To the Honorable the Common Council:

Gentlemen—The Department of Public Works has requested this Department to construct a sidewalk on the north side of Warren avenue, between St. Jean and Lillibridge.

This sidewalk would be approximately 700 feet in length and is estimated to cost \$1,050.

Inasmuch as this sidewalk would be on the side of the street where there are no houses for the entire block, and is seldom used, we would request your Honorable Body to allow this Department to postpone construction on this work until spring on account of the great amount of work we are endeavoring to complete before cold weather.

Yours very truly,  
W. B. MAYO,  
General Manager.
