Mr. Dennis Muncy
Ajax Asphalt Terminal
12500 Stocker Road
Detroit, MI 48217

Dear Mr. Muncy:

Subject: Provisional Certification Privileges for Additional Binder Grade: PG 58-28

The Bituminous Technical Services Unit has received your request for PG 58-28 to be added to the Asphalt Binder Suppliers List for Ajax Asphalt Terminal, Detroit, MI. This letter is to notify you that this office has received all specification test results for the subject grade from Construction Consulting & Testing, Inc. and PRI Asphalt Technologies, Inc. The test results were found to be within the specification limits.

Ajax Asphalt Terminal, Detroit, MI is granted provisional status to certify performance grade PG 58-28 asphalt binder for MDOT projects.

The department must be notified as to which project (Michigan control section/job number) Ajax Asphalt Terminal, Detroit, MI will be furnishing asphalt binder. This notification must be given in writing and must be received before the asphalt binder is used on the project.

During any period that a supplier is furnishing asphalt binder to department projects, the Certification Procedures for Asphalt Binder found in the MDOT Materials Quality Assurance Procedures Manual, must be followed.

If you have any questions and / or comments, please do not hesitate to call me at (517) 322-5668.

Sincerely,

Timothy R. Crook, P.E.
Bituminous Mixtures and Materials Specialist
