Honorable Common Council:

Gentlemen—We are returning herewith the petition of St. Ambrose Catholic Church, No. 5442, requesting the vacation of a portion of the north-south public alley, 18 feet wide, north of Jefferson Avenue between Ashland Avenue and Alter Road. The vacation of said portion of alley was approved by the City Plan Commission with the recommendation that the southerly 20 feet of the school parking lot be permanently kept open for public use as long as the southerly section of the north-south alley remains open. The petition was then referred to this office by your Committee of the Whole for investigation and report.

We wish to advise that our investigations are completed.

As per our directive, the petitioner deposited with the City Treasurer, the sum of \$200.00, Receipt No. A-34188, credited to the Public Lighting Commission Fund Code No. 990-9423, to cover the cost of removing the Public Lighting Commission's facilities located in the portion of alley to be vacated.

Proper provisions are incorporated in the vacating resolution protecting the City's interests in the sewer located in the portion of alley to be vacated.

All other City departments and privately owned utility companies reported that they will be unaffected by the vacation of said portion of alley or that they have reached satisfactory agreements with the petitioner regarding their installations therein.

We recommend the adoption of the attached resolution.

Respectfully submitted,  
S. G. GENTILE,  
Dep. Commissioner.
