Honorable Common Council:

Gentlemen—We are returning herewith the petition of Dick B. Roach, Inc., No. 1724, requesting the vacation of a portion of Fletcher Avenue west of Wesson Avenue and certain alleys north and south of Fletcher Avenue west of Wesson Avenue. The vacation of said portion of street and alleys was approved by the City Plan Commission with the recommendation that sufficient land be deeded to the City for a new alley outlet into Wesson Avenue. The petition was then referred to this office by Your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive the petitioner deposited with the City Treasurer the sum of \$1,690.51, Receipt No. B-16335, credited to the Department of Water Supply Fund Code No. 600-0000 (6232) 001, said amount being the estimated cost of abandoning a water main

necessitated by the vacation of said Fletcher Avenue. The petitioner has agreed to install a water meter at the petitioner's own expense at the most easterly property line of Fletcher Avenue to be vacated.

The petitioner also deposited with the City Treasurer the sum of \$1,300.00, Receipt No. B-16334, credited to the Public Lighting Commission Fund Code No. 990-9423, said amount being the estimated cost of removing and rerouting P.L.C. installations necessitated by the vacation of said portion of Fletcher Avenue west of Wesson Avenue.

The petitioner deposited with the Permit Division of the Department of Public Works the sum of \$1,120.00, Receipt No. GR-1217, said amount being the estimated cost of constructing a paved alley return, remove one tree and to grade and stone newly deeded alley.

Proper provisions are incorporated into the vacating resolution protecting the City's interests in the sewers located in the portion of street and alleys to be vacated.

We are in receipt of a Warranty Deed whereby the petitioner dedicates land for a new alley outlet in accordance with the City Plan Commission's recommendation. Said deed was approved as to form and execution by the Corporation Counsel and as to description by the City Engineer and is attached hereto for Your Honorable Body's acceptance.

All other City Departments and privately owned utility companies reported that they will be unaffected by the vacation of said portion of street and alleys or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,

GLENN C. RICHARDS,
Commissioner.
