Honorable Common Council:

Gentlemen—To your Committee of the Whole was referred petition of Herbert L. Harris—Schulze School P.T.A. After consultation with the City Plan Commission, hearing with the interested parties, and careful consideration of the request, your committee recommends that same be granted in accordance with the following resolution. Your committee further recommends that the pedestrian way be acquired and sidewalk constructed without assessment against the abutting property, and the cost of opening the streets to be borne by local assessment district.
