Honorable Common Council:  
Gentlemen—On October 2, 1958, (J.C.C. Page 2134) your Honorable Body ordered acquisition of land, 25.70 ft. by 30 ft., at the Southwest corner of Whitcomb, required for the widening of Lyndon Avenue.

The petition was duly filed in Recorder's Court, File No. 2303.

Because this property reverted to the State of Michigan for the non-payment of delinquent taxes, this office was able to obtain a deed from the Department of Conservation.

Request is hereby made to dispose of the condemnation case.

Arts Commission  
July 3, 1958.

Honorable Common Council:

Gentlemen—In response to published advertisements the City Engineer's Office, on behalf of the Arts Commission, received eleven bids on June 17, 1958, for Air Conditioning Step No. 3, Detroit Institute of Arts, Contract AC-7, based on plans and specifications prepared by Hyde and Bobbio, Incorporated, as listed on the attached tabulation.

The low bid is regular and in accordance with the contract requirements. It is, therefore, recommended that the contract be awarded to the low bidder, Mechanical Heat and Cold, Incorporated, in the amount of \$126,740.00.

In addition to the contract amount it is estimated that \$8,000.00 will be required to cover the cost of advertising, inspection, and minor changes, making the total funds required \$134,740.00 which are available in Account 101-5090-901.

Respectfully submitted,  
E. P. RICHARDSON,  
Director.
