From the Department of Public Works

July 1, 1941.

To the Honorable, the Common Council:

Gentlemen—The Department is in receipt of a request from the truck owners employed in this Department that the rates for hired trucks be increased from

\$1.25 to \$1.85 for 1½-ton trucks.

\$1.75 to \$2.35 for 3-ton trucks.

\$2.10 to \$2.65 for 5-ton trucks.

After a survey of rates paid in private industry and careful consideration of their request the Department feels that an adjustment should be made in the truck rates in our 1941-1942 budget for hired trucks as follows:

1½-ton trucks, from \$1.25 to \$1.55 per hour.

3-ton trucks, from \$1.75 to \$2.05 per hour.

5-ton trucks, from \$2.10 to \$2.40 per hour.

We feel that this is a fair adjustment of their request and ask your approval of the following resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Acting Commissioner.

Approved:

F. M. McLAURY,
Deputy Controller.

By Councilman Van Antwerp:

Resolved, That the City Controller be and he is hereby authorized and directed to honor vouchers when presented by the Department of Public Works for hired trucks in the Public Sewer and General Road Funds, exclusive of trucks employed in the Municipal Waste Division, as follows, and that the necessary funds for this increase be transferred from

the 1st and 2nd quarter surplus of 1941-42.

1½-ton trucks, \$1.55 per hour.

3-ton trucks, \$2.05 per hour.

5-ton trucks, \$2.40 per hour.
