To the Honorable the Common Council:
Gentlemen—The bills of this department for horseshoeing are \$153.01 more than the appropriation for this fiscal year, and therefore it is necessary to have an additional appropriation of that sum which I recommend be made by a transfer from the payroll fund.

I also recommend that the balance of \$9.44 in the item for horses be transferred to the fund for meals, and that \$10.69, which remains in the fund for signal service improvements in Jefferson avenue, be transferred to the fund for signal service supplies and repairs.

Yours very respectfully,

F. H. CROUL,
Commissioner.
