**From the Corporation Counsel.**

The Honorable the Common Council: Gentlemen—On April 4th last (Council Journal, pp. 226, 227, 228), your honorable body adopted resolutions ordering the Corporation Counsel to open Scovel place, Eastern place, Brown place and Moore place, from Vine-wood avenue to Chope place. Through some mistake a communication from this office did not accompany the resolutions. While the communication is not necessary, the City Clerk informs me that he indexes these resolutions under "Communications from the Corporation Counsel." In order to straighten out his record, I send this communication, calling attention

to the date and page on which these resolutions were adopted.

Very respectfully,

A. C. O'CONNOR,

Assistant Corporation Counsel.

Accepted and placed on file.

Gentlemen—A woman by the name of Frost claims to have fallen on one of the sidewalks in the city and suffered some injury. She came into the office and told her story which was taken down by the stenographer. His transcription is herewith inclosed.

It is recommended that the matter be referred to the proper committee for consideration to the end that a suit may be prevented if your honorable body think a settlement is desirable.

Very respectfully,
