Hi Dinah,

The last 2 weeks of June were no work, and as soon as the payrolls get certified I will mail the originals with signatures. We are still working on the project this week. We have a walk thru with the City on Friday. After that, we will address any punch list items and complete the project.

Thanks.

Hello:

Jennifer Thomas of Labor Standards contacted me today. She would like to know if there are any additional payrolls that have not been submitted to her for review. She stated that she wanted to make sure that she "was not collecting lots of no works when you have completed your scopes of work". Please provide them to her for review and cc me. Thanks. Have a wonderful day.
