To the Honorable the Common Council of the city of Detroit:

GENTLEMEN—Your Committee on Street Openings, to whom was referred the petition of C. A. Cook, Alexander McGraw and others, for the extension of Leverett street to Michigan avenue, have had the same under consideration, and are of opinion that said Leverett street should be opened to Seventh street, as it is already opened 87 feet beyond Eighth street. The extension at present would be comparatively very small, as a building which stood on the corner of Seventh street and Michigan avenue has recently been removed, and the only obstacle being a small frame house, which would cost very little. In view of all these facts, your committee respectfully report in favor of opening said Leverett street from its present terminus to Seventh street, and offer the following resolution.

Respectfully submitted,

G. W. OLEWINE,  
A. HENRY SCHMITTDIEL.  
W. H. LANGLEY.

Resolved, That the City Attorney be, and is hereby instructed to bring in the necessary resolution forthwith for opening said street, in accordance with this report.

Accepted and adopted.
