From the City Plan Commission.
To the Honorable the Common Council:

Gentlemen—Acting upon the petition of Andrew Tomaszewski, et al (2825) for the opening of Buffalo street from Talbot to Charles avenue, this commission has given the matter careful study and offers the following for your consideration.

It is at present necessary for children going to the White School, living south of Talbot and Carpenter avenues, to go a great distance out of their way, to Fenelon avenue, in order to reach the school. The same detour is necessary in order that the newly acquired seventy-five acre Playfield No. 5 may be reached.

The proposed opening goes through unsubdivided land and conforms with the thoroughfare plan prepared by this commission.

We therefore recommend that the above named petition be granted and that Buffalo street be opened to a width of sixty feet, from Carpenter to Charles avenues. All of the above as outlined in yellow on attached blueprint, plan No. 350-1.

Respectfully submitted,
T. GLENN PHILLIPS,
Consultant Secretary.
