To the Honorable, the Common Council:

Gentlemen—In conformity with your Honorable Body's request I am submitting herewith a comparative statement of expenditures covering July and August for 1941-1942 and 1942-1943.

You will note that the statement shows a decrease in expenditures in the budgeted funds (tax supported departments) of \$799,351.99. This decrease is due primarily to the fact that four wage and two salary rolls were charged to the accounts in July, 1942 as compared to five wage and three salary rolls in July, 1941, also a reduction in our WPA activities this year as compared with the same period in 1941, and a decrease in prepaid interest on callable bonds this year as against 1941.

Such differences as exist through payroll charges will adjust themselves at the end of the first quarter at least to the extent of salary rolls.

Respectfully submitted, D. V. ADDY, Budget Director.

Approved: CHARLES G. OAKMAN, City Controller.
