

**From the Department of Recreation.**  
To the Honorable, the Common Council.

Gentlemen: Account 3-D., of the Recreation Fund, was overdrawn almost immediately after July 1st, due to the fact that material which had been ordered about June 1st, was not received by the Recreation Department or the order cleared through your department until June 18th. Consequently, items which should have been charged against last year's appropriation were charged to the 1923-24 appropriation.

Inasmuch as these goods were requisitioned before your order of June 13th, stating that goods ordered after June 15th would be charged to next year's appropriation was received by this Department, and as this account is overdrawn and we have no funds to buy the necessary supplies for the Clara Bath House, I respectfully request that a sum of \$475 for goods ordered before June 15th, for Account 3-D, be transferred from Account 10-C, and placed to the credit of Account 3-D in the Recreation Fund.

Trusting that you will give your favorable consideration to this request, I am

Yours very truly,  
C. E. BREWER,

Commissioner of Recreation.

By Councilman Watson:

Resolved, That the City Controller be and he is hereby authorized and directed to make the necessary entries upon his records effecting the transfer of the sum of \$475.00 from account 10-C to the credit of account 3-D, Recreation fund.

Adopted as follows:

Yeas—Councilmen Bradley, Castator, Ewald, Kronk, Littlefield, Vernor, Watson and the President Pro Tem—8.
