### Streets.

To the Honorable Common Council:  
Gentlemen—To your Committee on Streets was referred the communication from the Department of Public Works, transmitting proposals for the paving of various streets and alleys. All of the streets and alleys, with the exception of Horatio street, for which bids were submitted, were confirmed June 19, 1917. Your committee have again had under consideration the confirmation of contract for the paving of Horatio street, and find that a petition has been presented by the owners of a majority of the foot frontage on said street, protesting against said paving, and believing that the petition for the paving of said street was signed originally without a full understanding of conditions by the property owners on said street, recommend that the resolution, presented by Ald. Cranshaw on the 12th ult. (J. C. C., p. 794), approving and confirming the contract for paving Horatio street, be indefinitely postponed.

Respectfully submitted,  
JAMES CRANSHAW,  
ALBERT T. ALLAN,  
M. WARTELL,  
ALEXANDER DILL,  
ANTHONY NOWC.

Accepted and adopted as follows:

### Sewers.

To the Honorable Common Council:  
Gentlemen—To your Committee on Sewers was referred a communication from the Department of Public Works transmitting proposals for the construction of the extension of the Evans Avenue sewer. Your Committee have had this matter under consideration and find that J. C. Carland and Company are the lowest bidders for the construction of said sewer, in the amount of \$25,771.00. Believing said bid to be reasonable and satisfactory we recommend that the resolution presented by Ald. Schultz at the session of June 6, 1917 (J. C. C., p. 771) approving and confirming contract entered into by the Department of Public Works with said bidders, be passed as presented.

Respectfully submitted,

JOSEPH A. WALSH.

To the Honorable the Common Council:  
Gentlemen—To your Committee on Street Openings was referred the communication from the Board of Water Commissioners, requesting the vacation of that part of Pierce street lying east of alley east of Riopelle street.
