#### Alleys

To the Honorable, the Common Council:

Gentlemen—To your Committee of the Whole was referred petition of H. L. Martin, et al, (9412), protesting the blocking of alley at the Herman Kiefer Hospital by the erection of a fence on Byron Ave. from Pingree to Taylor Aves. Your committee is advised that the alley is only 7½ ft. in width, and that it was proposed in 1925 to widen same to 18 feet. but this proposal was never carried out. After consultation with the Department of Public Works and Department of Health, and careful consideration of the matter, your committee recommends that 10½ ft. be set aside to provide for an alley of proper width. We therefore offer the following resolution.

Respectfully submitted,  
 GEO. A. WALTERS,  
 Chairman.

By Councilman Walters:

Resolved, That the Board of Health be and is hereby authorized and directed to set aside "the southerly 10.50 ft. of Outlot 4 of the Plat of ¼ Sec. 46, 10,000 Acre Tract, as recorded in Liber 6, pages 353 and 354 of Plats of Wayne County Records," to be used for alley purposes at the Herman Kiefer Hospital.
