

August 11

We therefore recommend that Tiram Avenue from Stout to Heyden be paved under the Force Paving clause of the City Charter with one course of concrete to a width of 40 feet and the cost assessed according to benefit derived.

Respectfully submitted,
CARL D. WARNER, Commissioner.

By Councilman Rogell:
Resolved, That the paving recommended in the foregoing communication be and is hereby declared necessary; that paving be done with the material and to the width recommended; and that the Commissioner of Public Works be and is hereby directed to advertise for proposals under the Forced Paving clause of the City Charter.

Adopted as follows:
Yeas—Councilmen Beck, Connor, Garlick, Kronk, Rogell, Smith, Van Antwerp, Youngblood, and President Miriani—9.
Nays—None.

Department of Public Works August 6, 1953.

Honorable Common Council:

Gentlemen—In connection with the proposed widening of Randolph Street from Monroe to Cadillac Square, it was necessary to request the County of Wayne to convey a narrow triangular strip of land from the County Building site on the east side of Randolph Street in order to accommodate the street widening. The City Plan Commission has approved the plans for the street widening and the acquisition of this property. The Department of Streets and Traffic has approved the plans for the street widening.

We are in receipt of a Quit-Claim Deed from the County which conveys to the City the necessary land in accordance with our request. The Deed has been approved as to form and execution by the Corporation Counsel and as to description by the City Engineer's Office, and is attached hereto for acceptance by your Honorable Body.

For your convenience, we have prepared a form of resolution.

Respectfully submitted,
CARL D. WARNER, Commissioner.

By Councilman Rogell:

Resolved, That Quit-Claim Deed of the County of Wayne, to the City of Detroit, deeding the following described property for street purposes: "All that part of the Brush Farm, P. C. No. 1, City of Detroit, Wayne County, Michigan, described as follows:
