Respectfully submitted,
PETER RUSH,
 Controller.
 Accepted and referred to the Committee on Claims and Accounts.

FROM THE CITY ATTORNEY.

To the Honorable the Common Council.
 Gentlemen—I herewith transmit to your honorable body “the written agreement of all the property owners on the block between High and Winder streets on the east end of the Eastern Vegetable market to remove the barns and outhouses on their lots; to lay a sidewalk ten feet wide at their own expense, and to pay their proper share of the cost of paving in front of said lots with Medina dressed stone,” in obedience to a resolution offered Feb. 11, 1890, and adopted March 18, 1890.

Respectfully submitted,
CHARLES W. CASGRAIN,
 City Attorney.

Referred to the Aldermen of the Fifth and Seventh wards.

FROM THE SAME.

To the Honorable the Common Council.
 Gentlemen—Herewith I transmit to your honorable body conveyances from D. M. Ferry and the Brush estate to the city of Detroit, of all the private property on the line of Frederick street, between John R. and Beaubien streets, which were handed me during the past week. I find the deeds correct as to form and execution, and the City Engineer informs me that the description contained in them corresponds to the description of property found in resolution

of March 25, 1890, directing that condemnation proceedings be taken to open and extend Frederick street from John R. to Russell streets.

There is included in the conveyance from Mr. Ferry a strip of land 80 feet in width and 343.66-100 feet in length on the line of Kirby avenue, which would constitute an easterly extension of the same, and which the City Engineer informs also corresponds to the general plan of the city.

As an acceptance of these deeds would procure to the city the benefit of the opening of Frederick street, between the streets mentioned, without the expense of condemnation proceedings, I would respectfully recommend that they be accepted by the city and that the Controller be directed to cause the same to be recorded in the office of the Register of Deeds.

Respectfully,
CHARLES W. CASGRAIN,
 City Attorney.

Referred to Committee on Ways and Means.

FROM THE SAME.

To the Honorable the Common Council.

2. And it is Further Resolved by the Common Council of the city of Detroit, That the City Attorney be and he is hereby directed to institute the necessary proceedings in behalf of the city of Detroit, in the Recorder's Court of the city of Detroit, to carry out the objects of this resolution.
