Explain: Fort Wayne Contracting, Inc./Ajax Paving Industries, Inc. was the second lowest bidder. I find the proposal of the second low bidder (after application of equalization credits) to be lowest bidder and acceptable.

The base bid sidewalk material is concrete and asphalt is alternate bid material. Based on our evaluation of the pros and cons of each material, concrete is the suitable material to be used for the sidewalk. Concrete sidewalk last longer compared to asphalt and is generally more durable and able to withstand high usage and regular wear and tear.
