Following is the communication referred to:

July 1, 1925.

To the Honorable the Common Council,

Gentlemen: This will reply to your letter of June 10th in which, on behalf of the committee of the whole of the Common Council, you requested an opinion from the Mayor's Committee on Traffic as to the advisability of including Brush Street, north of Jefferson in the list of stop streets.

Our committee did not take action on this matter until it had obtained opinion from the Police Department, hence the delay in reply to your letter. The committee on June 29th definitely voted to recommend that Brush Street be designated as a stop street.

Yours very truly,
J. H. GOLDIE,
Secretary.
