### Taxes.

To the Honorable Common Council:  
Gentlemen—Your Committee on Taxes, to whom was referred the petition of Jos. V. Finn for leave to settle unpaid general city taxes and special assessments for a lump sum, respectfully report that petitioner is the owner of the east 3.38 feet of lot C of Atkinson's sub. of the south part of lot 1, etc., situate on the corner of Beaubien street and East Grand Boulevard; that said strip is all that remains of said lot C, the balance of which was taken by the city some years since in widening of Beaubien street; that the unpaid general city taxes and special assessments levied against said property aggregate \$600 and your petitioner in order to clear the title to said property offered the city \$100, which offer of settlement your Committee rejected and made a counter proposition of \$300, which after some weeks of deliberation, petitioner accepted and as a matter of good faith on his part deposited with the Secretary of your Committee a certified check in the sum of \$50 made payable to the City Treasurer and agreed to turn over the balance as soon as he had cleared up the State and County tax titles, and petitioner now being ready to turn over the balance, we recommend that petitioner be allowed to settle all unpaid general city taxes and special assessments remaining against said strip for the sum of \$300, and we therefore offer the following resolution.

### Street Openings.

To the Honorable Common Council:  
Gentlemen—Your Committee on Street Openings, to whom was referred the petition of Ray Ackerson, et al., for opening Cameron avenue from Westminster to Lynn, respectfully report that that portion of the street desired to be opened is through unplatted property and the unplatted property is so situate that the owner even sell lots by meets and bounds without giving street frontage. We see no reason for incurring an expense and levying an assessment in view hereof, and we therefore recommend that the prayer of petitioners be denied.
