squares with outlines of reddish brown brick runs along the building's piers and top edges. This same running pattern lines the corners of the building as well. At the east façade entry, panels of cast stone ornamentation extend from the flanking column capitals of the entrance, rising to the height of the second-story window, and are topped with miniature engaged obelisks. On the south façade's upper east corner, a cast stone cartouche features the lamp of knowledge, stars, fleur-de-lis, ceramic tile inserts, decorative scrolls, and classical motifs surround the cartouche. In general, the building's south and east façades have low relief architectural detail in brick and stone.

(11) *Relationship of roof shapes.* The flat concrete slab-and-beam roof structure over the original north-south section of the building is not visible behind the hipped decorative tile roofs on various

portions of the building. The roof shape over the front (east) façade is a low-pitch hipped roof with a flat center. The roof at the Chippewa Street (south) façade is a shed roof with a flat center. On the Indiana Street (west) façade, the roof over the west entry door at the one-and-a-half (1-1/2)-story tall entryway is gabled. There is a one (1) story shed-roofed side-aisle on the west façade, south of the entry door that displays an orange Spanish clay tile roof. The roof of the Indiana Street (west) façade is flat on its southern side (over the auditorium) and hipped at the center, with a flat section to the north side over the gymnasium. The north façade, at the gymnasium section of the building, has a flat roof. There is a flat roof over the utility room (an addition) at the center of the north façade. The Spanish tile is regularly laid on the various roof sections.

(12) *Walls of continuity.* Not applicable due to single building district.

(13) *Relationship of significant landscape features and surface treatments.* The building is set back from the former (now vacated) Wisconsin Street, Chippewa Street, and Indiana Street with a slightly graded, flat, grassy lawn containing several large maple and honey locust trees. Overgrown shrubs line the west, south, and east elevations at the building's base. A flagpole is centered on the south lawn of the building at Chippewa Street. No other significant lighting fixtures or street furniture exist.

(14) *Relationship of open space to structures.* Open space is created by the siting of the building on a corner lot and its setback from Chippewa and Indiana Streets. Open space exists in the broad, grassy lawn and mature landscaping surrounding the building. To the east of the building is a paved surface parking lot and the Johnson Recreation Center (8550 Chippewa). To the north of the building is an asphalt surface parking lot followed by the grassy open playfield of Higginbotham School. To the north east of the building is the Joe Louis Playfield, a city-owned recreation field with baseball diamonds, a basketball court, and playground equipment. On the surrounding streets of Norwalk, Chippewa, and Indiana are residential structures with similar front setbacks and front lawns.

(15) *Scale of façades and façade elements.* William E. Higginbotham School is a moderately scaled institutional building that has mostly small-scaled detail on its front (east), south, north, and west façades. Architectural elements such as piers and window units are appropriately scaled.

(16) *Directional expression of front elevations.* The front elevation of the William E. Higginbotham School is horizontal in directional expression, but balanced by the height of the hipped roofs,

the piers on each side of the main entry door, and the vertically-expressed bell towers.

(17) *Rhythm of building setbacks.* Not applicable due to single building district. The Chippewa Street setback of the building roughly corresponds to the setback of the Johnson Recreation Center built in 1977 (8550 Chippewa Street).

(18) *Relationship of lot coverages.* The footprint of the William E. Higginbotham School occupies approximately forty percent (40%) of its parcel.

(19) *Degree of complexity within the façades.* The front (east) façade is straightforward in massing, orderly in its placement of detailing, and regular in its window placement, resulting in a fair degree of complexity overall. A fair degree of complexity is found in the building's brickwork details surrounding the front entry door and at the corner piers.

(20) *Orientation, vistas, overviews.* The William E. Higginbotham School is oriented toward the former Wisconsin Street, a vacated north-south running street. The vista to the north and east of the building is comprised of flat grassy fields, as well as the mature trees of the landscape to the south and east. The general overview is of a high-density, one and one half (1 1/2) and two (2) story, residential neighborhood of single-family houses.

(21) *Symmetric or asymmetric appearance.* The appearance of the front façade of William E. Higginbotham School is asymmetrical, due to the south-of-center positioning of the entrance bay and bell towers. The south and west façades are also asymmetrical due to the additions of the auditorium and gymnasium spaces, and the removal of a conservatory on the south façade. The north façade is asymmetrical and has a large smokestack at the center with utility rooms to its east and south; an entry to the gymnasium is on the west side of the north façade.

(22) *General environmental character.* The William E. Higginbotham School Historic District consists of an architecturally and historically significant institutional building situated at the northeast corner of Chippewa Street and Indiana Street in the Eight Mile Road-Wyoming neighborhood. The building sits on the southwest corner of a park-like area containing grass fields, sports fields, parking lots and mature trees. The building and the surrounding fields and Johnson Recreation Center sit centered among an early twentieth-century previously established residential neighborhood extending south from Eight Mile Road, west to Monte Vista Street, south to Pembroke Street and east to Woodingham Drive. The surrounding area consists of single-family homes in a high-density residential neighborhood.

**Section 2.** All ordinances, or parts of ordinances, or resolutions or parts of resolutions, in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** If this ordinance is passed by a two-thirds majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

Approved as to Form:

LAWRENCE T. GARCIA  
Corporation Counsel

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

RESOLUTION SETTING  
PUBLIC HEARING

By Council Member Tate:

Resolved, That a Public Hearing be held by this Body for the purpose of considering the advisability of adopting the proposed foregoing ordinance to amend Chapter 21, Article II, of the 2019 Detroit City Code by adding Section 21-2-246 to establish the William E. Higginbotham School Historic District, and to define the elements of design for the district.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**City Council**  
**Historic Designation Advisory Board**  
December 7, 2020

Honorable City Council:

Re: Resolution No. 247 — Historic Designation Advisory Board Final Report, recommendation and draft ordinance for the proposed Johnson Recreation Center and Joe Louis Playfield Historic District. **(For introduction of ordinance and the setting of a Public Hearing.)**

At the direction of the Historic Designation Advisory Board at its meeting of September 10, 2020, we are pleased to submit to your Honorable Body the Board's final report on the proposed Johnson Recreation Center and Joe Louis Playfield Historic District. The unanimous recommendation of the Advisory Board is for the designation. The ordinance of designation is attached and has been approved as to form by the Law Department.

This designation was requested by Council Member Roy McCalister, Jr., Rev. Theodore G. Munz, Hazel Fludd, and Theresa J. Moon have been appointed as ad hocs representing the community interest of the proposed district. A public hearing was held on July 16, 2020 which had sixteen people in attendance. All were in favor of the district and there was no registered opposition.

If you should have any questions, please contact our office at 224-3487.

Respectfully submitted,

JANESE CHAPMAN

By Council Member Tate:

**AN ORDINANCE to amend Chapter 21, Article II, of the 2019 Detroit City Code by adding Section 21-2-247 to establish the Johnson Recreation Center and Joe Louis Playfield Historic District and to define the elements of design for the district.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 21, Article II, of the 2019 Detroit City Code be amended by adding Section 21-2-247 to read as follows:

**Sec. 21-2-247. Johnson Recreation Center and Joe Louis Playfield Historic District.**

(a) A historic district to be known as the Johnson Recreation Center and Joe Louis Playfield Historic District is hereby established in accordance with the provisions of this article.

(b) This historic district designation is hereby certified as being consistent with the Detroit Master Plan.

(c) The boundaries of the Johnson Recreation Center and Joe Louis Playfield Historic District are as shown on the map on file in the office of the City Clerk, and are as follows: Beginning at the southeast corner of lot 531 of "Detroyal Gardens Subdivision No. 1" as recorded in Liber 2, Page 27 of Plats, Wayne County Records, thence S 89D 58M 00S W 519.73 ft. along the north line of Chippewa Avenue, 50 ft. wide, thence N 00D 00M 24S E 427.78 ft., thence S 89D 58M 00S W 324.33 ft. to the east line of Indiana Street, 50 ft. wide, thence N 00D 00M 24S E 377.09 ft. to the south line of Norfolk Street, 50 ft. wide, thence N 89D 59M 54S E 844.91 ft., to the west line of Cherrylawn Street 50 ft. wide, thence S 00D 04M 03S W 804.40 ft. to the point of beginning. Boundaries also include the west half of Cherrylawn Street adjacent, the north half of Chippewa Street adjacent, the east half of Indiana Street adjacent, and the south half of Norfolk Street adjacent. (Legal description: N CHIPPEWA AVE 531 THRU 550 DETROYAL GARDENS SUB NO 1 L42 P27 PLATS, WCR

16/365; ALL 21 THRU 40 83 THRU 102 143 THRU 151 216 THRU 224 265 THRU 273 PART OF 274 215 AND 152 THRU 162 DETROYAL GARDENS SUB L35 P77 PLATS, WCR 16/364; ALSO VAC OHIO AVE VAC WISCONSIN AVE AND VAC ALLEYS ADJ). Commonly known as 8550 Chippewa.

(d) The defined elements of design, as provided for in Section 21-2-247 of this Code, shall be as follows:

(1) *Height*. The building at 8550 Chippewa Street consists of one (1) and two (2) story sections. The building has sections that include the gymnasium at the west and the natatorium at the east that are two stories in height, while the main entry vestibule, office space, class rooms, locker rooms, and boxing rink are one-story in height.

(2) *Proportion of Building's Front Façade*. The building is wider than tall on all elevations. The building is approximately one hundred and fifty-six (156) feet long by two hundred and thirty-seven (237) feet wide in a roughly rectangular shape plan with various setbacks. The building features rounded corners at each corner. Its main entrance is at the one-story center section of the building, giving horizontal emphasis to the building's front (south) façade.

(3) *Proportion of Openings Within the Façade*. The building is composed of approximately ten percent (10%) openings in its front façade (south elevation). The main entrance is at the western side of the front façade, a small window is east of the main entrance, and a second entrance is at the eastern side of the front façade.

(4) *Rhythm of Solids to Voids in the Front Façade*. An irregular rhythm of solids to voids exists on the front elevation of the building. The building's voids are irregularly placed: one void acts as a window, and two are doorways. The doorway voids are full length starting at the ground level. The building has minimal voids on the entire surface of the building. There is a horizontal window with a row of six (6) fixed vertical panes east of the recessed main entry. There is a single doorway void on the east side of the front elevation.

(5) *Rhythm of Spacing of Buildings on Surrounding Streets*. Spacing of buildings on surrounding streets: Chippewa, Cherrylawn, Indiana, and Norfolk Streets are mainly comprised of single-family homes. The rhythm of single-family homes are typically one per thirty (30) foot lot. William E. Higginbotham School is approximately one block west of the building, and it has the same setback and scale of the building.

(6) *Rhythm of Entrance and/or Porch Protections*. The main entry is recessed approximately eight (8) feet from the façade (south elevation) and is unsupported. The east entrance to the building is recessed into the façade (south eleva-

tion) approximately seven (7) feet. There is a rounded roof overhang at the southwest corner of the building for another entry door. No consistent rhythm of entrance and/or porch projections exist on the building.

(7) *Relationship of Materials*. The building materials are generally composed of brick. The brick is a variation of orange and brown colors. The flat roof is topped with a rubber membrane. Landscape elements including sidewalks, planters, and concrete paver entry ways. Planter retaining walls are faced in the same orange and brown brick that is on the building. Tall metal pole lighting fixtures are in the building's planters along with a flag pole. On the east side of the parking lot are bicycle racks formed in half-circle steel pipes set in concrete. The landscaping surrounding the building includes different varieties of mature trees and grass.

(8) *Relationship of Textures*. The building displays an overall smooth texture. The brick façade is composed of orange and brown face-brick veneer set in mostly running bond pattern with double rows of soldier-course bond at the base, middle window level, and middle top of the building. At the frieze level of the building are two single rows of soldier course brick, and a double row at the parapet level. All of the soldier courses of brick are proud of the running bond brick, creating a texture to the façades. There is metal coping at the roofline. The curved planters incorporate the same brick set in to soldier courses.

(9) *Relationship of Colors*. The Johnson Recreation Center is faced in orange and dark brown colored brick set in a random pattern. There is white lettering for "JOHNSON RECREATION CENTER" on the western side of the primary (south) façade. White aluminum light fixtures are in the planting areas at the south side of the building, as well as in the parking lot planters. Vertical slats of grey metal screening on the rooftop of the center section of the building is visible from the north and south façades. Metal coping at the roofline of the building is light grey. Doors are not visible and are covered by grey metal roll-down security gates. The small windows on the south and west façades have brown metal surrounds. The planters at the south and west sides of the building have the same orange and brown brick facing with a grey concrete coping. The grassy planting areas and trees provide contrasting green. Walkways consist of slabs of naturally colored gray concrete.

(10) *Relationship of Architectural Details*. The building is designed in the Organic Style of architecture and all of the corner edges of the building are rounded curves, creating a curvilinear corner at each side of the building. The building's

Chippewa Avenue elevation is the primary façade. (the south façade). The Chippewa Avenue façade has two main entrances to the building. There is white lettering for "JOHNSON RECREATION CENTER" at the second story of the western side of the Chippewa Avenue façade. On the south façade is a one-story section containing a wide entry supported by a long truss overhead. The brick veneer sheathing the building is mostly laid in running bond, and double rows of soldier-course bond line the base, middle and parapet of the building. There is metal coping at the roofline.

The building's elevation (the north façade) facing the Joe Louis Playfield is windowless and also has rounded corners and varying setbacks for the three main sections of the rear of the building. There is a rounded cornered, one-story recessed entry at the junction of the pool and rear room of the building. Most of the building is windowless.

The Chippewa Avenue (south) façade is windowless with one exception: a three-part horizontal window that lights the community meeting room. There is a deeply recessed three-door pedestrian entry at the west side of the Chippewa Avenue façade (currently a roll-down security door is in place).

Another recessed double-door pedestrian entrance is at the east side of the Chippewa Avenue façade. On the roof above the three-door entry, running east along the building is a roof-top metal screen that hides the heating, ventilation and air cooling systems on the roof.

(11) *Relationship of Roof Shapes.* The building's flat roof is not visible from the street.

(12) *Walls of Continuity.* Landscaped planters' retaining walls are of the same vertically oriented brick as the walls of the building and integrated into the landscape to provide a wall of continuity. The vertical light standards, chain link fencing, and planted trees, where they exist result in expressions of continuity.

(13) *Relationship of Significant Landscape Features and Surface Treatments.* Within the planting areas of the Chippewa Street (south) side of the parcel are undulating, gently raised planting areas that reflect the curved nature of the building. Mature trees are found on the south elevation's planting areas, on the west elevation within the parking lot, on the west elevation in the lawn south of the parking lot and along the eastern elevation of the entire Cherrylawn Street elevation. The south side of the property, southwest side, the north and east sides of the property have grass lawns.

The Joe Louis Playfield's boundary is a ten acre-rectangular site located to the north of the building and is bounded on the north by Norfolk Street; on the east by Cherrylawn Street; on the south by

Chippewa Street; and on the west by the vacated Wisconsin Street. The property boundary continues to west of the vacated Wisconsin Street to include the former playfield of the Higginbotham School. The Higginbotham School playfield is not fenced and is covered in grass. The parcel boundary runs south to the parking lot of the Higginbotham School creating an "L" shape.

There is a sidewalk that runs north-south from Chippewa Street to Norwalk Street along the route of the former Wisconsin Street (now vacated). There is gravel in the baseball diamond at the western side of the property, and an asphalt-paved regulation-size basketball court at the north side of the property. There is a baseball diamond at the north-eastern corner of the property. The south-east side of the property contains a curved concrete sidewalk leading from the building to playground equipment at the east. Berms on the east side of the property are covered in grass. There is concrete paving that abuts the curb of Chippewa Street at the south elevation of the parcel. A four and a half (4 1/4) foot high aluminum chain link fence provides a security buffer along the west and north side of the property.

There is a fifty-six space asphalt-paved parking lot that has rectangular concrete planting areas holding full-growth trees. Two parking lot lighting fixtures are centered in the parking lot planting areas. Metal bollards are at the entry of the parking lot to provide support for a barrier chain.

(14) *Relationship of Open Space to Structures.* Open space exists in the broad, grassy lawn and mature landscaping surrounding the building. The Joe Louis Playfield provides open space in contrast to the surrounding single-family homes on the streets bordering the property: Cherrylawn, Chippewa, Norfolk, and Indiana Streets.

(15) *Scale of Façade and Facade Elements.* The building's scale is one and two-stories tall to reflect the scale of the surrounding single-family homes as well as the flat parkland of the Joe Louis Playfield. The primary (south) façade of the building has low-scale, subtle elements including repetitive brick detailing creating a smooth façade and rounded corners at each corner.

(16) *Directional Expression of Front Elevation.* The front elevation of the building is horizontal in expression due to its flat roof construction. The parapet's running brick belt course and the two lower belt courses express horizontality. The building's front elevation was designed to face south to address the many residential streets of the Eight Mile Wyoming community.

(17) *Rhythm of Building Setbacks.* The

building's setback is created within the Joe Louis Playfield's park setting, and it is emphasized by the placement of the sidewalk at the curb. The building continues the setback created by the 1927 William Higginbotham School one block to the west (8730 Chippewa Street).

(18) Relationship of Lot Coverage. The building occupies less than twenty percent (20%), one fifth of its lot with a broad grassy lawn with landscape treatments surrounding the building.

(19) Degree of Complexity Within the Façade. The building's primary (south) façade is straightforward in its fenestration and architectural detail, resulting in a low degree of complexity. The door and window openings throughout are unadorned. A subtle but fair degree of complexity is found in the different levels of massing. A fair degree of complexity is found the building façade due to the textured brick patterns with horizontal emphasis.

(20) Orientation. Vistas. Overviews. The primary orientation of the building is to the south. The building provides a backdrop for viewing the mature trees of the landscape and the raised planting areas as well as the surrounding Joe Louis Playfield grounds. The parcel was designed to engage and connect people with the natural beauty of the site.

(21) Symmetric or Asymmetric Appearance. The building is asymmetric in appearance.

(22) General Environmental Character. The district consists of a recreation center and playfield with sports fields and playground equipment. The parcel is landscaped to reflect a natural environment at its southern and southeastern border. Walkways are arranged to the curb-line at Chippewa Street to emphasize the landscaping adjacent to the front façade. At the rear of the building a walkway is organically arranged in a curve to reflect the curves of the building and its landscaped planters. The surrounding area consists of single-family homes in a high-density residential neighborhood.

**Section 2.** All ordinances or parts of ordinances, or resolutions, in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** If this ordinance is passed by a two-thirds majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-118(1) of the 2012 Detroit City Charter.

Approved as to Form:

January 5, 2021

Honorable City Council:

Re: Resolution Approving an Industrial Facilities Exemption Certificate, in the area of 9501 Conner Street, Detroit, Michigan, in Accordance with Public Act 198 of 1974 on behalf of NP Conner Avenue Industrial, LLC. (Petition #1329).

On Thursday, January 7, 2021, a public hearing in connection with approving an Industrial Facilities Exemption Certificate request for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

NP Conner Avenue Industrial, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 198 of 1974 (the "Act") and the Abatement Agreement for this project.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,  
DONALD RENCHER  
Director

By Council Member Tate:

Whereas, Pursuant to P.A. 198 of 1974, M.C.L. 207.551 *et seq.*, after a duly noticed public hearing held on November 3, 2020 this Detroit City Council established by resolution an Industrial Development District in the vicinity of Gratiot, Conner, Devine and Corbett Avenue, Detroit, Michigan; and

Whereas, This City Council is a Quali-

fied Local Governmental Unit as defined by the Act; and

Whereas, NP Conner Avenue Industrial, LLC has filed with the City Clerk an Application for an Industrial Facilities Exemption Certificate, under Public Act 198 of 1974 ("the Act") in the City of Detroit, in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, Construction of the facility and installation of new machinery and equipment had not begun earlier than six (6) months before November 20, 2020, the date of acceptance of the application for the Industrial Facilities Exemption Certificate; and

Whereas, The Application relates to a program that when completed constitutes a project within the meaning of the Act and which is situated within the aforesaid City of Detroit Industrial Development District; and

Whereas, Before acting on said application, the City of Detroit held an electronic public hearing on January 7, 2021, at \_\_\_\_ a.m., at which hearing the applicant, the Assessor and a representative of the affected taxing units were given written notice and were afforded an opportunity to be heard on said application; and

Whereas, Completion of the facility is calculated to, and will at the time of issuance of the certificate, have the reasonable likelihood to retain, create or prevent the loss of employment in the City of Detroit; and

Whereas, The aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Detroit, after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of unit, plus the SEV of personal and real property thus exempted; and

Whereas, This City Council has granted until June 30, 2022 for the completion of the improvements; and

Whereas, notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard.

Now, Therefore Be It

Resolved, That the Detroit City Council finds and determines that the granting of the Industrial Facilities Tax Exemption Certificate considered together with the

aggregate amount of certificates previously granted and currently in force under Act. 198 of the Public Acts 1974. shall not have the effect of substantially impeding the operation of the City of Detroit, or impairing the financial soundness of a taxing unit which levies ad valorem property taxes within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application from NP Conner Avenue Industrial, LLC for an Industrial Facilities Tax Exemption Certificate in the area of 9501 Conner Street, Detroit, Michigan is hereby approved for a period of twelve (12) years after completion in accordance with the provisions of the Act, expiring no later than December 31, 2035 and be it finally

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the improvements shall be completed no later than June 30, 2022 unless an extension of that time is granted by this City Council, which extension shall be granted if this City Council determines that the project is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and the City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, and Industrial Facilities Exemption Certificate Agreement.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 12), per motions before adjournment.

**Planning and Development Department**

November 9, 2020

Honorable City Council:

Re: Property Sale., 15844 Auburn.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Grandmont Rosedale Development Corporation, a Michigan Nonprofit Corporation (the "Purchaser"), to purchase certain City-owned real property at 15844 Auburn (the "Property") for the purchase price of Thirty-Five Thousand Eight Hundred Sixty and 00/100 Dollars (\$35,860.00).

Purchaser proposes to demolish and utilize the property for parking for their adjacent mixed use development located at 19505 Grand River. Currently, the property is within a General Business

zoning district (B4 District). Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 15844 Auburn, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Grandmont Rosedale Development Corporation, a Michigan Nonprofit Corporation (the "Purchaser") for the purchase price of Thirty-Five Thousand Eight Hundred Sixty and 00/100 Dollars (\$35,860.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, 2) One Thousand Seven Hundred Ninety-Three and 00/100 Dollars (\$1,793.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00) shall be paid from the sale proceeds; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed

by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

December 22, 2020

Honorable City Council:

Re: Correction of Sales Resolution. 4365 Newport, Detroit, MI.

On September 10, 2019, your Honorable Body adopted a resolution authorizing the sale of 4365 Newport, Detroit, MI (the "Property") to 4365 Newport LLC (the "Purchaser") for the purchase price of Seventy Thousand and 00/100 Dollars (\$70,000.00).

In preparing for a closing on the sale, it has come to the City's attention that the legal description of the Property included several errors. All errors have been identified and the legal description for the Property was revised.

In anticipation of the closing on the sale of the Property in January 2021, we hereby request that your Honorable Body adopt the attached resolution that amends the above referenced sales resolution to reflect an updated legal description for the Property.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Whereas, On September 10, 2019, Detroit City Council adopted that certain resolution that approved the sale of certain City of Detroit property at 4365 Newport (the "Property") to 4365 Newport LLC (the "Purchaser"), a Michigan limited liability company, for the purchase price of Seventy Thousand and 0/100 Dollars (\$70,000.00) (the "Purchase Price"); and

Whereas, The City has identified several errors in the legal description for the Property that require the legal description

for the Property to be revised; and now therefore be it

Resolved, That the above referenced resolution is hereby amended such that the Property's legal description be amended to the legal description given in the attached Exhibit A, which is incorporated herein by reference; and be it further

Resolved, That the Director of the Planning and Development Department ("P&DD"), or his authorized designee, be and is hereby authorized to issue a quit claim deed to the Property and execute such other documents as may be necessary or convenient to convey the Property from the City to 4365 Newport LLC for the Purchase Price; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Property Sale. 799 S. Dix.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Marathon Petroleum Company LP ("Purchaser"), a Delaware limited partnership, to purchase certain City-owned real property at 799 S. Dix (the "Property") for the purchase price of Thirteen Thousand and 00/100 Dollars (\$13,000.00).

The Property lies within Purchaser's current administrative complex and is land-locked by adjacent property that Purchaser owns at 13501 Sanders and 794/870 Oakwood (aka 1001 Oakwood). Currently, the Property is within an M5 zoning district (Special Industrial District). The Purchaser will incorporate the Property into its surrounding administrative complex. The proposed use of the Property is consistent with the allowable uses for which the Property is zoned.

We hereby request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his authorized designee, to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,

November 19, 2020

Honorable City Council:

Re: Petition No.1002 — Solanus Casey Center request to vacate utility easements bounded by Kercheval Avenue, Meldrum Avenue, St. Paul Avenue, and Mt. Elliott. Also vacate to easement a segment of the public alley located south of Kercheval Avenue and east of Meldrum Avenue.

Petition No. 1002 — Solanus Casey Center request to vacate utility easements bounded by Kercheval Avenue, 80 ft. wide, Meldrum Avenue, 60 ft. wide, St. Paul Avenue, 60 ft. wide, and Mt. Elliott

66 ft. wide. Also vacate to easement a segment of the public alley located south of Kercheval Avenue, 80 ft. wide, and east of Meldrum Avenue, 60 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to for the expansion of facilities owned by the Solanus Casey Center.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation of the alleys mentioned within this petition. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Whereas, On November 1st, 2000, your Honorable Body adopted a resolution on behalf of The Province of St. Joseph of the Capuchin Order in which certain utility easements were retained, and

Whereas, At this time the Solanus Casey Center desires to have the site unencumbered by the retained easements; and will pay for any utility relocations needed, therefore be it

Resolved, That all that part of the east-west and north-south alleys between Mt. Elliott, 66 ft. wide, Kercheval Avenue, 80 ft. wide, Meldrum Avenue, 60 ft., and St. Paul Avenue, 60 ft. wide; further described as land in the City of Detroit, Wayne County, Michigan being:

1. The east-west alley lying southerly and adjacent to lots 142 through 151, and lying northerly of lots 141 & 152 of "Traugott Schmidts Subdivision" as recorded in Liber 9, Page 86 of Plats, Wayne County Records;
2. The east-west alley lying southerly and adjacent to lot 133, and lying northerly of lot 161 of "Traugott Schmidts Subdivision" as recorded in Liber 9, Page 86 of Plats, Wayne County Records;
3. The north-south alley lying easterly of and adjacent to lots 152 through 160 and lying westerly of and adjacent to lots 133 through 141 of "Traugott Schmidts Subdivision" as recorded in Liber 9, Page 86 of Plats, Wayne County Records

Be and the same are hereby vacated (outright) as public right-of-way, and all retained easements are hereby extinguished, to become part and parcel of the abutting property, subject to the following provision;

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds; and further

Resolved, The public alley located south of Kercheval Avenue, 80 ft. wide, and east of Meldrum Avenue, 60 ft. wide, further described as land in the City of Detroit, Wayne County, Michigan being; the east-west public alley lying southerly of and adjacent to lots 108 through 112 and northerly of and adjacent to lot 113 of "Traugott Schmidts Subdivision" as recorded in Liber 9, Page 86 of Plats, Wayne County Records

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or

structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc.,

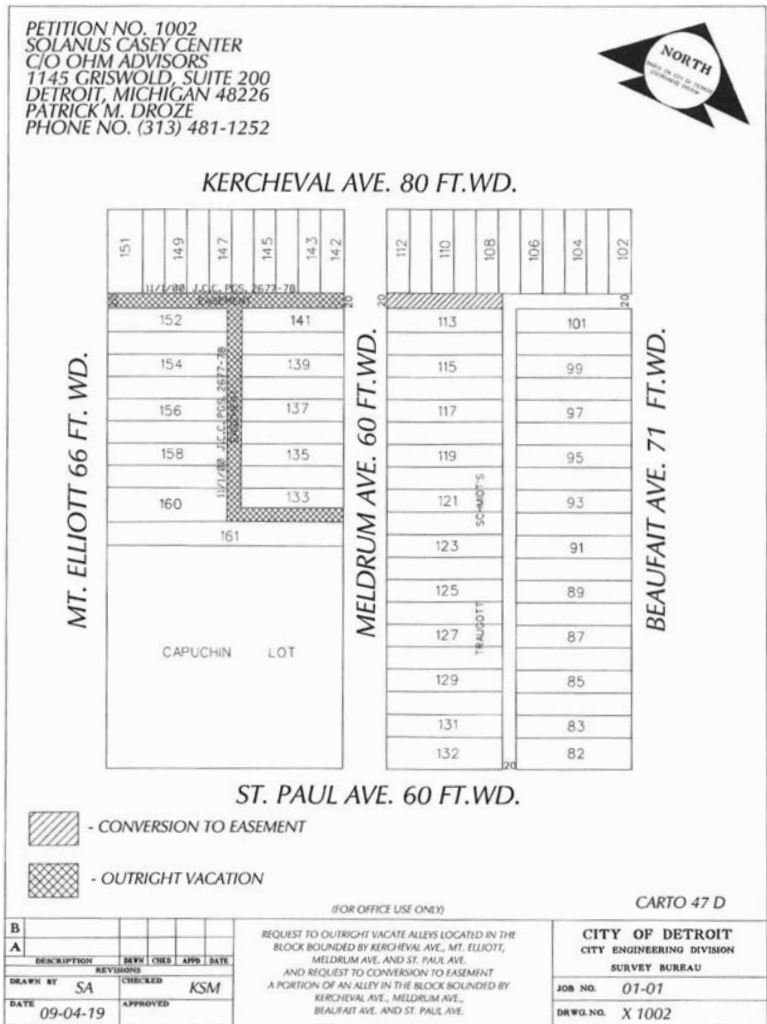

shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs inci-

dent to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

**Department of Public Works  
City Engineering Division**

November 16, 2020

Honorable City Council:

Re: Petition No. 1006 — Pat Perry request to vacate and convert to easement a segment of the public alley bounded by Elmwood Avenue, Ludden Street, Ellery Street, and Preston Street.

Petition No. 1006 — Pat Perry request to vacate and convert to easement a segment of the public alley bounded by Elmwood Avenue, 60 ft. wide, Ludden Street, 50 ft. wide, Ellery Street, 60 ft. wide, and Preston Street, 50 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to remove an inactive alley from the City road network.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, The public alley bounded by Elmwood Avenue, 60 ft. wide, Ludden Street, 50 ft. wide, Ellery Street, 60 ft. wide, and Preston Street, 50 ft. wide, further described as land in the City of Detroit, Wayne County, Michigan being: the east-west public alley lying westerly of and abutting lot 34 and lying easterly of and abutting lots 1 through 3 and the north 8 ft. of lot 4 of "Chrintine Baumanns Subdivision" as recorded in Liber 11, Page 25 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which ease-

ment shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition.

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for

all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No.1033 — Kamps, Inc. request to vacate and convert to easement a segment of Artesian Avenue bounded by Glendale Avenue and the Jeffries Freeway.

Petition No.1033 — Kamps, Inc. request to vacate and convert to easement a segment of Artesian Avenue, 86 ft.

wide, bounded by Glendale Avenue, 60 ft. wide, and the Jeffries Freeway.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to improve and secure the staging and docking area for truck and trailers operated by the adjacent property owners at 19001 Glendale and 12601 Southfield.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility easement provided certain provisions are met.

The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY  
City Engineer  
City Engineering Division — DPW

By Council Member Benson:

Resolved, Artesian Avenue, 86 ft. wide, bounded by Glendale Avenue, 60 ft. wide, and the Jeffries Freeway, further described as land in the City of Detroit, Wayne County, Michigan being: Artesian Avenue, 86 ft. wide, lying easterly of and abutting lots 60 & 61 of "B.B. Taylors Brightmoor Consolidated Railroad Sites Subdivision" as recorded in Liber 52, Page 48 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohib-

ited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the

adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or

assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Department of Public Works  
City Engineering Division**

December 21, 2020

Honorable City Council:

Re: Petition No. 1309 — GPM RE, LLC, request to vacate a portion of Fairfield Street and encroach into the West McNichols Road right-of-way.

Petition No. 1309 — GPM RE, LLC, request to vacate a portion of Fairfield Street and encroach into the West McNichols Road, 66 ft. wide, right-of-way.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made to renew the encroachment and correct the land use of the Gas Station sign servicing the property at 3345 West McNichols.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer  
City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to GPM RE, LLC or their assigns to install and maintain encroachment for a sign located at the southeast corner of the intersection of West McNichols Road, 60 Ft. wide, and Fairfield Street, 60 Ft. wide. Encroachments are further described as follows: land in the City of Detroit, Wayne County, Michigan being, within the West McNichols right-of-way lying 11.5 Ft. west of the west line of lot 38 of the "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Record and

extending being 2.5 Ft. north of the southerly right-of-way line of West McNichols. Said sign being 1 Ft. in width and standing approx. 25 Ft. in height.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, GPM RE, LLC or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of

encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by GPM RE, LLC or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by GPM RE, LLC or their assigns. Should damages to utilities occur GPM RE, LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That GPM RE, LLC or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of GPM RE, LLC or their assigns of the terms thereof. Further, GPM RE, LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by GPM RE, LLC, or their assigns; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and GPM RE, LLC acquires no implied or other privi-

leges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it also

Resolved, Fairfield Avenue, 60 Ft. wide, further described as land in the City of Detroit, Wayne County, Michigan being: the east 20 ft. of Fairfield Avenue abutting lot 38 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the

alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated street shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

 City Engineering Division**

November 16, 2020

Honorable City Council:  
 Re: Petition No. 1332 — Christopher Thomas request to vacate and convert to easement a segment of the public alley bounded by Chapin Street, Rohns Avenue, Moffat Street, and Crane Avenue.  
 Petition No. 1332 — Christopher

Thomas request to vacate and convert to easement a segment of the public alley bounded by Chapin Street, 60 ft. wide, Rohns Avenue, 66 ft. wide, Moffat Street, 60 ft. wide, and Crane Avenue, 60 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to remove an inactive alley from the City road network.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the

vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.  
City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, Public alley bounded by Chapin Street, 60 ft. wide, Rohns Avenue, 66 ft. wide, Moffat Street, 60 ft. wide, and Crane Avenue, 60 ft. wide, further described as land in the City of Detroit, Wayne County, Michigan being:

1. The north-south public alley, varied width, lying easterly of and abutting lots 1 through 11 of "Henry S. Koppin's Crane Avenue Subdivision" as recorded in Liber 35, Page 28 of Plats, Wayne County Records.

2. The north-south public alley, 18 ft. wide, lying easterly of and abutting lots 32 through 51 of "Amelia A. Colquitt's Subdivision of Part of P.C. 154" as recorded in Liber 17, Page 35 of Plats, Wayne County Records.

3. The north-south public alley, 18 ft. wide, lying westerly of and abutting lots 30 through 33 and easterly of lot 29 of "John M. Brewers & Co's Crane Avenue Subdivision of Part of P.C. 644" as recorded in Liber, 16, Page 80 of Plats, Wayne County Records.

4. The north-south public alley, 18 ft. wide, lying westerly of and abutting lots 56 through 59 and easterly of lot 60 of "John M. Brewers & Co's Crane Avenue Subdivision of Part of P.C. 644" as recorded in Liber, 16, Page 80 of Plats, Wayne County Records.

5. The north-south public alley, 18 ft. wide, lying westerly of and abutting lots 34 through 55 of "John M. Brewers & Co's Crane Avenue Subdivision of Part of P.C. 644" as recorded in Liber, 16, Page 80 of Plats, Wayne County Records.

6. The east-west public alley, 18 ft. wide, lying northerly of and abutting lots 60 through 63 and southerly of lot 55 of "John M. Brewers & Co's Crane Avenue Subdivision of Part of P.C. 644" as recorded in Liber, 16, Page 80 of Plats, Wayne County Records.

7. The east-west public alley, 18 ft. wide, lying southerly of and abutting lots 26 through 29 and northerly of lot 34 of "John M. Brewers & Co's Crane Avenue Subdivision of Part of P.C. 644" as recorded in Liber, 16, Page 80 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of

excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at rea-

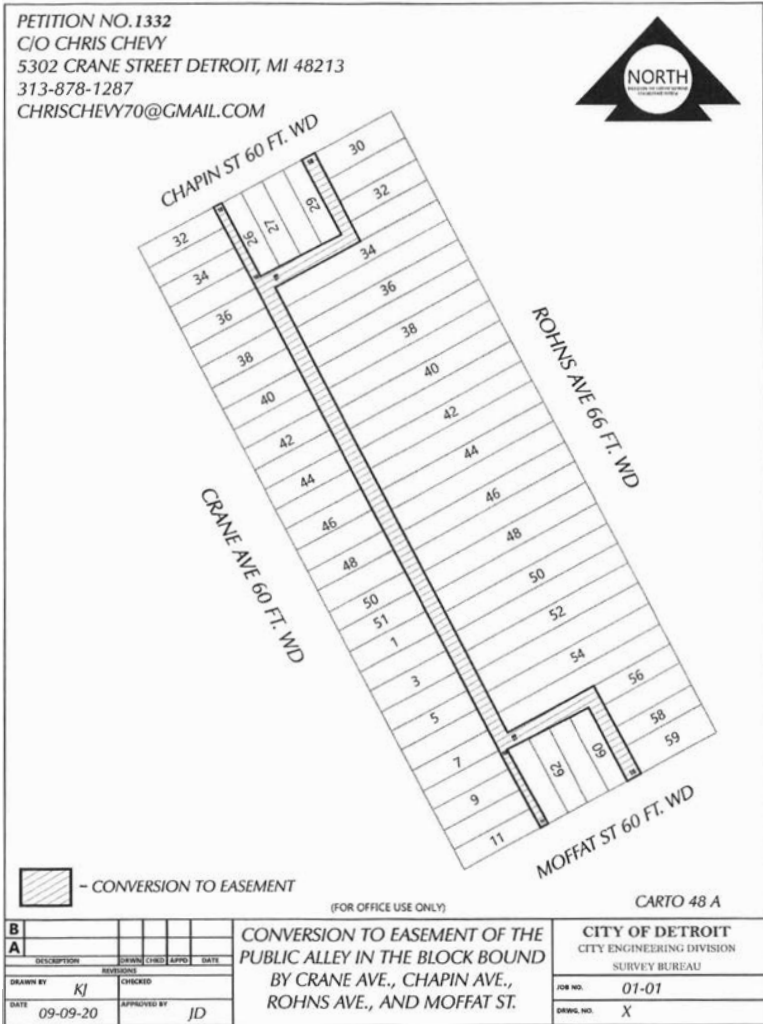

sonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Department of Public Works  
 City Engineering Division**

November 16, 2020

Honorable City Council:

Re: Petition No. 1333 — Frontier Developments LLC request to vacate and convert to easement segments of Pittsburg Avenue, Military Avenue, and the public alley bounded by Livernois Avenue, McGraw Avenue, Military Avenue, and Pittsburg Avenue.  
 Petition No. 1333 — Frontier Develop-

ments LLC request to vacate and convert to easement segments of Pittsburg Avenue, 30 ft. wide, Military Avenue, 33 ft. wide, and the public alley bounded by Livernois Avenue, 120 ft. wide, McGraw Avenue, 70 ft. wide, Military Avenue, 33 ft. wide, and Pittsburg Avenue 30 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to remove an inactive alley from the City road network.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the vacation and conversion to utility ease-

ment provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
 RICHARD DOHERTY, P.E.  
 City Engineer

City Engineering Division — DPW  
 By Council Member Benson:

Resolved, Pittsburg Avenue, 30 ft. wide, Military Avenue, 33 ft. wide, and the public alley bounded by Livernois Avenue, 120 ft. wide, McGraw Avenue, 70 ft. wide, Military Avenue, 33 ft. wide, and Pittsburg Avenue 30 ft. wide., further described as land in the City of Detroit, Wayne County, Michigan being:

1. Pittsburg Avenue, 30 ft. wide, lying northerly of and adjacent to lots 58 and 59 of "W T Hurds Subdivision" as recorded in Liber 6, Page 17 of Plats, Wayne County Records.

2. Military Avenue, 33 ft. wide, lying easterly of and adjacent to lots 59 through 67 of "W T Hurds Subdivision" as recorded in Liber 6, Page 17 of Plats, Wayne County Records.

3. The north-south public alley, 20 ft. wide, lying westerly of and abutting lots 59 through 67 and easterly of lots 50 through 58 of "W T Hurds Subdivision" as recorded in Liber 6, Page 17 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or

those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants

and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned

utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

 City Engineering Division**

November 16, 2020

Honorable City Council:  
 Re: Petition No. 1339 — Kamper and Stevens LDHA, request to encroach into the Grand River and Washington Blvd. right-of-way for an onsite advertising sign.  
 Petition No. 1339 — Kamper and Stevens LDHA, request to encroach into

the Grand River and Washington Blvd. right-of-way for an onsite advertising sign.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made to approve an onsite advertising sign being erected for a business located at 1258 Washington Blvd.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been

made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer  
City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Kamper and Stevens LDHA or their assigns to install and maintain encroachment for an onsite advertising sign located at 1258 Washington Blvd., also described as: Washington Blvd., 195 ft. wide, lying westerly and adjacent to lot 10 of the "Plat of Section 8 of Governor & Judges Plan" as recorded in Liber 34, Page 543 of Plats, Wayne County Records. Said advertising sign will be constructed as an elevation between 168 inches to 224.5 inches and extending into the Washington Blvd. right-of-way 60 inches.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended,

utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Kamper and Stevens LDHA or their assigns, and further

Provided, That the Kamper and Stevens LDHA or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works — City Engineering Division, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Kamper and Stevens LDHA or their assigns. Should damages to utilities occur Kamper and Stevens LDHA or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That Kamper and Stevens LDHA or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by

reason of the issuance of the permits and the faithful or unfaithful performance of Kamper and Stevens LDHA or their assigns of the terms thereof. Further, Kamper and Stevens LDHA or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Kamper and Stevens LDHA, or their assigns; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

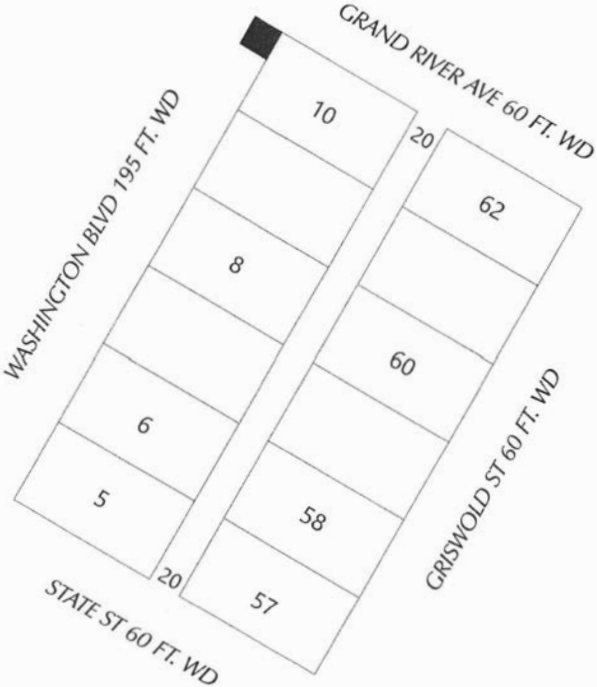

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and Kamper and Stevens LDHA acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

December 21, 2020

Honorable City Council:  
 Re: Petition No. 1340 — 2110 Park Avenue LLC, request to encroach into the Park Avenue and West Elizabeth Streets adjacent to the property known as 2110 Park Avenue to install awnings.

Petition No. 1340 — 2110 Park Avenue LLC, request to encroach into the Park

Avenue, 60 ft. wide, and West Elizabeth Street, 60 ft. wide, adjacent to the property known as 2110 Park Avenue to install awnings.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made to approve awnings being proposed to be erected along the south and west elevations of the structure known as 2110 Park Avenue.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but

they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to 2110 Park Avenue LLC or their assigns to install and maintain encroachment for awnings to be installed along Park Avenue and West Elizabeth Street, adjacent to 2110 Park Avenue, lots 32 through 34 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records; encroachments described as:

1. Awning built at an elevation ranging from 7' above grade and extending to 10.7' above grade along the western elevation, measured as beginning 40 ft. south from the northwest corner of lot 34 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being 11.7' wide and extending 7.1' into the Park Avenue right-of-way.

2. Awning built at an elevation ranging from 7' above grade and extending to 10.7' above grade along the southern elevation, measured as beginning 61.7 ft. south from the southwest corner of lot 34 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being 20.1' wide and extending 4' into the West Elizabeth right-of-way.

3. Awning built at an elevation ranging from 7' above grade and extending to 10.7' above grade along the southern elevation, measured as beginning at the southeast corner of lot 32 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being 20.4' wide and extending 4' into the West Elizabeth right-of-way.

4. Awning built at an elevation ranging from 7' above grade and extending to 10.7' above grade along the southern elevation, measured as beginning 20.4 ft. west from the southeast corner of lot 32 of "Plat of Park Lots 84, 85, and 86" as

recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being 17.7' wide and extending 12.4' into the West Elizabeth right-of-way.

5. Awning built at an elevation ranging from 9.1' above grade and extending to 14.0' above grade along the western elevation, measured as beginning from the northwest corner of lot 34 of "Plat of Park Lots 84, 85, and 86" as recorded in liber 7, Page 27 of Plats, Wayne County Records, and being 40.0' wide and extending 4.0' into the Park Avenue right-of-way.

6. Awning built at an elevation ranging from 9.1' above grade and extending to 14.0' above grade along the western elevation, measured as beginning from the southwest corner of lot 34 of "Plat of Park Lots 84, 85, and 86" as recorded in liber 7, Page 27 of Plats, Wayne County Records, and being 44.4' wide and extending 4.0' into the Park Avenue right-of-way.

7. Awning built at an elevation ranging from 9.1' above grade and extending to 14.0' above grade along the southern elevation, measured as beginning from the southwest corner of lot 34 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being 61.7' wide and extending 4.0' into the West Elizabeth Street right-of-way.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended,

utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by 2110 Park Avenue LLC or their assigns, and further

Provided, That the 2110 Park Avenue LLC or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works — City Engineering Division, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by 2110 Park Avenue LLC or their assigns. Should damages to utilities occur 2110 Park Avenue LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the

public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That 2110 Park Avenue LLC or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of 2110 Park Avenue LLC or their assigns of the terms thereof. Further, 2110 Park Avenue LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by 2110 Park Avenue LLC, or their assigns; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and 2110 Park Avenue LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

November 16, 2020

Honorable City Council:

Re: Petition No. 1341 — Infinity Acquisitions LLC, request to encroach into the Park Avenue and Adams Avenue adjacent to the property known as 2001 Park Avenue to install lights, awnings, planter boxes, entrance canopy, and a fire escape.

Petition No. 1341 — Infinity Acquisi-

tions LLC, request to encroach into the Park Avenue, 60 ft. wide, and Adams Avenue, 60 ft. wide, adjacent to the property known as 2001 Park Avenue to install lights, awnings, planter boxes, entrance canopy, and a fire escape.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made to approve exterior features planned for the redevelopment of the structure known as 2001 Park Avenue.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Depart-

ment (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Infinity Acquisitions LLC or their assigns to install and maintain encroachment for lights, awnings, planter boxes, entrance canopy, and a fire escape along Park Avenue and Adams Avenue, adjacent to 2001 Park Avenue, lots 87 through 88 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records; encroachments described as:

1. Awning built at an elevation ranging from 8' above grade and extending to 12' above grade along the eastern elevation, measured as beginning from the northeast corner of lot 87 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being 19.8' wide and extending 4.5' into the Park Avenue right-of-way.

2. Awning built at an elevation ranging from 8' above grade and extending to 12' above grade along the eastern elevation, measured as beginning from the southeast corner of lot 87 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being 67.2' wide and extending 4.5' into the Park Avenue right-of-way.

3. Awning built at an elevation ranging from 8' above grade and extending to 12' above grade along the southern elevation, measured as beginning from the southeast corner of lot 87 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being 80' wide and extending 4.5' into the Adams Avenue right-of-way.

4. Canopy built at an elevation ranging from 8' above grade and extending to 10' above grade along the eastern elevation, measured as beginning 19.8' south from the northeast corner of lot 87 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County

Records, and being 13' wide and extending 6.5' into the Park Avenue right-of-way.

5. Exterior lights built at an elevation ranging from 7'4" above grade and extending to 9' above grade along the eastern elevation, measured as beginning 1'-9" from the northeast corner of lot 87 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being installed every 16'1" to the southeast corner of said lot 87, having 7 installations, 1' wide each, along the eastern elevation facing the Park Avenue right-of-way.

6. Exterior lights built at an elevation ranging from 7'4" above grade and extending to 9' above grade along the southern elevation, measured as beginning 2'-5" from the southeast corner of lot 87 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being installed every 15'-3" to the southwest corner of said lot 88, having 5 installations, 1' wide each, along the southern elevation facing the Adams Avenue right-of-way.

7. Exterior lights built at an elevation ranging from 7' above grade and extending to 12' above grade along the northern elevation, measured as beginning 2'-5" from the northeast corner of lot 87 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being installed along the northern elevation, extending 1' into the public alley, to the southwest corner of said lot 88.

8. Planter boxes built at 3' above grade and being spaced 2'-6" along the southern elevation, of lots 87 and 88 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and having 5 installations, having the dimensions 2'x2' each and placed 15'-3" apart, along the southern elevation facing the Adams Avenue right-of-way.

9. Planter boxes built at 3' above grade and being spaced 2'-6" along the eastern elevation of lot 87 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and having 5 installations, having the dimensions 2'x2' each and placed 16'-1" apart, along the eastern elevation facing the Park Avenue right-of-way.

10. Fire escape at an elevation ranging from 17' above grade and extending to 157' above grade along the northern elevation, measured as beginning 30.5' from the northeast corner of lot 87 of "Plat of Park Lots 84, 85, and 86" as recorded in Liber 7, Page 27 of Plats, Wayne County Records, and being 17.8' wide and extending 5' into the public alley right-of-way.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the

expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Infinity Acquisitions LLC or their assigns, and further

Provided, That the Infinity Acquisitions LLC or their assigns provide as-built drawings of their installation and the rela-

tionship to other utility infrastructure to the Department of Public Works — City Engineering Division, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Infinity Acquisitions LLC or their assigns. Should damages to utilities occur Infinity Acquisitions LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That Infinity Acquisitions LLC or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Infinity Acquisitions LLC or their assigns of the terms thereof. Further, Infinity Acquisitions LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by 2110 Park Avenue LLC, or their assigns; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and Infinity Acquisitions LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

December 21, 2020

Honorable City Council:

Re: Petition No. 1345 — Hartford Real Estate Company, LLC request to outright vacate Lauder Avenue between Hubbell Street and Coyle Street, bounded by West Outer Drive, and Thatcher Street..

Petition No. 1345 — Hartford Real Estate Company, LLC request to outright

vacate the west 15 feet of Lauder Avenue between Hubbell Street, 86 ft. wide, and Coyle Street, 60 ft. wide, bounded by West Outer Drive, 150 ft. wide, and Thatcher Street, 60 ft. wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to remove an unused alley segment from the City right-of-way network.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the outright vacation provided certain provi-

sions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the outright vacation of the street. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, That Lauder Avenue between Hubbell Street, 86 ft. wide, and Coyle Street, 60 feet wide, bounded by West Outer Drive, 150 feet wide, and Thatcher Street, 47 feet wide., further described as land in the City of Detroit, Wayne County, Michigan being: the west 15 feet of Lauder Avenue lying westerly of and adjacent to that part of the southwest 1/4 of Section 7

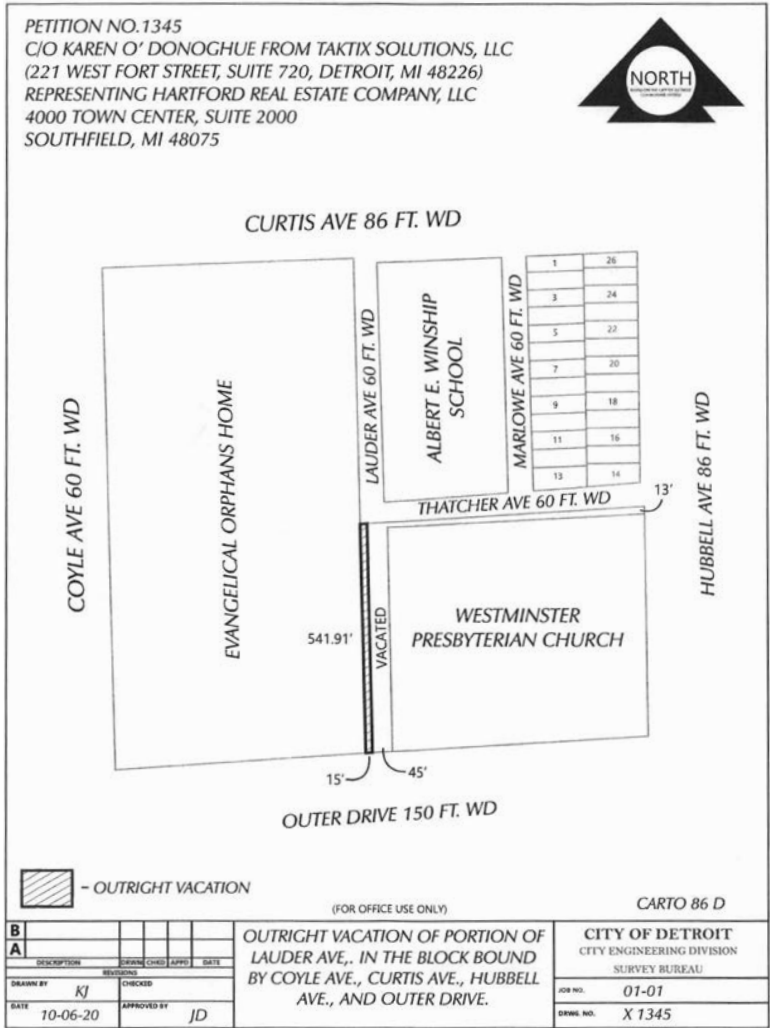

T 1 S R 11 E bounded by Thatcher Street, 47 feet wide, West Outer Drive, 150 feet wide, and Hubbell Avenue, 76 feet wide.

Be and the same is hereby vacated (outright) as public right-of-way to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for the cost and arrangements for the removing and/or relocating of the utility companies and city departments services, and further

Provided, That any construction in the public right-of-way such as curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heirs or assigns; and be it also

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Adopted as follows:  
 Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.  
 Nays — None.

December 21, 2020

Honorable City Council:

Re: Petition No. 1346 — 2930 E Grand LLC, request to encroach into Beaubien Street for the purpose of installing a monitoring well, north of East Grand Blvd.

Petition No. 1346 — 2930 E Grand LLC, request to encroach into Beaubien

Street, 60 feet wide, for the purpose of installing a monitoring well, north of East Grand Blvd, 150 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made as part of an investigation of leaking underground storage tanks.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are fol-

lowed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to 2930 E Grand LLC or their assigns to install and maintain encroachment for monitoring wells installed the following location: the east side of Beaubien Street, 60 feet wide, being 5 feet west of the west line of lot 32 and being 57 feet south from the northwest corner of lot 32 of "Atkinson's Subdivision" as recorded in liber 7, Page 33 of Plats, Wayne County Record

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by 2930 E Grand LLC or their assigns, and further

Provided, That the 2930 E Grand LLC or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works — City Engineering Division, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by 2930 E Grand LLC or their assigns. Should damages to utilities occur 2930 E Grand LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That 2930 E Grand LLC or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of 2930 E Grand LLC or their

assigns of the terms thereof. Further, 2930 E Grand LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by 2930 E Grand LLC, or their assigns; and further

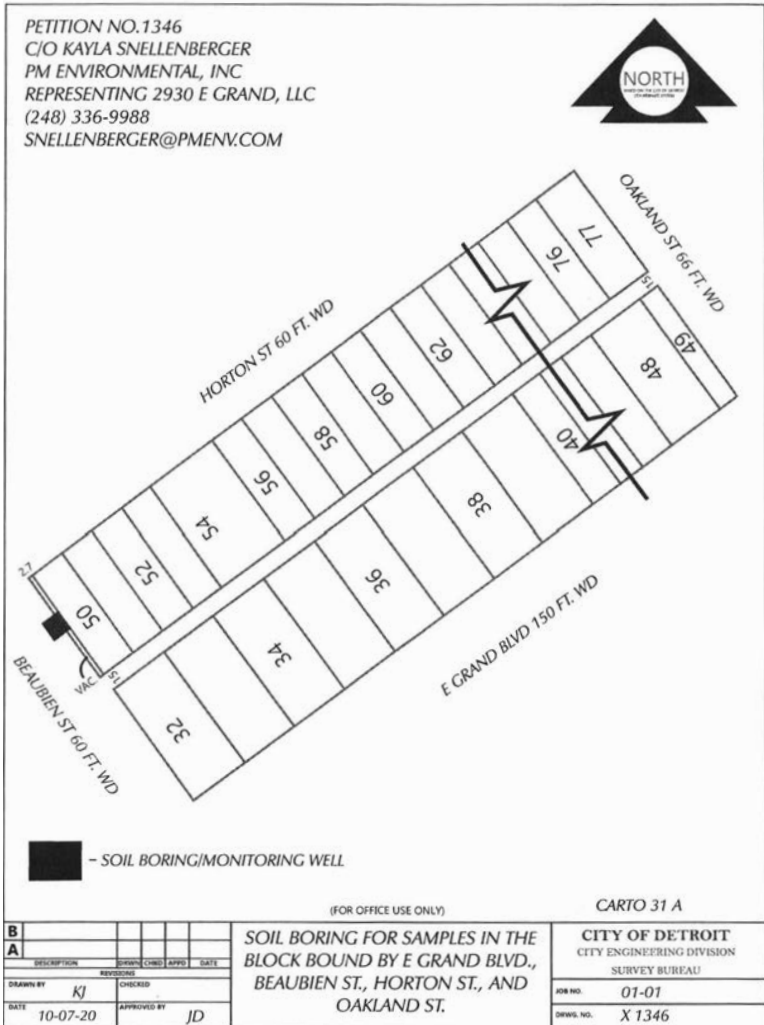

Provided, That construction of the encroachments shall constitute accep-

tance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and 2930 E Grand LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Empire Petroleum Partners LLC or their assigns to install and maintain encroachment for monitoring wells installed the following locations:

1. South side of West McNichols Road, between Fairfield Avenue and Muirland Avenue, being 3 feet north of the south right-of-way line and being 23 feet east of the northeast corner of lot 37 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

2. South side of West McNichols Road, between Fairfield Avenue and Muirland Avenue, being 3 feet north of the south right-of-way line and being 97 feet east of the northeast corner of lot 37 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

3. South side of West McNichols Road, between Fairfield Avenue and Muirland Avenue, being 23 feet west of the northeast corner of lot 28 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

4. West side of Muirland Avenue, south of West McNichols Road, being 22 feet east of the west right-of-way line and being 10 feet south of the northeast corner of lot 28 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

5. West side of Muirland Avenue, south of West McNichols Road, being 23 feet east of the west right-of-way line and being 45 feet south of the northeast corner of lot 28 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

6. West side of Muirland Avenue, south of West McNichols Road, being 24 feet east of the west right-of-way line and

being 29 feet north of the southeast corner of lot 28 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

7. East side of Fairfield Avenue, south of West McNichols Road, being 17 feet west of the east right-of-way line and being 6 feet south of the northwest corner of lot 38 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

8. East side of Fairfield Avenue, south of West McNichols Road, being 20 feet west of the east right-of-way line and being 40 feet south of the northwest corner of lot 38 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

9. East side of Fairfield Avenue, south of West McNichols Road, being 8 feet west of the east right-of-way line and being 20 feet north of the southwest corner of lot 38 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

10. East side of Fairfield Avenue, south of West McNichols Road, being 6 feet west of the east right-of-way line and being 10 feet south of the southwest corner of lot 38 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

11. The east-west alley, 20 feet wide, south of West McNichols Road, between Fairfield Avenue and Muirland Avenue, being 10 feet south of the north right-of-way line and being 5 feet west of the southwest corner of lot 38 of "Ford Park Subdivision" as recorded in Liber 30, Page 92 of Plats, Wayne County Records.

12. North side of West McNichols Road, between Fairfield Avenue and Muirland Avenue, being 25 feet south of the north right-of-way line and being 126 feet west of the southeast corner of lot 305 of "Golf Club Addition" as recorded in Liber 37, Page 1 of Plats, Wayne County Records.

13. North side of West McNichols Road, between Fairfield Avenue and Muirland Avenue, being 25 feet south of the north right-of-way line and being 75 feet west of the southeast corner of lot 305 of "Golf Club Addition" as recorded in Liber 37, Page 1 of Plats, Wayne County Records.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right

to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Empire Petroleum Partners LLC or their assigns, and further

Provided, That the Empire Petroleum Partners LLC or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works — City Engineering Division, and further

Provided, That all costs incurred by privately owned utility companies and/or city

departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Empire Petroleum Partners LLC or their assigns. Should damages to utilities occur Empire Petroleum Partners LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That Empire Petroleum Partners LLC or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Empire Petroleum Partners LLC or their assigns of the terms thereof. Further, Empire Petroleum Partners LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Empire Petroleum Partners LLC, or their assigns; and further

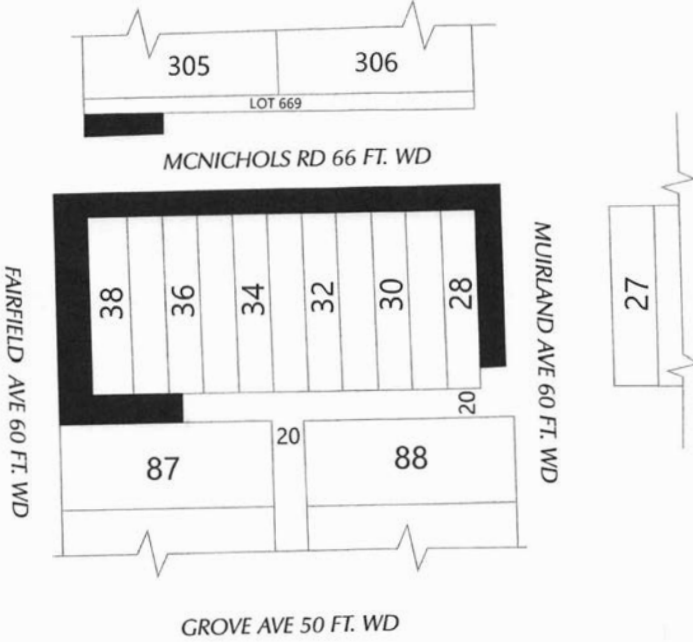

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and Empire Petroleum Partners LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Department of Public Works  
 City Engineering Division**

December 21, 2020

Honorable City Council:

Re: Petition No. 1355 — RDG Rivertown Market LLC, request to encroach into East Jefferson Avenue for the purpose of installing landscaping beds.

Petition No. 1355 — RDG Rivertown Market LLC, request to encroach into East Jefferson Avenue for the purpose of installing landscaping beds.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made as part of the Meijer development project on East Jefferson Avenue.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to RDG Rivertown Market LLC or their assigns to install and maintain encroachment for landscaping beds installed the following location: the north side of East Jefferson Avenue, 120 feet wide, being located in the sidewalk area adjacent to the east 1.74 feet of lot B and lots C and D of "The Re-Subdivision of Mullett Farm" as recorded in Liber 7, Page 43 of Plats, Wayne County Record; also southerly of and adjacent to the vacated portion of Russell Street between East Jefferson Avenue, 120 feet wide, and Larned Street, 120 feet wide; also southerly of and adjacent to lots 40 through 42 of the "Plat of Guoin Farm" as recorded in Liber 11, Page 595 of Plats, Wayne County Record; also southerly of and adjacent to lot 10 of "South Lafayette Park" as recorded in Liber 88, Page 61-4 of Plats, Wayne County Record;

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction per-

formed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by RDG Rivertown Market LLC or their assigns, and further

Provided, That the RDG Rivertown Market LLC or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works — City Engineering Division, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by RDG Rivertown Market LLC or their assigns. Should damages to utilities occur RDG Rivertown Market LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That RDG Rivertown Market LLC or their assigns shall file with the

Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of RDG Rivertown Market LLC or their assigns of the terms thereof. Further, RDG Rivertown Market LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the

encroachments shall be borne by RDG Rivertown Market LLC, or their assigns; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and RDG Rivertown Market LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Department of Public Works  
 City Engineering Division**

December 21, 2020

Honorable City Council:

Re: Petition No. 1356 — Katrina Watkins request to vacate and convert to easement the public alley bounded by McDougall Avenue, Charlevoix Street, Elmwood Avenue, and Hunt Avenue.

Petition No. 1356 — Katrina Watkins

request to vacate and convert to easement the public alley, 20 feet wide, bounded by McDougall Avenue, 80 feet wide, Charlevoix Street, 50 feet wide, Elmwood Avenue, 60 feet wide, and Hunt Avenue, 50 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to remove an inactive alley from the City road network.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the

vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.  
City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, The public alley, 20 feet wide, bounded by McDougall Avenue, 80 feet wide, Charlevoix Street, 50 feet wide, Elmwood Avenue, 60 feet wide, and Hunt Avenue, 50 feet wide, further described as land in the City of Detroit, Wayne County, Michigan being:

1. The north-south public alley, 20 feet wide, lying westerly of and adjacent to lots 62 through 69, and lying easterly of lots 61 and 70 of "Plat of A Sheley's Subdivision" as recorded in Liber 7, Page 39 of Plats, Wayne County Records.

2. The east-west public alley, 20 feet wide, lying northerly of and adjacent to lots 70 through 78 and lying southerly of and adjacent to lots 53 through 61 of "Plat of A Sheley's Subdivision" as recorded in Liber 7, Page 39 of Plats, Wayne County Records.

3. The east-west public alley, 20 feet wide, lying northerly of and adjacent to lots 5 through 7, and lying southerly of and adjacent to lots 8 through 10 of "Plat of A M Campeau's Subdivision" as recorded in Liber 4, Page 96 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-

of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and

over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

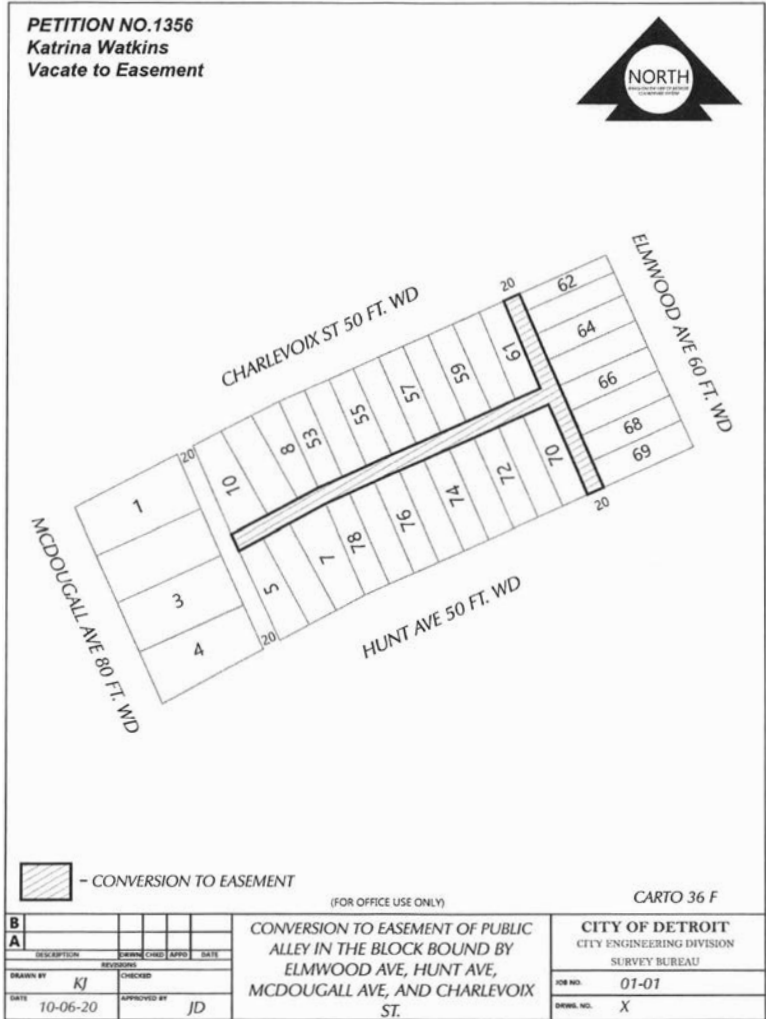

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said

vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Adopted as follows:  
 Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.  
 Nays — None.

**Department of Public Works  
 City Engineering Division**

December 21, 2020

Honorable City Council:  
 Re: Petition No. 1357 — Arthur Rushin request to vacate and convert to easement the public alley bounded by Garfield Avenue, Elmwood Avenue, McDougall Avenue, and Canfield Avenue.  
 Petition No. 1357 — Arthur Rushin

request to vacate and convert to easement the public alley 18 feet wide, bounded by Garfield Avenue, 60 feet wide, Elmwood Avenue, 40 feet wide, McDougall Avenue, 80 feet wide, and Canfield Avenue, 60 feet wide.

The petition was referred to the city Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made to remove an inactive alley from the City road network.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objection to the

vacation and conversion to utility easement provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the vacation and conversion to utility easement of the alley. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, The public alley 18 feet wide, bounded by Garfield Avenue, 60 feet wide, Elmwood Avenue, 40 feet wide, McDougall Avenue, 80 feet wide, and Canfield Avenue, 60 feet wide, further described as land in the City of Detroit, Wayne County, Michigan being: The north-south public alley, 18 feet wide, lying westerly of and adjacent to lot 12, and lying easterly of lots 13 through 17 of "Block 64 of Subdivision of Blocks 48, 61, 62, and 64 McDougall Farm" as recorded in Liber 5, Page 40 of Plats, Wayne County Records.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the

adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and

Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or

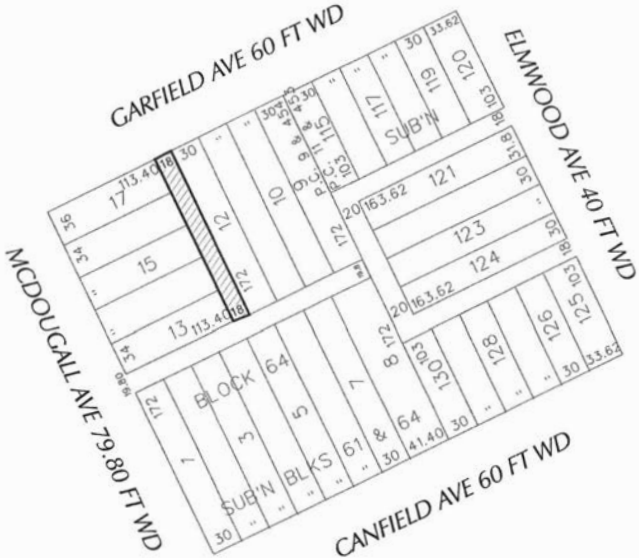

appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved alley returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Nays — None.

**WALK-ONS**

**RESOLUTION  
ESTABLISHING PROCEDURES  
FOR CONDUCTING CLOSED  
SESSIONS ELECTRONICALLY  
IN A VIRTUAL MEETING**

By Detroit City Council:

WHEREAS, As a result of the ongoing COVID-19 pandemic, the City of Detroit's public bodies, including City Council, have been meeting remotely through electronic means, since March 2020, under the authority of the Michigan Open Meetings Act, MCL 15.261 *et seq.*, as amended by Public Acts 228 and 254 of 2020; and

WHEREAS, As amended, the Open Meetings Act (OMA) allows public bodies to hold meetings electronically, under *any circumstances*, retroactive to March 18, 2020, through March 31, 2021 and after that date for a properly declared state of emergency or state of disaster as provided for in MCL 15.263(2); and

WHEREAS, The OMA, at MCL 15.263a. (7), specifically contemplates and provides for circumstances under which members of the public can be excluded for the purpose of conducting a closed session electronically, under circumstances qualifying pursuant to section 8 of the Act (MCL 15.268):

(7) Members of the general public otherwise participating in a meeting of a public body held electronically under this section are to be excluded from participation in a closed session of the public body held electronically during that meeting if the closed session is convened and held in compliance with the requirements of this act applicable to a closed session.

And;

WHEREAS, The Detroit City Council has been meeting remotely through electronic means since the declaration of the public health emergency caused by the COVID-19 virus in March 2020. To accommodate the occasional need to

meet in closed session, the Council has determined that appropriate procedures to ensure the confidentiality of closed meetings be developed and adopted through resolution of the Body. The following provisions, therefore, are adopted as guidance for conducting remote closed sessions. NOW, THEREFORE, BE IT

RESOLVED, The Detroit City Council adopts the following procedures for use when closed sessions are held remotely through electronic means:

1) Notice of a meeting of a public body held electronically must clearly explain why the public body is meeting electronically.

2) Members of the general public otherwise participating in a meeting of a public body held electronically under this section are to be excluded from participation in a closed session of the public body held electronically during that meeting if the closed session is convened and held in compliance with the requirements of this act applicable to a closed session.

3) Closed sessions will be scheduled independently of public sessions to prevent inadvertent recording. Electronic "invitations" to attend the closed session will be issued to individual participants.

4) Participation in a virtual closed session shall be limited to Council Members, essential participants/witnesses, one designated staff member per Council office, and limited departmental staff (Law, Legislative Policy Division, etc.).

5) Department of Innovation and Technology (DoIT) staff will be requested to assist with user identification, security, including, end-to-end encryption, providing a link to closed session participants, assisting with authentication protocols, moderating process to guard against cloud recording, live streaming, disabling of transcripts and the electronic signing of confidentiality agreements.

6) All public servants (including Council Members, staff, and other participants defined as public servants under the Charter of the City of Detroit) participating in a virtual closed session shall faithfully identify themselves and shall electronically sign the *Public Servant's Acknowledgment of Obligation to Maintain Strict Confidentiality for Closed Sessions of Detroit City Council* (as drafted by the Law Department and attached to this Resolution), specifically acknowledging the City Charter's prohibition on use or disclosure of confidential information and the potential penalties for violation.

7) Participants shall attend the closed session from a secure, private room, with no unauthorized individuals in proximity, and ideally, using a headset to avoid the session being overheard.

8) Consistent with the rules governing in-person closed sessions, participants shall not use electronic recording devices, cell phones, etc., to record or communi-

cate with others during the closed session. AND, BE IT FURTHER

RESOLVED, The procedures outlined in this resolution supersede the requirement of City Council's *Rules of Order*, at section 12.4, which states "Council Members are expected to be present at all Closed Sessions," when remote meetings are otherwise indicated; AND BE IT FINALLY

RESOLVED, The Detroit City Clerk is directed to send this resolution to Mayor Mike Duggan and publicly and electronically post and distribute copies of this resolution widely.

Adopted as follows:

Yeas — Council Members Benson, Castaneda-Lopez, Leland, Sheffield and Tate — 5.

Nays — Council Members Ayers, McCalister, Jr., Spivey and President Jones — 4.

**RESOLUTION REAPPOINTMENT TO THE DETROIT-WAYNE JOINT BUILDING AUTHORITY**

January 12, 2021

By Council Member McCalister, Jr.:

RESOLVED, The Detroit City Council hereby reappoints Sharon Madison to the Detroit-Wayne Joint Building Authority for a term beginning immediately and ending on December 31, 2024.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 14), per motions before adjournment.

**RESOLUTION STRONGLY CONDEMNING THE RECENT ACTS OF VIOLENCE, RIOTING, AND LOOTING AT THE UNITED STATES CAPITOL**

By Council Members Leland and Tate:

WHEREAS, In the months leading up to the 2020 presidential election, without any supporting facts, President Donald J. Trump stated that the only way he'd lose the reelection campaign, would be if the election was stolen in the electoral process. Upon losing the election, President Trump, his legal team and congressional allies challenged the presidential election results with more than 60 court cases. Many of the cases, focused on the presidential results of six states — Arizona, Georgia, Michigan, Pennsylvania, Nevada, and Wisconsin were presided over by conservative judges that Trump himself appointed, including three of the Supreme Court Justices appointed by Trump. In addition, the former United States Attorney General William Barr, launched an investigation into the validity of the presidential election. Based on the report from Attorney General Barr, it was determined

that the United States held free and fair elections without undue influence; and

WHEREAS, In each court case and investigation into the 2020 presidential election, every fact finder indicated that there was no evidence of any malfeasance or fraud, therefore, validating the election of Joseph R. Biden to the office of President of the United States; and

WHEREAS, President Trump broke from tradition and refused to concede the election compromising the integrity of our election process and the peaceful transition of power. On January 6, 2021, President Trump held a "Save America Rally" in the National Mall, one hour prior to the Joint Session of Congress in an effort to further undermine the electoral vote process. During the rally, President Trump stated, "[n]ow it is up to Congress to confront this egregious assault on our democracy. And after this, we're going to walk down and I'll be there with you... because you'll never take back our country with weakness. You have to show strength and you have to be strong.... And we fight. We fight like Hell and if you don't fight like Hell, you're not going to have a country anymore;" and

WHEREAS, Under the leadership of Vice President Michael R. Pence, the Joint Session of Congress met to certify the Electoral College votes. After the acceptance of the electoral votes from Alabama and Alaska, U.S. House of Representative Paul Gosar (R-AZ) and Senator Ted Cruz (R-TX) objected to the acceptance of Arizona's electoral votes — forcing the bifurcation of the House and Senate to deliberate the legitimacy of the objection. At the conclusion of the Save America Rally, an angry mob of seditionists — armed with guns, Confederate flags, zip ties, napalm, Molotov cocktails and other contraband — stormed and desecrated the United States Capitol in an effort to disrupt the certification process; and

WHEREAS, The global community watched in horror as the United States Capitol — a symbol of the longest standing democracy in modern time — was under siege for more than three hours. World leaders from the North Atlantic Treaty Organization (NATO), Germany, the United Kingdom, Turkey, Israel, Colombia and others strongly condemned the attacks. In stark contrast to the condemnation, President Trump praised his supporters and their failed coup d'etat, professed his love for them and proclaimed that he understood their pain; and

WHEREAS, The actions of these insurrectionists ultimately led to the death of five Americans including Capitol Police Officer Brian D. Sicknick who died in the line of duty and briefly blocked the vote to confirm President-Elect Joe Biden, while defiling the Capitol building by smashing

windows, overturning and damaging furniture and threatening the lives of members of congress, temporarily shutting down government buildings and waving the flag of the Confederacy inside the Capitol - a symbol of hate and treason on U.S. soil — for the first time in history; and

WHEREAS, These violent acts were met with considerably less police aggression than this past summer's peaceful protests focused on justice for African-American victims of police misconduct; and

WHEREAS, Peaceful protests are protected by the Constitution of the United States through an individual's First Amendment rights of freedom of speech, peaceful assembly, and petitioning the Government concerning grievances. However, violent acts of aggression are not protected as free speech under *Brandenburg vs. Ohio* 395 U.S. 444. They have no place in American democracy and must be strongly condemned; and

WHEREAS, After the failed insurrection, Congress reconvened to continue the certification of the electoral votes. Both the Senate and the House of Representatives rejected the objection to Arizona's electoral votes 93-6 and 303-121 respectively. After a second objection to Pennsylvania's electoral votes by Senator Josh Hawley (R-MO) and Representative Scott Perry (R-PA), the Senate and the House of Representatives rejected the objection by 92-7 and 282-138. Representatives Jack Bergman, Lisa McClain and Tim Walberg from Michigan supported the rejection of electoral votes from Arizona and Pennsylvania; and

WHEREAS, Continuation of our democracy is based on the principles of right to self-governance as stated in the Preamble of the United States Constitution and the peaceful transition of power. Since the presidential election of 1800 between John Adams and Thomas Jefferson, the loser of a presidential election has willingly and peacefully supported the transfer of power the incoming president — even during the contentious elections of 1876 (one hundred years after the founding of this great nation) and 2000 which required intervention by the Supreme Court of the United States. The bedlam that occurred in our Nation's capital on January 6, 2021 will go down in the annals as a dark day in our history. Let the events that occurred serve as a reminder that democracy is fragile, no individual is above the Constitution, safe and civil dialogue on issues is of great importance to our nation and that we are stronger united; NOW, THEREFORE, BE IT RESOLVED, That This Honorable Body —

(1) Strongly condemns the actions of the individuals who participated in the failed violent insurrection on the U.S. Capitol Building last week, which has so

far has resulted in the deaths of 5 individuals, including one member of law enforcement and demand that there is a thorough investigation. This activity should serve as a warning as to prevent any similar activity that might occur on January 20, 2021, at the inauguration of President-elect Biden;

(2) Strongly rebukes the members of Congress who voted to block the certification of the Electoral College votes that confirmed President-Elect Joe Biden in the Nov. 3. Presidential election with false claims of election fraud, despite knowing that their objections were false and directly led to the violent, and unprecedented insurrection activity that they had experienced only hours before; thereby bringing worldwide shame on our nation as a beacon for democracy. Therefore, the Council demands the immediate resignations of the aforementioned members of congress;

(3) Strongly rebukes in particular the U.S. House of Representatives from the state of Michigan that supported the failed effort to block the certification and demands the immediate resignations of Jack Bergman, Lisa McClain and Tim Walberg, given that their actions were a treasonous assault on our American democracy;

(4) Strongly support the request the U.S. House of Representatives' soon to be introduced resolution calling on Vice President Pence to immediately exercise his powers under section 4 of the 25th Amendment to remove Donald Trump from the Office of President over his incitement of the rioters responsible for the U.S. Capitol Building assault;

(5) Support of the article of impeachment against President Trump charging him with "inciting violence against the government of the United States" as introduced by the United States House of Representatives;

(6) Recognizes peaceful protests are protected by the constitution, however, violent protests are not;

(7) Recognizes President-Elect Joe Biden won the 2020 election fairly;

(8) Recognizes that the acts of these rioters as treasonous and unlawful and must be punished pursuant to our rule of law;

BE IT FURTHER

RESOLVED, That a copy of the final resolution is to be submitted to Michigan's members of the United State Senate and Michigan's members of the United States House of Representatives and Squire Patton Boggs, the federal lobbyists for the City of Detroit.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 15), per motions before adjournment.

**CONSENT AGENDA**

**MEMBER REPORTS:**

There was a Motion to Suspend Member Reports, but Council Member Leland objected, and the following announcements were made:

- Next Evening Community Meeting will be held on Tuesday, January 19, 2021
- Committee of the Whole Meeting today at 2 p.m. on the Community Benefits Ordinance

**ADOPTION WITHOUT COMMITTEE REFERENCE**

NONE.

**COMMUNICATIONS FROM THE CLERK**

January 12, 2021

This is to report for the record that, in accordance with the City Charter, the portion of the proceedings of November 24, 2020, on which reconsideration was waived, was presented to his Honor, the

Mayor, for approval on November 25, 2020, and same was approved on December 2, 2020.

Also, that the balance of the proceedings of November 24, 2020 was presented to his Honor, the Mayor, on November 30, 2020, and same was approved on December 7, 2020.

Place on file.

**TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE**

NONE.

And the Council then adjourned.

BRENDA JONES  
President

JANICE M. WINFREY  
City Clerk

(All resolutions and/or ordinances except Resolutions of Testimonial or In Memoriam, are generally in the name of the Council Member who was chairperson of the day of the City Council Meeting on which the resolution was introduced.)

# CITY COUNCIL

(REGULAR SESSION)

(All action of the City Council appearing herein is subject to reconsideration and/or approval of the Mayor.)

Detroit, Tuesday, January 19, 2021

Pursuant to adjournment, the City Council met at 10:00 A.M., and was called to order by President Jones.

Present — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Sheffield, Spivey, Tate and President Jones — 9.

There being a quorum present, the City Council was declared to be in session.

**Invocation Given By:**  
**Rev. Dr. Robyn Diane Moore, Pastor**  
**First Baptist Institutional**  
**Baptist Church**  
**17101 W. Seven Mile Road**  
**Detroit, Michigan 48235**

The Journal of the Session of January 5, 2021 was approved.

### RECONSIDERATIONS

NONE.

### UNFINISHED BUSINESS

NONE.

### PRESIDENT'S REPORT ON STANDING COMMITTEE REFERRALS AND OTHER MATTERS

#### BUDGET, FINANCE AND AUDIT STANDING COMMITTEE

By ALL COUNCIL MEMBERS:  
THE FOLLOWING ITEM(S) ARE TO BE REFERRED TO THE BUDGET, FINANCE AND AUDIT STANDING COMMITTEE:  
**OFFICE OF THE AUDITOR GENERAL**

1. Submitting Interim Report on Compliance Fee Dollars Financial Operations. (This report contains our audit purpose, scope, objectives, approach and methodology, and conclusions; background; our audit findings and recommendations; and the responses from the Civil Rights, Inclusion, and Opportunity Department, the Office of the Chief Financial Officer's Office of the Controller, Office of the Treasury, and the Office of Departmental Financial Services Divisions.)

#### OFFICE OF THE CHIEF FINANCIAL OFFICER/OFFICE OF BUDGET

2. Submitting reso. autho. To Amend the FY 2021 Budget to Make Technical Adjustments to the 36th District Court Budget. (During the development of the FY2021-FY2024 Four Year Financial

Plan, adjustments were needed as a result of the Coronavirus Disease (COVID-19) public health emergency. These adjustments, approved via the Errata Letter, included revenue and expenditure changes to maintain a balanced budget. Expenditure adjustments included estimates of personnel savings.)

#### CITY PLANNING COMMISSION

3. Submitting report relative to Proposed Capital Agenda FY 2021-22 through 2025-26. (On November 1, 2021 the Proposed Capital Agenda FY 2021-22 through FY 2025-26 was submitted by the Budget Department consistent with Article 8, Chapter 2 of the City Charter (attached). The Legislative Policy Division and the staff of the City Planning Commission have been in review of the document since that time and LPD has submitted an initial report providing preliminary analysis of the document. Despite the general appearance of the document it is not a budget, but rather a plan for capital improvements. The CPC will take the matter up at its Thursday, January 21st meeting and is expected to produce recommendations at that time.)

#### MISCELLANEOUS

4. **Council President Brenda Jones** Council President Brenda Jones submitting memorandum relative to the first package of Proposal N Contracts – Round 1.

5. **Council President Brenda Jones** submitting memorandum relative to how the Civil Rights, Inclusion and Opportunity Department defines adequate employees and adequate equipment when deciding certifications for Detroit Based Businesses and Detroit Headquartered Businesses.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

#### INTERNAL OPERATIONS STANDING COMMITTEE

By ALL COUNCIL MEMBERS:  
THE FOLLOWING ITEM(S) ARE TO BE REFERRED TO THE INTERNAL OPERATIONS STANDING COMMITTEE:

#### OFFICE OF CONTRACTING AND PROCUREMENT

**STANDING COMMITTEE REPORTS**

**BUDGET, FINANCE AND AUDIT  
 STANDING COMMITTEE  
 Office of the Chief Financial Officer  
 Office of Budget**

January 15, 2021

Honorable City Council:

Re: (REVISED) Request to authorize emergency actions and appropriations to administer Coronavirus Disease 2019 (COVID-19) vaccines.

The Office of the Chief Financial Officer requests your Honorable Body to amend the Fiscal Year 2020-2021 Budget by authorizing the following emergency actions to administer COVID-19 vaccines:

1. Establish Appropriation No. 20787 and transfer all or part of any unencumbered appropriation balance among the programs, services or activities of any agency to Appropriation No. 20787.
2. File, on behalf of the City, an application, supplement, or amendment for a federal, state or other grant to be used, in whole or in part, to fund any City programs, services or activities.
3. Accept and appropriate, on behalf of the City, a federal, state or other grant award to be used, in whole or in part, to fund any City programs, services or activities.
4. Reprogram funds from grants, subject to grantor restrictions, including establish any appropriation required to effectuate the reprogramming.

The Chief Financial Officer, or other person who the Chief Financial Officer authorizes, shall, within one month of any of the above actions, notify the City council in writing of such action. We respectfully request your authorization with a Waiver of Reconsideration.

Sincerely,

TANYA STOUDEMIRE

Deputy CFO/Budget Director

By Council Members Ayers:

Whereas, The Office of the Chief Financial Officer requests your Honorable Body to amend the Fiscal Year 2020-2021 Budget for the purpose of authorizing emer-

gency actions and appropriations to administer Coronavirus Disease 2019 (COVID-19) vaccines

Be It Therefore

Resolved, That notwithstanding any provisions of Chapter 17 of the 2019 Detroit City Code to the contrary, the Chief Financial Officer, without prior approval of the City Council, may execute, or authorize others to execute, the following emergency actions to administer COVID-19 vaccines:

1. Establish Appropriation No. 20787 and transfer all or part of any unencumbered appropriation balance among the programs, services or activities of any agency to Appropriation No. 20787.
2. File, on behalf of the City, an application, supplement, or amendment for a federal, state or other grant to be used, in whole or in part, to fund any City programs, services or activities.
3. Accept and appropriate, on behalf of the City, a federal, state or other grant award to be used, in whole or in part, to fund any City programs, services or activities.
4. Reprogram funds from grants, subject to grantor restrictions, including establish any appropriation required to effectuate such reprogramming.

The Chief Financial Officer, or other person who the Chief Financial Officer authorizes, shall, within one month of any of the above actions, notify the City council in writing of such action, Be It Further

Resolved, That the City Council grants this authority during the declared state of emergency and may rescind this authority at any time, Be It Further

Resolved, That the City Council requires this resolution be authorized for renewal on a monthly basis, And Be It Further

Resolved, That the Chief Financial Officer or designee be and is hereby authorized to increase the necessary accounts and honor vouchers in accordance with the foregoing communication and regulations of the City of Detroit.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 1), per motions before adjournment.

**Law Department**

December 9, 2020

Honorable City Council:

Re: D'Marco Craft and Michael Jackson vs. City of Detroit, et al. Case No. 2:17-cv-12752. File No.: L17-00608 (GBP).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum attached hereto. From this review, it is our considered opinion that a settlement in the amount of One Hundred and Fifty-Five Thousand Dollars and Zero Cents (\$155,000.00) is in the best interest of City of Detroit.

We, therefore, request authorization to settle this matter in the amount of One Hundred and Fifty-Five Thousand Dollars and Zero Cents (\$155,000.00) and that you direct the Finance Director to issue a draft in that amount payable to D'Marco Craft and Michaele Jackson and Excolo Law, PLLC his attorneys, to be delivered upon receipt of an Order of Dismissal entered in Lawsuit No.: 2:17-cv-12752, approved by the Law Department.

Very truly yours,  
GREGORY B. PADDISON  
Senior Assistant  
Corporation Counsel

Approved:  
LAWRENCE GARCIA  
Corporation Counsel  
By: JERRY ASHFORD  
Director of Litigation

By Council Member McCalister, Jr.:

Resolved, That settlement of the above matter be and is hereby authorized in the amount of One Hundred and Fifty-Five Thousand Dollars and Zero Cents (\$155,000.00); and be it further

Resolved, That the Finance Director be and is hereby authorized and directed to draw a warrant upon the proper account in favor of D'Marco Craft, Michaele Jackson, and their attorneys, Excolo Law PLLC, in the amount of One Hundred Fifty-Five Thousand Dollars and Zero Cents (\$155,000.00) in full payment for any and all claims which D'Marco Craft and/or Michaele Jackson may have against Defendants, City of Detroit, Michael Bailey, Glenn Bines, Naim Brown, Randall Craig, Antoine Hill, Yossif Mana, David Mays, Bryan Moore, and Hakeem Patterson, by reason of the Constitutional Violations alleged to have occurred on or about May 31, 2017, and that said amount be paid upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No.: 2:17-cv-12752, approved by the Law Department.

Honorable City Council:

Re: Ileshia Crossly, as Personal Representative of the Estate of Darwin Smith, Deceased vs. City of Detroit.  
Case No: 18-014471-NF. File No: L18-00713 TO.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Thirty Thousand Dollars and No Cents (\$30,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Thirty Thousand Dollars and No Cents (\$30,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Ileshia Crossly, Personal Representative of the Estate of Darwin L. Smith and her attorney, Dobreff and Dobreff, P.C. to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 18-014471-NF, approved by the Law Department.

Honorable City Council:

Re: LaClair vs. City of Detroit and DLBA. Wayne County Circuit Court No. 20-001145-CB. City Law File No. L20-00092. Attorneys Mike Auten and Charles Raimi.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of \$40,000.00 paid by plaintiff to the City of Detroit contingent on certain conditions is in the best interest of the City of Detroit.

This payment is to be made by Plaintiff to the City of Detroit contingent on certain conditions being satisfied.

Respectfully submitted,  
CHARLES N. RAIMI

Deputy Corporation Counsel

Approved:

CHARLES N. RAIMI  
Deputy Corporation Counsel  
By Council Member McCalister, Jr.:

Resolved, That settlement of the above matter be and is hereby authorized and approved, whereby the City of Detroit shall receive, upon satisfaction of the settlement conditions, payment from the Plaintiff in the amount of \$40,000.00. In the event the settlement conditions are not satisfied, the law department shall continue to pursue the pending appeal.

Honorable City Council:

Re: Robert Griggs vs. City of Detroit, *et al.* Case No.: 19-009834-NI File No.: L19-00526 (GBP).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Forty Six Thousand Five Hundred Dollars and Zero Cents (\$46,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Forty Six Thousand Five Hundred Dollars and Zero Cents (\$46,500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Robert Griggs, and his attorneys, Chris Trainor and Associates, to be delivered upon receipt of properly/executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No.: 19-009834-NI, approved by the Law Department.

Respectfully submitted,

November 9, 2020

Honorable City Council:

Re: Staples, Walter, *et al.* vs. City of Detroit consolidated with Synergy Spine and Orthopedic Surgery Center, LLC (Walter Staples) vs. City of Detroit. Case No: 18-014049-NF consolidated with 18-007212-NI. File No(s): L18-00669 and L18-00421.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of One Hundred Twelve Thousand Five Hundred Dollars and No Cents (\$112,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of One Hundred Twelve Thousand Five Hundred Dollars and No Cents (\$112,500.00) and that your Honorable Body direct the Finance Director to issue three (3) drafts payable as follows: (1) a draft in the amount of Eighty-Five Thousand Dollars No Cents (\$85,000.00) payable to Walter Staples and his attorney, Romano Law PLLC, (2) a draft in the amount of Twenty-Four Thousand Dollars and No Cents (\$24,000.00) payable to Plaintiff Synergy Spine and Orthopedic Surgery Center,

LLC and its attorney Kelman & Fantich, and (3) a draft in the amount of Three Thousand Five Hundred Dollars and No Cents (\$3,500.00) payable to Intervening Plaintiffs Michigan CRNAS Staffing, LLC and Detroit Anesthesia Group, PLLC and their attorney Bashore Green Law Group to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuits No. 18-014049-NF and 18-007212-NI, approved by the Law Department.

December 17, 2020

Honorable City Council:

Re: Natasha Steele vs. City of Detroit, Municipal Parking Department. File #: 14985 (PSB).

On November 24, 2020, your Honorable Body adopted a resolution authorizing payment of \$35,000.00 to settle the workers compensation claim of Natasha Steele. However, after factoring the City of Detroit's right to assert a lien in a third party lawsuit stemming from the slip and fall accident which gave rise to Natasha Steel's workers compensation claim, the Law Department reduced the value of the settlement to \$24,900.00.

We, therefore, request that your Honorable Body rescind the resolution of November 24, 2020 and request authorization to settle this workers compensation claim for the amount of Twenty-Four Thousand Nine Hundred Dollars (\$24,900.00), and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to Natasha Steele and her attorney, Marc W. Mulder, to be delivered

upon receipt of properly executed releases and order of dismissal in Workers Compensation Claim #14985, approved by the Law Department.

December 14, 2020

Honorable City Council:  
Re: Authorization to submit a grant application to the Michigan Department of Environment, Great Lakes, and Energy (EGLE) for the FY 2022 Michigan Coastal Management Grant.

The General Services Department is hereby requesting authorization from Detroit City Council to submit a grant application to the Michigan Department of Environment, Great Lakes, and Energy (EGLE) for the FY 2022 Michigan Coastal Management Grant. The amount being sought is \$200,000.00. The State share is 50 percent or \$200,000.00 of the requested amount and there is a required cash match of 50 percent or \$200,000.00. The total project cost is \$400,000.00.

The FY 2022 Michigan Coastal Management Grant will enable the department to:

- Install a walking loop, a buffer and interpretive signs in the area containing a Native American burial mound at Fort Wayne
- Create a designated area within the Fort Wayne Parade Grounds to honor the Native American history of the site

If the application is approved, a cash match will be provided from appropriation 21002.

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,  
TERRI DANIELS  
Director of Grants  
Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

By Council Members Sheffield:  
Whereas, The General Services Department has requested authorization from City Council to submit a grant application to the Michigan Department of Environment, Great Lakes, and Energy (EGLE), for the FY 2022 Michigan Coastal Management Grant, in the amount of \$200,000.00, to install a walking loop, a buffer and interpretive signs in the area containing a Native American burial mound; and  
Whereas, The General Services Department has \$200,000.00 available in its Departmental allocation in appropriation 21002, for the City match requirement for the FY 2022 Michigan Coastal Management Grant; and

Whereas, This request has been approved by the Office of Budget; now Therefore, Be It

Resolved, The General Services Department is hereby authorized to submit a grant application to the Michigan Department of Environment, Great Lakes, and Energy (EGLE) for the FY 2022 Michigan Coastal Management Grant.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 16), per motions before adjournment.

**Office of the Chief Financial Officer  
Office of Development and Grants**

December 22, 2020

Honorable City Council:

Re: Authorization to submit a grant application to the Community Foundation for Southeast Michigan for the Wilson Legacy Fund – Design and Access Grant.

The General Services Department is hereby requesting authorization from Detroit City Council to submit a grant application to the Community Foundation for Southeast Michigan for the Wilson Legacy Fund – Design and Access Grant. The amount being sought is \$50,000.00. There is no match requirement. The total project cost is \$50,000.00.

The Wilson Legacy Fund – Design and Access Grant will enable the department to:

- Engage residents in designing and developing signage narratives for the section of the Joe Louis Greenway between Warren Ave. and West Chicago Blvd.
- Promote a sense of community pride and ownership of the Joe Louis Greenway

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,  
TERRI DANIELS  
Director of Grants

Office of Development and Grants  
By Council Members Sheffield:

Whereas, The General Services Department has requested authorization from City Council to submit a grant application to the Community Foundation for Southeast Michigan, for the Wilson Legacy Fund – Design and Access Grant, in the amount of \$50,000.00, to engage residents in designing and developing signage narratives for the section of the Joe Louis Greenway between Warren Ave. and West Chicago Blvd.; now

Therefore, Be It

Resolved, The General Services Department is hereby authorized to submit a grant application to the Community

Foundation for Southeast Michigan for the Wilson Legacy Fund – Design and Access Grant.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 17), per motions before adjournment.

### **City Planning Commission**

November 18, 2020

Honorable City Council;

Re: Request of the City Planning Commission to rezone several blocks on Zoning Map Nos. 41, 42, and 43 in the area bounded by the rail corridor on the north, I-75/Fisher Freeway Service Drive on the east, Toledo/Ruskin Avenues on the south, and Livernois Avenue on the west, as well as Clark Park. (RECOMMEND APPROVAL)

The City Planning Commission (CPC) is requesting to rezone several blocks in the area bounded by the rail corridor on the north, I-75/Fisher Freeway Service Drive on the east, Toledo and Ruskin Avenues on the south, and Livernois Avenue on the west, as well as, Clark Park. The change in zoning is being requested in order to make the area's zoning more consistent with the City's Master Plan of Policies, to limit the influence of intensive industrial uses on adjacent residential uses, and to allow for mixed use residential/commercial development. Please see the attached public hearing notice which includes maps of the original request.

#### **Background and Request**

For over the past year, CPC, Planning and Development Department (P&DD), and the office of District Six Council Member Castaneda-Lopez have studied overall zoning patterns in southwest Detroit. Some of the goals of this research have been to encourage more livable healthy neighborhoods, to create density along commercial corridors, to reduce conflicts between residential and industrial land

use, and to add mixed-use commercial options at traditionally industrial sites.

The City Planning Commission held a public hearing on July 23, 2020. The original request from the July 23rd public hearing included the following:

- Rezone land adjacent to the rail corridor between the I-75 and Livernois Avenue from M4 (Intensive Industrial) to M1 (Limited Industrial);
- Rezone several blocks between the rail corridor and Toledo Avenue, that are developed with single-family housing, from M4 to R2 (Two-Family Residential);
- Rezone land near the intersection of the rail corridor and West Grand Boulevard from a M4 to SD2 (Special Development, Mixed-Use);
- Rezone land at the intersection of Toledo and Hubbard Avenues from a M4 to SD1 (Special Development Small Scale – Mixed Use);
- Rezone land at the intersection of Livernois Avenue and the rail corridor, and Junction and McGregor Avenues from M4 to B4 (General Business); and
- Rezone Clark Park from R2 to PR (Parks and Recreation).

#### **Public Hearing Results**

As noted earlier, on July 23, 2020, the City Planning Commission held a public hearing. At the hearing, it was noted that one letter of support from Southwest Solutions was submitted. Three persons spoke in support of the proposed rezoning and six persons spoke in opposition. The Commission had several comments regarding the proposal. Please see the attached summary of the comments made by the CPC and the public.

#### **Public Hearing Follow-up**

After the July 23rd hearing, the CPC office received two additional letters of support, one from the Hubbard Farms community group, and one from area resident, Vic Abl.

Following the public hearing, Council Member Castaneda-Lopez hosted a community zoom meeting entitled "Rezoning in 48209" on August 19, 2020 to discuss rezoning efforts in the community, including the subject proposal. CPC staff participated and invited the affected property owners who spoke at July 23rd public hearing to participate as well.

In addition, the office of Council Member Castaneda-Lopez invited several of the public hearing speakers to participate in one-on-one zoom meetings to continue discussing the proposed rezoning changes. Due to schedule conflicts, a meeting was not held with legal staff representing Crown Enterprises, UST Properties and the Detroit International Bridge Company (DIBC). The following summarizes some of the comments at these meetings, many of which are similar to the public hearing comments:

- Nicholas Bashan (representing

Boulevard and Trumbull Towing) stated that Boulevard and Trumbull Towing would like the M4 to remain. He said Boulevard and Trumbull Towing bought the land in 1999 and has kept the area well maintained, and that the company is exploring other industrial uses, including outdoor storage of equipment. Mr. Bashan stated that changing the zoning south of their property to residential would make it harder for them to redevelop their land. He also noted the major problem in the area of low viaduct heights resulting in trucks being only able to pass under Junction and Clark Streets. Viaducts on Scotten, Vinewood, and West Grand are too low.

- Gina Marotta and Angelo Brown (residents of the townhouses at Hubbard and Toledo) stated they both prefer to rezone the townhouses to residential to help protect the character of the properties. They also talked about applying for historic designation for the building to help protect the building character.

- Isabelle Bradbury (owner and landlord of several townhouses at Hubbard and Toledo) owns eight of the ten townhouse units. Six of the eight currently have tenants. Initially Ms. Bradbury favored keeping M4, because it gave her even more flexibility to redevelop the property with commercial uses. She would like to add commercial uses to the townhouses in order to keep the residential units affordable.

- Keith Rodgeron (of the 25th Street Block Club) is concerned about what uses the proposed SD2 at the northeast corner of West Grand Boulevard and Toledo might bring. Ideally, he would like a planning charrette for the area. He asked if SD2 would allow trailer storage.

#### **CPC October 1, 2020 Review**

At its meeting on October 1, 2020, the CPC brought the subject request back for consideration. During the discussion, the following three issues were summarized and discussed as remaining areas of opposition/concern:

- At the northwest corner of Hubbard and Toledo Avenues, an owner of eight of the ten units favored keeping the M4 zoning or SD2 at a minimum in order to add commercial uses, while owners of two of the ten units preferred an R3 (Low Density Residential District) zoning classification to keep out commercial uses and allow only townhouses;

- Owners of Boulevard and Trumbull Towing and the Crown Enterprise/UST Properties/DIBC properties favored keeping the M4 zoning rather than M1, maintaining M1 would prohibit potential uses they might wish to explore; and

- At the northeast corner of West Grand and Toledo Avenues, owners Crown Enterprise/UST Properties/DIBC favored M4 rather than SD2 and representatives

of the 25th Street Block favored R5 (Medium Density Residential District) rather than the proposed SD2.

As part of its review, CPC staff had recommended approval of the request as presented at the public hearing, except that all M4 industrial land be rezoned to M2 rather than M1. The Planning Commission discussed and debated the various issues and voted 6-1 in favor of the request, as presented at the public hearing, with the following three changes:

1. Land at the northwest corner of Hubbard and Toledo Avenues be rezoned from M4 to R3 – not SD1;

2. Land at the northeast corner of West Grand Blvd. and Toledo Avenue be rezoned from M4 to R5 – not SD2; and

3. That industrial land be rezoned from M4 to M1 as originally presented at the public hearing. This was done because the public notice for the rezoning limited the CPC to zoning designations in this instance that were no more intense than the advertised M1, despite the Commission's desire to go with M2.

#### **Analysis**

##### ***Surrounding Zoning and Land Use***

The zoning classification and land uses surrounding the subject area are as follows:

North: M4; the area north of the rail corridor is primarily developed with industrial uses

East: SD2; the area to the east, across I-75, is primarily vacant and recently rezoned to SD2

South: R2; developed primarily with residential housing

West: M4; the area west of the rail corridor and Livernois Ave. is developed with industrial uses

The area around Clark Park is presently zoned R2, R5 (Medium Density Residential), or B4 and developed with a mix of housing, apartments, commercial uses, and schools.

##### ***Proposed Rezoning District Changes***

The rezonings, would involve the following:

###### **1. M4 to M1**

The M4 zoning classification allows intensive industrial uses and is supposed to rarely if ever be located adjacent to residential districts. The M1 zoning classification is designed for a wide range of industrial and related uses which can function with a minimum of undesirable effects – industrial establishments of this type provide a buffer between residential districts and intensive industrial districts.

###### **2. M4 to R2**

Several blocks within the subject area, although they have been developed with residential housing for decades, are zoned M4. Within M4, new residences are prohibited with the exception of loft conversions of existing buildings and of residential uses combined in structures with permitted commercial uses. The R2 dis-

tract is designed to protect and enhance those areas developed or likely to develop with single- or two-family dwellings.

3. **M4 to B4, SD2, SD1, R5 or R3**

Several of the blocks, although zoned M4 and many of which are vacant, may be more conducive to commercial or mixed-use commercial. These are located primarily on north/south commercial corridors, such as Livernois Avenue, Junction Avenue, Hubbard Avenue, and West Grand Boulevard. The SD2 zoning classification is designed to encourage a complementary mixture of more intensive pedestrian and transit-oriented uses that may be compatible with a neighborhood center or with a location along major or secondary thoroughfares including some light industrial uses. The SD1 district is designed to encourage a complementary mixture of small-scale, pedestrian- and transit-oriented uses that are compatible in a neighborhood setting. R5 is designed for a range of residential uses from single-family to medium-density multi-family dwellings. R3 is designed as a low-density multi-family district.

***Master Plan Consistency***

The subject rezoning is located in Master Plan Neighborhood Cluster 5 within two areas: Vernor/Junction and Hubbard Richard. Most of the Master Plan calls for: Light Industrial along the rail corridor,

Low/Medium Density Residential in the residential areas, Mixed Town Center along Livernois Avenue, Medium Density Residential along West Grand Boulevard, and Recreation for Clark Park. The Master Plan maps for these areas are shown below. P&DD submitted a memo dated July 22, 2020 with the following conclusion:

“Much of the proposed zoning of the subject blocks conforms directly to the Master Plan’s Future General Land Use-classification, rezoning to M1 (Limited Industrial) in areas designated as Light Industrial and R2 (Two-Family Residential) in areas designated as Low/Medium Density Residential. Clark Park is proposed to be rezoned to PR (Parks and Recreation), which is consistent with the PRC designation. Some blocks on the edges of the RLM and RM areas, along major streets, are being rezoned to commercial districts. Of course, the Future Land Use map does not address small-scale situations less than 10 acres, the specific characteristics of residential development, or the specific types of commercial and other nonresidential uses. A one-to-one correspondence between designations on the map and zoning is not contemplated, so we therefore find that the proposed rezoning is consistent with the Master Plan.”

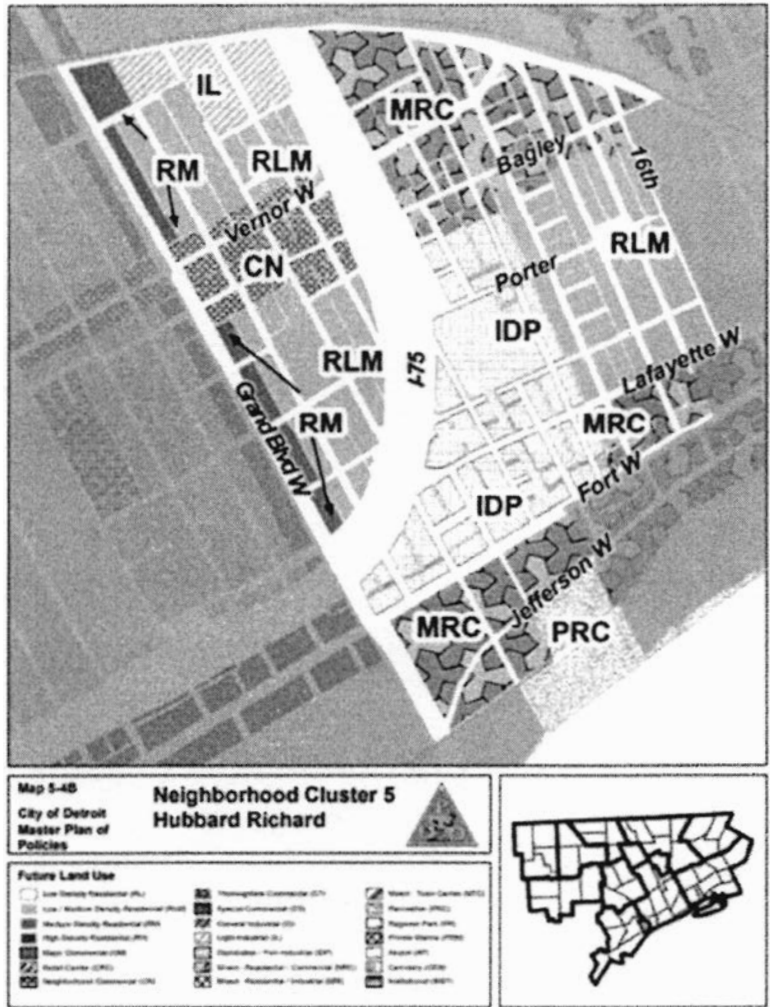

**Map 5-6B**  
**City of Detroit**  
**Master Plan of**  
**Policies**

**Neighborhood Cluster 5**  
**Verner / Junction**

**Future Land Use**

Low Density Residential (LR)	Throughway Commercial (TC)	Water - Open Space (OS)
Low-Medium Density Residential (LM)	Special Commercial (SC)	Recreation (RC)
Medium Density Residential (MR)	Neighborhood Office (NO)	Regional Park (RP)
High Density Residential (HR)	Light Industrial (LI)	Private Marina (PM)
Major Commercial (MC)	Distribution - Plan (Distributing) (DP)	Major (M)
Power Center (PC)	Water - Aquatic/Recreation Commercial (ARC)	Sanitary (ST)
Neighborhood Commercial (NC)	Water - Residential - Industrial (WR)	Institutional (IN)

In particular, for the townhouse project at the northwest corner of Hubbard and Toledo Avenues, the Master Plan future land use shows Low/Medium Density Residential (RLM) which aligns with the recommended R3 zoning. For the northeast corner of West Grand Boulevard and Toledo, the Master Plan future land use shows Medium Density Residential (RM) which aligns with the recommended R5 zoning.

**Impact on Existing Land Uses**

Within each zoning district, various land uses are designated as either a “by-right” or “conditional”, and those uses not listed are deemed, in general, as not allowed. When land is rezoned, oftentimes the land use permissibility is changed. Attached is a spreadsheet listing, in part, each of the parcels, with the

address, proposed zoning change, and any land use impact from the proposed rezoning. The CPC estimates the subject rezoning involves about 225 parcels/addresses: about 100 (or 44%) are vacant/undeveloped parcels and about 70 (or 31%) have houses. The CPC estimates only one building (2360 Military) would become nonconforming. However, this location is currently used as a poorly maintained junkyard. Some current uses along the rail line, such as, The Ideal Group, which operates a steel fabricating warehouse, were not recommended to be downzoned to M1, because they would become nonconforming.

For the three primary areas of opposition/concern listed above, the impact of the proposed rezoning is as follows:

- Townhouses at northwest corner of

### Toledo and Hubbard Streets

The current townhouses built around 1900 are legal nonconforming uses in the current M4 zoning. New townhouses are not allowed in M4. For the proposed R3 zoning, townhouses are considered a by-right use, but commercial uses are not allowed.

- Opposition to rezoning M4 land to M1

Owners of Boulevard and Trumbull Towing and the Crown Enterprise/UST Properties/DIBC properties favored keeping the M4 zoning rather than M1. As noted earlier, the Master Plan for the area calls for Light Industrial which aligns with either M1, M2, or M3, but not M4. At the public hearing, CPC staff presented a slide explaining the differences between M4, M2, and M1. The industrial zones, as designed, have a hierarchy of uses based on intensity and impact on adjacent uses. In general, M1 allows 189 specific types of uses, M2 allows 198 types of uses, and M4 allows 341 types of uses.

With regards to Boulevard and Trumbull Towing, towyards are conditional in M1 through M4. So the use is treated the same by M1 and M4. As noted, the owner expressed interest in possibly developing other M4 uses. A common industrial use, such as warehousing, is allowed by-right in all industrial districts M1 through M4. An outdoor storage yard, defined in part as the use of land for the principal purpose of outdoor storage of equipment, supplies, or other items or goods, would not be allowed in M1 or M2. However, a contractor yard (for landscape or construction), defined in part as a yard used for the outdoor storage of a construction or landscape contractor's vehicles, equipment, and materials, including plant materials and contained soil, is by-right in all industrial district M1 through M4. Boulevard and Trumbull Towing allows the Post Office to use part of its land to park postal semi-trailers. A use such as this is conditional in M1 and by-right in M2 through M4.

- Vacant land at the northeast corner of West Grand Boulevard and Toledo

This land has been vacant for a number of years and was recently transferred from City ownership to UST Properties of Michigan LLC. The 25th Street Block Club is concerned about the impact of developing this parcel, particularly to mixed-use high density residential. The CPC is not aware of any immediate plans to redevelop this parcel of land. The originally proposed SD2 would allow potential residential, commercial, and/or light industrial. The R5 zoning would allow medium density residential uses and limited commercial uses. The proposed R5 zoning would be consistent with the blocks along West Grand to the south which are also zoned R5 and the Master Plan which calls for medium density residential.

### **Community Input**

In preparation for the proposed rezoning, CPC staff reached out to the Hubbard Farms community group, the office of Council Member Raquel Castaneda-Lopez's office, and the Department of Neighborhoods District 6 to spread the word beyond required means.

#### **Zoning Ordinance Criteria**

Section 50-3-70 of the Detroit Zoning Ordinance lists eight approval criteria on which zoning map amendments must be based. The CPC found that the present proposal meets the criteria for the following reasons:

1. *Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact*

There is no error in the current zoning map which the proposed amendment would correct. However, it does meet the challenge of a changing condition or trend. There are fourteen blocks primarily developed with residential houses that have been zoned M4 since 1940. These blocks have, over the years, primarily remained residential. Several of the M4 parcels along the rail line have been vacant for a number of years while others have light or intensive industrial uses. The proposed M1 zoning along the rail line would allow future M1 limited industrial uses and bring the zoning into better conformity with the Detroit Master Plan of Policies.

2. *Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance*

See previous analysis.

3. *Whether the proposed amendment will protect the health, safety, and general welfare of the public*

The proposed amendment will protect the health, safety, and general welfare of the public by rezoning the subject industrial land away from intensive industrial and toward limited industrial and by rezoning the subject area developed with housing away from intensive industrial and toward residential.

4. *Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development*

Not applicable.

5. *Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management*

It is not anticipated the proposed rezoning will have significant adverse impacts on the natural environment. It could be argued the proposed rezoning from M4 to M1 will help have a positive impact on the natural environment by limiting potential future intensive industrial uses.

6. Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract

The proposed amendment will not have significant adverse impacts on property in the vicinity of the subject tract. Land to the north is developed with a rail line; land to the east is developed with the I-75 Expressway; land to the south is developed primarily with residential neighborhoods; and land to the west is developed with industrial uses/rail yards.

7. The suitability of the subject property for the existing zoning classification and proposed zoning classification

The subject properties are not suitable for the existing zoning classification, because numerous residential blocks have been zoned intensive industrial. The land north of the residential areas are currently developed with uses that are vacant or almost all presently allowed within M1. The Master Plan calls for the future land use of the residential areas to be residential and the industrial areas to be designated light industrial.

8. Whether the proposed rezoning will create an illegal "spot zone."

The proposed rezoning will not create an illegal spot zone, because it complies with the Master Plan and there exists industrial land to the north and west and residential land to the south.

**Recommendation**

In conclusion, based on the above analysis and consistent with the approval criteria of Sec. 50-3-70 of the Zoning Ordinance, the City Planning Commission recommends APPROVAL of the rezoning request with modifications as summarized in this report.

Attached is an ordinance, not yet approved as to form by the Law Department; however, we anticipate and approved ordinance will soon be ready for introduction and the setting of the required public hearing.

**Section 2.** All ordinances, or parts of ordinances, in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public

peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** This ordinance shall become effective on the eighth day after publication in accordance with Section 401(6) of Public Act 110 of 2006, as amended, MCL 125.3401(6) and Section 4-118(3) of the 2012 Detroit City Charter.

Approved as to form:

LAWRENCE T. GARCIA

Corporation Counsel

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

#### RESOLUTION SETTING HEARING

By Council Member Tate:

Resolved, That a Public Hearing be held by this Body for the purpose of considering the advisability of adopting the foregoing Proposed Ordinance to amend Chapter 50 of the 2019 Detroit City Code, *Zoning*, by amending Article XVII, *Zoning District Maps*, Section 50-17-43, *District Map No. 41*, Section 50-17-44, *District Map No. 42*, and Section 50-17-45, *District Map No. 43*, to revise the zoning classification for Clark Park from the R2 Two-Family Residential District zoning classification to the PR Parks and Recreation District zoning classification, and to revise the zoning classifications for certain properties generally bounded by the Fisher Freeway to the east, Toledo Street, 24th Street, and Ruskin Street to the south, Livernois Avenue to the west, and certain railroad corridors to the north from the M2 Restricted Industrial District, M3 General Industrial District, and M4 Intensive Industrial District zoning classifications to the R2 Two-Family Residential District, R3 Low Density Residential District, R5 Medium Density Residential District, B4 General Business District, SD1 Special Development District, Small-Scale, Mixed Use, SD2 Special Development District, Mixed-Use, and M1 Limited Industrial District zoning classifications.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

#### City Council

#### Historic Designation Advisory Board

January 6, 2021

Honorable City Council:

Re: Historic Designation Advisory Board Final Report, recommendation and draft ordinance for the proposed Eastern Market Historic District (For Introduction of Ordinance and the Setting of a Public Hearing).

At the direction of the Historic Designation Advisory Board at its meeting of November 12, 2020, we are pleased to submit to Your Honorable Body the Board's final report on the proposed Eastern Market Historic District. The unanimous recommendation of the Advisory Board is for the designation. The ordinance of designation is attached and has been approved as to form by the Law Department.

This designation was requested by Councilmember James Tate. Daniel Carmody and Rita Ross have been appointed as *ad hocs* of the proposed district. A public hearing was held on February 13, 2020 which had twenty-seven people in attendance.

If you should have any questions, please contact our office at 224-3487.

Respectfully submitted,  
 REBECCA SAVAGE  
 Architectural Historian

By Council Member Tate:

**AN ORDINANCE to amend Chapter 21, Article II, of the 2019 Detroit City Code by adding Section 21-2-248 to establish the Eastern Market Historic District, and to define the elements of design for the district.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 21, Article II, of the 2019 Detroit City Code be amended by adding Section 21-2-248 to read as follows: **Sec. 21-2-248. Eastern Market Historic District.**

(a) A historic district to be known as the Eastern Market Historic District is established in accordance with the provisions of this article.

(b) This historic district designation is certified as being consistent with the Detroit Master Plan.

(c) The boundaries of the Eastern Market Historic District are as shown on the map on file in the office of the City Clerk, and are as follows: on the north, the centerline of Wilkins Street; on the east, the centerline of Riopelle, the centerline of Division Street; thence west along the centerline of said Division Street; to the eastern lot line, as extended north and south, of plat 25 of the Guoin Farm Subdivision, Liber 9, Page 83, Wayne County Records; on the south the centerline of Winder Street; thence west along the centerline of said Winder Street to its intersection with the centerline of Russell Street; on the west the centerline of said Russell Street to the centerline of Wilkins Street.

(d) The defined elements of design, as provided for in Section 21-2-248 of this Code, are as follows:

(1) *Height.* The ten (10) buildings in the district range from one (1) to three-and-one-half (3 1/2) stories tall. The ten (10)

buildings in the district consist of a (1) story round building at 2700 Russell Street, a one (1) story office and garage building for the Eastern Market Partnership at 2934 Russell Street, a one (1) story restroom building on Wilkins Street, a one (1) story open Shed Four (4) structure at 2722 Russell Street, a two (2) story Welcome Center at 1445 Adelaide Street, a two (2) story open Shed Two (2) structure at 2522 Russell approximately forty (40) feet high, the open Shed Six (6) structure at 2922 Russell is eighteen feet and seven inches (18' 7") tall, a three (3)-level parking garage at 2727 Riopelle Street, a three (3) story Shed Five (5) at 2822 Russell approximately forty-three (43) feet high, and a three-and-one-half (3 1/2) story Shed Three (3) structure at 2622 Russell approximately forty-eight (48) feet high. Sheds Two (2), Three (3), Five (5), and the Welcome Center each have a twelve (12) foot tall sign on their roof.

(2) *Proportion of building's front façades.* The proportions of individual front façades vary greatly within the district. The ancillary market structures are all wider than tall on the front façades. The public market sheds are all taller than wide on the front façades, with the exception of Sheds Four (4) and Six (6) that do not have a front façade and are open shed structures accessible from all sides.

(3) *Proportion of openings within the façades.* The proportion of openings within the district varies considerably, but can be categorized by building type. Ancillary market structures are composed of approximately twenty (20) to thirty (30) percent openings in their front façades. The Eastern Market Parking Structure at 2727 Riopelle Street is composed of fifty (50) percent open space. Public market sheds are generally not enclosed and thus have one hundred (100) percent of their entire circumference open, with the exception of Sheds Three (3) and Five (5) that are composed of approximately thirty (30) to fifty (50) percent openings in their front façades. Window types and proportion of individual windows vary greatly within the district and include double aluminum, rectangular and arched divided, and other types of windows appropriate to the variety of time periods and architectural styles found within the district.

(4) *Rhythm of solids to voids in the front façades.* Despite a variety of building types, the overall impression is one of regular, repetitive openings arranged horizontally within façades on all elevations. A few notable exceptions exist, such as the Eastern Market Partnership office building and restroom structure on Wilkins Street as well as the round building at 2700 Russell Street that each have an irregular rhythm of solids to voids. While Sheds Four (4) and Six (6) are open-air structures that have no solid

façades or enclosures, a regular rhythm is created by the structural supports.

(5) *Rhythm of spacing of buildings on streets.* Rhythm of spacing on streets is generally determined by setbacks from the lot lines and roughly align on a north-south axis. The overall character of the district is one of visually distinct buildings separated by relatively regular setbacks and clustered by city block. The earliest public market sheds are generally sited in the middle of their lots flanking Russell Street. Subsequent public market sheds and ancillary market structures extend north and eastwards and are generally sited at the edge of their lots. Surface parking lots appear between buildings but do not break the general rhythm of spacing.

(6) *Rhythm of entrance and/or porch projections.* In general, there is little uniformity among primary entrances as a great variety of architectural styles and building types are found within the district. Where entrances do exist, they tend to be flush with the building façade and are located at grade level. The main entries for the public market sheds generally connect with one another; Sheds Three (3) and Five (5) feature additional projecting canopies at the entry doors. The restroom structure on Wilkins Street has a porch created by an overhanging roof extension at the east façade. The roof extension is held by three (3) columns. No consistent rhythm of entrance and/or porch projections exist for the historic district buildings.

(7) *Relationship of materials.* A variety of building materials exist throughout the district, including brick, metal, concrete, ceramic tile, and glass. Stone is used for some coping, string courses, and door surrounds. Window frames and sashes are mostly aluminum. Visible roof slopes are covered with metal roof paneling; Shed Two (2) features distinctive wood sided roof fascia. Landscape elements include concrete planters and plazas as well as metal lighting fixtures, benches, planters, and trash receptacles. Dark metal and concrete bollard fencing is throughout the district. There are paved asphalt and concrete parking lots surrounding or adjacent to most buildings in the historic district.

(8) *Relationship of textures.* On most buildings, textural effects contrast with each other, with textured brick and exposed concrete members contrasting with glass windows, standing-seam metal roofs, and corrugated metal panels. Shed Two (2) has the additional texture of painted wood siding at the projecting arms and parapet. Brick with mortar joints is the most common textural effect. Most of the exposed concrete members have had parsing to create a consistent appearance. The greatest texture exists where provided by architectural details such as metal standing-seam roofs. The texture of

glass is used extensively on Sheds Three (3) and Five (5). The round building on Russell Street is unique in the district with a smooth ceramic tile texture.

(9) *Relationship of colors.* The dominating color is that of red and brown brick, often contrasted with natural stone ornamentation, lends a unifying appearance to the buildings in the historic district which otherwise reflect a diversity of styles, functions, and time periods. Another dominant color in the historic district is orange, painted on horizontal structural members of Sheds Three (3) and Five (5), as well as on panels at entry doors, and Shed Five (5)'s many orange horizontal metal panels. Dark brown is also featured predominantly throughout the historic district and Shed Two (2) is comprised of mottled red brickwork and rust-colored painted wood siding. The other dominant color in the historic district is dark brown found on the doors, window elements, sectional windowed garage doors, window infill panels, entry canopies, lamp-posts, fencing, and trash cans. Light grey further defines the concrete canopy of Shed Six (6) as well as the painted brick of the Eastern Market Partnership office building and restroom building on Wilkins Street and the surrounding sidewalks and parking lots. An unusual color grouping in the district is in the round building faced with light grey, green, beige, and blue ceramic tiles. Tall, black metal rooftop bracket support signs are on the western roofs of Sheds Two (2), Three (3), and Five (5) bearing their names in light orange colored block lettering. A smaller, but similar sign is above the Welcome Center, facing Adelaide Street, also of light orange colored block lettering. Colorful artwork and murals are on the restroom building on Wilkins Street, the Eastern Market Partnership Office Building, and a door of the round building on Russell Street. The small grassy area on two sides of the Eastern Market Partnership office building and young street trees provide contrasting green. Sidewalks consist of slabs of naturally colored gray concrete. Surrounding parking lots are either gray asphalt or larger slabs of naturally colored gray concrete.

(10) *Relationship of architectural details.* A variety of architectural styles are represented in the district, including Neo-Georgian, Commercial, Mid-Century Modern, and Post-Modern. Architectural details vary throughout the district, but buildings are generally detailed according to the characteristics of their individual architectural styles. Decorative details include round Romanesque entryway arches, pedimented rooflines, brick pilasters, octagonal lanterns, clerestory windows, and cast-stone medallions, depicting the City of Detroit and the State of Michigan official seals, and keystones, coping, sills,

and belt courses. Later buildings designed in the Modern and Post-Modern style notably feature a lack of architectural detail, the buildings incorporate modern materials and horizontal geometric simplicity.

(11) *Relationship of roof shapes.* The majority of buildings in the district have flat roofs that cannot be seen from the ground with the notable exception of Sheds Two (2), Three (3), and Five (5), that have long gabled roofs.

(12) *Walls of continuity.* In the district, along the west side of Russell Street, four market sheds are sited in a linear fashion creating a wall of continuity running north-south. The linear progression of Sheds Two (2), Three (3), Four (4), and Five (5), create a continuous wall of market sheds. The vertical light standards, brown metal concrete fencing, and young planted trees, where they exist, result in expressions of continuity in the overall landscape.

(13) *Relationship of significant landscape features and surface treatments.* Landscape features of the historic district include surface treatments of asphalt paved parking lots, concrete-paved parking lots, and concrete-floored shed interiors. A significant new landscape that feature in the historic district are the tall signs on the western roofs of Sheds Two (2), Three (3), and Five (5) bearing their names. A smaller, but similar sign is above the Welcome Center, facing Adelaide Street. Grassy lawns are present near the Eastern Market Partnership building that include multiple trees and shrubs planted around the building perimeter. A brick-paved plaza is south of the lawn. A parking lot island containing grass and two (2) trees is centered in the parking lot north of Shed Five (5). There are dark brown vertical light standards, brown metal bollards and fencing at the entry of the parking lots, and street furniture such as brown trash receptacles, planters, and benches. At the western side of Shed Three (3) are colorful painted designs on the asphalt parking lots on each side of the entry. Sculptures are minor landscape features in the district. The most significant sculptures include the tall chrome sculpture ("Erika's Dream") located at Alfred and Russell Streets, and the windmill in the DTE Foundation Plaza at Russell Street. A red sculpture ("Box") is located in the green space at the office structure at 2934 Russell Street. The DTE Foundation plaza has aggregate concrete slabs centered within smooth concrete slabs. Sidewalks consist of slabs of naturally colored gray concrete. Surrounding parking lots are either gray asphalt or larger slabs of naturally colored gray concrete.

(14) *Relationship of open space to structures.* Designed as a campus, buildings were sited to relate to each other and

the spaces between them were based on the necessity of the logistics for the sheds to provide access for vendors as well as consumers. Parking lots and paved areas for vehicular usage are now the primary function of the ample open space around and within the historic district.

(15) *Scale of façades and façade elements.* The façades in the historic district range from small to large in scale. The ancillary market structures are generally scaled to be secondary to the larger-scaled Shed structures, with the notable exception of the Eastern Market Parking Structure. Elements and details are in proportion to their respective façades.

(16) *Directional expression of front elevations.* The directional expression of individual front elevations varies throughout the district, but generally the public market sheds tend to be vertical in expression, with the exception of Sheds Four (4) and Six (6) that do not have a front façade and can be approached from any direction. The ancillary market structures are generally horizontally expressed.

(17) *Rhythm of building setbacks.* The common setback of Sheds Two (2), Three (3), and Five (5) creates a rhythm along Russell Street as well as Shed Six (6) and the Parking Structure on Riopelle Street. The ancillary market buildings create a varying degree of setbacks within the historic district, due to inconsistent orientation.

(18) *Relationship of lot coverages.* The district is an irregular complex of structures, and buildings are situated on adjacent, intersecting lots. Buildings are spaced to provide parking for vendors adjacent to the sheds and parking for patrons of the market. The buildings occupy approximately fifty percent (50%) of the historic district land.

(19) *Degree of complexity within the façades.* In general, the façades feature a restrained degree of stylistic detail. They are straightforward in their fenestration and architectural detail, resulting in a varying degree of complexity. However, a fair degree of complexity is found on Sheds Two (2) and Three (3) and the Welcome Center building due to their ornamentation.

(20) *Orientation, vistas, overviews.* The ancillary market structures generally face the streets and are entered from the front façade, with the exception of the round building on Russell Street that has no specific orientation. The public market sheds generally have multiple entrances oriented to four directions parallel and perpendicular to the surrounding streets. The buildings within the historic district create an open and varied silhouette in comparison with the dense commercial district located directly adjacent on Russell, Riopelle, and Market streets.

(21) *Symmetric or asymmetric appearance.* While the public market sheds are

highly symmetrical, the district as a whole is asymmetrical in appearance due to the variety of architectural styles and building types.

(22) General environmental character. The district consists of a flat terrain overlaid with a grid-like pattern of streets. As a substantial operating public market, the buildings occupy multiple city blocks within a high-density commercial and retail area. The surrounding area also consists of low density wholesale and industrial buildings.

**Section 2.** All ordinances, or parts of ordinances, or resolutions, in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** If this ordinance is passed by a two-thirds majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

Approved as to Form:

Corporation Counsel

**RESOLUTION SETTING HEARING**

By Council Member Tate:

Resolved, That a Public Hearing be held by this Body for the purpose of considering the advisability of adopting the foregoing Proposed Ordinance to amend an Ordinance to amend Chapter 21, Article II, of the 2019 Detroit City Code by adding Section 21-2-248 to establish the Eastern Market Historic District, and to define the elements of design for the district.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

**RESOLUTION TO CALL  
CLOSED SESSION**

By Council Member McCalister, Jr.:

RESOLVED, That a closed session of the Detroit City Council is called in accordance with Section 8(e) of the Open Meetings Act, 1976 PA 267, MCL 15.268 (e), for the purpose of discussing with Corporation Counsel, privileged and confidential information regarding trial and/or settlement strategy in connection with the pending lawsuit Detroit Will Breathe vs. City of Detroit, et al.; United States District Court Case No. 20-12363 as related to the City of Detroit – Amendment Agreement No. 1 to Contract 6002958. Any document prepared by the Law Department in anticipation of said closed ses-

sion is an attorney-client communication and therefore is exempt from disclosure under Section 13(1)(g) of the Freedom of Information Act, MCL 15.243(l)(g). Law Department attorneys, representatives from the law firm of Clark Hill, PLC, as well as attorneys from the Legislative Policy Division may be present. The closed session will be held on:

**Tuesday, January 19, 2021  
at 3:00 p.m.**

*Note: A 2/3 Roll Call vote of members elected and serving (6 votes) is required pursuant to MCL 15.267(1).*

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 22), per motions before adjournment.

**RESOLUTION SETTING A PUBLIC  
HEARING ON THE PROPOSED  
CAPITAL AGENDA FY 2021-22  
THROUGH 2025-26**

By Council Member Ayers:

WHEREAS, The Detroit City Council has received from the administration of Mayor Michael E. Duggan the proposed Capital Agenda for 2021-22 through 2025-26; and

WHEREAS, Article 8 Chapter 2 of the Detroit City Charter makes provision for the Capital Agenda including the requirements for a public hearing; NOW THEREFORE

BE IT RESOLVED, The Detroit City Council sets a public hearing on the Proposed Capital Agenda FY 2021-22 through 2025-26 on Wednesday, February 10, 2021 at \_\_\_\_ p.m./a.m. before the Budget Finance and Audit Standing Committee pursuant to the provisions of the City Charter.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

**RESOLUTION REQUESTING  
RECOMMENDATIONS REGARDING  
THE PROPOSED CAPITAL AGENDA  
FOR FY 2021-22 THROUGH  
2025-26 AND PRESENTING  
QUESTIONS FOR SAME**

By Council Member Ayers:

WHEREAS, The Detroit City Council has received from the administration of Mayor Michael E. Duggan the proposed Capital Agenda for 2021-22 through 2025-26; and

WHEREAS, Article 8 Chapter 2 of the City Charter provides that the City Council may delete projects from the Capital Agenda, but before amendments can

otherwise be made to the document, City Council must first request recommendations from the Planning and Development Department Director; and

WHEREAS, The City Council, the City Planning Commission and the Legislative Policy Division have been in review of the document since its submission; and

WHEREAS, The Detroit City Council has deliberated and enumerated preliminarily a series of questions, concerns and recommendations regarding the proposed Capital Agenda; NOW THEREFORE

BE IT RESOLVED, The Detroit City Council hereby requests recommendations from the Planning and Development Department Director and corresponding responses from the Duggan Administration addressing the attached list concerning the proposed Capital Agenda for 2021-22 through 2025-26.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

**WALK-ONS**

**Law Department**

January 7, 2021

Honorable City Council:

Re: Resolution to Approve Application Fee for Detroit Legacy Certification for Purposes of Medical Marijuana Facility or Adult-Use Marijuana Establishment Licensing.

Director Charity Dean of CRIO has requested that the Law Department prepare and submit for your consideration the enclosed resolution to approve a new application fee for the certification or renewal of Detroit legacy status. On November 24, 2020, this Honorable Body approved an ordinance to amend Chapter 20 of the 2019 Detroit City Code, Health, to adopt regulations for the licensing of medical marijuana facilities and adult-use marijuana establishments. These regulations confer certain benefits to individuals who have been certified as a Detroit legacy applicant. Individuals may obtain such status upon application to the Civil Rights, Inclusion, and Opportunity Department (CRIO), which must charge a non-refundable fee for the review of any such application.

CRIO has determined that a fee of \$100.00 will fairly and reasonably enable it to review applications for certification or renewal of Detroit legacy applicant status in accordance with the new Chapter 20 regulations and requests your Honorable Body's approval of such fee. Please note that this request is urgent, as the ordinance became effective on January 1, 2020 and CRIO desires to commence

accepting applications for Detroit legacy status as soon as possible.

Thank you for your consideration of this request and the attached resolution. If you so desire, I am available to discuss this request further at your convenience.

Respectfully submitted,

KIMBERLY A. JAMES

Chief Administrative Corporation Counsel

By Council Member Ayers:

Whereas, On November 24, 2020, this Honorable Body approved an ordinance to amend Chapter 20 of the 2019 Detroit City Code, Health, to adopt regulations for the licensing of medical marijuana facilities and adult-use marijuana establishments, effective as of January 1, 2021; and

Whereas, The ordinance confers certain benefits to individuals who have been certified as a "Detroit legacy applicant" upon their application to the Civil Rights, Inclusion, and Opportunity Department (CRIO) in accordance with Section 20-6-32 of the 2019 Detroit City Code, as amended by the ordinance; and

Whereas, Section 9-507 of the 2012 Detroit City Charter authorizes agencies, such as CRIO, to charge fees for any service provided, subject to the approval of the City Council; and

Whereas, As amended by the ordinance, Section 20-6-37(f) of the City Code requires a nonrefundable application fee to be charged for the processing and certification, or renewal of a Detroit legacy applicant or licensee in accordance with Section 20-6-32 of the City Code; and

Whereas, CRIO has considered the resources that will be necessary to review applications for certification or renewal of Detroit Legacy Applicant status and determined that \$100.00 represents a fair and reasonable fee for such services;

Now Therefore Be It

Resolved, That in consideration of the foregoing, the Detroit City Council hereby approves a fee of \$100.00 to be charged by CRIO for its review of an application for certification or renewal of an individual's Detroit Legacy Applicant status in accordance with Section 20-6-32 the 2019 Detroit City Code.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 23), per motions before adjournment.

**Permit**

Honorable City Council:

To your Committee of the Whole was Petition of Petition of Bedrock Detroit, request to activate the Monroe Site

located at 32 Monroe Street as a Drive – In Movie Theatre every Thursday, Friday, Saturday and Sunday from 7:00 p.m. – 10:00 p.m. The location will charge \$20/vehicle with 65 parking slots for each showing and concessions to include snacks and non-alcoholic beverages. The majority of tickets will be purchased online with an option to buy in person but this type of ticket will be limited. After consultation with the Mayor’s Office and all other City Departments, and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,  
 SCOTT BENSON  
 Chairperson

By Council Member Benson:

Resolved, That permission be and hereby is granted Petition of Bedrock Detroit, request to activate the Monroe Site located at 32 Monroe Street as a Drive-In Movie Theatre every Thursday, Friday, Saturday and Sunday from 7:00 p.m.-10:00 p.m. The location will charge \$20/vehicle with 65 parking slots for each showing and concessions to include snacks and non-alcoholic beverages. The majority of tickets will be purchased online with an option to buy in person but this type of ticket will be limited, and further

Provided, That such permission is granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petitioner, and further

Provided, That said activity is conducted under the rules and regulations of the concerned departments and the supervision of the Police Department, and in compliance with applicable ordinances, and further

Provided, That the Buildings and Safety Engineering Department is hereby authorized to waive the zoning restrictions on said property during the period of the event, and further

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Health Department, and further

Provided, That the petitioner secures a temporary use of land permit which will include the erection of any mechanical devices and electrical work is required prior to opening the facility to the public, and further

Provided, That permission for the service of alcoholic beverages is granted contingent upon petitioner obtaining approval of the Michigan Liquor Control Commission and complying with applica-

ble City ordinances in connection with this activity, and further

Provided, That if tents are to be used, the petitioner shall comply with all sections of Fire Marshal Division Memorandum #3.2 regarding “Use of Tents for Public Assembly,” and further

Provided, That the site be returned to its original condition after said activity, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 24), per motions before adjournment.

By Council Member Tate:

**AN ORDINANCE to amend Chapter 50 of the 2019 Detroit City Code, Zoning, by amending Article XVII, Zoning District Maps, Section 50-17-43 District Map No. 41, Section 50-17-44 District Map No. 42 and Section 50-17-45 District Map No. 43, to revise the zoning classification for Clark Park from the R2 Two-Family Residential District zoning classification to the PR Parks and Recreation District zoning classification, and to revise the zoning classifications for certain properties generally bounded by the Fisher Freeway to the east, Toledo Street, 24th Street, and Ruskin Street to the south, Livernois Avenue to the west, and certain railroad corridors to the north from the M2 Restricted Industrial District, M3 General Industrial District, and M4 Intensive Industrial District zoning classifications to the R2 Two-Family Residential District, R3 Low Density Residential District, R5 Medium Density Residential District, B4 General Business District, SD1 Special Development District, Small-Scale, Mixed Use, SD2 Special Development District, Mixed-Use, and M2 Restricted Industrial District zoning classifications.**

#### RESOLUTION SETTING HEARING

By Council Member Tate:

Resolved, That a Public Hearing be held by this Body for the purpose of considering the advisability of adopting the foregoing Proposed Ordinance to amend Chapter 50 of the 2019 Detroit City Code, Zoning, by amending Article XVII, Zoning District Maps, Section 50-17-43, District Map No. 41, Section 50-17-44, District Map No. 42, and Section 50-17-45, District Map No. 43, to revise the

zoning classification for Clark Park from the R2 Two-Family Residential District zoning classification to the PR Parks and Recreation District zoning classification, and to revise the zoning classifications for certain properties generally bounded by the Fisher Freeway to the east, Toledo Street, 24th Street, and Ruskin Street to the south, Livernois Avenue to the west, and certain railroad corridors to the north from the M2 Restricted Industrial District, M3 General Industrial District, and M4 Intensive Industrial District zoning classifications to the R2 Two-Family Residential District, R3 Low Density Residential District, RS Medium Density Residential District, B4 General Business District, SDI Special Development District, Small-Scale, Mixed Use, SD2 Special Development District, Mixed-Use, and M2 Restricted Industrial District zoning classifications.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate, and President Jones — 9.  
 Nays — None.

Council Member Benson left the meeting.

**RESOLUTION  
 TO DECLARE JANUARY 20TH AS  
 “MARVIN GAYE DAY”**

By Council Member McCalister, Jr.

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens and residents through Charter-mandated legislative functions; and

WHEREAS, In 1962, Marvin Gaye Jr. began his recording career with Motown as a session musician. By 1970, Marvin Gaye showed he could write music to get you on the dance floor and, with one note, he could melt your heart with his voice; and

WHEREAS, The message of “What's Going On” and the succeeding album of the same name, came from Marvin Gaye's own life. After Marvin Gaye's brother, Frankie Gaye returned from the Vietnam War, he saw the lingering effects of war up close, drug abuse and untethered systemic racism, all of which altered his attitude, especially towards adhering to the proven Motown formula; and

WHEREAS, Marvin Gaye wrote a song that stands out among the most honest works in American music. The song, “What's Going On”, is as applicable today as the date it was released fifty years ago, on January 20, 1971. Not only is “What's Going On” worthy to serve as a national hymn to our nation, it inspired his label mates, contemporaries, as well as number of mainstream artists and future creatives, to use their artistic talents for social commentary; and

WHEREAS, The lead single was so successful, over 200,000 copies were sold in its first week. In March of that year, the single stayed at number-one on the Billboard R&B charts for five weeks and one week at number-one on the Cashbox pop chart. On the Billboard Hot 100, it peaked at number two. The song eventually sold more than two million copies, becoming then, the fastest-selling Motown single at the time. The song's success convinced Motown's founder, Berry Gordy, to allow Gaye to produce his own music, which resulted in the “What's Going On” album itself; and

WHEREAS, Despite the initial hesitation from Berry Gordy, and its subsequent commercial success, “What's Going On” failed to win in any of the two categories that it was nominated for at the 1972 Grammy Awards, including Best Male R&B Vocal Performance and Best Arrangement Accompanying Vocalist; and

WHEREAS, The album of the same name became his eleventh studio album. “What's Going On” cemented Gaye's talent as an original; a singer, songwriter and producer, fearless in his conviction to speak truth, no matter the cost; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council also thanks the Motown Museum in concert with Governor Gretchen Whitmer, a champion for justice and peace, for her Special Tribute proclamation and recognition of January 20, 2021 as “What's Going On” Day not just in the City of Detroit but throughout the State of Michigan. NOW THEREFORE BE IT FURTHER

RESOLVED, That the Detroit City Council, hereby declare January 20th as “Marvin Gaye Day,” to celebrate the life and musical legacy of Detroit's own Marvin Gaye as well as the 50th Anniversary of Gaye's “What's Going On” album; NOW THEREFORE BE IT FINALLY

RESOLVED, That copies of this resolution be forwarded to the Motown Museum, Gov. Whitmer, Mayor Mike Duggan and the Detroit City Clerk Janice Winfrey.

Adopted as follows:

Yeas — Council Members Ayers, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 8.  
 Nays — None.

\*WAIVER OF RECONSIDERATION (No. 25), per motions before adjournment.

**STANDING COMMITTEE REPORTS**

**BUDGET, FINANCE AND AUDIT  
STANDING COMMITTEE**

**Office of the Chief Financial Officer  
Office of Budget**

January 12, 2021

Honorable City Council:

Re: Requesting Authorization to Amend the FY 2021 Budget to Make Technical Adjustments to the 36th District Court Budget.

The Office of the CFO – Office of Budget requests authorization to amend the City of Detroit FY 2021 Budget to make a technical adjustment.

During the development of the FY2021-FY2024 Four Year Financial Plan, adjustments were needed as a result of the Coronavirus Disease (COVID-19) public health emergency. These adjustments, approved via the Errata Letter, included revenue and expenditure changes to maintain a balanced budget. Expenditure adjustments included estimates of personnel savings.

This amendment will reallocate the budget reduction for the 36th District Court to the appropriation where the actual personnel savings are occurring. There is no net change in the 36th District Court’s total budget.

<b>Inc./Decr.</b>	<b>Appro. #</b>	<b>Appropriation Name</b>	<b>Amount</b>
Decrease	05715	36th District Court State Transferred Functions	(\$1,600,999)
Increase	00393	36th District Court Direct Costs	\$1,600,999

Sincerely,  
 TANYA STOUDEMIRE, J.D.  
 Deputy CFO/Budget Director

**Law Department**

January 5, 2021

Honorable City Council:

Re: Resolution Approving Memorandum of Agreement between the City of Detroit and the Detroit Building Authority regarding Indemnification.

In May 2019, the City of Detroit (the "City") proposed, and the Detroit Building Authority (the "DBA") agreed, to enter into the above-captioned Memorandum of Agreement (the "MOA"). As of the effective date of this MOA, all contracts between the City and the DBA will no longer include separate indemnity provisions, and instead the terms of the MOA will govern indemnification between the City, the DBA, and related parties providing services to either entity.

For these reasons, the Law Department recommends that this Honorable Council vote "YES" on the attached *Resolution Approving Memorandum of Agreement between the City of Detroit and the Detroit Building Authority regarding Indemnification.*

Respectfully submitted,

**CHARLES RAIMI**

Deputy Corporation Counsel

By Council Member McCalister, Jr.:

Whereas, The Detroit Building Authority ("DBA"), is a public authority created by statute to acquire, furnish, equip, own, improve, operate, and maintain City of Detroit (the "City") owned properties and facilities;

Whereas, From time to time, the City contracts with the DBA to provide supervisory management and consulting services related to projects completed in privity with the City;

Whereas, Section 7.5-201 of the Detroit City Charter (the "Charter") provides Corporation Counsel is the attorney for the City of Detroit body corporate, and as such, may represent branches of government and elected officials as required or allowed by law, the Charter, ordinance, City policy or contract;

Whereas, The Corporation Counsel and counsel for the DBA determined that there was a need for an agreement between the DBA and the City relating to indemnification of individuals who provide services on behalf of the DBA for City contracts;

Whereas, Corporation Counsel has negotiated a Memorandum of Agreement (The "MOA") between the City and the DBA pertaining to indemnification, as agreed between the City and the DBA, and as applied to Covered Persons as defined in the MOA; and

Now Therefore Be It

Resolved, That this Honorable Body hereby approves the attached MOA.

**MEMORANDUM OF AGREEMENT**

This Memorandum of Agreement (MOA) is entered into between the City of Detroit

Building Authority, a public authority and body corporate (Authority) and the City of Detroit, a Michigan municipal corporation (City). This MOA will be submitted to the Authority's Board of Directors and, if approved, to the Detroit City Council and, if approved by both bodies, will then become effective.

#### RECITALS

Whereas, It is in the interest of the City and Authority for the Authority to be able to engage and retain talented and experienced individuals to provide management, supervisory and consulting services, and

Whereas, The parties believe this MOA will assist the Authority in attracting and retaining such individuals,

Now, therefore, it is agreed as follows:

##### 1. Scope of MOA.

This MOA applies to individuals performing management, supervisory or consulting services at the Authority, including Authority board members and directors, regardless of whether such services are provided as an Authority employee, City employee, City appointee, or under a and/or professional services contract with the City or Authority ("Covered Individual").

##### 2. Definition of Official Duties.

"Official duties" shall mean acts done by Covered Individuals in good faith pursuant to authority conferred by law, or within the scope of the Individual's engagement, or in relation to matters committed by law to the Individual's control or supervision, or committed to the Authority under whose authority the Individual is acting, whether or not there is negligence in the doing of such acts. Where there is willful misconduct or lack of *good faith* in the doing of any such acts, the same shall not constitute the performance of the official duties by any such Covered Individual.

##### 3. Representation and indemnification by the Authority.

Whenever a Covered Individual has cause to believe that he or she may be sued by reason of, or as the result of, the performance in *good faith* of his official duties, the Individual may request that the Authority provide representation and indemnification. The Authority shall conduct an investigation which shall provide appropriate notice to the Covered Individual and opportunity to be heard. If the Authority concludes that the allegations against the Covered Individual relate to acts done by the Individual in the good faith performance of his or her official duties, then the Authority shall provide representation and indemnification for the Covered Individual consistent with the terms and conditions in section 5 below.

##### 4. Appeal to Detroit City Council.

In the event the Authority denies representation and indemnification, or there is

a dispute as to same, the Covered Individual may seek representation and indemnification from the City of Detroit as set forth below.

A. The Covered Individual shall promptly forward to the City of Detroit's corporation counsel (i) the lawsuit papers, (ii) any recommendation by the Authority, and (iii) a written request that he or she be represented by the corporation counsel's office (or an authorized designee) and provided indemnification from the City.

B. The Corporation counsel shall forward the request to City Council together with the Corporation Counsel's recommendation and any recommendation by the Authority.

C. If the City Council determines that the claim, demand or suit against the Covered Individual arises out of or involves the performance in *good faith* of the official duties of the Covered Individual, then City Council may approve representation and indemnification on the terms and conditions below.

##### 5. Terms and conditions of representation and indemnification.

A. The Covered Individual shall fully cooperate with the assigned counsel and, upon request, shall attend hearings and trials and assist in effecting settlements, securing and giving evidence and obtaining the attendance of witnesses. However, such officer or employee shall not, except, at his own cost, voluntarily make any payment, assume any obligation or incur any expense in connection therewith.

B. In the event that after approval of representation and indemnification by the Authority or City Council, either body obtains clear and convincing evidence that the Covered Individual was not in fact acting in the good faith performance of his or her official duties, then, upon notice to the Covered Individual and opportunity to be heard, representation and indemnification may be revoked.

##### 6. Prior indemnification provisions between the City and Authority.

Upon the effective date of this MOA, for all prior or existing contracts in which COD and DBA are parties, the indemnification provisions in Article XI are hereby stricken and are null and void. The Article XI indemnification language that appeared in prior and existing contracts shall not be used in any agreements entered into after the effective date of this MOA. If such language does appear, it shall be null and void and of no force or effect.

IN WITNESS WHEREOF, the parties, by their authorized representatives, have executed this MOA as of the dates shown below. This MOA shall not become effective unless approved by the Board of the Authority and the Detroit City Council.

Law Department

December 16, 2020

Honorable City Council:

Re: Larry Haislip vs. City of Detroit and John Doe. Case No: 19-011245-NI. File No: L19-00591, Alfred Ashu (P82536).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Thirty Thousand Dollars and No Cents (\$30,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Thirty Thousand Dollars and No Cents (\$30,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Larry Haislip and his attorney, Stanley R. Mikiciuk, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 19-011245-NI, approved by the Law Department.

Respectfully submitted, ALFRED A. ASHU Assistant Corporation Counsel

Approved: LAWRENCE GARCIA Corporation Counsel
By: KRYSTAL A. CRITTENDON Supervising Assistant Corporation Counsel

By Council Member McCalister, Jr.:

Resolved, That settlement of the above matter be and is hereby authorized in the amount of Thirty Thousand Dollars and No/Cents (\$30,000.00); and be it further

Resolved, That the Finance Director be and is hereby authorized and directed to draw a warrant upon the proper account in favor of Larry Haislip and his attorney, Stanley R. Mikiciuk, in the amount of Thirty Thousand Dollars and No Cents (\$30,000.00) in full payment for any and all claims which Larry Haislip may have against the City of Detroit and any other City of Detroit employees by reason of alleged injuries sustained on or about December 2, 2018, and otherwise set forth in Case No. 19-011245-NI, that said amount be paid upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in Lawsuit No. 19-011245-NI and, where deemed necessary by the Law Department a properly executed Medicare/CMS Final Demand Letter.

Honorable City Council:

Re: Scofield, Matthew vs. City of Detroit, Deandre Williams, and Reuben Yesrael. Case No: 2:19-cv-10039-AC-RSW. File No: L18-00760 CBO.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Ninety Thousand Dollars and No Cents (\$90,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Ninety Thousand Dollars and No Cents (\$90,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Matthew Scofield and his attorneys, Perkins Law Group, PLLC and the Law Offices of Joel B. Sklar to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in

Lawsuit No. 2:19-cv-10039-AC-RSW, approved by the Law Department.

Honorable City Council:

Re: Michigan Ambulatory Surgery Center (Theresa Smith) vs. City of Detroit. 19-011424-NF. L19-00622 (YRB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Thirty-Three Thousand Dollars and No Cents (\$33,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to

settle this matter in the amount of Thirty-Three Thousand Dollars and No Cents (\$33,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Michigan Ambulatory Surgery Center and its attorney, Anthony, Paulovich & Warroll, PLLC, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 19-011424-NF, approved by the Law Department.

Honorable City Council:

Re: C-Spine (Dejuan Gardner) vs. City of Detroit. Case No: 19-011079-NF. File No: L19-00585.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the total amount of One Hundred Thirty-Seven Thousand Five Hundred Dollars and No Cents (\$137,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of One Hundred Thirty-Seven Thousand Five Hundred Dollars and No Cents (\$137,500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount of One Hundred Thirty-Seven Thousand Five Hundred Dollars and No Cents to C-Spine Orthopedics, LLC, and its attorney, Aref Law, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 19-011079-NF, approved by the Law Department.

Honorable City Council:  
Re: Monica Davis, *et al.* vs. City of Detroit. Case No: 20-001268-NF. File No: L20-00072 MBC.

On January 12, 2021, a case evaluation panel evaluated the above-captioned lawsuit and awarded Twenty One Thousand Seven Hundred Dollars and No Cents (\$21,700.00) in favor of the plaintiffs. The parties have until February 9, 2021, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that a settlement in the amount of Twenty One Thousand Seven Hundred Dollars and No Cents (\$21,700.00) is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiffs accept the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount of \$11,500.00 payable to Monica Davis and her attorney, Machasic Law Office, PLC, and a draft in the amount of (\$10,200.00) payable to Tox Testing d/b/a/ Paragon Diagnostics, Gentle Touch Therapy and Woodward Transportation and their attorney Puzio Law, PC to be delivered upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in Lawsuit No. 20-001268-NF and, where deemed necessary by the Law Department a

**Human Resources Department  
Classification and  
Compensation Administration**

December 10, 2020

Honorable City Council:

Re: Request to amend the 2020-2021 Official Compensation Schedule.

Recommendation is submitted to amend the 2020-2021 Official Compensation Schedule to include the following pay range, subject to City Council approval:

Class Code	Classification	Salary Range
45-20-43	Recreation Center	\$56,155-
	Supervisor Grade III	\$78,659

**Request:**

The above recommendation is at the request of Keith Flournoy, Deputy Director of the Recreation Division-General Services Department.

**Rationale:**

The recommendation is based on the department's expressed need to create a higher level of supervision within the recreation centers with more responsibility focused on strategic planning and programming to meet the needs of the surrounding community. Adding a third level of supervisor will allow the department to grow the recreation center program and provide a higher level of service. Additionally, this level will look for economic partners and fundraising opportunities within the community to assist in cost recovery.

The scope, responsibilities, and requirements of the Recreation Center Supervisor III closely align with those of comparable classifications at the City of Detroit. As a result, it is recommended the pay range of the comparators be utilized for the Recreation Center Supervisor III to maintain internal equity and assist in attraction and retention efforts.

Respectfully submitted,  
DENISE STARR

Human Resources Director

By Council Member McCalister, Jr.:

Resolved, That the 2020-2021 Official Compensation Schedule is hereby amended to reflect the following pay adjustment, effective upon Council's approval.

Class Code	Classification	Salary Range
45-20-43	Recreation Center	\$56,155-
	Supervisor Grade III	\$78,659

Resolved, That the Finance Director is hereby authorized to honor payrolls and vouchers in accordance with this resolution, the above communication and standard City of Detroit practices.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 12), per motions before adjournment.

**RESOLUTION AUTHORIZING THE CONTINUATION OF THE DETROIT CITY COUNCIL SENIOR TASK FORCE**

By Council Member Benson:

WHEREAS, The Detroit City Council Senior Task Force is made up of residents within the city of Detroit that work toward building safe and friendly communities for seniors. This allows them to remain in their community for longer periods of time while living happy, healthy lives. The Senior Task Force is dedicated to engage seniors in social and educational activities as well as providing vital resources for healthy living; and

WHEREAS, The Senior Task Force has expanded to provide workshops for financial literacy, mental health, breast cancer prevention, as well as establishing a program to provide ramps for home-bound seniors; and

WHEREAS, The Senior Task Force sponsors social outings such as "Movie Day", "Bingo with Benson" and "Senior Zoo Day"; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council will hereby continue the Senior Task Force effective immediately and continuing through December 31, 2021; and BE IT FINALLY

RESOLVED, That Council Member Scott Benson will be chairman of the Senior Task Force.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 8.

Nays — Council Member Castaneda-Lopez — 1.

**RESOLUTION AUTHORIZING THE CONTINUATION OF THE DETROIT CITY COUNCIL GREEN TASK FORCE**

By Council Member Scott Benson:

WHEREAS, The Federal Government has published an extensive report, the National Climate Assessment, that concluded human activity is the cause of global warming; and

WHEREAS, The City of Detroit has agreed to adopt, honor and uphold the United Nations' Paris Climate Agreement goals; and

WHEREAS, Some of the goals are delineated in the United Nations 2030 Agenda for Sustainable Development which provides a shared blueprint for peace and prosperity for people and the planet, now and into the future. It is an urgent call for action by all countries; and

WHEREAS, A strong, vibrant Green Task Force is needed more than ever to assist the administration in setting policies for a more sustainable city; and

WHEREAS, The Green Task Force is made up of a diverse group of practitioners that are derived from advocacy groups, government officials, industry representatives, foundations, and residents who are all interested in making Detroit a sustainable and resilient city; and

WHEREAS, The Green Task Force has seven active subcommittees; Water, Organic Recycling (Composting), Renewable Energy, Recycling and Waste Reduction, Climate Action, Energy Waste Reduction and Transportation whose roles will be to advise the administration on sustainable principles and practices that will better serve the City of Detroit; and

WHEREAS, The mission of the Green Task Force is to create and advocate for policies that will reflect a sustainable city; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council will hereby continue the Green Task Force effective immediately and continuing through December 31, 2021; and BE IT FINALLY

RESOLVED, That Council Member Scott Benson will be chairman of the Green Task Force.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**RESOLUTION AUTHORIZING THE CONTINUATION OF THE DETROIT CITY COUNCIL AIRPORT TASK FORCE**

By Council Member Scott Benson:

WHEREAS, The Coleman A. Young International Municipal Airport (hereinafter "City Airport") is a potentially dynamic and valuable driver of economic development and its improved operation could significantly add to the quality of life for residents on the east side of the City of Detroit; and

WHEREAS, The objective of the Airport Task Force is to advocate for the City Airport to reach its maximum potential by focusing on providing world class operations as a General Aviation/ Business Aviation Airport, as well as to educate our youth in the various facets in aviation to prepare them for potential careers; and

WHEREAS, The Airport Task Force will work with current stakeholders of City Airport to investigate strategies for airport development and make recommendations for a long-term strategy for

the sustainability of the City Airport. It will also identify potential funding sources to implement these strategies, NOW BE IT

RESOLVED, That the Detroit City Council will hereby continue the Airport Task Force effective immediately and continuing through December 31, 2021 and BE IT FINALLY

RESOLVED, That Council Member Scott Benson will be chairman of the Airport Task Force.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**RESOLUTION**

By Council Member McCalister, Jr.:

RESOLVED, That the Detroit City Council hereby waives its attorney-client privilege with respect to the Legislative Policy Division's privileged and confidential memorandum to City Council dated January 4, 2021, entitled *DPD Contract Review*.

Not Adopted as follows:

Re: Request to accept an increase in appropriation for the FY 2020 National Training and Technical Assistance Grant.

The U.S. Department of Health and Human Services, Health Resource and Services Administration (HRSA), has awarded an increase in appropriation to the City of Detroit Health Department for the FY 2020 National Training and Technical Assistance Grant, in the amount of \$55,897.00. The total increase is \$55,897.00. This funding will increase appropriation 20669, previously approved in the amount of \$81,763.00, by council on 07/23/2019, to a total of \$137,660.00.

The National Training and Technical Assistance Grant is a reimbursement grant. The objective of the grant is to supplement a targeted HIV awareness campaign in the City of Detroit. This grant will enable the department to increase social

media and peer outreach and education efforts to Young Black Men who have Sex with Men (YBMSM). This is a reimbursement grant with no match requirement.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

Sincerely,

TERRI DANIELS  
Director of Grants

Officer of Development and Grants

TINA TOLLIVER  
Officer of Budget

Re: Request to Accept and Appropriate FY 2021 Ending the HIV Epidemic Implementation Grant.

The Michigan Department of Health and Human Services has awarded the City of Detroit Health Department with the FY 2021 Ending the HIV Epidemic Implementation Grant for a total of \$261,136.00. The total project cost is \$261,136.00. There is no match requirement. The grant period is October 1, 2020 through September 30, 2021. This grant is part of the FY 2021 MDHHS Local Comprehensive Agreement.

The objective of the grant is to establish mechanisms for rapid linkage to HIV medical care and prevention services for persons screened for HIV in all healthcare settings. The funding allotted to the department will be utilized to pay for Health staff salary/fringe, program administration subcontractor and travel expenditures. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20929.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,

TERRI DANIELS  
Director of Grants

Officer of Development and Grants

TINA TOLLIVER  
Officer of Budget

By Council Member Benson:

Whereas, The Health Department is requesting authorization to accept a grant of reimbursement from the Michigan Department of Health and Human Services in the amount of \$261,136.00, to establish mechanisms for rapid linkage to

HIV medical care and prevention services for persons screened for HIV in all health-care settings; and

Whereas, This grant is part of the FY 2021 MDHHS Local Comprehensive Agreement; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20929 in the amount of \$261,136.00, for the FY 2021 Ending the HIV Epidemic Implementation grant.

Re: Request to accept an increase in appropriation for the FY 2021 HIV Housing Assistance Grant.

The Michigan Department of Health and Human Services (MDHHS) has awarded an increase in appropriation to the City of Detroit Health Department for the FY 2021 HIV Housing Assistance Grant for a total of \$139,542.00. The total increase is \$54,542.00. This funding will increase FY 2021 adopted budget appropriation 20724, previously approved in the amount of \$85,000, to a total of \$139,542.00. There is no match requirement.

The HIV Housing Assistance Grant is a reimbursement grant. The objective of the grant is to support the Health Department's administrative activities to coordinate housing resources for the HIV Housing Program. The funding allotted to the department will be utilized to pay for salary, fringe, travel and contractual services for staff. Staff supporting the program include a Manager, Data to Care Coordinator, Housing Coordinator, and an Administrative Coordinator.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

Sincerely,

TERRI DANIELS

Director of Grants

Officer of Development and Grants

TINA TOLLIVER

Officer of Budget

By Council Member Benson:

Whereas, The Health Department is requesting authorization to accept an

**City Planning Commission**

November 19, 2020

Honorable City Council:

Re: Grand Trunk Crossing PD/Ord. No. 27-14 (Authorization of Extension)

**Henry Ford Health System 2014, 2016 – Grand Trunk Crossing**

As Council members may recall, the Henry Ford Health System (HFHS) came before the City Planning Commission (CPC) in 2014 to seek rezoning of 13.27 acres of land on the south side of West Grand Boulevard just west of the John C Lodge freeway. HFHS proposed rezoning 9.99 acres (79 of the lots in that area) from R1 (Single-Family Residential District), R2 (Two-Family Residential District), R5 (Medium-Density Residential District), and B4 (General Business District) to B5 (Major Business District). This is the land where the soon-to-be-opened Henry Ford Cancer Hospital and adjacent parking structure are located.

It also sought rezoning of 3.28 acres of land (consisting of 26 lots) from R1, R2, and B4 to a Planned Development (PD) zoning district classification. The PD portion of the rezoning, called Grand Trunk Crossing, involved two phases of mixed-income, mixed-use commercial/residential development. The project, as delineated by HFHS's partner, The Community Builders (TCB), was originally slated to develop approximately 154 units across 8 buildings—both rehab and new construc-

tion. TCB's plans were subsequently tailored and reduced in 2016 with CPC and Council approval.

Six years after Ord. No. 27-14 went into effect establishing this PD, Grand Trunk Crossing has not materialized. Tom Habitz from HFHS returned to the City Planning Commission at its November 5, 2020 regular meeting to provide an update on the status of the planned development.

**RESULTS OF CPC MEETING**

The update from Mr. Habitz of HFHS on November 5, 2020 pointed out that HFHS has demolished certain properties, per the PD development plan, and has cleared and maintained land as had been authorized. Its partner, The Community Builders, however, was unsuccessful in obtaining low income tax credits from the State of Michigan in three different funding rounds and has withdrawn from the Grand Trunk Crossing project. HFHS is hoping to engage a different partner in the near future to carry out a similar, meaningful development of the 3.28 acres of PD land. Alternate conceptual plans were shown to the Commission in anticipation of returning with a modification to their PD development plan.

Unlike projects permitted by right in other zoning districts, PD approval comes with a "shelf life" as indicated in Sec. 50-3-98 of the Zoning Ordinance:

**Sec. 50-3-98. – Lapse of approval.**

The authorization for a planned development shall lapse and be of no further effect:

- (1) Upon the abandonment of a particular project that is approved under this division; or
- (2) Three years from the effective date of approval of a planned development where the planned development has not been completed; or
- (3) Upon the expiration of any extension of time that is granted by the City Planning Commission.

Where one of these conditions exists, the City Council shall act to rezone the property to the zoning district classification which existed immediately prior to the time of rezoning to planned development, or to another zoning district classification as deemed appropriate.

**Options for Lapsed PDs**

Where PD approval has lapsed, as in the case of Grand Trunk Crossing, the CPC and City Council effectively have three options:

- The City can extend the lifespan of the PD authorization for a time-specific, where appropriate;
- The City can undo the PD and rezone the land to the pre-existing R1, R2, and B4 zoning classifications; or
- The City can consider rezoning the PD to a zoning district classification that is appropriate given current circumstances.

After due discussion and deliberation,

and in light of the extraordinary circumstances brought by the Covid-19 pandemic, the CPC voted to recommend extension of the PD authorization for a period of four years, until November 5, 2024. In addition to recommending the four-year extension, the CPC urged prompt demolition of the remaining derelict, multi-story building (within two years), per the original PD plan and that the open space beautification efforts outlined by Mr. Habitz be initiated as soon as seasonally appropriate.

At such time that HFHS returns to the CPC with an alternate development plan, the CPC will weigh the alternatives of modifying the PD versus rezoning the land to another appropriate zoning district classification, such as SD2 (Special Development District, Mixed-Use).

A resolution, consistent with the November 5, 2020 vote of the City Planning Commission is attached for Your Honorable Body's consideration.

Respectfully submitted,  
 ALTON C. JAMES  
 Chairperson  
 MARCELL R. TODD, JR.  
 Director  
 M. RORY BOLGER  
 Staff

By Council Member Tate:

Whereas, In 2014, the Henry Ford Health System requested the rezoning of 3.28 acres of land in the vicinity of Holden, Trumbull, and Sterling Avenues on Zoning District Map No. 7 in the City of Detroit to establish a mixed-income, mixed-use Planned Development (PD) known as Grand Trunk Crossing; and

Whereas, HFHS has been unsuccessful in realizing the development with its original development partner; and

Whereas, The Detroit Zoning Ordinance specifies in Sec. 50-3-98 that a PD authorization is deemed to have lapsed if it is not completed within three years; and

Whereas, The City can choose to return the land in a lapsed PD to its earlier zoning status or rezone the land to a different appropriate zoning classification or to extend the original PD authorization; and

Whereas, HFHS has presented information sufficient to anticipate future, similar development of its 3.28-acre site to the satisfaction of the City Planning Commission; and

Whereas, HFHS has affirmed its commitment to complete its demolition of a remaining blighted structure and the beautification of the site's open space; and

Whereas, The City Planning voted on November 5, 2020 to recommend a four-year extension of the PD authorization; Now Therefore Be It

Resolved, The Detroit City Council authorizes the extension of the Grand Trunk Crossing PD (Ord. No. 27-14) for a

period of four years until November 5, 2024 so that an alternate and appropriate development plan be prepared and presented for consideration.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 20), per motions before adjournment.

**City Planning Commission**

January 15, 2021

Honorable City Council:

Re: Request of Paul Silveri on behalf of Kirby Holdings, LLC and the Detroit City Planning Commission to amend Article XVII, District Map No. 6 of the 2019 Detroit City Code, Chapter 50, Zoning, by showing an R5 (Medium Density Residential District) zoning classification where an R3 (Low Density Residential District) zoning classification currently exists on six (6) parcels, commonly identified as 399, 401,425, 433, 443 and 457 E. Kirby Avenue, generally bounded by E. Ferry Street to the north, Beaubien Street to the east, E. Kirby Street to the south and Brush Street to the west. (Recommend Approval)

**NATURE OF REQUEST AND PROJECT PROPOSAL**

The City Planning Commission (CPC) has completed its review and deliberations on the request of Paul Silveri on behalf of Kirby Holdings, LLC and the Detroit City Planning Commission to amend Article XVII, District Map No. 6 of the 2019 Detroit City Code, Chapter 50, Zoning, by showing an R5 (Medium Density Residential District) zoning classification where an R3 (Low Density Residential District) zoning classification currently exists on six (6) parcels, commonly identified as 399, 401, 425, 433, 443 and 457 E. Kirby Avenue, generally bounded by E. Ferry Street to the north, Beaubien Street to the east, E. Kirby Street to the south and Brush Street to the west.

Upon reviewing both the Master Plan of Policies, the adjacent zoning classifications of zoning Map No. 6, and upon conducting a site visit to assess the current conditions and land uses associated with the subject area, CPC staff has determined it is appropriate to co-petition and seek the rezoning of five additional parcels which are presently zoned R3 to R5. Those properties are identified below along with the owner-of-record information made available from the City Assessor's Office database:

- 399 E. Kirby Avenue (City of Detroit, Planning and Development Department)
- 401 E. Kirby Avenue (Kimberly Wyche Huyghue)

- 425 E. Kirby Avenue (Kimberly Wyche Huyghue)
- 433 E. Kirby Avenue (433 E. Kirby LLC)

• 443 E. Kirby Avenue (John K Loftus) 399 E. Kirby through 443 E. Kirby are being recommended for rezoning by the City Planning Commission in order to bring the existing properties into conformance with the Master Plan of Policies designation of Medium Density Residential by changing the zoning classification from Low-Density Residential District to Medium Density Residential District.

According to Chapter 50 of the 2019 Detroit City Code 'Zoning':

The **R3 Low Density Residential District** is designed as a low-density multi-family district. The regulations are designed to promote and encourage town and terrace house development, courts, and garden apartments. It is intended that this district be used primarily on local thoroughfares thereby encouraging a suitable environment for family life. Among others, uses permitted by right include single- and two-family dwellings, townhouses, multi-family dwellings, and community facilities necessary to serve a residential district.

This **R5 Medium Density Residential District** is designed to provide for a range of residential development from the single-family detached dwelling to medium-density multiple-family dwellings. The primary use in this district will be the rental apartment structure. In addition to permitted residential uses, certain specified non-residential uses which can be properly blended into this district may be permitted.

**BACKGROUND**

The subject properties are located in Council District 5 and measure approximately 1.1 acres in area. The parcel commonly identified as 457 E. Kirby Avenue is currently under the sole ownership of the applicant, Kirby Holdings LLC. The subject property is currently developed as a five-story multi-family residential 30-unit building, built in 1925, which is currently on local, state, and national historic registries.

**Proposed Development**

The proposed map amendment is being requested to allow for the establishment of "Retail sales and personal service in multiple-residential structures" at 457 E. Kirby, "as provided for in Section 50-12-312 of this Code," more specifically, a "coffee shop," or "standard restaurant." The petitioner is looking to establish a "Doc's Ice Cream Shop" and "Art Gallery." Upon approval, this location would be the petitioner's second "Doc's Ice Cream Shop" location in the Metro Detroit area. The proposed retail use as well as the food and beverages service use would be permitted on a conditional basis in the proposed R5 zoning district.

## **SURROUNDING LAND USE AND ZONING**

The zoning classifications and land uses surrounding the subject area are as follows:

North: R5; Single-family Residential and Multi-family Residential along E. Ferry Avenue.

East: R3; Single-family Residential and Multi-family Residential along E. Kirby Avenue.

South: R5; Peck Park.

West: PD; Center for Creative Studies Institute of Music and Dance

## **CITY PLANNING COMMISSION PUBLIC HEARING & OTHER COMMUNITY MEETINGS**

On November 5, 2020, the City Planning Commission held a public hearing on the subject rezoning request. Six members of the public who were in attendance expressed a desire to speak to the matter. Four persons spoke in support of the proposed rezoning and two spoke, expressing their frustrations with the petitioner's lack of community outreach and their concerns over increased traffic, and commercial activities.

The Commission expressed a desire for the petitioner to engage in meaningful community outreach directed to the adjacent property owners along E. Kirby and Beaubien Street. The Commission instructed CPC staff work with the petitioners to organize an additional community meeting in the project area to ensure that residents might have another opportunity to be informed of the proposed development and express their opinions or concerns.

Since the initial public hearing of November 5, 2020, CPC staff has received several correspondences in regards to this proposed rezoning. Upon the recommendation of this Commission, the petitioner held a community meeting on Saturday, November 7, 2020, at Peck Park at which Mr. Peter Putnam along with four other neighbors were in attendance.

Chiefly among the concerns expressed by members of the public at the November 5, 2020 public hearing was a lack of off-street parking and the anticipated increase in vehicular and pedestrian traffic that the proposed conditional uses might generate.

In a separate correspondence dated Friday, November 13, 2020, residents in the immediate area expressed their concerns over the proposed rezoning and/or commercialization of the subject area. Those correspondences have been attached for your review, and the Commission offers the following in response to the concerns outlined therein.

In the correspondence from Mr. Peter Putnam, which generally offered support for the proposed rezoning, there were five points of concern which the community

raised in their initial email to the Commission, for which we offer the following for your consideration.

1. *The residents want a signed agreement that, for several reasons (noise, hours, grease, rodents), no "standard restaurant," now or at any future date, occupy this space. (At our November 7, 2020 meeting in Peck Park, Mr. Silveri offered to put this in writing.)*

In this regard, the Commission believes that neither the Commission, nor the City Council has the authority to ask any developer to enter into a written agreement and/or impose deed restrictions upon their property to prohibit a particular use, with the exception of within the designation of a Planned Development (PD) zoning classification. The proposed uses, which in essence are the subject of the proposed rezoning, i.e. ice cream shop/ coffee shop/ art gallery, are all conditional land uses under the R5 provisions of the zoning ordinance. Therefore, before a permit is issued for any of these uses, a Special Land Use hearing before the Buildings, Safety Engineering, and Environmental Department (BSEED) *MUST* be held, in which the residents and property owners within 300 radial feet of the subject property would be notified of the request and of the hearing date, and be allowed to voice their concerns, support, or objections.

The zoning ordinance does not distinguish an ice cream shop or coffee shop as specific land uses, rather "Standard Restaurant" is the catch-all classification under which these uses fall. If there were any objections to a "standard restaurant" use at the aforementioned Special Land Use Hearing, and that objection was upheld by BSEED, neither the ice cream shop nor the coffee shop would be permitted to locate at 457 E. Kirby.

2. *The residents want to know the plan for tenant parking for the 30 tenants at 457 E. Kirby.*

The petitioner has indicated that they are in preliminary talks with an adjacent property owner to acquire land which could be utilized for parking. Given the age and location of the development, despite the property being 98% occupied, no off-street parking is required for the residential aspect of this site. In regards to the newly proposed uses of a standard restaurant and art gallery, given that the combined spaces are less than 3,000 square feet, no additional off-street parking is required for either of these uses as proposed.

3. *To curb noise, the residents want reasonable hours of operation for the ice cream/coffee shop/gallery.*

Reasonable hours of operation for the ice cream shop/coffee shop/art gallery can be established and added as one of the conditions required following the

BSEED special land use hearing. Hours of operation are typically one of the permit conditions which are added for land uses located adjacent to or across the street from land zoned for residential uses.

4. *The residents want an agreement that the outer area surrounding the ice cream/coffee shop/gallery be kept clean.*

This certainly can be added as a permit condition by BSEED.

5. *The residents are requesting a stop sign at the southwest corner of E. Kirby and Beaubien, directly across the street from the proposed shop. (This is especially essential since the ice cream shop will undoubtedly draw youth from the three schools that are all within a two-block vicinity of the shop.)*

As a part of the Commission's recommendation to Your Honorable Body, we support the community in their request that the Department of Public Works/Traffic Engineering Division erect a stop sign at the intersection of E. Kirby and Beaubien for safety purposes.

Additionally, correspondence was received from the residents of the Centurion Place On Ferry Street condominium complex in which they state their unanimous opposition to the proposed conditional land uses sought by the petitioner. Among their concerns are additional noise along Beaubien Street generated by vehicular and pedestrian traffic, as well as noise pollution from passenger vehicles, delivery trucks, and ambient noise, etc.

The letter presented by the residents of Centurion Place On Ferry Street also expressed a concern over a "standard restaurant" use obtaining a state-issued liquor license which would accommodate a different type of clientele with extended hours of operation along with additional deleterious effects such as grease disposal, garbage disposal, additional truck deliveries, etc. The Commission assures City Council and members of the public that "standard restaurants" which serve beer and/or wine are not permitted in the R5 zoning classification, as they are notably first permitted in the B2 (Local Business/Residential District) zoning classification. In response to the condominium association's concerns over a future owner changing the destination of any of the commercial or retail spaces, anything outside of an art gallery or standard restaurant would require another Special Land Use Hearing at BSEED in which residents and property owners within 300 radial feet would again be notified of the proposed use. However, if a "more intensive" restaurant operation wanted to locate on site they would be permitted to do so (provided they meet all other standards and permit requirements) as the zoning designation runs with the land and not with the owner.

Also among the concerns expressed by the condominium association are those of parking. For those residents who do not have the benefit of off-street parking associated with their dwellings, Kirby Holdings, LLC has committed to working with the established neighborhood association and the City of Detroit's Municipal Parking Department to pursue residential permit parking for the residents along E. Kirby and Beaubien. To the Commission's knowledge, the Department of Public Work's Traffic Engineering Division has not conducted specific traffic and/or parking studies geared towards the occupancy of 457 E. Kirby. As stated previously, given the age of the subject property and the less than 3,000 sq ft allocation of commercial space for the proposed uses, no additional off-street parking is required, however, the petitioner is exploring the possibility of acquiring additional land to utilize for off-street parking.

In regards to the condominium association's concerns over light trespass from any type of signage, the subject property is within a local historic district, the East Kirby Street Historic District, which would require any signage to be reviewed and approved by the Historic District Commission before any permits being issued. As a provision of the newly revised Chapter 4 -Signs, sign types will be based on Master Plan designation. In this case, the Master Plan designation of Medium Density Residential correlates to the sign district classification of High-Density Residential/Mixed Use Sign District which would prohibit any type of dynamic/animated/or digital signs. Illuminated wall signs such as what is proposed by the petitioner are permitted to be illuminated either internally or externally in the R5 zoning classification, however, given the subject properties proximity to the Centurion Place On Ferry Street condominiums, only shielded directional external lighting, which is directed away from all residences, would be permitted.

#### **LETTER OF SUPPORT**

Also attached for your review and consideration is a letter of support from Ms. Anne Beck, the CFO of the College for Creative Studies, which was submitted by the petitioner following the Saturday, November 7, 2020 meeting.

#### **MASTER PLAN CONFORMANCE**

The subject site is located within the Lower Woodward area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Medium Density Residential" for the subject properties. The Planning and Development Department (P&DD) has provided a report dated October 15, 2020 which speaks to the appropriateness of the requested rezoning.

#### **ANALYSIS**

The proposed zoning classification of

R5 would permit the requested uses of a "Standard Restaurant" and "Art Gallery" on a conditional basis.

The proposed R5 zoning classification would permit 35 by-right residential, public, civic, institutional, and other uses. The most intensive uses in the R5 zoning classification include "Hospital or hospice," and "Outdoor recreation facility."

The following analysis details how the proposed rezoning either meets or fails to meet the eight approval criteria of Section 50-3-70 of the Zoning Ordinance, which must be considered in making recommendations and decisions on standard rezoning requests.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend, or fact;

In this regard, the subject site has recently been renovated and restored to its former grandeur in conformance with the requirements of the local historic district, preserving the medium density residential character of the neighborhood as contemplated by the Master Plan of Policies.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

The proposed rezoning of R5 is consistent with the Master Plan of Policies as indicated in PDD's October 15, 2020 staff report.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

There are no foreseen adverse effects associated with the requested zoning classification in terms of health, safety, and/or the general welfare of the public. There have been concerns expressed by members of the public regarding the amount of increased vehicular and pedestrian traffic the proposed conditional uses may generate. As a result, the Commission is urging Council to support the community's request for the Department of Public Works – Traffic Engineering Division to erect a stop sign at the intersection of E. Kirby and Beaubien Street.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property while maintaining adequate levels of service to existing development;

The physical characteristics of the subject property will not change significantly as a result of any future development. Disruption to city services is not anticipated.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;

There are no anticipated adverse

impacts associated with rezoning regarding any of the aforementioned.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

Residents of the Centurion Place On Ferry Street condominium complex believe that the proposed conditional uses would have an adverse impact on their property, however, the zoning classification of Medium Density Residential is not objectionable, nor does it present any significant adverse impacts on other property.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

The R5 zoning classification has been determined to be appropriate for the subject site.

(8) Whether the proposed rezoning will create an illegal "spot zone."

Given the residential and mixed-use nature of the corridor in which this rezoning has been requested along with the size and proposed rezoning's consistency with the Master Plan of Policies, the staff is of the opinion that the proposed rezoning would not constitute an illegal "spot zone."

**Land Use**

The Commission believes that an R5 zoning classification is an appropriate designation consistent with the characteristics of the adjacent properties, which will allow for the establishment of mixed-use residential and commercial related uses.

**RECOMMENDATION**

On November 19, 2020 the City Planning Commission voted 7-2 to recommend approval of the request of Paul Silveri on behalf of Kirby Holdings, LLC and the Detroit City Planning Commission to amend Article XVII, District Map No. 6 of the 2019 Detroit City Code, Chapter 50, Zoning, by showing an R5 (Medium Density Residential District) zoning classification where an R3 (Low Density Residential District) zoning classification currently exists on six (6) parcels, commonly identified as 399, 401, 425, 433, 443 and 457 E. Kirby Avenue, generally bounded by E. Ferry Street to the north, Beaubien Street to the east, E. Kirby Street to the south and Brush Street to the west consistent with the approval criteria of Sec. 50-3-70 of the Zoning Ordinance. The Zoning Ordinance map amendment has been approved-as-to-form by the Law Department and is attached for your consideration.

**City Planning Commission**

January 15, 2020

Honorable City Council:

Re: Request of Paradise Valley Real Estate Holdings II, LLC, and the Detroit City Planning Commission to amend Article XVII, District Map No. 2 of the 2019 Detroit City Code, Chapter 50, Zoning, by showing a B5 (Major Business District) zoning classification where a B4 (General Business District) zoning classification currently exists on seven parcels, commonly identified as 300 Madison Avenue, and, 1400, 1452, 1468, 1480, 1496 and 1502 Randolph Street, generally bounded by Madison Avenue to the north, Brush Street to the east, Gratiot Avenue to the south and Randolph Street to the west.  
**(Recommend Approval)**

**NATURE OF REQUEST AND PROJECT PROPOSAL**

The City Planning Commission (CPC) has completed its review and deliberations on the request of Paradise Valley Real Estate Holdings II, LLC, and the Detroit City Planning Commission to amend Article XVII, District Map No. 2 of the 2019 Detroit City Code, Chapter 50, Zoning, by showing a B5 (Major Business District) zoning classification where a B4 (General Business District) zoning classification currently exists on seven parcels, commonly identified as 300 Madison Avenue, and, 1400, 1452, 1468, 1480, 1496 and 1502 Randolph Street, generally bounded by Madison Avenue to the north, Brush Street to the east, Gratiot Avenue to the south and Randolph Street to the west.

Upon reviewing both the Master Plan of Policies, the adjacent zoning classifications of zoning Map No. 2, and upon conducting a site visit to assess the current conditions and land uses associated with the subject area, the Commission has determined it is appropriate to co-petition and seek the rezoning of four additional parcels which are presently zoned B4 to be rezoned to B5. Those properties are identified below along with the owner-of-record information made available from the City Assessor's Office database:

- 300 Madison Avenue (Madison Randolph Association)
- 1400 Randolph Street (Revocable Trust of Robert Pozen)
- 1452 Randolph Street (Paradise Valley Real Estate Holding)
- 1502 Randolph Street (City of Detroit Downtown Development Authority)

300 Madison Avenue, 1400, 1452, and 1502 Randolph Street are being recommended for rezoning by the City Planning Commission to bring the existing properties into conformance with the Master Plan of Policies designation of Mixed Residential/Commercial (MRC) by chang-

ing the zoning classification from General Business District to Major Business District.

According to Chapter 50 of the 2019 Detroit City Code 'Zoning';

The B4 General Business District provides for business and commercial uses of a thoroughfare-oriented nature. In addition to these uses, other businesses, which may benefit by drawing part of their clientele from passing traffic are permitted. Additional uses, which may be successfully blended with permitted by-right uses, are conditional.

The B5 District is designed to provide adequate regulations within the Central business district, the New Center Area, and may be successfully utilized in other regionally-oriented shopping and office areas.

#### **BACKGROUND**

The subject properties are located in Council District 5 and measure approximately 1.2 acres in area. The parcels commonly identified as 1468, 1480, 1496 Randolph Street are currently under the sole ownership of the City of Detroit Downtown Development Authority (DDA), however, the applicant, Paradise Valley Real Estate Holdings II, LLC has an executed Development Agreement between themselves and the DDA. The subject properties are currently developed as a 56-space surface parking lot located in the Central Business District.

#### **Proposed Development**

The proposed map amendment is being requested to allow for the establishment of a new multistory mixed-use residential/commercial development i.e., "Multiple-family residential" and "Retail sales and personal service in multiple-residential structures", as provided for in Section 50-12-312 of this Code, at 1468, 1480 and 1496 Randolph. Additionally, a small two-story parking structure is contemplated for the ground levels of this proposed development which would provide parking for this and adjacent developments. The proposed mixed-use residential/commercial development would be permitted on a by-right basis in the proposed B5 zoning classification.

As stated previously, 300 Madison Avenue, and 1400, 1452 and 1502 Randolph Street are being recommended for rezoning by the City Planning Commission to bring the existing properties into conformance with the Master Plan of Policies by changing the zoning classification from General Business District to Major Business District. It is anticipated that both 300 Madison Avenue and 1400 Randolph Street will remain surface parking lots for the foreseeable future. 1452 Randolph Street is currently developed as an office building that houses *Real Times Media*, and *The Michigan Chronicle*, both of which are owned and operated by a subsidiary of the applicant, Paradise Valley

Real Estate Holdings, LLC. 1502 Randolph Street is currently developed as the *La Casa Cigar Bar*, which has recently been approved for an outdoor cafe permit in conjunction with a permit for a full-service kitchen, which is located on the southern side of the building.

#### **SURROUNDING LAND USE AND ZONING**

The zoning classification and land uses surrounding the subject area are as follows:

North: B4; Detroit Athletic Club and Gem & Century Theatres along Madison Avenue.

East: B4; Music Hall Center / Surface parking lots.

South: B4; Hilton Garden Inn hotel.

West: B5; Beatrice Buck Paradise Valley Park.

#### **CITY PLANNING COMMISSION PUBLIC HEARING & OTHER COMMUNITY MEETINGS**

On November 5, 2020, the City Planning Commission held a public hearing on the subject rezoning request. Seven members of the public who were in attendance via Zoom expressed a desire to speak to the matter. All seven persons spoke in support of the proposed rezoning and the proposed mixed use residential/commercial development. One speaker did ask that the developer take into consideration the proximity of the two-story parking garage in relation to adjacent outdoor patio uses on the subject block.

The Commission did not express any concerns associated with this development, however, did urge that a concerted effort be put forward to promote the development and the revitalization of the subject block. Since that time a detailed article has run in the Michigan Chronicle speaking to the merits of the proposed development.

#### **MASTER PLAN CONFORMANCE**

The subject site is located within the Central Business District area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Mixed Residential/Commercial (MRC)" for the subject properties. The Planning and Development Department (P&DD) has provided a report dated October 15, 2020, which speaks to the appropriateness of the requested rezoning.

#### **ANALYSIS**

The proposed zoning classification of B5 would permit the requested uses of a "Multiple-family residential" and "Retail sales and personal service in multiple-residential structures" on a by-right basis.

The proposed B5 zoning classification would permit 35 by-right residential, public, civic, institutional, and other uses. The most intensive uses in the B5 zoning classification include "Hospital or hospice," and "Outdoor recreation facility."

The following analysis details how the proposed rezoning either meets or fails to meet the eight approval criteria of Section 50-3-70 of the Zoning Ordinance, which must be considered in making recommendations and decisions on standard rezoning requests.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend, or fact;

In this regard, the subject area is trending towards mixed-use developments which is consistent with the mixed-use residential/commercial designation as contemplated by the Master Plan of Policies.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

The proposed rezoning of B5 is consistent with the Master Plan of Policies as indicated in PDD’s October 15, 2020 staff report.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

There are no foreseen adverse effects associated with the requested zoning classification in terms of health, safety, and/or the general welfare of the public. Consideration should be given to the proximity of the proposed two-story parking garage in relation to adjacent outdoor patio uses on the subject block.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property while maintaining adequate levels of service to existing development;

The physical characteristics of the subject property will significantly change as a result of any future development, however, disruption to city services is not anticipated.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding storm water management;

There are no anticipated adverse impacts associated with the proposed rezoning regarding any of the aforementioned.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

It is not anticipated that the proposed amendment will have significant adverse impacts on other properties in the vicinity. It is anticipated that this rezoning will have a synergistic impact on the immediate area.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

The B5 zoning classification has been determined to be appropriate for the subject site.

(8) Whether the proposed rezoning will create an illegal “spot zone.”

Given the commercial and mixed-use nature of the corridor in which this rezoning has been requested along with the size and proposed rezoning’s consistency with the Master Plan of Policies, the Commission is of the opinion that the proposed rezoning would not constitute an illegal “spot zone.”

**Land Use**

The Commission believes that a B5 zoning classification is an appropriate designation consistent with the characteristics of the adjacent properties, which will allow for the establishment of mixed-use residential and commercial related uses.

**RECOMMENDATION**

On November 19, 2020 the City Planning Commission voted unanimously to recommend approval of the request of Paradise Valley Real Estate Holdings II, LLC, and the Detroit City Planning Commission to amend Article XVII, District Map No. 2 of the 2019 Detroit City Code, Chapter 50, Zoning, by showing a B5 (Major Business District) zoning classification where a B4 (General Business District) zoning classification which currently exists on seven parcels, commonly identified as 300 Madison Avenue, and, 1400, 1452, 1468, 1480, 1496 and 1502 Randolph Street, generally bounded by Madison Avenue to the north, Brush Street to the east, Gratiot Avenue to the south and Randolph Street to the west consistent with the approval criteria of Sec. 50-3-70 of the Zoning Ordinance. The Zoning Ordinance map amendment has been approved as to form by the Law Department and is attached for your consideration.

Respectfully submitted,  
ALTON JAMES  
Chairperson  
MARCELL R. TODD, JR.

**Planning and  
Development Department**

January 11, 2021

Honorable City Council:

Re: Property Sale. 12901 E. McNichols.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Regina Lewis (the "Purchaser"), to purchase certain City-owned real property at 12901 E. McNichols (the "Property") for the purchase price of Ten Thousand Nine Hundred Forty and 00/100 Dollars (\$10,940.00).

The Property consists of a one story commercial structure in need of repair situated on approximately 6700 square feet of land and zoned B4 (General Business District).

The Purchaser proposes to renovate the structure for use as a tutoring center. Their proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Regina Lewis.

Respectfully submitted,  
KATHARINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

Now, Therefore, Be It Resolved, That Detroit City Council hereby approves of the sale of certain real property at 12901 E. McNichols, Detroit, MI (the "Property"), as

more particularly described in the attached Exhibit A incorporated herein, to Regina Lewis (the "Purchaser") for the purchase price of Ten Thousand Nine Hundred Forty and 00/100 Dollars (\$10,940.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) shall be paid to the DBA from the sale proceeds, 2) Five Hundred Forty Seven and 00/100 Dollars (\$547.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds, and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00), as well as any taxes and assessments which have become a lien on the property; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

#### Planning and Development Department

January 11, 2021

Honorable City Council:

Re: Property Sale. 2197 Hubbard.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Avraham Brandvain (the "Purchaser"), to purchase certain City-owned real property at 2197 Hubbard (the "Property") for the purchase price of Two Thousand Three Hundred and Seventy 00/100 Dollars (\$2,370.00).

Purchaser proposes to utilize the property as green space and a yard extension for their property at 2193 Hubbard. Currently, the property is within a R3 zoning district (Low Density Residential District). Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
KATHARINE G. TRUDEAU

Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 2197 Hubbard, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Avraham Brandvain (the "Purchaser") for the purchase price of Two Thousand Three Hundred and Seventy 00/100 Dollars (\$2,370.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) One Hundred Forty Three and 00/100 Dollars (\$143.00) shall be paid to the DBA from the sale proceeds, 2) One Hundred Nineteen and 00/100 Dollars (\$119.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds, and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00), as well as any taxes and assessments which have become a lien on the property; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is autho-

rized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

January 14, 2021

Honorable City Council:

Re: Option to Purchase – 7515 Elmhurst et al, Detroit, MI. Michigan Statewide Carpenters and Millwrights Joint Apprenticeship and Training Fund/TCF National Bank.

On March 26, 2019, your Honorable Body adopted a resolution (the "Resolution") approving that certain lease agreement (the "Lease Agreement") to lease 7515 Elmhurst and eight (8) other parcels in Detroit, MI (the "Properties") to the Michigan Statewide Carpenters and Millwrights Joint Apprenticeship and Training Fund ("Training Fund") to construct and operate a \$30,000,000.00 carpenters and millwrights skilled trades training facility (the "Project"). The Training Fund has obtained a loan commitment from TCF National Bank and its successors and assigns ("Lender") to provide upwards of \$24,000,000.00 (the "Loan") towards construction of the Project to be secured by the Training Fund's leasehold interest in the Properties.

Both the Resolution and the Lease Agreement granted the Training Fund an option to purchase the Properties at any time during the term of the Lease Agreement, provided: (1) that the City and Train-

ing Fund mutually agree upon a reasonable sales price and (2) that City Council grant approval of such sale to the Training Fund separate and apart from the initial Resolution ("Training Fund Option to Purchase").

As a condition to closing the Loan, the Lender requires: (1) that the sales price be determined and the additional City Council approval be granted for the Training Fund Option to Purchase and (2) that the Lender also be granted an option to purchase the Properties at any time prior to full repayment of the Loan in the event that the City terminates the Lease Agreement ("Lender Option to Purchase").

The City, Training Fund and Lender have determined a reasonable sales price for both the Training Fund Option to Purchase and the Lender Option to Purchase to be the highest and best offer determined by the buyer at the approximate time of sale or approximate time of termination of the Lease Agreement, as the case may be, minus the remaining unpaid balance on the Loan and minus all applicable closing costs, but in no instance shall such purchase price amount to the City be less than \$305,000.00 (the "Purchase Price").

In the interests of seeing a successful completion of the Project that will accrue certain benefits to the public and provide for a new, state-of-the-art skilled trades training facility in Detroit, we hereby request that your Honorable Body adopt the attached resolution that approves the Training Fund Option to Purchase and the Lender Option to Purchase.

Respectfully submitted,  
KATHARINE G. TRUDEAU

Deputy Director

By Council Member Tate:

Whereas, On March 26, 2019, Detroit City Council adopted a resolution (the "Resolution") approving that certain lease agreement (the "Lease Agreement") whereby the City of Detroit ("City") leased 7515 Elmhurst and eight (8) other parcels in Detroit, MI (the "Properties"), as further described in the attached Exhibit A incorporated herein, to the Michigan Statewide Carpenters and Millwrights Joint Apprenticeship and Training Fund ("Training Fund"), a multiemployer Trust Fund established under the principles of the Employee Retirement Income Security Act of 1974 that is recognized as a tax exempt entity pursuant to Internal Revenue Code Section 501(c)(3), to construct and operate a \$30,000,000.00 union carpenters and millwrights training facility (the "Project"); and

Whereas, The Training Fund has obtained a loan commitment from TCF National Bank and its successor and assigns ("Lender"), a national banking association, to provide upwards of \$24,000,000.00 (the "Loan") towards construction of the Project to be secured by the Training Fund's leasehold interest in the Properties; and

Whereas, Both the Resolution and the Lease Agreement granted the Training Fund an option to purchase the Properties at any time during the term of the Lease Agreement, provided that the City and Training Fund mutually agree upon a reasonable sales price and that City Council grants approval of such sale to the Training Fund separate and apart from the initial Resolution; and

Whereas, As a condition to closing the Loan, the Lender requires: (1) that the sales price be determined and the additional City Council approval be granted for the Training Fund option to purchase and (2) that the Lender also be granted an option to purchase the Properties at any time prior to full repayment of the Loan in the event that the City terminates the Lease Agreement; and now therefore be it

Resolved, That Detroit City Council hereby approves an option to purchase the Properties for the Training Fund, the Training Fund's successors and assigns, and the Training Fund's successors and assigns of the Lease Agreement ("Training Fund Option to Purchase"). The purchase price for the Training Fund Option to Purchase shall be calculated as the highest and best offer determined by the buyer at the approximate time of sale minus the remaining unpaid balance on the Loan and minus all applicable closing costs, but in no instance shall such purchase price amount to the City be less than \$305,000.00; and be it further

Resolved, That the Training Fund Option to Purchase shall expire upon the expiration date of the Lease Agreement or the termination date of the Lease Agreement, whichever of such dates is earlier; and be it further

Resolved, That Detroit City Council hereby approves an option to purchase the Properties for the Lender and the Lender's successors and assigns ("Lender Option to Purchase"). The purchase price for the Lender Option to Purchase shall be calculated as the highest and best offer determined by the Lender at the approximate time of sale minus the remaining unpaid balance on the Loan and minus all applicable closing costs, but in no instance shall such purchase price amount to the City be less than \$305,000.00; and be it further

Resolved, That the Lender Option to Purchase shall expire upon the date of full repayment of the Loan; and be it further

Resolved, That the P&DD Director, or his authorized designee, be and is hereby authorized to execute and record quit claim deeds and any other instruments necessary or convenient for both the Training Fund Option to Purchase and the Lender Option to Purchase as consistent with this resolution; and be it further

Resolved, That the P&DD Director, or

his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deeds, Training Fund Option to Purchase and the Lender Option to Purchase (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Properties by the City, provided that the changes do not materially alter the substance or terms of the transfers; and be it finally

Resolved, That the quit claim deeds will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

\*WAIVER OF RECONSIDERATION (No. 21), per motions before adjournment.

**Department of Public Works  
Administration Division**

October 19, 2020

Honorable City Council:

Re: Petition #1348 – Corktown Community Development Fund, request for 135 banners to be displayed on Michigan Ave between 6th St. and 20th St.

The Department of Public Works, Traffic Engineering Division received the above referenced petition. This department has no objections to the renewal of banners, provided that the banner installation is in compliance with the banner policy adopted by your Honorable Body on November 30, 2001, and subject to the following conditions:

1. One hundred and thirty five (135) banners are to be located along Michigan Ave. between 6th St. and 20th St. as shown in the attached map.

2. The duration of banner installation shall be from December 14, 2020 through March 1, 2021 and can be extended for an additional 90 days to a maximum of 180 days in a 12-month period provided

according to Sec. 43-4-87, Division 4-Banners on public lighting poles, Part IV-Detroit City Code (version Sep. 30th, 2019).

3. Banners shall not exceed thirty-two (32) inches in width by ninety-four (94) inches in height and should be acrylic or vinyl with standard slitting (also called "Happy Faces").

4. Banners shall be affixed to allow minimum of (15) feet clearance from walkway surface.

5. Banners shall not include flashing lights that may be distracting to motorists.

6. Banners shall not have displayed thereon any legend or symbol which is, or resembles, or which may be mistaken for a traffic control device, or which attempts to direct the movement of traffic.

7. Commercial advertising is strictly prohibited on all banners; including telephone numbers, mailing addresses, and web site addresses.

8. A sponsoring organization's logo and/or name may be included at the bottom of the banner in a space no more than ten (10) inches in height by thirty (30) inches in length, and letter size shall be limited to four (4) inch maximum and placed at the bottom of the banner.

9. Sponsoring organizations may not include messages pertaining to tobacco and related products, alcoholic beverages, firearms, adult entertainment or sexually explicit products, or political campaigns.

10. Sponsoring organizations may not include legends or symbols which may be construed to advertise, promote the sale of, or publicize any merchandise or commodity, with the exception of sponsorship as described in the banner policy (see section 9 of the policy).

11. Banner placement must be a minimum of 120 feet or every other pole apart, whichever is greater, including banners that may exist at the time of the installation and is limited to a two thousand (2000) feet radius area of the event location or within the stated organization's boundaries.

12. The design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free movement of traffic.

13. The petitioner SHALL secure an approval from Public Lighting Department to use their utility poles to hang the banners.

14. The petitioner SHALL secure Right of Way permit from City Engineering Division every time the banners are changed/replaced.

15. The wording on the banners will be (please see below).

16. Since Michigan Ave. is a state trunk line in the above location, approval from the Michigan Department of Transportation is required.

If deemed appropriate by the City of Detroit, The City reserves the right to

have the banners removed by the Petitioner at the Petitioner’s cost prior to expiration date.

Respectfully submitted,  
RON BRUNDIDGE

Director  
Department of Public Works

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 22), per motions before adjournment.

**A RESOLUTION CONTINUING THE DETROIT CITY COUNCIL**

**RETURNING CITIZENS TASK FORCE**

By Council Member Ayers:

WHEREAS, In the fall of 2015 the Detroit City Council approved a resolution to create the City of Detroit’s Returning Citizens Task Force to meet the needs of a large population of Detroit residents who are challenged with successfully reintegrating back into the community from the corrections system; and

WHEREAS, More than 200 individuals reenter Detroit on a monthly basis from incarceration with little to no help in finding the services available to them; and

WHEREAS, Over the past five years, the Task Force has worked with the non-profit community, private, and public entities to create a system of opportunities for returning citizens to access a plethora of service providers all in one place, while also building relationships between service providers to more effectively and efficiently serve this population; and

WHEREAS, Assisting Detroiters in their return to their communities benefits us all, socially and economically, as we look to improve our tax base and meet the demands of jobs that are coming to our city. The Task Force shall serve as the entity that will continue to facilitate a working relationship with the various organizations that self-identify as services for returning citizens; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby extends the Returning Citizens Task Force until December 2021; and BE IT FURTHER

RESOLVED, That the Returning Citizens Task Force will continue to be chaired by Council Member Janee’ Ayers; and BE IT FURTHER

RESOLVED, That the Returning Citizens Task Force meetings are open to the public; with dates, times, and locations to be noticed by the Detroit City Clerk.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate

and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 23), per motions before adjournment.

**RESOLUTION REESTABLISHING THE DISABILITY TASK FORCE**

By Council Member Leland:

WHEREAS, The City of Detroit is defining its comeback through various large scale development projects and initiatives designed to spur redevelopment, within the neighborhoods across the City. While the City of Detroit is being reinvigorated, it is imperative that the rights and needs of the disability community be fully recognized and integrated into our revitalized city; and

WHEREAS, The Americans with Disabilities Act of 1990, (42 U.S.C. 12101 et seq.) (ADA), requires all state and local governments to make appropriate physical improvements and communication — including the delivery of necessary aid and services, so that individuals with disabilities might fully participate in all aspects of civic life; and

WHEREAS, Pursuant to the ADA, public entities must provide residents with physical and mental disabilities equal access to job training opportunities, transportation, housing, and public places; and

WHEREAS, Individuals with disabilities and their advocates should be directly involved with policymaking, therefore, the Detroit City Council continues to recognize the need for the Disability Task Force, which is a forum for those interested in advancing the needs of the disabled community to meet and share information and ideas; NOW THEREFORE BE IT

RESOLVED, The Detroit City Council hereby reestablishes the Disability Task Force effective immediately with meetings held monthly, continuing until December 31, 2021 and chaired by Council Member Gabe Leland. The Disability Task Force may include residents, representatives from the community, labor, the business sector, as well as any other individuals interested in participating.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 24), per motions before adjournment.

**A RESOLUTION CREATING THE DETROIT CITY COUNCIL**

**AFFORDABLE HOUSING TASKFORCE**

By Council Member Sheffield:

WHEREAS, The Affordable Housing Task Force will focus on promoting the health, safety and general welfare of the citizens of the City through the implemen-

tation of housing goals, objectives and policies that support economically integrated housing opportunities in the development or rehabilitation of housing.

WHEREAS, The Affordable Housing Task Force will also advocate on behalf of all residents within the City including but not limited to those with disabilities, those of moderate and low income as well as those who are homeless; NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council by this resolution creates the Detroit City Council Affordable Housing Task Force of Council President Pro-Tempore Mary Sheffield until December 31, 2021, at which time the Task Force pursuant to City Council Rules shall submit a report with its annual renewal resolution detailing how its goals and objectives have been met in the previous calendar year and any other relevant information to the Detroit City Council and the City Clerk's Office; and BE IT FURTHER

RESOLVED, That the Affordable Housing Task Force shall consist of representatives from a disability rights organization, fair housing experts, developers of extremely low income housing, an organization representing people experiencing homelessness, and/or affordable housing policy experts; and BE IT FURTHER

RESOLVED, That the Affordable Housing Task Force will be chaired by Council President Pro-Tempore Mary Sheffield or her designee; and BE IT FURTHER

RESOLVED, That the Affordable Housing Task Force meetings are open to the public; with dates, times, and locations to be noticed by the Detroit City Clerk.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

#### **RESOLUTION CONTINUING THE DETROIT CITY COUNCIL TASK FORCE ON MENTAL HEALTH**

By Council Member McCalister, Jr.:

WHEREAS, Mental health is important at every stage of life, from childhood and adolescence through adulthood. It includes our emotional, psychological, physical and social well being. The problems of mental health range from depression and anxiety to more infrequent afflictions such as schizophrenia and bipolar disorder; it affects how we think, feel and act. It also determines how we handle stress, relate to others and make choices; and

WHEREAS, Michigan's Mental Health services constraints began when Congress passed the Community Mental Health Act of 1963. It provided an incentive for the closing of state-funded mental

hospitals, while promising to fund community-based mental health centers and programs designed to provide outpatient services and treatment. In 1991, former Michigan Governor John Engler, closed a number of psychiatric facilities, which forced several patients in treatment out into the world with no back-up plan in place. The proposed funds for mental health centers and initiatives never materialized, leaving us in our current state of disorganization and needing more structured assistance for our endangered patients and their families; and

WHEREAS, There is an obvious deficiency of resources and coordinated services in the City of Detroit. Conversely, there is a direct link associated with the problems of Homelessness, poverty, crime and other challenges associated with Mental Health. The stigma attached to Mental Health along with persons who are untreated, under-diagnosed and or the sheer lack of awareness concerning Mental Illness in Detroit. The statistics prove this is an epidemic. Here are the staggering national numbers: 1 in 5 U.S. adults experience mental illness each year 1 in 25 U.S. adults experience serious mental illness each year 1 in 6 U.S. youth aged 6-17 experience a mental health disorder each year and suicide is the 2nd leading cause of death among people aged 10-34; Covid 19 has proven that the stressors, massive loss of life and other effects of a worldwide pandemic have amplified the need for more services, outreach and structure in and around awareness, diagnoses and treatment of mental health and other related issues; and

WHEREAS, The Detroit City Charter was established to "(address) the needs of all citizens", and to "(institute) programs, services and activities addressing the needs of our communities within its Declaration of Rights" – it explicitly states that "The City shall provide for the public peace, health and safety of all persons and property within its jurisdictional limits"; and

WHEREAS, The public peace, health and safety in the City of Detroit could be greatly improved by continuing our drive to provide a concentrated and collaborated effort between the City Council and all organizations which advocate for, educate and provide mental health services. It is ineffective and detrimental to the human capital of the City of Detroit to the process those persons living with mental illness through the criminal justice system as a result of their illness; and

WHEREAS, The goals and overall purpose of the Mental Health Task Force is to continue carving out the negative stigma associated with Mental Illness while bridging the gap between overwhelming needs and providing the appro-

prate resources. We will continue to educate our residents pertaining to Mental Health and further a heightened sense of awareness, promote education, improve coordinated services, while strengthening the capacity of the City to serve its residents. But, remember, behind every statistic is a person who is loved; and NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council hereby continues the established Mental Health Task Force, chaired by Council Member Roy McCalister, Jr., effective immediately and continuing through December 31, 2021.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 25), per motions before adjournment.

**RESOLUTION TO CHANGE THE START TIME OF STANDING COMMITTEE MEETINGS AND LIMIT MEETING TIME TO AN HOUR DURING THE 2021-2022 BUDGET HEARINGS**

By Council Member Ayers

RESOLVED, That the City Council Standing Committee meetings from Monday, March 8, 2021 through Thursday, March 25, 2021 that are regularly scheduled to begin at 10:00 A.M., shall begin at 9:00 A.M., resuming the 10:00 A.M. starting time on Monday, March 29, 2021, as well as the Planning and Economic Standing Committee that is scheduled to start at 11:00 A.M. shall begin at 10:00 A.M. through March 25, 2021; and THEREFORE BE IT

RESOLVED, That all Standing Committee meetings from Monday, March 8, 2021 through Wednesday, April 7, 2021, will be scheduled to last no more than one hour in order to accommodate the departmental hearings as well as all executive session budget deliberations; NOW, THEREFORE BE IT FINALLY

RESOLVED, That the City Clerk post notice of this change of time in all places that notices are currently posted of the time for City Council sessions.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**RESOLUTION TO SET THE DATE AND TIME AND OF THE PUBLIC HEARING FOR THE 2021-2022 BUDGET**

By ALL COUNCIL MEMBERS:

RESOLVED, That a Public Hearing be set on Monday, March 29, 2021 at 5 P.M. via Zoom, for the purpose of allowing the citizens to report their concerns, if any that they have relative to anything contained in the 2021-2022 Mayor's Recommended Budget; NOW, THEREFORE BE IT FINALLY

RESOLVED, That the City Clerk post notice of the date and time of this public hearing in all places that notices are cur-

rently posted for City Council public hearings.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**RESOLUTION TO INSTITUTE THE BUDGET CALENDAR SCHEDULING POLICY FOR THE 2021-2022 BUDGET DELIBERATIONS**

By ALL COUNCIL MEMBERS:

RESOLVED, For the 2021-2022 Legislative budget process, the City Council agrees with instituting a process under the direction of the City Council's Legislative Policy Division to ensure a realistic Budget Calendar scheduling policy; SO BE IT

RESOLVED, A Preliminary Budget Calendar shall be forwarded to the Mayor's Office, Administration Department and Agency Directors, Directors of entities receiving a city subsidy and Council Members for their review and comment; and BE IT FURTHER

RESOLVED, That necessary revisions shall be submitted to the Legislative Policy Division by Wednesday, February 17, 2021 and thereafter the proposed Budget Calendar shall be considered final; and BE IT FURTHER

RESOLVED, A budget hearing date as scheduled in the final Budget Calendar cannot be rescheduled by a department, division, or agency head unless the reasons for rescheduling such date is due to an extreme emergency, such as determined by and approved by City Council; and BE IT FURTHER

RESOLVED, If a department or agency head cannot attend a scheduled budget hearing per the Budget Calendar due to any other reason than an extreme emergency, then the department or agency head shall send another departmental or agency representative to the scheduled budget hearing in his or her stead; and BE IT FURTHER

RESOLVED, That the City Council agrees with the process to ensure a realistic scheduling policy to better facilitate the legislative budget process, and to significantly reduce the need to reschedule budget hearing dates as listed in the Budget Calendar; NOW, THEREFORE BE IT FINALLY

RESOLVED, That a copy of this Resolution be forwarded along with the proposed budget calendar to department, division, and agency directors.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**INTERNAL OPERATIONS  
STANDING COMMITTEE**

**Office of the Assessor  
Board of Review**

January 21, 2021

Honorable City Council:

Re: Resolution Adopting Approval of Homeowners Property Tax Assistance Program Applications through 2021 under PA 253 of 2020.

On December 23, 2021 Governor Gretchen Whitmer signed into law Public Act 253 of 2020 amending MCL 211.7u, the statute that addresses the exemption of residential owner occupied real property by reason of poverty. What has been adopted in Detroit as the Homeowners Property Tax Assistance Program (HPTAP).

The purpose of this communication is to ask this Honorable Body to adopt a resolution giving authority to the Office of the Assessor to allow the principal residence of a person by reason of poverty that has been determined to still be eligible for this exemption and the property was exempt from the collection of taxes in tax year 2019 or 2020 or both will remain exempt through 2021.

In order to be consistent with the amended statute, local units must adopt a resolution by February 15, 2021 to carry the exemption forward (MCL 211.7u(8)). The language as written requires a review of approved exemptions by the Office of the Assessor. The importance is to ensure that only those properties that are truly eligible receive the exemption (did not transfer, still owner occupied, etc.)

Because of the current pandemic, especially reducing the health risks associated with the activity that would be centered on submitting on HPTAP application, there is a definite need for the tax exemptions to be approved through 2021. It also will provide much needed support and assistance to both the families that depend on the process and the Board of Review and Office of the Assessor that is required to process and manage each appeal. First it will reduce the number of appeals filed to the Board of Review by approximately 11,000 applications which will be entered at the March Board of Review. Having the decisions entered at the March Board of Review means that property owners will see the exemption on their tax bills when issued in July providing for a more accurate tax roll with far less adjustments from those applicants that would be reoccurring which historically have been filed later in the year. Only new applications or those not exempt in the previous two years would have to be addressed.

This also means that more of an effort can be placed on those homeowners that may be in threat of tax foreclosure and

have the opportunity to participate in the "Pay As You Stay Program" (PAYS) can be targeted for assistance. A program that is equally as important because it has a sunset of 2023.

This communication is submitted in cooperation with the Office of the Assessor and we ask that this Honorable Body adopt the attached resolution and add a waiver of reconsideration.

Respectfully submitted,  
WILLIE C. DONWELL, MCAT

Administrator  
Detroit Board of Review  
By Council Member McCalister, Jr.:

Whereas, Pursuant to Public Act 206 of 1893, as amended, specifically MCL 211.7u, the principal residence of persons who, by reason of poverty, are unable to contribute toward the public charges is eligible for exemption from taxation; and,

Whereas, Pursuant to Public Act 253 of 2020, amending MCL 211.7u this Honorable Body is charged with adopting the carry forward of said exemptions through 2021 for the persons who were determined to still be eligible for the exemption and the property was exempt in 2019 or 2020 or both; and,

Whereas, Pursuant to Section 9-401 of the Charter of the City of Detroit this Honorable Body has appointed a Citizen's Board of Review to hear and determine applications for exemption from taxation by reason of poverty;

Now, Therefore Be It

Resolved, That if the Office of the Assessor determines that a principal residence of a person by reason of poverty is still eligible for this exemption and the property was exempt from the collection of taxes in the tax years of 2019 or 2020 or both, the property shall remain exempt from the collection of taxes through 2021 is hereby adopted and approved.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 1), per motions before adjournment.

**Office of the Assessor  
Board of Review**

January 21, 2021

Honorable City Council:

Re: Resolution Adopting Amendments to the Homeowners Property Tax Assistance Program.

On December 23, 2021 Governor Gretchen Whitmer signed into law Public Act 253 of 2020 amending MCL 211.7u, the statute that addresses the exemption of residential owner occupied real property by reason of poverty. What has been adopted in Detroit as the Homeowners Property Tax Assistance Program (HPTAP).

The purpose of this communication is to ask this Honorable Body to adopt a resolution amending the 2021 HPTAP policies, procedures and guidelines. In accordance with the newly amended statute, the State Tax Commission is required to prescribe the application while still requiring the governing body of the local assessing unit to adopt the policy and guidelines used for the granting of exemptions under MCL 211.7u.

City Council adopted an application and guidelines for the 2021 tax year in November of 2020 prior to the change in the state statute. The only changes that are being asked from what was originally adopted is the following:

1. The application is provided by the State Tax Commission. The City of Detroit is no longer required to develop an application.

2. The income guidelines will remain the same although certain printed language will change regarding the 2021 Process for Reviewing HPTAP Applications.

a. Section 3 "A completed and signed Application for MCL 211.7u Poverty Exemption — Michigan Treasury Form 5737."

b. Section 5 "If the taxpayer shows extraordinary circumstances, the Board of Review may consider the application as approved by the State Tax Commission."

c. Section 5 "If approved for a multi-year exemption, eligible applicants may remain exemption for up to 3 additional years with reapplication."

3. The required review of the applications will not change. Each application will be reviewed on a case-by-case basis and a determination made accordingly.

There was a change in the statute that removed the authority from the Board of Review to deviate from the guidelines for substantial and compelling reasons. That authority now has to be requested and approved by the State Tax Commission. I will be working with the Office of the Assessor who is required to file the request with the State Tax Commission.

Once approved, we will work to have application available as quickly as possible.

Respectfully submitted,  
WILLIE C. DONWELL, MCAT

Whereas, Pursuant to Section 9-401 of

the Charter of the City of Detroit this Honorable Body has appointed a Citizen's Board of Review to hear and determine applications for exemption from taxation by reason of poverty; and,

Whereas, The Citizen's Board of Review has submitted to this Honorable Body the attached proposed amended 2021 Homeowners Property Tax Assistance Program policies, procedures and guidelines for approval;

Now, Therefore Be It

Resolved, That it is hereby found and determined that the attached proposed amended 2021 Homeowners Property Tax Assistance Program policies, procedures and guidelines provide for the exemption from taxation the principal residence of persons who, by reason of poverty, are unable to contribute toward the public charges; and be it further

Resolved, That the proposed amended 2021 Homeowners Property Tax Assistance Program policies, procedures and guidelines are hereby adopted and approved.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**Office of the Chief Financial Officer  
Office of Development and Grants**  
December 22, 2020

Honorable City Council:

Re: Authorization to submit a grant application to the National Park Service for the Save America’s Treasures Grant.

The General Services Department is hereby requesting authorization from Detroit City Council to submit a grant application to the National Park Service for the Save America’s Treasures Grant. The amount being sought is \$500,000.00. The Federal share is 50 percent or \$500,000.00 of the requested amount and there is a required cash match of 50 percent or \$500,000.00. The total project cost is \$1,000,000.00.

The Save America’s Treasures Grant will enable the department to:

- Support continued historic preservation work at the Historic Fort Wayne.
- Make repairs to Fort Wayne’s Collections Resource Center (CRC) Building 2A in order to provide needed storage for historic materials and prepare for repairs needed to reopen other buildings at Fort Wayne.

If the application is approved, a cash match will be provided from appropriation 21002.

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,  
TERRI DANIELS  
Director

Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

By Council Member Sheffield:

Whereas The General Services Department has requested authorization from City Council to submit a grant application to the National Park Service, for the Save America’s Treasures Grant, in the amount of \$500,000.00, to support continued historic preservation work at the Historic Fort Wayne; and

Whereas, The General Services Department has \$500,000.00 available in its Departmental allocation in appropriation 21002, for the City match requirement for the Save America’s Treasures Grant; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It Resolved, The General Services Department is hereby authorized to submit a grant application to the National Park Service for the Save America’s Treasures Grant.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**NEW BUSINESS**

**Department of Public Works  
City Engineering Division**

December 21, 2020

Honorable City Council:

Re: Petition No. 1342 — Godfrey Detroit PropCo, LLC request for various encroachments and to outright vacate part of the public alley and existing utility easements located between Michigan Avenue, 8th Street, Leverette Street, Trumbull Street, and Church Street.

Petition No. 1342 — Godfrey Detroit PropCo, LLC request for various encroachments and the outright vacation of part of the public alley, 20 feet wide, and existing utility easements located between Michigan Avenue, 120 feet wide, 8th Street, 50 feet wide, Leverette Street, 60 feet wide, Trumbull Street, 50 feet wide, and Church Street, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request is being made as part of the development of the Godfrey Hotel on Michigan Avenue.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW, and City Engineering — DPW.

Detroit Water and Sewerage Department (DWSD) has no objections to the outright vacations or encroachments provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections to the outright vacation or encroachments. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,  
RICHARD DOHERBY  
P.E., City Engineer

City Engineering Division — DPW  
By Council Member Benson:

Resolved, The public alley, 20 feet wide, and existing utility easements located between Michigan Avenue, 120 feet wide, 8th Street, 50 feet wide, Leverette Street,

60 feet wide, Trumbull Street, 50 feet wide, and Church Street, 60 feet wide, further described as land in the City of Detroit, Wayne County, Michigan being:

1. The east-west public alley, 20 feet wide, lying southerly of and adjacent to the east 44.9 feet of lot 3 and lying northerly of and adjacent to the west 45 feet of lot 12 of "Block 79 of Woodbridge Farm" as recorded in Liber 1, Page 146-7 of Plats, Wayne County Records.

2. The utility easement, 20 feet wide, described as being the west 20 feet of the east 25 feet of lot 12 of "Block 79 of Woodbridge Farm" as recorded in Liber 1, Page 146-7 of Plats, Wayne County Records. Alley vacated to easement on August 5th, 1987, per J.C.C. 1987, Page 1846-47.

3. The utility easement, 20 feet wide, described as being the west 20 feet of lot 13 of "Block 79 of Woodbridge Farm" as recorded in Liber 1, Page 146-7 of Plats, Wayne County Records. Alley vacated to easement on October 3rd, 1967, per J.C.C. 1967, Page 2310-12.

4. The utility easement, 20 feet wide, lying southerly of and adjacent to lot 2 and northerly of and adjacent to lots 12 and 13 of "Block 79 of Woodbridge Farm" as recorded in Liber 1, Page 146-7 of Plats, Wayne County Records. Alley vacated to easement on October 3rd, 1967, per J.C.C. 1967, Page 2310-12.

Be and the same are hereby vacated (outright) as public right-of-way and utility easement to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services; and further

Provided, That any construction in the public right-of-way such curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and be it also

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Godfrey Detroit PropCo, LLC or their assigns to install and maintain encroachment for a canopy, frost slabs and door swings, and for building elements and lighting to be installed along 8th Street and Leverette Street for the Godfrey Hotel Development at, adjacent to 1401 Michigan Avenue; encroachments described as:

1. Canopy extending 7 feet into the west side of 8th Street lying easterly of and adjacent to lot 14 of "Block 79 of Woodbridge Farm" as recorded in Liber 1,

Page 146-7 of Plats, Wayne County Records. Said canopy being 28 feet wide and ranging between 10.2 feet and 11.8 feet above grade.

2. Building elements and lighting to extend 1 foot into the north side of Leverette Street, 60 feet wide, for 128.5 feet west of the west line of 8th Street, lying easterly of and adjacent to lots 1 and 14 of "Block 79 of Woodbridge Farm" as recorded in Liber 1, Page 146-7 of Plats, Wayne County Records. Also extending 1 foot into the west side of 8th Street for 167.1 feet from the north line of Leverette Street, lying southerly of and adjacent to lots 12 through 14 of "Block 79 of Woodbridge Farm" as recorded in Liber 1, Page 146-7 of Plats, Wayne County Records.

3. Frost slab and door swing to extend 4.5 feet into 8th Street and being 6 feet wide, lying easterly of and adjacent to lot 14 of "Block 79 of Woodbridge Farm" as recorded in Liber 1, Page 146-7 of Plats, Wayne County Records. Also a frost slab and door swing, 4.5 feet x 6 feet, to extend into the southern half of the public alley, 20 feet wide, lying northerly of and adjacent to the east 4.5 feet of lot 11 of "Block 79 of Woodbridge Farm" as recorded in Liber 1, Page 146-7 of Plats, Wayne County Records.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall become borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Godfrey Detroit PropCo, LLC or their assigns; and further

Provided, That the Godfrey Detroit PropCo, LLC or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works — City Engineering Division; and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Godfrey Detroit PropCo, LLC or their assigns. Should damages to utilities occur Godfrey Detroit PropCo, LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall

be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That the Godfrey Detroit PropCo, LLC or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Godfrey Detroit PropCo, LLC or their assigns of the terms thereof. Further, Godfrey Detroit PropCo, LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Godfrey Detroit PropCo, LLC, or their assigns; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and Godfrey Detroit PropCo, LLC acquires no implied or other privileges hereunder not expressly stated herein; and be it further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That no structural elements be constructed to encroach into the public right-of-way extending from surface grade to 8 feet above surface grade; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

\*WAIVER OF RECONSIDERATION (No. 8), per motions before adjournment.

**LAW DEPARTMENT**

January 26, 2021

Honorable City Council:

Re: Proposed ordinance to amend Chapter 42 of the 2019 Detroit City Code, *Solid Waste and Illegal Dumping*.

Council Member Benson has requested that the Law Department prepare an ordinance to Chapter 42, of the 2019 Detroit City Code, *Solid Waste and Illegal Dumping*; by adding Article IV, *Recycling Services*, Division 1, *Generally*, to include Sections 42-4-1 through 42-4-10; Division 2, *Approval, Location and Maintenance of Recycle Carts*; Subdivision A, *Standard-Sized Recycle Carts*, to include Sections 42-4-11 through 42-4-15; Subdivision B, *Large Movable Receptacles*; to include Sections 42-4-16 through 42-4-30; Division 3, *Collection of Recyclable Material*, Subdivision A, *Domestic Collection*, to include Section 42-4-31; and, Subdivision B, *Commercial Collection*, to include Sections 42-4-32 through 42-4-40, to create domestic and commercial recycling service programs in the City of Detroit.

A copy of the ordinance which has been approved as to form is attached for your review and consideration.

Respectfully submitted,  
VIE SERIFOVSKI  
Assistant Corporation Counsel  
Municipal Section  
TINA TOLLIVER  
Office of Budget

By Council Member Benson:

**AN ORDINANCE** to amend Chapter 42, of the 2019 Detroit City Code, *Solid Waste and Illegal Dumping*; by adding Article IV, *Recycling Services*, Division 1, *Generally*, to include Sections 42-4-1 through 42-4-10; Division 2, *Approval, Location and Maintenance of Recycle Carts*; Subdivision A, *Standard-Sized Recycle Carts*, to include Sections 42-4-11 through 42-4-15; Subdivision B, *Large Movable Receptacles*; to include Sections 42-4-16 through 42-4-30; Division 3, *Collection of Recyclable Material*, Subdivision A, *Domestic Collection*, to include Section 42-4-31; and, Subdivision B, *Commercial Collection*, to include Sections 42-4-32 through 42-4-40, to create domestic and commercial recycling service programs in the City of Detroit.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

**Section 1.** Chapter 42 of the 2019 Detroit City Code, *Solid Waste and Illegal Dumping*, is amended by adding, Article IV, *Recycling Services*, to include Sections 42-4-1 through 42-4-40, to read as follows:

**CHAPTER 42. SOLID WASTE AND ILLEGAL DUMPING**  
**ARTICLE IV. RECYCLING SERVICES**  
**DIVISION 1. GENERALLY.**

**Sec. 42-4-1. Purpose and intent of this article.**

It is the intent of the City Council that this article be liberally construed for the purpose of providing a sanitary and satisfactory method of preparation, storage, collection, transport, disposal of municipal recyclable material and for the maintenance of public and private property in a clean, orderly, and sanitary condition to ensure the peace, health, safety and welfare of the People of the City of Detroit. By upholding this standard of recyclable materials, the City Council will aid in the mitigation of poor air and water quality; support the goals of the adopted Sustainability Action Agenda; and provide residents with the guidance and support to achieve satisfactory waste diversion rates, working towards a zero-waste future. This Article will serve as a foundation for environmental justice and equity; resilience and economy prosperity for residents and visitors as the City continues to prepare for the implications of climate change.

**Sec. 42-4-2. Definitions.**

For purposes of this article, the following words and phrases shall have the meanings respectively ascribed to them by this section:

*Commercial recyclable material* means recyclable materials resulting from the operation of a commercial establishment.

*Domestic recyclable material* means

recyclable materials resulting from the usual routine of housekeeping, but does not include commercial recyclable material.

*Large movable receptacles* mean containers which are 300 or 400 gallons in capacity, are the property of the City, are provided by the Department of Public Works or a licensed private collector, for use at domestic or commercial establishments, and are mechanically emptied.

*Recycle cart* means a City approved container used to hold recyclable materials before they are taken to recycling centers.

*Recyclable material* means, as likewise defined by Section 11505 of the Michigan Natural Resources and Environmental Protection Act, being MCL 324.11505(1), all source separated material, site separated material, high grade paper, glass, metal, plastic, aluminum, newspaper, corrugated paper, yard clippings, and other materials that may be recycled or composted.

**Sec. 42-4-3. Recycling services; conditions on which collection is dependent; transfer of recyclable materials.**

(a) The Department of Public Works may offer collection services and collect recyclable material from domestic or commercial establishments that elect to use such service, subject to the payment of the solid waste collection fee provided for in Section 42-2-73 of this Code.

(b) The collection of all recyclable material is conditioned upon observance of all provisions of this article.

(c) The collection of all domestic and commercial recyclable materials by the Department of Public Works or its contractors shall be transferred to the nearest materials recovery facility (MRF) that is under contract with the City.

**Sec. 42-4-4. Establishing rates for collection of commercial recyclable material; publication; billing and collection of fee.**

(a) In accordance with Section 9-507 of the Charter, the Director of the Department of Public Works is authorized to establish, with the approval of the City Council through adoption of a resolution:

(1) Necessary rates for the regular collection of commercial recyclable material;

(2) A schedule of fees for other services, exclusive of the rates charged for regular collection of commercial recyclable material; and

(3) A schedule of fees for services including, but not limited to, inspections to ensure compliance with this section.

(b) After adoption of a resolution by the City Council and approval of the resolution by the Mayor, the rates shall be:

(1) Published on the City's website and social media, and in the Journal of the City Council;

(2) Made available at the Department of Public Works and at the Office of the City Clerk; and

(3) Reviewed by the Director of the

Department of Public Works at least once every two years.

(c) Billing and collection of recyclable material collection fees for commercial establishment shall proceed in the same manner as delineated for residential properties in Section 42-2-73(c)(1) (2) (3) (4) and (5) of this Code, provided, that the hardship exemption and the senior discount are not available for commercial establishments.

**Sec. 42-4-5. Utilization of recycling services is not required.**

Nothing in this article shall be construed to require the use of the City's recycling services or to prohibit any residential owner or commercial establishment from entering into a contract with a licensed private collector that performs such services.

**Secs. 42-4-6 – 42-4-10. Reserved.**

**DIVISION 2. APPROVAL,  
LOCATION AND MAINTENANCE  
OF RECYCLE CARTS**

**SUBDIVISION A. STANDARD-SIZED  
RECYCLE CARTS**

**Sec. 42-4-11. Approval of recycle carts required; company identification on recycle carts.**

(a) All domestic and commercial recyclable material for City collection, shall be stored in recycle carts approved by the Department of Public Works.

(b) Any domestic or commercial establishment utilizing a private collection service shall utilize approved recycle carts provided by the licensed private collector in lieu of an approved bin provided by the Department of Public Works, and shall clearly affix to the approved bin information identifying the owner of the container thereof, including the name, address and telephone number of the licensed private collector.

**Sec. 42-4-12. Defective and unapproved recycle carts.**

(a) No defective or unapproved cart shall be used for the storage of domestic recyclable material or commercial recyclable material. In the event of a defective cart in which a wheel or lid needs to be replaced, the Department of Public Works shall be responsible for such repair or replacement. If a new cart is required, the domestic or commercial establishment is responsible for ordering a new cart from the waste hauler or Department of Public Works.

(b) After notice has been given by the Department of Public Works to the occupant, owner, or responsible party to cease such storage and disposal of recyclable material in an unapproved cart, such cart may be removed by the Department of Public Works.

**Sec. 42-4-13. Use of approved recycle carts belonging to other persons or premises prohibited.**

No person shall deposit, domestic recy-

clable material or commercial recyclable material, in approved carts owned by, assigned to, or contracted for by other persons or premises.

**Sec. 42-4-14. Location of approved recycle carts for collections.**

(a) All approved carts shall be conveniently accessible for collection services.

(b) Except on collection days, all approved carts for recyclable material shall be located on private property.

(c) In those areas where alley recyclable material collection is the only alternative to curbside recyclable material collection as determined by the Director of the Department of Public Works, approved carts shall be located as near as possible to the alley line, but not in the alley, on the street or on other public property, except that, where the Director of the Department of Public Works has deemed it impractical for the Department of Public Works to obtain access to the approved carts on private property, the Director may grant revocable written permission to store such bins on public property.

(d) The Director of the Department of Public Works shall have the authority to designate the location from which approved carts shall be collected, provided, that prior to any change from alley to curbside recyclable material collection, from corner lot or side yard to front collection, or any other change in approved cart service location, the Director of the Department of Public Works shall give at least 30 days prior public notice through the distribution of various printed literature presenting the rationale for such change in approved bin service location and instructions that the affected public is to follow regarding the new collection procedures.

**Sec. 42-4-15. Time limits for approved recycle carts to remain at curb side.**

(a) Properly located domestic and commercial recyclable material shall be collected by the Department of Public Works or a licensed private collector.

(b) Owners and/or occupants of residential structures who receive curbside collection shall place approved carts on a berm area not earlier than 6:00 p.m. on the day before collection and shall remove the same not later than 9:00 p.m. on the day of collection in accordance with this article.

**SUBDIVISION B. LARGE MOVABLE RECEPTACLES**

**Sec. 42-4-16. Approval of large movable receptacles; restrictions.**

(a) Vendors of large movable receptacles shall be responsible for obtaining a permit for each large movable receptacle from the City Engineering Division of the Department of Public Works prior to the installation in any public right-of-way. Each large movable receptacle shall have the capacity of 300 or 400 gallons and shall be in accordance with standard

specifications designated by the Department of Public Works.

(b) All large movable receptacles must be approved in accordance with Subsection (a) of this section.

**Sec. 42-4-17. Identification and labeling of large movable receptacles.**

(a) Large movable receptacles shall be legibly and permanently labeled with the following information:

(1) The name of the manufacturer and vendor;

(2) The capacity of the bin in cubic yards; and

(3) The address of the establishment for which the receptacle was approved in Arabic numerals at least three inches in height.

**Sec. 42-4-18. Permits required for new installations of larger movable receptacles.**

(a) Where large movable receptacles are authorized, they shall not be placed or installed upon a public right-of-way until a permit has been obtained from the City Engineering Division of the Department of Public Works.

(b) A permit shall be issued only after payment of a fee as determined by the City Engineering Division of the Department of Public Works. Permits will not be issued and large movable receptacles shall not be provided for joint use of two or more domestic or commercial establishments.

(c) The large movable receptacles must be properly installed to comply with all required specifications. A concrete slab as approved by the Department of Public Works may be required. Where deemed necessary, any permit may be revoked for cause by the Director of the Department of Public Works.

**Sec. 42-4-19. Relocation of approved installations of large movable receptacles.**

Any large movable receptacles relocated to another residential structure or commercial establishment shall be subject to all requirements for a new installation including an application for a permit to install at the new location.

**Secs. 42-4-20 – 42-4-30. Reserved.**

**DIVISION 3. COLLECTION OF RECYCLABLE MATERIALS  
SUBDIVISION A.  
DOMESTIC COLLECTION**

**Sec. 42-2-31. Recycle carts: residential structures containing one, two, three, or four household units; placement; conditions on which collection is dependent.**

(a) The Department of Public Works shall provide one recycle cart to each occupied household unit on residential structures containing one, two, three, or four household units, for the storage of recyclable material in between collections. It shall be the responsibility of the

occupant(s) and/or owner(s) of each household unit to place their respective cart in the proper location for the storage of recyclable material, to protect the cart from damage, to keep the cart in a clean and satisfactory condition, and to properly store domestic recyclable material only therein.

(b) The Department of Public Works shall collect domestic recyclable material that is properly stored and properly separated only as follows:

(1) All recyclable material intended for collection shall be drained of all free liquid;

(2) Recyclable material must be stored in approved recycle carts; and

(3) Domestic recyclable material must not be mixed with domestic solid waste.

(c) When collection service is scheduled, all approved recycle carts for which collection is desired, must be placed by the owner, lessee, agent or caretaker at the curb or designated location no earlier than 6:00 p.m. on the day prior to the scheduled collection day for access by Department of Public Works' collection trucks and shall be removed no later than 9:00 p.m. on the day of collection.

(d) Collection is subject to weather and other conditions beyond the control of the Department of Public Works. Collection frequency shall be determined by the Department of Public Works.

**SUBDIVISION B.**

**COMMERCIAL COLLECTION**

**Sec. 42-4-32. Recycle carts; residential structures containing five or more household units; placement; conditions on which collection is dependent.**

(a) The Department of Public Works shall provide a sufficient number of recycle carts, to residential structures containing five or more household units, which are commercial establishments for purposes of this article, for the storage of commercial recyclable material between collections. The owner, lessee, agent or caretaker of such property shall place its respective carts in the location designated by the Director of the Department of Public Works for the storage of recyclable material, protect the containers from damage, keep the bins in a clean and satisfactory condition, and properly store commercial recyclable material only therein.

(b) The Department of Public Works shall collect commercial recyclable material that is properly stored and properly separated only as follows:

(1) All recyclable material intended for collection shall be drained of all free liquid;

(2) Recyclable material must be stored in approved recycle bins; and

(3) Domestic recyclable material must not be mixed with domestic solid waste.

(c) When collection service is scheduled, all recycle carts for which collection is desired must be placed by the owner,

lessee, agent, or caretaker at the curb or designated location no earlier than 6:00 p.m. of the day prior to the scheduled collection day for access by Department of Public Works' collection trucks and shall be removed no later than 9:00 p.m. on the day of collection.

(d) Collection is subject to weather and other conditions beyond the control of the Department of Public Works. Collection frequency shall be determined by the Department of Public Works.

**Secs. 42-4-33 – 42-4-40. Reserved.**

**Section 2.** This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 3.** All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

**Section 4.** In the event that this ordinance is passed by two-thirds majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Sec. 4-118(1) of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds majority of City Council Members serving, it shall become effective 30 days after publication, or on the first business day thereafter, in accordance with Section 4-118(2) of the 2012 Detroit City Charter.

Approved as to form:

LAWRENCE T. GARCIA

Corporation Counsel

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**RESOLUTION SETTING HEARING**

By Council Member Benson:

Resolved, That a public hearing will be held by this body on \_\_\_\_\_

\_\_\_\_\_ for the purpose of considering the advisability of adopting the foregoing Proposed Ordinance to amend Chapter 42, of the 2019 Detroit City Code Solid Waste and Illegal Dumping; by adding Article VI, Recycling Services, Division 1, Generally, to include Sections 42-4-1 through 42-4-10; Division 2, Approval, Location and Maintenance of Recycle Bins; Subdivision A, Standard-Sized Recycle Bins, to include Sections 42-4-11 through 42-4-15; Subdivision B, Large Movable and Stationary Recycle Bins; to include Sections 42-4-16 through 42-4-30; Division 3, Collection of Recyclable Material, Subdivision A, Domestic Collection, to include Section 42-4-31; and, Subdivision B, Commercial Collection, to include Sections 42-4-32 through 42-4-40, to create domestic and commercial recycling service programs in the City of Detroit.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

**Office of the Chief Financial Officer  
Office of Development and Grants**  
January 13, 2021

Honorable City Council:

Re: Request to Accept and Appropriate the FY 2021 COVID Immunizations Grant.

The Michigan Department of Health and Human Services has awarded the City of Detroit Health Department with the FY 2021 COVID Immunizations Grant for a total of \$663,708.00. The total project cost is \$663,708.00. There is no match requirement for this grant. The grant period is December 1, 2020 through June 30, 2021.

The objective of the funding is to support Local Health Department, LHD-driven COVID-19 vaccination events. The funding allotted to the department will be utilized to pay for staffing, communications, and supplies to support COVID-19 vaccination events, including PPE, vaccine refrigerators, data loggers, vaccine coolers, and indirect costs for COVID-19 related work. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 20934. The fund number is 3922. This is a COVID-19 Federal Relief Grant and is subject to the reporting requirements for council in accordance with the resolution approved on July 21, 2020, creating a commitment to transparency for Federal Cares Act grant.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,  
TERRI DANIELS  
Director  
Office of Development and Grants  
TINA TOLLIVER  
Office of Budget

By Council Member Benson:

Whereas, The Health Department is requesting authorization to accept a grant of reimbursement from the Michigan Department of Health and Human Services in the amount of \$663,708.00, to support LHD-driven public influenza vaccination events; and

Whereas, This request has been approved by the Office of Budget; and

Whereas, The fund number is 3922 and this a COVID-19 Federal Relief Grant and is subject to the reporting requirements required for council in accordance with the council resolution approved on July 21, 2020; Now

Therefore, Be It

Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit; and

Be It Further

Resolved, That the Budget Director is authorized to establish Appropriation number 20934 in the amount of \$663,708.00, for the FY 2021 COVID Immunization Grant.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

\*WAIVER OF RECONSIDERATION (No. 9), per motions before adjournment.

**City Planning Commission**

February 2, 2021

Tate, an Proposed Ordinance to amend Chapter 50 of the 2019 Detroit City Code, *Zoning*, by amending Article XVII, Section 50-17-43, *District Map No. 41*, and Section 50-17-52, *District Map No. 50*, to establish a PD (Planned Development District) zoning classification where an R1 (Single-Family Residential District) zoning classification currently exists on property commonly identified as 6301 and 6315 West Jefferson Avenue, generally bounded by West Jefferson Avenue, South Cavalry Street (extended), the Detroit River, and South Rademacher Street (extended), excluding the US Army Corps of Engineers property at 6309 West Jefferson Avenue, to facilitate the development of Historic Fort Wayne as a regional park and to allow the adaptive use of historic buildings with uses compatible in a historic park setting.

By Council Member Tate:

**AN ORDINANCE to amend Chapter 50 of the 2019 Detroit City Code, *Zoning*, by amending Article XVII, Section 50-17-43, *District Map No. 41*, and Section 50-17-52, *District Map No. 50*, to establish a PD (Planned Development District) zoning classification where an R1 (Single-Family Residential District) zoning classification currently exists on property commonly identified as 6301 and 6315 West Jefferson Avenue, generally bounded by West Jefferson Avenue, South Cavalry Street (extended), the Detroit River, and South Rademacher Street (extended), excluding the US Army Corps of Engineers property at 6309 West Jefferson Avenue, to facilitate the development of Historic Fort Wayne as a regional park and to allow the adaptive use of historic buildings with uses compatible in a historic park setting.**

Theater excluding concert café and drive in theater, not exceeding 150 seats

Townhouse

Trade services, general

Two-family dwelling

Veterinary clinic for small animals

Wearing apparel manufacturing

Youth hostels/hostels

2. All final site plans, lighting, landscaping, signage, and elevations must be submitted to the City Planning Commission staff for review for consistency with approved plans and historic preservation covenants prior to the developer making application for required permits; and

3. Upon securing site plan approval for development of a given phase of the Historic Fort Wayne project area, the City of Detroit General Services Department shall maintain and update a "project area plan" for the entire Historic Fort Wayne project area that identifies the type and location of all proposed uses.

4. The authorization for this planned development shall not be subject to the conditions set forth in Section 50-3-98 of this Code.

**Section 2.** All ordinances or parts of ordinances in conflict with this ordinance are repealed.

**Section 3.** This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

**Section 4.** This ordinance shall become effective on the eighth day after publication in accordance with Section 401(6) of Public Act 110 of 2006, as amended, MCL 125.3401(6), and Section 4-118(3) of the 2012 Detroit City Charter. Approved as to form:

LAWRENCE T. GARCIA

Corporation Counsel

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**RESOLUTION SETTING HEARING**

By Council Member Tate:

Resolved, That a public hearing will be held by this body on \_\_\_\_\_

at \_\_\_\_\_ A.M./P.M. virtually using videoconferencing for the Planning and Economic Development Standing Committee, for the purpose of considering the advisability of adopting the foregoing an Proposed Ordinance to amend Chapter 50 of the 2019 Detroit City Code, *Zoning*, by amending Article XVII, Section 50-17-43, *District Map No. 41*, and Section 50-17-52, *District Map No. 50*, to establish a PD (Planned Development District) zoning classification where an R1 (Single-Family Residential District) zoning classification currently exists on property commonly identified as 6301 and 6315 West Jefferson Avenue, generally bounded by West Jefferson Avenue, South Cavalry Street (extended), the Detroit River, and South Rademacher Street (extended), excluding the US Army Corps of Engineers property at 6309 West Jefferson Avenue, to facilitate the development of Historic Fort Wayne as a regional park and to allow the adaptive use of historic buildings with uses compatible in a historic park setting.

All interested persons are invited to be present to be heard as to their views.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

**Planning and Development Department**

January 11, 2021

Honorable City Council:

Re: Property Sale. 2946 Livernois.

The City of Detroit, Planning and Development Department ("P&DD") has

received an offer from Mike Fisher (the "Purchaser"), to purchase certain City-owned real property at 2946 Livernois (the "Property") for the purchase price of Five Thousand Fifty and 00/100 Dollars (\$5,050.00).

Purchaser proposes to construct and utilize the property for a welding business. Currently, the property is within a M4 zoning district (Intensive Industrial District). Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
KATHERINE G. TRUDEAU

Deputy Director

By Council Member Tate:

Now, Therefore, Be It

Resolved, That Detroit City Council hereby approves of the sale of certain real property at 2946 Livernois, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Mike Fisher (the "Purchaser") for the purchase price of Five Thousand Fifty and 00/100 Dollars (\$5,050.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Service Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Three Hundred Three and 00/100 Dollars (\$303.00) shall be paid to the DBA from the sale proceeds, 2) Two Hundred Fifty-Three and 00/100 Dollars (\$253.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds, and 3) customary closing costs up to Two Hundred and 00/100 Dollars (\$200.00), as well as any taxes and assessments which have become a lien on the property; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical

matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

**EXHIBIT A**

**LEGAL DESCRIPTION**

Property situated in the City of Detroit, Wayne County, Michigan, described as follows:

**Planning and Development Department**

January 15, 2021

Honorable City Council:

Re: Property Sale. 8475 Dearborn St.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Total Essence LLC, a Michigan Limited Liability Company (the "Purchaser"), to purchase certain City-owned real property at 8475 Dearborn St. (the "Property") for the purchase price of Nineteen Thousand Three Hundred and 00/100 Dollars (\$19,300.00).

Purchaser proposes to utilize the property for parking for their medical marihuana grow facility at 8442 W. Jefferson. Currently, the property is within a M4 zoning district (Intensive Industrial District). Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,  
KATHERINE G. TRUDEAU  
Deputy Director

By Council Member Tate:

\*WAIVER OF RECONSIDERATION  
(No. 1) Per motions before adjournment.

**Office of Contracting and Procurement**

January 22, 2021

Honorable City Council:

The Purchasing Division of the Finance Department recommends a Contract with the following firm(s) or person(s):

**2919769** — REVENUE — AMEND 3 — To Provide an Extension of Time Only to Maintain Citywide Collection Services Per the Direction of the City of Detroit's Law Department for Transition — Contractor: Roosen, Varchetti & Olivier, PLLC — Location: 39541 Garfield Road, Clinton Township, MI 48038 — Contract Period: Upon City Council Approval through December 31, 2021 — Total Contract Amount: \$0.00. **Administrative Hearings.**

*(Previous Contract Period: July 1, 2020 through December 31, 2020.)*

Respectfully submitted,

BOYSIE JACKSON

Chief Procurement Officer

Office of Contracting and Procurement  
By Council Member McCalister, Jr.:

Resolved, That Contract No. **2919769** referred to in the foregoing communication dated January 22, 2021, be hereby and is approved.

Adopted as follows:  
Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey and Tate — 8.

Nays — Council President Jones — 1.

**Law Department**

January 26, 2021

Honorable City Council:  
Re: James, Chanse vs. Gibson *et al.*  
Case No: 20-004377-CH. File No: L20-00263 CBO.

On January 13, 2021 a case evaluation panel evaluated the above-captioned lawsuit and awarded Eighteen Thousand Dollars and No Cents (\$18,000.00) in favor of the plaintiff. The parties have until February 10, 2021 to either accept or reject the case evaluation.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of Your Honorable Body, it is our considered opinion that a settlement in the amount of Eighteen Thousand Dollars and No Cents (\$18,000.00) is in the best interest of the City of Detroit.

We, therefore, request Your Honorable Body to authorize settlement of the above referenced lawsuit and to direct the Finance Director to issue a draft in that amount of Eighteen Thousand Dollars and No Cents (\$18,000.00) payable to Chanse James and his attorney, Wigod and Falzon, P.C., to be delivered upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in Lawsuit No. 20-004377-CH and, where deemed necessary by the Law Department a properly executed Medicare/CMS Final Demand Letter.

Respectfully submitted,  
CRYSTAL OLMSTEAD  
Senior Assistant  
Corporation Counsel

Approved:

Honorable City Council:  
Re: Tox Testing, LLC (Dennis Weathery), *et al.* vs. City of Detroit. Case No: 20-004645-NF. File No: L20-00194 SVD.

On January 25, 2021 a case evaluation panel evaluated the above-captioned lawsuit and awarded Forty-Five Thousand Dollars and No Cents (\$45,000.00) in favor of the plaintiffs. The parties have until February 22, 2021, to either accept or reject the case evaluation.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that a settlement in the amount of Forty-Five Thousand Dollars and No Cents (\$45,000.00) is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize settlement of the above referenced lawsuit and to direct the Finance Director to issue a draft in that amount of (\$45,000.00) payable to Tox Testing, Inc.; Paragon Diagnostics; Woodward Transportation, LLC; US Health Pharmaceuticals d/b/a Meds Direct Pharmacy; and Oak Park Labs, LLC and their attorney, Mishelle Khan, to be delivered upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in Lawsuit No. 20-004645-NF and, where deemed necessary by the Law Department a properly executed Medicare/CMS Final Demand Letter.

Honorable City Council:

Re: Charline Beard, *et al.* vs. City of Detroit. Case No: 18-015579 NI. L18-00754 (YRB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Sixty-Seven Thousand Five Hundred Dollars and No Cents (\$67,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the total amount of Sixty-Seven Thousand Five Hundred Dollars and No Cents (\$67,500.00) and that your Honorable Body direct the Finance Director to issue three drafts in that amount payable to (1) Charline Beard and

her attorneys, The Dailey Law Firm, in the amount of Forty-Seven Thousand Five Hundred Dollars and No Cents (\$47,500.00); (2) Advanced Pain Care, PLLC and its attorneys, Kaufman, Payton & Chapa, in the amount of Fifteen Thousand Dollars and No Cents (\$15,000.00); and (3) Dearborn Pain Specialists and its attorneys, Gary R. Blumberg, PC, in the amount of Five Thousand Dollars and No Cents (\$5,000.00), to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 18-015579 NI, approved by the Law Department.

Honorable City Council:

Re: 4 Transport, Inc, *et al.* vs. City of Detroit. Case No: 19-169040. File No: L19-00567 (CBO).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Three Thousand Eight Hundred Dollars and No Cents (\$3,800.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Three Thousand Eight Hundred Dollars and No Cents (\$3,800.00) and that your Honorable Body direct the Finance Director to issue (3) three drafts. The first draft in the amount of Two Thousand Two Hundred and Forty-Four Dollars a No Cents and (\$2,244.00) payable to Gravity Imaging and its attorney, Applebaum and Stone, PLC, the second draft in the amount of One Thousand Three Hundred and Four Dollars and No Cents (\$1,304.00) payable to 4 Transport Inc. and its attorney, Applebaum and Stone, PLC, the third draft in the amount of Two Hundred Fifty Two Dollars and No Cents (\$252.00) payable to Spine and Health, PLLC and its attorney Applebaum and Stone, PLC, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 19-169040, approved by the Law Department.

November 16, 2020

Honorable City Council:

Re: Petition No. 1308 — ExteNet Systems Inc., request to encroach into various streets for the purpose of installing electrical cabinets used related to Small Cell Telecommunications Network.

Petition No. 1308 — ExteNet Systems Inc., request to encroach into various streets for the purpose of installing electrical cabinets used related to Small Cell Telecommunications Network. The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made as part of the installation of the Small Cell Telecommunication Network.

The request was approved by the Solid Waste Division — DPW, and City Engineering Division — DPW. The request was approved by the Traffic Engineering Division — DPW.

Detroit Water and Sewerage Depart-

ment (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution. DTE has reported involvement and provisions protecting DTE have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

**RICHARD DOHERTY, P.E.**

City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Extenet Systems, Inc. or their assigns to install and maintain encroachment for cabinets installed the following locations:

1. Schoenherr Avenue, 66 ft. wide, being located 1 ft. west from the south line of the north 17 ft. of lot 12 of "Pfent Seven Mile Drive Subdivision" as recorded in Liber 40, Page 78 of Plats, Wayne County Records.

2. Gratiot Avenue, 60 ft. wide, being located 6 ft west from the south line of the north 33 ft. of parcel 4 of "Plat of Section 7, Governors and Judges Plan" as recorded in Liber 34, Page 544 of Plats, Wayne County Records.

3. Broadway Avenue, 100 ft. wide, being located in the median which is approx. 50 ft. south of the north line of Broadway Avenue and 48 ft. north of the south line of Broadway Avenue, also being 34 ft. west of the west line of John R Road, 60 ft. wide, as it intersects with Broadway Avenue.

4. Atwater Street, being located 3 ft. south of the south line of East Atwater Street, various widths, at the southeast corner of the intersection of Civic Center Drive and Atwater Street.

5. Atwater Street, being located 9 ft. south of the south line of East Atwater Street, various widths, at the southeast corner of the intersection of Civic Center Drive and Atwater Street.

Each cabinet will be of the standard design of 35.4' in height, 17.9' wide, and being 25.9' deep. The cabinet described as being located south of Atwater Street will include a 3'x2'x3' vault to be buried at a 3' depth and will be installed adjacent to the cabinet. Cabinet locations, besides Atwater Street, will have a 2" conduit from the cabinet to man hole system. Each cabinet will rest upon a 30" x 32" x 4" Concrete slab.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the Miss Dig one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroachment constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Extenet Systems, Inc or their assigns, and further

Provided, That the Extenet Systems, Inc or their assigns provide as-built drawings of their installation and the relationship to other utility infrastructure to the Department of Public Works — City Engineering Division, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Extenet Systems, Inc. or their assigns. Should damages to utilities occur Extenet Systems, Inc. or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, That Extenet Systems, Inc. or their assigns shall file with the Department of Public Works — City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Extenet Systems, Inc. or their assigns of the terms thereof. Further, Extenet Systems, Inc. or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That filing of said indemnity agreement shall be construed as acceptance of this Resolution by the "permittee"; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Extenet Systems, Inc., or their assigns; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution or part thereof is revocable at the will, whim or caprice of the City Council, and Extenet Systems, Inc. acquires no implied or other privileges hereunder not expressly stated herein; and further

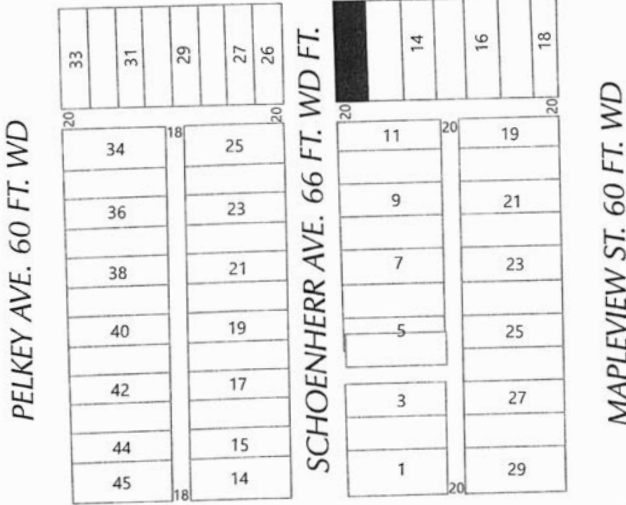

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Adopted as follows:  
 Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Sheffield, Spivey, Tate and President Jones — 9.  
 Nays — None.

**NEW BUSINESS**

Council Member Sheffield left the meeting.

**Taken from the Table**

Council Member Tate moved to take from the table an ordinance to amend Chapter 21, Article II, of the 2019 Detroit City Code by adding Section 21-2-248 to establish the Eastern Market Historic District, and to define the elements of design for the district, laid on the table January 19, 2021.

Immediate Effect upon Publication  
 The Ordinance was then placed on the order of third reading.

**THIRD READING OF ORDINANCE.**

The title to the Ordinance was read a third time.

The Ordinance was then read.

The question being “Shall this Ordinance Now Pass”?

The Ordinance was passed, a majority of the Council Members present voting therefore as follows:

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, McCalister, Jr., Spivey, Tate and President Jones — 8.  
 Nays — None.

\*WAIVER OF RECONSIDERATION (No. 9), per motions before adjournment.

**Office of Contracting and Procurement**

December 9, 2020

Honorable City Council:

The Purchasing Division of the Finance Department recommends a Contract with the following firm(s) or person(s):

**6001548** — 100% DWSD Funding — AMEND 2 — To Provide an Extension of Time and an Increase of Funds for Facilities Related Capital Improvements and Services at All DWSD Locations — Contractor: Detroit Building Authority — Location: 1301 Third Street, Suite 328, Detroit, MI 48226 — Contract Period: Upon City Council Approval through June 30, 2023 — Contract Increase Amount: \$9,000,000.00 — Total Contract Amount: \$14,000,000.00. **Water and Sewerage.**

*(Previous Contract Period: May 3, 2017 to November 1, 2020.)*

Council Member Ayers returned to the meeting.

**City Planning Commission**

January 27, 2021

Honorable City Council:

Re: Request of Parkstone Development Partners on behalf of Selden Innovation Center, LLC, to amend Chapter 50 of the 2019 Detroit City Code, *Zoning*, by amending Article XVII, *Zoning District Maps*, Section 50-17-4, *District Map No. 3*, of the Detroit Zoning Ordinance to show an SD2 (Special Development District, Mixed-Use) zoning classification where SD1 (Special Development District, Small Scale, Mixed-Use), R2 (Two-Family Residential District), and PD (Planned Development District) zoning classifications are currently shown for the properties commonly known as 950 Selden Street, 924-974 Frank Street, and 937-955 West Alexandrine Street.

The petitioner is proposing to redevelop the former Jefferson School into a shared artist studio and office building, and develop the lots north of the former school on Frank and West Alexandrine Streets for surface parking. (RECOMMENDED APPROVAL)

**BACKGROUND**

Before this Honorable Body is the request of Parkstone Development Partners on behalf of Selden Innovation Center, LLC to rezone properties commonly known as 950 Selden Street, 924-974 Frank Street, and 937-955 West Alexandrine Street. The proposal is to rezone properties from R2, PD and SD1 to an SD2 district. The rezoning is being requested in order to allow for the redevelopment of the building formerly known as Jefferson School into a shared artist studio and office building, and, to allow for supportive parking.

The development team for the project, known as Industry Detroit, consists of Invest Detroit, Midtown Detroit Inc., and QFactor. Their plan is to transform 110,000 square feet (sf) of what currently exists as a school at 950 Selden into artist studios and office space with supporting training room, cafe, event center and conference rooms. Of this, 20,000 sf will be reserved for "mission driven businesses and education to career pathways." The building is planned to be a workplace for "social impact businesses and organizations". The social impact focus will be geared towards businesses led by women, immigrants, people of color, as well as small businesses.

The unimproved properties commonly

knows as 924, 940, 946, 960, 968 & 974 Frank are planned to be redeveloped into a 114-stall surface parking lot. Forty-seven parking spaces are slated to be located at the current City Sculpture Park (which is relocating) to serve as an accessory use to the Jefferson School building.

The project estimates that 375+ new FTE jobs will be created with the following goals as it relates to the employees and workforce:

- 75+ emerging businesses
- 300+ in non-targeted space
- 75% jobs with benefits
- 80% with living wage
- Workforce training for youth
- Quarterly tenant surveys to measure impact

**COMMUNITY ENGAGEMENT AND PUBLIC HEARING RESULTS**

At the CPC public hearing for this matter, the development team gave a detailed presentation on the full scope of the project. The team also provided detail on the community engagement that was carried out during the months leading up to the public hearing. Two virtual community engagement meetings were held on July 15, 2020 and August 4, 2020. Invitations were sent to all addresses within the boundary of Forest, Cass, Temple and Trumbull avenues (See below).

Twenty people from the community spoke at the public hearing. Approximately nine people spoke in support of the project, four in opposition, and seven other speakers gave remarks with specific concerns; how the project could be improved; or, asked questions. Some of the remarks included concerns about the impact of the proposed parking lot, traffic increases, and possible loitering due to the redeveloped building.

The development team has summarized those concerns and presented the responses found below based on the engagement that was held by the team during the summer months and feedback given during the public hearing.

**Community Concerns from Engagement and Public Hearing**

1. Increased traffic on residential streets
2. Increased traffic on Alexandrine Street
3. Visitor parking on residential streets
4. Metered parking on residential streets
5. Intrusive lighting from new surface parking lot
6. Market study to validate demand
7. Impact of COVID-19 on project feasibility
8. Alcohol-serving establishments permitted without space requirements

**Developer Response**

**1-2. TRAFFIC IMPACTS.**

Midtown Detroit, Inc. (MDI) commissioned Giffels Webster Engineers, Inc. to conduct a traffic impact assessment to identify future traffic patterns and volumes, and proposed mitigation measures to minimize the impact on residential streets. The report concluded that the proposed development would not be detrimental to the surrounding community as "the trip generation comparison indicates that the future use (office) of the building will produce less peak hour trips than the previous use (school)." The following recommendations were made by Giffels Webster.

- After project completion, review traffic flow around the project area to identify any concerns and document their impact (if any) on the neighborhood.
- Install "No Right-turn for Through Traffic" signs along Third Street and John C. Lodge Service Drive ahead of Alexandrine Street, Willis Street, and Calumet intersections if concerns arise.
- Install signs at the access points of the parking lot directing drivers to use Forest Avenue to head north, east, or south when exiting.

**3-4. PARKING IMPACTS**

The development team has provided the City of Detroit with a proposed parking strategy for the neighborhood surrounding the Jefferson School which is being integrated into the City's overall parking plan for Midtown. Residential permit parking is proposed by MDI for local residents, and, metered parking on Selden only, in support of existing/future commercial uses. Metered parking is not proposed on residential streets. MDI also plans to locate Industry Detroit parking along the Lodge Freeway, to minimize impact on residential streets, by placing ingress and egress on the service drive. Lastly, MDI plans a Frank Street closure with alley/ service access and a pedestrian zone along the building entrance.

## 5. PARKING LOT LIGHTING

MDI is working with the Industry Detroit team to develop a strategy for visually separating existing residential properties from the future surface parking area. MDI/Industry will integrate an opaque parking lot screen wall along the residential sites and lighting that will meet City standards.

### APPROVAL CRITERIA

Pursuant to Sec. 50-3-70 Approval Criteria, recommendations and decisions on an amendment of a zoning map in Article XVII of chapter 50 of City Code are based on consideration of all of the following criteria:

(1) *Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;*

The proposed amendment complies with the Master Plan of Policies by expanding on the mixed-use opportunities for the site. The proposed zoning map amendment will also meet a changing condition in that it is supporting the adaptive reuse of Jefferson School. Many schools in the city have fallen into disrepair due to their abandonment since closure. Schools of this size often remain vacant because of the extraordinary costs necessary to bring them back online. This rezoning will facilitate preserving an architecturally significant structure by bringing it back to active use.

(2) *Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;*

The subject site is located within the Lower Woodward area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies (MP). The Future Land Use map for this area shows *Mixed-Residential Commercial (MRC)*. According to the MP, MRC areas consist predominantly of medium-to-high density housing developed compatibly with commercial and/or institutional uses. This classification is well suited to areas proximal to existing centers of major commercial activity, major thoroughfares, transportation nodes, or gateways into the city.

The Master Plan-Zoning Table which identifies the correlation between MP designations and zoning districts classifies the SD2 zoning district as consistent with the MRC designation.

(3) *Whether the proposed amendment will protect the health, safety, and general welfare of the public;*

The proposed amendment to SD2 will be in alignment with the Master Plan of Policies for the Midtown area and subject to the protections of the Zoning Ordinance. The developer has also committed to additional protective measures. One measure in response to community concerns is the provision of an aesthetically pleasing green buffer wall to beautify the

perimeter of the parking lot. A rendering has been provided to show what this treatment will look like.

Provided by Midtown Detroit Inc.

It should also be noted that the developer has submitted a COVID-19 mitigation plan to respond to current conditions caused by the global pandemic and to outline procedures and protocols to maintain safety for users of the building.

(4) *Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;*

(5) Adequate public facilities and services have been considered during the process for this proposal and there are no foreseen difficulties in providing necessary services.

(5) *Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;*

The proposed rezoning is not expected to have any significant adverse impacts on the natural environment. The developer will be adhering to City ordinances, including the mandatory Post Construction Stormwater Management Ordinance, as well as parking and screening requirements. The developer plans to beautify the parking area with green screening to mitigate impacts.

(6) *Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;*

The proposed amendment will have some level of impact on the surrounding area since it will generate a certain amount of traffic that currently does not exist due to the inactivity in the Jefferson School for some time now. However, the project should not have significant adverse impacts as the traffic analysis has concluded that the amount of traffic will be less than what was generated by the former school use. The repurposing of Jefferson School is likely to be a catalyst for continued revitalization in the area and a positive impact on surrounding properties. Most former school buildings in the city have gone unused since the closing of many schools due to population loss and other factors. The cost of rehabilitation of these buildings, especially due to years of being unmaintained, deters many developers.
