City Plan Commission

March 4, 1949

To the Honorable, the Common Council:

Gentlemen—On April 6, 1948, your Honorable Body approved the recommendation of the Excess Property Survey Committee to release a portion of a surplus property strip acquired through foreclosure proceedings and to assign the remainder of the property to the Department of Public Works for alley purposes. The parcel in question is located in the block bounded by Radcliffe, Sarena, Florida, and Central Avenues, and lies adjacent to existing public alleys.
