Street Openings

Gentlemen—To your Committee of the Whole was referred petition of Dominick Rosati, et al (2096-1948), requesting the opening of Leonard Ave. between Patricia Ave. and S. Fort St. to provide better access for children to and from school. Your committee is advised by the City Plan Commission that this proposed opening would cause the proposed street to intersect Fort St. at the foot of the slope of the overpass at Fort St. and Wabash R. After consultation with the City Plan Commission, and careful consideration of the matter, your committee concurs in the recommendation, and offers the following resolution.

Respectfully submitted,

MARY V. BECK, Chairman.

Resolved, That a strip of land, 30 ft. in width, across the abandoned Dept. of Street Railways right-of-way at the westerly terminus of Leonard Ave. be and the same is hereby allocated for pedestrian-way purposes, and further
