June 2, 1927.

To the Honorable, the Common Council:

Gentlemen—This department maintains a horse drinking fountain on the north-east corner of Woodward Avenue and Milwaukee Avenue and in front of No. 6520 Woodward Avenue. Complaints have been received and because of traffic conditions at this location it is respectfully recommended that the use of this fountain be discontinued.

There is attached a letter from Captain F. G. Tetley, Supt. Michigan Humane Society, in which it is stated: "I quite agree with you that the fountain in question—Woodward and Milwaukee—is in the way of traffic and consequently its removal is to be desired. I do not think moreover that there is any alternative position to which the fountain could be removed anywhere in the locality."

A letter is also attached from Inspector G. C. Schink, Director of Traffic, Department of Police, in which it is recommended that the fountain be removed.

The approval of the removal of this fountain by your Honorable Body is respectfully requested.

Respectfully submitted,

GEO. H. FENKELL,
General Manager.
