Re: Unauthorized, unpermitted placement of boulders on the berm adjacent to the property 3429 Devonshire St.

The current owner of 3429 Devonshire St. has placed boulders on the public right-of-way berm. These installations were performed without City approval, and these encroachments are obstruction access to the public right-of-way berm.

You are hereby notified to remove within twenty-four (24) hours the obstructions noted below:

Remove the boulders and any other obstructions installed or stored within the open, public right of way, and restore any damage made to the public rights of way (including but not limited to impacted pavement and landscape).

Your failure to comply with this notice will subject you to the penalties provided for in section 43-8-7 of the Municipal Code, City of Detroit, and will make it necessary for this Department to remove the obstructions(s). The cost of such removal will be assessed against your property.

Sincerely,

Richard Doherty, P.E.

City Engineer
