Honorable Common Council:  
 Gentlemen—There are two horse-drinking fountains at the corner of Humboldt and Perry (Western Market) which were installed at the expense of the Bureau of Markets.

Mr. G. V. Branch, Director of the Bureau of Markets, informs us that these fountains are a nuisance to the market in that children playing in and around them throw stones and sticks into the fountains which plug up the drains; and because there is little or no use made of the fountains, he requests that they be discontinued.

The Board concurs in this recommendation and requests authority from your Honorable Body for the removal of the fountains.

Respectfully submitted,  
 E. H. BAUER,  
 Acting Secretary.
