City Plan Commission

August 15, 1952.

Honorable Common Council:

Gentlemen—Reference is made to the playground site located in the block bounded by Lafayette, Twenty-fourth, Howard and Twenty-third which was acquired by condemnation September 14, 1949.

The Department of Parks and Recreation has informed this Commission of their intention to delete the one lot on Twenty-fourth Street from the site. A public alley needed to service certain garages intervenes between this lot and the remainder of the site and prevents the proper development of said lot. The Department of Parks and Recreation has requested the concurrence of this Department in the proposed deletion.

After careful consideration of all of the factors involved it is the recommendation of the City Plan Commission that lot 1 on the east side of Twenty-fourth Street be deleted from the playground site as requested.

Respectfully submitted,

ARMIN A. ROEMER,
Acting Director.

By Councilman Smith:

The sale to be contingent on the extension of the aforementioned alley. On August 5, 1952, (J.C.C.
