

sewer as requested by the Oakland County Drain Commissioner.

Adopted as follows:

Yeas—Councilmen Bradley, Broderick, Castator, Dingeman, Ewald, Murphy, Nagel, Stevenson, and the President—9.
Nays—None.

From the City Election Commission.

To the Honorable the Common Council:

Gentlemen—The re-districting and annexation of the new Gratiot and Hamtramck territory has necessitated getting out new maps of election precincts, and the Calvert Lithograph Company has given us a figure of \$925.00 for 750 sets of these maps.

As the Calvert Lithograph Company have the original black and white plate from which maps are furnished the Engineering Department, and our ward and district lines are run over the top of the regular engineering department map, there is not much opportunity of shopping around for this job, as the cost of getting out a special black and white plate would be prohibitive.

We would, therefore, request that your Honorable Body give us authority to proceed with these maps in accordance with proposition submitted by the Calvert Lithograph Company.

Respectfully,
RICHARD LINDSAY,
Chairman.

By Councilman Stevenson:

Resolved, That the City Election Commission be and is hereby authorized and directed to purchase from the Calvert Lithograph Co. 750 sets of maps of election precincts at a cost of \$925.00, and further

Resolved, That the City Controller be and is hereby authorized and directed to honor voucher covering the purchase of said maps in accordance with this resolution.
