UNFINISHED BUSINESS

By Council Member Young, II:

AN ORDINANCE to amend Chapter 43 of the 2018 Detroit City Code,

***Streets, sidewalks, and other public places,* by adding Article XIV, *Transportation Innovation Zone,* which consists of Section 43-14-1, *Transportation Innovation Zone,* Section 43-14-2, *Innovative Technology Deployments,* Section 43-14-3, *Notice to City Council,* to allow for temporary authorizations of deployments of innovative technologies within a designated transportation innovation zone.**

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 43 of the 2018 Detroit City Code, *Streets, sidewalks, and other public places,* is amended by adding Article XIV, *Transportation Innovation Zone,* consisting of Sections 43-14-1 through 43-14-3, to read as follows:

CHAPTER 43.
STREETS, SIDEWALKS, AND OTHER PUBLIC PLACES
ARTICLE XIV. TRANSPORTATION INNOVATION ZONE

Sec. 43-14-1. Transportation Innovation Zone.

The Chief of the Office of Mobility Innovation may designate an area around Michigan Central Station at 2001 15th Street as a Transportation Innovation Zone so long as the area does not include any boundaries beyond Grand River and the Lodge Freeway (M-10) to the east, Martin Luther King Jr. Boulevard to the north, the Fisher Freeway (I-75) to the West, and the Detroit River to the south.

Sec. 43-14-2. Innovative technology deployments.

(1) Notwithstanding any other provision of this Code, the Chief of Mobility Innovation may temporarily issue any permit, license, or other form of authorization that is required or provided for by this Code for the deployment of an Innovative Technology within the Transportation Innovation Zone, including, but not limited to, a permit to obstruct or encumber any public place or right of way. As used in this section, "Innovative Technology" means any new or emerging technology, or novel use of an existing technology, to address a local problem or provide a local benefit in government administration, government services, non-profit organizations, or private enterprise.

(2) The following applies to a permit, license, or authorization temporarily issued under this section:

(a) The Chief of Mobility Innovation may attach conditions, parameters, and fees to the approval.

(b) Any act, use, or event allowed by the permit, license, or authorization shall primarily take place within the Transportation Innovation Zone.

(c) The permit, license, or authorization may be issued for a period of up to 180 days and may be renewed once by the Chief of Mobility Innovation for up to an additional 180 days. City Council may extend the permit, license, or authorization beyond the renewal period at the request of the Chief of Mobility Innovation.

(d) The permit, license, or authorization is not transferable to another person or location.

(e) The Chief of Mobility Innovation, in consultation with a department director or agency head that may otherwise issue the approval, shall apply any regulation or provision of this Code related to that permit, license, or authorization that he or she determines is necessary to protect the health, safety, or general welfare of the public.

(f) The Chief of Mobility Innovation may immediately suspend or revoke the permit, license, or authorization in order to protect the health, safety, or general welfare of the public; and

(g) The Chief of Mobility Innovation may direct the appropriate department or agency to take enforcement action against the recipient of the permit, license, or authorization.

(3) This section does not preclude the issuance of a permit, license, or authorization under any other provision of this Code.

(4) An application for a permit, license, or authorization under this section shall be submitted on a form and in a manner approved by the Office of Mobility Innovation.

Sec. 43-14-3. Notice to City Council.

Within five days of taking any of the following actions, the Office of Mobility Innovation shall provide notice to City Council:

(a) Designating or revising the boundaries of the Transportation Innovation Zone;

(b) Issuing or renewing any permit, license, or authorization issued under this article; or

(c) Suspending or revoking any permit, license, or authorization issued under this article.

Secs. 43-14-4 – 43-14-10. Reserved.

Section 2. This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 4. In the event this ordinance is passed by two-thirds majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds majority of City Council

Members serving, it shall become effective on the 30th day after enactment in accordance with Section 4-118 of the 2012 Detroit City Charter.

Approved as to form:

CONRAD L. MALLETT
Corporation Counsel

RESOLUTION IN MEMORIAM
FOR
DEBRA WALKER
Mother, Grandmother and
'Mayor of Corktown'

By Council Member Santiago-Romero:

WHEREAS, It is with great pleasure that the Detroit City Council recognize and bestow honor upon Debra Walker, native Detroiter and proud mother of two daughters, Lisa and Lauren, and grandmother of three grandsons Gabriel, TJ, and Ayo.

WHEREAS, Debra Walker was a graduate of Wayne State University, the University of Wisconsin, MSU Extension, and Amos Tuck Graduate School of Dartmouth. While at Chrysler, she worked on issues such as quality control and minority supplier development, led corporate employee community initiatives, and traveled to Mexico and Germany to train employees.

WHEREAS, Debra Walker, a longtime resident of the District 6 neighborhood, Corktown, was passionately involved in happenings within and far beyond her neighborhood's borders. Her main goals were to enhance neighborhood safety and foster channels for communication to ensure residents were aware of issues and opportunities impacting their quality of life. Debra believed Corktown to be the perfect place where progress and preservation can co-exist.

WHEREAS, Debra Walker was an exemplary leader who never stopped serving. She volunteered with many causes such as the Detroit Institute of Art, Friends School of Detroit, and had a one-year assignment with AmeriCorps. Further, she sat on many boards and in leadership positions for local organizations including Alternatives for Girls, Peoples Community Services, Friends of Historic Hamtramck, Michigan-Church Street Neighborhood Advisory Council, Corktown Business Association, Corktown Neighborhood Association and East End Corktown Block Club. She was also a City Council appointee to and Vice Chair of the Board of Zoning Appeals, where she heard appeals and helped decide issues related to the enforcement of the City's Zoning Ordinance. Highly informed, she was sought out by many for guidance.

WHEREAS, Debra Walker founded many initiatives including Mighty Words, an afterschool conflict resolution program; Black CAT (Compassion Action Team), a group working to change economic and social justice issues in Detroit; and Power in Poetry Experience of Detroit (PIPED). A two-time survivor of cancer, she also founded a support group for African American breast cancer patients and their families, Women Achieving Victory and Esteem (WAVE).

WHEREAS, Debra Walker has been recognized for her immeasurable contributions to the greater good as the recipient of many awards including the Presidential Point of Light, the Karmanos Heroes of Breast Cancer award, the Eagle Leadership Award, the United Way Torchlighter, and writing and scholarship awards.

WHEREAS, In reflecting on Debra Walker's life, neighbors noted how she was the "glue that kept everyone together". She was "a beautiful soul" who acted in "every way possible to improve our community, the neighborhood and the City of Detroit." Residents were "lucky to call her a neighbor and friend". "[T]he hole she leaves in the community is immense" and residents find it "hard to imagine Corktown without her" because they looked to her for "inspiration and guidance." Beyond being an activist, community organizer, writer, poet, and friend, she

was affectionately known as a “queen of the whole neighborhood” and “Mayor of Corktown”.

NOW, THEREFORE, BE IT

RESOLVED, That Council Member Santiago-Romero and Detroit City Council, hereby join with family and friends to honor the life and legacy of Debra Walker and thank her for making a lasting difference in countless lives.

RESOLUTION IN MEMORIAM
FOR
MR. TERRANCE COLLIER
October 29, 1961 – January 13, 2022

By Council President Pro Tem Tate:

WHEREAS, Terrance Collier was born and raised in Detroit, MI, on October 29, 1961, to the late Milton Willie Collier and Elmer (Evelyn) Lee Collier. He made his transition to his heavenly home on January 13, 2022; and

WHEREAS, Mr. Collier exhibited a true passion for uplifting his community, especially the increasing challenges that children face. As the youngest of 11 siblings, Terrance never hesitated to lend a helping hand when needed. His most recent professional partnership was working with St. Suzanne Community Center in Detroit in their S.T.E.A.M. program, where he worked diligently to teach the young people the various skills that he had acquired over his many decades of service. Terrance was a true beacon of light for all he encountered. His legacy will live on though the numerous family members, friends and youth that he mentored and are now making their own positive impact in our community; and

WHEREAS, Mr. Collier became one with his wife Regina Collier of 32 years on June 25, 1989. From this union they birthed, loved, and supported three sons, Terrance II, Devin Lorrance and Elmer Lee, II; and

WHEREAS, Mr. Collier frequently gave back to the city, as he would speak on the pitfalls of drug abuse and alcoholism, encouraging the youth to stay on the right path. In spring of 2004, he was spiritually moved to develop “The Rapping Mentor and The Good Kids” rap group which consisting of Terrance and his sons. Always with his family by his side, Terrance performed at churches and community functions, the Detroit Public Library and many other non-profit organizations. Terrance was all about family structure, volunteering, giving back to those in need and educating black youth;

NOW, THEREFORE BE IT

RESOLVED, On this date, January 27, 2022, that President Pro-Tempore James Tate and the entire Detroit City Council, hereby present this resolution as an expression of gratitude and esteem, on behalf of the residents of the City of Detroit, to honor the distinguished life and service of Mr. Terrance Collier. December 20, 2022

Honorable City Council:

Re: 10201 Woodward 4% Limited Dividend Housing Association, LLC – Payment in Lieu of Taxes (PILOT).

MHT Housing, Inc. and Mooney Real Estate Holdings have formed 10201 Woodward 4% Limited Dividend Housing Association, LLC (the "LDHA") in order to develop the Project known as Cathedral Arts Apartments. The LDHA owns Unit 2 of the Cathedral Arts Apartments Condominium, a mixed-use new construction development structured as three (3) separate condominium units in one four-story building. Unit 2 consists of twenty-seven (27) apartments in an area bounded by Calvert on the north, Woodward on the east, Glynn Court on the south and Second on the west. The Project will include twenty-seven (27) 2-bed, 1-bath seven hundred eighty-five (785) square foot apartments. The site will also include first-floor Woodward-facing 6,700 square feet of commercial space half of which will be a sacred art museum and exhibit space.

A construction loan in the amount of $5,141,037, a permanent loan in the amount of $1,918,179 and an HTF loan in the amount of $2,440,103 will be provided by Michigan State Housing Development Authority ("MSHDA"). City Real Estate Advisors, LLC will make Capital Contributions of $3,152,573 which includes the purchase of Low Income Housing Tax Credits. MHT Housing, Inc. will provide a sponsor loan in the amount of $225,000. The Sponsors have agreed to defer $163,278 of the developer fee.

Rents for all units have been set at or below sixty percent (60%) of the area median income ("AMI"), adjusted for family size. Additionally, eight (8) units

will be covered by a Section 8 Project Based Rental assistance provided by the Detroit Housing Commission. All twenty-seven (27) units will be subject to the PILOT based on Section 15a of the State Housing Development Authority Act of 1966, as amended. In order to make this development economically feasible, it is necessary for it to receive the benefits of tax exemption under Section 15a of the State Housing Development Authority Act of 1966 (P.A. 346 as amended, MCL 125.1415A). Adoption of the resolution by your Honorable Body will therefore satisfy the requirements of Public Act 346 and City Ordinance 9-90, as amended, by establishing a service charge of four percent (4%) of the annual net shelter rent obtained from this housing project. **Approval of exempt status will be held in abeyance until the Condominium Master Deed is recorded and processed.**

Respectfully submitted,
ALVIN HORHN
Deputy CFO/Assessor

By Council Member Durhal, III:

Whereas, Pursuant to the provisions of the Michigan State Housing Development Act, Act 346 of the Public Acts of 1966, as amended, being MCL 125.1401 *se seq.* (the "Act"), a request for exemption from property taxes has been received on behalf of MHT Housing, Inc. and Mooney Real Estate Holdings (the "Sponsors"); and

Whereas, A housing project as defined in the Act is eligible for exemption from property taxes under Section 15a of the Act (MCL 125.1415a) if the Michigan State Housing Development Authority ("MSHDA")provides funding for the housing project, or if the housing project is funded with a federally-aided mortgage as determined by MSHDA; and

Whereas, Section 15a of the Act (MCL 125.1415a) provides that the local legislative body may establish by ordinance the service charge to be paid in lieu of taxes, commonly known as a PILOT; and

Whereas, The City of Detroit has adopted Ordinance 9-90, as amended, being Sections 18-9-10 through 18-9-16 of the Detroit City Code to provide for the exemption from property taxes of eligible housing projects and to provide for the amount of the PILOT for said housing projects to be established by resolutions of the Detroit City Council after review and report by the Board of Assessors; and

Whereas, The Sponsors are constructing a housing project to be known as Unit 2 of the Cathedral Arts Apartments Condominium, consisting of twenty-seven (27) units in an apartment building located on condo property owned, processed and recorded by the Sponsor as described by street address and tax parcels in Exhibit A to this resolution, with all twenty-seven (27) units for low and moderate income housing (the "Project"); and

Whereas, The purpose of the Project is to serve low to moderate income persons as defined by Section 15a(7) of the Act, being MCL 125.1415a(7); and

Whereas, MSHDA has provided notice to the Sponsors that it intends to approve federal-aided financing for the Project in the form of Low Income Housing Tax Credits, provided that the Detroit City Council adopts a resolution establishing the PILOT for the Project; and

Whereas, Pursuant to Section 15a of the Act, being MCL 125.1415a(1), the tax exemption is not effective until the Sponsors first obtain MSHDA certification that the housing project is eligible for exemption, and files an affidavit, as so certified by MSHDA, with the Board of Assessors; and

Whereas, Pursuant to Section 18-9-13(G) of the Detroit City Code, the tax exemption shall be effective on adoption, with the tax exemption and PILOT payment to occur only upon bona fide use and physical occupancy by persons and families eligible to move into the project, in accordance with the Act, which must occur as of December 31 of the year preceding the tax year in which the exemption is to begin;

Now, Therefore, Be It

Resolved, That in accordance with City Code Section 18-9-13, the Project known as Unit 2 of the Cathedral Arts Apartments as described above is entitled to be exempt from taxation but subject to the provisions of a service charge of four percent (4%) for payment in lieu of taxes as set forth in Act No. 346 of the Public Acts of 1966, as amended, being MCL 125.1401 *et seq.;* and be it further

Resolved, That arrangements to have collections of a payment in lieu of taxes from the Sponsors be established upon occupancy for future years with respect to the same be prepared by the Office of the Chief Financial Officer; and be it further

Resolved, That specific legal description for the Project shall be as set forth in the certification from MSHDA; and be it further

Resolved, That in accordance with Section 15a(3) of the Act, MCL 125.1415a(3), the exemption from taxation shall remain in effect for as long as the MSHDA-aided or Federally-aided financing is in effect, but not longer than fifty (50) years, and shall terminate upon the determination by the Board of Assessors that the Project is no longer eligible for the exemptions; and be it further

Resolved, That the City Clerk furnish the Office of the Chief Financial Officer – Office of the Assessor two certified copies of this resolution; and be it further

Resolved, That this resolution is adopted with a waiver of reconsideration.

Honorable City Council:

Re: Donald Rudd vs. City of Detroit Department of Transportation. File 14670 (PSB).

On November 15, 2022, your Honorable Body authorized settlement of the wage loss portion of the lawsuit of Donald Rudd vs. City of Detroit, Department of Transportation: File# 14670 (PSB). in the amount $55,000.00. That payment did not address Medicare's interest (pursuant to 42 U.S.C. Sec. 1395 *et seq.* and rules promulgated thereunder) and the medical part of Donald Rudd's workers compensation claim was not resolved.

The Center for Medicare and Medicaid Services ("CMS") has approved a Workers Compensation Medical Set-Aside ("WCMSA") in the amount of $7,829.00 to adequately address Medicare's interests.

We, Therefore, request authorization to settle the medical part of this matter for the amount of Seven Thousand Ejght Hundred and Twenty-Nine Dollars ($7,829.00): and that your Honorable Body authorize and direct the Finance Director to issue drafts totaling that amount payable to Donald Rudd, to be delivered upon receipt of properly executed releases and order of dismissal in Workers Compensation Claim #14670, approved by the Law Department.

RESOLUTION TO SUPPORT HUMAN RIGHTS-PROTECTIVE AFFORDABLE HOUSING TO SOLVE DETROIT'S EVICTION CRISIS

By COUNCIL PRESIDENT SHEFFIELD:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens and residents through Charter-mandated legislative functions; and

WHEREAS, Detroiters experienced a significant number of evictions, even before the COVID 19 pandemic. Prior to the pandemic, eviction cases averaged over 30,000 per year. Detroit has experienced more eviction cases than New York City, Philadelphia, Chicago and even the entire state of New Jersey; and

WHEREAS, Under 5% of people facing eviction had legal representation and landlords and corporations who were filing cases had access to legal representation over 94% of the time; and

WHEREAS, Evictions increase poverty, disrupt education, causes mental health issues, and accelerates the cycle of homelessness in Detroit. These evictions harm individuals and families especially seniors, people with disabilities and households headed by Black women with young children; and

WHEREAS, According to a recent study by the University of Michigan,[1] "At the current filing rate, 21% of Detroit renters ... 61,000 tenants ... will face the threat of eviction this year." This data is absolutely shocking and illustrates the enormity of the problem that a significant segment of our residents are facing. The eviction problem in Detroit has reached epidemic proportions, and it requires immediate and effective action from all levels of government; and

WHEREAS, To address the crisis, the Detroit City Council in 2022, established the Detroit Right to Counsel Ordinance, to provide full legal representation and robust community outreach and engagement to Detroiters facing eviction. The Detroit City Council strongly urges Mayor Duggan to immediately fund the implementation of this ordinance using all available resources to ensure all eligible Detroit residents will receive the benefit of full legal representation under this ordinance. In addition, the Council urges the Mayor to petition the Governor and the State legislature for additional funds for the Detroit Right to Counsel Ordinance; and

WHEREAS, The Council also urges the Mayor to petition the Governor and the State legislature for additional funds for temporary housing for the individuals and families that may be evicted, and for additional affordable housing in the city of Detroit. Evictions disproportionately impact black female-headed households with children. An eviction should not move renters into housing that is unfit for human habitation or force people into homelessness. Housing assistance falls short of the need, given the fact that only one in five renter households who qualify for renter assistance receives help, thereby highlighting the need for affordable housing; and

WHEREAS, Detroit's overwhelming and intense crisis of affordable housing calls for immediate actions and policies that effectively support and protect the human right to shelter. In addition, there is also a need to determine a source of funding to assist landlords in Detroit to repair their historically affordable properties to meet the standards set out under Detroit's Property Maintenance Code (abating lead and asbestos, etc.), so as to allow them to continue to charge affordable rents; and

WHEREAS, Detroiters' human rights depend on adequate, affordable housing for all, but our current systems and laws governing housing have long failed to ameliorate the crisis. It is time for more effective policies; NOW THEREFORE BE IT

RESOLVED, The Detroit City Council calls for the City of Detroit to immediately address the eviction crisis in Detroit and urges the Mayor to have the City's Law Department, the City's Housing Revitalization Department (HRD) and the City's Federal and Lansing Lobbyists, to coordinate and to develop an all encompassing strategy to address this crisis that is now reaching epidemic proportions; THEREFORE, BE IT FINALLY

RESOLVED, That copies of this resolution be forwarded to Mayor Mike Duggan, Conrad Mallett, the City's Corporation Counsel, Donald Rencher, the City's Chief of Services and Infrastructure, Julie Schneider, the City's HRD Director and the City's Federal and Lansing Lobbyists.

RESOLUTION CONTINUING MINORITY BUSINESS TASKFORCE

By Council Member Waters:

WHEREAS, The City of Detroit is dedicated to growing jobs and talent in the City; and

WHEREAS, Developing and growing businesses in the City of Detroit is the best way to help the City rebound; and

WHEREAS, Detroit has the largest percentage of African American residents of any big city in the country; and

WHEREAS, African American and other racial minority-owned businesses face significant challenges; THEREFORE BE IT

RESOLVED, That the Detroit City Council continue the Minority Business Task Force in 2023 to focus on understanding the needs of, and supporting, minority-owned businesses in the City of Detroit; and BE IT FURTHER

RESOLVED, That Council Member Waters continue to serve as Chair of the task force; and BE IT FURTHER

November 28, 2022

Honorable City Council:

Re: Request to accept a donation of Three Kiosks from the People for Palmer Park.

The People for Palmer Park has awarded three kiosks, valued at $45,000.00, to the City of Detroit General Services Department, to be installed at Palmer Park. There is no match requirement for this donation. The total project cost is $45,000.00.

The objective of the donation to the department is to provide wayfinding and information kiosks at Palmer Park. The kiosks will provide a map of the park and information about amenities and activities.

I respectfully ask your approval to accept this donation in accordance with the attached resolution.

Sincerely,
TERRI DANIELS
Director of Grants
Office of Development and Grants
DONALD R. JOHNSON

November 22, 2022

Honorable City Council:

Re: Correction: Request to Accept and Appropriate the Tactical Preservation Design Days Grant.

The National Endowment for the Arts has awarded the City of Detroit Planning and Development Department with the Tactical Preservation Design Days Grant for a total of $30,000.00. The Federal share is 50 percent or $30,000.00 of the approved amount, and there is a required total match of 50 percent or $30,000.00. The total project cost is $60,000.00. The request to accept and appropriate this funding was approved by council on July 26, 2022. This request is to correct the match source of funding for this grant. The required $30,000.00 cash match will be provided from appropriation 29430.

The objective of the grant is to create a Community Arts Hub. The funding allotted to the department will be utilized to reactivate the vacant City-owned school located at 13000 Dequindre St., Detroit, MI 48212. The project will support arts and design programming that engages local residents to rethink the use of this vacant neighborhood school as a community arts hub. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 21133, with a cash match coming from appropriation 29430.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely,
TERRI DANIELS
Director of Grants
Office of Development and Grants
DONALD R. JOHNSON

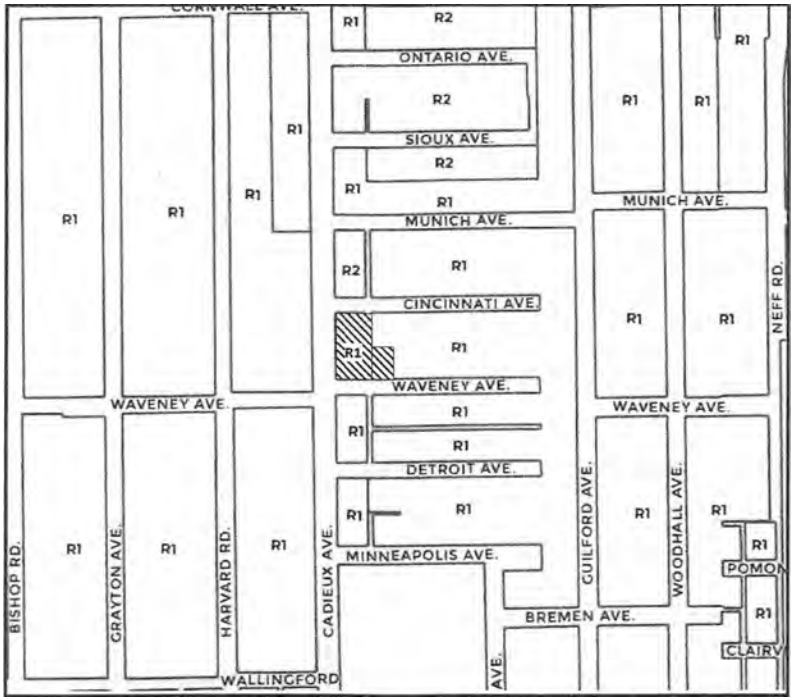
City Planning Commission

January 5, 2023

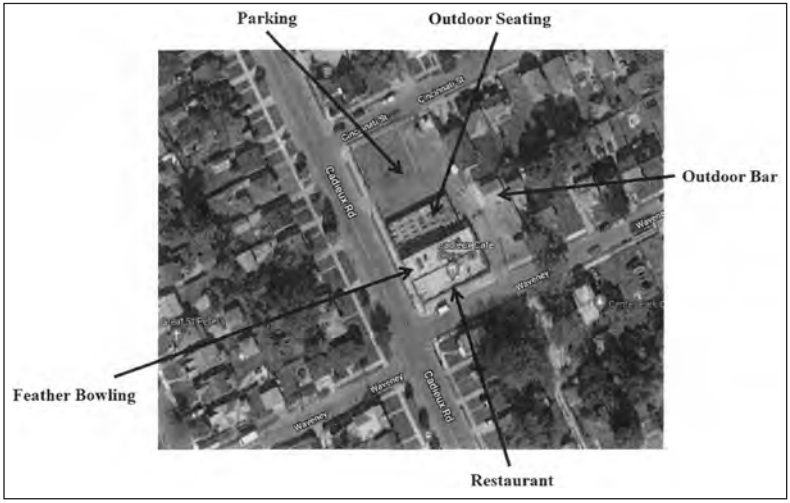
Honorable City Council:

Re: Request of Cadieux Real Estate, LLC to amend Article XVII, Section 50-17-41, District Map No. 39 of the 2019 Detroit City Code, Chapter 50, Zoning, to show a B4 (General Business District) zoning classification where an R1 (Single-Family Residential District) zoning classification is currently shown **(RECOMMEND APPROVAL – Ordinance Included to Set a Public Hearing)**



The City Planning Commission (CPC) has received a request from Cadieux Real Estate, LLC to amend Article XVII, Section 50-17-41, District Map No. 39 of the 2019 Detroit City Code, Chapter 50, Zoning, to show a B4 (General Business District) zoning classification where an R1 (Single-Family Residential District) zoning classification is currently shown on eight parcels generally bounded by Cincinnati St. to the north, Waveney St. to the south, Cadieux Rd. to the west, and Guilford to the east.

The proposed map amendment is being requested in order to align the existing zoning with the historic and current use of the parcels. The subject is proposed to continue its current use as a restaurant, parking, indoor recreation (feather bowling) and outdoor seating as well as to expand to include an outdoor stage and entertainment space. Additionally, there is a small structure just east of the Cadieux Cafe building (originally built as a garage) that is being used to serve alcohol for consumption on the premises for the outdoor entertainment space. The outdoor uses were added during the height of the COVID-19 pandemic to allow the restaurant to continue to serve its customers. These uses are not allowed in the current R1 zoning district but are allowed by-right and conditionally in the proposed B4 district.



BACKGROUND AND REQUEST

The subject property is located in Council District 4 and measures at approximately 0.6 acres in area. The subject property contains Cadieux Cafe, a restaurant that has operated on the site for over 80 years. The restaurant was founded on Detroit's east side in the 1930s as a speakeasy and has operated as a neighborhood gem ever since. Cadieux Cafe is well known for its feather bowling alleys and Belgian culture and cuisine.

The subject property includes the restaurant building, patron and staff parking, outdoor seating, outdoor bar, and outdoor stage. The property also includes an alley that was vacated in 1996 according to Petition No. 1957 of the Department of Public Works City Engineering Division. The proposed area to be rezoned is shown on the zoning map below.

The petitioner is proposing the change in zoning to align the current zoning with the historic and current use on the premises. Additionally changing the zoning would allow the petitioner to seek approval of their various uses through the conditional land use process conducted by BSEED and apply for the proper permitting.

The restaurant is known for its feather bowling, which is a traditional Belgian game. In fact, the restaurant is one of the few places outside of Belgium that hosts a feather bowling league. The restaurant's Belgian cuisine and beer, live music, and "old world charm" have made it a consistent attraction for residents in the East English Village and Cornerstone Village neighborhoods that it borders, as well as visitors from all over the country. The restaurant was even featured on the late Anthony Bourdain's tv show, No Reservations, when he visited Detroit in 2009.

COMMUNITY FEEDBACK AND PUBLIC HEARING RESULTS

Pre-hearing Feedback

The petitioner reached out to the neighborhood associations of East English Village (EEV) and Cornerstone Village to inform them about the proposed rezoning. The petitioner also attended an East English Village Association meeting and gave a presentation on their plans to rezone. The feedback from the attendees was positive and the EEV board voted unanimously to support the rezoning and sent a letter of support. In addition, the Cornerstone Village Community Association provided a letter of support prior to the CPC public hearing.

CPC Hearing Results

On September 29, 2022, the City Planning Commission held a public hearing on the proposed rezoning. 3 members of the public spoke, all in support of the rezoning. One community member who owns property near Cadieux Cafe spoke to the restaurant being a cornerstone of the community and how well the owners maintain their property and the surrounding community. The president of the Cornerstone Village Community Association also spoke in support of the proposed rezoning.

PLANNING CONSIDERATIONS

Current Zoning

R1 – SINGLE-FAMILY RESIDENTIAL DISTRICT

The R1 Single-Family Residential District is designed to protect and preserve quiet, low-density residential areas now primarily developed and those areas which will be developed with single-family detached dwellings and characterized by a high ratio of home ownership. The regulations for this district are designed to stabilize and protect the essential characteristics of the district and to promote and encourage a suitable environment for activities associated with family life. To these ends, development is limited to a relatively low concentration and uses permitted by right are limited to single-family detached dwellings which provide homes for the residents of the area. Additional residential uses such as religious institutions, neighborhood centers, and utility uses necessary to serve the immediate area may be permitted on a conditional basis.

Proposed Zoning

B4 – GENERAL BUSINESS DISTRICT

The B4 General Business District provides for business and commercial uses of a thoroughfare-oriented nature. In addition to these uses, other businesses, which may benefit by drawing part of their clientele from passing traffic are permitted. Additional uses, which may be successfully blended with permitted by-right uses, are conditional.

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

North: R2 (Two-Family Residential)
East: R1 (Single-Family Residential)
South: R1 (Single-Family Residential)
West: R1 (Single-Family Residential)

Zoning Ordinance Criteria

Section 50-3-70 of the Detroit Zoning Ordinance lists eight approval criteria on which zoning map amendments must be based. The CPC analysis of the criteria is as follows:

1. Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact; *The proposed map amendment would align the historic and current use of the subject property with current zoning standards.*

2. Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance; *The subject site is located within the Finney area of Neighborhood Cluster 3 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows Low Density (RL) in the Master Plan. The Planning & Development Department (P&DD) has provided a Master Plan Interpretation and found the proposed rezoning to be generally consistent with the Master Plan classification. P&DD stated that while the proposed zoning classification is not consistent with the Master Plan's Future General Land Use classification, its small size is not anticipated to change the overall character of the Finney neighborhood.*

3. Whether the proposed amendment will protect the health, safety, and general welfare of the public; *The restaurant has been in operation for over 80 years and therefore, CPC is of the mind that the proposed map amendment will not have any negative impact on the health, safety, and general welfare of the public.*

4. Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining ade-

quate levels of service to existing development. *It is assumed the City will be able to provide adequate services to the subject property.*

5. Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management. *It is not anticipated the proposed rezoning would adversely impact the natural environment.*

6. Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract. *It is not anticipated the proposed rezoning will have significant adverse impacts on other property that is in the vicinity. As a part of the conditional land use hearing for the various operations of the restaurant, the City Planning Commission has recommended that BSEED explore additional screening between the restaurant and the adjacent property owners.*

7. The suitability of the subject property for the existing zoning classification and proposed zoning classification; *The R1 (Single-family residential) zoning district does not allow any of the restaurant's uses either by-right or conditionally. Therefore, the subject property is a nonconforming use. Under the proposed B4 (General Business) zoning district, the restaurant and indoor recreation (feather bowling alley) use would be allowed by-right. In addition, the cabaret (outside of the CBD) and establishment for the sale of beer or alcoholic liquor on the premises (outside the CBD) uses could apply to receive approval from BSEED through the conditional land use hearing process.*

8. Whether the proposed rezoning will create an illegal "spot zone." *Due to the historic nature of the Cadieux Cafe restaurant and its place as a neighborhood gem, the City Planning Commission does not believe that the proposed rezoning will create a spot zone.*

RECOMMENDATION

Based on the above analysis and consistent with the approval criteria of Sec. 50-3-70 of the Zoning Ordinance, the CPC voted at its September 29, 2022, meeting to recommend approval of the rezoning request. The approved-as-to-form Ordinance is attached for Your consideration.

City Planning Commission

January 5, 2023

Honorable City Council:

Re: Request of R. Philip Lockwood on behalf of XYZ 20-02 RPF LLC and the City Planning Commission to rezone 22 parcels from the R2 (Two-Family Residential), R3 (Low Density Residential), and B4 (General Business) zoning district classifications to the SD1 (Special Development, Small-Scale, Mixed-Use) and R5 (Medium Density Residential) zoning district classifications. **(RECOMMEND APPROVAL)**

Current Zoning Map with proposed rezoning hatched

BACKGROUND AND PROPOSAL

The City Planning Commission (CPC) has received a request from R. Philip Lockwood on behalf of XYZ 20-02 RPF LLC to amend District Map No. 5 of the 2019 Detroit City Code, Chapter 50, Zoning, by showing an SD1 (Special Development, Small-Scale, Mixed-Use) zoning district classification where R2 (Two-Family Residential), R3 (Low Density Residential), and B4 (General Business) zoning district classifications are currently shown for twenty-two parcels generally bounded by West Hancock Street to the north, Avery Street to the east, Lysander Street to the south, and Rosa Parks Boulevard to the west.

The proposed map amendment is being requested to permit a mixed-use development consisting of approximately 59 residential units and 7,500 square feet of commercial space on fourteen scattered parcels. The current R2 and R3 zoning does not allow commercial uses and requires substantial setbacks; the proposed SD1 district allows narrower setbacks and more walkable layouts in addition to small-scale, neighborhood-oriented commercial uses. The City Planning Commission is partnering on the request in order to include additional parcels to make the zoning of the entire block consistent.

The fourteen parcels proposed for redevelopment are currently owned by the Detroit Land Bank Authority. The applicant for the proposed rezoning won a Request for Proposals (RFP) that was released for the parcels to be developed. The applicant has a purchase agreement with the Land Bank that requires various milestones to be met before the property can be purchased (including this rezoning).

The site is located in City Council District 6 and measures about 3 acres. The area proposed for development is currently vacant land. The area proposed to be rezoned to maintain consistency is occupied by several vacant commercial buildings and a parking lot.

CPC MEETINGS

Public Hearing – April 21, 2022

On April 21, 2022, the City Planning Commission held a public hearing on this rezoning request. The Commissioners asked questions about the timeline of construction, the community engagement strategy, the affordability of units, amount of parking provided, whether SD1 is the appropriate zoning district, and stormwater management plans. At the hearing, three members of the public spoke – one in opposition, one in support, and one with general questions.

The neighbor at 1764 W. Forest Avenue (directly adjacent to the north of Forest portion) spoke in opposition at the hearing and also submitted two letters in opposition to the northern portion of the rezoning. They support rezoning to a higher density district such as B2 or R5, but not to a district that permits no setbacks such as SD1. They feel that SD1 would be inconsistent with the existing development of the neighborhood as most structures in Woodbridge are not built to the lot line but have at least small setbacks. They also are concerned that the proposed building would increase issues with stormwater runoff and that a development on the lot line would impact their property – especially during construction. Please see the attached letters for the full details. At this time, the applicant does not want to change the request to accommodate this suggestion.

Sixteen letters in support of the rezoning have been submitted. Seven are from Woodbridge residents and several others are from neighborhood groups. Reasons for support included:

- The density allowed in the SD1 District is more similar to the rest of the neighborhood than that allowed by the R-Districts.
- The setbacks required by the R-Districts are too wide and the parking requirements are too high resulting in sprawling developments that don't fit the character of Woodbridge.
- The neighborhood stands to benefit from the new investment, new residents, and new businesses.
- The SD1 District has been successful in driving neighborhood revitalization in Midtown.
- Mr. Lockwood's planned inclusion of storm water infrastructure, native plantings, and affordable housing.

All of the letters are included as an attachment to this report.

CPC Recommendation & Action – May 19, 2022

As a result of the directly-adjacent neighbor's opposition, CPC staff recommended that the three parcels north of Forest Avenue be rezoned to the R5 zoning district instead of the requested SD1 district. While the R5 district is not an ideal solution to the disagreement because it requires large setbacks, it addresses the concern of the neighbor by requiring a setback adjacent to their property. Unfortunately, the current zoning ordinance does not offer a zoning district that requires setbacks and heights similar to existing development in Woodbridge. The differences between the R5 and SD1 zoning districts fall into three categories:

- **Allowed Uses**
  Multiple-family dwellings: allowed by-right in both districts
  Commercial uses: R5 allows 3 by-right and 21 conditionally; SD1 district allows 26 by-right and 18 conditionally[1]
  Industrial uses: not allowed in R5; SD1 allows 18 by-right and 4 conditionally
- **Setbacks & Height**
  Front Setback R5 – 20' SD1 – none
  Side Setback R5 – Formula A[2]
  SD1 – Where adjacent to R1 , R2, R3, R4: Formula A; otherwise none
  Rear Setback R5-30'
  SD1 – single-story with alley: none; without alley: 10';
  multi-story with residential or SD1 to the rear: with alley, 10'; no alley, 20'
  multi-family: with alley, 10'; without alley, 20'
  Height R5 – no limit SD1 – 35' max for single-use; 50' for mixed-use
  Floor Area Ratio (FAR)[3] R5 – 1.5 max SD1 – no limit
- **Parking**
  Most parking requirements are based on use and don't change based on the zoning district; the parking exceptions that are based on zoning district don't affect this location because it is located within ½ mile of a high-frequency transit corridor and is eligible for the same parking waivers regardless of the zoning district.

CPC staff recommended approval of the remainder of the request to rezone the area bounded by West Forest, Rosa Parks, Lysander, and the alley to the SD1 district. The

City Planning Commission voted 6-0 to accept staff's recommendation for both the north and south portions of the proposed rezoning.

STAFF ANALYSIS

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:
North: B4, R2 – Single-family dwelling with flower farm; vacant School
East: R2 – Single- and Two-family dwellings
South: R2 – Church; Single-family dwellings
West: SD1 – Vacant land recently rezoned and proposed for mixed-use development

Zoning Ordinance Approval Criteria

Section 50-3-70 of the Detroit Zoning Ordinance lists eight approval criteria on which zoning map amendments must be based. Following are the relevant criteria with CPC staff's analysis in italics:

• Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact. *Historically, zoning has encouraged separation of uses which is apparent in the current zoning of this site – B4 (General Business) District at the intersection of the major streets and R2 (Two-Family Residential) & R3 (Low Density Residential) Districts in the interior blocks. More recently, it has become apparent that mixed-use neighborhoods – residential uses combined with small-scale commercial uses – create a more walkable area and allow less reliance on automobiles. This proposal reflects that trend.*

• Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract. *Because this property has been vacant for an extended period, any development will bring increased activity and traffic to the site. The surrounding streets are designated as "major streets" and have unused capacity – Rosa Parks is 3 lanes (one way northbound) and West Forest is 4 lanes (one way eastbound). Bus routes also exist on Grand River and Rosa Parks. Significant adverse impacts to surrounding property are not likely. However, the adjacent neighbor on Forest has expressed opposition to allowing zero-lot line development due to concerns about storm water management, consistency with existing development, and lack of greenspace. As a result, R5 is recommended for that portion of the proposal as it requires a setback from the neighboring property.*

• Whether the proposed rezoning will create an illegal "spot zone." *For the south of Forest portion of the rezoning, several blocks to the west across Rosa Parks Boulevard were recently rezoned to SD1 to permit a mixed-use development. This proposal will not create a spot zone, but will simply expand the SD1 area. For the north of Forest portion, the staff-recommended R5 District would not create a spot zone because it is similar to the R2 District in that both are residential with similar uses and setbacks. It will also create a buffer between the more intense B4 District to the east and the R2 to the west.*

Master Plan Consistency

The subject site is located within the Jeffries area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "RL – Low Density Residential" for the subject property. The Planning and Development Department (PDD) has reviewed this proposed rezoning and determined that it is generally consistent with the Master Plan.

Design Review

Because the applicant is buying parcels from the Detroit Land Bank Authority, he is required to complete design review with PDD. After several meetings, PDD is supportive of the site plan and will continue to work with the developer on the façade designs. Preliminary plans with PDD comments are attached to this report.

Community Input

A community meeting was held via Zoom on January 28, 2021. Flyers were distributed to the 16 properties adjacent to the proposed rezoning. There were about six families in attendance (1-4 people each). Questions were asked regarding timeline, affordability, stormwater management, alley reactivation and construction-related disturbances.

CONCLUSION & RECOMMENDATION

On May 19, 2022, the City Planning Commission voted to recommend approval of the rezoning request to amend Article XVII, District Map 5 of Chapter 50 of the 2019 Detroit City Code, *Zoning*, to show an SD1 (Special Development, Small-Scale, Mixed-Use) zoning district classification where R2 (Two-Family Residential), R3 (Low Density Residential), and B4 (General Business) zoning district classifications are currently shown on the block bounded by Rosa Parks Boulevard to the west, Forest Avenue to the north, the north-south alley first west of Avery Street to the east, and Lysander Street to the south.

Additionally, the City Planning Commission voted to recommend approval of the rezoning of three lots north of Forest Avenue commonly known as 1732, 1738, and 1746 West Forest from the R2 (Two-Family Residential) zoning district to the R5 (Medium Density Residential) zoning district.

[1]By-right uses require a permit and compliance with zoning ordinance requirements such as setbacks, parking, and landscaping. Conditional uses additionally require a public hearing at the Buildings, Safety Engineering and Environmental Department (BSEED) where property owners and occupants within 300 feet are notified and invited to comment. The use must also meet the 15 approval criteria found in Sec. 50-3-281 regarding the potential impact on neighboring properties.

[2]Formula A is calculated by adding the length of the building in feet to twice the height of the building, and dividing the resulting sum by 15. The result is that bigger, taller buildings require larger setbacks and smaller, shorter buildings require smaller setbacks. Sec. 50-13-229 of the zoning ordinance furthers explains the requirement and includes an illustration.

[3]Floor Area Ratio (FAR) determines the maximum amount of floor area which may be built on a zoning lot. It is calculated by multiplying the zoning lot area by the FAR factor and the result is the maximum permitted floor area permitted on the site. FAR is an alternate method of controlling the bulk of a permitted building and is often used instead of height restrictions. Further explanation and an illustration can be found in Sec. 50-13-237.

Honorable City Council:

Re: Resolution Establishing the Belcrest Apartment Neighborhood Enterprise Zone in the area bounded by 5440 Cass, Detroit, Michigan in accordance with Public Act 147 of 1992 on behalf of 5440 Cass, LLC. **(Petition #2022-265)**

Attached for your consideration please find a resolution and legal description which will establish the Belcrest Apartment Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on October 20, 2022 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The applicant propose to acquire and rehabilitate the project into a 141-unit Apartments building located at 5440 Cass in the Midtown area. The applicant intends to improve the property in various ways, by including updated flooring, paint, and light fixtures in the common area.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,
KELLY R. VICKERS
Chief Housing Investment
and Development Officer

By Council President Pro Tem Tate:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Belcrest Apartment Neighborhood Enterprise Zone NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Belcrest Apartment Neighborhood Enterprise Zone NEZ was conducted before the Detroit City Council on October 20, 2022, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Belcrest Apartment Neighborhood Enterprise Zone NEZ where cited; and

Whereas, After the public hearing, City Council legally established a Neighborhood Enterprise Zone in the area located at 5440 Cass, on January 17, 2023.

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Belcrest Apartment Neighborhood Enterprise Zone NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act

Adopted as follows:

Yeas — Council Members Benson, Durhal, III, Johnson, Santiago-Romero, Tate, Waters, Whitfield-Calloway, Young, II and President Sheffield — 9.

Honorable City Council:

Re: Property Sale by Detroit Land Bank Authority — Brother Nature Produce LLC — Development: 1943, 1949, 1965 Elm; 2922, 2928, 2940, 2970, 2980 Vermont; 1926, 1930 Temple.

Pursuant to the First Amended and Restated Memorandum of Understanding ("MOU") between the City of Detroit and the Detroit Land Bank Authority ("DLBA"), approved by your Honorable Body on May 5, 2015, the DLBA may not transfer ten (10) or more parcels of property received from the City to the same transferee within any rolling 12 month period without the prior approval of the Mayor and City Council.

The DLBA is now in receipt of an offer from Brother Nature Produce LLC., a Michigan Limited Liability Company ("Brother Nature") to enter into an option to purchase ten (10) properties ("the Property") acquired by the DLBA (as described in the attached Exhibit A). The Property is located in the North Corktown neighborhood.

Brother Nature has been active in North Corktown for over 15 years. They own and operate a mini orchard and hoop houses located at 1868 Temple and 2913, 2919 Rosa Parks. The Property is zoned R2 (Two Family Residential) and consists of approximately 32,797 square feet of vacant land. They wish to combine the Property with these operations and expand their business. The total project area would be bound by Elm St., Rosa Parks Blvd., Temple and Vermont.

An Urban Farm is permitted as a conditional use in a R2 zone. Brother Nature shall adhere to all applicable urban garden/farm guidelines and apply for and obtaining all applicable permits and/or licenses. Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

Conditions to Exercise Option and Execute Development Agreement are to include:

- Finalizing financing for project
- City of Detroit Planning and Development Department ("PDD") Design Review and approvals, as necessary or required
- Zoning compatibility/successful zoning changes and/or conditional land use hearings
- Obtaining applicable City permits
- Other approvals as necessary with required City departments and/or agencies

The Planning & Development Department, therefore, requests that your Honorable Body authorize the Detroit Land Bank Authority to enter into an Option Agreement with Brother Nature Produce LLC., a Michigan Limited Liability Company to sell the Property as more particularly referenced in the attached Exhibit A for $70,840.88; and, upon exercise of the option by the optionee, to sell such property in accordance with the terms set forth in the Option Agreement.

Respectfully submitted,
ANTOINE BRYANT
Director

By Council President Pro Tem Tate:

Whereas, The Detroit Land Bank Authority ("DLBA") was created to assemble and dispose of publicly owned properties in a coordinated manner to foster the development of that property and to promote economic growth in the City of Detroit; and

Whereas, Pursuant to the First Amended and Restated Memorandum of Understanding ("MOU") between the City of Detroit and the DLBA, approved by the Detroit City Council on May 5, 2015, the DLBA may not transfer ten (10) or more parcels of property received from the City of Detroit to the same transferee within any rolling twelve (12) month period without the prior approval of the Mayor and City Council; and

Whereas, The DLBA is now in receipt of an offer from Brother Nature Produce LLC, a Michigan Limited Liability Company ("Brother Nature"), to enter into an option to purchase properties ("the Property") acquired by the DLBA (as described in the attached Exhibit A). The Property is located in the North Corktown neighborhood; and

Whereas, The Property consists of vacant land and Brother Nature proposes to utilize the land to expand operations of their urban farm; and

Whereas, The Property is zoned R2 (Two Family Residential) and an Urban Farm is permitted as a conditional use. Brother Nature shall adhere to all applicable urban garden/farm guidelines, apply for and obtain all applicable permits and/or licenses and/or other approvals as necessary with required City departments and/or agencies.

Now, Therefore, Be It Resolved, That in accordance with the foregoing communication, the Detroit Land Bank Authority, be and is hereby authorized to enter into an Option Agreement with Brother Nature Produce LLC, a Michigan Limited Liability Company, to sell the Property as more particularly referenced in the attached Exhibit A for $70,840.88; and, upon exercise of the option by the optionee, to sell such property in accordance with the terms set forth in the Option Agreement.

Planning and Development Department

December 1, 2022

Honorable City Council:

Re: Property Sale — 3125 Second Ave., Detroit, MI 48201.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Frank Company, L.L.C. ("Purchaser"), a Michigan limited liability company, to purchase certain City-owned real property at 3125 Second Ave. (the "Property"). The P&DD has entered into a purchase agreement with Purchaser, under the terms of the which, the Property will be conveyed to Purchaser for the purchase price of One Hundred Five Thousand and 00/100 Dollars ($105,000.00).

Daniel Tatarian is the owner of Frank Company, as well as the adjacent lot located at 3131 Second Ave. Mr. Tatarian is currently redeveloping the lot adjacent to the Property and intends to open a new restaurant there called White Grove. He wishes to acquire the city-owned parcel with the intention of expanding the available footprint for the upcoming restaurant and to utilize the lot as a wait-area for customers. The Property shall be transferred subject to a reverter interest, requiring the Purchaser open a restaurant at 3131 Second within twenty-four (24) months of the close of the sale for the Property located at 3125 Second Ave. Furthermore, the Property is within a B4 zoning district (General Business District). Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Frank Company, L.L.C.

Respectfully submitted,
ANTOINE BRYANT
Director

By Council President Pro Tem Tate:

Now, Therefore, Be It Resolved, That Detroit City Council hereby approves of the sale of certain real property at 3125 Second Ave., Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Frank Company, L.L.C. ("Purchaser"), for the purchase price of One Hundred Five Thousand and 00/100 Dollars ($105,000.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to Purchaser consistent with this resolution; and be it further

Resolved, The Property shall be transferred subject to a reverter interest, requiring the purchaser to open a restaurant on the parcel located at 3131 Second Ave. within twenty-four (24) months of the close of the sale of 3125 Second Ave.; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Six Thousand Three Hundred and 00/100 Dollars ($6,300.00) shall be paid to the DBA from the sale proceeds, 2) Five Thousand Two Hundred Fifty and 00/100 Dollars ($5,250.00) shall be paid to the DBA 's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars ($200.00) as well as any taxes and assessments which have become a lien on the Properties; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

STANDING COMMITTEE REPORTS

BUDGET, FINANCE AND AUDIT STANDING COMMITTEE

Office of the City Clerk

January 9, 2023

Honorable City Council:

Re: Application for Neighborhood Enterprise Zone Certificate for Woodbridge Estates.

On October 21, 1992, your Honorable Body established Neighborhood Enterprise Zones. I am in receipt of three (3) applications for a Neighborhood Enterprise Zone Certificate. These applications have been reviewed and recommended for approval by the City Planning Commission, a copy of which is attached. Therefore, the attached Resolution, if adopted by your Honorable Body, will approve these applications.

Respectfully submitted,
ANDRE P. GILBERT, II
Deputy City Clerk

By Council Member Durhal, III:

Whereas, Michigan Public Act 147 of 1992 allows the local legislative body to establish Neighborhood Enterprise Zones for the purpose of providing exemption from *ad valorem* property taxes, and the imposition of specific tax in lieu of *ad valorem* taxes; and

Whereas, The Detroit City Council has established a Neighborhood Enterprise Zone for the following area, in the manner required by and pursuant to Public Act 147 of 1992.

Now, Therefore, Be It Resolved, That the Detroit City Council approves the submission of the applications to the State Tax Commission, and, if applicable, the City Council concurs with the issuance of the certificates if the application was filed not more than 6 months after the date of the issuance of a building permit for the facility.

Be It Finally Resolved, That the Detroit City Council approve the following for receipt of Neighborhood Enterprise Zone Certificates for a fifteen-year period:

Zone
Woodbridge Estates

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for the rehabilitation of a multiple-family building at 4110, 4112, and 4114 Trumbull in the Woodbridge Estates Neighborhood Enterprise Zone area. **(RECOMMEND APPROVAL)**

The office of the City Planning Commission (CPC) has received applications requesting Neighborhood Enterprise Zone (NEZ) certificates for the rehabilitation of an existing multi-family building at 4110, 4112, and 4114 Trumbull Avenue.

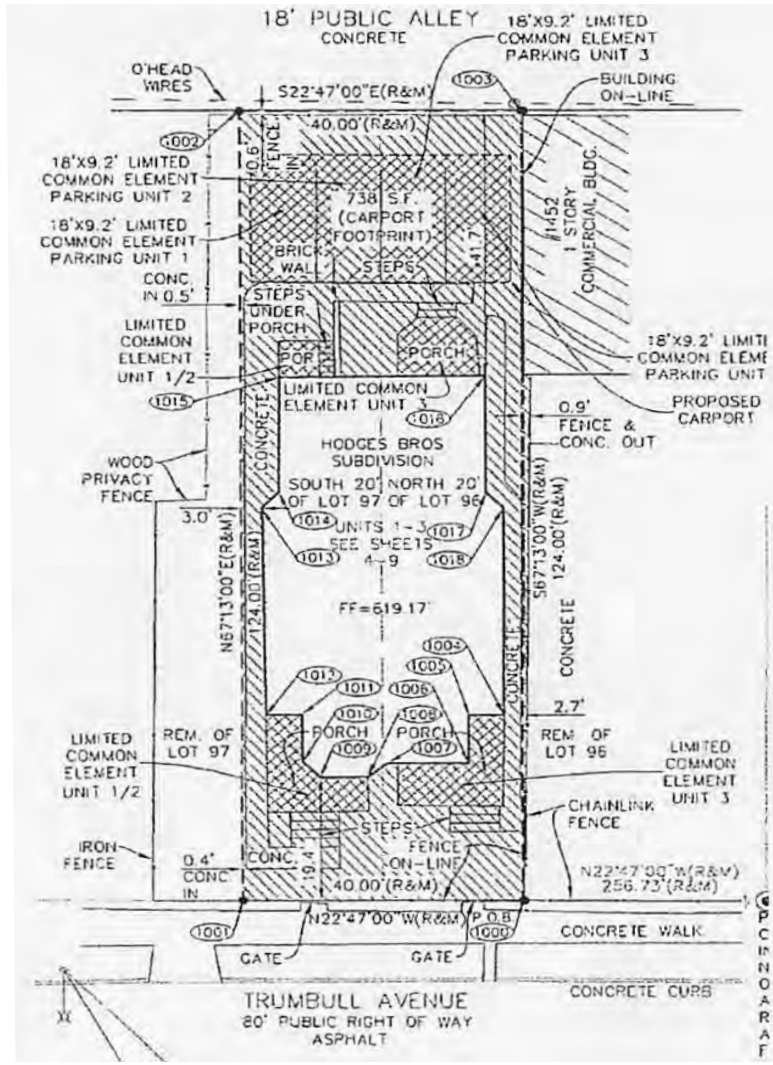
The property is generally located on the east side of Trumbull Avenue north of Alexandrine Avenue in the Woodbridge neighborhood. Below is a map and image of the location. The request is for a 15-year abatement. The applicant for the certificates is ABI Investments, LLC, which is a developer for 8 years focusing on redevelopment of properties in Detroit, Chicago, Kansas City, Nashville, etc.

The subject building was built in 1900 and has 3 rental units. The proposal is to renovate the existing structure into three condominium units. The developer has owned the building for approximately 3½ years. The estimated project cost per unit is $85,633. Unit info is as follows:

- Unit 1 has 789 square feet; Unit 1 is on one floor
- Unit 2 has 1,044 square feet; Unit 2 is above Unit 1 and on two floors
- Unit 3 has 2,732 square feet.; Unit 3 is adjacent to Units 1 and 2 and on three floors

The developer indicates none of the 3 units will be designated handicap accessible. There is an existing covered parking structure for 4 vehicles in the rear yard accessed from the rear alley. The developer indicates no fee will be charged for the parking. Presently, the three units are occupied on a month-to-month basis until the NEZ is approved, and the units can then be offered for sale. The estimated sales price will be about $500,000 but will depend on market conditions.

The subject property has been confirmed as being within the boundaries of the Woodbridge Estates NEZ which was established by a vote of City Council on September 2001.



The NEZ State Act (Section 207.774) states the application must be “filed” before a building permit is “issued” or as otherwise provided by the local governmental unit by resolution if the application is filed not later than 6 months following the date the building permit is issued. The City issued a building permit for the subject 3 units on March 18, 2022. The petitioner submitted the current NEZ certificate application dated August 30, 2022, to the City Clerk’s office. However, the petitioner indicates the certificates were actually first submitted back in September 2019, but for some reason were lost. Either way, the current certificates have been submitted within the aforementioned 6-month window.

CPC staff has reviewed the applications and recommends approval. Attached is a resolution for your consideration. Please contact our office should you have any questions.

BACKGROUND AND PROPOSAL

The City Planning Commission (CPC) has received a request from SER MetroDetroit and the Collaborative to amend District Map No. 54 of the 2019 Detroit City Code, Chapter 50, *Zoning*, to show a B4 (General Business) zoning district where a P1 (Open Parking) zoning district is currently shown for the property located at 4423 Western Avenue, generally bounded by Michigan Avenue to the north, and St. Stephens Avenue to the south. The site is located in Council District 6 and measures approximately 0.25 acres in size. There are currently no structures on the site. The site is currently used for parking. The subject parcel is part of the SER Metro-Detroit campus.

The proposed map amendment is being requested to permit the development of a lab for construction training of high school students attending the affiliated charter high school, as well as parking in the rear of the building. The existing P1 zoning does not permit for the construction of buildings, apart from those associated with parking.

Current zoning classification map, with subject parcel hatched. The correct street name is Western Avenue.

STAFF ANALYSIS

Surrounding Zoning and Land Use

The zoning classifications and uses surrounding the subject parcels are as follows:

North: B4 (General Business) – commercial buildings
East: R2 (Two-Family Residential) –residential, single- and two-family dwellings
South: R2 (Two-Family Residential) –residential, two-family dwelling, occupied
West: IC (Intensive Industrial) – located in the City of Dearborn, semi-truck storage

Ariel view of proposed rezoning

Zoning Ordinance Approval Criteria

Section 50-3-70 of the Detroit Zoning Ordinance lists eight approval criteria on which zoning map amendments must be based. Following are the relevant criteria with CPC staff's analysis in italics:

• Whether the proposed amendment will protect the health, safety, and general welfare of the public. *The proposed amendment will do so by rezoning the subject parking lot to an appropriate zoning district classification that will allow for the expansion of educational and community services offered on the adjacent sites in a manner consistent with the zoning scheme and fabric of the neighborhood. The rezoning will activate the space on Western Avenue, increasing the area's overall vibrancy and walkability.*

• Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management. *It is not anticipated that the proposed rezoning will have significant adverse impacts on the natural environment.*

• Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract. *No adverse impacts are anticipated as a result of the proposed rezoning. There is no expected increase in traffic, as traffic for the school will enter the property from Michigan Avenue. Additionally, no increase in noise is expected as a result of the proposed rezoning. By allowing the proposed rezoning, the vitality and walkability of the neighborhood will be improved.*

Master Plan Consistency

The subject property is located within the Chadsey area of Neighborhood Cluster 5 of the Detroit Master Plan of Policies. The Future Land Use Map for this area shows "RLM – Low/Medium Density Residential" for the subject property. The Planning and Development Department (PDD) has reviewed this proposed rezoning and has determined that it is generally consistent with the Master Plan classification. The full report is attached.

Community Input

The petitioner has actively engaged with residents of the community. Community engagement has included residents of Western Avenue, business owners along Michigan Avenue, and the following community organizations: Bridging Communities, American Indian Health and Family Services, Congress of Communities and the Quran Institute of America. Additional engagement has occurred between the petitioner and the Department of Neighborhoods. Council Member Santiago-Romero's office was also made aware of the proposed rezoning and development.

CPC MEETINGS PUBLIC HEARING

On July 21, 2022, the City Planning Commission held a public hearing on this rezoning request. At the hearing, one member of the public, the adjacent property owner to the south, was present. The adjacent property owner inquired as to how this would impact their property. CPC staff contacted the property owner following the meeting to discuss and answer any questions. They expressed that they were in support of the rezoning after discussion with CPC staff.

CONCLUSION AND RECOMMENDATION

On August 4, 2022, the City Planning Commission voted to recommend approval of the rezoning request of SER-Metro Detroit and the Collaborative to amend Article XVII, Section 50-17-56, District Map 54 of Chapter 50 of the 2019 Detroit City Code, *Zoning,* to show a B4 (General Business) zoning classification where a P1 (Open Parking) zoning classification is currently shown for the property located at 4423 Western Avenue.

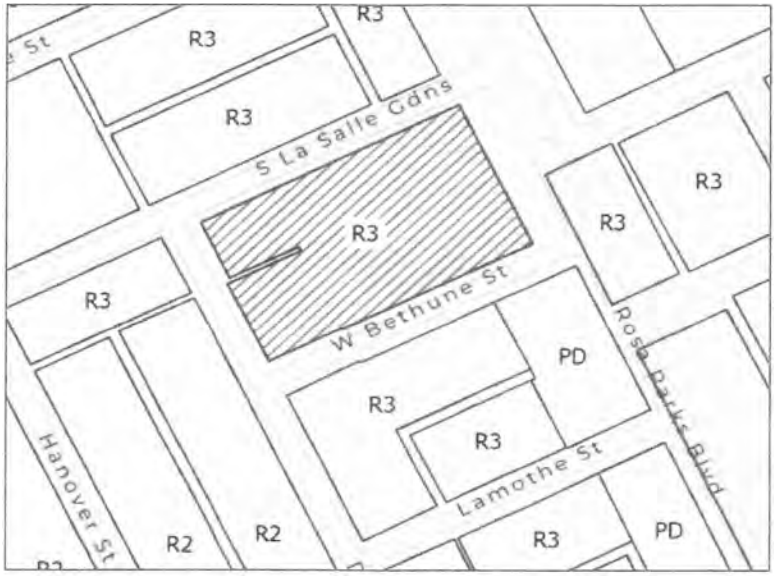
Honorable City Council:



Re: Request of Parkstone Development and the Detroit City Planning Commission to show an SD1 (Special Development, Small-Scale, Mixed-Use) zoning district where an R3 (Low Density Residential) is currently shown for seven parcels commonly known as 7601 Rosa Parks Boulevard, 1967 and 2011 S. La Salle Gardens, and 7626, 7616, 7608, and 7600 Dunedin Street, generally bounded by S. La Salle Gardens to the north, Dunedin Street to the west, Rosa Parks Boulevard to the east, and Bethune Street to the south. **(RECOMMEND APPROVAL)**

BACKGROUND AND PROPOSAL

The City Planning Commission (CPC) has received a request from Parkstone Development and the Detroit City Planning Commission to amend District Map No. 46 of the 2019 Detroit City Code, Chapter 50, *Zoning*, to show an SD1 (Special Development, Small-Scale, Mixed Use) zoning district where an R3 (Low Density Residential) zoning district is currently shown for the properties located at 7601 Rosa Parks Boulevard, 1967 and 2011 S. La Salle Gardens, and 7626, 7616, 7608, and 7600 Dunedin Street, generally bounded by S. La Salle Gardens to the north, Dunedin Street to the west, Rosa Parks Boulevard to the east, and Bethune Street to the south.

The site is located in Council District 5 and measures approximately five acres. There are currently six vacant buildings on the site. The site is currently not actively used. The subject parcels make up the former St. Agnes church campus.

The proposed map amendment is being requested to permit the redevelopment and adaptive reuse of the existing buildings on the site to create 85 multi-family dwelling units, four retail spaces, and outdoor gathering spaces. The existing R3 zoning classification does not allow for commercial uses, or sufficient adaptive reuse possibilities for the site.

STAFF ANALYSIS

Surrounding Zoning and Land Use

The zoning classifications and uses surrounding the subject parcels are as follows:

North: R3 – institutional (school and church)
East: R3 and PD – residential, multi-family units
South: R3 and PD – residential
West: R3 and R2 – residential and vacant

Zoning Ordinance Approval Criteria

Section 50-3-70 of the Detroit Zoning Ordinance lists eight approval criteria on which zoning map amendments must be based. Following are the relevant criteria with CPC staff's analysis in italics:

• Whether the proposed amendment will protect the health, safety, and general welfare of the public. *The proposed amendment will result in a decrease in the number of blighted and vacant buildings in the subject area by allowing for the rehabilitation and reactivation of the currently vacant buildings.*

• Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management. *It is not anticipated that the proposed rezoning will have significant adverse impacts on the natural environment. The petitioner has indicated that they plan to incorporate several sustainability concepts into the final development.*

• Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract. *No adverse impacts are anticipated as a result of the proposed rezoning. By allowing the proposed rezoning, the vitality and walkability of the neighborhood will be improved. Further, by allowing the proposed rezoning, the adverse impacts of the currently vacant and unused structures on the site will be eliminated.*

Master Plan Consistency

The subject site is located within the Rosa Parks area of Neighborhood Cluster 6 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows RLM (Low/Medium Density Residential) for the subject properties. The Planning and Development Department (PDD) has reviewed this proposed rezoning and determined that it will not change the overall character of the area and is generally consistent with the Master Plan.

Community Input

Community engagement for the proposed project began in the third quarter of 2021. Initial outreach involved contacting residents surrounding the projects as well as leaders of area nonprofit organizations, resulting in over 20 informal conversations. At the end of each conversation, participants were invited for a private site tour. Approximately half of those contacted toured the site. During phase one, five letters of support were submitted for the creation of an Obsolete Property Rehabilitation Act district.

In March of 2022, the petitioner began working directly with the LaSalle Neighborhood Association who hosted an online meeting regarding the project. Many residents attend, as well as City Council President Mary Sheffield and then City Council District 5 Manager Melia Howard. As a follow-up to the meeting and at the request of the block club, the petitioner created a "Frequently Asked Questions" page which the block club distributed to many residents via their existing email distribution list. During this phase, neighbors were educated on the OPRA program.

The following list of questions, comments, and concerns came from the community:

• Firm support for the historic campus being preserved rather than being demolished.

• Several individuals expressed concern that the current developer may be affiliated with or partners with the former owner (Ron Castellanos).

• Many questioned who would be residing in the units; some expressed concern about affordable housing attracting low-income residents or college students from nearby Wayne State University.

There were several questions about tax credits. Some residents stated that they were under the impression that a tax credit for a nearby development meant that their personal property taxes would go up to compensate for the credit being granted.

Finally, the third phase of engagement included a survey in which residents could indicate the types of goods and service they desired in the commercial portion of the St. Agnes Development.

CPC MEETINGS

Public Hearing – October 6, 2022

On October 6, 2022, the City Planning Commission held a public hearing on this rezoning request. At the hearing, two members of the public spoke, both spoke in support of the proposed rezoning. No letters of support or opposition were received.

CONCLUSION AND RECOMMENDATION

On October 20, 2022, the City Planning Commission voted to recommend approval of the rezoning request to amend Article XVII, District Map 46 of Chapter 50 of the 2019 Detroit City Code, *Zoning*, to show an SD1 (Special Development District, Small-Scale, Mixed-Use) zoning classification where an R3 (Low Density Residential District) zoning classification is currently shown on seven parcels commonly known as 7601 Rosa Parks Boulevard, 1967 and 2011 S. Honorable City Council:

Re: Request of Ballpoint Bagley, LLC to amend Article XVII, Section 50-17-2, District Map No. 1 of the 2019 Detroit City Code, Chapter 50, Zoning, to show an SD2 (Special Development District, Mixed Use) zoning classification where an R3 (Low Density Residential District) zoning classification is currently shown on the property commonly known as 1451 Bagley Street. **(RECOMMEND APPROVAL)**

PROPOSAL

Before this Honorable Body is the request of Ballpoint Bagley LLC. The developer is proposing to rezone land at the southeast corner of Bagley and Trumbull, more commonly known as 1451 Bagley Street.

The proposal includes the rehabilitation of the existing 3,300 square foot (sf.) building and addition of 2,300 sf. of new construction to the building. This is being proposed to allow for a mixed-use development with ground floor retail and second floor office space.

1451 Bagley Street

The developer is planning for the office space to consist of 18 private suites ranging from 50-100 square. The target customers for the suites are 1-2 person businesses and remote workers who live within Corktown that are looking for private workspace outside of their homes. The suites are designed to offer more privacy and permanence than working from a kitchen table or a coffee shop. On-site amenities will include a conference room and phone booth rooms, along with private balconies for at least two of the offices. The space is intended to be a community resource for the Corktown neighborhood.

Current Zoning

R3 – LOW DENSITY RESIDENTIAL DISTRICT

The R3 Low Density Residential District is designed as a low-density multi-family district. The regulations are designed to promote and encourage town and terrace house development, courts, and garden apartments. It is intended that this district be used primarily on local thoroughfares thereby encouraging a suitable environment for family life. Among others, uses permitted by right include single- and two-family dwellings, townhouses, multi-family dwellings, and community facilities necessary to serve a residential district.

Proposed Zoning

SD2 – SPECIAL DEVELOPMENT DISTRICT, MIXED-USE

The SD2 Special Development District is designed to encourage a complementary mixture of more intensive pedestrian and transit-oriented uses that may be compatible with a neighborhood center or with a location along major or secondary thoroughfares. Parking requirements are reduced in certain circumstances to promote use of transit and non-motorized transportation; shared parking and a district approach to parking are encouraged to lessen demand for off-street parking spaces. Certain establishments that serve alcohol for consumption on the premises are permitted without a spacing requirement in order to attract increased pedestrian traffic to the area.

PLANNING CONSIDERATIONS

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

North: R3; Alpino Detroit (Standard Restaurant)
East: R3; Residential homes (Single Family)
South: R3; Residential home
West: SD2; Clement Kern Gardens (Multiple-Family dwellings)

Zoning Impacts

During the public engagement that CPC staff attended, there seemed to be overwhelming support for the project. Due to being land locked, the developer does not have site capacity to build typical accessory parking without demolishing the subject historic structure, so they plan to seek a parking variance at the Board of Zoning Appeals. Although, the site does not have capacity to build new parking stalls, the developer has created an alternative parking strategy.

CPC staff worked with the developer to devise a plan for parking that has received strong support from the surrounding community. The parking strategy seeks to do the following:

- solidify a shared parking agreement with an existing neighboring business in order to accommodate some office and retail users
- provide incentives for users within a 20-minute walking and biking distance with a tiered pricing structure, prioritizing those within the community who are less likely to need parking
- utilize existing on-street parking while barring tenants from parking immediately in front of adjacent residences
- Attract low-traffic businesses for the retail space in the development (e.g. those with minimal customers on-site at a time)

COMMUNITY INPUT AND PUBLIC HEARING RESULTS

The petitioner has engaged multiple entities throughout the Corktown neighborhood via their regularly scheduled community meetings. Those entities include:

- Corktown Business Association
- Corktown Historical Society
- Corktown East End Block Club

Throughout the public engagement that CPC staff attended, there seemed to be support for the project.

During the public hearing at the City Planning Commission on November 17, 2022 for this matter, several people spoke in support for the proposal. The sentiment of the public hearing speakers is that they believe this development will be a good addition to the neighborhood and draw more people to support the existing businesses. Additionally, 18 letters of support from surrounding property owners were received (see attached).

Zoning Ordinance Approval Criteria

According to Sec. 50-3-70, Approval Criteria, recommendations and decisions for zoning map amendments shall be based on the following criteria:

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact.

The proposed map amendment meets a trend in the area, in that, the surrounding corner parcels were previously rezoned to allow for mixed-use development also. The developer and other neighbors have expressed the desire to increase retail and office activity in the area to create a more vibrant atmosphere. This rezoning aids in achieving this goal.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this chapter.

The subject site is located within the Corktown area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies (MP). The Future Land Use map for this area shows Low/Medium Density Residential (RLM). The Planning & Development Department has submitted a Master Plan Interpretation letter, stating that the proposed zoning district is generally consistent with the MP because it will not change the overall character of the neighborhood.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public.

The proposed zoning change is probable to have a positive impact on the community and is not expected to have any deleterious effect on the health, safety and welfare of the public.

The developer has responded to initial concerns regarding parking for the site by publicizing their parking strategy to the community and City staff. Since then, the surrounding community has clearly expressed their support for the proposed zoning change. Below is a synopsis of the supportive sentiment of neighbors in immediate proximity to the subject site.

Slide from presentation that shows comments from neighbors of subject site

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development.

There is currently a building at the subject site that is being serviced. So the existing public services will be adequate, even once the addition to the building is completed.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management. There are no major negative impacts to the natural environment anticipated.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract.

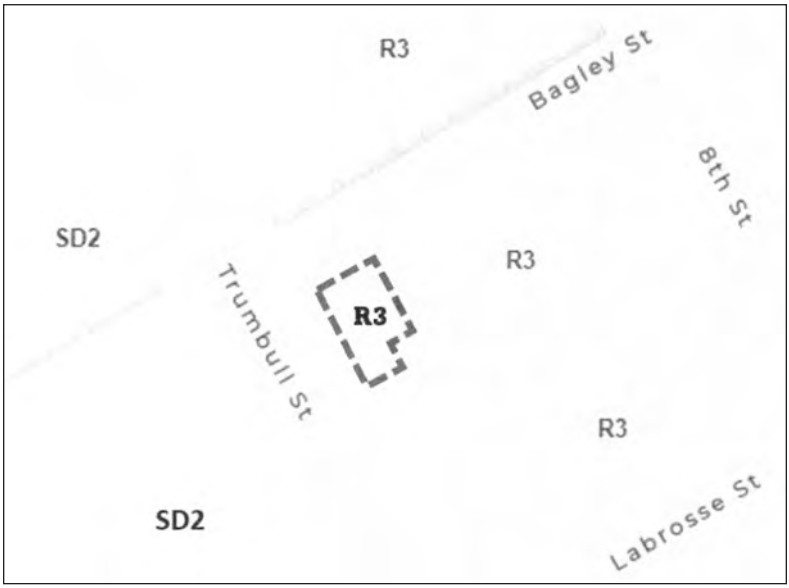
The proposed amendment is projected to have a beneficial impact to the property in the vicinity of the subject tract. Members of the community have expressed the desire for a more vibrant intersection at Trumbull Avenue and Bagley Street. The retail and office space will bring new pedestrian activity that is expected to translate into patrons for other businesses at this intersection.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification.

The subject property lies at an intersection where surrounding parcels have also been rezoned to the SD2 zoning classification in recent years. This shows a trend towards more

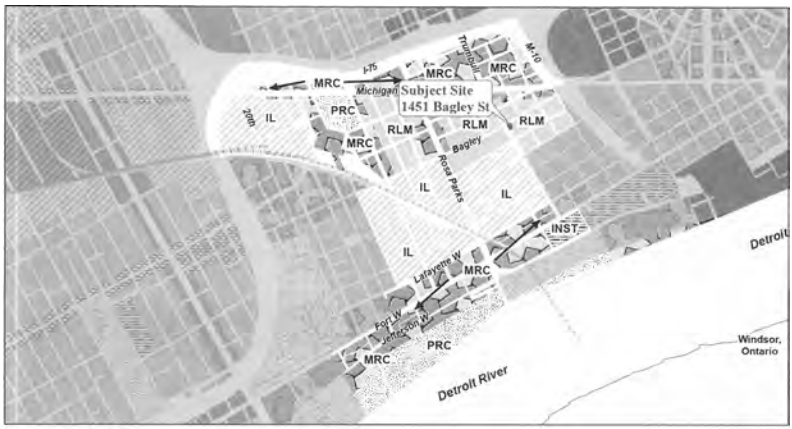
mixed-use development and the desire for goods and services within the community. The development that results from those prior rezonings is seemingly meshing with the fabric of the neighborhood well. Therefore, it seems that the current proposal will also be suitable.

(8) Whether the proposed rezoning will create an illegal "spot zone."

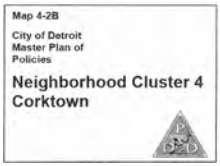


The proposed rezoning will not create an illegal spot zone. PDD has determined that the proposal is generally consistent with the Master Plan.

CONCLUSION AND RECOMMENDATION



The overwhelming support from the surrounding community expressed through 18 letters and no stated opposition, demonstrates that the neighbors of this site believe the development will integrate well into the community. The community is seeking to bring more people into the neighborhood to support the existing retail. Some have also expressed the desire to have convenient office spaces in the community. The developer has been very intentional regarding community engagement and has addressed early concerns which has led to nearly full consensus from neighbors.



Based on all of these factors, on November 17, 2022, the City Planning Commission voted to take same day action and recommend approval of the rezoning request to show an SD2 (Special Development District, Mixed Use) zoning classification where an R3 (Low Density Residential District) zoning classification is currently shown on the property commonly known as 1451 Bagley Street.

On January 19, 2023 a public hearing in connection with approving an Obsolete Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

16530 East Warren, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
KELLY R. VICKERS
Chief Housing Development and Investment Officer

By Council President Pro Tem Tate:

Whereas, 16539 East Warren, LLC has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on April 12, 2022 established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 16510 & 16530 East Warren, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or

increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (1) of the Act; and

Whereas, This City Council has granted until of June 1, 2024 for the completion of the rehabilitation; and

Whereas, On January 19, 2023 in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an *ad valorem* property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of 16539 East Warren, LLC for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12) years after the completion, with the certificate beginning December 31, 2024 and the certificate expiring December 31, 2036, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than June 1, 2024, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

January 3, 2023

Honorable City Council:

Re: Property Sale — 9720, 9734, 9740 and 9758 Chalmers.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Beauty Ascension Services, Inc. (the "Purchaser), a Michigan Corporation to purchase certain City-owned real property at 9720, 9734, 9740 and 9758 Chalmers (the "Property") for the purchase price of Sixty Thousand and 00/100 Dollars ($60,000.00).

The property is within a B4 zoning district (General Business District). 9720 Chalmers and 9734 Chalmers consist of multi-family residential units. 9758 Chalmers was previously mixed-use (retail/restaurant) and 9740 Chalmers is vacant land. The Purchaser proposes to renovate the existing residential units, to convert the mixed-use property into residential units and to utilize the remaining land as greenspace.

The renovation of 9720 Chalmers and 9734 Chalmers is permissible and the current legal land use of the property. The conversion of 9758 Chalmers into residential units requires a special land use hearing before the Buildings, Safety Engineering and Environmental Department ("BSEED") Special Land Use Zoning Division. Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD, or his or her authorized designee to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Purchaser.

Respectfully submitted,

ANTOINE BRYANT

Director

By Council President Pro Tem Tate:

Now, Therefore, Be It Resolved, That Detroit City Council hereby approves of the sale of certain real property at 9720, 9734, 9740 and 9758 Chalmers, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Beauty Ascension Services, Inc. (the "Purchaser"), a Michigan Corporation for the purchase price of Sixty Thousand and 00/100 Dollars ($60,000.00).

Resolved, That the Director of the Planning and Development Department, or his or her authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to the Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Three Thousand Six Hundred and 00/100 Dollars ($3,600.00) shall be paid to the DBA from the sale proceeds, 2) Three Thousand Five Hundred and 00/100 Dollars ($3,000.00) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars ($200.00), as well as any truces and assessments which have become a lien on the property, shall be paid from the sales proceeds; and be it further

Resolved, That the P&DD Director, or his or her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his or her authorized designee, and approved by the Corporation Counsel as to form.

December 7, 2022

Honorable City Council:

Re: Transfer of Jurisdiction of Real Property — 8900 Abington, 12700 Tireman, 8043 Manor, 8051 Littlefield, 4535 Fairview, 19974 Oakfield, 11745 Greenview, 19711 Woodward, 5330 Field, 744 Adeline, 4414 Three Mile, 4417 Three Mile, 4400 Three Mile, 252 Watson, 910 Brainard, 4550 W. Boston Blvd., and 1040 Woodmere.

The City of Detroit Planning and Development Department ("P&DD") has requested that the Finance Department transfer jurisdiction of certain City-owned real property located at 8900 Abington, 12700 Tireman, 8043 Manor, 8051 Littlefield, 4535 Fairview, 19974 Oakfield, 11745 Greenview, 19711 Woodward, 5330 Field, 744 Adeline, 4414 Three Mile, 4417 Three Mile, 4400 Three Mile, 252 Watson, 910 Brainard, 4550 W. Boston Blvd., and 1040 Woodmere (collectively the "Properties") to the Department of Parks and Recreation ("DPR") to administer.

The Department of Parks and Recreation is currently in the process of self-auditing all of the parcels under their jurisdiction, as part of an effort to rectify their own records, as well as completing park expansion projects across the city. All of the Properties have been previously erroneously transferred to P&DD when they should have been under the jurisdiction of DPR. The properties located at 4414 Three Mile Dr., 4417 Three Mile Dr., 4400 Three Mile Dr., 252 Watson, 910 Brainard, 4550 W. Boston Blvd., and 1040 Woodmere will be utilized in the creation of new parks or park expansion projects, while the remainder are part of the records rectification process. 8900 Abington, 12700 Tireman, 8043 Manor, 8051 Littlefield, 19974 Oakfield, 11745 Greenview, 19711 Woodward, 5330 Field, 744 Adeline, 4414 Three Mile, 4417 Three Mile, and 4400 Three Mile are zoned R1 (Low Density Residential District); 4535 Fairview, 5330 Field, 744 Adeline, and 1040 Woodmere are zoned R2 (Two-Family Residential District); 4550 W. Boston Blvd. is zoned B4 (General Business District); 252 Watson is zoned PD (Planned Development District); and 910 Brainard is zoned SD2 (Special Development District, Mixed-Use). The proposed use of the Properties shall be consistent with the allowable uses for which the Properties are zoned, and any future use shall comply with any applicable zoning use or existing federal grant restrictions.

Pursuant to Sec. 2-7-3 of the 2019 Detroit City Code, it is hereby requested by the Finance Department that Detroit City Council approve the transfer of jurisdiction of the property from P&DD to the Department of Parks and Recreation.

Respectfully submitted,
ANTOINE BRYANT
Director
Planning and
Development Department
JOHN NAGLICK
Chief Deputy CFO / Finance Director
Office of the Chief Financial Officer
Finance Department

By Council President Pro Tem Tate:

Whereas, The Detroit Planning and Development Department ("P&DD") has jurisdiction over certain City of Detroit real property located at 8900 Abington, 12700 Tireman, 8043 Manor, 8051 Littlefield, 19974 Oakfield, 11745 Greenview, 19711 Woodward, 5330 Field, 744 Adeline, 4414 3 Mile, 4417 3 Mile, 4400 3 Mile, 252 Watson, 910 Brainard, 4550 W. Boston Blvd., 1040 Woodmere, and 4535 Fairview (collectively the "Properties") as further described in the attached Exhibit A; and

Whereas, P&DD has requested that the Chief Financial Officer transfer jurisdiction of the Properties to the Department of Parks and Recreation ("DPR") for management, and in accordance with Article 7, Chapter 2 of the Detroit City Code, the Chief Financial Officer has designated P&DD responsible for its management; and

Whereas, P&DD has determined that they no longer have a specific need for the Properties and that they are more appropriately administered by DPR. DPR intends to utilize the Properties in reno-

vation, beautification, park expansion and improvement projects; now therefore be it

Resolved, That in accordance with Sec. 2-7-3 of the 2019 Detroit City Code, Detroit City Council hereby approves the transfer of jurisdiction of the Property from the City of Detroit Planning and Development Department to the Department of Parks and Recreation.

Honorable City Council:

Re: City of Detroit Redevelopment Project Area – Public On-Premises Liquor Licenses. Recertification of Investment Information in Real and Personal Property.

On September 11, 2018, your Honorable Body adopted a resolution that designated a Redevelopment Project Area in the City of Detroit ("City") under Michigan law to allow for the Michigan Liquor Control Commission ("Commission") to issue public on-premises liquor licenses ("Redevelopment Area Licenses") to businesses that are determined by the Commission to be engaged in dining, entertainment or recreation related activities (each an "Eligible Business") pursuant to MCL 436.1521a(1)(a).

As part of an application to the Commission for a Redevelopment Area License, Eligible Businesses must include an affidavit from the City's Assessor, as certified by the City Clerk, stating the total amount of investment in real and personal property within the City's Redevelopment Project Area during the preceding 3 years ("Affidavit"). At this time, the City's Affidavit needs to be updated and recertified to reflect current available data.

We, therefore, hereby request that your Honorable Body adopt the attached resolution that accepts and certifies an updated Affidavit reflecting the most current real and personal property investment data so that Eligible Businesses may continue to apply to the Commission for a Redevelopment Area License.

Respectfully Submitted,
ANTOINE BRYANT
Director, Planning and Development Department

AFFIDAVIT OF CHARLES ERICSON

STATE OF MICHIGAN)
) ss.
COUNTY OF WAYNE)

1. My name is Charles Ericson. I currently hold the position of Certifying Assessor for the City of Detroit. In that capacity, I am familiar with the amount of real and personal property investments in the City of Detroit.

2. Pursuant to the requirements of MCL 436.1521a, I have reviewed the amount and nature of such investments in the Redevelopment District described in the attached Exhibit A for the calendar years 2019-2021.

3. To the best of my knowledge and information, the total amount expended for real and personal property investment in the Redevelopment District for the calendar years 2019-2021 was: $2,435,965,622.

4. To the best of my knowledge, the total amount expended for manufacturing development in that district for the calendar years 2019-2021 was $0.

5. To the best of my knowledge, the total amount expended for industrial development in that district for the calendar years 2019-2021 was $0.

6. To the best of my knowledge, the total amount expended for residential

development in that district for the calendar years 2019-2021 was $0.

7. To the best of my knowledge, the total amount expended for commercial development in that district for the calendar years 2019-2021 was $2,435,965,622.

8. Based on the foregoing, it appears that the amount expended for commercial investment in the Redevelopment District is not less than 25% of the total amount of real and personal property investments in that district during the calendar years 2019-2021.

Further, affiant sayeth not.

Planning and Development Department

December 5, 2022

Honorable City Council:

Re: Property Sale — 16901 Livernois, Detroit, MI 48221.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Cheryl Anderson-Small ("Purchaser"), to purchase certain City-owned real property at 16901 Livernois (the "Property"). The P&DD has entered into a purchase agreement with Purchaser, under the terms of the which, the Property will be conveyed to Purchaser for the purchase price of Twenty-Six Thousand Three Hundred Thirty and 00/100 Dollars ($26,330.00).

Purchaser is the owner of the adjacent property located at 16909 Livernois. She wishes to acquire the city-owned parcel to clean it of debris and develop it in to parking for future tenants of her adjacent property. The Property is within a B4 zoning district (General Business District). Purchaser's proposed use of the Property shall be consistent with the allowable uses for which the Property is zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Property by the City to Cheryl Anderson-Small.

Respectfully Submitted,
ANTOINE BRYANT
Director

By Council President Pro Tem Tate:

Now, Therefore, Be It Resolved, That Detroit City Council hereby approves of the sale of certain real property at 16901 Livernois, Detroit, MI (the "Property"), as more particularly described in the attached Exhibit A incorporated herein, to Cheryl Anderson-Small ("Purchaser"), for the purchase price of Twenty-Six Thousand Three Hundred Thirty and 00/100 Dollars ($26,330.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Property to Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars ($2,500.00) shall be paid to the DBA from the sale proceeds, 2) One Thousand Three Hundred Sixteen and 50/100 Dollars ($1,316.50) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars ($200.00) as well as any taxes and assessments which have become a lien on the Properties; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Re: Request to Accept and Appropriate the Community Health Needs Assessment (CHNA) grant and the Community Information Exchange (CIE) Planning Grant.

The Michigan Department of Health and Human Services (MDHHS) has awarded the City of Detroit Health Department with the Community Health Needs Assessment (CHNA) Grant for $25,000.00 and the Community Information Exchange (CIE) Planning Grant for $25,000.00. There is no match requirement for these grants. The total project cost is $50,000.00.

The objective of the grants is to update the existing Community Health Assessment to account for the impact of COVID-19 and other threats or opportunities, train and engage key community members as Community Health Workers (CHW), and to draft the Detroit Community Health Improvement Plan. The funding allotted to the department will be utilized to conduct community meetings, pay for trainings, and to provide CHW stipends.

If approval is granted to accept and appropriate this funding, the appropriation number is 21226.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Honorable City Council:

Re: Veronica Menchaca *et al.* vs. City of Detroit, Department of Transportation *et al.* Case No: 21-008582-NF. File No: L21-00602 (PP).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement on the complaint of Veronica Menchaca in the amount of Ten Thousand Dollars and No/Cents ($10,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Ten Thousand Dollars and No/Cents ($10,000.00) and that your Honorable Body direct the Finance Director to issue a draft in the amount of Ten Thousand Dollars and No/Cents ($10,000.00) payable to Veronica Menchaca and her attorneys, Skupin & Lucas, P.C., to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal of the Complaint entered in Lawsuit No. 21-008582-NF, approved by the Law Department.

Re: Nick Dicresce vs. City of Detroit. Fire/EMS Department. File 14744 (PSB).

On November 16, 2021, your Honorable Body authorized settlement of the wage loss portion of the lawsuit of Nick DiCresce vs. City of Detroit, Fire/EMS Department; File #14744 (PSB), in the amount $60,000.00. At that time, Medicare's interest (pursuant to 42 U.S.C. Sec. 1395 *et seq.* and rules promulgated thereunder) had not been determined, and the medical part of Nick DiCresce's claim was not resolved.

On November 28, 2022, the Center for Medicare and Medicaid Services ("CMS") authorized the City to provide a Medicare Set-Aside ('MSA") in the amount of $15,437.00 to adequately address Medicare's interests.

We, therefore, request authorization to settle the medial part of this matter for the amount of Fifteen Thousand Four Hundred Thirty-Seven Dollars ($15,437.00); and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to Nick DiCresce and his attorney, Charters, Tyler, Zack & Shearer, P.C., to be delivered upon receipt of properly executed releases and order of dismissal in Workers Compensation Claim #14744, approved by the Law Department.

Human Resources Department
Classification Compensation Administration

January 11, 2023

Honorable City Council:

Subject: Request to Amend the Official Compensation Schedule.

Recommendation is submitted to amend the 2022-2023 Official Compensation Schedule to include the pay range for the following new classification.

Class Code	Title	Proposed Pay Range	Barg. Unit
22-40-38	EMS Training School Instructor Lieutenant Grade 1	$60,141 - $61,860	3200
22-40-39	EMS Training School Instructor Lieutenant Grade 2	$70,591 - $72,805	3200

Request:

The above recommendation is at the request of Captain Jeffrey Forbes, Emergency Medical Service Supervisor - Grade 2.

Rationale:

A request was submitted to create new positions, EMS Training School Instructor Lieutenant Grade I and II. The current individuals operating in this capacity are EMT's on a detail working at the Fire Training Academy. They are operating in the same capacity as a Fire Training School Lieutenant, but with EMS Training. These new positions would allow for parity across the Fire Department and the training division, especially with the department moving toward Merged Role positions for Fire and EMS.

The EMS Training School Instructors will assist in the training of emergency medical services methods and techniques; instruct departmental personnel in the driving, method and operation, care and maintenance of motor driven apparatus.

To determine the appropriate salary range for the new classification, a market study was conducted using data from external survey sources and internal parity positions.

The proposed pay range recommendation is subject to City Council approval.

Respectfully submitted,
DENISE STARR
Human Resources Director

By Council Member Johnson:

Resolved, That the 2022-2023 Official Compensation Schedule is hereby amended to reflect the following pay range, effective upon Council's approval.

Class Code	Title	Proposed Pay Range	Barg. Unit
22-40-38	EMS Training School Instructor Lieutenant Grade 1	$60,141 - $61,860	3200
22-40-39	EMS Training School Instructor Lieutenant Grade 2	$70,591 - $72,805	3200

Resolved, That the Finance Director is hereby authorized to honor payrolls and vouchers in accordance with this resolution, the above communication and standard City of Detroit practices.

Office of the Chief Financial Officer
Office of Development and Grants

January 19, 2023

Honorable City Council:

Re: Authorization to submit a grant application to the Michigan State Historic Preservation Office for the FY 2023 Certified Local Government (CLG) Grant.

The Historic Designation Advisory Board is hereby requesting authorization from Detroit City Council to submit a grant application to the Michigan State Historic Preservation Office for the FY 2023 Certified Local Government (CLG) Grant. The amount being sought is $50,000.00. There is no City match requirement. The total project cost is $50,000.00.

The FY 2023 Certified Local Government (CLG) Grant will enable the department to:

- Provide training and professional development to City of Detroit Historic Preservation staff, board, and commission members;
- Pay for consultant training fees; and
- Develop professional historic preservation knowledge, and empower staff and board/commission members within their preservation-based positions.

If awarded, the Office of the Chief Financial Officer will establish an independent account authorized to pay for the project cost in full and subsequently request reimbursement for grant funds accordingly.

We respectfully request your approval to submit the grant application by adopting the attached resolution.

Sincerely,
TERRI DANIELS
Director of Grants
Office of Development and Grants

By Council President Pro Tem Tate:

Whereas, The Historic Designation Advisory Board has requested authorization from City Council to submit a grant application to the Michigan State Historic Preservation Office, for the FY 2023 Certified Local Government (CLG) Grant, in the amount of $50,000.00, to provide

training and professional development to City of Detroit Historic Preservation staff, board, and commission members; and

Whereas, If awarded, the Office of the Chief Financial Officer will establish an independent account authorized to pay for the project cost in full and subsequently request reimbursement for grant funds accordingly; now

Therefore, Be It

Resolved, The Historic Designation Advisory Board is hereby authorized to submit a grant application to the Michigan State Historic Preservation Office for the FY 2023 Certified Local Government (CLG) Grant.

City Planning Commission

January 18, 2023

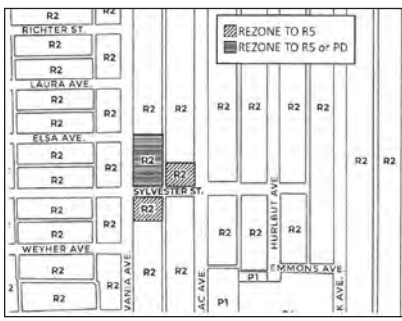
Honorable City Council:

Re: The request to rezone 4103 Cadillac Avenue from an R2 (Two-Family Residential) to an R5 (Medium Density Residential) zoning classification to redevelop existing vacant church and school buildings;

and

The request to rezone 3926, 3932, and 3938 Pennsylvania Avenue from an R2 zoning classification to an R5 zoning classification for parking. **(RECOMMEND APPROVAL)**

The City Planning Commission has received a petition to amend Article XVII, Section 50-17-30, District Map No. 28 of the 2019 Detroit City Code, Chapter 50, Zoning as follows:



• The request from Art Narthex LLC to show an R5 zoning classification where an R2 zoning classification is currently shown at 4103 Cadillac Avenue to redevelop the vacant former church and school buildings as a mixed-use project; and

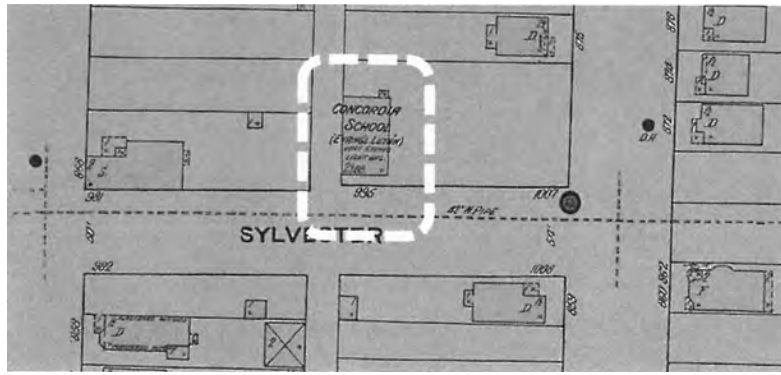
• The request from New Path Villages to show an R5 zoning classification where an R2 zoning classification is currently shown at 3926, 3932, 3938 Pennsylvania Avenue to create a parking lot serving the mixed-use project and adjacent proposed tiny homes shelter.

New Path Villages also submitted a third related request to rezone land at 4100, 4106, 4110, 4118, 4122, 4134, 4140 Pennsylvania Avenue to create a tiny homes shelter. Because this rezoning involves a Planned Development (PD) zoning, this request is reviewed under a separate report and ordinance; however to provide context, parts of the shelter request are included in this report.

BACKGROUND AND PROPOSAL

The subject requests are generally located at the northwest corner of Cadillac and Sylvester Avenues and the southeast corner of Pennsylvania and Sylvester Avenues and both locations are currently zoned R2. The lots proposed to be rezoned are shown below.

Official Zoning Map



GIS Aerial Map

The primary developers, Mike Willenborg and Danielle Kaltz, have created two entities: New Path Villages (NPV), a 501c3 non-profit, and Art Narthex LLC, a for-profit entity that would operate the development if approved. A percentage of the Art Narthex LLC's profits from proposed operations within the church and school buildings would go towards funding the tiny homes shelter.

Church/School/Complex – the Northwest Corner of Sylvester and Cadillac Avenues

Regarding the history of the church location, in 1906, Concordia Lutheran was organized, and in 1914 the existing 600-seat church building was dedicated. Prior to the church being dedicated, sometime between 1905 and 1910, the existing school building, known as Concordia (Evangelical Lutheran) School, was constructed as indicated on the below 1910 map provided by the Library of Congress.

1910 Sanborn Company (Fire Insurance) Map, Vol. 8

Art Narthex LLC has already purchased the two buildings and plans to renovate the former church and school buildings. Proposed uses in these buildings include the following:

- Renting the sanctuary (which seats about 200 people) for religious services;
- Using the basement hall (which seats about 100 people) for banquet facilities;
- Allowing other possible uses, such as art shows, pop-up restaurants, etc.;
- Renting out the 2nd floor of the former school for artist studios;
- Using the first floor of the school building for office space and nonprofit neighborhood activities associated with the proposed tiny homes shelter, including classrooms and job training space; and
- At the CPC's request, NPV has agreed to relocate the proposed tiny homes shelter kitchen and gathering space from the former school building onto the tiny homes shelter site; the CPC believes this would help provide more accessible services and privacy to the shelter residents.

Parking Lot – the Southeast Corner of Sylvester and Pennsylvania Avenues

The land at the southeast corner of Sylvester and Pennsylvania Avenues includes three vacant lots owned by the Detroit Land Bank Authority (DLBA). NPV has a purchase agreement to buy these and develop a 34-space parking lot to service the proposed homeless shelter and church building activities.

COMMUNITY FEEDBACK

Community Meeting

The subject rezoning is located within City Council District 4. The petitioner indicates it has reached out to area groups, including the Eastside Community Network and Cadillac Boulevard Block Club. On January 13, 2022, the petitioner held a community meeting via Zoom with 14 participants. The participants on the Zoom call were generally supportive of the overall proposal, however, there were some questions about how the program would help treat the causes of homelessness. See Attachment A for a summary of the community meeting comments.

Public Hearings

On April 21, 2022, the CPC held a public hearing on the request. This hearing included rezoning the church and school complex from R2 to SD1 (Special Development District, Small-Scale Mixed-Use) and the proposed tiny homes shelter from R2 to R5. Please see Attachment B for a summary of the public hearing. At the April 21st hearing, most of the questions by the Commissioners involved the proposed tiny homes shelter. The CPC did explore the differences between the R2, R5 and SD1 zoning classifications and later recommended the church complex be rezoned to R5 instead of SD1.

At the hearing, five persons spoke (two in support and three with concerns/questions mostly regarding the proposed tiny homes shelter). One speaker, a neighborhood block club president in District 2, said they are supportive of the project and interested in watching how it develops – their area has a lot of displaced persons and vacant land. A nearby resident, who owns about ½ acre of land, said every neighbor they spoke with is very supportive; they indicated there is a lot of vacant land, the area needs more people.

After the April 21st public hearing, the petitioner submitted 5 letters of support. On July 7, 2022, the CPC held a second public hearing to consider PD for the tiny homes shelter site and R5 for the church and school complex.

PUBLIC HEARING FOLLOW-UP ANALYSIS

Proposed Land Uses R2 vs. R5

The below table highlights the proposed uses and whether these uses are allowed in R2 and R5.

USE	R2	R5
Artist workspace/dance studio	Not Allowed (NA)	By-right (R)
Non-profit Neighborhood Center	Conditional (C)	R
Religious Institution	C	R
Banquet Hall	NA	C*
Recording Studio	NA	C*
Art gallery	NA	C*
Bake shop	NA	C*
Restaurant	NA	C*
Concert café	NA	NA
Office	NA	C*
Child Care	NA	R
Commercial Trade School	NA	R
Parking lot	C	R
Emergency shelter	NA	C

(Note: C* means RS allows as conditional select retail, service and commercial uses from SD1 where located on a zoning lot within one-half mile of a high-frequency transit corridor which this location qualifies).

As shown in the above table, several of the proposed uses in the church building and adjacent school would not be allowed in R2; it appears R5 would allow the proposed uses, but some are conditional rather than by-right. Because the church is located on a zoning lot within one-half mile of a high-frequency transit corridor, by-right "retail, service, and commercial uses" listed as by-right in the SD1 district are permissible in the R5 district with conditional use approval. Therefore, the R5 district could be an appropriate district for the redevelopment of the church and school instead of the need for rezoning to the more-intense SD1 district.

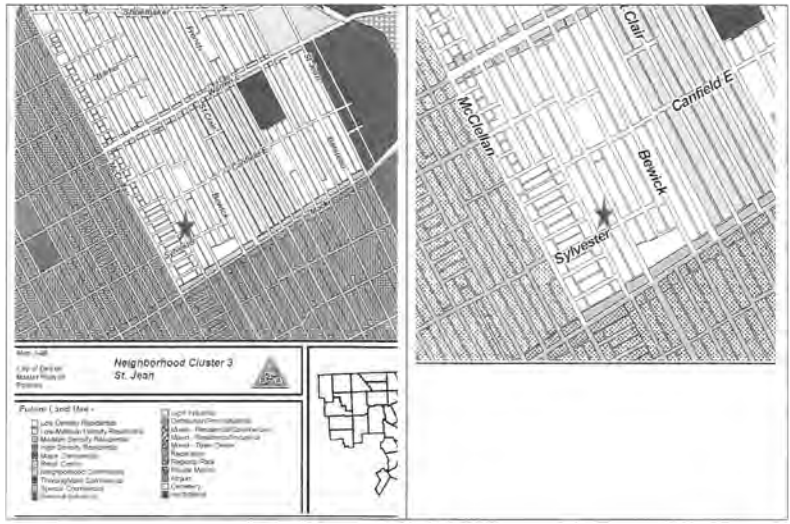
PLANNING CONSIDERATIONS

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

North: R2; vacant land with residential houses beyond
East: R2; vacant land and a vacant residential house
South: R2; vacant land and with residential houses beyond
West: R2; vacant land and residential houses all of which are vacant

Zoning Ordinance Criteria



Section 50-3-70 of the Detroit Zoning Ordinance lists eight approval criteria on which zoning map amendments must be based. The CPC reviewed the criteria with the following specific findings:.

1. Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

The proposed amendment would not correct an error on the zoning map. The proposed map amendment meets the challenge of a changing condition or trend. The project would help redevelop a vacant church and school building into a mixed-use project and utilize vacant residential land.

2. Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

The subject site is located within the St. Jean area of Neighborhood Cluster 3 of the Detroit Master Plan of Policies as shown on the maps below. The Future Land Use map for this area shows Low Density Residential for the subject area. P&DD issued a memo regarding the proposed rezoning request, stating in part, that the proposed rezoning and development are not anticipated to change the overall character of the St. Jean neighborhood and is therefore generally consistent with the Master Plan classification; the site is only one block away from the higher density developments on Mack Avenue and is under 2 acres in size. The current Master Plan of Policies maps for the area are shown below.

3. Whether the proposed amendment will protect the health, safety, and general welfare of the public;

The CPC does not think the proposed amendment will negatively impact the health, safety, and general welfare of the public; the rezoning would allow the subject vacant buildings and land to be redeveloped.

4. Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

It is not anticipated the proposed rezoning will have significant adverse impacts on other property that is in the vicinity. Land directly to the east, south, and west is vacant and undeveloped.

5. The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

It appears that the subject properties are not suitable for the existing zoning classification because, over the years, the church and school have remained vacant and boarded.

6. Whether the proposed rezoning will create an illegal "spot zone."

Both R5 and R2 are residential districts which allow similar uses with similar setbacks, etc. The proposed rezoning is in conformance with the Master Plan. Therefore, the CPC maintains the proposed rezoning will not create a spot zone.

CONCLUSION

In conclusion, based on the two public hearings, above analysis and review of rezoning criteria in the Zoning Ordinance, the CPC voted to recommend approval of the following:

1) The request of Art Narthex LLC to rezone 4103 Cadillac Avenue from an R2 to an R5 zoning classification to redevelop an existing vacant church and school buildings; and

2) The request of New Path Villages to rezone 3926, 3932, and 3938 Pennsylvania Avenue from an R2 zoning classification to an R5 zoning classification for parking.

The approved-as-to-form Ordinance is attached for your consideration.

APPENDIX A.
SUMMARY OF COMMUNITY MEETING PRIOR TO PUBLIC HEARING

On January 13, 2022, the petitioner held a community meeting via zoom with 14 participants with feedback summarized below:

• One area resident (near French Road and Warren) liked the concept of the Villages, but was concerned about the treatment for issues that cause homelessness;

• One area resident (President of the E. Canfield St. Block Club near Canfield and Cadillac) wanted to see what programs will be available for mental health and addiction concerns;

• A resident and her mother who live across from the church said meeting was helpful and pleased to hear about the plans;

• One participant who owns two houses on Cadillac across from the church south of Sylvester is glad to hear about renovations of the church and has no negative concerns about the project; and

• One resident who lives on Pennsylvania south of the proposed parking lot was supportive of the plans and hopefully the project will prevent dumping in the area which has been a problem.

APPENDIX B.
SUMMARY OF PUBLIC HEARING RESULTS

At the April 21st hearing, the CPC discussed the following issues:

• The CPC asked staff to further clarify why the rezoning from R2 to R5 and R2 to SD1 were the appropriate zoning classifications? *In response, it was noted emergency shelters are first allowed in R5 in which they are conditional; SD1 would allow the variety of uses proposed for the church, including banquet facilities, which are also conditional.*

• It was asked what districts are homeless shelters allowed by-right? *It was noted emergency shelters are always conditional and only allowed in R4 (Thoroughfare Residential), R5, R6 (High Density Residential), B4 (General Business), and B5 (Major Business) zoning districts.*

• The CPC asked would the southeast comer of Sylvester and Pennsylvania Avenues be a surface parking lot and for how many vehicles? *CPC staff clarified it would be for a surface parking lot. CPC staff has calculated this lot could accommodate about 40 parking spaces.*

• It was asked does staff expect other City departments to weigh in on this proposal? *Staff explained the concept was already presented at Buildings, Safety Engineering and Environment Department's (BSEED) Preliminary Plan Review meeting. Various departments have given feedback on the proposal: the Planning & Development Department (P&DD) gave feedback on the plan and design; the Housing and Revitalization Department (HRD) expressed support for the homeless component, and BSEED provided feedback on zoning and building code issues.*

• The CPC asked if the developer has the experience for this type of project? *In response, the developer indicated they have been working with the homeless since 2007, including outreach to the homeless; they also work with Mariners Inn to provide hygiene kits, clothing, etc.*

• It was asked how this tiny home project compared to the other tiny homes near the Lodge Freeway and Elmhurst, as well as the zoning? *It was explained the other tiny homes were bigger with kitchens, etc. and consisted of permanent rental housing – CPC staff later identified the zoning for the other tiny home project as R2.*

• The CPC asked how the separate hygiene facilities would be designed and work? *It was explained the restroom and showers would each have three separate stalls.*

• The CPC asked for more clarity regarding the proposed uses in the church/school facility. *In response, the school and church functions are mainly to provide fundraising for the shelter; the school would include a computer room, machine and woodworking shop, etc.*

• The CPC asked what is the normal zoning for a church or school building? *Staff responded most neighborhood churches are zoned R1 or R2, but because the developer wants a multi-purpose mixed-use facility, then it would need a higher zoning category.*

• The CPC had a concern that it was not clear why the zoning needed to change – it appears they could do proposed activities under current zoning. *In response, CPC staff noted BSEED would need to determine what the proposed principal uses are and then whether or not those uses are allowed under the zoning; the proposal is for a variety of principal uses, including religious services, small musical events, art shows, a sober bar, event space, etc.*

• It was asked when the proposed concept was explored, did it consider aspects of the specific site? *The developer responded that it favored doing the proposed project in a neighborhood setting, rather than in a commercial or industrial area; the developer said it would help to reutilize an area with vacant land, be part of a community, and possibly be replicated.*

• The CPC asked would the New Village Advisory Council include residents in the neighborhood as well? *The developer responded, yes, the Council would include staff, tiny home residents, and residents in the neighborhood.*

• The CPC asked are there any uses by-right in SD1 that would be disruptive to an area that is otherwise zoned residential? *CPC staff reviewed some of the uses allowed in SD1 but indicated it would have to review all SD1 uses and report back.*

• The CPC stated this is a worthy venture that could possibly be replicated; there is a

concern if this goes away, would R5 allow something that dwarfs the surrounding neighborhood; they also asked staff to explore allowing homeless shelters as conditional in lower residential zones in the future. *CPC staff responded in part, the height in R5 is generally 35 feet or there is a floor area ratio (FAR) restriction, depending on the use.*

• Additional Questions

In response for clarification, it was stated the campus would be gated with controlled access, and it was not expected residents would have vehicles.

At the hearing, five persons spoke (two in support and three with concerns/questions) with the following comments:

• One speaker, a neighborhood block club president in District 2, said they are supportive of the project and interested in watching how it develops – their area also has displaced persons and a lot of vacant land.

• A nearby resident, who owns about ½ acre of land, said every neighbor they spoke with is very supportive; they indicated there is a lot of vacant land, the area needs more people, and homeless persons often don't like existing shelters which are very transitional and can be unsafe.

• One speaker from District 5 is President of Charlevoix Village Association and had concerns; they thought the houses are too small for humans with no kitchen; the folks are already depressed; how is this project going to select residents? It is a type of slavery to require residents to work. *The developer responded, there is no requirement to work or rent to be paid; residents will be asked to work in the gardens, etc. if they so choose; the residents can stay as long as they need. The developer indicated the residents prior to living in this shelter, had no home, and the tiny home would be a step up, offering a sense of safety and community.*

• One speaker, who also lives in the neighborhood and works with the homeless, wondered how this project is different from the existing tiny homes near the Lodge Freeway and often poor conditions in current shelters; they asked how will this project be different from existing homeless shelter and bring persons out of homelessness? *The developer responded, it is the intention to meet people where they are; if one has a drug or drinking problem, they can stay at the shelter; residents will only be asked to leave if their behavior endangered someone else; the program will have social workers to help with counseling and will offer referrals.*

• One speaker asked what about displaced families, there are area schools that provide job training that are closing, and how will this empower communities as a whole? *The tiny homes are large enough to serve an individual or couples, but not large enough for families; the developer responded the tenants will hopefully have a sense of community.*

City Planning Commission

January 18, 2023

Honorable City Council:

Re: Request of Anthony Askew to amend Article XVII, Section XVII, 50-17-4, District Map No. 3 of the 2019 Detroit City Code, Chapter 50, Zoning, to show a SD1 (Special Development District, Small-Scale, Mixed Use) zoning classification where an R2 (Two-family Residential District) zoning classification is currently shown on parcels commonly known as 3426, 3432, 3436, 3442 Cochrane Street, as well as 1581, and 1589 Martin Luther King Jr. Boulevard, generally bounded by Martin Luther King Jr. Blvd on the north, Trumbull Street on the east, Sycamore Street on the south, and Cochrane Street on the west. **(RECOMMEND APPROVAL)**

PROPOSAL

Before this Honorable Body is the request of Anthony Askew. The developer is proposing to rezone land commonly known as 3426, 3432, 3436, 3442 Cochrane Street, as well as 1581, and 1589 Martin Luther King Jr. Boulevard to build a mixed-use development.

BACKGROUND AND PROPOSAL

Anthony Askew is seeking a rezoning to show an SD1 (Special Development District, Small Scale, Mixed Use) zoning classification where an R2 (Two-Family Residential District) zoning classification is currently shown on 3426, 3432, 3436, 3442 Cochrane Street, as well as 1581, and 1589 Martin Luther King Jr. Boulevard, generally bounded by Martin Luther King Jr Blvd on the north, Trumbull Street on the east, Sycamore Street on the south, and Cochrane Street on the west.

The subject property is located in Council District 6. The proposed map amendment is being requested to allow for the construction of a mixed-use development with approximately 21 residential units and commercial space with parking on-site. The developer has an option-to-purchase agreement with the Land Bank for the subject properties.

Mr. Askew has been a part of a recent cohort of the Capital Impact Partners Equitable Development Initiative – a comprehensive 5-month learning series for emerging real estate developers of color in Detroit. Since completion of the program, he has advanced through various city entitlements for the project. This zoning change would allow for the mixed-use aspects and more conducive dimensional standards of the project that are not permitted under the current residential zoning designation.

Current Zoning

R2 – TWO-FAMILY RESIDENTIAL DISTRICT

The R2 Two-Family Residential District is designed to protect and enhance those areas developed or likely to develop with single- or two-family dwellings. The district regulations are designed to promote a suitable environment for homes and for activities connected with family life. The only principal uses permitted by right are single- and two-family dwellings. Additional uses are conditional.

Proposed Zoning

SD1 – SPECIAL DEVELOPMENT DISTRICT, SMALL-SCALE, MIXED-USE

The SD1 Special Development District is designed to encourage a complementary mixture of small-scale pedestrian and transit-oriented uses that are compatible in a neighborhood setting. It is intended to ensure a neighborhood character and place a proper balance of activities within walking distance of one another while serving the day-to-day needs of residents.

PLANNING CONSIDERATIONS

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

North: R2; Vacant land;
East: R2 & B2; Spirit of Hope Church;
South: R2; Residential homes; and
West: R2; Residential homes.

COMMUNITY INPUT AND PUBLIC HEARING RESULTS

Community Meetings

Over the last year or more, the petitioner has worked with several entities to have dialogue on the proposed development and receive feedback. CPC staff has followed this engagement. The entities that were engaged by the developer includes, but is not limited to the following:

- Fountain Court Cooperative (has submitted a support letter);
- Bondy Construction (an adjacent landowner; has submitted a support letter); and
- The North Corktown Neighborhood Association (NCNA) – (the developer presented to the NCNA 3-4 times and modified their design stemming from input).

Sept. 29th CPC Public Hearing

During the public hearing, there were four people who spoke in support of the proposed development, including Jerome Rayford, the President of Fountain Court Consumer Housing. Mr. Rayford stated that his housing complex has been in the community since 1968 and represents 351 residents that support the project.

Additionally, there were three people that spoke in opposition or concern regarding the proposal. One of the people who spoke in opposition was Rhonda Green, Chair of the North Corktown Neighborhood Association. Ms. Green's concerns were regarding the density of the development as well as the belief that the development would place retail on the residentially natured Cochrane Street.

During the public bearing there was lengthy discussion from the Commission, the petitioner, staff and community members regarding the density and retail orientation of the proposal. The development team provided the below response to the concerns:

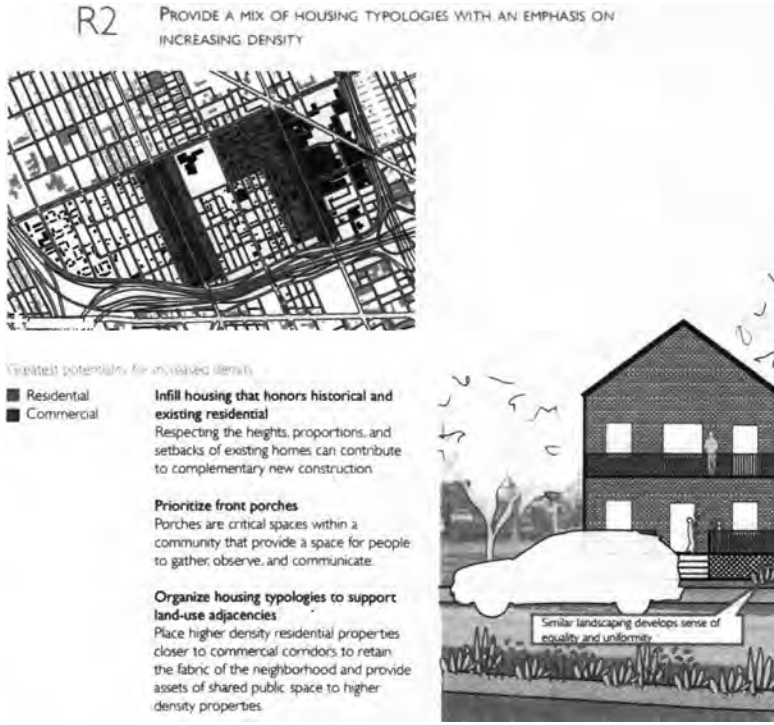
Summarized public hearing response from Anthony Askew:

1) On the Cochrane elevation, in order to avoid significant traffic on the residential side of the project, the developer designed two-story private entry units. What that does is limit the number of people entering from the southern edge of the project where Cochrane residents would be most impacted.

2) There is no commercial space on Cochrane St. Retail activity is oriented towards MLK Jr. Boulevard, a commercial thoroughfare (not Cochrane Street).

3) Structures are set back to provide some relief from the ground perspective as it relates to perceived building height and massing.

October 3rd Follow-up Community Meeting with NCNA



After the public hearing and approval by the Commission of the subject proposal, CPC staff and the developer attended the NCNA community meeting to follow-up on some of the comments that were made during the public hearing. The developer explained that the NCNA design guidelines and previous NCNA comments were incorporated into their project design and went through point by point.

During the comment portion of the meeting, a few members expressed concern or opposition to the scale and density of the building and regarding any retail being located on Cochrane St. Other residents expressed excitement to see the project coming into the community. Ultimately, the NCNA seemed to be split with some residents supporting and others that spoke at the public hearing continuing to express concern about the height, density and retail components of the proposal.

Zoning Impacts

The NCNA Design Guidelines taken from their website show that the community's vision is for higher density buildings to be located on the peripheral commercial corridors. According to the plan, one of their goals is to "place higher density residential properties

closer to commercial corridors" to retain the fabric of the neighborhood and provide assets of shared public space to higher density properties." Since the proposed project lies on the corner of a major commercial corridor it seems to align with the vision. The retail space of the building will be accessed from MLK Boulevard and has refrained from placing access points on Cochrane to adhere to the community's request. The height of the building is 38 feet generally at the parapet and 47' for the penthouses that will be setback out of the line of sight on the top of the building. The base height of 38' is generally consistent with surrounding buildings.

North Corktown Design Guidelines

Zoning Ordinance Approval Criteria

According to Sec. 50-3-70, Approval Criteria, recommendations and decisions for zoning map amendments shall be based on the following criteria:

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact.

The proposed map amendment meets the challenge of a changing condition. The neighborhood is experiencing a high demand for development of vacant land. The North Corktown Design Guidelines call for "higher density residential properties closer to commercial corridors." The current R2 zoning along MLK Jr. Boulevard is not consistent with the higher density residential development that is desired by the community in their plan. However, it should also be noted that where this project differs from the community plan is that there is not only higher density residential proposed, but also a retail component to the project. The developer has worked to make the retail a part of MLK Jr. Boulevard to reduce any impacts.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this chapter.

The subject site is located within the Jeffrey area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows Low/Medium Density Residential (RLM). The Planning & Development Department has submitted a Master Plan Interpretation letter, stating that the "proposed zoning classification is generally consistent with the Master Plan. The mixed-use development will provide needed commercial activity in this area."

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public.

The proposed zoning change is probable to have a positive impact on the community and is not expected to have any deleterious effect on the health, safety and welfare of the public. One can argue that the affordability of the unit mix adds to the general welfare of the public.

Some residents have expressed a desire for more residential units and retail in the community. This project will serve to bring more retail to MLK Boulevard, that will be an amenity for the neighborhood.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development.

The developer has undergone a Pre Plan meeting at the Buildings, Safety Engineering, and Environmental Department, in which city servicers, such as DTE Energy gave their remarks on the plans for the project. There were no major issues raised regarding the ability to service the property.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management.

There are no major negative impacts to the natural environment anticipated.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract.

The proposed zoning amendment is expected to benefit the vicinity of the subject tract. It is likely that the project will be an asset to the community as it is providing affordable housing units as low as 50% of the AMI. The affordable units plus the retail spaces will be a positive for the neighborhood.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification.

The subject property lies on MLK Jr. Boulevard which is a thoroughfare that has capacity to handle traffic as there are four lanes of traffic (including east and west bound lanes). There are also bike lanes and on-street parking spaces on both sides of MLK Jr. Boulevard. This site is suitable for the proposed SD 1 zoning classification, so that the mixed-use development may be permitted.

(8) Whether the proposed rezoning will create an illegal "spot zone."

CPC staff believes that this proposal may go forward without causing issue based on past precedent of comparable rezonings.

CONCLUSION AND RECOMMENDATION

Based on the aforementioned information, on September 29, 2022, the City Planning Commission voted to take same day action to recommend approval of the rezoning request to show an SD1 (Special Development District, Small-Scale, Mixed Use) zoning classification where an R2 (Two-Family Residential District) zoning classification is currently shown on parcels commonly known as 3426, 3432, 3436, 3442 Cochrane Street, as well as 1581, and 1589 Martin Luther King Jr. Boulevard.

Re: Resolution Approving a Commercial Rehabilitation Exemption Certificate for Petition on Behalf of AC Detroit Holdings, LLC at 3448 Woodward Avenue, Detroit, MI, in Accordance with Public Act 210 of 2005. **(Related to Petition #1074)**

On January 26, 2023, a public hearing in connection with approving a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

AC Detroit Holdings, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
KELLY R. VICKERS
Chief Housing Development
and Investment Officer

By Council President Pro Tem Tate:

Whereas, AC Detroit Holdings, LLC has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act 210 of 2005 ("the Act") in City of Detroit Commercial Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on June 14, 2016 established by Resolution a Commercial Property Rehabilitation District in the area located in the generally bounded by Woodward Avenue, Mack Avenue, St. Aubin, Gratiot Avenue, and the Chrysler Fisher Freeway Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for Commercial property as that term is defined in Section 2(a) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District; and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until April 30, 2024 for the completion of the rehabilitation; and

Whereas, On January 26, 2023 a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an *ad valorem* property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of AC Detroit holdings, LLC for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years, from completion of the rehabilitation, with the certificate beginning December 31, 2023 and the certificate expiring December 31, 2033 in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than April 30, 2024, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

Housing and Revitalization Department

January 9, 2023

Honorable City Council:

Re: Annual HOME and CDBG ARPA Awards Revisions to Previous Awards.

The City of Detroit ("City"), through the Housing and Revitalization Department ("HRD"), makes annual funding available for "ready-to-proceed projects" from HOME and CDBG funds allocated to the City through the U.S. Department of Housing and Urban Development ("HUD"). HRD has continued to work closely with HUD to meet required commitment and disbursement deadlines for new and ongoing projects approved by the City.

In support of affordable housing opportunities, HRD is hereby requesting approval to increase and/or revise the funding sources for the following previously approved projects:

1. Anchor at Mariners Inn (Add $1,500,000 in HOME) – $1,500,000 in HOME funds will be added to this project to construct 44 new PSH housing units at 445 Ledyard Street that will be 100% affordable.

2. Left Field (Replace $420,000 in

HOME funds with CDBG funds) – The previous award of $1,000,000 in HOME funding will be reduced to $580,000 in HOME funding and $420,000 in CDBG funds will be added to this project to construct 60 housing units at 2610 Cochrane Street with 48 of the units being affordable.

3. Brush & Watson (Replace $199,000 in CDBG funds with HOME funds) – The previous award of $1,000,000 in CDBG funding will be reduced to $801,000 in CDBG funding and $199,000 in HOME funding will be added to this project so that the total HOME funding will be $3,749,000. The project will construct 124 new housing units with 99 of the units being affordable.

We hereby request that your Honorable Body adopt the attached resolution that: (1) approves the aforementioned project funding increase/replacements and (2) authorizes the HRD Director, or her authorized designee, to execute such documents as may be necessary or convenient to complete the transactions.

Respectfully submitted,
JULIE M. SCHNEIDER
Director
DONALD R. JOHNSON
Office of Budget

By Council President Pro Tem Tate:

Whereas, The City of Detroit receives an annual allocation and special allocations of HOME and CDBG funds from the U.S. Department of Housing and Urban Development ("HUD") through the Housing and Revitalization Department ("HRD") and other City Departments, for the purpose of creating affordable housing opportunities in Detroit neighborhoods; and

Whereas, The City Council authorized HRD's Director to accept and utilize HOME and CDBG funds according to HUD regulations during the City's annual budgeting process; and now therefore be it

Resolved, That the City Council hereby approves the new and revised allocations for the HOME and CDBG loans for developers and/or borrowers as provided for herein and in the attached Exhibit 1: 2022-23 HOME and CDBG Awards in the amounts indicated and with authorization to vary such allocation amounts by not more than 10% at the discretion of the HRD Director; and be it further

Resolved, That HRD will use Appropriation No. 10821 to add $1,500,000 in HOME funds, to the following existing project: "Anchor at Mariners Inn" – add $1,500,000; and be it further

Resolved, That HRD will replace previously awarded $420,000 in HOME funds from Appropriation No. 10821 with $420,000 in CDBG funds from Appropriation No. 20541 to the following existing project: "Left Field" – replace $420,000 in HOME with $420,000 in CDBG; and be it further

Resolved, That HRD will replace previously awarded $199,000 in CDBG funds from Appropriation No. 20541 with $199,000 in HOME funds from Appropriation No. 10821 to the following existing project: "Brush & Watson" – replace $199,000 in CDBG with $199,000 HOME; and be it further

Resolved, That the HRD Director, or her authorized designee, is authorized to process, prepare and execute any and all loan and grant documents necessary or convenient to close, secure and use HOME and CDBG funds according to HUD regulations and as approved by this resolution; and be it finally

Resolved, That the Budget and Finance Directors of the Office of the Chief Financial Officer are hereby authorized to increase the necessary accounts and honor expenditures, vouchers and payrolls when presented in accordance with the foregoing communication and standard City procedures.

Planning and Development Department

January 11, 2023

Honorable City Council:

Re: Bridging Neighborhoods Program — Transfer to the Detroit Land Bank Authority – 8374 Homer.

The Bridging Neighborhoods Program (the "Program") is being offered to eligible homeowners in identified areas of Detroit, who currently occupy their homes and are directly affected by the Gordie Howe International Bridge Project.

Under the Program, these homeowners are being given the opportunity to purchase a Program renovated home ("Program Home") from the Detroit Land Bank Authority ("DLBA") for $1.00, in exchange for the Program Buyer deeding their Exchange Eligible Home directly to the City.

The City would then demolish and clear these acquired properties for future non-residential uses, including landscape buffering and commercial/industrial uses.

The City entered into an agreement with the DLBA to provide certain DLBA housing stock and real estate services ("Agreement") as needed to support the Program.

In 2022, the City acquired 8374 Homer, unoccupied tax foreclosed property, from the Wayne County Treasurer. The City seeks authorization by your Honorable Body to transfer the home to the DLBA, so that the DLBA may secure, maintain and conduct any necessary title reviews on the property. This would serve to mitigate some of the issues in preparing the home for inclusion in the housing stock for this program.

We, therefore, respectfully request that your Honorable Body adopt the attached resolution, authorizing the Planning and Development Department Director, or his or her authorized designee, to issue a quit claim deed to the Properties, as more particularly described in the attached Exhibit A, and such other documents as may be necessary to effectuate the transfer of the Properties, from the City of Detroit to the DLBA for the consideration of One and 00/100 Dollar ($1.00).

Respectfully submitted,
ANTOINE BRYANT
Director

By Council President Pro Tem Tate:

Whereas, The Bridging Neighborhoods Program (the "Program") is offered to eligible homeowners (the "Program Buyer") in identified areas of Detroit, who currently occupy their homes ("Exchange Eligible Home") and will be directly affected by the Gordie Howe International Bridge Project; and

Whereas, Under the Program, these homeowners are being given the opportunity to purchase a Program renovated home ("Program Home") from the Detroit Land Bank Authority ("DLBA") for $1.00, in exchange for the Program Buyer deeding their Exchange Eligible Home directly to the City. The City plans to demolish and clear these acquired properties for future nonresidential uses, including landscape buffering and commercial/industrial uses; and

The transfer of the home to the DLBA is necessary, so that the DLBA may secure, maintain and mitigate some of the issues in preparing the home for inclusion in the housing stock for this program.

Now, Therefore, Be It Resolved, That in accordance with the foregoing communication, the Planning and Development Department Director, or his or her authorized designee, be and is hereby authorized, to issue a quit claim deed to the Properties, as more particularly described in the attached Exhibit A, and such other documents as may be necessary to effectuate the transfer of 8374 Homer, from the City of Detroit to the Detroit Land Bank Authority, a Michigan public body corporate for the consideration of One and 00/100 Dollar ($1.00); and

Be It Finally Resolved, That the Director of the Planning and Development Department, or his authorized designee, be and is hereby authorized to execute any required instruments to make or incorporate technical amendments or changes to the deed and such other documents as may be necessary to effectuate the transfer (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Properties, provided that the changes do no materially alter the substance or terms of the transfer.

A waiver of reconsideration is requested.

Office of the Chief Financial Officer
Office of Development and Grants

January 11, 2023

Honorable City Council:

Re: Request to Certify Future Maintenance for the Historic Virginia Park Streetscape Facility.

The Department of Public Works (DPW), in partnership with the Office of Development and Grants, submitted a grant application for the FY 2022 Transportation Alternatives Program Grant, for the Historic Virginia Park Streetscape Project. Detroit City Council approved the request to submit the grant application on

November 9, 2022. The Michigan Department of Transportation has reviewed the grant application and requires DPW to submit a Resolution committing to specific ongoing maintenance operations.

If awarded, DPW will implement historic preservation maintenance of the facility in accordance with MDOT standards. All future maintenance performed will be done using brick for the roadway and stone for the curbs. DPW will be responsible for all future maintenance and ensure it is conducted in a historically appropriate manner in alignment with the reconstruction in the project's proposed design and methodology. This consists of hiring a contractor that DPW will monitor to ensure the road is maintained in compliance with all MDOT required Historic Preservation activities. The maintenance costs for the Historic Virginia Park Streetscape Project will be provided by the DPW Major Street Fund. Maintenance costs are estimated to be approximately $12,500.00 that need to be conducted every 3-5 years.

The FY 2022 Transportation Alternatives Program Grant will enable the department to make street improvements, including replacing historic brick pavers to Virginia Park Street between the Lodge Freeway and Woodward Avenue.

We respectfully request your approval in accordance with the attached Resolution.

Sincerely,
TERRI DANIELS
Director of Grants
Office of Development and Grants
MATTHEW SPAYTH
Office of Budget
RON BRUNDIDGE
Department of Public Works

By Council Member Santiago-Romero:

Whereas, The Department of Public Works (DPW), in partnership with the Office of Development and Grants, submitted a grant application for the FY 2022 Transportation Alternatives Program Grant, for the Historic Virginia Park Streetscape Project; and Detroit City Council approved the request to submit the grant application on November 9, 2022; and

Whereas, If awarded, DPW will implement historic preservation maintenance of the Virginia Park facility in accordance with Michigan Department of Transportation (MDOT) standards; future maintenance performed will be done using brick for the roadway and stone for the curbs; DPW will be responsible for all future maintenance and ensure it is conducted in a historically appropriate manner and in alignment with the reconstruction in the project's proposed design and methodology; and

Whereas, DPW will carry out the required maintenance by hiring a contractor that DPW will monitor to ensure the road is maintained in compliance with all MDOT required Historic Preservation activities; and

Whereas, The maintenance costs for the Historic Virginia Park Streetscape Project will be provided by the DPW Major Street Fund and maintenance costs are estimated to be approximately $12,500.00 every 3-5 years; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It Resolved, The Department of Public Works will implement historic preservation maintenance of the Virginia Park facility in accordance with MDOT standards; and

Be It Further Resolved, The Department of Public Works will provide the estimated cost of maintenance, which is approximately $12,500.00, to be conducted every 3-5 years.

Adopted as follows:

Yeas — Council Members Benson, Johnson, Santiago-Romero, Tate, Whitfield-Calloway, Young, II and President Sheffield — 7.

Nays — None.

Re: **Petition No. x2023-009** – Selden AA Third St Garage, LLC, request for encroachment, within the easterly part of 3rd Street adjacent to the parcel commonly known as 3960 3rd Street, for the purpose of installing an on-site advertising sign.

Petition No. x2023-009 – Selden AA Third St Garage, LLC, request for encroachment, within the easterly part of 3rd Street, 70 ft. wide, adjacent to the parcel commonly known as 3960 3rd Street, for the purpose of installing an on-site advertising sign.

The petition was referred to the City Engineering Division – DPW for investigation and report. This is our report.

The request is being made to provide advertising for the business located on site.

The request was approved by the Solid Waste Division – DPW, City Engineering Division – DPW, and Traffic Engineering Division.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately

owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Selden AA Third St Garage, LLC or their assigns to install and maintain request for various, further described as: Land in the City of Detroit, Wayne County, Michigan;

1. On-site advertising sign, within 3rd Street, lying westerly of and adjacent to lot 6 of "Block 94 of Cass Farm Subdivision" as recorded in Liber 1, Page 175-7 of Plats, Wayne County Records. Said on-site advertising sign is described as extending 36" into the easterly part of 3rd Street and being installed at an elevation ranging from 136.5" to 166" above grade.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, Selden AA Third St. Garage, LLC or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division – DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division – DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Selden AA Third St. Garage, LLC or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Selden AA Third St. Garage, LLC or their assigns. Should damages to utilities occur Selden AA Third St. Garage, LLC or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division – DPW; and further

Provided, That Selden AA Third St. Garage, LLC or their assigns shall file with the Department of Public Works – City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save

and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of Selden AA Third St. Garage, LLC or their assigns of the terms thereof. Further, Selden AA Third St. Garage, LLC or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Selden AA Third St. Garage, LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

City Engineering Division

January 5, 2023

Honorable City Council:

Re: **Petition No. x2023-014** – Ford Motor Company requests various vacations of parts of Vernor Highway, and Lacombe Drive adjacent to 2001 15th Street. Also, for the dedication to right of way parts of the parcel commonly known as 2001 15th Street.

Petition No. x2023-014 – Ford Motor Company requests various vacations of parts of Vernor Highway, varied widths, and Lacombe Drive, 60 ft. wide, adjacent to 2001 15th Street. Also, for the dedication to right of way parts of the parcel commonly known as 2001 15th Street.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request is made as part of the renovation plan for the Michigan Central Station.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW, and City Engineering – DPW.

Detroit Water and Sewerage Department (DWSD) has no objection provided certain provisions are met. The DWSD provisions are a part of the attached resolution.

All other involved City Departments, and privately owned utility companies have reported no objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer
City Engineering Division – DPW

By Council Member Santiago-Romero:

Resolved, Part of Vernor Highway, varied width, lying adjacent to the parcel commonly known as 2001 15th Street, further described as land in the City of Detroit, Wayne County, Michigan being:

• Commencing at the intersection of the southerly line of Lacombe Drive and the westerly line of 15th Street; thence south 23 degrees 39 minutes 58 seconds east, 6.52 feet; thence north 73 degrees 42 minutes 44 seconds west, 310.36 feet; thence south 79 degrees 49 minutes 13 seconds west, 50.46 feet to the point of beginning; south 56 degrees 01 minute 46 seconds west, 83.70 feet; thence north 39 degrees 21 minutes 42 seconds east, 94.40 feet; thence south 73 degrees 42 minutes 45 seconds east, 35.21 feet; thence south 56 degrees 01 minutes 46 seconds west, 29.25 feet to the point of beginning.

Be and the same is hereby vacated as public right-of-way and converted into a private easement for public utilities of the full width of the right-of-way, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said right-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public right of way herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public right-of-way in the City of Detroit, with the right to ingress and egress at any time and over said easement for the purpose above set forth.

Second, Said utility easement or right-of-way in and over said vacated right of way herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies, other than that specifically prohibited by this resolution, shall restore the easement surface to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls (except necessary line fences or gates), shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division – DPW,

Fourth, That if the owners of any lots abutting on said vacated right of way shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That property owners maintain for DTE Energy, full access to their facilities at all times (i.e. gated access with DTE locks at all ends of the easement) and that free and easy access to the DTE facilities is reserved for DTE equipment, including the use of backhoes, bulldozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of DTE facilities, and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for the Detroit Water and Sewerage Department equipment including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated right of way shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for the costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action and be it further

Provided, That if it becomes necessary to remove the paved right of way returns at the entrances such removal and construction of the new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division – DPW specification with all costs borne by the abutting owner(s), their heirs or assigns; and further

Resolved, Part of Vernor Highway, varied width, lying adjacent to the parcel commonly known as 2001 15th Street, further described as land in the City of Detroit, Wayne County, Michigan being:

• Commencing at the intersection of the southerly line of Lacombe Drive and the westerly line of 15th street; thence south 23 degrees 39 minutes 58 seconds east, 6.52 feet; thence north 73 degrees 42 minutes 44 seconds west, 310.36 feet to the point of beginning; thence south 79 degrees 49 minutes 13 seconds west, 50.46 feet; thence north 56 degrees 01 second 46 minutes east, 29.25 feet; thence south 73 degrees 42 minutes 45 seconds east, 26.47 feet to the point of beginning.

Be and the same are hereby vacated (outright) as public rights-of-way to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services, and further

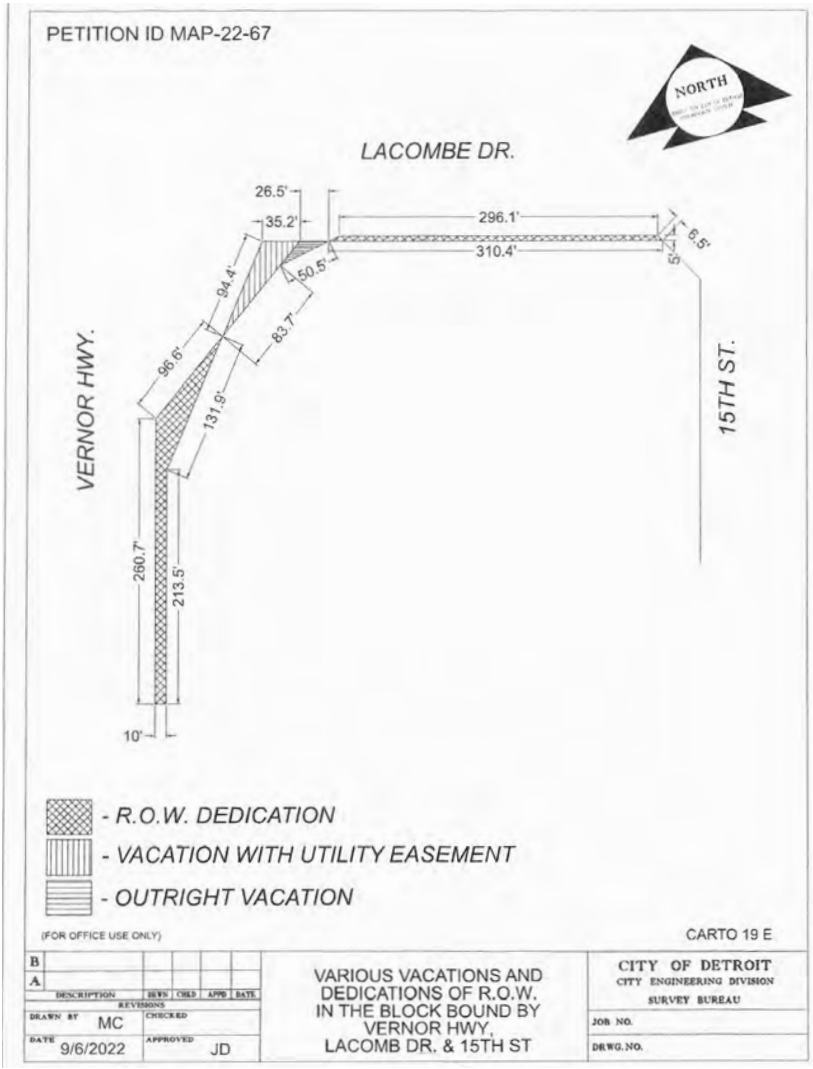
Provided, That the petitioner/property owner acknowledge that DWSD relinquishes all responsibility for underground sewers, if any, and further

Provided, That the petitioner/property owner bear the entire cost of any modification to the sewer, in any, including costs related to construction, demolition, permitting, inspection, and survey, and further

Provided, That any construction in the public rights-of-way such as curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division – DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Resolved, That your Honorable Body authorize the acceptance of the following described properties owned by the City of Detroit for public street purposes:

1. Becoming part of Lacombe Drive being part of lots 18, 19, and 20 of block 22, part of lots 20 and 21 of block 23 and part of the vacated alley adjacent to said lot 20 of block 22 and block 23, and part of vacated Dalzelle street and vacated 16th street, being more particularly described



as: beginning at the intersection of the southerly line of Lacombe Drive and the westerly line of 15th street; thence south 23 degrees 39 minutes 58 seconds east, 6.52 feet; thence north 73 degrees 42 minutes 44 seconds west, 310.36 feet; thence north 79 degrees 49 minutes 13 seconds east, 11.22 feet; thence south 73 degrees 42 minutes 44 seconds east, 296.13 feet to the point of beginning.

2. Becoming part of Vernor Highway being part of lots 259, 263, 266, 272, 273, 280, part of vacated 1 7 street, and part of the vacated alley adjacent to said lots 273 and 280 of plat of subdivision of part of private claim no. 473 as recorded in liber 47, pages 558-559 of deeds, Wayne County Records, also part of lots 8 and 9, of block 21 and part of the vacated alley adjacent to said lots 8 and 9 of plat of the front subdivision of the Lafontaine Farm, Private Claim No. 44, as recorded in liber 59, pages 154-155 of deeds, Wayne County Records being more particularly described as: commencing at the intersection of the southerly line of Lacombe Drive and the westerly line of 15th Street; thence south 23 degrees 39 minutes 58 seconds east, 6.52 feet; thence north 73 degrees 42 minutes 44 seconds west, 310.36 feet; thence south 79 degrees 49 minutes 13 seconds west, 50.46 feet; thence south 56 degrees 01 minute 46 seconds west, 83.70 feet to the point of beginning; thence south 39 degrees 21 minutes 42 seconds west, 131.93 feet; thence south 16 degrees 15 minutes 31 seconds west, 213 .5 5 feet; thence north 73 degrees 46 minutes 08 seconds west, 10.00 feet; thence north 16 degrees 15 minutes 31 seconds east, 260.68 feet; thence north 56 degrees 01 minute 33 seconds east, 96.56 feet to the point of beginning.

Provided, That the entire work in constructing the new streets is to be performed in accordance with plans and specifications approved by City Engineering Division – DPW (CED) and constructed under the inspection and approval of CED; and further

Provided, That the petitioner obtain Traffic Engineering Division, signature of approval on the final design and plans for the construction of the streets; and be it further

Water and Sewerage Department

Whereas, On June 12, 2015, the City of Detroit and the Great Lakes Water Authority ("GLWA") entered into the Regional Water Supply System Lease between (the "Water Lease");

Whereas, 235 South McKinstry, Detroit, MI 48209 (the "McKinstry Warehouse") is listed as a Leased Water Facility in Schedule A to the Water Lease and the legal description is attached in Exhibit A;

Whereas, Pursuant to Section 5.8 of the Water Lease, GLWA has determined that the McKinstry Warehouse is no longer needed, no longer useful in connection with the operation of the Leased Water Facilities and the sale will not impair the operating efficiency of the Leased Water Facilities or reduce the ability of GLWA to satisfy the Rate Covenant as provided in the Master Bond Ordinance;

Whereas, In 2020, GLWA listed the McKinstry Warehouse for sale;

Whereas, In 2021, GLWA vacated the McKinstry Warehouse;

Whereas, In 2022, Newer Horizons, LLC made an offer to purchase the McKinstry Warehouse for $1.4 million;

Whereas, Newer Horizons, LLC and GLWA executed a purchase agreement, which GLWA's Board of Directors has approved;

Whereas, The Water Lease requires the City to cooperate with GLWA in arranging for the execution and delivery of a deed for the disposition of the McKinstry Warehouse;

Whereas, The Mayor of the City of Detroit (the "Mayor") requested GLWA present this transaction to the Detroit Water and Sewerage Department ("DWSD") Board of Water Commissioners ("BOWC") and the City of Detroit City Council before executing the deed disposing of the McKinstry Warehouse; and

Whereas, The DWSD BOWC approved the sale of the McKinstry Warehouse on December 21, 2022.

Now, Therefore, Be It

Resolved, That in accordance with the Water Lease, the City cooperates with GLWA in the disposition of the McKinstry Warehouse and the City Council approves the disposition of the McKinstry Warehouse, including the execution of the deed disposing of the McKinstry Warehouse by the Mayor;

Resolved, That the City Clerk furnish the Mayor and DWSD Director with a certified copy of this resolution and be it further

Resolved, That this resolution is adopted with a waiver of reconsideration.

Honorable City Council:

Re: Request to Accept and Appropriate the Michigan Enhancement Grant for the Joe Louis Greenway.

The Michigan Economic Development Corporation has awarded the City of Detroit General Services Department with the Michigan Enhancement Grant for a

total of $40,000,000.00. There is no match requirement. The total project cost is $40,000,000.00.

The objective of the grant is to support the construction of the Joe Louis Greenway. The funding allotted to the department will be utilized to provide trail construction, construction engineering and inspection services, land acquisition, and beautification costs. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the appropriation number is 21241.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Respectfully submitted,
TERRI DANIELS
Director of Grants
Office of Development and Grants
DONALD R. JOHNSON
Office of Budget
CHERYL SMITH-WILLIAMS
Law Department

By Council Member Young, II:

Whereas, The General Services Department is requesting authorization to accept a grant of reimbursement from the Michigan Economic Development Corporation, in the amount of $40,000,000.00, to support the construction of the Joe Louis Greenway; and

Whereas, The Law Department has approved the attached agreement as to form; and

Whereas, This request has been approved by the Office of Budget; now

Therefore, Be It Resolved, That the Director or Head of the Department is authorized to execute the grant agreement on behalf of the City of Detroit, and

Be It Further Resolved, That the Budget Director is authorized to establish Appropriation number 21241, in the amount of $40,000,000.00, for the Michigan Enhancement Grant to support the Joe Louis Greenway.

CASE - 370757

MICHIGAN ECONOMIC DEVELOPMENT CORPORATION GRANT WITH CITY OF DETROIT

The Michigan Economic Development Corporation (the "MEDC") enters into a binding agreement (the "Agreement") with City of Detroit, a Michigan municipal corporation, acting by and through its General Services Department (the "Grantee"). As used in this Agreement, the MEDC and Grantee are sometimes individually referred to as a "Party" and collectively as "Parties."

Grantee: City of Detroit
General Services Department
115 Erskine Street
Detroit, Michigan 48201
Attn: Chief Parks Planner

I. **NATURE OF SERVICES.** The purpose of this Agreement is to provide funding to the Grantee for a twenty-nine (29) mile recreational greenway project that connects multiple neighborhoods and municipalities that and enhances public recreation, equity, tourism, economic development, and recovery (the "Grant Activities").

II. **PERFORMANCE SCHEDULE.**

Starting Date: October 1, 2022 Ending Date: December 31, 2026

The term of this Agreement (the "Term") shall commence on the Starting Date and shall continue until the occurrence of an event described in Section IX of this agreement.

III. **INCORPORATION BY REFERENCE.** The following documents are incorporated by reference as binding obligations, term, and conditions of the Agreement.

Exhibit A: Grantee's Budget

In the event of any inconsistency between the provisions of Exhibit A and this Agreement, the provisions of this Agreement shall control.

IV. **PAYMENT SCHEDULE INFORMATION.**

A. The MEDC agrees to pay the Grantee a sum not to exceed Forty Million Dollars ($40,000,000) (the "Grant"). A disbursement of 50% of the funds may be made following Grant Agreement execution and authorization by the Grant Administrator. Additional funds shall only be disbursed after verification that the previous payment has been expended, in full, in accordance with the Agreement.

B. Payment(s) under this Agreement shall be made by the MEDC to Grantee upon receipt and approval by the Grant Administrator of Grantee's billing statement(s) stating that the work for which payment is requested has been appropriately performed. Grantee shall provide Grantee's billing statement(s) to

Grant Administrator or at Grant Administrator's direction. Grant Administrator shall provide Grantee with appropriate submission instructions of Grantee's billing statement(s).

C. MEDC requires that payments under this Agreement be processed by electronic funds transfer (EFT). Grantee is required to register to receive payments by EFT at the State Integrated Governmental Management Applications (SIGMA) Vendor Self Service (VSS) website (*www.michigan.gov/VSSLogin*).

D. The Grantee agrees that all funds shown in the Budget, described in Exhibit A, are to be spent as specified. This Agreement does not commit the MEDC to approve requests for additional funds during or beyond this Grant period.

E. Changes in the Budget will be allowed only upon prior review and written approval by the Grant Administrator.

F. Grantee's billing statement(s) may be subject to a final audit prior to the release of final payment.

V. **MEDC GRANT ADMINISTRATOR.** The Grantee must communicate with the MEDC representative named below or his or her designee regarding this Agreement. The Grant Administrator may be changed, at any time, at the discretion of the MEDC.

Kristyn Blackmer (the "Grant Administrator")
Michigan Economic Development Corporation
300 North Washington Square
Lansing, Michigan 48913
blackmerk1@michigan.org

VI. **GRANTEE DUTIES.**

A. The Grantee agrees to submit documentation of the expenditures of funds in accordance with Exhibit A and submit quarterly progress reports in a form and to the satisfaction of the MEDC, that provides at a minimum the status of the project and an accounting of all funds expended on Grant Activities during that quarter.

VII. **RELATIONSHIP OF THE PARTIES.**

A. Due to the nature of the services described herein and the need for specialized skill and knowledge of Grantee, the MEDC is entering into this Agreement with Grantee. As a result, neither Grantee nor any of its employees or agents is or shall become an employee of the MEDC due to this Agreement.

B. Grantee will provide the services and achieve the results specified in this Agreement free from the direction or control of the MEDC as to means and methods of performance.

C. The MEDC is not responsible for any insurance or other fringe benefits, including, but not limited to, Social Security, Worker's Compensation, income tax withholdings, retirement or leave benefits, for Grantee or its employees. Grantee assumes full responsibility for the provision of all such insurance coverage and fringe benefits for its employees.

D. All tools, supplies, materials, equipment, and office space necessary to carry out the services described in this Agreement are the sole responsibility of Grantee unless otherwise specified herein.

E. Grantee shall retain all control of its employees and staffing decisions independent of the direction and control of the MEDC.

VIII. **ACCESS TO RECORDS.** During the Term, and for seven (7) years after the Ending Date, the Grantee shall maintain reasonable records, including evidence that the services were actually performed and the identity of all individuals paid for such services, and shall allow access to those records by the MEDC or their authorized representative at any time during this period.

IX. **TERMINATION.** This Agreement shall terminate upon the earlier of the following:

A. The Ending Date.

B. Termination by the MEDC:

1. By giving thirty (30) calendar days prior written notice to the Grantee in the event of fraudulent behavior or other egregious circumstances directly relating to the Grantee or the Grant Activities not otherwise covered by Section XIX of this Agreement, which would in the judgment of the MEDC CEO, reflect unfavorably on the State of Michigan if the Agreement were not terminated; or
2. In the event that the Legislature of the State of Michigan the State Government, or any State official, commission, authority, body, or employee or the federal government (a) takes any legislative or administrative action which fails to provide, terminates, or reduces the funding necessary for this Agreement; or (b) takes any legislative or administrative action, which is unrelated to the source of funding for the Grant, but which affects the MEDC's ability to fund

and administer this Agreement and other MEDC programs, provided, however, that in the event such action results in an immediate absence or termination of funding, cancellation may be made effective immediately upon delivery of notice to the Grantee; or

3. Pursuant to Section XIX of this Agreement.

X. **MEDC EMPLOYEES.** The Grantee will not hire any employee of the MEDC to perform any services covered by this agreement without prior written approval from the Chief Executive Officer of the MEDC.

XI. **CONFIDENTIAL INFORMATION.** Except as required by law, the Grantee shall not disclose any information, including targeted business lists, economic development analyses, computer programs, databases, and all materials furnished to the Grantee by the MEDC without the prior written consent of the MEDC. All information described in this Section shall be considered "Confidential Information" under this Agreement. Confidential Information does not include: (a) information that is already in the possession of, or is independently developed by, Grantee; (b) becomes publicly available other than through breach of this Agreement; (c) is received by Grantee from a third party with authorization to make such disclosures; or (d) is released with MEDC's written consent. For the avoidance of confusion, any disclosure made by Grantee which is required by law shall not constitute an improper disclosure under this Agreement and shall not require MEDC's prior written notice or consent.

XII. **PUBLICATIONS.** Except for Confidential Information, the MEDC hereby agrees that researchers funded with the Grant shall be permitted to present at symposia, national, or regional professional meetings, and to publish in journals, theses, or dissertations, or otherwise of their own choosing, the methods and results of their research. Grantee shall at its sole discretion and at its sole cost and expense, prior to publication, seek intellectual property protection for any Inventions (as described in Section XIII) if commercially warranted. Grantee shall submit to the MEDC a listing of articles that Grantee has submitted for publication resulting from work performed hereunder in its quarterly report to the MEDC. Grantee shall acknowledge the financial support received from the MEDC, as appropriate, in any such publication.

XIII. **INTELLECTUAL PROPERTY RIGHTS.** Grantee shall retain ownership to the entire right, title, and interest in any new inventions, improvements, or discoveries developed or produced under this Grant, including, but not limited to, concepts know-how, software, materials, methods, and devices ("Inventions") and shall have the right to enter into license agreements with industry covering Inventions.

XIV. **CONFLICT OF INTEREST.** Except as has been disclosed to the MEDC, Grantee affirms that neither the Grantee nor its Affiliates or their employees has, shall have, or shall acquire any contractual, financial business, or other interest, direct or indirect, that would conflict in any manner with Grantee's performance of its obligations under this Agreement or otherwise create the appearance of impropriety with respect to this Agreement. Grantee further affirms that neither Grantee nor any affiliates or their employees has accepted or shall accept anything of value based on an understanding that the actions of the Grantee or its affiliates or either's employees on behalf of the MEDC would be influenced. Grantee shall not attempt to influence any MEDC employee by the direct or indirect offer of anything of value. Grantee also affirms that neither Grantee, nor its Affiliates or their employees, has paid or agreed to pay any person, other than bona fide employees and consultants working solely for Grantee or its Affiliate, any fee, commission, percentage, brokerage fee, gift, or any other consideration contingent upon or resulting from the execution of this Agreement.In the event of change in either the interests or services under this Agreement, Grantee will inform the MEDC regarding possible conflicts of interest which may arise as a result of such change. Grantee agrees that conflicts of interest shall be resolved to the MEDC's satisfaction or the MEDC may terminate this Agreement. As used in this Paragraph, "conflict of interest" shall include, but not be limited to, conflicts of interest that are defined under the laws of the State of Michigan.

XV. **INTENTIONALLY REMOVED.**

XVI. **TOTAL AGREEMENT.** This Agreement, together with Exhibit A incorporated herein, is the entire agreement between the Parties superseding any prior or concurrent agreements as to the services being provided, and no oral or written terms or conditions which are not contained in this Agreement shall be binding. This Agreement may not be changed except by mutual agreement of the Parties reduced to writing and signed by duly authorized representatives.

XVII. **ASSIGNMENT/TRANSFER/SUBCONTRACTING.** Except as contemplated by this Agreement, including the procurement of professional services and goods to complete the Grant Activities, the Grantee shall not assign, transfer, convey, subcontract, or otherwise dispose of any duties or rights under this Agreement without the prior specific written consent of the MEDC. Any future successors of the Grantee will be bound by the provisions of this Agreement unless the MEDC otherwise agrees in a specific written consent. With the exception of the procurement of professional services and goods to complete the Grant Activities, the MEDC reserves the right to approve subcontractors for this Agreement and to require the Grantee to replace subcontractors who are found to be unacceptable.

XVIII. **COMPLIANCE WITH LAWS.** The Grantee is not and will not during the Term be in violation of any laws, ordinances, regulations, rules, orders, judgments, decrees, or other requirements imposed by any governmental authority to which it is subject, and will not fail to obtain any licenses, permits, or other governmental authorizations necessary to carry out its duties under this Agreement.

XIX. **DEFAULT.** The occurrence of any one or more of the following events or conditions shall constitute an "Event of Default" under this Agreement, unless a written waiver of the Event of Default is signed by the MEDC: (a) any representation, covenant, certification, or warranty made by the Grantee shall prove incorrect at the time that such representation, covenant, certification, or warranty was made in any material respect; (b) the Grantee's failure generally to pay debts as they mature, or the appointment of a receiver or custodian over a material portion of the Grantee's assets, which receiver or custodian is not discharged within sixty (60) calendar days of such appointment; (c) any voluntary bankruptcy or insolvency proceedings are commenced by the Grantee; (d) any involuntary bankruptcy or insolvency proceedings are commenced against the Grantee, which proceedings are not set aside within sixty (60) calendar days from the date of institution thereof; (e) any writ of attachment, garnishment, execution, tax lien, or similar writ is issued against any property of the Grantee, which is not removed within sixty (60) calendar days; (f) the Grantee's failure to comply with the reporting requirements hereof; (g) the Grantee's failure to comply with any obligations or duties contained herein; and on (h) Grantee's use of the Grant funds for any purpose not contemplated under this Agreement.

XX. **AVAILABLE REMEDIES.** Upon the occurrence of any one or more of the Events of Default, the MEDC may terminate this Agreement effective immediately upon delivery of written notice to the Grantee. The termination of this Agreement is not intended to be the sole and exclusive remedy in case any Event of Default shall occur and each remedy shall be cumulative and in addition to every other provision or remedy given herein or now or hereafter existing at law or equity.

XXI. **REIMBURSEMENT.** If this Grant is terminated as a result of Section XIX(f) hereof, the MEDC shall have no further obligation to make a Grant disbursement to the Grantee. The Grantee shall reimburse the MEDC for disbursements of the Grant determined to have been expended for purposes other than as set forth herein as well as any Grant funds which were previously disbursed but not yet expended by the Grantee.

XXII. **NOTICES.** Any notice, approval, request, authorization, direction, or other communication under this Agreement shall be given in writing and shall be deemed to have been delivered and given for all purposes: (a) on the delivery date if delivered by electronic mail or by confirmed facsimile; (b) on the delivery date if delivered personally to the Party to whom the same is directed; (c) one business day after deposit with a commercial overnight carrier, with written verification of receipt; or (d) Three business days after the mailing date, whether or not actually received, if sent by U.S. mail, return receipt requested, postage, and charges prepaid, or any other means of rapid mail delivery for which a receipt is available. The notice address for the Parties shall be the address as set forth in this Agreement, with the other relevant notice information, including the recipient for notice and, as applicable, such recipient's facsimile number or electronic mail address, to be as reasonably identified by notifying Party. The MEDC and Grantee may, by notice given hereunder, designate any further or different addresses to which subsequent notices shall be sent.

XXIII. **ACCESS TO RECORDS AND INSPECTION RIGHTS.** During the Term, there will be frequent contact between the Grant Administrator and the Grantee. Until the end of the Term, to enable the MEDC to monitor and ensure compliance with the terms of this Agreement, the Grantee shall permit the MEDC to visit the Grantee, and any other location where books and records of the Grantee are normally kept, to inspect the books and records, including financial records and all other infor-

mation and data relevant to the terms of this Agreement, including the expenditure of the Grant disbursements; provided, however, that such audit right shall survive the end of the Term by three (3) years. At such visits, the Grantee shall permit any employee or agent of the MEDC to make copies or extracts from information and to discuss the affairs, finances, and accounts of the Grantee related to this Agreement with its officers, employees, or agents. The MEDC shall have the right to remove, photocopy, photograph, or otherwise record in any way any part of such books and records with the prior written consent of the Grantee, which consent shall not be unreasonably withheld.

XXIV. **GOVERNING LAW.** This Agreement is made and entered into in the State of Michigan and shall in all respects be interpreted, enforced, and governed under the laws of the State of Michigan without regard to the doctrines of conflict of laws. The terms of this provision shall survive the termination or cancellation of the Agreement.

XXV. **COUNTERPARTS AND COPIES.** The Parties hereby agree that the faxed or electronically delivered signatures of the Parties to this Agreement shall be binding and enforceable as original signatures; and that this Agreement may be executed in multiple counterparts with the counterparts together being deemed to constitute the complete agreement of the Parties. Copies (whether photostatic, facsimile or otherwise) of this Agreement may be made and relied upon to the same extent as though such copy was an original.

XXVI. **JURISDICTION.** In connection with any dispute between the Parties under this Agreement, the Parties hereby irrevocably submit to jurisdiction and venue of the Michigan circuit courts of the State of Michigan located in Wayne County. Each Party hereby waives and agrees not to assert, by way of motion as a defense or otherwise in any such action any claim; (a) that it is not subject to the jurisdiction of such court; (b) that the action is brought in an inconvenient forum; (c) that the venue of the suit, action, or other proceeding is improper; or (d) that this Agreement or the subject matter of this Agreement may not be enforced in or by such court.

XXVII. **SEVERABILITY.** All of the clauses of this Agreement are distinct and severable and, if any clause shall be deemed illegal, void, or unenforceable, it shall not affect the validity, legality, or enforceability of any other clause or provision of this Agreement. To the extent possible, the illegal, void, or unenforceable provision shall be revised to the extent required to render the Agreement enforceable and valid, and to the fullest extent possible, the rights and responsibilities of the Parties shall be interpreted and enforced to preserve the Agreement and the intent of the Parties. Provided, if application of this section should materially and adversely alter or affect a Party's rights or obligations under this Agreement, the Parties agree to negotiate in good faith to develop a structure that is as nearly the same structure as the original Agreement (as may be amended from time to time) without regard to such invalidity, illegality, or unenforceability.

XXVIII. **PUBLICITY.** At the request and expense of the MEDC, the Grantee will cooperate with the MEDC to promote the Grant Activities through one or more of the placement of a sign, plaque, media coverage, or other public presentation at the project or other location acceptable to the Parties.

XXIX. **SURVIVAL.** The terms and conditions of sections VII, VIII, XI, XVII, XXIV, XXVI, and XXVII shall survive termination of this Agreement for a period of five (5) years.

General Services Department

January 20, 2023

Honorable City Council:

Re: Memorandum of Understanding – Unified Greenway Partnership.

The General Services Department submits for consideration by this Honorable Body the enclosed resolution to support the creation of an informal partnership between the City, the Detroit Riverfront Conservancy, and the Joe Louis Greenway Partnership (together, the "Unified Greenway Partnership"). This Unified Greenway Partnership is a collaborative approach to ensuring the completion and financial sustainability of the Joe Louis Greenway (the "JLG").

As this Body is aware, the Joe Louis Greenway is a recreational pathway that will unify Detroit's neighborhoods, people, and parks. This transformational greenway will beautify and connect parks and neighborhoods across the City through a combination of new trails, on-street protected bike lanes, and links to existing trails like the Dequindre Cut and the RiverWalk.

This Body's support of the Unified Greenway Partnership, as described in the attached MOU, is essential to raising the remaining funds needed to complete both the JLG and the Detroit Riverfront, as well as to ensure that these public assets are sustainably maintained and operated for generations. Please note that many of the responsibilities laid out in the MOU, such as for the operations and maintenance of the JLG, will be detailed in future agreements and proposals that will be subject to this Body's approval.

I humbly request that your Honorable Body adopt the attached resolution in support of the JLG and the Unified Greenway Partnership.

Respectfully submitted,
BRAD DICK
Group Executive for
Services and Infrastructure
GSD Director

By Council Member Young, II:

Whereas, The City of Detroit is engaged in fundraising for, designing, and constructing the Joe Louis Greenway (the

"JLG"), a recreational pathway that, once completed, will promote and enhance public recreation, social equity, tourism, and economic opportunity; and

Whereas, The City of Detroit recently formed the Joe Louis Greenway Partnership, an independent Michigan nonprofit corporation (the "JLGP"), for the express purpose of supporting JLG operations, maintenance, programming, fundraising, and volunteer opportunities; and

Whereas, The City of Detroit has for many years collaborated with the Detroit Riverfront Conservancy, a Michigan nonprofit corporation (the "DRFC"), to transform the City's riverfront into an award-winning, world-class public riverwalk; and

Whereas, The JLGP and the DRFC have agreed to join the City of Detroit in an informal partnership (the "Unified Greenway Partnership") that will lead all remaining efforts to complete the fundraising necessary for the design, construction, and ongoing management of the Joe Louis Greenway; and

Now, Therefore, Be It Resolved, That the Detroit City Council affirms its strong support for and commitment to the JLG; and

Be It Resolved, That the Detroit City Council strongly supports both the City's ongoing collaboration with the JLGP and the DRFC and the City's formation of and participation in the Unified Greenway Partnership, as contemplated in that certain Memorandum of Understanding by and between the City of Detroit, the JLGP, and the DRFC, dated and effective as of January 19th 2023, attached hereto and incorporated herein by reference as EXHIBIT A.

EXHIBIT A:
Memorandum of Understanding

This Memorandum of Understanding ("MOU") is executed on this 19th day of January 2023 (the "Effective Date") by and between the City of Detroit, a Michigan municipal corporation (the "City"), the Detroit Riverfront Conservancy ("DRFC"), and the Joe Louis Greenway Partnership ("JLGP"). Each of the City, DRFC, and JLGP may hereinafter be referred to by name or as a "Party," and may be collectively referred to as the "Parties."

Recitals and Agreement in Principle

A. The Joe Louis Greenway (the "JLG") is a recreational greenway intended to connect the municipalities of Detroit, Highland Park, Hamtramck, and Dearborn.

B. When completed, the JLG will be composed of new and existing greenways within these communities, intentionally unified and managed as a whole in order to promote and enhance public recreation, social equity, tourism, and economic opportunity.

C. The JLGP, a Michigan nonprofit corporation and qualified as tax exempt under IRC §501(c)(3), was formed for the express purpose of supporting JLG operations, maintenance, programming, fundraising, and volunteer opportunities.

D. The DRFC, a Michigan nonprofit corporation and qualified as tax exempt under IRC §501(c)(3), was established in 2003 to transform the Detroit Riverfront into a clean, safe, beautiful, accessible, world-class gathering place for all. The Detroit Riverfront has become a source of great community pride for the residents of Detroit, and the physical transformation of the Riverfront has been led by community input. For over 20 years, the DRFC has controlled and operated approximately 8.5 miles of public green spaces, including the Detroit Riverwalk, the Dequindre Cut, and the Southwest Greenway, some of which will connect to the JLG (the "DRFC Public Green Spaces").

E. The City, JLGP, and DRFC have formed an informal partnership (the "Unified Greenway Partnership") to ensure the completion and sustainability of the JLG, the DRFC Public Green Spaces, and all related spaces under their control.

F. The City is currently managing the planning, design, and construction of the JLG.

G. To complete the JLG, the City will require at least $200 million in capital funds, of which approximately $150 million has already been obtained from or committed by federal, state, county, and local sources through the Unified Greenway Partnership's coordinated efforts. The DRFC and the JLGP, in coordination with the City, agree to lead the Unified Greenway Partnership's fundraising effort to raise the remaining funds necessary to complete the JLG (the "JLG Completion Funds"). Thereafter, the JLGP and the City will coordinate to operate, maintain, program, and control all portions of the JLG.

H. The DRFC will oversee and manage the planning, design, construction, and operations of the DRFC Public Green Spaces and integration with the JLG (the "DRFC Project").

I. To complete the DRFC Project, the DRFC will require at least $50 million in newly raised funds (the "DRFC Completion Funds"). The DRFC agrees to lead that separate fundraising effort with support from the City and JLGP. The DRFC will, upon the completion of the DRFC Project, use commercially reasonable efforts to fully and properly operate, secure, staff, program, and maintain the DRFC Project to meet the same quality standards that DRFC has achieved over the years.

J. The JLG is estimated initially to cost $6.5 million to operate and maintain annually.

K. The DRFC Project is estimated initially to cost $12 million to operate and maintain annually.

L. The JLGP and DRFC agree to lead the Unified Greenway Partnership's fundraising effort to form a joint endowment of at least $100 million (the "Endowment"). The Endowment will be raised in addition to the JLG Completion Funds and the DRFC Completion Funds and will provide a sustainable source of annual revenue to fund a portion of the operations and maintenance for both the JLG and the DRFC Project. 40% of the Endowment's assets and annual distributions shall be dedicated and distributed to support the JLG, and 60% of the Endowment's assets and annual distributions shall be dedicated and distributed to support the DRFC Project.

M. Upon the establishment of the Endowment, the City shall contribute annually services approximately equivalent in value to 3% of the total raised for the Endowment, up to $3 million, to support the JLG's operations and maintenance for as long as the Endowment distributes funds to support the JLG, in accordance with Section L above, subject to annual approval and appropriation by City Council.

N. The JLGP agrees to lead the fundraising effort to provide any remaining revenue needed to fund the JLG' s annual operations and maintenance.

O. The JLGP and City agree to coordinate the utilization of the JLGP's annual revenues on supplemental maintenance, improvements, and operational support for the JLG, including any such revenues from the Endowment.

P. Upon the establishment of the Endowment, the City shall contribute within one year $3 million in funds, within two years an additional $3 million in funds, and thereafter annually 3% of the total raised for the Endowment, up to $3 million in funds, all to support the operations and maintenance of the DRFC Project for as long as the Endowment distributes funds to support the DRFC Project, in accordance with Section L above, subject to annual approval and appropriation by City Council.

Q. The DRFC agrees to lead the fundraising effort to provide any remaining revenue needed to fund the DRFC Project's annual operations and maintenance.

R. This MOU only expresses the present understanding and intentions of the Parties, along with their respective willingness to implement their agreement in principle, upon and subject to compliance with applicable statutes, codes, ordinances, regulations, and all necessary approvals.

Resolved, That subject to the approval of the departments, permission be and is hereby granted to Petition of Detroit Metro Sports Commission (**#2023-021**), request to install approximately 24 single pole banners on Washington Boulevard from West Jefferson Service Drive to Congress Street and West Jefferson Service Drive from Washington Boulevard to Shelby Street in order to announce the 2023 Boxing National Qualifier at Huntington Place.

Provided, That said activity is conducted under the rules and regulations of the concerned departments and the supervision of the Police Department, and further

Provided, That the banners are erected no earlier than two (2) weeks prior to the event and they are to be removed the day after the event, and further

Provided, That the design, method of installation and location of banners shall not endanger persons using the highway or unduly interfere with the free movement of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which is intended to be an imitation of or resembles, or which may be mistaken for, a traffic control device, or which attempts to direct the movement of traffic, and further

Provided, That the banner shall not have displayed thereon any legend or symbol which may be construed to advertise, promote the sales of or publicize any merchandise or commodity or to be political in nature, and shall not include flashing lights that may be distracting to motorists, and further

Provided, That the banners are placed on Public Lighting Department poles as not to cover traffic control devices, and further

Provided, That banners are installed under the rules and regulations of the concerned departments, and further

Provided, That petitioner assumes full responsibility for installation and removal of the banners.

TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE

TESTIMONIAL RESOLUTION FOR GLORIA JACKSON

By Council Member Benson:

WHEREAS, Gloria Jackson was born and raised in the City of Detroit. She is a lifelong Detroiter who has dedicated her life to serving others. As a product of the Detroit Public School System, she furthered her education by obtaining bachelor's and master's degrees from the University of Detroit; and

WHEREAS, Gloria Jackson is a devoted mother and grandmother. She finds joy in spending time with family and friends. She married the love of her life, Eugene Jackson. This holy matrimony was blessed for forty-two years. During her marriage, they raised four children with Christian values and morals; and

WHEREAS, Gloria Jackson began her career as a teacher for the Detroit Public Schools. She remained a dedicated teacher for 35 years, educating the next generation of leaders. For the next fourteen years, she spent as an Educational Supervisor for Eastern Michigan University training and mentoring new teachers before entering the classroom; and

WHEREAS, Gloria Jackson has been a servant for Detroit residents most of her life. She began a community dinner as a faithful member of First Progressive Missionary Baptist Church. The first took place in 1987 and continued to run strong under her leadership. She is a walking ministry of her own. She visits nursing homes, volunteers for Gleaners Food Bank., provides hygiene bags to the community, and essentials to Genesis House; and

WHEREAS, Her family, friends, and church members know Gloria Jackson as a worrier for Christ through community service. Throughout her life, she has dedicated her time and finances to ensure the improvement in the quality of life of Detroiters; THEREFORE, BE IT

RESOLVED, That the Office of Councilman Scott Benson and the Detroit City Council celebrate Gloria Jackson. City officials recognize her dedication to serving the needs of citizens and at First Progressive Missionary Baptist Church as they declare a day of service in her name. May God continue to bless your endeavors.

Honorable City Council:

Re: REVERE DOCK, LLC vs. City of Detroit *et al.* Wayne County Circuit Court No.: 21-016862-CB. File No.: L21-001871 (JDN).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that entry of a Consent Judgment is in the best interest of the City of Detroit.

We, therefore, request authorization to enter into a Consent Judgment, the terms of which are set forth in the Resolution submitted herewith.

Respectfully,
JAMES D. NOSEDA
Supervising Assistant
Corporation Counsel

Approved:
CONRAD MALLETT
Corporation Counsel

By Council Member Johnson:

Resolved, That settlement of the above matter be and is hereby authorized by entry of a Consent Judgment in Revere Dock, LLC vs. City of Detroit *et al.,* Wayne County Circuit Court Case No. 21-016862-CB, which shall provide in substantial form as follows:

This matter coming before the Court by agreement of the parties for entry of this Consent Judgment, the Court being advised in the premises, It Is Hereby Ordered:

Plaintiff Revere Dock LLC ("Plaintiff") owns the property commonly known as 5851 W. Jefferson, Detroit, Michigan, which is the subject of this litigation ("the Property").

Whereas, On November 26, 2021, a stockpile of gravel being unloaded by ship at the Property suffered a rotational slope

failure resulting in damage to the adjacent seawall of the boat slip owned by the U.S. Army Corp of Engineers.

Whereas, On December 2, 2021, Plaintiff provided to the City of Detroit and David Bell, in his capacity as Director of the City of Detroit Buildings, Safety, Engineering and Environmental Department ("Defendants") with the November 30, 2021 G2 Consulting Group stamped engineering report on Slope Stability and Stockpiling Recommendations at the Property.

Whereas, On January 6, 2022, Defendants provided to Plaintiff a memorandum on required actions before Plaintiff could recommence loading, storage, and related operations on the Property (the "January 6 Memo"). The January 6 Memo required among other things that certain reports be submitted to Defendants and specified certain operating conditions.

Whereas, On January 28, 2022, G2 Consulting Group prepared an opinion report on the root cause of the November 26, 2021 seawall failure at the Property, as requested in the January 6 Memo.

Whereas, On January 28, 2022, Plaintiff submitted to Defendants a Geotechnical Evaluation and Engineering report and engineering plans for the restoration of the U.S. Army Corp of Engineers ("USACE") boat slip, as requested in the January 6 Memo.

Whereas, On March 24, 2022, G2 Consulting Group prepared a Stockpiling Operations Recommendations Report, which report was given to Defendants.

Whereas, On May 13, 2022, Defendants provided Plaintiff with a memorandum seeking clarification and supplemental information on Plaintiff's prior geotechnical reports.

Whereas, On June 7, 2022, Plaintiff provided materials in response to Defendants' May 13, 2022 memorandum.

Whereas, On June 30, 2022, Plaintiff and Defendants met to discuss outstanding matters to be resolved before Defendants could agree to Plaintiff recommencing its authorized uses of the Property.

Whereas, On October 24, 2022, Plaintiff provided to Defendants a copy of the October 17, 2022, permit application with plans for repairing the U.S. Army Corp of Engineers boat slip, and an October 24 report by NTH Consulting in response to Defendants' inquiries made on June 30, 2022.

Whereas, Plaintiff has installed a concrete tieback wall clearly visible along the riverfront, delineating the area in which no bulk material with a weight greater than 250 pounds per square foot can be placed and behind wall which no bulk material with a weight greater than 3,000 pounds per square foot can be placed, as requested in the January 6 memorandum.

Whereas, Plaintiff holds a City of Detroit bulk material permit.

Now Therefore, The Parties agree and Court orders that:

1. Prior to an employee or tenant of Plaintiff's work on the Property to load, unload, or otherwise move bulk material, the employee or tenant shall be trained on the proper loading, unloading, and handling of bulk material on the Property, including review of the stockpiling operations reports referenced above. Refresher training will be conducted annually. Plaintiff will maintain a written record of the date each employee or tenant is trained on the proper loading, unloading, and handling of bulk material, which record shall be produced upon demand by the City of Detroit.

2. Prior to Plaintiff recommencing the unloading bulk material on to the Property, Plaintiff shall install; a) a pole delineating 30-feet in height at or adjacent to where the bulk material is to be unloaded to ensure that the pile created by the bulk material does not exceed 30 feet in height; and, b) barrier walls delineating the different loading zone areas on the Subject Property. The loading areas and applicable load and height limits for the Property are depicted on the diagram attached hereto and made part hereof.

3. The City of Detroit shall: a) dismiss with prejudice the following Blight Violation Notices, 21046850DAH, 21046851DAH, and 21046852DAH and b) rescind the emergency correction order issued on November 29, 2021, that limited Plaintiff's use of the Property, which Property shall remain subject to applicable laws, ordinances, permits, and the terms of this Consent Judgment.

4. Plaintiff shall provide the City with a letter or other acceptable documentary evidence that the U.S. Army Corp. of Engineers and the Michigan Department of Great Lakes, Environment and Energy have approved the repairs to be made to the Army Corp boat slip.

5. Within 90 days hereof, Plaintiff shall provide to Defendant the engineering data, design and specifications for the crane pad constructed on the Property and for the pilings that support the crane pad. Plaintiff shall obtain the required permit(s) and final inspection(s) for the crane pad and support by June 30, 2023. BSEED shall provide necessary inspections for such permits within 48 hours of request (excluding Saturdays and Sundays). If required, Plaintiff will apply for and obtain a Certificate of Occupancy. If Plaintiff seeks to extend, modify, or enlarge the crane pad at the Subject Property it shall first apply for and obtain the required permit from BSEED.

6. Subject to the conditions of this Consent Judgment, the City of Detroit finds that Plaintiff and the Property are in

compliance with City of Detroit permits issued to Plaintiff for the use and operation of Property and such authorized operations can recommence.

7. No failure by the City to insist upon the strict performance of any term of this Consent Judgment, or to exercise any right, term, or remedy consequent upon a violation of the terms of this Consent Judgment shall constitute a waiver of any such breach or violation. No waiver of any breach or violation of this Consent Judgment shall affect or alter the Consent Judgment, and each and every provision of the consent Judgment shall continue in full force and effect.

8. This Consent Judgment shall be binding upon the successors and assigns of the Plaintiff. A copy of this Consent Judgment may be recorded with the Wayne County Register of Deeds.

9. The reports, memorandum, and plans referenced herein are in the possession of the Parties to this action and are made a part hereof.

10. The Court retains jurisdiction to enforce the terms of this Consent Judgment.

11. Subject only to the terms of this Consent Judgment, all claims in this action are dismissed.

12. This Consent Judgment resolves the last pending claim and closes the case.

Office of the Chief Financial Officer
Office of Development and Grants

January 12, 2023

Honorable City Council:

Re: Request to accept the Detroit Street View Enhancements Project Grant.

The Detroit Economic Growth Corporation (DEGC) has awarded the City of Detroit Department of Innovation and Technology with the Detroit Street View Enhancements Project Grant, valued at $384,750.00. There is no match requirement for this grant. The total project cost is $384,750.00. This is a noncash award made possible by a grant awarded to DEGC from the General Motors Company.

The objective of the grant is to support the Detroit Street View Enhancements Project. The department will receive a 2023 Chevy Bolt, Lidar Equipment and Software Licenses that will be utilized to collect data and monitor Detroit's changing physical environment through remote sensing. This will result in freely available foundational data that empowers effective government operations, informs decision making and creates innovative opportunities throughout the community.

I respectfully ask your approval to accept this Grant in accordance with the attached resolution.

Sincerely,

RESOLUTION APPROVING BROWNFIELD PLAN OF THE CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY FOR THE RED ARROW REDEVELOPMENT PROJECT

City of Detroit
County of Wayne, Michigan

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed Brownfield Plan for the Red Arrow Redevelopment Project (the "Plan"); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on December 14, 2022, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on January 4, 2023 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on December 14, 2022; and

WHEREAS, The Authority approved the Plan on January 11, 2023 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, The City Council held a public hearing on the proposed Plan on February 2, 2023.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an *ad valorem* property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381.

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from *ad valorem* taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund; Approval of Depositary. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depositary bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Brownfield Revolving Fund, as authorized by Act 381.

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Brownfield Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as *ad valorem* and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Planning and Development Department

December 5, 2022

Honorable City Council:

Re: Property Sale — 12710 & 12716 Dexter, Detroit, MI 48238.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Jay Mattison ("Purchaser"), to purchase certain City-owned real property at 12710 and 12716 Dexter (the "Properties"). The P&DD has entered into a Purchase Agreement with the Purchaser.

Under the terms of the proposed purchase agreement, the Properties will be conveyed to Purchaser for the total purchase price of Nineteen Thousand Five Hundred Thirty and 00/100 Dollars ($19,530.00).

Purchaser is the owner of the adjacent Dexter Coin Car Wash, located at 12740 Dexter. He intends to expand the existing car wash, from four wash bays to six, and to add more car washing equipment. He intends to purchase the Properties in order to expand the available footprint of the car wash to allow space for the expansion and to ease the flow of traffic. The Properties are within a B4 zoning district (General Business District). Purchaser's proposed use of the Properties shall be consistent with the allowable uses for which the Properties are zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Properties by the City to Jay Mattison.

Respectfully submitted,
ANTOINE BRYANT
Director

By Council President Pro Tem Tate:

Now, Therefore, Be It Resolved, That Detroit City Council hereby approves of the sale of certain real property at 12710 and 12716 Dexter, Detroit, MI (the "Properties"), as more particularly described in the attached Exhibit A incorporated herein, to Jay Mattison ("Purchaser"), for the purchase price of Nineteen Thousand Five Hundred Thirty and 00/100 Dollars ($19,530.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Properties to Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars ($2,500.00) shall be paid to the DBA from the sale proceeds, 2) Nine Hundred Seventy-Six and 50/100 Dollars ($976.50) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars ($200.00), as well as any taxes and assessments which have become a lien on the properties shall be paid from the proceeds; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Properties, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Property Sale — 16129, 16135, and 16139 Meyers, Detroit, MI 48235.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from H.E.A.R.T. (Helping Elevate Addiction Rehabilitation Together) (the "Purchaser" or "H.E.A.R.T."), a Michigan nonprofit corporation, to purchase certain City-owned real property at 16129, 16135, and 16139 Meyers (the "Properties"). The P&DD has entered into a purchase agreement with Purchaser, under the terms of the proposed purchase agreement, the Properties will be conveyed to Purchaser for the purchase price of Thirty-Two Thousand and 00/100 Dollars ($32,000.00).

H.E.A.R.T. is a Detroit-based nonprofit organization that assists men and women who suffer from alcohol and substance

abuse addiction, as well as aiding those who suffer from behavior and other psychological disorders and homelessness. They wish to acquire the Properties to utilize them as their new headquarters. In addition to their planned office space, they also intend to use the location as a community neighborhood center focusing on providing information and services to the unhoused community. These services will include operating a food pantry, and providing information and services to assist individuals and families experiencing homelessness. The Properties are within a B2 zoning district (Local Business and Residential District). Purchaser's proposed use of the Properties shall be consistent with the allowable uses for which the Properties are zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Properties by the City to the Purchaser.

Re: Property Sale — 11301, 11323, and 11345 Van Dyke, Detroit, MI 48234.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from KJ Properties 2, LLC ("Purchaser"), a Michigan limited liability company, to purchase certain City-owned real property at 11301, 11323, and 11345 Van Dyke (the "Properties"). The P&DD has entered into a Purchase Agreement with the Purchaser. Under the

terms of the proposed purchase agreement, the Properties will be conveyed to Purchaser for the total purchase price of Twenty Thousand and 00/100 Dollars ($20,000.00).

Katrina Jakaj is the principal of KJ Properties 2, and the owner of the adjacent lot located at 11337 Van Dyke. She is currently in the process of re-developing that parcel in to a bar and restaurant and wishes to obtain the city-owned parcels to utilize them as parking for future customers. The Properties are within a B4 zoning district (General Business District). Purchaser's proposed use of the Properties shall be consistent with the allowable uses for which the Properties are zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Properties by the City to KJ Properties 2, LLC.

Honorable City Council:

Re: **Petition No. x2022-366** – State of Michigan, request for encroachment of a structural overhang into the West Jefferson right of way for the roof of the open-air sport house being constructed on the parcel commonly known as 1801 West Jefferson.

Petition No. x2022-366 – State of Michigan, request for encroachment of a structural overhang into the West Jefferson right of way, 46 ft. wide, for the roof of the open-air sport house being constructed on the parcel commonly known as 1801 West Jefferson.

The petition was referred to the City Engineering Division – DPW for investigation and report. This is our report.

The request is being made to as part of a park development at 1801 West Jefferson.

The request was approved by the Solid Waste Division – DPW, and City Engineering Division – DPW, Traffic Engineering Division.

Detroit Water and Sewerage Department (DWSD) reports being involved, but they have no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City Departments, including the Public Lighting Authority and Public Lighting Department; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting all utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer
City Engineering Division – DPW

By Council Member Santiago-Romero:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to the State of Michigan or their assigns for encroachment, further described as: Land in the City of Detroit, Wayne County, Michigan;

• Roof Over-hang – to encroach within West Jefferson Ave, 46 ft. wide, over the southerly sidewalk area between 11th Street and 12th Street. Said over-hang will encroach approx. 5 ft. into the south part of West Jefferson for a length of 65.7 ft. The easterly end of said encroachment being located approx. 180 ft. west of the east line of 11th Street. The elevation will range from 24' above grade from the bottom of the overhang to 30' above grade to the top of the overhang.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That access is maintained to all fire department connections, and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours' notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for

all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, State of Michigan or their assigns shall apply to the Buildings and Safety Engineering Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division – DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division – DPW and the Buildings and Safety Engineering Department. The encroachments shall be constructed and maintained under their rules and regulations; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by State of Michigan or their assigns, and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by State of Michigan or their assigns. Should damages to utilities occur State of Michigan or their assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division – DPW; and further

Provided, That State of Michigan or their assigns shall file with the Department of Public Works – City Engineering Division an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance of State of Michigan or their assigns of the terms thereof. Further, State of Michigan or their assigns shall agree to pay all claims, damages or expenses that may arise out of the use, repair and maintenance of the proposed encroachments; and further

Provided, That construction of the encroachments shall constitute acceptance of the terms and conditions as set forth in this resolution; and be it further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and State of Michigan acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and be it further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Adopted as follows:

Yeas — Council Members Benson, Durhal, III, Johnson, Santiago-Romero, Tate, Waters, Whitfield-Calloway, Young, II and President Sheffield — 9.

Nays — None.

City Engineering Division

December 7, 2022

Honorable City Council:

Re: Wayne County Annual Special Events Permits.

An Annual Permit granting permission to temporarily close a County road for a reasonable length of time for a parade, marathon, celebration, festival or similar activity, or to use a County road as a detour for traffic around such activity taking place on a non-County road may be issued by the Wayne County Permit Office to the City of Detroit.

As a condition of the annual permit, the County requires that the governing body pass a blanket resolution, effective for all permitted road closures for special events and installation of banners planned throughout the year which:

1) Agrees to fulfill all permit obligations and conditions for the current year.

2) To the extent allowed by law, hold harmless and defends Wayne County and its officials and employees against

any and all damage claims, suits or judgments of any kind or nature arising as a result of the permitted activity.

3) Designates and authorizes an appropriate official of the requesting municipality to sign the permit on its behalf.

A resolution based on the Model Community Resolution Authorizing Execution of Wayne County Permits is attached.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer
City Engineering Division – DPW

By Council Member Santiago-Romero:

Whereas, The City of Detroit (hereinafter the "City") periodically applies to the County of Wayne Department of Public Services Engineering Division Permit Office (hereinafter the "County") for permits to conduct emergency repairs, annual maintenance work, and for other purposes on local and County roads located entirely within the boundaries of the City, as needed from time to time to maintain the roads in a condition reasonably safe and convenient for public travel;

Whereas, Pursuant to Act 51 of 1951, being MCL 247.651 *et seq.*, the County permits and regulates such activities noted above and related temporary road closures;

Now Therefore, Be It Resolved, In consideration of the County granting such permit (hereinafter the "Permit"), the City agrees and resolves that:

Any work performed for the City by a contractor or subcontractor will be solely as a contractor for the City and not as a contractor or agent of the County. Any claims by any contractor or subcontractor will be the sole responsibility of the City. The County shall not be subject to any obligations or liabilities by vendors and contractors of the City, or their subcontractors.

The City shall take no unlawful action or conduct which arises either directly or indirectly out of its obligations, responsibilities, and duties under the Permit which results in claims being asserted against or judgment being imposed against the County, and all officers, agents and employees thereof pursuant to a maintenance contract In the event that same occurs, for the purposes of the Permit, it will be considered a breach of the Permit thereby giving the County a right to seek and obtain any necessary relief or remedy, including, but not by way of limitation, a judgment for money damages.

With respect to any activities authorized by Permit, when the City requires insurance on its own or its contractor's behalf, it shall also require that such policy include as named insured the County of Wayne and all officers, agents and employees thereof.

The incorporation by the County of this Resolution as part of a permit does not prevent the County from requiring additional performance security or insurance before issuance of a Permit.

This Resolution stipulates that the requesting City shall, at no expense to Wayne County, provide necessary police supervision, establish detours and post all necessary signs and other traffic control devices in accordance with the Michigan Manual of Uniform Traffic Control Devices.

This Resolution stipulates that the requesting City shall assume full responsibility for the cost of repairing damage done to the County road during the period of road closure or partial closure.

This Resolution shall continue in force from the date of execution until cancelled by the City or the County with no less than thirty (30) days prior written notice to the other party. It will not be cancelled or otherwise terminated by the City with regard to any Permit which has already been issued or activity which has already been undertaken.

The City stipulates that it agrees to the terms of the County of Wayne permit at the time a permit is signed by the City's authorized representative.

Be It Further Resolved, That the following individual(s) is/are authorized in their official capacity as the City's authorized representative to sign and so bind the City to the provisions of any and all permits applied for to the County of Wayne, Department of Public Services Engineering Division Permit Office for necessary permits from time to time to work within County road right-of-way or local roads on behalf of the City.

Department of Transportation

January 23, 2023

Honorable City Council:

Whereas, The Detroit Department of Transportation (DDOT) has entered into new service agreements for the provision of complementary paratransit service in accordance with the requirements of the Americans with Disabilities Act (ADA). DDOT therefore will be responsible for the maintenance of record keeping within the confines of documenting complaints, concerns, and general feedback of the vendors' performance.

Whereas, DDOT will also share these finding quarterly with community stakeholders and City Council.

Resolved, DDOT will utilize a "Continuous Quality Improvement (CQI) Scorecard" to measure the performance of the Service Providers in the following areas:

1. Safety-Frequency Rates for Preventable Accidents and Injuries;

2. Service Reliability-On Time Performance (OTP) for pickups and drop offs;

3. Customer Service-Passenger Complaints per 100,000 boardings; and

4. Cost Effective Service – The number of Trips per Hour (TPH) as performed.

Data for the Key Performance Indicators (KPI) will be collected and compiled each month by DDOT employees. A "scorecard" will be issued every three (3) months indicating the performance of the Service Providers.

The "CQI Scorecard" will be reviewed with the Local Advisory Council (LAC) at every meeting.

DDOT will publish the "CQI Scorecard" on its website and review the information contained therein with City Council, as directed.

Re: Resolution modifying the State Trunkline Maintenance Agreement Contract.

The Michigan Department of Transportation (MDOT) and the City of Detroit entered a contract titled the 'Michigan Department of Transportation State Trunkline Maintenance Contract' ("Contract") on March 8, 2022.

The intent of the Contact is to describe the municipality's construction, improvement, and maintenance responsibilities of State Trunklines. Said Contract is to remain in effect until either replaced or modified through the issuance of a Letter of Understanding by the MDOT Region Engineer and approved by the Municipality.

On December 22, 2022, a Letter of Understanding was issued by the MDOT Regional Engineer to provide clarification to the Scope of Work, as set forth in Section 2, of the Contract. Said Letter of Understanding provides language describing the service areas, required standards of maintenance, and compensation schedule.

This resolution, if approved by Council, will authorize the Department of Public Works Director to accept the modifications as provided in the Letter of Understanding issued by the MDOT Region Engineer, Gorette Yung, dated December 22, 2022.

Respectfully submitted,
RON BRUNDIDGE
Director
Department of Public Works

By Council Member Santiago-Romero:

Whereas, The City of Detroit, through its Department of Public Works and the State of Michigan, through its Department of Transportation (MDOT), agree to execute an Letter of Understanding that will transfer certain maintenance responsibilities along freeways from the State to the City, and

Whereas, These maintenance activities will include mowing of grass on the freeway slopes, picking up litter and trimming of vegetation around posts, trees, etc. and

Whereas, MDOT agrees to reimburse the City for the cost of two (2) grass cuts and two (2) litter pickups, and

Whereas, This resolution, if approved by your Honorable Body, will authorize the Department of Public Works Director to accept the modifications to the State Trunkline Maintenance Contract ("Contract") between the Michigan Department of Transportation and the City of Detroit, as described in the Letter of Understanding issued to the City of Detroit by the MDOT Region Engineer on December 22, 2022.

And Be It Further

Resolved, That the City Council hereby expresses its support to authorize acceptance of the modifications to the State Trunkline Maintenance Contract.

WALK-ONS

RESOLUTION TO ADRESS AIR QUALITY ISSUES STEMMING FROM STELLANTIS

By ALL COUNCIL MEMBERS:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens and residents through Charter-mandated legislative functions; and

WHEREAS, In February of 2019, Stellantis announced its plan to invest $1.6 billion to expand and upgrade the Mack Avenue Engine Complex located at 4000 St. Jean in the City of Detroit; and

WHEREAS, In 2019, Stellantis received tax incentives from the State of Michigan and the City of Detroit, valued at up to $160 million; and

WHEREAS, In August and September of 2019, the Department of Environment, Great Lakes, and Energy (EGLE) investigated FCA's Detroit Assembly Complex Mack (DACM) after nearby residents complained of nuisance odors emitting from DACM. On three separate visits to the area in August and September of 2019, EGLE investigators found that there were "moderate to strong paint/solvent odors observed emitting from the facility and impacting nearby neighborhoods;" and

WHEREAS, On September 20, 2019, EGLE issued a violation notice to Stellantis after determining that the odor from DACM was at a three or four out of a five-point odor scale. A level three or four odor is in violation of the Natural Resources and Environmental Protection Act, 1994 PA 451, as amended (NREPA) because it creates an unreasonable interference with the comfort and enjoyment of life for nearby residents.

WHEREAS, Since 2019, many Detroit Residents, especially on the east side concentrated in Council District 4, have experienced severe, adverse impacts on their quality of life and health due to the repeated air quality violations by Stellantis. Residents of the neighborhoods near DACM have complained of headaches, migraines, burning eyes, persistent coughing, tightness of the chest, and many other symptoms as a result of the persistent odor. Residents have also expressed that they are fearful to spend time outside of their homes and to let their children play outside; and

WHEREAS, EGLE continued to issue NREPA violation notices related to the odors emitting from the DACM through May of 2022. According to the Civil Rights, Inclusion & Opportunity (CRIO) Department, Stellantis is currently in breach of their Community Benefits Agreement due to their violation of these state and local environmental laws and regulations. Ultimately, in December of 2022, EGLE and Stellantis entered into a settlement agreement which required Stellantis to pay roughly $284,000 in fines and program funding as a result of repeated NREPA violations; and

WHEREAS, The $284,000 penalty to Stellantis is not only insignificant in comparison to the tens of millions Stellantis has received from state and local tax incentives, but it also fails to address the immediate needs of nearby residents who have been suffering for well over two years and who continue to suffer due to nuisance odors from DACM; moreover,

these state imposed fines do not inure to the benefit of this community most directly affected by these environmental impacts.

WHEREAS, Pursuant to the community benefits agreement, approved by the Stellantis Neighborhood Advisory Council (NAC), Stellantis has committed to investing $1,800,000 in home repair grants up to $15,000 per home for residents in the impact area. However, this funding is apparently insufficient to meet the needs of residents who continue to experience the negative effects of nuisance odors from DACM; and

WHEREAS, The Duggan administration successfully negotiated with the Canadian government and the State to obtain the necessary funds to acquire over 200 residential properties through buy outs at fair market value or home swaps with the land bank as part of the Bridging Neighborhoods program, a community benefits program designed to aid Southwest Detroit residents affected by the construction of the Gordie Howe International Bridge. The program also retrofitted 174 homes with upgraded windows, air filters, and HVAC systems to protect residents who remained in the area from the environmental impacts of the bridge construction; and

WHEREAS, The eastside citizens who neighbor and have been negatively impacted by the environmental impacts of the newly expanded Stellantis facility, deserve no less than the consideration, accommodations and aid, which was granted to the neighboring southwest Detroit residents of the Gordie Howe International Bridge;

NOW THEREFORE BE IT

RESOLVED, Council strongly urges the administration, State authorities and Stellantis to offer home buy outs at fair market value, as well as appropriate home swaps with the Detroit Land Bank's rehabbed-and-ready homes for residents who choose to leave the affected community, and those who choose to stay their homes should have their homes retrofitted at Stellantis' expense with air filters, air monitors, HVAC systems, and new windows to mitigate air pollution; or in the alternative, to completely and permanently eliminate the noxious odors emanating from the facility; THEREFORE, BE IT FINALLY

RESOLVED, Copies of this resolution shall be provided to the Mayor, the Governor and Stellantis, as well as media and residents.

RESOLUTION TO RECOGNIZE FEBRUARY 2023 AS AMERICAN HEART MONTH AND FEBRUARY 3, 2023, AS "NATIONAL WEAR RED DAY"

By Council Member Benson:

WHEREAS, Cardiovascular disease affects men, women, and children of every age and race in the United States (U.S.); and

WHEREAS, From 2019 to 2020, deaths from heart disease increased by 4.8 percent, the largest increase in heart disease deaths since 2012, while stroke deaths increased by 6 percent. Cardiovascular disease continues to be the leading cause of death in the U.S.; and

WHEREAS, In 2021, heart disease was again the leading cause of death in Michigan with nearly 27,000 citizens losing their life; and

WHEREAS, The global COVID-19 disease pandemic posed significantly higher risk to individuals with cardiovascular disease and other risk factors; and

WHEREAS, By 2035, cardiovascular disease will account for over $1 trillion in health care expenditures and lost productivity annually; and

WHEREAS, While a Centers for Disease Control and Prevention (CDC) analysis of data from 1999 through 2017 showed a decrease in death rates from heart disease for all racial and ethnic groups, non-Hispanic black persons were consistently much more likely to die of heart disease than any other race or ethnic group from 1999 to 2017; and

WHEREAS, Cardiovascular diseases are the number one killer of women in the U.S., killing more women than all forms of cancer combined. Cardiovascular disease is also the leading cause of maternal death in the U.S., or more simply put, heart disease is the number one killer of new moms; and

WHEREAS, Women, especially Black and Hispanic women, are disproportionally impacted by heart disease and stroke, and research shows heart attacks are on the rise in younger women. Yet, younger generations of women, also known as Gen Z and Millennials, are less aware of their greatest health threat, including knowing the warning signs of heart attacks and strokes; and

WHEREAS, Ninety percent of women have one or more risk factors for developing heart disease or stroke; and

WHEREAS, Women are less likely to call 911 for themselves when experiencing symptoms of a heart attack than if someone else were having a heart attack; and

WHEREAS, By increasing awareness, speaking out about heart disease, and empowering women to reduce their risk for cardiovascular disease and stroke, we can save thousands of lives each year; and

WHEREAS, The American Heart Association's Go Red for Women® movement motivates women to learn their family history and to meet with a health care provider to determine their risk for cardiovascular disease and stroke; and

WHEREAS, "National Wear Red Day" encourages men and women to take control of their heart health by understanding and managing these five numbers: total cholesterol, HDL (good) cholesterol, blood pressure, blood sugar, Body Mass Index (BMI); and

WHEREAS, The American Heart Association celebrates February 2023 as American Heart Month by promoting cardiovascular education, awareness, and by encouraging citizens to learn the warning signs of a heart attack and stroke; NOW, THEREFORE, BE IT

RESOLVED, The Detroit City Council recognizes the importance of the ongoing fight against cardiovascular disease by applauding the citizens across the country who wear red on February 3, 2023, to show their support for women's health. Therefore, the Detroit City Council recognizes February 2023 as American Heart Month and February 3, 2023, as "National Wear Red Day."

TESTIMONIAL RESOLUTION
FOR
EMPOWERMENT PLAN
Breaking the Cycle of Homelessness through Empowerment, Employment and Education

By Council Member Young, II:

WHEREAS, Empowerment Plan is a Detroit-based nonprofit organization with a mission to hire unhoused minority single parents from local shelters to become full-time seamstresses. This organization was established with a goal to manufacture coats that can transition into sleeping bags and directly distributed to the homeless in Detroit. In addition to constructing transitional coats, Empowerment Plan is dedicated to confronting homelessness head on through a system of employment, education, and empowerment; and

WHEREAS, Empowerment Plan was founded in 2012 by Veronika Scott in Detroit. She began this selfless journey having experience with poverty firsthand as her parents struggled with mental health, addiction, unemployment, and abuse. The ingenious idea to design a coat that transforms into a sleeping bag has grown into an organization that creates jobs that ultimately ends homelessness for participants through supportive services and programming; and

WHEREAS, Empowerment Plan has a dynamic program geared towards on-the-job training during the first 90 days. Employees are paid an hourly wage to learn industrial sewing, manufacturing, and assembling of the innovative sleeping bag coats. Typically, a work week is 40 hours and approximately 40% of that time is carved out for educational and supportive services; and

WHEREAS, Empowerment Plan aims to hire single mothers struggling with homelessness. Everything from housing, childcare, transportation, and education is addressed through its phenomenal programming. The programs include the following: GED, HSE, and post-secondary education, financial health and wellness, driver's education, domestic violence support, an empowered pantry, trauma-informed yoga, mental health services and clinical therapy, case management, career advancement support, as well as other services to assist participants in earning a stable income, securing permanent housing, and regaining their independence; and

WHEREAS, Empowerment Plan's CEO and Founder, Veronika Scott, has been awarded the IDEA Gold Award from the Industrial Design Society of America, the People's Voice Award from Diane von Furstenberg, Forbes 30 Under 30, Crain's Detroit Business Twenty in Their 20's, CNN's 10 Visionary Women, and she is the youngest recipient of the John F. Kennedy New Frontier Award from the JFK Library Foundation and Harvard University. The Empowerment Plan story has been told internationally and has been featured by Good Morning America, 60 Minutes, Erin Burnett OutFront, Mashable, and DreamWorks Animation; and

WHEREAS, Empowerment Plan has made an enormous impact on the City of Detroit and has touched the entire world. The program continues to serve as a road map out of poverty into a state of stability by programs and services that allow individuals to tear down barriers blocking employment, skill gaps, education, and financial stability. NOW, THEREFORE BE IT

RESOLVED, The Honorable Coleman A. Young II, Council Member At-Large #1 along with the entire Honorable Detroit City Council Members celebrate the excellence of Empowerment Plan. We applaud your initiative to improve the lives of thousands around the globe through sleeping bag coats and jobs created through Empowerment Plan. Thank you for your service to The People of Detroit and beyond.

City Planning Commission

January 25, 2023

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for the rehabilitation of a 56-unit residential apartment building located at 1516 Vinewood in the Hubbard Farms Neighborhood Enterprise Zone area. **(RECOMMEND APPROVAL)**

The office of the City Planning Commission (CPC) has received seven applications requesting Neighborhood Enterprise Zone (NEZ) certificates for the rehabilitation of a 56-unit residential apartment building located at 1516 Vinewood. The seven certificates for 1516 Vinewood are divided as follows:

- Units 001-002, 004-006, and 009-011;
- Units 012, 101-102, 104-108;
- Units 109-112, 201-204;
- Units 205-212;
- Units 301-308;
- Units 309-312; and
- Units 405-412.

The property is located at the northeast corner of Vinewood and Shady Lane in the Hubbard Farms neighborhood which is generally south of West Vernor and east of W. Grand Blvd. Below are maps of the location and an image of the building. The site is presently a vacant apartment building with 4 1/2 stories. The building is within the Hubbard Farms historic district.

The developer for the project Blue Ink Vinewood LLC; this group includes Detroit based developers, Ryan Zampardo and Devon Caldwell of Inkwell Partners, along with Ben Sowers, a Denver based developer collaborating with Inkwell.

The request is for a 15-year abatement to create 56 rental units. The developer estimates spending $74,650 per unit. Proposed improvements include interior demolition, roof replacement, electrical/plumbing/mechanical work, window replacement, and exterior work.

Regarding the units provided, there is expected to be 37 one-bedroom units and 19 two-bedroom units summarized as follows:

- The one-bedroom units will have approximately 432 to 646 square feet with estimated rents of $850 to $1,300/month
- The two-bedroom units will have approximately 635 to 965 square feet with estimated rents of $1,250 to $1,600/month

Regarding affordability, the project will include 11 units (7 one-bedroom and 4 two-bedrooms) at rents affordable to those with income not greater than 80% Area Median Income (AMI). However, the petitioner indicates during the initial years, at least, market rents are expected to be less than 80% AMI levels, so the affordable units would be naturally occurring between 55-80% AMI.

Regarding parking, the existing building is in an older corner historic neighborhood surrounded by housing which has not had on-site parking in the past. It appears the owners own a small vacant lot north of the building, which could provide limited park-

ing. The developer indicates it is working to identify nearby off-street spaces. There is on-street parking allowed on the east side of Vinewood and both sides of Shady Lane.

The developer indicates due to the historic design of the building, the building will not be ADA accessible. There is no room for any exterior ramps because the building is built right up to the sidewalk. It appears as soon as one enters the front door, there are steps going down to the lower level or up to the upper level.

It appears the NEZ certificate applications have been submitted prior to the issuance of applicable building permits –the NEZ Act (Act 147 of 1992) states the applications must be filed before a building permit is issued. The petitioner submitted NEZ certificate application dated January 4, 2023, to the City Clerk's office.

The subject property has been confirmed as being within the boundaries of the Hubbard Farms NEZ which was established by a vote of City Council on October 22, 2002. CPC staff has reviewed the applications and recommends approval. The City Clerk's office is submitting a resolution for your consideration. Please contact our office should you have any questions.

January 18, 2023

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Applications for the construction of three new single-family houses at 1707, 1711, and 1719 Fischer in the East Village Neighborhood Enterprise Zone area. **(RECOMMEND APPROVAL)**

The office of the City Clerk forwarded to the City Planning Commission (CPC) applications requesting Neighborhood Enterprise Zone (NEZ) certificates for the construction of three single-family houses at 1707, 1711, and 1719 Fischer.

The developer for the project is Greatwater Opportunity Capital which is a Detroit-based company formed in 2014 to acquire, rehab and lease over multifamily, commercial and vacant land in several Detroit neighborhoods.

The subject request involves three vacant lots on the west side of Fischer north of St. Paul Street; the site is just east of the Indian Village neighborhood. The petitioner is proposing to construct the following, all located on existing lots of record measuring 30 feet wide by 100 feet deep.

• 1707 Fischer: 936 square feet; 2 bedrooms; one bath; construction cost $139,900; estimated sale price $275,000 to $280,000.

• 1711 Fischer 1,513 square feet; 3 bedrooms; two and one-half baths; construction cost $165,774; estimated sale price $345,000 to $350,000.

• 1719 Fischer 1,840 square feet; 3 bedrooms; two and one-half baths; construction cost $197,088; estimated sale price $395,000 to $405,000.

The proposed elevations and floor plan are shown below. Each house will have a 2-car detached garage at the rear of the property.

The subject property has been confirmed as being within the boundaries of the East Village Amended NEZ, which was established by City Council on January 11, 2005, and should be eligible for NEZ certificates under the State NEZ Act (Act 147 of 1992) as currently written. It appears the NEZ certificate applications have been submitted prior to the issuance of applicable building permits – the NEZ Act (Act 147 of 1992) states the applications must be filed before a building permit is issued. The petitioner submitted the NEZ certificate applications dated January 4, 2023, to the City Clerk.

CPC staff has reviewed the applications and recommends approval. Attached is a resolution for your consideration. Please contact our office should you have any questions.

February 6, 2023

Honorable City Council:

Re: Ordinance to add Indigenous Peoples Day to the City's holidays.

Council Member Santiago Romero has requested that the Law Department prepare an ordinance to amend Chapter 35 of the 2019 Detroit City Code, *Personnel,* Article II, *Employment,* Division 2, *Hours of Work and Methods of Payment,* by amending Section 35-2-35, *Excused-Time Holidays* to add Indigenous Peoples Day to the City's excused-time holidays. This attached ordinance replaces the previously submitted ordinance amending Section 35-2-34, *Holidays.*

We are available to answer any questions that you may have concerning this proposed ordinance.

Respectfully submitted,
ADAM SAXBY
Senior Assistant Corporation Counsel

By Council Member Santiago-Romero:

AN ORDINANCE to amend Chapter 35 of the 2019 Detroit City Code, *Personnel,* Article II, *Employment,* Division 2, *Hours of Work and Methods of Payment,* by amending Section 35-2-35, *Excused-time Holidays,* to add Indigenous Peoples Day to the City's excused-time holidays.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 35 *Personnel,* Article II, *Employment,* Division 2, *Hours of Work and Methods of Payment,* be amended by amending Section 35-2-35, to read as follows:

CHAPTER 35. PERSONNEL
ARTICLE II. EMPLOYMENT
DIVISION 2. HOURS OF WORK AND METHODS OF PAYMENT

Sec. 35-2-35. Excused-time holidays.

(a) Each calendar year, appointees and employees shall be granted eight hours of excused time for Good Friday, Indigenous Peoples Day, Veterans' Day, the day after Thanksgiving Day, Christmas Eve, and New Year's Eve. Where an excused-time holiday falls on a Saturday, it shall be observed on the preceding Friday and where an excused-time holiday falls on Sunday, it shall be observed on the following Monday, except for employees assigned to six- or seven-day operations. Where a consecutive holiday and excused-time holiday fall on a Friday and a Saturday, the official holiday and excused-time day shall be designated as Friday and Monday. Where a consecutive holiday and excused-time holiday fall on a Sunday or Monday, the official holiday and excused-time day shall be designated as Friday and Monday.

(b) An appointee or employee shall be eligible to receive excused-time holiday pay, provided, that:

(1) The appointee or employee shall have received at least eight hours of pay, exclusive of overtime and sick leave, the workday before and the day after the excused-time holiday;

(2) The appointee or employee continues on the payroll through the excused-time holiday; and

(3) The appointee or employee is otherwise qualified for the excused-time holiday.

For purposes of this subsection, an appointee or employee shall be considered off the payroll where the appointee or employee is discharged, has voluntarily quit, is on a formal leave of absence granted by the Human Resources Department, is receiving workers' compensation, is laid off, or is engaging in an illegal work stoppage which extends through an

excused-time holiday. In the event that the appointee or employee is off the payroll within the meaning of this subsection, pay for the excused-time holiday shall be forfeited.

(c) Straight time shall be paid for eight hours worked on an excused-time holiday.

(d) Holiday premium shall not be paid for work on any excused-time holiday.

(e) Where an appointee or employee is absent without leave on an excused-time holiday on which the appointee or employee is scheduled to work, the appointee or employee shall not receive pay for the excused-time holiday.

Section 2. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 4. If this ordinance is passed by a two-thirds majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. If passed by less than a two-thirds majority of City Council members serving, it shall become effective no later than 30 days after publication in accordance with Section 4-118 of the 2012 Detroit City Charter.

RESOLUTION REESTABLISHING THE DETROIT CITY COUNCIL DISABILITY TASKFORCE

By Council Member Durhal, III:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions; and

WHEREAS, The City of Detroit is changing, defining its comeback through various development projects and initiatives designed to spur redevelopment within the neighborhoods and across the city; and

WHEREAS, The city's landscape has changed to include numerous large and small scale economic developments along with both private and public initiatives designed to incite not only energy but also to increase the population density within the neighborhoods across the city; and

WHEREAS, The United Nations estimates that by 2050 the disabled community worldwide will reach 940 million people, or 15% of what will be roughly 6.25 billion total urban dwellers; lending an urgency for municipalities to address the needs of the disabled community in all facets of civic life; and

WHEREAS, The Americans with Disabilities Act of 1990, (42 U.S.C. 12101 *et seq.*) (ADA), requires all state and local governments, which includes the City of Detroit, to make appropriate physical improvements and communication including the delivery of necessary aid and service, so that individuals with disabilities might fully participate in all aspects of civic life; and

WHEREAS, Pursuant to the ADA, public entities must provide residents with physical and mental disabilities equal access to job training opportunities, transportation, housing, and public places and individuals with disabilities and their advocates should be directly involved with policymaking; NOW THEREFORE, BE IT

RESOLVED, The Detroit City Council continues to recognize the need of the Disability Task Force, which is a forum for those interested in advancing the need of the disabled community to meet and share information and ideas and it is imperative that the rights and needs of the disability community be fully recognized and integrated into our revitalized city; BE IT FURTHER

RESOLVED, The Detroit City Council hereby reestablishes the Disability Task Force effective immediately, continuing

until December 31, 2023, to be chaired by Council Member Fred Durhal III. The Disability Task Force may include residents, representatives from the community, labor, the business sector, as well as any other individuals interested in participating.

EXHIBIT E

RESOLUTION APPROVING BROWNFIELD PLAN OF THE CITY OF DETROIT BROWNFIELD REDEVELOPMENT AUTHORITY FOR THE DANISH BROTHERHOOD HALL REDEVELOPMENT PROJECT

City of Detroit
County of Wayne, Michigan

By Council President Pro Tem Tate:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed Brownfield Plan for the Danish Brotherhood Hall Redevelopment Project (the "Plan"); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on December 14, 2022, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on January 9, 2023 to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on December 14, 2022; and

WHEREAS, the Authority approved the Plan on January 11, 2023 and forwarded it to the City Council with a request for its approval of the Plan; and

WHEREAS, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

WHEREAS, The City Council held a public hearing on the proposed Plan on February 9, 2023.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an *ad valorem* property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381.

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from *ad valorem* taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund: Approval of Depositary. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depositary bank account

or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Brownfield Revolving Fund, as authorized by Act 381:

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Brownfield Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as *ad valorem* and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation District, on behalf of 131 Harmon LLC, in the area of 131 Harmon Street, Detroit, Michigan, in accordance with Public Act 146 of 2000. **(Petition #2022-368)**

On February 9, 2023, a public hearing in connection with establishing an Obsolete Property Rehabilitation District was held before your Honorable Body. No impediments to the establishment of the District were presented at the public hearing.

Please find attached, a resolution and legal description, which will establish an Obsolete Property Rehabilitation District in the area of 131 Harmon Street, Detroit, MI, in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the developer of the property.

Respectfully submitted,
KELLY R. VICKERS
Chief Housing Development
and Investment Officer

By Council President Pro Tem Tate:

Whereas, Pursuant to Public Act No. 146 of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, 131 Harmon LLC has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 131 Harmon Street, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, The aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying *ad valorem* taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on February 9, 2023, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing.

Now Therefore Be It

Resolved, That Obsolete Property Rehabilitation District, more particularly described in the map and legal description attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

Honorable City Council:

Re: Property Sale – 22736, 22740, and 22746 Fenkell, Detroit, MI 48223.

The City of Detroit, Planning and Development Department ("P&DD") has received an offer from Rafik Petroleum, LLC ("Purchaser"), a Michigan limited liability company, to purchase certain City-owned real property at 22736, 22740, and 22746 Fenkell (the "Properties"). The P&DD has entered into a Purchase Agreement with the Purchaser. Under the terms of the proposed purchase agreement, the Properties will be conveyed to Purchaser for the total purchase price of Eight Thousand Six Hundred Ninety and 00/100 Dollars ($8,690.00).

Purchaser is the purveyor of the gas station located on the adjacent lot at 22700 Fenkell. They wish to acquire the city-owned Properties to clean and secure them so that they may be utilized in the expansion of their existing gas station. The Properties are within a B4 zoning district (General Business District). Purchaser's proposed use of the Properties shall be consistent with the allowable uses for which the Properties are zoned.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a quit claim deed and such other documents as may be necessary or convenient to effect a transfer of the Properties by the City to Rafik Petroleum, LLC.

Respectfully submitted,
ANTOINE BRYANT
Director

By Council President Pro Tem Tate:

Now, Therefore, Be It Resolved, That Detroit City Council hereby approves of the sale of certain real property at 22736, 22740, and 22746 Fenkell, Detroit, MI (the "Properties"), as more particularly described in the attached Exhibit A incorporated herein, to Rafik Petroleum, LLC ("Purchaser"), a Michigan limited liability company, for the total purchase price of Eight Thousand Six Hundred Ninety and 00/100 Dollars ($8,690.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his authorized designee, is authorized to execute a quit claim deed and other such documents necessary or convenient to effect transfer of the Properties to Purchaser consistent with this resolution; and be it further

Resolved, That the following Property Sales Services Fees be paid from the sale proceeds pursuant to the City's Property Management Agreement with the Detroit Building Authority ("DBA"): 1) Two Thousand Five Hundred and 00/100 Dollars ($2,500.00) shall be paid to the DBA from the sale proceeds, 2) Four Hundred Thirty-Four and 50/100 Dollars ($434.50) shall be paid to the DBA's real estate brokerage firm from the sale proceeds and 3) customary closing costs up to Two Hundred and 00/100 Dollars ($200.00) as well as any taxes and assessments which have become a lien on the Properties; and be it further

Resolved, That the P&DD Director, or his authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the quit claim deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Properties, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the quit claim deed will be considered confirmed when executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Approval and Authorization to Acquire 3106 16th Street, Detroit, Michigan from Detroit Public Schools Community District ("DPSCD") for $460,000.00.

The Planning and Development Department ("P&DD") hereby requests the approval and authorization from your Honorable Body to acquire 3106 16th Street, Detroit, Michigan (the "Property"), from DPSCD. In accordance with the requirements of Chapter 2, Article 6, Section 2 of the 2019 Detroit City Code, City Council is required to approve any gift, grant, devise or bequest of real or personal property to be used for any public purpose.

The Property is located in the Greater Corktown neighborhood and is the former site of the Owen Elementary School, which was demolished by DPSCD in 2010. The Property has remained vacant since the demolition of Owen Elementary School.

In 2021 the City of Detroit, led by P&DD and the Housing and Revitalization Department ("HRD"), and with the support of DPSCD, applied for and were awarded a $30,000,000 Choice Neighborhoods Implementation Grant from the U.S. Department of Housing and Urban Development to carry out the Greater Corktown neighborhood revitalization strategy, which seeks to catalyze development in the Greater Corktown neighborhood through multiple strategic neighborhood projects. P&DD, through meetings with residents in the Greater Corktown neighborhood, identified the need and desire to increase access to community amenities and resident services in the Greater Corktown neighborhood, and developed the plan to create a community empowerment center at the site of the former Owen Elementary School.

It is currently contemplated that the community empowerment center will be developed in partnership with IFF, a community centered developer, and once constructed will be occupied by community-based non-profits providing early childhood education, cultural and arts education, and other supportive services. The site is also anticipated to provide needed outdoor recreation opportunities and greenspace in the Greater Corktown neighborhood. Any such agreements for future development of the Property would be brought before

your Honorable Body for approval and authorization, and this current request is to authorize acquisition of the Property.

The purchase price for the Property will be four hundred sixty thousand and 00/100 dollars ($460,000.00), which is the appraised value of the Property. The Purchase Price will be paid for using Fiscal Year 2021-2022 and Fiscal Year 2022-2023 Community Development Block Grant Funds.

The Property is currently zoned R3 – Low Density Residential District. This zoning district permits, by right, use of the Property for a neighborhood center, nonprofit, and outdoor recreation facility.

We, therefore, respectfully request that your Honorable Body approve the acquisition of the Property by adopting the following resolution.

Respectfully submitted,

ANTOINE BRYANT

Director,
Planning and
Development Department

By Council President Pro Tem Tate:

Whereas, The City of Detroit ("City"), through the Planning and Development Department ("P&DD"), wishes to acquire that certain property at 3106 16th Street, Detroit, Michigan as more particularly described in the attached Exhibit A (the "Property") from Detroit Public Schools Community District ("DPSCD"), for the sum of four hundred sixty thousand and 00/100 Dollars ($460,000.00); and

Whereas, In accordance with Chapter 2, Article 6, Section 3 of the 2019 Detroit City Code, except as otherwise provided in the 2019 Detroit City Code, the City of Detroit is required to receive an environmental inquiry and, where necessary, an environmental assessment prior to the purchase of real property; and

Whereas, The City obtained a Phase I Environmental Site Assessment for the Property dated September 16, 2022, and a Baseline Environmental Assessment dated October 14, 2022 (collectively, the "Environmental Assessments")

Whereas, The Building Safety Engineering and Environmental Department ("BSEED") has reviewed and approved the Environmental Assessments; and

Resolved, In accordance with Chapter 2, Article I, Division 2 of the Detroit City Code: (1) the City Council finds that the Property has received appropriate environmental inquiry and assessment in accordance with the review referred to in the recitals hereof and that the Property is determined to be a "facility"; (2) despite the presence of environmental contamination at the Property, acquisition of the Property is necessary to promote the health, safety and welfare of the public; (3) the preservation of the promotion of the public health, safety, welfare or good outweighs the cost of the environmental inquiry and assessment, and therefore, the City Council waives the requirement that the owner bear the cost of the environmental inquiry and assessment; and (4) P&DD shall prepare a Baseline Environmental Assessment with required field work within forty-five (45) days of the City's acquisition of the Property; and be it further

Resolved, That the City Council hereby approves acquisition of the Property from DPSCD, and payment to DPSCD of four hundred sixty thousand and 00/100 dollars ($460,000.00) as the purchase price for the property, and the payment of customary closing costs (anticipated to be approximately three thousand and 00/100 dollars ($3,000.00), to be funded by (a) one hundred fifty-eight thousand seven hundred seventy-seven and 00/100 dollars ($158,777.00) from Appropriation No. 21091 – CDBG Choice Grant Match, and (b) three hundred four thousand one hundred twenty-three and 00/100 dollars ($304,123.00) from Appropriation No. 21083 – Owen Land Acquisition; and be it further

Resolved, That the P&DD Director, or his/her authorized designee, be and is hereby authorized (1) to accept and record a deed to the City of Detroit for the Property, (2) to accept, execute, and/or deliver any such other documents as may be necessary to effectuate the acquisition of the Property by the City of Detroit, and (3) to pay the cost of an owner's policy of title insurance, recording any deeds granting title to the Property to the City of Detroit, and such other necessary and customary closing costs payable in connection with the acquisition of the Property; and be it further

Resolved, That upon acquisition of the Property from DPSCD, the Property shall be placed under the jurisdiction of P&DD for use, operation, and future development in connection with the Greater Corktown neighborhood revitalization strategy; and be it further

Resolved, That the P&DD Director, or his/her authorized designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the transfer of the Acquisition Property, provided that the changes do not materially alter the substance or terms of the transfer.

A waiver of reconsideration is requested.

By Council Member Durhal, III:

AN ORDINANCE to amend Chapter 18 of the 2019 Detroit City Code, *Fire Prevention and Protection*; by amending Article I, *Detroit Fire Prevention and Protection Guide*, by renaming Division 10, from *"Storage of Scrap Tires in Outdoor Collection Sites"* to *"Storage of Scrap Tires in Indoor and Outdoor Collection Sites"* by amending Section 18-1-181, *Definitions, Section 18-1-183, Unauthorized storage of scrap tires in outdoor collection sites prohibited*, Section 18-1-185, *Permit requirement*, and Section 18-1-194, *Fence requirements*, and by renaming and amending Section 18-1-188, from *"Stacking requirements"* to *"Stacking and storage requirements* to model state law in the regulation of storage of less than 500 scrap tires in outdoor collection sites, to bring the City Code into compliance with state law, and other technical amendments.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. That Chapter 18 of the 2019 Detroit City Code, *Fire Prevention and Protection*, be amended by renaming Article I, Division 10, to "Storage of Scrap Tires in Indoor and Outdoor Collection Sites," by amending Section 18-1-181 through Section 18-1-183, Section 18-1-185 and Section 18-1-194, and by renaming and amending Section 18-1-188, to read as follows:

CHAPTER 18. FIRE PREVENTION AND PROTECTION
ARTICLE 1. DETROIT FIRE PREVENTION AND PROTECTION CODE
DIVISION 10. STORAGE OF SCRAP TIRES IN INDOOR AND OUTDOOR COLLECTION SITES

Sec. 18-1-181. Definitions.

For the purpose of this division, the following words and phrases shall have the meanings respectively ascribed to them by this section:

City outdoor collection site means any location within the City which is in plain view or opened for aerial observation including any space partially or wholly surrounded by a fence or a wall ~~either~~:

~~(1)~~ where a number of scrap tires equaling 30 or more but fewer than 500 ~~scrap tires~~ are accumulated on a parcel or adjacent parcels of real property which is

not adjacent to a retail tire operation ~~as provided in Subsection (2) of this~~ definition~~; or~~

~~(2) Where 30 or more but fewer than 1,500 scrap tires are accumulated on real property which is adjacent to and owned or leased by a person who is in the business of retail tire sales.~~

Number of scrap tires means either of the following, or an equivalent combination thereof:

(1) That number of whole tires or reusable tire casings; or

(2) A quantity of a commodity or tire shreds equivalent in weight to that number of whole tires.

Scrap tire means a tire that is no longer being used for its original intended purpose including, but not limited to, a used tire, a reusable casing, or portions of a tire.

Storage means the maintenance or possession of soap tires in an outdoor collection site but excludes those tires which are affixed to any motorized vehicle.

Tire means a continuous solid or pneumatic rubber covering encircling the wheel ~~whether new, used, or scrap, and was manufactured for use in the operation of any motorized vehicle~~ of a tractor or other farm machinery or of a vehicle.

Vehicle means every device in, upon, or by which any person or property is or may be transported or drawn upon a highway, including, but not limited to, all-terrain vehicles, automobiles, farm implements, jeeps, motorcycles, recreational vehicles, tractors, trucks, and vans but excludes devices propelled exclusively by human power or used exclusively upon stationary rails or tracks, or a motor home as defined in Section 2 of the Mobile Home Commission Act, being MCL 125.2302.

Sec. 18-1-182. Penalty for violation.

(a) Any person who violates this division is guilty of a misdemeanor which is punishable by imprisonment for not more than 90 days, or a fine of ~~not less than $10.00 for each scrap tire which is disposed of or accumulated in violation of this division to a maximum fine of~~ $500.00, or both, in the discretion of the Court.

(b) As an alternative to, or in addition to, imprisonment provided for in Subsection (a) of this section, the court may order a person who violates this division to perform ~~not less than one hour of community service for each scrap tire which is disposed of or accumulated in violation of this division to a maximum limit of 1,499 hours of community service. However if the court does combine imprisonment with community service, the total hours shall not exceed 2,160 which constitutes 90 calendar days~~ not more than 100 hours of community service.

(c) Each day that for violation continues shall constitute a separate violation for the purpose of the court imposing punishment under this division.

Sec. 18-1-183. Unauthorized storage of scrap tires in outdoor collection sites prohibited.

Unless in compliance with the requirements of this division, persons are prohibited from owning, maintaining, leasing, operating, or managing any outdoor collection site for the storage of any scrap tires ~~either:~~

~~(1)~~ where a number of scrap tires equaling 30 or more but fewer than 500 ~~scrap tires~~ are accumulated on a parcel or adjacent parcels of real property which is not associated to a retail tire operation~~; or~~

~~(2) Where 30 or more but fewer than 1,500 scrap tires are accumulated on real property which is adjacent to and owned or leased by a person who is in business of retail tire sales.~~

Sec. 18-1-185. Permit requirement.

Persons are prohibited from the storage of scrap tires in an City outdoor collection site without obtaining an annual permit issued by the File Marshal. When applying for this permit, such persons shall submit to the Fire Marshal:

(1) A completed scrap tire collection site registration form;

(2) The applicable fee established by the Fire Commissioner and approved by the City Council; ~~and~~

(3) A scaled set of blue prints or drawings of the City outdoor collection site including the dimensions and the geographic positions of all adjacent streets, property lines, private water supply lines, fencing, buildings, and other objects; and

(4) A copy of the current City business license for scrap tire storage business.

Sec. 18-1-188. Stacking ~~requirement~~ and storage requirements.

(a) Where ~~an~~ a City outdoor collection site is utilized for storage, scrap tires shall be stacked in separate piles. Each pile shall be separated from every other pile by an aisle which shall be a minimum of 20 feet in width. Each pile shall be of uniform design configuration which is not more than ten feet in width, 20 feet in length, and ~~ten feet in height~~ the height of the masonry enclosure, as required by Section 18-1-194 of this division, measured at the point of said enclosure closest to the pile.

(b) Any trucks or trailers utilized for storage of scrap tires must be registered and bear valid and current license plates as required by the Michigan Secretary of State.

(c) All storage of scrap tires shall be in compliance with Part 169 of the Michigan Natural Resources and Environmental Protection Act, being MCL 324.16901 through 324.16910.

(d) The property where any collection site is located must be validly permitted as a scrap tire storage, processing, or recycling facility in accordance with Chapter 50 of this Code, *Zoning*.

(e) Where the storage of scrap tires is conducted within an enclosed building, the quantity of tires stored within such building shall not exceed the limits specified by the Fire Marshall for such building.

Sec. 18-1-194. Fence requirements.

Where ~~an~~ a City outdoor collection site is utilized for the storage of scrap tires, the location shall be ~~surrounded by a noncombustible, opaque fence which is ten feet high, topped with barbed wire, and equipped with a lockable gate~~ entirely enclosed, except for gates or doors for ingress or egress, by a masonry wall constructed according to the requirements of Chapter 8, Article II, of this Code, *Building Code*, Chapter 50 of this Code, *Zoning*, and other applicable provisions of this Code.

Section 2. This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 4. Where this ordinance is passed by a two-thirds majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118(1) of the 2012 Detroit City Charter. Where this ordinance is passed by less than two-thirds majority of City Council Members serving, it shall become effective 30 days after publication in accordance with Section 4-118(2) of the 2012 Detroit City Charter.
