PAUL C. AJEGBA
DIRECTOR

April 28, 2020

Mr. Brandon King
Ajax Paving Industries Inc.
830 Kirts Blvd., Suite 100
Troy, Michigan 48084

Dear Mr. King:

SUBJECT: Request for Modification of Disadvantaged Business Enterprise (DBE)
Requirement – 82000-205935

Ajax Paving Industries Inc.'s request to modify the DBE participation goal on the noted project has been received by the Michigan Department of Transportation's (MDOT) Good Faith Efforts (GFE) Committee.

It is the determination of the GFE Committee to approve the request to reduce the DBE participation goal on the project from **0.57 percent** to **0.56 percent**.

While it is the committee's determination to approve this modification, this decision does not establish any precedent for future requests. The GFE Committee members recommend an increased effort in the future to meet all DBE goals.

If you have any questions about this determination, please telephone me at (517) 335-1708.

Sincerely,

A handwritten signature in black ink, appearing to read "Lisa Thompson".

Lisa Thompson
