Dear Mr. Reading—Answering your letter of January 22nd:

It is the intention of the Road Commissioners to construct a 20-foot concrete pavement on Kelly Road from the County Line to Morang Road, located on the center line.

It is their further intention to widen this road from time to time as traffic may make it necessary.

Plans are already consummated in the Village of East Detroit (Halfway) to make a similar improvement in Macomb County and joining us.

The property owners along this road have dedicated by subdividing and by agreement, for a 204-foot right-of-way without cost to Wayne County.

Very truly yours,
