From the City Plan Commission.

To the Honorable the Common Council:

Gentlemen—The City Plan Commission suggests that your Honorable Body adopt a resolution directing that the Department of Buildings and Safety Engineering stamp all permits for buildings on the Eight-Mile road with notice that the property is to be acquired for the widening of that street to 204 feet.

This is one of the widenings being accomplished by the Board of County Road Commissioners, and our action will help them materially in the acquisition of the land needed for this improvement.

Respectfully submitted,

WALTER H. BLUCHER,
Secretary.

From the Public Library Commission.

September 24th, 1926.

To the Honorable the Common Council:

Gentlemen—The Library Commission has been in the habit of inviting all the blind children served by our Department for the Blind to meet once a year in a body at their reading room in the Lothrop Branch Library, West Grand Boulevard, with a view of becoming acquainted with the service specially organized for their benefit and exchanging their experiences.

The question of transportation has always proven very difficult.

The Library Commission begs to suggest that your Honorable Body authorize the city Transportation Department to call for and take home again these children, the total number of which will not exceed twenty-five.

The date for this particular library event has been set for Saturday morning, October 16th.

Superintendent Oldfield has expressed his hearty willingness to be of service if so authorized.

Respectfully submitted,

ADAM STROHM,
Librarian.

By Councilman Castator:

Resolved, That the Division of Motor Transportation be and is hereby authorized and directed to furnish free transportation for twenty-five blind children from their homes to the Lothrop Branch Library and return on Saturday morning, October 16th, 1926, in accordance with the foregoing communication.

Adopted as follows:

Yeas—Councilmen Bradley, Callahan, Castator, Dingeman, Ewald, Littlefield, Nagel, Stevenson, and the President—9.

To the Honorable the Common Council:

Gentlemen—I respectfully report to your Honorable Body that a jury duly impanelled in the Recorder's Court, in the matter of widening St. Stephen's Avenue between Lumley Avenue and Ternes Avenue, where not already widened, as a public street and highway, rendered a verdict in favor of said opening Saturday, Sept. 18th, 1926, which was confirmed by the Court Thursday, Sept. 23rd, 1926.

In accordance with the statute, I herewith transmit a certified copy of said verdict, and of the judgment of confirmation.
