From the City Plan Commission

June 29, 1929.

To the Honorable, the Common Council:

Gentlemen—We are returning, herewith, the petition of James M. McConnel et al (7977), referred to us by your Honorable Body, requesting that Bringard Avenue be opened from Mohican Avenue to Gratiot Avenue.

Bringard Avenue is the first east and west street south of the Eight-Mile Road which can be opened at a nominal cost, and if opened, will provide a continuous east and west street extending from Hoover Avenue on the west to Kelly Road on the east. The property to be taken is but a small triangular parcel, which is at present vacant, and could probably be made a part of the Mohican Avenue widening.

In view of the above, the City Plan Commission recommends that the petition be granted, and that the proceedings for the widening of Mohican Avenue be amended so as to include the small triangular parcel of property necessary to open Bringard Avenue directly into Gratiot Avenue.

Respectfully submitted,

WALTER H. BLUCHER,  
Secretary.

By Councilman Littlefield:

Resolved, That the Corporation Counsel be and he is hereby directed to prepare the proper amendment to the proceedings for widening Mohican avenue to include the small parcel of property necessary to open Bringard Ave. into Gratiot Ave., and submit same to this Body for approval.

Adopted as follows:

Yeas—Councilmen Callahan, Castator, Dingeman, Ewald, Kronk, Littlefield, Walters and the President Pro Tem—8.

Nays—None.
