

Commissioners received proposals on Monday, July 3, for furnishing and installing rubber tile flooring in the new Central Fire Alarm Office.

The Stedman Products Company bid is \$3,750. Cheney & Co. bid is \$3,764, which is \$14 more than the Stedman proposal.

Inasmuch, as in our judgment, the material to be furnished by Cheney & Co. is superior to that of the Stedman Tile, we would recommend to your Honorable Body to approve of entering into contract with Cheney & Co.

Respectfully,  
**BOARD OF FIRE COMMISSIONERS,**  
 Harry Brabyn,  
 Secretary.

By Councilman Littlefield:  
 Resolved, That the Board of Fire Commissioners be and is hereby authorized and directed to enter into contract with Cheney & Co. for furnishing and installing rubber tile flooring in new Central Fire Alarm Office for the sum of \$3,764.

**From the Recorder's Court.**

To the Honorable the Common Council:

Gentlemen—I respectfully report to your Honorable Body that a Jury

duly impanelled in the Recorder's Court, in the matter of widening Twelfth street from Lafayette Boulevard to Howard street to a width of 86 feet as a public street and highway, rendered a verdict in favor of said opening Thursday, June 22, 1922, which was confirmed by the Court Wednesday, June 28th, 1922.

In accordance with the statute, I herewith transmit a certified copy of said verdict, and of the judgment of confirmation.

Respectfully,  
 CHAS. W. CASGRAIN,  
 Clerk.

Per A. Keane, Deputy Clerk.  
 Accepted and placed on file.

**From the City Plan Commission.**

To the Honorable the Common Council:

Gentlemen—We have had numerous requests for copies of the zoning ordinance and maps and in such large numbers from such organizations as the Detroit Real Estate Board, Michigan Manufacturers' Association and Milwaukee Junction Manufacturers' Association, as well as many others, that it appears at the present time that the five thousand copies which your Honorable Body authorized printed will be required to take care of these organizations alone. We would then have no ordinances available for general distribution.

We would respectfully recommend that your Honorable Body authorize the City Plan Commission to obtain an additional five thousand copies of the Zoning ordinance at this time. A sufficient balance is available in the appropriation allowed to cover the cost of these additional copies.

As soon as the ordinances are received from the printer they will be distributed generally, after which we will submit a proposed list to your Honorable Body of the times and places for the authorized hearings.

Yours very respectfully,  
 T. GLENN PHILLIPS,  
 Consultant-Secretary.  
 General order for Thursday, July 6.

**From the Clerk.**
