ESTATE OF JAMES SCOTT.

April 17, 1924.

To the Honorable the Common Council of the City of Detroit:

Gentlemen—I have filed in the Probate Court my account of the in-

come and expenses of the estate of James Scott, which includes a statement of the amounts paid to the city to be expended on the James Scott Water Fountain for the year ending April 13, 1924.

The following is a summary of the expenses on the fountain:

In the year 1921 I expended	\$143,663.85
In the year 1922 I expended	212,892.30
In the year 1923 I expended	115,779.60
I have on hand bonds listed in the statement referred to, at face value	88,284.48

Making a total of.....\$560,620.23

During the year I have disposed of bonds and securities at less than face value, in some instances. The difference came largely from the depreciation of United States bonds. The entire difference was \$1,293.57.

Executor.
