To the Honorable the Common Council:

Gentlemen—Your Committee on Ways and Means, to whom was referred the communication from the Board of Assessors requesting authority to purchase an adding machine, respectfully report that your Committee have had the matter under consideration and beg leave to state that we can see no reason why the Board of Assessors should ask authority from the Common Council to purchase an adding machine if the same, in their judgment, is necessary in their department. If the amount appropriated for office expense is sufficient to allow the purchase of said machine it is a matter entirely for the Board to determine and we therefore recommend the reference of said communication back to the Board of Assessors.
