To the Honorable, the Common Council:
 Gentlemen—Your Committee of the Whole referred petition of Milton G. Goff, et al (No. 788), requesting the conversion into easements of the 18-foot north and south public alleys in block bounded by Rockcastle, Edgefield, Canyon Avenues, and Moross Road to the Department of Public Works for investigation and report.

The vacation of these alleys was previously approved and recommended by the City Plan Commission in their communication to your Honorable Body of May 6, 1948.

We wish to advise that all of our investigations have been completed. In reply to our inquiries, all city departments and private utility companies reported that they will be unaffected by the proposed changes or that they have reached satisfactory agreements with the petitioners regarding their installations therein.

The conversion of these alleys into easements conforms with Common Council resolution of November 13, 1945, J.C.C. Page 2230.

In view of the above, we recommend the adoption of the attached resolution.

Respectfully submitted,
 THOMAS C. HANSON,
 Commissioner.

To the Honorable, the Common Council:

Gentlemen—We are returning herewith petition No. 1118 filed by St. Augustine's Parish, requesting the vacation of a portion of 15 foot east and west public alley south of Davison Avenue between Justine and Eureka Avenues.

The vacation of said portion of alley was approved by the City Plan Commission in their communication to your Honorable Body of June 3, 1948 with the recommendation that petitioners deed to the City a portion of their property to be used for the widening of the remaining portion of said alley. The petition was then referred to this office by your Committee of the Whole for investigation and report.

Please be advised that all of our investigations have been completed.

On August 20, 1948, the petitioners paid into the City Treasury the sum of \$179.90, Receipt No. 14963, credited to Public Works Maintenance Fund, Code No. 143-6221-1, to reimburse the City of Detroit for the original cost of paving Justine Avenue south of Davison Avenue at the intersection of the alley to be vacated.

On August 20, 1948, the petitioners paid to the Permit Division of the Department of Public Works the sum of \$686.50, Receipt No. 83444, said amount being the estimated cost of removing the paved alley return on the east side of Justine Avenue south of Davison Avenue, removing and reconstructing the curbing and sidewalks incidental thereto, stoning the dedicated alley and reconstructing the paved alley returns on the west side of Eureka Avenue at the dedicated alley.

We are in receipt of a Quit Claim deed from Edward Mooney, Roman Catholic Archbishop of the Archdiocese of Detroit to the City of Detroit deeding land for alley purposes in accordance with City Plan Commission's recommendation. Said deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer and we are attaching it hereto for your Honorable Body's acceptance.

In reply to our inquiries, all other city departments and private utility companies reported that they will be unaffected by the vacation of said alley or that they have reached satisfactory agreements with the petitioners regarding their installations therein.

In view of the above, we recommend the adoption of the attached resolution.

Respectfully submitted,
THOMAS C. HANSON,
Commissioner.
