To the Honorable the Common Council:

Street Openings.

To the Honorable the Common Council:
 Gentlemen—Your Committee of the Whole has had under consideration the petition of John Darda (231), for the vacation of a strip of land adjoining lot 7, on east side of Dey street. Your Committee find that said strip of land is at present used for street purposes, but is owned by your petitioner. Believing that said strip of land is required for the public use and benefit we have consulted with the Corporation Counsel, and on his recommendation offer the following resolution for the purchase of private property.

Respectfully submitted,
FRED W. CASTATOR,
 Chairman.

By Councilman Castator:

Whereas, It is made to appear that land described as the west ten feet of lot 1 of Follbaum's subdivision of a tract lying south of lot No. 3, of the subdivision of the estate of Joseph Barron, deceased, and north of the Wabash, St. Louis & Pacific Railroad, private claim 340, according to plat recorded in Liber II of Plats, page 76, Wayne County Records, Detroit, Michigan, is required to open Dey street to full width immediately north of Herkimer street; and

Whereas, It is made to appear that the owner of said land will convey same to the city for the sum of two hundred dollars; and

Whereas, As the said land is assessed at \$15 per front foot, and the Corporation Counsel advises that the cost of widening said street through the medium of street opening proceedings will be more than \$100, it appears that it is to the advantage of the city to purchase said land at the price named, therefore

Resolved, That the Controller be and he is instructed to draw his warrant on the proper fund for the sum of \$200 in favor of John Derda on delivery of

deed of the premises above described, with form, execution and title proved by the Corporation Counsel and description certified by the City Engineer.

Adopted as follows:

Yeas—Councilmen Bielman, Bradley, Castator, Kronk, Littlefield, Nagel, Simons, Vernor and the President—9.

Seeing no objection to the transfers requested, your committee recommends that the request be granted, and that the resolution presented by Councilman Simons on the 4th inst. (J. C. C. p. 216), directing the Controller to effect the transfers referred to, be adopted.

Respectfully submitted,

To the Honorable the Common Council:
 Gentlemen—To your Committee of the Whole was referred communication from Department of Parks and Boulevards requesting a transfer of funds in the sum of \$131.80 from Account 12-D to Acct. 12-E, Truck Maintenance. Respectfully submitted,
FRED W. CASTATOR,
 Chairman.

By Councilman Castator:

Resolved, That the Controller be and he is hereby authorized and directed to make the proper entries upon his books to effect the transfer of funds in the amount of \$131.80 from Account 12-D, Purchases of Automobiles, to a new account in the Park and Boulevard Fund to be known as Gasoline and Oils for Motor Buses.
