

able Body for consideration. We believe that we have eliminated most of the controversial matters, and that the ordinance which we submit will meet with the approval of most of the citizens of Detroit. We are still of the opinion that through Zoning alone will we be able to stabilize real estate values in Detroit.

The City Plan Commission has entered into contract with Mr. Tracy B. Augur of Detroit, who has worked on the Zoning Ordinances of all the surrounding communities, and with Mr. Jacob L. Crane of Chicago, who has been in charge of the studies for building heights in that city. Both of these men are familiar with all phases of Zoning work, and will be of material assistance to us.

The basis for their agreement is the sum of \$900.00 each, which includes all expenses. This is to cover all work on the Ordinance until such time as it is presented to your Honorable Body.

The necessary funds are available in our Budget under the heading of Zoning Service.

Respectfully submitted,
WALTER H. BLUCHER,
Secretary.

General order for Tuesday, Feb. 24.

From the Library Commission
February 9, 1931.

To the Honorable, the Common Council:

Gentlemen—The Detroit Library Commission respectfully solicits the approval of your Honorable Body of the following transfer of funds:

To account No. 2-C Auto Maintenance\$ 700.00
To account No. 5-H Library Supplies 4,000.00

Total\$4,700.00
From available funds\$4,700.00

The present condition of these funds is as follows:

	Ledger
	Balance
Auto Maintenance	\$ 542.52
Library Supplies	1,392.14

	Encumbrances
Auto Maintenance	\$ 947.47
Library Supplies	1,373.52

	Unencumbered
	Balance
Auto Main.	\$ 404.95 (ovdrn.)
Library Supplies	18.62

Upon careful study of our funds we find available for this transfer from within library funds the following:

From account 2-AA Salaries.....\$100.00
From account 3-A Salaries..... 600.00

Total\$700.00

The shortage in these funds is due to under appropriation of funds. Last year's Auto Maintenance fund allowance totaled \$3,050.00 as against this year's appropriation of \$2,000.00. This year's Library Supplies fund appropriation is \$10,000.00; not since the year 1919-1920 has a sum as low as \$10,000.00 been appropriated for this fund.

Respectfully submitted,
ADAM STROHM,
Librarian.
