Employees of the contractor are not to assist in language interpreting. MDOT has contracted over the phone interpretation services from Bromberg & Associates for these situations. A cell phone with speaker will be needed in order to use these services. Instructions: Turn cell phone speaker on and dial 1-866-908-6137. When the operator answers, tell them you are calling from MDOT. Give them this customer code - MDOTHDY and tell them the language that you need interpreted. Give them your name, phone number, and the name of your TSC, local agency, or consulting firm. The operator will connect you with an interpreter promptly.
