To the Honorable, the Common Council:

Gentlemen—Under date of May 28, 1946 (JCC 1293) your Honorable Body adopted a resolution declaring a necessity for laying water mains, and directing that a ratable assessment of \$1.15 per linear foot be charged against all lots and real estate fronting on the extensions to defray the cost, as follows:

B-4987—Tacoma Avenue, Crusade to Brock Avenue, 735 ft. of 8-in. main.

Upon learning that the City was interested in acquiring the property involved, construction of these water mains was withheld. Your Honorable Body, therefore, is respectfully requested to rescind your action of May 28 and to direct that refund be made of the assessments paid.

Respectfully submitted,
